MONEY FORCES, THE STOCK MARKET AND THE ECONOMY TODAY

Money forces have always been an important factor in the future trends of the economy and consequently have also affected the course of the stock market. Statistical studies reveal that in most cases the trend of the stock market has preceded that of the economy by approximately six months. The economy in turn in recent years has been affected by the supply of money. The Federal Reserve Board, primarily through its discount rate, is able to influence money supply although it is also influenced by the law of supply and demand.

As money comes into greater demand the prime rate of interest on commercial loans rises. This is the rate charged to leading companies. The banks in turn as the spread between the interest charged by the Federal Reserve Board through the discount rate widens have additional incentive to permit the loaning of money and consequently to progressively lower the standards to be met to borrow their money. Therefore it is necessary for the Federal Reserve as interest rates rise to raise the discount rate accordingly.

Eventually, as it becomes more difficult to borrow money, the upward trend of the economy slows up and a reversal of the trend occurs. Today the prime rate is as high as it was in 1957 prior to the business recession and the highest since the early 1920s at 4½%. The discount rate which was raised to 3½% in 1957 is now currently at 3%, but many observers believe that it will be raised to 3½% shortly to get it in line with the prime rate.

Today the yield on bonds is higher than it was in 1957 and also the highest since the early 1920s which suggests that eventually the prime rate on loans may go even higher. This tightening of the money supply has rather unfavorable implications in that eventually it may once again cause a reverse of the trend and a downward turn in the economy cycle.

Our statistical studies show further that a reversal in the trend of stock prices should precede that of the economic cycle by some four to six months. Also they show that stocks generally set at the high levels of their cycle a few months prior to the time that bonds sell at their lows. From this evidence it history is a valid yardstick for measuring the future the bond market should continue somewhat lower while the stock market may be rapidly approaching the point where it is reaching its highs. Once the stock market has established a downward trend, the time to purchase bonds for an upward move would appear to have arrived.

BILL BRAZELTON, STAGE ROBBER

Donald McCarthy

There were some outlaws of pioneer days who seemed to have a streak of genuine chivalry in their makeup—men who never complicated robbery with bloodshed and who, in their choice of a victim, exhibited a judicious fastidiousness which even won for them a certain degree of popularity, a sentiment entertained by all classes of the community, except the express companies.

Such a man seemed to have been Bill Brazelton, who enters upon the prologue of this brief drama as a big, fine-looking red-haired boy, of Tucson, Arizona, where after arriving at manhood, he worked in the corrals, drove teams, tended stage stock, and occasionally took the stage out over the first division to Maricopa Wells, ninety miles away.

Bill's reputation for boldness and bravery won him the admiration and friendship of many, a fact which contributed not a little to the length and success of his career as a road agent. Six feet and more in height, sinewy and spare in build, he was always in the saddle or out, a striking and handsome figure. Armed, as he always was with two .45 calibre Colt's revolvers, dangling at his hips, and a Winchester rifle carried across his saddle in front of him, no man ever got the drop on him.

Bill seldom, if ever bothered a passenger, never touched the mails, and confined his attentions almost solely to the Wells-Fargo express box, from which he took nothing but the money, which, in these days, was in coin, and for the most part gold. Even then he showed a thoughtful consideration rare in road agents; for he invariably placed the box with the rest of its contents intact, by the roadside, to be taken into Tucson by the next traveler passing that way. He knew nearly every one in and about Tucson and along the stage route as far as the Colorado river. He was especially well acquainted with the stage drivers, station tenders and freighters, all of whom had known and liked him from the days when he was a big red headed, hearty, wholesome, likeable boy.

In the latter part of his career he rode a famous blue roan of the California half-bred type, an animal of great speed and endurance. In selecting the time or the place, or in forecasting the result of a robbery, he never miscalculated, and if hard pressed by a posse, as he sometimes was, he invariably out-rode and lost them on the desert. On such occasions, when distance from his chosen field of operations became necessary, he often sought the lower San Pedro Valley, where he had many friends.

His favorite place for intercepting the Hucson stage was in what was then known as the Cactus Forest, forty miles northwest of Tucson, on the Picacho desert, a stretch of country which to the eye of a passenger on the night-coach took on the aspect of a field of phantoms. Among its varied forms of cactus stood out in bold relief, like a gigantic sentinel of the desert, the tall and picturesque sahuaro, which in its lesser forms, tended to confuse the imaginations of those in the stage at that uncanny hour, rendering them unable to determine whether Brazelton was alone or accompanied by confederates, the latter case seeming the more probable to those unfamiliar with the nocturnal apparitions of the sahuaro.

Time and again, elaborate plans were laid to capture or kill Brazelton, but only to fail. On one occasion the outgoing stage bore four armed men, three of them for him. Brazelton, who had advance information, met and stopped the stage that night on the open desert, called the men by name, told them he knew what they had come for. Then, standing by the lead horses, and forcing the driver to act as receiver, he ordered them to pass out their arms through the side door, after which he started them back to Tucson on foot.

The time came, however, when, with a price on his head, he realized that if he persisted indefinitely in his course, he was doomed to share the fate of the pitcher that went once too often to the well. It was about this time that, departing from his invariable custom, he took a man named Miller, a stranger in the Territory, into his confidence, revealing to him his plans for the future and making him a partner in which he declared was his last stage robbery.

Then, on a bright moonlight night, the two set out for the Cactus Forest, at which they arrived after hours of hard riding, a little before midnight, the hour at which the incoming Tucson stage was due. There, in the shadow of a giant sahuaro, with his rifle across his arm, he awaited its coming, as he had so many times before.

On came the stage, with a clatter of hoofs, and the tinkle of harness metal. The bright moonlight rendered the sidelamps superfluous. Otherwise the equipage appeared as on any other night. The passengers were dozing inside and the express messenger and the driver were drowsing on the box, when the command to halt came from a stalwart figure in the middle of the road.

"Throw down the box, Mesdenger," ordered Brazelton, and the order was immediately obeyed. "Drive on," he commanded the driver, calling him familiarly by name, and stepped back to the shadow of the sahuaro. And the coach rattled off in the moonlight.

As on previous occasions, the box was borne back from the road, the lock broken off, the money transferred to a pair of canvas sacks, and the sacks fastened to the pommel of Brazelton's saddle, and again was the box, its other contents untouched, returned to the roadside, to be picked up in the morning by the first team bound for Tucson.

Out from the Cactus Forest, across whose weird shadows that night Bill Brazelton was destined to ride for the last time, the two men slowly wending their way to avoid contact with the great clusters of prickly pear which bristled on every side, headed the open desert, and set out at a brisk pace. For the first few hours their route took the general direction of Tucson, but their final destination was a veritable fotest of mesquite which spread, fan-like, for ten miles to the north of that place. In that forest Brazelton always kept a small cache of provisions for emergencies like this.

Arriving there next morning after a hard, swift ride, they went into camp by a little creek which coursed its way to the Santa Cruz. There they grazed their horses, rested, and by turns, watched and slept.

But that evening, out on the desert over which Brazelton and Miller had ridden the night before, the sheriff's men from Tucson picked up the trail of the blue roan and found something they had never run into before in a pursuit of Brazelton—the track of a companion animal. And, more than that, the singularly round and large hoof-print of the blue roan was side by side with that of a steed with a crooked front hoof.

Wondering whom the other horseman might be (for they were certain the other animal was no pack-horse) they followed the trail till nightfall forced them to desist. At that time the trail led toward Tucson, but they were only too sure that it did not enter there.

When the deputies imparted the result of their observations to the sheriff next morning, he decided that Brazelton had at last succumbed to a longing for companionship and had picked up a partner. And, in the hope that Brazelton's confederate would sooner or later make his appearance in Tucson on the horse with the crooked hoof, the sheriff ordered that a close watch be kept on the corrals and on the roads leading in from the north.

It was a little before noon two days later when one of those on watch for it espied the track of a crooked hoof on one of the roads leading southward toward Tucson. He followed it at a hope into town and to a corral where the horse that made it was found. Armed with a description of the horse, it was easy for the sheriff to find Miller. He was taken to the corral and confronted with the horse, but, despite the damning evidence, denied all knowledge of or connection with Brazelton.

Brazelton, in picking Miller for a partner, had made no mistake in deeming him a man of loyalty, firmness and pluck. What followed was an evidence of his good judgement of men and the fidelity he was able to inspire during a brief acquaintance. Neither he nor Miller could have foreseen the awful test to which that loyalty was to be put.

Certain of his connection with Brazelton, and maddened by his persistent refusal to admit it, the sheriff's men strung him up by the neck until he was almost dead. Still he refused to confess, and they strung him up again. Again he refused to speak, and for the third time they hoisted him into the air. Then poor human nature gave way. Suffering the most intense agony, and all but dead, he agreed to their demands.

He had come that morning to Tucson for provisions, he said, and returning he was to meet Brazelton that evening at a little clearing in the mesquite, about seven miles from town. It had been pre-arranged that if he was alone and everything appeared safe Miller was to whistle thrice as a signal for Brazelton to ride into the clearing, whence both were to proceed to their camp several miles away.

With these disclosures to guide them the posse started out. Miller, though barely able to keep his balance in the saddle, was forced to take the lead on the horse with the crooked hoof, under the command to halt came from a stalwart figure in the middle of the road.

"Throw down the box, Mesdenger," ordered Brazelton, and the order was immediately obeyed. "Drive on," he commanded the driver, calling him familiarly by name, and stepped back to the shadow of the sahuaro. And the coach rattled off in the moonlight.

As on previous occasions, the box was borne back from the road, the lock broken off, the money transferred to a pair of canvas sacks, and the sacks fastened to the pommel of Brazelton's saddle, and again was the box, its other contents untouched, returned to the roadside, to be picked up in the morning by the first team bound for Tucson.

MRS. ANDERSON'S LOVELY TEA ATTENDED BY HANDICANS

On May 23, Mrs. [illegible] Anderson, well known here for her artistic ability, entertained at the Golden Ox in Kerrville with a lovely tea honoring the members and artists of the Hill Country Art Foundation.

On display were three water colors by Dee Holen of Houston who will teach Polymer Tempera classes, (Plastic similar to casein) at the Point, a portrait by Margaret Watson of Houston and a watercolor by Alice Naylor of San Antonio.

The decor of the party was most original and credit goes to Kerrville artists Alma Tuttle and Honey Moore for the centerpiece. Mrs. W. R. Wahrmund's handwoven table runner of cedar bark and hemp was also used as decor.

Mrs. Anderson, made the small artist's palettes that each member of her houseparty wore.

Among the guests were Marguerite Montgomery, librarian of the Alamo in San Antonio, Mrs. H. M. Chapman, Juliette Finch, Mrs. Mary Louise Whitehouse, Mrs. Asta Gruna, Betty Mulders, Mr. and Mrs. George Ross, Olive Vandruff, Frits and Emilie Toepperwein of the Hill Country Store in Boerne, Carletta Braun and Gretchen Stacy, Mr. and Mrs. Cooper Drury, Mr. and Mrs. Fred Briggs and Mr. and Mrs. F. EDITORIAL—
CO-OPERATION?

The Bandera Bulletin is always ready and happy to cooperate in any undertaking for the good of Bandera or Bamtera county. By "co-operating" we mean the giving of our time our cash and our space, to assist in developing or building any project or any organization that is for the improvement of conditions here. We fully realize that to accomplish anything worth while all must work in harmony. You never find this newspaper on the opposing side of anything that is good for Bandera and Bandera County, no matter who is behind the movement. There is real joy in doing things. Happiness does not come from selfhood, but is always within, for it is that condition of satisfaction that comes with that knowledge that we have been useful and helpful, and have made an honest effort to be of real service.

LOVE

There's the wonderful love of a beautiful maid, and the love of a staunch, true man; and the love of a baby, that's unafraid—all have existed since time began. But the most wonderful love, the love of loves, even greater than that of a mother, is the tenderest, infinite passionate love of one dead drunk for another.—Annon.

ADVERTISE

The Bandera Bulletin is doing its part in advertising Bandera to the outside world and bring to Bandera and Bandera County the business necessary to sustain the commercial establishments here. Every dollar spent with the Bandera Bulletin is just that much invested in your business. When you withhold advertising patronage it handicaps us in our efforts and limits our usefulness.

OUR CHAMBER OF COMMERCE

Many have asked us why the Chamber of Commerce "does not do anything." The Chamber of Commerce is just what ever YOU will have it to be. If it is inactive, perhaps you are the cause of its inactivity, perhaps you do not attend the meetings, or perhaps you are content to let he other fellow do the work. A live Chamber of Commerce means work for every member. Wherever the business firms of the town and the citizens of the town will support and attend the Chamber of Commerce, the town is progressive and alive.

GOOD PUBLICITY FOR BANDERA

Bandera is getting lots of good publicity these days through newspapers and magazines, publicity which is bound to be helpful. Articles describing in detail the beautiful scenery, sparkling streams, fishing, hunting, a year round vacation spot. This sort of publicity has brought hundreds of people to our community. Now, Bandera folks: how are you grasping the opportunity? Will we just "sit put" and let these visitors come and go and never come back again? Let's get busy and entertiain them, and let them know we appreciated them choosing Bandera to spend their vacation in, that we have the most attractive region in the state and let's convince them that here they will find real hospitality.

BEAUTIFUL BANDERA HILL COUNTRY

You do not have to go to Colorado or California to get a view of the grandest scenery in the good old U.S.A. A drive over Highway 16 from San Antonio to Bandera to Medina and on to Kerrville, will furnish you with all the glories of scenic beauty which nature can provide. From the time you enter the Bandera hills this side of Helotes, until you cross the Guadalupe river into Kerrville, you behold a panarama of lovelines—hilly timbered hillsides, picturesque roads, yawning gulches, and as you come over the "Slide-off" you behold a most enchanting scene in the distance looking toward Bandera. Visit Bandera, you'll be glad you did.

On came the stage, with a clatter of hoofs, and the tinkle of harness metal. The bright moonlight rendered the sidelamps superfluous. Otherwise the equipage appeared as on any other night. The passengers were dozing inside and the express messenger and the driver were drowsing on the box, when the command to halt came from a stalwart figure in the middle of the road.

"Throw down the box, Messenger," ordered Brazelton, and the order was immediately obeyed. "Drive on," he commanded the driver, calling him familiarly by name, and stepped back to the shadow of the sahuaro. And the coach rattled off in the moonlight.

As on previous occasions, the box was borne back from the road, the lock broken off, the money transferred to a pair of canvas sacks, and the sacks fastened to the pommel of Brazelton's saddle, and again was the box, its other contents untouched, returned to the roadside, to be picked up in the morning by the first team bound for Tucson.

Out from the Cactus Forest, across whose weird shadows that night Bill Brazelton was destined to ride for the last time, the two men slowly wending their way to avoid contact with the great cluttern of prickly pear which bristled on every side, attained the open desert, and set out at a brisk pace. For the first few hours their route took the general direction of Tucson, but their final destination was a veritable forest of mesquite which spread, fan-like, for ten miles to the north of that place. In that forest Brazelton always had a small cache of provisions for emergencies like this.

Arriving there next morning after a hard, swift ride, they went into camp by a little creek which coursed its way to the Santa Cruz. There they grazed their horses, rested, and by turns, watched and slept.

But that evening, out on the desert over which Brazelton and Miller had ridden the night before, the sheriff's men from Tucson picked up the trail of the blue roan and found something they had never run into before in a pursuit of Brazelton—the track of a companion animal. And, more than that, the singularly round and large hoof-print of the blue roan went side by side with that of a steed with a crooked front hoof.

Wondering whom the other horseman might be (for they were certain the other animal was no pack-horse) they followed the trail all night,and forced them to depist. At that time the trail led toward Tucson, but they were only too sure that it did not enter there.

When the deputies imparted the result of their observations to the sheriff next morning, he decided that Brazelton had at last succumbed to a longing for companionship and had picked up a partner. And, in the hope that Brazelton's confederate would sooner or later make his appearance in Tucson on the horse with the crooked hoof, the sheriff ordered that a close watch be kept on the corrals and on the roads leading in from the north.

It was a little before noon two days later when one of those on watch for it espied the track of a crooked hoof on one of the roads leading southward toward Tucson. He followed it at a lope into town and to a corral where the horse that made it was found. Armed with a description of the horse, it was easy for the sheriff to find Miller. He was taken to the corral and confronted with the horse, but, despite the damning evidence, denied all knowledge of or connection with Brazelton.

Brazelton, in picking Miller for a partner, had made no mistake in deeming him a man of loyalty, firmness and pluck. What followed was an evidence of his good judgement of men and the fidelity he was able to inspire during a brief acquaintance. Neither he nor Miller could have foreseen the awful test to which that loyalty was to be put.

Certain of his connection with Brazelton, and maddened by his persistent refusal to admit it, the sheriff's men strung him up by the neck until he was almost dead. Still he refused to confess, and they strung him up again. Again he refused to speak, and for the third time they hoisted him into the air. Then poor human nature gave way. Suffering the most intense agony, and all but dead, he agreed to their demands.

He had come that morning to Tucson for provisions, he said, and returning he was to meet Brazelton that evening at a little clearing in the mesquite, about seven miles from town. It had been pre-arranged that if he was alone and everything appeared safe Miller was to whistle thrice as a signal for Brazelton to ride into the clearing, whence both were to proceed to their camp several miles away.

With these disclosures to guide them the posse started out. Miller, though barely able to keep his balance in the saddle, was forced to take the lead on the horse with the crooked hoof, under a threat of instant death if he made a false move, attempted to mislead them, or failed to give the proper signal at the appointed place. Thus they rode north, dozen strong, into this, the mesquite forest. Arrived within a few hundred yards of where Brazelton was in hiding, (and without saying so) the desperado of the mesquite, he was unable to discern their presence,) the posse dismounted, and, leaving one of their number to care for the horses, they moved stealthily forward.

As Miller, always a short distance of the way by their rifles, step of chew ay by their rifles, arrived at the trysting place, he faltered and turned partly around, revealing to the man directly behind a countenance in which dread, fear and horror were intermingled. It seemed for a moment as if he were undecided to go on with the tragic part he was there to enact. But he gave the fatal signal, and Bill Brazelton, all unconscious of the fate awaiting him, rode forth, dauntless and fearless as usual, into the mesquite clearing. There he fell from his horse, a dozen balls in his body.

So perished Bill Brazelton, at the age of twenty-eight. Miller, whose sufferings were considered punishment enough for what was accordingly freed, said that the raid in which he had engaged was his last adventure, and that what with the supplies bought in Tucson they had planned to make their way to a Mexican wood camp, get rid of their mules, bury Brazelton's various caches of gold totaling about $50,000, journey across the country to Guaymas, then by river to San Francisco, and finally to South America by the first vessel leaving that port. All that interfered with the Brazelton plan was the print of a crooked hoof.

DANIEL SIGNS BILL INTO LAW

Austin.—Pre-school instructional programs for non-English speaking children is authorized under a new law signed Monday by Gov. Daniel.

Its main purpose is to help children learn 400 basic English words. The bill aims to help areas where Spanish is predominately spoken in the homes and children cannot speak English when they start school.

Other bills signed into law included:

HB 18, provides for bonding of state officers and employes.

HB 171, extends workmen's compensation benefits to state highway employes.

HB 188, provides maintenance, care and education of persons under the age of 18 years who are totally deaf and blind or totally blind and nonspeaking.

HB 297, authorizes the board of state hospitals and special schools to sell excess land at the Kerrville State home.

HB 316, provides that married women shall have the control, management, and disposition of their contracts of life insurance or annuity, subject to nullification of the provisions of thig act by the husband by notice to the insurance company.

HB 342, authorizes regulation of buildings and other structures for the purpose of preserving and protecting places and areas of historical and cultural importance.

HB 351, authorizes the board for state hospitals and special schools to determine and sell excess land at the San Antonio State hospital.

HB 420, transfers Gillespie and Kimble counties from the Third Administrative Judicial district to the Sixth Administrative Judicial district.

HB 506, permits certain minors to contract for life insurance policies.

HB 509, provides for appointment of a county purchasing agent in counties of more than 73,000 population.

HB 612, authorizes special program for pre-school children who have a hearing loss.

HB 874—relating to credit for military service by members in the teachers retirement system.

HB 892—revising the schedule for fees to be received by notaries public.

ROGER DALE CHANCY IN HOSPITAL

We are sorry to report Roger Dale Chancy, young son of Mr. and Mrs. Ralph Chancy, spent several days in the Sid Peterson Hospital in Kerrville last week undergoing treatment for an infection in his foot. We hope the young man is soon well.

Born to Mr. and Mrs. Leslie Teague, a son, in the Sid Peterson Memorial Hospital on May 27, 1959.

MRS. ANDERSON'S LOVELY TEA ATTENDED BY HANDIMANS

On May 23, Mrs. [illegible] was well known here for her artistic ability, entertained at the Golden Oak in Kerrville with a lovely tea honoring the members and artists of the Hill Country Art Foundation.

The decor of the party was most original and credit goes to Kerrville artists Alma Tuttle and Honey Moore for the centerpiece. Mrs. W. R. Wahrmund's handwoven table runner of cedar bark and hemp was also used as decor.

Mrs. Anderson, made the small artist's palettes that each member of her houseparty wore.

Among the guests were Marg-Riette Montgomery, librarian of the Alamo in San Antonio, Mrs. B. M. Chapman, Juliette Finch, Mrs. Mary Louise Whitehouse, Mrs. Asta Grona, Betty Mulders, Mr. and Mrs. George Ross, Olive Vandruff, Frits and Emilie Toepperwein of the Hill Country Store in Boerne, Carletta Broun and Gretchen Stacy, Mr. and Mrs. Cooper Drury, Mr. and Mrs. Fred Briggs and Mr. and Mrs. F. B. Duane of Bandera, Lucille Pampell, Ginny Gregg, Mr. and Mrs. Fred Ainsworth, Rola Mickle, Bertha Nelson, Winn Oliver, Mr. and Mrs. Bob Jackson, Ike Koenig, Mrs. C. P. Callison, Jean Schwethelm, and many others.

TENDERFOOT SCOUTS RECEIVE WINGS ON BROWNIE HOLIDAY

A Brownie overnight holiday was held at the home of Mr. and Mrs. Gabe Anderwald on Indian Creek. Girl Scouts participating were Janice Locke, Diane Fitzpatrick, Mary Jane Billings, Karen Anderwald, Carolyn Kalka and special house guest, Nancy Groff. Having successfully completed three years in the Brownie Scout program and recently passed "Tenderfoot Rank," these five girls received in ceremony their final "Gold Star", and "Fly-Up Wings" Saturday morning from their leader, Mrs. Anderwald. Investiture will take place in the Fall.

Girl Scout Director, Mrs. Gabe Anderwald, received a Medal of Honor and appreciation from the National Girl Scout Headquarters in New York, for the splendid record and work completed in this country.

CO-OPERATION"

The Bandera Bulletin is always ready and happy to cooperate in any undertaking for the good of Bandera or Bandera county. By "co-operating" we mean the giving of our time, our cash and our space, to assist in developing or building any project or any organization that is for the improvement of conditions here. We fully realize that to accomplish anything worth while all must work in harmony. You never find this newspaper on the opposing side of anything that is good for Bandera and Bandera County, no matter who is behind the movement. There is real joy in doing things. Happiness does not come from without but is always within, for it is that condition of satisfaction that comes with that knowledge that we have been useful and helpful, and have made an honest effort to be of real service.

LOVE

There's the wonderful love of a beautiful maid, and the love of a staunch, true man; and the love of a baby, that's unafraid—all have existed since time began. But the most wonderful love, the love of loves, even greater than that of a mother, is the tenderest, infinite passionate love of one dead drunk for another.—Annon.

ADVERTISE

The Bandera Bulletin is doing its part in advertising Bandera to the outside world and bring to Bandera and Bandera County the business necessary to sustain the commercial establishments here. Every dollar spent with the Bandera Bulletin is just that much invested in your business.

When you withhold advertising patronage it handicaps us in our efforts and limits our usefulness.

OUR CHAMBER OF COMMERCE

Many have asked us why the Chamber of Commerce "does not do anything." The Chamber of Commerce is just what ever YOU will have it to be. If it is inactive, perhaps you are the cause of its inactivity, perhaps you do not attend the meetings, or perhaps you are content to let he other fellow do the work. A live Chamber of Commerce means work for every member. Whenever the business firms of the town and the citizens of the town will support and attend the Chamber of Commerce, the town is progressive and alive.

GOOD PUBLICITY FOR BANDERA

Bandera is getting lots of good publicity these days through newspapers and magazines, publicity which is bound to be helpful. Articles telling of our tourist trade, the beautiful scenery, sparkling streams, fishing, hunting, a year round vacation spot. This sort of publicity has brought hundreds of people to our community. Now, Bandera folks: are we grasping the opportunity, or will we just "sit put" and let these visitors come and go and never come back again? Let's get busy and entertain them, and let them know we appreciated them choosing Bandera to spend their vacation in, that we have the most attractive region in the state and let's convince them that here they will find real hospitality.

BEAUTIFUL BANDERA HILL COUNTRY

You do not have to go to Colorado or California to get a view of the grandest scenery in the good old U.S.A. A drive over Highway 16 from San Antonio to Bandera to Medina and on to Kerrville, will furnish you with all the glories of scenic beauty which nature can provide. From the time you enter the Bandera hills this side of Helotes, until you cross the Guadalupe river into Kerrville, you behold a panarama of loveliness—heavily timbered hillsides, picturesque roads, yawning gulches, and as you come over the "Slide-off" you behold a most enchanting scene in the distance looking toward Bandera. Visit Bandera, you'll be glad you did.

Your Child and the Doctor

It's a good idea to give written consent for emergency medical care if your child leaves home for a visit or a camping trip, or if you plan to be away for any length of time.

For example, a summer camp nurse may bring a boy into a hospital with an acute case of appendicitis. But the doctor may well hesitate to go ahead and operate without the parents' consent.

Is the doctor arbitrary, and is such permission just a legal technicality? No, he is well within his rights, though he may give first aid—but only for emergency treatment where a child's health or life may be at stake. He is likely to put off follow-up care until he can reach that child's parents.

A relatives or baby sitter generally cannot grant consent for a child's treatment.

Even an adult must request treatment and grant consent to medical care on his own before a doctor can give it to him. Children cannot do this.

By going to your doctor you show your willingness and consent to accept his treatment. Your consent is assumed also when you ask for a house call by the doctor, or if as a result of an accident you come to a hospital for emergency treatment. If you are unconscious, the doctor may well give you emergency care, yet later he should get your consent to further treatment.

Minors cannot consent to medical treatment, and except in dire emergencies their parents or guardians must give it for them.

The consent should not be broadly or loosely phrased, but should be as specific as circumstances permit.

The principal reason for having the consent in writing is to avoid later misunderstadings. It is a protection both to the patient and physician.

(This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

TEXAS PARADE PRAISED

Austin, Texas. — A resolution has been adopted by the Texas Good Roads Parade Magazine for its eleven years of advertising the state without cost to the taxpayers.

Senator George Parkhouse of Dalla's sponsored the resolution, which said the magazine has done an excellent job of publicizing Texas' industrial opportunities, tourist attractions and points of historical interest.

"Continuous publicity has been directed to the nation's leading business executives," said the resolution, "thereby awakening thousands of Texas' enormous industrial advantages."

The magazine's nation-wide circulation includes business executives who are responsible for 90 per cent of America's industrial decisions, according to Editor William B. Alderman.

Alderman announced that Texas Parade will launch next fall the third year of its special program in cooperation with Chambers of Commerce throughout the state calling attention to industrial sites and opportunities.

Noting that the magazine plans to continue its "missionary work," Alderman expressed the state's gratitude for its achievements "in giving Texans a better understanding of their own state, for keeping alive Texas' proud heritage and chronicling its history."

It also praised the magazine for drawing attention from all over the world to "the fabulous opportunity that Texas affords."

WASHINGTON NEWS LETTER

From Lyndon B. Johnson

Dear Friend:

A lot of you have asked why I voted for the Kennedy-Ervin labor bill, and I thought this might be a good time to answer that question briefly.

The bill was approved in the Senate by a vote of 90 to 0. That's a look at a few of the many good reasons for this overwhelming support. For instance, as passed by the Senate, this bill:

—Sets up strong bars against persons convicted of serious crimes from serving as union officers.

—Spells out the fact that union members have a right to know what is going on in their unions.

—Requires that unions make available to each member—and lay open to public inspection—full financial and administrative reports.

—Guarantees, as safeguards in the conduct of union elections; a secret ballot; written notice of all elections to each member and opportunity to nominate opposing candidates.

Further, this law would prohibit picketing for extortion or to obtain employer pay-offs—and it would also when you ask for a house call by the doctor, or if as a result of an accident you come to a hospital for emergency treatment. If you are unconscious, the doctor may well give you emergency care, yet later he should get your consent to further treatment.

Minors cannot consent to medical treatment, and except in dire emergencies their parents or guardians must give it for them.

The consent should not be broadly or loosely phrased, but should be as specific as circumstances permit.

The principal reason for having the consent in writing is to avoid later misunderstadings. It is a protection both to the patient and

CONSERVATION DISTRICT
BANDERA SOIL
CONSERVATION DISTRICT
SELF-GOVERNMENT

The F. W. Moseley Ranch north of Bandera has recently begun a complete deferrment of their rangeland. The purpose of this deferrment is to allow the better native grasses to come into the composition of plants on the range land. At the present time, the vegetation is composed of mostly three-awns, Texas wintergrass, and undesirable forbs. By deferring their pastures for two years as planned, the better grasses such as Little bluestem, Sideoats grama, and Indiangrass which are now confined to fence rows and other protected areas will have a chance to produce seed and increase their stand and vigor. Mr. Moseley is also considering putting parts of the cropland that are mapped as unsuitable for cultivation into permanent pasture to cut down on the erosion as well as to supplement the rangeland grazing. The Moseley ranch is being assisted in their planning by technicians of the Bandera SCD.

* * *

A good rancher may never see the soil on his place because of the abundant amounts of grass and litter present.

* * *

Joe S. King who owns the King's Ranch for Girls, has almost completed the brush clearing planned for his place a year ago. It is a basic conservation plan. King has cleared approximately 100 acres of the 316 acres of rangeland on his place. Clearing of the cedar has been done by hand cutting and piling. This brush control has controlled greatly toward getting more and better native grasses on this pasture according to Mr. King.

* * *

Under use of grassland is seldom a problem in range management.

* * *

Earl Weed reports two pastures being deferred on the Kyle Ranch this year. The two pastures contain approximately 2300 acres. Weed also reports 100 acres of brush being cleared on the ranch. The brush is being hand cut in a valley range site of good productivity. By elimination of the brush competition, along with the deferrment, the young grass seedlings will have a chance to develop into vigorous plants.

* * *

Many weeds are taking over bare areas in your rangeland. Weeds being in natures process of range improvement. They prepare the soil for grasses. Follow the weed crop with a complete rest and see how grasses will respond.

BANDERA SCHOOL LUNCH ROOM RECEIVED COMMODITIES

During this last year the Bandera School Lunch Room received $2,175 of Department of Agriculture commodities. Among the foods received were butter, cheese, flour, pinto beans, peanut butter, peas, corn, peaches, tomatoes, and frozen ground pork and turkeys.

During the school year 48,858 lunches were served. That is an average of 270 per day. Over 20,000 bottles of milk were sold.

Plans are to continue the low price of $4.00 per month for lunch tickets this next year.

BANDERA TEACHERS WILL ATTEND SUMMER SCHOOL.

Several of the Bandera School teachers will attend college this summer. John Sommer is completing his work for a masters degree at Southwest Texas State College. Roger Tatsch is attending Trinity University. Mrs. Myrtle Schnelle will attend the University of Texas all summer. Mrs. Alice Ainsworth and Mrs. Susie Cade plan to attend the University of Denver. Mrs. Johnsie and Marvin C. Schnelle each plan to attend several one-week conferences.

CHEVROLETS

Independent experts and official facts and figures prove Chevrolet's ahead of its field in seven big ways.

BEST BRAKES . . . In direct competitive tests of repeated stops from highway speeds, conducted by NASCAR,* Chevy brakes are far larger, built with bonded linings for up to 56% longer life. BEST TRADE-IN . . . Check the figures in any N.A.D.A.† Guide Book. You'll find that Chevy used car prices last year averaged up to $128 higher than comparable models of the "other two." BEST STYLE . . . Popular Science magazine sums it up: "The fact is, in its price class the Chevy establishes a new high in daring styling . . ." It's the only car of the leading low-priced three that's unmistakably modern in every line. BEST ECONOMY . . . No doubt about this: two Chevrolet Sixes won their class in the famous Mobilgas Economy Run, got the best mileage of any full-size car. BEST ROOM . . . Official dimensions reported to A.M.A.† make this clear. For example, Chevy front seat hip room is up to 5.9 inches wider than comparable cars. BEST ENGINE . . . Every motor magazine has given Chevy's standard and Corvette V8's unstinted praise. As Sports Cars Illustrated puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price." BEST RIDE . . . You'll be able to tell this yourself, instantly. But Motor Trend magazine expresses it this way: ". . . the smoothest, most quiet, softest riding car in its price class."

BANDERA JUDGING TEAMS GO WELL AT SHOWS

The Bandera senior judging team composed of Earl Keese, John Focke, Pat Welch and Judy Mueller, did a fine job of judging at the recent Leakey Wool and Mohair contests and brought home first place honors in both the wool and mohair judging.

When the Junior Team judged they placed first with Howard Hicks high point Junior in the wool and mohair judging. This team was composed of Howard Hicks, Ronald Goodenough and Gretchen Mueller.

The State Wool and Mohair judging contest will be held at San Angelo on June 15, 1959, and Bandera will be well represented by both the junior and senior teams.

Those working out for the senior team are John Focke, Larry Dean, Patsy Welch, Judy Mueller.

Working out for the junior team are Howard Hicks, Freddie Flach, Charmin Hicks, Dickie Hicks, Gretchen Mueller and Ronald Goodenough.

Earl Keese is working out for the team for the Sonora contests.

Lt. and Mrs. William H. Packard

MISS BARBARA FRERICH WEDS LIEUTENANT PACKARD

The marriage of Miss Barbara Ann Frerich to Lieutenant William Henry Packard was solemnized Saturday evening, June 6, in an impressive double ring ceremony in St. Stanislaus Catholic Church here. Rev. Victor Schmidtsinsky celebrated the nuptial mass.

The bride is the daughter of Mr. and Mrs. E. H. Frerich of Pipe Creek, Texas, and the parents of the bridegroom are Mr. and Mrs. O. B. Packard of Redding, California.

During the ceremony the bride and groom knelt at the altar which was beautifully adorned with large triangular arrangements of white gladiolus, white crown asters, and Majestic dalsies.

Miss Patricia Jenschke presented the nuptial music.

The bride, given in marriage by her father, carried a cascade bouquet of white carnations center-ing a white orchid with a silhouette of blue tulle. She was beautifully gowned in Alencon lace with nylon tulle over silk taffeta. The lace bodice had a scalloped decolletage, outlined with iridescent sequins and bracelet length sleeves tapering to points over the wrists. The bouffant skirt was fashioned with billows of imported nylon tulle over silk taffeta. Garlands of lace appliques adorned the skirt that swept into a chapel length train. The brides headpiece, exquisitely designed, was a crown of tiny seed pearls and sequins forming adjoining hearts. A French illusion veil fell softly from the crown.

Miss Mary Katherine Frerich, sister of the bride, was presented as maid of honor. She wore a lovely petal pink silk organza creation designed with a sweetheart neckline and a full skirt over taffeta. Her headpiece was a crown of pink iridescent sequins protraying a rounded, face length veil. She wore white accessories and carried a crescent bouquet of pink asters.

The bridesmaids, Mrs. Willard D'Spain, Misses Mary Lu Moos and Mildred Pittman, were beautiful dresses of ice blue silk organza with crowns of blue sequins and face veils. Their dresses and headpieces were facsimiles of that worn by the maid of honor. Oyster white accessories were chosen and their crescent bouquets were of blue asters.

Petite Deborah Frerich, small sister of the bride, was presented as flower girl. She was dressed in petal pink with silk organza with sequin headpiece, a tiny veil to the maid of honor. She carried a nosegay of pink feather carnations centered by a pink aster.

Little Jim Brannigan, small son of Mr. and Mrs. James F. Brannigan, served as ring bearer.

Mrs. E. H. Frerich, mother of the bride, wore a beautifully creation navy blue Alencon lace dress. Her accessories were pure white and her corsage was a white Phalaenopsee orchid with frenched carnations.

Mrs. O. B. Packard, mother of the bridegroom, was attractively dressed in a pale blue combination of arnel and cotton. She chose black accessories to complete her attire and her corsage was also a white Phalaenopsee orchid with frenched carnations.

Lieutenant Oscar Diessner assisted the groom as best man and the groomsmen were Herman

SCOUT CIRCUS WILL BE AT AG CENTER JUNE 30TH

"Welcome" to the Boy Scout Circus! The Boy Scouts of Bandera will have their circus on June 30 at the Bandera County Agriculture Center on the Medina Highway just past the Bandera Electric Cooperative, Inc., building.

A small admission of 25c will be charged and the money secured will go to swell the Cub Scout fund. This fund is set up to buy camping equipment as well as a hundred and one other things for the Scouts in their various projects.

On display will be exhibits of their various projects and special entertainment including a cake and pie walk.

So don't miss the circus! Be there at 7:30 p.m.

WRANGLER'S ROOST OPENS

The Mayan Dude Ranch is proud to announce the opening of the new "Wrangler's Roost" dance in their frontier town. The first big western dance will be held Thursday, June 18, at 8:00 p.m. Dances each Saturday night. No dances will be held all summer.

The fabulous can-can girls will be the lovely ladies from Hollywood who are also acting in SummerStock at the ranch. You won't want to miss this new and exciting routine the girls have in store for all this season.

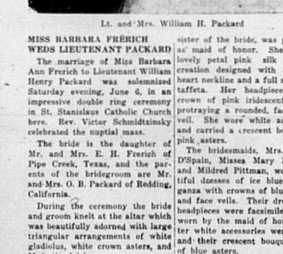
The Saloon has been enlarged and improved in many ways; the dance floor has been made bigger, the stage larger and a big new bar has been built.

Come out for a night of wonderful fun in the new Wranglers' Roost.

MRS. A. S. JEFFERY PASSED AWAY AT THE AGE OF 87

One of Bandera's beloved mothers was called to her eternal home Monday when Mrs. A. S. Jeffery passed away at her residence here after an extended illness, at the age of 87 years, four months and 11 days.

Nellie Smith Jeffery was born in Izard County, Arkansas, on January 27, 1872. She was one of a large family of orphaned children. She grew to lovely young womanhood and was happily married to A. S. Jeffery on November 12, 1890, in Arkansas and on March 1, 1893, they started for Texas in a covered wagon. They settled in Hunt county where they lived about twenty years. From there they moved to the Rio Grande Valley where they remained until 1945 when they moved to Bandera.



Ten children were born into this happy home, six of them are still living.

Mrs. Jeffery was a devout member of the Methodist church.

Mrs. Jeffery was a happy, devoted wife and mother and lived a colorful life in the early days of Texas. She went about her daily tasks, ministering to her family and friends until she became ill and was confined to her home for the last years of her life. She was a lovely gentlewoman and loved by all who knew her. She will be greatly missed by a host of friends.

Funeral services were conducted Wednesday morning at 10 o'clock in the Plummer Funeral Home Chapel with Rev. David Stewart, pastor of the Bandera Methodist Church, officiating, and Interment was made in the Bandera cemetery under the direction of Plummer Funeral Home.

Survivors include the sorrowing husband, A. S. Jeffery, of Bandera; three daughters, Mrs. Anna Hart of Miami Springs, Florida, Mrs. Mary Worley, Diablo Heights, Panama Canal Zone, and Mrs. Linnie Caffall of Bandera; three sons, P. E. Jeffery of Abernathy, W. B. Jeffery of Del Rio, and J. A. Jeffery of Harlingen; 10 grandchildren and five great-grandchildren.

MAYAN RANCH BRINGS HOLLYWOOD CAST TO RANCH FOR SUMMER COMEDY

Don Hicks, manager of the Mayan Guest Ranch, in an effort to maintain the quality and variety of entertainment offered at the Ranch contracted with Arthur Names, well known Hollywood director, to bring a professional acting company to Bandera for the summer.

Shortly after Mr. Names had completed casting the company, he was informed by Mr. Hicks that the Wrangler's Roost, which was to serve as the theatre, had burned. In keeping with the co-operative spirit of the group Mr. Names presented the news and the question of whether to cancel the appearance or put on the shows. The company voted with Mr. Names: the shows must go on!

The costumes, props, sets, etc., were finished and packed; then the trip to Bandera. On arriving the company went to work, supplementing the builders employed by Mr. Hicks, to help finish the theatre in time for a June 15 opening.

Not only is it going to be one of the best theatres of its kind in the area, with, according to Mr. Names, the finest stage and technical equipment, but it is going to be a theatre of talent.

One of the first things the company found on its first trip to inspect the possibilities for the new Wrangler's Roost was a small yellow and white cat, which, although very friendly, would not leave the theatre, to the beginning of tradition, a theatre cat.

It has learned to know the company, and accept that they will share his home (he undoubtedly going to have a real ball at the Thursday and Saturday dances which will be held weekly). He expects his food in the morning when they arrive to work on the building of the theatre; and in the evening when they return to rehearse the entertainment which will be offered five nights a week.

WILMOTH-EISENHAUER VOWS SAID

University Park Baptist Church in San Antonio was the setting for the June 6th wedding of Miss Linda Marie Wilmoth, daughter of Mr. and Mrs. Raymond A. Wilmoth of San Antonio, Texas, and Charles Clifford Eisenhauer. The bridegroom is the son of John Eisenhauer and the late Mrs. Eisenhauer of Wetmore, Texas.

Miss Dinah Kay Heisler attended as maid of honor. Flower girls were Anita Beth Haddock and Sally Ann Mayfield, cousins of the bride. The bridegroom's brother, John Eisenhauer, Jr., attended as best man. Ushers were Lenyel, Mayfield, of Medina, and Ennie Frazier. Miss Cecile Blunt was organist. The bride, given in marriage by her father, wore a gown of Chantilly lace and nylon tulle. Seed pearls and sequins trimmed the Sabrina neckline and the long sleeves tapered to a point at the wrist. The tulle skirt with panels of Chantilly lace was full length. A pearl and lace tiara held her fingertip veil, and she carried a bouquet of gardenias and carnations. Miss Judy Latimer presided at the bridal book.

Mrs. Charles Clifford Eisenhauer

at the reception held in the Fellowship hall of the church immediately following the ceremony. Assisting in serving were Miss Lora Mitchell, Judy Kraft, Susan Franks, Mrs. L. M. Haddock and Mrs. W. E. Lister. Miss Linda Sue Haddock and Miss Sharon Gail Farrell of Alvin, Texas, provided the music at the reception. The bride is the granddaughter of Dennie M. Mayfield and the late Mrs. Mayfield of Medina.

Mrs. Marge Conor is vacationing in Chicago, Illinois, and Michigan.

KERRVILLE 13-1

The Bandera Cowboys buried the Kerrville Kats Sunday with a 13-1 defeat in a Hill Country League tilt at the Mayan Ranch Field.

Bert LeStourgeon, the Bandera hurler, chunked a three hitter in the six innings he pitched while allowing one run and registering eight strike-outs. He fell victim to three free passes, Ernst was credited as the loser after pitching one third inning and yielding four runs on three Bandera hits.

In all, the Kats managed one run on a total of four base hits and were guilty of five miscues. The Cowboys had thirteen runs on ten hits and two errors. Big blow in the Bandera attack was LeStourgeon's three run homer in the fifth. Tatsch, Lindner, and Schladoer also smashed extra base blows during the rout.

This Sunday, the Cowboys journey to Boerne to engage the Camp Stanley Defenders in a Hill Country game starting at 3 p.m. At present the Defenders are leading the league pack, while Bandera rests in third place. Earlier this year, Stanley defeated the locals, 10-4, so revenge is in the making.

TEXAS CHAMPIONS OF FREEDOM

PASTOR JOHN KILIAN

Leader and Teacher of Courageous People

Faith, wisdom and unremitting service won for scholarly, gentle John Kilian a place second to none in the hearts of his people. They were the Wends, those Baltic Germans of Slavic descent, who abandoned their homeland for a new world wilderness in the cause of religious self-determination. In 1854, 558 Lutheran Wends, refusing to obey the Prussian decree of organic union with the Reformed church, asked John Kilian to become pastor and leader of their migration to Texas. On December 16th of that year they landed at Galveston and settled in present Lee County, naming their settlement Serbin. At Serbin, Kilian was more than pastor; he was squire, legal advisor, doctor, consultant and teacher. He established preaching stations at New Ulm and Roeder's Mill in Austin County, at Louis Settlement in Fayette County and in Bastrop. Through his efforts fraternal relations with the Evangelical Lutheran Synod of Missouri, Ohio, and other states, were established . . . and today some 20 other congregations look upon St. Paul's Lutheran Church at Serbin as the mother church.

Texans will always honor the memory of a good and fearless man, John Kilian, champion of freedom. . . .

Today Texans still demand and get their right to choose the way they want to live. In this vigorous and freedom-minded homeland of "Beer Belongs" and this is why the United States Brewers Foundation works constantly, in conjunction with brewers, wholesalers and retailers, to assure the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of Texans, the Foundation stresses close cooperation with the Armed Forces, law enforcement and governing officials in its continuing Self-Regulation program.

BANDERA SOIL CONSERVATION DISTRICT
CONSERVATION DEVELOPMENT SELF-GOVERNMENT

The Board of Supervisors of the Bandera Soil Conservation District held their regular business session on Wednesday, June 3rd, at the District office. Supervisors present were Bob Mansfield, chairman; A. J. Flowers, vice-chairman; H. L. Mansfield, secretary-treasurer; Wilton Crider, and A. H. Schott. Also present were Telvy Robbins, Bandera Vocational Ag instructor; Evelyn Hutcheson, steno-bookkeeper; and Billy Griffin, work unit conservationist assisting the District. Cooperative agreements to furnish conservation planning assistance to Daniel Tschirhart of the Medina Lake area, Cliff Lewis of Medina, and G. W. Allsup of the North Prong area were approved by the board. Other business included the making of arrangements for the annual audit of the District's records, purchase of 200 soil and water conservation booklets for school students, and making tentative plans for a District wide range tour in October. Next meeting will be held on Wednesday, July 1, 1959.

• • •

Seedling grasses are "boys" who are not large enough to do a "man's" work when it comes to providing abundant grazing.

A cooperative agreement to furnish conservation planning assistance has just been worked out between G. W. Allsup of Medina and the Bandera SCDC. Mr. Allsup will be assisted in developing a basic soil, water, and plant conservation plan for his ranch. One of the major problems to be solved for Mr. Allsup's ranch is the need for better distribution ... His conservation plan will include cross fencing on his 800 acre pasture to improve his grazing pattern. This will also allow Mr. Allsup to periodically defer a pasture during the growing season more easily than has heretofore been possible. These practices, coupled with the development of a balance between livestock number on the ranch and the amount of forage produced will constitute a sound conservation plan for Mr. Allsup's ranch.

• • •

Conservation does not cost—it pays.

• • •

Ah acre of crop residues left after harvest may contain as much as 20 pounds of nitrogen, 6 pounds of phosphorus, 30 pounds of potassium and 400 pounds of humus. This is a valuable addition to the soil in your field and will help replace the nutrients used by the crop during its past years growth. To do the most good, these residues should be worked into the soil six inches of the soil. When handled in this manner, they will decompose more quickly and add much needed organic matter to the surface of the soil. Heavy crop residues will also decompose more quickly if a nitrogen fertilizer is applied and plowed into the soil with the residues. The District urges all farmers to utilize their crop residues to the utmost and to contact their assisting technicians if further information is desired.

VANDERPOOL

Mrs. F. B. Pickett and sister, Miss Annette Hicks, were in Kerrville last Friday to do some shopping.

Mr. and Mrs. Clay Tomlinson and family of Leakey, Mr. and Mrs. Ferdinand and children, Billy Wilson, and Marvin Cornelius, all of San Antonio, and Mrs. Ruth Mc-Ketter of Lamesa.

Mr. and Mrs. Frank Metz of San Antonio spent the week-end with her parents, Mr. and Mrs. Oscar Tampke.

A good rain fell here over the week-end which is very beneficial to crops and grasses.

The annual Utopia barbecue and rodeo will be held at the Utopia park on Saturday, June 20. A supper and rodeo will also be held on the night of Friday, June 19.

Paul Harbin was in San Antonio last week with his mother, who passed away Friday. Funeral services for her were held at Center Point Sunday where she used to make her home.

FILE CLAIMS

Here is an important reminder to persons who are thinking of retiring and filing a claim for social security payments. You can help the social security office get payments to you faster if you bring in the names and addresses of all your employers during the past 12 months. Also be sure to bring with you your withholding tax statements, Form W-2, for the past calendar year.

For further information see your social security representative, Jack G. Jones, who will be in Bandera, at the County Judge's Office on Thursday, June 18, at 1:00 p.m.

Jimmy Cottingham of Dallas spent the week-end here with his parents, Mr. and Mrs. M. D. Cottingham.

Mr. and Mrs. Ira Gazaway went to Stephenville last week to visit his mother, Mrs. Julia Gazaway, who has been sick with pneumonia. She was better when they left there.

Mr. and Mrs. J. T. Blalock went on a fishing trip to the coast. They also attended the graduation exercises at Texas A&M College where their daughter, Mrs. Nancy Blaisdell, graduated. She returned home with them for a week's visit. Her husband and his mother, Mrs. Lily Mae Blaisdell, of Corpus Christi, came and got her during the week-end.

Mr. and Mrs. Don Thompson of Barksdale report the birth of a son, born in the Uvalde Memorial hospital on May 29. Mrs. Thompson is the daughter of Mr. and Mrs. Oscar Moore.

David Thompson was inducted into the service of his country on May 2. He was honored with a party at the home of Mr. and Mrs. Hub Thompson last Saturday night.

Brother and Mrs. Joe Dewees of Hempstead visited Mr. and Mrs. Simon Polvado and Mrs. Jane Polvado last Friday and he preached at the community house in Vanderpool Friday night.

Visitors over the week-end in the home of Mr. and Mrs. W. P. Pickett were Mr. and Mrs. Ben Carnelius and son of Ozona, Mr. and Mrs. Doyle Cornelius and family of Leakey, Mr. and Mrs. Ferdinand and children, Billy Wilson, and Marvin Cornelius, all of San Antonio, and Mrs. Ruth McKetter of Lamesa.

Mr. and Mrs. Frank Metz of San Antonio spent the week-end with her parents, Mr. and Mrs. Oscar Tampke.

SUPERVISOR TO VISIT

H. M. Pulver

W. V. James, presiding minister of the Bandera Congregation of Jehovah's Witnesses,, announced the semi-annual visit of circuit supervisor H. M. Pulver, during the week of June 9-14.

"The congregation anticipates a week of increased activity and spiritual benefit from Mr. Pulver's visit," Mr. James stated. The visit is described as part of an advanced training program for Jehovah's Witnesses. The activity schedule is also designed to encourage more Bible discussion by people of all faiths in the community.

The program began Tuesday at 7:30 p.m., with a ministry training school, and included a 30-minute discourse by Mr. Pulver.

Wednesday through Sunday some time will be devoted to field missionary service each day. Mr. Pulver will join others from the local congregation in making calls on residents in the community. This is part of the regular door-to-door ministry and training program of Jehovah's Witnesses.

The Saturday evening program begins at 8 o'clock with a Bible question period, "New Things Learned", which consists of audience participation. A 30-minute discourse by Mr. Pulver dealing with counsel for improving one's personal ministry concludes the session.

Highlight of the week comes Sunday at 3 p.m., when Mr. Pulver gives the public talk, "What is the Divine Will for Our Day?", which will be delivered at the Bandera Library Auditorium.

Persons of good will are welcome and no collections are taken.

EDITORIAL—

IT PAYS TO TRADE AT HOME

It certainly pays to trade at home. The mail order house sends out catalogues with attractive prices, cleverly worded descriptive matter to catch the customer's eye, but the home merchant has the same goods on his shelf where you can critically inspect them to see if the quality is right, and the price he makes you is generally less than the mail order house price, everything considered. A good botswer who resides in Medina, told us the other day that she ordered two yards of a certain kind of cloth from a well known mail order house recently, paying 1.14 a yard for it, and the postage amounted to 39c. She did not have quite enough cloth for the purpose she needed it for, so she went to the home merchant, found the same cloth, and paid 69c a yard for it. When she got home she took her pencil and figured what she would have saved had she bought it at home in the first place. Your home town merchant is in business to make a living, just the same as you and I, and when we buy from outside concerns, merchandise that we can get at home, you lose in some way or other. The home merchant buys what you have to sell; but you just try to sell the mail order house something, and see what a rebuff you get.

Bandera Bulletin
Bandera, Texas
Dear Mrs. Saul;

In regard to the editorial of today's Bulletin, I would like to say that you are to be complimented on your comments. The paragraph on our Chamber of Commerce was good, but could have gone into a little more detail about the past and present work of that organization.

During the past five years I have been fairly close to most of the work of the Chamber. It has been far from "inactive", and contrary to the common opinion, the Chamber has done worlds of work for the community. During the past five years the Chamber has received and answered countless thousands of mail and telephone inquiries about Bandera and its assets . . . some of these letters asked about where to stay, what to do, information about our history, seeking hunting leases, fishing leases, business opportunities, inquiries about our wool and mohair ranching, etc. During this five years approximately 50,000 brochures have been furnished travel agencies, the state travel department, and thousands of individuals (these brochures advertise practically every business and attraction in this area). The chamber has sponsored many rodeos, contests and other events bringing thousands of dollar into this community. The famous Stompede sponsored by the chamber has proven to be the greatest advertising gimmick ever sponsored by any organization in the state, and brings approximately $100,000.00 in new money into Bandera. For nearly ten years the Chamber has sponsored two dances each year in Houston, making friends and entertaining old ones. For at least six months each year the chamber employs one employee, making more purchasing money available to the community. The chamber is doing these things without the financial or moral support of most of our citizens. Just think what could be done if the chamber received the support of all the citizens! Those who say the chamber "does not do anything" should inform themselves by a visit to the chamber office.

It's true, many more good things could be done in our community through the chamber. To do these things takes money and time, and every citizen should contribute one or both. We should have the co-operation of every citizen, and way less "agincers" who stand by and complain and criticize. Every person in Bandera County should be a walking chamber of commerce, extrolling the many assets and good things here for our visitors. The public should put upon our tourist facilities and scenery as they would a factory, because our tourist industry is truly an "industry" employing many and bringing much more money into the facturer.

Statistics show that every twenty tourists who come into Bandera bring the same money that a $100,000.00 factory payroll would bring. Last year Bandera was host to approximately 20,000 tourist, and these tourists brought in more new money than ten or fifteen factories would have. Tourism is BIG BUSINESS, and every person in Bandera County profits by it. Out of every tourist dollar spent here 25 cents goes to the ranch, hotel or motel, 35 cents goes to the person working for the facility in wages, 10 cents goes to gasoline stations and services, 25 cents goes to retail food, laundry, etc, and 5 cents goes to local entertainment places . . . looking at it this way should convince every person that he receives much from the tourist even though he may never see him.

It's true, the chamber is run by a handful of people who make all the decisions among themselves. The person who complains about this situation could easily cure it by attending the chamber meetings, and he would find that present there is only a handful of people interested in the chamber and Bandera as a whole . . . when the people wake up and take an interest, then the chamber could REALLY DO SOMETHING!

BRACKETTVILLE WILL HOST SHEEP AND GOAT RAISERS

San Angelo—The summer meeting of the Texas Sheep and Goat Raisers' Association will be held in Brackettville, Saturday, June 13, Lance Sears, TS&GRA President, has announced.

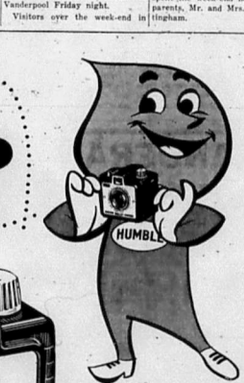
The meetings will be held on the grounds of old Fort Clark, now Fort Clark Guest Ranch, he added.

Committee meetings will be held in Las Moras Hall starting at 9:30 a.m., and the general meeting will be in the Theatre at 10:30 a.m. Both buildings are on the South side of the old post parade ground.

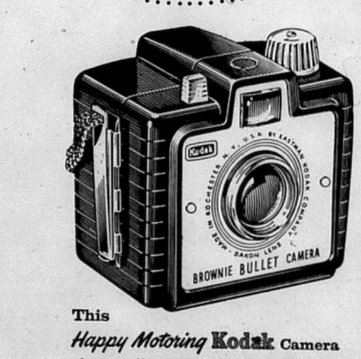
"We expect considerable discussion on a proposed plan to rid the state of screw worms," said President Sears said. "Methods of financing this work which will affect all ranchmen will be a big problem. State and National legislation will also receive attention."

All ranchmen in Kinney and adjoining counties are invited and urged to attend the meeting, he stated.

SAN ANGELO RAMBOUILLET RAM SALE SET FOR JUNE 25



The 22rd Annual Registered Rambouillet Ram Sale will be held June 25 through 25 at the San Angelo Fairgrounds. Approximately 300 top quality stud and range rams are expected from several states. The Sale is sponsored by the American Rambouillet Sheep Breeders Association.



All Rams must be in the barns by 8:00 a.m., Tuesday, June 23rd, when a committee of five breeders will begin selecting the Studs from the best two rams of each consignor. The committee also will pass on pens of A-B-C where the buyer has the privilege of taking all or any part of the pen at the winning bid.

All sifting and studding will be completed on Tuesday so the Consignors will be free to talk sheep and show their rams to interested sheepmen on Wednesday, June 24.

The Sale proper starts Thursday at 10:00 a.m., June 25th, with Lem Jones as auctioneer.

WEDDING

(Continued from Page 1)

Frerich, brother of the bride; Gary Zimmerman and Willard D'Spain.

Howard Carl Eckhart and Lloyd Kalka served as ushers and the altar boys were Frank Montague III and Charles Phillips, Jr.

A reception was held immediately following the ceremony at the home of the bride with Miss Carolyn Wetta presiding at the bride's book.

The decoration of the bridal table carried out the pink and blue color scheme chosen by the bride. The table was centered with a formal arrangement of white stock, Aspardrus and Majestic daisies in a crystal compote. After the cutting of the lovely tiered cake by the bride and groom, Miss Annette Kalka and Mrs. Buell Welborn assisted in serving the guests.

For traveling the bride chose a two piece linen ensemble of turquois blue with which she wore a matching hat and white accessories. Highlighting her suit's was a lovely white orchid given to her by the groom.

After a wedding trip to the west coast the newly-weds will reside in San Antonio where Lt. Packard is currently stationed.

Out-of-town guests were: Mrs. Oscar B. Dossner Jr., Capt. and Mrs. H. J. Adams, Mr. and Mrs. G.W. Wetta, Barbara Harrington, Mrs. Percy D. Starr, Ralph Nelson, Major and Mrs. K. M. Holden, Mr. and Mrs. Felix immel, Bonnie and Karen. Frerich, and the honorees, Miss Barbara Frerich and Bill Packard.

METHODIST CHURCH SCHOOL IN FIRST WEEK

The Vacation Church School at the Methodist Church is in its first week and will continue through June 19. The sessions run from 3 to 5 p.m.

Louise Leibold and Evelyn Carbert keep the nursery children each day so mothers are invited to bring their babies. The three year olds are having a good time under the direction of Lois D'Spain and Rose Goodenough. The Kindergarten department has an attendance of 13 and their study is "God in His World." Theirteachers are Lahree Munsch and Dorothy Roberts, assisted by Betty Causey, Karen Walters and Janis Meginnis.

The Primary department has had an average attendance of 25. They are studying "The Earth is Full of His Riches," and the teachers are Margaret Stewart and Grace Wootten, assisted by Sharon Jones, Carol Ann Vaughn and Peggy Scriven.

The Juniors have as their text "Praise Ye the Lord" and the teachers are Dottie and Anna Lou Vaughn. Other Ryan and Lenna Short.

The Intermediates are studying the text "God in Our Lives" led by Jane Allert and Rena Sandidge.

The musicians for the various groups are Irene Langford, Vernell Mullenax, Louise Leibold and Leeannah Roberts.

The chairman of the refreshment corrigan, Colonel and Mrs. R. M. group is Lois Hayes, who is ably assisted by Margaret Evans, Frances Cox, Mildred Bausch and Norma Hamilton.

The average daily attendance has been 86 including the teachers. The children and young people of the community are cordially invited to attend.

CARD OF THANKS

We would like to extend our sincere thanks to our many wonderful friends here for their expressions of sympathy and condolence at the death of our beloved, Mrs. Gordon Garrett. We especially thank those who sent the cards, flowers and letters and every word of kindness spoken in this sad time.

MRS. J. E. TAYLOR AND FAMILY

Friends here are pleased to learn that Mrs. Joe Adamietz has returned home from the Baptist Memorial Hospital in San Antonio where she had pneumonia. She is getting along well and we hope she will continue to improve.

FRANK M. MONTAGUE SR., HONORED BY FORMER EMPLOYERS

On Thursday afternoon of last week the First National Bank personnel gathered in the directors room at the Bandera bank to honor their former employer, Frank M. Montague Sr.

Mrs. Allie Ruth Johnston was chosen to present to Mr. Montague a beautifully engraved plaque, inscribed "Presented to Frank M. Montague Sr., in appreciation of his vision, leadership and long service as president of the First National Bank of Bandera, Texas. 1923-1959." Mrs. Johnston was selected by the other members of the staff due to the fact that her father, Frank Barnes, was one of the original owners of the First National Bank and from him Mr. Montague had secured his stock when he went into the bank.

Following the presentation ceremonies delicious Angel food ice cream and cake was served from a handsomely decorated refreshment table centered with a beautiful arrangement of passion flowers and greenery. The cake carried out the banker's motif showing a miniature horse and rider, a cow and a pony.

Present at the impressive ceremonies were Frank M. Montague Sr., and his son, Frank M. Montague Jr., Mrs. Johnston, Mrs. Cecil McKay, Miss Helen Pickens, Mrs. Frank Kidger, Mrs. Vern Hosier, Mrs. Dorothy Fitzpatrick, Mrs. John James and daughter and Mr. and Mrs. John Saul.

SONORA WOOL AND MOHAIR SHOW

The Sonora Wool and Mohair Show will be held June 17 and 18. The judging teams will leave on June 16 and study grasses on this trip. Wool and mohair fleeces shown by 4-H and FFA members will be entered on June 16, at the Sonora Wool and Mohair warehouse.

During the judging contests at Sonora, the teams will judge wool and mohair, sheep and Angora goats, range plots and plants.

FREDERICKSBURG DEANERY TO HOLD QUARTERLY MEETING

The next quarterly Deanery meeting of the Council of Catholic Women of the Fredericksburg Deanery will be held in Mason Texas, on Sunday, June 14, 1959. The Executive Board will hold its meeting at 1:00 p.m. The General Session Meeting will begin at 3:00 p.m. New Deanery Officers for the coming year will be installed at this meeting.

Parish Presidents of the Deanery will give their reports, and Committee Chairmen will be called on for their reports.

The meeting will conclude with Benediction of the Most Blessed Sacrament in St. Anthony's Church at 4:30 p.m.

Visitors in the home of Mr. and Mrs. Louie Hagelin this week were Mr. and Mrs. Erwin Glaser and two children of Lolita, Texas, and Hugo Haegelin from Hondo.

Mrs. R. L. Osborn and two children of Austin spent five days last week here with her parents, Mr. and Mrs. Charles Schmidtke. Mrs. Schmidtke took them home on Friday.

J. C. Wright of Stockton, California, came in this week for a visit with his mother, Mrs. Granville Wright, and his brothers, Roy, Smith and Glay Wright, and their families.

Guests in the Roy Kinnebrew home over the week-end were Mr. and Mrs. Glen Lee of Groesbeck; Mrs. K. C. McInnis and daughter, Jo, Lynn, and Charlotte Wallace of Nederland, Mrs. A. L. Wallace, Glennie and Katherine Van Randen will be here for an extended visit with Mrs. Kinnebrew hopes to improve from her recent attack of rheumatic fever and accompany them home. While in Nederland she plans to have some dental work done and also visit a host of friends. Mr. Kinnebrew will accompany her and they will return about the last of June.

NOTICE TO PRIVILEGE CREEK HOME DEMONSTRATION CLUB MEMBERS

Members of the Privilege Creek Home Demonstration Club are requested that the next regular meeting will be at the home of Mrs. John James in Bandera Estates. All members are urged to attend and visitors are welcome. The date, June 19. The time, 2 p.m.

CARD OF THANKS

I would like to say "thank you" to the good friends and relatives here for their many acts of kindness to me and my family while I was in the hospital. Thank you too for the beautiful flowers, cards and visits. Each act is gratefully acknowledged.

MRS. JOHN ADAMIETZ

A guest recently in the Ashley Rugh home was Virgil N. Maxwell of Houston. Mrs. Maxwell and sons, Duane and Jackie, are visiting her parents, Mr. and Mrs. R. H. Billis in South Gate, California.

FASHION EXHIBIT AT WOOL AND MOHAIR SHOW

One of the main features of interest to the ladies in Saturday's Wool and Mohair show at the Sanders County Ranchmen and Farmers warehouse here will be the exhibit of wool and mohair fashions, staged by Mrs. Lewis Keese, Mrs. Dan Callahan and Mrs. Bill Short in the new director's room at the warehouse.

Miss Rosemary Hoess of Kerrville, first place winner in the suit division of the "Make-It-Yourself with Wool" contest, exhibited her 100 per cent wool flannel suit, and also a three piece gold and brown plaid wool suit she made from material awarded to her in Portland, Oregon, by the Pendleton Woolen Mills of Pendleton, Orgeon.

Miss Mary Katherine Frerich exhibited her beautiful blue wool jersey dress, first place winner in the dress division of the "Make It Yourself with Wool" contest held at Harper last January 8.

Mrs. Jane Ranch, Mrs. Billie Williston, owner, exhibited a beautiful wool and mohair swim suit and Mrs. Joe H. Short exhibited a mohair and lamb's wool sweater in a lovely shade of rose, also from Town and Ranch Shop.

Mrs. Lena Jackson added much to the exhibit room with her beautiful pots of pink and green and white caladiums.

TAYLOR FAMILY ATTENDS SISTER'S FUNERAL

Friends here extend sympathy to Mrs. J. E. Taylor and family at the death of her beloved daughter, Mrs. Gordon Garrett, age 44, which occurred on Sunday, May 31, from a self inflicted gun shot wound at her home in Seeley, California. Mrs. Garrett had been in ill health for some time. Mrs. Garrett was born at Camp Verde, Texas.

Members of the immediate family went to California to attend the funeral which was held the following Thursday, June 4, at El Centro, California.

Survivors include the sorrowing husband; one boy, Ray Garrett, two daughters, Bobbie and Gail Garrett; sisters, Mrs. Pete Boyd and Mrs. C. Dee Phillips; brothers, Elmer and Harvey Taylor; brother, Mrs. J. E. Taylor, of Bandera; and two half sisters, Mrs. Alice Peats and Mrs. Jewett Henley.

Those who enjoy a chicken barbecue supper with all the trimmings at the Joe Pile home Thursday night of last week were Mr. and Mrs. Mangum Sikes and Mrs. Roy Nowlin of Center Point, and Mr. and Mrs. Hugh Johnson and daughter, Martha, and Mrs. Howard Johnson of Kerrville and Robert Ewing of Lubbock.

MISS MANSFIELD HONORED WITH BRIDAL SHOWER

Amid a beautiful setting of hurricane lamps, and summer flowers on the spacious lawn beneath the cool shade of the pecan trees at the home of Mr. and Mrs. D. W. Hicks, Miss Barbara Lynn Mansfield, bride-elect of Hubert Hicks Jr., was honored with a lovely bridal shower Monday night.

Receiving the guests with the honorees were her mother, Mrs. Bob Mansfield, Mrs. H. M. Richardson, sister of the groom-to-be, and the hostesses, Mesdames W. W. Cardwell, Wade Dial, D. W. Hicks, Raymond Hicks, Erwin Hardin, Joe S. King, Fred Mansfield, A. V. Pue, Chas. P. Rugh, Forest Stevens, and E. R. Teel.

Miss Bonnie Lu Mansfield and Miss Sharon Cox presided at the guest register. Miss Jeanine Hicks and Miss Carol Hardin had charge of the array of lovely gifts which Miss Mansfield opened and passed around for all the guests to admire.

The refreshment table was covered with a beautiful pink linen cloth and the bride's shower colors of pink and silver were carried out to perfection. An attractive arrangement of Shasta daisies and pink ladies centered the centerpiece and the crystal candle sticks held pink candles. A touch of beauty was added to the delicious fruit punch with a pretty frozen strawberry heart affloat in the crystal punch bowl. Individual heart cakes, frosted in pink and silver, were served by Mrs. Ervin Hardin, and Mrs. A. V. Pue poured punch.

Guests of the evening included the honorees, Miss Barbara Mansfield, and her mother, Mrs. Bob Mansfield; Mrs. H. M. Richardson, sister of the groom to be; Mesdames, Walter Meadows, T. F. Johnson, Elsea Mansfield, T. R. Focke, D. R. Hicks, Emma Dawson, A. J. Flowers, Mark Mc-Dorman, Dial Mansfield, Arthur Hayes, George Howland, Dan Callahan, Norvel Killion, J. B. Macklin, O. H. Welborn, Chas. B. Meadows, Billy Griffin, J. M. Hunter, John V. Saul, Fred Hamilton, Hugo Bausch, John E. Cox, C. H. Mansfield, Hubert Mansfield, Ira V. Garrison, W. B.

John H. Erwin, Leonard Hicks, John G. Jones, Lee Mansfield, Elmo Pallmer, Erle Mansfield, W. J. Davenport, Jim Davenport, Victoria Bame, O. W. Mullenax, John B. Mullenax, Mmes. Zena Johnson, Estelle Harris, Mary Hicks, Rebecca Pitcher, Bonnie Mansfield, Carole Hardin, Sharon Cox, and Jeanine Pallmer.

On the outer fringes of the scene there were a number of the bride's well-wishers; among these were D. W. Hicks, Leonard Hicks, B. B. Hicks, John James, Leslie Mazurek, Joe Davenport, and Hubert Mazurek, and a whole bevy of small fry who wouldn't have "missed the party" for anything—Jillen Hicks, Diane Hicks, Belva Richardson, Minesanna James, Charmen Hicks, George Hamilton, Howard Hicks, Dick Hicks, and David Hicks.

Misses Betsy and Susan Langford, Rita Brooks and Peggy Evans are attending Kings Ranch for Girls, and enjoying it very much.

Mr. and Mrs. Loon Shield's guests Wednesday were Mrs. S. H. Pruitt Sr., of Fort Worth, and Mrs. Lewis Armstrong of Cleburne.

Mrs. Edna Wheat Beany had as her guests during the past week-end Miss Margaret Gething of San Antonio. Guests during the week were Mr. and Mrs. Warren Stanley and two boys from Atlanta, Missouri, and Mr. and Mrs. F. S. Kirchner from Camp Wood.

TWICE-TOLD TEXAS TALES

By J. Marvin Hunter, Sr.

Under this heading from time to time we will publish Texas historical articles which we have compiled and printed before in Frontier Times or in other publications, but which we believe will be of interest to Bulletin readers.

RECALLS OLD DAYS AT FRIO TOWN

Mr. Marvin Hunter, Editor
Frontier Times
Bandera, Texas

Dear Mr. Hunter:

I've just read in the November issue of the Frontier Times an article by J. L. Hyler about early settlers in Frio county, and being an early settler there myself, of course, was very interested. I came to Frio county at the age of one year and am now verging on my eighty-second birthday. My father, McHenry Bramlette, and my mother, Louisa Thomas Bramlette, moved from Somerset, Atascosa county (where I was born) to Frio county and pre-empted land near where the little town of Bigfoot is now located. They both lived there until their death, and are buried in the Longview cemetery, not far from the place where they first lived. I remember them talking about coming from Somerset in a covered wagon and driving several milk cows, taking turns driving the wagons and the cows, Mother's negro maid, Jane, had charge of the two babies, my sister, Alice, who was a little over two, and myself.

My father and the Slaughters were great friends; Billie and Charlie Slaughter and he served together in the Confederate Army. He was very fond also of Uncle Ben Slaughter, father of Charlie and Billie. I knew all of Uncle Billie Slaughter's daughters, visited them often and liked them very much. There were Amanda, Mary, Fannie, Artie, Maggie and Ida. Fannie and I were near the same age. She married Uncle Little of Frio Town. Artie married Newt Long of Pearsall; and Ida married Charley Wooldward, son of Calvin Wooldward, whose large cattle ranch was near Frio Town. I've forgotten who the older two girls married.

I never knew who Nola Blackaller married until I read Mr. Hyler's article in your magazine. She was a sister, Sallie, married Billy Little. I thought a great deal of the Little family and saw a great deal of them. Mary, John and Dave and L. went around a lot together in our youth.

During my girlhood I spent much time at Pearsall visiting relatives and knew the Harkeness, Daniels, Judge McMahan, and all the people Mr. Hyler wrote about. Judge McMahan has two grandaughters living in San Diego, California, across the bay from Coronado. They are the daughters of Jim Speed and Maggie McMahan Speed. Lil Speed married a McLean, and her sister, Agnes, married George Hill, a San Diego banker.

After Pearsall was made county seat, my uncle, Samuel Thomas, was elected county and district clerk of Frio county, and served in that capacity until he died of pneumonia about 26 years after taking office. Polly of his children are still living in Pearsall. They are Lou, Wynn, Myrtle, and Barney. Two of his daughters live in Mexico, Arizona, Bess, who married H. B. (Tiny) Johnson, and Leslie, who married Tim Page.

Not long after Uncle Sam Thomas was elected district and county clerk, another of my uncles, John Thomas, who had been justice of the peace at Bigfoot, was elected county judge. He moved to Pearsall and lived there many years. His only living child, George Thomas, still lives at Bigfoot, where he has been postmaster several years.

Several of Wynn Haynes' children live in El Paso, Texas; Sophia, who married Frank Kilgore; Edna, who married Ed Coleman, Frio county sheriff; Annie, who married Dave Finch; Dave Haynes and Ernest Haynes.

It seems that all my relatives held county offices at one time or another, even my sister's husband, Eddie Noel, was county commissioner for a couple of terms.

Though I live in Coronado, California, which I think is one of the most beautiful and interesting places in America, still my heart turns back to Texas. My family and I are planning a trip through Texas this spring. I want to see many more my relatives and friends who are still living. Most of them, of course, have passed on. We plan to motor from here to Houston, stopping in nearly every town enroute to visit relatives and old friends. We also plan to visit your museum at Austin. I know it must be a very interesting place. If we find a place in Texas that we like well enough, we may buy a ranch and sell our property here. It will be interesting to trek back to the places I lived so many years—more than fifty.

I also enjoyed your article, the "San Antonio-San Diego Mail Route." I was especially interested in the parts pertaining to Big Foot Wallace, who lived with my family so many years. I was about six years old when he came to stay with my parents, Mr. and Mrs. McHenry Bramlette. After my marriage to W. W. Cochran, he came to live with me and remained until his death on January 7, 1889. We children, when small, would sit for hours and listen to the tales Captain Wallace told us. One, we especially loved to hear, was about a trip from San Antonio to El Paso on the stage coach. Captain Wallace had a friend he called Dutch Pete, who was with him on many of his adventures. On this occasion the coach had gotten near the Pecos, where they camped for the night. They always had a sentry to watch for the Indians, but this night, the guard, thinking everything was safe, took a nap. About midnight, Captain Wallace was awakened by the snorting and reading of the horses staked near by and found the Indians right on them. Big Foot Wallace shouted, "To arms! The Indians are on us."

Dutch Pete, with some of the others had spread his blanket down under the stage coach and was using the tire of a wheel for a pillow, and was sound asleep. When the noise of the firing and commotion awakened him, he got so excited that in jumping up he rammed his head up the wheel near the hub, where the spokes were close together. He reared and struggled until it seemed the was going to turn the coach over. Though he was wedged in so tight he couldn't get out, he didn't forget the little "derringer" he had in his pocket. He pulled it out and tried to fire it. After snapping it three times, he decided it wouldn't fire and jammed it back into his pocket. Then it went off, grazing his leg. Pete said, "Got for damn! I make you off three times, you no go. I puts you in mine pocket and you make off!" Captain Wallace, who got fun out of every predicament, was watching Pete with amusement, although he was in the midst of the fight. During a lull he pushed Pete's head down so that he could get out.

I have written a book on early Texas History in collaboration with Dr. C. L. Sonnichsen of the Texas School of Mines, entitled, "South of the Alamo," which I hope will be published soon.

Mr. Hunter, before closing, I want to tell you how I've enjoyed every copy of the Frontier Times. I see the names of so many of my old acquaintenances. It has been a joy!

Sincerely yours,
Frances Bramlette Farris.

It's The Law

IN TEXAS

Ancient Jurors and Advocates

Speaking of jury trials—cases back to Greek colonies in Sicily about 600 B.C.; in lawsuits over lands seized by tyrants.

Soon Athens itself took over such orators, but appears to have worked out no rules of evidence or judicial control of the trial.

Juries often cheered or booed the parties. They talked together and shouted back to the speakers. What one man knew about the case he told his neighbor.

All evidence could go: Personal knowledge, hearsay, prejudice, and the jury's opinion.

The Athenian jury had power. Each "dicast" (chosen by lot) was both juryman and judge. Each juror got one obol a day—about three cents.

Each accused person had to come before the jury personally to defend himself—which was especially hard if he didn't know the art of advocacy, since he was assumed to be guilty.

Indicted, many hold that if Socrates had taken independent advise he would never have offended the boisterous and biased Athenian jury which sentenced him to the hemlock there on the hillside in 399 B.C.

Less outspoken defendants in those days sought hootleg legal advice.

Antiphon (415) ghost-wrote and sold briefs to clients who had to put their own cases to the jury. He set out four steps of an Athenian trial: (1) the accuser's charge, (2) the accused's reply, (3) the accuser's reply, and (4) the accused's response.

Afterwards the jury let the accused off or found him guilty. The jury sentenced the guilty then and there, allowing some—Socrates for one—to propose their own penalties, and even to bid them upward if they failed to please the jury.

After the trial, the speakers (or in Socrates' case, his friend Plato) often worked their talks over, and sent them out for friends to admire or criticize.

What appeal were used to win the jury over? Pretty much the same ones we hear today. Aristotle listed a few:

They values the jurors shared with the speaker—reverence for Justice, the law, and the city's founding fathers; the sanctity of the juryman's oath; the verdict's effect upon the public and foreign opinion, and sometimes upon women and youth.

(This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

Mr. and Mrs. Charlie Schmidthe had as their guest Thursday night, Douglas Hay of Medina, who they had not had visit them for eighteen years. They were delighted to have him visit.

25 years ago, fewer than 10% of the farms and ranches of Texas had electricity. Farm life was hard indeed and mothers grew old before their time. Then, rural people, working together, built their own electric systems through Electric Cooperatives. It wasn't easy. It took years of hard work and sacrifice, but the Cooperatives *did not fail.*

Today more than 90% of the farms and ranches of the Lone Star State enjoy the blessings of electricity.

Be proud of the Electric Cooperative serving your area. As a member, you own a part of a great undertaking that is democracy in action and free enterprise at its American best.

WASHINGTON NEWS LETTER

From Lyndon B. Johnson
Dear Friends:

Which Communists day-by-day attack the beliefs and goals of the free world. It can be closed by the powerful force of knowledge—knowledge that will erase [illegible] 32-memory now stacked on an estimated billion people on the free world.

This thought was brought forcefully home the other day when I was presented with an honorary degree by Brown University at Providence, Rhode Island. There, at this great University, founded in 1764, I recounted to myself the many things for which Texans and Americans may be thankful.

I was thinking of our many blessings—including the basic ability of being able to read and write.

Education is one of the great blessings. And to a free man in a free world, the ability to read and the knowledge to write can be the most valuable talent of all. It can open the door to untold blessings. A billion people who can neither read nor write know this fact.

These are people who live in ignorance and poverty, sustained by the confidence that they know the secret of our progress, and power is knowledge. These people want to read. They want to [illegible] for their children. They want to [illegible] to help in overthrowing a dictatorship of ignorance.

With this achievement could come great [illegible] Friendly nations now unable to resist would eventually no longer need our aid. We would be offering the greatest help of all by helping them to help themselves.

Being privileged to participate in this commencement, to visit briefly on the campus of this fine old university, left me with a feeling of great humility, thankfulness and responsibility.

It also brought to mind that with commencement exercises comes the season of vacations. I hope some of you will be coming to Washington. It's a fine thing—not just for the children, but adults as well—to look in on the center of our great government. If you should come to Washington, and I hope you do, call on us if we can help you. If you have questions, we'll try to answer them. If we can't, we'll help you find the folks who can.

WE VISIT EAST TEXAS

For many years we have heard about the Madisonville Cattleman's Sidewalk Association, so last Thursday Mr. and Mrs. John (Mr. V. Saul) left Bandera for that city to accept the gracious invitation of Mr. and Mrs. Dub Black to attend the barbecue and rodeo there. We thoroughly enjoyed every minute of the trip. After leaving Bandera in the late afternoon we went on to stop at Caldwell for the night, then on to Madisonville for a delicious breakfast at the Cattleman's. We certainly enjoyed that fine bacon, eggs and coffee. The Corral is an interesting place with western murals on its walls. What the artist lacked in creative art he made up for in his presentation of the spirit of the west. After breakfast we went on to the famous Madison House where we stayed in one of its comfortable motel rooms until Mr. and Mrs. Black joined us. Here let me mention the Madison House. It is one of Texas most picturesque hostelleries. Constructed of beautiful red brick it was originally a home now is turned into a hotel. It fits in so perfectly with the town's atmosphere of close clipped green lawns, exotic flowers (we saw blooming, gardenias, hydrangeas, lovely mimosa trees, gladious, petunias and hundreds of others), and bustling, thriving business.

One of the features of the two day celebration was a fine parade, which we were sorry to see rained out, though the rain did not dampen the spirit of the people who were participating or the people who came to view it. Following the parade we enjoyed a delicious barbecue dinner consisting of barbecued beef, ranch beans, sole slaw, potato salad, stewed apples and tender green onions, pickles and tea.

Now a little about our host and hostess. Mr. Black, a well known banker, ranchman, showed us his new bank now in the process of construction. Located on one of Madisonville's main streets downtown, it will be a great credit to the town, with ample parking space all around it. Mr. Black takes great pride in his home town and is ever striving to keep it progressive and to keep up with the modern trends in banking, though he is just one of the homefolk. His vision and leadership is indeed a great asset to Madisonville.

In the afternoon we accompanied Mrs. and Mrs. Black, our charming hostess, to the Black ranch, where we showed, as just what is being done with the Coastal Bermuda grass, planted on these ranch lands. The fine ranch looked like a park, so green, lush and beautiful. Mrs. Black is an authority on Texas grasses and the introduced varieties.

In the evening we attended the Madisonville rodeo and were thrilled by a very fine performance. All the family turned out for this event. There was mama, papa and even the little ones, for one great big family-riding around in the arena preceding the show. All had a great deal of fun. Something like 2,000 people viewed the rodeo, to see the thrilling saddle bronc riding, steer riding, bare back bronc riding, calf roping, barrel racing, bulldogging and then there was the rodeo clown. Next morning, Saturday, we got up early and drove out to the beautiful ranch of the Blacks' near Centerville. The ranch was green and beautiful with huge trees bordering the verdent valleys. Mr. and Mrs. Black have a fine conservation program of improved pasture going, and several acres of corn, vegetables, and a nice start of Coastal Bermuda grass. They have cattle and sheep and are also interested in Shetland ponies and horses.

At the ranch house while they proudly told us was made from a box car (with modern conveniences, water, electricity, a nice fireplace) we enjoyed a delicious breakfast. It was hard to say good by to our very delightful host and hostess. But we enjoyed their hospitality very much as well as the pleasure of meeting the happy, friendly people at Madisonville, and seeing their beautiful town. We happily to report on such an outstanding celebration which is fast becoming one of the best in the nation.

More car than this Impala Sport Coupe is hard to find at any price.

clings to curves like a cat on a carpet!

the travel-lovin' Chevrolet

Nothing else but a dyed-in-the-wool sports car like the Corvette can take a turn with such solid assurance!

It's easy to see where Chevrolet gets its road sense. With big coil springs at every wheel, a firm, wider stance and all of its pounds distributed with painstaking care, Chevy's *born* with it.

The only thing that may be hard to understand is how it can offer the ride it does, along with so many other luxury-car virtues, and still compete in the low-price field.

We use the word *compete* only in the sense of price. For the ride as special as Chevy's, real competitors are hard to come by. There's a world of difference between Chevrolet's coil springs at all four wheels and the leaf springs that most other cars still use. Take a Chevy down a sandy back road and you'll *feel* the difference in the sure way it holds through curves and shoots over rough spots with hardly a ripple.

This one's really *made* to travel and loves every minute of it.

CHEVROLET

Stop by your local authorized Chevrolet dealer's and sample Chevy's road sense!

At the Wool and Mohair Show at Bandera Saturday, June 6, Larry Dean won first place in the senior division and was awarded a plaque by the Bandera County Farm Bureau of Bandera and also will go to San Angelo this Friday and Saturday to try out for a chance to go next to Seneca, Texas. Larry is the oldest son of Mr. and Mrs. A. E. Dean. His friends here are very proud of his accomplishments and predict a great future for him.

Milton Purvis, a resident of this community, was admitted to the Legion Hospital in Kerrville last week. With Mr. Purvis's entrance in the hospital, this makes two Tarpley men there. The other is Bernice (Smitty) Smith. Let's cheer them with cards and letters. While Mrs. Purvis is in the hospital his mother, Mrs. Alice Purvis, is staying in the home of Mr. and Mrs. Lee Smith.

Gretchen Mueller spent Monday night in the J. E. Dean home as the guest of Nettie Marie Dean.

Walter and Augusta Scheile had for their Sunday guests their sister and husband, Mr. and Mrs. Ed Searcy of Hunt and Mr. and Mrs. Willie Sprott of here.

Mr. and Mrs. Ernest Irby of Harper Road, Kerrville, visited in the T. E. Sauter home one day last week.

Word has been received by Mrs. T. E. Sauter that her grandmother, Mrs. Caroline Gazaway, is slowly recovering from a recent spell of pneumonia. Although she is still confined to her bed, is able to take nourishment. We hope she continues to improve and will soon be up and about.

Word was also received here of the serious illness of Joe Sutherland of Medina, who is a patient at the Legion Hospital in Kerrville. We hope he will soon recover and be well again.

Mr. and Mrs. J. E. Dean and children, Larry, Nettie Marie and Charles, visited Mrs. Dean's mother, Mrs. Hope Dean, his brother and wife, Mr. and Mrs. Marvin Dean, at

MISS BARBARA MANSFIELD WEDS HUBERT MAZUREK HERE SATURDAY

The wedding of Miss Barbara Mansfield, daughter of Mr. and Mrs. Robert Mansfield and Hubert Hicks Mazurek, son of Sylvester Mazurek and the late Mrs. Sylvester Mazurek of Utopia, was solemnized Saturday evening in the First Baptist Church in this city. Rev. Ira Garrison officiated.

The impressive double ring, candlelight service took place before a backdrop of palm leaf greenery, tall tapers in candelabra festooned with greenery, and baskets of white gladiolus and agapantha.

Miss Suzette McKinney of Odessa, soloist, accompanied by Mrs. Edward T. Andricks of San Antonio, chose to sing as the nuptial music "I Love Thee," "Through the Years" and the "Wedding Prayer." Mrs. Andricks presented the traditional wedding music.

Given in marriage by her father, the bride wore a gown of white peau de soie which was fashioned with scalloped Alencon lace outlining the portrait neckline of the fitted bolero. Bracelet length sleeves were shirred at the elbow. Alencon lace flowers adorned the front and back of the panier skirt of side pleats and swept into a court train. Her waist length veil of French illusion cascaded from a crown of rhinestones and pearls. The lovely bride's only jewelry was a string of pearls, a gift from the groom.

Her cascade bouquet of gardenias, centered by a single orchid, was outlined by sprays of English ivy.

Miss Mary Jo Manafield of Texas Women's University at Denton, was her sister's maid of honor. Brides maids were Shelby Mansfield of San Antonio, another sister, and Miss Bonnie Lou Mansfield, cousin of the bride. The attendants were identical gowns of pink taffeta, fashioned with short

MINUTES OF COMMISSIONERS' COURT

The Bandera County Commissioners' court convened Monday, June 8, with all members present.

On a motion by Commissioner O. L. Tampke, seconded by Commissioner Troy Pingleton, a library fee of $3 for County and $5 for district was approved unanimously. A small fee will be collected on each case filed and the money secured will be added to a fund to be used in improving the county law library.

After a discussion in regard to a stock underpass constructed by Bandera County for Mrs. E. E. Hoskinson, the Court denied Mrs. Hoskinson's request to enlarge the underpass.

The plat of Ben Lackey's estate was presented to the Court for approval by Howard Lackey. On motion of H. W. Hubble, seconded by O. L. Tampke, the Court approved by unanimous vote that the plat be accepted for filing.

MRS. HENRY JURECZKI IN NIX HOSPITAL

Friends and relatives here will be glad to know that Mrs. Henry Jureczki is getting along fine since major surgery in the Nix hospital Monday. Mrs. Jureczki is in Room 2114 at the Nix where she will be for several days. Her friends and relatives here wish for her a speedy recovery.

Justice of the Peace William Ahring is at home again following an extended stay in the Sid Peterson Memorial Hospital. He is greatly improved but is still on crutches and will probably have to have a skin graft on an injured foot.

COWBOYS NEAR FIRST PLACE WITH 11-9 VICTORY

The Bandera Cowboys surprised the Camp Stanley Defenders Sunday by downing the league leaders 11-9 in a game marred by twelve errors. The Hill Country tilt played at Boerne saw the locals jump to an early 10-3 lead then withstand a late winning rally by Stanley to gain the victory.

Roger Tatsch went the distance for the Cowboys yielding twelve base blows and striking out four. Ray Minor was credited with the loss after giving up ten runs on ten hits. He was relieved in the fourth by Dale Minor.

Final statistics showed Stanley to have nine runs on twelve hits and seven errors. The Cowboys had eleven runs on fifteen hits and were guilty of five miscues.

This Sunday the Cowboys journey to Hondo to engage the Bears in a 3:00 p.m. contest. The locals will be without the services of Roger Tatsch, Bert LeStourgeon, Irvin Lindner, Vernon Enderlen and Richard Schlatter, who will compete in the All-Star game to be held at Boerne at 3:00 p.m.

SHERIFF MILLER TAKES INTO CUSTODY BURGLAR SUSPECT

Sheriff R. B. Miller reported Wednesday the apprehension of Billy Williams, parole violator, who was picked up and charged with burglary.

Williams had been working for E. A. Hatton on the game preserve near the Medina County line, and after being paid off by Hatton had returned to the ranch and burglarized it.

According to Sheriff Miller, Williams, besides being a parole violator is wanted for car theft in Palestine, Fort Worth and San Antonio.

He was returned to Palestine Wednesday.

MEDINA'S FLOWERS-BY-THE-YARD CONTEST IS AN OUTSTANDING EVENT

Last Friday Mrs. R. L. Stevens, Bandera County Home Demonstration Agent, and Mrs. G. M. Merritt, went to Medina to serve as judges for the Flowers-by-the-Yard Contest, one of Medina's most outstanding annual events.

As always the yards, flowers, pot plants in that community had been tenderly cared for and well groomed for the occasion.

The judges handed in their recommendations and comments on the various entries and we believe that they will be very helpful to those who entered in the test this year, and will encourage them to enter again next year.

JAMES PETTY WEDDING

Christ Episcopal church in San Antonio was the scene of a very beautiful wedding last Wednesday evening when Miss Louise Stone was married to Scott Petty, Jr. The reception was held at the country club. Mr. and Mrs. Howell, Kease, of this city attended the wedding and reception.

Seaman Third Class R. E. Buckelew, of the U. S. Navy, is home on leave visiting his parents, Mr. and Mrs. Earl Buckelew and other relatives. He will report to New London, Connecticut, in 40 days where he will attend school.

Tommy Adams, son of Mr. and Mrs. Ben Adams, left Sunday for Austin where he will be a student at the University of Texas.

Mr. and Mrs. Ira Bell left Thursday for Matagorda where they will visit with relatives for a few days.

Mr. and Mrs. Jud Davis of San Antonio spent the week at their ranch here.

Mr. and Mrs. J. H. Lewis spent Sunday afternoon visiting in the home of their daughter and family, Mr. and Mrs. Neal Mafflewe.

Mr. and Mrs. Ira Lackey of Johnson City visited her brother, Mrs. A. W. Mayfield, and Miss Donna Mayfield, over the week-end.

We regret to lose Mr. and Mrs. James Sachtleben and baby from our midst. They have been making their home at the Camp ranch but have now moved to Brenham where he has employment on a ranch.

Mr. and Mrs. W. W. LeStourgeon and daughter, Alice, of San Antonio, visited here over the week-end.

Mrs. Clarence Love, of Hamilton, and brother, Charlie Kease, of Denton, have returned home after visiting their brother, Alfred Kease, who has been quite ill. He reported to be better, and we wish him a speedy recovery.

Miss Carolyn and brother, J. D. Powell, of Austin, have been visiting with their grandfather, S. A. Kease, and Mrs. Vivian and other relatives.

Mr. and Mrs. Lavon Garrison motored to Houston last Friday [illegible] sister, Miss Bonnie Markwardt.

KYE MANSFIELD HONORED

Miss Kye Mansfield, daughter of Mr. and Mrs. Bill Mansfield, was honored on her birthday with a delicious barbecue supper at Mansfield Park in Bandera last Sunday afternoon. Many friends attended the supper and left good wishes for many more happy birthdays.

POPULAR MEDINA GIRL WEDS AIRMAN DONALD TEEL

A marriage of much interest to a large number of Hill Country people was solemnized at 3 p.m. Saturday afternoon in the First Baptist Church at Medina when Miss Beverly George became the bride of Airman 2/C Donald Teel. Rev. Elbert Adams, pastor of the church officiated at the impressive double ring candlelight service. Rev. Adams also presented the beautiful vocal solo, "Because." The church was beautiful with an arch, and a wedding bell hanging in the center, and two big baskets filled with white gladis on each side.

The bride was lovely in a floor length bridal gown of white nylon fashioned with lace peplum and lace jacket. The shoulder length veil was caught to the pearl tiara. She carried a bridal bouquet of white gladiolus and stock.

Bridesmaids were Yvonne Childs, in blue chiffon ballerina length gown; Mary Bauerlein, in pink nylon ballerina length gown; and Karen George, sister of the bride, in rose-pink ballerina length gown. Each wore white carnation corsages.

Truman Teel of Ada, Oklahoma, served his brother as best man, and ushers were Bill Miller of San Antonio and the bride's brother, Bob George, of Medina.

Mrs. Violet Kimbler of San Antonio presided at the bride's book in the church. She wore a yellow lace ballerina length gown and white flowers.

Following the wedding a reception was held at the home of the bride. Presiding at the serving table were Miss Claudia Irby, of San Antonio, Miss Pat Bauerlein and Miss Arnell Childs.

After a wedding trip to Oklahoma and Colorado they will be at home in San Antonio.

The bride is the daughter of Mr. and Mrs. Ivan George of Medina and the groom is the son of Mr. and Mrs. L. G. Teel of Ada, Oklahoma. He is presently stationed at Kelley Field in San Antonio.

Mr. and Mrs. Hervey Norton, Larry and Martha, of Continental Divide, New Mexico, arrived here Saturday night for a visit with her father, S. A. Kease, and Miss Vivian Kease and other relatives.

Mr. and Mrs. Jim Brantley and son, David, left Sunday for Salem, Alabama, where they will visit with his mother for about 2 weeks.

Mr. and Mrs. Eldon Baker and children of Pajalo City, South Dakota, visited in the home of his parents, Mr. and Mrs. O. Pitt Baker, last week.

Mrs. Briley and daughter, Gloria and son of Winters, visited in the home of her daughter and family, Rev. and Mrs. Elbert Adams and family a few days last week.

Mr. and Mrs. L. S. Stokes of Corpus Christi are visiting with friends a few days this week.

Mr. and Mrs. Ernest Thorne of Port Arthur visited in the S. A. Keese home last week.

Mr. and Mrs. Buddy Hammond of Dallas visited in the home of Mr. and Mrs. O. H. Kelley and Mrs. Maude Stokes last week.

Mr. and Mrs. R. W. Baker and children visited in Brenham Tuesday.

Kathy, Johnny, Mike and Charlotte Boyle of Bandera visited their grandmother, Mrs. Maude Stokes, this week.

Mrs. Pinky Whitaney and baby of Witchita Falls visited in the home of her grandparents, Mr. and Mrs. C. O. Nesting, this week.

PIPE CREEK HOME DEMONSTRATION CLUB

Mrs. L. J. Edwards entertained the Home Dem. Club at her home in the absence of the hostesses, Mrs. L. C. Mallon and Mrs. D. R. Rippey. Mrs. Edwards presided and the club prayer was repeated in unison to open the meeting. Mrs. Paul Purdy was selected as a nominee for Delegate to the State HDA Meeting in Galveston.

The annual community picnic was planned for Sunday, July 12, at the J. W. Edwards picnic grounds at five o'clock in the afternoon. Every family is to bring a picnic basket lunch.

Mrs. Saur reported on the recent leadership classes held at the library in Bandera.

Mrs. R. L. Stevens, Home Demonstration Agent, spoke and demonstrated on Freezing. She showed the first steps in how to select the fruit. The most practical equipment to use, how to test the juice for pectin, the correct measure of juice and sugar and sheeting test. Booklets on this were given to all.

Mrs. L. A. Schott conducted recreation with Mrs. Darrell White winning the prize in the first game and Mrs. Saur winning in the second game.

Delicious cookies, candies and fruit punch was enjoyed by Mrs. Darrel Whitt, a welcome guest, and Mesdames R. L. Stevens, Paul Purdy, Ira Wagner, Lynd Husky, Charles Burnett, H. B. Southoff and daughter, J. W. Edwards, A. H. Schott, L. A. Schott, Jr., Fritz Saur and Mrs. L. J. Edwards.

The social at the community house will be Saturday, June 20th. The next meeting of the club will be in September at the home of Mrs. Paul Purdy.

AMERICAN CANCER SOCIETY ELECTS NEW OFFICERS

The Bandera County Unit of the American Cancer Society held its regular quarterly meeting at the Episcopal Parish House in Bandera on Thursday afternoon, June 4th, at 3 o'clock. In the absence of the president, Mrs. Clay Short, who is in Europe, the first vice-president, Mrs. J. E. Justice, of Medina, presided. Mrs. John G. James, secretary, called the roll, and those present were Mrs. Justice, Mrs. C. O. Callahan, Mrs. Fred Briggs, Mrs. E. M. Pue, Dr. A. B. Byrne, Mrs. James, and Frank R. Franklin, field representative.

Mr. Franklin advised the group of a change that had been made in the plans by the groups for convenience and the Bandera Unit also voted to amend their by-laws to read as follows: Article IV, Section 4. A majority of the members present constitutes a quorum of the Board of Directors for the transaction of business."

Mrs. E. M. Pue, 1959 Crusade chairman, gave a very gratifying report and stated that $1121.50 was collected in Bandera County. She praised her workers and expressed appreciation to all who helped to make the crusade such a success. Mr. Franklin complimented the unit also, and announced that Bandera County was in ninth place among all counties of the state in the crusade.

Mrs. Fred Briggs gave the report of the nominating committee. Motions were made to accept the nominations and the following were elected by acclamation: President, Clay Short; first vice-president, Mrs. E. M. Pue; Second vice-president, Mrs. Lon D. Fisher; and Secretary-Treasurer, Mrs. Melvin Rossman. These officers will serve from September, 1959, until September, 1960.

Delegates elected to attend the annual district meeting, which is tenatively set for September 16 at Fort Clark near Brackettville, are: Mrs. Short, Mrs. Pue, Mrs. G. M. Merritt, Mrs. J. L. Hensley, Mrs. Fred Briggs. Alternates elected were Mrs. Lon D. Fisher, Mrs. Melvin Rossman, Mrs. C. O. Callahan, Mrs. Alfred Anderwald, and Mrs. James Hunt. Delegates elected to attend the Annual State meeting, which will be held at the Rice Hotel in Houston on December 10 and 11, were Mrs. Clay Short, delegate, and Mrs. E. M. Pue, alternate delegate. Mr. Franklin informed the group that car expenses for one car taking delegates to the district meeting would be paid by the association. The expenses of a delegate to the state meeting will also be paid by the ACS.

Mrs. Justice then gave Mr. Franklin charge of the remainder of the meeting and he gave an informative talk on the work of the ACS and showed some of the educational material which is available. A general discussion was held and some interesting facts concerning cancer research were related. Mr. Franklin showed an interesting film, "The Other Side of the Coin" which was very informative and educational.

The next quarterly meeting of the Bandera County Unit of the ACS will be held on September 3, at 2 p.m., at the Episcopal Parish House in Bandera and all members are urged to make a special effort to be present.

It's The Law IN TEXAS . . .

Evidence

A trial aims to settle a dispute when the parties fail to do it themselves. For this the court needs facts.

Simple? Well, no. For if the parties could agree on the facts, a settlement out of court would be easy. But as a rule each side has its own story, and the trial judge or jurymen must hear witnesses and view physical evidence to decide what took place. In doing this the court applies the rules of evidence.

It took centuries for the court to work out rules by which a judge can say what is proper or improper evidence.

1. In "hearsay," for example, someone who did not see the event reports what someone told him about it. Courts seldom allow such evidence, except in rare cases such as where the dying words, say, of a murdered person may be vital.

For one thing, courts frown upon hearsay because no one in court can cross-examine the eyewitness to find out what actually took place, or to judge whether his story merits belief.

2. Irrelevent testimony will also be barred by the judge. It is testimony which has no bearing on the case, even though it may be true enough.

Suppose in a battery case the jury has to find out whether Jones knocked Smith down or not. The judge would have to rule out any evidence that Jones, say, was rich and Smith poor. Such a fact, even if true, has nothing to do with the "issue." Moreover, such irrelevancies often confuse jurymen or arouse their prejudices.

3. Only an expert like a doctor, an appraiser, a chemist, a pharmacist, or an engineer can give opinions as evidence, and he must show his qualifications as an expert before the judge will let him express his views.

Lawyers keep inadmissible evidence out of court by making "objections." When the judge "sustains" an objection, the jury may not hear the evidence. Or if he does not, the judge may "instruct" the jury to ignore it. Should the judge overrule the objection, the jury may hear the witness.

(This column, prepared by the State Bar of Texas, is written to inform laymen in general. No person should ever apply or interpret the law without the guidance of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

WINAN'S CREEK H. D. CLUB

The Winan's Creek Home Demonstration Club met at the home of Mrs. Howard Hay on Wednesday, June 3, with nine members and two guests present.

The president, Mrs. Walter Biggs, called the meeting to order and the club prayer was repeated in unison.

Roll call was answered by telling "how to perk up a common dish."

Mrs. J. B. MacNaughton read the minutes of the previous meeting and gave the treasurer's report. Mrs. Harold Bausch gave the Council report.

Mrs. Richard Stevens, Home Demonstration Agent, gave a very interesting and informative demonstration on jelly and preserve making.

Refreshments of cake and punch were served to Mrs. Walter Biggs, Mrs. J. B. MacNaughton, Mrs. Walter Meadows, Mrs. Adolph Kutzer, Mrs. Richard Stevens, Mrs. George Poe, Mrs. Jean Bonhasan, Mrs. Harold Bausch, and guests, Mrs. Claude Haby of Leakey, and Mrs. Alven Allsup of Bandera, by the hostess, Mrs. Howard Hay.

ASHLEY M. RUGH RETURNS TO A&M

Ashley M. Rugh enjoyed a brief vacation with homefolks before returning to Texas A&M College at Texas A. He has been working at Convair in Fort Worth the past semester, and had the opportunity of looking up several former Bandera residents who also work there.

Mr. and Mrs. James Davenport of San Antonio spent last weekend here with his mother and attended the wedding of his neice, Miss Barbara Mansfield, and Hubert Mazurek, solemnized Saturday evening in the First Baptist Church.

CONSERVATION * DEVELOPMENT BANDERA SOIL CONSERVATION DISTRICT SELF-GOVERNMENT

H. H. Wagner, who ranches north of Pipe Creek, has deferred his entire place since the spring of 1957. Wagner's cropland is in the Soil Bank Program and is planted to Blue panic, Sorghum alum, Johnson grass and Rhodes clover. The soil erosion problem on these fields is well under control with this good cover on the ground. The litter and roots being produced by these plants will condition the soil and add organic matter that is much needed. Mr. Wagner has also cleared brush from much of his rangeland, and has root plowed the deeper soil silos. These areas have been seeded to such introduced grasses as weeping lovegrass, blue panic and sorghum alum. The native grasses on his rangeland are also producing an increased amount of forage. Mr. Wagner's ranch is nearing excellent range condition on a sizeable portion of the place.

Leaving enough green grass on the grazing lands to manufacture plant food is a practice that gives much total forage than does close grazing. The "left-over" grass protects the soil and enriches it, in a sizeable portion of the place. Deeper roots systems go much deeper and are larger under a system of conservation grazing.

Construction work on an earthen dam on the Medina River is underway for the T-4 Ranch near Medina. The dam will create a lake of approximately five surface acres. It is 1,000 feet long and has a maximum fill height of twenty-five feet. The lake will average 15 feet in depth over fifty per cent of the surface area. The area is being cleared down to impervious material across the entire length of the dam. This will prevent seepage under the dam and around the sides of the fill. The lake will be used primarily for recreational purposes.

Surface crusts often prevent the establishment of the better plants on bare rangeland. Poor grasses such as three-awns and hairy tridens help break up the crust and return organic matter to the soil. As the soil condition improves, the vegetative cover will also improve.

Cut heavy cedar so that grass may grow. Use your rain to produce grass instead of brush.

CANCER CRUSADE IS SUCCESSFULLY COMPLETED

The Annual Cancer Crusade in Bandera County has been most successfully completed, according to Mrs. E. M. Pue, who served as the chairman for the fund drive.

"It is very gratifying to know that at last report, Bandera county was way up toward the top of the list of the 254 counties in Texas. Bandera was in ninth place! Bandera county is only a small population according to land area, but there is no way to estimate the size of her generosity when it comes to supporting a worthy cause," said Mrs. Pue.

Special vote of thanks goes to all workers who so generously accepted the responsibility of driving, like the workers and receiving the donations as they came in. Their co-operation was invaluable in helping to make the crusade a huge success.

It was a pleasure to work with the many volunteers who took time out of their busy lives to concern themselves with the fu-ture health and welfare of their neighbors, friends and loved ones.

"My sincere thanks go to Mr. and Mrs. Jesse Everett, Mesdames Alfred Anderwald, Johnny Boyle, Fred Briggs, James F. Brannigan, Calvin Callahan, C. A. Duke, Burgin Davenport, L. J. Edwards, Lon D. Fisher, Clifford Flach, George E. Harrison, Joe L. Hensley, Fred Hamilton, W. P. Jordan, John James, Art Kitzman, G. M. Merritt, John McShane, Joe Othill, Ruth Rhodes, Ashley Rugh, J. C. Short, Fritz Saur, M. R. Sandifer, Mrs. W. J. Schmidt, Marvin Schnelle, Vern Sudmeier, A. J. Taylor, Gilbert Wendt, Ray Wyatt, Walter Rugg, John Buchanan, Alfred Keese, Bill Craddock, C. D. Wheeler, Earl Buckelew, James A. Gallant, J. Ross Richardson, Ray Melton, James Kinney, Tex Anderson, Logan Adams, C. E. Jackson, King Stokes, John McHaney, Jake Adams and my very efficient co-chairman, Mrs. B. H. Stokes Jr.

Thanks to all of you for putting Bandera on the "top ten" list."

Sincerely,

JUDY PUE

BANDERA PEOPLE ENTERTAIN LEGION HOSPITAL PATIENTS

Last Sunday afternoon, June 14, a group of Bandera people from the Bandera American Legion Chapter went to Kerrville to the Veteran's Hospital to entertain the patients. Mrs. Jo Jordan had charge of a lovely cake to take along and when she was unable to go A. W. Wilson and daughter, Miss Juanita, of San Antonio and Master Carl Hyde of San Antonio also take-place cakes along with Mrs. Hunsley, Mrs. George Harrison, and Mrs. Merritt. During the coffee hour they served cake and cookies and ice tea to about sixty patients. They also played games with them and helped to make the hour a delightful one.

Herman Joe Wallace

Herman Joe Wallace, son of Mrs. Frances Wallace of this city, is now stationed with the U. S. Navy at Idaho Falls, Idaho. On May 16, 1959, he received his promotion to Boilerman 3rd Class Petty Officer. He is stationed at the Nuclear Power Training Unit.

On September 22, 1958, he started his basic school on nuclear theory and received high marks for finishing all subjects in nuclear theory and its functions. He received his diploma on April 28, 1959. He is now learning how to operate reactors at N.P.T.U. and is now 45 per cent qualified.

FATHERS'-DAY

The dedication once was selected as the appropriate flower for Father's Day because "the more it is pressed, the more it grows."

That about sums up the love of Father. Once a year we throw him a bouquet—or a tie— and then walk on another duty well done.

But the old man surely is worthy of better treatment because, as The World Book Encyclopedia points out, his name is a title of honor given to those who establish anything important in human affairs.

Take George Washington, for example, known as the Father of his Country. Washington shares that title with such illustrious Romans as Cicero, Julius Caesar and the emperor Augustus.

Homer is called the Father of Epic Poetry because of his "Iliad" and the "Odyssey." Geoffrey Chaucer, whose "Canterbury Tales" established a standard form of English verse, is known as the Father of English Poetry.

Every physician honors the Father of Medicine when he takes the oath devised by the Greek physician Hippocrates. And any man who ever baited a hook knows Izaak Walton, author of the "The Compleat Angler," is the Father of Angling.

The age of the atom has ushered in even more "fathers." J. Robert Oppenheimer has been called the Father of the Atomic Bomb, while Dr. Edward Teller is credited with being the Father of the Hydrogen Bomb. Admiral Hyman Rickover is known as the Father of the Atomic Submarine.

Rate increases have become necessary recently because airlines have suffered much more rapid obsolescence of equipment with the introduction of the turboprop and jet planes and because they needed a larger cash flow to aid them in the financing of their new equipment.

Not since Capital introduced the Viscount turboprop planes has there been the public enthusiasm which resulted from the introduction of jet planes. In several instances scheduled trips on jet planes are booked several weeks in advance. The turboprop planes introduced by many airlines are also popular but not nearly as popular as the jet planes.

This new form of flying has an doubtedly increased airline passenger traffic, as well as creating a larger percentage of passengers on each jet plane. American Airlines, as first in the jet field, has probably benefited the most, but not quite as much as it is trying from coast to coast. On the New York to Florida run National is first with jet planes giving them the competitive advantage in this area.

At this time we feel that there are three airlines which offer the excellent opportunities for capital gains. The first one and probably the most conservative is American Airlines based on high earnings estimates for 1959 brought about by their strong competitive position as a result of their jet planes. The second choice is Northwest Airlines which has shown an improvement in earnings which is expected to continue and which is currently attractively priced statistically. The third is Braniff which has interesting speculative possibilities in view of improved earnings, the introduction of its new turboprop planes and the fact that it will be one of the prime beneficiaries of the proposed $1.00 per segment charge per ticket. COMMERCIAL CATTLE AUCTION SALES WILL BE HELD EVERY THURSDAY

The San Antonio Livestock Market Institute announced that Special Cattle Auction Sales will be held every Thursday at the Union Stock Yards San Antonio. The decision was made to have the Thursday cattle auction sales after the third successful auction was held.

Private treaty sales are held Monday through Friday. The commission companies handle cattle, hogs, sheep and goats in the same manner that they have for the last seventy years at the Union Stock Yards San Antonio.

The Cattle Auction Sale and Special Market Event is an additional service to livestock producers. In the first three years 11,928 head of cattle and calves were sold. These cattle and calves had a gross value of $1,580,454.54. The special Cattle Auction Sales have attracted cattle from all over South Texas. Out-of-State buyers have come from the Texas Belt States, California, Arizona, New Mexico, and Louisiana. The Institute was very pleased with the success and it has now announced that the Special Cattle Auction Sale will be held every Thursday at the Union Stock Yards San Antonio.

DOMESTIC TRUNK AIRLINE STOCKS

The recent announcement that a specific proposal for a rate increase for the country's twelve large trunk airlines has been made suggests that this is a good time to look at the airline stocks for possible investment.

Under the proposed increase each trunk airline would be able to add a $1.00 surcharge to the cost of each passenger ticket. An additional rate increase would also be made to bring the average of revenues on invested capital up to 10.25%, on the four biggest airlines (*American, Eastern, Trans World and United*). On the other domestic trunk airlines rises in increases would be granted to bring the average return on invested capital up to 11.25%.

HALE FAMILY REUNION

More than fifty descendants of the R. P. Hale family gathered Sunday, June 14, at Shady Acres on the Medina River for their annual picnic. This is the thirteenth year the family has gathered for this enjoyable occasion.

The first two reunions lasted several days and were held on the river about the town of Medina on a tract of land known as the "80 acres" and owned at that time by Howard Hay. There was lots of fishing, swimming, visiting and eating at these gatherings.

The third reunion was held at the Hayloft between Bandera and Medina and lasted two days. Since that time they have been held each year at Shady Acres on the second Sunday in June.

Several of the older generation have passed on since the first reunion. Only two of the children are left, Mrs. Blanche Hale Bounds of Utopia and Mrs. Hester Hale Hay of Bandera.

Those who enjoyed the day together and a wonderful picnic lunch were: Mrs. Blanche Bounds, Mr. and Mrs. Leslie Duke and sons, Joe, Rip, Sam and Bob, Miss Elvie Cantrell and Mr. and Mrs. Stuart Haby Jr., of Utopia; Mr. and Mrs. Coy Hale of Grover; Mr. and Mrs. Pete Willitte and Doris Willette of Beaumont; Billie Carnes of Eden; Mr. and Mrs. R. J. Haby, Gerry and Linda Sue, Mr. and Mrs. Ed Civiette, Mr. and Mrs. Edgar Loyd, Eddie Arnetta and Mr. and Mrs. Wayne Canion, Mike and Sharon, of San Antonio; Mr. and Mrs. Ernest Hale of Silsbee, Mr. and Mrs. Keith Aycock and Mark of San Angelo; Mrs. Lelia Laning and Mrs. S. PROMINENT BANDERANS ATTEND ART FOUNDATION CLASSES

Currently studying painting at the Hill Country Arts Foundation, Ingram, Texas, are Mr. and Mrs. F. B. Doane, prominent Bandera, shown here with the famous Frederic Taubes, who is spending the summer at the Foundation as instructor.

Among important dates to remember at the Foundation is the opening play "Stalag 17" on June 20-28 beginning at 6:30, and open house on June 28 from 10 to 12 o'clock in the morning, when an art showing of paintings completed during the class will take place.

Many people of note are attending the classes of the famous artist, Taubes, at the Foundation and the summer's schedule will include besides the painting classes, the summer theatre, craft classes, art gallery and the Country Kitchen.

The season opened on June 1, and will continue through September 7.

LORETTA STEHLING OF KERRVILLE NEW DEANERY PRESIDENT

The Quarterly Meeting of the Council of Catholic Women of the Fredericksburg Deanery was held in Harper, Texas, on Sunday, June 14, 1959, at 3 p.m. Twenty-nine ladies from the Parishes of Bandera, Boerne, Fredericksburg, Harper, Kerrville, and Stonewall attended this meeting.

The Parish Reports were given as follows: Miss Loretta Stehling reporting for Miss Eda M. Hennessy of Boerne; Mrs. Johnie Evers reporting for Fredericksburg; Mrs. Louis Lange reporting for Harper; Mrs. Katie Velchoff reporting for Mrs. W. Cade Schwethelm of Kerrville; and Mrs. Alvin Weinheimer, Jr., reporting for Stonewall.

Committee Reports were given by Mrs. W. H. Stevens of Harper on Charity; and Miss Loretta Stehling of Kerrville on Public Relations.

Rev. Ralph J. Smith, Moderator of the Fredericksburg Deanery, CCW, officially installed the new Deanery Officers: Miss Loretta Stehling of Kerrville, President (replacing Mrs. H. H. Wagner of Pipe Creek); and Mrs. Robert Davis of Boerne, Vice-President (replacing Miss Rose Sinkule of Fredericksburg). Mrs. Leo Blanchard, Sr., of Fredericksburg, Secretary-Treasurer (replacing Miss Loretta Stehling of Kerrville) was absent, and will be officially installed at the next Deanery Meeting in Kerrville.

The next meeting date of the Fredericksburg Deanery was set for November 8, 1959, in Kerrville, Texas, with Executive Board Meeting at 2:30 p.m., on that date, and business meeting at 3 p.m.

The meeting concluded with Benediction of the Most Blessed Sacrament at 4:30 p.m., in St. Anthony's Church of Harper with Very Rev. Joseph Hildebrandt, V. F., of Fredericksburg, acting as Celebrant, and assisted by Rev. A. Gitter of Harper.

THALMANN REUNION

The Thalmann family reunion was held at the Bandera Country Club on June 14. There were sixty-five guests present to enjoy visiting and the wonderful meal served by the Michelis in the cool dining room. The sixteen small children present were taken for a thrilling ride around the lake in Mr. Mitchell's new station wagon, while their parents were getting acquainted.

Everyone had such an enjoyable time it was voted to have another reunion next year.

HAY-MINEAR REUNION SET FOR JUNE 21

The annual Hay-Minear family reunion has been set for June 21, Father's Day, at Shady Acres. All relatives of the Hay-Minear families are urged to attend. Bring a picnic lunch and enjoy visiting with old friends and relatives and also get acquainted with new friends and relatives.

WEDDING

(Continued from Page 1)

bouffant skirts. Their head pieces were alike and each carried a huge, stylized gladiolia, with silver stem and foliage. Each wore a string of pearls, gifts from the bride.

Leslie Mazurek of Utopia served as his brother's best man. Groomsmen were Hugh Richardson, brother-in-law of the groom, from Salina, Kansas; Randy Carrol, nephew of the groom, from San Antonio. Ushers were B. H. Dunlap of Harlingen and Bruce Morehead of Bryan, both brothers-in-law of the groom, and Robert Thalmann, of Bandera.

The bride's mother, Mrs. Robert Mansfield, wore a dress of blue silk organza with imported French lace neckline, and overskirt of the same material, and white accessories. Her hair corsage of white gardenias completed her ensemble.

The bride's maternal grandmother, Mrs. Norma Davenport, wore mid-night blue and white accessories and a pink carnation corsage.

The bride's paternal grandmother, Mrs. C. H. Mansfield, was dressed in blue lace with white accessories. She wore white gardenias.

The groom's maternal grandmother, Mrs. F. A. Hicks, of Utopia, chose for her grandson's wedding a floral print.

Immediately following the wedding a reception was held at the ranch home of Rev. and Mrs. Ira Garrison. Mrs. Garrison was assisted in entertaining by Mrs. Raymond Hicks. Mrs. Leslie Mazurek presided at the bride's book.

Assisting in serving the beautiful tiered confection, topped with a miniature bride and groom, were Mrs. Hulon Richardson and Mrs. Bruce Morehead. Mrs. Eris Carrel and Mrs. B. H. Dunlap poured punch.

The spacious lawn was lighted by hurricane lamps, where the guests gathered to enjoy refreshments.

The bride is a graduate of Bandera High School and Texas Women's University at Denton, where she received her B. S. degree. For the past two years she has been teaching in the Cameron Elementary School at Odessa. She will teach in the Bandera School System this coming year.

Mr. Mazurek is a prominent ranchman at Utopia, where he was born and reared. He served in the Marines during World War II, and when he completed his service returned to his ranching interests.

Following a honeymoon in Monterey, Mexico, they will be at home on his ranch at Utopia.

For traveling the bride chose a suit of beige with which she wore brown accessories, and a white orchid corsage. She carried a sheaf of long stemmed red roses, a gift from the groom.

Guests who registered at the reception were: Miss Suzette McKinney, Odessa, Texas; Mr. and Mrs. Joe Davenport, Columbia, South Carolina; Mrs. F. A. Hicks, Misses Animate Hicks, Miss Mary Hicks, Rev. and Mrs. Gene E. Kingsley, Mr. and Mrs. Max Amann, Mr. and Mrs. L. A. Hicks, Jillan and Diane, Mr. and Mrs. John Bounds, Mr. and Mrs. Clint Reiber and Larry, Mrs. Elma Padgett, Mr. and Mrs. Marshall Smart, Mr. and Mrs. Franke and Mrs. Bill Gray of Mexico, Mrs. Edna Cliff and Carl Padgett, Victoria Bame, Mr. and Mrs. D. Dunlap, Harlingen; Mr. and Mrs. Hulon Richardson, Salina, Kansas.

WEDDING PARTY HONORED AT INFORMAL BARBECUE DINNER

The ranch home of Mrs. C. H. Mansfield was the scene of the rehearsal dinner for the Mansfield-Mazurek wedding party when Mr. and Mrs. Bob Mansfield entertained with an informal barbecue last Friday evening. A delicious barbecue dinner was served by Miss Barbara Mazurek, Hubert Mazurek, Rev. and Mrs. Ira Garrison, Mrs. C. H. Mansfield, Mr. and Mrs. J. P. Davenport of Columbia, South Carolina, Mrs. Norma Davenport, Mr. and Mrs. Rhea Mansfield, Miss Mary Jo Johnson, Robert Thalmann, Miss Suzette McKinney, of Odessa, Misses Bonnie, Shelby and Mary Jo Mansfield, Mr. and Mrs. Hulon Richardson and children, Debra and Craig of Salina, Kansas; Mr. and Mrs. B. H. Dunlap and children, Jeanie, Betty and Ginger, and Patricia Ann of Harlingen; Sylvester Mazurek and Mr. and Mrs. Leslie Mazurek of Utopia, Mr. and Mrs. Bill Gray of Mexico, Mr. and Mrs. Bruce Morehead and children, Darlynne, Brian and Walter of Bryan.

TWICE-TOLD TEXAS TALES

By J. Marvin Hunter, Sr.

Under this heading from time to time we will publish Texas historical articles which we have compiled and printed before, in Frontier Times or in other publications, but which we believe will be of interest to Bulletin readers.

WACO—A LEAF FROM ITS HISTORY

(Waco Register, 1875)

When or in what year the city of Waco first became an Indian village, we are not informed. History has not recorded the year, and tradition is silent. But certain it is that the town itself is not wanting in some evidences of its great antiquity. Those old fortifications or earth-banks north of Austin Street, in the neighborhood of Dr. McDonald's and extending up-hill as far as Mr. George Barnard's, and which time has long since nearly leveled down to the surface of the earth, are mute witnesses which inform us of the inhabitants or villagers who once dwelt here, and of dangers which begirt them. The oldest inhabitant, Mrs. George Barnard, who came to Waco a little in advance of the oncoming tide of civilization, once informed us that the Waceos, Kechis, Wichitas, all of whom probably passed under one general appellation of Waceos, founded Waco.

An incident in the history of the Waceos, occuring about the year 1824, may be here related:

For be it remembered that these children of the forest were not destituted of those savage instincts of the red man, whose prominent characteristics were inexhaustible love of adventure, of danger, and of possessing themselves of their neighbors ponies. They have from time immemorial kept up their raids upon their nearest (though remote) white or Mexican neighbors.

"While returning from one of their ill-started expeditions to the Red River, the unhappy, because it proved fatal, idea occurred to them of bringing away the Cherokee ponies; and probably some red captive Helen, which they did, and returned in their village with 'booty and beauty'. This feat they effected in true Indian style, a circumstance which so enraged the war-like Cherokees that they soon presented themselves, all painted for war, at the Waceos' village. The Waco now defended themselves in their fortifications with probably true Trojan valor; but the incensed Cherokees, led on by their Agamemnons and Nestors, so furiously assaulted the besieged in their entrenchments, that they compelled them to flee to the mountains, leaving their dead and wounded behind. The village was then plundered and burned—and the history of this beautiful village became that of an ancient Troy—Troja fuit."

JERRY LOCKLIN RECEIVES PROMOTION TO FULL CORPORAL

Jerry Locklin and his wife, who were here recently to visit his parents, Mr. and Mrs. P. W. Locklin and son, Pat, received a pleasant surprise when they returned to their home in California, a nice promotion for Jerry. Following recommendation for meritorious service by his superior officers he received his appointment as full corporal in the Marine Corps, which is equivalent to the former rating of "bull sergeant."

Peregrinations of a PIONEER PRINTER

$3.00

by J. MARVIN HUNTER

An Autobiography

Besides being the autobiography of an old time itinerant country printer and newspaper man, it is full of humorous reminiscences and some good history. In it you will find mention of many people you know personally in different Texas counties. This old printer tells in plain, homely style the story of his peregrinations (wanderings) through West Texas, New Mexico, Arizona, and even Old Mexico; how he and a fellow newspaper man had to leave "between two days" and ride in a side-door pullman (box car) through to El Paso with the Mexican rurales hot on their trail; of his experience as a sheepherder; of two uneasy days he spent entertaining a noted outlaw in his sheep camp; of meeting noted characters, both famous and infamous; and of many other thrilling events and at last he "settled down" in Bandera to spend his remaining years among the best people on earth.

FRONTIER TIMES MUSEUM, BANDERA, TEXAS

STATE BOARD OF EDUCATION TO IMPROVE TRAINING OF TEACHERS

Austin—The State Board of Education has taken three-way action to improve the training of teachers for Texas public schools.

Similarly, the move was based on three views:

Recommendations of a special board committee after a one-year study, four years' experience under the 1955 teachers certification law, and in part upon recommendation of the State Board of Examiners for Teacher Education, an advisory professional group.

The continuing increase in student population, accompanied by a shortage of qualified teachers which required the issuance of 4,300 emergency teaching permits last school year, focused the spotlight on the role of certification in meeting this emergency.

The education board did these things:

1. Effective immediately, established more practical regulations for issuance and renewal of emergency teaching permits, and placed certification of out-of-state applicants in the hands of the Texas Education Agency instead of teacher training colleges.

2. Asked the State Board of Examiners for Teacher Education to consider immediately possible changes in:

(a) The number of professional courses required for a teaching certificate; (b) conversion of certified teachers to other teaching fields; (c) an accelerated program in teacher education for the exceptionally able students; and (d) certification requirements for persons already holding college degrees.

3. Called for extended study of several other problems in this field.

The special board committee praised as "basically sound" the teacher certification program up up under a 1955 law and said it found many strong points. However, experience now indicates a need for revisions, it reported.

The committee, headed by R. W. Byram of Austin, emphasized the "great importance to the Texas public school system" of having teachers prepared under present state standards.

These include a balanced program of approximately 40 per cent liberal arts, 40 per cent subject matter courses he will teach, and 20 per cent professional education courses — including one-fourth devoted to student teaching in the subject field.

Emergency permits are issued to persons who do not qualify for a regular teaching certificate. The permits are for one-year periods, renewable indefinitely, and are issued when a school superintendent certifies that the person is the best available for the teaching vacancy.

These permits have been issued in increasing numbers—1,100 four years ago and 4,300 during the past school year.

One stumbling block has been the requirement that the emergency applicant remove one-fourth of his training deficiencies each year. Conditions have changed and this requirement has become too big a burden, the committee pointed out.

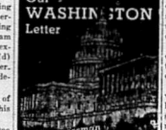
New regulations now allow the emergency permit holder to remove either six semester hours or one-fourth of the deficiencies each year, whichever is less. In extreme hardships, this requirement could be waived for the next year. And it would be waived entirely for persons qualified to teach in high school but assigned to the sixth grade in elementary school, if they teach subjects for which they are trained.

Teachers trained in other states have heretofore been referred by the Texas Education Agency to a Texas college for evaluation of their college credits and recommendation for certification or additional college work. Because requirements vary with each college, this has led to "shopping around" by out-of-state applicants. This evaluation was placed in the Texas Education Agency to simplify matters.

For other problems were referred to the State Board of Examiners for Teacher Education.

First, professional education courses required to teacher trainees. These include six semester hours of pre-professional courses, usually an introduction to education and a course in introductory psychology; 12 semester hours of professional courses, generally related to method, advanced child or adolescent psychology, public school curriculum, and history and philosophy of education; and a final six hours of intern experience in a regular teaching situation (student, or practice, teaching).

The board suggested that the six hours pre-professional courses be optional with the student, if he contest was available in other courses; that the 12 hours of professional courses and six hours of student teaching requirements be optional, and strengthened.



It did suggest further, however, that a person with three years' experience under an emergency permit be allowed to substitute that experience for the six semester hours of student teaching, if suggested, also, that the college education department and the subject matter department in which the teaching is to be done both certify the student as to teaching ability.

Next, it recommended that a way be found for teachers to change from high school to elementary and vice versa, or from special areas such as art and music to regular classrooms, and vice versa.

Third, the board recognized the need for teacher training programs for the exceptionally able student, to parallel those in other fields.

Fourth, a plan whereby persons with college degrees but who have not completed teacher presentation could become certified with a minimum of additional requirements.

Report From Your Congressman

By O. C. FISHER

A concerted drive against the half billion dollar a year traffic in obscenity and pornography by mail is taking shape. The Postmaster General recently appeared before a House committee to urge stronger laws, both state and federal, and more public cooperation in reporting to officials receipt through the mail of indecent literature.

Last year the Congress strengthened the law against the merchants of filth. I hage joined in a drive for even stronger laws, particularly as applied to habitual offenders.

The states share an important role in this drive, if it is to be fully effective; After all, intrastate traffic in this field can be dealt with only by state laws. Several states have recently strengthened their laws; others are already quite adequate.

Talk is not cheap when abuse of it occurs in the Congress where every word and insertion is printed in the Congressional Record each day. One Senator last week surveyed the Record as it applies to the pros and cons on the Admiral Strauss confirmation issue. The President nominated conservative-minded Strauss last year to be Secretary of Commerce. Already, according to the Senator, 597,000 words have been printed in the Record about Strauss, mostly by opponents, at a cost of 5¼ cents a word. And there will be a lot more.

Permanent - type immigration from Mexico has averaged 50,000 a year during the past five years, according to a report given me by General Swing, Commissioner of Immigration. The preceding four years—1949-52, inclusive—the average was only 7,000 annually. The big increase is obviously due to the extreme difficulty farmers and ranchers experience in obtaining Mexican contract labor on a temporary basis. Since they have difficulty in coming in on work contracts, Mexicans by the thousands are swarming in as permanent immigrants. I have urged that this immigration move be reduced.

Mr. and Mrs. H. L. D'Spain have returned to Natchez, Mississippi, after spending some time at their home in Utopia. They enjoyed having their children with them last week before they left. Those who visited them were Mr. and Mrs. Bobby Nelson and family, of San Antonio, Mr. and Mrs. Leroy Weimers and family, Mr. and Mrs. Wiley D'Spain and children of Bandera and Mrs. Lee D'Spain Jr., and sons of Boerne.

Mrs. E. H. Murrell of Sabinal spent Sunday here with friends and attended services at the Bandera Church of Christ.

W. M. EDWARDS RE-ELECTED AS HEAD OF ACC, DIES IN STOCKTON

Fred Stockton—A near-by rancher who gave Abilene Christian College a ranch valued at more than one million dollars died Tuesday in Memorial Hospital here.

He was William Miles (Bill) Edwards, 85.

Graveside services were held Wednesday in Sanderson with Gene E. Bailey, minister of the College Church of Christ in Abilene, officiating.

Don H. Morris, president of Abilene Christian College, spoke at the funeral.

A native of Burnet County, he moved to Paint Rock in 1884. While herding sheep in Concho County at a $15 a month salary, he saved enough to start into business for himself.

Mr. Edwards moved to the Trans-Pecos in 1905 and purchased eight sections of school land for $1.50 an acre. He was once heard to remark that paying off the original purchase was the hardest debt ever retired.

During the years he added to his ranch with purchases from his two late brothers, and in 1952 he bought the 30-section J. C. Mitchell ranch—which boasted a $100,000 home. His ranch reached 65¼ sections with the purchase.

Years of living in a small stucco room attached to his original headquarters and under the stars with his hands had deeply set the pattern of his life and he used only one room and the library of the swank ranch home. Although he used a bed, it was covered with a canvas bedroll.

An avid reader, Mr. Edwards didn't drive an automobile, although the ranch had up-to-date equipment including trucks.

He made only two or three visits a year to Fort Stockton. In the early days, "these were to sign notes at the bank." Those note-signing trips weren't necessary after a time.

Mr. Edwards once explained he had no fancy theory for being successful in the ranch business. He just got out of bed early and went to bed early. He mixed this with hard work and reading for relaxation to build his ranch empire.

A slight man, Mr. Edwards had been active on the ranch until suffering a stroke last fall. He had been hospitalized since.

In 1954, Mr. Edwards gave the 65¼ section ranch—located approximately 145 miles southeast of here in Pecos and Terrell counties—to Abilene Christian College.

It was a gift to a college he had never seen in a town he had never seen. However, "I have known some people there for quite awhile," he explained at the time.

Included in the gift were 41,800 acres of land valued at $25 an acre—or $1,110,000. The college also got mineral rights on 24,000 of the acres.

The gift to ACC was the largest, but one of many, Mr. Edwards gave to charity and other projects. He was known to give $6,000 in a single donation to charity.

And prior to one Girl Scout benefit banquet, he made an outright gift of 25 kid goats to finance the affair.

Mr. Edwards had a legendary hat with three brims fastened together on a single-layed crown. This hat served as more than a head covering. It replaced a talley book as he rode in the pastures.

When he found time, he transferred his interests from the hat brim to his record books.

Weather and sheep were by long favorite conversation topics—and the recent [illegible] were [illegible] drydoes.

COMMERCIAL CATTLE AUCTION SALES WILL BE HELD EVERY THURSDAY

The San Antonio Livestock Exchange, Incorporated, Commercial Cattle Auction Sales will be held every Thursday at Union Stock Yards San Antonio. The decision was made to have the Thursday cattle auction sales after the third successful auction was held.

Private treaty sales are held Monday through Friday. The commission companies handle cattle, sheep and goats in the same manner that they have for the last seventy years—at the Union Stock Yards San Antonio.

The Cattle Auction Sale and Special Market Event is an additional service to livestock producers. In the first three sales 11,028 head of cattle and calves were sold. These cattle and calves had a gross value of $1,588,064.64. The special Cattle Auction Sales have attracted cattle from all over South Texas. Out-of-State buyers have come from the Corn Belt States, California, Arizona, New Mexico, and Louisiana. The institute was very pleased with the success and it has now announced that the special Cattle Auction Sales will be held every Thursday in the Union Stock Yards San Antonio.

Mr. and Mrs. Elbert DeBraille of San Antonio spent Tuesday in Bandera. Mrs. DeBraille attended the Reunion of the Latter Day Saints while Mr. DeBraille visited with John Saul. The two men served together in the Immigration service several years.

your electric co-op turned night into day

HOME OWNED · HOME OPERATED · TAX-PAYING

The poles are set, the lines are strung, bright lights have replaced the kerosene lamp, and the Electric Cooperatives have literally turned night into day in the rural areas.

But the electricol loads first delivered to the rural community by the Electric Cooperatives are increasing by the day. An improved community and more and varied uses for electric power mean more lines . . . and greater service facilities. So the job ahead of the Electric Cooperatives of Texas is a big one. That is why the cooperatives must not be deprived of the areas they served first . . . must not be driven out of the areas they helped to develop. All they ask is that they be given equal rights where they now serve.

STATE WOOL AND MOHAIR CONTEST

The State 4-H Wool and Mohair contest will be held at San Angelo Saturday, June 13. The senior wool and mohair team to participate in this contest will be Larry Dean, John Focke, Judy Mueller and Patsy Welch.

The Junior team will be Charmen Hicks, Howard Hicks, Gretchen Mueller and either Freddie Flach, Louis Reninger or Dickie Hicks.

The two teams will leave Friday morning, June 12, for San Angelo and work out at the Western Wool and Mohair Company in San Angelo.

The purpose of this work out is to give the teams a look at the Rambouillet wool they will be having in the contest. The appearance of the Rambouillet wool is a little different from the wool here at Bandera. This work out should be a help to the teams for the contest.

Sergeant John Reeves of Fort Worth was the guest of his brother, Col. Elmo Reeves and family last week.

Special For The Soda Set

Perfect for summer sipping is that old-fashioned favorite, the Purple Cow. It's a soda that's a snap to make at home. Just use a couple of tablespoons of quick-frozen grape juice; a scoop of vanilla ice cream and carbonated water. Stir and serve . . . and the good old world is as good as anything the corner drug store can put together.

Purple Cow
1 can (6 ounces) Birds Eye concentrated concord grape juice, partly thawed
1 pint vanilla ice cream
1 quart chilled carbonated water

Spoon 2 tablespoons concentrated concord grape juice (right from the can) into each of six tall glasses. Add about ⅓ cup ice cream to each glass. Fill with carbonated water and stir. Makes 6 servings.

No rest for this Chevy... round the clock the engine never stops!

At Washington's bustling National Airport, Allied Aviation Fueling counts on its radio-equipped Chevy to get crews and tank trucks to the right planes at just the right time. Aside from occasional time out for the usual service, its Thriftmaster 6-cylinder engine has been running 24 hours a day for the past 9 months!

Once you've got that kind of endurance working you don't worry much about lost job time. Breakdowns go out of style the day your Chevy goes into action.

The fact is, Chevrolet trucks are dead set on dropping the word "downtime" right out of the English language. And they just might, if precision engineering and top-quality materials have anything to say about it. Chevy trucks are put together to stay together—incorporating the most advanced chassis developments, the most efficient 6-cylinder and V8 engine designs. They're built to last, built to keep Chevrolet's hard-earned reputation for reliability flying high.

Going into the real heart of Chevrolet advantages is where your dealer comes in. He'll show you, in feature after feature, that you can't buy more truck dependability – in any weight class–at any price.

No job's too tough for a Chevrolet truck! CHEVROLET

SONORA WOOL AND MOHAIR SHOW AND CONTEST

The Senior Wool and Mohair teams that participated in the Sonora contest were Earl Keese, Larry Dean, John Focke, and Howard Hicks. The Junior individual judges were Charmen Hicks, Gretchen Mueller, Freddie Flach and Dickie Hicks. The contest was held on Wednesday, June 17, at the Sonora Wool and Mohair warehouse.

In the Sonora contest the teams judged plants, range plots, sheep, Angora goats and wool and mohair.

Mr. and Mrs. Jack Focke, and the county agent, Wesner Lindig, left Tuesday for Sonora to register the teams and enter the wool and mohair fleeces.

Exhibitors in wool were John Focke, Jan Masurek, Marilyn Gallant, Freddie Flach, Doris Barecky, Louis Reininger and Neal Boultinghouse.

Exhibitors in mohair were Earl Keese, Charles Baumer, Sam Duke, Bob Dicke, Gayle Akin and Walter Baucch. Howard Hay exhibited mohair in the adult division.

The 4-H team members appreciated the help they received from donations from the First National Bank and the First State Bank, $15 each to help pay for expenses while staying in Sonora. The teams also appreciate the work and the driving to the contests by Mr. and Mrs. Jack Focke.

COUNCIL PICNIC IS SET FOR JUNE 23

MISS LINDA YANCEY IS BRIDE OF JAMES WILLIAMS COTTINGHAM

Miss Linda Kay Yancey, daughter of Mr. and Mrs. Charles Ross Yancey of 1107 Waterford Drive, Dallas, Texas, and James Williams Cottingham, son of Mr. and Mrs. Marvin Dupuy Cottingham of Bandera, were married in the Episcopal Church of the Incarnation on Saturday, June 20, at 8 p.m., Rev. Donald G. Smith, associate minister, officiated.

Russell Bydon, organist, presented the nuptial music.

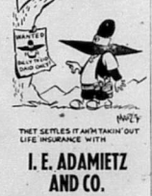
The lovely bride was given in marriage by her father. She chose a gown of white silk organza over blush pink taffeta. The bateau neckline enhanced by rosepoint pattern chantilly lace accented by short puff sleeves, and short white kid gloves. Tiny covered buttons fastened down the back and blush pink taffeta accented the tightly fitted midriff and binding of the sleeves. The flat front full flare skirt extended to deep back fullness. Her veil of imported French silk illusion fell in misty tiers to waist length from a calot of Alencon lace.

The bride carried a Colonial bouquet of white roses, stephenotis and Queen Ann's lace.

Maid of Honor was Miss Jean Whybark of Dallas, and Matron of honor was Mrs. Maurice Gerald David, the former Miss Jeanne Poche, of Austin.

Brides maids were Miss Carol Culbertson, San Antonio; Miss Virginia Mason and Miss Liebe Mayo of Dallas.

The dainty flower girl was five year old Jalene Gibson of Tyler, Texas.



The bride's attendants were attired in gowns of pink and white organza, fashioned with a decolette neckline and brief sleeves, complemented by short white kid gloves. The tightly moulded bodice extended into waltz length bouffant skirts. They wore calots of pink taffeta with a tiny circle of matching illusion.

Mr. Cottingham was attended by his brother, Jerry Cottingham of Cuba, New Mexico, as best man. Groomsmen were Ronnie Bradley of Bandera, Don Johnson of Camden, Ronald Rogers of Austin, and Tony Wilson of Medina. Ushers were Lon Cottingham, brother of

ALFRED KEESE CLAIMED BY DEATH FRIDAY

Alfred Stanley Keese, a life long resident of Medina, passed away in the Sid Peterson Memorial Hospital in Kerrville Friday, after an extended illness, at the age of 60 years, three months and 17 days.

Mr. Keese was born on March 2, 1988, and died June 19, 1959. His parents were L. J. Keese and Paralee Shepherd, early pioneer residents of that community. He was happily married to Miss Julia Howard, of Medina. He grew up in and followed the ranching business all his life. He was a member of the Baptist Church.

Mr. Keese is survived by his wife, four daughters, Mrs. Walter Holliman of San Antonio, Mrs. G. M. Holman of Medina, Mrs. Leonard Suthard of Alexandria, Virginia, Mrs. Ray Evans of Uvalde; five grandchildren; brothers, Jeff Keese, Orville Keese of Medina and Charles Keese of Denton; and one sister, Mrs. Clarence Love of Dallas Gap.

Funeral services were conducted in the Plummer Funeral Home Chapel Sunday afternoon at 4 o'clock with Rev. Elmer Morgan of the Medina Methodist Church assisted by Rev. Elbert Adams, pastor of the Medina Baptist Church, officiating. Interment was made in the West Prong Cemetery under the direction of the Plummer Funeral Home. Pall bearers were O. H. Kelley, V. A. Williams, Tom Carpenter, Enoch Moffett, Richard Adams and Earl Weed.

V. F. W. BASEBALL GAME TO BENEFIT RIFLE TEAM

Tonight, June 26, the Bandera Post 9176, Veterans of Foreign Wars, will play a softball game with a group of Medina players on the Bandera High School Soft Ball Field at 7 p.m.

This is expected to be a hilarious game. The local post members will be attired in women's clothing. This game should prove to be as well as educational and relaxing.

For a good laugh you are invited to come out and see this exciting game. Donation 25c.

All proceeds from the game will be used to promote the newly organized rifle team, and buy needed equipment for it.

BANTEX THEATRE WILL PRESENT MID-NIGHT STAGE HORROR SHOW

Mr. and Mrs. Charles Knauf announced this week the showing of Ricardo's "Dungeon of Horrors" and "Frankenstein Monster" in person at the Bantex mid-night show tonight, Friday, June 26, with one performance only. If you like thrills, come out and see this monster and enjoy feeling the horror thrills creep up your spine. This stage show is one of the "most."

On the screen will be the Hammer Film Productions, Ltd., "Horrors of Dracula" the terrifying lover who died . . . yet lived. It is all new and in technicolor. Don't miss these double feature horror shows, at the Bantex to night at midnight.

JOHN TUCKER BROUGHT HOME FROM HOSPITAL

John Tucker, has been critically ill in the Sid Peterson Memorial Hospital, but was brought home the first of the week. We hope he will soon be well again.

CLENDENEN BABY DROWNS IN SWIMMING POOL

Tragedy struck the home of Mr. and Mrs. Bill E. Clendenen when their little two year son drowned in a swimming pool in Salina, Kansas, Tuesday, June 23, 1959. The Clendenens had recently moved to Salina where he is currently working on a housing project. Informed sources reported that the little one drowned in a swimming pool which had been drained, but had filled up with rain water.

Kris David Clendenen was born on July 26, 1956, at Oxnard, California, and died June 23, 1959, being two years, ten months and twenty-four days of age at the time of his untimely death.

The little one was brought here for funeral services at 2 p.m., Saturday in St. Christopher's Episcopal Church, with Rev. Charles Heimsath officiating. Interment will be in the Bandera cemetery under the direction of Plummer Funeral Home.

Kris David is survived by his parents, a brother, Billy Mark; grandparents, Mr. and Mrs. Walter Clendenen of Moorpark, California, and Mr. and Mrs. W. E. Eubank of St. Louis, Missouri and a number of aunts and uncles.

Pallbearers for the service will be Wiley D'Spain, H. A. Locke, Floyd Wyatt and Ray Wharton.

SCOUT CIRCUS IS SET FOR NEXT TUESDAY NIGHT

Don't forget the Scout Circus which has been set for Tuesday night, June 30, at 7:30 in the Bandera Agriculture Center.

The invocation and opening Flag Ceremonies will be at 7:30 followed by the Big Parade, Pinewood Derby Race, Stunts, Cakewalk, games of skill and sideshows.

The public is invited to eat delicious prepared by each Cub Scout in the course of their advancement work.

There will be pop corn, hot dogs and soft drinks for sale. General admission is 25c with all children up to 11 year's old admitted free.

The money raised will be used for the Cub scout activities like the Scout-O-Rama, Blue and Gold banquet and to help defray expenses when the time comes to register the boys and renew their subscriptions to Boys Life Magazine.

All the Den Mothers and Committeemen are working hard to make this a successful and enjoyable affair.

Even if you have not purchased a ticket from a Scout, come anyway. Tickets will be sold at the door.

Mr. and Mrs. Wilburn Strey

MISS GRACE RICHARDS AND WILBURN OTTO STREY WED

In a beautiful and impressive ceremony in Emanuel Lutheran Church in Seguin on June 12, at 8 o'clock in the evening, Miss Grace Elida Richards, daughter of Mr. and Mrs. C. H. Richards of Bandera, became the bride of Wilburn Otto Strey, son of Mr. and Mrs. Emil H. Strey, of 530 E. Weinert St., Seguin. Rev. H. L. Anderson officiated at the chapel service.

Beautiful arrangements of white gladiolus and chrysanthemums decorated the altar and carried out the wedding decor in the chapel.

Mrs. Theodore Jansen presented the nuptial music.

The pretty bride was given in marriage by her brother-in-law, Donald W. Hartman of San Antonio. She was lovely in a ballerina length gown of white lace over satin, styled with a Sabrina neckline, princess bodice with three quarter length fitted sleeves. Her finger tip veil of illusion was held by a close fitting bead piece adorned with sequins and pearls. She carried a white Bible topped with a bouquet of stephenotis highlighted by a beautiful purple orchid.

The bride's only attendant was her sister, Mrs. Donald W. Hartman, of San Antonio, as the matron of honor. Mrs. Hartman chose for her sister's wedding a suit of pastel blue silk brocade with matching blue accessories. She carried a cascade bouquet of white gladiolus.

Mr. Strey was attended by his brother, Vernon Williams Strey, of Austin, as best man.

Ushers were Woody Don Richards, brother of the bride of Bandera, and Jerry Duckett, also of Bandera.

The groom's mother was dressed in navy blue lace with pink accessories.

Immediately following the wedding a reception was held at the home of Mr. and Mrs. Emil H. Strey in Seguin.

The beautiful three-tiered wedding cake, topped with a miniature bride and groom was served by Mrs. Norman Lee Strey of New Braunfels and Miss George Ann Richards of Houston, assisting in serving were Mrs. Jimmie Word and Mrs. J. C. Dugosh of Bandera.

After the reception the newlyweds left for a honeymoon in Houston. For traveling the bride wore a two pieced white cotton suit with matching accessories. Following the honeymoon they will live in Seguin.

The bride is a graduate of Bandera High School and is a teaching and popular young lady.

The groom is a graduate of the Seguin High School and is presently employed by the Bell Telephone Company.

Out-of-town guests at the wedding were Rev. and Mrs. R. L. Knietch, Allie Duckett of Bandera, Miss Sandy Mott and Herbert Bass of Bandera.

Mrs. Edna Wheat Beam had as her week-end guests Mr. and Mrs. Ed Mayfield of Sonora.

WASHINGTON NEWS LETTER

From Lyndon B. Johnson

June 17, 1959

Dear Friend:

So far, in this first session of the 86th Congress, the Senate has confirmed more than 31,400 nominations submitted by the Administration.

However, one White House nomination—that of Lewis Strauss as Secretary of Commerce—received more debate than was given all the other appointments combined.

The Constitution places upon the Senate the responsibility of approving or disapproving of most Presidential appointments. These fall into several broad categories including: Cabinet Members—those within the President's Executive family; Judges; Officers in the Armed Services; Postmasters; and Members of bi-partisan Commissions.

I have always held to the belief that there must be overwhelming reasons to deny a President an Executive official of his choice.

That feeling has led me to vote for the confirmation of many nominees whose appointment I would never have made myself if I had the heavy responsibility of staffing our Executive agencies.

Because of that stron, feeling, I have cast a "yes" vote for many men with whose political philosophies I strongly disagreed.

Nevertheless, the Senate's power of consent is not purely perfunctory.

The Senate, by its debate and consideration of Mr. Strauss' nomination, effective demonstrated deep understanding of our changing times. There may have been a time when a Cabinet officer was just a man who gave advice and carried out orders. But in our complex government of today, a cabinet officer has become a man of authority—charged directly with carrying out the laws passed by the Congress of the United States.

The Senate acted wisely. Through its deliberations and ultimate action, the Senate answered its responsibilities and voiced by majority vote what it believed was in the best interest of the Nation.

Mr. and Mrs. Joe Hensley are enjoying having their grandsons, Jimmy and Lee Hensley, of San Antonio as guests in their home.

VETERANS ADMINISTRATION QUESTIONS AND ANSWERS

Q—I have a $10,000 World War II GI insurance policy. I am thinking of adding VA's total disability rider to the policy, which would pay me $160 a month if I become disabled for six months or more. I could not prove I would have to go on paying the policy premiums to ensure my family would be protected?

A—As long as you qualify for the disability payments, your payment of premiums would be waived, and there would be no reduction in the protection your family now has under the policy.

Q—I have a ruparervice-connected disability for which my doctor recommends hospitalization and treatment. Under what conditions may I be admitted to a VA hospital?

A—The law provides that veterans of any war with nonservice-connected disabilities for which hospitalization is necessary may be admitted only if they state under oath they are financially unable to pay hospital charges elsewhere, and if beds are available.

Q—I need to sell my GI house and move to another city. Does the buyer of, the house have to be a veteran?

A—No. So far as VA is concerned, the new buyer may be either a veteran or a non-veteran. However, if you, the seller, are to be released from liability to the VA, the new buyer must be willing to assume liability for your loan, if there is an unpaid balance, and satisfy VA he is a good credit risk.

Q—I plan to start school this fall, under the Korean GI Bill. How soon after the school year begins can I expect my first allowance check from VA?

A—There is a waiting period of approximately two months before the first school allowance check arrives. VA is not permitted to mail you a check until after it has received proof that you have completed the month of school for which you are to be paid. Then, VA is allowed 20 days after that to process your school attendance certificate and get the first check into the mail. After the initial necessary delay checks will arrive regularly for each month of certified school attendance.

SUPPER SALAD SPECIALTY

Succulent lobster and rice, always a favorite combination, can be custom-tailored to summer eating. They are featured in this Lobster Rice Supper Salad, a cool and refreshing main dish. A dressing spiked with anchovy paste adds an unusual touch which contributes to its delightful flavor.

To save precious time, cook the rice early in the day so it will be chilled when you need it. If you cook an extra amount, try it as a cereal for breakfast. Or store the extra rice in the refrigerator to use in a casserole, soup or other mixed dish at another meal. Heating in a little water will restore the rice to its original light and fluffy texture.

To serve the Lobster Rice Supper Salad, arrange it in a bowl garnished with wedges of hard-cooked egg and crisp bunches of greens. Crisp snacks, large frosty glasses of iced tea and dessert complete this warm weather menu.

LOBSTER RICE SUPPER SALAD

1 cup cooked lobster (fresh or 5-ounce can)
1½ cups cooked rice, chilled
2 tablespoons French dressing
1 cup mayonnaise
2 tablespoons finely minced onion
2 teaspoons anchovy paste
½ teaspoon dry mustard
¾ cup finely sliced celery
2 tablespoons minced parsley
2 hard-cooked eggs, cut into wedges
Crisp greens

Break lobster meat into good-sized pieces and mix with rice and French dressing. Marinate in the refrigerator for about ½ hour.

Combine mayonnaise with onion, anchovy paste and mustard. Add with celery and parsley to rice mixture. Toss very lightly. Garnish with eggs and crisp greens. Makes 4 servings.

BANDERA SOIL CONSERVATION DISTRICT

CONSERVATION DEVELOPMENT SELF-GOVERNMENT

Size deer eat as much as one cow. How many deer are on your place? Have you taken the deer population into consideration when figuring your stocking rates.

W. L. Gray who ranches south of Bandera on the Hondo Highway has recently completed clearing approximately 80 acres of second growth cedar. The cedar was cut and scattered on the deeper soil sites. By eliminating the heavy cover of cedar more desirable grass will come in. Mr. Gray has made provision for wildlife cover by leaving the oaks and other desirable shrubs such as kidney wood. Gray is deferring this area at present so that grasses released by the removal of the cedar cover will have a chance to gain size and vigor before being grazed. Gray is being assisted in this work by technicians assisting the Bandera Soil Conservation District.

There is no substitute for treating every acre of land according to its needs.

The temperature of bare ground on a summer day will vary from 80 degrees on a cool morning to a sizzling 140 degrees by mid afternoon. On the same day the temperature of the soil under a good grass and mulch cover will vary only from the same 80 degrees in the morning to the low 90's by mid afternoon.

Increased grass production through deferment was noted recently on the Clyde Tarver ranch by Mr. Bandera Mr. Tarver has deferred ten pastures for nearly two years. During this time such desirable grasses as sideoats grama, little bluestem, hairy dropseed and southwestern bristlegrass have replaced less desirable grasses. Rangeland which was producing around 500 pounds of forage two years ago is now reaching the 1500 pound mark, an increase of 1000 pounds per acre. Besides the increased grass production, soil erosion has been cut down considerably. Tarver plans to continue the deferment until after frost in order that the grasses may produce a seed crop this year.

Grass is like a bucket, the bigger the top the more water it will catch.

SPECIAL TAX RENEWAL EXPLAIN CHANGES

Liquor dealers apparently are disregarding the notice that was sent with Form 11, Special Tax Stamp, explaining the changes in the law, according to R. L. Phinney, District Director at Austin.

Payments at the old rate, Mr. Phinney said, have been enclosed with the majority of the applications that have been received; therefore, it is necessary to contract the dealer for the additional amount due, which delays the issuance of the stamp until the full amount is paid. The notice forwarded with the special tax renewal form contains the following information:

"Change in Due Date. Special taxes must be paid on or before July 1, 1959, or before commencing business, to avoid penalties and interest. Taxes may no longer have until the end of the month to file.

"New Tax Rates —

Wholesale Dealer in Beer, $25 annually; Retail Dealer in Beer, $24.00; Retail Dealers in Beer (at large), $24.00; Wholesale Liquor Dealer, $255.00; Retail Liquor Dealer, $75.00; Medicinal Spirits Stamp Tax, $54.00; Retail Dealer in Liquors (at-large), $54.00; Wholesale Dealer in Wines, $255; Retail Dealer in Wines, $54.00; Wholesale Dealer in Wines and Beer, $255.00; Retail Dealer in Wines and Beer, $54.00; Firearms: Class 5. Dealers of Special Type Guns, $1.00.

"If a dealer is in business on July 1, the full tax rate is due with the return. If a dealer starts business later on in the year, the tax rate is pro-rated from the starting month. "Retail and Wholesale Dealers Redefined by law effective July 1, 1959.

A retail dealer is one who sells only to consumers. Such a dealer is liable for tax as a wholesaler in those instances where he sells 5 gallons or more to the same customer. A wholesale dealer is one who sells to other dealers. Wholesale dealers do not incur tax as retail dealers because of sales to consumers at the wholesalers' premises of liquors of the class covered by their wholesale stamp."

In addition, Mr. Phinney said that many dealers are applying for both a wholesale and a retail stamp where they only need one. They should carefully read the above instructions to determine which stamp they need.

Our WASHINGTON Letter

By Congressman O. C. FISHER

A top-level tug of war is taking place over who the big spenders are, and it may turn out that the taxpayers will get a good break as a result.

Last Fall President Eisenhower needled the Democrats by accusing them of extravagance with the taxpayers' money. Actually, the Republican record on that score had been nothing to write home about.

Now, with a lot of public alarm being felt on Capitol Hill about too much spending—and with an eye on the 1960 elections—leaders of both political parties have grabbed the economy torch and are doing some maneuvering in an attempt to get ahead of t'e parade. Thus far the Democratic-controlled House has whacked the President's budget on appropriations rather substantially, and so has the Senate to some extent. But the liberal forces in the Democratic camp are pushing hard for some extravagant spending measures, with some initial successes noted.

Right recently Democratic leaders, perhaps smarting a bit from Republican goading and the dangers inherent in a free-spending label being stamped on them as a political issue, are applying some brakes that may be a good omen for the taxpayers. Senator Lyndon Johnson is leading this drive, but he has some tougher liberal spending colleagues to placate in the Senate.

Here are a few spending-policy examples:

Early this year the budget requested $200 million for a Federal-aid airport development program. The Senate promptly passed a $465 million bill! The House scaled this down to $297 million. A conference committee, apparently yielding to public demands for more economy and probably to avoid a Presidential veto, has recently decided to settle for about the budget figure.

But not so with the mammoth housing bill. The President requested a modest $1.5 billion. The Senate approved $3.6 billion. The House went on a rampage and jumped it to $6.1 billion. A conference committee has agreed on a compromise, with an over-all total of $5.1 billion. (A $100 million item for Veterans' housing had in the meantime been taken out of the bill and passed separately.) If approved, the Housing bill may rate a Presidential veto.

Several other non-essential spending bills, totalling several billions, dealing with such subject: as aid to education, depressed areas, community facilities, etc., are pending, with the ultimate outcome uncertain at this time.

Recent visitors have included Mr. and Mrs. O. Abrahams and son, Bill, of Kerrville; Mr. and Mrs. Jim Humphries and son, Cliff, of Lampasas; Robert Jones, also of Lampasas; Ursula Paynor of San Angelo.

It's The Law IN TEXAS...

Reasonable Time

Before a contract arises somethe must make an offer and another must accept it.

Without an offer, no acceptance; with no acceptance, no agreement. But there is often a time within which you can accept the offer. And if not, the offer ends anyhow with a "reasonable time" which is determined by circumstances and the parties' intentions.

Smith had a set of books which Brown wanted. Brown wrote and offered him $200 for the set.

Smith didn't answer for six months, and meantime Brown bought a similar set. One day Brown got a letter from Smith saying "I accept your offer of $200 for the set of books."

Brown told Smith he'd bought the books elsewhere, but Smith still claimed that his belated "acceptance" had nevertheless sealed the contract with Brown.

Was there a contract? No, the offer had lapsed because it had not been accepted in the circumstances within a reasonable time.

There are many ways to end an offer. You may withdraw it, you may say that the offer expires in a given time, or you may die, or the other party may turn it down directly or by making a counter offer.

Herv Smith had failed to accept Brown's offere within a reasonable time, which ended it just as though it had been withdrawn.

What is a reasonable time? It varies. The offer could expire in a few minutes in the stock market or last for quite a while, depending upon what a court would think is a reasonable time.

Big in Smith's case six months was unreasonable.

(This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

Mrs. Lona Jackson's guests Sunday were her children, Mr. and Mrs. W. B. Bell and children, Bradley and Sharon, of San Antonio; Mr. and Mrs. Dewitt Leibold and son, Eddie, of Pipe Creek. Young Bradley remained to spend the rest of the week.

BOYLE'S

WEDDING

(Continued from Page 1)

the groom, of Bandera, and David Yancey, brother of the bride, of Dallas.

A garden reception at the home of the bride followed the beautiful wedding.

The bride and groom are spending their honeymoon in Monterrey and Saltillo, Mexico. When they return they plan to spend the summer in Bandera, but will return to Dallas in the fall where the groom is attending Southwestern Medical School.

The bride is a senior education major at the University of Texas. She was president of Alpha Lambda Delta Honorary Society, Scholarship Chairman Delta Gamma Sorority and member of All Campus Advisory.

The groom attended the University of Texas where he was a member of Phi Eta Sigma and Alpha Epsilon honorary fraternities.

Out-of-town guests at the wedding were: Mr. and Mrs. M. D. Cuttingham, Lon, Cottingham, Mrs. George Bradley, Mr. and Mrs. Jack Focke, Barbara and John Focke, of Bandera; Mr. and Mrs. Worth Fancher Cottingham Jr., and daughter Diane, Mrs. Worth Fancher Cottingham Sr., Austin; Mr. and Mrs. Al Aertz of Ashland; Mr. and Mrs. William L. MR. AND MRS. NESTING ATTEND FAMILY REUNION

Mr. and Mrs. C. O. Nesting have returned from a delightful ten day visit at the Belvedere Motor Hotel in San Antonio where they attended a ten day family reunion with their family.

Those in attendance during that time were Mr. and Mrs. Warren Nesting and son, Mike, of Houston, Dr. and Mrs. H. M. Nesting and daughters, Linda and Terry, of San Antonio, Mr. and Mrs. C. S. Nesting II and son, John, of Terre Haute, Indiana, Mr. and Mrs. A. C. Whitney and baby of Wichita Falls, Mr. and Mrs. Stanard Nesting and Mr. and Mrs. C. O. Nesting.

Reported

Mr. and Mrs. H. T. Torgerson and son, Burnett, of Beeville, came in last Sunday to visit in the homes of Mr. and Mrs. John James and daughter in Bandera Estates and Mr. and Mrs. G. M. Mickelsen and Jimmy Berkland in Tarpley. Burnett returned to Beeville the first of the week and Mr. and Mrs. Torgerson remained over for a longer visit.

HAY-MINE-MR REUNION

The descendants of George Hay and Jessie Minear held their annual reunion Sunday, June 21, at Shady Acres, Bandera, when approximately one hundred gathered for a day of visiting and fun. The minutes of the 1958 reunion were read by the Secretary and plans made for 1960, but business was completed at record speed for the heavily laden tables of food were waiting. After dinner many enjoyed a delightful swim in the Medina River while others chose to enjoy visiting. As usual, they came from fat-away places. Those attending from outside of Texas were: E. W. Minear and granddaughter, Booneville, Arkansas; and Minnie Eaton, Seattle, Washington.

Others signing the register were: Mr. and Mrs. J. G. Sims, Jane Dare and Jay Garrett of Port Arthur; Mr. and Mrs. William Hay, Julie and Richard of Winnie; Mrs. Isola Hay, Harlingen; Mr. and Mrs. J. C. Hay, Jesse Claire and Jimmie and Gary Hay Archbald of San Benito; Bonnie Ferguson of Houston; Mrs. J. S. Ferguson of Cotulla; Mr. and Mrs. Truman Braswell and family of Port Lavaca; and Mrs. E. A. Results of Sonora Contest

The junior 4-H team received many honors in the judging events at the Sonora contests last week. The team members, Freddie Flach, Gretchen Mueller, Charmen Hicks and Dickie Hicks placed. The team placed third in the overall contest. The team placed first in the mohair, third in grass, third in wool and second in livestock. Freddie Flach placed third high individual in mohair.

The senior team placed fourth in the overall judging contest. Show ring skill Charles Baumer showed the first place and fourth place fleece in the aged doe class; Walter Bausch, second and sixth; Jesse Lem Johnson of Sutton County, first and fourth in the registered class. In the junior class, Gayle Akin was first and Sam Duke, fifth in that class. Earl Keese also placed second in the registered doe kid class.

Senior Mohair Show

Howard Hay swept all honors in the mohair show. His fleeces placed at the top of the classes in the classes that he had entered fleeces. He brought back a nice rotating trophy for having the champion fleece in the mohair show.

Goat Shearing Time for FFA and 4-H Show Goats

The time to shear the Angora goat is July 1, which is next week. It will be a good idea to shear them with hand shears immediately. In shearing the goats with hand shears, the hair comes out better for the show. If anyone needs help on this work please call me immediately so arrangements can be made to get the goats sheared. Shearing them early may mean the difference in winning and loosing.

Friends and relatives here will be sorry to hear that Pat Coffey has been confined to his home in Tarpley with pneumonia. Everyone wishes for him a speedy recovery.

Harvey Faris Has Champion Mohair Fleece

Harvey Faris, Medina FFA members, showed the champion mohair fleece in the junior division at the Sonora show. The doe kid had been received from H. Hay which produced the fleece. The Bandera county 4-H county group in the mohair division also won first place. The entire group of mohair fleeces taken to the Sonora BOND SALES [illegible]

J. Burgin Davenport, County Savings Bonds Chairman, announced today that Savings Bonds sales for the first four months of 1959 totaled [illegible] ... at of the county's ... April sales in the county were $272.00.

Sales for the first four months of the year totaled $58,100,381 of which $12,906,783 were purchased in April. Texas has achieved 21.8 per cent of its yearly goal of $182,500,000.

"Savings Bond purchases play an important part in the U. S. Treasury's task of wise debt management. Each individual who buys a bond is helping to provide for his country's future security as well as his own. Secretary of Treasury Robert B. Anderson pointed out recently that any person who buys a Savings Bond is putting real meaning in the slogan 'Share in America'," Chairman Davenport said.

MAYAN RANCH OPENS SUMMER THEATRE

For over a week now the beautiful new summer theatre at the Mayan Dude Ranch has been open and if you have not attended the three-act comedies presented Monday, Tuesday, Wednesday, Friday and Sunday evenings, you have missed a real treat.

Straight from Hollywood is the Starlight Playhouse, a comedy team that puts on these hilarious plays. Directors and producers of the three-act plays are Arthur Names and John Townsend, both famous and well-known in Hollywood. The cast includes Nola Thorp, a lovely blonde, as the lead; and Jean Murray, a gorgeous brunette. Larger cast carries the comedy parts. Then there is Margie Fisco, Chet Smith, James Kendry, Norman Andrews and Ronald Lee.

This group of professional Hollywood actors are doing repertory from June 15 through September 7. The delightful comedies being presented every night are excellent and are being enjoyed by people from everywhere.

Plays now being presented include: "Her Temporary Husband," "Bachelor's Delight" and on Sunday night "Educating Eve" will be added by the list. Many delightful comedies are in store for those who attend the Starlight Playhouse this summer.

For programme and reservations call SWe-5312.

Sometime ago the Wrangler's Roost Saloon, where the ranch entertainment was held, burned to the ground, and in it's place was built the handsome theatre. The stage, 30x40 ft., in the open air theatre is in a beautiful set, ting of towering oak trees, near the banks of the Medina River, which is cool and lovely, an ideal setting for the summer theatre. Comfortable seats have been placed in the spacious amphitheater (it will seat about 500) and theatre-goers are assured of an evening of splendid entertainment in a setting of luxury, comfort and friendliness, under the stars.

Other entertainment at the Mayan Dude Ranch are the traditional western dances held each Thursday and Saturday nights by Mr. and Mrs. Hicks. A live orchestra presents the music and during their stay here, the Starlight Playhouse players entertain with outstanding impromptu numbers. Then there are the Can-Can Girls.

There's fun all the time at the Mayan Dude Ranch, thanks to Mr. and Mrs. E. A. Hicks and Mr. and Mrs. Dan Hicks, and their able staff.

THIS IS OUR TOWN

By Jinny

Our thanks to the nice Hicks families of the Mayan Dude Ranch for their gracious invitation to attend the Starlight Playhouse, now playing every night with the exception of Tuesday and Saturday night, at the handsome new western theatre at the Mayan Ranch. We certainly enjoyed sitting out under the moon and stars in the cool amphitheatre to view the delightful comedies played by the famous Hollywood cast which included lovely Nola Thorp in the leading lady roll, Jean Murray, tall, graceful and beautiful, new-ce ertobe forgotten Eugene Gray as the comedy gal, Chet Smith, James Kentedy, Norman Andrews and Ronald Lee, and Margie Fisco. The three act comedies are produced and directed by Arthur Names and John Townsend. All are professionals doing repertory until September 7. We were delighted with the hilarious plays of "Bachelor's Delight" and "Her Temporary Husband" played by this excellent cast. Take our advise and don't fail to see every one of these outstanding plays. We think The Starlight Playhouse is one of the most outstanding attractions in the Hill Country and we hope to see you there.

a hobby. She is raising a number of Panamo birds (road-runners). She has the mother and four little ones now after setting a number of eggs she found in a nest in her pasture. These wild, but very interesting birds are natives of Texas, Mexico, New Mexico and other states along the border.

* * * Special thanks to Mr. and Mrs. Thomas Keese for the delicious home grown large, luscious, yellow plums. We loved them.

* * * On Tuesday of last week, in company with Mrs. Alfred Agerbald and Mrs. Mary Thompson we visited Boerne in the interest of securing interesting people to appear on our Fine Arts programs this coming year. We visited Lee-Ed's Doll Shop where Mrs. Shultz promised to put on a doll show in December. Mrs. Shultz is a recognized authority on dolls of all ages and description, and her original numbers go all over the world. She has won many prizes in National shows with her dolls. Then we went on to Top's Country Store, where Fritz Toepperwein showed us through his delightful place. We saw beautiful antiques of every description and in the art department outstanding original paintings by Hill Country artists. Mr. Toepperwein will put on an Arts and Crafts Show for the Fine Arts. From Top's Country Store we went out to the country home of Mr. and Mrs. Sam Woolford. We were graciously received by Mr. and Mrs. Woolford who were busily engaged in making fig preserves. She told, us that they give away hundreds of pints each year to their friends as Christmas gifts and on other occasions. We were delighted with Mr. and Mrs. Woolford and their charming home. Mr. Woolford, who is one of Texas' most distinguished writers, promised to speak at the March 1 Fine Arts meeting. The program committee is planning many fine programs for the year, which will be announced as soon as the list is completed.

* * * Mrs. Arthur Hayes, Red Cross First Aid and Water Safety Chairman, reported this week that everyone is interested in the Red Cross Swimming classes and she made the announcement that there will be held about August 1. All parents who are interested in having their children attend, may begin to get ready for these classes.

* * * "The people of Bandera are very gratified to see the progress being made on the construction of the Scout building which is now underway. This is a most worthy project and the youngsters of the community will be greatly benefited by having a Scout home of their own. Everyone is invited to visit the new project, your help is urgently solicited now, and all help will certainly be appreciated. The Scouts, the parents, committee members are indebted to all those who have made the generous contributions to make the Scout home possible, and hope that when the building is completed to have a celebration. Watch this column for announcement of the completion and the opening ceremonies.

* * * Wonderful rains have fallen in the beautiful Hill Country to relive the grasslands, farms and crops. Rainfall averaging from two to six inches fell in this area.

* * * Mr. and Mrs. Billie Griffin are the proud parents of their first daughter, Vicki Ann, born early Thursday morning in the Sid Peterson Memorial Hospital in Kerrville. The Griffins have two sons, Billie and Pat, who are also welcoming the little Miss.

* * * Our thought for today—One should never be ashamed to own he has been wrong, which is but saying in words, that he is wiser today than he was yesterday.

RALPH YARBOROUGH'S REPORT

The Atomic Energy Commission is, I believe, acting too hastily in licensing the dumping of radioactive wastes into The Gulf of Mexico—Texas' back yard.

And I understand several other dump sites in the Gulf are now being considered.

Scientists themselves disagree on the issue of radioactivity to which a human body can safely be exposed. Several scientists have said that much figures have been not only people alive today but their descendants for 100 or 200 years to come.

The hazard in which the low-level radioactive wastes are to be dumped have an expected life span of 10 years. So we can figure that at least by 1969 the material they contain will be released into the waters by the Gulf Stream, which flows along the eastern coast of the United States through the Grand Fishing' Banks, and over to warm the beaches of Europe.

Scientists say that more and more of our future food supply will come from the sea. We in Texas know what wide use is already being made of the Gulf for both business enterprises such as fishing, and for pleasure. The scientists agree that when radioactivity is free in the water, it tends to concentrate to a very high degree in fish and marine plants.

The Texas State Senate, many non-profit organizations in Texas which are interested in fish and wildlife conservation, and other interested persons have written to me opposing polluting the Gulf with these radioactive wastes.

I think the AEC should withhold granting this license until scientists have carefully explored every possibility which might someday cause us to regret this move.

Senator Clinton Anderson of New Mexico, the able chairman of the Joint Committee on Atomic Energy, has told me on the Senate Floor, when I protested the AEC's licensing decision, his committee will take the matter up and either hold hearings or conduct an investigation as soon as practicable.

Thomas (Bub) Keese has returned from Louisiana where he spent the past two weeks on Reserve duty with the U. S. Army.

Mr. and Mrs. W. W. Cardwell and Mr. and Mrs. Don LeSburgeon and son, Kevin, were in San Antonio Tuesday to attend the birthday party for three year old Patrick Dayton D'Spain.

Mr. and Mrs. Ray F. Wyatt had as their house guests last week Mrs. Horace Thornton of Dallas and Mr. and Mrs. J. V. Watson of Houston, Mrs. Wyatt recently returned from Virginia where she visited Mr. and Mrs. Jack Watson and granddaughter, Little Miss Donna. THE BILL DOOLIN GANG OF OUTLAWS

J. Marvin Hunter, Sr.

When the Dalton gang of outlaws was practically wiped out by the killing of four members of the bunch during the holdup of the two banks at Coffeyville, Kansas, October 5, 1892, Bill Doolin, who was a member of the gang, did not happen to be present and therefore escaped death. Besides the killing of Grat and Bob Dalton, Dick Broadwell and Bill Powers, and the critically wounding of Emmett Dalton, four citizens of Coffeyville lost their lives. They were Lucius M. Baldwin, George B. Cubine, Charles Brown and City Marshal Charles T. Connelly. The Condon Bank and the First National Bank of Coffeyville were held up simultaneously, $11,000 being taken from the First National and $20,000 being secured from the Condon bank. Citizens of the town rallied to fight the robbers. All of the money was recovered and returned to the bank except a few dollars supposed to have been dropped on the streets and never found. Bill Doolin was to have participated in the holdups, but his horse having gone lame a few miles out of Coffeyville he stopped at a blacksmith shop to have the horse's shoes adjusted, expecting to join the gang as they entered Coffeyville. It had been planned that three men enter each bank. Doolin did not arrive in time, but came on later to discover that a battle was raging in the streets between citizens and the five other bandits, so Bill wisely chose to ride rapidly away from there, and hence escaped, to organize his own gang a short time later.

Doolin was born and raised in Arkansas, the son or a poor farmer named Mack Doolin. He never had the advantages of a common school education, although in after years he learned to read and somebody taught him how to write a little. After he grew to manhood he went to Oklahoma to work on the Halsell ranch on the Cimarron river a few miles northeast of Guthrie, as a railsplitter. This was about seven years before the opening of the Territory to settlement. Later he became a cowboy, and still later he became associated with the Dalton's in their career of robbery and crime.

After the death of the other members of the gang, Doolin returned to the ranch on the Cimarron and then went to a "hide-out" cave that had been used by the gang, fifteen miles east of Ingalls, where he made his headquarters and organized his own gang, which was to become notorious for some time and run through a longer period than that of any other gang. While Doolin himself was neither murderous nor bloodthirsty, some of the gang were dangerous, desperate and reckless, and did not hesitate to commit murder. Some of the members of Doolin's gang were Bill Dalton, one of the Dalton brothers who had had but little connection with the Dalton gang; George Newcomb, known as Bitter Creek; George Waightman, alias Red Buck; Little Bill, whose real name was unknown; Charlie Pierce, Dick West, alias Little Bill, Bill Dalton, Tulsa Jack, Bitter Creek, Texas Jack, Broncho Bill, Arizona Slim, Dynamite Dick.

These men were from different sections of the country, and all were not cowboys. The cowboy element, however, predominated in the gang were numerous. When they wanted horses, they stole them from farmers in the Indian Territory. They avoided fights with the officers of the law as much as possible. The Creek Nation Cave, near Ingalls was their headquarters. A fight in Ingalls was their undoing and marked the beginning of the end for the gang. Bill Doolin, Bill Dalton, Tulsa Jack and Bitter Creek robbed a train at Cimarron, Kansas, on the night of May 28, 1893, and were pursued by officers. Doolin was shot in the foot and his pals took him to a ranch twenty-five miles southwest of Woodward, Oklahoma, where he remained until his wounded foot was better, and then he was taken to Ingalls.

On September 1, 1893, Deputy U. S. Marshals Hickson, James Masterson, Lafe Shadley, Dick Speed and A. H. Houston led a posse to Ingalls to capture the Doolin gang if possible. The officers went into the town, and having located the most of the gang in a barn, demanded their surrender, when a desperate battle ensued. For more than an hour the battle raged, the marshals and outlaws fighting from behind buildings and any shelter they could find, and men were lying dead in the street and in the hiding places. Marshals Speed, Houston and Shadley were killed, and Bitter Creek was badly wounded. The bandits who escaped from the Ingalls fight were Bill Doolin, Bill Dalton, Bitter Creek, Tulsa Jack, Dynamite Dick, and Little Bill. Arkansas Tom was captured.

Some time before this Bill Doolin had married Edith Ellsworth, the daughter of a Lawton preacher. It is not likely that the girl knew that Doolin was an outlaw when she married him, but when she learned the truth she remained loyal and devoted to him. They were married in 1849, at which time there was a standing reward of $5,000 for Doolin's capture. He was hunted everywhere by the officers, and he often made hazardous trips to be with his bride a few hours at a time. Many times his wife saved him from capture or death, by giving warning of the approach of officers.

After the fight at Ingalls Deputy Marshals Bill Tilghman, Heck Thomas and Chris Madsen took the trail of the outlaw gang, trailed them over miles and miles of country, and kept up the hunt until the last one was dead or in prison. The gang robbed a bank in Southwest City, Missouri, May 20, 1894, and engaged in a fight with officers and citizens there, killing two men. Bill Doolin was wounded in the forehead in this fight. The bandits rode out of town under heavy fire.

Bill Dalton was the first of the Doolin gang to be killed. He was shot to death by Marshal Hart near Ardmore in June, 1894. Jack Blake, alias Tulsa Jack, was killed May 5, 1895, following a train holdup at Dover, Oklahoma. In July, 1895, Charlie Pierce and Bitter Creek met their deaths at the hands of two ranchmen. Little Bill was desperately wounded by Marshal Tilghman September 7, 1895, and captured. On March 15, 1896, Red Buck was located in a dugout near Arapaho, and came out fighting. He was shot and killed.

After their baby was born Doolin decided to abandon the life of an outlaw. Taking his family in a covered wagon he set out with his family for the West. They reached Burden, Kansas, and tarried for awhile. Marshal Tilghman learned that Doolin was at Eureka Springs, Arkansas, taking baths for an attack of rheumatism, and trapping him unawares Tilghman captured the outlaw. He was taken to Guthrie, Oklahoma, and placed in jail, but managed to escape on July 5, 1896, by overpowering his two guards.

Doolin's wife had returned to the home of her father near Lawton, and there he went to them. Again they loaded up the covered wagon and made ready for a journey out of the country. At 11 o'clock at night they were about ready to start. Doolin, leading his horse and carrying his Winchester, walked down the road some distance, ahead of the wagon, when suddenly Marshal Heck Thomas stepped out into the road and called upon him to surrender. Doolin did not reply, but fired at Thomas, and Thomas fired about the same instant. They were only fifty feet apart. Doolin's shot missed. Thomas used a double-barrel shot gun, and Doolin fell with twenty-one buckshot in his body. The dead man was placed in a wagon and taken to Guthrie where he was buried. He was identified by the bullet he had carried in his forehead since the day he was wounded in the bank holdup in Southwest City, Missouri.

Peregrinations of a PIONEER PRINTER

$3.00

by J. MARVIN HUNTER

An Autobiography

Besides being the autobiography of an old time itinerant country printer and newspaper man, it is full of humorous reminiscences and some good history. In it you will find mention of many prominent characters in different Texas communities. This old-printer tells in pleasing style the story of his peregrinations (wanderings) through West Texas, New Mexico, Arizona, and even Old Mexico; how he and a fellow newspaper man had to leave "between two days" and ride in a side-door pullman (box car) through a Texas with the Mexican rurales hot on their trail; of his experience as a sheepherder of two dreary days he spent entertaining a noted outlaw in his sheep camp; of meeting noted characters, both famous and infamous; and of many other thrilling events and at last he "settled down" in Bandera to spend his remaining years among the best people on earth.

TEXAS JUNIOR HOMEMAKER VIES FOR MRS. AMERICA TITLE

Ft. Lauderdale, Fla.—To win the title of Mrs. America—the nation's No. 1 homemaker—Mrs. Herbert S. Beard of Adrian must prove to the judges that she can bake a tasty bread and make a pretty dessert. Mrs. Beard, winner of the state finals at Dallas, is shown here as she prepares a dessert, perhaps the winning one in the Royal Desserts Event. Next step, a sweet bread for the Yeast Baking Event. Mr. Beard, who accompanied his wife to the contest at Ft. Lauderdale, naturally gives *his* vote to these recipes.

LEMON-COCONUT CHIFFON PUDDING

1 package lemon pie filling	Grated rind of 1 lemon
¼ cup sugar	1 egg whites
2½ cups cold water	¼ cup sugar
2 egg yolks	½ cup shredded coconut
2 teaspoons lemon juice	

Combine lemon pie filling with ¼ cup sugar in saucepan. Gradually add water and slightly beaten egg yolks, stirring to keep smooth. Cook over medium heat, stirring constantly, until mixture comes to a *full* boil. Remove from heat and immediately stir into filling. Remove from heat. Stir in juice and rind. Beat egg whites until foamy; gradually beat in sugar until mixture holds stiff peaks. Fold hot lemon mixture into egg whites; fold in coconut. Turn into dessert dishes. To serve, top with more coconut or with whipped cream. Makes 8 servings.

DATE BRAIDS

½ cup milk	3 packages or cakes yeast
½ cup sugar	(active dry or compressed)
¼ cup shortening	2 eggs, beaten
1½ teaspoons salt	About 5 cups sifted enriched flour
½ cup warm, not hot, water	
(lukewarm for compressed yeast)	

Scald milk. Add sugar, shortening and salt. Cool to lukewarm. Sprinkle or crumble yeast into water (warm, not hot, water for active dry yeast; lukewarm for compressed or yeast). Stir until dissolved. Stir in lukewarm milk mixture and eggs. Stir in about 2½ cups of the flour. Beat until smooth. Add enough of the remaining flour to make a soft dough. Turn dough out on floured board and knead until smooth and satiny, about 5 minutes. Form dough into a smooth ball. Press top of dough ball into greased bowl, then turn dough over. (This greases the top.) Cover and let rise in warm place, free from draft, until doubled in bulk, about 45 minutes. Punch down. Cover and let rest 5 to 10 minutes. While dough is rising, prepare Date Filling*. Use one-half of dough for each cake. Roll out each half into an oblong about 16 x 8 inches. Spread half the Date Filling the length of the center third of the oblong. Cut 15 slits in dough along each side of filling, making strips about 1 inch wide. Fold strips at an angle across filling, alternating from side to side. Place the braid on a greased baking sheet. Cover. Let rise in a warm place until doubled in bulk, about 1/3 minutes. Brush tops of braids with 1 egg yolk mixed with 2 tablespoons milk, then sprinkle each with 1 tablespoon sugar. Bake at 350° F. (moderate oven) about 35 minutes. Remove from baking sheet and cool on rack.

*DATE FILLING

Combine 1 cup chopped pitted dates, ¼ cup brown sugar, ½ cup water, ½ cup pecans, chopped and 1 tablespoon lemon juice. Heat in saucepan until boiling, and continue boiling until thick enough to spread.

MRS. JURECZKI IS AT HOME FROM HOSPITAL

Friends here will be happy to learn that Mrs. Thelma Jureczki is at home again and doing fine from surgery which she underwent in the Nix Hospital in San Antonio last week. She will have to remain in bed for about three weeks and will appreciate visits from friends.

MRS. AND MRS. GOODENOUGH AND DAUGHTER RETURN FROM TRIP

Mr. and Mrs. H. W. Goodenough and their daughter, Miss Ruth Goodenough, of El Paso, returned last week from a vacation trip through the Southwestern States to Los Angeles, California, where they visited Mr. Goodenough's brother and wife, Mr. and Mrs. L. A. Goodenough. On the way out they spent a week with their son and family, Captain and Mrs. Charles Goodenough and daughter, Carole, at Phoenix, Arizona. While there they spent a week-end at the Grand Canyon and visited many interesting places in that region.

Mrs. David L. Stewart and children, Judy and David Jr., and Mrs. Glendon Roberts and daughters, Aleta and Lesannah, are attending Laboratory School and Family Life Assembly at Mt. Wesley, Kerrville, this week.

MRS. RICHARDS LOSES FINGER

Mrs.—Woody Richards has been suffering greatly this past week from the amputation of two of her fingers on the right hand. She lost them in a lawn mower several days ago.

Mrs. Lona Jackson spent last week-end in Brady with relatives and friends. She returned home Saturday.

MRS. FITZGERALD IS IMPROVING FROM ILLNESS

We are pleased to report Mrs. Kathleen Fitzgerald, who has been confined to her home for several weeks with illness, is now getting along well at the home of her daughter, Mrs. John Nixon and family on Medina. Mrs. Nixon has taken over Mrs. Fitzgerald's store for her mother and will operate the store in the same efficient manner as heretofore. Mrs. Fitzgerald's friends are delighted to have her at home again and hope she will continue to improve and be well again.

Mr. and Mrs. Harvey Cates have just bought a beautiful new home in Bandera. Mr. Cates will also be remembered here as Pat, one of the twin daughters of Mrs. Virginia Anderwald.

TELEPHONE TALK

by LeRoy Binz, Manager

LISTEN FOR THE HUM

Every so often we all are bothered with a call at some odd hour and when we answer the telephone it turns out that the caller has a wrong number. I was talking to our wire chief about it the other day and he told me that lots of times such calls are the result of dialing without listening for the dial tone first. The way he explained it, the dial equipment is not ready for a call until dial tone comes on the line. If we just take down the receiver and start dialing, some of the dial "clicks" are lost before dial tone comes on. And its the clicks that get the number for us. If we "beat" the dial tone, we will get a wrong number almost every time. We'll end up getting something like 4596 instead of 6596 that we thought we were dialing. Don't forget "listen for the hum".

VACATION HINT

When you stop in the middle of your vacation this year to remember friends or family back home, why not give the "wish you were here" greeting a new twist.

Do it with a Long Distance call. It's more fun that way, and you can catch up on the news at home, too.

And remember to call station-to-station. It's cheaper—you can make three calls for the price of two.

BUSY TELEPHONES

With school out for the summer, telephones in many houses will probably be getting a real workout.

There'll be calls from the children's friends at most any hour of the day—to round up the group for a game, to arrange to meet at the movies, or to compare notes on a new bike or the latest record album.

Whatever the call, the telephone is always there to help teenagers—and small fry, too—have more fun during vacation.

If you have children whose friends keep the phone ringing at a merry clip, make it easy for your youngsters to answer without running through the house. Extension telephones will do the trick.

Why not call the telephone company for a home extension telephone today? The cost is low, just $1.00 a month plus installation.

Call by number. It's twice as fast.

ELECTRIC CO-OPS turned WORK INTO PLAY

Ask any woman who fought the wood stove in the farm house and she will tell you electricity created a wonderland in her kitchen. Electric fry pans, percolaters, toasters, broilers, refrigerators, food disposer . . . the list is a long one. Then there's the electric stove itself . . . clean . . . cool . . . odorless and safe. But the important fact is this . . . The Electric Cooperatives borrowed money at interest to bring the electricity that made this modern miracle possible. The electric cooperatives and only the cooperatives were equal to the heroic challenge offered by rural electrification.

The Electric Cooperatives have succeeded . . . are succeeding and will succeed in their continuing task or service to the community and the nation.

Looking Backward

(From the files of the Bandera New Era, June 21, 1934.)

A deal was consummated this week whereby Prof. [illegible] became the owner of the Red & White Store on Main Street, which was established about five years ago by D. O. Tallman. Mr. Teel will take possession on June 30th, and plans several important changes and improvements in the business.

Two wool sales of magnitude were consummated Thursday. Robert Blum of Fredericksburg sold between 2000,000 and 250,000 pounds of 12 months wool to O. D. Stokes of Winslow, & Company, at prices ranging from 23 to 24 cents a pound. That part of the quarter million pounds that was consigned, estimated at about 50,000 pounds, was taken on winter loans.

In San Antonio the Russel Menzies fall wool clip of some 60,000 pounds was sold to Sumner Willis, wool buyers for Walter Marston, at a price of 20 cents a pound. Sale of about 45,000 pounds was registered at Mason at a price range from 22½ to 23¾ cents.

A report has been sent out that the water in the Medina river has been impregnated with typhoid germs. That has been proven to be untrue and without foundation in fact. Dr. J. O. Butler, county health officer, recently procured samples from the river and from various wells in Bandera and Medina, and sent them to the State Laboratory for analysis, and no specimen from the river was reported to be contaminated.

Ruby Lois, the infant daughter of Mr. and Mrs. Ted Hillman, died in the hospital in San Antonio yesterday afternoon, and will be buried this afternoon in the Hillman cemetery near Lima. The little child was born May 1, 1934, and was less than two months old. Funeral services will be held Monday and was taken to a specialist in San Antonio, where everything possible was done to save it's life, but death ended its suffering late yesterday afternoon.

Miss Xena Crawford who recently returned from several months visit in Colorado was completmented with a lovely kitchen shower at the home of Mrs. A. E. Hamilton on Wednesday. Mrs. A. Meadows on Wednesday afternoon of last week. The guests assembled on the porch and ice cream and cake was enjoyed by the following: Mrs. J. A. Bachman, Mrs. Lawrence Edwards, Mrs. W. [illegible] Mrs. Ruth Boone, Mrs. A. F. Harper, Mrs. C. B. Goldy, Mrs. Arden Pyka, Mrs. Charlie Meadows, and the hostesses. Those who sent gifts were Mrs. Elmer Spencer, Mrs. [illegible] Thomason, Mrs. Edna Lee, Mrs. Ida Brown, Mrs. E. H. Rugh, Mrs. Gus Reinarz, Mrs. Alfred Reinarz and Miss Ada Helmes.

JOY-RIDE LAW TO GO INTO EFFECT AUGUST 11

Austin.—The Texas Department of Public Safety reminded today a new State law—designed to take the joy out of illegal joy-riding—will go into effect August 11.

The new statute, passed by the regular session of the Legislature and signed into law recently by Governor Price Daniel, carries penalties up to three years in prison for driving a person's vehicle without his permission.

Heretofore, the offense was a misdemeanor unless it could be proved that the "joy-rider" intended to keep the vehicle. This made it universally difficult to conduct a felony prosecution, according to Department officials.

Therefore, they pointed out, many of these cases were filed as misdemeanors, simply because conviction was more likely. In this way, however, the maximum penalty was $1,000 fine or one year in jail.

The new law divided the "without consent" statute into two classes, based on the value of the vehicle "borrowed." The taking of a vehicle valued at less than $200 without the owner's consent, still will be considered a misdemeanor, without change in penalty. But if the value of the vehicle taken is more than $200, the offense is a felony with possible heavier penalties ranging up to three years in prison.

In passing the new law, the Legislature stated: "The fact that (the present law) does not now provide sufficient penalties for the offense of driving a vehicle without the consent of the owner, and the act of joy-riding has become a serious problem in modern times, this amendment is needed for the speedy administration of justice."

"It is hoped that this new law will serve to alleviate this steadily-growing problem of auto-theft which has nearly doubled in Texas in the past 10 years," said Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety.

He sited national statistics indicating that some 67 per cent of the auto theft arrests involve juveniles under 18 years of age, and pointed out that while some 95 per cent of the vehicles stolen are recovered, the average loss due to damage or bad maintenance is approximately $290 per vehicle.

Garrison noted that the theft rate per 100,000 population in Texas increased from 122.4 in 1948 to 167 in 1952. He said 15,402 vehicles were stolen last year, compared to 7,855 in 1948.

Mr. and Mrs. Edward Johnson have returned home from a very delightful visit in Oklahoma, Arkansas and Missouri. They visited A. P. Carlson and daughter, Miss Letty Drue, at Lake Norfolk and other relatives.

Mr. and Mrs. Wayne Keese and children of Bryan were guests on Father's Day, of his parents, Mr. and Mrs. Thomas Keese.

Chevy Gives You Smarter Style Today . . .

FOR HIGHER TRADE-IN TOMORROW !

Don't take it from us—take it from independent experts and from facts and figures that are not a matter of record. INSURANCE SCIENCE sums up Chevy's unmistakably modern style this way: "The fact is, in its price class Chevy establishes a new high in daring styling . . ." This is one more reason your new Chevrolet will bring a higher allowance at trade-in time, as Chevy has over the years. A look at last year's used car prices* shows Chevrolet averaged up to $128 more than comparable models of the other leading low-priced two.

*Glide Book figures of the National Automobile Dealers Assn.

PLUS 5 MORE BIG BESTS OVER ANY OTHER CAR IN CHEVROLET'S FIELD!

Best Brakes. Chevy showed the best brakes of the leading low-priced three in repeated highway speed stopping tests conducted by NASCAR.* No wonder. Chevy's brakes, built for up to two-thirds longer lining life, are the biggest in its field.

*National Association for Stock Car Advancement and Research.

Best Engine. Every motor magazine has given Chevy's passenger car and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price."

Best Economy. No doubt about this: a pair of Chevrolet sixes came in first and second in their class in this year's Mobilgas Economy Run—getting the best mileage of any full-size car.

Best Room. Dimensions reported to the Automobile Manufacturers Association make it clear. Chevy's front seat hip room is up to 5.9 inches wider than comparable cars.

Best Ride. No doubt about this. MOTOR TREND magazine sums it up this way: ". . . the smoothest, most quiet, softest riding car in its price class."

NO WONDER MORE PEOPLE ARE BUYING CHEVROLETS IN '53 THAN ANY OTHER CAR!

COUNCIL PICNIC IS WELL ATTENDED

At the regular meeting of the Home Demonstration Council Tuesday night, it was decided to have a picnic supper at Linda Lou Park on the river. Some fished and some just visited. A delicious picnic lunch was served at the noon hour.

At the 2 o'clock business meeting Mrs. Gilbert Wendt, Council President, presided and in the absence of Miss Christine Kalka, Mrs. H. L. Bruce served as the secretary-treasurer and called the roll and read the minutes. She announced that $281.49 was in the treasury.

In the election of delegates and alternates to the State Convention in Galveston on Sept. 16-18 the following delegates were elected: Mrs. Gilbert Wendt, Mrs. G. M. Merritt and Mrs. A. W. Hueby. Alternates were Mrs. John Saul and Mrs. Paul Purdy and Mrs. Fabian Anderwald.

After the meeting adjourned the group enjoyed games.

Present for the very delightful day's activities were: Mesdames C. A. Duke, Lon D. Fisher, Wayne Gustafson, Alfred Anderwald and son, E. A. Johnson, Gilbert Wendt, John Martin, H. L. Bruce and daughter and son, Carolyn and John, G. M. Merritt, L. J. Edwards, A. W. Hueby, Sr., Tyra Hueby and daughter, Joy, Fritz Saur, Leo Allen, L. C. Sherrod, E. M. Wilson, Jr., Paul Purdy and Son, Joe Hensley, Fabian Anderwald and children and John Saul.

TEXAS CHAMPIONS OF FREEDOM

William Harris Wharton

Diplomat and Defender of Texas Independence

In just 14 years, young William H. Wharton made a giant's mark on the pages of Texas history. as lawyer, pioneer, planter, soldier, statesman and patriot. Born in Virginia, in 1802, Wharton came to Texas in 1827, married Sarah Ann Groce, daughter of another pioneer, and established the beautiful and historic plantation, Eagle Island. As one of the colonists party demanding of Mexico separate statehood for Texas, Wharton opposed the conservative policies of Stephen F. Austin. The provisions of 1812, asking for statehood, was a document which has become a political classic. Wharton was its author.

But when the territory was faced with the actual fight for freedom, Wharton and Austin forgot their enmities of earlier years in devotion to the cause to which both were dedicated. Wharton supported Austin in his campaign for presidency of the Republic. Sam Houston, the victor, then appointed Austin Secretary of State and Wharton the first Minister to the United States. Through the young Minister's diplomatic skill, the Republic won U. S. recognition on March 3, 1837. But only two years later Texas lost the distinguished services of William H. Wharton. The accidental discharge of his own pistol sended a brest but brilliant career in the cause of freedom.

Today Texans still demand and get their right to choose the was they want to live. In this vigorous and freedom-minded homeland . . . "Beer Belongs" and this is why the United States Brewers Foundation works constantly, in conjunction with brewers, wholesalers and retailers, to assure the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of Texans, the Foundation stresses close cooperation with the Armed Forces, law enforcement and governing officials on its continuing Self-Regulation program.

DALE SERVICES HELD FRIDAY

Funeral services for Milam Lacey Dale, age 75, who died Wednesday of last week, were held in the Smith Funeral Home in Kerrville at 4:30 with Rev. Carolyn E. Morgan, officiating. Burial was in the Nichols cemetery.

Dale was a resident of Kerrville for many years, but had moved to Camp Wood about thirty days ago. He had beer engaged in ranch work. He was a member of the Pentecostal church.

Survivors include his wife, Mrs. Lena Dale, of Camp Wood; a daughter, Mrs. G. Wilson, San Antonio; four sons, George J. Dale, all of Camp Wood.

Pallbearers were A. B. Reed, L. C. Hinds, Jake Click, Amos Weed, Howell Keese and Sam Sutton.

FIRST STATE BANK IS BEING REDECORATED

The First State Bank of Bandera is being completely air-conditioned and re-decorated this week. The interior has been painted a soft restful green and new plate glass windows and door have been installed.

RAINFALL AT STATION C

Mr. and Mrs. Frank Martin Jr., are making their home in Austin where he is employed. Mrs. Martin will be remembered here as Miss Peggy Anderwald, daughter of Mrs. Virginia Anderwald.

CASES IN JUSTICE OF THE PEACE COURT

Cases tried by Justice of the Peace William Aberg during the last week included: Samuel J. Woodward Jr., failure to control speed, fined $10 and costs; Phillip E. Burgett, failure to control speed, fined $10 and costs; Robert F. Haley, no drivers license, fined $5 and costs; Mrs. Gypsy Graham, allowing son to drive without license, fined $5 and costs; Tom Henry Stevens, drunk in public place, fined $10 and costs; Sammie A. (Slim) Stevens, drunk in a public place, fined $10 and costs; W. Esquivel, drunk on highway, fined $10 and costs; Thomas E. Burrows, Wallace Barron, Robert Gladden, Jewell C. Countryman, W. D. Purvis, Luther B. Boswell Jr., T. J. Crowley, Donald Ray Crowley, each fined $10 and costs for having no fishing license.

MR. AND MRS. JACK PRESTON WILL OPEN BOYS CAMP

We were pleased to have a visit Tuesday from Mr. and Mrs. Jack Preston of Utopia when they were attending to business and called at the Bulletin office.

Mr. and Mrs. Preston are making plans to open their Camp Buckaroo, a Western Camp for Boys, with a limited enrollment, very soon.

The camp will offer fishing, horseback riding, archery, soft ball, camping, life saving, swimming, craft work, riffery, volley-ball and wildlife study. It is located in a very picturesque spot in the hills and will be an ideal place for a youngster to spend his summer.

Joe Hunter Short returned late Saturday from a two week's tour of Reserve Duty with the U. S. Army in Louisiana.

BOB EVEREST FAMILY WILL LEAVE BANDERA

This community will be very sorry to see the nice Bob Everest family leave Bandera when Mr. Everest goes to Houston to assume his duties with a major construction company. Mr. Everest will have Houston as his headquarters though he will be working in Midland and Odessa. His family will remain here for the present time and join him later. Mr. Everest has been the manager of the Frontier Hotel for the past few years and has made hundreds of friends in the Hill Country, who will regret to see him leave the community.

Mr. and Mrs. Stanley Callahan and children are here visiting relatives and friends. Mr. Callahan is making plans to spend two months in Alaska where he will be employed.

Robert Thalmann is spending the summer at home and has accepted a position with Horsman Motor Company. He will return to Texas A&M College in the fall to resume his studies there.

STARLIGHT PLAYHOUSE CAST PRESENT SPLENDID PLAYS

The Starlight Playhouse, a comedy team straight from Hollywood, is shown here following the presentation of one of their very fine, hilarious comedies at the Mayan Dude Ranch Summer Theatre. Chet Smith, Jean Murray, Norman Andrews, Nola Thorpe, James Kenedy and Lagene Guy, have been playing to good crowds in the wonderful open air amphitheatre for the past few weeks. They are enjoying their stay in the Hill Country and are having a fine time meeting the people here.

Last Sunday night the group presented "Educating Eve" and starting this coming Sunday night, July 5, they will add to their repertoire "Josey's Rope" and "Are You a Monkey."

The plays are delightful and well worth your time to see them and enjoy a pleasant evening in enchanting surroundings. New, interesting and happy comedies will be staged until September 7.

MEDINA CHILDREN'S HOME DISCUSSES MONEY RAISING

A very enthusiastic and congenial group of business men and ladies met Tuesday night at the Fee's Cafe in Medina, following the regular meeting of their Rotary Club to discuss raising money to retire the debt on the Medina's Children's Home property.

Some time ago the citizen of Medina got together and purchased the famous Castle Rock Ranch for the purpose of making it into a Children's Home for children who needed a home. No delinquents, just children in need of a place to live. Children from broken homes, from homes that cannot provide a living or education for them.

This group of fine citizens have already raised something like $25,000 for the Home, but need $35,000 to complete paying for it. The next payment is due in September in the amount of about $7,000. This amount is to pay off the indebtedness on the property and not for use to finance operations of the Home itself.

Any contribution will be most gratefully received, large or small. Checks and donations can be sent to: Finance Committee, Medina Children's Home—Payment, Box 201, Medina, Texas.

The Home is now being supported by churches of Christ. There are eleven boys and girls from ages 6 to 16 living there now. Recently a registered nurse has been hired and the children are happy and well cared for. The Home is thriving under the direction of Brother Bill Pugh, as superintendent. The Home is located in a beautiful and picturesque part of the Hill Country between Medina and Kerrville. Plans are being made to construct Cottage No. 2 and funds will be raised among churches and friends of the churches of Christ. The cottage units are built like homes, with a house mother and father. The Children' Home is the only one of its kind in Texas where teen-age boys and girls are housed in the same unit. The purpose of placing the children in the home units is to give them the right home atmosphere, to provide a Christian home and Christian environment and to teach them responsibility and give them a well balanced life from day to day.

The Home is being conducted in the utmost harmony with the entire tetchings of the New Testament and aimed at leading such children as may be cared for therein, to complete devotion to a life of good citizenship in the Kingdom of God and the United States of America.

James A. Gallant, Medina, presided at the meeting of the finance committee Tuesday evening, which was attended by Shannon Seale, Vernon Williams, Hough Lesourgeon, Paul Garrison, Will Hatfield, Leonard Whitehead, Royce Baker, Orville Wier, Jim Daugherty, Corkey McHaney, Buddy Hubble, Ray Melton, John McHaney, Brother W. R. Swinney, Lee Smith, Allen Keese, A. J. Flowers, Floyd Mayfield, Mrs. Maude Stokes, Miss Vivian Keese, Mrs. Goldie Carpenter, Mrs. Hoyese Grobe, Mr. and Mrs. John Fee, Mr. and Mrs. Jake Adams, Mrs. John Saul, C. A. Braun, Rev. Elbert Adams, L. D. Chandler, Archie Callant, Ben Adams, B. H. Stokes.

It is deeply gratifying to see this fine group of citizens working so earnestly for their community, and the wonderful progress they make in every undertaking.

Mr. and Mrs. Fred Briggs have returned from a delightful trip to New York where they visited their son, Fred Briggs Jr., and family. They also visited in Canada while in that area.

LAST SERVICES TO BE HELD IN OLD METHODIST CHURCH

According to B. C. Eleenor, on next Sunday, July 5, the last services will be held in the old sanctuary of the Methodist Church here. The next day will see the beginning of construction of the new sanctuary. Because the old building holds such fond memories, many people have asked to know when the last services would be. In response to these requests a Special Day has been planned for this occasion.

The program will include a special, worship service at 10:50 a.m. There will be the singing of old hymns and reviewing the history of the church. At 12 noon, a picnic or covered dish dinner; and evening worship at 8 p.m.

All friends and members from far and near are invited to come and worship and to bring a picnic dinner for a time of fellowship on this eventful occasion. Some may want to bring cameras for a last picture. This will be the last opportunity to share memories of the old church.

MINISTER BILL PUGH TO SPEAK AT MEDINA CHURCH OF CHRIST

Beginning on July 9 and continuing through July 12, Brother Bill Pugh, will conduct evangelistic services at the Medina Church of Christ. Services will be held each evening at 8 o'clock. The public is cordially invited to attend.

Ms. Pugh is currently serving as superintendent of the Medina Children's Home, which is located on the former Castle Rock Ranch between Medina and Kerrville. He is a speaker of note and has appeared on the church of Christ panel on television Sunday mornings at 9 o'clock over Station WOAI-TV.

HAYES PATE FORMER BANDERAN SUCCUMBS

Many old time residents of Bandera will be grieved to learn of the death of Hayes Pate, a former Banderan, who died on Tuesday, June 23, 1959, in Oklahoma City. A resident of Pampa, Mr. Pate had been in the hospital in Oklahoma when his death occured.

He was the son of Mr. and Mrs. Jim Pate. The elder Pate was a blacksmith in Bandera for many years.

Mr. Pate is survived by his wife and one daughter of Pampa; two brothers, Hayden Pate and Edison Pate, of Dalhart.

Funeral services were held in Pampa on June 25.

Mr. Pate was the nephew of Miss Estelle Harris of this city, to whom we extend sincere sympathy in the lose of her beloved nephew.

FREE SWIMMING CLASSES WILL OPEN MONDAY

COACH TATSCH RESIGNS TO ACCEPT EAGLE PASS POST

Roger Tatsch, popular Bandera School basketball coach, has resigned to accept a position as "B" Coach at Eagle Pass. Mr. Tatsch has been with the Bandera School system for the past two years. According to Superintendent Marvin C. Schnelle, the vacancy has not been filled.

Four new teachers have been employed by the Bandera School for next year. John R. Rimmer will teach science in High School. Mr. Rimmer has a bachelor of science degree from McMurry College. He has also attended Montana State University. Presently he is employed as a civilian flight instructor at Gary Air Force Base in San Marcos.

Mrs. Patsy Rimmer will teach homemaking, she will replace Miss Ada Pierson, who resigned to marry. Mrs. Rimmer received her bachelor of science degree in homemaking from Southwest Texas State College. She also attended McMurry College. She is presently employed as County Home Demonstration Agent for Caldwell County.

Mr. and Mrs. Rimmer have an eight year old daughter.

Cecil Graves, with a bachelor of arts degree from Southwest Texas State College, will teach social studies in grades seven and eight. Mr. and Mrs. Graves have a young son. They will live in the Fitzgerald Apartment.

Charles Graves will teach one section of the fifth grade. He received his bachelor of science degree from Southwest Texas State College this spring.

Charles and Cecil Graves are brothers, who ranked in the top quarter of their classes. Both have been honored with scholarships and scholastic awards.

Our WASHINGTON Letter

By Congressman O. C. FISHER

Last week the House approved a conference report, previously also cleared by the Senate, on a mammoth housing bill, described by observers as a real budget-buster. It may be vetoed.

The $3.1 billion measure (erroneously reported in the press to cost only $1.2 billion) was more than three times the size of the President's recommendation. It okays 190,000 additional public housing units. These units cost the taxpayers $40 each per month for 40 years in subsidy. The federal subsidy for this public housing will total $2.7 billion. We already have a half million units.

For good measure the bill removes the present ceiling on what the Public Housing Administration can make and still be eligible to enjoy the subsidized rentals each month —that is, having part of the rent paid by the government each month even though the tenants may, under this new philosophy, make $10,000 a year or more.

This new policy gets away from the principal of housing for the needy, and would put Uncle Sam further and further into the field of housing which when not related to need is a form of state socialism. And if it becomes law will put the government deeper and deeper in the red.

A recent report by congress condemns the Secretary of Labor for proposed regulations under the Wagner-Peyser Act, which would require farmers to inspect all agricultural employment to submit to regulation and control by the Department over farm housing, transportation, wages and hours, and related matters. This action, contained in an appropriation bill report, directs that no funds be used to carry out any such proposal by the Secretary.

This is a victory for farmers and ranchers, if the Secretary abides by the words of the report. It is believed he will hesitate to do otherwise.

Among visitors in Washington last week were Emzy Swain of Eden and District Attorney and Mrs. Douglas Newton and Cecil Adams of Del Rio. Swain was here to receive a certificate emblematic of his service as an Honorary Member of the Lincoln Sesquitennial Commission. Newton attended to business in the Nation's capitol.

LITTLE MISS VIVIAN SCHMIDT CELEBRATES FIRST BIRTHDAY

Little Miss Vivian Ann Schmidt, daughter of Mr. and Mrs. Johnie E. Schmidt, celebrated her first birthday Tuesday evening, January 22. Her grandmother, Mrs. Paul Laskowski, also celebrated her birthday with the little one.

Vivian Ann had a host of little friends to enjoy her party and she received many useful and entertaining gifts.

Cake, punch and ice cream was served to the honorees, Vivian Ann Schmidt, and Mrs. Paul Laskowski, grandfather, Paul Laskowski; Mr. and Mrs. John W. Schmidt, grandparents; Mr. and Mrs. Albert Jureczki, great - grandparents; Cathy and Harvey Stratton of Hobbs, New Mexico; Mrs. G. W. Ender, Mrs. Charles Cook and children, Douglas, Debbie and twins, David and Darlene, of Corpus Christi; Ada Ender, Major and Mrs. Carl Blodgett and daughters, Peg and Pat, Mr. and Mrs. Luther James and son, Howard Lee, Edward and Tommy Laskowski, uncles; and the parents, Mr. and Mrs. John E. Schmidt.

Friends here will be sorry to learn that Lonnie Clayton left early Tuesday morning for Temple where he will undergo treatment. Mr. and Mrs. Clayton have been guests in the home of Mrs. H. V. O'Bryant for several weeks.

VANDERPOOL

Funeral services for G. W. Tressie (Tinnie) Lee Lowe, age 68 years, of 602 Alter, San Antonio, were held Monday, June 29, at 3 p.m., in the Vanderpool cemetery. Mrs. Love died at her home on June 28. She was a member of the Methodist Church. Survivers include her husband, R. T. Lowe; one daughter, Mrs. M. E. Klein; sons, R. S. Love, of San Antonio, and Kenneth Love of Eldorado; five grandchildren and one great-grandchild.

Miss Helen Herbin of San Antonio spent the week-end in the home of her brother, Paul Harbin.

Mr. and Mrs. Gus Benfur and Betty Lou of San Antonio visited in the home of her mother, Mrs. Martha Tampke, Sunday.

Station C had 13 inches of rain last week, Vanderpool about 12 and about six inches fell on Little Creek. The rains came in time to help the ranchers and farmers.

Mrs. Charley Danner died Monday at her home and was buried in the Jones cemetery. She is survived by her daughter, Mrs. Ilene Morgan, her sister, Mrs. Thurman Massey and brother, Emmett Wilson.

Clyde Long went to Oklahoma last week to see his mother, who is seriously ill. He also learned that his twin brother's wife, Mrs. Claude Long, of California, had suffered a stroke and is seriously ill in a hospital there.

Mr. and Mrs. Louis Sonnen have moved their last load of furniture to their home, the former Jimmy Stelzer place.

Visitors in the W. F. Cornelius home last week-end were Mr. and Mrs. Doyle Cornelius and family of Leakey and Mrs. Ruby George and children of San Antonio.

The Pony League and the Little League were defeated by the D'Hanis teams last Tuesday in the Utopia Park.

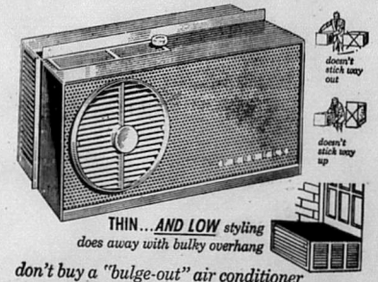
MR. AND MRS. RYAN RETURN FROM VACATION

Mr. and Mrs. J. E. Ryan returned last week from a delightful vacation in cool Colorado. While they were away their son, Eddie Don, conducted their thriving Red & White Store.

HOT ROLLS AND COLD CUTS— UNBEATABLE SUMMERTIME COMBINATION

Even when the temperature is 90 in the shade, most of us homemakers find that our families want something hot along with that standard meal of cold cuts and salad. And hot rolls invariably win the nod.

And do you know that you can make your very own yeast-raised rolls for supper in just a little over an hour? It sounds impossible, doesn't it? It used to be, but with this new quick recipe, it's true. The secret is active dry yeast and biscuit mix, combined with water. The mixing and kneading time has been cut down to nothing. And the best thing of all is that these home made hot rolls give that short-cut cold meal a real appetite appeal, especially when you make these rolls with a sharp cheese flavor.



CHEESE POCKET-BOOKS

¼ cup warm water (not hot—105° to 115°)
1 package active dry yeast
2½ cups biscuit mix
1 tablespoons melted butter
Cheddar cheese

Dissolve yeast in warm water. Mix in biscuit mix. Beat vigorously. Turn dough onto surface well dusted with biscuit mix. Knead until smooth, about 20 times. Roll dough into circle about ¼" thick. Cut into rounds with 2½" cooky or biscuit cutter. Grease circles with dull edge of knife to one side of center. Brush with butter. Put small slice of Cheddar cheese on smaller half. Fold larger side over smaller side so edges just meet. Place on greased baking sheet. Cover. Let rise in warm place (85° F.) 45 minutes to 1 hour. Bake at 400° F. for 10 to 15 min.

It's The Law IN TEXAS . . .

Declaration of Independence Reflects Basic American Principle

What do we mean when we say that in the United States we have a government of law" and not a "government of men"? Basically we mean that we have certain individual rights, guaranteed by our federal and state constitutions and laws, which may not be denied by any governing body.

The early American colonists had their fill of government by men, and the Declaration of Independence, signed 183 years ago, set out their complaints against that type of government and revealed their belief in a principle which we now accept as basic to our American way of life.

The indictments set out in the document against King George III of Great Britain charged him with numerous violations of that principle. Among the complaints enumerated are the following:

"He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people."

"He has obstructed the administration of justice, by refusing his assent for laws for establishing judiciary powers."

"He has made judges dependent upon his will alone, for the tenure of their offices, and the amount and payment of their salaries."

"He has refused his assent to laws, the most wholesome and necessary for the public good."

"He has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his assent to their acts of pretended legislation: . . . For depriving us, in many cases, of the benefits of trial by jury; For transporting us beyond seas to be tried for pretended offenses; . . . For taking away our charters, abolishing our most valuable laws, and altering fundamentally the forms of our governments; . . . For suspending our own legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever."

Our forefathers who subscribed to the principles of the Declaration of Independence were willing to fight for their beliefs. The Revolutionary War followed, dragging through weary years of suffering and suspense. Each of us takes pride in their eventual triumph over gigantic obstacles.

In 1787, when the framers of our Constitution met at Independence Hall in Philadelphia, where the Declaration of Independence had been signed 11 years previously, they set to work to create a system of checks and balances in government which was to perpetuate the fundamental liberty mentioned in the preamble of the earlier document:

"We hold these truths to be self-evident: That all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty, and the pursuit of happiness.

"That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed. . . ."

Some 5 years later, the first ten amendments to our Constitution were adopted at one time, specifically detailing various basic civil rights stemming from the underlying theory of the Declaration of Independence.

Our courts day by day guard these rights for us.

BANDERANS ARE ATTENDING AUTO FRIO ENCAMPMENT

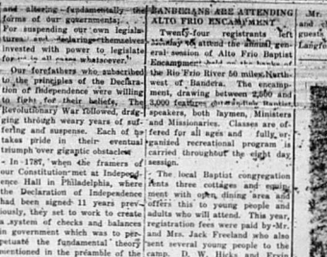
Twenty-four registrants left Tuesday to attend the annual general session of Alto Frio Baptist Encampment held on the banks of the Rio Frio River 50 miles Northwest of Bandera. The encampment, drawing between 2,000 and 3,000 families, gives Bible teachers, speakers, both laymen, Ministers and Missionaries. Classes are offered for all ages and fully organized recreational program is carried throughout the eight day session.

The local Baptist congregation rents three cottages and equipment with open dining area and offers this to young people and adults who will attend. This year, registration fees were paid by Mr. and Mrs. Jack Freeland who also sent several young people to the camp. D. W. Hicks and Ervin Hardin as well as others assisted with the expense of the camp in operation.

Bandera camp was set up by J. E. Brown and Dan Callahan who transported the equipment to Alto Frio with their trucks. Assisting were Richard Braden, Sheriff Muktar and Dickie Evans.

Mrs. Raymond Hicks is camp Sponsor assisted by Mrs. A. A. Jeffers, Pastor and Mrs. Reynolds. They provided transportation as did D. W. Hicks and Ervin Hardin.

Attending the encampment are, in addition to the sponsors named, Jeanibe Hicks, Ruth Brown, Carole Hardin, Jean Daniels, Charmin Hicks, Jamie Sue Nixon, Sharon Starling, Carolyn Wright, Patricia Johnson, Nancy Johnson, Jan Edwards, Margaret Brown, Hope Sanchez, Richard Braden, Elmo Jaye, Howard Hicks, Dickie Hicks, Michael Matthews, Dickie Evans and Sherif Muktar.



The encampment closes July 5.

Mr. Tax-payer:
Which of these pipes will your city use?
Texas-made Lone Star cast iron pressure pipe will last over a hundred years!

The use of cheap substitutes, such as foreign-made cement-asbestos pipe, is wasteful and means probable replacement in a very few years. (This pipe was taken from a Texas city's water system. Photo is unretouched.)

Officials of most Texas municipalities know that when they buy and install cast iron pipe they are helping to support the American economy and the high standard of living we all enjoy. They are buying products made in America for use by Americans. They are not fooled by the slightly lower initial cost of foreign goods because they realize that this "paper savings" will be more than offset by the cost of excessive maintenance.

Domestic cast iron pressure pipe is time-honored, centuries-proved, and is backed by strong, resourceful American companies that will be in business for years on end to guarantee their product.

Really, who backs foreign-made pipe? Who answers for it when it fails? To whom will the few all-advised pipe-buyers look for the answers to these questions when trouble develops? Were they penny wise and pound foolish?

Take a look at some of these important factors back of the initial price tag, then pick up the telephone and call the first city official you think of and tell him you appreciate his good judgment in buying American-made cast iron pipe with your tax dollars. If he has been buying Lone Star pipe, tell him that we, too, appreciate the business!

Cast iron pipe, such as Lone Star's dependable pressure pipe, will last for over a hundred years. It saves millions in tax dollars by eliminating repeated repairs that are inherent in cheap, foreign-made substitutes. Lone Star pipe bears the "quality check" of the Cast Iron Pipe Research Association and the approval of Underwriters' Laboratories, Inc.

GUEST RANCHES LISTED IN DUNCAN HINES GUIDE

The Dixie Dude Ranch, Flying L. Dude Ranch, Lost Valley Resort Hotel and Ranch, Mayan Dude Ranch, have received national recognition in the new 1959 edition of Duncan Hines "Vacation Guide" just off the press and in time for the summer vacation season.

They are the only resorts in the Bandera area, among the 1700 vacation places in the U. S., Canada, Mexico, the Caribbean and Bermuda "Recommended by Duncan Hines."

Roy H. Park, executive editor of the Duncan Hines Institute, Ithaca, New York, the publisher, said, "we are happy to give recognition to these establishments by including them in a selected group. Each establishment listed is one of about 10 in a hundred. Our listings represent only 10 per cent of the total in this part of the world."

"Predicting the greatest vacation season in history, Park said "vacation travel should increase by 10 to 12 per cent this year over last year."

Complete with a new full-color cover the 416-page travel guide—now in its 15th printing—is "the largest and most comprehensive edition we have published," he reported.

"We revised this newest edition," Park explained, "so that anyone using this book could plan a vacation right in their own armchair, with all the facts they need before leaving home. We believe the only way to get full pleasure and relaxation out of a vacation is to plan in advance with the whole family.

"A special effort was made" he said, "to offer variety in the choice of specific resorts—for summer or winter, roughing-it or dress up, and for every size of budget.

"We also list," Park added, "the specific recreational facilities on the premises of the resorts. Wherever possible we have described whether the resorts cater, for example, to families or the single set. Of course, we have included every bit of necessary information for the detailed planning such as location, address, telephone number, reservation requirements, seasons open and rates.

"To give the vacation-planner all the facts and figures in one compact guide book," he stated, "there are regional, state and area descriptions. Included is such information as climate, rail and air transportation, geographical location, historical and sightseeing points of interest and principal industries. In this edition the United States is divided into nine vacation regions, the new addition being the Pacific Ocean states—Alaska and Hawaii."

Although the book contains more pages, more listings, more vacation areas and more pertinent information than ever before, Park noted, the retail price remains the same—$1.50 per copy. The book is on sale at bookstores, department stores, many of the places recommended by Duncan Hinds—or it can be ordered direct from the Duncan Hines Institute, Ithaca, New York.

NEWS

County Agricultural Agent Texas A. & M. College Extension Service

Leptospirosis (Lepto)

Clearfield (Lepto) is present on several ranches near Bandera. Several blood samples were sent off to be tested and the reports came back positive.

The cows from which the samples of blood were taken had stillborn calves several weeks ago. If a cow has lepto they will usually loose their calf, about two weeks after the infection.

Lepto is contagious, the germ can be carried downstream easily. It will also spread through fences with livestock coming in contact with one another.

Lepto can cost a calf crop for a rancher, if he does not vaccinate his or her cattle. I would advise everyone who has had cows to abort recently to have the cow tested or vaccinated. The vaccine can be ordered locally through the drug stores. The vaccination gives you all effects to the cows. It takes 6ec for a dose which is good for one year.

Cattle Numbers and Price

Cattle numbers in the United States increased by 3,500,000 from January 1, 1959 to January 1959 and total for the nation on last January 1, stood at 96,851,000 head, said John C. McElroy, extension economist. Most of the inventory increase was in young beef stock. For example, beef heifers over 750,000 head increased 1.3 million, however, milk cows were off 600,000 head, leaving the total cow increase at 700,000.

A big expansion in beef production for the market of 1959 or 1960 is not expected because cow numbers are not large. They are still two million below 1955 and this is favorable from a price standpoint. The calf crop this year will not be large enough to bring about a great increase in slaughter in 1959.

The outlook for fairly stable slaughter and prices in 1959 is based on favorable range and pasture conditions. Prices during the rest of 1959 should reflect good, says the economist.

Creep-Feeding Beef Calves

In 47 closely controlled experimental projects, it was found that it took an average of 950 pounds of creep feed for 100 pounds of gain. This figure will come pretty close to the average over a period of years in any county.

This information is published in a revised, publication, B-792, Creep Feeding Beef Calves. This publication also gives the advantages, rations, when to market, slaughter calves and feeder or stocker calves that have been on a creep.

This information is available at your county agent's office.

SCHEDULE OF VISITS BY SOCIAL SECURITY REPRESENTATIVE

A representative of the Social Security Administration will be at the office of the County Judge in the County House on the following dates: Friday, July 17, 1 p.m.; Friday, August 14, 1 p.m.; and Friday, September 11, at 1 p.m.

An appointment may be made, or information may be secured by mail from the following address: Department of Health, Education, and Welfare, Social Security Administration, 309 Dwyer Avenue, San Antonio 5, Texas.

MISS WOOL WILL BE CHOSEN IN SAN ANGELO AUGUST 28

On the evening of August 28 in San Angelo, Texas, some lovely, talented—and very fortunate—young lady will be crowned "Miss Wool of America" of 1960, chosen from 20 girls representing as many Sheep Council Areas, and will reign as Queen of the "Wool World."

Contestants will arrive in San Angelo on August 23 by plane and will immediately be swept into a gala whirl of social and recreational activities which are to include the spectacular Miss Wool Parade, and the Miss Wool Ball. Water sports, breakfasts, luncheons, dinners, will all be a part of the schedule of the "Wool Royalty." Escorts for the finalists will be officers of the United States Air Force.

All this at no expense to the contestants whatsoever, except the cost of photographs submitted for pre-pageant publicity purposes—and these will be returned upon request.

Finalists must be between the ages of 18 and 25 inclusive; wear a size 12 garment be at least 5 feet, 4 inches, and not more than 5 feet, 8 inches tall without shoes; be a high school graduate or have credit; be in good health; agree to model before an audience or judges, garments, accessories, and hair; be prepared to give a short talk on, and be able to answer questions about wool.

"Miss Wool of America" for 1960 will receive a wardrobe valued at approximately $15,000. In her capacity as official ambassadress of the wool industry she will travel extensively, spending three weeks on each the East and West coasts.

Entry deadline has been set as July 15. Contestants desiring to enter the pageant should contact the "Miss Wool of America" Pageant, San Angelo, Texas.

PAT D'SPAIN HAS BIRTHDAY PARTY

Little Pat D'Spain celebrated his third birthday with a party on June 28. It was given by his parents, Maxwell and Mrs. Willard D'Spain, in San Antonio.

Refreshments consisting of a beautifully decorated birthday cake, gingerbread boys and fruit punch, were served to the thirty-five attending guests.

One of the highlights of the party was a little red farm house from which each child drew a surprise package. Each package contained balloons, candies, and a boat or a telescope.

Little Pat received an assortment of nice gifts and everyone present had a gay time.

BRUCELLOSIS HEARING SET

Fort Worth—A public hearing on proposed regulations for administration of Texas' new brucellosis eradication law will be held at 10 a.m. July 14.

Dr. D. R. Noyes, Fort Worth, executive director of the Texas Livestock Sanitary Commission, announced the hearing.

Dr. Noyes said copies of the regulations are now being posted in the county courthouses in Texas.

Persons who are opposed to all or part of the proposed regulations may appear at the hearing and voice their objections.

The law, passed during the last regular session of the Legislature, provides for two programs, calfhood vaccination and area certification.

After the regulations have been approved, cattle owners of a county may petition the Livestock Sanitary Commission for establishment of a brucellosis eradication area.

JUDGE ATKINS, NEW DISTRICT BAR DIRECTOR

John S. Atkins, of Kerrville, well-known Hill Country attorney, is the incoming District Bar Director. He will take office following a Dallas meeting of the Texas State Bar this week.

During the Dallas convention, Dr. Wernher von Braun, international missile and space expert, will deliver the main address. Von Braun will discuss legal implications involved in space travel and space problems.

Mr. and Mrs. Dale Dean of San Antonio visited here last weekend.

Mr. and Mrs. Johnny Lewis and daughter of Kingsville were guests of Mr. and Mrs. J. P. Mazurek last week-end.

Mr. and Mrs. Fred Briggs, Mr. and Mrs. A. W. Huseby, Mr. and Mrs. Russell Blair, Col. and Mrs. George Harris and Mrs. George Howland went to Honda Monday night to attend the dedication of the new Episcopal church there. Mr. Blair has served as lay reader in the Hondo church for several years.

Mr. and Mrs. Ted Nesky spent last week-end in Odessa as the guests of their son and wife, Mr. and Mrs. Teddy Nesky, in their pretty new home.

Miss Minnie Teel of Houston, Texas, Mrs. H. T. Roberts and Judy of Groves, Texas, have been house guests in the E. R. Teel home during the past week. Miss Teel and Mrs. Roberts are sisters of Mr. Teel.

Mr. and Mrs. Edgar Johnson, of Lemon Grove, California, have been visiting their son, J. B. Word and other relatives in and around Bandera for several weeks. They attended the Utopia rodeo where they met several of their old friends, but many have passed on. The Johnson's are pioneers of the Sabinal Canyon, having lived at Vanderpool and later owning and operating a ranch on the West Sabinal. They were glad to see Utopia growing and looking so good, also the Canyon never looked more beautiful. Mr. Johnson visited his home town of Johnson City. His father and uncle owned and operated a store before there was a town there. Later his uncle donated land for the town-site. Old buildings are still standing that was there when Mr. John-son was a boy.

GOLDEN AGERS ENJOY LOVELY PARTY

The Golden Agers were entertained on Thursday of last week with a lovely party in the education building at the Bandera Methodist church, when hostesses were Mrs. Roland Thallman, Mrs. John-ny Cox, Mrs. J. E. Ryan and Mrs. Ted Nesky.

Mrs. C. H. Langford presided at the piano while Mrs. Leland Caffall directed the group singing of old familiar hymns.

The refreshment table was laid with a white cloth and centered with a very lovely and effective centerpiece of pink oleanders arranged in a milk glass bowl. Cookies, strawberry sherbet, iced tea and coffee was served.

The group included Mrs. Walter Rees, Mrs. Annie Reinarz, Mrs. Mary Langford, Mrs. Wiley Meadows, Mrs. Judith Baker, Mrs. A. C. Habenicht, Mrs. Nettie Kinsey, Mr. and Mrs. Robert Brown, Mrs. Lena Schott, Mrs. Leland Caffall, Mrs. C. H. Langford, Rev. David Stewart and the hostesses.

MR. AND MRS. ROBERTS AND DAUGHTERS ATTEND BAR MEET

Mr. and Mrs. Glendon Roberts and daughters, Aleta and Jeannah, are in Dallas this week attending the 77th Annual Texas Bar Convention.

Convention headquarters will be at the Adolphus Hotel. The Dallas Bar Association has prepared interesting legal institutes and gala entertainment for the lawyers of Texas and their families.

Mrs. Forest Stevens visited Mr. and Mrs. Karl Moore in San Antonio last week and her oldest grandson, Wesley, came home with her to stay a week.

Mr. and Mrs. Edgar Johnson, of Lemon Grove, California, have been visiting their son, J. B. Word and other relatives in and around Bandera for several weeks. They attended the Utopia rodeo where they met several of their old friends, but many have passed on. HORSE RACES FEATURE OF "4TH TIME OUT" FETE AT FREDERICKSBURG

A genuine "old-time 4th of July celebration" has been scheduled at the Gillespie County Fair Grounds in Fredericksburg for July 3, 4 and 5.

Horse races will be each afternoon's feature attraction, but there will also be thrilling baseball games, brass band music and other features.

Raising of the new 49-star United State flag will be a feature of the afternoon of the July 4. State Senator Louise Cramp of San Saba will deliver the address after which Boy Scout troops will raise the new flag to the band's playing of the National Anthem.

Another new feature for the 4th of July will be a horse show, approved by the American Quarter Horse Show Association. A large number of trophies are to be awarded in halter classes, reining and barrel racing events. The show, set for the morning of Independence Day, already has many entries and will probably become an annual feature of the Fredericksburg July Celebration. Fair President Gilbert Eckhardt says.

Cash purses are being offered for the daily racing programs which are to include six purse races, plus matched features, according to Racing Chairman Calvin Bierschwale. The half-mile racing oval at the Fair Grounds has been placed into top condition and many fine races are anticipated, running in distance from 220-yard sprints to the annual one-mile and 70 yard Independence Derby which is set for the final day.

Cordial invitation is extended for the grand celebration which packs a lot of entertainment into each of the three days of July 3, 4, and 5 at Fredericksburg.

SUMMER THEATRE BETWEEN ENGRAM AND HUNT OFFERS ENGLISH PLAY

"Reluctant Debutant," the second production of the Point Theatre, will open Wednesday night, July 1. The comedy which will run through July 12, is based on the activities of two London socialites as they attempt to wangle the same young man for their daughters.

Betty Mulders of Houston plays Lady Broadoak and Alice Ainsworth of Schreiner Institute and Bandera Elementary School plays Lady Crosswaite, with supporting cast.

Performances in an open air theatre open each evening at 8:30.

POINTERS FOR A HAPPY FOURTH OF JULY WEEK-END

Here are a few "don'ts" for Texans celebrating the Fourth of July, 1959, compiled by the Texas Department of Public Safety:

1. Don't drink while driving, boating or swimming. Alcohol produces drowsiness much quicker in hot weather and slows reactions.

2. Don't "show off" in a car or boat. The expert professionals shun this sort of thing.

3. Don't drive "part time." A distracted or inattentive driver cannot cope with situations because he is not ready for them.

4. Don't allow picnic food to get hot before mealtime. Spoiled food can result in painful poisoning and could be fatal.

5. Don't stay unprotected in the sun for more than 15 minutes. Tender skin will burn quickly under a July sun.

6. Don't be careless with fireworks. Even so-called harmless sparklers and Roman candles have caused serious burns.

7. Don't go boating without a life preserver and don't swim away from the group. Even the best swimmer can panic.

8. Don't be a "statistic." There really is no reason to hurt yourself while having a good time.

MRS. LANGFORD ENTERTAINS BIRTHDAY CLUB

The Ladies' Birthday Club met in the home of Mrs. Mary Langford on June 25th. After a pleasant social hour a prayer was offered by Mrs. A. V. Pue. We were asked to gather around the dining table which was lovely with a centerpiece of mixed gold, white asters and two beautiful cakes. One a birthday cake for Mrs. J. M. Hunter Sr., and all joined in singing "Happy birthday" to her.

Delicious refreshments were served to Mrs. Mada Dial, Mrs. Fred Mansfield, Mrs. W. E. Fletcher, Mrs. Stella Meadows, Mrs. O. H. Langford, Mrs. A. V. Pue, Mrs. Lora Hunter, Mrs. Mina Storms, Mrs. J. M. Hunter Sr., Mrs. Mary Langford, Mrs. C. H. Mansfield, Mrs. Rebecca Langford and grandson, John Pearce; Miss Zona Johnson and Miss Roberta Fletcher.

U. D. P. S. FORECASTS 26 PERSONS WILL BE KILLED

Austin—The Texas Department of Public Safety forecast today 26 persons will be killed in traffic accidents next week-end when the Fourth of July holiday creates one of the most deadly three-day driving periods of the year.

Col. Homer Garrison, Jr., Director, issued the grim prediction along with an urgent plea to motorists to "prove we have overestimated by maintaining unusual alertness to the added dangers of holiday traffic."

"Therefore, it can be said that the streets and highways of Texas will be potentially more dangerous during the celebration of Independence Day this year," Garrison said.

The Public Safety Director announced that "Operation Holiday" will be in effect starting at 12:01 a.m., Friday, July 3, until midnight Sunday, July 5. During this period all radar units available will be in operation, and the High-

...Patrol force will be augmented by some 125 additional patrolmen from the Texas Highway and Motor Vehicle Inspection divisions.

"We will do everything in our power to stem the rising traffic toll next week-end," he said, "but the main job belongs to the driving public, who must guard against dangerous driving factors such as speed too fast for conditions, drinking and driving, fatigue and just general inattention."

Garrison reminded also: "The fatality list, already nearing the 1,000 mark at mid-year's is shocking. But in addition we must remember the untold suffering of thousands of persons who are injured in highway wrecks in addition to the tremendous economic loss involved."

He pointed out that traffic deaths are up about 10 per cent over last year, with approximately 100 more victims counted to date.

This factor was taken into consideration by N. K. Woerner, Manager of the Statistical Services Section, in arriving at the estimate of 26 motorcides for the three-day holiday. Woerner reported that by coincidence, the average Fourth of July traffic death toll over the last eight years was 26. The highest toll for the three-day period was in 1954, when 33 persons were killed in traffic.

"In addition to the greater traffic hazard, July Fourth celebrations involve swimming, boating, picnicking and fireworks," Woerne noted. "Drownings, food poison-...

...lose and license are of high frequency during this period. To protect life and property, the public should be extra cautious in all their activities."

SOLVING MYSTERY OF JOHN WILKES BOOTH'S LIFE

Dorothy Ostrom Worrell

With the gift of a grasp of books to the Maverick County Public Library this week, Leslie Traylor writes "Finis" to a hobby of thirty years research on a still unsolved mystery. Mr. Traylor has used his knowledge and interest in history to develop a fascinating hobby; when he finds a piece missing in the jigsaw puzzle of events that is especially intriguing, he sets out on a one-man still hunt. He uses his insight into human nature to give him a lead and then he follows every possible clue to get a new angle. On more than occasion he has brought fresh data to light and proved to his own satisfaction the true course of events. Along the way he has picked up an amazing fund of information that is neatly pigeonholed in his mind for instantaneous use.

Leslie Traylor moved to San Antonio this week. It was in 1911 that he first came to Eagle Pass, as an employe of the International Coal Mines. The late Roy Hodges was manager of the mines at that time. Mr. Traylor took examinations for the Immigration Service here in May 1912, and was assigned to work in El Paso December 1, 1913. On November 28, 1924, he was sent to Eagle Pass and worked here until August, 1933. On July 1, 1943, he was retired while working in Brownsville and three years later he returned to Eagle Pass and has lived at the Dolch Hotel since May, 1946.

A native Texan, Leslie Traylor was born in Granbury but received his schooling in Dallas, where the family moved when he was seven. His father J. H. Traylor, was mayor of Dallas at one time. In 1880 his father was associated with a real estate company that developed Rockport as a resort city. The Traylor family spent many happy summers on the Texas coast.

In 1903 Leslie Traylor saw an article in a St. Louis newspaper illustrated with two signatures of John Wilkes Booth, assassin of Lincoln. One was written shortly before the crime, and one about 1900, thirty five years after his supposed death. They were sufficiently convincing to arouse Mr. Traylor's interest. He recalled the rumor that one John St. Helen, resident of Granbury, Texas, in the early '70's, had in reality been J. Wilkes Booth, and many years later an affadavit was found in his father's effect that threw new light on the mystery.

In 1931 Mr. Traylor made a trip to Memphis, Tenn., to interview the widow of Finis L. Bates, author of the biography and confessor of Booth. She related that J. Wilkes Booth had lived at Sewanee, Tennessee, working as a cabinet maker. The story goes that he was a favorite with the students of the University of the South for his clever yard tricks and his dramatic recitations.

Booth married a widow on February 25, 1872, under his own name. She was the daughter of a minister and the mother of a twelve-year-old son by former marriage. Before their child was born he deserted her. Their daughter, Laura Ida Elizabeth Booth, was in later years a frequent visitor of the Bates family in Tennessee.

John St. Helen had taught school in Bosque County, Texas, in 1869, and soon after the desertion of his wife he turned up in Hood County. He bought a saloon the latter part of 1872, or early in '73 in Granbury and sold it for a quick turn-over of cash. He repeated the process at Glen Rose, Texas, the same year and returned to Granbury at intervals. He spent much time on the Bill McDonald Farm on Paluxy Creek, Hood County. Sadie McDonald, who later married one Ryder and lived and died in Granbury, took lessons in dramatic reading from John St. Helen and it was common knowledge that he was J. Wilkes Booth.

Mr. Traylor had several interesting interviews in San Antonio with R. L. Cate, the last one being in December, '48. Robert Elder Cate, the father of R. L. Cate, had a grist mill near Dayton, Tennessee, on the Tennessee River. As a boy, the younger Cate remembered a man riding up to the house on a fine horse about 1875. He spent the night at their home, and he and his father talked late into the night. The next day when the stranger rode away, his father said, "There goes the man who killed Lincoln." He cautioned the boy never to reveal it, but the man's face was imprinted on the boys mind for life.

In 1886 R. L. Cate was visiting his uncle, James C. Cates, at his farm in Wise County, Texas. His uncle had a visitor and Mr. Cate recognized him as Booth. When he was gone, he questioned his uncle who said, "Yes, that's Booth." His uncle had never revealed Booth's identity even to his own daughter, however. In connection with this Cates farm in Wise County, Mr. Traylor has ascertained that Booth gave the farm to Cates for an old debt, the deed being executed August 1, 1876, in the name of J. G. Dodge, of Ennis. This shows that both Cates and Booth were residents in Ellis County in 1876.

R. L. Cate was to see the illusive Booth a third time. In 1901 he went to El Reno, Oklahoma, to draw for lands which he was taking up and one David E. George received his registration. The man recognized Cate after seeing his application and enquired for his family as any close friend of long standing might. Cate made no reference to his identity, but there was an understanding between them.

In 1903 "David E. George" committed suicide in Enid, Oklahoma, by taking strychnine. A friend who had been his confidant advised the authorities to investigate his true identity and Finis L. Bates was notified as the closest friend. It was at this time that he revealed the story of Booth's masquerade through the years since that fatal night in Ford's Theatre April 14, 1865 when he shot the president of the United States, Abraham Lincoln. After spending $50,000 in further research to corroborate his claims, Finis L. Bates published "The Escape and Suicide of John Wilkes Booth."

In the past thirty years Mr. Traylor has bought fifteen books relating to his search for the truth about Booth's death. He has copies of Booth's photographs, taken before the assasination and under the name of John St. Helen, in Glen Rose, Texas. They appear to be the same man. There is also a file of letters, originals and photostatic copies, of the voluminous correspondence Mr. Traylor has engaged in an effort to pierce the mystery. He has assembled a remarkable amount of information and hitherto unknown facts that could not fail to convince the most skeptical, if examined thoroughly.

On June 27 Mr. Trylor presented a number of books from his own shelves to the Maverick County Public Library. Among them is Stefan Lorant's magnificent volume, "Lincoln: His Life in Photographs". The concluding pictures give the story of Lincoln's assasination and resulting manhunt for J. Wilkes Booth. It is at this point that Mr. Traylor "parts company" with the accepted version. Patient interviews with people he has traveled thousands of miles to meet have enabled him to piece together the flight of the hunted man.

All but one photograph now taken of Lincoln are included in the volume. Mr. Traylor is now in the library. According to one of authentic photographs of three of the principals of the plot to assassinate Lincoln, in Mr. Traylor's possession, the picture given of Mrs. Surratt in the book is actually that of her daughter.

As a whole the book gives many interesting sidelights on an important period of our history, and is a valuable acquisition to the library.

It is people like Leslie Traylor that make history live, for he ferrets out the "human" behind the story" and uses datts and figures simply as a framework for the more exciting record of men's personalities and the part they made of their span on the earth.

Tarpley

The people of this community deeply sympathize with the relatives and friends of Mrs. Lizetta Saathoff Burger, of Hondo at her death which occurred at the home of her daughter, Mr. and Mrs. Lee Franklin, of Sweetwater, Texas, she had made her home for several months due to failing health. She was brought back to Hondo for burial Saturday afternoon. She often visited here with her nephew and family, Mr. and Mrs. Jesse Burger, and sister, Mrs. Hubert Burger. She was a quiet unassuming lady and liked by all who knew her.

Pat Coffey was operated on in the Santa Rosa Hospital in San Antonio last week for a badly infected appendix. He was brought to the Hondo hospital Saturday and at last report is doing fine.

Mr. and Mrs. Clarence J. Estes and family of Subisco, Arkansas, spent several days here visiting her parents, Mr. and Mrs. Tudy Sauter and other relatives and friends. In company with the Sauters they visited the Louis Deans at D'Hanis, the Alva Mathews at Von Ormy while here.

Mrs. Joe Billings and her daughter, Mrs. Thelma Bybee, of San Antonio returned last week from a visit with Mr. and Mrs. John Anderson at Lake Charles, Louisiana.

Mrs. Harold Evans and children of Blue Springs, Missouri, are here visiting her parents, Mr. and Mrs. Lee Mansfield.

Mr. and Mrs. Louis Dean and children of D'Hanis lived in the Elzie Dean and Mrs. A. Jeffers home Sunday evening.

Miss Vickie Krause of Nacogdoches spent last week with her cousin, Nettie Marie Dean. For the next two weeks, Nettie Marie and her grandmother, Mrs. C. H. Krause, of Pipe Creek, will visit in the Krause home at Nacogdoches.

Mr. and Mrs. Alton Wood and Mrs. A. Jeffers went to Kerrville last Friday night and saw part of the Louisiana Hay Ride cast including the Singing Fisherman Johnie Horton, Carl Melou and Tibby Edwards.

A joint birthday barbecue dinner for Mr. and Mrs. Freddie Schmidt of Boerne was enjoyed by about 41 people Sunday. Those from here were Mr. and Mrs. Jesse Burger and children, Mr. and Mrs. Buster Schmidt and daughter, Mr. and Mrs. Willie Schmidt, Jerry and David Hull, Johnie Schmidt Sr., Mr. and Mrs. Benno Pankrats of San Antonio. We join in wishing Mr. and Mrs. Freddie Schmidt many more happy birthdays.

Mr. and Mrs. Alton Wood and son left Sunday for Sierra Blanca. They will return next week-end to make arrangements to move out there. Their daughters, Alta and Marie, who have been spending the week with their grandmother, Mrs. B. Wood, will return with them.

MSgt. and Mrs. John Witt of Bandera visited Mrs. A. Jeffers Sunday. Sgt. Witt is recuperating from dog bites he received while training dogs for military service at Lackland Air Force Base in San Antonio. Sgt. Witt's arms and legs were badly torn when the dog attacked him while he was alone. He had to choke the dog into unconsciousness to free himself. The wounds in his arms required 17 stitches.

Bob Padgett is the proud owner of a 1959 Chevrolet pick-up.

This community deeply sympathize with the F. J. Duff families in their sorrow at his passing. Mr. and Mrs. Duff lived in this community for a number of years and his many friends here will greatly miss him.

Good rains fell here last week. Some reported as much as 5 inches.

Mr. and Mrs. Elzie Dean and Mrs. A. Jeffers attended the funeral of F. J. Duff at Bandera Friday morning.

Mrs. Texas Mrs. A. W. Nichols had as their week-end guests their son and Mr. and Mrs. Ross Cliff Nichols of San Antonio.

Mrs. Charles Krause and a friend, Mrs. Ruby Morris and daughter, Elaine, of Nacogdoches came up Sunday and honored Miss Vickie Krause with a trip to Brackenridge Park in San Antonio on her birthday. They also visited other places of interest in San Antonio. Those in the party were Mrs. Ruby Morris and Elaine, Mrs. Charles Krause; Mrs. Edward Dean and children, Larry, Nettie Marie and Charles, and the honoree, Miss Vickie Krause.

Several friends here have visited Milton Purvis and Bernice Smith in the Legion Hospital at Kerrville and report them both improving.

Mrs. A. Jeffers, your news reporter, spent last week at Leon Springs visiting relatives. She is attending Alto Frio Baptist Encampment at Leakey this week.

GAME BIOLOGISTS ARE DEDICATED FIELD SCIENTISTS

Austin.—Wildlife biologists are a special kind of people, according to the director of wildlife restoration. They are dedicated to their jobs of working with the creatures of the field, studying them, their habits, and learning all their characteristics.

"The game biologist is a scientist, with professional training in the study of wild plants and animals and their environment," said the director. "Although he may had some training in fisheries, his specialty is animals and their related problems.

"His primary job is to provide scientific facts about game animals, their status, population trends, food habits, and movements," he said. "This information becomes the basis for making proper game laws and establishing sound management practices.

The research work of a biologist keeps him in close contact with each local game warden; however, he is not a law enforcement officer. His field studies are aimed at making Texas' wildlife resources an increasing benefit to the general public.

As a citizen of the community in which he lives, the biologist always seeks to live a normal life, striving to do the most good for the most people. He usually has an enjoyable relationship with landowners and all people with whom he works.

Mrs. Kenneth Leighton of Vancouver, Wash. left last Thursday night here with her sister, Mrs. Johnny Langford, and family. Mrs. Leighton came over and remained a month visiting relatives and friends.

Mr. and Mrs. Joe A. Goodwin have had as their guests the past two weeks, their son, Joe Ed Goodwin and family from Denver, Colo. Goodwin left by plane Friday for their home.

Peregrinations of a PIONEER PRINTER

$3.00

by J. MARVIN HUNTER

An Autobiography

Besides being the autobiography of an old time itinerant country printer and newspaper man, it is full of humorous reminiscences and some good history. In it you will find mention of many people you know personally in different Texas counties. This old printer tells in pleasing style the story of his peregrinations (wanderings) through West Texas, New Mexico, Arizona, and even Old Mexico; how he and a fellow newspaper man had to leave "between two days" and ride in a side-door pullman (box car) through to El Paso with the Mexican rurales hot on their trail; of his experience as a sheepherder; of two uneasy days he spent entertaining a noted outlaw in his sheep camp; of meeting noted characters, both famous and infamous; and of many other thrilling events and at last he "settled down" in Bandera to spend his remaining years among the best people on earth.

EDITORIAL—

CONSIDER THE EDITOR

Neighbor, some day a hearse will arrive at your door, and when it leaves it will carry a casket containing your mortal remains, out to the silent city of the dead, where you will find your last resting place. A concourse of sorrowing relatives and friends will follow that hearse, and a preacher or a priest will say words of comfort to the bereaved ones. Perhaps he will dwell on your usefulness in the community, your noble traits of character, your manliness and the worthy deeds you have done in this life. And when it is all ovbr and the crowd disperses, it then becomes the newspaper man's task to write an obituary for the paper, telling his readers what a splendid citizen you were, and what a loss to the community has been sustained by your passing. That is easy you will say; for the editor can write anything and make it look beautiful in print. But what if it happens to be you, who died owing the editor on subscription, or who never even subscribed for the paper? How in thunder is the editor going to write an eulogy on you, and palm a beautiful word picture of your useful life that will in the minds of his readers, provide you with a golden harp and a glittering crown. Consider the editor, while you are yet on this side of eternity, for he is the man who will of necessity tell the world about your departure.

SHAME-SHAME

The involvement of a prominent minister and one of his congregation in improper conduct and the subsequent divorces of both families involved has been publicized by San Antonio papers. The affair has been a "mess," to say the least, and the San Antonio papers which dished up the facts for its readers reminded us very much of editions of the old Kansas City Sunday Sun, which reveled in such scandalous matters. No doubt many readers devoured with gusto these stories which are being condemned by decent-minded people.

GOOD RAINS

The rains that came to Bandera county last week were indeed a blessing, as this section was beginning to feel the dry hot weather. Some areas reported as much as 13 inches in the four day rainy period.

Looking Backward

Twenty-five Years Ago

(From the files of the Bandera News-Era, June 28, 1934.)

Mr. and Mrs. Gus Kleanstein and Mr. and Mrs. George Fee gave a barbecue on Wednesday of last week, June 20, in celebration of the fortieth wedding anniversary of their neighbors, Mr. and Mrs. Jim Surber. The celebration was held at the George Fee place near the mouth of Winan's Creek. About forty friends were present to enjoy the splendid dinner and to wish Mr. and Mrs. Surber many more years of happy wedded life.

Mr. and Mrs. Norman Hayes of Houston, are here to visit his father, L. H. Hayes and other relatives.

J. D. Fly announces a barbecue and rodeo at Fly Park, near Center Point on Saturday, July 14. You can be assured of a good time when Col. Fly stages a barbecue. There'll be riding and roping, and plenty to eat and drink, and you'll meet all your friends there. Fly Park is located on the banks of Verde Creek, where there is plenty of shade and you can keep cool.

The peerless Oil and Gas Company has been spudding for a test well on No. 1 in the Western Part of Dw County, in the Edwards Plateau area. This is located on the H. D. Garrison ranch a few miles above Tarpley. For the past three weeks preparation has been going on to get the rig up and ready for drilling. The well is to be drilled with cable tools and is contracted to go to a depth of 2,000 feet, unless commercial production is obtained higher. We have been informed that the well will be carried down for a test of the Ordivician in case it finds no production in the higher horizons.

The library quarters in the new building on the public square are about ready for occupancy and it has been decided to move the public library thereto and hold a formal opening and house warming on Saturday, July 7. As soon as the auditorium is completed a big celebration will be staged and formal opening ceremonies will be staged.

Judge Granville Wright, and commissioners R. C. Boales, H. E. Pickens and Sterling Fisher attended the meeting of the Drought Relief Association at Uvalde last Thursday. While there they took steps looking toward getting Bandera county included in the "emergency drouth" areas, to share in the relief benefits to be received from the federal government.

County Commissioner A. Y. Pue and Reed Carpenter of Medina are spending a few days in San Angelo this week where they are taking treatment from a specialist.

George Tait of Corpus Christi and Mrs. Cleora Risinger of San Antonio were here last week-end to be at the bedside of their father, J. F. Tait, who has been seriously ill. Mr. Tait's many friends hope he will soon recover.

GIRL SCOUTS INVITED TO H. E. BUTT FOUNDATION CAMP AT LEAKEY

The Kerr County Girl Scout Council is again sponsoring the annual camp this summer.

Camp begins on August 10 and runs through the 16th, at the H. E. Butt Foundation Camp, at Leakey, Texas. All girls, ten through seventeen years old, are eligible, and the $16 fee covers food and program supplies. The various activities, swimming, archery, crafts, outdoor skills, are all supervised by trained adults, and the dining room is operated by an experienced dietitian.

Registrations should be mailed now to the Girl Scout Office, 917 Water Street, Kerrville, Texas.

J. O. EVANS IN HOSPITAL

We were sorry to learn that Bill Peterson had gone to the Bid Peterson Memorial Hospital at Kerrville, but happy to know that he is now doing along fine.

TOM ADAMIETZ UNDERGOES SURGERY

BANDERA CEMETERY ASSOCIATION PLACES PLAQUE

A beautiful bronze plaque honoring our pioneers and others who lie in unmarked graves in the Bandera Cemetery, has been placed on a memorial tree in the Bandera Cemetery by the Association. The plaque was inscribed: "1852-1959 In Memoriam to our Pioneers and to those who lie here in unmarked graves we dedicate this memorial tree. Bandera Cemetery Association." Miss Eva Thallman brought the beautiful plaque up from San Antonio Saturday and was assisted by Ray Wyatt and Ashley Rugh, in placing it on the memorial tree.

PRE-SCHOOL CALL MEETING

The pre-school group will meet in the primary department of the High School Gym building, Thursday, July 9th, at 3:00 p.m.' Much enthusiasm has been shown in this work and many young parents have responded and expressed a big interest in the work planned for the coming year. The purpose of this meeting is to acquaint the group with the type programs to be held, set a meeting time each month, and to know each other better. A baby setter will be on hand to take care of any little children present at this meeting or any other meetings during the year.

Who should come? . . . Any person interested in little children. Those who attend twelve hours or more will receive a certificate at the close of the school term. We especially urge all parents who will have a first grader in school in the fall and all pargets with a child under school age to become active members of this group.

MRS. MARY FRANCES RUEDE BUYS PERMANENT FRANCHISE

Mrs. Mary Frances Ruede, owner of the Cottage Beauty Shop, announced this week the purchase of the franchise on the Esks Protein Wave. It is something new for Bandera and "something wonderfully different" in a permanent wave. Sponsored by the Turner Hall Corporation of New York, it is fast becoming one of the leading permanent waves in the nation.

Mrs. Ruede and Mrs. Jean Bailey attended their clinic at the Hilton Hotel in San Antonio when it was held on Sunday, Monday and Tuesday of this week.

Mr. and Mrs. A. D. Strickland announced this week the engagement of their daughter, Mattie Elizabeth Butts, to Raymond H. Hatto Jr., son of Mr. and Mrs. Raymond H. Hatto Sr., of this city. The bride-elect is the granddaughter of Mr. and Mrs. Jack V. Bartell. The wedding will be an event of November.

PAUL JORGENSEN WINS FOURTH OF JULY BOUT

Paul Jorgensen, the world's fourth ranking featherweight, won a TKO in the first part of the seventh of a ten-round fight on July Fourth at Mansfield Park, over Bobby Garza of Corpus Christi.

The fight was scheduled to be held at St. Joseph's football field but was moved to the Park shortly before the fight took place where a small crowd gathered to see referee Dan King of Houston stop the fight at the beginning of the seventh round, when Garza was so badly outclassed he was unable to go on.

In the preliminaries Joe Archer of New York scored a TKO over Ralph Lucas of Clint; Danny Salazar decisioned Willie Estes, Jerry Fowler of Port Arthur won over Jess Fouche of Houston, and Vic Grassin of Port Arthur won over Willie Watson of Houston.

Jack Condon, of Houston, was the matchmaker and Warren Settegast was the promoter for the professional fights.

THOMAS BOYLE IS . . HEART ATTACK VICTIM SUNDAY

Bandera relatives and friends were shocked and grieved to learn Sunday of the sudden death of Thomas Boyle, age 49, of San Antonio, who passed away from a heart attack that day in a San Antonio hospital.

Thomas Edwards Boyle of 2403 West Wildwood Avenue, San Antonio, was the son of the late Thomas Boyle, Bandera merchant. He was born at Paducah, Kentucky, in 1910, and grew up in Bandera where he attended school and when he attained young manhood was happily married to Miss Lenoa Joiner. To this union were born six children, who are left to mourn his untimely death.

Survivors include his wife, Lenoa Boyle; three sons, James Patrick Boyle, Thomas Edwards Boyle Jr., and Joseph Bernard Boyle, of San Antonio; three daughters, Misses Bridget Ann, Eileen Rose and Patricia Clare of San Antonio; step-mother, Mrs. Thomas F. Boyle of Bandera; two brothers, Rt. Rev. James M. Boyle of San Antonio, Patrick Francis and John Boyle, both of Bandera; three sisters, Mrs. Jack Burns of Bandera, Mrs. Richard Stevens of San Antonio and Mrs. Dominic Mumm of Levittown, New York.

Mr. Boyle was a member of St. Vincent De Paul, Holy Name Society and Sons of Herman.

Rosary was recited Monday evening at 7 o'clock at Zizik-Kearnes Funeral Home in San Antonio. Funeral Services were held Tuesday at 8:30 at Zizik-Kearnes Funeral Home and 9 o'clock at St. Mary Magadelen Catholic Church with requiem mass offered by his brother, Rt. Rev. James Boyle, P.A., Very Rev. Bernard F. Popp, Deacon; Rev. David Muerrer, Subdeacon; Rev. Eugene O'Callaghan, Master of ceremonies. Interment was in San Fernando Archdiocesan cemetery. Pall bearers were Victor Boyle, Edmund W. Krause, Edward Laglaise, Michael V. Pache, Alvin F. Reininger, and William C. Zoeller.

MR. AND MRS. FRED KNAGGS NEW HOTEL MANAGERS

On July 1, Mr. and Mrs. Fred Knaggs took over the management of the New Frontier Hotel, to replace Robert K. Everest, who has accepted a position in Midland, Texas, with a major construction company.

Mr. and Mrs. Knaggs are well known fh Bandera, having resided here fcb several years. Until recently Mrs. Knaggs was associated with Lost Valley Ranch and Mr. Knaggs operates the Rio Vista.

They have many friends here and the community extends to them a welcome in their new position as managers of the popular hotel.

Mrs. Lane Langford will be in charge of the Eckhart Flower Shop while the Eckhart family is attending the convention.

SHERIFF R. B. MILLER HONORED BY SAN ANTONIO MAYOR

When the Hill Country Peace Officers Association held their regular meeting in the Corral Room at the Pearl Brewery in San Antonio Tuesday, Sheriff R. B. Miller was singled out for special honors by San Antonio's Mayor Kay Rondall, at the dinner session of the Association. Sheriff Miller was appointed by Mayor Kayrondall, at the dinner session of the Association. Sheriff Miller was appointed by Mayor Kayrondall as honorary mayor of La Villita.

In impressive ceremonies Sheriff Miller was presented a beautiful scroll which his friends here are having framed to hang in his office.

The scroll was inscribed as follows:

"Proclamation La Ciusda de la Villita (The Original San Antonio), Greetings: Know ye all men by these presents that:

Sheriff R. B. Miller, is hereby officially appointed to the office of "Alcalde" (Mayor) of this historic and beautiful city located on the banks of the San Antonio River in the County of Bexar, State of Texas.

"He will perform the duties of Mayor if and when he is present within the city limits, and at other times agrees to tell the Story of La Villita, its beauties, customs and culture.

"He further agrees to boost the present San Antonio as a place to live and worship and to work and play.

"He shall retain this office as long as he performs his duties faithfully and carries out the laws and regulations of said city of La Villita as set forth in its charter.

"This appointment becomes effective on the 7th day of July, 1959."

Signed
J. Edwin Kuykendall,
Mayor of the City of San Antonio, Texas.

Attest:
J. Frank Gallagher
City Clerk

Sheriff Miller was accompanied to the meeting in San Antonio by Deputy Sheriff Ralph Chancy, Deputy Sheriff Edward Jones and son, Burgin Johnson. Lane Langford, Adolph Mazurek and County Judge O. J. Adams. They were joined here by Texas Ranger Levi Duncan and Police Chief Joe Harvey Newcomer of Uvalde.

BOY SCOUT CIRCUS DECLARED HUGE SUCCESS

On Tuesday night of last week Bandera Boy Scouts held their annual circus at the Bandera County Agriculture Center with a very fine crowd in attendance. The delightful event, which is looked forward to every year by Boy Scouts, as well as parents and friends, opened with the big parade.

Den 1 and 2, put on an amusing talent scout skit; Den 4, put on the clown act and the animal train, act; and the Webelos presented impressive Indian dances. The program ended with the famous Eagle Dance by Jimmy Daniels.

One of the highlights of the evening's festivities was the cake walk when twenty-five cakes and pies were given away to winners of the event.

Various games of skill were enjoyed by the youngsters and grown-ups alike." Then there was the side show, where the man floated in mid-air. This was a big attraction.

All in all the Circus was considered a huge success, thanks to the hard work by the Boy Scouts themselves, as well as their parents, and friends, and last but not least their scoutmaster, Russell Zickler and his wife. The Pack appreciates everything done by interested people to help promote Scouting here in Bandera.

Something between $140 and $150 was taken in at the Circus.

Much interest is being shown in the Boy and Girl Scouts here. A very fine Scout home is being constructed on land recently made available by C. L. Patterson, and located on the Medina River. The walls of the new structure are nearing completion and in a very short time the building will be finished. Dr. George Meador is chairman of the finance committee for this project which is progressing so nicely.

FUNERAL FOR GARCIA CHILD TUESDAY

Funeral services for Mercedes Elecia Garcia, age 2, were held Tuesday afternoon at 4 o'clock in the Plummer Funeral Home Chapel, with Rev. J. Manley Reynolds, pastor of the First Baptist Church, officiating, and interment was made in the Privilege Creek cemetery under the direction of Plummer Funeral Home.

Mercedes Elecia was born at Floresville and passed away in the Robert B. Green Memorial Hospital in San Antonio after an extended illness.

She was the little daughter of Mr. and Mrs. Abraham Garcia of Bandera who work on the Harden Ranch.

Besides her parents the little girl is survived by five brothers, Gus, Johnny Joe, Alfred, Abraham and Buddy; grandparents, Mr. and Mrs. Abraham Garcia of Dilley and Mr. and Mrs. Juan Andeda of Bandera.

BANDERA WOOL GROWERS RECEIVE PAYMENTS

Bandera county wool growers received this past week something over $124,000.00 in payment on their wool incentive, which according to Allie Thallman, will average about 70.3 per cent per hundred. Some of this includes ranchers for a period of more than two years.

Morgan Akin is chairman of this program, with Allie Thallman, vice-chairman and Laurie Baumer as member of the committee. Edward Postert is secretary and office manager for the ASC.

MRS. GEORGE BRADLEY IN HOSPITAL

We are very sorry to report Mrs. George Bradley has been in the Sid Peterson Memorial Hospital this week. We hope she will soon be well and able to return home to her family.

CONGRATULATIONS TO MR. AND MRS. RYAN

Congratulations are in order for Mr. and Mrs. J. E. Ryan, who went to San Antonio Tuesday to celebrate their 28th wedding anniversary. We join their hundreds of friends in all good wishes.

WESTERN AIRE COURTS NOW UNDER NEW MANAGEMENT

A change in operations at one of Bandera's most beautiful recreation and eating spots, Western Aire, effective as of July 1, was announced by W. H. "Smitty" Smith this week, who has taken over the management of the popular establishment.

Mr. Smith told a Bulletin reporter Wednesday, "It will be the pleasure of the following people to serve you: Vivian McCulley, A. B. "Doc" Taylor, Mildred Stuan, Charles Kalka, and myself."

Rates for swimming in Western Aire's lovely pool have been changed, effective on July 11, as follows: Pre-school ages, no charge; 6-12 years of age, 15c; 12-18 years, 25c; and 18 years and up, 50c.

"The public is welcome, and we will continue to serve and strive to improve our a la Carte menu. In addition we shall install a merchant's lunch to be served each day, Monday through Friday, except Thursday, which is reserved for the "cook's party day," said Mr. Smith.

Western Aire is made up of 19 units, with a lovely swimming pool, splendid cafe, and recreation area. It is a wonderful place to spend a vacation or just visit at any time of the year.

Mr. Smith, "Smitty" as he is known to his friends, is a former member of the United States Air Force, now retired. He is a long time acquaintenance of the older Bandera families, and has been a frequent visitor to Bandera since 1946.

He is happy to say that he can now stay in Bandera and will not have to drive back to San Antonio. His family will remain in San Antonio for the present, but will eventually establish their home at Bandera falls.

RALPH YARBOROUGH'S REPORT

One of the great problems of our time is planning and carrying to successful completion a program for care of our senior citizens.

Thanks to medical science advances, folks are living 20 years longer than they did at the turn of the century. But although they are living longer, many aren't living well. Too frequently they end life with years of illness, loneliness and hopelessness.

This is a problem that is occuring in varying degrees in virtually every community of our nation, and it is not easily solved. That's why it made me extremely proud to read recently that the citizens of one of our Texas towns brought into sharp focus by the rapid increase in their numbers. The number of Texans who are 65 years of age and over has risen 143,000 in the past seven years. The count in Texas is now 651,000 elderly citizens and nationally the number of citizens over 64 years of age is increasing by some 400,000 per year.

In the face of this mounting problem, it is good to see this private pride and betterment demonstrated in Dalhart.

Young Master Deets Finley of Uvalde was the guest of his uncle and aunt, Mr. and Mrs. Ashley Rush, last week.

Tarpley

This community was sad when the news came Sunday of the passing of "Grandma", Mrs. Nellie Gazaway. She passed at the Stephenville Hospital at 10:30 Sunday morning, July 5th. She was 97 years of age and had lived in the Utopia community for over 50 years. Her age and failing health had prevented her from living alone, so four years ago she went to live at Stephenville. She was a faithful member of the church of Christ and funeral services were held at the church of Christ in Utopia where she had so often attended in the years gone by. The large concourse of relatives and friends and the beautiful floral offerings spoke of the high esteem in which she was held. Beside her eight children, she reared a number of grandchildren. It is estimated about 120 descendants in her family. She is survived by 34 grandchildren and about 60 great-grandchildren and 24 great-great-grandchildren, besides other relatives to mourn her passing. To the bereaved

BANDERA C OF C CONSIDERS PROPOSAL

The Bandera Chamber of Commerce met in a general session on Wednesday night, July 1, in the Bandera Library at 8 o'clock. Members in attendance were Howard Hay, Harold Brooks, Mr. and Mrs. A. B. Small, Robert Barger and a guest, Wallace Lawrence, E. A. Hicks, Don Hicks, Sam Darden, W. D. Smith and Mrs. Rosa Bailey.

The group selected Miss Jeanine Hicks to go to Kerrville as the duchess to Miss Mohair from Bandera with Roy Earl as her escort. The Coronation of Miss Mohair will be held in Kerrville on July 30.

The following self explanatory letter was read to the group, contents in general was from K. E. Wilkerson:

June 1st, 1959

Chamber of Commerce,
Bandera, Texas
Gentlemen:

I feel that the functions of the Chamber of Commerce in Bandera are too important not to be continued.

In the event that a better method of perpetuating this necessary work is not readily available I offer the following proposal:

1. I will accept all of the present liabilities of the Chamber of Commerce and pay one dollar for all of its assetts subject to the following:

2. I will ask no one for donations or contributions other than time and cooperation.

3. I will guarantee to spend a minimum of $50,000.00 for promotion directed to bringing money and people to Bandera during the next five years and $100,000.00 for the following five year period.

4. The Chamber approach will be holidays in Bandera without specifying any individual guest ranch and brochures will be a composite of all of the facilities available for tourists and the prospective tourist will be asked to designate the type and price accomodations required. We will then book these facilities impartially among all of those wishing to pay a reasonable fee for the actual cash reservations. In other words no one pays anything except for actual results and are not compelled to participate if not satisfactory to those supplying the facilities.

5. Present Secretary will be retained and present officers in an advisory capacity but the actual spending of promotional money supplied by me will be my final decision.

6. I anticipate finally making a profit from this enterprize which I expect to take in the form of a salary if and when such profits can be made.

7. Let's try it as a private enterprize for a change, I feel that my investment and yours in Bandera will be better served by this arrangement than the present deadlock.

8. Every resident and taxpayer, every business man, and resort operatory will profit from my program.

Thanking you for your consideration and assuring you of my earnest desire to create the type and kind of business Bandera needs. The Tourist Crop is or should be our most important product.

Sincerely,
ROBERT BARGER

The letter was discussed and it was decided that a letter would be written to the Retail Merchant's Association, Chamber of Commerce in San Antonio, Dun & Bradstreet, Real Estate Board and Better Business Bureau to find out about K. E. Wilkerson and his wife. Sam Darden also suggested that all dude ranch owners talk to Mr. Wilkerson about how his taking over the Chamber of Commerce would effect them. Discussion will be made further about the letter at the next meeting of the Chamber of Commerce.

Dr. J. F. Harrison was selected to fill the vacancy on the board of directors by the resignation of Robert K. Everest; who has moved to Midland to take a position.
—Submitted by Chamber of Commerce Secretary.

Cynthia Louise Chipman

CINDY LOU CHIPMAN HAS A HAPPY BIRTHDAY

Little Miss Cynthia Louise Chipman (Cindy Lou), celebrated her second birthday on Thursday, with her oldest living relative, Great-great-Uncle Ezra O. Chipman, at his ranch home overlooking Mason Creek.

She was accompanied to Bandera by her parents, Mr. and Mrs. Wayne Chipman of Temple, her two grandmothers, Mrs. J. H. Chipman of San Antonio and Mrs. Stella Hubbard of Poteet, and her aunt and cousins, Mrs. O'dell Brigman and Linda and Gary Brigman of San Antonio.

Other relatives who called during the afternoon were: Mrs. Annie Whitley, Mrs. Ella Cox and Sherry Lynn Schneider, Mr. and Mrs. Raymond Anderwald, and Mrs. Rebecca Langford. Also Mrs. John Pearce and Becky, Jack and Bill Pearce, of San Antonio.

The children swam and played in beautiful Mason Creek, while their elders visited on the creek bank beneath tall pecan trees. Just at twilight, a buffet dinner was served at the ranchhouse. To climax the happy day, the group sang, "Happy Birthday" while the little honoree "blew out" the two candles that lighted her birthday cake.

MR. AND MRS. JAMES HERRIOTT BUY L. L. BRIGHT RESIDENCE

Mr. and Mrs. James Herriott and two children are now residents of Bandera, having moved up from Houston to purchase the L. L. Bright residence on the San Antonio Highway. Mr. Herriott is in business in San Antonio and commutes each day. Mrs. Herriott will be remembered here as the former Miss Billie Jean Thalmann, daughter of Mr. and Mrs. Herman Thalmann. Bandera are welcoming the nice Herriott family.

CARD OF THANKS

We wish to express our sincere appreciation to all who shared the sorrow of the death of our dear son, Kris David, to the pallbearers and friends who kept vigil, to the many who sent flowers and food, for the messages of condolence and donations made to medical and charity organizations. Your thoughtful deeds and kindness will be forever remembered.

Mr. and Mrs. Bill Clendenen

Mr. and Mrs. Toots Mansfield and family of Big Springs spent the Fourth of July holidays here with his mother, Mrs. C. H. Mansfield, and his brothers, Rhea and Rob Mansfield, and their families.

Preston Hughes, son of Mrs. O. L. Patterson, is making splendid recovery from a recent operation in the Baptist Memorial Hospital in San Antonio, and has resumed his work.

Mr. and Mrs. Zack Clark enjoyed having their children at home Sunday for a delicious dinner. They were Mrs. Eddie Heisler and son, Larry, Mr. and Mrs. Royce Cottrell and daughters, Pat and Carolyn, of San Antonio; and Mr. and Mrs. Marvin Kreiwald of Dunlay.

Mr. and Mrs. Richard Kalka are the proud parents of a baby son born on Tuesday, July 7, in the Boerne hospital. The young man is the third child for the Kalkas. He has been named Wesley Eugene. He is being welcomed by his two grandmothers, Mrs. Agnes Kalka and Mrs. Gladys Porter.

Mr. and Mrs. Jack Vanderveer and daughter, Loretta, of Austin, visited relatives and friends here during the Fourth of July holidays. Miss Loretta was the guest of her cousin, Kye Mansfield, at Medina also. Mrs. Ed Mansfield, who has been the guest of Mr. and Mrs. Chalk Mayfield and family at Amarillo for some time, has returned to Austin where she lives with Mr. and Mrs. Vanderveer.

MR. AND MRS. TELVIE HONEYMOON

Mr. and Mrs. Telvie Redbine, who were married in the Lutheran Church in Nordheim on June 21, returned from a honeymoon trip to Colorado, Mexico and Arizona. They are at home at the residence of Mrs. John Langford.

A TRAPPER'S TREACHERY BRINGS REVOLTING REPRISALS

J. Marvin Hunter, Sr.

We often read of treacherous acts of the Indians, but now and then there comes to light evidence of treachery and extreme cruelty on the part of white men who invaded the Indian domain of the West. Such an incident occurred in the early days in New Mexico, when that State was still under the dominion of the Republic of Mexico.

The Santa Rita copper mines (Santa Rita del Cobre), which for many years was the rallying point for trappers and hunters of New Mexico and Arizona, are situated in the mountain range north of the present Deming, and not far from the Mimbres river. These mines were profitably worked from 1804 up to 1838. In the last named year the Mimbres Apaches were giving a great deal of trouble to the settlers in Chihuahua and Sonora, Mexico, and Chihuahua promulgated a law called the "proyecto de guerra", or project of war, by which the State offered one hundred dollars for the scalp of an Apache warrior, fifty dollars for the scalp of a squaw, and twenty-five dollars for that of a child. The State of Sonora was also paying a bounty for scalps, and both Chihuahua and Sonora gave the captor any booty he might take from the Indians. This liberality was produced mainly by the many atrocities of Juan Jose, a Mimbres chief, who had been educated among the Mexicans and used his knowledge of their customs to great advantage in his warfare. One favorite scheme of his was robbing the mails for the sake of obtaining information as to the plans of the Mexicans.

At this time there were several parties of American trappers on the headwaters of the Gila river, and the captain of one of these, a man named Johnson, undertook to secure a number of Apache scalps, reasoning that scalps would net him more profits than furs. It is claimed that in addition to the scalp bounty, he was promised pay from the owners of the copper mines. At any rate he made a great Ruse and invited to a number of Mimbreno warriors, who accepted his hospitable bidding. To one side of the ground where his feast was spread he placed a howitzer, loaded to the muzzle with slugs, nails, and bullets, and concealed under sacks of flour and other goods. In close range he placed a sack of flour, which he told the Indians to divide among themselves. Unsuspicious of treachery, they gathered about it. Johnson touched his lighted cigaret to the vent of the howitzer, and the charge was poured into the midst of the crowd, killing and wounding many. The trappers at once followed up the attack with their rifles and knives. A goodly number of scalps were secured, that of the chief Juan Jose among others, but the treachery was terribly repaid.

Another party of fifteen trappers was camped on a stream a few miles distant. The surviving Mimbrenos went to these unsuspecting men and murdered every one of them, but their vengeance did not stop at this. The copper mines at Santa Rita were furnishing with supplies from the city of Chihuahua, 300 guarded wagon trains (conductas) that brought in gunpowder and hauled back ores. The time for the arrival of the corrals came and passed, but no train appeared. Days slipped away, provisions were almost exhausted and the supply of ammunition was nearly gone. Some of the miners climbed to the top of a mountain which rises back of the mines, but from its lofty summit no sign of an approaching conductas was visible. Starvation was imminent. The only hope of escape for the miners and their families was in making their way across the desert expanse that lay between the mines and the settlements in Chihuhua. They started, but the Apaches, who had destroyed the supply train, hung about them and attacked them so persistently that only four of five succeeded in reaching their destination.

In addition to the trappers killed by the Apaches as above stated, another band was attacked by them and several men were killed. Up to the time of Johnson's treachery the Indians of that part of the country had been the white man's friend, but from this time on they killed Mexicans and white men alike.

ARE WAXED MILK CARTONS SAFE?

Sometime ago leading newspapers and television stations carried a news story in regard to wax used for coating milk cartons containing carcinogen, a cancer-causing agent. Since that time Mrs. Velma Elliott, who has been very interested in this hazard has written to the Borden Company and Foremost Dairies, Incorporated, to receive the following letters which we print here in their entirety; and also a telegram from the Department of Oncology, Chicago Medical School;

June 22, 1959

Mrs. Velma Harrell
Medina, Texas.

Dear Mrs. Harrell:

I appreciate your concern in regard to the wax used for coating milk cartons relative to a recent report it might contain cancer-causing agents.

Current information we have on the subject as facts states that of approximately 50 samples of dairy wax studied, the possibility of a minute quantity of carcinogen was found in one. Dr. Hans L. Falk of California researchers says, "A public hazard is extremely unlikely," and Dr. Shubik, Department of Oncology, Chicago Medical School says, "No clear indication of any health hazard has been found."

I am sorry, but we do not put up buttermilk in glass due to the great demand for paper, and the demand for glass is not enough to justify our putting it in bottles. The same thing applies to skimmed milk. We do regret that we are not able to supply your wants, but sincerely appreciate your writing to us in this regard.

THE BORDEN COMPANY
Yours very truly,
Jack de Cordova
General Manager.

Dear Mrs. Harrell:

I can certainly appreciate your concern over the wax container controversy.

I have no personal first hand knowledge of the research but I would like to pass on the information that I have received.

Information from the Milk Industry Foundation, a national association of the milk industry, indicates that there is a misunderstanding of the facts. Robert G. Spivak of the New York Post wrote the article after an interview with Dr. Wilhelm Hueper who participated in the overall program but did not do the actual research. Attached is a copy of a telegram to Mr. Spivak from Dr. Philippe Shubik who did the actual research with a Dr. W. Lijinsky.

I checked with the Magnolia Petroleum Company who supply us with wax and who are paying part of the cost of the research product involved. Their information is that the wax that might have cancer causing elements was a partially refined wax as opposed to a completely refined wax such as nearly all dairies use. The Magnolia wax was found to be perfectly safe.

I do not know whether this information will change your attitude on wax but I did want to give you what information I did have.

Our company would never knowingly offer for sale any product that might be harmful to our customers. I am sure that our company has investigated this situation and dealt accordingly. Intimidating, & misinterpretation of the facts or an attempt by a newspaperman to make up a good story.

We appreciate your interest and hope you will continue to use our products.

Sincerely,
FOREMOST DAIRIES, Inc.

We have undertaken an extensive biological and chemical study of waxes used in the dairy industry. After one year no cancer producing chemicals have been found in 26 representative samples analyzed. Three species of animals have been painted, injected, and fed with these materials. These animal tests have not been concluded. Results up to this time are not final but a great indication of any health hazard has been found. Our program will be continued for several weeks. Food and drug administration are fully familiar with our study. I am familiar with study by Kotin et al. Dairy was referred to in his paper as containing carcinogen was first analyzed in this laboratory and found to contain minute quantities of cancer producing agent. It was a marked exception since none was detected in over twenty other waxes analyzed at that time. Significance of Kotin study impossible to evaluate in practical terms since dairy wastes have not been shown to contain cancer producing agent he used. An instance of one exceptional wax in which one of these compounds was present in quantity was minute compared with amounts artificially added in Kotin investigation.

Mrs. Elliott told a Bulletin reporter, "Because of all this suspicion I am not using waxed containers. I manage to get my buttermilk from Kerrville Farms. Foremost puts up the homogenized and skimmed milk in bottles, so we are buying that. I think people should demand bottles that are known to be safe. Both Borden and the telegram admit the presence of the cancer producing agent in some samples. That is enough to alert me to the danger. They say Magnolia Wax is safe but no one will tell us the name of their wax. We can be sure about bottles."

Jersey and Kennedy of Massachusetts—plugged in Senate hearings last week for drastic changes in the quota system. They want order that more people can come in. Kennedy called for an increase in quotas from 150,000 annually to 350,000, while Case urged that, "some thought be given to additional hundred thousand refugees" be admitted over and above quotas.

This contrasts with a resolution from the Uvalde chapter of the DAR, urging that immigration be restricted and that the McCarran-Walter Act be kept as it is.

Since the war vast numbers of immigrants have flocked to the U. S., including hundreds of thousands of so-called refugees and displaced persons. During 1956, for example, 350,000 immigrants were admitted, the largest number since 1924. In addition to others, upwards of a million Immigration policies, which have a way of getting into politics, is being highlighted again in Senate hearings on proposals to overhaul the McCarran-Walter Act.

The latter Act maintains our traditional quota rules under which Europeans are admissible in restricted numbers based upon percentage of people of ethnic origins who were in this country in 1920. TEXAS CHAMPIONS OF FREEDOM

GENERAL JOHN BELL HOOD
Defender of States Rights and Self-Determination

In victory and defeat John Bell Hood, the Texas Brigade's "fighting general" of the Civil War, was a dedicated defender of man's right to choose his way of life. Like Robert E. Lee, Hood was a graduate of the U. S. Military Academy at West Point. And, like Lee, he resigned his commission in the U. S. Army to serve his state and the South through the bitter years from 1861 to the surrender at Appomattox Court House, April 9, 1865.

From the time he took command of the 4th Texas Infantry, that — with other Texas and Confederate regiments — came so be known as Hood's Texas Brigade, because of his daring leadership. Victories and promotions came quickly. As Major General Hood he was considered the hero of Chickamauga, where he lost his right leg. As Lieutenant General Hood, commanding the Army of Tennessee, he met crushing defeat at Nashville on December 16, 1864, and was relieved of his command.

But Texas doesn't forget her champions of freedom. A monument in his memory stands within the state capitol grounds at Austin, and Camp Hood established during World War II — now Fort Hood — was named in honor of the "fighting general," loyal defender of his state's rights to self-determination.

Today Texans still demand and get their right to choose the way they want to live. In this vigorous and freedom-minded homeland, "Beer Belongs" and this is why the United States Brewers Foundation works constantly, in conjunction with brewers, wholesalers and retailers, to assure the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of Texans, the Foundation stresses close co-operation with the Armed Forces, law enforcement and governing officials in its continuing Self-Regulation program.

Peregrinations of a PIONEER PRINTER

by J. MARVIN HUNTER

An Autobiography

Besides being the autobiography of an old time itinerant country printer and newspaper man, it is full of humorous reminiscences and scenes pond of history. In it you will find mention of many people you know personally in different Texas counties. The old printer tells in pleasing style the story of his peregrinations (wanderings) through West Texas, New Mexico, Arizona, and even Old Mexico; how he and a fellow newspaper man had to leave Chatfield two days' and ride in a side-door pullman (box car) through to El Paso with the Mexican rurales hot on their trail; of his experiences as a sheepherder; of two enemy days he spent entertaining a noted outlaw in his sheep camp; of meeting noted characters, both famous and infamous; and of many other thrilling events and at last he "settled down" in Bandera to spend his remaining years among the best people on earth.

Best Room!

Take a tip from the experts . . . in their own words . . . and from on-the-record facts and figures: More than ever, Chevrolet gives you more than any other of the leading low-priced three! More room to relax in, for instance. A sampling of official dimensions reported to A.M.A.* makes this clear. Chevy front seat hip room, for one thing, is up to 5.9 inches wider than comparable cars. And Chevy even offers more front seat head room than all but one of the *high-priced cars!

Best Brakes Not only bigger, but built with bonded linings for up to 60% longer life. Just to prove what's what, Chevy out-stopped both of the "other two" in a NASCAR-conducted test of repeated stops from highway speeds.

Best Style It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

Best Engine Every motor magazine has given Chevrolet's standard and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: ". . . surely the most wonderfully responsive engine available today at any price."

Best Ride MOTOR TREND magazine calls Chevy ". . . the smoothest, most quiet, softest riding car in its price class." You'll be able to tell this yourself instantly, once you take the wheel.

Best Economy No doubt about this: two Chevrolet 6's won their class in the famous Mobilgas Economy Run, got the best mileage of any full-size car, 22.38 miles per gallon—with Powerglide.

Best Trade-In Check in any N.A.D.A.† Guide Book. Chevy used car prices last year averaged up to $128 higher than comparable models of the "other two."

They saw Carlsbad Caverns, White Sands, Petrified Forest, Painted Desert, going the circle route through Arizona to Grand Canyon. Returning they came through Phoenix and Tucson. They went out to see Old Tucson on the movie colony location among the tall Saburo cactus forest. After coming through El Paso and Van Horn, they went through the Davis Mountains to Fort Davis and Alpine and home by the southern route.

Levi Hinds of Comstock spent Sunday night in the J. W. Edwards home.

Miss Gail Edwards of Gonzales is spending the week with her grandparents, Mr. and Mrs. J. W. Edwards.

WASHINGTON NEWS LETTER

From Lyndon B. Johnson

July 7, 1959

Dear Friend:

Some misstatements already made in the picture. I get out of the President's Cabinet Committee report on inflation. The report falls short of what is needed.

All of us want to fight inflation, and I don't know of anybody who wants more of it.

The report virtually ignores one of the most serious aspects of inflation. That is the mounting cost of money.

The Administration wants to increase the interest rates on long-term Government securities. But it is obvious this move would affect interest rates up and down the line.

Sooner or later, the result would be felt where such inflationary action is always felt—by the consumer.

I'm convinced that few things have contributed as much to inflation as rising interest rates.

But the only thing the President's Committee had to suggest on this question was that the sky should be the limit.

Congressional skepticism over this White House proposal to boost interest rates is increasingly apparent, and the Senate, I'm confident, will take a long, hard look before taking any action.

To many people, this looks like another way of boosting interest charges all down the line. If this move is necessary, and if it will be for the best interest of all the people, Congress must be convinced of that fact first.

I refuse to believe we are as powerless to control our finances as some think.

I believe the cost of money can —and must—be kept within the reach of the average American. And this is a move to fight inflation, not to foster it.

Mr. and Mrs. Delbert Knibbe have had as their guest for the past week, Mrs. Robert Dryden and children, Bobby, Pam, Joe and Karen of Lenexa, Kansas.

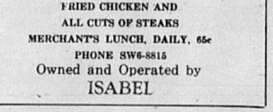
HOW DO YOUR ROSES GROW?

Some gardeners miss the fun of growing roses because they've heard roses are too much trouble. Actually, they demand surprisingly little attention in exchange for a garden and house-full of blooms from June through October. Once planted, they are as permanent as shrubbery and their water needs are quite modest.



For perfect blooms, a rosebush needs only four things: a mulch of peat moss to keep root temperature constant, water as required by the weather, a plant food treatment in mid-summer and dusting or spraying once a week or after each rain.

Dusting against insects and diseases is no longer a chore. It takes only a minute to treat a rose bush with an insect-killing powder, Antrol Multi-Purpose Dust, or spray infected areas with a handy aerosol insecticide. Regular treatments are important if you want to ward off insects before they make headway. Japanese beetles, chafers and leafhoppers are the most common pests that attack roses.

Fungus diseases get their start when foliage is wet. They disfigure blooms or foliage and stunt plant growth. Danger signals are white, powdery mildew and black spots on rose leaves. If you see these signs, remove the infected parts and spray or dust every few days until the disease is under control.

LOCALITES ENJOY DELIGHTFUL TRIP

Miss Patricia Jenschke, Edgar Jenschke and Miss Adela Jenschke have returned from a delightful trip to the western states. In California they visited their brother and wife, Mr. and Mrs. Gilbert Jenschke and daughter, at Stockton. They also enjoyed seeing San Francisco, The Big Trees State Park, Albuquerque and Carlsbad, New Mexico.

THE REEVES' RETURN FROM TRIP

Mr. Col and Mrs. Elmo Reeves and daughter, Mona, have returned from a wonderful trip to Dallas, Fort Worth and other points of interest in California. Among high points of interest on their trip was a visit to Marine Island, Long Beach, Las Vegas, Carlsbad, the Grand Canyon.

COL. AND MRS. SHORT AND DAUGHTER TOUR SCOTLAND

We were pleased to receive greetings this week from Col. and Mrs. Clay Short and daughter, Ginger, who are touring Scotland. Col. and Mrs. Short have been the guests of their daughter in London for several months and the three have been having a happy time touring the countries of Europe. Friends have received greetings from them from the various places of interest where they visited. Among the high points of their visit to Scotland was when they saw the Culzean Castle, Ayr, where an apartment was given to President Eisenhower by the Scottish government. They wrote, "It is beautiful, we love Scotland."

HIGHER INTEREST RATES MAY BE CHARGED

The new higher interest rate which can be charged for GI loans on or after July 2nd has no effect upon loans closed before that date, J. Norman Lodge, Manager of the VA Regional Office in San Antonio said today. Loans closed on or after the July 2nd date may be charged the new higher rate unless the lender has previously made a binding commitment to grant the loan at a lower rate, Mr. Lodge added. The VA Manager's explanation followed a series of inquiries from puzzled veterans following announcement of the new rate. Once a loan has actually been closed, subsequent legislation has no effect on the interest rate charged for that loan, Lodge said.

RECENT CHANGES IN SOCIAL SECURITY

Until September of last year, only a disabled worker could get disability payments under social security. Recent changes now make his wife and children eligible for payments under certain conditions.

For further information see your social security representative, Eugene E. Hirsch, who will be in Bandera at the County Judge's Office on Friday, July 17, at 1:00 p.m.

Friends and relatives here were deeply grieved to learn of the sudden death of Charles P. Ross, who passed away from a heart attack at his home in Hondo on July 8th.

Charles Patrick Ross was born in Quihi on February 22, 1900, to Mr. and Mrs. O. P. Ross, early residents of that section, and had lived in the Tarpley community for many years. He was well known and highly esteemed, and had been a member of the Tarpley Baptist Church for many years.

Funeral services were conducted Saturday afternoon at 3 p.m., at Hondo with interment in the Tarpley cemetery. Rev. J. Manley Reynolds, pastor of the First Baptist Church of Bandera, officiated.

Survivors include the wife, two daughters, Misses Vivian and Charlcie Ross of Bandera; one sister, Mrs. John Folk of Hondo; brothers, Richard E. Ross and Fred Ross of Houston, James Ross of Corpus Christi, and Thomas Ross of El Paso. His parents, one sister, Viola, and one brother, Oscar Ross, preceded him in death.

Pallbearers were Phillip Eckhart, Andrew Eckhart, Milton Barton, Ernest Bendele, Wallace Gerdes, and Edwin Sprott.

STERLING CHEVROLET IS MAKING MANY IMPROVEMENTS

The hum of big machinery has been heard all week at Sterling Chevrolet Garage where a crew is busily engaged in the construction of a hardtop for the parking area. "Lew" Sterling is a progressive businessman and is striving to keep his establishment, up with the times, and to help Bandera grow and be a fine city. An invitation is extended to all to visit Sterling Chevrolet and see the worthwhile improvements there.

RED CROSS SWIM CLASSES CLOSE TODAY

4-H DRESS REVUE IS SLATED FOR JULY 23

Mrs. R. L. Stevens, Home Demonstration Agent, announced this week the date for the annual 4-H Dress Revue has been set for Thursday, July 23, at 2:30 in St. Joseph's School Hall. Mrs. Stevens requests all the girls who are participating in the revue to get their garments to her by Wednesday, July 22.

Mrs. Stevens has conducted a clothing workshop for the past two weeks and the girls will model their dresses and skirts at the Revue Thursday.

Girls taking part will include Dorothy and Betty Hatto, Jane Mazurek, Mary Margaret Stein, Mary Evelyn Hofmann and Rita Ross from St. Joseph's 4-H Club; Janice Locke, Linda Hausch, Ann Chaney, Rita Brooks and Sarah Mae Knibbe from the Bandera School 4-H Club.

Refreshments will be served by the Indian Waters and Tarpley Home Demonstration Clubs at the Revue.

Mrs. Stevens also announced that Beverly Welbaum will be held at St. Joseph School on Monday morning, July 20, at 8:30, for all 4-H Club Girls.

SCHOOL BOARD SETS OPENING OF SCHOOL SEPTEMBER 3

Thursday, September 3, was set as the opening date for the Bandera Public Schools at a meeting of the school board this week. Pre-registration for grades one, two, and three will be held Tuesday morning, September 1, from 9:00 until 12:00. All beginners must bring a birth certificate. No children who are under 6 on September 1 may enroll.

A general faculty meeting will be held on Wednesday, September 2. Holidays are Labor Day, September 7; Veterans Day, November 11; and suspension of deer hunting season, November 16. Last day of classes before Christmas will be Wednesday, December 23. Classes will begin after New Year's on Monday, January 4. Holidays in the spring include January 15 for the Lions Track Show, March 11 for the Alamo District Teachers' Convention, and April 15 for Good Friday.

The last day of school will be May 26—and the graduation program is scheduled for Friday, May 27.

Teachers who will be new to the Bandera School next year include the following, according to Marvin C. Schoelle, superintendent: Telvy Robbins started last April as teacher of vocational agriculture; Mrs. Barbara Mazurek will teach in the elementary grades and direct girls' physical education; John Rimmer will teach high school science; Mrs. Patsy Rimmer will teach homemaking; Cecil Graves will teach social studies in the intermediate grades; Mrs. Wynelle Eichman and Cecil Graves will teach fifth grade; and Franklin Eichman will be assistant coach and teach science and arithmetic in the seventh and eighth grades.

The Bandera Schools received an allotment of $940 in Federal Funds for science and mathematics equipment for this school year with an additional allotment to be set for next year.

The school board gratefully accepted a gift of two sets of the Encyclopedia Britannica from Mrs. C. G. Armstrong.

Hal Locklin narrowly escaped death early Sunday morning when his car overturned at Rustic Park on the San Antonio highway. He escaped injuries but his car was a total wreck.

CONTINENTAL OIL MAN DIES FROM INJURIES

B. T. Willey, age 42, died at Sid Peterson Memorial Hospital Monday morning from head injuries sustained after being thrown from a horse Sunday afternoon. Mr. and Mrs. Willey and two children were visiting at the Purple Sage Ranch at the time of the accident. Mr. Willey and his young son were returning two horses to Lost Valley Ranch, when Mr. Willey's horse became excited and threw him to the pavement, causing a concussion and fractured skull. He was Regional Manager of the Southern Division Marketing Department of Continental Oil Company at Fort Worth, Texas. Mr. and Mrs. Willey visited Bandera often being close friends for many years to the Frank Pearson, Jr. family.

Frank Pearson Jr., of Lost Valley Resort Ranch, and Dan Callaghan of the Purple Sage Ranch left for Fort Worth for the Willey funeral.

BEAUTIFUL NEW SUBDIVISION OPEN

Fred F. Morgan announces that he has purchased and opened a new subdivision on the Bandera side of Lake Medina. Bandera Lakeshore Estates is located along the lake front with a 300 foot frontage, just 8 miles south of Bandera, and boasts water front lots extending to the center of the Medina river. Every lot is either on the water or not over 250 feet from the water with open access to the lake. A nice boat launch is provided free of cost to owners of lots off the water.

In order to get this subdivision off to a flying start Mr. Morgan has priced these lots very low, and offers low down payments with reasonable terms. Roger Blevins, Estelle Wedgeworth, Sam Darden, Jake Jacoby, Austin Smith, Arthur Fitzpatrick, Joe Munsch, and A. W. Guzman are proud new owners now, and each plan to improve their lots with boat docks and week-end facilities.

The subdivision has forty foot wide all weather roads, cleared and graded, and is very accessable to Bandera and San Antonio residents.

You are invited to drive out this week-end and inspect this property.

This new subdivision should prove to be a big thing for Bandera businessmen, as water sports are now very popular, and sportsmen will bring much new money into our area.

RAY F. WYATT IS CHAIRMAN OF O. C. FISHER DINNER

A group of O. C. Fisher's friends throughout the 21st Congressional District will honor him with an appreciation dinner at the Good-fellow Air Force Base Officers' Club in San Angelo on the evening of August 20, at 7:30 p.m.

Ray F. Wyatt of Bandera has been selected as committee chairman from Bandera county, for the dinner which will be an excellent one. A gift will be presented to Mr. Fisher.

Tickets will be sold at $3.50 per person, which will cover all expenses, including the gift.

Those interested in attending the dinner in San Angelo on August 20, may contact Mr. Wyatt and make your reservations.

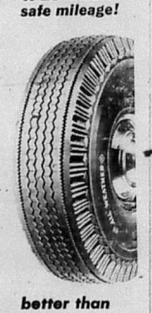
Last week-end guests in the home of Mr. and Mrs. Val Click were: Mr. and Mrs. Sug Sanders and children, Evelyn and Alta, of Kingsville.

Mrs. Will Keese happened to a very painful accident Monday morning when she fell in her house. She was rushed to Peterson Hospital in Plummer ambulance and found to have a broken hip. She is in a serious condition.

Mr. and Mrs. Derry of Corpus Christi visited their son, John, over the week-end.

A delicious birthday dinner was prepared Friday at the home of Mr. and Mrs. John Reed honoring Mr. Reed and Tom Lackey on their birthday. Those enjoying the fish fry were: Mr. and Mrs. Ernest Lackey and son, Dewey, of Fairacres, N.M., Mrs. E. Faris of Odessa, Mrs. Loma Lackey of San Angelo, Louis Reed, Mrs. Ji. B. Reed and children, Mrs. Tom Lackey, and Mr. and Mrs. Amos Weed. This is the first time this group had been together in several years and it was enjoyed by everyone.

BOND SALES TOTAL $13,311.09 FIRST FIVE MONTHS



"Savings bond sales for the first five months of 1959 totaled $13,311.09," J. Burgin Davenport, Chariman of Bandera County's Bond Committee reported today. "Our country has now reached 9.1 per cent of its 1959 goal of $147,000.00. May sales were $778."

Sales in Texas for the first five months of 1959 were $69,397,546. This is 38 per cent of the state goal for 1959.

"An important part in assuring our Nation's safety and economic stability and growth is played by purchasers of United States Savings Bonds," stated Mr. Davenport, County Chairman.

(From the files of the Bandera New Era, Thursday, July 19, 1934.)

Mr. and Mrs. J. Frank Doble of Austin, Mrs. R. J. Doble of Beeville, Miss Pattie Doble of Cotulla, and Mrs. R. L. Doble and son, Richard L. Doble of Cleveland, Ohio, were visitors in Frontier Times Thursday. J. Frank Doble and his wife, Bertha McKee Doble, are Texas folklore writers, and authors, and we felt honored by their visit Thursday. Mrs. R. J. Doble is Frank Doble's mother; she maintains a summer cottage at Kerrville, and entertained them and Mrs. R. L. Doble and son during the week-end.

Judge Brain Montague, of Del Rio, will speak at the court house in Bandera next Tuesday night, candidacy of Judge Carl Runge for Congress. He will also speak at Schott's Hall in Pipe Creek on Wednesday at 2:30 p.m. The public is cordially invited to hear Judge Montague who is no stranger to Bandera people. He was born and raised here, and has the confidence and esteem of every citizen. The fact that he has taken the stump to futher the candidacy of his friend and classmate should be enough a commendation to Judge Runge's sterling ability and high character.

A large tabernacle is being erected adjacent to the Latter Day Saints' church on Delightful Hill. Preparations are being made to accomodate a large crowd when the Saints Reunion is held, beginning tomorrow, July 20th.

J. Marvin Hunter will speak at the Lone Star school house this Friday night in the interest of the candidacy of Judge Carl Runge for Congress. Everybody is invited to hear him. The speaker has known Carl Runge from infancy, and it is a real pleasure to take the stump for him in this campaign. Remember the date, Monday night, July 23rd.

A. D. McBride writes the New Era that a big barbecue will be given at Camp Verde on Saturday, August 4th, and says, "Tell everybody to come." The hospitality of the Camp Verde folks has no equal this side of frontier days, and those who attend the big doin's on August 4th are going to be well entertained. Brahma calf roping, steer riding, racing, and other sports, and a fine barbecue dinner, will feature the day's program.

Frank H. Mansfield has been appointed distributor here for Humble gasoline and oils for this region. Rhea Mansfield will have charge of the filling station at the Mansfield Chevrolet Company's establishment. The firm will be known as Mansfield & Mansfield. The opening of a Humble station here will be welcomed by users of that company's excellent products.

Surveyors are in the field now on Highway No. 81, charting the route from Privilege Creek into Bandera. The field notes will be made in a few days, when the setting back of the fences will be started, to give the highway 100 feet of right-of-way. In conversation with the New Era reporter Tuesday Judge Granville Wright said he does not know how the county will finance the purchase of land for the right-of-way.

Last Saturday Mr. and Mrs. Virgil Adamson went to San Antonio to meet Mrs. Will Pue and children, who were returning from a visit to relatives at Hico. Virgil parked his Ford roadster on the street near the bus depot, and he and his wife went into the depot. When they came out the car was gone—stolen supposedly by two negroes, who were loitering nearby. At last accounts the car had not been recovered.

25 years ago, fewer than 10% of the farms and ranches of Texas had electricity. Farm life was hard indeed and mothers grew old before their time. Then, rural people, working together, built their own electric systems through Electric Cooperatives. It wasn't easy. It took years of hard work and sacrifice, but the Cooperatives *did not fail.*

Today more than 90% of the farms and ranches of the Lone Star State enjoy the blessings of electricity.

Be proud of the Electric Cooperative serving your area. As a member, you own a part of a great undertaking that is democracy in action and free enterprise at its American best.

Mrs. A. M. Lundquist of Bandera is deferring some of her rangeland this summer. Mrs. Lundquist is resting approximately 200 acres. The second growth cedar was cut in this pasture early this spring. By deferring after the brush control, the young grasses which were held back by the brush competition will have a chance to grow and develop a strong root system before being subjected to grazing. Little bluestem, and Sideoats grama are present in the composition in an abundance and are developing into good strong plants.

FARMERS MAY OBTAIN REFUND

Farmers may obtain a refund of Federal excise tax on gasoline which is used for farming purposes during the fiscal year ending June 40, 1959, it was announced today by R. E. Phinney, District Director of Internal Revenue at Austin.

Claims for refunds for the present Federal tax rate of 3 cents a gallon are to be made on Form 2240 any time after June 30 and before October 1, 1959. Forms 2240 and instruction sheets may be obtained from Internal Revenue Offices of from the nearest county agricultural agent's office.

Mr. Phinney cautions, "Farmers expecting to file claims should keep records adequate enough to enable Internal Revenue to verify the accuracy of the amount claimed."

It's The Law IN TEXAS . . .

Division of Estates Explained

The death of an intestate person (one who has made no will) may give rise to many problems regarding distribution of his separate estate. In the preceding column we investigated the manner of dividing the community estate upon the death of a husband or wife. Now we shall see that, where separate property is involved, a completely different set of rules applies in determining heirship and apportioning the estate among the rightful claimants.

It may be well to recall that the separate estate of a husband or wife includes property owned by either before marriage, and that which is acquired after marriage by gift or inheritance. Any other property acquired after marriage is presumed by law to be community property until the contrary is clearly proved.

Now, here is a general idea as to how your separate progetty will be divided if you do not make a will with contrary provisions prior to your death.

If your husband or wife survives and if, in addition; there are surviving children or descendants of previously deceased children, the children and their descendants immediately obtain a fuft (fee) title in undivided of the real estate involved. The surviving spouse receives a life interest in the remaining one-third of the real property, which passes on to the children and their descendants upon the death of the spouse.

The rule for distributing personal property—cash, stocks, bonds, furniture, or any other items not constituting real estate—is different. Here the surviving spouse gets full ownership of one-third, and the children and their descendants inherit the balance.

Now suppose your husband or wife survives, but there are no surviving children or their descendants. In this case the surviving spouse inherits all of the personal property involved.

With regard to real estate, the survivor obtains full title to one-half, and the other half is divided between your mother and father, if both survive you. If only one of them survives, he or she receives only half of this portion, and the other half (or one-fourth of the entire real estate) will be divided among your brothers and sisters (and their descendants) who survive. If there are no surviving brothers and sisters and their descendants, then the one surviving parent inherits the full one-half.

Where no parent survives, but there are brothers and sisters and descendants, the full one-half is divided among these survivors.

And, if there are no parents or brothers and sisters (and their descendants) surviving, then the surviving husband or wife inherits all of the real estate.

POINT SUMMER THEATER CASTS CAST FOR UP-COMING "MY THREE ANGELS"

William Hardy, director of the Point Summer Theater in Ingram for "My Three Angels," which opened July 15th. The cast includes Chips Utley who will step out of his debonair role of Jimmy Broadbent in the current production of "Reluctant Debutante" to portray a worldly and whimsical convict with homely charitable compulsion. His right arm and fellow inmate will be played by Jack Sparks who did such a splendid job as Sgt. Pfeffer in "Stalag 17." Miss Betty Mulders will play the eccentric Madame Parole, a cosmetic switch from her present comedy interpretation of Sheila Broadbent, the lead in "Reluctant Debutante." Point Summer Theater staffer, Charles Armsby will play the part of Felix Ducotel, a timid but loveable merchant. Mr. Armsby has been seen as the riotous Stosh in "Stalag 17" and the stuffy David Bulloch in "Reluctant Debutante." Tut Meleer of Kerrville will portray the role of Madame Ducotel, Felix's wife. Mrs. Meleer appeared in "Reluctant Debutante" as the maid, for which Pat says she has had a great deal of training as wife and mother of two very energetic boys. Other parts will be played by Charlotte Wenzel of Kerrville who is appearing in the theater's present production as the squinty nearsighted Clarissa Cleaversham, Carroll Abbott Asst. Mgr., of the Kerrville Times) who says he has never been on the stage before, Jerry Williams, drama major at San Antonio College, and Kim Kimball of Houston.

The play concerns the problems of the family of Felix Ducotel on a French penal island during the last century. All problems are happily solved for them by three hilarious and lovable convicts who invite themselves to visit the Ducotels for Christmas. The comedy situation and the light and whimsical handling of same by the play's co-authors Sam and Stella Spewack, makes for a thoroughly enchanting evening of theater.

BIG CLIP OF MOHAIR

The 1959 clip of mohair is expected to be one of the largest on record, according to figures compiled by the Texas Wool and Mohair Warehouse Association in May and June.

The estimation is as follows: Some 55 warehouses reported that they handled 9,895,100 pounds of adult hair and 2,472,900 pounds of kid hair, or a total of 12,380,090 pounds.

The fall mohair clip may reach the 12,000,000-pound figure, according to warehousemen and buyers, making the total 1959 production 24,000,000 pounds. The 1958 clip produced in this country was 20,858,000 pounds.

The price range in 1959 was from 86.5 cents to $1.165 for adult hair and $1.215 to $1.565 for kid hair. The lower range of prices took most of the mohair.—Texas Sheeep and Goat Raiser Magazine.

Could anyone deny this baby a few minutes?

Certainly not the mother or father. And surely you, as stranger, would not begrudge a few minutes of your time to protect this baby's life—or yours!

Driving faster than road conditions or the law allows can shorten your trip no more than two or three minutes. Is this saving worth the risk of a precious life? For minutes like these can mean the difference between life and death.

Last year, nearly 40,000 men, women and children died in traffic accidents. In 3 out of 10 fatal crashes, speeding was a factor. Think how many lives just minutes can save . . . and slow down!

Help stop senseless killing on our highways. **Drive safely** yourself.

Insist on strict law enforcement for your own protection.

Work actively with others to **support your local Safety Council.**

Remember—where traffic laws are strictly enforced, deaths go down.

ROGER CHANCY CELEBRATED HIS SIXTH BIRTHDAY SATURDAY

Roger Chancy, son of Deputy Sheriff and Mrs. Ralph Chancy, celebrated his sixth birthday with a party at Moffett Park near Medina last Saturday. The youngsters played delightful games during the afternoon. The pretty white birthday cake was decorated with a miniature cowboy and horse and the children were given Deputy Sheriff's badges as favors. Roger received many nice gifts which were opened and admired.

Those present to wish Roger happy birthday were Chucky, Darlene and Bobbie Whitehead, Duncan and Danny Hatfield, Gail Anderson, David Mullins, Steve and Arlon Williams, Alana Stokes, Pam Kriest, Brice and Oscar Mayfield, Tommy Jackson, Cathy Nichols, Phillip Jackson, Molly and Ann Hawkins, and Roy Gene Chancy. The mothers present were Mesdames Dayton Whitehead, W. O. Hatfield Jr., Jack Mullins, Vernon Williams, H. H. Stokes, Allen Keese, Brice D. Mayfield, Royce Jackson, Everett Nichols, Charles Hawkins and Roger's great-grandmother, Mrs. N. N. Jackson, and his mother, Mrs. Ralph Chancy.

The College of Business Administration dean's honor list, made public by Acting Dean John Arch White of the Texas University, included Robert G. Berugger, who was listed on the "with honors" list.

Mr. and Mrs. Forest Stevens and Mr. and Mrs. Karl Moore and children of San Antonio enjoyed a delightful week-end at Corpus Christi. While in that area they visited Padre Island and other points of interest. The Stevens' returned home Sunday.

Last week-end Mr. and Mrs. Alfred Anderwald, and son, Todd, Mr. and Mrs. Fletcher Holland of San Antonio and Mrs. Anderwald went to Wharton to visit Mr. and Mrs. Frank R. Anderwald and family on the Pierce Ranch. While there they attended the annual Wharton County Youth Rodeo. Chris, Randy and Mary Kay, the children of Mr. and Mrs. Frank R. Anderwald, were among the contestants and won prizes in the fine rodeo. Young Todd Anderwald remained over for a week's visit with his cousins.

'THE LITTLE HUT' IS NEWEST STARLIGHT PLAYHOUSE FEATURE

The Mayan Ranch's summer theatre the "Starlight Playhouse" continue to draw fine crowds to enjoy the delightful entertainment put on each night in the week by the excellent Hollywood east.

Last Sunday night a new play the very delightful, "The Little Hut" was introduced. This charming play is strictly comedy, though it tells the story of the eternal triangle, it is very cleverly and entertainly done by Chet Smith as Philip; Lagene Gaye, as Susan; Art Names as Henry and James Kennedy as Stanley.

Art Nambs, one of the producers and a member of the cast stressed the fact that this play is strictly adult entertainment, that children are not invited due to the fact that the play is a story of the eternal triangle, when a group on a cruise are shipwrecked on a desert island. Though hilarious comedy, the dialect is clean and charmingly done.

The repertory of the Starlight Playhouse includes "Temporary Husband" on Monday nights; "Educating Eve" on Tuesday nights; "Bachelor's Delight" on Wednesday nights; Thursday night is dance night at the Mayan Ranch; "Are You a Monkey" and "Josey's Rope" on Friday nights and Saturday is also dance night at the Mayan.

You will enjoy sitting under the stars to view any of these entertaining comedies at the Mayan Ranch open air amphitheatre, then after the show meeting the happy cast of Hollywood players. So, make your plans now to attend any or all of the delightful plays. You will be glad you did.

Mr. and Mrs. Alton Anderwald of Midland were recent guests of his father, Frank Anderwald, and other relatives and friends.

Rev. and Mrs. McDonald and Patsy Ann of Fredericksburg were guests of Mr. and Mrs. B. C. Fleenor this past week-end. Rev. McDonald is pastor of Edison Street Methodist Church in Fredericksburg.

Lambs at the Wood Ranch Weighed

Fred Campbell from the Sonora Experiment Station and the County Agent weighed two groups of lambs on the Wood Ranch which is managed by Lane Langford. One group of lambs was sired by Rambouillet rams from the Experiment Station and the other group of lambs was sired by Delaine rams.

The ewes were the same breeding and no selection work had been done. The ewes that were bred to the type different breeds of sheep were the same size.

The lambs from the Rambouillet rams weighed 62 pounds while the lambs from the Delaine rams weighed 50 pounds. This a difference of 12 pounds and lambs bringing 18c per pound would make a difference of $2.16 per head.

The staple length was also measured. The length on the Rambouillet lambs was 2.63 inches and 1.37 inches on the Delaine lambs. This is no remarkable difference between the two lenghts. It was noticed that the Delaine lambs had a more uniform length to the fiber than the Rambouillet lambs.

Refund of Federal Tax on Gasoline 3c Per Gallon

Form 2240, Federal Tax refund form has been sent out by the District Director of Internal Revenue. The refund is made on gasoline used after June 30, 1958, and before July 31, 1959. The Federal refund is 3c per gallon. The refund claim should be made not later than September 30, 1959. This claim is not related in any way to the state tax refund which is 5c per gallon.

Farmers and ranchers who have filed refund claims in the past will receive them directly from the District Director of Internal Revenue. Those who have never filed a claim can get Form 2240 at the County Agent's office or the ASC office.

Public Hearing on New Brucellosis Law

There will be a public hearing on the new Brucellosis Law in Fort Worth on July 22. The notice of this hearing has been posted in the Bandera County Courthouse.

More on Leptospirosis (Lepto)

All warm blooded animals including humans are susceptible to leptospirosis. This means that sheep, goats, and swine can acquire the disease as well as cattle.

Water is the main source of causing it to spread. It can be carried downstream a great distance and be picked up by more animals. Anyone who lives on a flowing stream should be especially careful about his livestock. It spreads very easily and losses can be severe. Some animals are not affected as severely as others. Some will lose a lot of weight, milk production is reduced, some cows may have a spoiled udder, and take a long time to recover.

Lepto has been reported on four different ranches on the Julian Creek. The reports were on cattle, but it could mean that it will show up in other livestock later.

Vaccination is a preventive for the control of lepto. If there is a possibility of a re-infection, the rancher should vaccinate again.

Dr. C. H. Langford has been vaccinating twice a year and has never had any Lepto trouble. He started vaccinating as a preventive even though there was no cases of lepto reported in the area.

The dose is 5cc per head and the vaccine can be bought at the local drug stores.

SOUTHWESTERN BELL TELEPHONE HAS NEW MANAGER

Leonard Hardin, of Temple, has been promoted and appointed manager of the Southwestern Bell Telephone Company here, according to an announcement this week by Joe Ridgway Jr., district manager of the company's Uvalde district. Hardin replaces LeRoy Binz, who has resigned to enter other work at San Antonio.

The change is effective immediately, Ridgway said.

In his new post Hardin will have charge of the telephone company's business office operations in the exchanges which make up its Uvalde group. Included are Uvalde, Brackettville, Bandera, Castroville, Devine, Hondo, La Coste, Lytle, Pipe Creek, Sabinal and Yancey.

Hardin's promotion to the manager's post is another step in his telephone career which began in January of 1952 when he started with the company as a station installer in McAllen, in the Rio

Leonard Hardin

Grande Valley area.

In 1954, Hardin transferred to the business office engineering staff of the company and he served as pay phone coin collector until August of 1955 when he was named commercial engineering assistant in Austin.

In 1956 and 1957, Hardin completed a year of special training as staff assistant with the company which took him to various locations on special assignment. He was named commercial assistant in Austin in 1957 in Austin, and was promoted to commercial staff assistant on October 1, 1958. In recent months, Hardin has served at Temple as acting business office supervisor.

Hardin is a native of Mississippi, but moved to Edinburg in the Rio Grande Valley as a boy. He attended Edinburg schools and entered the U. S. Army in 1946. He served with the Armed Forces in Japan until 1947. In 1948 he married the former Mae McMillan of Edinburg. The couple has two daughters, Connie, 7, and Terrye Lynn, 5.

Hardin attended the LIFE Bible College at Los Angeles one year and studied Theology. He later studied law and was graduated from the Blackstone School of Law, of Chicago, with an L.L.B. Degree, in 1954. Since that time Hardin has completed four years of study with the Alexander Hamilton Institute of New York.

Hardin has been active in civic affairs. He is past president of the Texas Tuberculosis Assn. of Austin, and is also past president of the Capital City Commercial Club of Austin. In Temple, Hardin was served as president of the Tuberbine Bowling Club, and also as a director of the Temple Junior Chamber of Commerce. In Temple, Hardin's family has been attending the Memorial Baptist Church.

BANDERA BOY SCOUTS WILL CAMP AT INDIAN CREEK

Fifteen members of Boy Scout Troop 146 will leave Sunday at 1:30 p.m., from the Bandera Court House, for a week of camping at Indian Creek Scout Camp, near Ingram. Accompanying the boys will be Scoutmaster John Gumert and Assistant Scoutmaster Russell Zickler.

Only one of the boys, Johnny Heinen, has previously spent a week at a scout camp. Others who will go are Harold Brooks, Jimmy Daniels, Boyce Sprots, Harold Brooks, Russell Zickler, Jr., Bobby Bailey, Billy Small, Albert Byrne, Jimmy Small, Robert Johnson, Bobby Jones, Mike Fitzpatrick, Johnny Small and Elmo Jaye.

Elmo Jaye, Senior Patrol Leader, will accompany Scoutmaster Gumert to a pre-camp training session tomorrow.

At the camp the boys will have instruction in swimming, water safety, boating, archery, marksmanship, hiking, geology and other scouting skills. There will be a camp fire program each night.

Visitors are invited to the program Wednesday, July 22. Lunch will be served in the camp dining hall at the cost of one dollar provided the scoutmaster is given the day's notice. Visitors should arrive by 5 p.m.

This camping trip is the troop's first activity of the new scouting year. Twenty boys, ages 11 to 14, are now registered in the troop.

Chairman of the Boy Scout Troop Committee in Bandera is Dr. George Meador. Institutional Representative is M. M. Kendrick. Troop Committeemen are Frank Montague Jr., A. B. Small, Dr. Albert Byrne, G. T. Sandidge and R. N. Bailey.

In preparation for the camping trip, the Scouts practiced swimming and water safety at the pool at the Medina Children's Home last Saturday. Boys living at the home joined in the instruction. The troop thanks Children's Home Director Bill Pugh and C. W. Landess for their hospitality.

SUMMARY BY COUNTIES OF WRECKS INVESTIGATED BY HIGHWAY PATROLMEN ONLY

A total of 150 wrecks were reported and investigated by Highway Patrolmen in the 18 county district in June, 1959, with six wrecks claiming nine lives and 54 wrecks injuring 88 persons and property damage totaling $84,215. This brings the total killed in the district for 1959 to 39 as compared to 39 for the same period in 1958, according to information released by Captain N. R. Smith of the San Antonio District of the Highway Patrol Service, Texas Department of Public Safety. In June 41 men assigned to the San Antonio District traveled 109,965 miles in enforcement of the traffic laws.

A total of 5,302 violators were contacted by the patrolmen with 1,563 of these being arrested for traffic violations. The arrests included the following: 31 arrested for driving while intoxicated; 576 arrests, for speeding; 64 arrests for improper passing; 41 arrests for driving on the wrong side of the road not passing; 33 arrests for run stop sign; 343 arrests for drivers license violations. Three thousand nine hundred and thirty-eight persons were issued written warnings for hazardous violations of the traffic laws.

Bandera County had six total wrecks, six persons injured and $2,955.00 property damage in June.

A. B. TILGHMAN OWNS RARE NEWSPAPER

A. B. Tilghman was a Bandera visitor Tuesday when he dropped by to show us a very rare newspaper, the Ulster County Gazette printed in Kingston, New York, on January 4, 1800. The rare newspaper was in excellent condition and Mr. Tilghman had placed it in a cellophane wrapping to preserve it. The paper was given to him by his cousin, Mrs. E. C. Moseby of Holstes. It was a most interesting issue as it was the memorial issue honoring George Washington. Among advertisements and items of interest was one advertisement offering for sale a negro wench. The advertisements were written in unique style and the entire paper was a "gem."

TEXAS NEWSPAPERS PLACE BLAME OF CHILDREN'S PROBLEMS

Almost two-thirds of the reasons given by newspaper readers in Texas expressed the belief that the greatest problem of children is lack of parental care, guidance and discipline.

Governor Price Daniel announced this today in disclosing first results of a statewide newspaper public opinion poll conducted by the Governor's Committee for the 1960 White House Conference on Children and Youth.

The Committee had requested readers to send their opinions on the ten greatest problems facing Texas children and youth, and most newspapers printed the poll as a public service.

A tabulation of the first 1,000 replies to the poll revealed that 63 per cent considered lack of parental care and guidance the top problem. Three-fifths of this group specifically cited lax parental control, while two-fifths listed lack of spiritual training and church attendance.

Dr. Guy D. Newman of Brownwood, chairman of the Governor's Committee, presented results of the poll to the Governor.

Under problems relating to parental care and guidance, specific complaints most often reported were lack of spiritual training; poor church attendance; poor parental examples; not giving child enough responsibility; lack of discipline and obedience to parents; lack of family unity and teamwork; lack of parental mentality; too much freedom with cars; lack of teaching respect to others.

Other problems mentioned in order of frequency were:

Lack of educational opportunities, 10 per cent; too much time and too little work, 9 per cent; working mothers, 5 per cent; poor public influences such as lewd and violent shows, obscene literature, liquor, etc., 3½ per cent; financial need, 3 per cent.

Governor Daniel pointed out that the poll is still open, and that radio and television stations are requesting listeners to send their views on youth problems.

"These opinions from the grass roots level will serve as a guide for the Committee members when they attend the White House Conference next March," the Governor stated.

BANDERA 'RAINBOW GIRLS' ATTEND GRAND ASSEMBLY

The Grand Assembly Order of the Rainbow for Girls was held in San Antonio on June 15, 16 and 17. Four girls from the Bandera Assembly No. 279 attended. They were Barbara Focke, Camille Roulquist, Carol Ann Vaughn, Judy Carol Resachler, with the Mother Advisor, Mrs. Judy Meginnis.

INTERNAL REVENUE COLLECTS $1,370,000,000 IN 111 COUNTIES

The Austin District Office of the Internal Revenue Service collected more than $1,320,000,000 from taxpayers in 111 counties in the approximate south half of Texas during the fiscal year ended June 30, 1959. This information was released by District Director R. L. Phinney, whose office receives more than 2,320,000 returns each year. Of these returns, approximately 1,500,000 are individual income tax returns.

Phinney pointed out that while these collections were slightly less than forthe fiscal year ended June 30, 1958, they nevertheless indicate a very healthy economic and employment condition. There was an increase of more than $20,000,000 in the amount of taxes withheld by employers, as well as an increase of almost $3,000,000 in the amount of individual income taxes collected. This indicates that there was less unemployment this past fiscal year than the year preceding and that individual earnings were appreciably increased. Phinney said that the only appreciable decrease in collections was in the corporation income tax, attributed this decrease to the fact that there have been some consolidations of corporations with consolidated returns being filed in other districts.

LIFE SAVING CLASSES PLANNED

Mrs. Lester Moore announced this week that plans are being made for some adult life saving classes sometime the last part of July or the first part of August, and those who are interested in taking life saving instructions are requested to sign up with Mrs. Hayes as soon as possible so that it can be ascertained if the classes will be held, and so that Miss Ellen Louise Brient may be secured to teach these classes.

It is planned to have two adult classes, one for the younger women and one for the "grandma" classes.

Then there will be the Junior life saving classes for the 12 to 15 age group, or the seventh through tenth grades. The Senior group will include the 16 year age and up or the 11th grade up.

If you are inforested in learning life saving contact Mrs. Hayes at once.

QUARTERLY RED CROSS MEETING SLATED

The regular quarterly meeting of the Bandera Red Cross Chapter will be held on July 23 at 4:30 p.m., in the B&B Finance office. All members are urged to be present.

GUESTS IN LOUIE MAYES HOME

Mr. and Mrs. Louie Mayes and family had as their guests over the past weekend their daughter, Mrs. Jim Rees and baby, Marta Kim, of Port Arthur. They were pleased to hear Marta Kim had been chosen as one of the prettiest babies in a Port Arthur Baby Contest. Other guests in the Mayes home were Mr. and Mrs. Bob Mayes of Mason, Mrs. Jack Taylor and daughter, Lou Ann, and Jason Hayes of Abilene, Mr. and Mrs. H. V. O'Bryant of Austin, Mr. and Mrs. Sonny Schmidt and baby and Miss Peggy Ann Mayes.

Mrs. Rees accompanied Mr. and Mrs. John Walker and son, Tommy, to Bandera. The Walker family went on to Medina to visit relatives.

We were delighted to have a visit from Mrs. Elma Padgett and grandson and Leslie Mazurek of Utopia.

TWICE-TOLD TEXAS TALES

By J. Marvin Hunter, Sr.

Under this heading from time to time we will publish Texas historical articles which we have published before in Frontier Times or in other publications, but which we believe will be of interest to Bulletin readers.

EAST TEXAS PIONEER STORIES RETOLD

Of the many unsung heroes of early Texas, Martin Palmer (Palmur) is one whose life was one of romantic adventure. Descendent of the Palmers who carried the palms in the Crusades, this man was one who truly lived up to his name. From the first Palmer —William who came to this country in 1621, in the good ship "Fortune," through Colonial days, through the westward migration, the Palmers wended their way through the history of America, from Virginia, to Kentucky, to Tennessee, to Missouri.

Many stories are woven around the life of the Missouri Palmer, Martin; stories of his prowess as a hunter, and his dealings with the Indians; stories that gave him the subriquet of "Ring-Tailed Panther of Missouri" and that made him the Indian agent for the Missouri Territory. That this gallant and adventurous and picturesque man was also a gentleman is proved by the fact that he was a representative, and later was elected senator, from the district in which he lived, and was one of the committee appointed to draw up the first constitution under which Missouri became a state.

Texas—one would know that the very word would draw such a man as this one. The drawing power of a certain esteemed friend, Moses Austin, was so great that when it became time for Palmer to take his seat as a senator, it was found that he had gone to Texas.

It is known that he made at least one trip to Texas before he moved his family there. In 1820, 30 heads of families came with Moses Austin to look over the land with the idea of settling in Texas. Records show that Martin Palmer was with that group.

Arkansas was a stepping stone between Missouri and Texas. It is thought that a long rest was needed from the overland, ox-wagon trip of the Grand river—Missouri-Mississippi river, Arkansas river trip (it is not known for sure how the family traveled) for the trip proved too much for the wife and mother of the family. The Arkansas stop did little good, for Mrs. Palmer died shortly after the family arrived in Texas.

In 1825 we find the Palmers in their new home at Mound Prairie, Texas, now near Alton in Cherokee county.

Palmer's reputation preceded him to Texas. His experiences were border gossip and his various feats of daring made him feared and respected. One would expect such a man to throw himself heart and soul into the trouble that had been brewing and that came to a head later in the Fredonian Rebellion.

It was not long before Palmer had visions of a free Texas. A fervent desire for freedom would have to be in the hearts and minds of the people. They would have to be awakened as to the way that would eventually be fought for the freedom of Texas. Palmer knew that there would be many a step between the desire and the goal itself.

It was a cold December day (the 16th) in 1826 that a brave body of men, numbering about 70, rushed into the town of Nacogdoches, their red and white flag unfurled. The company of men under the command of Colonel Palmer, stopped at the old stone fort there and proclaimed the independence of the Fredonian Republic, and we find Martin Palmer's name listed on this flag.

The failure of the Fredonians in 1826 was but the forgot that lighted the desire for a free Texas, but it was not until a decade later that success crowned the efforts of the Texans. It is said that Palmer fired the first shot for independence of Texas, on that memorable December day in 1826. Palmer was compelled to flee his home ahead of a body of Mexican troops that entered Nacogdoches to quell the rebellion. Stephen F. Austin used his influence to obtain amnesty for the rebels and Palmer, Austin, Sam, spent some time going to Gonzales to convey this news to his father.

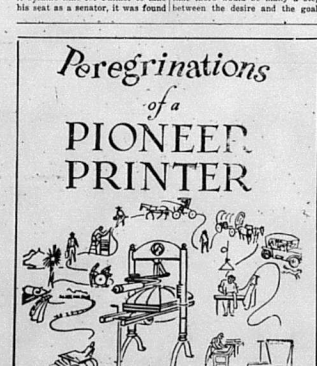
During the stay of Martin in Gonzales, he became a hero honored by that settlement, for his time was spent in leading an expedition against the Comanche Indians, who had planned to storm the town.

On the trip back to Nacogdoches, Palmer learned that he was one of those excepted from the benefits of amnesty to the Fredonians. Though many near escapes from arrest, Palmer made his way across Texas into Louisiana.

When Palmer was allowed to return to Texas he settled on the Neches river near the present city of Beaumont. Fullmore, in his "History and Geography of Texas," tells us that Martin was among the Indians for six or eight years and then appeared in public life as a member of the Consultation of 1835.

From then on his public life shines forth as one of the prominent men of Texas. He assisted in the preparation of a plan for the provisional government and in the election of officers to operate that government. He was a member of the "executive council" to aid Governor Smith but had retired from his position when Governor Smith was deposed. He was elected as a delegate to the convention that met at Washington-on-the-Brazos. He was a signer of the Delcaration of Independence and of the Constitution of the Republic of Texas.

Isam Palmer was the only one of Martin Palmer's son that served in the Texas army. In 1826 and 1827 he served under his father in the Fredonian army. In 1835 he served in the siege of Texas, in Capt. John M. Bradley's company, and participated in the Grass Fight. This was his last military service. In February, 1836, he accompanied his father to Washington, and on March 1 was elected door-keeper at the convention.



Before leaving home for Washington, he purchased a very large fine looking grey horse, for which he paid 400 Mexican dollars, and rode him to Washington. He was a large and handsome animal. General Houston, having been reelected commander-in-chief of the army, left Washington for Gonzales on the 6th of March. He was sorrily mounted, and wanted a better horse, and proposed to purchase Isam Palmer's fine horse, offering to pay him the price that he had paid for the horse. Palmer prided himself in his horse and wished to keep him, but to accomodate General Houston he accepted the offer. This was the horse that was killed under General Houston in the battle of San Jacinto.

A few days later, Judge Richard Ellis, president of the convention wished to send a dispatch by a safe messenger to San Augustine, and requested Isam Palmer to bear it. He promised to do so if he could purchase a suitable horse. He soon found one for which he paid the identical 400 Mexican silver dollars which he had received from General Houston.

In 1850, feeling the weight of his years, Palmer's plan to move to Walker county was ended by his death of pneumonia.

In the centennial year his body was moved to the Arlington of Texas in Austin and he now lies where his self sacrifices, and the heroes of Texas. His name is among other Texas heroes on a granite marker in Jasper—"Lest We Forget."

Palmer's children and grandchildren, reared and educated on the turbulent frontier of several states, all grew to be honorable and successful men and women and made for themselves esteemed places in all walks of life.

Peregrinations of a PIONEER PRINTER

by J. MARVIN HUNTER

An Autobiography

Besides being the autobiography of an old time itinerant country printer and newspaper man, it is full of humorous anecdotes and some good history. In it you will find mention of many people you knew personally in different Texas counties. This old printer tells in pleasing style the story of his peregrinations (wanderings) through West Texas, New Mexico, Arizona, and even Old Mexico; how he and a fellow newspaper man had to leave "between two days" and ride in a side-door pullman (box car) through to El Paso with the Mexican revolies hot on their trail; of his experience as a sheepherder; of two uneasy days he spent entertaining a noted outlaw in his ghost camp; of meeting noted characters, both famous and infamous; and of many other thrilling events and at last he "settled down" in Bandera to spend his remaining years among the best people on earth.

By Congressman O. C. FISHER

A presidential veto of the housing bill, Democratic Chairman Paul Butler's attack on the Democratic leadership in Congress, and a substantial cut in foreign aid, produced headlines in the Capital city last week.

The veto, which was expected, puts a quietus on an over-ambitious housing bill. The President properly labeled the measure as inflationary and entirely too costly. Proponents claim the bill called for less than requested. But they never mention the fact the bill also authorizes 190,000 additional public housing units which would cost the taxpayers $3.7 billion and which were not requested. And this despite the fact more than 100,000 additional units are already authorized that have not been construcuted.

* * *

Foreign Aid may be reduced substantially this year as a result of the Senate action last week. The President had requested authorization for $3.9 billion. The House acted first and trimmed the budget figure down to $3.5 billion. The Senate approved, an amount just a little higher than the House had provided. Actually there is and has always been a lot of fat in foreign aid, and much of it can and should be cut out or reduced even more.

* * *

Democratic Chairman Paul Butler's attack on Senator Lyndon Johnson and Speaker Rayburn seems to have backfired on the talkative chairman. Butler, who always plugs for more and more spending and more and more liberal and socialized legislation, was tow-towing to the radicals in the party. But probably to his dismay the chief back-fire came from such moderates and liberals as Senator Green of Rhode Island and Assistant Senate leader Mike Mansfield of Montana.

Among recent guests have been Mr. and Mrs. Jack Lee and son, Robby Lee, of Mason; Mrs. F. F. Westbrook and daughter, Janet, and Mrs. Roy Foster, all of Sterling City; Mr. and Mrs. Ray Hunday and son, Roy, of Brady; Mr. and Mrs. Don Russell and Lane Walker, of Lano.

Gum Chewers—Americans" are chewy people, by gum. Last year they paid $306 million for 250 million pounds of chewing gum, enough for more than 200 sticks for every man, woman and child! But gum manufacturers are not satisfied; they aim for an annual chewing consumption of 500 sticks a person.

POINT SUMMER THEATER PLANS WEEKLY AUDITIONS FOR LOCAL TALENT

William Hardy, director for the Point Summer Theater at Ingram, Texas, announces that auditions will be held every Sunday afternoon at 2:00 p.m. Anyone with stage, radio, or other theatrical experience or interest is cordially invited to come by the theater just outside Ingram on highway 39 and meet Mr. Hardy. Mr. Hardy says he will be glad to talk to anyone interested in the theater either from the acting standpoint or just scenery painting. The Point Summer Theater is sponsored by the Hill Country Arts Foundation and has already completed a successful run of "Stalag 17" and are currently entertaining local audiences with the comedy "Reluctant Debutante." They are now playing "My Three Angels" which opened Wednesday, July 15th. The schedule of plays for the balance of the summer includes "Gigi," "Tunnel of Love," and one other to be named at a later date. The Point Summer Theater is staffed by company of veteran professional actors and technicians, and affords a great opportunity for production training for those interested. For further information phone EMpire 7-2624 in Ingram, or write Point Summer Theater, Box 176, Ingram, Texas.

FIVE ENROLL IN TWIRLING CAMP AND CHEERLEADER CLINIC

Approximately fifty-two high school and junior high school students have registered for Lamar Tech's annual Cheerleader Clinic and Twirling Camp to be held simultaneously August 17 through 21 on the Lamar Tech campus.

"There are already more enrolled in the two clinics this year than attended last year," Pete Wiley, Lamar Tech Band Director and chairman of the sessions, has said, adding that enrollment will be restricted to a total of 500 students for both clinics.

Tuition, room and board are the same for each group—$32.00. The students will be housed in Lamar Tech dormitories and will eat in the air-conditioned college cafeteria.

Classes will be held from 8 a.m. to 4 p.m., each day, with an hour break for lunch. Recreational activities will include swimming from 4 to 5:30 each afternoon, and a college-sponsored dance.

Instruction in the Cheerleading Clinic will cover cheerleading techniques, routines synchronized with yells, tips on raising school spirit, crowd psychology, musical yells, mass demonstrations in the stands and qualifications of a good cheerleader, with special sessions on sportsmanship, pep rallies, skits, bon fires and parades.

Students in the Twirling Camp will learn one and two baton work, drum majoring, lighted and fire baton work, flag swinging, marching, fancy majorette steps and routine and ensemble work. There will be special sessions in contest twirling, rope spinning, uniforms, qualifications of a good majorette, parades and pep rallies.

Five students from Bandera High School have enrolled in the Twirling Camp. They are Elvera Augueseva, Rosemary Faerie, Barbara Flach, Susan Langford, and Ruth Meginnis.

Registrations or requests for further information for either of the schools may be addressed to Pete Wiley, Lamar State College of Technology, Beaumont, Texas.

MOTHERS HAVE PRE-SCHOOL ORGANIZATION

On July 5th at 3 p.m., the pre-school organization met in the bath hall in the Public School gymnasium. Mrs. David Stewart, chairman of the group, called the meeting to order and asked Mrs. H. H. Saathoff to act as secretary, to read the minutes from the first meeting on May 11 and that of the planning committee on June 4. Mrs. Teel then spoke on the meaning of the organization and helped form committees for difficult projects. Mrs. W. T. Matthews volunteered to be chairman of the program committee with Mrs. Billy Griffin and Mrs. Paul Kriley serving with her. Mrs. Teel, Mrs. Wootton and Mrs. King are the year book committee.

A motion was made and seconded that Mrs. Saathoff be permanent secretary, treasurer and publicity chairman. And it was voted that the set time and date for future meetings will be the third Thursday of each month at 3 to 4 p.m., starting in September. A reminder will be in the paper before each meeting and we will announce the meeting place then.

Cool refreshments of iced tea and cookies were served during the meeting to Mrs. LeRoy Sprott, Mrs. Ray Stevens, Mrs. Paul Kriley, Mrs. Billy Griffin, Mrs. Henry Skeen, Mrs. Frank Pearson Jr., Mrs. Wes Matthews, Mrs. Grace Wootton, Mrs. David Stewart, Mrs. Knowles Teel and Mrs. H. H. Saathoff Jr.

MARRIAGE IS ANNOUNCED

Mr. and Mrs. W. N. Gray announce the marriage of their son, Billy Gray, to Vera Mae Schonert. They were married in the Methodist Church in Needville, Texas, on July 11. They are spending their honeymoon in Bandera at their ranch.

Mrs. Charles Yancey and son, David, of Dallas, Texas, were guests of her daughter and husband, Mr. and Mrs. Jimmy Cottingham, last week-end. She was here to attend the miscellaneous shower for them held Thursday evening at the Bandera church of Christ education building.

ONE OF THE 7 BIG BESTS CHEVROLET GIVES YOU OVER ANY CAR IN ITS FIELD

Take it, not from us, but from official results of this year's Mobilgas Economy Run: Chevy's pennypinching 6 delivers the most miles per gallon in its field. For a pair of these Chevrolet sixes with Powerglide walked away with the first two places in their class, getting the best mpg figure—a whopping 22.38—of any full-size car. And here are more exact, impartial opinions and on-the-record facts backing us up on Chevy's other six bests:

BEST TRADE-IN
Check the figures in any N.A.D.A.* Guide Book. Chevrolet used car prices last year averaged up to $128 higher than comparable models of the "other two."

BEST STYLE
It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "Chevrolet establishes a new high in daring styling."

BEST BRAKES
In direct competitive tests of repeated stops from highway speeds conducted by NASCAR†, Chevrolet out-stopped both of the other leading low-priced cars—and why not: Chevy brakes are far larger, built with bonded linings, to help lengthen brake life by as much as 66%.

BEST ROOM
Official dimensions reported to A.M.A.‡ make this clear. For example, Chevy front seat hip room is up to 5.9 inches wider than comparable cars.

BEST ENGINE
Every motor magazine has given Chevrolet's standard and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: "Indeed this device is surely the most wonderfully responsive engine available today at any price."

BEST RIDE
MOTOR TREND magazine calls Chevy "... the smoothest, most quiet, softest riding car in its price class." You'll be able to tell this yourself, instantly. And your Chevrolet dealer can tell you about a long list of other advantages besides these 7 big ones!

TWICE-TOLD TEXAS TALES

By J. Marvin Hunter, Sr.

Under this heading from time to time we will publish Texas historical articles which we have compiled and printed before in Frontier Times or in other publications, but which we believe will be of interest to Bulletin readers.

EAST TEXAS PIONEER RETOLD

Of the many unsung heroes of early Texas, Martin Palmer (Parmer) is one whose life was one of romantic adventure. Descendent of the Palmers who carried the palms in the Crusades, this man was one who truly lived up to his name. From the first Palmer —William who came to this country in 1621, in the good ship "Fortune," through Colonial days, through the westward migration, the Palmers wended their way through the history of America, from Virginia, to Kentucky, to Tennessee, to Missouri.

Many stories are woven around the life of the Missouri Palmer, Martin; stories of his prowess as a hunter, and his dealings with the Indians; stories that gave him the sobriquet of "Ring-Tailed Panther of Missouri" and that made him the Indian agent for the Missouri Territory. That this gallant and adventurous and picturesque man was also a gentle man is proved by the fact that he was a representative, and later was elected senator, from the district in which he lived, and was one of the committee appointed to draw up the first constitution under which Missouri became a state.

Texas—one would know that the very word would draw such a man as this one. The drawing power of a certain esteemed friend, Moses of a certain esteemed friend, Moses Austin, was so great that when it became time for Palmer to take his seat as a senator, it was found that he had gone to Texas.

It is known that he made at least one trip to Texas before he moved his family there. In 1820, his brash of families came with Moses Austin to look over the land with the idea of settling in Texas. Records show that Martin Palmer was with that group.

Arkansas was a stepping stone between Missouri and Texas. It is thought that a long rest was needed from the overland, ox-wagon trip or the Grand river—Mississippi river, Arkansas river trip (it is not known for sure how the family traveled) for the trip proved too much for the wife and mother of the family. The Arkansas stop did little good, for Mrs. Palmer died shortly after the family arrived in Texas.

In 1825 we find the Palmers in their new home at Mound Prairie, Texas, now near Alton in Cherokee county.

Palmer's reputation preceded him to Texas. His experiences were border gossip and his various feats of daring-deeds made him feared and respected. One would expect such a man to throw himself heart and soul into the trouble that had been brewing and that came to a head later in the Fredonian Rebellion.

It was not long before Palmer had visions of a free Texas. A fervent desire for freedom would have to be in the hearts and minds of the people. They would have to be awakened as to the war that would eventually be fought for the freedom of Texas. Palmer knew that there would be many a step between the desire and the goal, itself.

It was a cold December day (the 16th) in 1826 that a brave body of men, numbering about 70, rushed into the town of Nacogdoches, their red and white flag unfurled. The company of men under the command of Colonel Bullock stopped at the old stone fort there and proclaimed the independence of the Fredonian Republic, and we find Martin Palmer's name listed on this flag.

The failure of the Fredonians in 1826 was but the forgot that lighted the desire for a free Texas, but it was not until a decade later that success crowned the efforts of the Texans. It is said that Palmer fired the first shot for independence of Texas, on that memorable December day in 1826. Palmer was compelled to flee his home ahead of a body of Mexican troops that entered Nacogdoches to quell the rebellion. Stephen F. Austin used his influence to obtain amnesty for the rebels and Martin's son, Isom, spent some time going to Gonzales to convey this news to his father.

During the stay of Martin in Gonzales, he became a hero honored by that settlement, for his time was spent in leading an expedition against the Comanche Indians, who had planned to storm the town.

On the trip back to Nacogdoches, Palmer learned that he was one of the men excepted from the benefits of amnesty to the Fredonians. Though many near escapes from arrest, Palmer made his way across Texas into Louisiana.

When Palmer was allowed to return to Texas he settled on the Neches river near the present city of Beaumont, Fullmore, in his "History and Geography of Texas," tells us that Martin was among the Indians for six or eight years and thus appeared in public life as a member of the Consultation of 1835.

From then on his public life shows him as one of the prominent men of Texas. He assisted in the preparation of a plan for the provisional government and in the election of officers to operate that government. He was a member of the "executive council" to aid Governor Smith but had retired from his position when Governor Smith was deposed. He was elected as a delegate to the convention that met at Washington-on-the-Brazos. He was a signer of the Declaration of Independence and of the Constitution of the Republic of Texas.

Isam Palmer was the only one of Martin Palmer's son that served in the Texas army. In 1826 and 1827 he served under his father in the Fredonian army. In 1835 he served in the siege of Texas, in Capt. John M. Bradley's company, and participated in the Grass Fight. This was his last military service. In February, 1836, he accompanied his father to Washington, and on March 1 was elected door-keeper at the convention.

Before leaving home for Washington, he purchased a very large fine looking grey horse, for which he paid 400 Mexican dollars, and rode him to Washington. He was a large and handsome animal. General Houston, having been re-elected commander-in-chief of the army, left Washington for Gonzales on the 6th of March. He was sorrily mounted, and wanted a better horse, and proposed to purchase Isam Palmer's fine horse, offering to pay him the price that he had paid for the horse. Palmer prided himself in his horse and wished to keep him, but to accomodate General Houston he accepted the offer. This was the horse that was killed under General Houston in the battle of San Jacinto.

A few days later, Judge Richard Ellis, president of the convention wished to send a dispatch by a safe messenger to San Augustine, and requested Isam Palmer to bear it. He promised to do so if he could purchase a suitable horse. He soon found one for which he paid the identical 400 Mexican silver dollars which he had received from General Houston.

In 1850, feeling the weight of his years, Palmer's plan to move to Walker county was ended by his death of pneumonia.

In the centennial year his body was moved to the Arlington of Texas in Austin and he now lies where he belongs, among the heroes of Texas. His name is among other Texas heroes on a granite marker in Jasper—"Lest we Forget."

Palmer's children and grandchildren, reared and educated on the turbulent frontier of several states, all grew to be honorable and successful men and women and made for themselves esteemed places in all walks of life.

AUCTION CHARGES REDUCED AT UNION STOCK YARDS SAN ANTONIO

The San Antonio Livestock Market Institute has announced a reduction in the cattle Auction charges at the Union Stock Yards San Antonio effective July 9, 1959. The Auction charges in the future will be regular commission and yardage and 60c per head. This is a reduction from an average of $1.34 to 60c per head or a reduction of 74c per head. This 55 per cent reduction was made after six Auction Sales were held at the Union Stock Yards San Antonio, because it is the policy of the Stock Yards Company and the Commission Companies to offer the most service for the least possible cost. Producers of cattle in South Texas asked for these Special Cattle Auction Sales. These farmers and ranchers have supported these sales so well that they are to be held every Thursday in the future. The cattle auction sales start at 10:00 a.m., and everyone is invited to buy, sell or just come and visit with their neighbors from all over South Texas.

Many hundreds of farmers and ranchers from all over South Texas have visited the Special Cattle Auction Sale every Thursday which is a real indication of the success of the sales, and they have shipped 19,235 head of cattle and calves to these sales. The gross value of these cattle sold was $2,535,540.00.

The buying demand has been both local and national. Local, regional, and nationwide buyers have bought cattle. Out of state feeder and stocker buyers have bought and shipped cattle from this Thursday sale at the Union Stock Yards San Antonio to California, Arizona, Colorado, and the Corn Belt. Many farmers and ranchers have bought stockers for their own farms and ranches. The large volume and buying power offered at the Union Stock Yards makes San Antonio the Monday through Friday livestock center of South Texas.

BANDERA COWBOYS GAIN WEEK-END

The Bandera Cowboys will try to continue their winning ways when they host the Hondo White Sox in a 7:30 p.m. game at the Mayan Ranch field. Last week-end the locals gained a pair of close victories, Saturday, when they defeated the Fredericksburg Giants, 7-6, at the Fair Grounds in the annual Fourth of July classic and Sunday the Cowboys nipped the Kerrville Red Sox, 12-10, at Kerrville. In each game Bandera had to rely on their strong bench to gain the wins.

In defeating the Giants, Roger Tatsch went the distance while pitching in fine style. Vernon Enderlon delivered a big blow for Bandera, a two run home in the third. Also important in the Cowboy win was the fine defensive outfield work turned in by Jimmy Cottingham and Richard Schlador.

Sunday's game against the Red Sox saw the Cowboys overcome a 5-3 deficit in the eighth with a seven run outthrust in which eleven men went to the plate. Richard Schlador pitched a brilliant game for the locals in notching his first win of the season. Bandera's 17 year old youngster allowed but five runs in his seven and two-thirds innings of mound work. He fanned close to fifteen batsmen inefficient games so far. Jimmy Cottingham swung a hefty bat as he went four for five. Roger Ramos, another youngster, delivered a key double in the eighth inning.

* * *

O. J. Clark, who has been spending some time in a Temple Hospital, spent last week-end at home. He is getting along fine and will undergo surgery. His friends and relatives here wish for him a speedy and complete recovery.

* * *

Mr. and Mrs. Jim White of Brady visited Mr. and Mrs. Manuel Faris last Sunday. This was a very happy occasion for them as Mrs. White and Mr. Faris, who are cousins, had not seen each other since 1901, over fifty-eight years.

* * *

Mr. and Mrs. Jack Haines of Odessa, Mrs. Dewitt Leibold and son, Eddie, of Pipe Creek, and Mrs. Lon Jackson visited relatives in San Antonio Monday.

* * *

Misses Kathleen and Martha Ann Richards of Houston are spending the summer here with there grandmother, Mrs. Lillie B. Jones.

* * *

Mr. and Mrs. J. E. Justice and H. L. Porter of Medina were Bandera visitors Monday and paid the Bandera Bulletin office a pleasant call.

* * *

Mrs. B. H. Clark was a Bulletin visitor Monday and handed us the renewal of her subscription and also that of her daughter, Mrs. E. P. Rines, of Yakima, Washington.

* * *

Our thanks to W. L. McCleskey for the renewal to his Bandera Bulletin for another year.

* * *

Mr. and Mrs. Casmir Jurecki dropped into our office last Friday to renew their subscription to the Bulletin for another year.

* * *

Miss Jackie Burk of San Antonio is the guest of her grandmother, Mrs. Cleora Faris, this week.

* * *

Mr. and Mrs. Russell Blair have returned from a delightful vacation trip to Fulton Beach.

* * *

Jeanie, Tracey and Belle Nelson of San Antonio are visiting their aunt and uncle, Mr. and Mrs. Sidney Skinner this week.

* * *

Robert Denman, MD, of Houston visited old friends in Bandera on the Fourth of July. Dr. Denman's father was at one time superintendent of Bandera Public Schools and Bob attended school here.

* * *

Mrs. H. V. O'Bryant is spending this week in Temple at the bedside of Lonnie Clayton who is in the hospital there.

* * *

Mr. and Mrs. Marvin Hay and son, Tom, returned late Saturday from a delightful trip west. Among points of interest visited were Yellowstone National Park, Montana, Wyoming and Colorado, New Mexico. In Colorado they visited Mr. and Mrs. Ben Tilghman and son, Ross, at Gunnison.

* * *

Mr. and Mrs. John James and daughter, Minneara, spent the fourth of July week-end in Beeville where they enjoyed visiting with relatives and old friends.

WOOL SALES UP IN TEXAS

On June 5 about 186,000 pounds of 12-months wool was sold at the Producers Wool and Mohair Co., Del Rio, at prices ranging from 38½ cents to 52½ cents. Most wools sold at 49½ to 51 cents a pound. On June 6 in the second day of the sealed bid offering 216,000 pounds of 8-months wool sold at from 46½ cents to 50 5/8 cents, most going in the 49-cent range. Most bids were rejected.

In San Angelo the sealed bid sale of the Western Wool and Mohair Co., saw 271,000 pounds sold of an offering of about 500,000 pounds. The 12-months wool brought 44 to 48 cents a pound, with one lot bringing 37 cents and another 53½ cents. While the offer was only about half sold, the sale was satisfactory, according to George Taylor, warehouse manager. Henry Magnuel of Nichols & Co., was major buyer. C. J. Webre, Jr., of Forte, Dupee, Sawyer Co., Boston, major buyer in the Del Rio sale.

Scattered sales in the price range above have been reported over Texas with an estimated 50 per cent of the spring clip, about 20,000,000 pounds, estimated sold. Most holders indicate more opinion than in many months.

The Junction Warehouse Company wool sale, June 23, saw six buyers buying about 150,000 pounds of wool, 8-months and 12-months fleece, at prices ranging from 43 to 53½ cents for the 12 and 44½ to 49½ cents per pound for the 8-months. Some 250,000 pounds were offered.

The six buyers, out of 21 attending the sale, who made purchases, were: Gordon McCann, Lometa, for L. M. Stephens Co., Lewisville; Judge Taylor, Kerrville, for Forte, Dupee, Sawyer Co., Boston; Clyde Young, Lampasas, for Thomas F. Drapes Co., Inc., Boston; Dick Boutin, Kerrville, for Nichols & Co., Boston; Wylie Hearn, Ballinger, for Fields Wool Co., and Al Dohman, Del Rio, for Emery, Russell & Goodrich, Boston. Taylor was the big buyer, taking 55,000 pounds. — Texas Sheep and Goat Raiser Magazine.

HICKS FAMILY REUNION IS HELD AT MEADOWS HOME

The Hicks family met Saturday, July 11, at Mrs. Walter Meadows' on original home of the late Mr. and Mrs. E. L. Hicks. All enjoyed the wide spreading shade of the large oak tree, the same oak tree which served as home base when the grandfathers and grandmothers of today played hide and seek in their childhood, when they went to see grandma.

All enjoyed the delicious barbecue dinner of goat, chicken and sausage with all the trimmings.

Then after what seemed a short afternoon and evening visiting with the kin, all departed for their homes, happy in saying, "I was there."

Members of the family and friends who came were: Rev. and Mrs. Ira Garrison, Bob Mansfield, Mrs. John MacNaughton, Miss Estelle Harris, Mrs. C. H. Mansfield, Mrs. Wiley Meadows, Dr. and Mrs. J. O. Butler, Mr. and Mrs. George Fee, Mrs. Hercelia Meadows, Mr. and Mrs. D. W. Hicks, Jeanine, Charmen, Dickie, and David Hicks, Mr. and Mrs. Raymond Hicks and Howard Hicks, of Bandera; Mr. and Mrs. Hubert Mazurek, Mr. and Mrs. Felix Brandt and son, Terry, Mr. and Mrs. Lee Mansfield of Tarpley; Mr. and Mrs. Add Flowers, Mrs. Chas. Fee, John Fee, Paul and Walter Flowers of Medina; Mrs. F. A. Hicks, Miss Mary Hicks, Miss Animate Hicks, Mrs. Elma Padgett, Mrs. J. A. Hicks, Mr. and Mrs. D. B. Hicks, Mr. and Mrs. L. A. Hicks, Jillan and Diane Hicks, Mr. and Mrs. Leslie Maverick of Ukenja; Mrs. J. E. Jordan and children, Mr. and Mrs. Marcellus Garrison, Glenn and Marcy Garrison, Mr. and Mrs. F. D. Garrison, Hondy; Randy Carroll, Mr. and Mrs. Norvel Killian and son, Mr. and Mrs. Harvey Deering, Mr. and Mrs. Richard Paxton, Bill Kay and Jay Paxton, Mr. and Mrs. Bruce Hicks and children of San Antonio; Mr. and Mrs. Charlie Fee and children, Puddy and Spooky, of Corpus Christi, Rev. and Mrs. J. Miss Jeanine Hicks

JEANINE HICKS IS BANDERA DUTCHESS TO MOHAIR COURT

Miss Jeanine Hicks, charming daughter of Mr. and Mrs. D. W. (Speedy) Hicks, has been chosen by the Bandera Chamber of Commerce to attend the coronation of Miss Mohair as duchess from Bandera County and she will be attended by Joy Earl, local young businessman.

Miss Sala Nichols, daughter of Mr. and Mrs. Leroy Nichols of Leakey, is the present Miss Mohair.

Among social events for Miss Nichols and her court will be a get acquainted coffee and coke party in the Blue Bonnet Hotel on Thursday, July 30, at 10 o'clock in the morning. It is expected that about 35 young ladies will be in the royal party. Following the coffee and coke party the group will be entertained at the "Take it Easy Ranch" on the Cypress Creek road, where they will be the guests of Mr. and Mrs. Bruno Schulz for a barbecue.

In the afternoon the young ladies will rehearse for the coronation pageant and the coronation of Miss Phyllis Sweeten, daughter of Mr. and Mrs. Brooks Sweeten of Rocksprings will be held that evening at 8 o'clock in the Gus Schreinen Student Center at Schreiner Institute, and the dance, to be given in her honor, will be held in the National Guard Armory. Miss Virginia Moore of Ingram is chairman of this part of the meeting.

Miss Hicks is a candidate for the honor of Miss Mohair and as Bandera has never had a Mohair Queen it is their time to elect one. All Bandera County residents are urged to go to the show and vote for Miss Hicks. A membership in the Texas Angora Goat Raisers Association will make you eligible to vote in the Miss Mohair Queen contest. Membership fee is $2. To elect a Miss Mohair from Bandera County will give the Angora goat industry a tremendous boost.

LESTOURGEON HITS THREE HOMERS IN COWBOY 16-8 WIN

The Bandera Cowboys unleashed a flurry of power Sunday while defeating Pat's Cubs of Fredericksburg, 16-8, in a Hill Country League game at Fredericksburg. This Sunday the Cowboys will attempt to do more of the same as they host Helotes in a 3:00 p.m., tilt at the Mayan Ranch field. Previously this season the two teams have split with Bandera winning the first game, 14-7, but dropping the second 15-11 in ten innings. An exciting game will be in store for those attending and it is hoped a large home town attendance will be on hand as the Cowboys are currently riding a three game winning streak.

Sunday's game saw the locals bang out 22 hits, six of which were homers. Don LeStourgeon led the way as he blasted three circuit blows during the rout. Hollimon, Lindner and Cottingham accounted for the other round trippers. Roger Tatsch went the distance in registering the victory.

Sunday's win marked the first of Bandera's over the Cubs this year and it moved the locals back into first place contention in the league's campaign which ends in August.

Jimmy Hand, well known in Bandera as well as baseball circles, has been pitching for the Helotes team for some time.

GOAT SHOW AND SALE FOR LAST OF JULY AT KERRVILLE

LEWIS STERLING WILL ATTEND SPECIAL SESSION IN DETROIT

Lewis Sterling of Sterling Chevrolet Company has been informed of his being chosen to attend a special three week program set up by General Motors Corp. in Detroit, Michigan, it was announced by Walter Price, Assistant Zone Manager of the Chevrolet office in Houston.

This special group has been chosen from 47 areas in the United States, and only 47 Dealers in the Nation were chosen for this program. This is itself is quite an honor, as there are several thousand Dealers in the Nation.

Mr. Sterling explained to the Bulletin reporter that the Chevrolet Division of General Motors Corp. is divided into 47 Zones with one Dealer having been chosen from each Zone. This program will be called "The Post Graduate School of Modern Merchandising and Management for Dealers."

Mr. Sterling will be in Detroit from August 8th to August 28th but hastened to remind us that his dealership will be open for business as usual while he is gone and that he has informed the whole crew that nothing could please him more than to help sell him clear out of new cars and trucks while he is gone.

REAL ESTATE TRANSFERS

Among real estate transfers recorded in County Clerk Roscoe Hayes' office this week were: Joe W. Stafford and wife to Earl Richards Fenner, a residence on 6¾ acres in Medina. $15.40 documentary stamps cancelled.

Henry Erfurt and wife to R. P. Mitchell and wife, 6.29 acres, near Bandera. $3.85 documentary stamps cancelled.

COUNTY COURT TRIES ONE CASE MONDAY

The case of the State of Texas vs. Condon Clinton Hoober, driving while intoxicated, was tried in County Court Monday with County Judge O. O. Adams presiding. A verdict of not guilty was rendered by a six man jury composed of W. H. Joiner, B. H. Stokes, R. C. Fleenor, C. O. Callahan, E. H. Frerich and Joe L. Stein.

YOUNG LADIES ATTEND TWIRLING SCHOOL

Misses Karen Kitzman and Donna Morse attended the Twirling School at San Marcos College last week and were among six chosen from sixty-nine contestants to be selected with five batons at the final concert last Friday night, at the band concert there. Both young ladies are students at Bandera Public School and are most proficient in their twirling routines.

EMMA BRADFORD IS CLAIMED BY DEATH

Many friends in this area will be grieved to learn of the death of Mrs. Emma Bradford of Pipe Creek on Tuesday, July 14, in a San Antonio, hospital. Funeral services for Mrs. Bradford were held on Thursday, July 16, 1959, at Troup, Texas.

Mrs. Bradford was born on August 23, 1875, and grew to womanhood in that East Texas city. She was happily married to John Tarbuton, who passed away in a train wreck when their children were small. Years later she was married to Mr. Bradford, who also preceded her in death.

She had made her home in the Pipe Creek community for about twenty years, and was loved by all who knew her. She was a gracious charming lady.

Survivors include one daughter, Mrs. Bryan Curtis of Dallas; one son, John Tarbuton of San Antonio; three grandchildren; one great-grandchild; two half-sisters, Mrs. Fannie Smith and Mrs. Carina Burns of Troup, Texas.

Recently Mrs. Bradford joined the Re-organized Church of Jesus Christ of Latter Day Saints.

JUNIOR AND SENIOR RED CROSS LIFE SAVING CLASSES SLATED

Mrs. Arthur Hayes announced this week that junior and senior life saving classes have been slated to begin on August 3, by the local Red Cross.

The "Grandmas" and other ladies who want to attend the swim classes are requested to be ready to swim too.

All interested in this program and want to take advantage of this training are requested to contact Mrs. Arthur Hayes, Water Safety chairman of the Bandera Chapter American Red Cross, as soon as possible.

F. M. MONTAGUE JR TO REMAIN AT FRIST NATIONAL BANK

Much interest has been shown in whether Frank Montague Jr., is remaining with the First National Bank since the Montague interest was sold recently to three businessmen from Houston. Mr. Montague assured a Bulletin reporter Wednesday that he will remain with the First National Bank of Bandera as its executive vice-president.

John Nixon, well known here, has accepted a position as the man in charge of the accounting and operations of the band. Mr. Nixon was associated with the Bandera Electric Cooperative, Inc., before going to San Angelo where he held a responsible position. He recently returned to Bandera to live and took up his duties with the First National Bank.

Mrs. Floyd Cook and children of Denton are spending this week in the home of her parents, Mr. and Mrs. Jeff Keese.

Royce Edgin Baker and Lewin Ray Melton are attending the State FFA Convention along with their advisor, James A. Gallant. Byron and Lewis Ray are among the official delegates representing the Medina Chapter. Some 5,000 other Future Farmers are expected at the convention to be held in the new air conditioned Municipal Auditorium in Austin. In addition to business sessions, the young conventioners will be taken on a tour of Austin, swim in the famous Barton Springs Pool, attend a "Fun Night" featuring top FFA talent and professional acts, attend the huge Lone Star Farmer Banquet and grant honors, scholarships and awards to deserving Future Farmers and adults. Local arrangements for the convention are being made by fifteen committees, headed by General Chairman, Lewis Bracy. Bracy estimated that more than 150 citizens have served in preparation for the convention.

Miss Thelma Gallant has returned home after attending a six weeks institute for high school mathematics teachers at Our Lady of the Lake College in San Antonio. The institute was sponsored by the National Science Foundation and the expenses of all participants were paid by the organization. There were fifty-four in the class, representing thirteen states. The class was taught by E. L. Nolen of A&M, assisted by Laetitia Hill of Our Lady of the Lake, director of the Institute. Among the guest lecturers during the six weeks were Dr. Abramson from the Southwest Research Institute; Dr. H. J. Ettlinger, Miss Annie Barnes and Dr. Guy from the University of Texas, Mademoiselle Felix from Paris, France; and Dr. Ang from Indonesia.

Mr. and Mrs. Dean Isaacs of Alice visited her parents, Rev. and Mrs. Schoff, and Mrs. Gibbons over the week-end.

Mrs. Marvin Hatfield and daughter, Sarah Jane, of San Antonio, spent the week-end in the home of Mr. and Mrs. Will Hatfield.

Paul Mitchell of Houston and Sandy Borden of San Antonio visited friends and relatives here Sunday and were driving a new Yellow Chevrolet. Their wedding has been announced for August 29.

Paul Lavon Garrison, Jr., who is attending college at San Marcos, spent this week-end with his wife and family.

Mrs. M. B. Cantwell is spending a few weeks with her children in Corpus Christi and in the valley.

Dr. and Mrs. Griffin of San Antonio spent the week-end at their ranch here.

Miss Francis and Ruby Eileen Linney left by plane Friday night from San Antonio for Brunswick, Maine, where they joined their parents. They have been visiting their grandparents, Mr. and Mrs. John Fee, for several months.

Hog Production Up

According to the June pig crop report released by the Agricultural Marketing Service, the 1959 spring pig crop totaled 58,434,000 head. This is 12 per cent more than was produced in the spring of 1958 and is the largest spring pig crop since 1951. This means that we are going to have more hogs on the market in the fall of 1959.

Breeding intentions for fall farrowing in 1959 shows an increase of 14 per cent in the South Central States, Texas included.

On June 15, 1958, the farmers of Texas received an average price of $20.70 per 100 pounds compared to $15.30 on June 15, 1959. Prices are expected to remain considerably below last year.

Bandera County Livestock Improvement Association Meeting

There will be an important meeting at the Bandera County Agriculture Center on July 28th at 9 p.m. All ranchers in the county are invited and urged to attend. The newly passed Brucellosis law will be discussed. Plans concerning the Bandera Sale and the Bandera County Junior Livestock Show will also be made.

The proposed Brucellosis regulations are of two types. It will be up to the people in the county to decide which type they want to follow.

The two types and what the law provides is given in this column.

Type I and II is rather long, but it is printed for you to study to help determine which type of program you would like to follow.

Texas Brucellosis Law in Brief

The Law Provides:

—75 per cent of cattle owners, owning at least 51 per cent of cattle as shown by tax roles must petition to designate a county as control area.

—A control area may contain additional or less area, as reasonable amount, than that encompassed by county boundry.

—When Commission receives a petition it will issue a proclamation describing area and stating type of area, plus date regulation become effective. This date cannot be less than 90 days from issuing proclamation.

—A hearing will be held on each applying area at least 30 days after proclamation.

—Two types of Brucellosis control areas, petition must specifically designate which type is requested.

—In Type II areas the Commission will conduct the test and vaccination and enforce the rules and regulations.

—Movement of cattle within a control area—Cattle cannot be moved from one premist to another, except as follows:

—Official vaccinates under thirty months of age accompanied by certificate of vaccination and originating in a non-quarantined herd.

—All other cattle be negative to the blood test and originate in a non-quarantined herd, except as follows: Calves under six months of age; Steers and spayed heifers; Cattle consigned to livestock sales under the supervision of the Livestock Sanitary Commission; Cattle consigned to immediate slaughter; Cattle moved by their owner from one pasture to a contiguous pasture also owned or controlled by him; Cattle destined to points outside the area; Official vaccinates over thirty months of age that do not react more than incomplete at a dilution of 1: 200.

Disposition of reactor cattle:

—All reactors must be fire-branded with letter "B", reactor tag placed in ear, immediately isolated from other cattle, and sent to slaughter under permit within 15-days.

—In hardship cases reactors may be retained for one year provided: Reactors are quarantined separate and apart from other cattle. All cattle on premise are tested at six month intervals, except: Reactors, calves under six months of age, Steers and spayed heifers; Official vaccinates under thirty months of age.

—Animals that have previously been disclosed as reactors are not eligible for re-test.

Requirements for Area Re-Certification:

—All herds that showed infection on the last certifying test, or have shown infection since, will be re-tested;

—Twenty per cent of the herds in the town, but not the same herds check in the last re-certifying test, will be tested;

—If the combined total number of reactors from the above two categories does not exceed one per cent of the area's cattle or five per cent of the herds, the area will be re-certified.

—If more than one per cent of the cattle, but less than two per cent are found to be reactors, another test will be conducted on the infected herds within one hundred twenty days. If at that time the infection rate is down to one per cent of the cattle in five per cent of the herds, the area will be re-certified.

—If an area does not qualify for re-certification, it must start over with the methods outlined in Standards For Area Certification.

Duties of Owners and Caretakers of Cattle:

Must gather and present their cattle for test and vaccination.

Must furnish labor and facilities to properly restrain cattle.

Must permit the identification of reactor animals.

U.S. Generator For Japan

A MILLION DOLLAR GENERATOR, the first of four recently purchased by Japan, is loaded at Philadelphia as Japan's New York Consul General Mitsuo Tanaka (third from left) watches with other officials. It is part of nearly $200,000,000 in U.S. machinery Japan bought in the past year with earnings from exports of textiles, cameras, sewing machines and other goods. The generator will supply a billion kilowatts annually to factories and homes in and around Osaka. The Japanese lettering on the support says "Handle With Care."

The poles are set, the lines are strung, bright lights have replaced the kerosene lamp, and the Electric Cooperatives have literally turned night into day in the rural areas.

But the electrical loads first delivered to the rural community by the Electric Cooperatives are increasing by the day. An improved community and more and varied uses for electric power mean more lines . . . and greater service facilities. So the job ahead of the Electric Cooperatives of Texas is a big one. That is why the cooperatives must not be deprived of the areas they served first . . . must not be driven out of the areas they helped to develop. All they ask is that they be given equal rights where they now serve.

TEXAS CHAMPIONS OF FREEDOM

Alonso Alvarez de Piñeda

First Explorer of the New Land of Liberty

Little is known about the bold Spanish adventurer, Alonso Alvarez de Piñeda, but his place in Texas history is unique. He is believed to have been the first white man on Texas soil, and he came not as a conquistador, but as an explorer and scout for the governor of Jamaica, Governor Francisco Garay wanted "living room," liberty — and no doubt loot, as well — for Jamaicans. Alvarez was commissioned in 1519, only 27 years after Columbus' discovery of America, to map the coast of the Gulf of Mexico from Florida to Yucatan. In August of 1519 he reached Vera Cruz and found Hernando Cortés there. Cortés attempted to capture the party, but they escaped to sail north again.

At the mouth of a river they called Rio de las Palmas a stop was made, and later a settlement was established. Many historians believe that the Rio de las Palmas was the Rio Grande, and if so — Texas had one of the very earliest settlements in what is, today the United States. Although Alvarez returned to Jamaica, and the colony at the river's mouth was abandoned, his expedition opened a new and exciting vista to freedom seekers — the land of promise that would one day be called Texas.

Today Texans still demand and get their right to choose the way they want to live. In this vigorous and freedom-minded homeland . . . "Beer Belongs" and this is why the United States Brewers Foundation works constantly, in conjunction with brewers, wholesalers and retailers, to assure the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of Texans, the Foundation stresses close co-operation with the Armed Forces, law enforcement and governing officials in its continuing Self-Regulation program.

SOIL CONSERVATION DISTRICT — CONSERVATION • DEVELOPMENT • SELF-GOVERNMENT

It's The Law

IN TEXAS . . .

State Sometimes "Inherits" Property

"Made your will?" If not, the State of Texas may wind up as owner of your estate upon your death. Under our statutes, the estates of persons having no heirs who die intestate revert, or "escheat", to the State.

Such provisions have been carried over from the English common law. There, under such circumstances, the estate escheated to the British crown. The theory of the process is that the sovereign (or State), having been the original owner of all lands before they were parceled out to individuals, is entitled to a return of such lands when the possibilities of legal inheritance have been exhausted.

This idea has been expanded to include personal property as well as real estate. It also applies in the case of a person absent for a term of seven years and not known to exhist who leaves no heirs and no will.

Presumably, there is hardly a person who does not have some individual or charity that he would prefer to have his estate, rather than have it go to the State by default, so to speak. Yet, surprisingly, estates worth many thousands of dollars do escheat to the various states from time to time.

Now, before you shrug the matter off with the idea that these statutory provisions could not possibly apply to you, better think a minute. Suppose you and your spouse have no heirs besides each other and your children. Many people do fall into this category.

In event of a catastrophe resulting in death for you and your entire immediate family, no legal heirs would remain. Therefore if you had no will, your property would go to the State. In preparing a will, it is possible to provide for such an eventuality.

In this hypothetical case, you would probably want to designate some friend as executor, to take care of all necessary arrangements and then distribute the estate according to your wishes.

On the other hand, if you have plenty of possible heirs, a will could be used to designate which of them shall participate in the division of the estate. And even if you wish your property to be distributed entirely in accordance with our statutes of descent and distribution as explained in previous columns, a will can perform useful functions. Among other uses, a will could provide for an orderly management of partition of property temporarily remaining in the hands of the heirs impatient for a statement.

What happens to property which is left "intestate"? Following certain required legal formalities and court proceedings, all escheated lands are set apart to the Permanent School Fund of the State, and may be leased and sold by the Land Commissioner under certain regulations. Escheated personal property is sold by the local sheriff under a court writ and the money received therefrom paid into the State Treasury.

(This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

TESTS AT SONORA ON CURLY MESQUITE RELEASED IN BULLETIN

College Station, July 21.—Since curly mesquite supplies much of the forage produced on the Edwards Plateau, studies were conducted during 1940-51 on the Sonora Substation by the Texas Agricultural Experiment Station relative to rates of utilization, chemical composition, productivity and longevity of this grass. The studies were carried out by L. B. Merrill, associate in range management at the Sonora Substation and Dr. Vernon A. Young, head of the Range and Forestry Department at Texas A&M College. Copies of the publication MP-331 are available from the Agricultural Information Office, College Station, Texas.

Curly mesquite and other species of the short grasses have increased on the Plateau while the more productive bunch grasses have decreased. This, said the authors, was due to little or no attention given to the degree of utilization which should be applied to desirable range plants to obtain sustained forage yields or to maintain a proper ecological balance.

The dominant grass over large areas of the Plateau is curly mesquite, occupying 60 to 90 per cent of the basal ground cover and furnishing a major source of livestock forage.

These short grass and mesquite-Texgrass soil phases where curly mesquite was the predominant grass. Plots one by two feet in size were established on each site to determine the effect of clipping frequencies and heights on the grass. The plots were clipped at intervals of two weeks, three weeks, twice yearly and once yearly at heights of ground level, one inch, two inches, and three inches for each frequency. Three replicate plots were established for each treatment, making a total of 48 plots on each site, the authors said.

Clipping at ground level twice yearly produced the maximum vegetative yields for all treatments, but the rather heavy reduction in vegetative yields for 1950 indicated that there might eventually be a loss of grazing capability over a period of years.

Clipping at a height of one inch twice yearly produced the second highest forage yields. These yields might be expected to be maintained on a sustained basis, the authors added.

DISTRICT II PRESS WOMEN MEET

Mrs. John Saul, editor of the Bandera Bulletin was in San Antonio Saturday morning to attend a meeting of District II, Press Women, at the San Antonio Press Club on Villita Street.

Mrs. Edith Fox King, president of District II presided, and Mrs. Eve Bartlett, Public Relations and free lance writer and Editor of Texas Press Women, spoke briefly and told of plans for the coming Texas convention which has been set for October 30, 31 and November 1, in Temple, Texas. She also reported that the National Convention will be in Portland, Oregon, in August.

Mrs. Charles R. Allen of San Antonio was selected as the "Woman of Achievement." Then Mrs. Allen reviewed her forthcoming book, "The Rougely Family," which will be released by the Naylor Company of San Antonio soon. Mrs. Allen's review was interesting, charming and well done.

Following the meeting in the Press Club the women enjoyed a luncheon at picturesque Casa Rio on the river.

The next meeting of the Press Women will be at the home of Adele Stead in San Antonio on September 26.

BACK THE ATTACK ON TRAFFIC ACCIDENTS

EDITORIAL

We would like to take a little space to commend the Kerrville Commissioners' Court and the Kerrville Chamber of Commerce for their action in backing the highway appeal from the Kerrville Rotary Club.

Kerrville's Commissioners court agreed to draft a letter to the State Highway Commission urging an engineer survey of Highway 16 between Kerrville and Medina be made after a delegation from the Kerrville Chamber of Commerce and the Medina Rotary Club appeared before the court.

The joint appeal will ask that the state consider improving and straightening Highway 16, especially in the area of the "mountain."

Representing the highway committee of the Medina Rotary Club were J. C. McHaney, Archie Gallant, B. H. Stokes, H. C. Gollberg and Lee Smith.

The Kerrville Chamber of Commerce stressed that it is in the interest of good business to help Medina get a better road between Medina and Kerrville.

Good roads bring prosperity to a community and Bandera county has splendid ones. Now that the through Highway to Hondo is completed, we notice a decided increase in the amount of traffic through our city.

Could anyone deny this baby a few minutes?

Certainly not the mother or father. And surely you, a stranger, would not begrudge a few minutes of your time to protect this baby's life—or yours!

Driving faster than road conditions or the law allows can shorten your trip no more than two or three minutes. Is this saving worth the risk of a precious life? For minutes like these can mean the difference between life and death.

Last year, nearly 40,000 men, women and children died in traffic accidents. In 3 out of 10 fatal crashes, speeding was a factor. Think how many lives just minutes can save . . . and slow down!

BREITS CONGREGATE IN BANDERA FOR GOLDEN WEDDING

The Breits congregated in Bandera for a belated Fiftieth Golden Wedding Anniversary celebration for Mr. and Mrs. M. M. Breit and also to celebrate Mr. Breit's birthday.

The long- long table on the breezeway was decorated with a beautiful five tiered wedding cake made by a neice, Mrs. Furstenwerth, of San Antonio. The lovely cake, suffered for the wedding cake they did not have fifty years ago when they eloped to get married in Phoenix, Arizona. Another decor was a magnificient money tree, all gold, with fifty silver dollars wrapped in gold in the shapes of arrows and hearts attached.

The bountiful feast for the occasion was served the sons and their families. Brig. Gen. John M. Breit, of Washington, D.C., (Mrs. Breit was unable to attend); Cadet William M. Breit of West Point, New York; Mr. and Mrs. Harlan Breit and children, Carol Gene, Linda Sue, Shelby K. and Martin Robbins of San Antonio; brothers and sisters and families present were Mr. and Mrs. Pete Breit, William Breit, Mrs. Mary Stanley, Mr. and Mrs. Chas. Kuhn and Sam Boucher of San Antonio; neices and nephews were Mr. and Mrs. C. F. Sauer, Dorothy, Frances and Bobby, Mr. and Mrs. Nic Stanley, Mary Ann and Elizabeth Jean, Mr. and Mrs. Charles L. Kuhn, Evelyn and Gretchen, Mr. and Mrs. Furstenwerth and Johnny of San Antonio; Major and Mrs. James L. McDonald, Mary Helen, Margaret Anne and Christine Marie, Patricia Louise, Kathleen Susan, Joan Ellen and James Lee Jr., of Alexanderia, Va., were unable to attend.

Other guests were Rev. Harold Ehlinger of Hondo, Lt. Col. and Mrs. C. D. Crabtree and David, Ronald McKee of Dallas, Mrs. Geneva Neuner of San Antonio, Mr. and Mrs. Leland Caffall, Mr. and Mrs. Tom Adamietz and Mrs. Robert Woollard, of Bandera.

The following anonymous poem was dedicated to the Breits by Mrs. Woollard:

How do we know our youth is all spent?
Well, our get-up and go has got up and went.
But, in spite of it all, we are able to grin
When we think of where our get up has been.
Old age is golden, so we have heard it said,
But sometimes we wonder on going to bed,
With our ears in a drawer and our teeth in a cup.
Our eyes on a table until we wake up.
Ere sleep dims our eyes we say to ourselves,
Is there anything else we should have laid on the shelf.
We are happy to say, as we close the door,
Our troubles are the same, perhaps even more.
When we were young our slippers were red,
We could kick up our heels way over our head.
When we became older, our slippers were blue,
But we could dance the whole night through.
Now we are old and our slippers are khaki
We walk to the store and puff our way back.
The reasons we know that our youth is all spent
Is our get up and go, has got up and went.
We really don't mind, when we think with a grin,
Of all the grand places our get up has been.
We keep ourselves with complete repetition,
We get up each morning, dust off our wits,
Pick up the paper and read the obits.
If our names are not there, we know we are non dead,
So, we get a good breakfast and go back to bed.

—Anon.

Mrs. V. F. Kaika, of the First State Bank, has been spending her two weeks' vacation at her home here.

Our thanks to Mrs. Raymond Smith for the renewal of her Bandera Bulletin subscription which she handed us Tuesday.

Mr. and Mrs. L. A. Werner of Pipe Creek were pleasant visitors in the Bandera Bulletin office one day this week.

Mrs. Monroe Wier is visiting her sisters, Mrs. R. E. Duckworth and Mrs. E. P. Webb, in Port Arthur this week.

Lt. Col. and Mrs. Reeves and daughter, Mona, have had as their guests this past week their brother and sister and family, Sergeant and Mrs. John Reeves and son and daughter of Fort Worth.

Sid Stevens was in Tuesday from the ranch and handed us $3 to renew his subscription to the Bandera Bulletin. Mr. Stevens told us that he had a nice shower the day before.

Mr. and Mrs. Jack Focke returned from a most delightful visit in Altaire where they were guests in the home of Mr. and Mrs. Winter Botham. Mr. Focke and Mr. Botham were school mates and the visit was doubly enjoyable as the Focke's were privileged to see many old friends. They also visited relatives in Houston and Columbus while they were in the Coastal area.

NFLA OF KERRVILLE SLATES ANNUAL MEETTING

The National Farm Loan Association of Kerrville will have its annual membership and stockholders' meeting on Thursday, July 30, at Hoyal's "Golden Ox" restaurant, on the Junction Highway, about one and one-half miles from the courthouse in Kerrville, and will begin with a barbequed Beef luncheon at 12:00 o'clock.

Louie E. Throgmorton, Vice-President and Director of Public

Louie E. Throgmorton

Services of the Republic National Life Insurance Company of Dallas, will speak to the guest speakers and his subject will be: "High Living on a Low Income." Hon. Julius R. Neunhoffer, County Judge of Kerr County, will give the address of welcome and Roy B. E. Breihan will give the invocation.

The Directors of the Association feel very fortunate in having again been able to secure Mr. Throgmorton to address the meeting as he is much in demand as a speaker before civic and business organizations, delivering over three hundred addresses a year throughout the United States. Also, he is an active worker in his church and in civic organizations in Dallas as well as serving on important committees in Washington. He is the author of a number of books which entertainment for his listeners and display them with a serious thought.

The business session following the luncheon and address by Mr. Throgmorton will be presided over by H. T. Fuchs of Blanco County, Association President, when the annual reports will be made to the membership, election of two directors will be held and other association business transacted.

In addition to Mr. Fuchs, other association officers and directors are: R. B. Nowlin, Kerr County, vice-president; A. N. Horsman, Bandera County, B. G. Hale, Kendall County, and W. H. Stevens, Sr., Gillespie County, all of the above counties comprising the association's chartered territory. Max O. Reinbach is the association's secretary-treasurer and Mrs. Murry R. LeStourgeon, office assistant.

All of the association's members and stockholders are urged to attend this annual meeting which is being held in an air-conditioned building for their comfort.

E. Lindner, who has been spending some time in the Legion hospital returned there Thursday after spending several days at home. He was accompanied by Eddie Leibold, who will also undergo treatment.

Mr. and Mrs. R. I. Collinsworth spent the week-end in the Ashley Rugh home. They came for their son, Richard and Karen, who had spent part of their vacation here. Other guests in the Ashley Rugh home were Mr. and Mrs. Nick Finley and sons of Uvalde, Mrs. Stella Seymour of San Antonio, Mrs. Minna Simpson of Houston, Ashley M. Rugh and Richard Williams of Texas A&M College.

MRS. BILL SHORT HONORED AT PINK AND BLUE SHOWER

Mrs. Bill Short was complimented with a lovely pink and blue shower last Friday evening on the lawn at the Bandera church of Christ. Burlap lamps on the lawn added to the decor of the charming decorations. The lace covered refreshment table was a sight of beauty with a baby tree on tulle covered base and miniature storks. An arrangement of pink sweetheart roses in a crystal bowl was a highlight of the table. A pretty cake carrying out the pink and blue theme was baked by Mrs. E. R. Teel and Mrs. Jack Focke and served with delicious punch.

Hostesses were Mrs. E. R. Teel, Mrs. Jack Focke, Mrs. Ray Wyatt, Mrs. Lon D. Fisher, Mrs. Thomas Keese, Mrs. Thomas H. Keese, Mrs. Wiley D'Spain, Mrs. Dewitt Leibold, Mrs. Lona Jackson, Mrs. M. D. Cottingham, and Mrs. Joe Munsch.

Mrs. Short was assisted in opening her gifts by her mother, Mrs. Muriel Hickman, of Kerrville, and her sister-in-law, Mrs. Joe H. Short, and her grandmother-in-law, Mrs. J. Marvin Hunter, Sr.—Mrs. Thomas H. Keese. The gift table was laden with many beautifully wrapped parcels for mother as well as the expected little one.

Guests present and those who sent gifts were Mrs. C. G. Armstrong, Mrs. Johnny James, Mrs. Joe Walters, Mrs. Leon Shields, Mrs. Frank Mansfield, Mrs. Bradley Richards, Mrs. Muriel Hickman, Mrs. W. R. Fletcher, Miss Roberta Fletcher, Mrs. Louis Keese, Mrs. E. A. Johnson, Mr. and Mrs. Les Short, Mrs. Joe H. Short, Mr. and Mrs. John Saul, Mrs. Lane Langford, Mrs. Marvin Schnelle, Mrs. Wayne Runde, Mrs. Hal Greer, Mr. and Mrs. Jimmy Cottingham, Mrs. Bob Anthony, Mrs. Barbara Gail Reid, Kathy Adams, July 27; Mrs. Ed Bauerlein, Rob Haley, July 28; J. NEW LAW FOR FARMERS

Major Kent Odom of the Texas Department of Public Safety announced today that a new law is in effect for seasonal agricultural products.

The law states that when a commercial motor vehicle, truck tractor, trailer, or semi-trailer which has been registered by the owner is used for the transportation of his own seasonal agricultural products to market, or to other points for sale or processing, or the transportation of seasonal laborers from their place of residence, and materials, tools, equipment and supplies, without charge, from the place of purchase or storage, to a farm or ranch exclusively for use on such farm or ranch, the owner may, by paying an additional fee, receive a short-term permit allowing him to haul loads or larger tonnage for a limited period of less than one (1) year. No such permit shall be issued for less than three (3) months, and no such permit shall extend beyond the expiration of the regular license. The fee shall be a percentage of the difference between the owner's regular annual registration fee and the annual fee for the desired tonnage, and shall be computed according to the following table: 1-quarters, (3 consecutive months) 30 per cent; 2-quarters, (6 consecutive months) 60 per cent; 3-quarters, (9 consecutive months) 90 per cent.

No such permit shall be issued unless such registration fee has been paid for hauling of such larger tonnage prior to the actual hauling thereof. The quarters for which such additional permits are to be issued shall be calendar quarters, the first such quarter to commence on April 1st of each year. Identification for vehicles registered under this law will be furnished to all owners. For further information, contact a License and Weight Patrolman or County Tax Collector.

By J. Marvin Hunter, Sr.

Under this heading from time to time we will publish Texas historical articles which we have compiled and printed before in Frontier Times or in other publications, but which we believe will be of interest to Bulletin readers.

THE GREGG FAMILY TRAGEDY IN 1841

Judge Rufus Y. King

(The following sketch was prepared and read by Judge Rufus Y. King before the Reunion of the Old Settlers of Bell County, held at Belton, Texas, September 4, 1903.)

In the fall of 1840 Judge John Gregg came from Alabama to our neighborhood, in what was then Milam county, about six miles northeast of the town of Caldwell in the present county of Burleson. Judge Gregg was accompanied by a young man by the name of Claiborne Fitch, and brought with him some negroes. On this land he put young Fitch, in charge of the negroes, to improve it and prepare a home to which he expected to bring his family the following year, but wanted something to come to when his wife and children should locate in the new country.

Early in the spring of 1841, after he had given directions on the new place, he left Texas and went back to Alabama for his family. In October of that year he left his old home in Alabama and started for the new one in Texas, accompanied by his wife, four boys and three girls. The boys' names were Thaddeus, Ellis, John and the baby boy, Henry, who was about six years old. The girls were Lucinda, Martha and Mary. There were also in the party about twenty negroes. When they had traveled the greater part of this long journey in wagons and had come to the Neches river in Texas, and the baby boy a prisoner in the hands of the Kickapoo Indians, the whole party was startled one morning by the appearance of a solitary horseman, who came dashing into camp and brought the little boy home with them. The whole community rejoiced when the boy arrived at my father's home. He had been cruelly treated by the Indians. His hair all dropped out of his head, and he was sick for weeks. As soon as he recovered he came to our house and went to school. He was a nice, intelligent boy, and matured rapidly, and grew to be an intelligent, honorable man. He was a member of my company during the time between the States, and when the war ended he came home to his farm in Burleson county and soon afterward married a Miss Grant, who was of a prominent family in that county. They owned a fine Brazos bottom farm on which they made a good support for their family. He was proud of his family. He had a steam cotton gin on his farm; the boiler exploded and poor Henry was killed. I think he left a widow and five children.

Judge Gregg lived only a few years after the sad calamity to his family of which I have written. He never recovered from the shock he received on the Neches river. He always seemed very sad.

As before stated, Ellis, the second son, died soon after his father I think. The next son, John, married, but I do not remember the name of her husband. She died in 1855. Mary married Tom Cade in Burleson county. She lived some years and died. All of these children, like their father, always had a sad look. They often spoke of the tragic death of their mother and brother Thaddeus, and of the captivity of the little boy, Henry. Even after he had been recovered and restored to the family, they spoke of him as one from the dead.

WASHINGTON Letter

By Congressman

O. C. FISHER

Chances for an effective fiber bill at this session of Congress were not increased by a bill tentatively approved last week by the House Labor Committee. The Senate previously passed one, but it is considered weak and innocuous.

The House bill avoids any prohibition of secondary boycotts and organizational picketing. It is even weaker than the Senate version. But a House fight will attempt to put some teeth into the measure that would protect union members and the general public against Hoffa-type abuse of power.

While the outlook is admittedly discouraging, a determined fight will be made and there is a chance that the bill will be improved, thanks to an aroused public interest in the subject.

Suspension of U. S. lamb grading, being urged by sheepmen all over the country, remains in doubt in the final decision due to be made probably in September. It is up to Secretary of Agriculture Benson.

The trouble is that the arbitrary grading system requires lambs to be over-fat before the lamb carcass will get the stamp of "Choice" by a government grader. This means less money for the grower, and that is especially true of the Texas-grown lambs which have trouble competing with the mutton-type western lambs. And it means less desirable meat cuts for the shopper. Western lambs can qualify for the government specifications easier than can the Texas lambs.

Many Congressmen from the sheep country have joined the grower organizations in an effort to convince the Secretary that the grading system is all wrong and should be stopped.

Among recent visitors have been Mr. and Mrs. B. W. Smith and daughter and son-in-law, the Otho Pruess, program, the applicant's Kennards, of Fort Worth; Mrs. Jessie Agency for Vocational Rehabilitation in the hope that the State's services may enable the disabled person to once again become self-supporting. If the claimant eventually obtains work under the State program, his disability benefits may continue for as long as a year after such employment begins.

This feature is in the law, Mr. Palmer states, because the Social Security Administration acknowledges that work performance under such "sheltered" conditions may not prove that the claimant can compete on an equal basis in the regular labor market. In addition, it is realized that such employment for the disabled should be given a trial period to show whether it can be continued without detriment to health and to give the claimant time to adjust to what is probably a new kind of occupation.

Up a steep mud-choked wash—Positraction pays off!

Through a mountain stream—deep in Avintaquin Canyon.

NO MOUNTAIN CAT, MISTER...

That's a Chevy with Positraction!

That 3134 Fleetside has the sure-footed ways of a big western bobcat. Roams through high brush country that would buck the life out of most trucks. Crosses streams without benefit of a bridge. Climbs talus grades where pilots won't even grow. But that's all routine for this Chevy, equipped with Positraction* rear axle. It's hard at it every day for the Utah Fish and Game commission. Figure about 60,000 miles of mountaineering before this Chevy is traded. And yet the district officer who drives it would bet his bankroll the tie rods won't even need replacing!

Out in that wild, climbing Utah country, Chevy's suspension and frame and brakes, its Positraction rear axle and Thriftmaster 6 power are proving themselves under rougher conditions than most test engineers could dream up. They're proving that Chevrolet's advanced engineering and design ideas pay off—in spades—when the going gets especially mean and dirty.

Positraction, of course, is a big plus on this job, providing the sure grip needed to dig through mud, snow, loose sand, whatever comes along. Could be that a Positraction-equipped ½-ton pickup is the answer for your area of operation. Or maybe a 4-wheel drive Chevy. We've got trucks that specialize in getting in and out of any kind of country. Talk to your dealer about your needs. He'll show you what tough trucks are made of.

BEEF CATTLE SHORT COURSE AT A. & M. AUGUST 10-12

College Station, July 21.—Feeding cattle to utilize Texas' abundant feed crop will get much emphasis at the annual Beef Cattle Short Course scheduled at Texas A. and M. College, August 10-12.

In addition will be the popular steer carcass contest where those attending the short course grade live animals, and after slaughter and chilling, grade the carcasses.

Presentations by some of the nation's outstanding beef cattle research men and ranchers, said Chairman John K. Riggs of Texas A&M's Department of Animal Husbandry, will be program features.

The use of ultrasonics to estimate muscle development and fatness in live animals will be demonstrated by Dr. J. R. Stouffer of Cornell University. A carcass approach to beef cattle development will be discussed by Kenneth R. Fulk, executive-secretary of the American Shorthorn Association, and H. H. Stonaker, head of Colorado State University's Department of Animal Husbandry, will discuss size as a factor influencing productivity of beef cattle.

The three day event which last year had attendance from five states, Mexico and South America also will include the latest in research by animal husbandmen and geneticists of the Texas Agricultural Experiment Station and beef cattle programs of the Texas Agricultural Extension Service.

Also, in addition to individual presentations, there will be a group of panel discussions Tuesday afternoon, August 11, including cattle breeding and selection, feeding and nutrition, diseases and parasites, reproduction, fertility testing, artificial insemination and pregnancy determination.

Norman Moser, president of the Texas and Southwestern Cattle Raisers Association, will give "A Cattleman's View of the Industry" as principal speaker at the annual banquet to be held Monday, August 10, at 7 p.m., in the Memorial Student Center.

Mrs. George T. Young of Kerrville and Mrs. D. C. Webb of Ingram were pleasant visitors in the Bandera Bulletin Tuesday morning.

Looking Backward

Thirty-five Years Ago

Frank M. Montague was delightfully surprised on his birthday last Saturday when the Little Symphony Orchestra was invited to the home of Mrs. Rose Gardiner and Miss Margaret Montague to help him celebrate. After the orchestra played several selections, Mr. Montague's cake was cut and served with ice cream. Those present were Mr. and Mrs. Frank M. Montague and sons, Frank Jr., Charlie, Bruce and George; Mrs. Bruce McCarty, Miss Victoria Montague of San Antonio, Miss Louise Corley, Rankin Conwill, Dr. E. Conwill Jr., Vernon Sansom, Leslie Sansom, Delbert Knibbe, James Davenport, Mrs. Ray Hay, Miss Margaret Montague and Mrs. Rose Gardiner.

There will be an important meeting of the Bandera Library Association in the new Library quarters next Monday night, July 30th, for the purpose of making preparations for the big Labor Day celebration to be held the first Monday in September. Every member of the association is urged to attend.

High wind and rainfall in this section of Frederick were a direct result of the Gulf storm which raged on the Texas coat. No report of damage on the coast had been received at this time. It went to press this morning. A slow rain began falling here about 2 o'clock yesterday afternoon, continuing throughout the evening, and last night.

The revival meeting closed at the Methodist church Sunday night. The meeting had been in progress about ten days, with Dr. J. J. Wester, pastor of the First Presbyterian Church of Uvalde doing the preaching. Three conversions resulted and there were two additions by letter.

Mr. Marvin Hunter addressed a fair-sized crowd at the Lima school house last Monday night in the interest of Carl Runge for Congress. He found a good number of the citizens of that region who will go into the primary Saturday and cast their vote for Mr. Runge.

The Saints' Reunion at the Church of Jesus Christ Latter Day Saints in this city is now in full swing, with interesting and instructive programs each day and at night. The attendance is good, many members and visitors coming from distant places to attend the reunion and enjoy the fellowship of the brethern. Apostle Roy S. Budd of Independence, Mo., is the principal speaker, and there are also other notable elders on hand. The reunion began last Friday night and will continue through next Sunday, the 29th.

J. Marvin Hunter will address the visitors at the East Verde School house tomorrow (Friday) night at 8 o'clock, in the interest of the candidacy of Carl Runge for Congress. Everybody is invited to hear him.

F. J. McCarthy, of Pipe Creek, was a business visitor in the city last Saturday.

Mrs. John Evans of the Lima region, suffered a stroke of paralysis last Monday, and is reported to be in a serious condition. We hope her affliction is only temporary and that she will soon be restored to health.

RALPH YARBOROUGH'S REPORT

This nation has just started to learn about the hazards of radioactivity that accompany its vast new resources of nuclear power.

It is because of these hazards and the fact that even our scientists do not know too much yet about the dangers of radioactivity, that I have been against the proposed dumping of radioactive wastes in the shallow waters inshore in the Gulf of Mexico.

The problem should be carefully studied. A great deal more information is needed before we fill our waters with material which scientists tell us may prove harmful to our children and their children for 100 or 200 years. Recent news articles have told how some of our nation's streams have been dangerously polluted by radioactive waste. I don't feel we should make this mistake again, and polute more water.

The fact that the dumping of these radioactive wastes in the Gulf was proposed without all the necessary information being gathered first shows the need for someone to look out for the public's interests.

Some of the agencies which work with radioactive materials are now radiation resulting from that agency's activities. There is not now any one agency which is responsible for the overall protection of the public.

To correct this dangerous situation I am supporting a proposal by Senator Lister Hill and Congressman Kenneth Roberts, both of Alabama, to make the United States Public Health Service responsible for safeguarding our people against the hazards of all types of radiation.

The measure calls for setting up standards of radiation protection. It would instruct the Surgeon General of the U. S. Public Health Service to confer with federal, state and local authorities and submit to Congress, not later than February 28, 1960, a program for the control of radiation hazards from all man-made sources.

In addition, research and training programs would be established to explore this vast and vital subject. A National Advisory Council on Radiation Hazard Control would be set up to work on this problem continuously. The 15-member council would include the Surgeon General, the Secretary of Defense, the Chairman of the Atomic Energy Commission, the Director of the National Science Foundation, and others.

We are dealing with a power which, if not kept within bounds, could destroy or horribly change human life. We must be certain the public is protected.

Peregrinations of a PIONEER PRINTER

$3.00

by J. MARVIN HUNTER

An Autobiography

Besides being the autobiography of an old time itinerant country printer and newspaper man, it is full of humorous reminiscences and some good history. In it you will find mention of many people you knew personally in different Texas counties. This old printer tells in pleasing style the story of his peregrinations (wanderings) through West Texas, New Mexico, Arizona, and even Old Mexico; how he and a fellow newspaper man had to leave "between two days" and ride in a side-door pullman (box car) through to El Paso, with the Mexican rurales hot on their trail; of his experiences as a sheepherder; of two uneasy days he spent entertaining a noted outlaw in his sheep camp; of meeting noted characters, both famous and infamous; and of many other thrilling events and at last he "settled down" in Bandera to spend his remaining years among the best people on earth.

LITURGICAL WORKSHOP NOW BEING HELD

A Liturgical Workshop is currently being held at St. Charles Parish. It is being conducted on Tuesday and Friday nights in the church under the direction of Rev. Victor Schmitzlainky, pastor and Rev. Lawrence J. Gonner, S.M., of Marythurst, Kirkwood, Mo.

The purpose of the workshop is to assist parishoners in taking an active part in the Dialogue Mass, the parish Sunday High Mass and in the services of the Church year. The proper procedures for such participation have been outlined in the Instruction of Pope Pius XII of October 1958 and which has been endorsed by the present Pontiff, Pope John XXIII. The American Bishops have set up a special committee to see the teachings of the Instruction realized and the Committee is headed nationally by the Most Rev. Elmer Joseph Ritter, D.D., Archbishop of St. Louis, Mo.

Responses to the celebrant, congregational singing and use of Latin and English in public services are included in the workshop program. The workshop will continue sessions twice a week during July and once a week during August. Rev. Schmidtzinsky is instructing in the ceremonial and ritual elements; Brother Gonner is conducting the congregational singing part of the program.

Anyone who wishes to attend any sessions of the Workshop is welcome. Sessions are on Tuesday and Friday nights at 8:00 p.m., and last one hour.

Mr. and Mrs. Robert McBride

CLAUDIA IRBY AND ROBERT McBRIDE JR ARE MARRIED

The wedding of Miss Claudia Ruth Irby, daughter of Mr. and Mrs. Claude W. Irby of Medina, and Robert Edward McBride, Jr., son of Mr. and Mrs. R. E. McBride, Sr., of San Antonio, was solemnized Saturday afternoon, July 18, in the First Baptist Church of Medina. Rev. J. R. Hilliard, pastor of the Woodlawn Methodist Church, San Antonio, officiated.

The impressive double ring service took place before a backdrop of tall tapers in candelabra festooned with white satin ribbons and greenery, potted white chrysanthemums and bouquets of pink and white gladoli.

Mrs. A. J. Flowers presented the traditional wedding music.

The bride was given in marriage by her father. She wore a gown of white satin in empire style with sweetheart neckline and chapel train. Her fitted bolero was of lace with full length pointed sleeves and flared collar. Her finger tip veil of imported silk tulle fell from a capulet of grosgrain ribbon adorned with mirror sequins and pearls. The bride's gown was made by her maternal grandmother. The only jewelry worn by the bride was a double strand of pearls, a gift of the groom. She carried a cascade bouquet of stephanotis centered by a single white orchid.

Mrs. Kenneth Neal of San Antonio was matron of honor. Bridesmaids were Miss Ella Sue Meadows of San Antonio, and Misses Faye Reatherford and Karen George of Medina. The attendants were identical gowns of ice blue taffeta fashioned along princess lines with full ballerina length skirts. Their capulets were of ice blue horsehair braid and veiling and they wore ice blue satin pumps. Each carried a colonial bouquet of pink carnations.

Charles Oelkers of San Antonio served as best man. Groomsmen were Tony Gay, Tom Sitka, and Jim Armor, all of San Antonio.

The bride's mother, Mrs. Claude Irby, wore a dress of dusty pink silk organza and lace with a floral corsage of pink roses completed her ensemble.

The groom's mother, Mrs. R. E. McBride, Sr., wore a dress of beige lace with a yellow flower hat and yellow accessories. Her corsage was also of pink roses.

The bride's maternal grandmother, Mrs. Wales P. Dear, Sr., was dressed in lavender lace with white accessories. Her corsage was of peppermint carnations.

Immediately following the wedding a reception was held at the ranch home of the Irbys.

The festive table was centered by two tiered cakes; one the traditional white cake, and the other, prepared by the groom's mother, was a devil's food cake with white

SHERIFF MILLER REPORTS APPREHENSION OF BURGLAR SUSPECT

Sheriff R. B. Miller, reported this week the apprehension of Dennis Lee Moffett of Bedford, Iowa, and the recovery of one of the six guns stolen from the B. F. Langford and Son Hardware Store recently.

Federal Bureau of Investigation agents picked the young man up in Oklahoma City for transporting a stolen automobile across the state line and when they began investigation found one of the stolen guns and have the hopes of recovering another.

Sheriff Miller reported that the young man had been home to visit his mother and left the gun with her. She took it to the sheriff there and when they began checking it found that it was stolen in Bandera. He said that FBI agents think that the twenty year old man had an accomplice and they have hopes of recovering more of the stolen guns.

The young man was sentenced to tentiary from Oklahoma for transporting the stolen car across the state line. He will be eligible for parole after six months of good behavior.

JIM MAYFIELD DIED SUDDENLY AT HIS HOME TUESDAY

Friends and relatives learned with deep sorrow Tuesday of the sudden death of Jim H. Mayfield, who passed away at his ranch home from a heart attack that day.

Mr. Mayfield had appeared to be feeling well and had visited in Medina Tuesday afternoon. He returned home and as he sat down to his supper table, bowed his head to say Grace, was stricken with the fatal attack. His wife called neighbors, who came immediately to give assistance, but he was already beyond human help, and was dead when the doctor arrived.

Jim Harvey Mayfield was born at Medina on June 11, 1886, to early day residents of that city. He had lived in the Medina community all his life and was a faithful member of the Baptist church. He was happily married to Miss Mattie Collins on October 19, 1908. And with her at his side lived for more than half a century, a wonderful beloved husband and father to a kind and faithful wife and a fine group of sons and daughters. He was highly esteemed and loved by everyone with whom he had any dealings.

On August 9, 1958, Mr. and Mrs. Mayfield celebrated their Golden Wedding anniversary at their ranch home with their children, grandchildren and friends gathering to offer best wishes. They were married by the late Rev. H. L. Atkins, Methodist minister.

Survivors include his sorrowing wife, Mrs. Mattie Mayfield of Medina; two daughters, Mrs. Frank Kammer of Milwaukee, Wisconsin; Mrs. Lewis Keese of Bandera; sons, Durward Mayfield and Boyd Mayfield of Medina, Charleton Mayfield of Amarillo, and Harvey Mayfield Jr., of Helotes; one sister, Mrs. Emma Banta, of Medina; 14 grandchildren and two great-grandchildren.

Funeral services were conducted on Thursday, July 30, at 2 p.m., in the Medina Baptist church with Rev. Elmer Graham of San Antonio assisted by Rev. E. A. Morgan, Methodist Minister of Medina. Interment in Cypress Hill was in the Baker cemetery under the direction of Plummer Funeral Home.

FOUR YOUNG MEN FINED IN JUDGE BRALEY'S COURT

Four young men from Center Point were fined in Justice of the Peace court in Medina by Judge N. V. Braley on a charge of disturbing the peace Sunday. It has been reported that a number of young men from that city have caused disturbances in Medina from time to time.

Young men fined were as follows: Eric Bishop, $10 and costs; Sam Adams, $25 and costs; Delbert Green, $25 and costs; Richard Kaiser, $25 and costs.

4-H GIRLS MODEL BEAUTIFUL SKIRTS AND DRESSES

Bandera 4-H Girls and St. Joseph 4-H Girls put on a lovely dress revue at St. Joseph's Hall Thursday afternoon of last week. Mrs. R. L. Stevens, Home Demonstration agent, has been grooming the girls and assisting with their sewing for several weeks and their finished skirts and dresses were modeled with pride by the young ladies.

In the dress division Jane Maturek presented a creation in cotton print, with long torso, pleated skirt, and a little Peter Pan collar and set in sleeves. She had some of all the problems, even to buttons and button-holes down the back of the blouse. Her dress may be worn to church or school this fall. The cost was $3.40.

Linda Ruth Hausch modeled an all occasion dress fashioned from park plaid traditional cotton with solid plum trim in the form of a sewn-in cumberbund. The dress may be worn to church, the city or an evening party. Hat, bag and gloves may be optional. She can be well dressed in her dark cotton until late in the fall.. Her dress cost $6.12.

Mary Evelyn McShane was all dressed up in a cool looking Sunday dress of sheer cotton, with tiny pleats and pretty round collar to give it interest. Her dress, a two piece fashion, lends itself to being easy to get into and out of. Her pretty dress cost $4.08.

Dorothy Hatto, looked cool and fresh as a spring shower in her dimity with woven on design, fashioned into a two piece dress with gathered skirt and blouse with laid back collar and buttons down the front. The dress may be worn for "best occasions" or may be worn to school. Her dress cost $2.86.

Beautiful skirts were modeled by six girls, the first being

IMPORTANT MEETING ON BRUCELLOSIS CONTROL IS HELD

The meeting of the Bandera County Livestock Improvement Association was held at the Agriculture Center on Tuesday, July 27. There were thirty-two members present to discuss the Brucellosis law, the junior Livestock show, and the Angora goat and sheep sale.

Most of the discussion was on the Brucellosis law, what type of program to follow, and how to get the program started. The group present voted to take the Type II plan. In this plan, the cattle are tested at the expense of the states by the Livestock Sanitary Commission.

A long discussion was held before the decision was made to carry out the Type II program. The group felt this would be the best and fastest route to take in controlling Brucellosis in the county.

Committees were appointed from each community to get a list of the cattle owners and the number of cattle from the county tax rolls.

The law states that 75 per cent of the cattle owners, owning 51 per cent of the cattle shown by the tax rolls must petition to designate a county as a control area.

Another meeting will be held on Thursday, August 13th, at 8:00 p.m., at the Bandera County Agriculture Center on Brucellosis.

MEDINA SCHOOL CALENDAR

According to Supt. C. A. Braun of Medina, the school calendar has been approved by the Board of Education and opens school on September 4, 1959. The first holiday of the school year will be Labor Day followed by Veterans Day on November 11. The board also provided for Easter Day on November 16 and the two traditional holidays for Thanksgiving. Christmas holidays begin after school on December 23 and resume classes on January 4. The board provided for a holiday on January 15 for the Bandera County Livestock Show so that all participants could attend the show and to provide teachers time to assist with the show.

One new teacher was employed for the coming term—Mrs. Mabel Peck was employed as an elementary teacher. The Pecks have purchased the McClendon home in Medina and will make their home in the community. Medina school will have one more teacher during the 59-60 term than it has had in the past due to the increase in students. One additional classroom teacher unit was earned during the 58-59 period of average daily attendance.

Mrs. Royce Baker, Royce Edwin and Mary Nell visited her parents, Mr. and Mrs. Childs, in Evant, over the week-end.

Mrs. Fred McKissick and daughter, Jo, were San Antonio shoppers Saturday.

Marvin Hatfield of San Antonio visited relatives here over the week-end.

BRAUNS ATTEND CURRICULUM CONFERENCE

Supt. and Mrs. C. A. Braun returned to Medina on Saturday in time for the Rotary Watermelon Picnic. They had been attending the Conference on Curriculum Studies sponsored by the Texas Education Agency through the University of Texas. During the past school year, the Texas Education Agency had established eleven areas of curriculum study with seventeen actual studies going into the details of the curriculum in the schools of Texas. These commissions reported back to the Accreditation Division of the Texas Education Agency in June. Detailed reports were then printed from the recommendations of these commissions and these reports were presented and studied by the superintendents and teachers of the State during the one-week workshop. Supt. Braun said that the Texas Small Schools Association, of which he is State President, had representatives at the conference and studies were made of the reports in the light of the problems facing the schools of the future. Much improvement suggested in the reports can readily be instituted into the school programs of the State at nominal costs to the districts while other phases of the suggested improvements will be prohibitive without additional legislative appropriations.

Supt. Braun served as a panel member together with Dr. Harris of the University of Texas; Mr. Miser, representing the High School Principals, from Sweeny; Dr. Pogue, representing Elementary Schools, from Brazosport; and Mr. Nugent, executive secretary of Texas School Boards Association, from Austin. This panel presented an overview of curriculum revision as it relates to things which can now be done, changes which will need to be made both by the schools and by the State, and finally, in its summation, tried to project the idea of "Where do we go from here?"

Braun stated that he had a feeling that much good would come out of the study during the coming years, and that the Accreditation of all Texas Schools would eventually have some of the standards that would evolve as a result of this study.

Another study conducted by the Texas School Boards Association is a close parallel to this study and will probably be the role of the School Board Members in the curriculum study. Since the conference in Austin, Braun has received an invitation to be a resourceful person during the annual conference of the Texas School Boards Association. At this meeting, Braun will serve on a panel that will summarize and give the implications and problems related to the general theme of the conference. The theme of the conference is: "Improving Education—A Free People's Responsibility."

The Braun children spent the week with grandparents in Nixon while their parents attended the conference. Mrs. Braun attended the elementary division of the Language Arts Curriculum Program.

Mrs. Naomi Bonnet received word Sunday that her brother, Joe Dickens, of San Antonio, is very ill in the Santa Rosa Hospital. She went to Sag Antonio Sunday evening to be near him.

Dr. and Mrs. W. H. Harwood, Barbara, Carol, and Jeff Williams, of Ponca City, Oklahoma, visited in the home of Mr. and Mrs. A. J. Flowers Saturday. Other visitors in their home last week were: Mrs. A. L. Schwarz; Mrs. C. H. Wilson, Mrs. Wm. Meadows, Mrs. Agnes Abney, all of San Antonio.

(From the files of the Bandera New Era, Thursday, August 2, 1934.)

Mrs. E. A. Dater was a visitor in Frontier Times Museum last Saturday and while here she renewed her subscription to the New Era, she was accompanied by her son, Milton, Dater, and also by Joe Pinner, and Maurice Kinley of San Antonio. Mrs. Dater brought several Yellos to the Museum, among them an old double barrel shot gun and a mans two piece bathing suit more than thirty years old, and an old time garden hoe. Maurice Kinley brought us a mass of melted mails, a relic of the Chicago fire of 1874. We all of which we are very grateful, and we have placed them on display in the Museum.

Arthur Slater, evangelist for the Church of Christ, is conducting a series of sermons at the Church of Christ in Kerrville, beginning last Sunday and to continue until August 12th. The public generally is invited to hear this splendid preacher. The meeting is being held at the corner of Jefferson and A. Streets in Kerrville.

To the voters of Bandera county: I take this way to express to the voters of Bandera county my sincere thanks for the very splendid-vote given me in your county on July 28th. Having received approximitely one-third of the votes over the entire District and having led the ticket in seventeen of the twenty-seven counties, and having been second in seven and third in three counties of the District, I feel confident that with your continued loyal support we may look forward to a very pleasing victory on August 25th.

Sincerely,
Carl Runge.

A dust laden, blistering wind, which sometimes reached a velocity of 40 miles an hour, swept the Texas Panhandle today from the West and Southwest. Half-parched row crops suffered still greater damage. In some localities grain sorgum crops already were ruined. Ranges also were reported in a deplorable condition.

Misses Ruth Davenport and Aileen Cash came in from Alpine Saturday night and remained until Tuesday. Miss Cash was the guest of Miss Thelma Surber, and Miss Davenport spent the time with her parents, Mr. and Mrs.

Stack 'Em Up, Pour It On

In true camping tradition, ten thousand Girl Scouts, and leaders presented were Mrs. Naomi Bonnet of Grandview, Missouri; Mr. and Mrs. Charles Smith, of Medina; Mrs. S. F. Mudd and son, Milton, Violet Schuler and daughter, Ruth Ann, Catherine Walker, Mrs. A. F. Holder and two children, Jerry David and Sarah Jane, of San Antonio; Mr. and Mrs. Ney Walker of Wimberly; Mr. and Mrs. Homer Bonnet and children, David, Ann and Shari Sue of Medina; Mr. and Mrs. Oliver Bonnet and sons, Stevie, Teddy, Gary and Craig, of Del Rio; Carol and Greg Bonnet, son and daughter of Mrs. Jor and Mrs. H. S. Anthony Jr., of Grandview, Missouri; Mr. and Mrs. Fred Bonnet and son, Kenneth, of Medina; Mrs. Charles Chipman and children, Charles, Monte and Ruby Ann, of Kerrville; Bobby, Joe and Linda Singleton of Bandera; Mr. and Mrs. Roy Bonnet and Phyllis, Carl Wheeler, Elbert Wheeler of Medina; and Mr. and Mrs. H. S. Anthony Sr., of Bandera.

BRAUNS ATTEND CURRICULUM CONFERENCE

Supt. and Mrs. C. A. Braun returned to Medina on Saturday in time for the Rotary Watermelon Picnic. They had been attending the Conference on Curriculum Studies sponsored by the Texas Education Agency through the University of Texas. During the past school year, the Texas Education Agency had established eleven areas of curriculum study with seventeen actual studies going into the details of the curriculum in the schools of Texas. These commissions reported back to the Accreditation Division of the Texas Education Agency in June. Detailed reports were then printed from the recommendations of these commissions and these reports were presented and studied by the superintendents and teachers of the State during the one-week workshop. Supt. Braun said that the Texas Small Schools Association, of which he is State President, had representatives at the conference and studies were made of the reports in the light of the problems facing the schools of the future. Much improvement suggested in the reports can readily be instituted into the school programs of the State at nominal costs to the districts while other phases of the suggested improvements will be prohibitive without additional legislative appropriations.

Supt. Braun served as a panel member together with Dr. Harris of the University of Texas; Mr. Miser, representing the High School Principals, from Sweeny; Dr. Pogue, representing Elementary Schools, from Brazosport; and Mr. Nugent, executive secretary of Texas School Boards Association, from Austin. ELECTRIC CO-OPS turned WORK INTO PLAY

Ask any woman who fought the wood stove in the farm house and she will tell you electricity created a wonderland in her kitchen. Electric fry pans, percolaters, toasters, broilers, refrigerators, food disposer . . . the list is a long one. Then there's the electric stove itself . . . clean . . . cool . . . odorless and safe. But the important fact is this . . . The Electric Cooperatives borrowed money at interest to bring the electricity that made this modern miracle possible. The electric cooperatives and only the cooperatives were equal to the heroic challenge offered by rural electrification.

The Electric Cooperatives have succeeded . . . are succeeding and will succeed in their continuing task or service to the community and the nation.

BOND SALES INCREASE

J. Burgin Davenport, Chairman of Bandera County's Savings Bonds Committee, reports that June bond sales in Bandera were 11.4 per cent greater than May sales. Bond sales in Bandera County totaled $15,232.00 the first half of 1959. This represents 10.4 per cent of the year's goal for the county.

Sales in Texas for the first half of 1959 were $81,960,468 or 44.9 per cent of the year's goal of $182.5 million.

"The fine sales increase shown in June points up the fact that thousands of Texans are investing in an investment where their principal and interest are fully guaranteed by the U. S. Treasury Department. I believe strongly in the bond slogan 'Part of Every American's Savings Belongs in Savings Bonds'" Mr. Davenport stated. "More Texans should take part in the Savings Bonds program, not only as a tangible expression of patriotism, but as a practical way of saving for future personal security," chairman Davenport concluded.

MRS. JORDAN IS THE GRANDDAUGHTER OF INDIAN CAPTIVE

After the article "The Gregg Family Tragedy in 1841" in our Twice-Told Texas Tales which appeared in the Bandera Bulletin last week, Mrs. W. P. Jordan called the Bulletin office and told the editor that Henry Gregg, the little boy in the story who was stolen by the Indians was her grandfather. She also told us that the little boy was held captive for six years, and was cruelly treated by the Indians.

It's The Law IN TEXAS . . .

Facts Needed to Plan Will

In planning your will, your lawyer will want to know your true wishes; and then, to help you reach them, he will want to know a few basic facts.

Are you married? Any children or grandchildren? Previously married? Widowed? Your age and those of your beneficiaries? Legal residence? Health?

Why these questions?

You'll have to work out your plan in view of the laws governing death taxes, property laws, and, if you are married, separate and community property.

Age? If you wish to set up trusts in the will, your age and those of your beneficiaries may help you to decide whether, for example, to use capital of the trust fund as well as its income for the beneficiaries.

Your residence? Most important, since state laws govern many of the questions presented.

Do you plan to move to another state? If so, consult its laws. Many people who come to Texas from other states should see that their wills conform to and take advantage of our laws.

Some people live half the year in Texas and half elsewhere. If you do, take steps to nail down your claim to reside in one state or another, to avoid needless litigation and possible claims to taxes in both states.

Your health? If possible, have your will drafted while you are in good health and clear mind.

Contests, though relatively rare in Texas, still do take place. In some cases, for example where non-relatives inherit, it may be a good idea to give reasons for these bequests in your will and to tell why you may have left some relative out (for instance, where a children has been taken care of by the parent in other ways).

(This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever attempt to interpret any law without the aid of an attorney who is fully advised of pertinent facts involved, because a slight variance in facts may change the application of the law.)

Mr. and Mrs. Joe Hensley have been called to have as guests in their home for the last few weeks Mrs. Marvin Shear and daughter, Pam, of Fort Worth, and Mrs. H. E. Copeland and daughters, Sandra and Gail.

HILL COUNTRY ARTS FOUNDATION IS A THRIVING PLACE

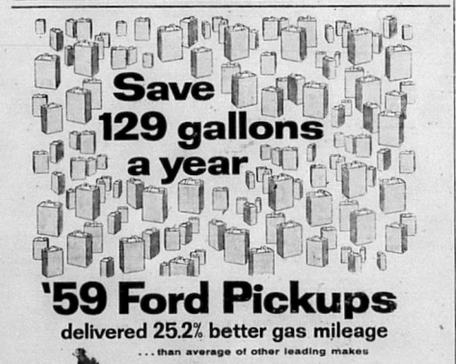
We certainly enjoyed a visit last Friday afternoon to the Hill Country Arts Foundation in Ingram, Texas, where we were cordially greeted by Mrs. Edmund H. Mc-nerny, of Houston, who is president of the Foundation.

We enjoyed viewing the beautiful paintings by Hill Country artists as well as the handicrafts in progress.

The main building is situated on a picturesque spot on the bank of the Johnson's Fork just outside old Ingram. It opens on to a wonderful natural amphitheatre whose stage is on the very bank of the stream, where boating, swimming and fishing may be enjoyed by those who visit there.

There is also a charming Country Kitchen where we were invited to have tea.

The summer theatre has been very popular with Hill Country people as well as the visitors to the Hills. One of the most charming of plays, "My Three Angels" was closed on Sunday night. On Wednesday, July 29, "GIGI" opened and will run through August 9. This play from which the Academy-Award winning film was taken tells the story of a young Parisienne's life and love in an engaging manner. Other plays to be presented are "Mid Summer Night's Dream" or "The Woman," "Tunnel of Love."



Buck Schlwets began instructions in water colors on Monday.

Other outstanding events scheduled by the Foundation will include a concert by Miriam Wagner, noted pianist, on Tuesday, August 4, at 8:30 and then on Tuesday, August 18, Nancy Swinford Blackburn, iminent soprano, will present a concert.

Reservations for any of these events or any information may be secured from the Point Summer Theatre, Ingram, Texas.

Mr. and Mrs. Carel D'Spain are the proud parents of a fine little baby son, born on July 13, in the Sid Peterson Memorial Hospital in Kerrville. Michael Wayne weighed eight pounds and eight ounces at birth and is being welcomed by his grandparents, Mr. and Mrs. Doc D'Spain of Bandera and Mr. and Mrs. N. E. Bergman of Devine.

FALLOUT SHELTERS are the best way for rural Americans to protect themselves from a massive nuclear attack which could unleash dangerous radioactive fallout throughout the country. Some of the shelters recommended by the Office of Civil and Defense Mobilization are not as elaborate as the one which includes an automobile, generator and an electric air filtering and ventilating system. However, all recommended shelters should include the basic features shown here: a place to sleep; food, water and medical supplies, and at least eight inches of concrete or an equal weight of other materials for shielding the shelter against fallout. Free designs may be obtained by writing to OCDM Rural Civil Defense, Battle Creek, Mich.

RALPH YARBOROUGH'S REPORT

A proposal which opens educational and job training benefits to some 4,000,000 veterans, the Post-Korean or Cold War G. I. Bill, is now awaiting action by the U. S. House of Representatives after passing the Senate by a substantial 57 to 31 margin.

This measure is a sound economic and educational investment, and is an example of understanding between our government and the young men who are fighting the Cold War at distant posts. I am hoping key members of our Texas delegation will guide the measure through to passage in the House.

This bill, which I had the privilege to sponsor is closely patterned after the Korea G. I. Bill. It will assist hundreds of thousands of Americans to help themselves by preparing them to earn better livings. This added training will also help increase our national productivity.

As the measure was passed by the Senate, it provided that grants for college training will be continued after the first year only if the veteran is in the upper half of his class.

Those who fell in the lower half of their class may continue in school, but they receive their assistance under a government loan program.

The measure takes up where the Korean G. I. Bill left off, January 31, 1955, and runs through July 1, 1963, when the current draft law ends. It provides a monthly allowance for full time training at the rate of $110 a month for single veterans without dependents, $135 monthly for a veteran with one dependent, and $160 per month for a veteran with more than one dependent. It also provides vocational rehabilitation training for veterans with service-connected disabilities, and a loan guaranty feature for loans on homes, farms, farm homes, and farming equipment and livestock.

Our young people interrupt their lives, their education or job training and careers to man America's and the Free World's defences. This bill would show that these our nation sincerely appreciates their sacrifices and is working to help them overcome the time loss and to make a better life for all of us.

CARD OF THANKS

I sincerely wish to express my thanks and appreciation to all my wonderful friends in Bandera for the beautiful flowers and cards sent to me while I was in the hospital. To all those who visited me, and a special thanks to my pastor, Rev. David Stewart, for all his visits. It makes me feel good to know that I have so many wonderful friends who are interested and concerned for my recovery.

Mrs. E. A. Habenicht

Could anyone deny this baby a few minutes?

Certainly not the mother or father. And surely you, a stranger, would not begrudge a few minutes of your time to protect this baby's life—or yours!

Driving faster than road conditions or the law allows can shorten your trip no more than two or three minutes. Is this saving worth the risk of a precious life? For minutes like these can mean the difference between life and death.

Last year, nearly 40,000 men, women and children died in traffic accidents. In 3 out of 10 fatal crashes, speeding was a factor. Think how many lives just minutes can save . . . and slow down!

Help stop senseless killing on our highways. Drive safely yourself.
Insist on strict law enforcement for your own protection.
Work actively with others to support your local Safety Council.
Remember—where traffic laws are strictly enforced, deaths go down.

frosting. Each cake was topped by a miniature bride and groom.

Mrs. Donald Teel served the cakes and Miss Linda Meadows and Mrs. Herbert Swartzman poured the punch.

Miss Jo McKissick presided at the bride's book.

The bride is a graduate of Medina High School and attended San Antonio College. She is now employed at Kelly Air Force Base.

The groom is a graduate of Peacock Military Academy and attended San Antonio College. He also is now employed at Kelly Air Force Base.

Following a short honeymoon at the coast, the happy couple will be at home at 246 Venice in San Antonio.

For traveling, the bride chose a shirtwaist dress of blue dacron and white accessories. Her corsage was the orchid from the bridal bouquet.

Guests who registered at the wedding and reception included: Rev. and Mrs. J. R. Hilliard, Mrs. Wales P. Dear, Sr., Mrs. Kenneth Carlson, W. P. Dear, Mr. and Mrs. Herbert Swartzman, Mrs. Ronnie Thomas, Mrs. J. F. Rathburn, Mr. and Mrs. Clark Stevens, Mr. and Mrs. J.D. JUSTICE OF THE PEACE CASES IN COURT

The following cases tried in his court this week were reported Wednesday by Justice of the Peace William Ahring:

Emil Mers, no fishing license, fined $10 and costs; Vernon B. Dikes, no fishing license, fined $10 and costs; Fred O. Lancaster Jr., failure to control speed, fined $5 and costs; Ross N. Bailey, turning without safety, fined $5 and costs; William H. Frazer, no drivers license, fined $5 and cost; William R. Peters, no drivers license, fined $5 and costs; Juan Contreas, no drivers license, fined $5 and costs; Jack P. Owens, drunk on a public highway, fined $10 and costs.

Allen Mansfield of Houston spent last week-end here with his mother, Mrs. Erle Mansfield.

JOHN D. SOMMER ACCEPTS NEW POST

John D. Sommer, popular Bulldog Band director for the last three years, has resigned to accept a similar position in Edna. Edna is a double "A" school and is close to both Mr. and Mrs. Sommer's former homes at LaGrange. The promotion is a well-deserved one for Mr. Sommer, who will direct an 82 piece band and handle junior and senior high school bands.

Mr. Sommer will receive his Master of Education degree from Southwest Texas State College this summer.

In three years the bands at Bandera under Mr. Sommer's direction won six first divisions in Interscholastic League activities, including one sweepstake. Last year the band appeared in a joint program with the Medina School Band, in an experiment which created much interest.

Mrs. Sommer taught homemaking in the Bandera School in 1956-1957.

According to Marvin C. Schnelle, superintendent, the vacancy will be filled as soon as possible; so work can begin on band plans for next year.

GEORGE ALLSUP TELLS OF DESTRUCTIVE GRUB WORMS

George Allsup and his son were down from Medina Wednesday afternoon and paid our office a visit to renew his subscription to the Bulletin. Mr Allsup told us that the grub worms had hit his ranch and cleaned out about 1100 acres of grassland. Said his place looked just like a fire had struck it, and that the worms were spreading to other ranches in that community. Many of the grasses on his ranch were introduced varities that had taken him several years to grow. They were beautiful in the spring, but have been completely destroyed during the past two months he said. His son, Allie Allsup, who ranches in this same area is also having his troubles with the destructive worms. If something is not done soon to stop these pests this whole area will look as if a fire had blasted it.

SHORTS RETURN FROM EUROPEAN TOUR

Col. and Mrs. Clay Short have returned from a delightful European tour of several months and report a wonderful trip.

Mr. and Mrs. Ed Thomas of Fresno, California, are here visiting his sister, Mrs. C. W. Mansfield and other relatives and friends.

Mr. and Mrs. John Barnett of Del Rio, Mr. and Mrs. W. Cheatham and son, Edwin of Encino, Texas, were guests of Mrs. J. W. Cox and Shirley and Sherri Schneider last Thursday.

DRESSES

(Continued from Page 1)

Theresa Batto. Her skirt, with little green and white checks, was gathered, cost $1.35.

Rita Brooks, 9 years old, proudly modeled her first garment. Rita made her pretty pleated skirt before going to camp as she was afraid she would miss the workshop, then she decided to make her blouse during the recent workshop, so as to complete her dress. Her pretty dress cost $2.89.

Mary Margaret Stein showed the skirt she has made. A tan gored skirt, extremely full, with many, many stitches in the hem. The pretty blue and white combination will be nice to wear with her choice of blue and white blouses. Her skirt cost $4.49, however she has enough material left to make a blouse and give her a complete dress.

Rita Rose looked chic in her pretty red, full circle skirt. It may be worn to school until late fall with a variety of colors in blouses. The cost of her skirt was $2.22.

Annie Langham, a first year 4-H club member came out in something entirely different. She presented a play suit combination of pleated skirt and pants, all made into one. She can wear a variety of colors of blouses with it. It cost her $1.94.

Janice Locke's pretty skirt was modeled by Rita Brooks, as Janice was on vacation. The cost of the skirt was $3.58.

Judges for the revue were Mrs. M. R. Sandidge, Mrs. Walter Meadows and Miss Christine Kalka.

Mrs. Gilbert Went, Home Demonstration Council president, presented the prize money from Council to the winners and Mrs. Willie Schmidt served as commentator and presented the winners ribbons.

Winners were: Dresses—Linda Bausch and Mary Evelyn McShan tied for first place; Dorothy Batto, second and Jane Masurek, third.

In the skirt division winners were: Janice Locke, first place; Rita Brooks, second place; Rita Ross, third place; and Annie Langham, fourth place.

Bill Jordan is spending the summer at home with his parents, Mr. and Mrs. W. P. Jordan. He will resume his studies at Texas Military Institute in the fall.

attend this meeting. It is of vital importance that everyone know more generally what is done to control Brucellosis in the county and state.

The rule changes for the junior livestock show as set up by the rules committee were read and approved. The changes were that breeding sheep and Angora goats showing their more permanent teeth will show in the aged classes. Previous ruling was that only 3-6 foals could show in the aged class. Another class will be added to the commercial sheep class in which commercial rams can show. There will be lamb, yearling, and aged classes for commercial rams. Entrance fees will be collected at the show barn this year, instead of the time of making the entry on December 1st.

Grub Worms Cause Severe Damage

The large white grub worm which hatches into a June bug is doing severe damage on George Allsup and Allie Allsup's ranch. Some damage has also occurred on Don Lloyds, L. Storms and M. Meiers. The grubs prefer to work in the open areas on Texas Wintergrass, Threeawns, and Love grasses. They do not work much on the bluestems. Only one has been noticed where damage was done to K.R Bluestem. The valleys and shaded areas do not show this damage at the present, but the slopes and mountain tops are damaged severely. Actually it looks worse than if fire had gone through the area. The worms cut the roots of the grasses which causes the beautiful gold look made by Mrs. Jean Bentley, daughter of Fire Chief and Mrs. Fred Ross of San Antonio. The whole town was decorated with art work, gold roses cover. Inside was the family tree and an beautiful dedication to "Frank and Ora".

Mr. and Mrs. Ross' brothers, sisters and children' viewed them with a lovely refrigerator as an anniversary gift. Their children gave Mrs. Ross a lovely corsage and Mr. Ross a boutonniere.

BANDERA BOY SCOUTS BRING HOME TROPHIES

Bandera's Boy Scout Troop 146 won a pennant for tying for the highest score in scout skills and contests at Iglian Creek Scout Camp last week. Thirteen troops, consisting of about 250 boys from the central Texas area, participated in the contests.

Winning five feather awards for the troop were Richard Evans, Billy Small, Johnny Small, Jimmy Daniels, Harold Brooks, Royce Spratt, Bobby Bailey and Russell Zickler, Jr., members of the Panther Patrol.

The Flaming Arrow Patrol won feathers in all but the Health and Safety contests. In this Patrol are Johnny Heinen, Mike Fitzpatrick, Robert Alanis, Morris Green, Robert Johnson and Bobby Jones. Senior Patrol Leader Elmo Jaye assisted both patrols.

In spite of the rain, the boys managed to swim, go canoeing, practice scout skills and pass first aid requirements.

On Friday night, July 24, Bandera parents and friends of Scouts attended Visitors' Night at the camp. There they inspected the Troop's campsite and attended a ramp fire program. Among candidates visitors were Mrs and Mrs. A. B. Spall, Mr. and Mrs. Leroy Sprott and Bobby, Bishop, and Roger; Mrs. Harold Brooks and Rita; Mrs. Russell Zbikleg, and Jeff, Marianna, Bussie, and Barbara; Mrs. John Gumert and John Mark; and Edwin Langford.

With two boys at camp were Scoutmaster John Gumert and Assistant Scoutmaster Russell Zickler. Parents who provided transportation to and from camp were M. M. Jiroch, Harold Brooks, Edgar Heinen, Mrs. Arthur Fitzpatrick and Dan Alanis.

The troop will continue to meet at the Town Retreat each Monday night at 7:30 p.m., until completion of the Scout Hut. The Hut, located on the Medina River near

"GIGI" WILL OPEN AT ARTS FOUNDATION IN INGRAM TONIGHT

The ..... Theatre of the Arts Foundation ..... Ingram, will open ..... with the comedy hit ..... "Gigi" at the Point Summer Theatre in Ingram ..... has been postponed until Friday, July 31.

Postponement has been necessitated because of the lavish scale of the production. The theatre is being restyled in the grand French manner. The run of the play except Monday through Sunday, August 9, with only Tuesday, August 4, as a "dark night."

Directed by William Hardy from Houston's Alley Theatre, the play stars Miss Rozanna Rich from San Antonio Little Theatre as Gigi. Also playing leading roles are Miss Betty Malsbern and Jack Spain from the Alley Theatre.

Others in the cast include Mrs. Janine Guiheneuf of Ingram, Charles Armsby of Houston, and Mrs. Zelma Hardy of Kerrville.

The set and costume designs are by Don Bolen, general director of the Hill Country Arts Foundation. Ron Lee, technical director, is in charge of lighting effects.

"Gigi," the Point's fortieth production, is the play that introduced Audrey Hepburn to American theatre audiences and from which the Academy Award-winning movie was made.

Following "Gigi," the Point Theatre will present "Glad Tidings" (August 12 through 23) and "The Moon Is Blue" (August 26 through September 7). There are no performances on Mondays and Tuesdays.

General Director Bolen announces two special concerts for August, one Tuesday, August 4, when pianist Phillip Mirabo will be featured with Wagner, and Rosenkavalier claimed as a brilliant and imaginative artist, at a special benefit in collaboration with the Kerrville Symphony. Miss Wagner, who has four times soloist with the Chicago Symphony.

On Tuesday, August 18, Miss Nancy Blackburn, soprano, appears as concert artist. Miss Blackburn is soloist with the Houston Grand Opera Association. She recently sang the title role in their production of "Madame Butterfly."

HCAF's School of Arts closes out their summer program with two instructors of national prominence. Classes from August 3 to 15 will be under the instruction of Donald Pierce, well-known watercolor instructor at the Art Students League in New York City.

Beginning August 17 and extending through August 29, Eugene Ludins, Professor of Painting at the State University of Iowa, will conduct classes in oil painting and composition.

Art classes are open to all interested art students. Housing accommodations are available at nearby cottages at reasonable rates.

For information write Hill Country Arts Foundation, Ingram, Texas.

MRS. HUTCHESON AND SONS RETURN FROM LOVELY TRIP

Mrs. Charles E. Hutcheson and sons, Robert, John and Howard have returned home from a lovely and interesting trip. They went to Sulphur, Louisiana, where they picked up her mother, Mrs. Bernice Mullins, then up to Vicksburg, Mississippi. They visited the Civil War Battlefield and cemetery there as well as other places of interest.

They were the guests of Mrs. Hutcheson's aunt, Mrs. Ernest Ettienne, the first night in Vicksburg.

From Vicksburg they went to Bovina, Mississippi. There they visited the home of Mrs. Hutcheson's father, Robert S. Mullen, from Bovina they went to Crystal Springs, Mississippi, to be the guest of Mrs. Lillian Jernigan, who lives in one of the most beautiful old three storied colonial homes.

In Natchez, Mississippi, they visited a number of beautiful colonial homes before returning to Sulphur, Louisiana, for a week's visit with Mrs. Mullen.

Robert, John and Howard had a thrilling trip and came home with many souvenirs of the Civil War. Each young man has been wearing one of those grey caps.

They were accompanied home by Mrs. Mullen and Randy McDaniel.

We are sorry to report J. D. Fly has been on the sick list this week.

Mr. and Mrs. Joe Favoccia and family are here from New Jersey to visit relatives and friends.

Guests in the home of Lt. Col. and Mrs. Elmo Reeves this past week were Mrs. V. W. Rogers and Taylor Rogers of Abilene.

Mr. and Mrs. T. B. Yancey of Kilgore have been the guests of Mr. and Mrs. John Gumert this week. They are Mrs. Gumert's parents.

Last week Miss Leeannah Roberts was the week-end guest of Miss Julia Walton. They were entertained at the ranch home of Julia's parents, Mr. and Mrs. W. W. Walton, near Helotes, Texas.

Mr. and Mrs. Forest Stevens have been enjoying a visit from their old friends, Mr. and Mrs. J. W. Williams of Yoakum this week. The Williams' have just returned from a visit to their daughter, Mrs. Hugh Ballard and family, in Roswell, N.M. The Williams and Ballards are well known here having resided in this community for a number of years. Mr. and Mrs. Williams plan, also, to visit other old friends here before returning home.

AN OLD COWHAND FORETASTS EARLY DAYS IN TEXAS

By Nan Tatum

The smoke of the branding fires may have drifted away, the old cattle trails been beaten into long ribbons of shining highways; but, we still have with us a portrait of the old west and the colorful life of the cowboys as lived back in the seventies and eighties, in such characters as J. T. Russell; retired cowboy and stock raiser, now living in Winters a small town in Runnels county, Texas.

Mr. Johnny, as he is called by his many friends, came to Texas from Alabama when only two years old. Out of the wild regions of the Lone Star State, then unfenced and untamed, he has seen emerge prosperous farming centers; dotted with towns and cities; the big herds that once roamed the unfenced acres and fed on tall mesquite grass have reduced to scientific breeding of pure bred smaller herds, that bring their owners more money per head than was realized from ten head back in those early days.

"But those were the good old days," laughs Uncle Johnny, now. "When there were no gates to open and always beef steak for dinner."

Uncle Johnny, now 84 years of age, was born in Alabama in 1862, and came to Texas when just a small boy with his parents. His father was killed in the Civil War, and his mother died while he was but a youngster. He lived in Milan county until 1878 when he came to Runnels county, helping his boss and several other boys drive a herd of cattle.

He tells many interesting tales of their thirty-day trip, with the large herd of long horns. They had two stampedes during the long drive. One was caused by a coyote, the other by a prank he and one of the other boys played on a dog-ie calf that was forever pestering around the chuck wagon.

Every few days they would butcher a calf for meat since that was about the cheapest eating there was, (a good yearling bringing the small sum of six dollars). One day, as he hung the hide of a yearling on the coupling pole to dry—"and it was good and dry," laughs Uncle Johnny, the day they caught the dogie calf sniffing around the chuck wagon and decided to tie the tail of the calf to the dogie's tail. They did. And it tore out through the peaceful grazing herd with the dry hide hitting the ground in high places behind it; results — a stampede that took two days to quit.

"I got here too late to see any Indians much," he says, "but could still smell their smoke, especially around the old Blue Gap Settlement."

Old Blue Gap—the first post office in Runnels county, a one room log cabin with cedar rafters and roughly hewn log walls chinked with pine fillers, lime and sand, still stands, after more than seventy years in the gap of the mountain about fifteen miles east of Winters where Uncle Johnny now resides.

The old log cabin was built back in the early seventies before there was a town in Runnels county; before the stacks of the Indians had cooled; before the soil had known the plow, wire fenced were built; back when the settlers were few and far between, living in the open spaces—no picket or split rail fences around their humble homes. The houses were made by digging a large hole in the ground and leaning slender, poles or pickets above it and covering them over with grass or brush. Back when the county's population registered less than a thousand and compared with its 19,000 of today.

There were no good roads, just winding cow trails and the old stage road that ran along the base of the mountains in the eastern part of the county.

Along this old road the stage came about every two weeks bringing the mail to the Blue Gap post office from Roundrock in Williamson County. It followed the winding road across the country to Buffalo Gap where the driver visited the only saloon for many miles around while his horses were being changed for the trip further north.

Twice a month Uncle Johnny would ride many miles to pick up his and neighbors mail at Blue Gap. It was on one of those missions that he picked up a bit of news. The T. and P. Railroad company was getting ready to bring the road into Baird, Texas, some sixty miles as the crow flies, from Blue Gap. On a certain day he was told, a man would be at Buffalo Gap to hire men for the job. Uncle Johnny returned home with his bit of news filled with hope and enthusiasm. He had been looking out for just such a chance to make a little extra money so he might go back east and bring the girl he left behind him," out to reign over his picket home.

Bright and early on the appointed day he saddled up and headed for Buffalo Gap. When he arrived a crowd was gathered listening to a man speak. When he had finished he asked if there were any questions. Uncle Johnny being 18, and full of confidence because of the new ten dollar bill in his pocket, (every cent he had) stepped up to the platform and asked: "Mister what do you pay a single hand?" The man slapped him on the shoulder and with a loud laugh said: "The same as I do a married hand, son."

The crowd roared and surged around him; they lifted him up and started across the street, Uncle Johnny said at first he thought they were going to hang him, and was certainly relieved when they only shoved him into the only saloon and told him the drinks were on him. When he came out of the saloon he didn't have a dime left of the new ten dollar bill, but he felt a bit wiser and older.

That was the year 1880—it was also the same year that Runnels county boasted a 12 inch snow in March. Uncle Johnny had gone over on Table Mountain searching for strayed stock when the snow came so thick and fast he was forced to take refuge in an old dugout on the side of the mountain. He spent a night and day in that hole with two other men, a Mexican and two hound dogs.

Cattle often drifted many miles before a storm or blizzard; and many were lost. Lobo wolves as well as rustlers took their toll too. Thousands of calves were lost annually by these hazards.

It was in 1885 before Uncle Johnny made the trip back to Milan county and married his old sweetheart, Alice Nichols, and brought her back to Runnels county to keep his picket home for him. The few families living in the community built a small log house. The building was used for preaching, funerals, a month school now and then and lodge meetings. They had no regular preacher but a Mr. Gibbins could "make a talk most nigh as good as any preacher," so he made the talks at all the public gatherings and preached the funerals of those who passed away.

Before there was a general store in the little community supplies were brought from Roundrock in Williamson county. Several families would go in together and the men folks would make the trip in a wagon. They usually brought supplies to do for many months, and the trip took around three weeks or a month.

Uncle Johnny talks for hours of the many roundups he has taken part in on the open range; of eating from the chuck wagon for weeks at a time and the fiery spirit of the little saddle ponies, night the remuda was left in rope that made up their remuda. At corrals or turned loose to graze, one of the gentler ones wearing a bell so that they might be easily found the next morning.

Some of those little Spanish horses were plenty tough, and never thoroughly broke. Uncle Johnny remembers many a frosty morning finding his pony with a lump in his back that took a lot of prancing and pitching to get it out. But he can usually stay on, split and there was no question of the little horse he was firmly seated he was then ready to start the day's work. "A better friend a cowboy never had," says he. "You could talk or sing all day to him and he never talked back or called you down if you hit the wrong key."

Despite the hazards that filled his life as a cowboy, the loneliness, long hard rides in blazing sun or shivering blizzards of cattle rustlers and preying beasts, Uncle Johnny says of life: "IT HAS BEEN GOOD."

He is a spry little man and helps to care for his companion who fell several years ago and broke her hip; and since that time has been confined to her bed. Mr. and Mrs. Russell have one child, R. K. Russell of Winters.

HILL COUNTRY RACE MEET OPENS IN JUNCTION AUGUST 6

Opening with a street parade containing out of town entries Thursday morning, August 6, three big days of horse racing, a huge two-day billy sale and three nights of dancing will start in Junction under the sponsorship of the Hill Country Fair Association, a non-profit organization.

This will mark the 22nd annual affair with more horses here for the races than ever before. Twenty-four additional stalls have been built for them.

Special races will be a Hill Country Feature, a three-fourths mile open for a purse of $200 on each day, and the Junction Derby, a one-mile open for a $250 purse as the final race on Saturday.

Open jack pot calf roping will be held between each race throughout the meet. Area contestants are invited.

Billy Sale

Every type of goat a buyer might want and of the best quality ever offered, in the opinion of the goat committee, will be sold in the mammoth sale August 7 and 8.

Twenty top stud billies out of the 204 will be sold Friday. Over 100 goats will be sold each day. Texas Top Hands will play for the open air dancing in the pavilion at the Fair Grounds three nights.

Our WASHINGTON Letter

By Congressman O. C. FISHER

EDITORIAL

The tenured Chicago school teacher who chose jail rather than pay traffic fines she considered unjust, voices the feeling of many people who drive cars. They claim they weren't speeding, they didn't run a red light, they were not intoxicated while driving. They claim they did stop for that stop sign. When arresting officers disagree, whom do you believe?

In more than 98 per cent of the cases the officer is right. Drivers sometimes feel that traffic courts are dictator-courts. But they should pause and think a minute. There are thousands of fools driving automobiles, without road rules and courts to punish violators, death and injury would be even more appalling.

The Chicago woman complained that the police department up there has an "unwritten law" that every officer must write so many traffic tickets every day. That charge has been made in Texas.

The truth is, these fines are unpopular. Sometimes the officer errs because there are a lot of drivers—including the fools and those driving while intoxicated. When a mistake is made, the whole law enforcement department is critiqized. The fines are not to enrich the treasury. They are to punish the fools and those who drive while drinking and to maintain a semblance of safety.

HUGE MOHAIR SALE IN KERR COUNTY

Kerrville—A large actumulation of 1959 spring mohair was sold during the week by a Kerr county warehouse. It was nearly 300,000 pounds, sold by Ranchmen's Wool and Mohair Commission Co., Ingram, to Clyde Young, Lampasas textile industry buyer.

The lot included more than 200,000 pounds of adult hair, which brought a reported $1.01¼, and about 85,000 pounds of kid hair, at $1.41½. These prices, shearers said, are 14 cents to 15 cents less than the top paid earlier in the year.

The fall clip is beginning to trickle in. Contracting prices for it were down to 81¼ cents for adult hair and $1.06½ for kid hair.

Some ranchers were shearing goats early in an attempt to avoid fleece defects which Angoras pick up while grazing on fresh vegetation, now appearing in some counties.

The same observers said that the wool market, not following the mohair trend, had gained some strength as the state's stocks continue to dwindle. The unsold wool lots are estimated at around 5,000,000 pounds.

MR. AND MRS. HICKS ATTEND BRIGGS FUNERAL

Mr. and Mrs. D. W. (Speedy) Hicks went to Del-Rio Monday to attend the funeral of Carroll Briggs, prominent West Texas ranchman who passed away Saturday.

Mr. Briggs was well known here having furnished fine registered goats for the Hay Foundation from time to time, and as he was a frequent visitor in Bandera, also.

BEST ENGINES!

One of 7 Big Bests Chevy gives you over any car in its field

Open invitation to excitement, the Impala Convertible . . . and America's only authentic sports car, the Corvette.

You've got more to go on than our say-so: *Every* motor magazine has given Chevy's standard passenger cars and Corvette V-8's unstinted praise. SPORTS CARS ILLUSTRATED says it this way: ". . . surely the most wonderfully responsive engine available today at any price." And if you want the thrift of a six, you still get the best of it in a Chevy.

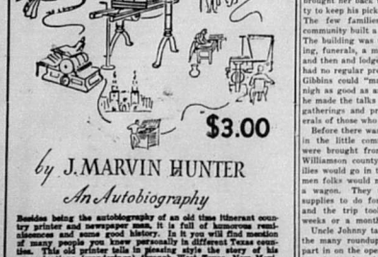
BEST ECONOMY No doubt about this: a pair of Chevy sixes with Powerglide came in first and second in their class in this year's Mobilgas Economy Run—getting the best mileage of any full-size car, 22.38 miles per gallon.

BEST BRAKES Not only bigger, but built with bonded linings for up to 66% longer life. Just to prove what's what, Chevy out-stopped both of the "other two" in a NASCAR-conducted test of repeated stops from highway speeds.
**National Association for Stock Car Advancement and Research*

BEST RIDE A few minutes behind the wheel will leave no doubt about this. MOTOR TREND magazine sums it up this way: ". . . the smoothest, most quiet, softest riding car in its price class."

BEST TRADE-IN Check the figures in any N.A.D.A.* Guide Book. You'll find that Chevy used car prices last year averaged up to $128 higher than comparable models of the "other two."
**National Automobile Dealers Association*

BEST ROOM Official dimensions reported to the Automobile Manufacturers Association make it clear. Chevy's front seat hip room, for example, is up to 5.9 inches wider than comparable cars.



BEST STYLE It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

CHEVROLET NO WONDER MORE PEOPLE ARE BUYING CHEVROLETS IN '59 THAN ANY OTHER CAR!

Peregrinations of a PIONEER PRINTER

$3.00

by J. MARVIN HUNTER

An Autobiography

Besides being the autobiography of an old time itinerant country printer and newspaper man, it is full of humorous reminiscences and some good history. In it you will find mention of many people you know personally in different Texas communities. This old printer tells in pleasing style the story of his peregrinations (wanderings) through West Texas, New Mexico, Arizona, and even Old Mexico; how he and a fellow newspaper man had to leave "between two days" and ride in the "dead of night" (hot car) through a hail of bullets from Mexican rurales hot on their trail; of his experience as a sheepherder; of two unusual days he spent entertaining a noted outlaw in his sheep camp; of meeting noted characters, both famous and infamous; and of many other interesting events and incidents. He settled in Bandera to spend his remaining years among the best people on earth.

TELEPHONE TALK

by Leonard Hardin, Manager

LET ME INTRODUCE MYSELF

Hello, I'm Leonard Hardin, your new telephone Manager. Since I will visit with you regularly in person and in this ad column, I am looking forward to getting better acquainted with you. Along with the other telephone people responsible for your service here, my job is to help see that we continue to provide good telephone service. And I'm glad to be a part of this telephone team.

I've been with the Telephone Company about 7 years, working in the Rio Grande Valley, in Austin, and in Temple. My family consists of my wife, Mae, an Edinburg girl, and two daughters, Cennie, who is 7, and Terrye Lynn, 5.

I want you to know that I am very pleased to be working in this part of Texas and I shall do my best to help you with any of your telephone needs.

VACATIONS AND TELEPHONES

When you think of vacation about this time of year, you probably think of fishing, swimming, visiting, or just plain relaxing at some nice vacation spot.

Well, I'm happy to say that more and more people are using the telephone to have more fun on their vacation trips.

Here's how it works (and you can do the same if you're one of the lucky people still looking forward to a vacation):

First, call ahead to reserve your accomodations, or to let the family know when you'll arrive.

Next, call ahead to make overnight reservations along the highway. This way, you can drive longer and still be sure of a place to stay.

I think you'll find that this "calling-ahead habit" will help you and your family have an even better vacation.

Why not give it a try? And remember, call station-to-station—it's about one-third cheaper.

TEN RINGS

With backyard barbecues so popular nowadays, people are spending more and more time outdoors. So when you call your friends, remember it may be quite a run from the backyard to the telephone.

Give them time to make the dash by letting the telephone ring ten times.

You know? They may ask you over, too, for some of those hamburgers on the grill!

Call by number. It's twice as fast.

POST 9176 VETERANS OF FOREIGN WARS THANK CITIZENS

Post 9176 Veterans of Foreign Wars wishes to express appreciation for the patronage at the soft ball game on July 24 at the football field. Proceeds of the game were used for the benefit of the Junior School.

These ball games are staged to raise funds for the Junior Rifle Club sponsored by this post. Not a penny of the proceeds of these projects remains in the VFW funds. The percentage of VFW members with membership in this club is very small. Therefore it should be the pleasure of all good citizens to support these worthy projects and help the youngsters of this area become better citizens of tomorrow.

Proceeds of this game were $7.25. We believe when the public is aware of the welfare work of this organization we will have much better support in the future, and in so doing will make Bandera a better place in which to live.

We wish to express our gratitude to the group of men from Medina, most of whom are veterans, for making this possible. These good citizens have offered their cooperation in the future, as much as possible, to let the people know that the men who fight the wars are also active on the home front.

We also wish to express our thanks to the Bandera School Board and the Superintendent of Bandera High School for cooperation on this project.

MRS. ROSSMAN ATTENDS TOWN AND COUNTRY CONFERENCE

Some 1,200 Methodist ministers and laymen, concerned for the welfare of rural America and for the churches in those areas, met in Wichita, Kansas, July 21-24 in the National Methodist Town and Country Conference.

Attending the conference, and participating in its planning for the betterment of the denomination's service through the small church, was Mrs. Melvin Rossman of Bandera. She was a member of a "discussion group" considering the four major topics of the conference and also a participant in the platform program.

The Town and Country Conference was called by the Council of Bishops of The Methodist Church and was directed by the staff of the Division of National Missions of the Board of Missions. Bishop Edwin E. Voigt, of Aberson, S. D., was chairman and the Rev. Dr. Glenn F. Stanford of Philadelphia was secretary. Every state in the nation was represented in the conference.

Topics of the Conference were: "The Town and Country Church Considers Its Nature, Purpose and Message"; "Methodism Organized to Face the Challenge of Town and Country;" "Town and Country Church Leadership in a Changing Society," and "The Methodist Church and the Changing Community."

Preliminary surveys of the church and of its problems in village and town areas had been made by professors and students of several theological seminaries and were the basis of the studies of some 63 discussion groups.

Emerging from the studies and discussions will come findings that will be discussed in meetings throughout The Methodist Church some of which will probably be enacted into legislation when the church's General Conference meets in Denver, Colorado, in 1960.

Speakers and surveys pointed out the importance of the rural and town church in America, the contribution it has made to the development of the nation, and the importance that it be kept "flexible" in organization and in structure. This "flexibility" to meet the rapidly-changing communities growing in many areas.

HAVE YOU BOUGHT YOUR MEMBERSHIP IN THE TEXAS ANGORA GOAT ASSOCIATION?

Tuesday afternoon the ranch home of Mr. and Mrs. Howard Hay was the scene of an enthusiastic meeting, the purpose of which was to organize a program to further plans to elect Miss Jeanine Hicks to the coveted position of Mohair Queen at the meeting this week-end in Kerrville when a future Miss Mohair will be chosen during the regular meeting of the Texas Angora Goat Raisers.

Howard Hay, one of the Addicia-tion Directors, spoke to the group and briefed them on the plans for selling memberships in the Association so that more votes might be cast for Miss Hicks.

Mr. Hay pointed out the fact that Bandera had never had a Mohair Queen, so felt that Bandera should have a Queen this year. In electing a Queen from Bandera the county would receive a tremendous boost in the Angora goat industry. He also pointed out that the goat industry is now in a much more stable condition here. He also spoke on coming activities during the coming year in the mohair industry, and the proposed huge installation of a nationwide exposition near Kansas City, where an Angora goat exhibit would be established. He said, "The Angora goat industry is now actually in its infancy, and the promotion done for the past three years has made it boom. We feel that now is the time for Bandera county to take the initiative in the Angora goat industry. It can go right along in conjunction with the guest ranch business and all the county can be united. So, let's elect a Mohair Queen from Bandera county."

After Mr. Hay's pep talk, everyone was so enthused that the group elected Mrs. Bill Short chairman of the committee with Mrs. Joe H. Short, secretary, and sale of memberships got underway.

A group of young ladies from the various communities in the county are working hard to elect Miss Jeanine Hicks the new Mohair Queen.

So, your membership in the Texas Angora Goat Raisers Association is respectfully solicited. It will cost you only $1 and entitle you to vote for Miss Jeanine Hicks. Miss Hicks is the present Bandera duchess to Miss Mohair's court, sponsored by the Pandera Chamber of Commerce, and her escort will be Roy Earl.

MISS ANNIE LANGHAM BRINGS HOME THE TENNIS TROPHIES

Miss Annie Langham is the proud possessor of three beautiful tennis trophies for having won first place in the Davey Crocket Tennis Tournament the latter part of June, which was held for 11 year olds. In other competition she won a first place for girls 13 years of age an under.

Annie also won second place in the San Antonio Jaycee's Junior Tennis Tournament for girls 15, in the doubles, in June.

Mrs. Charles Keel and baby daughter, Denise, of Nederland, Texas, have been here for two weeks visiting her parents, Mr. and Mrs. Fritz Mechler. Gustie and Roy Mechler, and other relatives and friends. They will return to their home Sunday.

Mr. and Mrs. Charles Mansfield and family of Waco have been the guests of his parents, Mr. and Mrs. Fred Mansfield, this week. On Tuesday the two families attended the funeral of Otto Rosin in San Antonio. Mr. Rosin was the father of Fred Rosin, Mr. and Mrs. Fred Mansfield's son-in-law.

E. C. LAWRY BUYS PACKSADDLE

E. C. Lawry, who radhes on Privilege Creek, has purchased the Packsaddle Grocery on Main Street from Sidney Skinner and took over the operations of this thriving business last Friday.

Mr. Lawry plans to operate this business as well as continue to run his registered goat ranch, and extends a cordial welcome to his friends to come and visit him in his new business.

MISS EVELYN BUCK IS ASSISTANT TWIRLING INSTRUCTOR

Miss Evelyn Buck, daughter of Mr. and Mrs. Olan Buck of this city, was assistant twirling instructor week-before last at the Twirling School at Southwest Texas State College in San Marcos. She worked as assistant to Mrs. Naomi Schroeter, winner of National Twirling Honors. Miss Buck is a Home Economics major at San Marcos College and was head Majorette of the College Band this past year.

Mrs. Lillie B. Hoy reported this week that her son, Jimmy Richards, and family, of Houston, are moving to Bandera this week to make their home, where he will go into business.

THREE SMALLS CELEBRATE ONE BIG BIRTHDAY

Tuesday night of last week was a big event for the three Smalls, A. B. Small, Billy Small and John Small, as well as Mrs. A. B. Small, when the three Smalls celebrated their birthdays jointly. This father and sons team all three have the same birthday, though a few years separate them.

The Bandera Country Club was the scene of a gala birthday party when Mr. and Mrs. Small entertained with a dinner dance for this occasion.

A beautiful chocolate cake adorned with a number of candles was the center of attraction following the delicious dinner.

Dancing and games were enjoyed during the evening and everyone had such a good time, they were reluctant to say "good-night." Miss Rita Brooks and her dance partner, Jeffery Zickler, won the prize for being the best dancers.

A table piled high with gifts for the three Smalls was the center of attraction for a time.

The happy party was enjoyed by Billy and Johnny Small, Anna Marie Brown, Richard Rita Brooks, Stevie Taylor,- Mona Beevers, Lyn and Barbara Smith, Mary Meginnis, Bonnie Farr, Mary Alice Scheele, Richard Evans, Louis Reininger, Adelle Skinner, Linden Rhodes, Linda Haun, Russell and Jeffery Zickler, Dorothy Brown, Jimmy and Ronnie Daniels, Gretchen Mostler, Edwin Lane Langford, Jackie Burke, Dorothy Brown, Diane Everett, Mr. and Mrs. Lane Langford, Mr. and Mrs. A. Hoyt, Mr. and Mrs. John Gumert, Mrs. Dora Greenberg, Mrs. Harold Brooks, Mrs. Ila A. Meginnis Jr., Mr. and Mrs. A. J. Taylor, Mr. and Mrs. J. Brown Jr., and Mr. and Mrs. A. B. Small.

LIFE SAVING CLASSES STARTED MONDAY AT FLYING L RANCH

Mrs. Arthur Hayes, Life Saving and Water Safety chairman for the local American Red Cross Chapter, announced today the beginning of lifesaving classes at the Flying L. Ranch swimming pool last Monday. Miss Elizabeth Louise Brient is conducting the classes and an excellent turnout is being enjoyed.

In the Senior Life Saving class is Mrs. Gabe Anderwald, Mrs. Ethel Chastain, Mrs. Calvin Wedgworth, Mrs. Buck Teich, Miss Carolyn Bruce, Mrs. Joe Walters, Miss Peggy Billings, Miss Lu Langham and Mrs. James Herriott and Joan.

In the Junior classes are Ray Wedgworth, Mike Fitzpatrick, Skipper Reed, Billy Small, Elmo Jaye, Helen Ann Forney, Patty Callahan, Bobby Bailey and Willis Causey Jr.

Mrs. Hayes said, "We are certainly proud of these classes and anyone desiring to take the instructions are cordially invited to join us."

L. A. WERNER IN NIX HOSPITAL

L. A. Werner of Pipe Creek underwent surgery in the Nix Hospital in San Antonio and is at last report getting along well. Mr. and Mrs. L. A. Werner Jr., of Kansas City, Mo., and Mrs. Evelyn Welch of Bernice, La., are here with Mrs. Werner to be near while he is ill. He extends thanks to his friends for their prayers and many kindnesses during his illness.

P. W. 'COT' SHINER TAKES OVER CONOCO STATION

On August 1, 1959, P. W. "Cot" Shiner purchased the Conoco Service Station from Charlie Fellows. Mr. Shiner will continue to serve Mr. Fellows' customers with the same excellent service they have received in the past. He will welcome any new business as well as continue old charge and cash accounts.

He plans to repaint, renovate, repair and redecorate the popular station before he holds his formal opening, the date of which will be announced soon.

Mr. Shiner has been in the service station and tire business for the past thirty years in Southwest Texas. He owned and operated the Twin Parks Service Station on Main Avenue in San Antonio in 1928. He sold his business in 1950 to service manager of the B. F. Goodrich Retail Store there, later going to the Blue Bonnet Hotel Garage in the same capacity. Mr. Shiner left this trio of sales with Goodyear Tire and Rubber Company and traveled the Southwest territory from 1936 until the outbreak of World War Two. During the war he was with W. F. Littleton Tire Company as city sales manager and territory man. In 1950 he became Territory Manager over all sales south of Waco for Pennsylvania Tire Company, a position he held until he bought the Conoco Station.

Mr. Shiner bought his ranch on Privilege Creek in 1942 and has resided there with his family since 1946.

The Bandera Bulletin joins the Shiner family's friends in wishing them much success in their new station.

KERR FARM LOAN ASSOCIATION RE-ELECTS DIRECTORS AND OFFICERS

The stockholders of the National Farm Loan Association of Kerrville at their annual membership meeting held in Kerrville last week re-elected H. T. Fuchs of Blanco Co., and A. N. Horsman of Bandera County directors to serve with holdover directors, R. B. Nowlin of Kerr County, B. G. Hale of Kendall County and W. H. Stevens, Sr., of Gillespie County. At the organization meeting of the directors, Mr. Fuchs was re-elected president and Mr. Nowlin vice-president.

The membership was addressed by Louis E. Throgmorton, Vice-President and Director of Public Services of the Republic National Life Insurance Co., of Dallas, who delighted his listeners with an entertaining and thought-provoking talk. J. C. Gallant of Medina was awarded a plaque in recognition of twenty years of continuous service as director, Mr. Gallant having voluntarily retired from the board about six months ago.

The annual reports were presented by Max O. Reinbach, Secretary-Treasurer, which showed a continued gain in number of loans and in volume, with the outlook for increased business being very promising.

About 170 members and guests were in attendance from all of the counties in which the Association operates, namely Bandera, Blanco, Gillespie, Kendall and Kerr. Among the guests was Thomas H. Benson, Regional Manager for the Federal Land Bank of Houston for which the association is the local agency.

Mr. and Mrs. Jack Hunter and two sons, Jay Marvin and Bobby, of Grand Prairie, spent Sunday night here with his grandmother, Mrs. J. Marvin Hunter Sr.

MONTE STEIN JOINS HORSMAN MOTOR STAFF

A. N. Horsman, popular Ford dealer here, announced this week that Monte Stein has joined the Sales and Service department of Horsman Motors, and has started in on his duties there. Mr. Stein is well known in Bandera having been born and reared in this community.

Mr. Horsman also announced that Horsman Ford Motors is in the process of a clean-up campaign. Mr. Horsman said, "We have had a good year and are now in a position to give good prices on 1959 cars. We have a wonderful line of clean cars and trucks and are getting ready to close out all 1959 cars to make way for the soon to arrive 1960 models, we are going to offer a wonderful bargain each week. This week's special will be a 1956 4 door air-conditioned Bellaire Chevrolet."

Now watch the Bulletin for our week's special which will be on display every Saturday on our lot.

"Come by and look over our stock we always have the time and a nickle for a cup of coffee," invited Mr. Horsman.

STARLIGHT PLAYHOUSE WILL PRESENT BACHELOR'S DELIGHT AT LACKLAND A.F.B.

Word has been announced today the Starlight Play House will present "Bachelor's Delight," three-act comedy at Lackland Air Force Base, for the entertainment of cadets, on Sunday night.

The previously scheduled, "The Little Hut," will not be shown Sunday here due to the fact that the players will be in San Antonio for its showing, but other plays scheduled by the Starlight Play House will go just as previously announced. "Educating Dad," "Scholar's Delight," "Josey's Rope," "Are you a Monkey" and "The Little Hut (on the Swamp)" are scheduled to play until September 7, Labor Day. Other outside bookings are pending, so if you are interested in seeing any of these outstanding plays, just call the Mayan Ranch or watch the Bandera Bulletin for more news later.

The E. A. Hicks family have worked hard to build one of the most outstanding theatres in the Hill Country, and they are constantly adding many attractive features to the fabulous Western Village where it is situated. Located under the live oaks near the bank of the Medina River it is cool and delightful. The spacious stage is located so as to have access to the dance floor, where many Western, impromptu shows are staged, and where seats are placed for the convenience of theatre goers.

Mr. Names explained the plays being presented each night with the exception of Thursday and Saturday, night which are reserved for dances, are repertory and not stock.

The Starlight Play House has proven so popular with visitors to the Hill Country that it is hoped they will return next summer.

If you are interested in an evening of entertainment just call the Mayan Dude Ranch and make reservations for one or all of these comedy plays. If you have friends visiting a good play to entertain them is at the Mayan Ranch theatre.

JOHN HUMPHREYS FORMER MEDINA RESIDENT DIES

The sad news came Monday, July 27, that John Humphreys of Mason had passed away in the hospital there. He had been in ill health for some time.

John Humphreys was born September 16, 1880, in Bandera county, the son of Mr. and Mrs. Jim Humphreys and he lived near Medina for many years. He was happily married to Miss Hattie Knutcher, August 21, 1904. They have resided in Mason County many years and will be remembered very kindly here by scores of friends.

Mr. Humphreys is survived by his devoted wife, Mrs. Hattie Humphreys of Mason; three sons, Jimmy Humphreys of Mason, Dennis Humphreys of San Angelo, and Raymond Humphreys of Colman; two daughters, Mrs. Cecil Rogge and Mrs. Edith Zirlax of San Angelo; four grandchildren and three great-grandchildren; four sisters, Mrs. Verna Akin, Mrs. Viola Harris, Mrs. Claude Coulter and Mrs. Ada Mayfield, four brothers, Gerald, Wiley, E. J. and Dewey Humphreys.

Those who attended the funeral in the Mason church of Christ Tuesday afternoon from Medina were Mr. and Mrs. Virgil Akin, Mr. and Mrs. Lewis Keese and Miss Vivian Keese.

We extend our deepest sympathy to the bereaved family.

COWBOYS WIN OVER KERRVILLE KATS BY SCORE OF 3 TO 2

The Bandera Cowboys notched their fifth consecutive victory Sunday by nipping the Kerrville Kats, 3-2, in a Hill Country League tilt at Kerrville. This coming Sunday Bandera hosts the league leading Camp Stanley Defenders in a 3:00 p.m., contest at the Mayan Ranch Field. Previously the Cowboys were downed by Stanley, 10-3, and in their last meeting outfavored the Defenders, 10-9, but the win was disallowed due to a league ruling as to the presence of ineligible players on the part of Bandera. Thus Sunday's game will be a grudge contest and should see the Cowboys go all out in trying to knock off Stanley.

Against the Kats, Bandera managed only four hits but had an almost sure fire defense and great mound relief from Don LeSturgeon to register the victory. Vernon Elderlon was the starting pitcher for the Cowboys but in the fifth, he ran into control trouble and LeSturgeon, with none out, two on, and a 2-0 count on the hitter, made his debut. Though he walked the first batter, the big right hander then proceded to retire the next two batsmen, one on a double play via home and first, in a masterful bit of pitching. Ernst was the losing pitcher though he worked five and two-thirds innings without yielding a hit, LeSturgeon was the winner.

The Cowboys opened the scoring column in the sixth on a line shot to left by LeSturgeon. Bandera's other runs came in the eighth as a result of Richard Schladoer's two run single with the bases loaded. The Kats scored their two tallies in the ninth on a two out double by Jerry Juarez.

Don't forget Sunday's game and remember, it's fun to be a fan.

NOTICE:

The Bandera Water Works office will be closed all day Saturday beginning August 15. In case of emergency call SW6-4175; SW6-3737 or SW6-3266 7-2tc

Mr. and Mrs. Cecil Sands of Groves are vacationing at the Dixie Dude Ranch.

BANDERA SCHOOL BOARD SETS UP NEW BUDGET

At the regular meeting of the Bandera School Board this week, the resignation of John Sommer, Band Director, was accepted. In other business the board reviewed a tentative budget for 1959-1960 and set Tuesday, August 18, at 7:30 p.m., as the time to have the public hearing on the budget. All school patrons are invited. The board also adopted an amended budget for this year.

In other business, according to Marvin C. Schnelle, superintendent, the board revised its sick-leave policy for the professional staff and changed the pay scale for substitute teachers. The board also authorized the superintendent to enter a contract for student and athletic insurance. Insurance will be made available to all students for 50 cents for the entire year.

BLOOMOBILE IN KERRVILLE AUGUST 7

During the past fiscal year ending June 30, 1959, the Kerr County Red Cross, in cooperation with the Sid Peterson Memorial Hospital and the Kerr County Medical Society, was able to provide 6i pints of blood to patients from Bandera County who were hospitalized in Kerrville. Bandera used 25 pints, Medina 35 pints and Pipe Creek 1 pint.

There was no cost to the patient for the blood donated through Red Cross. The only cost to the patient was the fee charged by the hospital in connection with administering the products; i.e. crossmatching, laboratory work and giving the transfusion. Sid Peterson Memorial Hospital is now charging $19.00 for their fee in administering.

The blood Bandera County residents received without cost and without the necessity and inconvenience of having to secure donors while under the stress of illness, was donated by people who came to the bloodmobile when it makes its visit to Kerrville. Though most of the donors come from Kerr County it would help greatly if other counties whose citizens use blood there would express their appreciation by sending their relatives and friends when the next Bloodmobile visits Kerrville on Friday, August 7th, 1:00 p.m. to 7:00 p.m., at the First Methodist Church. This would help make it possible for us to be able to continue to have blood available to all who need it.

In hospitals that are not in the Red Cross Blood Program the recipient pays from $40.00 to $50.00 per pint for the blood and administration.

REVIVAL MEETING AT PIPE CREEK BAPTIST CHURCH

A revival meeting will begin Sunday night, August 9, at 8 o'clock at the Pipe Creek Baptist Church. Rev. Bruner Lee of Kerrville will be the speaker. Everyone is invited to attend.

DATE IS CHANGED ON ANGORA GOAT AND SHEEP SALE

August 22, at 1:30 p.m., is the date of the Angora Goat and Sheep Sale, to be held at the Bandera County Agriculture Center. This was done because it was an open date. It was thought previously that the Fredericksburg Fair would be held on that date, but it will be on the 29th, and the Goldthwaite sale will also be on the 29th.

Breeders who have consigned to this sale are Arthur Davis, Charley Chaney, Howard Hay, Frank Tampke, J. B. Reed, M. B. Padgett, L&W Steubling, Glenn Niehoff, Bob Kerby, John Dittmar, Pete Eberling, Otto Rust, E. P. Judd, W. S. Hall, J. R. Reagan and Milroy Powell.

There have been over one hundred bucks consigned to this sale.

The selection committee of Charley Chaney, W. S. Hall, Howard Hay and Werner Lindig will meet on August 11, 12, and 13. Only Bucks that will do a rancher come good in his breeding flock will be selected for the sale.

Lem Jones, one of Texas most noted auctioneers at the Texas Angora Goats Sales will be the auctioneer.

HAL LOCKLIN OPENS WASHING MACHINE REPAIR SERVICE

Hal Locklin announced this week the opening of a washing machine repair service for Bandera. He will do repair work on all makes and models as well as other electrical appliances.

Mr. Locklin recently completed his service in the U. S. Navy where he received his training in refrigeration, and is well qualified to take care of your needs.

If in need of any type of home appliance service, call Hall Locklin, SW6-4412.

MRS. E. M. PUE WRITES BEAUTIFUL BANDERA POLKA

Our congratulations to Mrs. E. M. (Judy) Pue on the completion of her beautiful "Bandera Polka," a typical Bandera song.

Mrs. Pue reported to a Bulletin reporter Wednesday that her lyrics have been sold to Bee Charlie Fitch Music Company of Luling. The music is by C. C. Driggs and M. T. (Red) Baker. The new song is scheduled to be released sometime in the latter part of August, and Bandera friends are standing by impatiently awaiting to hear it.

"Always turn your face to the sun, and the shadows will fall behind you."

Refreshing Sherbet For Scale-Watchers

Want a light, refreshing and deliciously flavored sherbet for dessert tonight? Here's an unusual one that you can whip up in minutes in your electric blender. Apricot-Buttermilk Sherbet, it's called, and the flavor combination is delightful.

Weight-watchers will especially treasure this recipe, for it's completely sugar-free. The non-caloric sweetener, Sucaryl, has been used, rather than sugar, and the result is a sherbet that's as pleasantly sweet as any you ever tasted. What's more, calorie savings are really worthwhile. In this instance, nearly three-fourths of the total calories normally found in this dessert have been eliminated.

Enjoy this calorie-streamlined sherbet tonight . . . for just 49 calories per serving! Here's the sweet and low-calorie recipe:

Apricot-Buttermilk Sherbet
(Low-Calorie)

1 1-pound can dietic apricots, drained
1 cup buttermilk
½ cup orange juice
2 tablespoons Sucaryl solution
½ teaspoon salt
1 teaspoon vanilla

Place all ingredients into blender and mix until well blended. Pour into an ice cube tray and freeze until firm about ½ inch around edges of tray. Turn into a bowl and beat with rotary beater until smooth and fluffy. Return to ice cube tray and freeze only until firm.

Makes 6 servings. Each serving contains 49 Calories; 2 grams protein; 0 fat; 10 grams carbohydrate. If made with sugar, each serving would contain 174 Calories.

BIRTHDAY GREETINGS

Happy birthday greetings are extended this week to the following: Mrs. Blanche Bowman, Mrs. Tommy West, Mrs. Joan Billingsley, August 9; Miss Donna Mayfield, Ray Wyatt, Morgan Akin, August 10; Mrs. J. TEACHERS ELIGIBLE FOR SOCIAL SECURITY

Here's an important announcement for teachers! Do you know that you may be eligible for social security payments during the summer vacation months? This is true if you've reached retirement age (62 for women and 65 for men) even though you are still teaching regularly. Payments can be made for any month in which your total earnings are $100.00 or less regardless of your annual income.

For further information see your social security representative, Eugene E. Hirsch who will be in Bandera at the County Judge's Office on Friday, August 14, at 1:00 p.m.

The committee bill is a pitifully weak and meaningless excuse for a labor bill. The substitute measure is a middle-of-the-road, fair and moderate bill. It will have the support of those who really want something done and who do not heed the Hoffa threats. It has my support. It would, outlaw secondary boycotts, hot cargo, common law, blackmail and extortion picketing, etc. It would do nothing to hinder or interfere with legitimate activities of honest labor unions, and would in fact provide security and protection for the rights of union members.

But it will be a tough battle, with a sizeable amount of politics mixed in. Observers claim it will give an indication of the effect of CIO-Cope's activities in Last Fall's election, following which COPE announced 221 of the 435 members of the House and 53 of the 98 Senators were beholden to them and their legislative desires.

Texas peanut growers won a victory when the Department of Agriculture last week announced a revision of U. S. Standard for shelled Spanish peanuts and for shelled Virginia type peanuts. Many of us who represent peanut growers have been fighting for that concession for months, even years. Southwestern growers have been discriminated against for years. The new directive on grades is not all we wanted but reduces the discrimination.

Among recent visitors have been Hugh Wells of Abilene; Mrs. Harold Johnson and Marvel Weeks, of Hunt; Mrs. H. H. Saenger and son, Galvez Oswald, of Ft. Stockton. The latter is now a prominent TV actor in New York. Dr. and Mrs. J. S. Bullard and their granddaughter, Sandra Radcliff, of Kerrville, were also vacation visitors.

Mrs. Les Wiengarten of Santa Fe', N.M., is the guest of Mr. and Mrs. Fred Briggs this week. Mrs. Wiengarten is the neice of Mrs. Briggs.

SOIL CONSERVATION DISTRICT — SELF-GOVERNMENT — CONSERVATION & DEVELOPMENT

Frederick Collins of Medina has recently completed work on Fish Pond Improvement. Collins, whose place is 12 miles west of Medina, has been working on his 1¼ acre lake since early spring. In March the pond was badly choked with weeds and algae, fishing was poor and the pond generally has a bad appearance. Collins began treating the pond with a combination of copper sulphate (bluestone) and 2-4D granulated weed killer to control the weed growth. These chemicals were applied by hand throughout the pond, at a rate safe to the fish, resulting in a good weed kill. Following the initial weed treatment, Collins applied fertilizer to maintain the weed control by smaller applications of chemical. He estimates that he has used 50 pounds of bluestone and 25 pounds of grass killer in all.

Following the weed treatment, Collins applied fertilizer to [illegible] at 45-15-0 at [illegible] weeks. The fertilizer encouraged growth of plankton and small forage fish. As Collins explained, the game fish became larger and more vigorous due to the better diet. The fertilizer also resulted in some degree of algae control. By increasing the number of plankton the water took a greenish color which tended to shut out sunlight and retard algae in the pond. Collins reports better fishing this year. He says that he regards a fish pond like any other ranch operation, that it takes time and effort to make something out of it. Good fish ponds just don't happen. Collins is being assisted in his conservation work by technicians assisting the Bandera Soil Conservation District.

Leave half the forage grown this year. Grow a bigger half next year.

A good increase in the native plants was observed recently on the Bill Craddock Ranch on the West Prong. Craddock, who became a co-operator with the Bandera SCD in 1952, has deferred this pasture for the past two growing seasons. The result is a good cover of sideoats grama, plains lovegrass, Texas wintergrass, hairy dropseed, and little bluestem. The land which was formerly a low producer is now producing around 3000 pounds of forage per acre. Besides the increase in forage, about 200 pounds of litter is being left on the ground each year for soil protection and to add organic matter. Erosion has been completely stopped in several spits by the increased grass and litter cover.

It's The Law IN TEXAS . . .

"Assuming" a Loan"

You can give some of your rights to other people. For example, the right to collect a bill; but it's a different thing with your duties. You need your creditor's OK firmly to assign your debts to another.

You can sell what you own, all right, but you can't shake a debt merely by getting somebody else to promise to pay it for you. Your creditor—who is a party to your contract — has something to say about who takes over your obligations.

Thus, your cousin, say, borrows from you and promises to pay the money back. He can't get out of it by getting his neighbor to say he will pay you for him unless you agree—and this takes a written contract.

Suppose you bought Abel's house on time for $15,000 and had paid off $5,000. Then, with $10,000 left to pay, you got Joe Blow to buy the place.

How could Blow pay you for it? Well, for Blow it would be just dandy for you to let him take over the $10,000 debt, pay you back your $5,000 equity, and then pay off Abel the rest of your $10,000 debt. Blow would save the cost of a new loan—if his credit was good enough to get one in the first place. So you set it up that way.

One day Blow blew; and you, yes you, hold the bag. True, you could turn over your equity to Blow without Abel's consent.

But your agreement with Blow to pay the balance is not binding [illegible] original deal. Pay up $10,000.

Don't let someone "assume" your loan unless you protect yourself by an agreement with your lender, if necessary, to stick holding the sack.

Your buyer is often a good enough risk for you to let him assume the loan—but stop and thinking you are free of your debt.

Looking Backward

Twenty-five Years Ago

(From the files of the Bandera New Era, Thursday, August 9, 1934.)

A large crowd attended the barbecue and rodeo given at Camp Verde last Saturday, people being there from various parts of, Kerr, Bandera and Kendall counties. The big rodeo events were all thrilling and fully enjoyed. In the roping contests, the Kery county ropers, Snodgrass brothers and Rogers defeated the Kendall and Bandera county contestants. Hon Carl Runge, candidate for congress was there and addressed the voters, as well as many local candidates were on hand to interview the people. The barbecue dinner was served. This has been the first barbecue given at Camp Verde in several years and it was a success in every way. Bandera people who attended highly praise the hospitality extended.

Mrs. H. Montague went to San Angelo Tuesday to attend a meeting of the sheep and goat raisers who gathered there to hear Dr. E. W. Sheets of Washington, federal director of the livestock purchasing program of the government, outline the sheep and goat buying program which is expected to get underway within the next few days.

Mr. and Mrs. S. W. Sowell and son, R. C. Sowell, of San Antonio, were visitors in Bandera Monday. They called at Frontier Times Museum and purchased copies of "The Life of Big Foot Wallace" which was written by A. J. Sowell, an uncle of M. C. Sowell, and which has been reprinted to raise funds to erect an addition to the Museum building. Mr. Sowell holds a Texas Ranger's commission, as has a number of the Sowells for several generations.

Mr. and Mrs. A. Meadows returned Monday from a vacation trip to Troy, Alabama, New Orleans, and other points. They were accompanied by Mr. Meadows' sister, Mrs. R. E. Hunt, of Conroe, and visited relatives at Troy, the boyhood home of Mr. Meadows. They also visited at Houston and Beaumont, and had a most delightful trip.

Mr. and Mrs. W. A. Rhea, of Dallas, spent last week at Billings Tourist lodge in this city. Mr. Rhea is professor of Law in the Southern Methodist University at Dallas, and is a regular reader of Frontier Times. He spent a few days here in the Sul[illegible] Recently he suffered a break down in health and came for a short recuperation. We hope he will soon be restored to health.

Miss Annie Higgins, of San Antonio, is the guest of Mrs. Pearl M. Mann's at the latter's summer cottage on Rugh Hights. On Sunday afternoon these ladies visited Frontier Times Museum and Higgins subscribed for Frontier Times. We are pleased to learn that she is considering the purchase of a homesite in our glorious hills.

Smith Wright, son of Judge and Mrs. Granville Wright, who has been a student in the Citizen's Military Camp at Camp Bullis, was awarded a Toronto medal by Brigadier General Charles R. Howland, Camp Commander, having won third place in the rifle vault, a feature of the camp's athletics.

Lucius Hicks and daughter, Miss Dorothy, were here from Tarpley, last Saturday and called in to renew his subscription to the New Era and Frontier Times.

Mr. and Mrs. Olliff Adams and daughters, Joella Mae and Jo, of near Medina, were in the city Monday and visited Frontier Times Museum. While here Olliff renewed his New Era subscription.

RALPH YARBOROUGH'S REPORT

The Senate has passed and sent to the House for action a bill which can mean additional millions of dollars of income to our farmers each year.

This additional income from the farmer would come from finding and developing new uses for farm products.

It was my privilege to co-sponsor this bill with Senator Olin Johnston of South Carolina. It passed the Senate last session, but died for lack of House action.

Under this proposal an Agricultural Research and Industrial Administration would be established under the Department of Agriculture.

The Administration is charged with conducting basic research to find new industrial uses for our farm products, particularly those products which are in heavy surplus.

The proposal takes a realistic and scientific approach to helping solve some of our most pressing agricultural problems. With the hard times we have had on the farms in many areas, we are overdue in starting concerted scientific research programs to help meet the problem. We have scientific research programs to develop methods of farm production; we need scientific research methods to develop uses for farm products.

There is strong indication here that the House will go ahead with passage of the measure during the current session.

BANDERA LODGE No. 1123, A.F. &A.M., meets the second and fourth Monday nights of each month at 8:00 o'clock. All members are urged to attend. Visiting Brethren welcome.—G. T. Sandidge, Jr., W.M.; J. F. Munch, Secretary.

It's a TEXAS CHAMPIONS OF FREEDOM

Lucy Holcombe Pickens
Ambassadress of Goodwill and Sponsor of Liberty

A hundred years ago a beautiful and spirited Texas girl set fascinated the rulers of Czarist Russia that she was an honored guest in St. Petersburg's imperial palace for the birth of her first child. The Czar and Czarina stood as godparents and named the baby "Douschka." Translation: "little darling." That Texas girl was Lucy Holcombe Pickens, of Marshall, and the East Texas piney-woods, and wife of the American ambassador to Russia.

Home again, with her husband then Governor of South Carolina, romantic legend says that when General Pierre Beauregard was about to begin the bombardment of Fort Sumter, he handed a taper to little Douschka — who touched off the first cannon shot of the Civil War.

But the lovely Texas, Lucy Holcombe Pickens, was to make more history. She sold the magnificent jewels given to her by Russian royalty to equip a Confederate army unit, known as the Lucy Holcombe Legion. And as a tribute to this remarkable young woman, she is immortalized on Confederate currency — $1 to $100 bills. Many Texans have championed freedom in many kinds of battles, but Lucy matched their achievements with no weapons but kindliness, intelligence and charm.

Today Texans still demand and get their right to choose the way they want to live, in this vigorous and freedom-minded homeland . . . "Beer Belongs" and this is why the United States Brewers Foundation works constantly, in conjunction with brewers, wholesalers and retailers, to assure the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of Texans, the Foundation stresses close co-operation with the Armed Forces, law enforcement and governing officials in its continuing Self-Regulation program.

ELECTRONICS AND THE CAPITAL GOODS PROGRAM

A recent survey by the National Industrial Conference Board (sponsored by NEWSWEEK) indicated that an upturn in capital goods expenditures was forthcoming. While one usually [illegible] expenditures to new plant and equipment, inventory and machinery and machine tools, office equipment, electronic computing machines and automatic controls are also assuming increased importance in the capital goods program. Many of these items are important not only because they reduce the number of personnel required, but also furnish a high degree of accuracy in many operations.

One of the fastest-growing sectors of the capital goods industries is certain office equipment due in large part to the differentials between clerical salaries and workmen's wages which have spread to a point where it is getting increasingly difficult to hire clerical personnel. As payrolls are the principal operating expense in many fields, such as banking, investments and insurance, they must be kept to a reasonable level to maintain profitable operation. This can best be done by the wide use of automated office machinery. At the same time office machines may replace skyrocketing clerical salaries thus alleviating the shortage of personnel in this field.

Electronic computers with ability to handle payrolls, expenditures, inventory controls and to [illegible] here. He is married and the father of two fine children.

NEWS from County Agricultural Agent

Texas A. & M. College Extension Service

Wool Producers to Vote in September

College Station.—Sheep producers will have the opportunity to vote in September in a nation-wide referendum on the question of continuing to finance a market development program for wool and lambs, says A. B. Wooten, extension economist.

The program of advertising, promotion and related activities is carried out under an agreement with the American Sheep Producers Council, he says. It is financed by deductions from wool incentive payments earned by growers under the national wool program.

The agreement has been in effect since the 1955 marketing year, and if approved in the September referendum, will be continued for another three years. Favorable vote of producers having two-thirds of the volume of production represented in the referendum is required for approval, states Wooten.

Under the new agreement, deductions may not exceed the rates that have been in effect under the original agreement of one cent per pound for shorn wool and five cents per hundredweight for lambs.

To make it as easy as possible for all growers to participate, the referendum will extend over the entire month of September. Wooten said ballots will be mailed to producers from the county ASC office before September 1 and may be voted and returned through September 30.

The referendum relates only to the wool and lamb market development program. The economist added that it will not affect the continuation of the payment program under the three-year extension of the wool act last summer.

Horse Fly Control

The horse fly can be controlled with a 1 per cent pyrethrin solution for a period of about two days. Some of the insecticides which are on the counter in your grocery store contain pyrethrins and are safe to use directly on the animals. One brand has 2 per cent pyrethrin which is twice the strength recommended, is still safe to use.

It would be too expensive to use these insecticides from your grocery store on many animals, but it isn't too expensive to treat a few. It will be much more comfortable for your saddle horse if you treated him every few days.

Another method of treatment would be to bag the pyrethrin in a concentrated form and mix your own 1 per cent solution.

It is not practical at all to carry out this type of control on range stock, but it can be carried out on your saddle horse and your milk cow.

Brucellosis Meeting—It is Important

Another county-wide Brucellosis meeting will be held on Thursday, August 13, at 8 p.m., at the Bandera County Agriculture Center. This law was passed during the past legislative session. If you have cattle, you should be there. Yes, it effect you. Come to the meeting to help get the program on controlling Brucellosis here started.

BOON TO WOOL

Research that brought synthetic fibers into being and in competition with the raw fibers such as wool and cotton will keep these natural fibers in a competitive position. The only thing is that the producers must put some of their money into research programs to keep abreast.

Drip-dry woolens are the latest thing in an intense campaign to keep this fiber in a favorable economic position. Two Melbourne firms and a government research organization have evolved processes giving woolens the drip-dry qualities of nylon, dacron, and other synthetics.

Inquiries from an exclusive fashion house in the United States reflect the potential demand for this product. Successful marketing not only will provide Australian economy with a great boost but it will mean a vast new field of effort for the woolen industry in this country. As for Australia, prosperity there depends on wool, that country's greatest export.

The development should be a boon to the industry everywhere as well as convincing that science has the answers to many problems confronting agriculture today.—San Angelo Standard Times.

CARD OF THANKS

I would like to take this means of saying "Thank You" for the cards, beautiful flowers, gifts, visits and other expressions of kindness while I was in the hospital and since I have returned home. Every act of kindness and concern for my health has been deeply appreciated.

MR. AND MRS. WALKER McCUTCHEN ARE GUESTS OF MISS MOHAIR

Mr. and Mrs. Walker McCutchen, Sr., of Medina had as their guests last week-end George Donnell of Ellisville, Texas, who was the escort of Miss Phyllis Sweeten, when she was crowned Miss Mohair, at her Coronation during the annual meeting of the Commercial Angora Goat Raisers Association in Kerrville. Donnell is the nephew of Mr. Mrs. McCutchen. Other guests in the McCutchen home were Mrs. Alfred Donnell and Mrs. Wayne Watts of Wichita Falls and Lt. James Larraway of Lackland AFB. All were the invited guests of Miss Sweeten at the Coronation.

TSgt. and Mrs. R. L. Walker and son, Clay, returned to their home in Lubbock Saturday after visiting here with relatives and friends for the past three weeks.

Mr. and Mrs. Lawrence Matureck and daughters, Paula and Laurel, of Kermit, spent the week-end visiting his parents, Mr. and Mrs. Joe J. Mazurek. They also were visitors in the home of Mr. and Mrs. Hobby R. Adamietz and Mr. and Mrs. John J. Adamietz.

LOST VALLEY RANCH HAS DISTINGUISHED VISITORS

Many interesting people visit Bandera from year to year. On August 2, a group gathered to celebrate their triple wedding anniversaries at Lost Valley Resort Ranch. Present were Mr. and Mrs. Marvin Meitsen of Jonesboro, Arkansas, and Mr. and Mrs. Virgil T. Blossom of San Antonio, here for the celebration, and Mr. and Mrs. Harrison Hall of Houston. The three ladies are sisters, and were married in a triple wedding ceremony on August 29, 1934, in Fayetteville, Arkansas, where their father, T. S. Tribble, was mayor at that time. All six have degrees from the University of Arkansas and the ladies are members of Pi Beta Phi sorority.

Freddie Rosin of San Antonio has been the guest of his grandparents, Mr. and Mrs. F. A. Mansfield, this week.

Mr. and Mrs. Bill Short had as their guests this week, Mrs. Dewitt Compton and two children of Hobbs, New Mexico.

Mrs. Joe Hensley has returned from Fort Worth where she visited her parents, Mr. and Mrs. Porter. She was accompanied to Fort Worth by her daughter, Mrs. Marvin Shear and daughter, Pam, who have been guests in the Hensley home for several weeks.

Mrs. Walker McCutchen Sr., and Mrs. Loretta Wheeler of Medina went to Del Rio last Saturday and Walker McCutchen Jr., returned home with them after spending the week here. He was accompanied home by Carl Chambers, who did visit him this week.

Mr. and Mrs. Roland Thallman have been delighted to have as guests in their home for the last three weeks, Sgt. and Mrs. R. L. Walker and son, Clay, of Lubbock. They also visited other relatives and friends in San Antonio, Goat Hill and Medina.

LITURGICAL INSTITUTE CONCLUDED IN BANDERA PARISH

"Congratulations on the success which you have achieved in carrying out the Instruction of the Sacred Congregation of Rites issued on September 3 of last year. I regret that I cannot attend the ceremonies," wrote the Most Rev. Archbishop, Robert E. Lucey, D.D., in a congratulatory note to Rev. Peter G. Schmidtzinsky on the occasion of the conclusion of the semi-weekly sessions of the Liturgical Institute in Bandera on Aug. 1 at 4.

The parish sung High Mass and Benediction marked the high spot of the services concluding the Institute. The Institute will continue on a weekly basis throughout August.

Sessions of the Institute were conducted at St. Stanislaus Parish Church from July 7 to August 4 on Tuesday and Friday nights from 8:00 p.m.

Instructors for the Institute were Rev. Victor G. Schmidtzinsky, pastor of St. Stanislaus Church and Bro. Lawrence J. Gonner, S.M., of Maryhurst, Kirkwood, Missouri. Rev. Schmidtzinsky conducted the sessions on dialogue mass participation and explained the ceremonies; Bro. Gonner conducted discussions on liturgical singing.

Par-Dialogue mass participation the congregation used the Leaflet Missal published by the Catechetical Guild of St. Paul to which the parish subscribes. For the singing of the High Mass the congregation used Mass XVI (with Credo III from Mass XV) from cards published by the World Library of Sacred Music in Cincinnati. Hymns used were taken from the Card of Congregational Hymns for the Archdiocese of San Antonio. The parish choir served as the Scholar to sing the Proper of the High Masses.

The Workshop followed the program indicated in the Instruction of the Sacred Congregation of Rites of September 3, 1958.

Organist of St. Stanislaus parish is Miss Patricia Jenschke; choir director is Miss Annette Kalka.

FAMILY AND FRIENDS ENJOY LOVELY PICNIC PARTY

Last Saturday, August 1, a number of friends and relatives make the home of Mr. and Mrs. Harry Davis Jr.' a picnic and swimming in the river. Those present to enjoy the occasion were Mr. and Mrs. Matt Moore and daughter, Toni, of Big Spring, Texas; TSgt. and Mrs. William Davis of 90th Air Force Base of Big Spring, Miss Susan Woodbury, a neice of Ogden, Utah, Mr. and Mrs. Harold Pue, Irene, Alan and David of Miami, Florida; Mr. and Mrs. Ray Oehler, Ryan, Linda and Michael of Kerrville; Mr. and Mrs. Percy Pue, Mr. and Mrs. Morris Pue, Douglas and Eole, Mr. and Mrs. Hugh Porter of Medina and Mr. and Mrs. Harry Davis of Bandera.

DISEASE INHERITED

Inheriting a disease runs one, two, three, four in the Mazurek family.

Each of the Mazurek boys has inherited the blood disease, congenital hemolytic anemia from their mother.

It will be a family affair Friday (today) at the Santa Rosa when the three smaller ones, James Arthur, 6, Fabian Jr., 4, and Edwin Charles, 15 months, undergo operations to remove their spleens to correct the malady.

The oldest boy, William Henry, 8½, had a similar operation last Friday. He developed the symptoms, vomiting, fever and tiredness, a week ahead of the others.

The malady, medical personnel say, is inherited. The boy's mother, Bee Quida, had similar surgery performed five years ago, also at the Santa Rosa.

The boys, sons of the Fabian Mazureks Sr., Boerne, are in two rooms at the Santa Rosa Children's hospital.

Medical personnel say that by removing the spleen, called an splenectomy, about 75 per cent of the patients are cured.

The disease sets up an abnormal red blood cell. It then breaks down and has a shorter life than a normal blood cell. The blood deficiency is soon noted and transfusions are needed.

James Arthur, was admitted to the hospital on his birthday. Younger sister, Quida Marie, 2, hasn't shown signs of the disease.

How are the three younger boys waiting out their operations? They watch TV, work jig saw puzzles and visit with their older brother.—San Antonio Light.

The above story appeared in the San Antonio Light Tuesday. Friends here will recognize the Mazurek family as former residents of Bandera. Mr. Mazurek was born and reared here and has many friends and relatives who are wishing the best for the Mazurek family.

PATHOS AND TRAGEDY IN RICHARD P. ROBINSON'S LIFE

From an age-yellowed copy of the Galveston News, dated December 22, 1901, we take the following article, written by H. C. Fullerton, of Nacogdoches, Texas:

There is in the beautiful City Cemetery at Nacogdoches a grave unmarked save with a broken stone jar that stands partially filled with pieces of broken rock, at its head. Near the neglected grave is another at the head of which a tombstone stands, with "In Memory of Little Mary" inscribed thereon. Beneath the sod and turf that covers the first grave there sleeps one whose entire life was strongly mixed with pathos and tragedy.

Richard Parmalee Robinson was born in Durham, Conn., in 1813, of respectable parents. As a boy he was a model of truth and integrity. Leaving his home at the early age of 14 years, in search of employment, he went to New York, then, as now, the great American Babylon, where wealth and misery, virtue and vice, jostle and elbow each other on the crowded streets, as well as in church, pew and pulpit. Of more than average intelligence and handsome person, young Robinson found little difficulty in securing a lucrative position with one of the leading commercial houses of the city. His employer had a beautiful daughter to whom Robinson paid assiduous attention, and to whom, rumor said, he would have been married ultimately. One day while walking in the street, Robinson met Helen Jewett, and from that first moment of meeting it seems that they exerted a mutual fascination upon each other.

Helen Jewett was born at Augusta, Maine, in 1816. She was of Welch parentage, and her father and mother were in very humble circumstances. In the neighborhood of Helen's home there resided Judge Weston, a lawyer of ability and wide reputation. Noticing among the playmates of his children the lovely Welch girl, the venerable jurist became interested in her, afterward adopted her into his own family, and sent her to the best schools, as well as into the best society of the time. The brilliant understanding of the girl unfolded new beauties and her wit soon became as charming as her graceful person. For some alleged ill conduct her friend and benefactor turned her off and drove her from his door. Helen went to Portland, thence to Boston and finally to New York, where she arrived in April, 1836. Her beauty, her graces and her wit were topics of conversation in all classes and all grades of society. When she and young Robinson first became acquainted Helen was living at No. 41 Thomas Street, and there Robinson called upon her in the evening of the day they first met. Each finally became jealous of the other, which led to quarrels and recriminations, followed by repeated reconciliations. The bitterness of these bickerings was increased by a report which reached Helen that her lover was even then engaged to be married, as heretofore stated, to the beautiful daughter of his employer. From this hour a mad jealousy seemed to have taken possession of Helen and visits and letters of consultation followed each other in rapid succession, each one in rapid succession, each one more full of signal failure. Helen would hear to no compromise. Robinson must abandon all for her sake.

Thus matters stood when on the morning of April 10, 1836, a few hours before daylight, an alarm of fire and murder was sounded from the house in which Helen Jewett lived. The responding policeman hastened to the premises and there beheld a scene of the utmost confusion and excitement. In bed from which dense volumes of smoke issued, lying upon her face on the bed, bathed in blood and blackened by the scorching flames, lay the dead form of Helen Jewett. The fire was at length extinguished and it was discovered that the murdered woman's head had been crushed with blows from a hatchet or some similar instrument. To all appearances she had been murdered while asleep. A tall whitewashed picket fence surrounded the house where the woman had been murdered, and just on the outside of the fence a tassel from a certain kind of cloak then in vogue was found. A man's track was found leading from the rear of the house and to the fence. Beyond the fence, besides the cloak tassel, a hatchet was also found. On the strength of certain evidence, which alleged that Robinson owned a cloak with tassels on it corresponding to the one found outside the fence, officers were at once dispatched to Robinson's boarding house to effect his arrest. He was found in bed, and a black silk cloak with one tassel gone was found on the floor of his room. Fresh spots of whitewash were also on his pants. Subsequent examination revealed that the hatchet found near the fence resembled one owned by the landlord of young Robinson had been missing from a tool box for several days.

In default of bail, Robinson was placed in jail. In due time he was indicted for murder in the first degree and his trial came up in New York before Judge Edwards on the 2nd day of June, 1836. The large court room was densely crowded, while thousands of people pushed and jostled each other on the outside. Robinson was represented by Messrs. Hoffman, Price and Maxwell, three of the very best criminal lawyers in the Empire State. The trial lasted five days, a large number of witnesses were examined, the charge was read to the jury by the Judge, and the jury, having retired to deliberate, returned in ten minutes with a verdict of not guilty. The verdict was a surprise to many people, because it was thought the evidence surrounding the death of Helen Jewett was almost conclusive in its nature.

When the jury delivered its verdict, Robinson received the congratulations of his attorneys and walked out of the court room a free man. Fate, however, was against him, and those who used to know him now passed him coldly by. Whatever might have been Robinson's position in the matter, he at once decided to leave New York and seek a new country where life could be started anew. So a few days later he turned his face toward the West, and early in the autumn arrived at the isolated village of Nacogdoches in the infant Republic of Texas. The battle of San Jacinto had just been fought and won and a new commonwealth had taken its place in the catalogue of Nations. Robinson had originally intended to go to Mexico, but a few days rest in Nacogdoches changed his purpose and he resolved to make his home, for a time at least, in the isolated East Texas village. The people were kind and hospitable, ready and willing at all times to welcome to their midst the man of energy and intelligence, and wishing as far as possible to blot out the memory of the past, Robinson dropped his last name and introduced himself to the people of Nacogdoches as Richard Parmalee. Being of easy manners and pleasant address, Parmalee made many friends, and in a short time had won his way into the good opinion of all the Nacogdoches people. In 1837, when the trouble occurred with old Bowles and the Cherokee Indians, Parmalee was one of the first to offer his services as a volunteer. During this war a carbine exploded in Parmalee's right hand, shattering it and rendering it useless ever afterward. The old time records in the county clerk's office at Nacogdoches to which Parmalee's name appears as a deputy, shows that he used his left hand in writing. Parmalee was appointed deputy county clerk by O. L. Holbes, who was the county clerk of Nacogdoches county. The county clerk's office was at that time, in a small building on the West Main Street. Parmalee served in this capacity nine years, or until the November election, 1845, and there are those who say he held the office until 1846, but there are no records to show. His unquestioned ability and integrity to be seen in the clerk's office. Although compelled to write with the left hand his writing was clear and intelligible, and punctuated with nicety and precision.

On September 10th, 1845, he was married to Mrs. Atala Phillips, a widow, who was the mother of a daughter, Little Mary. Parmalee was awarded the contract for carrying the United States mail from Nacogdoches to Crockett, in stages and horseback. Passengers were also carried. He kept none but the best horses in his stage service, and these were handled by faithful and efficient drivers, principal of which was John Ladd. For such service Parmalee and his partner received from the United States government $17,500 annually. While it was no doubt Parmalee's intention and desire to keep his identity and alleged connection with the New York tragedy as secret as possible, it nevertheless became known to Mrs. Phillips prior to her marriage with him that Robinson and not Parmalee was his true name. He is said on this authority that only a few days prior to their marriage Mrs. Phillips asked him for the truth concerning the charge of murder against Parmalee went to his room and soon returned with a pamphlet, which he threw into her hands. It was an account of the Helen Jewett trouble, and no doubt Parmalee expected that upon reading it Mrs. Phillips would flee from him. However, he was agreeable surprised, and they were shortly afterward married.

The fact that the New York trouble had been published and scattered broadcast reached Parmalee in a strange manner. One day his driver, John Ladd, had on board a gentleman who remained in the stage during the entire trip deeply absorbed in a book which he was reading. At Alexander the gentleman gave the book to Ladd, who knowing Parmalee's fondness for reading brought it to Nacogdoches and laid it upon a table in Parmalee's office while the latter was absent. When Parmalee returned to his office a short time afterwards his eyes fell on the book, and opening it, he knew that the tragedy connected with his life was known.

While on ones of his periodical trips to Alexander in October, in helping young men who desired to win their way in the world, Jessup, and believing that dissolution was near, made his will. The and was at the land of every enterprise that called for its aid, the development of Nacogdoches and East Texas.

WHY DO WITHOUT A LITTLE LUXURY LIKE THIS... LET ALONE THESE BIG CHEVY VIRTUES!

Chevy's the only car of the leading low-priced three that gives you the convenience of crank-operated vent windows. No awkward latches to fumble with . . . your knuckles and fingernails will appreciate it.

bigger brakes

Bigger, yes, and built with bonded linings for as much as 66% longer life. And that's this for you! That Chevy's a real stopper: in a NASCAR*-conducted test of repeated stops from highway speeds, Chevrolet outstopped both of the "other two" time after time.

**National Association for Stock Car Advancement and Research.*

full coil ride

You're the expert on ride, so you'll want to try Chevy's easygoing smoothness for yourself. MOTOR TREND magazine can give you a hint of what you're in for: "... the smoothest, most quiet, softest riding car in its price class." And Full Coil springs, of course, never squeak, never need grease.

award-winning engines

The NASCAR Outstanding Achievement award goes to Chevrolet! Chevy wins for "the creation and continuing development of America's most efficient V-type engines . . . for the establishment of new levels of V8 compactness combined with outstanding smoothness." And you can choose among eight V8's and the Six that won the Mobilgas Economy Run for its class.

fresh styling

POPULAR SCIENCE magazine gave Chevy's styling a thoughtful look, then said it this way: "In its price class, Chevy establishes a new high in daring styling . . ." You'll find your own happy way of saying that Chevy's the only unmistakably modern car in its class.

greater roominess

Automobile Manufacturers Association records carry the facts on this. In a Chevy sedan, for example, you've got more than a foot more room than all but one of the high-priced cars! And Chevy's front seat hip room, spreads 62 to 5.9 inches wider than comparable cars.

bigger savings

Here's solid proof that Chevrolet squeezes more miles out of a gallon: In the famous Mobilgas Economy Run, two Chevrolet sixes with Powerglide took the first two places in their class. Winning mileage: 22.38 m.p.g. And that, friends, took top honors for Chevy from *every* full-sized car!

higher trade-in

N.A.D.A.* Guide Books prove that your Chevrolet will keep its value. Chevy used car prices last year, for example, averaged up to $128 higher than comparable models of the other two cars in Chevrolet's field.

Peregrinations of a PIONEER PRINTER

$3.00

by J. MARVIN HUNTER

An Autobiography

Besides being the autobiography of an old time itinerant country printer and newspaper man, it is full of humorous reminiscences and some good history. In it you will find mention of many people you knew personally in different Texas communities. The old printer tells in pleasing style the story of his peregrinations (wanderings) through West Texas, New Mexico, Arizona, and even Old Mexico; how he and a fellow newspaper man had to leave "between two days" and ride in a side-door pullman (box car) through to El Paso with the Mexican revolts hot on their trail; of his experiences as a showman; of two uneasy days he spent entertaining a noted outlaw in his sheep camp; of meeting noted characters, both famous and infamous; and of how, after thrilling adventures, he at last he "settled down" in Bandera to spend his remaining years among the best people on earth.

VANDERPOOL

The Reavis Reunion was held at the Utopia Park Sunday with a large crowd in attendance.

Visitors in the home of Mr. and Mrs. Ira Revis over the week-end were Mr. and Mrs. Allen Patton and Brice, Ida Reavis and Jake Dodge of San Antonio.

Mrs. Oscar Moore went to Chicago, last Friday to visit her daughter and family, Mr. and Mrs. Steve Mengelkamp and help care for her new grandson.

Mr. and Mrs. D. F. Neff left for their home in Wichita, Kansas, after visiting Mr. and Mrs. Simon Polvado and relatives in Houston.

Mr. and Mrs. Arlis White and Wade Caspari of Sabinal visited their mother, Mrs. Jobe Caspari, last Sunday.

Mr. and Mrs. Hoyt Foster and daughters of San Antonio visited his father, L. S. Foster, Saturday.

The Utopia School will begin August 31, with a holiday for Labor Day.

Ruth Cumbie-ham was one of the winners in the District Dress Revue at Laredo last Saturday. She will attend the State Revue in October.

Mr. and Mrs. Billy Fisher and children attended the rodeo in Otona where Gus Hines placed first in the Junior Girls' Barrell Race.

FOUR CENT SOIL CONSERVATION COMMEMORATIVE STAMP

Supporters of the Bandera soil conservation district and persons interested in commemorative stamps will be able to purchase a 4-cent soil conservation stamp locally starting August 27, H. J. Risinger said today.

Although the Post Office Department is printing 120 million copies of the 4-cent soil conservation stamp, which portrays a modern conservation farm, the edition won't last long, Risinger predicted.

The stamp is being issued at Rapid City, S. D., on August 26, as a tribute to conservation farmers and ranchers, their local soil conservation districts, and the professional conservationists of State and Federal agencies who assist them.

"I'm sure that most everyone in Bandera SCD will want to buy these colorful and historic stamps as they go on sale here," Mr. Risinger said.

Those who are interested in a "first-day cover," a souvenir envelope, can mail addressed envelopes plus a remittance for postage, to the postmaster at Rapid City, S. D., who will place the soil conservation on the envelopes, cancel with a special cancellation and send only on that day and at that place, and mail as addressed anywhere in the country, Mr. Risinger pointed out.

NOTICE ON PETITION FOR BEER LICENSE OR WINE AND BEER RETAILER'S PERMIT

The State of Texas,
County of Bandera.

To all persons interested:

Harold W. Trueblood has filed a petition with the County Judge of Bandera County, on the 30th day of July, 1959, for a Beer Retailers on Premises License; and makes, under oath, the following representation:

1. The name under which the business is to be operated is Lupe's Mexican Food.

2. Address or location Lot 14, Block 112, Subd. B of Avalon, about 600 feet of the intersection of 39th St., with Park Road 37 on W. side of Park Road 37. City: Pipe Creek. County: Bandera.

3. Mailing address Pipe Creek, Texas.

4. That the applicant is the holder of permit license No. None.

5. That the business is owned by an Individual.

6. That reference is hereby made to the original application of applicant now in file for further information.

Wherefore applicant prays that lawful notice of this application be given and that on hearing hereof the County Court authorizes the issuance of a license or permit as herein set out.

Said application will be heard by the County Judge on the 10th day of August 1959, at 8:30 o'clock a.m., at the courthouse of said county in Bandera, Texas.

Any citizen shall be permitted to contest the facts stated in the said petition and applicant's right to secure a license-permit upon giving security for all costs which will be incurred in such suit, should the same be decided in favor of the applicant.

Witness my hand and official seal at Bandera, Texas, this 30th day of July, 1959.

ROSCOE I. HAYES,
Clerk of County Court,
(SEAL) Bandera County, Texas.

CATTLE AUCTION SALES ENTERED TUESDAY

The Thursday Cattle Auction started at 9:00 a.m., at the Union Stock Yards, San Antonio on August 6, 1959. This announcement to change the starting time was made by Noe San Antonio Livestock Market, Inc., in order to better serve the buyers and sellers at the market. The cattle market will open at week at 9:00 a.m., whether the cattle are sold on the regular market or at the Thursday Cattle Auction.

This Texas institution's seventy years of service by the Union Stock Yards San Antonio. These seventy years of service have been marked by many progressive changes to serve the producers of livestock. The latest of these new services is the Cattle Auction Sales now held at the Union Stock Yards each Thursday.

The first cattle auction sale ever held by the Union Stock Yards was held May 21, 1959. The success of the first and following sales made it necessary to have the sales weekly. Cattle auction sales are now held each Thursday, and the regular private treaty sales are held Monday through Friday for cattle, hogs, sheep and goats.

A CORRECTION

The coverage for the Ross Anniversary were presented to Mr. and Mrs. Frank Ross by Eckhart Flower Shop, and not by Ross children as was reported to the Bandera Bulletin last week.

MRS. W. P. JORDAN ENTERTAINS W.S.C.S.

The Woman's Society of Christian Service of the Bandera Methodist Church met for their regular meeting Wednesday, July 29, at the home of Mrs. W. P. Jordan.

Mrs. A. R. Meginnis, Jr., led the program concerning the youth today and Mrs. Howard Hay, president, presided at the business session.

High point of the meeting was the discussion of the School of Missions at Mt. Wesley, August 4-7. Here members may attend clinics for their particular office in the Woman's Society as Stewardship, Christian Social Relations, etc. Those planning to attend are: Mrs. Howard Hay, Mrs. L. D. Caffall, Mrs. W. P. Jordan, Mrs. Ashley Rugh, Mrs. Paul Kriley, Mrs. Melvin King, Mrs. G. T. Sandidge, Jr., Mrs. B. C. Pfeuer, Mrs. Melvin Rossman and Mrs. A. B. Lewis.

A covered dish picnic lunch was enjoyed on the patio at noon. Honorees were: Mesdames Gene Stauffoff, Glendon Roberts, Ashley Rugh and W. P. Jordan.

CARD OF THANKS

We would like to express our sincere and grateful thanks to everyone who assisted us in any way when we lost our beloved husband and father. We deeply appreciate the beautiful flowers, cards, expressions of sympathy, the comforting words of the ministers, Rev. Ira Garrison and E. A. Morgan, and the sympathy of our dear friends and relatives. May God bless each one of you.

Mrs. J. H. Mayfield
and Family

IN APPRECIATION

I want to sincerely thank everyone who supported me in the campaign for Miss Mohair. Even though I didn't win, I appreciate your efforts just as much as if I had been elected.

DICK GNADE THANKS HIS BANDERA FRIENDIS

Dick Gnade, who is presently receiving treatment in a London, England, Eye Hospital, sends greetings to, and expresses his thanks to Bandera and Medina friends for their many cards, letters and cables, during his stay there. Not being able to thank everyone personally for their many expressions of concern he takes this means of letting his many wonderful friends know that he appreciates their thoughtfulness and kind expressions.

Mr. Gnade is receiving treatment for an eye ailment in one of the finest hospitals in the world, and his friends here are very hopeful that he will soon be recovered and able to return to Bandera.

Mr. and Mrs. Ben Amex of Hugh Springs are the guests of her sister, Mrs. Charlie Moore, this week. Mr. and Mrs. Amex have been visiting other relatives and friends over the Hill Country for the past month.

NEGRO MAN RINGS UP IN JUSTICE OF THE PEACE COURT

According to Justice of the Peace William Ahring, a negro man was picked up by local officers for not registering with old friends and relatives. Captain Pepper is a native of Medina and has many friends in this area. Sunday they attended services at the Bandera church of Christ.

H.D. HAS DISTINGUISHED VISITORS

Police Captain and Mrs. Fred Palmer of San Antonio are spending their vacation in the Bandera area. Sunday noon they were entertaining with old friends and relatives.

LEON SHIELDS ATTENDS FALL GIFT AND HOLIDAY SHOW

Mr. Shields, Corner Drug Store, from Bandera, Texas, attended the 13th annual Fall Gift and Holiday Show of the San Antonio Drug Company held August 2, 3 and 4th in San Antonio, according to G. Clifford Wade, Vice-President and Merchandising Manager of the San Antonio Drug Company.

The three day extensive merchandising show was headquartered at the new La Villita Assembly Building and was the first commercial show of its kind to be held in the new building.

Featured theme for this year's annual merchandising show was—"Christmas in August," Wade commented.

Wade said that the 13th Annual Fall Gift and Holiday Show displayed the items of over 200 different manufacturers and featured all of the popular brands available on the market for the new season.

Attendance for the "Christmas in August" merchandising show has made this the largest show ever offered to the San Antonio Drug Company's customers, Wade stated.

Representative druggist dealers throughout the Southwest were in attendance at the Annual Fall Gift and Holiday Show which housed the most thorough displays of the distributors and the merchandise that is to be introduced for the forthcoming season.

In commenting on the annual sponsorship of the merchandising show by San Antonio Drug Company, Wade commented, "The Company realizes the many advantages and benefits that are afforded to the customers of the Company in centrally locating a compact merchandising show for their attendance. The show also serves as a meeting place for the dealers who attended where they mky discuss with their colleagues new ideas, and, exchange helpful and profitable merchandising techniques."

MR. AND MRS. MONK SEARCY HAVE NEW GRANDBABY

Mr. and Mrs. Monk Searcy have received the good news of the birth of a son to A3/c and Mrs. Bobby Searcy in Oceana, Virginia, where he is stationed at the new air base. The young man was named Bob Jr., for his father. He was born on July 28, 1959.

Mr. and Mrs. Bill Loesberg of Kerrville visited Mrs. Jewel Loesberg and son, George, here Sunday. They were also guests of Mr. and Mrs. Edgar Habenicht that afternoon.

Tom J. Anderwald and son, Vincent, and Sister M. Wendelina, C.C.V.I., and Miss Lydia Snear of San Antonio enjoyed a delightful trip to Atlanta, Georgia, visiting Mr. and Mrs. L. H. King and family, Mr. and Mrs. N. G. Walters and son, Normie, and Capt. and Mrs. E. H. Koehler and family. Jesse Paul King accompanied them back to Texas to visit for a few weeks.

RIBBON CUTTING CEREMONIES BY 4 COUNTIES PLANNED

With the completion of the fine new road to Hondo, Bandera has one of her greatest opportunities for growth and plans were made at a meeting Monday night in the Bandera court room by a delegation from Bandera, Hondo, Devine and Kerrville to hold proper road opening ceremonies on August 27. Four representatives from each of these towns formed a committee with Bob Colenian of Hondo as chairman; Bill Berger, Hondo Anvil-Herald, secretary-treasurer; Joe Brisco of Devine, program chairman; Whit Zander of Kerrville, publicity; and Wilvie Smith, Bandera Chamber of Commerce president, chairman of entertainment.

A tentative date of August 27 was set for ribbon cutting ceremonies at which time Herb Petry will be invited to speak.

Invitations will go out soon to the press, directors and officers of the Chambers of Commerce, Commissioners Courts, County Officials and Highway Officials of the four towns to attend the ribbon cutting ceremonies. The ribbon cutting is planned to be held at the Bandera-Medina county line, after which the group will come back to Hudspeth Lions Club Park for a program and barbecue dinner.

At the Monday night meeting were: Wilvie Smith, Chamber of Commerce president, County Judge O. O. Adams, Wallace Lawrence and Robert Barger for Bandera and the visiting dignitaries from Hondo, Devine and Kerrville.

ROGER TATSCH HURLS FOUR HITTER IN 7-3 WIN

The Bandera Cowboys, riding a current six game winning streak and in high spirits after knocking off the league leading Camp Stanley Defenders, 7-3 Sunday, will try to continue their winning ways this Sunday as they host the ever dangerous Fredericksburg Giants, in a double header at the Mayan Ranch Field. The first game is due to start at 2:00 p.m. Last Sunday the attendance was the best yet and it is hoped an even larger crowd will be on hand for Sunday's twin bill.

Roger Tatsch went the distance for the Cowboys as he hurled a four hitter against the Defenders. His bid for a shut-out was ruined by three unearned runs. Minor was tagged with the defeat. The Cowboys struck early with five tallies in the first two innings and added two more in the latter stages of the game in registering the wins. The victory enabled the Cowboys to up their league record to 8-6 and their season record to 10-6. Lindner, Enderlin and J. Tatsch each had two hits to lead the Cowboy offense.

MRS. DEAN IS NEW TARPLEY CORRESPONDENT

The Bandera Bulletin takes pleasure in announcing the addition of Mrs. Noel Dean of Tarpley to it's staff of county correspondents.

Mrs. Dean is replacing Mrs. A. A. Jeffers, of Tarpley, who has been a splendid correspondent for many years. We would like to offer Mrs. Jeffers our thanks for a job well done.

Mrs. Dean will appreciate all the fine people of Tarpley calling in or writing their news to her. She is also authorized by the Bandera Bulletin to accept subscriptions, and will be pleased to turn them in for you.

Just call Mrs. Nettie Dean, 7-F-2, Tarpley, Texas.

Wednesday visitors of Mr. and Mrs. Andy Pyka were Mr. and Mrs. Paul Haskin and daughter, Jeanette, of Port Lavaca.

NOTICE OF CHAMBER OF COMMERCE MEETING

There will be an important meeting of the Bandera Chamber of Commerce on Tuesday evening, August 18, at 8 o'clock in the Bandera Library; to plan the dedication ceremonies of the Farm to Market Road No. 689 (our newly finished road to Hondo). All members and directors of the Chamber of Commerce and County Officials are urged to attend this meeting.

BACHELOR'S DELIGHT PRESENTED TO CADETS

The Starlight Playhouse cast loaning their props on the Mayan Ranch truck for a trip to Lackland Air Force Base where they played to a more than capacity crowd of cadets Sunday night, in the Officer Hall, under the sponsorship of the Air Cadets. They presented their regular Wednesday night show, "Bachelor's Delight," to the crowd of over five hundred people. The show went over with such a bang and immediately after the final curtain, the group was given a standing ovation, and Lt. Hansen, Cadet Club Officer, started negotiations for another booking of the Starlight Players.

The cadets were so impressed with not only the show, but the beauty of the girls, that they immediately invited the girls in the show to again visit Lackland, and assist with the weekly bingo party tonight, Friday.

The Starlight Playhouse will open a real old time "medicine dramer" at the Mayan Ranch theatre, on Sunday night, August 23. The play will replace the regular repertory play, "Educating Eve", which had its final performance Tuesday night to its largest audience.

Remember, do take advantage of there fine shows and be at the Mayan Ranch theatre, any night in the week for an evening filled with fun.

JEHOVAH'S WITNESSES WILL ATTEND CONVENTION

Walter V. James, presiding minister for Jehovah's Witnesses, announced today that the Bandera Congregation of Jehovah's Witnesses has been invited to attend a four-day convention to be held August 20 to 23 at the Memorial Coliseum and Exposition Hall in Corpus Christi, Texas. James will lead the local delegation of about 20 persons.

The convention is arranged by the Watchtower Bible & Tract Society of New York, Inc., located in Brooklyn, New York, for Jehovah's Witnesses.

The Corpus Christi convention will be the last of a series of 28 conventions held in the United States this summer with over 200,000 attendance. Expected attendance for Corpus Christi is 7,000.

"The purpose of the meeting," said James, "is to provide additional instructions to keep the Witnesses alert in a world with worsening world conditions. For this reason the program carries the theme of 'Awake Ministers'. There will be morning, afternoon and evening sessions devoted to Bible talks, discussions and practical demonstrations," he explained. The program will include Spanish language presentations.

The highlight of the four-day convention will be the public address on Sunday, August 23, on "When God Speaks Peace to All Nations."

TAYLOR WOOTTON URGES ALL WOOL GROWERS TO VOTE

Farm Bureau is opposed to a continuation of the compulsory "check-off" and urges all wool growers to vote "no" in the forthcoming referendum, according to Taylor Wootton, president of the Bandera County Farm Bureau.

Ballots will be mailed out soon to county ASC offices to all wool growers who received compensatory payments from the government under the National Wool Act. Growers have until September 30 to turn in their ballots. Each grower "votes" the number of sheep he owns. A two-thirds majority favorable vote of all sheep voted is necessary for approval. Secretary of Agriculture Benson, however, has indicated that he will also take into consideration the actual number of growers voting for and against the proposal.

In the referendum, growers will vote to approve or disapprove an agreement between the Secretary of Agriculture and the American Sheep Producers Council, Inc., for continuing during 1959, 1960 and 1961 marketing years, the advertising and sales promotion of lamb

BELOVED COUPLE CELEBRATE GOLDEN WEDDING

Mr. and Mrs. O. Pitt Baker

The years have been indeed golden ones for Mr. and Mrs. O. Pitt Baker, who celebrated their Golden Wedding anniversary at their pretty ranch home near Medina last Sunday afternoon when their children entertained hundreds of friends and relatives who gathered to pay them tribute in expressions of good wishes, lovely gifts and flowers.

Miss Lillie Hardwick, daughter of the late Mr. and Mrs. M. Hardwick, and O. Pitt Baker, both of Medina, were married on October 10, 1909, at the home of the bride's parents. Rev. J. M. Streeter, of the Center Point Christian church performed the impressive ceremony which united in holy wedlock, the fine couple, who have traveled the more than half century together. For her wedding the beautiful bride fifty years ago was elegantly attired in white mesoaline, the dainty and artful creation of her own hands. She carried a bouquet of white gurnations and fern. Her girlhood friend, Mrs. C. O. Nesting (nee Ada Mae Stanard) played the wedding march for the wedding and after the wedding the happy newly weds spent their honeymoon at the famous Hanson Ranch (now the Kyle Ranch) as guests of Mr. and Mrs. C. O. Nesting, who have been good true friends through the years.

The years have brought blessings, happiness and joys to Mr. and Mrs. Baker. Seven fine children blessed their home.

The Bakers are not strangers to sorrow for with happiness such as theirs, there is bound to come saddness too. In 1913 their infant daughter, Eula, passed away. Then in 1940 a son, Roy Palmer Baker, lost his life in a plane crash at Longview, Texas.

All their living children were present Sunday for their Golden Wedding celebration with the exception of the daughter, Mrs. John T. Storrs, (Evelyn), who is presently residing in London, England.

The sons present were: Maurice A. Baker of Downey, California, and his family; Loyd R. Baker of Oakland, California; Buford O. Baker of Fort Worth and his family; Captain Eldon Baker of Rapid City, South Dakota.

All of Mrs. Baker's brothers and sisters were present. They were: C. C. Hardwick of Banks, Texas; W. A. Hardwick of Meridian; M. R. Hardwick of Angelton; Jessie B. Hardwich of Leveland; O. A. Hardwich of Gruver and C. P. Hardwich of Valley Mills. The sisters were Mrs. J. W. Elledge of Fulton, Kentucky; Mrs. D. W. Wickman of Gilmer, Texas; and Mrs. John F. Cox of San Jose, California, and their families.

Mr. Baker's brothers and sisters present were Hinds H. Baker of Houston; Mrs. Ira King of Beaumont; Mrs. L. C. Ingram of Houston; and Mrs. Pavia Harris of Corpus Christi. Mrs. Iora Oliver and Dex G. Baker of Houston and G. Baker of Abilene were unable to attend.

Among the highlights of their life together was the celebration of their Silver Wedding anniversary on Wednesday evening, October 10, 1934, when they entertained a number of their friends. Miss

It's The Law IN TEXAS . . .

Special Legal Remedies

Sometimes you see newspaper stories telling how various courts have issued "injunctions" to protect the owner of a patent from infringement, to stop someone from putting up a building which would be a hazard to the neighbors, or to prevent some other type of activity which might harm one or more persons. Occasionally you read where a "writ of mandamus" has been directed against some public official. This column will briefly explain what all these extraordinary legal remedies.

The injunction got its name because in the old days the English court commanded by special writ when an ordinary court action could not solve a problem at hand. Today it is an order requiring a person (or corporation) to refrain from doing a particular act.

As a rule, one would first get a "Temporary Restraining Order" which would stop someone from doing something harmful — like polluting a stream or annoying the peace of your home. By granting it the judge preserves the status quo until a hearing has been held to hear both sides of the controversy. Usually, if you get an injunction, your lawyer will take sworn statements into court to show that your grievance is one which could be taken care of only by an injunction.

Often you must put up a bond to make up for any damage you do the other side if the court does not see things your way.

After you've made your request, the court arranges to hear the other side. They must "show cause" why the injunction should not be issued. Because most injunctions deal with immediate problems, the court hears the merits of such a case in a very short time.

After the temporary injunction is issued, a "permanent" injunction may be obtained or either party may start a lawsuit to settle the problems which the temporary injunction has cleared up for the moment.

If the court grants an injunction, it must be served on the defendant to be effective. Then if he disobeys the court and is subject to a fine or a jail term for "contempt of court."

"Mandamus" is a special remedy used to right wrongs or enforce proper action by a public officer.

When we elect public officers to work for us, we place a great deal of authority in their hands. Sometimes they fail to do their lawful duty. One way to make a government official do his job is to ask the court for a writ of mandamus.

Suppose you have applied for a permit to build a house under a city building code. You submit your plans which meet all the requirements of the code but the proper official won't give you the permit and you can't get one elsewhere. You can then ask the court for a writ of mandamus and if you were right and the building official had no grounds for refusal, the court will order him to issue the permit.

Before the court will issue such a strong command as this, the officer must have refused to do his clear cut legal duty — not something that he may or may not have to do as part of his job. (This column, prepared by the State Bar of Texas, is written to inform — not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

GAME MAGAZINE PRESENTS REPORT ON WATER BIRDS

Austin.—"Relatively little information is available on water bird production in South Texas and still less on the degree of late nesting," write Dr. Clarence Cottam and W. C. Glazener in the August issue of Texas Game and Fish, according to the Director of Information and Education, Game and Fish Commission. Their study stresses the importance of environment to bird production.

Both interesting and educational, the article describes habits of several "late nesters" such as the blue-winged teal, the purple gallinule, and, the pied-billed grebe. The authors tell surprising stories of a flimsy nest that didn't hold eggs and of a second story nest in which a tiny gallinule was trapped.

Some of the eggs located in the study were not even incubated by the parents, but the warmth and humidity combined to hatch them.

Other articles to be found in the August issue of the magazine cover everything from white-tailed deer to water spouts and a shrimp fleet blessing. A special fishing tournament section shows photographs of the large catches taken from Texas waters. Reported in the section are events held at Freeport, Port Mansfield, Marine Creek, Port Lavaca, Bay City, Texas City, and Lake Corpus Christi.

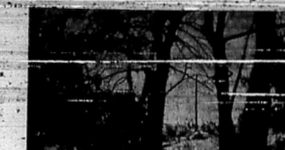
TEXAS CHAMPIONS OF FREEDOM

Lucy Holcombe Pickens

Ambassadress of Goodwill and Sponsor of Liberty



A hundred years ago a beautiful and spirited Texas girl so fascinated the rulers of Czarist Russia that she was an honored guest in St. Petersburg's imperial palace for the birth of her first child. The Czar and Czarina stood as godparents and named the baby Annie Lucy Holcombe Pickens, of Marshall and the East Texas piney-woods, and wife of the American ambassador to Russia.

Home again, with her husband then Governor of South Carolina, romantic legend has it that when General Pierre Beauregard was about to begin the bombardment of Fort Sumter, he bundled a taper to little Douschka — who touched off the first cannon shot of the Civil War.

But the lovely Texas, Lucy Holcombe Pickens, was to make more history. She sold the magnificent jewels given to her by Russian royalty to equip a Confederate army unit, known as the Lucy Holcombe Legion. And as a tribute to this remarkable young woman, her beauty was immortalized on Confederate currency — $1 to $100 bills. Many Texans have championed freedom in many kinds of battles, but Lucy matched their achievements with new weapons but kindliness, intelligence and charm.

Today Texans still demand and get their right to choose the way they want to live. In this vigorous and freedom-minded homeland — "Beer Belongs" and this is why the United States Brewers Foundation works constantly, in conjunction with brewers, wholesalers and retailers, to assure the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of Texans, the Foundation stresses close co-operation with the Armed Forces, law enforcement and governing officials in its continuing Self-Regulation program.

Texas Highway Department Resident Engineer Charles Hackebeil, left, and Fletcher Davis, former publisher of the Hondo Anvil Herald, third from left, along with members of the Medina County Commissioner's Court meditate on just how much material will be required to make the pass they're standing in. The pass in which they are standing, the largest of many, was excavated of 125,000 cubic yards of material with the use of dynamite. Hackebeil reported dynamite was needed to clear the right of way for the new road almost every mile. County Judge Arthur Roth is fourth from left in the picture. Other members of the Commissioner's Court present are Charles Sweatt of Devine, second from left; Hilmer Mangold of Castroville, third from right; Fred Bader of Hondo, secon t from right; and Charles Langfield of D'Hanis, extreme right. Our WASHINGTON Letter

From the Office of Congressman O. C. Fisher By Congressman O. C. Fisher

Labor Legislation continued to capture the headlines on Capitol Hill news, with a show-down vote in the House date this week. Editorials, columns, radio and television were all put to full use by proponents and opponents of effective measures to be considered.

President Eisenhower's TV appeal for a moderate bill was almost unprecedented for a President. Oldtimers recall that during the war when John L. Lewis was threatening the war effort with repeated strikes, the Congress passed the Smith-Connally Act, giving the Government power to step in and stop a strike and keep the miners open. Roosevelt vetoed it, but the Congress by more than a two-thirds majority overrode the veto and it became law.

Again, after World War II when the nation staggered from long, inflationary strikes, the Congress responded to public demand and enacted the Taft-Hartley Act. President Truman's veto was overridden. And now for Ike to plug for even a moderate bill is without precedent in modern political history.

Scores of cases where secondary and organizational and blackmail picketing have occurred are being brought to the attention of Congress. Sno-White Dining Room, in Detroit, is an example. There the employees refused a teamster union demand that the employees take out Teamsters' insurance which the employees did not want.

In the attempt to force compliance, the Teamsters picketed the place. When that didn't work, on July 10, 200 Teamsters walked in, sat down and drank coffee for two hours during lunch hour so the usual customers had no place to be seated. When that didn't work, they scattered roofing nails and carpet tacks on customers' parking areas, and dumped grease all over the place.

In another case in California, when a suburban restaurant employees would not join the Teamsters, the cafe was picketed for more than nine months! Literally hundreds of similar cases have been reported, most of them involving Teamster and small so-called paper unions.

Among recent visitors have been Mrs. E. Wait and Jack and Susan, of Kerrville; Fred Husbands of Ainlone; James H. Taylor of San Angelo; Sid Weiser of Lampasas; and Mr. and Mrs. C. L. Harless and Roanne and Skip, of San Angelo.

VANDERPOOL

A revival will begin Sunday, August 16, at the Utopia Gospel Church. Rev. Ulric of Milwaukie, Wisconsin, will do the preaching. Everyone is cordially invited to come. Services will be every night with the exception of Saturday for two weeks.

At a meeting of the Utopia Park Association, Billy Fisher was reelected president. Grover Cannon and Kenneth Davenport were elected to fill the places of Kenneth Leighton and John Bounds, who have served three year terms each.

Mr. and Mrs. Frank Metz of San Antonio spent the week-end in the home of her parents, Mr. and Mrs. Oscar Tampke.

Mr. and Mrs. Harvey Polvado and children of Wapole, Mass., have been visiting in the home of Mr. and Mrs. Shine Polvado. Mrs. Harvey Polvado will leave August 12 for his new station in Korea. He has three more years until his retirement. A barbecue dinner was given in his honor last Friday at which time his sister, Mrs. Mildred Dibbens and family attended.

Mr. and Mrs. Don Thompson and children of Barksdale visited in the home of her parents, Mr. and Mrs. Oscar Moore Sunday.

Mr. and Mrs. William Stillwell of Camp Wood visited in the home of her uncle, Ira Reavis, Saturday and Sunday. They took home some goats purchased from him.

A barbecue dinner was given on August 1 at the home of Mr. and Mrs. Curley Thompson honoring her mother, Mrs. Addie Thompson on her 80th birthday. Attending were four other daughters, Mrs. Pres Word and family of Bandera; Mrs. Clara Custer of San Antonio; Mrs. Lynn Cooley and family of Alice and Mrs. Johnny Thompson.

Robert Rainey of Fort Stockton spent the week-end with his parents, Mr. and Mrs. Ernest Rainey.

RALPH YARBOROUGH'S REPORT

Forty-four is a critical age for American workers today.

Since a man or woman passes that age many businesses and industries consider him or her "too old" and will not hire them.

This is a terrific waste of manpower and brain power and the situation grows worse as the person grows older.

Because of compulsory retirement policies, many people are forced out of jobs in which they have long experience. And, to add to the tragedy, people 20 years younger than the usual retirement age often find they cannot change jobs because many companies consider 44 a hiring cutoff age.

At the beginning of this year, 1.2 million workers past 44 were unemployed. And 30 per cent of the companies questioned in a recent survey admitted they have who is past 44 years of age. The Labor Department can another survey and in 70 per cent of the cities considered, more than half the jobs listed with employment agencies set an age ceiling on hiring.

People need the assurance they can change jobs, or—if retired—take other jobs, without losing them remain useful citizens and to earn money to pay for necessities. We have done a great deal to assist our retired people—helping them obtain medical assistance and other types of aid—but we need to do more to help them help themselves. One way we can do little to assure that age will not be a major factor in consideration of an individual for a job.

For this reason, I am co-sponsoring a proposal which would prohibit discrimination because of age against a person applying for a job with any company which holds government contracts. The measure is now being studied by a State Committee.

Older workers have statistically proven records of high productivity, good attendance and other assets. Men and women who are 40 years of age and older have a great deal of ability and experience to offer our nation. It is tragic and ridiculous to blindly refuse to use this great human resource of people past 44 years of age.

LIFE INSURANCE STOCKS
Fair Values in Today's Market

Life insurance stocks, while up substantially from their lows of 1957-58, still appear to offer reasonable values when compared with other growth industries. Although some of these stocks must be considered rather fully valued in today's market, there are still many issues which we believe can be bought for long term capital gains. Among the issues we consider attractive for purchase at the present time are *Travelers Insurance, Gulf Insurance, Transamerica* and *Lincoln National*. Other issues which offer good long term value, although we do not recommend immediate purchase, include *Businessmen's Assurance* and *Franklin National Life*.

Today's economic climate appears extremely favorable for this growth industry. High living standards, inflation, and the general improvement in the overall economy are factors which indicate substantially improved operations for this year, even though the industry is faced with higher taxes due to a revised tax law.

Net gain from operations (earnings) for the industry this year should be aided by many factors. Mortality in the United States again fell slightly in 1958, thereby further widening the ratio between the assumed mortality table and the actual experience of insured. The overall economic boom and resultant high employment for the country as a whole directly benefits life companies through additional writings of group insurance, and indirectly through the increased standard of living. One of the most promising factors for life insurance companies received for has been the trend of interest rates. Most policies in recent years have been written on the assumption that the return on investment capital would be low, as it has been in the past several decades. Most policies currently in effect have been written with 2% to 2½% assumed interest rates. While current interest is admittedly higher, this is a very vital factor inasmuch as any higher interest derived over and above the assumed rate accrues to the policy largely represents pro-

The brush arbor meeting near the Baptist church is still in progress, with services each morning and at night. The attendance continues good, and Rev. S. H. Culpepper is delivering fine discourses at each service.

Master Jimmie Tol abram is his second birthday last Friday. Those present to help celebrate were, Mr. and Mrs. E. R. Teel, with a jolly party. The little guests who assembled enjoyed games on the lawn and "kodak pictures were take of the party. A beautiful white birthday cake was cut and lemonade and cookies served to the following: little folks: Lee, Doris, Mildred, Aileen and Charles Mansfield; Shirley Ann Hamilton, Allie Gerahl Langford; Danny, Colleen and Beryl Culpepper, Minnie Ola Schuchtke, Pattie and Wanda Trowbridge and the little host. Little Jimmy received many beautiful gifts.

Interior decoration of the new public library is being done this week. The stage scene and curtain will be finished in a few days. The auditorium presents quite an attractive appearance now. Preparations are being made for the formal opening on a date to be announced later. W. E. Kennymore, expert interior decorator of Boerne, is engaged in painting the curtain for the auditorium.

Colonel and Mrs. Walter Godkin, and daughter, Miss Juanita, were in from Spicewood Springs ranch yesterday. Colonel Godkin and his son, Charlie, have just returned from Kansas, where he went to look after business interests. He says the drouth is severe in that State and a great deal of damage has resulted.

Owing to the serious illness of Mrs. Marion McDermott Perkin's father, it is necessary to postpone Golden Anchor players at St. Joseph's School auditorium, which was scheduled for next Saturday night, August 18th.

Captain and Mrs. G. Keith Gordon and Mrs. Florence Rabe Jacoby, of San Antonio, were visitors in Frontier Times Museum last Friday. They were en route to Kerrville on a short pleasure trip. While here Captain and Mrs. Gordon were placed on our honor roll, by purchasing copies of the Life of Big Foot Wallace, to help build an addition to the Museum.

BOYLE'S

WASHINGTON NEWS LETTER

From Lyndon B. Johnson

Dear Friend:

Texas may have yielded to Alaska as being the largest state in the Union, but I'm happy to see it is retaining its status as first in a lot of other things.

Two new "firsts"—for Texas and the Nation—are included in legislation approved yesterday by the Senate. This bill must now go to conference committee where differences between the House and Senate versions will be ironed out. But I thought you might be interested in what the bill now provides.

There are two new projects. Both are of vast national importance. One provides for construction of a saline water conversion plant at Freeport. The other project calls for construction of a test-type civil defense shelter at Denton.

The Freeport project may offer this Nation the first break-through in man's fight to take the salt out of sea water. That's what the scientists hope to achieve at an economical cost.

Think what this could mean for the future. New jobs, increased prosperity, a better life would be waiting. Agriculture, industry, all of us would benefit. And this would come about through use of resources now being wasted.

Approval by the Senate of the Denton project means we're facing up to the destructive realities of atomic war. This program calls for construction at Denton of a regional defense center. This would be a test project Lessons learned here would be applied in late. construction of seven similar regional centers.

All of this takes money. In addition to these projects, the Senate approved other programs having statewide or national importance These include funds for the Texas River Basin Study Committee, for the Federal agency that enforces mandatory controls on oil imports, for flood protection on the Rio Grande, and money for staff people at Falcon Dam.

But this is not spending being piled on top of the President's budget. Unessential projects have been slashed to provide money for the vital needs. And when the Congress completes this session, the final figures on appropriations will be hundreds of millions less than the Administration recommended. Of that, I'm confident.

BAKER—

(Continued from Page 1)

Clara Keese and Miss Evelyn Baker received the forty-five guests who registered. Mesdames Maiel Whisenhunt, Ed Bauerlein and Henry Adams had charge of games for that occasion. After games were over Mrs. J. E. Brown-ing (now deceased) produced a clipping from the Bandera paper telling of their marriage, and read by Miss Jennie Kirkland.

The wedding table was covered with a beautiful imported lace and embroidered linen cloth and centered with an arrangement of golden gladiolus. The cake, a beautifully decorated confection, and the other appointments carried out the Gladiolus Wedding decor.

Boys and girls of yesteryear enjoyed the festive event when the children of Mr. and Mrs. Baker entertained in honor of their parents.

Mrs. Buford Baker served punch and Mrs. Maurice A. Baker served cake. Mrs. E. E. Bauerlein and Mrs. J. E. Justice assisted in serving. Mrs. C. P. Hardwick presided at the guest book and sisters of Mrs. O. Pitt Baker and sons of Mr. and Mrs. Baker acted as hostesses and hosts.

Guests who signed the register were Mr. and Mrs. William P. Harris of Corpus Christi; Mr. and Mrs. O. A. Hardwick, Mrs. Ada Hay, Austin; Mr. and Mrs. John Turner, Garland; Miss Yvonne Childs, Mr. and Mrs. J. E. Crist, Mr. and Mrs. Vernon Williams, Mr. and Mrs. H. C. VOTE—

(Continued from Page 1)

and wool. The outcome of the referendum does not affect the operation of the Wool Act itself.

Funds which the Council uses in this promotion are deducted by the government from Wool Act payments to individual growers and turned over to the private agency. The Council has received more than $8 million in the past three years. Deductions from the government payments to individual growers may not exceed 1 cent per pound of shorn wool marketed and at a comparable rate (4 cents per hundredpounds of liveweight) for unshorn lambs marketed.

According to County President Wootten, this is the first time that the Farm Bureau has sought to influence the outcome of a referendum. In past commodity referendums, the national farm organization has asked only that all eligible growers vote as they choose.

This time the county farm leader says, the organization feels that something must be done to counteract the efforts of proponents of the compulsory "check-off" system who plan an intensive door-to door campaign to gain a favorable vote.

Here is the Farm Bureau statement on the subject: "Wool growers should vote against the compulsory "check-off" for a number of reasons, but primarily because it violates the basis principle of individual choice.

"Basically, it uses the forces of the Federal Government to compel growers to contribute to a program which many of them do not wish to support. Even the proponents admit that it is not voluntary."

In the last referendum in 1955 on the "check-off", only about one-fifth of the eligible growers in Texas voted. The percentage vote in Texas was 50.4 per cent "against" and 49.6 per cent "for" the compulsory "check-off." However, the "check-off" carried by a 71.8 per cent favorable vote across the nation.

Farm Bureau claims that many growers are opposed to the "check-off" because they would prefer to spend their own money as they choose. They also doubt the contribution the use of these funds in making to increase domestic consumption of wool and lamb. More than two-thirds of the promotion money spent on wool in the past year ($444,420) was furnished over to the Wool Bureau, a group controlled by foreigners interested in spending foreign wool.

In addition, Farm Bureau claims, many growers doubt that the promotional program is improving wool and lamb prices. Also, they question the duplication of efforts that is involved at growers' expense. The National Livestock and Meat Board, financed by voluntary contributions of livestock growers, markets and packers, promotes consumption of all red meats and obtains widespread cooperation by all public information media.

"Growers cannot endorse compulsory 'check-offs' for wool or any other commodity and be consistent and effective in their opposition to compulsory programs for others," the Farm Bureau statement continues. "A compulsory 'check-off' is as indefensible in principle as are compulsory unionism, Federal control of farm labor, and Federal dominion over individual water rights."

Farm Bureau claims that statistics prove the promotional program has not brought favorable results since it was approved for the first time in the 1955 referendum. For example a comparison of the per capita consumption of wool in the U. S. in 1954 and 1958 shows that consumption was 20.8 per cent lower last year than in 1954. Per capita consumption of non-cellulosic fibers in the U. S. was 65 per cent greater in 1958 than in 1954.

The laugh picture is just as dim. Lamb consumption per capita was down 10.9 per cent in 1958 from what it was in 1954. Beef and veal consumption dropped 4 per cent over that same period. Pork consumption was up 1 per cent and poultry consumption was up 20.6 per cent.

DR. LANGFORD SELLS 4321 ACRE RANCH

A deed was filed for record in the office of County Clerk Roscoe Hayes this week whereby Dr. C. H. Langford sold to the Foremost Petroleum Company of Victoria, which ranch located in Bandera and Medina counties. The ranch covers 4,321.41 acres, $245.30 documentary stamps were attached to deed.

JUDGE AND MRS. ADAMS HAVE GUESTS

County Judge O. O. Adams was authorized to cooperate with the committees from Hondo, Kerrville, and Devine, to help plan a barbecue and celebration for the completion of the new road.

LINDA RUTH BAUSCH MODELS AT DISTRICT DRESS REVUE

On Tuesday of last week Mrs. Hervey Bausch, Bandera County Home Demonstration Agent, accompanied by Miss Linda Ruth Bausch, first place winner in the recent 4-H Dress Revue, and her mother, Mrs. Hugo Bausch, went to Abilene to attend the District Dress Revue. As Linda Ruth was the first place winner from Bandera County she was privileged to model her pretty plum colored plaid dress with the cumberland. She was among those honored at a luncheon in the Wootten Hotel there. The theme of the stage setting was "Fashions Out of This World" and featured space age decor. Linda Ruth was among the 4-H Girls to receive a blue ribbon and a prize.

Mrs. J. Reitzer of San Antonio was a Bandera visitor Saturday and was the guest of his sister, Mrs. Edgar Habenicht and family.

BARBECUE DINNER ENJOYED AT ZACK CLARK'S

A delicious barbecue dinner was enjoyed last Sunday at the Zack Clark home on Delightful Hill when Mr. Clark and his daughter, Mrs. Royce Cottrell celebrated their birthdays and Mr. and Mrs. Marvin Kriewald celebrated their 25th wedding anniversary. Mrs. Kriewald-will be remembered as the former Miss Billie Marie Clark. Those present were Mr. and Mrs. Zack Clark, Mr. and Mrs. Royce Cottrell and children of Helotes, Mr. and Mrs. Marvin Kriewald of Dunlay.

MARRIAGE LICENSE ISSUED

A marriage license was issued by the County Clerk Roscoe Hayes to Antonio Fernandez and Olivia Ybarra Garcia on August 8.

We are glad to report Mrs. Ernest Habenicht is getting along well from her recent operation, and is at home recuperating.

Mr. and Mrs. D. W. Hicks and family are spending some time at the Bloys Camp Meeting near Fort Davis.

Mike, Gary and David Keese have been visiting their grandparents, Mr. and Mrs. Thomas Keese, at the ranch the past week.

Mrs. Raymond Pawvlik, efficient clerk at Boyle's Store was wearing a lovely hand-made fiesta dress, fashioned with white lace and red shirt Wednesday, one her husband bought on their recent Mexico vacation. Beautiful.

Week-end visitors of Mr. and Mrs. Andrew Pyka were Mrs. Albert Elkins and son, Wayne, of Devers, Texas; Mr. and Mrs. Howard Short of Port Lavaca. They left for their home Sunday after a pleasant visit here.

Mrs. Russell Blair went to San Antonio Wednesday evening to attend a dinner party for Mr. and Mrs. Woody Edmiston and son, who are vacationing in their home-land, from duty in Germany. The Edmistons plan to return to Germany the last of August.

Mr. and Mrs. Cameron McKinnon of Kress, Texas, visited at the Bandera church of Christ last Wednesday night, where he was a former minister. They were guests in the home of Mr. and Mrs. Thomas H. Keese and daughter, Kim, while here. Mr. McKinnon is minister for the Kress, Texas, church of Christ, and was welcomed by a host of friends here.

It's now a reality. The new road from Hotdo to Bandera, Farm-to-market Road 689 was opened to traffic recently. The new road reduces the distance from Hondo to Bandera to 26 miles as shown by the sign at the intersection of U.S. 90, Texas 173 and the new road east of Hondo. The last section of the road was completed July 17. Ruby Co., of San Antonio had the contract on the more than 10-mile stretch from Bandera County line to a point 7 miles from Hondo which was completed earlier in 1958. The Bandera County portion was completed almost four years ago.—Courtesy Bill Berger, Hondo Anvil Herald.

As Linda Ruth was the first place winner from Bandera County she was privileged to model her pretty plum colored plaid dress with the cumberland. She was among those honored at a luncheon in the Wootten Hotel there. The theme of the stage setting was "Fashions Out of This World" and featured space age decor. Linda Ruth was among the 4-H Girls to receive a blue ribbon and a prize.

Mrs. J. Reitzer of San Antonio was a Bandera visitor Saturday and was the guest of his sister, Mrs. Edgar Habenicht and family.

On Tuesday, August 4, 1959, Marta Kim Rees was honored with a party on her first birthday. Refreshments were served by her mother, Mrs. Jim Rees, to Marta Kim, Mrs. Bo Chesson and boys, Roy and Ray, of Fannett, Mrs. Sonny Schmidt and Vivian Ramos, Mrs. Lankowski, Mrs. Buell Welborn and Gina Gale, Peggy Pingleton, Mrs. Louie Mayes and daughters, Sherry, Kelly, Dana and Mayzie Lou, Frances Pyka and Jean Bailey, all of Bandera; Mrs. Tom Moseley and Cheri Sue and Mrs. Blanton Taylor and children, Cathy, Jo Beth and Tommy, all of Hondo.

The little one's year old received many pretty and useful gifts.

COMMEMORATIVE STAMP GOES ON SALE AUGUST 26

Persons wanting "first-day" covers containing the world's first soil conservation stamp should send addressed envelopes to the Postmaster, Rapid City, S. D., within the next few days, Risinger said today.

The 4-cent, 3-color postage stamp in the commemorative series goes on sale in Rapid City August 26 at the annual meeting of the Soil Conservation Society of America.

The stamp will go on sale in local post offices August 27, the day following its issuance at Rapid City.

Mr. Risinger pointed out that the Rapid City Postmaster, upon request and receipt of properly addressed envelopes and a remittance to cover cost of the stamps, will place the new soil conservation stamp on envelopes, cancel with a special cancellation mark used only on that day and at that place, and mail the envelopes on the first day of issue.

Various companies print envelopes for this particular use. But plain envelopes may also be used.

Mr. and Mrs. John Goodenough and Marsha, Joe and Jimmy, spent the week-end in Corpus Christi. On the way they visited in the home of Rev. and Mrs. John W. Pratt at Calallen.

GAS TAX REFUNDS

Farmers who are entitled to gas tax refunds are again reminded by R. L. Phinney, District Director at Austin, to file claim with the Internal Revenue Service before September 30.

Farmers filing these claims should use Form 2240 for 1958, and Form 4136 for 1959. This form are being returned to taxpayers with a 1959 form and a request to refile.

When obtaining forms and instruction sheets from county agents or other offices, farmers should be sure to get Form 2240, for 1959 and not for 1958.

Only one claim is required for all purchases, Phinney added.

TWICE-TOLD TEXAS TALES

By J. Marvin Hunter, Sr.

Under this heading from time to time we will publish Texas historical articles which we have compiled and printed before in Frontier Times or in other publications, but which we believe will be of interest to Bulletin readers.

A BLACKFOOT LEGEND

Here is a story the Indians tell. It is one of the tales with which they amuse themselves in the long evenings. It may be true. At least, the Indians tell it for true. An Indian chief of the tribe called Blackfoot went over the Rocky Mountains with a war party. He killed some of the enemies of his tribe and started back. For fear their enemies would follow their tracks, the party did not take the usual path. They went up over the wildest part of the mountains, but when they started down on the other side, the Indians found it very difficult. They had to crawl over large rocks and down the sides of cliffs. Drifts of snow blocked their way in places. At last they had to stop, for they stood on the edge of a cliff. Below was a shelf of rock. By tying themselves together and so helping one another down, they got to this rock shelf. Below this they found still another cliff. It was more difficult to get down to this, but when they got to this ledge, they were in a worse plight than ever. They stood on the brink of a great cliff, and could get no farther. It was hundreds of feet to the bottom. They tried to get back up the mountain, but could not. There was no chance of getting down alive. They must stay there and starve. The Indians filled their pipes with kinnick, or willow bark, and smoked. Then they laid down to sleep. But the old chief could not sleep. He could not think of any way to get out of their trouble. When morning came they all looked over the cliff once more; then smoked again. After sitting silent for some time the chief knocked the ashes from his pipe, laid it down quietly, got to his feet, and went to painting his face as if he was getting ready for a feast. He arranged his garb with the greatest care, then made a little speech. "It's no use to stay here and die," he said. "The Great Spirit is not willing that we should go that way. Let us die bravely." Then he sang his death song and when he had finished he gave a shout and leaped over the cliff. When he did this the others were stunned. They smoked again in silence. After a while a weather-beaten old warrior got up, walked to the edge of the cliff, and said, "See, there is the soul of our chief, waiting for us to go with him to the land of spirits." The other looked over and saw the form of the chief far below waving the bough of a tree. Then the old warrior threw off his blanket, sang his death song, and leaped off. This time the others saw two forms waving to them from below. One after another the Indians jumped, until there were but two left on the cliff. They were boys, nephews of the chief, and had never been in a war party before. The older of the two showed his young friend the ghosts of the whole party standing below. He told him he, too, must jump off, but the frightened boy begged to be allowed to stay on the cliff to live and die. The older seized him and, after a struggle, pushed him over. Then he gathered up all the blankets and guns and threw them off, for he thought his friends would need these in their journey to the land of spirits. When this was done the young man sang his own death song and jumped off. Falling swiftly as an arrow, feet downward, he struck a great snowdrift on the bottom. It received him like an immense feather bed. He sank in so far that he had great difficulty in getting out. When he succeeded he found all of his pets, not spirits, as he had expected, but living men, safe and sound. The snowdrift had saved their lives, but not a man was hurt.

MAIL ORDER FILTH BATTLE SPREADING

Washington—The postoffice department drive to stamp out the mailing of obscene materials to children is receiving wide-spread support from the press, public-spirited organizations and members of congress, the postoffice department reports.

Postmaster General Arthur C. Summerfield said he is receiving personally many letters from parents and other interested citizens who are becoming aware of the scope of the mail order racket and are horrified by its implications.

Good progress toward the solution of the problem is being made, he stated, but added that persistent, intensive action on a nation-wide scale will be necessary for a long time to come, to cope with the determined plans of the filth racketeers 'to continue exploiting their business."

These plans, he said, are aimed mainly at children.

Summerfield pointed out the traffic in obscenity has doubled in just the last five years, and that double again by 1963 if parents do not take a concerted stand within their own communities to wipe out this evil.

The postmaster general warned that 700,000 to 1,000,000 children will be solicited this year through the mails for the sale of obscene materials.

The postoffice has noted that many letters of protest coming from parents and interested citizens have asked:

"What can we do?"

In response to these inquiries, the postoffice department offers several suggestions:

1. Alert parents are the most important source for direct action against the mail order "merchants of filth." The child need not have indicated any interest in the material to receive solicitation through the mail to purchase obscene literature and photographs. It is the responsibility of the parent to take action when such material comes to their children through the mails.

Remember, the postal service must honor the privacy of first-class mail. The postoffice cannot open first-class mail even if it is certain the envelope contains obscene material. The postoffice can act only if parents supply the evidence after mail has been delivered.

Therefore, if the contents are obscene, or solicit the sale of obscene materials, the parents are urged to do two things:

Save all the material, including the receiving envelope.

Turn it over to the local postmaster.

2. Parents can join with other parents, teachers, local law enforcement officers, and civic groups in drawing public attention to the menace of this traffic in filth, forming plans to combat it locally, and mobilizing community support for their representatives in congress considering legislation to stop the racket.

3. Parents can work with teachers to detect obscene materials in the possession of children and to determine the origin of such material.

4. Parents and teachers should make a special effort to impress upon the community the fact that even children who are never exposed to the obscene material may be victimized by sex criminals whose minds have been debauched by it.

5. Parents can co-operate with the schools in taking positive, long-range steps to help their children develop wholesome interests in good literature and art—making it readily available to them at home, in the classroom, through library and library clubs, and through study groups.

6. Through civic organizations the attention of the great majority of adult citizens can be concentrated on the menace. The local postmaster can provide civic groups with literature for distribution and background material for discussion meetings and can inform them of the problem.

7. Civic groups can bring about the establishment of a decent literature committee. Such a committee can carry out informational activities, maintain a survey of the extent of the illegal traffic and can support appropriate action by the postoffice department and local law enforcement agencies.

8. Local judges, law enforcement officers and representatives of the police force can be invited to take before civic groups telling what they know of the relationship between the traffic in obscene literature and juvenile delinquency and sex crimes.

DISTRICT
SELF-GOVERNMENT

The Board of Supervisors of the Bandera Soil Coopervation District held their regular business session on Wednesday of last week. Supervisors present for this meeting were Bob Mansfield, A. J. Flowers, H. L. Mansfield and-Wilton Crider. Others present were Evelyn Hutcheson, steno-bookkeeper; Teley Robbins, ag instructor; and Dudley T. Mann and Billy Griffin of the Soil Conservation Service. The Board voted to buy the first block of the commemorative soil conservation stamps that is sold at the local post office on August 27th. Plans were made to distribute soil and water conservation booklets to the schools in the District to promote the teaching of conservation. Further plans were made for the District field day to be held on October 6th, 1959. Conservation planning assistance was approved for the places of Lenval Mayfield, M. A. Hatfield, and Nolan Adams of Medina; and A. W. Russell, Darrel S. White and Clay Ferguson of Pipe Creek. Next regular meeting will be held on September 2, 1959, at the District office in Bandera.

The half of each years grass production which is left on the range is the reserve for next years crop. The half which is taken is the ranchers marketable product.

The J. W. "Bill" Edwards ranch at Pipe Creek is showing the results of application of Edwards' program of conservation with the Bandera SCD in 1950. Since that time, he has been carrying out a basic conservation plan. One of the first conservation projects started was a three-acre wildlife area. This old field has been planted for the past several years to grain for wildlife use only. Five small earthen dams have been built around the 3-acre wildlife area, providing watering for wildlife, habitat for deer and turkey. Mr. Edwards has cleared the major portion of the brush from his place during the past few years. However, enough brush has been left on the steep slopes and along draws and escarpments to provide wildlife cover. In connection with the brush control Mr. Edwards has greatly improved his rangeland. The ranch has a good cover of the better grasses. Native grasses such as Indian grass, Little bluestem and sideoats grama as well as the K. R. Bluestem planted by Edwards make up the major portion of the vegetative composition. One old field on the ranch has been established to a mixture of K. R. Bluestem, Blue panic, and Buffel grass in accordance with the capability of the land. Edwards has now applied the majority of the conservation practices called for in his conservation plan, which is readily evidenced by the condition of his ranch.

A change in the policy of renting the District owned rotary mesh shredder has been announced by Bob Mansfield, Board Chairman. In the future, this equipment will be rented at the rate of fifty cents (50c) per acre with a minimum charge of $5.00 per day. "A charge of $2.00 per day will be added for each day the shredder is kept but not used. Consideration will be made for rainy weather in making this charge. The increased cost of upkeep on the machinery has necessitated the change in charges according to Mansfield. The shredder is available for use by anyone in the District and can be obtained at Stricker's Blacksmith Shop in Bandera. Adolph Stricker is custodian of the machine and should be contacted about scheduling use of the shredder.

Everyone has been remarking about how nicely cleaned the Tarpley cemetery is now. Any financial help would be appreciated. Funds are in care of Mrs. A. A. Jeffers. A contribution may do so by mailing a donation to Howard Billings. This is a worthy project and one which should not be neglected by any of us. Your contributions may be sent to Mr. Billings at Tarpley, or you may deposit it at the Medina State Bank, Care Howard Billings for Cemetery Fund, at Bandera.

Mrs. Elmer Hafgrove has received word that her little neice, Barbara Ann Gerger, underwent surgery last Wednesday in San Antonio, at the Baptist Memorial Hospital. Some months ago the girl was injured by being hit on the head with a rock. This is the second operation on her eye in the past few months. Her parents will be remembered here as the former Kathryn Hohenburger. We wish for Barbara a speedy recovery.

Mr. and Mrs. J. E. Dean and children, Larry, Marie and Charles, have moved from the Baptist parsonage in Tarpley to the Flag Springs ranch, owned by C. M. Dismukes Sr., of Kerrville.

In last week's Bulletin the news about Mrs. Alice Purvis and her children, Mr. and Mrs. Vic Purvis and Mrs. Clara Tyra should have read "they visited Mrs. Purvis' sister-in-law, Mrs. Maude Fulcher, in Bay City" and not that Mrs. Fulcher accompanied them to Bay City.

I am replacing Mrs. A. A. Jeffers as your news reporter for Tarpley and I would appreciate having you send in your news at anytime. Your news makes the Tarpley news interesting and helps our town. We are all disappointed when we do not have any news from Tarpley. Mrs. Jeffers has been a fine reporter through the years and deserves a vote of thanks from this community for her service to you. I will be pleased to send in your subscriptions to the Bulletin also. You may call me anytime: Mrs. Nettie Dean, T-F-2, Tarpley, Texas.

Mr. and Mrs. G. M. Mickelsen and Jimmy Berkland went to Beeville Wednesday to attend the funeral of Mr. Berkland's sister, Mrs. Stella Traviand, age 76, of Corpus Christi, who died in a Corpus Christi hospital Monday after a long illness. Funeral services for Mrs. Traviand were conducted at the Norwegian Lutheran Church near Normana and interment was made in the Colony Cemetery. Mr. Berkland is the last surviving member of his family.

MR. AND MRS. HABY VISIT BANDERA

Mr. and Mrs. T. A. Haby of Helotes were Bandera visitors last Saturday and called at the Bulletin office to renew their Bulletin subscription. Mr. Haby and his son, Walter, celebrated the elder Haby's birthday by killing a huge Russian boar on his ranch on August 2. The huge animal was eating maise in his field. Mr. Haby said it is great sport to kill one of these big animals.

BANDERA LODGE No. 1123, A.F. &A.M., meets the second and fourth Monday nights of each month at 8:00 o'clock. All members are urged to attend. Visiting Brethren welcome.—G. T. Sandidge, Jr., W.M.; J. F. Munsch, Secretary.

REGISTRATION OF BOATS EFFECTIVE IN OCTOBER

Austin, Texas—State Highway Engineer D. C. Greer said today that registration of boats would go into effect in October. The new boating act requiring registration, now recently passed by the Legislature.

Greer assured boat owners that no penalties or convictions will be invoked for this September, the first date, particularly in view of the fact that the final boat-registration date is March 1, 1960. Other features of the act go into effect tomorrow.

Greer explained that boat registration was a little foreign to the ordinary function of the Texas Highway Department, but that the Department was already well experienced in handling this type of operation.

"We have been registering motor vehicles for more than forty years. Nearly four and a half million motor vehicles were registered by the Department this year. The Texas Legislature, cognizant of the experience of the Highway Department, gave us the job in order to take advantage of existing operations and, to cost. The Texas Highway Department deals solely with registration in this boating bill; we have nothing to do with the safety aspect," Greer said.

The appropriation bill passed last week provides funds after September 1. These fods enable the Texas Highway Department to print the necessary forms and place into operation the procedures invested in the Highway Department by the act.

Greer estimated that the registration forms and blanks would be printed and in the hands of boat dealers, county offices, Highway Department offices, and other public offices in October. Ample public notice will be given when these forms are available.

MARGARET ANN CALLAHAN INVITED TO MODEL AT JOSKE'S

Miss Margaret Ann Callahan, Bandera's winner in the "Make It Yourself With Wool" contest, and Miss Rosemary Honea, of Kerrville, also winner in the same contest, have been invited to model their prize winning garments on September 3, at Joske's of Texas in San Antonio, as one of the features of Joske's Wool Promotion Week activities.

The young ladies have been invited to be the guest of the vice-president of Joske's at the San Antonio Rotary Club.

Other notables will be Miss Wool, Miss Mohair and Lance Sears, president of the Texas Sheep and Goat Raisers Association.

Misses Callahan and Honea will be guests of Mrs. Strickiln M. Murdock at the Menger Hotel while in San Antonio.

MRS. O. O. ADAMS HONORED ON BIRTHDAY

Last Wednesday evening Mrs. Luther Collier of San Antonio, honored her sister, Mrs. O. O. Adams of Bandera with a birthday party on the Adams' pretty lawn. Delicious ice cream and cake was served to the following: Mr. and Mrs. H. E. Adams, Florence, Miss Elaine Hubble, Mrs. Bill Mansfield and family, Mr. and Mrs. J. C. Adams, Mr. and Mrs. Allen Adams, Mr. and Mrs. Will Hatfield, Mrs. W. O. Hatfield Jr., and children, all of Medina; Mrs. Clyde Wright and family, Mrs. Kate Wyatt and Mrs. Judith Baker, of Bandera; Mr. and Mrs. Jimmy Russell and family, Mr. and Mrs. Russell Adams, and Mr. and Mrs. Luther Collier of San Antonio; Mrs. Jimmy Anderson and son, Otero, of Hondo; and Mrs. Bo Chesson and family of Beaumont.

The delightful surprise party was greatly enjoyed by Judge and Mrs. O. O. Adams, all their children and grandchildren.

SON IS MR. AND MRS. WILLIE KALKA'S TENTH CHILD

Mr. and Mrs. Willie Kalka are the proud parents of their tenth child, a son, born in the Boerne hospital on August 11, 1959. The little man weighed 9 pounds and two ounces and was named Samuel David. He is being welcomed by two brothers and seven sisters.

SMALL GIRL CUTS FINGERS

The two-year old daughter of Mrs. M. D. Harrison, of Sunset Hills Estates, suffered painful injuries Tuesday while playing with a lawn-mower. She received treatment from Dr. George Mogle who put several stitches in her fingers, and at last report was getting along well.

TWELFTH ANNUAL MOORE FAMILY REUNION IS HELD

The Moore family held their 12th annual reunion at the ranch home of Mr. and Mrs. C. R. Moore and family near Medina on August 1-2. A barbecue dinner was served at the noon hour. Those in attendance numbered about eighty, including relatives and a few friends.

Families represented were from Redondo Beach, California; Downey, California; Lakewood, New Mexico; Phoenix, Arizona; Houston, Garden City, Lockney, Beeville, Woodsboro, Austin, Flat, Amarillo, Gatesville, Tyler, San Antonio, Kerrville, Bandera and Medina.

Miss Florence Swanson called at our office to enter a subscription to the Bulletin as a gift to Walter H. White of Park Ridge, Illinois. Mr. and Mrs. White were guests in the home of Miss Swanson of Indian Waters. They have made many friends in Bandera—this being their fourth trip. We hope they will enjoy the Bulletin and keep posted as to the activities of their friends here.

VOLUME 15 NUMBER 9 BANDERA, BANDERA COUNTY, TEXAS, FRIDAY, AUGUST 21, 1959 $3.00 PER YEAR; 10c PER COPY

Pictured above is the car of Mrs. Sammy McMully of Houston, which overturned about eleven o'clock Saturday night at the Silver Spur crossing on the Medina River. Mrs. McMully suffered from shock and shoulder injuries. She was taken to Kerrville where X-rays were made and it was learned that no bones were broken.

SEWALL-ROSS VOWS EXCHANGED HERE SATURDAY

The marriage of Miss Vivian Marie Ross and Albert Newton Sewall, Jr., was solemnized Saturday afternoon, August 15th, at the Bandera Methodist Church with Rev. David L. Stewart reading the marriage vows. Mrs. Melvin Rossman, organist, played the traditional wedding music.

Baskets of white gladis and blue majestic daisies provided the background for the impressive double-ring ceremony, which was beautiful in its simplicity. The bride was given in marriage by Jack Focke. She was lovely in a street length gown of traditional white satin with a white lace overskirt. The gown had a basque waist, long tapered sleeves, and a scalloped bateau neckline. Her elbow-length veil was caught to a dainty crown of pearls. The bride's bouquet, an original creation, was a white orchid surrounded by pink Killarney buds with pearl-studded white velvet leaves and satin streamers.

Miss Charlsie Ross served as maid of honor. She chose, for her sister's wedding, a dress of pale blue crystalline with blue accessories. Miss Sarah Sewall of Dallas, sister of the groom, was junior bridesmaid and she wore a dress of white lace with blue accessories. Both carried fans fashioned of pink and blue net with feathered white carnations.

Herbert Haas was the best man.

For her daughter's wedding, Mrs. Blanch Ross chose a dress of blue linen with a lace jacket. White accessories completed her ensemble. Mrs. A. N. Sewall wore a dress of champaign colored silk organza with matching accessories. Both wore corsages of pink roses.

Immediately following the ceremony, a reception was held at the Ross residence in Bandera. The refreshment table was laid with a white linen cloth and centered with carnations and gladis with blue daisier. The three-tiered wedding cake, topped with a miniature bride and groom, was served with frosted punch.

The happy couple left shortly after the reception for Show Low, Arizona, where they will make their home.

The bride and groom are well known in Bandera, both having graduated from Bandera High School. The bride, who is a daughter of Mrs. Blanch Ross and the late Charlie Ross of Hondo, has held a responsible position with the First State Bank here since 1956, and the groom is employed by the Wimer & Associates Engineering Co., in Arizona.

Out-of-town guests present were the groom's parents, Mr. and Mrs. A. N. Sewall, and daughter, Sarah, of Dallas, and his grandmothers, Mrs. E. J. Banta and Mrs. E. H. Sewall of Medina.

Mrs. Eph Caffall, operator of Linnie's Beauty Shop in Bandera, returned home this week from a delightful vacation. She has been the guest of her sister and brother-in-law, Mr. and Mrs. O. K. Worley at Diablo Heights, Panama Canal.

CHAMBER OF COMMERCE TO SPONSOR RODEO

A highlight of the Labor Day week-end in Bandera will be the big rodeo to be held at 8 p.m., on Sunday, September 6, at Mansfield Park. There will be bull riding, calf roping, bare back riding, girls' roping and sacking, steer dogging, and barrell races. Anyone interested in entering any of these events is asked to call SW6-3981 before 3 p.m., Saturday as the books will be closed after that time.

Delicious barbecue will also be served on the grounds at 5 p.m.

The Chamber of Commerce is looking forward to a large crowd and invites everyone to attend and enjoy the barbecue and the rodeo. Children under 10 years of age will be admitted free. 75c admission will be charged for those from the ages of 10 through 17, and admission for adults will be $1.50.

BANDERA SCHOOL BOARD ADOPTS BUDGET

The Bandera School Board adopted a budget which provides for expenditures of $167,367 for the 1959-1960 school year at a special budget meeting held Tuesday evening. The board also set the tax rate at $1.20 for maintenance and 30 cents for interest and bonds. This is the same rate as last year.

In other business, the board accepted the resignation of Charles Graves as 5th grade teacher and heard a report from Superintendent Marvin C. Schmidle that Richard Gohn, who had been selected as band director, did not accept the job.

The school board voted to pay for meals for football players for all out-of-town games.

Policies for athletics and jacket awards were approved by the board. The new policies require that athletes who drink or help drink beer on school by dismissed orderly conduct be suspended from participation and will not be awarded jackets. Copies of the policies will be sent to parents.

AGED LADY SUCCUMBS IN BANDERA

Mrs. Pilar Flores Salazar, aged 89 years, passed away Monday night at the home of her daughter here in Bandera, where she had been a resident for several months.

Funeral services for Mrs. Salazar were held at the Templo Bautista church in Hondo Wednesday morning with Rev. Tricha Monson officiating. Interment was made in the Martinez Cemetery near Hondo.

Survivors include five sons, Simon of Mexico, Manuel of Rochester, Texas, and Martin, Ed, and Pedro of Hondo; two daughters, Maria of San Antonio and Anita of Hondo; and 40 grandchildren.

JOHN WAYNE'S TALENT SCOUTS VISIT MAYAN

John Wayne's casting director, Frank Lava, and his chief talent scout, Ernest Rosello, of Hollywood, have been in Bandera this week reviewing the performances presented at the Hollywood Star light Playhouse at the Mayan Ranch. They are scouting's for stars for their production of the story of the Alamo which is being produced at Fort Clark near Brackettville.

FORMER MEDINA RESIDENT DIES IN AUSTIN

News was received Monday of the passing of A. R. (Dell) Woodrer at Austin. Mr. Wheeler had resided in Medina since childhood, but was making his home in Austin with his nephew, Dr. Preston Wheeler, at the time of his death. Funeral services were held Thursday afternoon at the Sayers Baptist Church with Elder Wayne Simmons of the Georgetown Church of Jesus Christ Latter Day Saints officiating. Pallbearers were nephews of the deceased.

Mr. Wheeler was born on May 30, 1880, at Center, Texas, in Shelby County. His only survivor is a brother, Carl F. Wheeler; of Medina.

TROOP 146 CAMPING TRIP

Knowing that school days are just around the corner, Boy Scout Troop 146 has planned one final summer camping trip. About fifteen boys will leave at 5 p.m., today (Friday) for the Bandera Auditorium for a night's camping on Mr. and Mrs. Russell Zickler's ranch.

Tomorrow they will be tested on their knowledge of first aid, Morse code, camping skills and other requirements for advancement to First- or Second-Class Scouts. They will return to Bandera at 4 p.m.

Both the boys on the camping trip will be Scoutmaster John Dumont and Assistant Scoutmaster Russell Zickler.

One new member, Kirk Everest, joined the troop Monday.

Next Monday night, a Board of Review will meet with the troop at 7:30 in the Teen Retreat. The board will decide which boys have passed requirements for advancement to First- or Second-Class.

MEDINA CHILDREN'S HOME CONTINUES TO GROW

During the past year, the people of Medina have purchased the property formerly known as "Cascade Rock Ranch" and have given it to the Medina Children's Home to be operated by the Church of Christ for teen-age children.

Obligations of the home and its operation are being met on a yearly basis and the drive is now underway for the 1959 payment of approximately $7200 which will become due on the note, on September 1st. All those who have made pledges and have not yet paid them are requested to please do so as soon as possible so that the money will be on hand before September 1st.

The Medina Order of the Eastern Star recently sponsored a ice cream social and a baseball game which netted over $90.00 for the Medina Children's Home fund.

At the present time the Elementary of Medina High School are promoting a fund-raising drive and letters have been sent to all ex-students and former residents of the Medina Children's Home and asking for assistance in this charitable effort on the part of the Medina community and all of its citizenry, both past and present.

Since the Medina Children's Home is one of two such homes operated for teen-age children in the entire State of Texas, the people of Medina are to be commended for this worthwhile undertaking, and it seems that this worthy project not only merits the assistance of the Medina citizens but of people throughout the entire county. Bandera county can well be proud of the fact that it has such a nice Children's Home, although the first stages of it are small. The home now has eleven children and will have

GOAT AND RAM SALE TO BE HELD HERE SATURDAY

The Angora goat and ram sale will be held at the Bandera County Agricultural Center tomorrow, Saturday, October 22nd, at 1:30 p.m., with Lem Jones as auctioneer.

The selection committee of W. S. Mall, Charlie Chaney, Howard Hay, and County Agent Werner Liddig completed the tour selecting the bucks, does, and rams last week. The committee looked at approximately 230 bucks, from which they selected 36 for the sale. There will also be some fine wooled and black faced rams in the sale. Breeders who have consigned to the sale and the number and head of sheep or Angora goats are as follows: J. B. Reagan, 9 bucks; Pete Ebeling, 10 bucks and 5 does; John Dittmar, 5 bucks; L. & W. Steubing, 5 bucks and 2 rams; Bill Burditt, 4 bucks; M. B. Padgett, 3 bucks; J. B. Reed, 5 bucks; Ambrose Miller, 4 rams; Martin Meier, 4 black face bucks; John Focke, 1 fine wooled ram; and Milroy Powell, 2 Rambouillet rams.

The quality in the bucks will be as good or better than it has ever been before. They will carry size along with confirmation and construction. Some of the billies have been on the range with no special care while some have had special attention. The billies are the kind that will improve your flock.

SHEEPMEN URGED TO SUPPORT REFERENDUM

American wool producers will vote in September on whether or not they want to continue a cent-a-pound deduction from their wool incentive payments, this money to go into a promotion and research fund for wool and lamb.

The present wool program went into effect in 1955 to promote production of wool and lamb. Domestic wool producers were unable to compete with foreign wools and requested a higher tariff on these wools. The government policy was such that due to reciprocal trade agreements with certain foreign countries, a raise in tariff was out of the question. The sheep producers were then offered an incentive payment program which would give to the producers a part of the money collected from the excess low tariff on imported wools.

Our present program is financed entirely on money collected from the tariff on imported wool and woolen materials, thereby making present low tariffs do a double duty. The growers use a portion of these funds for promotion, advertising, and research.

Most sheepmen know that their industry is in a serious condition. Synthetic industries spend an estimated 22 million dollars a year, which is ten times as much as the entire sheep industry had to spend last year for promotion.

All of the directors of the Sheep and Goat Raisers Association in this area urge every sheepman to support his program. In the coming referendum in September, vote YES.

Architect's Drawing of New Post Office

CONTRACT LET FOR NEW BANDERA POST OFFICE

Postmaster General Arthur E. Summerfield announced today that a contract has been signed for the construction and lease to the Post Office Department of a new Post Office building at Bandera.

Successful bidder was Harwell & Harwell, Post Office Box 6735, San Antonio 9, Texas. Construction of the new Post Office is expected to begin soon, and completion is expected by the last of February, 1960. The lease will run for 10 years with renewal options up to 10 years.

To be located on the southeast half of lots 45 and 46, Range 12, this modern post office structure will provide 1,053 square feet of interior space and ample hard-surfaced space for parking and truck maneuvering. Specifications call for air conditioning, the latest modern lighting, and equipment, including a low, open patron service counter.

Postmaster General Summerfield said, "This is another important step in the Post Office Department's modernization program to improve postal services for the public by providing new buildings and equipment, designed for efficient and economical mail-handling."

"Under the Post Office Department's Commercial Leasing Program, the Department now is awarding contracts for new postal facilities at the rate of three a day.

Adding further details concerning postal service today, Mr. Summerfield noted that the more than 37,000 Post Offices are handling a total of 61.1 billion pieces of mail annually, an all-time record and an increase of more than 20 per cent above the approximate 50 billion pieces handled only 10 years ago.

"Postal services are being improved in many ways," the Postmaster General said. "We are making bold alterations in our transportation patterns to speed the movement of the mails. We have expanded the use of airplanes, Highway Post Offices, trucks and busses, when these carriers have shown they can carry the mail faster."

Mr. Summerfield said the postal facility to be built in Bandera is typical of many others going up elsewhere throughout the country. And the new post offices, he said, contain no only the modern patron-service counters and eye-saving fluorescent lighting, but a separate patron lobby to allow patrons use 24 hour a day. New mechanical equipment and furnishings will be provided. Color harmony is part of the painting program throughout. The Postmaster General said, mail users will find mail service in the years ahead improved through an unprecedented program of scientific postal research and development.

"The Post Office Department already has under development," he said, "a machine that will 'read' the addresses on mail and sort it automatically. Other machines, already in operation, include those which sort mail and parcel post semi-automatically. Mail handling on the work floors of larger post offices is rapidly being examined with conveyors to end the old fashioned methods of hand-labor, and the resultant clutter and confusion."

The New Post Office will remain under private ownership while leased to the Federal Government, and hence, will pay local real estate taxes.

"Comparative cost studies between Government-owned and commercially leased buildings, over a 50-year building life," Postmaster General Summerfield said, "have shown that the Post Office Department's Commercial Leasing Program saves between 30 and 40 percent in ultimate costs to the taxpayers."

ST. JOSEPH'S SCHOOL OPENS SEPTEMBER 4

The local St. Joseph's School will open on Friday, September 4th, from 8:30-11:00 a.m. All children who desire to attend should come to get their books and assignments. On that day luncheon tickets and milk tickets can be purchased. No luncheon will be served on September 4. Regular classes will be resumed on Tuesday, September 8th, the day after Labor Day. Classes will begin at 8:30 a.m.

Registration

Thursday and Friday, August 27th and 28th, from 8:30 to 11:30 a.m., will be registration dates. Parents who are unable to register their children at that time, may make special appointments with the Superior, Sister Mary Regis, by calling her at SWift 6-3875. Sports activities will also begin on September 8.

It's The Law IN TEXAS . . .

Specific Performance

What can you do if someone doesn't keep the terms of a contract with you?

You might (1) get money damages for your losses, (2) get back what you gave him as your part of the contract, or (3) get a court to order "specific performance" on his promise, on pain of contempt of court penalties such as fines or even jail sentences.

As a rule, a court prefers money damages for a broken contract, since it is definite and often more easily enforced. But in some cases money won't do for example, since no two pieces of land are alike, you could not take the money given to you in a contract to buy another piece of property "just as good".

And so courts, as a rule, enforce contracts to buy land by specific performance. They make the seller hand over the precise piece of property. In the same way you may get specific performance on contracts to buy or sell unique art goods like a painting of a great master of which there is only one copy.

You can seldom if ever get specific performance on personal service contracts which call for confidence in both his teachers and parents.

It is well to follow this same practice throughout the many years of the child's schooling. Safety is an important part of the elementary curriculum, as in secondary schools, where even children get instruction in safe driving and the rules of the highway.

Police and fire departments take an active part in promoting safety practices for children in cooperation with parents.

The health department is often thought of chiefly as responsible for controlling sanitary nuisances and contagious diseases.

However, it is vitally concerned about accidents, because they are the commonest cause of childhood death.

Lee Taylor of Kerrville visited here with his sister-in-law, Mrs. J. E. Taylor, and her daughters, Mrs. A. J. Reed and Mrs. C. Dee Phillips, and their families, this week. Mr. Taylor is well known for his fine work in sharpening scissors, knives, etc., and he stayed busy sharpening cutlery for Bandorans the greater part of the time while he was here.

C. L. James of San Antonio and Luther James enjoyed fishing at Marble Falls this week.

We are happy to report that Mrs. Alex Mangold recently was taken to the hospital in the home of her daughter, Mrs. Stanley Gerdes and sons, at Uvalde for a few days visit. Mrs. Mangold has returned to her home on Medina Lake again and is doing very well.

CHILD SAFETY IS UPPERMOST IN PARENTS' MINDS

Parents, especially mothers are as a general rule extremely careful in what they eat, careful that they have their shots, careful

Uppermost in the parents' mind is safety.

While the child is home, the mother has a direct control over the safety of her child.

When a child leaves home, for school or other activities, the responsibility becomes more complex.

It becomes necessary for parents to do their part to see that the community is doing its best to safeguard children from preventable accidents.

What parents can do about this is well worth looking into. The school, police, fire, recreation and health departments all have a part in planning for child safety.

A child is fortunate if he has attended a well-conducted nursery or kindergarten before school. Here the youngster learns very early to play safely and happily with other children, and he begins to learn the rules of safety.

If he walks to nursery school with his mother, or even if he goes to school in a bus or the family car, the rules of safety can still be taught.

The wise parent finds out what safety rules the school is teaching and then sees to it that the same rules apply at home.

He makes doubly sure that nothing he says or does runs counter to what is being taught in school, because such conflict only confuses and undermines the child's confidence in both his teachers and parents.

It is well to follow this same practice throughout the many years of the child's schooling. Safety is an important part of the elementary curriculum, as in secondary schools, where even children get instruction in safe driving and the rules of the highway.

Police and fire departments take an active part in promoting safety practices for children in cooperation with parents.

AIDS STUDENT HURRY

By Ann Dudley Bennett

Writing a prize-winning, story for the recent Writer's Digest short story contest is part of Mrs. Dorothy Hatfield's story.

A Medina mother and homemaker, Mrs. Hatfield had been

several years to help her husband, W. O., through college. She said:

"He is very proud of me. This contest was planned by Baylor University's extension department.

Texas state College. I have written enough to pay for his clothes, books, room and board, tuition and transportation.

The family's big day arrives soon when Hatfield receives his B.A. from STSC."

"The college attendance has been a summer proposition. During the winter, he is principal, history-civics-typing teacher and coach for Medina High School."

Asked how long she had been writing, Mrs. Hatfield said:

"I guess I've been at it since I could hold a pencil. Professional writing seemed to be the best way to earn extra money without hearing my children."

The Hatfield children are Shirley, 10; Dunlan, 8, and Danny, 2.

Mrs. Hatfield writes for pulp Westerns, history, children's nature-outdoor, farm and popular fiction magazines.

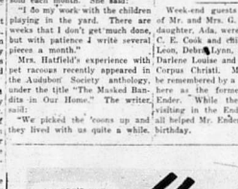
The petite auburn-haired writer reports that she writes during spare morning hours, averaging two or three articles or stories sold each month. She said:

"I do my work with the children playing in the yard. There are weeks that I don't get much done, but with patience I write several pieces a month."

Mrs. Hatfield's experience with pet racoons recently appeared in the Audubon Society anthology, under the title "The Masked Bandits in Our Home." The writer said:

"We picked the racons up and they lived with us quite a while. We never locked them up. . . when they were with us. I took many pictures of them. These were used as illustrations for my article in the Audubon magazine."

Mrs. Hatfield's article in the New York agent, who sends her suggestions and newspaper clippings for story ideas. The writer, a former archaeologist, is currently working on a market for a story about the Indian mounds in the said:



"I was very proud of the Writer's Digest citation (in the top 20% out of 8000 entries) but I didn't feel ready for the big time yet.

"Give me time, more experience and offer children and maybe I'll be ready for new horizons."

MISS SHORT ENJOYING EXTENSIVE TRAVELS

Miss Virginia Short of Bedford, England, and daughter of Col. and Mrs. J. C. Short of Bandera, is traveling extensively and visiting many places of interest on the European continent this summer. She recently returned from a delightful visit to Holland, Germany, France, and other countries in that area of Europe. This week her parents received word that she had flown to Spain and was going from there to her native Italy by automobile with a former classmate from California. She was especially looking forward to her visit in Italy because she was born in that country.

Week-end guests in the home of Mr. and Mrs. G. W. Ender and daughter, Miss Jane Mr. and Mrs. C. E. Cook and children, Douglas Leon, Deborah Lynn, and the twins, Darlene Louise and David Lee, of Corpus Christi. Mrs. Cook will be remembered by a host of friends here as the former Miss Anna Ender. Mrs. Cooks were visiting in the Ender home they all helped Mr. Ender celebrate his birthday.

25 years ago, fewer than 10% of the farms and ranches of Texas had electricity. Farm life was hard indeed and mothers grew old before their time. Then, rural people, working together, built their own electric systems through Electric Cooperatives. It wasn't easy. It took years of hard work and sacrifice, but the Cooperatives did not fail.

Today more than 90% of the farms and ranches of the Lone Star State enjoy the blessings of electricity.

Be proud of the Electric Cooperative serving your area. As a member, you own a part of a great undertaking that is democracy in action and free enterprise at its American best.

POACHERS FACE STIFF PENALTIES UNDER NEW LAW

Austin. — A new trespass law will be effective in Texas October 14, it has been announced by the assistant secretary of the Game and Fish Commission. The law which is contained in HB 30, will become effective without the signature of the governor.

It provides penalties of up to 30 days in jail and a $500 fine and forfeiture of hunting or fishing license for a period of three years, upon conviction.

The law makes it illegal for any person to hunt, fish or camp on the enclosed property of any other person without the consent of the owner or other person in authority.

The new law is enforceable by any peace officer and arrests may be made without a warrant.

"The trespass problem is a major one in the protection of wildlife," the secretary said. "Persons who climb fences to illegally hunt on the property of others don't usually regard either the season or the bag limit. As a result, prosecutions have been heavy.

"Under the new law, however, enforcement of the trespass law is the work of peace enforcement officers, which includes the game warden. Now when the game warden finds a poacher the only thing he can do is to notify the landowner. The landowner then can make a complaint and cause the arrest to be made by a peace officer."

TEXAS FARMERS TO GET $12 ACRE FROM SOIL BANK

Texas farmers will receive a basic rate of $12 an acre under proposed plans for the Conservation Reserve of the Soil Bank for the 1960 crop season by the U.S. Department of Agriculture. A tentative goal of 432,000 additional acres was also announced for the State.

Principal changes listed for the 1960 Conservation Reserve in the USDA announcement include regulations relating to publicly owned land, tenure of ownership, method of setting payment rates and the determination of priorities when more applications are received than can be accepted.

Land owned by a state, county, town or local government will be ineligible for the program. This rule is already in effect on federally owned land. Land which has changed ownership except through inheritance since December 31, 1956, is ineligible to enter the program in 1960.

If land under a 1960 Conservation Reserve contract is sold, the contract generally may be assumed by the purchaser only after it has been in effect for three years.

The priority system of accepting applications has been modified to assure first consideration to farmers who were unable to participate in the 1959 program because of lack of funds.

Detailed information as to the application of these and other features of the 1960 Soil Bank provisions will not be available in county ASC offices until mid-August, stated the USDA announcement.

This will be the fifth year of the Conservation Reserve Program. If farmers contract for the expected 5-million additional acres in 1960, the total acreage in the program next year will be approximately 28 million.

CUB SCOUT DEN 4 NEWS

The Cub Scouts of Den 4 held a very interesting meeting last Thursday morning on the front lawn of the home of Mr. and Mrs. Charles Applegate in Indian Waters. A snake bite first aid kit was shown to the boys and they were told how to use it. Other first aid measures were discussed and Robert Hutcheson, assisted by his mother, Mrs. Charles Hutcheson, showed the group how to use and apply a tourniquet. Robert told them how important it was to known this because his mother used tourniquets on his arms when he fell and cut them so badly this summer. A book on Texas Wild Life was also shown to the boys and each boy told something he had seen or learned about wild life.

C. L. James of San Antonio underwent surgery last month and has spent the past few weeks here with his mother, Mrs. Annie James, and Mr. and Mrs. Luther James and son at Purple Sage Ranch. He is recovering nicely and expects to return to San Antonio to his position soon.

FAMILY FALLOUT SHELTER—WHERE BASEMENTS ARE NOT AVAILABLE

For Family Protection in Nuclear War

PRE-SHAPED corrugated metal sections or pre-cast concrete can be used for shelters either above or below ground. They form effective fallout shelters when mounded over with earth as shown here. Materials could cost about $750. A contractor probably would be required to help build it. "The Family Fallout Shelter," published by the Office of Civil and Defense Mobilization, contains building plans for five basic fallout shelters. Copies may be obtained by writing: Box Home Shelter, Battle Creek, Mich.

MRS. MANGOLD'S BROTHER-IN-LAW DIES

Mrs. Alex Mangold and family received word of the passing of her brother-in-law, Joe Biediger, of San Antonio Friday morning. Mr. Biediger's wife will be remembered here as the former Miss Irma Mangold, sister of the late Alex Mangold. We extend sympathy to the bereaved family.

Mrs. F. H. Mansfield flew to California last Friday to spend a few weeks' vacation with her daughter and son-in-law, MSgt. and Mrs. Robert L. Mason, at San Clemente. While Mrs. Mansfield is away, Mrs. Fred Mansfield is assisting at Mansfield Appliance Company.

Local citizens are grateful for the additional bus service that has been provided for them by the Kerrville Bus Company. There is a bus leaving Bandera at 7 p.m., on Sundays now and it affords great convenience to all who spend the week-end here and wish to return to San Antonio on Sunday nights.

Our WASHINGTON Letter By Congressman O. C. FISHER

A modern-day Great White Fleet idea is being seriously considered in Congress. The plan, spearheaded by LIFE Magazine, envisions the U. S., placing a half dozen luxury ships on the high seas around the world, laden with food for the hungry, medical facilities for the sick and injured, and technicians to help underprivileged people improve their lot.

The momentum of the idea picked up whenever endorsed at a recent news conference prompted Chairman Carl Vinson of the House Armed Service Committee to appoint a sub-committee composed of myself and eight others, to investigate the feasibility of the proposal and make recommendations. I was named chairman of the committee.

It was 52 years ago that President Theodore Roosevelt sent 16 battleships on the historic cruise, called "The Great White Fleet." Fully armed and painted white, the cruise around the world was designed to impress people with U. S. Naval power and the growth of our country, a sort of muscle-flexing operation.

Now it is proposed to launch a new mission, a new Great White Fleet, unarmed, loaded with good will, doctors, technicians and nurses, which would carry mercy missions around the world, ready to put into harbors where emergencies develop and disasters occur—but always only on invitation. It would symbolize America as a nation with a soul, ready to help the unfortunate and relieve distress.

Tentatively, it is planned to finance such a venture by public subscriptions. Already a generous response of interest is coming in from all over the country.

As a sort of "trial run," a ship is presently being equipped with equipment and supplies, financed by voluntary contributions, to perform such a mission in the Far East. Called "Project Hope," the ship will be ready to sail perhaps next January.

The Wood ranch on Bear Creek. Mrs. E. P. Langford's Ranch and the Lena Langford Ranch on Privilege Creek are posted against all manner of trespassing.

June 18-12mp

Although abundant rains the past few years have created food growth conditions for our grasses, the fore-sighted rancher is preparing now for the next dry spell. A proper stocking rate is the key to "drought insurance." The rancher who stocks his rangeland so that half of each year's produce, with a minimum of 2000 pounds, is left on the ground, is the rancher who will come out ahead over the years. Proper stocking means stocking at a rate your range will handle. Your neighbor across the fence might not have the same number of acres per Animal Unit as you, yet both of you may be properly stocked. "The kind of soil and the condition of the plants on that soil cause the difference in stocking rate. So Mr. Rancher before you buy that extra cow, take a look at your rangeland—are you properly stocked?

WILLIAMS TO BE STATIONED IN MADRID

Lt. Col. Robert D. Williams, USAF, and Mrs. Williams, the former Gloria Shiner, sailed last week from New York for station in Madrid. They had been stationed at Carlsbad, N. Mex. Williams visited with her parents here before leaving.

Mr. and Mrs. Dewitt Leibold and son, Eddie, and Mrs. Lona Jackson visited Mrs. Jackson's father, A. J. Herringshaw in Brady Sunday.

Mrs. Henry Schimmelpfenig of Utopia was the guest of her sister, Mrs. Kate Zumwalt, and daughter, Mrs. Lillie Woolery, several days last week. On Sunday, Mrs. Schimmelpfenig's son and family, Mr. and Mrs. Eddie Schimmelpfenig and family of San Antonio, came by for her and took her back home to Utopia.

Miss Margaret Gething of San Antonio spent the week-end in Bandera. While here she was a guest in the home of Mrs. Lona Jackson.

Because grass cannot "yelp" when it is hurt, we sometimes fail to regard it as a living organism.

Although abundant rains the past few years have created food growth conditions for our grasses, the fore-sighted rancher is preparing now for the next dry spell. A proper stocking rate is the key to "drought insurance." The rancher who stocks his rangeland so that half of each year's produce, with a minimum of 2000 pounds, is left on the ground, is the rancher who will come out ahead over the years. Proper stocking means stocking at a rate your range will handle. Your neighbor across the fence might not have the same number of acres per Animal Unit as you, yet both of you may be properly stocked. "The kind of soil and the condition of the plants on that soil cause the difference in stocking rate. So Mr. Rancher before you buy that extra cow, take a look at your rangeland—are you properly stocked?

TELEPHONE TALK
by Leonard Hardin, Manager

The young man pictured here is Wayne Nanney, Business Representative for Southwestern Bell Telephone Company in Uvalde and surrounding exchange areas. Mr. Nanney helps the business office operations in these exchanges and also does a lot of outside contact work. In fact, it is part of his responsibility to see that you are getting the most benefit from your present service, and help you plan the best telephone arrangement for your future needs. There is no charge for this service and Wayne would appreciate an opportunity to get acquainted with you. Why not call our business office, SW6-3781, and have him contact you?

Wayne, who is a native of San Antonio, is celebrating his fifth anniversary with our company this month, three years of which have been spent in Uvalde. Mr. Nanney and his wife, the former Rita Reese of San Antonio, have a small son and live at 813 Wilson. The family attends the First Baptist Church.

A NEW HAT OR A COLOR PHONE

A friend of mine remarked the other day that August is a pretty hectic month around his house.

The kids are getting a little restless for school to start even though they'd never own up to it. And this restlessness doesn't exactly help his wife's attitude, either.

I know how restless the small fry can get, and it's hard to solve that one. But I did have a tip to offer my friend that would perk up his wife's morale.

"Since it's too early for her to buy a new Fall hat," I said, "why not order an extension telephone in her favorite color."

The happy ending to this story is that he perked up his wife's morale and brightened their kitchen with a new color telephone.

P. S. It was an easy sale, because my friend is like most men. He's not exactly crazy about women's hats.

THE CALL THAT'S APPRECIATED

About this time of year, most of us are back from vacation with memories of good times fresh in our minds. I've always thought that the best way to relive a summer vacation—and be courteous at the same time—is to call the people who helped make your vacation so much fun. If you spend it with other members of your family, they'll be glad to know you arrived home safely. If you vacationed with friends, they'll enjoy hearing your voice again.

So why not make the call tonight that's really appreciated? Rates are lower after 6 p.m., and you can talk longer for less by placing your call station-to-station.

Now is a good time to start making plans for Christmas. A colored extension is a very thoughtful and inexpensive gift, and yet it will be treasured year round by friends and loved ones. Call our Business Office, SW6-3781, and let us help you with your Christmas shopping.

Call by number. It's twice as fast.

SERVE A CAKE 'N COOLER

Here's everybody's favorite between-meals treat in a lush and fancy version. Mixed Pineapple Cake with its own cool drink to match. Rich with the flavor of real fruit and bright with the taste of mint, this deluxe, mix-made cake turns casual visits into parties.

Minted Pineapple Cake
1 package Pillsbury Deluxe Pineapple Cake Mix
2 eggs plus water to measure 1½ cups
½ teaspoon peppermint extract
1 tablespoon soft butter or margarine
1 package Pillsbury Loaf-size Creamy Vanilla Frosting Mix
1 tablespoon water
1 cup whipping cream
green food coloring

Prepare Pillsbury Deluxe Pineapple Cake Mix as directed on package, adding peppermint extract with the liquid. Bake in two 8 or 9-inch round pans as directed.

Blend ½ cup Pillsbury Loaf-size Creamy Vanilla Frosting Mix with butter and 1 tablespoon water until smooth. Spread between cooled layers. Gradually combine remaining Frosting Mix with whipping cream. Beat until thickened; fold in a drop of peppermint extract and a few drops green food coloring. Frost top and sides of cake. If desired, garnish with mint leaves.

Pineapple Facts
Choose 1 can (46 oz.) pineapple juice, 1½ cups orange juice, ½ cup lemon juice, ¼ cup lime juice, chilled thoroughly before serving. Add 1 quart ginger ale and 1 quart carbonated water just before serving. Garnish with pineapple spears.

MEDINA ROSE GARDEN CLUB MEETS AT BANDERA COUNTRY CLUB

As the fifteen members and four guests of the Medina Rose Garden Club arrived at the Bandera Country Club at 2 p.m., on August 14th, they were greeted by the hostesses, Mesdames C. G. Armstrong, D. O. Tallman, and A. J. Flowers, who served refreshing lime punch.

The president, Mrs. P. L. Garrison, Sr., introduced Mrs. R. L. Stevens, County Home Demonstration agent, who gave a very interesting talk on landscaping, in which she emphasized the need for a plan and a purpose when planting flowers, grass, shrubs, and trees around a home. They may make the home more beautiful in appearance, add to the comfort by helping to control light, keep down noise, make it cooler and provide a screen for a private area. The front lawn is considered a public area and should be left open or unsheltered. Consideration should be given to the general principals of landscaping. The height of the house and the shrubs or plants, color harmony and time of bloom are important.

A boost for the use of native plants was given by Mrs. Stevens and a pamphlet put out by the Texas Forest Service of A&M College, known as "Forest Trees of Texas and How to Know Them," may be had for fifteen cents.

Mrs. E. F. Olds, finance chairman, announced that she has gift wrapping paper for sale and the plant and bake sale will be held in the fall.

Mrs. E. M. Anderson, Sr., president of the Hill Country Garden Council, announced that the meeting would be held in the Kerr County Memorial Library building at 2 p.m., on August 19th. The speaker was to be Mrs. Dong fai Wier of San Antonio, who is a national judge of Flower Shows. Her lecture was on "flower arrangement." The flower show is to be held in December and all local club members are expected to support it.

The next meeting of the club will be held on September 9 at the Youth Center in Medina and a flower arrangement clinic will be conducted by Mrs. James Moore of Kerrville.

Mrs. Clyde Elam was welcomed as a new member of the club. Other guests were Mrs. G. Wendt, Mrs. Cliff Lewis, and Mrs. R. L. Stevens. Members present were Mesdames R. Shane, C. E. Jackson, A. Duckett, C. Bush, D. O. Tallman, C. G. Armstrong, H. Hurt, P. L. Garrison, A. J. Flowers, E. F. Olds, Maude Stokes, W. L. Carrington, G. W. Vaught, E. M. Anderson, Sr., and H. T. Stevens.

thirteen before the opening of school in September. More expansion is on the way as plans are being discussed for another housing unit soon to be begun.

It has been the policy of the home to operate on a firm basis from the beginning. The legal matters are complete and there is a registered nurse on duty now. The Medina Children's Home is under full operation, having met all requirements of the State of Texas for the operation of such a home.

We hear and read each day of the problems of homeless and neglected children, who quite often become juvenile delinquents, unless they receive help and guidance through a home, or some other organization interested in their welfare. This is your opportunity to help teen-agers and it might even be a step toward helping curb juvenile delinquency. Just mail your contribution to the Medina Children's Home, c/o Finance Chairman, Box 201, Medina, Texas.

Among those who have recently made donations to the Medina Children's Home are: Mrs. Mary Hillman, Mrs. Clarice Holloway, John F. Camp, A. J. Flowers, Harold A. Burt, J. C. BANDERA ORDER OF THE RAINBOW HOST TO VISITING DIGNITARIES

Bandera Assembly No. 279 was honored Monday night with the presence of Miss Helen Peckham, Grand Representative from Kansas to Texas, Grand Assembly of Texas, Order of the Rainbow for Girls, and Mrs. Esta Davis, Grand Electa, Grand Chapter of Texas, Order of the Eastern Star. Other guests included ten member of the Order of the Rainbow for Girls from the Kerrville Assembly.

Miss Barbara Focke of Bandera, is Worthy Advisor.

After the meeting cake and punch were served.

LOCAL CHEERLEADERS ATTEND SCHOOL

Misses Sandy Hall, Kathy Anderwald, Jeanine Hicks, Claudia Shaw, and Jean Daniels of Bandera High School, were among the 400 students who recently attended Cheerleader School at Sam Houston State Teachers College at Huntsville. Head instructor at the school was Mr. Herkermer, who is well known as "Mr. Cheerleader of U.S.A." Other instructors were from the various colleges and universities throughout the United States.

The girls report that the school was very educational and we feel that Bandera High School can be proud of their cheerleaders because the girls placed third two different times in group competition while they attended the institute at Huntsville.

Mr. and Mrs. H. M. Hunt took the girls to Huntsville and went back after them when their cheerleader course had been completed.

MRS. ESPAIN AND LITTLE SON COMPLIMENTED

Mrs. Carol D'Spain and little son, Michael Wayne, were honored last Saturday afternoon at the home of Mrs. Wayne Ruede by Mrs. Ruede and Mrs. Leslie Bill Short.

The refreshment table was centered with a pretty arrangement of blue and white flowers and a cake, appropriately decorated with miniature storks, was served with punch. Favors were miniature diapers filled with candy.

A large basinette, decorated in pink and blue, held the many lovely gifts received by the honorees. Those present and those who sent gifts were: Mrs. Doc D'Spain, Mrs. Gilbert [illegible], Mrs. Mary Alice Schoele, Mrs. Wiley D'Spain and Eleanor, Mrs. Ora Givens, Mrs. Paul Laskowski, Mrs. Troy Pilgrim, Miss Peggy Pickens, Mrs. Wayne Ruede, Mrs. Wayne Wharton, Mrs. Willard D'Spain, Mrs. Buck Teich, Mrs. Bill Short, and Mrs. Kenneth D'Spain.

ALTAR BOYS HONORED WITH PICNIC

The Altar Society of St. Stanislaus Catholic church entertained the Altar Boys of the church with an outing and picnic at Lions Club Hodgepath Park Tuesday. The boys enjoyed fishing, swimming, and "all types of water sports." Several of the boys' dads joined in the fish fry, over which they were quite thrilled. Rev. Victor Schmidtsinsky and members of the Altar Society served as chaperones.

RIO BRAVO TO SHOW AT BANTEX AUGUST 22 THRU 26

The Rio Bravo will show at the Bantex Theatre this first week for four days. This is one of the best pictures of the year with John Wayne and Dean Martin. Nobody should miss it.

Mr. and Mrs. Claude Buck are visiting friends and relatives here.

Mr. and Mrs. Jerry Word spent the week-end here with relatives.

Rev. and Mrs. J. Manley Reynolds have been enjoying a vacation at Colorado Springs, Colorado.

Mrs. Waverly Anderson of Kansas City, Kansas, has been a guest in the home of Mr. and Mrs. A. B. Lewis this week.

We are sorry to report that Misses Janie and Peg Montague have been on the sick list this week.

Mr. and Mrs. Dan Alanis and three younger sons and Mr. Alanis' mother, Mrs. Jessie Dunnell, are vacationing in California this week.

Mr. and Mrs. Leo Hubble of Laredo spent several days here last week visiting her parents, Mr. and Mrs. C. F. Dugosh, and other relatives.

We are happy to report that Mrs. Cecil McKay, who has been ill, was able to resume her duties at the First National Bank Monday.

Mrs. E. E. Wyatt, Mrs. Earl Mansfield and Mrs. John F. Langford visited their sons, Charles E. Wyatt and family, Allan Mansfield and Joe Ed Langford in Houston over the week-end.

Mr. and Mrs. Frank M. Montague, Jr., accompanied by Mr. and Mrs. Bill Browne of Point Comfort, were guests of Ed Cassin at Batesville and also enjoyed a trip to Mexico during the week-end.

We are happy to report that Ernst Lindner is again able to be at home and take care of his business. Mr. Lindner has spent the greater part of his time during the past few months at Legion Hospital receiving treatment.

We are happy to report that the condition of Justice of the Peace William Ahring is improving. He is still a patient in Peterson Hospital at Kerrville, but his family is making plans to bring him home soon if he continues to improve as he has in the last few days.

Among those who attended but did not register at the open house and reception on Sunday, August 9, honoring Mr. and Mrs. O. Pitt Baker of Medina on their Golden Wedding anniversary were Mr. and Mrs. Rex G. Baker and two grandsons of Houston; Mr. and Mrs. Gilbert Wendt of Bandera; Mrs. James Kinsey; Mrs. Buddy Hubble, Miss Frances Hubble, Miss Elaine Hubble, Mrs. Vivian Neal, Mrs. Byrel Melton, Mrs. J. E. Kirkland, Mr. and Mrs. Brice Mayfield, Mrs. Alfred Henry, and Miss Linda Bull, all of Medina; and Mr. and Mrs. D. G. Tallman of Bandera.

Miss Shelby Mansfield of San Antonio spent the week-end here visiting her parents, Mr. and Mrs. Bob Mansfield. Miss Mansfield holds a responsible position with the Drivers License Division of the Texas Highway Department in San Antonio.

Miss Grace Lewis of Austin arrived here Tuesday afternoon to spend the remainder of the month with her parents, Mr. and Mrs. A. B. Lewis. Miss Lewis has accepted a position as biology instructor at Travis High School in Austin.

Guests in the home of Mr. and Mrs. Ernst Lindner Sunday afternoon were Mr. and Mrs. Eddie Lindner and son, Stanley, of Comfort, and Mr. and Mrs. Herbert Keiser and baby daughter, Susan, who have just returned to Texas after making their home in Maine. The Lindners enjoyed making the acquaintance of little Susan, and the entire family is rejoicing now because the Keisers plan to make their home in San Antonio.

Brush Control

Petitions are now in the hands of the committeemen to get them signed. As soon as enough cattlemen have signed the petitions, they will be sent to the Texas Livestock Sanitary Commission.

Meetings have been held at Medina, Bandera, and Pipe Creek to explain the law. The last meeting on Brucellosis will be held at Utopia or Vanderpool next week. Committee chairman for that area is Billy Fisher, who will call the meeting and designate the place of the meeting.

Brown Patch in Lawns

This disease starts as small spots in the lawn. These circular brown spots will spread rapidly and the grass will take on a dead appearance if the conditions are right. However, the infected areas often regain their color and vigor following changes in the weather.

Recent tests in Louisiana have shown that Terraclor (P.C.N.B. 75 per cent wettable powder) control of brown patch in 31 separate tests, reports Harlan E. Smith, Extension Plant Pathologist. Smith recommends the use of Terraclor at the rate of one pound per 1000 square feet and points out that the use of rates of 2 pounds or more per 1000 square feet may prove damaging to the grass.

The county agent has 4 pounds of Terraclor to be used for demonstration purposes. If anyone had noticed brown patch in his lawn and wants to use some Terraclor on his lawn, get in contact with your county agricultural agent. It will usually appear in your lawn in the same area where it appeared the year before. It might spread over a larger area this year if the weather conditions are right.

Furnished 177 also gave perfect control of brown patch when used at the rate of ½ pound per sq. foot, although it should be noted that only two tests were made of Furnized 177.

Don Lewis, son of Mr. and Mrs. A. B. Lewis, arrived here last week to visit until September when he will return to Lawrence, Kansas, to resume his tudies at Kansas University.

Banderans are happy to have Miss Margaret Montague of San Antonio in our midst. Miss Montague is spending the summer here visiting with her relatives and friends.

Mrs. E. S. Davis and children, Laura Ann and Tommy, of San Antonio spent several days here last week visiting with her mother, Mrs. Norma Davenport, and other relatives.

Miss Eva Thallman of San Antonio and Mrs. Fred Mansfield and grandsons, Wayne and Craig Henderson, visited with Mr. and Mrs. G. M. Mickelsen at the Grant Ranch near Turpley last Thursday afternoon.

Mrs. Roger Stevens has accepted a position at the First State Bank.

Miss Donna Mayfield of Medina received treatment at the Sid Peterson Memorial Hospital in Kerrville this week. We hope she will soon be feeling well again.

Mr. and Mrs. Johnny Soukup of Waco, Mr. and Mrs. Gene Burney and children, Mr. and Mrs. Allen Ridley, and Mrs. Ethel Benton of San Antonio; Mrs. Will Ridgeway of Center Point, and Mr. and Mrs. Len Ragfield of Bandera were guests in the home of Mr. and Mrs. Vic Stevens during the week-end.

Visitors in the home of Mr. and Mrs. Rob Buck were Mr. and Mrs. Claude Buck and family, Robert, Shirley, Gale, Sandra, Guy Wade, and a friend, Billy McCane, all of LaPorte. Mr. and Mrs. Buck had also as visitors Mr. and Mrs. R. V. Buck and son, John Allen; Mrs. David Stark, Debra, Joe and David, of San Antonio; Mr. and Mrs. Fred Stricker and family of Pearsall; Mrs. Hugo Bausch and children of Bandera.

Mrs. Walter Meadows and Mrs. Wiley Meadows recently returned home from a week's visit with their neice and her husband, Mr. and Mrs. Ted Hunt, at Conroe.

Guests in the home of Mr. and Mrs. E. Lindner on Monday night were Mr. and Mrs. Ben Wiemers and Mr. and Mrs. Egin Stricker of Hondo.

TWICE-TOLD TEXAS TALES

By J. Marvin Hunter, Sr.

Under this heading from time to time we will publish Texas historical articles which we have compiled and printed before in Frontier Times or in other publications, but which we believe will be of interest to Bulletin readers.

SIDNEY SHERMAN: A SAN JACINTO HERO

April 21st, this year was the 102nd anniversary of the Battle of San Jacinto, which won for Texas her independence from Mexican rule. This was one of the most remarkable battle in the history of the world, because of the fact that it lasted only about twenty minutes, resulting in a crushing defeat for Santa Anna and his 1,600 Mexican troops, of whom more than 700 were killed and 800 captured. The Texan troops numbered only 783 men, poorly equipped. One of the outstanding heroes of that memorable engagement was General Sidney Sherman, who led a small squadron of cavalry in the attack on the Mexicans.

Sidney Sherman was a native of Massachusetts. In early life he removed to Cincinnati; in 1833 he was living in Newport, Kentucky, and was engaged in the manufacture of bagging by machinery. At the call for volunteers for Texas, he abandoned his business, raised and equipped a company of fifty men, and started for the theatre of war. He arrived on the Brazos in February, and hurried forward to Gonzales, intending to go to the relief of Travis, who was then shut up in the Alamo, but failed to get a sufficiently large force to justify him in the undertaking. At the organization of the first regiment at Gonzales Burleson was elected colonel and Sherman lieutenant colonel. Sherman himself reached the Brazos another regiment was organized, of which Sherman was elected colonel.

At San Jacinto, on the 20th of April, 1836, Colonel Sherman led the small squadron of cavalry (sixty-eight in number) in an attack upon a detachment of the Texas Congress for Harris county, and was appointed chairman of the Military Committee. His health being still but partially restored, he was able to occupy his seat but for a small portion of the session. As chairman, etc., he introduced a bill for the election of a Major-General of Militia, and the protection of the frontier. This bill was vetoed by President Houston, but passed both Houses of Congress by a constitutional majority. The election was to be by joint ballot of both Houses, and held for one year, the people afterwards to elect a Major-General for the term of four years. The expediency of the first election was suggested by the very exposed and suffering condition of the inland frontier Colonel Sherman was urged to be a candidate for that office, but he declined in favor of General Rusk, who was elected. At the expiration of General Rusk's term, Sherman was elected by a popular vote, which office he held until annexation and the State Constitution. While in that office he was appointed by the Congress President of the Court-Martial for the trial of Commodore Moore and other naval officers. This court sat for six weeks, and the parties charged were honorably acquitted.

On his retirement from military service Sherman lost none of the offerings which had characterized him in the field, but displayed in the occupations of private life useful enterprise and creative talents of a valuable order. In 1846 he conceived the idea of rebuilding the town of Harrisburg, which had been destroyed by Santa Anna in 1836. With this in view he purchased a large interest in the townsite and 4,000 acres of land adjoining it. He then proceeded to Boston, where he enlisted capitalists and organized a company to build a railway from Harrisburg westward. The difficulties to contend with were neither few nor small. The country was new and but imperfectly known abroad, the population and agricultural productions were inconsiderable, and labor of every character difficult to obtain. Yet his unabated perseverence removed obstacles, and success finally crowned the enterprises, the rebuilding of the town and the construction of the first railway in Texas. The shrill whistle of the "General Sherman" was the first glad sound of the locomotive that broke upon the solitude of Texas forests and roused to new life the slumbering energies of her hardy people. This locomotive was the first that appeared west of the Sabine, and the second west of the Mississippi—one at St. Louis was introduced a few months before. Thus Sidney Sherman will not only be remembered as a chivalrous soldier, whose best years were spent in the service of Texas, but as the father of a railroad system which has conferred inestimable blessings upon the people.

In chronicling the events of the last few years of his life it is but the record of successive misfortunes. In 1853 he lost a valuable sawmill by fire. Subsequently his dwelling at Harrisburg was burned, then one of the finest buildings in the state. Being homeless, he sent his family to Kentucky and removed to the railroad office, which was shortly afterward consumed by fire. His remaining possessions and valuable papers, which had been accumulated for thirty years were destroyed. They were not, only important to himself, but as relating to public affairs, would have been of great value to the

Besides being the autobiography of an old time itinerant country printer and newspaper man, it is full of humorous recollections and some good history. In it you will find mention of many people you know personally in different Texas counties. This old printer tells in pleasing style the story of his peregrinations (wanderings) through West Texas, New Mexico, Arizona, and even Old Mexico; how he and a fellow newspaper man had to leave "hurriedly" two days' and ride in a side-door pullman (box car) through to El Paso with the Mexican navies hot on their trail; of his experiences as a shotgun messenger; of two uneasy days he spent entertaining a noted outlaw in his sheep camp; of meeting noted characters, both famous and infamous; and of many other thrilling events and at last he "settled down" in Bandera to enjoy the remaining years among the best people on earth.

War Department, Velasco, Aug. 1836

This stand of colors, presented by the ladies of Newport, Kentucky, to Captain Sidney Sherman, is the same which triumphantly waved over the memorable battle-field of San Jacinto, and is by the [illegible] presented to the lady of Colonel Sidney Sherman as a testimonial of his gallant conduct on that occasion.

Colonel Sherman was again taken sick in Louisiana, on his way home, and was confined six weeks, in consequence of his exposures and fatigues in the army his health was seriously impaired for a long time. Notwithstanding his very infirm health, soon after reaching home he sent out some troops and a quantity of clothing for those in the field who were very destitute. In January, 1837, he arrived with his family in Texas, and shortly after settled upon San Jacinto Bay, where he resided for several years. In 1842 he was elected a representative in the Texas Congress for Harris county, and was appointed chairman of the Military Committee. His health being still but partially restored, he was able to occupy his seat but for a small portion of the session. As chairman, etc., he introduced a bill for the election of a Major-General of Militia, and the protection of the frontier. Subsequently his dwelling at Harrisburg was burned, then one of the finest buildings in the state. Being homeless, he sent his family to Kentucky and removed to the railroad office, which was shortly afterward consumed by fire. His remaining possessions and valuable papers, which had been accumulated for thirty years were destroyed. They were not, only important to himself, but as relating to public affairs, would have been of great value to the

unfortunate passengers on the inland steamer Farmer, which exploded near Galveston, resulting in the loss of some thirty or forty lives and much property. He was thrown from the boat with a portion of the wreck, some twenty yards into the water, but though injured, succeeded in saving himself on the fragments of the wheel-house.

Like most of the soldiers and statesmen who participated in the early struggles of the country, he derived little material benefit from his redemption. In 1863, at the retaking of Galveston, General Sherman's promising son was killed. General Sidney Sherman died in Galveston ten year later, his wife and daughter having preceded him to the Spirit Land.

VANDERPOOL

Mrs. Ira Reavis

An old-time singing and an ice cream supper was held at the Vanderpool Community House Saturday night sponsored by the Vanderpool Sunday School.

Mrs. Kate Zumwalt and daughter, Mrs. Fabian Anderwald and Francis of Bandera, and Mrs. Irene Hamilton of Midland visited the home of Mr. and Mrs. H. Schimmelpfennig Wednesday. Mrs. Schimmelpfennig returned home with them and stayed until Sunday.

Mr. and Mrs. Ed Schimmelpfennig and children of San Antonio visited in the home of his parents, Mr. and Mrs. H. Schimmelpfennig Sunday. Ed and his family are leaving for Oklahoma this week where he will be employed.

Mr. and Mrs. Frank Metz of San Antonio spent the week-end in the home of her parents, Mr. and Mrs. Oscar Tampke.

A revival meeting is being held at the Baptist Church this week. Everyone is invited to come.

BANDERA LODGE No. 1123, A.F. & A.M., meets the second and fourth Monday nights of each month at 8:00 o'clock. All members are urged to be present. Visiting Brethren welcome.—G. T. Sandlige, Jr., W.M.; J. F. Munch, Secretary.

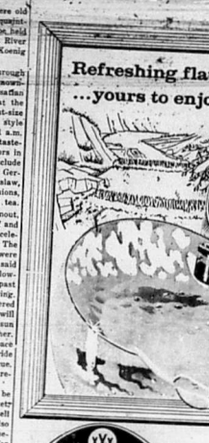
CASTROVILLE TO CELEBRATE HOMECOMING

Castroville — More than 4500 visitors—largest number in quaint, old Castroville's 115-year history are expected here for the annually popular Homecoming celebration on Sunday, August 26.

The long-time festival, where old friends meet and new acquaintances are made, will again be held on the banks of the Medina River in cool pecan-tree-shaded Koenig Park.

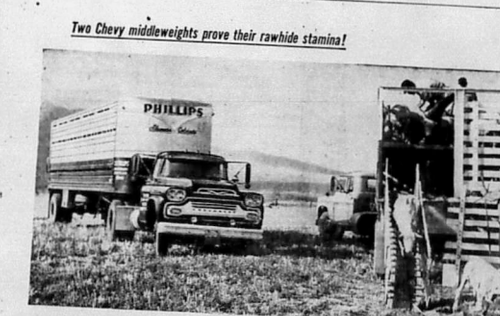
Recipes handed down through generations in Castroville, renowned for its German and Alsatian dishes, will be highlighted at the homecoming fiesta's giant-size meal, to be served family style from the table beginning at 11 a.m. The popular menu, which tastes thrilled more than 5000 visitors in 1958 and 4200 in 1957, will include barbecued beef and old-time German-Alsatian sausage, cole slaw, potato salad, beans, pickles, onions, bread, cake, coffee, and iced tea.

Anticipating a large turnout, more than 7000 pounds of beef and sausage are being readied by celebration officials and workers. The feeding and seating capacities were doubled last year. Officials said this project has eliminated long moving lines experienced in past years and has speeded up serving.



The entire table area is covered by two large roofs. They will shield diners from both the sun and rain—in case of wet weather. In addition, the barbecue pit space was doubled last year to provide a greater output of hot barbecue. Kitchen facilities have been remodeled.

Just as last year, adults will be charged only $1.25 per meal ticket while children's tickets will sell for 75 cents. The celebration also will feature games and amusements on the grounds all day—for the young and old. Awarding of prizes that night at the big dance will be a special feature. The dance will begin at 8 p.m., and continue until midnight in Koenig Park Hall. Music will be furnished by Bobby Brown and his popular orchestra.



For those who arrive early Sunday, they can attend masses in St. Louis Catholic Church that morning at 6, 7:30 or 9:30 o'clock. The local celebration has been sponsored for decades by the St. Louis Catholic Church in Castroville. The community, founded in 1844 by a group of German and Alsatian settlers, is rich in heritage and tradition and is widely known as a tourist attraction in South Texas.

Two Chevy middleweights prove their rawhide stamina!

Top hands on high-country hauls!

Ask any trucker who's been over Wolf Creek Pass, 10,850 feet up in the San Juans, a 9-mile pull to the summit and low gear all the way down. Mr. C. H. Phillips of Alamosa, Colorado, has a 6403 and a 6503 Chevrolet truck that are up over this route the year round, taking sheep and beef to pasture, later marketing the stock in Denver. In less than a year, his Chevy middleweights have averaged about 50,000 miles of this kind of treatment—and they're going stronger than ever!

Watch Chevy trucks at work out in range country. It's a sight to see the way they pack into high-up mountain pastures and handle through brush and rock like a cowman's favorite cutting horse. Take any truck work for that matter. Chevy middleweights probably handle a bigger variety of jobs than any trucks alive. About anything you name, including work that used to be reserved strictly for bigger rigs. When a truck's built the way a Chevy is, lean-muscled and rawhide-tough, it takes to ugly trails the same way most trucks roll over the highway. It just keeps going, without a big to-do, but looking good every mile of the way. *How* they do it is your Chevrolet dealer's department. He'll be glad to supply details and specifications on the type of models you need.

No job's too tough for a Chevrolet truck! CHEVROLET

NEW LAW FOR "HABITUAL VIOLATOR"

Austin.—The Director of the Texas Department of Public Safety cautioned today that a new state law provides for the suspension of the license of any driver convicted of four moving traffic violations within a 12-month period.

Col. Homer Garrison, Jr., said the new law, passed by the recent session of the Legislature and signed by Governor Price Daniel August 6, for the first time defines the term "habitual violator." The definition is as follows:

"The term 'habitual violator' as used herein, shall mean any person with four or more convictions arising out of different transactions in a consecutive period of 12 months, or seven or more convictions arising out of different transactions within a period of 24 months, such convictions being for moving violations of the traffic laws of the State of Texas or its political subdivisions."

Garrison said if a justice of the peace or other designated magistrate finds a driver to be an habitual violator, the Department of Public Safety is authorized to suspend the driver's license for any period up to one year.

The new law also establishes detailed procedures for appeals of persons whose licenses have been suspended and requires the courts to give priority to the setting of such cases. It designates local prosecuting attorneys to represent the state in such appeals cases.

Now's the time to be making good use of those colorful fresh fruits of summer now on the market. Decorative desserts like this elegant Lemon Apricot Sponge with fruit and doughnut garnish bring the freshness of the season right to your table.

Select bright juicy ripe cherries and large, little green grapes and serve with powdered sugar cookbook quality doughnuts from your grocer's ready-to-eat cake department. You'll need one package of eight doughnuts.

To make Lemon Apricot Sponge, follow this recipe:

2 tablespoons (envelopes) plain gelatine
2½ cups apricot nectar
3 eggs, separated
Soften gelatine in ½ cup cold apricot nectar. Beat egg yolks and ½ cup sugar until lemon colored. Stir in remaining apricot nectar, lemon juice, grated lemon rind and salt. Heat in heavy pan over very low heat, stirring constantly. Blend in gelatine and stir until completely dissolved. Chill mixture until partially congealed. Beat egg whites and remaining sugar until mixture forms stiff peaks. Fold partially congealed gelatine until fluffy. Blend in egg whites and pour mix into lightly oiled 1½ quart ring or fancy mold. Chill until firm. Unmold on serving plate and garnish with doughnuts topped with tiny bunches of grapes and/or colorful fresh fruits.

Pipe Creek News

Mrs. T. A. Lewis, Reporter

Guests in the home of Mr. and Mrs. L. J. Edwards on Tuesday were Mrs. Chas. Meadows of Bandera, Mrs. Roland Thallman, Mrs. Chas. Meadows, and Mrs. L. J. Edwards went to San Antonio Thursday.

and Mrs. Willis Rucker of San Antonio, and Mr. and Mrs. Dupward Hicks of Castroville.

Those in attendance at the Baptist revival Sunday took their lunch baskets and retired to the Edwards picnic grounds where a very sumptuous lunch was enjoyed, after which an outdoor session by Bro. Lee ended the revival services.

Mr. and Mrs. Paul Purdy took little Miss Jennie Flood back to San Antonio Monday. She had been visiting here.

Mr. and Mrs. Virgil Mask of Houston visited Mrs. Pauline Fortner and children during the week-end.

Visitors of Mrs. Della Glenn during the week were Mr. and Mrs. Charles Talley and sons of California; Mrs. Merle Shiflett and Miss Evelyn Buck of Bandera.

Mrs. Olan Buck of Bandera, Mrs. Earl Buck of Boerne and Mr. and Mrs. J. W. Lewis visited Mr. and Mrs. J. H. McCabe of Melvin during the past week while Mr. Lewis received treatment in Houston.

Mrs. Albert Rotge and Mrs. Richard Helgren took several children to Leakey to attend camp for a week.

Mr. and Mrs. J. W. Edwards Sunday afternoon were Mr. and Mrs. C. E. Hatcher and daughter, Miss Edna Hatcher, Mr. and Mrs. R. B. Winston and children, Bobbie, Paula, and Donald, of New Braunfels; Mr. and Mrs. Tony Jennings, Billie Loyd and Preston Dwayne, Mr. and Mrs. Bob Lynd and daughter, and their guest, Miss Carolyn Lynd, of Port Arthur.

Rev. and Mrs. Gruner Lee of Kerrville have been in our midst during the past week. Bro. Lee preached the sermons for the Baptist revival held each night during the week. He is a wonderful preacher and drew good crowds each night. His influence will be felt for his zeal and scriptural revelations.

Mrs. J. W. Lewis visited Mr. and Mrs. Dan Purnell of Boerne Saturday.

Mr. and Mrs. O. E. Morgenstern of Boerne and Mrs. Hattie Dunlap visited Mrs. Annie Reinarz and Mrs. Lona Schott in Bandera Wednesday. Mr. Morgenstern also visited Frank Ross while in Bandera.

Visitors of Mr. and Mrs. J. T. Brammer Thursday night were Mr. and Mrs. Charles Talley and sons of California, Mrs. Merle Shiflett and Miss Evelyn Buck of Bandera and Mrs. Louise Pickens.

Mr. and Mrs. J. T. Brammer visited David Stuehm at Baptist Memorial Hospital in San Antonio Thursday when he underwent surgery. We wish him a speedy recovery.

Mrs. Nettie Marie Dean is visiting her grandmother, Mrs. C. H. Krause, this week.

Pepper is improving from his recent illness.

Miss Barbara Scaramoa of Corpus Christi is visiting Mr. and Mrs. E. S. Jennings this week.

Mrs. Mattie N. Johnston returned home Saturday after a very pleasant visit with friends in Austin.

Mr. and Mrs. John Purnell were shopping in San Antonio last Friday and also visited her sister, Mrs. Emma Reiber.

On Sunday the Rev. and Mrs. John Purnell visited Mr. and Mrs. A. W. Eason and daughter, Mrs. Douglas Semmes at Schertz.

Mr. and Mrs. John Schwarz of Boerne spent Sunday evening with Mr. and Mrs. John Purnell.

Mr. and Mrs. H. Rohrbach visited Mr. and Mrs. S. R. Odom in Boerne Saturday.

Mr. and Mrs. Jesse Burger and children, Jesse Ray, Margie and David, Mrs. Hubert Burger, Mr. and Mrs. Buster Seibfidt and daughter, Brenda Sue, all enjoyed dinner at the Jesse Burger's ranch home Sunday.

Mrs. Joe Billings returned home Friday after a wonderful four weeks vacation through many states. She traveled by bus so as to see more of the scenery. She was through Missouri, Kansas, Wisconsin, Minnesota, Kentucky, Kansas, Tennessee, Arkansas, and on to Wabash, Indiana, where she enjoyed a lovely visit with her daughter, Mrs. Davis Schultz and husband and daughter, Barbara.

The Joe Billings home was the recipient of a wonderful week-end when many relatives and friends came to be with them and visit together. Those who came were as follows: Mr. Billings' nieces, Mr. and Mrs. Henry Cravey; her sister, Mr. and Mrs. Leo Kruger and daughter; Mr. and Mrs. Billings' daughter, Mr. and Mrs. Charles Murray and twin children, Jean and Joan; Mrs. Billings' niece, Mr. and Mrs. Leroy Moody and twin children, Bobby and Sissie, all of San Antonio; Mrs. Billings' sister, Mrs. Ruby Pegg, of Somerset, Texas. Friends also who came were Mr. and Mrs. Charles Pierson and two children, and Mrs. Fay Hunt and son, Jackie, of San Antonio.

The Joe Billings' grandchildren, Larry and Brenda Bybee of San Antonio are spending several weeks visiting them until school opens.

Mr. and Mrs. Cecil Woods and two children of San Antonio were visiting Saturday with Mr. and Mrs. T. E. Sauter.

Mr. and Mrs. T. E. Sauter accompanied by Mrs. A. A. Jeffers drove over to the Hawley lease on Mason Creek Sunday afternoon and on Monday Mr. and Mrs. Sauter went to San Antonio for Mrs. Sauter's checkup. We are happy to report Mrs. Sauter has improved some from her recent illness.

Bernice "Smitty" Smith is home for a few days from Legion Hospital at Kerrville.

Visitors in the Lee Smith Home Sunday were Mr. and Mrs. Harry Sprott and Mr. and Mrs. Elmer Heinen and son, Jessie, of Bandera and J. E. Dean.

Mr. and Mrs. Kenneth Anderson and son, Ricky, of Beaumont, were guests of his parents, Mr. and Mrs. Milton Anderson for the week-end; also visiting Mr. and Mrs. Arthur Erfurt and children, Ella Mae and Artie.

Mr. and Mrs. W. V. James and daughter, Deborah, went to San Antonio Friday night for several days visiting with relatives. Mrs. Jenny James also returned to her home that night after a weeks visit in her sons home, W. V. James.

Marie Dean is visiting her grandmother, Mrs. C. H. Krause, at Pipe Creek for a few weeks.

Judy and Gretchen Mueller returned home Sunday from girls camp at Leakey. They reported a very nice time.

Mr. and Mrs. Floyd Smith visited relatives at Uvalde over the week-end.

Mrs. Georgia Peters of Ingram has been visiting her daughter and family, Mrs. A. W. Nichols, Mr. Nichols and son, Eliff Nichols. The Nichols took her home Tuesday.

Mrs. Alice Purvis and son, Milton, were guests of Mr. and Mrs. J. F. Dean Wednesday afternoon.

Mrs. Willie Schmidt received the sad news of the passing of her aunt, Mrs. Margaret Utz, of San Antonio, last week. The funeral rites were held at Alamo Funeral Home in San Antonio last Thursday at 2 p.m. Those attending the services for Mrs. Utz from Tarpley were Mr. and Mrs. Willie Schmidt and Mr. and Mrs. M. R. Sandidge. Mrs. Utz had been blind for several years and passed away very suddenly at the age of 80. She is survived by her aged husband, William Utz, and several neices and nephews. She was the sister of the late beloved Mrs. Olga Mesch of Tarpley. We offer heart felt sympathy to the bereaved in their sorrow.

Mr. and Mrs. William Carter and children, Julia and Jan, of Boulder Colorado, were week-end guests of Mr. and Mrs. Willie Schmidt. Sunday dinner guests of the Schmidts were the following group of relatives: Mrs. Schmidt's aunt, Mrs. Albertine Staffel; Mr. and Mrs. Gerald Staffel and son; Mr. and Mrs. Ferdinand Staffel and children, Dr. and Mrs. Edward Staffel, all of San Antonio; and the William Carter family. They had a lovely visit in the Schmidt home.

Mr. and Mrs. Jesse Burger and children, Jesse Ray, Margie and David, Mrs. Hubert Burger, Mr. and Mrs. Buster Seibfidt and daughter, Brenda Sue, all enjoyed dinner at the Jesse Burger's ranch home Sunday.

Mrs. Joe Billings returned home Friday after a wonderful four weeks vacation through many states. She traveled by bus so as to see more of the scenery. She was through Missouri, Kansas, and on to Wabash, Indiana, where she enjoyed a lovely visit with her daughter, Mrs. Davis Schultz and husband and daughter, Barbara.

Tarpley

By Mrs. Nettie Dean

Mr. and Mrs. H. L. Hathaway and two grandsons of San Antonio spent a few days last week at their home near Tarpley.

Mr. and Mrs. Dan A. Foster of Tecumseh, Michigan, were dinner guests in the home of Mr. and Mrs. Johnnie James and Minneana Friday night at Bandera. Following dinner they all visited with Uncle Jim Berkeland in the Mickelsen home at Tarpley.

Mr. and Mrs. G. M. Mickelsen visited Mr. and Mrs. A. W. Nichols Friday night.

Larry Dean had a painful accident Friday morning when the horse he was riding fell on him injuring his leg. J. E. Dean carried his son to Dr. George Meador for X-rays, but the extent of his injury is not known at this time.

Visitors of Mr. and Mrs. J. E. Dean and sons, Larry and Charles, Sunday afternoon were Mr. and Mrs. M. Mickelsen and Mrs. Johnny James and Minneana of Bandera. Bobby and Dickie Mueller visited Saturday and Sunday afternoon in the Dean home.

Mrs. A. A. Jeffers returned to Tarpley Saturday night after spending the last two weeks in her son's home, Mr. and Mrs. Lloyd Jeffers and little Lance, at Bandera. Mrs. Lloyd Jeffers has been going to San Antonio for medical care. We are glad she is improving now.

Visitors at Flag Mountain Ranch Saturday were Mr. and Mrs. Henry Franklin of El Tigre, Venzuela, South America, and Mr. and Mrs. J. Alvin Kemp and son, Rowland, from Refugio and Boerne, Texas; also Mina Adams of Boerne. They were sightseeing and enjoying the mountains very much. They also visited Mrs. J. E. Dean and children while at the ranch.

Visitors of Mr. and Mrs. G. M. Mickelsen Saturday evening were Mr. and Mrs. Owen Selgelid and sons, Robert and Craig, of San Antonio, also Mr. and Mrs. Johnnie James and Minneana of Bandera.

Mrs. Willie Schmidt received the sad news of the passing of her aunt, Mrs. Margaret Utz, of San Antonio, last week. The funeral rites were held at Alamo Funeral Home in San Antonio last Thursday at 2 p.m. Those attending the services for Mrs. Utz from Tarpley were Mr. and Mrs. Willie Schmidt and Mr. and Mrs. M. R. Sandidge. Mrs. Utz had been blind for several years and passed away very suddenly at the age of 80. She is survived by her aged husband, William Utz, and several neices and nephews. She was the sister of the late beloved Mrs. Olga Mesch of Tarpley. We offer heart felt sympathy to the bereaved in their sorrow.

NEW LAW FOR "HABITUAL VIOLATOR"

Austin.—The Director of the Texas Department of Public Safety cautioned today that a new state law provides for the suspension of the license of any driver convicted of four moving traffic violations within a 12-month period.

Col. Homer Garrison, Jr., said the new law, passed by the recent session of the Legislature and signed by Governor Price Daniel August 3, for the first time defines the term "habitual violator." The definition is as follows:

"The term 'habitual violator' as used herein, shall mean any person with four or more convictions arising out of different transactions in a consecutive period of 12 months, or seven or more convictions arising out of different transactions within a period of 24 months, such convictions being for moving violations of the traffic laws of the State of Texas or its political subdivisions."

Garrison said if a justice of the peace or other designated magistrate finds a driver to be an habitual violator, the Department of Public Safety is authorized to suspend the driver's license for any period up to one year.

The new law also establishes detailed procedures for appeals of persons whose licenses have been suspended and requires the courts to give priority to the setting of such cases. It designates local prosecuting attorneys to represent the state in such appeals cases.

Now's the time to be making good use of those colorful fresh fruits of summer now on the market. Decorative desserts like this elegant Lemon Apricot Sponge with fruit and doughnut garnish bring the freshness of the season right to your table.

Select bright juicy bing cherries and tangy little green grapes and serve with powdered sugar cookbook quality doughnuts from your grocer's ready-to-eat cake department. You'll need one package of eight doughnuts.

To make Lemon Apricot Sponge, follow this recipe:

2 tablespoons (envelopes) plain gelatine	½ cup sugar
2½ cups apricot nectar	½ cup lemon juice
3 eggs, separated	1 teaspoon grated lemon rind
	½ teaspoon salt

Soften gelatine in ½ cup cold apricot nectar. Beat egg yolks and ½ cup sugar until lemon colored. Stir in remaining apricot juice, lemon juice, grated lemon rind and salt. Heat in heavy pan over very low heat, stirring constantly. Blend in gelatine and stir until completely dissolved. Chill mixture until partially congealed. Beat egg whites and remaining sugar until mixture forms stiff peaks. Fold partially congealed gelatine until fluffy. Blend in egg whites and pour mix into lightly oiled 1½ quart ring or fancy mold. Chill until firm. Unmold on serving plate and garnish with doughnuts topped with tiny bunches of grapes and/or colorful fresh fruits. Serves 8.

MRS. RUTHESON HAS ACCIDENT

Friends were sorry to learn that Mrs. Chas. R. Hutcheson had the misfortune of having an accident Wednesday morning. Mrs. Hutcheson had gone out to the Smith ranch and Mrs. Carrie Chipman, who was a passenger in the car, unintentionally grabbed the steering wheel, causing Mrs. Hutcheson to lose control of the car. The vehicle veered off the road and into the creek. Robert Hutcheson, also a passenger in his grandmother's car, jumped out immediately and summoned men from the Bandera Electric Coop., who were working nearby. They drove the car out and brought the occupants back to town, where they were examined by Dr. Meador, who reported no serious injuries. All suffered from shock, and Mrs. Chipman and Mrs. Hutcheson have some minor body bruises, but young Robert escaped uninjured and proved to be a good Scout for he was a big help and comfort to his grandmother.

Edwin Lane Langford was the guest of his cousin, Delmar Asher, at Bourne, last week.

BANDERA SCHOOLS WILL OPEN DOORS SEPTEMBER 3

The Bandera Schools will open Thursday, September 3, at 8:40, according to Marvin C. Schnelle, superintendent. Registration for students in grades 1-3 will be held on Tuesday, September 1, from 9 to 12 a.m., and from 2 to 4 p.m.

Others who did not register last spring will register Thursday morning and then continue with a full day of classes.

A general faculty meeting will be held on Wednesday, September 2.

Bus routes will be the same as last year, with one minor exception. Bus No. 6 will make a loop through Lost Valley Hills.

The school lunch room will serve lunches beginning the first day of school. Lunch tickets will be $4.00 per school month. Students who pay by the day will pay 25 cents per meal. Milk will be served with the lunches; however, extra milk will be available at 2 cents per bottle. Milk tickets, good for 20 bottles of milk, will be sold for 40 cents.

Members of the staff include the following:

Marvin C. Schnelle, superintendent; Patricia Jenschke, secretary; Clyde Tarver, tax-assessor; Joe King, principal; A. B. Lewis, elementary principal; David-B. Harris, Jr., band director; Telvy Robbins, vocational agriculture; Mrs. Patsy Rimmer, homemaking; John Waldrum, head coach; Franklin Eichman, assistant coach; and Mrs. Barbara Mazurek, girl's coach. Other teachers are Mrs. Alice Ainsworth, Mrs. Wynelle Eichman, Mrs. Stella Fitzgerald, Mrs. Margaret Focke, Cecil Graves, Mrs. Carolyn Hargis, Mrs. Winnie Hicks, Mrs. Melba Kings, Mrs. Sarah Lewis, Mrs. Vernell Mullenax, Mrs. Evelyn Reininger, John Rimmer, Mrs. Myrtle Schnelle, Mrs. Knowles Teel, Mrs. Anna Laura Vaughn, and Mrs. Grace Wootton.

Bus drivers are O. W. Mullenax, Leonard Hyde, Elmer Heinen, Chas. Mazurek, LeRoy Nowlin, and Chas. Webber.

Custodians are Marion and Fay Gray. Lunch workers are Hilda Webber, manager, and Gladys Powell and Chas. Webber, assists.

David B. Hargis, Jr., and Mrs. Carolyn Hargis have accepted teaching jobs in the Bandera School. Mr. Hargis will be band instructor. He has a Bachelor of Music degree from the University of Texas. He taught in Oregon, at Sanderson, and at Fredericksburg. During the last five years Mr. Hargis has been managing a life insurance agency at Corpus Christ. While in the service Mr. Hargis served as an assistant band director for one of the army bands. While at the University, he played in the Longhorn Band and the Austin Symphony. Mr. Hargis has played in the Beaumont Symphony and other musical organizations.

Mrs. Hargis will teach a section of fifth grade students. She is a graduate of the Conservatory of Ward Belmont College and has attended the University of Texas. Recently Mrs. Hargis taught voice and piano at the Conway Conservatory in Corpus Christi. Mr. and Mrs. Hargis and their children will live in the Sewall home.

The first band rehearsal will be held at the school band hall Friday, August 28, at 7:30 p.m. All senior band students are requested to be there.

SON ARRIVES IN SHERRILL SCHAEFER HOME

Mr. and Mrs. Sherrill Schaefer are the proud parents of a son born August 26 in Peterson Hospital in Kerrville. He weighed 9 pounds 6 ounces. Mother and baby are doing fine.

C. A. KEESE DIED LAST WEEK AT MENARD

Orley A. Keese died in the Menard Hospital on Tuesday, August 19, at 5:15 p.m., after a lingering illness. He was born September 24, 1880, near Medina and was the youngest child of Thomas H. Keese and Angelina (Lewis) Keese. He, grew up in the Medina community, but had resided in Menard county the last 22 years.

Mr. Keese was an honest, upright citizen, and a devoted husband and father. He was married to Miss Elizabeth Knatcher on December 27, near Medina. He was 78 years, 10 months, and 25 days old at his death. He is survived by his wife, four sons, Orley, Arthur, Ollie, and Morgan, of Menard; one daughter, Mrs. Angie Walston of San Angelo; four grandchildren, and one brother, Stanley Keese of Medina; besides a number of nephews, neices, and other relatives and many friends.

A number of relatives from Medina attended the funeral services held Thursday afternoon at 2:30 at Mission Funeral Home in Menard. Brother Knight of Eden, minister of the Church of Christ, conducted the services. Interment was made in the Menard cemetery. Pallbearers were Orville Keese, Thomas Keese, Willie Keese, Eugene Keese, Jerry Keese, and Raymond Humphreys.

We extend our deepest sympathy to the bereaved family in their great sorrow. May God bless and comfort each of them.

THE STORY OF LOTTIE DENO' IS NOW OFF THE PRESS

"The Story of Lottie Deno," the last biographical work of the late J. Marvin Hunter, is now off the press, and available at the Bandera BEtech office, according to The 4-Hunters, Publishers.

This fabulous story of one of the west's most daring and mysterious lady gamblers is told by J. Marvin Hunter, after years of research. Mr. Hunter traveled thousands of miles and interviewed many people to obtain complete information on the mysterious Lottie Deno.

With the exception of a few co-ordinating passages it was complete when death stilled the hand that had written so many authorative accounts of frontier days and in memory of their father, J. Marvin Hunter, his four children, John Warren Hunter, Myra Adenton Hall, Jr., Marvin Hunter Jr., and Mrs. Susie Rachel Short, (The 4-Hunters), have completed the publication of his last great work.

As pre-publication offers are now closed the book is on sale at the Bandera Bulletin and Frontier Times Museum for $6 per copy. As a limited number of copies of this book were printed, you will be wise to get yours as soon as possible.

Those who have in their pre-publication order may pick up their book at the Bulletin office.

SHEEPMEN URGED TO SUPPORT REFERENDUM

Within a short time lamb and wool producers will have an opportunity to vote in a referendum to determine whether or not to support the program of lamb and wool promotion. This program is set up to help finance advertising, research, and the use of lamb and wool products. It is a self-help program not supported by taxes. The funds used are derived from tariffs on foreign lamb and wool brought into this country and competing with domestic production. This money is alloted to the various uses through the American Sheep Producers Council, an elected organization made up principally of sheepmen representing all the sheep producing states and also including representatives from practically all of the leading farm organizations in the United States and from the National Wool Growers Association. No money is allotted to any group until it is thoroughly discussed and checked to be sure that maximum benefits will be derived from such uses as intended.

This program is not compulsory to you as a sheepman unless you participate in the incentive payment program. You can sell your lambs and wool on the open market and never give any money to the American Sheep Producers Council. You only have one cent per pound deducted from your wool and five cents per hundred from lambs when you apply for the incentive payment from the protective tariff fund.

We sincerely feel that it is definitely to the interest of all sheep producers to vote for this program set up to promote your own products

RANCH FOREMAN DIED OF INJURIES SUNDAY

Edward Orsak, 51-year-old foreman of the Farrington Ranch, formerly known as the Preston Wedgworth ranch, died Sunday evening at five o'clock in Sid Peterson Hospital in Kerrville following injuries received that morning.

Mr. Orsak had ridden out to round up cattle early Sunday morning. When the horse which he was riding returned to the corrals without Mr. Orsak, Cliff Lewis, who was assisting him, immediately began searching and found Mr. Orsak critically injured. How the accident happened has not been determined, but from all indications it seems that the horse must have reared up and fallen on Mr. Orsak.

After Dr. George D. Meador was consulted at Bandera, Mr. Orsak was taken to the Peterson Hospital in Kerrville where he underwent surgery. Everything possible was done to save his life, but he passed away that evening.

Mrs. J. Edward Farrington, owner of the ranch, said that Mr. Orsak had been employed as ranch foreman for the past eighteen months, and had made many friends in this county during his sojourn here. She said that he was a very efficient foreman and a fine, upright gentleman, and he will be greatly missed by all who knew him.

Mr. Orsak was a resident of Sealy, Texas, before coming to Bandera county. Funeral services were held at the Catholic Church at Sealy with interment there. Survivors include three daughters, five sisters, and three brothers. The Bulletin joins their many friends in extending sympathy to the bereaved family.

STERLING CHEVROLET COMPANY HAVING BIG SALE

The Sterling Chevrolet Company is having a big sale on all 1959 cars and trucks beginning today, Friday, August 28, and running through Sunday, August 30. The sale will be open all day Sunday, as well as Friday and Saturday, so hurry and take advantage of the bargains before the new state tax goes into effect September 1 and before the new steel prices go into effect. For full details of the sale, see the big ad in this issue of the Bulletin.

LELAND CAFFALL INJURED

We are sorry to report that Leland Caffall was injured this week when the horse he was riding fell and broke its neck. Friends are happy that Mr. Caffall was not injured more seriously although he is suffering from a cartlage having been pulled loose in the fall. We wish him a speedy recovery.

BANDERA-HONDO ROAD TO BE DEDICATED

A dedication ceremony for the Bandera - Hondo Farm-to-Market Road No. 689 is scheduled for next Tuesday, September 1.. The ribbon cutting will be held at the Bandera-Medina county line at 5:30 p.m., on that date. State and County highway officials, as well as county officials and Chamber of Commerce officials of Devine, Hondo, Kerrville, and Bandera will be present for the ceremonies.

Following the ceremonies, a reservational barbecue will be held for these officials and their guests at Lions Club Hudspeth Park in Bandera at 6 p.m.

Arley Jurnick, of Bandera, will entertain with music and H.-C. Petty, Jr., chairman of the Texas Highway Commission, will be the principal speaker.

DOVE SHOOTING BEGINS SEPTEMBER 1 IN NORTH ZONE

Austin.—Season opens for North Texas dove hunters Tuesday, September 1, with perhaps one of the best crops in years, according to the assistant secretary of the Game and Fish Commission.

The new 1959-60 hunting and fishing licenses went on sale after August 20, according to the announcement. They will be effective September 1, and all persons who hunt outside their own counties are required to have a new license. Fishing licenses also expire August 31, and a new license is necessary for fishingoutside the home county, or with any kind of a winding device.

Persons over 65 years of age are not required to have a license. Exemption cards are available at the regional offices or by writing to the Game and Fish Commission in Austin. Such cards are issued as a courtesy, and are not required.

A map showing the Texas counties and their open seasons has been prepared by the Commission. A study of it will tell where it is legal to hunt in both the North and South zone counties.

The season is open September 1 through October 26 in the North Zone, and October 1 through November 19 in the South Zone. There is an exception in the Lower Valley counties where mourning doves may be shot at the same time as white-winged doves. In that area the season will close three days earlier.

The whitewing season is for the alternate days of September 11-13-15, from 2 p.m., until sunset.

ROTARY CLUB TO WELCOME DISTRICT GOVERNOR

The Rotary Club of Medina, September 15th, will be host to Dr. Dean Barkley, Governor of district 58A of Rotary International, who is making his annual official visit to each of the 36 Rotary Clubs in this district. He will address the local club and confer with President Orville Wier, Secretary Floyd R. Mayfield, and committee chairmen on Rotary Administration and service activities. Dr. Barkley was manager of the Methodist Kerrville Assembly for twelve years, retiring in 1957, and is a member and past president of the Rotary Club of Kerrville. He has served numerous pastorates in this Rotary district and as superintendent of the Uvalde, San Angelo and San Antonio districts. His hobby has been the breeding of registered Hereford cattle. He is known as administrator, good business man a successful minister, excellent and ardent Rotarian. He was elected as a district governor of Rotary International for the 1959-1960 fiscal year at Rotary's 50th annual convention in New York city last June. He is one of 261 district governors supervising the activities of more than 10,200 Rotary clubs which have a membership of nearly 500,000 business and professional executives in 113 countries throughout the world.

Wherever Rotary Clubs are located, President Wier asserted in discussing the governor's visit, their activities are similar to those of the Rotary club of Medina because they are based on the same general objectives—developing better understanding and fellowship among business and professional men, promoting community-betterment undertakings, raising the standards of business and professions and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Each year this world-wide service organization continues to grow in numbers and strength, President Wier noted. During the past fiscal year, 374 new Rotary clubs were organized in 53 countries, bringing the total number of Rotary clubs to an all-time high of more than 10,200 and four countries were added to Rotary's roster — British Guiana, Ghana, Madagascar and Nepal.

Mrs. B. R. Laden and Mr. and Mrs. George John and children, Brian and Frances of Houston, are vacationing at Camp Loma Alta.

John Reed was taken back to Peterson Hospital in Kerrville Sunday afternoon. We hope he will be home in a few days.

Welcome to Little Miss Rhonda Pennell, who was born to Mr. and Mrs Floyd Fleetwood of Duncan, Oklahoma August 21. She weighed 7 pounds 3 ounces. She is being welcomed by two brothers.

Mr. and Mrs. Chester Braun and family of Bertram visited friends here last week.

Deepest sympathy is extended to Miss Sharon Nell Watson in the loss of her grandfather, N. T. Walson, of Dibali, who passed away last week. Sharon, accompanied by her father and wife, Mr. and Mrs. Orville Watson, of California, visited there several days last week.

Those enjoying dinner in the home of Mr. and Mrs. Royce Baker Sunday were Mrs. Ben Baker, Mr. and Mrs. Ben Adams and Tom, Billy Neal Cantwell of Harlingen, Mr. and Mrs. Hugh Saunders, Mr. and Mrs. Bud Miller, all of San Antonio.

The Faithful Followers Sunday School Class of the First Baptist Church enjoyed a class party Tuesday night at the home of Mrs. H. M. Adams at Highland Waters. A pink and blue shower honoring Mrs. Sonny Lutz and her new little son, Peter, was enjoyed by the class members. Delicious refreshments of homemade ice cream and cookies were served to about 12 members.

ATTEND CONVENTION

Mr. and Mrs. W. W. Cardwell, D. E. Conwill, and daughter, Miss Keith Conwill, are in Houston this week attending the Texas Electric Cooperatives annual convention, held at the Shamrock Hotel. This group are guests at the Shamrock while Mrs. Cardwell is one of the hostesses for the ladies program.

The poles are set, the lines are strung, bright lights have replaced the kerosene lamp, and the Electric Cooperatives have literally turned night into day in the rural areas.

But the electrical loads first delivered to the rural community by the Electric Cooperatives are increasing by the day. An improved community and more and varied uses for electric power mean more lines . . . and greater service facilities. So the job ahead of the Electric Cooperatives of Texas is a big one. That is why the cooperatives must not be deprived of the areas they served first . . . must not be driven out of the areas they helped to develop. All they ask is that they be given equal rights where they now serve.

U.S. OIL

Indispensable in our way of life... vital to our national defense

In the 100 years since the drilling of the first oil well in the United States, the usefulness of petroleum has been often demonstrated in many ways . . . It is an economical and efficient source of energy and a raw resource convertible through petrochemistry into innumerable useful materials. . . . It is indispensable in our way of life, and vital to the national defense.

It is comforting to know that today's reserves are ample for today's needs. And if incentives to undergo the heavy risks involved are continued, there is no doubt that more oil will be discovered and produced to replace the oil we use . . .

The United States has found, produced, refined, and used more oil than any other nation. This has made petroleum products a feature of the abundant American life. Americans use more petroleum products than any other people on the globe.

The past is prologue to the future. During its second century, oil can serve you and your grandchildren, and the nation, as well or better than ever before.

OIL'S FIRST CENTURY BORN IN FREEDOM WORKING FOR PROGRESS

The Humble Company, incorporated in 1917, has participated in the development of new and better ways to find and produce oil, and in the research that has improved petroleum products and discovered countless new uses for oil and natural gas. Humble is a major producer of U. S. oil, with production extending all across the southern tier of states from Florida to California. Marketing operations are carried on in Texas, New Mexico and Arizona. Humble's Baytown refinery, near Houston, is one of the great refineries of the world. (Humble Pipe Line Company, a major transporter of crude oil and finished products, operates more than 9000 miles of pipe lines in Texas.)

MEDINA ENTERS INTERNATIONAL RELATIONS

Medina enters the scene of international relations and hemispheric understanding beginning Thursday, as it plays week-end host to two visitors from South America.

The visitors, Eduardo Rabossi of Buenos Aires, Argentina, and Trinidad Ruiz of Managua, Nicaragua, will be staying in the home of Mr. and Mrs. L. D. Chandler.

The students, participants in a six-week Orientation Center being conducted at The University of Texas, are Department of State grantees who will be studying at other major universities in the United States during the coming academic year. The orientation period in Texas is under the auspices of the Institute of International Education and is designed to prepare orientees for their year of study by introducing them to University administrative and academic procedures. It also gives those who need it added facility and confidence in the use of the English language.

During the coming academic year Mr. Rabossi will study Philosophy at Duke University and Mr. Ruiz will study Structural Engineering at Iowa State College.

During the six-week Center which began July 23, the students are participating in activities designed to introduce them to American society and culture. They have already had a week-end of home hospitality in Houston, where the Junior Forum of Houston, co-operating with the Southwest Regional Office of the Institute of International Education, was host to a swimming party, buffet dinner, and dancing. While in Houston the students also observed the industrial sights on a trip down the Houston Ship Channel on board the "Sam Houston" yacht.

In other extracurricular activities, the orientees attended the Marble Falls Rotary Club's annual fish fry, visited San Antonio, and toured Taylor—where they saw their first rodeo after a day of visiting a farm, a grain elevator, a cotton gin, and the Taylor Bedding Manufacturing Company. They were guests of the Rotary Club of Taylor at a barbecue dinner preceding the rodeo.

Participants in the Orientation Center, a highly selective group, were chosen to represent their countries by Bi-National Commissions in Latin America. After the Center they will be scattered out in 35 United States institutions of higher learning, from San Louis Obispo, California, to Cambridge, Massachusetts.

The University of Texas Center is a regional one, with all participants coming from Latin America. Colombia tops other countries in the number of orientees with seven. Next are Argentina with six, Peru and Chile with five, and Brazil with four. El Salvador, Nicaragua, Ecuador, and Paraguay are represented by three each; Panama, two; and Uruguay and Bolevia complete the ranks with one each.

LOCALITES ATTEND CONVENTION

"A danger much worse than nuclear war between man and man, is the danger of war between God and men." Over 20 delegates from the local congregation of Jehovah's Witnesses heard Fred W. Franz, Watchtower Vice-president, make this statement during the final session of the four-day "Awake Ministers" district assembly of Jehovah's Witnesses in Corpus Christi, Texas, August 20-23.

"That war will bring peace to this earth," he assured the delegates. "Only those lovers of peace with justice and happiness long to hear the voice of the one strong enough to command peace upon all nations," Franz said.

Mr. W. V. James, presiding minister, who headed the local group, termed the meeting a grand success. One of the highlights of the assembly was reached at the Saturday morning session when 311 persons were immersed as ministers of Jehovah's Witnesses in a simple mass Baptism. By Sunday afternoon an attendance of 11, 382 was reached, this being the largest Christian convention ever held in Corpus Christi.

Mr. James said many whole families attended, most of them traveling by car. "We received practical instruction in Bible educational methods that will help us to be of greater assistance to our neighbors in our house-to-house ministry and home Bible teaching," James remarked.

"We all returned home with a more serious outlook on our ministry and the future," he said, adding, "we must be 'Awake Ministers'."

Some of the local delegates attending were: Mrs. Lucy Hutzler, Mr. and Mrs. R. G. Ferguson, Mrs. Estella Langehennig and family, Minnie and Henry McCurdy, Mrs. Charles Archer, Mrs. Mary Monier and family, Mrs. Pepper and family, Ben and Don Faulkner, and W. V. James and family.

Mrs. Ola Wild of Austin was the week-end guest of her sister, Mrs. Mary Langford, and Mrs. Lora Hunter.

Mr. and Mrs. Judd Clark are enjoying their grandchildren who are visiting in their home. Dottie, Ricky, and Debbie Schoenfeldt, children of Mr. and Mrs. Richard Schoenfeldt of San Antonio, are here for several weeks visit. They came home with Mr. and Mrs. Clark when Mr. Clark returned from Temple.

Tarpley

By Mrs. Nettie Dean

Rev. and Mrs. Isaac Caperton and daughter, Sharon, and Mrs. Caperton's parents, Mr. and Mrs. Vaughn, of San Antonio, visited with Mrs. A. A. Jeffers Saturday afternoon.

Mrs. and Mrs. Ed Terrell of Corpus Christi spent the week-end with her sister, Mrs. A. A. Jeffers, Sr.

Mrs. A. A. Jeffers was happily surprised this week when her brother [illegible] and Mrs. Sim Riley of Odessa, came to visit with us again.

Mr. and Mrs. Lee Mansfield attended the Goat and Ram Sale at the Ag Center at Sanders last Saturday.

Mr. and Mrs. Ed Terrell of Corpus Christi and Mr. and Mrs. Sim Riley of Odessa took Mrs. A. A. Jeffers with them to the St. Louis Day Homecoming celebration at Castroville Sunday. They all visited with their neice and family, Major and Mrs. Jack Melton and children, who were also at the homecoming. They report wonderful food and a lovely day.

Visitors for the J. E. Dean home Sunday were Mrs. C. B. Krause of Pipe Creek, Claude Kreiger of San Antonio, Mrs. Lee Smith, Miss Bert Smith, Mrs. Floyd Smith, Mrs. Alice Purvis, and Mrs. Lee Mansfield.

Mrs. J. E. Dean and children, Larry, Marie, and Charles, accompanied by Mrs. A. A. Jeffers, went to Bandera Saturday. Mrs. Dean had to take Larry on to Kerrville for further treatment and X-rays. He is improving slowly from his recent accident when a horse fell on him.

Charles Hope Dean celebrated his eighth birthday Thursday night when several of his friends and neighbors came to honor him and help make his birthday a happy occasion. Games, ice cream, and cake were enjoyed by Mr. and Mrs. Jessie Burger and children, Jessie Ray, Margie, and David, Mrs. Hubert Burger, Mr. and Mrs. W. J. Smith, Bobby, Gretchen, and Dickie Mueller, Miss Jodie Holland of Houston, and the J. E. Dean family.

Mr. and Mrs. Howard Billings and Mr. and Mrs. Jesse Burger and children, Margie and David, were among those from Tarpley who shopped in Bandera Saturday.

Mr. and Mrs. Elmer Hargrove and children, Marian, Richard, and Billy, accompanied by her father, Walter Hohenberger, Sr., went to Boerne Sunday to attend the Meier family reunion. This was Mrs. Hohenberger's family's reunion, but she was not able to attend.

Miss Gretchen Mueller was honored with a lovely birthday party Saturday night in the home of her parents, Mr. and Mrs. S. J. Mueller. Everyone enjoyed swimming, a weiner roast, and the farm dance which followed. Gretchen received many nice gifts. Those present were Mr. and Mrs. S. J. Mueller and children, Judy, Bobby, and Dickie, Jody Holland of Houston, Ann Craddock of Medina, Diane Everett, Howard Hicks, Royce Sprott, Jack Fortner, Mike Fitzpatrick, of Bandera; Eddie Elliott, Margie Burger, and Marie Dean of Tarpley. Everyone reports a wonderful time.

Mr. and Mrs. T. E. Sauter went to San Antonio Friday for Mrs. Sauter's check-up.

Miss Jody Holland of Houston is spending a week in the S. J. Mueller home visiting Gretchen.

Mr. and Mrs. W. V. James and daughter, Deborah, left for Corpus Christi last Thursday morning to attend as assembly of the Jehovah's Witnesses, which was being held there.

Bobbie and Dickie Mueller and Eddie Ellison visited Larry and Charles Hope Dean Monday.

Mr. and Mrs. Ellison and son, Eddie, are new residents of the Tarpley community. They are making their home at the S. J. Mueller ranch. We welcome the new family to our community.

Mr. and Mrs. R. W. Nichols of Bandera visited Monday afternoon. Their son, Elliff, who has spent much of the summer with his parents, will return to Mathis, Texas this week-end where he will resume his duties teaching school.

Mrs. W. B. Wood was happily surprised when her daughter and her family, Mr. and Mrs. Carl Gerdes and daughter, Mary Ruth, of Big Lake came to spend several days visiting her.

Judy and Bobby Mueller are giving a "Back to School" party on August 29th from 8 to 12 p.m.

The Caddell Family Reunion was held at Utopia Sunday and several of the relatives came by Tarpley Monday to visit with Mr. and Mrs. T. E. Sautes. They were Mr. and Mrs. Jim Caddell and his sister, Ethel, of Con, Cass, Mrs. Laura Smart of Utopia, Mrs. Eva Draper of Waco, Mrs. Minnie Bynum, Mrs. Effie Mahiot, and Mrs. Ethel Barington, all of Gatesville; Preston Irby of Marlo, Okla., and Mrs. Vela Pendleton of Duncan, Oklahoma.

Mr. and Mrs. Sim Riley of Odessa, who have been visiting his sister, Mrs. A. A. Jeffers, left Tuesday for the Rio Grande Valley. From there they will go to Louisiana.

Mr. and Mrs. Ed Terrell, accompanied by Mrs. A. A. Jeffers, went to Leon Springs enroute to their home at Corpus Christi. Mrs. Jeffers remained at Leon Springs to visit relatives this week.

Visitors of Mr. and Mrs. Jesse Burger and family, and Mr. Hubert Burger last Monday night were Mr. and Mrs. H. L. Mansfield, Mr. and Mrs. A. W. Nichols, Jr., and Mrs. J. E. Dean, Mrs. Elmer Hargrove, Mrs. Milton Ahrendorf Mrs. Arthur Erfurt and children, Ella Mae and Artie, Mrs. Jean Cornelison, and Mr. and Mrs. H. B. Padgett.

Mrs. W. B. Wood, accompanied by her daughter and family, Mr. and Mrs. Carl Gerdes and daughter, Mary Ruth, of Big Lake, went to D'Hanis Tuesday to visit Mr. and Mrs. M. G. Dean.

Mr. and Mrs. Earl Davenport recently spent a few days at Richmond where they visited with Mr. and Mrs. Mansfield Autry and family.

Mrs. Meda Dial, accompanied by Mr. and Mrs. Leonard Hamilton and daughter of San Antonio, enjoyed a short vacation at Montgrey, Mexico, last week.

Visitors in the home of Mr. and Mrs. Ernst Lindner last week were Mr. and Mrs. Otto Flach and Mr. and Mrs. Robert Lindner and children, Gary and Joan, of Comfort, and Mr. and Mrs. Lawrence Lindner and three little sons of San Antonio.

August visitors in the home of Mr. and Mrs. Lois Hasgelin have been Mr. and Mrs. Erwin Glaser and Vernon of Point Comfort. Miss Susie returned home with them after spending her vacation here. Other visitors have been Mr. and Mrs. Emil Haegelin and two children of Pasadena, Miss Peggy Jones of Hackley, Mr. and Mrs. Carlton Jenkins and nephew, and Mr. and Mrs. Wane Perkins of San Antonio, Mrs. Joseph Villemain of Pipe Creek, Mr. and Mrs. Charles Backhaus and four children of Austin, Mr. and Mrs. Julian Backhaus of New Braunfels, and Hugo Haegelin from the Haegelin Ranch of Hondo.

FARM CENSUS FIELD ASSISTANT FOR SOUTHWEST TEXAS APPOINTED

Appointment of Michael G. Dale of 1103 Algerita Drive, San Angelo, Texas, as a field assistant for the 1959 Census of Agriculture was announced today by the director of the Census, Department of Commerce.

Mr. Dale will direct a force of 20 crew leaders and 256 census takers in 37 counties in southwest Texas. Counties in which Mr. Dale will supervise the farm census this fall include: Bandera, Bastrop, Bexar, Blanco, Brewster, Brown, Burleson, Burnet, Caldwell, Coke, Coleman, Concho, Crane, Crockett, Culberson, Ector, Edwards, El Paso, Gillespie, Glasscock, Hays, Hudspeth, Irion, Jeff Davis, Kendall, Kerr, Kimble, Kinney, Lampasas, Lee, Llano, Loving, Mc, Culloch, Mason, Menard, Midland, Mills, Pecos, Presidio, Reagon, Real, Reeves, Runnels, San Saba, Schleicher, Sterling, Sutton, Terrell, Tom Greene, Travis, Upton, Uvalde, Val Verde, Ward, Washington, Williamson, Winkler.

Mr. Dale will enter on duty on September 23 and receive several days of training which will cover administration procedures and other duties and responsibilities connected with the job. He will be responsible for recruiting the crew leaders who will enter on duty on October 26. The crew leaders will in turn recruit the census takers who will enter on duty on November 18.

The 1959 Census of Agriculture will collect information on the number and size of farms, acreage and harvest of crops, livestock production and inventories, selected farm facilities, selected farm expenditures, farm values, and mortgage debt. Information will be published for counties, states, and the nation.

Mr. and Mrs. Walter Hillegeist and little daughter, Patsy Lee, of Marquez were week-end guests of her mother, Mrs. Aileen Fitzgerald and other relatives.

Mrs. Roy Kinnebrew and grandchildren, Debbie and Jennas of Point Comfort, Kinnebrew's parents, Mr. and Mrs. J. D. Yarbro, of Post, Texas. Mrs. Kinebrew then visited other members of her family, Mr. and Mrs. James Murphy of Ponca City, Oklahoma, and Mr. and Mrs. B. T. Fubanks of Mineral Wells, Texas.

Mr. and Mrs. Wm. W. Browne and children, Craig, Debbie, and Jennas of Point Comfort, have spent the past two weeks vacationing here with his mother, Mrs. Gladys Browne, and at Medina Lake where they are guests of her parents, Mr. and Mrs. Gilbert Fallon, of San Antonio.

Mr. and Mrs. Roy Kinnebrew had as their recent guests Captain and Mrs. H. A. Leas of Waco; Sgt. and Mrs. George Grafham and daughter of San Antonio, Mr. and Mrs. N. O. Gray of Nederland; Mr. and Mrs. C. E. Marsh and two sons of Nederland; Sgt. Charles Fletcher of San Antonio; Mr. and Mrs R. O. Crunette of Bishop, and Mrs. Raymond Ballard and children of Bishop.

Friends will be interested to learn that Mrs. Roy Kinnebrew was a guest in the home of Rev. and Mrs. Grayson Howell and family at Poth recently and she also attended services at the Calvary Baptist Church there where Bro. Howell is pastor. Mrs. Kinnebrew told a reporter that Grayson Howell, Jr., is in the armed services now and that the Howell's elder daughter, Lucy Ann, married last year. Bro. Howell is a former pastor of the Tarpley Baptist Church and the family has a host of friends in Bandera county.

Our WASHINGTON Letter

By Congressman O. C. FISHER

Refugees from behind the Iron Curtain have come to America as immigrants in vast numbers since World War II. Official records reveal that of the 1.8 million immigrants from Europe between 1946 and 1958, 456,000, or 25 per cent of them, came from behind the Curtain, chiefly from Poland which furnished 209,000.

During that same period, 282,000 immigrated from the United Kingdom, 377,000 from Germany, and 212,00 from Italy, etc.

These figures tell only a part of the total immigration story, however. Many have been admitted from Western Hemisphere countries, including an average of 50,000 annually during the past five years from Mexico. Puerto Ricans have literally swarmed in, at a rate of up to 100,000 a year.

The recent passage of the Landrum-Griffin anti-racketeering bill was, according to observers, a classic example of the workings of American public opinion. Three months ago few thought even a moderate bill against racketeering and corruption in union activities had a ghost of a chance in the House. But the American people — right otherwise, and they became very articulate about it. It paid off. The people called the shots, and virtually dictated the writing of the bill!

In the meantime, James Hoffa, the Teamster boss, apparently unaware of the workings of Congress, has announced a political action program all his own, to "elect pro-labor candidates for offices at all levels of government". He promises to make things a bit rough for those who have not voted "right", according to Hoffa standards!

WOOL WEEK IN TEXAS

The Governors of nearly every state in the Union has proclaimed the first week in September as Wool Week! Isn't that great? Now, if is up to all wool-minded people in each state to make it a bang-up success. No time for lying in bed and counting sheep—no time for wool gathering in our minds, but just be up and at 'em. We must all talk wool, sew wool, wear wool and eat lamb and pork. In fact, we can make wool, mohair, sheep and goat the topic of our conversations.

Most leading stores in each state will display wool and mohair fabrics, draperies and fashions in very prominent places. There will be exhibits, movies and slides on the many phases of wool and mohair and the operation of big ranches in different areas. Style shows of wool and mohair garments for the entire family featuring especially the college age, teens and children will be in the weeks schedule.

There will be a high-fashion wool and mohair style show and luncheon at the Menger Hotel in San Antonio on Tuesday, September 1st at 12:30 for which reservations must be made as they can accomodate only 400. You will see styles by the world's leading designers, Miss Wool of America, her first appearance, Miss Mohair and Miss Wool of Texas all for the price of $2.50. So hurry, hurry and get your name on the list. If you don't have time to write to the Menger catering office, you can call them at Capitol 3-4561

Jokes of Texas at San Antonio is helping carry the ball this year with a week-long schedule of events that begin on Monday, August 31st, and continues through Friday, September 4th. Buses have been scheduled to leave various towns on consecutive days to arrive in San Antonio for the "All Wool and a Week Wide at Jokes of Texas". A very complete and interesting program has been arranged by this famous store. The auditorium of Jokes will be a very popular place during Wool Week, so make plans now for a family trip to the city.

Let's all have a woolly good time and make our sheep and goats feel proud of what they are doing for us as well as our neighbors and friends all over the world.

Mr. and Mrs. R. L. Turner and children of Orange, Texas, are visiting Mr. and Mrs. P. E. Word of Bandera.

DIXIE DUDE WRANGLER TO APPEAR IN JOHN WAYNE PRODUCTION

Rudy Robins, head wrangler at the Dixie Dude Ranch, will join John Wayne and his associates at Brackettville soon after Labor Day to appear as one of the frontiersmen from Tennessee in the production of the story of the Alamo. Mr. Robins has been a favorite with the guests at Dixie Dude and is a talented entertainer. A successful future is predicted for him in motion pictures.

Guests in the home of Mr. and Mrs. LeRoy Daniels during the week-end were her sisters and their families, Mr. and Mrs. G. W. Lynch, Charles and Eva, and Miss Judy Soback of Austin, and Mabald Mrs. Cecil Ivy and Thomas of Midford, who brought home Jimmie, Ronnie, and Gary Daniels, who have spent several weeks visiting with their maternal grandmother, Mrs. B. L. Huggins, at Midland.

BLACK'S FORT WAS WHITE MAN'S REFUGE WHEN RED MEN WERE RAIDING

San Antonio Express, May 10, 1936

Burnet County has Black's Fort and a turbulent history. It was built by William Black, on land owned by him, in 1855. It stands by the side of the road, about one mile south of the Bertram-Lampasas road, and nine miles east of Burnet. It was built as a defense against the Indians. Guns and ammunition were kept there for public use. When Indians made raids in the country all men and boys in that section gathered at the fort, armed themselves and went out to battle. Among those who gathered at the fort for defense were the Boyce boys, who were good fighters and they later bought his place. Captain Hugh McCoy was their leader in the Indian raids. The pioneers played a heavy part here in the early days of Texas. William Black, who lived to be 92 years of age, lived here many years with his wife and eight children of whom Dr. C. C. Black, and J. M. Black, of Austin and H. Y. Black of Pittsburg, Texas, were his sons.

The house and a stockade were built of stone, in such a strong and substantial manner they are well standing in a fair state of preservation. The walls of the house are about two and one-half feet thick, and the big fireplace, windows, doors and floor-boards are just like he built them. The planks were made out of hand-hewn cedar boards. Also the portholes in the walls, through which they fired at the invaders. The original rafters are there, although the roof has been partly replaced. There is the stone-walled corral of good proportions, much of it still standing, with the walls thick and high. Here the pioneers put their stock and wagons and cattle in the corral to protect them from being destroyed by the Indians. There was also a stockade made of large cedar poles, and close by stands the stone springhouse over the spring of water, with the same old stone floor hollowed out so that the pans of milk might stand in the cool water as it flows over its floor. The place is very picturesque and easily accessible.

Many families was massacred in this district, but Black's Fort was strong and resisted all attacks. And it cared for all families who came there and stayed at intervals while the Indians were raiding that section of the state. We are told that often times at night the floor was covered with people sleeping on blankets, who had come there for refuge.

An interesting incident was when William Black heard that the Indians were making raids in that section, and he feared that they might come and get an especially fine stallion that he owned, so he told his oldest son to bring the horse to the south of the house, leading him by a halter and strong rope, and to draw the horse up against the back window and hold him there, with the boy on the inside of the room. The boy, who was 14 years old, did as he was told the best he could. He was supposed to hold the horse all night at the window, with a six shooter lying on the window sill. Unfortunately, he fell asleep and in the night the Indians came, approached the house and cut the rope that the boy was holding and let the horse off. Imagine the boy's chargin upon awaking in the morning! We could mention many other interesting events like this.

Black's Fort was abandoned as a fort in 1868, and thereafter was used just as a home. The land surrounding it later became one of the best farms in that district.

FRONTIER PRINTING IS SOLD BY HUNTER

Grand Prairie, Texas—Frontier Printing Co., Grand Prairie's largest job-printing business, has been [illegible] Associates, a Dallas investment firm, for an undisclosed sum, Jarvis Hunter here announced today.

President Hunter, Marvin Hunter said the sale of the firm, located at 2210 W. Main, would lead to the installation of much new equipment and a quadrupling of the business serviced. The firm name will go unchanged.

Howard Mauldin, of Highland Park is one of the principal stockholders in the purchasing firm, and Charles L. Clark of Fort Worth will be foreman-manager. Clark is noted as one of the outstanding lithographers in the area.

Both Mauldin and Clark plan to move to Grand Prairie, Hunter said.

Hunter, a veteran West Texas publisher who has lived here eight years, said he has no definite personal plans at present. He indicated he would probably continue living in Grand Prairie and would assist the new owners in getting oriented in the printing plant.

"There's no place like Grand Prairie for living and making a home," declared Hunter, a past-president of the Chamber of Commerce.

Plans for the new firm include doubling the press capacity and the installation of a larger camera for offset reproduction. The building also will be enlarged.

Hunter said he and his wife and daughter, Carlie Sue, are planning to attend the Graphics Arts Exposition in New York City, September 6-12. They reside at 714 NW 16th and are active in the Dalworth congregation of the Church of Christ.

MRS. LOUIS STROHACKER MAKE IT YOURSELF WITH WOOL" CONTEST DIRECTOR

Girls in this area can obtain entry blanks for the Texas section of the "Make It Yourself With Wool" contest directly from Mrs. Louis Strohacker of Kerrville, Texas, who has been appointed contest director for this district.

Mrs. W. R. Henke says that the contest, which is sponsored by the Wool Bureau and the Women's Auxiliary to the Texas Sheep and Goat Raiser's Association is open to all girls between 14 and 22 years of age. Entrants have only to make a dress, suit or ensemble of their choice of all-wool fabric. There are numerous district, state and national prizes which include scholarships, U. S. savings bonds, Singer sewing machines, and a two-week all expense paid trip to London, Paris, and Rome, for the national grand prize winners in the junior and senior divisions.

The purpose of the contest, which is endorsed by the National Education Association, is to encourage girls to sew with wool so that they may become experienced with the fabric—with its varieties, its characteristics, and with the best techniques for cutting, sewing, shaping and pressing wool garments.

Girls may enter at any time between now and October 15th. Entry blanks have been sent to County Home Demonstration agents and Homemaking Departments throughout the state. At this time it has not been decided as to wheer the district finals will be held, but state and national finals will be held in San Antonio in January.

Interested in encouraging the development of talent in youth several companies are awarding prizes for this year's contest. These are Coats and Clark, Inc., Colorado Woman's College, John Deitz and Sons, Marvella Pearls, McCalls Patterns, Singer Sewing Machine Co., and the Woolite Company.

Mills awarding fabric lengths are Burlington Retail Fabrics, Dorman Mills, Forstmann Woolen Co., Lebanon Woolen Co., Pendleton Woolen Mills, Sag-No-Mor Jersey by Wyner and Standard Felt Co.

Travel expences for the 40 national finalists to San Antonio for the national finals next January are contributed by F. W. Woolworth Company. Pan American World Airways provides the Trans-Atlantic jet flight to Europe for the two grand prize winners.

Mr. and Mrs. Leon Shields of the Corner Drug Store are driving a pretty new Ford, which they purchased from Horsman Motors last week.

Mrs. Ruth Spivey, Mrs. Bernice Lench, and Mrs. Pat Cox of Center Point, accompanied by Mrs. Cox's daughter, Mrs. Marie Rees, of San Antonio, visited in the homes of Mr. and Mrs. R. P. Cox, Mr. and Mrs. T. C. Rayfield, and Mr. and Mrs. Len Rayfield Monday afternoon.

GOVERNOR PROCLAIMS "WOOL WEEK"

Governor Price Daniels has declared August 31st through September 6th to be Wool Week."

Monday, Texas is to embark on a tour to promote wool products in all its many departments.

Each day of the week, there will be a tour of some department of the store, featuring a particular wool growing area of South and West Texas.

Tuesday, Texas invites everyone to attend a High, Fashion Style Show and luncheon at the Meager Hotel. Reservations, $5.00 per person, may be made directly with the Menger by calling CA 2-4351.

Thursday, September 3, has been designated Hill Country Day. On the agenda will be a tour of Joskes Store, a luncheon, and style show, and transportation to and from San Antonio. Joskes is providing a bus which will leave the Kerrville Bus Station at 7:30 a.m., on Thursday morning and will depart from San Antonio at 5 p.m., that afternoon.

Everyone in the Hill Country area, interested in the promotion of wool, is invited to enjoy a pleasant day as the guest of Joskes.

Reservations may be made by calling or writing Mrs. Jack Groff in Kerrville, Texas, or Mrs. W. R. Henke, also in Kerrville.

MRS. NIOBE HALL
Phone SW 6-4432

Mrs. Woodrow Schmidt of Medina has accepted a position as clerk at the Bandera Food Market. She will be remembered here as the former Miss Ebbie Hubble, daughter of Mrs. Henry Hubble of this city.

Jack Burnes, who is employed at Freeport, spent several days here visiting with his wife and children this week.

Mrs. Thomas F. Boyle visited in San Antonio last week with her daughter and family, Mr. and Mrs. Dick Stevens and two children.

Mrs. Lona Jackson, local florist, visited with relatives at Brady Friday night and went to Brownwood Saturday where she purchased many beautiful blooming pot plants and planter material, with which to restock her green house.

CARD OF THANKS

We wish to thank everyone who was so kind to us and helped us when Mr. Clark underwent surgery at Temple. We especially thank the V.F.W. for all their assistance and for making it possible for Mrs. Clark to spend a week in Temple. We will always be grateful for the help of our dear friends and neighbors who were so thoughtful and helpful and may God bless his kindness.

JIMMY L. TEEL'S HAVE BABY DAUGHTER

Friends will be happy to learn of the arrival of a pretty little baby girl, Tammy Susannah, at the home of Mr. and Mrs. Jimmy Teel in Compton, California, on August 19th. The young lady tipped the scales at 8 pounds 2 ounces, and is being welcomed by an older sister, Debra, as well as her grandparents, Mr. and Mrs. E. R. Teel, of Bandera, who have spent the past month visiting their son and family in California. Mr. and Mrs. Teel are expected to return home to Bandera this week-end.

BANDERA MEN WITH GUARD UNITS

Gathering from dozens of South-west Texas communities, more than 900 Air Force reservists left San Antonio on August 16 for a two-week [illegible] of training at their summer encampment at Bakalar Air Force Base, Columbus, Miss. Included in the group were A/1c Samuel Rhea Kalka, youngest son of Mrs. Agnes Kalka of Bandera, and Rose M. Bailey, First Sgt. of the Air Police Squadron, and husband of Mrs. Lois Bailey of Bandera.

During their tour of duty at the Indiana base, the Alamo Wing reservists, received special training in a wide variety of new aerial war techniques and engaged in joint operations with the U. S. Army paratroopers.

TEXAS CHAMPIONS OF FREEDOM

CAPTAIN JOHN YORK

Gallant Pioneer and Defender of His People

Among the many "tall Texans" who lived too courageously ever to be forgotten, and too quickly to make the headlines of history, the name of Captain John York stands out. In 1829 John York came to Texas with his family, settling near San Felipe de Austin, at the future site of Industry, in what is now Austin County.

First, there was Indian fighting to be done. Then, there was Texas independence to be won. John York led a company of his neighbors, volunteers, to San Antonio where he joined Ben Milam in the historic siege of Bexar. Home again, he was given a half-league-and-a-league of land in the new Republic of Texas which he had helped to create. Later he was to do service for the new State of Texas. In 1846, for a sale price of just $1 cash, his land became the site of Yorktown, in the newly formed county of DeWitt.

But Captain John had only a few weeks in which to watch the settlers and their families coming in to build his town, and his dream of the new Texas. Marauding Indians soon threatened little Yorktown, and the Captain's leadership was needed again. He didn't learn from the first retaliatory expedition. Captain York was killed in October 11, 1846—a champion of freedom so the last.

Today Texans still demand and get their right to choose the way they want to live. In this vigorous and freedom-minded homeland, "Beer Belongs" and this is why the United States Brewers Foundation works constantly, in conjunction with brewers, wholesalers and retailers, to assure the sale of beer and ale under pleasant, dignified conditions. Believing that strict law enforcement serves the best interest of Texans, the Foundation stresses close co-operation with the Armed Forces, law enforcement and government officials in its continuing Self-Regulation program.

CHEVROLET

most m.p.g. *miles per gallon

one of 7 big bests Chevrolet gives you over any car in its field

Proof that Chevy delivers the most miles from a gallon comes from an indisputable source: this year's Mobilgas Economy Run. For a pair of Chevrolet sixes with Powerglide walked away with the first two places in their class —got top mileage, in fact, of *any* full-sized car. Over the Run's long, rugged course, over mountain and desert in the long, long haul from Los Angeles to Kansas City, the winning Chevrolet averaged a whopping 22.38 miles per gallon. That's the kind of economy-engineering that keeps you saving while you drive!

BEST STYLE—It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

BEST BRAKES—In competitive tests of repeated stops from highway speeds, conducted by NASCAR*, Chevy outstopped both of the "other two." Naturally—Chevy brakes with bonded linings are far larger, built to lengthen brake life by up to 66%.

BEST TRADE-IN—Look at the record—the used car prices in any N.A.D.A.† Guide Book. You'll find that Chevy used car prices last, year averaged up to $128 higher than comparable models of the "other two."

BEST ENGINE—Chevrolet engines have long won expert praise and, just recently, Chevrolet received the NASCAR Outstanding Achievement award for "the creation and continuing development of America's most efficient V-type engines."

BEST ROOM—Official dimensions reported to A.M.A.‡ make this abundantly clear. Chevy front seat hip room, for instance, is as much as 5.9 inches wider than in comparable cars.

BEST RIDE—MOTOR TREND magazine names Chevy "... the smoothest, most quiet, softest riding car in its price class." But this is one Chevy feature you really should discover for yourself, at your Chevrolet dealer's. Stop by soon!

Texas A. & M. College Extension Service

Botulism or Limberneck in Poultry

Botulism, which most poultrymen call limberneck, generally occurs in the spring or summer months following rains, says Dr. John R. Watkins of the Texas A&M Department of Veterinary Medicine. The disease is caused by eating decomposing food and animals, decaying vegetation covered by water, or moldy feed. For prevention, you must remove or withhold the material which might serve as a possible source.

Maize, which is harvested with too much moisture content, can become moldy and cause this disease. Maize is a good feed for chickens, but it is a good idea to check it over feeding to make sure it was not harvested with a high moisture content or become wet and moldy.

Keep Hogs Cool

Are you keeping your hogs cool? If not, says T. O. Tankersley, extension animal husbandman, you are losing money. Hogs do not sweat and their efficiency is seriously hampered by high temperatures if pigments are not made to keep them cool.

Fattening hogs will do their fastest and cheapest gaining when the temperature is around 60 to 75 degrees. The closer to market weight a hog gets, the cooler he needs to be to make the best gains. When the temperature rises to 90 or 100 degrees, the average porker will need about twice as much feed to put on the same gains as he needs at the lower temperature.

Control Rats

Rats are on the increase again and are being seen in places where they had not been before. One rat eats about $20.00 per year. It doesn't take long for damage losses to pile up. Rats and mice destroy much more feed than they contaminate. They also spread disease and filth; one of the most common diseases attributed to rats is Typhus.

One good way to fight rats and mice is to use anticoagulant poison baits. Care must be taken in using this bait since it affects all warm-blooded animals.

Rats and mice have to eat the bait three to five times before it will kill them. It has to be kept out until you have controlled the pests. Cats, which eat the rats that have eaten the anticoagulant bait, will also be affected if they eat enough rats. If you have a valuable pet cat, while using this bait, it would be wise to keep it away from the barn or shed where the rats are located.

Goat Production

"Texas Angora Goat Production" is the title of a new bulletin released by the Texas Agricultural Extension Service which should be of interest to both present and prospective raisers, as it discusses Angora goats from the time you select your breeding stock to the marketing of mohair and goats.

Texas has 90 per cent of the Angora goats produced in the United States, says J. A. Gray, extension animal husbandman and author of the bulletin. Goats are very useful in helping to control some types of brushy land and help control sprouts on some types of cleared land.

They are adapted to high, rough land, since they are excellent climbers and good travelers, Gray says. They need a good water supply and year-round browse. If they have access to green browse or green grass their fleeces will be heavier and contain more natural oil.

Producers recognize the importance of size and good conformation in Angora goats. They still differ about the types of fleeces. Differences in types of fleece are associated with types of lock. Three principal types of locks are ringlet or C type, flat lock or B type, and the web lock.

NEW LAWS REGARDING THE ISSUANCE OF MARRIAGE LICENSES

County Clerk Roscoe Hayes has received the revised laws for the issuance of marriage license which are as follows:

Marriage License
H. B. No. 48
56th Legislature

An Act relating to the requirement of consent of parent or guardian of certain parties before said parties may marry or a marriage license be issued to them; and relating further to the issuance of marriage licenses by the county clerk after a prescribed period of three (3) days from the date of the filing of the application; amending Article 4605, Revised Civil Statutes of Texas, 1925, providing the county judge may waive certain requirements; and declaring an emergency.

Be it enacted by the Legislature of the State of Texas:

Section 1. Article 4605 of the Revised Civil Statutes of Texas, 1925, is amended to read as follows:

"Article 4605. Consent of parent or guardian and issuance of license.

"(a). Any unmarried male of the age of twenty-one (21) years or upwards, or any unmarried female of the age of eighteen (18) years or upwards and not otherwise disqualified, is capable of contracting and consenting to marriage; but no female under the age of eighteen (18) years and no male under the age of twenty-one (21) years shall enter into the marriage relation, nor shall any license issue therefor, except upon the consent and authority expressly given by the parent or guardian of such underage applicant in the presence of the authority issuing such license; provided further that if the certificate of duly licensed medical doctor or osteopath, acknowledged before an officer authorized by law to take acknowledgments and stating that such parent or guardian is unable by reason of health or incapacity to be present in person, is presented to such licensing authority, the license may issue on the written consent of such parent or guardian, acknowledged in the same manner as the accompanying medical certificate. Any such certificate and written permission shall be filed by the official issuing the marriage license, together with the returned license. Nothing herein shall be construed to effect the issuance of a marriage license in a seduction prosecution. If a minor has neither parent or guardian, then the clerk shall not issue a license without the consent of the county judge of the county of the residence of such minor, such consent to be in writing and signed and acknowledged by such county judge.

"(b). The county clerk, upon application in writing signed and sworn to in person before him by both of the parties to be married setting forth their places of residence and setting forth their full names and ages as the same appear upon a certified copy of birth certificate, or upon a current motor vehicle operator's, chauffeur's, or commercial license or upon a current voter's registration certificate, or upon a current passport or visa or upon any other certificate, license or document issued by the United States or by any of the departments of any nation or of any state or other governmental subdivision thereof, when each such document accepted as proof of identity and age is described with reasonable particularity in the application shall also set forth that such persons to be married are not disqualified or incapable of entering into the marriage relation, nor of the relationship prohibited by law, and being satisfied of the truth and sufficiency of such application and that there is no legal impediment to such marriage, and after application for such marriage license has issued, shall issue the license authorizing such marriage; provided however, that in the event the male party is under the age of twenty-one (21) years or the female party is under the age of eighteen (18) years such application shall have been on file in the County Clerk's office for a period of not less than three (3) days.

"(c). Provided however, that the county judge in his discretion may waive the requirements listed in (a) and (b) above."

Sec. 2. The importance of this legislation and the crowded condition of the Calendar in both Houses, create an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and this Rule is hereby suspended, and that this Act take effect and be in force from and after its passage, and it is so enacted.

CLIMATE IS IMPORTANT IN RANGE MANAGEMENT

By Thomas N. Shiflet
Range Conservationist

Climate is of prime importance to the rancher in that it determines what and how much range feed he can grow. An analysis of the rainfall and temperature records of the Bandera Soil Conservation District points out the need for flexibility in ranching operations in order to keep production on a sustained basis.

The average annual rainfall through 1956 was approximately 28 inches at Bandera. If this amount was received every year, management would be below the average. A few years receive the average amount and the remainder are above. Past history indicates that one-fourth of the years will fall below 21 inches. If history repeats itself we can expect 14 per cent of the years in the future to be drought years, receiving between 10 and 20 inches of rain. This shows that droughts are a definite part of any climate and special management is required to offset their damaging effects. It is neither practical to have management on the wet years nor on the dryest years. If ranges are stocked for the "wet years, severe overgrazing will occur six out of ten years when average or less rainfall is received. Stocking for the drought years will result in wasted forage during the wet or seasons. Many conservation ranchers have found that best results are received by basing management 20 to 25 per cent below normal. Extra forage grown in wetter years is utilized by buying stocker animals in the fall, holding over calves and lambs or taking in livestock on a leased basis. Stocker animals can be sold off readily when dry weather occurs. This system enables them to maintain a stable breeding herd and a reserve of forage for the worst years. It also permits ranges to improve and increase in productivity. As one rancher put it, "I can make a profit each year instead of making a lot one year and spending it all or more for feed the next." Higher or less fall months are April, May and September. This is also the season of hard rain which produce high runoff and erosion unless adequate cover is present. Research has found that 70 percent of the erosion takes place during April and May. This points up the need for grassing ranges so as to keep a good cover throughout the year. Water that runs off cannot be used to grow forage and carries valuable topsoil with it. Good cover during this period will assure maximum moisture storage needed to carry the plants through the dry months of July and August.

Highest temperatures occur during July and August when rainfall is low. Management pointed toward leaving good cover at this time to keep evaporation down and the soil cool. Where soil is bare, soil temperature will reach 140 degrees. This results in high evaporation and weak plants. When soil temperature goes to 130 degrees, all available moisture is used up and the plants fail, dying rather than growth. At 140 degrees soil bacteria die. Where cover is good soil temperature will stay in 5 degrees below air temperature resulting in low evaporation and the use of available water for plant growth.

Droughts of two years length can be expected about every nine years with more severe ones occurring every 15 to 20 years. Ranges properly stocked and in good condition can weather a short drought without much damage to vegetation. When droughts of longer duration occur livestock reduction is necessary to prevent extensive damage to the vegetation and soil.

CONSERVATION * DEVELOPMENT
BANDERA SOIL CONSERVATION DISTRICT
SELF-GOVERNMENT

Clay Ferguson, of Pipe Creek, has recently completed working out a Basic Conservation Plan with the Bandera Soil Conservation District. Ferguson, with assistance from local Soil Conservation Service technicians, has developed his plan to include conservation cropping, improved pastures, range improvement, and wildlife management. The Plan is based on current inventory of soil and range conditions. It is designed to provide the maximum production from each acre and at the same time practice good conservation ranching. Ferguson plans to begin clearing some brushy areas this winter. Next Spring he will begin deferment of one or more pastures and reseed some areas of rangeland with adapted grasses. The Bandera Soil Conservation District now has a total of 268 signed agreements between ranchers and the District. This represents approximately 70 per cent of the total farmers and ranchers in the District.

* * *

Many grasses are short-lived, therefore a continuous seed supply is needed to provide new plants to replace old ones that die. Timely deferment at the seeding time must be provided so that seed production can be achieved.

* * *

Grass production and livestock production go hand in hand.

* * *

Olan W. Dillon, SCS Biologist, is interested in obtaining a representative sample of dove and quail crops from birds killed this season. The crops are analyzed and the resulting information is used in working on wildlife management assistance to SCD cooperators. These studies have been going for some time and have proved very beneficial. Anyone who would like to help with this study is asked to bring the bird crops to the local Soil Conservation Service office in Bandera where they will be sent to Dillon. Information must accompany the samples as to where killed and the date.

* * *

Height of grasses in that deferred pasture does not always mean that the grass plants are vigorous. Check for foliage near the bottom of the plants, and if it is sparse at the end of the deferment period, it will pay you to defer the same pasture again during the growing season in 1960.

ALL-STAR HOLLYWOOD CAST

STARLIGHT PLAYHOUSE TO PRESENT FINAL PERFORMANCES NEXT WEEK

If you have been planning to attend some of the performances at the Hollywood Starlight playhouse at the Frontier Town at Mayan Dude Ranch and have not done so, you have missed a rare treat. The final performance at this outstanding theatre will be presented on Sunday night, September 6th, with the usual schedule of comedies being presented this coming week.

On Monday night, August 31, "The Temporary Husband," will be presented.

A special performance of "The Little Hut" is slated for Tuesday night, September 1st. The Bandera Cowboys, our local baseball team, are sponsoring this performance and team members will be out promoting ticket sales. Tickets for this performance may be purchased in advance from members of the baseball team or at the Frontier Drug or the Corner Drug Store. Support your local baseball club and enjoy an evening of superb entertainment when you see "The Little Hut" at the Starlight Playhouse at Mayan Ranch Tuesday night.

On Wednesday night "Bachelor's Delight" will be presented and on Friday night the regular performance of "The Little Hut" will be held.

Last Sunday night the old-time "mellerdramer," "Ten Nights in the Wrangler's Roost," was presented to a very appreciative audience and this spectacular comedy is scheduled to be presented again on Sunday night, August 30, and on September 6, which will be the final performance at the Hollywood Starlight Playhouse this summer.

Accordign to Art Names, director nice crowds have been in attendance at the performances. Mr. Names says his cast has made many friends among local residents as well as tourists and guests who have been in Bandera this summer. He also expressed his appreciation to local merchants and businessmen for their cooperation.

So if you have not had the opportunity to see any of the delightful three act comedies presented by the Hollywood Starlight Playhouse cast, be sure to take advantage of this fine entertainment one night this next week.

SONG OF BANDERA RELEASED

The "Bandera Polka," a beautiful new song about Bandera has been released by Sarge Records, and according to those who have had the pleasure of hearing it, the song definitely is a credit to our lovely little town.

Records are being dist buted locally by Jack Jones Music Enterprises and records may also be purchased in several of the local stores.

The lyrics of the song were written by a Bandera resident, Mrs. E. M. (Judy) Pue. The music was composed by Carl C. Brown of San Antonio in co-operation with Millard T. (Red) Baker.

QUARTERLY MEETING COUNTY UNIT OF CANCER SOCIETY

The quarterly meeting of the Bandera County Unit of the American Cancer Society will be held on September 3 at 2:00 p.m. at the Episcopal Parish House.

Mrs. Clay Short, president of the Bandera County Unit, requests Board members as well as officers to attend this first meeting of the new year for the Bandera Unit as it is a most important meeting. Miss Nelda Jean Kalka

JEAN KALKA AND WILLIAM NEWMAN WILL WED

Mr. and Mrs. Frank Kalka announce the engagement of their daughter, Nelda Jean, to William Hale Newman, son of Alvin J. Newman of Yancey and Mrs. Alvin J. Newman of Hondo.

The bride-elect was graduated from Bandera High School in 1958 and is employed as a teletypist with the Telephone Company of San Antonio.

Her fiance graduated from Hondo High School in 1957 and is employed with the State Highway Department.

The wedding will take place Saturday, October 10th, at 9:00 o'clock in St. Stanislaus Catholic Church.

BULLDOGS LOOKED GOOD IN FIRST SCRIMMAGE

The Bandera Bulldogs team looked good in their first scrimmage against the St. Mary's Indians of Fredericksburg last Thursday night. The bulldog team scored three times while holding the Indians scoreless. Larry Stein scored once on a good run through the middle while Royce Stevens scored twice with passes from Kalka and Knibbe.

Two other scrimmages are scheduled at this time with Peacock Military Academy. The Bulldogs will scrimmage at Bulldog field Saturday night.

Coaches Waldrum and Eichman are well pleased with the showing the squad made. While the team is much lighter than in the past, it appears that it will be much faster in both the line and backfield.

Coach Waldrum is trying to have two backfields that can move the ball with the same results. It appears that the backfield will be composed of Junior Ramos, QB; Schlaeger, FE; Cottingham and Roger Ramos at half back. In the other backfield will be Kalka at QB, Knibbe at fullback and Stein and Alanis at halfback. Bryan King may very well fit into either backfield.

The Coach's main worry is reserves for the line. The line will be composed of lettermen John Stein, Ernest Schlaeger and Jerome Edwards, at tackle; Jerry Adamietz at center; Clemens Haun, Charlie Walker and Lon Cottingham at guards. New squadmen Roger Poe and Royce Stevens are at ends. Reserves for these positions include Charlie Eckhart, Larry Stein, John Focke, Pat Locklin, Walter Causey, Herman Frerich, Tommy Adamietz, Don Adams and Chuck Jones.

Coach Waldrum is trying the following boys on defense: Ends, Larry Stein and John Stein; tackles, Clemens Haun and Jerome Edwards; guards, Jerry Adamietz, Bryan King, Junior Ramos; line-backers, Kenneth Kalka, Ernest Schlaeger, John Alanis; half-backs, Terry Knibbe, Royce Stevens, Lon Cottingham and Roger Ramos.

The squad has dwindled from 28 to 24 players. This is the smallest squad of recent years. Too squad is shrinking on seeing Dilley and Sabinal, two of their early opponents, play tonight.

Coach Frank Eichman has been assisting Coach Waldrum the past two weeks and is a great asset to the team.

Guests of Mr. and Mrs. Vic Stevens the past week were Jack and Sharon Stevens of Odessa, Janyce Stevens of Kerrville, Messrs. Claude Denton Jr., Louis Gunter and Dave Clegg of Driscoll, Miss Ruby Hillman of San Antonio and Mr. and Mrs. Len Rayfield of Bandera.

RIBBON CUTTING CEREMONIES LAST TUESDAY

At about 5 p.m., Tuesday evening a large delegation of highway officials, County and city officials, Chamber of Commerce personnel, ranchmen and business men from Hondo, Kerrville, Devine and Bandera, gathered at the Bandera-Medina county line for ribbon cutting ceremonies to officially open the just completed new highway through Bandera. This new Farm-to-Market road, a twenty-mile stretch, cost $1,360,000.

H. C. Petry Jr., chairman of the Texas Highway Commission served to cut the ribbon after which the group came to Bandera for a very delicious chicken barbecue at the Lions Hudspeth Park on the river near town, served by the Bandera Home Demonstration Clubs.

Joe Briscoe of Devine served as master of ceremonies and introduced Mr. Petry who delivered a splendid address, and Rev. Victor Schmidtzinsky offered the invocation.

Visiting dignitaries from Kerrville numbered 35, from Hondo, 65; from Devine, 17; and from Bandera about 75.

This highly harmonious meeting was a most enjoyable affair, and the people of Bandera county are rejoicing that this road is now complete and offers travelers through this area a beautiful, scenic drive as well as a safe one.

INJURED IN AUTOMOBILE WRECK SUNDAY

Friends will be sorry to learn of the serious injuries sustained by Mrs. Eulola Davenport, and Mr. and Mrs. W. J. Bartley of San Antonio, and Mrs. Hannah O'Connell of Medina Lake when they were in a car wreck about 4 p.m. Sunday as they were enroute to their home after a visit at Lake McQueeney. Mrs. Davenport and Mrs. Bartley will be remembered here as the former Eulola and Margaret Stevens, sisters of Mrs. C. C. Risinger and Claude Stevens of Bandera. Mrs. O'Connell is the mother-in-law of Mrs. D. M. O'Connell of Medina Lake, who is the former Miss Clara Belle Hillman of Bandera.

The accident occurred near New Braunfels when another car turned right in front of the Bartley car, causing the two to collide. Mrs. Bartley was driving at the time the accident occurred. All occupants of the Bartley car were seriously injured, all having broken bones in their legs or arms, and Mr. and Mrs. Bartley also sustained serious chest injuries as well. He was thrown through the windshield and is also suffering from severe cuts.

Mr. and Mrs. Bartley and Mrs. Davenport are in the Santa Rosa Hospital in San Antonio where Mrs. Bartley is under treatment and undergoing surgery. Mrs. O'Connell is a patient at Brooks General Hospital in San Antonio.

HOLLYWOOD STARLIGHT PLAYHOUSE LAST PERFORMANCE TONIGHT

The performance to be presented by the Hollywood Starlight Playhouse at the Mayan Ranch will be presented tonight, Friday, at 8 o'clock instead of Sunday night as had been previously announced. So be sure to see the old-time "Mellerdramer" entitled "Ten Nights in the Wrangler's Roost" tonight, as this will be your last opportunity.

Bandera has been fortunate to have such talented entertainers as Art Names and his cast and we regret to see them leave. The Hicks family of the Mayan Ranch is to be commended for bringing such excellent entertainment to the Hill Country, and everyone is looking forward to more performances at the Starlight Playhouse in the future.

BANDERA FIRE DEPARTMENT MAY LOSE KEY RACE

Fire Chief Frank Mansfield of the Bandera Volunteer Fire Department handed the editor the following self-explanatory letter this week, which we print in its entirety.

August 24, 1959

Chief Frank H. Mansfield
Bandera Volunteer Fire Dept.
Bandera, Texas.

Dear Chief Mansfield:

We have your letter of August 22, advising of the difficulties in getting sufficient attendance at your drills.

We would suggest that you impress upon the members that if attendance continues to be poor, a possible 10c increase in your key fee is in order, for the possible loss of your protected status with a key rate of approximately $1.00. We would point out that the citizens of Bandera additional premiums on their fire insurance.

We trust that you can bring up the interest in your department with increased attendance at drills.

Very truly yours,
Commissioner of Insurance

SCHOOL LUNCHES ARE A BARGAIN

Does everyone realize what a wonderful school lunch program we have in Bandera? If you have not done so, visit the lunch room—see the clean attractive kitchen, and eat one of the good, well-balanced meals served there. The public is invited to eat lunch at the school anytime.

We urge parents to have their children buy lunch tickets and eat at the school every day. Where else on earth can you buy a complete meal with milk and dessert for 20c—you can't eat at home that cheap and you certainly can't drive a car back and forth anywhere for 20c.

A good hot meal at noon will make a student feel better and do better work and besides keep the young people off the streets during the lunch hour. The problem of the speeding cars at noon is going to have to be met some way and it seems that eating at school is the best way.

So let's all cooperate with a really wonderful program, give our children a nourishing lunch and keep them off the streets at noon.

Mrs. Art Kitzman

ANNUAL OLD TRAIL DRIVERS TO MEET IN OCTOBER

The Old Trail Drivers Association of Texas will hold their Annual Convention at the Gunter Hotel, San Antonio, Texas, on October 1, 2 and 3, 1959.

An interesting program is being arranged for each day of the convention and the Daughters and Wives of Texas Trail Drivers will be in attendance.

All descendants of Texas Trail Drivers and Pioneer Texas Settlers are cordially invited to attend the convention and register for membership. Information regarding the convention and membership may be had by addressing: Old Trail Drivers Association of Texas, 515 West Lubbock St., San Antonio, Texas.

DEWEY CALDWELL KILLED INSTANTLY IN CAR WRECK

Friends and relatives here learned with deep regret of the death of Dewey Caldwell, age 55, who died in a car wreck near Marian, Alabama, on August 14.

His mother, Mrs. Deley Clark, reported to a Bulletin reporter Monday that he was taking his sister-in-law to see her mother, Mrs. Annie Doris Whitehouse, when his car was in a wreck with a fish truck. He was killed instantly; as was also his sister-in-law and her unborn baby.

Mr. Caldwell is well known here as he resided here many years. He is survived by his wife, Lunh, and one adopted daughter; other survivors are one sister, Evelyn Grace Fife, of Alabama; one brother, Clinton Whitehouse of New Jersey; three sisters, Mrs. Emory Brown of San Antonio, Mrs. Edward Verbey of Uvalde, Mrs. Dick Graham of Leon Springs; brothers, Gleason Clark and Jesse Clark of Privilege Creek, Harvey Clark and Oscar Clark of Leon Springs and his mother, Mrs. Deley Clark, of Boerne.

FIVE DELEGATES TO ATTEND DISTRICT FWC AMERICAN CANCER SOCIETY

Five official delegates representing the Bandera County Unit of the American Cancer Society will attend the District Five Annual meeting of the society's Texas Division, it was announced today by Mrs. Clay Short, president.

The District meeting which will be held on Wednesday, September 16th, at Fort Clark Guest Ranch in Brackettville will be attended by Mesdames Fred Briggs, Joe Hensley, E. M. Pue, Melvin Rossman and Clay Short.

These delegates, the Bandera County President stated, are charged with the responsibility of being representative directors for our district who will serve on the board of directors of the Texas Division. In addition they will discuss with the State and District cancer leaders the many problems of developing a more effective educational control program for the communities and state.

Presiding at the program which begins at 10 a.m., and concludes at 5 p.m., will be State District Directors, Mrs. Tom Heard of Brackettville, Perry Kallison and Dr. Robert R. Nixon, M.D., of San Antonio.

Highlights of the program include a luncheon address by General Albert N. McCoy, Retired, Commanding Officer of the Army Medical Service School in San Antonio and a director of the Southwest Research Institute. Also on the program will be Charles N. Burrows, Ph.D., chairman of the Department of Sociology of Trinity University and Curt W. Reimann, Executive Director of the Texas Division of the American Cancer Society.

"Since we estimate that one-third of the 11,500 Texans who died of cancer last year, needlessly," Mrs. Short declared, "We feel that our job of cancer control has just begun."

BOB MANSFIELD PURCHASES NEW CONSERVATION STAMPS

Pictured above is Bob Mansfield, Chairman of the Board of Supervisors of the Bandera Soil Conservation District making the initial purchase of the new commerative Soil Conservation Stamp from H. J. Risinger, postmaster at Bandera. The new stamp honoring soil conservation districts, their officials and the assisting technicians, went on sale on August 21, at the Bandera and Medina postoffices. Mansfield says that in the future all District mail will carry the new stamp featuring soil and water conservation. Postmaster Risinger and Mansfield urge all friends of conservation to ask for the stamp when purchasing stamps to further promote the cause of soil and water conservation.

SPEED LIMITS IN SCHOOL ZONES TO BE ENFORCED

Signs are being placed on streets at the Catholic School and the Bandera Public Schools reminding motorists of the 20 mile per hour speed limit in school zones. Everyone is asked to please abide by this speed limit and take precautions when driving in school zones. Even if you are in a big hurry, when you pass the school house, please slow up because nothing is more important than the safety of our children. The 20 mile per hour speed limit will be enforced and all violators will be fined, so please abide by the law and respect the speed limit.

BANDERA SHERIFF RECEIVES 'FAIR WARNING'

Sheriff R. B. Miller was warned by a San Antonio woman that if he did not call her husband and have him come back to Bandera and get her, she would steal a car in which to drive back to San Antonio. Sheriff Miller thought the woman was "just talking" and did not heed her warning, but she meant exactly what she said because she stole a car here Monday night and returned to San Antonio in it. The automobile has been recovered, but the woman has not been found as yet. Sheriff Miller says, "She was honest and at least gave me a fair warning."

Joe Bennett of Boerille was a guest in the home of Mr. and Mrs. Bob Mansfield last Sunday.

RODEO TO BE HELD AT MANSFIELD PARK SEPTEMBER 6

A big rodeo, sponsored by the Bandera Chamber of Commerce, will be held at Mansfield Park on Sunday, September 6, at 8 p.m. Barbecue will be served on the grounds beginning at 5 p.m.

Rodeo events will be the ever-popular calf roping, bull riding, bare back riding, goat roping and sacking, steer dogging, and barrell races. Books will close at 3 p.m., Saturday, so if you are interested in entering any of these events, please call SW6-3981 before that time.

Admission for adults will be $1.50 and 75c admission will be charged for those from 10 through 17 years of age. Children under 10 years of age will be admitted free of charge.

HOWARD DENSON'S BROTHER DIED

We extend sympathy to Howard Denson, whose brother, Claud B. Denson of San Antonio, passed away Monday morning. He was 52 years of age. Funeral services were held at the South Side Funeral Home in San Antonio Wednesday morning at nine o'clock and interment was made at Big Foot, Texas, with the Masonic Lodge in charge. Survivors include his wife, five children, his mother, Mrs. H. Y. Denson, of San Antonio, four sisters, and four brothers.

Howard Carl Eckhart left this week for San Antonio where he will assist with a number of wedding arrangements before going on to Lubbock to attend Texas Tech this year. He will also work at the Custom Flower Shop in Lubbock while attending school.

We hope Mrs. Keese will have many more happy birthdays.

FARM BUREAU NOTES

By Taylor Wootton

During the entire month of September, sheep producers who have received goverment payment under the National Wool Act, will be voting in a referendum to determine whether they favor continuation of the compulsory check-off to finance a promotional program for wool and lamb for another three year period. This is provided for under Section 708 of the National Wool Act.

This referendum is strictly for the purpose of determining whether or not the Secretary of Agriculture is to continue to make checkoffs from government payments to producers, the proceeds of which are to be turned over to the American Sheep Producers Council, and used for promotion of wool and lamb. The outcome will have no bearing on the continuation of government wool payments under the National Wool Act.

Here we have a program which basically uses the force of the Federal government to compel growers to contribute to a program which many of them do not wish to support. Even its proponents admit that it is not voluntary. In the first referendum held in 1955, only a little over 79 per cent (67,288 out of 287,224) of eligible producers voted, nation wide. The referendum carried by a vote of 71.3 per cent, and 28.7 per cent against. In Texas, about the same percentage of producers voted, (4,701 out of 20,767), with the majority (50.4 per cent) voting against. Since a two-thirds favorable vote is required you can see that if the referendum had been conducted in Texas only, it would have been badly beaten.

Synthetics are grabbing off wool markets due to research programs but none of this check-off money can be spent for research.

If the producers of wool and sheep defeat the referendum on approval of the agreement between the American Sheep Producers' Council and the Secretary of Agriculture for the promotion of sheep and sheep products, the following changes will be made in the wool program:

1. Producers selling wool, beginning on April 1, 1960, would receive one cent per pound increase in incentive payments on all wool sold and five cents per one hundred pounds of unshorn lambs sold under the wool program. For example: a producer who sells and report 1,000 pound of wool will receive a net incentive payment increase of one cent per pound, or $10.00. If a producer sold 135 hundred-weights of unshorn lambs he would receive a $6.75 incentive payment increase.

2. The American Sheep Producer Council's promotion program would continue until all funds were exhausted (Approximately one additional year at present budget expenditures March 31, 1961).

The State Legislature appropriated the following moneys for the control and eradication of Brucellosis:

Two supervising veterinarians at $6,000.00 per year.

One Laboratory supervisor at $4,440.00 per year.

Fifteen senior technicians at $3,600.00 per year.

Three clerk typists at $2,880.00 per year.

Travel $40,000.00 per year.

Supplies $4,000.00 per year.

The total of all state appropriations for the control of brucellosis amounted to $123,000.00 per year. USDA has indicated that they will match state funds which will increase the total available for the program to $246,000.00.

Mrs. J. C. Dugosh and little daughters, Denise and Florence, are leaving today to join Sgt. Dugosh at Okinawa. They will make the trip by air from San Antonio. We hope they will have a pleasant journey and that they will enjoy their sojourn on Okinawa.

Mr. and Mrs. Lawrence Baker have purchased a residence in Bandera Estates from Mr. and Mrs. T. C. Rayfield. This place will be remembered by many as the home formerly owned by the late J. Roy Storms and his family.

ABOVEGROUND DOUBLE-WALL SHELTER

For Family Protection From Radioactive Fallout

AN OUTDOOR aboveground fallout shelter may be built of concrete blocks. It is recommended for houses without basements or for regions where water or rock is close to the surface, making it impractical to build an underground shelter. Two walls of concrete blocks are constructed at least 20 inches apart. The space between is filled with gravel or earth. The walls are held together with metal ties placed in wet mortar as the walls are built. The roof is a six-inch slab of reinforced concrete, covered with at least 20 inches of gravel or earth. Most people would have to hire a contractor to build this shelter. Plans appear in the OCDM 25-page booklet, "The Family Fallout Shelter." What is this man doing?

As a member of an electric cooperative, this man is faithfully meeting an obligation he and his neighbors assumed years ago. He is paying for the cost of producing the electricity he used last month . . . paying interest on the money borrowed to build the system . . . paying on the loan principle and paying a portion for system improvement to provide better service to its members. He is proud that, in spite of many hardships, no cooperative in Texas is in arrears on payments of principle or interest on the money they borrowed. So he is doing more than paying a bill. He is meeting an obligation of the past, paying for the comforts of the present, and investing in the future of his community, through membership in an electric cooperative that is . . .

It's The Law IN TEXAS . . .

Taking the Fifth Amendment

You have read of someone's "taking the Fifth".

Why does our constitution let people—some involved in crimes—keep on refusing to answer questions put to them in our courts, investigating committees, and government agencies?

Because no man can be called to accuse himself or give evidence against himself.

Where did this rule comp from? From the church canons.

Long ago under common law, witnesses or parties took an oath and talked a lot or a little as their consciences moved.

Later an English law put witnesses under an oath somewhat like the Church's oath; but the oath could subject them to sharp questioning, even torture. The king, for example, punished "heresy and sedition" this way.

England at last changed the law: Because any one had to take an "inquisitional" oath, someone had to accuse him of a crime or show that he was "notoriously suspicious." No more "fishing expeditions." No man had to accuse himself.

By 1700 no man had to testify if to do so could bring on his own punishment. The American colonies adopted this rule, and as the Fifth Amendment wrote it into our constitution as the Bill of Rights.

The Fifth applies in two ways:

1. The accused need not testify at all in his own trial; he can speak in his own behalf, but only when he or his own lawyer, (not the district attorney) wants him to. Once he testifies though, the prosecution can cross-examine him—and then he may have to answer.

2. Witnesses called on to testify who are not the accused must testify, but not if their answers would tend to incriminate them. Sometimes, a witness will refuse to answer seemingly harmless questions. To answer them may give the way to force him to give more incriminating answers.

Who decides if a question would tend to incriminate? The judge. If he finds a question would not tend to incriminate, he may order the witness to answer or be punished for contempt of court.

In Texas the accused on trial need not testify in his own behalf. And if he doesn't, the prosecuting attorney may not comment to the jury about his failure to explain the facts against him.

Looking Ahead

(Legally Speaking)

You can tell a lot about people by the way they regard time.

Do they put stock mostly in the past—their record; the present—their direct joy in work or play; or the future—their plans.

Why not use all three dimensions of time? Past experience to guide, the present for rest, and the future to realize dreams.

Lawyers report a sharp shift in the way people regard time and the law: Of old they thought of law in terms of past facts like failures to meet legal duties, misdeeds, etc.—facts useful chiefly in lawsuits.

You still have to think of the record, since you may have to go to trial some time. So keep good records of your affairs.

But more and more people now also think of the law in the future tense—interms of built-in safeguards for plans which they want to go through without legal hitches.

Our heavy income and death taxes have made people plan ahead legally, rather than wait for the ax to fall.

Any time you buy or sell a home or a business or make an investment you have choices of how you may do it—some wise, some not, in view of your circumstances. Should you insist on an abstract or accept or offer instead a title insurance policy? (Your lawyer has a definite part to play in either event.)

Should you do business as a sole proprietor, a partnership, or corporation? Do your contracts set out ways of meeting unexpected? Do your wills say who you serve your estate and who will carry out your wishes?—by a will or a trust, or by direct gifts?

While all of these things point forward, one point in the form of court records can serve you by showing where trouble may come from.

As more and more people know the symptoms of legal trouble—how to look for legal hitches in plans before big trouble starts, there will be fewer law suits and better human relations.

And where does trouble sometimes start? Most often where you lack a clear grasp of your relationship, your rights and duties, and your own and the other fellow's resources—in transactions involving large personal or financial stakes.

(This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

SGT. BAILEY FINISHES TWO WEEKS TOUR OF DUTY

Bakalar Air Force Base, Indiana. —Master Sergeant Ross N. Bailey of Bandera, Texas, is finishing up his two-week tour of active duty in the Air Force Reserves at this Indiana Air Force Base.

Sergeant Bailey is a member of the 433rd Troop Carrier Wing, Medium, Reserve. He spends one week-end a month training with his friends and neighbors at Brooks Air Force Base, San Antonio, Texas.

He was one of the 1400 officers and airmen airlifted to Bakalar AFB on August 15. The reservists returned to Texas in their giant C-119 "Flying Boxcars," Friday morning, August 28.

During the two weeks, these men were trained and performed duties to make the Alamo Wing combat-ready, so that in event of a national emergency the unit will be able to carry out its mission of airlifting troops and cargo to any spot in the world. Pilots of the wing fly the famed workhorse of the Air Force, the C-119 "Flying Boxcar."

"In this day of aerospace news, jets and missiles, it is men like these citizen-airmen, these active Americans, who are the backbone of the strong second team of the Air Force," said Brig. Gen. John H. Foster, commander of the Alamo Wing. In civilian life, General Foster is an insurance company executive.

Accompanying the more than 1,000 Air Reservists from the San Antonio area were some 400 men from the Wing's detached squadron at Hensley Field in Dallas, the 60th Troop Carrier Squadron.

A total of 1,800 officers and airmen assigned to the Alamo Wing at Bakalar AFB by the Texas was the fact that just as the first aircraft from Texas was touching down, the last plane of the 434th TCW (Shooter Wing) based at Bakalar AFB was taking off for that unit's home ... at 23-Lington AFB near Houston.

GLENN TYRA CLAIMS SANTA BARBARA MISS AS BRIDE IN BAPTIST RITES

The marriage of Miss Jean Marie Hunt and Glenn Marshall Tyra was solemnized at 9:30 p.m., June 21, in Calvary Baptist Church of Santa Barbara.

The Rev. James A. Nelson, a former Stockton minister, performed the ceremony in the presence of family members and close friends.

The bride, daughter of Mr. and Mrs. C. Romer Hunt, was given in marriage by her father. She was attired in a waltz-length gown of embroidered nylon net over taffeta styled with a high, lace scalloped sabrina neckline and lace-edged hemline. She added a pearl and lace crown that held a hip-length veil, and carried a spray of white butterfly orchids and pink and white rosebuds over her paternal grandmother's Bible. Her handkerchief had been made by her maternal grandmother when she was a girl.

An heirloom pendant fashioned of blue pearls, sapphires and a diamond was her paternal grandmother's gift. White gauntlets completed her costume.

Mrs. David Miller served as matron of honor clad in a ballerina-length moonglow blue organdie and lace over taffeta gown. Her headpiece of blue straw held a blue nylon net veil dotted with pearls. She carried a white basket filled with blue and white carnations.

Charles Romer Hunt III, the bride's brother, was best man, and Mr. Miller, a former Stocktonian, was the usher.

Betty Nelson presided at the organ and accompanied Dwight Anderson, vocalist.

The bride's mother wore an aqua suit with white accessories. The bridegroom is the son of Mr. and Mrs. O. L. Tyra of Stockton, and his mother wore a powder blue knit dress with pink accessories. Both mothers added white butterfly orchid and stephanotis corsages.

The reception followed in the church social hall where Miss Betty Beckham was in charge of the guest book and Miss Pat Clem presided at the gift table. Others who assisted were Mmes. Edwards Michaelson, Joseph Arca, and Floyd McCarroll.

The new Mr. and Mrs. Tyra greeted 75 guests and cut their wedding cake before taking leave on a wedding trip to Lake Tahoe and San Francisco.

The bride changed to an aqua and white print silk dress and white accessories for her going-away ensemble.

She is a former resident of Glendale and graduated from Glendale schools and attended Bible college before becoming a receptionist for the Santa Barbara city school administration office.

Her husband is a native of Texas, but graduated from local schools and Stockton College. He later attended Brooks Institute of Photography and worked for Bear Photo in Stockton and Aero-Jet in

Miss Sharon Kay Mansfield, who holds a responsible position with the Drivers License Division of the Texas Department of Public Safety in San Antonio, celebrated her birthday Saturday night when her parents, Mr. and Mrs. Bob Mansfield, entertained her co-workers and their families with a delicious barbeque supper at the Mansfield Ranch. Approximately 45 guests enjoyed the event. Among those who were present other than Miss Mansfield's co-workers were Miss Juanita Aker and Jim Gooding of San Antonio, Miss Mary Jo Mansfield, Miss Zona Johnson, Mrs. Norma Davenport, Robert Thatcher, and Mr. and Mrs. Hubert Maurer.

THIS IS OUR TOWN

By Jingy

Bandera is a wonderful place in which to live, with the best people on earth to make it so. Our deep and sincere thanks to the many kind friends for their concern for me during my recent illness. We especially thank those who sent the cards, letters, flowers and gifts and get well messages. Each was sincerely appreciated and may each one be blessed for their kindness and thoughtfulness.

* * * We understand that speed zone signs have been placed around the Bandera schools in an effort to stop speeders in these zones, and to protect the children who attend school. This is certainly a worthy project. We understand that the sheriff's office is cooperating with the schools and will apprehend speeders and fast drivers in this area. This will tend to curtail the driving during the lunch hour by teen-agers and offer them the opportunity to enjoy lunch in the school cafeterias, where the food is prepared by excellent cooks. The food is clean, wholesome and specially prepared balanced meal. And, the cost per meal is only 30c. Now, where else could you get a meal for 30c? You certainly can not prepare a lunch for that amount.

* * * Bandera Schools opened this week with a record attendance and with many new faces among the teaching staff as well as among the pupils.

* * * College tuition costs will rise an average of 5 per cent next year over this year. Educators are predicting that by the middle 60s, time payment loans for financing college education will be as common as auto loans today.

* * * Scattered showers over the Hill Country have cooled the 99 degree weather somewhat.

* * * "Posterity! You will never know how much it cost the present generation to preserve your freedom. I hope you will make good use of it," said John Quincy Adams.

* * * Bye for now * * * *

TEXAS DRAFT CALLS 143 MEN IN OCTOBER

Austin, T.—Col. Joseph H. Rogers, Texas director of selective service, announced today that induction calls for 434 men, Colonel Morris S. Schwartz, state Selective Service director, announced Friday.

The October call is the largest share of a national quota of 9,000 men, all for the Army.

Colonel Schwartz also announced that the local boards would send around 1,700 men for induction physical and mental examinations. These men return home after being examined at examining stations.

Local board quotas for October call already have been figured and are scheduled to be placed in the mail to the boards Monday.

The October quota will be filled with men who are at least 22 years old on October 1, with the exception of volunteers or deferments, who may be younger.

Local Board No. 6 will call 28 men on October 3 for pre-induction examination and 5 men the

NEWS

*** County Agricultural Agents Texas A & M College Extension Service

Sheep Field Day

A sheep field day has been planned on September 19 on the Morris Ranch. James A. Gray, Extension Animal-Husbandman, will give demonstration on sheep selection. He will also give a discussion on parasite control and disease.

Selection will consist of dividing the ewes into three different groups. A flock of yearling ewe lambs will be used for this work.

Records have been kept on the work that started on the selection program over two years ago on the Morris Ranch. Results have been gratifying and the selection work is paying off.

Ranch County Agriculture Agents are at your service and ready to serve if you want to start a selection program on your ranch.

YO Ranch Field Day

The YO Ranch field day will be held on September 8, starting at 10:00 at the shearing barns. A letter was received from Bill Reeter, Kerr County Agriculture Agent, inviting a delegation of sheep producers from Bandera county to visit them on this day. We certainly appreciate this invitation and hope to have a group to attend. If anyone is looking for a way and would like to attend, contact your local County Agricultural Agent. If you have a way, take someone else with you.

Maize Crop Good

The maize crop is one of the best or probably the best ever-all crops have been produced in Bandera county. Yields of up to 4000 pounds in small areas in the field and a 3000 pound average have been reported by several farmers. This is certainly a good yield for a dryland crop.

Watch for "Lepto"

College Station.—Warm, wet summer weather is likely to bring an increase in the threat of leptospirosis, a disease which causes national losses of more than $112,000,000 in cattle alone, warns Dr. C. M. Patterson, extension veterinarian. Also, he points out, additional heavy losses occur each year in swine.

The increased fight against brucellosis in recent years has uncovered many cases of "lepto" which formerly were thought to be brucellosis. The similarity of symptoms of the two diseases has led to some confusion among livestock men.

In cattle, both diseases cause abortions and a reduction in milk production. Signs of leptospirosis in cattle also include loss of appetite, depression, breathing difficulty and in calves, scouring. Affected swine may show no symptoms in some cases, but in others there will be abortions, scouring and loss of appetite.

Soil testing is a tool you can use on your farm to help determine the level of fertility in your soil. The recommendations which you will receive from the soil testing laboratory, based on the analysis of the soil samples you send in, will give the amounts of fertilizer needed for the most profitable crop or pasture production. Local county agents can supply information on soil testing.

The most valuable crop coming from the farms and ranches of Texas is their young folks, reminds the Texas Farm and Ranch Safety Council. These youngsters will soon be moving to and from school and the Council urges all motorists to observe all traffic laws and especially those relating to the loading and unloading of school children. Play it safe so the children can be safe, urges the Council.

ALL WOOL AND A WEEK WIDE AT JONES OF TEXAS

Every day except Saturday through Friday (this week) are scheduled to celebrate Wool Week at Jones of Texas, the Shore and Goat Rulers of Texas.

Highlighting the week's activities was a fashion show luncheon, held Tuesday, September 1, at 12:30 in Colonial and Monnet Dining Rooms of The Menger Hotel.

World famous designer's fashions of Wool and Mohair were featured in the show which starred Miss Wool of America in her first public appearance.

Mayor and Mrs. Kuykendall acted as host and hostess for the city welcoming the new Miss Wool of America. Miss Wool of Texas (Citrus) Carrie of Dallas).

Phyllis Sweetin 1959 Miss Mohair modeled her gorgeous Mohair Coronation Gown until Robe.

Other events planned for the week included a Cooking School in Jonke's 3rd floor auditorium featuring lamb, and cabrito dishes and conducted by Margorie Arnold home economist for the San Antonio Public Service Co. Personal appearances by hostesses of ranches all over Texas were featured. Mrs. James Baggett of Ozona, Texas Lamb Promotion Chairman for The Texas Sheep and Goat Raisers was hostess.

On Wednesday, September 2, at 11 a.m., two fashion shows were given in the 3rd floor auditorium. The first, "Ranch in Wool", a show designed to show the most beautiful and useful fashions for Ranch Life featured ranch wear from Shirley Browns Corral Shop at Jonke's. Wool and Mohair Fashions for the Home" followed, with new ideas and items in interior decoration to be presented.

Thursday at 11 a.m., and again at 7 p.m., A Wool and Mohair Fashion show for the Woman Who Sews was presented in the Auditorium.

Mrs. S. M. Harvick, director of Texas "Sew it-Yourself with Wool" contest acted as hostess, and explained qualifications necessary for entering the contest which will be conducted on a district, state and National level through the coming fall months.

Friday plans climaxed the eventful week, included another 11 a.m. Auditorium fashion show titled "Cool School Wools" Models displayed the newest in childrens, teen-age, and College bound Wool and Mohair wardrobes for school.

Four Texas areas, Austin, Del Rio, The Hill Country and San Angelo were especially honored during the ranch of four days, when chartered buses carried groups from these areas to spend "A Day in Town at Jonke's."

Tours of the store were conducted, and after the 11 o'clock Auditorium event scheduled for that day, they were guests at a luncheon in Jonke's 4th Floor Patio Room, adjacent to the Camellia Room. Wool and Mohair fashions were modeled informally each day in the Camellia Room.

Display windows and interior displays of Jonke's carried the story of the great Texas Wool Industry. Texas produces more wool than any other State, in fact over one-fourth of all the wool in the United States.

Extensive displays in Jonke's third floor auditorium showed the story of Wool in Texas from Fleece to Fabric.

Interesting and educational movies were shown four times daily in the auditorium which showed each exciting operation of the huge Texas Sheep and Goat ranches, and the scouring, carding, looming and weaving of wool fabrics.

We were delighted to have a visit Tuesday from Mrs. A. H. Schott and her mother, Mrs. O. Brandeberry, of Pipe Creek.

Mr. and Mrs. Sherrill Schaefer are the proud parents of a baby son born in the Santa Rosa hospital in San Antonio on August 26. The baby weighed 9 pounds and 6½ ounces and was named Sheron Leland. The young man is being welcomed by his maternal grandmother, Mrs. Frank (Ruby) George of San Antonio and his paternal grandmother, Mrs. Alice Schaefer, of Bandera.

MRS. KATE ZUMWALT CELEBRATES 81st BIRTHDAY

Mrs. Kate Zumwalt celebrated her 81st birthday Sunday when her children and grandchildren assembled [illegible] for a picnic supper [illegible] Mrs. Zumwalt, who has been in poor health for several months, is still able to walk with crutches now, and was told by her doctor recently that she would be able to walk without crutches in a month or so. Her many friends are rejoicing with her over the progress she has made and we hope that she will continue to improve steadily.

Those present to help Mrs. Zumwalt celebrate and to partake of the delicious barbecued chicken with all the trimmings and the [illegible] birthday cake were Mr. and Mrs. Henry Zumwalt, Miss Mary Ann Anderwald, Mr. and Mrs. Walter Satchleber, Mr. and Mrs. Dallas Massey, Mr. and Mrs. Frank Dresden and grandson, Billy, and Mr. and Mrs. Carol Hubert and two children, all of San Antonio; Bill Zumwalt, Mr. and Mrs. Alec Keene and daughter, Pamela, Mr. and Mrs. Melvin Zeliff and children, Teddie Ann and Doug, all of Medina; Mr. and Mrs. Fabian Auerswald and children, Mr. and Mrs. Louie Stein, and Mrs. Lillian Woolery, of Bandera.

Mrs. Zumwalt also received many nice gifts. The Bulletin joins her friends and relatives in wishing her many more happy birthdays.

TEELS HAVE DELIGHTFUL VACATION

Mr. and Mrs. E. R. Teel returned Saturday from a month's vacation in California where they visited with their son and family, Mr. and Mrs. Jimmy Teel and little daughters, Debra [illegible] Tammy, at Compton. Little Tammy arrived on August 19 while her grandparents were visiting in her home.

Mrs. Teel said they traveled through the Northern part of California and visited many places of interest. They visited at Redding where Jimmy will teach this year. They traveled the ocean drive from San Francisco to Los Angeles. Among other places of interest they visited were Hollywood, Disneyland, Marineland, and Fisherman's Warf at San Francisco. Mr. and Mrs. Teel were also privileged to attend [illegible] the ever-popular Lawrence Welk Show.

Another highlight of the trip was a visit with Mr. and Mrs. Jack Jolly at Redonda Beach, California. Mrs. Jolly is teaching science in one of the high schools there. The Jolly will be remembered by many here as she was a science teacher in Bandera High School and Mr. Jolly was employed by a local business firm.

The Teels enjoyed taking moving pictures of their children and granddaughters and the many places they visited, so they will be able to re-live their vacation many times and share it with their friends when they show the pictures.

TEMPTING MID-SUMMER MENU

Summer time should include vacation and playtime for the homemaker, as well as her family. This takes special planning because the number of meals she must provide per family. But she can arrange to prepare food ahead of time during free periods either at night, early in the morning or whenever they happen to occur.

A menu of cold fried chicken, Vegetable Rice Croquettes, whole ripe tomatoes, bread sticks, watermelon, cookies and lemonade need leave only a minimum of preparation for mealtime. The melon and tomatoes need only so be refrigerated until serving time. Frozen lemonade can be reconstituted in a matter of seconds and chilled for long. The chicken can be fried according to any favorite recipe either the night before or the morning it is to be used. While it is browning, the ingredients for the Vegetable Rice Croquettes can be combined. Since cooked rice is used in the recipe, extra rice left over from a previous meal may be used. It is often a time saver to cook more rice than you will need for one meal for it keeps for days in the refrigerator and can be quickly heated with a little water to its original texture and flavor for another day.

When mealtime arrives, this menu leaves little to do but shape and crumb the croquettes and quickly fry them to a golden brown.

VEGETABLE RICE CROQUETTES

3 tablespoons butter or margarine	½ teaspoon pepper
½ medium onion, minced	½ teaspoon lemon juice
2 tablespoons flour	2 cups cooked rice
½ cup milk	1 cup mixed cooked vegetables
1 teaspoon salt	2 teaspoons minced parsley
½ teaspoon celery salt	1 egg
2 teaspoons prepared mustard	2 tablespoons water

Fat for frying

Melt butter in a 1-quart saucepan. Add onions and saute until transparent. Remove onions from pan. Add flour and mix until smooth. Add milk and cook stirring constantly until sauce thickens. Add salt, celery salt, mustard, pepper and lemon juice. Combine sauce with onions, cooked rice, vegetables and parsley. Mix well. Chill at least 2 hours. Shape into balls or cones.

Beat egg slightly and add water. Place crumbs on waxed paper. Roll croquettes in bread crumbs then in egg mixture, then again in bread crumbs. Let stand while heating fat. Heat enough fat to reach a depth of about 1½ inches at 390° F. Fry croquettes for about 3 minutes or until golden brown. Drain on paper toweling. This makes 6 2½ inch croquettes.

Under this heading from time to time we will publish Texas historical articles which we have compiled and printed before in Frontier Times or in other publications, but which we believe will be of interest to Bulletin readers.

OLD SPINDLETOP, THE GREATEST GUSHER

By Mary Austin

Rising eighty feet out of a great gusher oil field on a low hillock overlooking the city of Beaumont, Texas, is a monument unlike any other structure of its kind. The hillock is the site of the first oil gusher well in the world and the monument is built of ageless Texas granite, upon it is inscribed the great story of oil: "Petroleum has revolutionized industry and transportation; it has created untold wealth, built cities, furnished employment for hundreds of thousands, and contributed billions of dollars in taxes, to support institutions of government. In a brief span of years, it has altered man's way of life, throughout the world." To everyone interested in the oil industry it is more than a monument to petroleum. It is a tribute to vigilance and there are those who remember how the oil gusher roared in on Spindletop, just three miles south of Beaumont on that eventful day of January 10, 1901.

The monument has been named in honor of Captain Anthony F. Lucas, a retired Austrian civil engineer who promoted and "brought in" the first oil gusher well in the world. On his arrival in Beaumont in answer to an advertisement placed in an Eastern newspaper by Patillo Higgins, member of a respected Texas family and a firm believer that there was oil under Spindletop, although all Beaumont laughed at Higgins' foolish idea, Captain Lucas expected to find sulphur but was persuaded by Higgins that there was oil possibilities under the ground at Spindleton. So they drilled a well to the depth of 600 feet and it turned out to be a "dry hole" and was abandoned because of quicksand, although a large quantity of oil has been encountered. Then as another year entered like a playful child from the dark room to the untrampled path marked 1901, that powerful and historic story of the great Texas oil gusher emerged.

So goes the story that on January 10, 1901, the drill was still grinding steadily at 1,000 feet. Captain Lucas was standing near the drill snifting the white slush for signs of gas when all of a sudden the drilling machine began to clank terrifically. The earth began to split. To the handful of men huddled together it appeared that hell had been turned loose. The oddity of sounds and the deep clashing under the ground seemed to drown all other noises.

Then it happened—the well was really coming in!

First sludge flissed up, followed by gas whistling out. Then long at last a geyser over a hundred feet in length began to slimb right up out of the drilling hole. Down deep under the earth it sounded like a million devils hard at work. Finally out shot the last section of pipe borne aloft by a six-inch column of sand and rock and brownish-black oil. A thick dark cloud began to drape the atmosphere. Into the air the greasy geyser roared, splattering pipe, drill, derrick and machinery all around. It roared skyward 200 feet and then, waving gracefully like an ostrich plume swaying to a gentle breeze, cascaded to the bare ground. The terrific roar of the escaping oil was heard over a mile away. The stiff January winds from off the Gulf of Mexico tumbled landward blowing a black spray over the countryside.

It is a fact that freightened cattle stampeded and horses fled, while negroes working on the farms in and around Beaumont stopped their work to pray. Some distance away a train traveling with passengers aboard, stopped for a few minutes so the passengers could gaze in awe at the spactacular scene as they wondered what it was. For when Spindletop was really coming in there was nothing like it anywhere in the world before or since.

Now Anthony F. Lucas had no tanks or reservoirs, so he frantically dug a trench to carry the oil off to a storage place. But the running oil simply sprayed the prairie. The well ran wild for ten days before it was successfully capped, spouting around 800,000 barrels. The sleepy little town of Beaumont ran wild also. There is a story that has been told so many times in so many places that almost every one connected with the oil industry has his own personal touch telling it. The old lady who kept pigs in a small pasture sold out the hog pasture for the fabulous sum of $35,000. Another tall tale is about the starving photographer who made over $15,000 selling pictures of a genuine oil gusher. Dizzy stories are still afloat in Beaumont of the early boom days at Spindletop.

Yet one is entranced by stories of Spindleton for it has made American history. It spawned great Texas Gulf Coast oil field, the first great oil gusher area in the United States, which eventually made the state the biggest oil producing state. Its name marked the beginning of the modern petroleum industry.

This is by no means a foolish [illegible] oil history book it came in at the incredible rate of 70,000 barrels a day, and the second well on Spindletop was also a great gusher. So was the third well. But the first well still holds the record of production, of 340,000 barrels of oil per acre annually, and has never been touched in the United States. That is why Spindletop was the greatest oil gusher America has ever seen. This may seem surprising to the city dweller, why think of oil and gas in terms of commercial usage and luxurious necessities. But to one who has watched a test well "coming in" for monotonous days and nights, with nothing but the thud of a drill, this will seem, if anything, like a motion picture scene.

As time galloped down the corridor of events, this great oil well stopped gushing and had to submit to the humiliation of pumps. And one day the historic hole was dried up! For a while the Lucas No. 1 stood forsaken and forgotten in a forest of abandoned oil derricks. Spindletop had dwindled. Spindletop was dead!

But in the year of 1925 a Beaumont garage owned named Frank Yount took over the Gulf Company's leases including the Lucas No. 1. The entire countryside laughed at Yount but he copped with the strange public through a mask, very sure of his own convictions. As Mr. Frank Yount himself said that way down deep under Spindletop there is still a lot of oil. He drilled three "dry holes" before he struck oil at the depth of 6,000 feet. It was a fabulous strike and as rich as Lucas No. 1 had been. And Yount was right. There was oil, hundreds of thousands of barrels, and fabulous millions of dollars. When Mr. Yount sold out his Spindletop interest to the Standard Oil subsidiary, the transaction made him fabulously wealthy.

When the October leaves turned to red and yellow, copper and bronze and deep orange, the city of Beaumont thronged with old-timers. During the three-day historic celebration, there occurred the dedication of the Lucas Gusher Monument. The occasion revived veterans' memories of the oil boom days of forty years ago when Gaffney and Galey almost rivaled the Rockefellers, the cautious Mellons of Pittsburgh invested in Spindletop and the notable plunger, "Best a Million" Gates, went down to Beaumont to look it over. But gone were the wild days at Spindletop. Gone the man who made Spindletop famous, Captain Anthony F. Lucas, but his name still lives on. And there are those who say that when the night is dark and the waning moon sinks behind the low hillock like a goblet of spilled gold, and the pumping of the oil wells sing their tuneless songs to the silver light of dawn, the ghost of Captain Anthony F. Lucas walks those oil fields again, his unruly hair whipped by the tropic winds off the Gulf of Mexico, his nostrils sniffing the air for the tang of gas, and his determined, tanned face ever toward Spindletop.

SPECIAL STOCKER-FEEDER SHOW AND SALE SET FOR SEPTEMBER 16

San Antonio.—A special stocker-feeder show and sale featuring Hereford, Aberdeen-Angus and cross-breed cattle will be held at the Union Stock Yards in San Antonio September 16.

Sponsoring the show and sale will be the San Antonio Livestock Market Institute. Spokesmen for the Institute said that the special sale will provide a top market for the better quality stockers and feeders. They added that producers will have the opportunity to display Hereford, Aberdeen-Angus and cross-bred cattle and sell their calves in uniform lots, shaped-up, and at a time and place where numbers will enable ranchers and other buyers to get their requirements. Order buyers with nation-wide connections, packer buyers, farmers, ranchers and breeders will be on hand to insure full market value.

Weighing of the cattle will be done by bonded weigh masters on accurately tested scales.

Fresh water runs constantly into each of the 3,500 separate pens at the Union Stock Yards, and ample feeding facilities will be available. Thus, all sellers will be given an opportunity to sell their livestock in the best possible condition.

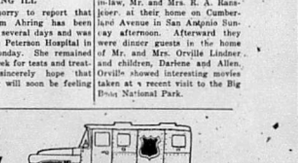
THESE "JIFFY BREADS" ARE GOOD!



It's summertime, and the living is as easy as your meal-planning ingenuity permits. Hot-weather menus including such favorites as cold fried chicken or a hearty salad will seem twice as good with the addition of quick-as-the "jiffy breads." Start with enriched, yeast-raised bread or rolls, add a zesty spread and pop them under the broiler or into the oven.

Onion Rolls: Melt margarine or butter. Add minced green onions and saute until soft. Cut enriched, yeast-raised frankfurter rolls in half, brush the onion butter over them and broil until golden.

Easy-Cheesy Loaf: Cut a loaf of unsliced yeast-raised whole wheat bread in half, lengthwise. Cut only half through, to crosswise slices through to the bottom crust, into 12 slices. Melt 3 tablespoons margarine or butter and brush it over the top of the cut halves. Combine 1¼ cups grated cheddar cheese, ¼ cup chopped stuffed olives, 3 tablespoons chopped olives or onion, ¼ cup margarine or soft butter and 1 tablespoon prepared mustard. Spread cheese mixture between each slice of bread. Place on a cookie sheet and bake until cheese is melted.

Toste Slices: Cut loaf of French bread into diagonal slices, but not all the way through to bottom. Add 1 tablespoon minced salt and a pinch of garlic salt to 2 tablespoons margarine or softened butter and 2 tablespoons cream. Stir in 1 tablespoon chopped parsley. Spread between slices and bake in oven until heated through.

Our WASHINGTON Letter

Inviting a veto, the House nevertheless last week approved a new omnibus housing bill. With but a few changes from the old measure that was vetoed last month as "excessive and inflationary", a majority of House members chose to risk killing FHA in order to get other new spending and loan programs included.

The new $1.8 billion bill includes the following:

1. Authority for 37,000 additional public housing units, costing 0720 million in direct Federal subsidies. (This despite the fact more than 100,000 such units are already authorized).

2. Initiates a brand new loan program of $50 million, as a matter for college class room construction." This is in addition to $250 million for continuation of college dormitory loans, contained in the bill.

In his veto message the President objected to inaugurating a new Federal loan program in a class room construction, but favored the dormitory item.

3. Continues for one year FHA insuring authority, favored by everybody, whereas the President had requested it for at least two years.

4. Sets up a new loan program (never before undertaken) for housing construction to provide rental units for elderly people.

5. Authorizes additional $650 million for one year of urban redevelopment. The President had requested only $250 million.

From this recital of the various items (and there are others), it is evident that the bill is but little improvement over the one that was vetoed.

It is still a Christmas tree bill, calling for more and more Federal spending for more and more new programs. This fact has caused it to be dubbed a "budget buster."

Instead of including extension of FHA insuring authority (which everyone favors), the college dormitory loan items, which is also generally acceptable, and other admitted essentials, with a certainty the bill would be promptly enacted, sponsors chose to load the bill down with a vast number of new ventures in government spending, all of which once began, mushroom in size and demands from year to year.

Bolled down, this is just one more example of why it is so difficult for us to achieve balanced budgets up here, and live within our income.

THE NEW MRS. AMERICA KNOWS HOW TO BAKE A TASTY SWEET BREAD

Mrs. Margaret Priebe, of Des Moines, Iowa, chosen Mrs. America of 1960, had to prove her prowess as a good cook to gain her title—along with other qualifications such as looks, personality, and community service. Yeast-bread baking was one of the events which tested her, as she represented her home state of Iowa in the recent contest held in Ft. Lauderdale, Florida. When you taste these Hurry-Up Orange Rolls, you'll see why the judges chose her as the nation's No. 1 homemaker.

HURRY-UP ORANGE ROLLS

½ cup warm, not hot, water	½ cup sugar
1 package active dry yeast	Rind from two oranges, grated
2½ cups biscuit mix	¼ cup butter, melted

Dissolve yeast in warm, not hot water. Add biscuit mix, beat hard. Turn onto surface well dusted with biscuit mix. Knead until smooth, about 20 times. Roll out into a rectangle about quarter inch thick. Combine sugar and grated orange rind. Spread dough with melted butter, sprinkle sugar-orange rind mixture over surface. Roll up jelly roll fashion. Slice at 1-inch intervals. Place cut side down in greased shallow pan. Cover with damp cloth, let rise until doubled in bulk (about one hour). Heat oven to 400°F. Bake rolls 20 minutes, or until golden brown. While still hot drizzle [illegible] cup sugar juice mixed with ½ cup sugar. Separate rolls.

WEDDING SOLEMNIZED AT HARPER

A wedding of interest to friends and relatives throughout the Hill Country was solemnized Saturday, August 22, at [illegible] in Fredericksburg, when Miss Frederick, daughter of Mr. and Mrs. Lonnie Friedrich, of Harper, became the bride of Pfc. Robert Edwards, son of Mr. and Mrs. William Edwards of Harper. Rev. Bokhoff of Fredericksburg read the impressive marriage vows.

The bride, beautifully gowned in white satin and lace, and wearing a Madonna veil, was given in marriage by her father. In keeping with tradition, for something old, the bride chose to wear a lovely brooch which had been given to the groom's mother, Mrs. Willie Edwards, by her beloved aunt, the late Mrs. A. L. Mansfield of Bandera.

Miss Bonnie Friedrich attended her sister as maid of honor and Miss Carolyn Lennon served as bridesmaid. Their dresses were fashioned of yellow and green cotton lace. The petite little flower girl was the bride's niece, Little Miss Friedrich wore white lace. The ring bearer, Ricky Friedrich, was the bride's nephew. Brothers of the bride served as ushers.

Immediately following the ceremony, a lovely reception was held on the spacious lawn at the home of the bride's parents.

The groom and his parents are well known in Bandera. His mother will be remembered as the former Miss Anna Mae Mansfield.

Among those attending the wedding were Mr. and Mrs. Joe LaMotta, Nancy, Sue, and Charles LaMotta of Houston; Mr. and Mrs. Fred Mansfield, Mrs. C. H. Mansfield, Mr. and Mrs. Rhea Mansfield and daughter, Bonnie, and Mrs. Arthur Hayes of Bandera.

HAYDEN MANSFIELD BROUGHT HOME FOR BURIAL

Mrs. Pat Blair

PATRICIA SELLERS AND PAT BLAIR ARE MARRIED

Miss Patricia Sellers and Pat Blair were united in a beautiful and impressive double ring ceremony in St. Christopher's Episcopal Mission Friday afternoon, September 4 at 5:30 by Rev. Hugh Donald Keeling Jr., of The Church of the Good Shepherd, Austin.

Joey Davis presented the nuptial music.

The bride was given in marriage by her brother, Jimmy Sellers, of Austin. She wore a street length dress of white silk fashioned with round neckline and cap sleeves. The skirt was full pleated. She carried a white prayerbook, a gift of the groom, to which was attached her bridal bouquet of white rosebuds.

The bride's maid of honor was Miss Lois Heard of Austin who was gowned in a street length dress of turquois blue. Her flowers were miniature mums in matching turquois.

The groom was attended by Joe Scruggs of Sacramento, California, as best man.

The bride is the daughter of Mrs. Frederick A. Cooke of Plattsburg, New York, and Jim Sellers of Murfreesboro, Tennessee.

The groom is the son of Mr. and Mrs. Russell Blair of this city.

Both the bride and groom are graduates of Texas University. She is a member of Alpha Tau Delta Zeta and he is a member of Delta Upsilon.

Immediately following the wedding a reception was held at the home of Mr. and Mrs. Russell Blair, honoring the wedding party and the immediate families of the bride and groom.

After a short wedding trip they will reside in Austin where Mr. Blair will teach in the Austin School System.

NEW YORKER BUYS FINE ANGORA GOATS

Howard Hay of Bandera shipped three does and one buck to Mrs. F. L. Pollock at Mayville, New York, on Tuesday. Each goat was individually crated and shipped by Railway Express.

These goats are of fine breeding, the finest to be obtained in America today.

This is the first time Howard Hay has shipped Angora goats to New York, however he has been shipping Angora goats by express to a number of other states for some time.

The Angora goats will be kept on the Pollock estate as an experiment.

The Angora goat industry is rapidly expanding to many states and the goat outlook has never been so bright.

SHEEP FIELD DAY SET FOR SEPTEMBER 19

A sheep field day will be held on the Morris Ranch on September 19 at 2:00 p.m. This field day has been planned by the extension service sheep sub-committee with Rhea Mansfield, chairman, and Raymond Hicks, Roland Britsch, Tom Carpenter, R. L. Walker, Bob Mansfield and Thomas Keese.

The program of sheep selection will be explained by County Agent Werner Lehde. Past records of the flock will be given to the group for reference and used to compare with their own flock of sheep.

It will be a good opportunity for ranchmen in the county to see what they can do with their own flock.

This selection program on the Morris ranch is being carried out with a commercial flock. A selection program of this kind or very similar can be carried out by any rancher in Bandera county.

A selection program will also mean more money for the producer at the end of the year.

County Agriculture Agent is ready to assist anyone who wants to do any selection work this fall.

The fall of the year is the time to do selection work. The wool has sufficient length, body conformation, and hairy britch can be checked very easily.

Come to the Morris ranch on September 19, at 2:00 p.m., for a demonstration on sheep selection.

J. A. Gray, Extension Sheep Specialist, who was scheduled to be here on September 19 for the selection, cannot be present at this time. Mr. Gray has been in the hospital for several weeks and is just now recovering. We will miss Mr. Gray and hope he will have a good recovery.

Your County Agent

RITES FOR HENRY LANE WERE HELD SATURDAY

Funeral services for Henry T. Lane, age 76, a resident of the Hill Country for many years, were held at the First Baptist Church in this city Saturday, September 5, 1959, at 3 p.m., with Rev. J. Manley Reynolds officiating and interment was made in the Bandera Cemetery under the direction of Plummer Funeral Home. Pallbearers were Stanley Lane, Clinton and Gerald Britsch, Joe Stein, Ervin Leinweber and Lane Langford.

Henry T. Lane was born on October 16, 1884, in Comfort, Texas, to early residents, Sam and Amanda Smith Lane, and died on September 4, 1959, at his home on the Bandera-Hondo road. Mr. Lane was making preparation to go to his doctor for a routine check-up when he was claimed by the fatal heart attack.

Mr. Lane was highly esteemed by everyone who knew him. He was a retired barber and a faithful member of the First Baptist Church of Bandera. For many year he ranched on Privilege Creek before moving to the Hondo community where he has lived for the past seventeen years.

On March 26, 1904, he was happily married to Miss Lucy H. Herring, at her home by the late Rev. Polly Rodriquez, her maternal grandfather. To this union was born two children, daughter, Armanda and a son, Leslie T. Lane.

Mr. Lane was a nephew of the famous Indian captives, Clint and Jeff Smith. His grandfather on his mother's side was killed and scalped by the Indians. His father, Sam Lane, lived in those turbulent days on the frontier and helped to bring law and order to this country as a Texas Ranger.

Mr. Lane lost his leg in an accident some years ago and went about his barber trade. He made hundreds of friends over the Hill Country who will miss his pleasant smile and genial good will.

Survivors include his sorrowing wife, Mrs. Lucy H. Lane; one daughter, Mrs. Walter Britsch, of Hondo; one son, Leslie T. Lane, of Houston; two grandsons, Clinton and Gerald Britsch; and three great-grandchildren; and four sisters, Mrs. Mary Leonard and Mrs. Lizzie Schonhardt of Boerne, Mrs. Dovey Clark and Mrs. Laura Posey of San Antonio.

The Bulletin Staff offers condolence and sympathy to the bereaved family in the loss of their loved one.

BANDERA SCHOOL ENROLLMENT AT ALL-TIME HIGH

Enrollment in the Bandera School reached an all-time high with 486 students. In high school 161 enrolled and 325 signed up in the elementary grades. The ninth grade with 52 students had the highest enrollment in high school while the fifth grade in the elementary grades was high with 49.

The average daily attendance in 1957-1958 was 402. Last year the average was 430. Indications are that the attendance this year will be right enough for the school to qualify for one or two more teachers next year.

Lunches are served to approximately 350 daily. Last Friday meals were served to 357. The milk program is popular with students. Nearly 775 cartons of milk were used in one day.

NOTICE OF GARDEN CLUB MEETING

The Madrona Garden Club will meet in regular session today, September 11, at 2 p.m., in the education building at the Bandera church of Christ. All members are urged to attend this first meeting of the fall season.

Miss Mayme Jo Eckhart is attending Providence High School in San Antonio this term.

MEDINA CHAPTER CELEBRATES A JOINT BIRTHDAY PARTY

Last Thursday evening after the regular meeting of the Medina Order of the Eastern Star surprised the Worthy Matron, Mrs. Irene Hatfield, and the Worthy Patron, Leonard Whitehead, with a birthday party. A beautiful cake was baked in their honor and served with punch. Many gifts were received by the honorees.

VOTE YES

With sheep production on the increase imported price on wool and mild use of wool up 41 per cent for the first quarter of the year the outlook for both wool and lamb continues to improve. All this is encouraging progress. A "Yes" vote in the referendum will help assure the continuation of the producer approved, producer financed, producer directed and self supported program.

FEDERAL TAX ON SCHOOL SUPPLIES

Retail stores handling school supplies were reminded today of the 10 per cent Federal Excise Tax on the sales price of certain types of writing binders and brief cases.

R. L. Phinney, District Director of Internal Revenue, cautioned that brief cases, regardless of the material from which made, are subject to tax if they can be closed on all four sides by means of a zipper, lock, snap fastener, or some other such device. The term 'brief cases,' Phinney explained, includes so-called "ring-binders," "portfolios," "envelopes," etc., regardless of size.

Prior to January 1, 1959, brief cases were taxable only if they were made of leather or imitation leather. This new ruling was brought about by the Technical Amendments Act of 1958, Phinney added.

THIS VERY MINUTE... THE NEW-SIZE FORD IS ON ITS WAY TO YOU!

The Falcon, the New-Size Ford, already is the most thoroughly tested and proven new car in history. This week the new Ford Falcon starts EXPERIENCE RUN, U.S.A., over every mile of numbered U.S. highway

This is not a test run in the ordinary sense of the word. For in its 3 years of development and over 3 million miles of proving, the Falcon has *already* passed and repassed every kind of test that could be devised.

It's been dust-tested, heat-tested, and endurance-tested on the test track at Kingman, Arizona. Wind-tested and rain-tested in the 300 mph wind tunnel at the University of Maryland. Shock-tested, curve-tested, brake-tested, noise-tested, paint-tested, stability-tested, service-tested . . . *everything* tested on Ford's own proving grounds. The Falcon has already proved to engineers that it takes anything they can dish out.

Now, Experience Run, U.S.A. will show you what the Falcon can do over your kind of roads.

How many miles to the gallon? Records will be kept of every drop of gas used. Better gas mileage? The Falcon will average up to 30 miles per gallon!

On October 8, the New-size Ford will be at your Ford Dealer's . . . for you to experience. See your Ford Dealer today for more information on the Ford Falcon.

Visitors in the home of Mr. and Mrs. Oscar Tampke over the week-end were Mr. and Mrs. Finis Clayton and girls of Mexia and Mr. and Mrs. Frank Metz of San Antonio.

The Utopia Schools opened Monday, August 31, with general assembly. An inspection was made of the building to see all the improvements made during the summer. The PTA held its meeting later and it was decided to have the annual picnic honoring the teachers. The picnic was held at the Utopia Park Friday night.

Sam Patton, son of Mr. and Mrs. Jack Patton, did a check for 620 in the Farm Electrification contest.

Mr. and Mrs. Lytle Blaisdell spent last week visiting her parents, Mr. and Mrs. J. T. Blalock. They moved to Fort Worth where Rev. Blaisdell will teach in the Junior High School and attend the Seminary at night.

Mrs. Jack Miller has leased her cafe in Utopia to Mr. and Mrs. Eric Sellers of San Antonio. They are living in the back of the building.

Bro. and Mrs. Robert Goff and baby left for Wisconsin last Monday to visit his relatives and do some preaching. Ida May Reavis accompanied them on the trip.

Mr. and Mrs. Simon Polvado attended church in Center Point last Sunday. They visited Mr. and Mrs. Jim Clanton while there and brought Mrs. Polvado's mother, Mrs. Dibbens home with them.

Mr. and Mrs. R. G. Thompson Sr., received word that a baby girl was born to Mr. and Mrs. Douglas Watkins. Mrs. Watson is a granddaughter of Mr. and Mrs. Thompson. They make their home at Ingleside.

Mrs. John Thompson received word that her daughter, Mrs. Arlis White had gone to Houston to visit her son, Lysle White, who had an appendectomy in a hospital there.

Mrs. F. E. Padgett and Miss Hicks returned home last week after visiting Mr. and Mrs. Glenn Padgett and children of Mission. Mr. and Mrs. Glenn Padgett and children spent the week-end at their ranch near D'Hanis.

Mrs. John Thompson spent several days visiting her son, and wife Mr. and Mrs. Wade Casparis at Sabinal.

Davis Thompson left Thursday for Fort Sill, Oklahoma, where he will be stationed.

Visitors in the home of Mr. and Mrs. Ira Reavis Sunday were Mr. and Mrs. Allen Patton and Brice, and Mrs. Schrock, daughter Gloria and son, Jimmie, all of San Antonio. Allen preached at the Utopia Gospel Church in the absence of the pastor, Rev. Robert Goff.

We were pleased to have a letter from Mrs. Alton Jr. Anderwald this week when she renewed her subscription to the Bandera Bulletin. She wrote: "We really do enjoy reading the paper here in Midland. In that way we can keep up with all the people we know and love in the Hill Country. We are real anxious for our vacation. On September 8, we are flying to Mexico City and Acapulco for two weeks. We are expecting to have lots of fun."

RAID

(Continued from Page 1)

Mrs. Wood, a strikingly pretty brunette, was lodged in county jail wearing bathing trunks and a skin-tight top.

The four had been sought after Clyde Moore, 30, identified two of them as having taken part in a robbery at his home.

Moore told Bandera County Sheriff Byron Miller that three men and a woman invaded his home at about 3 a.m., Sunday and woke him up.

He told Miller that one of the men held a pistol on him and two others beat him until he passed out. He related that the woman kicked him after he fell to the floor.

Moore told Miller that he and Cooper had quarreled over business matters in the past.

The victim said he had been warned not to tell of the robbery or he would be killed. He said the hijackers also threatened to kill Moore's child by a former marriage.

Taken from his house were a diamond watch, diamond ring and a small arsenal of pistols and rifles. The watch and ring were valued at $250 and the pistols and rifles at $1400. Also taken was $20 cash.

Moore told authorities Cooper and Boswell had robbed him before and he had been afraid to report it.

The men and their woman companion were arrested after County Patrolman John Carver spotted their car at the Gas and Eat coffee shop.

They did not resist the officers, four deputies of Sheriff Owen Kilday and four state patrolmen.

None of the loot has been recovered.—San Antonio Light.

The four were brought to Bandera and lodged in the Bandera County jail. They were questioned by a Bandera County grand jury Monday and Tuesday. The four were indicted for malice aforethought with intent to commit murder. Boswell was placed under $5,000 bond and Cooper, Farquiar and Mrs. Wood was placed under, $2500 bond each. Informed sources say Boswell has been out of a west coast penitentary only about three months.

BANDERA LODGE No. 1123, A.F. & A.M., meets the second and fourth Monday nights of each month at 8:00 o'clock. All members are urged to attend. Visiting Brethren welcome.—G. T. Sandidge, Jr., W.M.; J. F. Munach, Secretary.

This group of distinguished citizens is made up of members of the Commissioners Court, Texas Highway officials, county officials and Chamber of Commerce representatives from Hondo, Kerrville, Devine and Bandera, during ribbon cutting ceremonies which officially opened the new through highway from Bandera to Hondo. H. C. Petry Jr., chairman of the Texas Highway Commission, cut the ribbon at the highly congenial gathering.

HONDO NATIONAL BANK PRESIDENT WRITES LETTER OF APPRECIATION

The following self explanatory letter was received this week by County Judge O. O. Adams from N. P. Pope, president of the Hondo National Bank, who was here last week to attend the ribbon cutting ceremonies for the new Bandera-Hondo road:

Honorable O. O. Adams,
County Judge
Bandera County
Bandera, Texas.

Dear Judge Adams:

It was my privilege and pleasure to be present at the ceremonies officially opening the new road between Bandera and Hondo yesterday, and I want to take this opportunity to express to you and all of the good people in and around Bandera my personal appreciation for all that you did to make this such a successful occasion.

I would especially like to voice appreciation to the ladies of the Home Demonstration Council for the wonderful barbecue dinner which they served us. I know that a great deal of effort went into this preparation and I would thank you or other hand them this letter or convey my thanks to them in some other manner.

With kindest regard and best wishes,

Sincerely,

N. P. POPE,
President

Mr. and Mrs. Melvyn Britt have been visiting his parents, Mr. and Mrs. H. M. Britt, and son, Jimmy, at Bandera and her parents, Mr. and Mrs. Click, at Medina this week. Melvyn received his discharge from the Army last Friday, having completed his tour of duty with Uncle Sam. Mr. and Mrs. Britt are well known here as they have associated with Plummer Funeral Home before he was called into the service. The Bulletin joins their many friends in welcoming them home.

As we number friends who have been called to their Reward, we miss Hershel Mansfield.

Hayden answered the call of the Master Cowboy on September 6, and joined the ride for his last round-up in the skies. A dashing, handsome and colorful happy-go-lucky cowboy of the twenties and thirties, he numbered his friends by legions. Born with the love of the open range, a horse to ride, he was happiest when he rode the mountains and valleys. A Texas Cowboy, While, in endless dreamless slumber, where the Texas grasses crest, with his task on earth completed, Hayden will be forever freed to Western Freedom, rough he was; but who can say that the books will not be balanced in his favor "Judgement Day". He was brought home and laid to rest on Wednesday.

Bandera has enjoyed a splendid summer tourist business and many people are already making plans to come again next summer. We would like to suggest that they visit Bandera in the fall, the prettiest and most pleasant time of the year in the Hill Country. Soon the leaves will be turning gold and brown to add a touch of majesty to our beautiful green hills and cool crisp nights will refresh the body-city dweller.

YO Ranch Field Sheep Day Report

The YO Ranch Field Day was held on September 8th at the shearing barns on the ranch. Ranchmen from Bandera County who attended were Roland Britsch, Allie Allsup, Raymond and D. W. Hicks, Mike Pember and Rhea Mansfield. Ray Wyatt, Bandera County Ranchmen and Farmers Warehouse manager and the County Agent also attended.

The program of sheep selection was started in 1953 by Charles Schreiner III with the Extension Service. Since that time the wool weight per sheep has increased three pounds, baby size 25 pounds, on grown sheep, 20 pounds a lamb. Dead shrinkage has decreased eleven to fourteen per cent. The total increase per head shows a value of $6.50.

SCS Field Days

The Nueces, Sabinal, Frio SCS District will hold a range field day on September 22 on the Lee Short and Stewart Haby Ranches. This area had good rains in July and it really looks good.

The Bandera SCS District will hold its field day on October 6. This field day program was planned by the SCS and the Extension Service.

At 9:00 a.m. the group will meet at the Lions Club Hudspeth Park in Bandera from where they will visit different ranches in the county.

Everyone is invited to attend this field day and it should prove interesting and educational.

CARD OF THANKS

We wish to thank our kind friends and neighbors and relatives for the beautiful floral tributes and many expressions of sympathy we received during our recent bereavement in the loss of our husband, father and grandfather. We also thank Rev. and Mrs. Manley Reynolds and the choir. Special thanks to Mrs. Jack Burnes for coffee and Bob Mansfield and men.

MR. AND MRS. SCRUGGS ENTERTAIN WITH BARBECUE

Mr. and Mrs. J. M. Scruggs, Sr., entertained their family and their friends with a delicious barbecue in the back yard of their home in Bandera Estates Saturday evening. The occasion was Mr. Scruggs's birthday and the homecoming of Ensign J. M. Scruggs, Jr., U.S.N.R. and Mrs. Scruggs, who are here on a 14-day leave from their base at Coronado, California, where Ensign Scruggs is athletic director of the amphibious fleet.

Guests included Mr. and Mrs. R. G. Scruggs, Sr., of Asherton, R. G. Scruggs III, Jim Luntz, Robert Henderson, Mr. and Mrs. Veal Dallon, and Mr. and Mrs. James Lee and sons, Terry and Mike, of San Antonio; James Coates of Beeville; Jim Thomas of Los Angeles, California; Johnny Hayes, Bob Markham, Mrs. Bob Woolard, Mr. and Mrs. Hayden Schnelle and daughter, Renee, Mrs. Marialice Foster and daughter Phyllis, veteran Mangold, and the honorees.

Week-end guests in the home of Mr. and Mrs. Ernst Lindner were Mrs. Lindner's neice and daughter, Mrs. Cora Eistetter and Lois Marie of San Antonio, and son of the Lindner's grandchildren, Darlene and Allen, children of Mr. and Mrs. Orville Lindner of San Antonio. Irving Lindner of San Antonio and some of his friends also visited in his parent's home Monday. Mr. and Mrs. E. Lindner, accompanied by their guests, visited relatives at Comfort Sunday evening. Among those with whom they visited at Comfort were Mr. Lindner's sister and brother-in-law Mr. and Mrs. J. H. Schnell of Houston.

Maj. and Mrs. J. D. MacDonald and sons, Mark and Miles, of Clovis, New Mexico, spent a pleasant week-end here with her mother, Mrs. Monroe Wier.

STUDENTS COMPLIMENTED

The home of Mr. and Mrs. Hubert Maszurek at the Dunlap Ranch near Tarpley was the scene of a delightful party last Friday night when they and Mrs. Bob Mansfield honored local young people who are leaving home to attend college this fall. Included in the group of honorees were Margaret Ann Callahan, Terry Linda Cox, and Mary Jo Mansfield, who will attend T. W. U. at Denton; Robert Tinsmann, who will attend the University of Texas at Austin; Jay Edwards, who will attend Howard Payne College at Brageswood; Joe King, who will attend Texas Tech at Lubbock; and Carole Hardin, who has enrolled at the Baptist Academy at San Marcos. Others who shared the enjoyment of the occasion were Melburn Harris, George Loewnberg, Jeanine Hicks, Elizabeth Butts, Raymond Davis, Sheriff Muktar, Ruth Brown, Linda Wright and Mr. and Mrs. Dan Callahan.

Games were played and delicious refreshments of sandwiches, dips, home-made ice cream and cake were served.

Raymond Hicks, prominent Bandera rancher, sold two fine bulls at the Charolais and Charolais-Cross Consignment Sale at Austin last Saturday.

Mr. and Mrs. Raymond Hicks and son, Howard, spent the Labor Day week-end visiting with Mrs. Hicks' mother, Mrs. Pike Davis, and other relatives at San Marcos. Howard helped his uncle vaccinate calves at his grandmother's ranch near Fredericksburg Monday and while they were at the ranch they killed two large rattlesnakes.

We are sorry to report that Fred Mansfield has been ill since last week when he was stung by a scorpion. His many friends hope he will soon be feeling fine again.

Mr. and Mrs. Charles Koel and daughter, Denise, of Nederland, visited her parents, Mr. and Mrs. Felix H. Mechler, Gustie and Roy Mechler, and other relatives and friends, over the Labor Day weekend.

Howard Carl Eckhart left Monday for Lubbock to accept a position with the Custom Flowers. He will attend college there this year and will register at Texas Tech on September 18.

Sam Herrera has been receiving treatment for a severely cut hand. He cut the tendon leading to his thumb while sheering sheep last week.

Mr. and Mrs. Allen Skinner of Laredo spent the past week-end here and were guests of her sister; Mrs. Alton Reiden at Highland Waters.

Mr. and Mrs. Kelly Shuptrine of Austin were guests of relatives in Bandera Labor Day week-end. Mr. and Mrs. Don LeSourgeon and son, Kevin, visited Mr. and Mrs. Shuptrine in Austin recently.

Mrs. Virginia Overstreet and children, Lynn and Bo, paid her parents, Mr. and Mrs. Andrew Pyka, a surprise visit last week. They left for their home in San Angelo Saturday.

Mr. and Mrs. R. C. Christian of Baytown and Mrs. Eugene Barnes and children of Marque spent the week-end here visiting their parents, Mrs. W. H. Burnes and Mr. and Mrs. H. W. Goodenough.

BIRTH ANNOUNCEMENT

Mr. and Mrs. H. W. O'Bryant, Jr. of Austin are the proud parents of a nine little baby son born in Austin on September 3, 1959. The young man weighed 6 pounds 14 ounces and was named Charles Henry. He is being welcomed by his paternal grandparents, Mr. and Mrs. H. W. O'Bryant and his maternal grandparents, Mr. and Mrs. Alvin of Bandera.

Mr. and Mrs. Ervin Hardin are visiting in their daughter, Carole's home in Mercer Isle Saturday when she enrolled at the Baptist Academy there.

Recent guests in the home of Mr. and Mrs. Ashley Rugh and sons were Mr. and Mrs. R. L. Culinsworth and children, Richard and Karen, of Cresson and, Mr. and Mrs. Walter Worthington and sons of Fort Worth.

CARD OF THANKS

We would like to express our deep and sincere appreciation to all our dear friends and relatives for their many kind acts when we lost our beloved son, and brother, Hayden Mansfield. We especially thank the minister, Rev. David Stewart for his words of comfort and those who sent the beautiful flowers. May each of you be blessed.

Peregrinations of a PIONEER PRINTER

by J. MARVIN HUNTER

An Autobiography

Besides being the autobiography of an old time itinerant country printer and newspaper man, it is full of numerous reminiscences and some good history. In it you will find mention of many people you know personally in different Texas counties. This old printer tells in amusing style the story of his peregrinations (wanderings) through West Texas, New Mexico, Arizona, and even Old Mexico; how he and a fellow newspaper man had to leave "between two days" and ride in a side-door pullman (box car) through to El Paso with the Mexican rurales hot on their trail; of his experience as a sheepherder; of two months days he spent entertaining a noted outlaw in his sheep camp; of meeting noted characters, both famous and infamous; and of many other thrilling events and at last he "settled down" in Bandera to spend his remaining years among the best people on earth.

TWICE-TOLD TEXAS TALES

By J. Marvin Hunter, Sr.

Under this heading from time to time we will publish Texas historical articles which we have compiled and printed, before in Frontier Times & in other publications, but which we believe will be of interest to Bulletin readers.

OUR NORTHERN BOUNDARY

What is the northern boundary of the Lone Star state?

The answer to that contentious question—handled between five nations off and on for four centuries—goes back to 1813, when Pichardo, Mexican cleric and historian employed by the Spanish governmen to chart Mexico boundary, traced the tortuous, muddy Red River. And to this day Pichardo is the final authority on ownership of that stream, reveals Dr. Charles W. Hackett, University of Texas Latin-American historian, who has just completed translation of the third segment of Pichardo's million-word "answer."

Fragments of early boundary legends are being pieced from the entire Spanish exploration in 1519 and occupation in 1690 as evidence.

Pichardo's voluminous "brief" was ordered in 1812 by Secretary of State Adams and the Spanish minister, who accepted it as the basis for the Florida treaty, fixing the boundary along the Sabine and Red rivers, one-hundredth meridian, Arkansas river, forty-second parallel, thence to the Pacific. Two days after this settlement, Mexico won her independence from Spain again raising the boundary question. On Pichardo's testimony, the Mexican boundary commission in 1835 approved the Red river as the new republic's eastern boundary.

The following year, the republic of Texas came into existence, again following Pichardo as a guide and according Red river as a boundary. When Texas joined the United States in 1846, boundary litigation appeared to be over. Years of calm passed. Then at the turn of the century, ill feelings flared between Texas and Oklahoma, injected by oil interests, with Oklahoma claiming the south bank of the Red river during flood stage marked the boundary between the two states. But Pichardo's word held again—this time in Texas' favor.

26 morocco-bound, longhand volumes comprising the Pichardo work by the university historian, assisted by Dr. Charmion Shelby, under sponsorship of the university's bureau of research in social sciences.

Diminutive Napoleon started it all. When asked by Thomas Jefferson with regard to the Louisiana purchase of 1803, "What was America bought?" he replied, "Make the most of it." This Jefferson did by claiming the Rio Grande as the southern boundary of the United States' new acquisition. Spain, then in possession of Mexico, contested France's right to sell land southwest of the Red River. Pichardo stepped in to prove—in a mere 1,000,000 words —Spain's claim to the territory.

It's The Law IN TEXAS . . .

Stop for School Buses

Thousands of school children are now trooping back to school throughout Texas. Many of them will be transported by school buses. Most people are careful when approaching a school bus which may be standing beside the road or school to pick up school children or allow them to alight. However, we have already had some very bad accidents this year because a child or a motorist, or both, were careless at that very time.

Most Texans are aware of the law which requires a driver to come to a complete stop when overtaking from the rear a school bus which has stopped to receive or discharge school children. After stopping immediately behind the bus, he is then allowed by law to proceed past same at a speed "which is prudent, not exceeding ten (10) miles per hour, and with due caution for the safety of such children."

What many persons do not realize is that the very same rules applies when meeting a stopped school bus. While everyone is interested in protecting our children, unthinking violators of this simple safety rule greatly outnumber those who comply. Failure to follow the law in this case can lead to fines up to $200.00 even when no accident occurs. Following an accident in which some child is injured or killed the penalties are naturally much more serious.

Although the above rule does not always apply when passing a stopped school bus in a business or residential district of a town, the necessity for extreme caution even in those locations is obvious.

When it comes to overtaking and passing moving vehicles, exercise of ordinary common sense will generally keep a driver within the law. For instance, when passing a car it is only common sense to proceed on past it a safe distance before cutting back to the right side of the highway. Also, any driver would realize the danger of increasing his speed while another is attempting to pass him.

In the same category is the prohibition against passing on the right under most ordinary conditions. Of course, you may legally pass on the right in a few specific instances, such as when the vehicle overtaken is making or about to make a left turn, or upon a one-way street with two or more lanes, or upon a four-lane highway.

However, our traffic laws state that even when passing on the right is allowed, it shall be done only under conditions permitting such movement in safety. And, in no event should such passing be accomplished by driving off the pavement or main-traveled portion of the roadway.

Familiar to all are the no passing zones designated by dash lines placed to one side of the center stripe on our highways. Not so well known are the restrictions against crossing the center line when approaching within 100 feet of or when traversing any intersection or railroad grade crossing.

A driver should never cross the center line of a highway when the left side of the road is not clearly visible and free of oncoming traffic. Generally speaking, when not engaged in passing another vehicle, one should not drive to the left of the roadway.

(This column, prepared by the State Bar of Texas, is written to inform citizens generally about the law. It should never be used or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in the facts may change the application of the law.)

Congress is about to close shop. And it's a good thing. Good for Congress and good for the country. After 8 months of wrangling, maneuvering and l gislating, you see signs of irritation and jittery nerves.

The shenanigans of Senator Wayne Morse cannot be explained that easily, however. When Senator Johnson the day after the Senate unanimous consent of the Senate to debate the over-debated housing bill that had been vetoed, before acting on the issue of overriding the veto, Morse got his feelings hurt real bad because he was not notified in advance that unanimous consent would be requested. He was not there, and when he found out about it he declared a parliamentary war on the Senate in general and the Senate leadership in particular.

Anything for headlines. Now Morse is going every dilitory tactic in the book to delay the business of the Senate, and thereby delay the recess if he can. At least that is the view of observers.

* * *

Speaking of the veto of the housing bill, it will be recalled that Congress has approved two omnibus housing bills. The President objected to the first one because it was very inflationary, with many nonessential and expensive items in it. Then Congress passed another one, almost equally objectionable, and he vetoed it. It begins to look like some of the lawmakers would rather have a veto than a reasonable bill to meet their needs. Some of the parts will be interchangeable with those of standard Ford models.

"For example, front leg-room in the Falcon is only one-tenth of an inch less than in a 1959 Ford and front head-room is actually seven-tenths of an inch greater. Rear-seat passenger space also compares favorably."

Mr. Wright emphasized that the Falcon is all new from the ground up." None of its parts will be

"For example, if you want to add a V-8 engine to the Falcon, you'll find that Congress has approved two successive bills to meet the essential needs of FHA mortgage insurance and other necessary items.

But surely the Congress will not quit without meeting its obligation to the country in that respect. The Senate upheld the second veto.

The President also vetoed the public works appropriation because of his objection to 67 new starts for which money was provided—projects which had not been cleared by the Bureau of the budget as is ordinarily required. In defiance of the President, and inviting another veto, the House committee then approved a second one without meeting any of the President's objections.

And so it goes. At the time this is written a lot remains to be done in order to quit before the Soviet Dictator gets to town. And the leadership is determined to clear out before Nikita arrives on the 15th.

HOMER STEVENS JR., IS ATTENDING DELMAR

Homer Stevens Jr., son of Mr. and Mrs. Homer Stevens, has enrolled in Delmar Junior College in Corpus Christi, where he will study this coming year. Stevens attended Schreiner Institute this past year and is attending Delmar College on a football scholarship.

F. F. A. NEWS

This year the FFA Chapter looks pretty good and big, forty-six boys. The boys' projects for the year or the livestock show includes, three gilts, 24 fat lambs, two calves, forty-five capons, one barrow, one project of bees and one flock of breeding ewes.

The Chapter is planning to have many improvement projects during the year. Some will be around the school and others will be around the Ag Shop.

One improvement project for the school will be building some more sidewalks.

Mr. Robbins has plowed up a patch of ground behind the agriculture shop which will be used as a grass nursery. Native grasses to this area will be seeded and transplanted in the nursery.

FORD RELEASES PHOTOS OF FALCON

Ford Division of Ford Motor Company released first official photographs of the Falcon today and said it expects to build 400,000 of the new economy cars by the end of 1959.

James D. Wright, company vice-president and Ford Division general manager said assembly of Falcons already is under way at the division's Lorain, O., plant and will shortly be started at plants near Kansas City, Mo., and San Jose, California. Falcon engines are being produced at Lima, Ohio.

Mr. Wright said the keynote of the Falcon will be economy of operation and maintenance.

"For example," he said, "the Falcon will have gasoline economy 50 per cent better than the largest of the so-called 'compact' cars of American manufacture, and 35 per cent better than the smallest domestic car made by the same producer. Compared with the latter, the Falcon has 35 per cent more luggage space, 70 per cent more windshield area, and a full foot more rear seat width."

Mr. Wright said that in the area of replacement parts a Falcon fender will cost $6 per cent less, a windshield 40 per cent less and a muffler 30 per cent less.

With regard to air-cooled versus water-cooled engine, Mr. Wright said the Falcon's water-cooled, front-mounted engine will require only $1.80 worth of anti-freeze in the winter—50 per cent less than a full-size car.

Mr. Wright said the Falcon will be introduced publicly October 8, at 7,000 Ford Division dealerships across the country.

"Based on the amount of public interest in the Falcon already being reported by our dealers," he said, "we are expecting our busiest introductory period in years."

Mr. Wright said the Falcon combines economy of operation and smaller exterior dimensions with ruggedness, "big-car" roadability and passenger space comparable to that of standard cars.

"Its wheelbase is 9½ inches shorter and its over-all length 27 inches shorter than a 1959 Ford Fairlane, yet it is a full six-passenger car with interior roominess approximating that of standard models," he said.

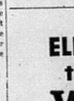
Heralding a new "breakthrough" in automotive design, the Ford Falcon — shown here with three views of the Ford model — is all-new from the ground up. Functionally styled, the Falcon has a full length sculptured side pangi that adds grace to its lines and provides greater strength for doors and side panels. The Falcon's all-new 90-horsepower six-cylinder engine is designed to give up to 36 per cent better gasoline mileage than standard cars.

ders slope downward to meet the grille, providing the driver with better visibility. The center of the hood features a Thunderbird-type air scoop.

Running the full length of the car is a sculptured panel which adds to the car's beauty and at the same time provides greater strength for doors and side panels.

The "dogleg" entrance to the front passenger compartment has been eliminated, greatly improving ease of exit and entrance. The luggage compartment has 24½ cubic feet of space—nearly twice the space of the two top imported cars combined.

The new overhead-valve, water-cooled Falcon engine has a piston displacement of 144 cubic inches and a 3½-inch bore with 2½-inch stroke— giving it a bore-stroke ration greater than that of any other engine now being produced. The block is made of cast iron for durability and reliability. Aluminum is used in the flywheel housing, transmission extension and other parts where it cuts weight without sacrificing strength.



Other Falcon features include a redesigned front suspension for improved ride and handling; a new type of brake system which features nine-inch brakes—largest in the industry for this size of car —and reduced pedal effort to compare with that of power brakes; 12-inch wheels; a 12-volt electrical system, and large, parallel-operating windshield wipers.

ELECTRIC CO-OPS turned WORK INTO PLAY

Ask any woman who fought the wood stove in the farm house and she will tell you electricity created a wonderland in her kitchen. Electric fry pans, percolaters, toasters, broilers, refrigerators, food disposer . . . the list is a long one. Then there's the electric stove itself . . . clean . . . cool . . . odorless and safe. But the important fact is this . . . The Electric Cooperatives borrowed money at interest to bring the electricity that made this modern miracle possible. The electric cooperatives and only the cooperatives were equal to the heroic challenge offered by rural electrification.

The Electric Cooperatives have succeeded . . . are succeeding and will succeed in their continuing task or service to the community and the nation.

KERRVILLE WILL HOST TEXAS SHEEP AND GOAT RAISERS

San Angelo—The fall meeting of the Texas Sheep and Goat Raisers Association will be held in Kerrville Saturday, September 26, Lance Sears, TS&GRA President, has announced. All members will meet at the Blue Bonnet Hotel ... sears wants to invite all ranchmen that grow sheep to attend this meeting," Sears said.

Probably receiving most attention will be a report on work done over the state to get a favorable vote in the wool referendum. The Association has urged all sheepmen to vote "Yes".

Sears also mentioned that livestock theft would receive lots of attention in the committee meetings beginning at 8:00 a.m. He called attention to the reward offered by the Association for information leading to arrest and final conviction of persons stealing sheep and goats from members. The reward is $500.00.

A group of Kerrville business men and members will be hosts at a barbecue at noon Saturday in the Louise Hays Park.

The William H. Scheidt family of San Antonio spent a pleasant week-end at their ranch this past week.

REDESIGNED '60 CHEVY TRUCKS

A revolutionary new suspension system gives vast improvement in ride, durability, and control to 1960 Chevrolet trucks. Front wheels are independently sprung on frictionless torsion rods. Rear suspensions are new, with coil springs on light-duty models and stronger, softer riding leaf springs on heavier models for improved cushioning of load and driver. New frames reduce, height up to seven inches, with some cab floors at step-in level from the ground. Styling is new with rubber-mounted, roomier cabs. Inside steps have been eliminated, providing a full-width floor.

TEXAS HIGHWAY ANNOUNCES NEW HILL COUNTRY HIGHWAY

The Texas Highway Department has announced a new highway construction project beginning next week in Kerr County, it was announced by Dewitt Greer, system engineer of the Texas Highway Department in Austin.

The new highway will extend from the Kerrville-Bandera city limits northeast for a distance of approximately thirteen miles. The construction will consist of widening bridges, culverts and shoulders, and resurfacing the existing pavement. The Texas Highway Department has awarded the contract to the Contractor, Allen Keller Company of Fredericksburg stated the construction will begin on September 7, 1959, and will be completed by September 1960.

Sam Durham, Senior Resident Engineer of the Texas Highway Department, in the Kerrville Area explained, that the traffic will necessarily be routed over the old existing pavement during construction. Durham pointed out that adequate barricades and warning signs will be prominently displayed, but motorists should be extremely cautious in passing through the area as it will be heavily traveled by highway construction equipment.

During construction work there will necessarily be some blasting operation and at such times traffic will be stopped for short periods.

The construction areas will be zoned for a maximum speed of 45 miles per hour for the protection of motorists and workmen alike. The entire length of the project will be patrolled to minimize inconvenience to motorists. Cooperation of the public is requested in obeying all traffic signals, warning signs and speed zones, Durham said.

Mr. and Mrs. Louis F. Postert, from Jim Hogg County, spent the week-end in Bandera. Judy, their daughter, also spent the week-end here after completing the summer as a riding counselor at Camp Mystic, Hunt, Texas. She will spend two weeks with her parents before returning to North Texas State College, Denton, Texas, as a sophomore.

Mr. and Mrs. Franklin Marek became the parents of a 6 lb. 15 oz. baby boy Monday, August 31, at the Maurits Memorial Hospital, Canado, Texas. Mrs. Marek is the former Peggy Ann Postert. Paternal grandparents are Mr. and Mrs. Frank Marek, Sr., of Edna, Texas. Maternal grandparents are Mr. and Mrs. Louis F. Postert, formerly of Bandera. Mr. and Mrs. Franklin Marek will leave soon for their new home in Albuquerque, New Mexico.

TEXAS VETERANS AFFAIRS COMMISSION

Austin, Texas, September 5, 1959 —Charles L. Morris, executive director, Veterans Affairs Commission of Texas, today announced the passage of Public Law 86-211, a law granting certain benefits to veterans of World War I, World War II and the Korean Conflict, and dealing with pensions to the dependents of deceased veterans who served during those wars. The law will become effective July 1, 1960.

Prior to passage of this law, the widow and/or dependent children of veterans of World War I have been eligible to receive pension benefits from Veterans Administration if, their income was within certain limits as set forth by law. It was necessary that widows and orphans of World War II and Korean veterans meet the same income limitations and, in addition, they were required to show that the veteran husband (or father) had a service-connected disability at the time of his death. Under the new law, it will not be necessary for dependents of World War II and Korean Conflict veterans to show that the veteran possessed such disabilities at the time of his death.

The new law also provides payment of pension benefits on a sliding scale, with the number of dependents and the amount of income of the veteran or widow as determining factors in the amount to which the pensioner is to receive. Maximum amount payable at the present time to a veteran who is so helpless as to require the constant aid and attendance of another person in caring for his daily needs, is $135.45. The new law would provide a minimum monthly pension of $170.00 to the veteran with three or more dependents who has less than $1,000 income from outside sources, and who is so permantly helpless as to require the constant aid and attendance of another person in caring for his daily needs.

Present payment to a widow who has no outside income and who has three dependent children is at the rate of $78.12 per month. The new law would provide monthly payments to a widow with the same set of circumstances at the rate of $105.00.

At the present time, a veteran eligible to receive pension, who is more than 65 years of age, has no dependents, and has an income of less than $1,400 annually, may receive benefits at the rate of $78.75 per month. Veterans who become eligible to receive benefits after the recently enacted law becomes effective on July 1, 1960, will receive $85 per month if their income is less than $600 annually; $70 if their income from outside sources is between $600 and $1200; or $40 per month if their outside income is between $1,200 and $1800. These figures would apply to veterans with no dependents. A similar sliding scale of benefits would be payable to veterans with dependents, and payments would be made in accordance with the number of dependents and the amount of income received by the veteran and his wife, other than payments made to them by the Veterans Administration.

Those drawing pension prior to July 1, 1960, may continue to receive benefits under the provisions of the present law, or may elect to receive payment under the new law if they so desire.

Howard Carl Eckhart

HOWARD CARL ECKHART ENTERS NEW FIELD

Howard Eckhart, well known young flower designer, is studying a new field. This time it is hat-designing. During the summer months he has studied in the Ann Holloway School of Millinery in San Antonio, learning techniques in straw, fabric, felt and flower-hat making.

His friends and the women in his family are all in favor of Howard's hat making. They have been privileged to have him make hats for their fall wardrobes, party hats for special occasions, and even spring hats to wear early next year.

Trimming and blocking were easy for Howard. "Just like making an arrangement," he said. But learning to use a needle and thread was a painful experience. He caught onto it, however, and can now make hats with a real professional touch.

Howard's first interest, of course, is flower designing. Study in hat-making will really contribute greatly to flower designing because he often makes fresh flower hats for bridesmaids or for women who want very special hats for an occasion. Also, combination of straws and fabrics often give an interesting variety to fresh flower work.

Howard will enter Texas Tech this fall where he will continue to study practical arts. He will begin with interior decoration, and integrate other courses which will add to his artistic ability. Meanwhile, he will continue his flower designing at Custom Flowers in Lubbock.

EXECUTIVE COMMITTEE WELCOMES NEW TEACHERS

The Bandera Parent Teacher Executive Committee honored the new teachers in the Bandera ISD with a tea on September 15th from 4 to 5, in the High School Homemaking Department. Those being welcomed are Mr. and Mrs. John Rimmer, Mr. and Mrs. Franklin Eichman, Mr. and Mrs. David HaRis, Mr. and Mrs. Cecil Graves and Mrs. Hubert Masurek. Each lady was presented a carnation corsage as she arrived.

The serving table was covered with a beautiful Chinese hand-embroidered cloth, centered with an autumn creation of bronze chrysanthemums combined with dried materials arranged on a piece of polished sandlewood burl from Japan. The arrangement was designed by Mrs. H. V. Heim, Program Chairman for the P.T.A. Refreshing, tangy fruit punch, fingertip sandwiches and cookies were served to about 34 members of the Executive Board and Faculty. Hostesses for the occasion were Mrs. Raymond Hicks, Mrs. H. V. Heim, Mrs. E. R. Teel, Mrs. Taylor Wootten, Mrs. Glendon Roberts, and Mrs. J. O. Evans.

BARBECUE TO BE HELD AT MEDINA LAKE METHODIST CHURCH

The membership of the recently organized North Medina Lake Methodist Church are busy planning for their barbecue to be held on Saturday, September 19, from 11 a.m. to 7 p.m., which will be a benefit for the building fund. The women of the church held a donut sale on September 5th, which was a real success. The public is invited. 1tade

BULLDOGS OPEN WITH 34-6 WIN OVER SABINAL

The Bandera Bulldogs opened the new season in fine style Friday night by romping to a decisive 34-6 win over the Sabinal Yellowjackets. The victory marked the sixth consecutive year that the Bulldogs have downed Sabinal.

Bandera opened the scoring column late in the first period as a result of a blocked punt by Kalka on the Yellowjacket four yard line. On fourth down and one yard away from paydirt, Kalka kept on an option play and plunged over for the touchdown. The PAT was no good and at intermission the score remained 6-0.

With the second half underway, the Bulldogs really caught fire and minutes later had their second touchdown of the evening. With Sabinal Kicking from deep in their own territory, a ruff, for Bandera Boyd Stein, fumbled the punter and tackled him before he could get the punt away. On the first play, Larry Stein took the ball around left end behind his way over from three yards out. Kalka kicked the PAT and Bandera led 13-0. Later in the third stanza, Bandera added another marker on a five yard pass from Schlador to Alanis. Kalka's attempted kick was no good.

In the fourth period of play, the Bulldogs marched 41 yards in five plays for their fourth TD. The payoff came on a 30 yard dash by Knibbe to the end zone. The two points after were scored on an aerial from Kalka to Poe. Also in the period, the Yellowjackets scored their lone tally of the night via a ten yard pass from Arvin to Silvas. The try for points after was no good. Finally seconds remaining, the Bulldogs tallied again. This time a spectacular 50 yard pass play from Schladoer to Stevens did the trick. Cottingham kicked the PAT to Bandera's favor.

Statistically, the Bulldogs gained 254 yards on the ground and 154 through the air lanes as compared to Sabinal's 37 yards rushing and 133 passing. The Yellowjackets in fact downs 11 to 10 but tackled in net yardage 288 to 170. Knibbe was Bandera's leading ball carrier with 87 yards gained on 11 carries for an 8 yard average. Stein, Schladoer, and Kalka rounded out the rushing leaders. Alanis, though he didn't have any official carries, did catch several passes each for a substantial gain.

Once again the Bulldog defense proved tough and agile. The forward wall as well as secondary did yeomen service all evening though still a bit green on experience.

This week the Bulldogs journey to Hondo to oppose the powerful Hondo Owls in a non-conference tilt Friday night. At this time it is doubtful if quarterback Kenneth Kalka will be able to see action against the Owls due to a leg injury. In all likelihood, Junior Ramos will step in to handle the signal calling chore for the Bulldogs.

P.T.A. MEETING

The Bandera Parent Teacher Association will meet for its first meeting of the year on Tuesday night, September 22, at 7:30 in the Band Hall. All interested persons are urged to attend.

Miss Loy Ed Johnson, daughter of Mr. and Mrs. Edward Johnson of Pipe Creek left this week to enter Incarnate Word College for her second year.

SCOUT TROOP 146 TO HOLD COURT OF HONOR

Three members of Boy Scout Troop 146 will receive First-Class Scout awards at a Court of Honor to be held in the Bandera Public Auditorium Monday at 7:30 p.m.

Gaining the First-Class rank are Richard Evans, Elmo Jaye and Royce Spratt. The boys have passed tests in camping, first aid, signaling and other Scout skills and successfully answered questions before a Board of Review recently.

Six boys will become Second-Class Scouts at the ceremony. They are Bobby Bailey, Mike Fitzpatrick, Morris Green, Billy Hamilton, Sonny Small and Russell Zickler, Jr.

Elmo Jaye will also receive a swimming merit badge which he earned at Indian Creek Boy Scout Camp in July.

Parents of the boys, prospective Scouts and other friends of the Boy Scouts are invited to attend the Court of Honor. Two films about Scouting will be shown, and refreshments will be served.

Troop 146 now has 24 registered members. Several other boys have almost completed requirements for advancing to First- or Second-Class, according to Scoutmaster Jack Burch and Assistant Scoutmaster Russell Zickler.

Although some work still remains to be done on the new Scout Hut on the Medina River near St. Joseph's athletic field, the troop is already meeting in the building. Meetings are held each Monday at 7:30 p.m.

BROWNIE SCOUTS WILL OPEN SEASON ON SEPTEMBER 22

The Brownie Scout Committee of the Bandera County Unit met in the Library Auditorium on Saturday night, September 12, at 8:00 p.m., to make plans for the Scout year.

It was decided to have the Brownie meetings on the second and fourth Tuesdays of each month from 4:00 to 4:00 p.m. Dues will be 15c per meeting. The schedule planned was an interesting one with entertainment made and several outdoor hikes and a party for the parents.

Due to the shortage of leaders, it was decided to limit membership of the Brownies until more leaders could be secured. Second and third and fourth grade girls wishing to join may contact Mrs. J. B. Edwards at Pipe Creek, or attend the first meeting of the troop on Tuesday, September 22, at 4 p.m.

Committee members are J. B. Edwards, chairman; V. C. Sanders, Mrs. Johnny Boyle, Russell Zickler and Rev. Victor Schmidtsinsky.

Mrs. J. B. Edwards will serve as leader; Mrs. V. C. Sanders, first assistant; and Mrs. Russell Zickler, second assistant leader.

Mrs. J. B. Edwards,
Scout Leader

COUNCIL WILL MEET TUESDAY, SEPTEMBER 22

The Bandera County Home Demonstration Council will meet on Tuesday, September 22, at 2 p.m., in the Bandera Library. All members are urged to attend.

Mrs. Frank Krueger, cashier of the First National Bank, is enjoying a two-weeks vacation.

MRS. RICKS IS BURIED AT PIPE CEEK

Funeral services for Mrs. Marion Lee Ricks of San Antonio were held Thursday, September 17, at 10:00 in the morning at Plummer Fugeral Home followed by interment in the Pipe Creek Cemetery. Rev. David Merwin of San Antonio officiated at the services.

Ella Ricks was born at Pipe Creek on February 18, 1870, to Mr. and Mrs. James Scott, early residents of that community but had resided in San Antonio for the past 45 years where she passed away Tuesday, September 15, at her home, at the age of 89 years.

Survivors include her husband, Marion Lee Ricks, of San Antonio; sons, D. W. Ricks, of Castroville and Fay Ricks of San Antonio; sister, Mrs. Candus Edwards of Pipe Creek; four grandchildren and one great-grandchild.

BANDERANS ATTEND ANNUAL FALL MEET OF T.S.&G.R.A. IN KERRVILLE

Bandera was well represented at the annual fall meeting of the Texas Sheep and Goat Raisers' Association in Kerrville last Saturday.

The business session was a busy one for the directors who urged all sheepmen to vote yes in favor of the referendum, so that all the sheepmen's products will continue to be publicized and competed favorably in the competitive field of cattle and meats.

The referendum calls for the deduction of 1 cent per pound from incentive payments for wool and lamb promotion.

The Association also requested the United States Secretary of Agriculture discontinue all federal grading of lamb. The Association also reaffirmed a stand taken on a resolution passed on the publication of regulations in the federal registers at the quarterly meeting in Abilene June 12. This resolution passed at the meeting recommended that the officers of the Texas Sheep & Goat Raisers Association request Congress to amend the procedural act governing all federal agencies to require that before any regulation is published in the federal register that such proposed regulations be submitted to the appropriate committee of Congress which originally heard the act involved for its decision as to whether or not such regulations fulfills the original congressional intent in the act.

The Association urged Gov. Price Daniel to request additional emergency appropriation of adequate funds for the operation of the Texas Animal Health Commission, in case he calls a special session of the legislature.

Ernest Williams received a rising vote of thanks from the Association for his 12 years excellent service to it. Mr. Williams announced that he would not be an applicant for the position of secretary to the association when his term expires in December.

Following the business session the group gathered at Louise Hayes Park for a delicious barbecue dinner.

E. H. MURRELL IS OPERATED ON

Friends here will be sorry to learn of the serious illness of E. H Murrell of Sabinal, a former resident of Bandera. Mr. Murrell underwent surgery in the Nix Hospital Monday and at last report was getting along well.

NOTICE

Persons interested in securing splendid photographs of the ribbon cutting ceremonies when the new Bandera-Hondo Farm to Market road was dedicated here on September 1, may do so by writing, Jorns, Box 347, Kerrville, Texas.

SHEEP FIELD DAY ON SATURDAY AT 2 P. M.

The Bandera County Sheep Field Day will be held Saturday at 2:00 p.m., on the Morris Ranch. The program will start at the Eckhart place which is a mile from the lower Tarpley road. It is at the big barn adjacent to the road going to headquarters.

A flock of two year old ewes and a flock of yearling ewes will be grouped into three different groups. Both of these groups were selected out of the ranch lambs before they went to market. The two year old ewes were bred to some top rams and have some nice lambs. The yearling ewes were selected last year from group one and two as replacement ewes. After the selection work has been done the ewes and lambs of the first and second group will be observed in separate pens at headquarters. To see group three, which is the bottom group, a visit will be made to the Gerdes place to observe there ewes and lambs.

It should prove interesting and educational for all sheep breeders to attend this field day.

WRECK ON KERRVILLE ROAD SUNDAY

A one-car wreck occurred Sunday afternoon on the Kerrville highway near the Bandera Country Club. According to the Sheriff's department, the occupants of the car, Mr. and Mrs. Keenan, of Kerrville, were not seriously injured although Mr. Keenan was suffering from a shoulder injury, and the car he was driving was declonlshed.

CASES IN JUSTICE OF THE PEACE COURT

Cases tried in Justice of the Peace William Ahring's court this week: J. H. Batto, license suspended for one year; Todor A. Utzmor, no drivers' license, fined $5.00 and costs; Royce Stevens, discharging firearms in a public place, fined $10 and costs; James Pierce, discharging firearms in a public place, fined $10 and costs; Neal W. Hatley, no fishing license, fined $10 and costs; Ivie H. Cooper, no fishing license, fined $10 and costs; Joseph H. Bonugli, no fishing license, fined $10 and costs.

In Judge Ahring's court this last week the name of Betty S. Ferguson appeared. This young lady was not Mrs. Betty Ferguson of Bandera, but was a visitor to the Hill Country.

MRS. J. B. EDWARDS IS NOW NATIONAL JUDGE

Mrs. J. B. Edwards has completed her course of schools and is now an accredited National Flower Show judge for which she holds a certificate for a three year period.

Mrs. Edwards is the past president of the Bandera Madrona Garden Club of which she is a member. She is Bandera county's only National Flower Show Judge.

FAREWELL GATHERING AT BROTHER PUGH'S HOME

Last Sunday afternoon at 3 o'clock a group gathered at the Medina Children's Home for a surprise farewell gathering honoring Mr. and Mrs. Pugh and children. Mr. Pugh has resigned as superintendent at the Home and is leaving for Houston, where he will serve as minister of the church of Christ. We regret very much to have Brother Pugh and his family leave. They are loved and admired by all who know them and we wish them success and happiness in their work.

Brother Phil Bradshaw of San Antonio will be the new superintendent at the Home. We welcome Brother Bradshaw and his family to our community.

There were about fifty people who registered at the farewell gathering. Brother W. R. Swinney spoke briefly expressing appreciation to Brother Pugh for the work he has done here. Brother Landiss led in prayer. Songs were sung and Brother Pugh gave the benediction. The Church of Christ at Medina presented the Pugh family with a gift as a token of love and appreciation. Refreshments of punch and cookies were served to: Mrs. Alma Keese, Mrs. Hattie Walker, Mr. and Mrs. J. E. Crist, Mrs. Ethel Smith, Mr. and Mrs. W. R. Swinney, S. A. Keese, Miss Vivian Keese, Mr. and Mrs. Calvin Seale and children, Sandra, Patricia, and Jay, Mr. and Mrs. Allen Keese and daughter, Pam, Mr. and Mrs. Grant Seale, Mr. and Mrs. A. B. Reed, L. C. Hinds, Mrs. J. B. Reed and children, Terry and Keith, Mr. and Mrs. C. W. Landiss, Misses Elaine Silvers, Lorene Gray, and Rose Marie Moore, Teddy, Eddy, and Freddy Duke, David Baker, Johnny Speck, Mr. and Mrs. Brantley Seale of Elfrida, Arizona; Mrs. Eleanor Morris and Winston Morris of San Antonio; Mrs. Josie Duke of LaFeria; Miss Mamie Barber and Miss Ada Barber of San Antonio and the honorees, Mr. and Mrs. Bill Pugh and children, Bonnie, Chuck, and Thad.

LEWIS-KEESE REUNION

The sixth annual Keese and Lewis Reunion was held at the N. N. Jackson place on the Medina river on Labor Day was well attended. It is estimated that about 500 people were present. It is regretful that many did not register; therefore, it is impossible to give a complete list of those who attended. Among those who came from afar and who registered were: Mr. and Mrs. Brantley Seale of Elfrida, Arizona; Mr. and Mrs. M. H. Thom of Ruidoso, New Mexico; Mr. and Mrs. R. L. Thorn of Port Arthur; Mr. and Mrs. Clate Thorn of Gonzales; Mr. and Mrs. Jim Peoples and daughter, Alma Ruth, and Tommy Crawford of Lufkin; Mr. and Mrs. Louie Loyd and little granddaughter, Angie, and Mrs. Chris Loyd and children of Elgin; Mr. and Mrs. John Lewis of Ira, Texas; Mr. and Mrs. Stanley Lewis, Gilbert Keese, Stanley White, and Kitty White of Menahans; Mrs. Allene Hillman and little sons, Miss Betty Novak of Runge; Mrs. E. J. Ashley, Mrs. Cira Dillion and Mrs. Sue Bonham of San Antonio; Mr. and Mrs. Wayne Daugherty and son of Raton, New Mexico.

If you left a luncheon cloth, bowls, spoons, or a dipper, please contact Miss Vivian Keese.

We wish to thank everyone for their cooperation and help in every way. We especially wish to thank Mr. and Mrs. N. N. Jackson for the use of the grounds.

Mr. and Mrs. Avery Thorn and Mrs. Bo Snider of Midland visited in the S. A. Keese home during the Labor Day holidays. They were unable to remain for the reunion.

Mrs. F. J. Duff and her daughter, Mrs. Henry Jurecki, left Wednesday for Denver, Colorado, where they will visit Miss Thelma Jean Jurecki. Mrs. Duff will go on to Ogallala, Nebraska, to visit her brother and family, Mr. and Mrs. Ed Thompson, then on to Hamburg, Iowa, to visit Mrs. Amanda Spittler.

Gary Keese has returned to his home in Bryan after visiting here with his grandparents, Mr. and Mrs. Thomas Keese.

We are happy to see Mrs. Billie Williston improving from a recent illness and hope she will continues to get well fast.

TRUCKS THAT DO THE NEXT BEST THING TO PAVING EVERY ROAD IN AMERICA!

Imagine a truck ride so smooth and cushioned that fragile loads can travel the worst "washboard" roads with ease. Imagine a truck ride that virtually eliminates shimmy and wheel fight, cuts side sway on curves, makes steering far steadier and easier, keeps drivers far fresher. Imagine a truck ride that permits higher safe cruising speeds, more trips per day with all kinds of cargo over every type of road surface. Imagine a ride that keeps up to 78% of all objectionable road shock and vibration from ever reaching the driver and cargo, a design that sharply reduces twisting and fatigue forces on chassis, cabs and bodies, that keeps trucks young for extra thousands of miles. / *Soon you won't have to just imagine such a ride. You can try it for yourself in the trucks that do the next best thing to paving every road in America—new Chevrolet trucks for 1960. You'll see what happens when Chevy's truck engineers design a whole new line of trucks around a whole new kind of torsion-spring suspension. These trucks are new from the ride on up—with wonderfully roomier cabs, brawnier frames, style that's fresh as sixty and more! Don't decide on any new truck till you see the newest of all.*

Tarpley

By Mrs. Nettie Dean

G. W. (Buddy) Sandidge, son of Mr. and Mrs. M. R. Sandidge left for Tarleton State College at Stephenville Wednesday where he enrolled for another college year.

Mrs. Alice Purvis and son, Milton, visited Saturday afternoon with Mr. and Mrs. Lee Smith and family. They also visited with Mr. and Mrs. Lee Mansfield.

Mr. and Mrs. Bradley Richards are enjoying a visit this week from their old friends from Ingleside, Mr. and Mrs. W. F. Hamil.

Mr. and Mrs. Howard Billings visited Mr. and Mrs. J. E. Dean and children, Larry, Marie and Charles Wednesday night.

Mr. and Mrs. Henry Erfurt of Bandera visited Mr. and Mrs. Arthur Erfurt and children, Ella Mae and Artie, Sunday night.

Among those who attended the Bandera-Sabinal football game Saturday night were Mr. and Mrs. Bradley Richards, Bob Padgett and Jesse Ray Surger.

Mrs. A. A. Jeffers' guests Tuesday were Mrs. Leo Gann and two children of Atascosa and Mrs. Henrietta King of La Vernia. Mrs. Gann and Mrs. King are neices of the late A. A. Jeffers.

Mrs. A. A. Jeffers went to Bandera Tuesday and spent the night with Master Sergeant and Mrs. John Witt. They all went to San Antonio Friday. Mrs. Jeffers returned home Saturday afternoon with her sister and husband, Mr. and Mrs. Ed Terrell, of Corpus Christi, who visited with her during the week-end.

Mr. and Mrs. J. E. Dean and children went to Utley Saturday and drove out to the Calvert Ranch for the day. They are moving there in the next few weeks to make their home.

Mr. and Mrs. A. W. Nichols made a business trip to Bandera and Hondo Monday. They are having some repairs made on their home and some building done. We are sure it will look lovely for it is a beautiful location.

Mr. and Mrs. J. E. Dean and children visited Mr. and Mrs. M. Dean and Mr. and Mrs. Louis Dean and children, Don, Joyce and Jerry and Sue at Dilanis Saturday afternoon. Don is out of the Navy now and back with his parents, and plans to enroll in college at Uvalde next week.

Visitors of Mr. and Mrs. J. E. Dean Tuesday night were Mr. and Mrs. G. M. Mickelson, Mr. and Mrs. A. W. Nichols, Mr. and Mrs. Rodolph Schmidt and daughter, Brenda; Mr. and Mrs. Jesse Burger and Margie.

Mr. and Mrs. S. J. Mueller and children, Judy, Bobby, Gretchen and Dickie, had as their dinner guests Sunday night, Larry, Marie and Charles Dean and Eddie Ellison and George Riley. All enjoyed the Mueller's hospitality very much.

Mr. and Mrs. H. A. Rabe of Normanna spent four days here the first of this week visiting with Mr. and Mrs. G. M. Mickelson. Mrs. Rabe and Mrs. Mickelson are sisters.

Jim Berkeland, Johnny James of Bandera, and H. A. Rabe of Normanna were business visitors in San Antonio last Saturday. While there they also visited in the home of Mr. and Mrs. H. B. Allen and daughter, Miss Lorraine Mitchell. They report that the Allens are feeling somewhat better and that they sent their regards to their many friends at Tarpley and hoped to be able to visit at Tarpley soon.

Bobby Stein, son of Mr. and Mrs. Robert Stein, has returned to San Antonio where he is attending Assumption Seminary. He says he likes it fine and is getting along fine.

Mr. and Mrs. H. A. Rabe of Normanna were guests in the home of Mr. and Mrs. John G. James and little daughter, Minnonna, Sunday. That afternoon they all visited Frontier Times Museum and other places of interest near Bandera.

Mr. and Mrs. C. F. Dupuch had as their guests this week her neice, Maj. Ida A. Werner, from Germany, and another neice, Olga Holkens of San Antonio, and their daughters, Mrs. Wm. Hager of San Antonio and Mrs. Dennis Duff of Bandera. On last Sunday their guests were Mr. and Mrs. Luke Aaron of Lytle and Mr. and Mrs. Charles Aaron of Somerset.

It's The Law

"Constitution Week" Significant

The week of September 17-23 has been designated as "Constitution Week". Each year as it approaches it is celebrated throughout the nation in recognition of the importance of the federal constitution, which forms the basis of our national government. It insures a stable balance of powers between the legislative, executive and judicial branches of government by providing curbs upon the authority of each.

For instance, mighty as our Congress is, the Constitution does not give it certain powers:

1. Neither Congress nor anybody else can suspend the writ of habeas corpus (unless the public safety demands it during rebellion or invasion.) All officers or others must obey a court and bring in anyone in their custody to see whether he is held lawfully.

2. Congress cannot pass "bills of attainder," special acts to punish someone. Congress cannot by pass the courts.

3. Congress cannot pass an ex post facto law which says that makes an act a crime which was not one when done, or which punishes the offender more than called for when done.

4. Congress cannot tax exports from any state nor by regulation favor one state's ports over another's, nor make one state's vessels clear or pay duties to another state in order to enter.

Besides these denials from within, the constitution curbs Congress and the executive and judiciary in the amendments, especially the first ten.

Among other things, Congress cannot make a law respecting establishment of religion or prohibiting the free exercise, or abridging the freedom of speech, of the press or the right of the people peaceably to assembly and to petition the government for a redress of grievances.

The constitution also curbs the courts (for example, they cannot deny a person a fair hearing duly represented by counsel.) It curbs the executive the cannot, for example, take private property for public use without just compensation.)

The constitution, which divides the work of the three branches of government, winds up by telling where the rest of the power rests in case anybody gets any fatsy ideas of dictatorship. There are things no state can do, for instance, "make or enforce any law which shall abridge the privileges or immunities of citizens of the United States."

If there are any powers not given to the United States government or reserved to the states, they belong to the people. The constitution does not seem to limit the people.

This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.

FACTS ABOUT VETERANS PENSION ACT

Three facts about the Veterans Pension Act of 1959 placing future veterans pension payments on a basis of need were explained today by J. Norman Lodge, Manager of the Veterans Administration Regional Office in San Antonio, Texas.

First, Lodge said, the new law does not go into effect until July 1, 1960.

Second, it applies only to non-service-connected pensions and will have no effect on service-connected compensation payments.

And last, veterans currently drawing pensions will not have their benefits changed unless they choose to apply under the new law for increased benefits. Their choice is final.

Mr. Lodge emphasized that information will be sent to those veterans concerned and their dependents before the law becomes effective.

Since there will be ample time to make application, Lodge urged veterans and veterans' families not to write to VA about their individual cases. Such correspondence will delay tremendously the processing of veterans' claims.

Chas. Wyatt and Jeff McNeil of Houston spent Saturday night with Mrs. E. E. Wyatt, Mr. Wyatt's mother, as they were en route to Austin on Humble Oil Company business.

ROSE GARDEN CLUB ENTERTAINS

The Rose Garden Club met on Wednesday, September 9, at 10:30 at the Methodist Youth Center in Medina, for a Flower Show Clinic. The clinic was presented by Mrs. James Moore of Kerrville and she was assisted by Mrs. Dan Webb of Ingram, who both worked with the Schedule of the Hill Country Garden Council Flower Show which takes place on October 3-4.

Mrs. Moore made several arrangements exemplifing the various classes of the Flower Show. One of the interesting classes which she demonstrated was the "Five and Ten" in which she used five Zinnias in a low container with greenspike material for Line. Another was "The Barber Shop" in which she placed white and red blooms in such a manner that a barber pole was suggested.

Mrs. Moore and Mrs. Webb both demonstrated how lovely a horizontal arrangement can be, using Zinnias with accompanying greenery. One of the loviest arrangements was to illustrate "The Bank". For this one Mrs. Moore used a graceful silver vase with many shades, tints, and tones of green leaves ligustrum berries, and slightly green tinted Zinnias.

A "Bring Your Own" Luncheon was served and a brief business meeting held after which Mrs. Moore continued with her demonstration.

The Year Books were distributed to those members present whose dues had been paid.

Mrs. Olds, Finance Chairman, reminded all the members of the Plant and Bake Sale on September 19, and asked that all members bring plants, seeds, pies and cakes.

Mrs. Stokes, Civic Beautification Chairman, reported that the Five Stallion Grounds had been watered, mowed, and tended during the summer and was reaching the stage where we can be proud of its general appearance.

The Hill Country Garden Council Flower Show will take place on October 3, 4, at the Methodist Encampment in Kerrville. Every member is urged to enter as many classes as possible and bring as many Horticultural specimens as she can. The Dried Arrangements and Potted Plants will be picked up in Medina on Friday, October 2 at 9:00 a.m., and the other arrangements on Saturday morning at 8:00.

There were 19 members and two guests present at the meeting.

Miss Marlene Leibold, daughter of Mr. and Mrs. Milton Leibold of Medina Lake, has enrolled at San Antonio Junior College and is majoring in business administration. Marlene was among the students who made the highest grades on the college's entrance examination last week, and was valedictorian of Bandera High School this year.

Bill Jordan, son of Mr. and Mrs. W. P. Jordan, returned last week to Texas Military Institute at San Antonio to resume his studies.

MRS. DAN WEBB IS GUEST SPEAKER AT THE MADRONA GARDEN CLUB

Mrs. Dan Webb, a member of the Ingram and Medina garden clubs, and a noted flower [illegible] and authority on flower arrangement, was the guest speaker last Friday afternoon when the Bandera Madrona Garden Club met in the education building at the Bandera church of Christ.

Mrs. Webb exemplified the schedule of the Hill Country Garden Council's flower show which has been set for October 3-4 in Kerrville.

Mrs. Isabel Anderson, president of the Hill Country Garden Council, was among the distinguished assembly and also spoke briefly.

The Friendship Committee, composed of Mrs. Joe H. Short, Mrs. J. Burgin Davenport and Mrs. E. A. Johnson was named.

Five birthdays of club members were celebrated.

The Madrona Garden Club is making plans to entertain the Hill Country Garden Council on October 21, at which time Mrs. Dwight Wier, of San Antonio, will lecture and give a demonstration on "Holliday Glamour," which will include the Thanksgiving and Christmas season.

Mrs. A. W. Huseby and Mrs. Lon D. Fisher were hostesses and served refreshing lemonade and cake.

Mrs. Fisher presented the arrangement for the day.

Present were two very welcome new members, Mrs. [illegible] and Mrs. J. Burgin Davenport, Mrs. Bill Short, Mrs. G. M. Merritt, Mrs. E. M. Dan, Mrs. J. D. Edwards, Mrs. J. W. Edwards, Mrs. E. A. Johnson, Mrs. Edwin Vawter and the hostesses, Mrs. Huseby and Mrs. Fisher.

The next meeting will be on October 9, with Mrs. G. M. Merritt and Mrs. Fritz Saur as hostesses. Theme of the meeting will be "Spring Planting."

J. R. Naden returned home from Iowa last Thursday. As he had been ill while in Iowa, his son and wife, Mr. and Mrs. V. L. Naden, of Osage, Iowa, came with him to Texas to do his driving. They visited with his sister, Mrs. John Goodenough and family, returning home by train Monday.

Mr. and Mrs. P. B. Doane returned home from a business trip to Chicago this week.

MR. AND MRS. D. W. HICKS ENTERTAIN SUNDAY SCHOOL CLASS

Laying aside the cares of life in exchange for the pleasantest of fellowships, the Sunday School holders of the "Royal Ambassador" Church met around the festive board under the oaks and on the lawn of the D. W. Hicks' beautiful ranch home Tuesday at 5:00 p.m. The turnout of officers was almost 100 per cent.

Superintendent Hicks had planned a challenging and inspirational meeting for his co-workers to inaugurate the new 12 months program of Sunday School work. Barbecued young goat and chicken with covered dishes brought to complete the "western flavor" dinner were ready when the guests arrived.

After the feast, presided over by the charming hostess and host, Mr. Hicks spoke a few words of encouragement and challenge to his co-workers and the speaker of the evening was introduced. James Fitzhenry, Minister of Education and Young People's worker of University Park Baptist Church of San Antonio, spoke inspirationally of following faithfully the call to service.

D. W. Hicks closed the meeting with prayer and the guests departed resolved to make this a "best" year in their work.

Present, in addition to Host and Hostess, Mr. and Mrs. D. W. Hicks, Jeanine, Dickey and David, were Rev. and Mrs. Ira Garrison, Mr. and Mrs. Dan Callahan, Mr. and Mrs. Forest Stevens, Mr. and Mrs. Bob Mansfield, Mr. and Mrs. Raymond Hicks, Mr. and Mrs. Wes Matthews, Mr. and Mrs. John Walbrum and David, Mr. and Mrs. Rhea Mansfield, Pastor and Mrs. J. Manley Reynolds, Mrs. Norma Davenport, Miss Zona Johnson, Mrs. Lila Schultz, Mrs. Fred Mansfield, Mrs. Helen Rugh, Mrs. Herman Mansfield, Mrs. Mads Dial, Ervin Hardin, Linda Wright, Daisy Marie Haegelin, and Mrs. Walter Meadows.

This represented every department of the Sunday School by at least two persons.

Our WASHINGTON Letter
By Congressman O. C. FISHER

With the drawing of the curtain on the 1st session of the 86th Congress, the debit-and-credit dopesters are at it again. An appraisal of the degree of success of the session is a debatable subject, with more credit than debit being apparent from the record that has been made.

While there has been some free spending by and large the record has been good, with a balanced budget being likely. On the face of it the Congress has actually trimmed budget requests by around a billion dollars. But unfortunately that does not tell the full story. We will know more about it next Spring when supplemental appropriations are made to supplement funds that are found to be inadequate.

Foreign aid was trimmed by nearly a billion. But most of that was offset by a three-quarter billion dollar outlay authorizing 37,000 additional units of public housing—a direct federal subsidy. Although that figure is handled through back-door spending which does not appear in the budget.

Chief credit of the session was the Landrum-Griffin anti-racketeering bill which breezed through on the tide of an aroused public opinion.

On the wake of that historic success against the hoodlums and gangsters in the labor movement came the threats upon the political lives of those of us who supported the bill against racketeering. James Carey and Jimmy Hoffa both got into that act with wide-swinging threats of what they would do at the next election.

This brings up the recurring question of just how amenable rank-and-file union members are to be union leaders who try to tell them how to vote, and just how regimented in that regard union members allow themselves to become.

The dictatorial attitude of labor politicians is evidenced by a statement made by James McDavitt, National Director of the political arm (COPE) of AFL-CIO, who in a speech made at a regional meeting of union leaders in Hartford, Conn., was quoted as saying: "We are going to get the labor leaders who differ publicly with the position on candidates and issues already established by the labor movement.... We are warning you, and we are warning all in the future; do not differ with the movement with respect to issues or candidates. We will not stand for it!"

TELEPHONE TALK

by Leonard Hardin, Manager

Co WEST YOUNG MAN was the cry heard back in 1849 for the young man seeking wealth and adventure. But nowaday, many a soldier of fortune is finding his acre of diamonds on the Happy Shahan ranch, just eight miles north of the little city of Brackettville, where John Wayne and Company are shooting a $10,000,000 movie called "The Alamo." Tourist, cowboys and would be actors are flocking to this little sleepy cowtown by the score. And because of this mass migration the Telephone Company has had to go west also. For many days now we have been installing, changing and moving telephones in order to give these people service. Since August 1, we have installed over forty new telephones and a teletypewriter machine. For the convenience of those who do not have telephone service, we have installed five additional paystations in strategic locations about town. The Alamo and San Antonio are connected with a very unique underground system having two private lines and a magneto line so they can communicate with the outside world at any time. In addition, we have increased our long distance circuits from six to ten and rescheduled our operating force so the additional volume of calls can be handled. All these installations and changes took time and money. But we are glad that the Telephone Company has had a part in this great drama taking place at Brackettville. And we intend to give these people the best service possible.

PICK THE ROOM — THEN PICK THE COLOR

The other day, I was reading over a study made by the telephone company which showed that the kitchen and bedroom were the most popular locations for extension telephones.

If doesn't surprise me because a good number of our customers here in Bandera have ordered telephones for those particular rooms in their homes.

But perhaps you'd like additional phones in other rooms—the workshop, maybe, or the family room. All you have to do is pick the room where you want an extension, and then call the business office at SW6-3781.

We'll be happy to help you select the color that fits the room. And you'll be happy, too, because a color extension brightens your home and helps you get more out of life.

THE OLD "COLLEGE TRY"

In the coming months, Saturday afternoons on college campus will mean lively football games with teams giving it the old "college try."

But Sunday afternoon—minus the excitement of the winning touchdown—can be lonely for sons or daughters away at college.

There's an easy remedy for this, however. Just ask them to make the old "college try" at remembering to call you collect every other Sunday.

Who knows? They may even surprise you some Sunday by paying for the call themselves with the dollar or two they've saved from allowance or an extra job they've picked up at college.

Call by number. It's twice as fast.

ELECTRIC CO-OPS PUMP the WATER for RURAL TEXANS

Water is an important word in Texas. But unlike the weather about which little can be done, the Rural Electric Cooperatives of Texas have done a lot about our water. In times of drouth, pumps powered with co-op electricity have tapped the subterranean table to bring water to parched fields.

Electric cooperative have provided running water, making the washing machine and indoor plumbing as familiar in rural areas as in the cities.

Cooperative people are active too in water conservation programs for they know the value of an abundant supply. But most important they know the blessings that electricity has brought. Every drop of water that flows through the pump is a reminder of the new way of life the rural community enjoys as a result of rural electrification.

SCHOOL DAZE

SCHOOL DAZE STAFF

Editor—Linda Wright.
Reporters—Betty Langford, Noahlene Bergman, Peggy Setzer, Ruth Brown, Linda Bunch, Judy Mueller, Carol Anne Vaughn, Sharon Jones, Kathy Jones, Gretchen Mueller.
Typists—Bennie Dupmore, Cathy Anderwald, Mary Ann Mosso, Margaret Ann Maszurek.
Sponsor—Mrs. A. B. Lewis.

A WORD FROM THE DAZE

And what a daze it is!" You can still walk down the hall and hear, "What do I have this period?" or, "Where is room six?" This is asked not only by freshmen—a few seniors have not yet settled down to the regular routine of school. But the subject most widely discussed is, "How do you like the new teachers?" At this time School Daze and the student body as a whole would like to welcome all new teachers in the Bandera Public Schools with a warm, friendly, "Hello!" and say that we hope you enjoy teaching us Banderans as much as we shall enjoy your being here.

This year our high school staff has two new faces. John Rimmer, a former pilot instructor from Lockhart, is our new assistant science teacher. His wife, Mrs. Patsy Rimmer, is home economics instructor. Both are graduates of SWTC in San Marcos. Also, a favorite grads' school teacher, Mrs. Anna Laura Vaughn, has migrated to high school and is involved in teaching a variety of subjects; these include history, civics, Spanish, and one English class. David Hargis, recently of Corpus Christi, is both grade school and high school band instructor. All comment which has reached the School Daze staff from band students has been of very favorable report. We are looking forward to seeing the Bulldog Band on the field tonight, at the Hondo football game.

The grade school staff has four new faces and one new name. Mrs. Carolyn Hargis, the wife of our fifth grade boys. Mrs. Wyrelle Richman, a graduate from SWTC, San Marcos, is the fifth grade girls' teacher. Her husband, Franklin Eichman, also a SWTC graduate, is assistant coach and teaches seventh and eighth grade science and math. Cecil Graves, from San Marcos, teaches seventh and eighth grade social studies. The new name, but familiar face, is Mrs. Barbara Mansfield Maszurek. The old familiar, "Barbara," becomes a hasty, "Mrs. Maszurek," with just one swift glance from the Mrs. She is teaching seventh and eighth English and has the whole "kit-and-caboodle," grade and high, in physical education.

Once again, let us say, "Welcome!" and best wishes for one of your happiest years in the teaching profession.

Ed.

PAST TO PRESENT EDITOR

Dear Linda,

I would like to congratulate you on being chosen as the 1959-1960 School Daze Editor.

Your position as editor will teach you just as much or more than any scholastic course you are taking. I found that it provides valuable experience in English grammar, and you also will learn responsibility and leadership. Linda, do not get the idea that being editor is all education and no play; the position of editor was one of the highlights of my school days. One of the most valuable people in your eyes will be Mrs. Lewis. Her radiant smile and ever-helping hand is always there to help smooth things when the going gets rough, and you just know everything is going to pieces. Do not overlook the part played by your valuable staff of typists and reporters; without their assistance, School Daze would be quite impossible.

Being editor was very entertaining and gave me a feeling of pride to read our accomplishments in the School Daze page in the Bandera Bulletin. I am sure you will find your job very interesting.

Yours truly,
MARLENE LEIBOLD

BULLDOGS ROMP TO 34-6 VICTORY

The Bandera Bulldogs took advantage of all available breaks Friday night in stomping the Sabinal Yellowjackets 34-6 in the season's opener for the locals.

Leading only 6-0 at the half due to a one yard plunge by Kalka into paydirt, the Bulldogs really came to life in the remaining periods with touchdowns by Stein from three yards out, by Alaniz on a five yard pass from Schladoer, Knibbe on a 30 yard dash, and Stevens on a 55 yard pass play from Schladoer. Kalka, Poe, and Cottingham accounted for the points after for the Bulldogs.

LUNCHROOM MENUS

Monday, September 21 — Hot dogs, chili sauce, hot potato salad, buttered corn, milk, orange, grape fruit, cocoanut salad.

Tuesday, September 22—Brown beans, ham, buttered cabbage, cheese sauce, chilled canned tomatoes, corn bread, butter, milk, apricots.

Wednesday, September 23 — Hamburgers, cheese slice, potato chips, lettuce, tomato, onion, milk, fruit.

Thursday, September 24—Braised cubed beef, mashed potatoes, carrot, raisin, celery salad, bread, butter, milk, plums, oatmeal cookies.

Friday, September 25 — Fish sticks, catsup, buttered whole kernel corn, okra gumbo, bread, butter, milk, bar peanuts.

JUNIOR CLASS NEWS

School started about two weeks ago and just about everything is back in the same old groove they left three months ago. Perhaps some of the Juniors were slightly sorry that school was starting but already they are saying: "It won't be too long now before we will be seniors."

The junior class is officially on its feet now. Monday, class officers were elected placing in charge Jerry Adamietz, President; Douglas Miller, Vice-president; Jo Ann Baker, Treasurer; Jeanine Hjelt, Secretary; and Barbara Focke, Historian-Reporter. All of these officers are pledged to do their best to make this year a happy and profitable one for the juniors.

On Tuesday, September 15, the junior room mothers met with the room mother chairman, Mrs. Dan Alaniz, in charge. Class officers were invited to meet with the mothers. At this meeting it was decided that the junior mothers will serve a Mexican dinner Friday, September 25, starting at 6:00 p.m., and continuing throughout the game. The dinner will be 75c for adults and 50c for children under 10 years. Come, eat a good supper and support the class. The room mothers also selected chairmen for the Hallowe'en Carnival, the Christmas party, and the end-of-school party, and the Junior-Senior Prom or Banquet.

WHAT'S THE GOOD WORD?

Our head-cheerleader, Sandy Mott, and our new sponsor, Mrs. Barbara Mazurek, have certainly been doing an excellent job of keeping us organized and teaching us new yells.

We Pup-Pets have decided to exchange those old pleated skirts for fresh straight blue skirts with white kick pleats. We think they will look very nice and hope you will like them, too.

We certainly were proud of our Bulldog team in their splendid victory over Sabinal last Friday night. Those thirty-four points surely looked good against their little six. A hearty cheer is extended to the fighting Bulldog team: Keep up the good work boys; we hope you do as well tonight against Hondo.

Our cheerleaders are as follows: Head, Sandy Mott; assistant head, Cathy Anderwald, both Seniors; Junior, Jeanine Hicks; Sophomore, Jean Daniels; and Freshman, Claudia Shaw. They have been doing an excellent job of leading yells and keeping the spirit alive. They also have a few words to say in answer to the question at the top of the page: "Beat Hondo!"

BAND NEWS

We are very happy to have David Hargis as director of our Bulldog Band. He formerly made his home in Corpus Christi and has been the director of a military band.

Band activities got underway when we did our half-time show at the Sabinal football game last Friday. This week we have been working on the half-time show for tonight's game at Hondo. The band presently consists of 30 members. Those who have been to the football boys on the first game say they played best week and boys' day as well tonight.

Our majorettes for this year are as follows: Carol Anne Vaughn and Rose Stricker, seniors; Barbara Hoch, sophomore; Susan Langford and Rosemary Faurie, freshmen; and Elvera Algreseva, a junior, drum-majorette.

FIFTH GRADE BOYS

Mrs. Hargis, wife of the band director, is our new teacher. Our fifth grade is made up of twenty-three boys. Monday, we got a new pupil, DeWayne Redding.

Last Friday we elected the following officers: Joe Kitzman, Lost and Found; Steve Taylor, Secretary; and Johnny Richards, Sergeant-at-Arms.

SOPHOMORE NEWS

This year, we Sophomores are coming back to school feeling more mature and a lot older than we were as freshmen; also we feel more "wise" and almost like upperclassmen. We hope this will be a "better than last year," book-wise as well as fun-wise!

Officers of the Sophomore boys, for helping with the Sabinal game! Here is good luck for your coming games.

The Retreat is open again after a summer of repairs. A number of Sophonottes are finding it quite enjoyable. Some who went the Sophonotte way are Jimmy Mamos, Larry Stein, Karen Walters, Raye Ritcheson, and Charles Walker.

This year, after a lot of discussion, we have Spanish as one of our courses. As you probably know, Mrs. Vaughn is teaching a full class of eager students. She is conducting the class in Spanish, but when everyone is utterly confused, she must explain it in English. Mrs. Vaughn is doing a fine job teaching, and as the Spanish students would say, "Adios!" for now.

FRESHMAN NEWS

Well, we have finally reached high school! And guess who has followed us to become our home room teacher! Of course it is none other than Mrs. Vaughn!

Most of the freshmen have now accustomed themselves to high school, and find it quite enjoyable. They do not seem to mind doing homework, either.

Several freshmen attended Friday's football game at Sabinal. Many of these are members of the band and pep-squad. They were Claudia Shaw, Annette Miller, Laura Stricker, Bonnie Mansfield, Jeanne Chism, Jamie Sue Nixon, Jo Ann Zigler, Carolyn Wright, Karen Kitzman, Donna Morse, Lynda King, Sharon Cox, Susan Langford, Rosemary Faurie, Linda Bausch, Chuck Hargis, Sam Bradford, Skipper Reed, and Bobby Mueller. At least those were the ones seen there.

Jeanne Chism reports she went to the Retreat Saturday and to the show on Sunday.

Claudia Shaw tells us that there are some new arrivals at their house which makes the total cat population number thirty-five inhabitants.

EIGHTH GRADE NEWS

When the thirty-four eighth graders arrived at school September 3, 1959, they discovered they were to have all new teachers. Mr. Graves is their home room teacher; he teaches reading, American history, spelling, and geography. Mrs. Mazurek teaches language and P. E. Mr. Eichman is their arithmetic, science and health teacher. The eighth grade likes all their new teachers very much and they hope the teachers feel the same way about them.

On the second day of school the class officers were chosen. George Kinsey was chosen President, Lola Rees, Vice-President; Noahlene Bergman, Secretary and Reporter; Harper Jacoby, Treasurer; Mary Ann Haun and Gary Richards, Librarians; Edward Scriven, Sergeant at Arms.

SIXTH GRADE NEWS

Morris Green, his brother, and two friends found a skunk in their cattleguard. They tried to hit him on the head with rocks and then tried to smoke him out. But nothing worked. Now they have a sweet smelling cattleguard.

Thomas Meginnis went to Austin to take his sister, Dona, to college.

On Saturday and Sunday, Deborah Harrison helped her aunt move. She washed the woodwork and did other odd jobs.

Brook Bond went fishing, but a day and caught five fish. He pleased them when he got home and ate them for supper.

FIFTH GRADE GIRLS

The Presidents, Janice Hutchison and Sandra Waldman; Secretary and Reporter, Betsy Langford; and Parliamentarian, Ernie Walton.

We will have a meeting every Friday and collect officers every six weeks.

Joan and Edith Heinen and family went to Hillsboro, Greenville, and Ferrell to visit relatives over the week-end.

Mary Jane Billings and family went to Medina on a fishing trip.

MRS. FITZGERALD'S FOURTH GRADE NEWS

There are twenty-one pupils in our class this semester. We are welcoming five new children who have joined our group this year. These new pupils are Barbara Sue Williams, Dennis Harrison, Jerry Stelnecke, Sharon Rimmer, and Wanita Callahan. We have all gotten off to a good start and are going to work hard this year.

SENIOR NEWS

The Seniors seem to be all set for the new school year looking them in the face. The feelings of our twenty-eight Seniors are: Peggy Billings, President; Sharon Jones, Vice-President; Carol Anne Vaughn, Secretary; and Cathy Anderwald, Treasurer. We would like to congratulate Linda Wright, our School Daze Editor, and wish her the best of luck in the big job ahead of her.

The Seniors have begun to consider the production of the '59-'60 Annual. Various committees have been set up and work will begin immediately.

We would like to welcome our two new classmates, Binnie Dupmore and Patricia Johnston. We are really glad to have them with us this year.

MRS. REININGER'S FOURTH GRADE NEWS

There are twenty of us in Mrs. Reininger's fourth grade. We spent the first week becoming familiar with the fourth grade and its work.

We have a new science series this year which looks very interesting.

In geography we are going to make an imaginary trip across the United States.

We are all very proud of our new song flutes which Mr. Hargis, our music teacher, is going to teach us to play.

On Wednesday the mothers from both fourth grades had a meeting. Mrs. Fred Hamilton is room mother chairman for both rooms.

Douglas White is looking forward to a visit from his uncle who has been in France with the army.

Gene Wright killed a squirrel with his pellet gun. His mother cooked it for him.

Raymond Pawelik is now feeding nine pigs which are two weeks old. He plans to enter them in the livestock show in January.

Ric Matthews and his brother went dove hunting Saturday. They shot a snake which was in a pool of water.

Jan Sanders visited Nora Linda White, Saturday. They saw a home movie that night.

Linda Copeland went to Lost Valley Saturday night; her mother works there.

MRS. AINSWORTH'S THIRD GRADE NEWS

Betsy and Susan Langford visited Marion Allert this week-end. They played jump rope, jacks, and dolls.

Gary Daniels and Phillip Applegate played "army" together on Sunday.

Kenneth Edwards and his friend, Paul, went to the fields and discovered that the hills all around would give back an echo; so they stayed out until dark, shouting and being answered by the echo.

Sid Skinner's border collie chased away another dog.

Gus Garcia and his brothers had an exciting time playing cowboys with "two-guns."

Tommy Wedgworth played with his little car.

Darrell White rode in a sleeping-car on the train when he went to Macon, Georgia, to visit his grandmother this summer.

Marta King went to the beach this summer with her family, and found that it was cold there, instead of hot.

Lana Everett went with her uncle and aunt to the lake this week-end.

Rosa Gonzales and her family went swimming in the river and big brother made a raft.

On Saturday, Robert Hutcheson and his brothers made it test and it did! "Rebels and Yankees," Rob-ert was a Rebel.

On Sunday Sharon Richards and her family went to Kerrville and San Antonio.

On Saturday Jimmy Locke and his parents saw and killed a very large snake on their way to Leon.

MRS. TOCKE'S THIRD GRADE

"Hello again"—to all of you who are interested in what happens to children that "best-of-all" age—our third graders! Every Monday morning they give oral reports of what they have been doing. Then their teacher puts all of their interesting accounts into a weekly report to you—their friends and parents.

Only half of the third graders are with Mrs. Focke this year. The other half are in the room next door with Mrs. Ainsworth. There are twenty-two in each section and they are all having fun at work and play.

Mrs. Darrel White, the room mother chairman for the third grade, called a meeting of the mothers on Wednesday, September 9th. They met in the school room and made many plans for the coming year.

Mrs. Frank Pearson Jr., was chosen co-chairman with Mrs. White. Mrs. Calvin Wedgworth was chosen secretary-treasurer.

One dollar for the entire year was decided upon as the amount to be paid for dues. This amount can be given to Mrs. Wedgworth or sent to Mrs. Ainsworth or Mrs. Focke.

Ray D'Spain told us on Monday he has seen a big rattlesnake on Sunday.

Lila Sanders and her family also saw one.

Zane Everett and his grandfather uncovered a copper-head snake near their wood pile. All of these snake stories make us realize how careful we should be.

Billy Prather and his cousin, Douglas Bailey, live near Medina Lake. They were getting the fruit from some cactus plants Sunday when they saw—not a snake—but a darling little "cotton-tail" that they chased but never could catch.

Douglas later jumped from a tree, too. He dropped out several times but didn't hurt himself. He was fateful.

Linda Goodenough got a new hat. It was the grandmother, she had it sewed by the creek when it started to rain. The kitten kept dry by crawling into a hole.

The same balmy weather kept on Monday from church on Sunday. They had freshly aborted goats that had to be protected.

We didn't have many of our members in church this week. There were only six of our twenty-two members who got there. Next week we hope to do much better. You mothers can help!

Susie Short had the saddest story of all to tell. Her pet cat, "Mittens" was hurt so badly in a fight with stray cats coming into her yard that he had to be destroyed. She was very brave about her loss and we are very proud of her.

REV. RUBLING HONORED ON BIRTHDAY

Rev. John J. Rubling was honored with a surprise birthday party last Sunday afternoon in celebration of his 82nd birthday which was on September 6, in St. Joseph's school. The children of St. Joseph's presented a program of songs and Rev. Victor Schmidtkinsky, present pastor of St. Stanislaus Catholic church gave a talk to which Rev. Rubling responded. He told of his work with this local church which he served from 1905 to 1909, and talked of extending the church to its present lighting with the present tower. After he opened his gifts the ladies served punch, cake and cookies. Rev. Rubling is looking forward to 1962 at which time he will celebrate his 60 years in the priesthood.

FOUR COUPLES ATTEND DISTRICT SCOUT MEETING

Four Bandera couples attended the monthly round table for adult leaders of Boy Scouts in the Hill Country District. The meeting was held in Starkey Elementary School Cafeteria, Kerrville, September 8.

Representing Cub Scout Pack 146 were Mr. and Mrs. A. B. Lewis and Mr. and Mrs. Allen Lovercheck. From Boy Scout Troop 146 were Mr. and Mrs. A. B. Small and Mr. and Mrs. John Gumert.

Mr. Gumert accepted a blue ribbon won by the troop at the District Scout-o-Rama last spring, and Mr. Lewis accepted a blue ribbon won by the pack at the same event.

The representatives mapped out plans for the whole year at the meeting.

PACK RECRUITING DRIVE

All Cub Scouts and Den Mothers will meet in the Library Auditorium, Monday, September 21, at 7:30 p.m. to organize the Pack recruiting drive.

The Alamo Area Council has set up a Fall Roundup for all boys of Cub age. In the case of the Cub Scouts, this is 8 to 11. The members of the Cub Pack will act as recruiters. Each Cub who brings in a new boy to join the Pack will be presented a recruiters badge for his uniform plus a trophy to be presented by the Pack. The Roundup is strictly Western. Each boy who recruits a new boy will be a "Top Hand." Each new boy, of course, is a "Maverick."

To climax this first week of recruiting, the Pack will hold its September meeting on Sunday, September 27, from 3 to 6 p.m. All new recruits and all other boys interested in Cub Scouting together with their parents are cordially invited. At this meeting there will be awards ceremonies, graduation ceremony, etc. There will be games, hobby and pet displays, and a physical feats course in which all Cubs and recruits will participate. Refreshments will be served around 5:30.

Miss Avalo regarding this September 27 meeting will be in next week's Bulletin.

This week Mrs. Virginia Kalka presented two very interesting relics to Frontier Times Museum. They are two pairs of very small, very old, spectacles, of the bifocal type. Her gift is greatly appreciated and is now on display in the Museum.

We are glad to report Mrs. William Ahrig is now at home from the 354 Peterson Memorial Hospital in Kerrville and getting along well.

PRE-SCHOOL MOTHERS TO MEET THURSDAY, SEPTEMBER 24

There will be a meeting of the pre-school organization Thursday, September 24, from 3:00 to 4:00 p.m., in the lunch room at the Bandera Public School gymnasium. Mrs. R. L. Stevens, Home Demonstration Agent, will be the guest speaker and she will speak on the preparation of Food for Children from Age One through Six." The meeting is open to anyone interested. There will be refreshments served and a baby sitter present.

The subject of food for children is of interest to everyone and is of much importance. With school now underway and families home from vacation it is hoped there will be a large number of new members and that you will be one of them.

Remember, the meeting will be Thursday, September 25, from 3:00 to 4:00 in the Public School Lunch Room.

MRS. LAVENDER'S UNCLE DIED

We extend sympathy to Mrs. Nina Belle Lavender, whose aged uncle, Felix Henry Dennis, 94, passed away Saturday in San Antonio. Services were held at Sunset Memorial Park at 2 p.m., Monday.

Mr. Dennis resided here in Bandera at the Kinnebrew apartment with Mrs. Lavender a few months ago and made many friends here who will be sorry to hear of his passing.

ED HEINEN INJURED

Friends are sorry to see Ed Heinen walking on crutches and we hope he will soon be well again.

Mr. Heinen was injured about three weeks ago while plowing when his tractor went over a steep embankment. He jumped off the tractor and injured his foot and shoulder, but escaped the falling tractor.

RETURN TO SUL ROSS

Johnny Hayes, son of Mrs. Arthur Hayes, and Dan Gorski, son of Mr. and Mrs. Gene Gorski, have returned to Sul Ross College at Alpine where Dan is a Senior and Johnny is doing work toward his Masters Degree. Dan spent the majority of the summer on a biology field trip in old Mexico. Johnny's name appeared on the list of honor students at Sul Ross this summer.

Miss Jan Langham is majoring in education at San Antonio Junior College. She is the daughter of Mr. and Mrs. James W. Langham of Bandera.

Jimmy Stein has returned to Central Catholic High School in San Antonio where he is in his second year. He is on the Varsity football team and is making a splendid record in athletics as well as scholastics. He is the son of Mr. and Mrs. Robert Stein.

Mrs. George Howland has returned from a pleasant visit in San Antonio with Mrs. Anna Raymond and Miss Virginia Godwin. Mrs. Raymond, Miss Godwin and Mrs. Irene Miller accompanied her home last week-end for a visit here. We were delighted to have a brief visit with them while they were in Bandera.

Mrs. R. M. Rawls left for her home in Sand Springs, Oklahoma, Sunday night after spending the past ten days here with her sister, Mrs. Forest Stevens and family. While here Mrs. Rawls also visited other relatives and friends and attended services at the First Baptist Church where she enjoyed meeting old friends and acquaintances.

Miss Terry Linda Cox, daughter of Mr. and Mrs. John E. Cox, and Miss Mary Jo Mansfield, daughter of Mr. and Mrs. Bob Mansfield, left Sunday for Denton to resume their studies at T.W.U.

BULLDOGS DOWNED BY HONDO OWLS 26 TO 6

The Bandera Bulldogs of District 27-A fell victim to size, and reserve depth and as a result came in on the short end of a 26-6 score against the Hondo Owls Friday night at Barry Field. The Bulldogs fought gamely, but the Owls' weight advantage and bench strength proved too much for the lighter Bandera eleven to handle.

The Owls, ranked eleventh in Class AA in the state prior to the game, jumped to an early lead which they never relinquished though they led by only 7-6 at intermission. Hondo tallied in the first period on a screen pass from Cliff Sadler to Charlie Neuman. The big, 200 pound fullback gathered in the toss on his own 36 and then rambled some 64 yards before Zeor kicked the point after. Bandera fought back strongly, but time and again costly miscues proved disastrous to the Bulldog's fate. Early in the second period, the Bulldogs did score as a result of an 18 yard pass interception on the part of Terry Knibbs, but the all important PAT failed. After that, both teams played on a fairly even basis until the half ended.

In the remaining quarters, the big Owl forward wall gradually began to wear down their small adversaries, thus enabling the Hondo offense to shift into high gear. The Owls widened their slim margin mid way in the third stanza on a 56 yard sprint by Dob Lindeburg and continued to lengthen their lead in the fourth quarter on two touchdowns by Sadler. One a two yard plunge and the other a ten yard dash, ended the Bulldogs' faintest dreams of an upset.

Statistically, the Owls led in first downs 11 to 7 and in net yardage 323 to 86. Knibbs was the Bulldogs leading rusher with 24 yards in 6 carries and a 4 yard average. Alanis and Stein also registered substantial gains.

The Bandera defensive platoon performed adequately but again the Owls size and depth was just too much for the Bulldogs to handle completely. However, the Bulldogs looked great the entire first half though they began to tire in the final stanza. In fact the Owls managed only 4 first downs through intermission.

This Friday, the Bulldogs open their home season against the Schreiner Rebels in an 8:00 p.m., contest at Bulldog Stadium. Come out and support the "Blue and White."

DEATH CLAIMS MRS. BOYD MAYFIELD

Friends and relatives were deeply shocked and grieved Wednesday to learn of the death of Mrs. Boyd Mayfield, who passed away that day in the Sid Peterson Memorial Hospital in Kerrville following a kidney operation which she underwent several days ago.

Mrs. DeAlva Crowder Mayfield was born in Independence, Oklahoma, on June 22, 1919, the daughter of E. A. and Gertrude Cooper Crowder, and died on September 23, 1959.

She was happily married to Boyd Mayfield and had resided in Medina for many years, where she was loved by all who knew her. She was a staunch member of the Medina Methodist Church, and the WSCS. She was also the Avon representative at Medina.

She was a lovely, charming lady who will be missed by the entire community.

Survivors include her husband, Boyd Mayfield; mother, Mrs. Gertrude Crowder, both of Medina; grandparents, Mr. and Mrs. Tom E. Cooper of Thomas, Oklahoma; sister, Mrs. Gean Keller of LaCoste; brother, M. A. Crowder, Jr. of San Antonio.

Funeral services were conducted Thursday afternoon at 3 o'clock in the Plummer Funeral Home Chapel with Rev. E. A. Morgan, pastor of the Medina Methodist Church, officiating, and interment was made in the Baker Cemetery under the direction of Plummer Funeral Home.

Pallbearers were Murry LeStourgeon, Wallace LeStourgeon, E. C. Whitehead, Rueben Klein, of Kerrville; Charles Poe and Lawrence Gilbert of San Antonio.

SOIL CONSERVATION DISTRICT TO HOLD RANGE TOUR

The Board of Supervisors of the Bandera Soil Conservation District have announced that a range tour will be held on October 6, 1959. The tour is being conducted to demonstrate results obtained from the practice of conservation use and management of grasses and fish. The District is being joined by the Soil Conservation Service, the Extension Service and the Texas Game and Fish Commission in conducting the tour.

The tour will begin at Bandera with the group assembling at Lion's Hudspeth Park on the Medina River at 9:00 a.m., on October 6. The morning will be spent observing results of range management on the Fred Thalmann and Homer Stevens places north of Bandera. The tour will move to Lion's Hudspeth Park for lunch and the election of a supervisor from sub-division No. 1 of the District. There will be a same after lunch with the emphasis being placed on game management and farm pond maintenance and improvement.

Participating in the tour's program will be Ed Cooper, Extension Service Biologist; Jack Dietz, Game and Fish Commission Aquatic Biologist; Tom Shiflet, Soil Conservation Service Range Specialist and members of the local District's Board of Supervisors and their assisting Soil Conservation Service technicians.

The Bandera Soil Conservation District, the Extension Service and the Texas Game and Fish Commission extend an invitation to all interested farmers, ranchers and businessmen to meet at Lion's Hudspeth Park in Bandera at 9:00 a.m., on October 6, 1959, and go along on the tour. The Board has also asked that those having pick-ups to meet in passenger cars. "If you don't have a pick-up come anyway and share a ride with your neighbor," say the District supervisors.

SAN ANTONIO GIRLS INJURED IN WRECK SATURDAY

Four San Antonio girls narrowly escaped death in an automobile accident about four miles East of Pipe Creek on Highway 16 Saturday afternoon. The accident occurred around 4 p.m., as the girls were enroute to Bandera. Elizabeth Ann Deckhiss, the driver of the car, was accompanied by Edna Dugosh, Mary Ann Dugosh, and Evelyn Dugosh, all residents of San Antonio.

According to Sheriff R. B. Miller, who investigated the accident, Miss Deckhiss' car went off the pavement and hit loose gravel as she was attempting to make the curve, thus causing her to lose control of the vehicle, which then veered across the road. The rear of the car struck a large tree which kept the automobile from turning over. Then the car lunged forward and struck a cedar tree and a live oak with such force that both trees were cut off.

The girls were taken to Santa Rosa Hospital in San Antonio where two of them were reported to be in serious condition. The other two suffered from cuts and bruises, but were released from the hospital.

CAPT. N. R. SMITH REMINDS MOTORISTS OF SCHOOL BUS LAW

School buses by the hundreds have taken to the highways this month in the process of transporting thousands of school children to and from school. Captain N. R. Smith of the Highway Patrol Service, Texas Department of Public Safety reminds motorists of the school bus law which is as follows:

"The driver of a vehicle upon a highway outside of the limits of any incorporated city or town upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle immediately before passing the school bus, but may then proceed past such school bus at a speed which is prudent, not exceeding ten (10) miles per hour, and with due caution for the safety of such children."

Captain Smith advises this applies to motorist traveling both ways on two, three, and four lane roadways. The law goes on to read.

"The driver of a vehicle upon a highway with separate roadways need not stop upon meeting or passing a school bus which is on a different roadway or when upon a controlled-access highway and the school bus is stopped in a loading zone which is a part of or adjacent to such highway and where pedestrians are not permitted to cross the roadway."

Failure to comply with above requirements is a misdemeanor and every person convicted shall be punished by a fine of not less than one ($1.00) dollar nor more than two hundred ($200.00) dollars.

In addition to the above, drivers are urged to use extreme caution in and around schools, in school zones, and during the times of day when children are traveling to and from school.

(Release prepared by Safety Education Service, Texas Department of Public Safety, 1414 N. Brazos, San Antonio, Texas.)

Mr. and Mrs. Bernie Bratten, who have been residing in the Teich rent house in Bandera, have moved to the Alkek Ranch near Medina Lake to make their home.

Mr. and Mrs. Gary Thompson of Seagraves spent several days here with his parents, Mr. and Mrs. Lon Thompson.

Mrs. Jane Pulvado celebrated her 93rd birthday on September 12. She is in good health and we wish her many more birthdays.

Visitors in the home of Mr. and Mrs. Ira Reavis over the week-end were Mr. and Mrs. Allen Patton, Mrs. Schrock and two children, Ben Reavis and Leon Jackson, all of San Antonio.

Mrs. Ira Reavis and two children took her son, Ben Reavis, to San Antonio Wednesday where he received employment at Joske's.

Bro. Morris Platt showed some pictures of Africa at the Utopia Gospel Church Monday night.

CARD OF THANKS

I wish to express my sincere appreciation to the Bandera Volunteer Fire Department for their prompt call to my home when a grass fire started Tuesday. They put out the fire and no damage was done.

ST. JOSEPH'S P.T.C. MEETS

The St. Joseph's Parent-Teacher's Club held it's first meeting of the school year in new school hall Monday, September 14, at 7:30 p.m., with a record attendance. Rev. V. G. Schmidtzinsky opened the meeting with prayer, after which the president, Mrs. John McShane, introduced the visitors, Rev. Schmidtzinsky, Mrs. Dalton, Mrs. Tom Adamietz, and the committee chairmen.

It was announced that the Sister's shower will be held Sunday, September 20, at 3:30 p.m., in the school hall. It is hoped that everyone will attend this annual affair. Mrs. John McShane and Mrs. James Brannigan are on the committee.

The Club voted to place two sets of "World Book Enclyopedia" in the school.

A pay telephone will be installed in the school, the bill to be paid by the Parent-Teacher's Club.

It was announced that the annual Fall Turkey Dinner would be held on Sunday, November 8, with Mrs. Herman Maurer, as chairman.

Mrs. Tom Adamietz gave a very interesting and informative talk on the school lunch and milk program. She urged all the parents to see that the children drank milk and that they take advantage of the well balanced meal served. She thanked the mothers who have supervised in the lunch room and helped the little ones with their trays.

Rev. Schmidtzinsky asked that all the parents whose children attended St. Joseph's to take part in the school activities and help out in any way so that many things can be accomplished during the year. He discussed the blanket insurance policy set up in schools where every child is protected.

Sister Mary Regis, Supriour, said the children and parents have shown wonderful cooperation and that they were happy in Bandera.

After room count, the meeting was adjourned with prayer by Rev. Schmidtzinsky.

Mrs. C. O. Callahan, Reporter

We were very pleased to have a greeting card from Mr. and Mrs. Roland Tschirhart, who are vacationing in Durango, Colorado. They wrote, "The scenery is grand and we are having a wonderful time." Their card showed the scenic route of the Silverton narrow guage railroad which winds through the Canyon of the Lost Souls high above the Animas River. The rail road scene in the movie "Around the World in 80 Days" was made near Rockwood.

Mr. and Mrs. Hubert Horsman of Southwest City, Missouri, were guests of his brother, Mr. and Mrs. Neal Horsman, this week.

Mrs. Howard Eckhart went to San Antonio this past week to attend the ring ceremonies of Providence High School, where her daughter, Miss Mayme Jo Eckhart, was numbered among the 146 members of the graduating class, and received her ring.

Clarence Snider and A. J. Ricks Jr., both prominent citizens of Brady, Texas, were visitors in Frontier Times Museum Sunday afternoon.

FIRST MEETING OF FALL SEASON OF HOME DEMONSTRATION COUNCIL

The first meeting of the fall season of the Bandera County Home Demonstration was enthusiastic and well attended, with Mrs. Gilbert Wendt, president, presiding.

Highlight of the meeting after roll call the minutes and treasurer's report, by Miss Christine Kalka, was a splendid report of the State Convention of the THDA in Galveston this past week, by THDA President, Mrs. G. M. Merritt, who returned home last Friday.

Present at the local meeting were Mesdames Gilbert Wendt, Joe Hotstay, A. W. Hubsky, E. M. Poe, Fritz Saur, C. W. Allen, E. A. Johnson, L. J. Edwards, L. C. Mathis, R. L. Stevens, Walter Mayfield, G. M. Merritt and John Saul.

Mrs. E. M. Poe gave the summary of the meeting which was followed by recreation by Mrs. Frits Saur. Mrs. Poe won the prize in "Different Ways of Travel."

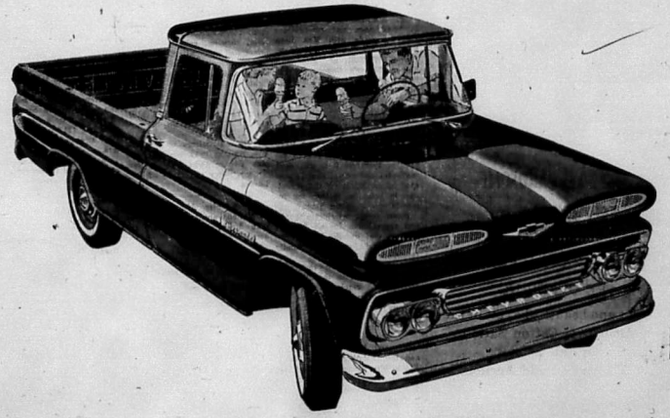
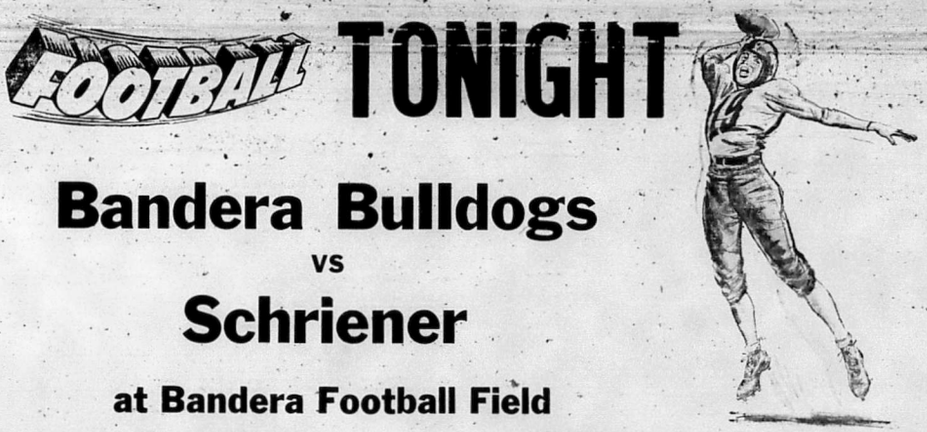
NOW...'60 CHEVROLET TRUCKS
WITH REVOLUTIONARY TORSION-SPRING SUSPENSION THAT GIVES ASTONISHING NEW **SHOCKPROOF ACTION !!!!!**

Chevy's done the next best thing to paving every road in America!
First they threw out the front axle and put in torsion-spring independent suspension. Then they built wide-base coil rear springs into most light-duty models, variable-rate leaf springs into heavies. That made it—a ride you have to feel to believe. A ride that lets you move faster to get more work done in a day's time.



Brawnier bulldozer build!
Frames are stronger, cabs 67% more rigid. Front wheels and tires are precision-balanced. And that new suspension cushions jars and road shock that used to spell slow death for the truck's body and sheet metal.

More comfortable cabs!
Easier to hop in and out of too. Many models are a whole 7 inches lower outside. Yet there's more head room inside, plus more width for shoulders and hips. More real comfort!



Big in the power department!
With the industry's most advanced gas-saving 6's. With high-torque Workmaster V8 performance in heavyweights. With new 6-cylinder or V8 power available in L.C.F.'s.

More models than ever!
New 4-wheel-drive models and tandems and high-styled Suburban Carryalls. It's the handsomest, hardest working Chevy fleet ever to report for duty. See your dealer soon for a ride!

Anything less is an old-fashioned truck!

BARBECUE HUGE SUCCESS

The barbecue Saturday, September 13, at the site of the North Medina Lake Methodist Church was a huge success with a constant flow of people eating the delicious food and stopping at the gift table from 12 noon to 7:00 p.m.

At that time Reverend Donald E. Redmond, District Superintendent of the San Antonio District Methodist Church, offered the opening prayer and the barbecue was underway.

The barbecue plate which included tender barbecue, slaw, beans, pickles, onions, bread and coffee captured the flavor of outdoor cooking and won the praise of all who came. The meat was cooked to tender perfection in the barbecue pit on the grounds. It was tended by an all-night and early morning group of members of the congregation and their friends. How well they did their job was mentioned often by those who came to the barbecue.

Cakes, cookies, handiwork, dolls, and various gift items moved rapidly from the gift table, and the coffee and cold drink counters did a good business.

The entire membership of this new church congregation worked to make the barbecue a success but without the help of a number of business firms, the Bandera IDEA, and interested individuals, it would not have been possible to do the good job that was done. To everyone who had a part—their names were displayed on a large bulletin board on the grounds—the persons who donated food, money, or time, the ones who came and ate and gave encouragement, the congregation of the North Medina Lake Methodist Church expresses its thanks for the splendid cooperation and donations.

TARPLEY H. D. CLUB

The Tarpley Home Demonstration Club met in the home of Mrs. M. B. Padgett on September 10. Roll call was answered with "Summary of foods canned, frozen or preserved during the year."

After the business meeting the program on foods and the importance of a balanced diet for good health, was given by Mrs. R. L. Stevens, Home Demonstration Agent.

Mrs. Harold Reiber conducted recreation.

Mrs. Stevens brought the dime cake which the hostesses served with punch.

Those present were: Mrs. Stevens, Mrs. J. W. Schmidt, Mrs. Otto Marquis, Mrs. Harold Reiber, and grabbison, Mrs. Albert Mangold, Mrs. Joe H. Short, Mrs. M. R. Sandidge, Mrs. G. Merritt, Mrs. Lee Mansfield and the hostess, Mrs. M. B. Padgett.

JEAN MEGINNIS CELEBRATES TENTH BIRTHDAY

Miss Jean Meginnis, ten-year-old daughter of Mr. and Mrs. H. A. Meginnis, Jr., celebrated her birthday Saturday when her mother honored her with a delightful party. Her friends who came to enjoy the occasion with her were served delicious cup cakes and ice cream by Mrs. Louie Stein at the Dairy King after which they attended a movie at the Banter.

Jean received many lovely gifts and countless good wishes for many more happy birthdays. Those present were: Ricky Meador, Kathy and Martha Richards, Mary Ann Zickler, Karen Anderwald, Aleta Roberts, Jennette Causey, Randy and Bruce Alanis, Rob Sandidge, D. Meador, Thomas Meginnis, Elaine Kay Knibbe, and the honoree. Larry Bausch was unable to attend, but sent a gift.

NAVY BRIEFS

ANNUAL NROTC EXAM

Vice Adm. J. H. Smith, Chief of Naval Personnel, announced today that the 14th annual national competitive examinations for the Regular Navy Reserve Officers Training Corps will be given to eligible high school seniors and graduates on 1 December 1952. Applications and forms are now available and must be received before November 14.

Designed to supplement the officer candidate of the Naval Academy, the NROTC program makes it possible for a young man to earn a regular commission while studying at the civilian college of his choice which has an NROTC unit. All tuition, fees and books are furnished by the Navy, and the student receives an annual retainer of $600 for four years. During the summers the student goes on interesting training cruises as a midshipman. After completing the usual four year college course, he is commissioned in the Regular Navy or Marine Corps and goes on active duty as a prospective career officer with the Navy's far-flung fleets. For those who apply and qualify, immediate assignment to flight training will open new careers in naval aviation.

High school seniors and graduates who have reached the 17th anniversary of birth and have not reached the 21st anniversary of birth on 1 July 1960 may apply for the NROTC aptitude test. Those who make a qualifying score will be given a flight physical exam early in 1960. From the pool of qualified young men remaining in competition, approximately 1600 will be selected to begin their naval careers next September.

The NROTC college training program is also open to enlisted men on active duty with the Navy and Marines. Separate quotas are established for applicants within these services.

Application forms are available at high schools, colleges, Navy Recruiting Stations or from the Chief of Naval Personnel, Department of the Navy, Washington 25, D.C.

TEXAS RANGERS NOW NUMBER FIFTY-TWO

Austin. — The Texas Ranger force was increased today to 52 men—one more than the complement which has been in effect for more than a decade.

Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety and Chief of the Rangers, commissioned Everett Smith, Sheriff of Sabine County for the past nine years, as the 52nd Texas Ranger.

The addition to the authorized strength of the Rangers was made by the recent session of the Legislature. The new post was the first one added since September 1, 1947.

Garrison said Smith, of Hemphill, Texas, would be assigned to the Houston Ranger Region under the command of Captain Eddie Oliver.

"We are proud to announce the appointment of Ranger Smith, who comes to us with an outstanding record of law enforcement over a span of many years," Garrison said. "We know he will be a credit to the oldest state law enforcement agency on the North American continent still in existence."

Smith was born and raised in Sabine County. He served for four years from 1943 through 1946 as a county commissioner, later to become a deputy sheriff in 1948 and 1949. He was elected Sheriff in 1950 and took office by appointment on August 28, 1950, upon the resignation of then Sheriff Hollis Solly.

Upon his resignation to enter the Ranger service, Smith was succeeded as Sheriff by Blan Greer, who had formerly served as a deputy. Asked why he chose to apply for a Ranger commission, Smith said:

"Although I don't know what there is about it to make a man want to do it, I have always liked law enforcement work. During my time as a peace officer, I have worked many times with the Rangers, and just felt like I'd like to be one of them.

"I always believe in doing a job and doing it right and I'll do my very best to enforce the laws of the land to the best of my ability."

Smith is married and has seven children, three of them still at home. They are: Weldon, 17; Eyrone, 14; Bobby, 8; Mrs. Jack Nobles of Houston; Mrs. James Hisler of Austin; Glen Smith, 20, of Caddo Mills; Lyndel Smith, 18, of Austin.

CUB SCOUT ROUNDUP

All boys from 7½ to 10½ years of age and their parents are cordially invited to attend our Fall Round-up Pack meeting. This will be held on Sunday, September 27 from 3 to 6 p.m. at the Zickler Ranch on the new South Hondo highway.

The Cubs and their guests will have dinner for play games before and after the meeting. All boys will have an opportunity to take part in a physical feats course which is part of this month's program on physical fitness.

According to reports from many of the Cub Scouts there should be some very interesting pets and hobbies on display. Pets will probably range all the way from horses to white mice.

We believe this is an excellent opportunity to get together, get acquainted and see whether or not their sons would like to join the Cub Scout Pack.

The uniform will be western, blue jeans, etc., only those 11 or younger will be permitted to wear guns.

Refreshments will be served at about 5:30 in the evening. We'll be looking for you.

INTERNAL REVENUE'S TEACHING TAX COURSES REACH ALL TIME HIGH

High schools and colleges in the Austin area are expected to reach an all-time high in the use of Internal Revenue's Teaching Taxes course material for 1960, it was announced here today by R. L. Phinney, District Director.

"During the 1958-1959 year, some 644 schools presented the IRS Taxes Program to 70,150 students in the Austin District. Overall school enrollment this school year should be the biggest in the six years that the Revenue program has been in action," Mr. Phinney said.

Seventy-five per cent of today's senior high school students work long enough during the year to pay their filing fee income tax return with Uncle Sam; other students help their parents with their returns. According to IRS—students receiving this instruction are among the most accurate filers of federal income tax returns.

Revenue provides these Teaching Taxes courses, fee of charge, with special ones designed for use in evening farm refresher Letters, with order forms, have already been sent to high schools and colleges, asking their requirements. Teachers may place their orders through their schools or write the District Director, Internal Revenue Service, Austin, for more information.

NEWS

*** County Agricultural Agent Texas A. & M. College Extension Service ***

What About Feeding This Year?

—Will it be profitable to feed livestock this fall and winter?

To answer this question, C. H. Bates, extension farm management specialist at Texas A&M College says you should consider these: 1. The prices for feed and livestock. 2. Feeding skill. 3. Ability to buy feeders. 4. Credit position. 5. Facilities available.

For the most recent three-month period, the livestock price-feed ration in the Fort Worth market in comparison with No. 2 yellow milo on the farm was 14.5 —that is, 100 pounds of choice steers were worth 1,450 pounds of milo on the farm. For hogs, 100 pounds of choice porkers were worth 800 pounds of milo on the farm.

Bates believes that if steer prices a little less than last year to put in the lot and with good feeding, you can expect a fair return. However, hogs only the better hog men may have a margin of profit over production costs if the expected 15 per cent increase in hogs going to the market comes about.

Rates also cites a recent study in Central Texas that shows a profit of $35 per head profit when yearling steers are fed 120 to 130 days. Of course, some farmers don't have to invest in feeding equipment, water system and the like.

If you have some grain you're thinking of feeding to steers or hogs and want some help in figuring out which gives you more profit, see your local county agent before deciding.

An Application of Nitrogen Advised for Maize Stubble

College Station.—An application of nitrogen to grain sorghum stubble prior to plowing it under will prevent a nitrogen shortage for the crop which followes, says W. F. Bennett, soil chemist for the Texas Agricultural Extension Service.

The chemist suggests that stalks be shredded as soon after harvest as possible. An application of 20 pounds of nitrogen for each ton of residue to be turned under should be made just prior to the plowing. Where nitrogen is not applied, and stubble is left in the field until late in the year, the decomposition process will tie up the available nitrogen in the soil and often cause a nitrogen shortage for the following crop.

By using nitrogen and early shredding and plowing of stubble, this condition can be eliminated, says Bennett. Too, the nitrogen in the soil will be available for use by the crop which follows the grain sorghum.

Sheep Field Day

The sheep field day was attended by twenty ranchers from Bandera county. The group was welcomed to the field day by Rhea Manning, program chairman of the county program building committee.

Thomas H. Keese gave a report on the results of their sheep improvement program of the past two years. He reported that the top group of ewes produced 82.69 more mutton per ewe than the bottom group last year. This year's lamb crop has not been sold. The wool for the past two years brought $1.55 more per ewe. Not counting this year's lamb crop, but counting last year's lamb crop and two years wool production, the top group of ewes was worth $4.44 more per head than the bottom group.

A demonstration was given by the county agriculture agent in selecting ewes for the different groups. One hundred fourteen two year old and one hundred twenty yearling ewes were placed in different groups. Most of the ewes went into the two top groups because they had been selected out of the entire flock of lambs before they went to market.

The ewes and lambs from the three different groups were observed. Some wrinkled lambs showed up in the top groups this year. The ewes and rams are all smooth. These lambs will be culled out and this shows that it is a continuous program of culling and selecting. Two years ago the lambs were all smooth. Last year, some more rams were bought and these new rams are evidently bringing the wrinkled lambs.

The rams which will be used this year on the Mossy Ranch were also observed. Some discussion was held concerning the type of rams that were considered, middle, and blue, red and green type rams. Some of the rams picked in the middle group had little or depth of body, but did not carry the size or they would have been put in the top group. They carried sufficient length of fiber. They were considered good rams for the middle group of ewes.

The difference of $4.44 per ewe for one year of lamb production and two years of wool production shows that a selection program pays. Good rams in a breeding program do not cost, they pay.

Any rancher who wishes to start a selection program this fall, may contact the county agriculture agent.

Range Field Days

The range field day for the Nueces-Frio-Sabinal Soil Conservation District was on the Les Short and Stuart Haby ranches on September 22. A group of twenty-seven ranches, ASC, SCS technicians, and county agricultural agents were present. Billy Griffin, John Gumert, Buddy Portert and Werner Lindig were present from Bandera.

Both the Les Short and Stuart Haby ranches looked good. Lots of Little Bluestem, Silver Bluestem, and Side Oats Grama are present.

It was observed that the Silver Bluestem was grazed a lot more than the Little Bluestem. During this time of year, the livestock prefers Silver Bluestem over the Little Bluestem. However, it could be possible that the livestock prefers the Little Bluestem later. This will be observed and it should be interesting and educational.

The range field day for Bandera county will be held October 6, at Bandera. The group will meet at the Lions Hudspeth Park at 9:00 a.m.

A good program has been planned by the County SCS supervisors, the SCS, the program chairman of the Extension Program and the Extension Service personnel.

MRS. VAWTER HOSTESS TO PRIVILEGE CLUB

The Privilege Creek Home Demonstration Club held its first meeting of the fall season in the home of Mrs. Edwin Vawter last Friday with six members present. Mrs. Joe Stein, president, opened the meeting and Mrs. Gary Johnston read the minutes and called the roll. Roll call was answered with "Food I canned and preserved this year."

Mrs. Richard Stevens, county home demonstration agent, gave a very informative demonstration on foods, using the Texas Food Standard as a guide for the daily requirements of food needed by the average person.

Mrs. E. A. Johnson conducted recreation which included games and riddles. Mrs. Stein and Mrs. John Heinen each won a prize in the contests.

Mrs. Vawter served delicious refreshments to Mrs. Stevens, Mrs. Heinen, Mrs. Stein, Mrs. Johnson, and Mrs. Johnston.

The next meeting will be at the home of Mrs. John Langford on October 16th.

SOCIAL SECURITY TAXES INSURE PROTECTION

When asked why social security taxes were taken out of their pay envelopes many workers recently queried could not come up with the three main reasons, John D. Palmer, district manager of the San Antonio social security office said today.

Most of them knew about old-age benefits, but fewer were aware of survivors' benefits—payments to a worker's dependents in case of his death. Some did not know about disability insurance protection for the worker, and for disabled children.

"Every working person and his family should know that, through his social security tax payments, he is building three-way protection. He should realize that the modest deductions from his pay envelope can provide a monthly income if his earnings are cut off either by old-age, disability, or death," Palmer pointed out.

Mrs. Joe Billings of Tarpley has accepted a position at the Corner Drug Store in Bandera.

Buck Teich attended funeral services for his aunt, Mrs. Vera Dullnig of Cuero, in San Antonio Wednesday. Mrs. Dullnig was a sister of Buck's father, the late Hans Teich.

MR. AND MRS. JOHN R. LANGFORD ARE GUESTS OF FEDDERS CORP.

Mr. and Mrs. John R. Langford, Jr., of Langford's Lumber Yard, have returned from a most delightful trip to Acapulco, Mexico, where they went by plane last week as the guests of Fedders Corp., of Maspath, N.Y.

Mr. Langford was awarded the trip for his sales of Fedders air conditioners during 1959.

He was part of the 4,000 Fedders dealers from all sections of the United States who went by chartered plane, from Pan American Airways in the biggest airlife of it's kind. The Hotel Caleta had been rented for the entire length of the 10-week program.

Fedders dealers have been traveling to all parts of the world since 1951. They have visited such places as the French Riviera, Paris, Rome, Capri, Nassau, Jamaica and the Dominican Republic. This was the first time the group had been taken to Mexico.

While in Acapulco the Langfords participated in numerous activities that had been scheduled. One tour was made through the tropical jungle area near that famous city. Indian canoes paddled each person through an amazing primeval rain forest.

Two other tours gave the guests an opportunity to see the famous high diving spectacle at La Quebrada as well as a boat excursion throughout the Bahia de Acapulco. Many enjoyed deep sea fishing on a chartered fishing yatch or attended the Bull Fights.

While fishing Mrs. Langford made a 100 pound sailfish.

We are interested to know that among the Fedders guests were former Banderans, Mr. and Mrs. W. E. Edwards of Canada. Mr. Edwards also a winner in the sales contests, is the son of Mr. and Mrs. J. W. Edwards of Pipe Creek. While on the delightful trip Mr. Edwards caught a fine 117 pound sail fish.

Mrs. Melvin Rossman attended a District Seminar of the Methodist church at Sabinal Tuesday when she taught the course entitled "The Church's Mission in Town and Country."

Mr. and Mrs. T. R. McLenathen of Upland, California, have been visiting relatives here this week. Mrs. McLenathen is a daughter of the late Mr. and Mrs. R. C. Barnes, former residents of Bandera County.

Over the WASHINGTON Letter

By Congressman G. C. FISHER

Outcome of the battle over proposed labor regulations on agricultural workers remains in doubt following two days of hearings by a Labor Department Hearing Examiner last week.

At least two dozen Texans, maybe more, were present, speaking for practically all farmers and ranchers in the State. I filed a statement in opposition to the proposed regulations.

I maintained the effect of the regulations would be to by-pass Congress and by executive order to impose upon agriculture controls that have been denied by Congress, and which are "unnecessary, unjustified, and unsound."

The proposed regulations would require all employers of farm and ranch labor, who make use of State and federal employment agencies, to pay the recruited labor prevailing wages (as found and determined by the Secretary of Labor); provide certain standards of housing (as found and determined by the Secretary of Labor); and pay transportation costs of the employees (if so determined by the Secretary of Labor.

The opposition to these unnecessary and wholly unjustified attempts to regulate agriculture got a big assist from Secrtary of Agriculture Benson, who told his fellow Cabinet officer, Secretary of Labor Mitchell, he was attempting to bring about "undue and unnecessary regulation of the farm economy", which he described as "regimentation that is repugnant to agriculture."

This marks the last of our weekly reports from Washington for this session. During the next three months I will be in the district. An office on the 3rd floor of the Federal Building in San Antonio will be opened. In the meantime, our Washington office will remain open. We will be prepared to render every possible service to you from either of the two offices.

Mr. and Mrs. T. E. Nesky, Jr., of Odessa spent the week-end here visiting his parents, Mr. and Mrs. E. K. Nesky, Sr. They accompanied by T. E. Nesky, Sr., also enjoyed a fishing trip to Falcon Lake this week.

Mr. and Mrs. Roy Kinnebrew had as their guests during the past week-end Mr. and Mrs. Hubert Jr. Yarbro and daughter, Ina Joe, of Sabinal, and Mrs. Otto D. Umlang of Utopia. The Yarbro's are kinspeople of Mrs. Kinnebrew.

Why we built two cars for 1960 . . . as different as night and day

On October 2—for the first time in Chevrolet's 49-year history—you will be able to walk into your dealer's showroom and see two totally different kinds of cars. ■ One is the conventional 1960 Chevrolet, brand new in appearance and more beautifully refined and luxurious than you can imagine. ■ The other is unlike any car we or anybody else ever built—the revolutionary Corvair, with the engine in the rear where it belongs in a compact car. ■ We'd like to tell you why we built two such different cars, how we built them—and for whom we built them.

Why two *kinds* of cars? Because America itself has been going through some big changes in the past few years. Our cities have been straining at their seams. Traffic is jam-packed. Parking space is at a premium.

And our suburbs have spread like wildfire. People are living farther from their work, driving more miles on crowded streets. There is new leisure time—but more things to do. There's a new standard of living—and more need for two cars in the family garage.

In short, America's automobile needs have become so complex that no one kind of car can satisfy them completely. That is why we at Chevrolet, keeping tab on these trends, have had a revolutionary *concept* car in the planning stages for more than nine years.

Then, when we decided three years ago to prepare for production of such a car we were ready to build it the way it should be built. There was no need for a hasty "crash" program that would create only a sawed-off version of a conventional car.

That is why the two cars you will see in your dealer's showroom October 2 will be two entirely different kinds of cars. One is the conventional '60 Chevrolet—brand new in beauty, with new space inside, new spirit under the hood, a new feeling of sumptuousness and luxury never before attained by any car in its field. There is great V8 power linked with new thrift, plus Chevrolet's superb 6-cylinder engine. It is a traditional car that comes even closer to perfection—in silence, in room, in ease of control, in velvety ride—than any other car we have ever made.

The other is the Corvair, a compact car that is astonishingly different from anything ever built in this country. It has to be—because this is a *six-passenger* compact car, with a really remarkable performance . . . a car designed specifically to American standards of comfort, to American traffic needs.

The engine is in the rear. Among the basic advantages resulting from this engine location are better traction on a compact 108-inch wheelbase and a practically flat floor. But so far as the engine itself is concerned, we had to be ultra light and ultra short. So Corvair's engine is totally new—mostly aluminum and *air cooled*; it weighs about 40 per cent less than conventional engines. It is a "flat" horizontally opposed six—so it is only three cylinders long . . . and that leaves a lot more room for passengers.

Another weight saving: like modern airplanes, the Corvair has no frame; the body-shell supplies it great structural strength . . . it's a welded unit that is virtually rattle-free.

The ride is fantastic. But to get it we had to design *independent suspension* at every wheel; conventional springing would give a compact car a choppy ride. Right now we'll make one prediction: no other U.S. compact car will ride so comfortably, hold the road so firmly and handle so beautifully.

Now there are two kinds of cars from Chevrolet—because it takes two kinds of cars to serve America's needs today. If you love luxury—the utmost in luxury—and if you want generous interior space, breath-taking performance, automatic drives and power assists—then the conventional '60 Chevrolet may be your choice.

If easy parking, traffic agility and utmost economy are high on your list—then you should seriously consider the Corvair. But the best thing to do is to look these two new cars over at your Chevrolet dealer's . . . take them out for a drive. It may be that the only logical choice for your family between two cars like this is—both. They make a perfect pair.

BULLDOGS FALL BEFORE HONDO OWLS, 26-6

The Bandera Bulldogs tried to overcome size and depth with aggressiveness and speed but failed in their attempt and were downed by the top ranked Hondo Owls, 26-6, Friday night in a hard fought battle at Barry Field.

The Owls tallied on a sixty-four yard pass from Jerry Newman, on a thirty-six yard dash by Lindeburg, and on ten and two yard runs by Sadler to defeat their smaller foes.

Knibbe registered the Bulldog's lone tally in the second period via an eighteen yard pass interception. Fine catch, Knibbe!

SENIOR NEWS

The Senior class congratulates the Bulldogs for the fine game they played Friday night. Although our score did not quite top Hondo's, we believe our boys deserve big applause. We are especially proud of our senior team members: Jonah Stein, Kenneth Kalka, Junior Ramos, and Lon Cottingham. That little man you saw running along the sidelines—diplomat in hand—Friday night, was an another senior, Earl Keese, our Statistician. While we are on the subject of football, our football team did not win the game with Hondo, Friday, but we think they deserve credit for playing a wonderful game.

JUNIOR JABBER

We juniors would like to boast a little about Jerry Adamietz, John Alaniz, Bruce Edwards, Chuck Jones, John McCullough, Edward Laskowski, Royce Stevens, Roger Poe, and Ernest Schladen. These are the Junior boys who have gone out for football. We are very proud of the way they beat Sabinal and even though they did not win victory over Hondo, they played a very good game. We are looking forward to the game with Schreiner tonight, especially since there will be some very good Mexican food to eat before and during the game. The proceeds from the sale of this food will go into the rather low Junior class funds.

If the junior girls look a little tired lately, it is because of the lively game of socker they have been playing in P.E. The game is new to most of us and getting accustomed to this strenuous game takes time. Everyone is having fun learning the game, and the game is getting faster and more interesting everyday.

MRS. HARGIS—FIFTH GRADE

We elected a new Sargeant-at-arms—Ronnie Richards.

Linden Stricker went on a trip over the weeke-nd to Dilley, Pearsall, and Devine.

Most of the boys went to see "Hercules" last week.

Joe Kitzman killed an armadillo with his .22 rifle.

Robin Shaw killed a fish crane and is dying the wings to make fans.

Tommy Johnson made a trip to San Antonio to see his sister.

Jimmy Pierce went to Fort Hood, Saturday, to visit his brother.

LUNCH ROOM MENUS

Monday, September 28—Barbecue on bun, buttered corn, stuffed celery, milk, fresh grapes.

Tuesday, September 29 — Beef stew with vegetables (carrots, potatoes, celery, onions), [illegible] bage, salad, bread, butter, milk, pineapple upside down cake.

Wednesday, September 30 — Hamburgers, baked beans, potato chips, lettuce, tomatoes, onion, pickle, milk, pears.

Thursday, October 1 — Turkey tetrazinni with rice, coconut carrots, strawberry sauce, bread, butter, milk, lime jello with fruit.

Friday, October 2 — Fish sticks catsup, buttered green blackeye peas, tomato relish, cheese sticks, bread, butter, milk, ice cream.

F. H. A. NEWS

Along with the excitement of starting to school again comes the fun of joining new clubs and organizations. The FHA began its activities this year with a meeting of the officers, Thursday, September 17, in the Homemaking Department.

First on the list of discussions was the PTA meeting Tuesday night. The CHA officers have been asked to serve and various committees had to be arranged. Small tasks were also assigned to each officer. After this was settled, the President, Jeanine Hicks, brought up the subject of most interest in school now—initiation of freshmen members of the FHA. This caused considerable excitement, and after a lengthy discussion, a list of tasks for the freshmen was given to Mr. King for approval. A meeting of the members was planned for Wednesday, September 30, and at this meeting the freshmen will hear the plans for their week of misery—a week when they will be asked to be the FHA Creed, pick up papers on the school ground, and bow to upperclassmen. If anyone sees a pale faced girl carrying books for a beaming upperclassman, have no pity—she's merely a freshman; it happens every year.

Officers of the FHA this year are as follows: Jeanine Hicks, President; Sharon Jones, Vice-President; Carol Anne Vaughn, Secretary; Linda Wright, Treasurer; Ruth Brown, Song Leader; Patty Callahan and Barbara Focke, Historians; Peggy Scrivens, Sargeant-at-Arms; Rose Stricker, Parliamentarian; Elsie Faurie, Reporter.

F. T. A. NEWS

The freshman class held their election for Greenhand officers. They elected John Focke, president; Hermen Frerich, Vice-President; Bobby Mueller, secretary; Ray Adams, reporter; Walter Causey, treasurer; Clarence Weber, sentinel.

The first F. T. A. meeting has been scheduled for Wednesday the 23rd. Some things which will be discussed are ways of raising money, program of work, the ordering of FFA jackets and electing a FFA Sweetheart. One project we have in mind for raising money is the folding and selling of cutting boards. The boards will be in some animal's shape and will be priced very reasonable.

MRS. AINSWORTH'S THIRD GRADE NEWS

Phillip Applegate went out to Ronnie Hahn's house on Saturday and saw the old Indian burial grounds. On Sunday, he went fishing with his Uncle Jack and they caught forty-three perch and twelve bass.

Darrell White went to his sister's birthday party on Sunday and had a very good time.

Marta King played with her little cousin who is visiting her. Gus Garcia and his brothers played cowboys and Indians on the mountain. Gus was the horse and when they tied him to a tree, he bucked the tree down.

Kenneth Pawvlik and his family picked corn on Saturday and had a picnic lunch. They had such a good time that an hour seemed like two minutes.

Sid Skinner and his dog, Princess, went hunting and Sid stepped on a rabbit's tail and then shot the rabbit. Friday afternoon, Sid's brothers and had a wonderful time.

Last Saturday, Anne Marie Brown's father killed a four-foot rattlesnake. It was in one of their rabbit hutches. He shot it just in the nick of time, as it was coiled and ready to strike one of the rabbits. That night when they went to check the rabbits again, the little rabbit that the snake almost bit was up on a high board roosting like a chicken. We do not blame it!

MRS. FOCKE'S THIRD GRADE

The third graders and their teacher are really supporting the Bulldogs this season. They have been turning out in large numbers for every game.

Susie Short, Linda Goodenough, Sherry Lu-Davis, Zane Everett, and Ray D'Spain went with their families to Hondo to see the game. The next night Susie and her family went to see Hondo play Utopia.

Douglas Bailey's Dad came to visit him at the Lake this week-end. He brought him a bicycle from Fort Worth, where he is working. Douglas let his cousin, Billy, ride the bicycle with him and they both rode in a boat his father rented. Billy's collie dog has some cute little puppies to be given away soon. Their eyes are open now.

Janie Hay had a happy Sunday. Her family moved back into the house they have been building on the site where their home burned several months ago.

Brenda Everett went to Kerrville to have some teeth pulled but the dentist could not take her for several weeks. She saw some of Jesse on the way back, so the trip was not in vain.

Ray D'Spain and his father had an interesting experience. They took tests to determine their blood types. He grinned and said "It didn't hind a bit." No cases of an emergency we shall all know our blood type—do you?

Zane Everett designed and made an elevator to come down from his tree. He had a few bruises to show that it needs more work and planning to make it safe. Oh, well—so do our space ships!

Sherry Lu Davis had her aunt, uncle, cousins, and grandmother come to see her Sunday. Her grandmother stayed here.

Gayle Monier and his family, on the other hand, went to visit an aunt in San Antonio on Saturday. His grandmother stayed there.

After all this exchange of grandmothers, let's look forward to more interesting things next week!

Remember Sunday School on Sunday. We had seven attend this week.

Also, remember to send your dollar (room Mother dues) to Mrs. Focke. or Mrs. Ainsworth.

PUP PET NEWS

Well, football season is official, by here, and the pep squad is fully aware of it. They are doing a fine job of keeping school spirit high. If you've been feeling slight shakings of the earth and hearing loud noises during the past two weeks, don't be alarmed; the earth is not coming to an end. It's only the pep squad and students doing a yell or two in the classes. Get set, because it's likely to increase in the coming weeks, as the Bulldogs continue on their climb to Bandera District Champs.

The pep rally, Friday, was one of the best Bandera has had. The band, as usual, was majestic, the pep squad the cheer leaders, and the students all did their part to make that one of the most highly enthusiastic pep rallys ever. May all the rest of the pep rallies be as heartening.

On Tuesday night, September 16, the Pup Pets met in the high school gym to discuss business and elect officers. The officers are as follows: President, Sandy Mott; Vice-President, Cathy Anderwald; Secretary, Elsie Faurie; Treasurer, Jo Ann Baker; Parliamentarian, Ruth Brown; Reporter, Jeanine Hicks. These officers will certainly do their very best.

On your way to Hondo, last Friday night, you might have passed a group of girls marching Indian style towards Bandera, if it hadn't been for some very generous Bandera folk. The girls mentioned would have been the Bandera Pup Pets, walking back to Bandera after their bus broke down at Sabinal, September 11, at the Sabinal-Bandera football game. But thanks to many of the Bandera folk who offered the vacancies in their cars to the stranded pep squad, we arrived home in time to attend the Hondo game last Friday. The Pup Pets extend a sincere Thank-you to those who were so generous!

The Pup-Pets are proud of the football boys for the way they played against Hondo, even though they lost.

The good word this week has been "Beat Schreiner" and they will! Ask any Pup Pet.

THE EIGHTH GRADE NEWS

The eighth grade has been studying wasps in science. They learned many interesting things about them—for instance only the female wasp can sting. They also learned there are two kinds of wasps, the social and solitary.

The history class has been studying the thirteen colonies. It is very interesting to learn of the hardships and pleasures of the early colonists.

Margaret Davenport, Myrtis Mann, and Marlene McKay went to the Retreat Saturday night. David Shaw was there also. All had an evening of pleasure.

SIXTH GRADE NEWS

Saturday, John Brock watched TV all day. Sunday, he went fishing and caught thirty perch.

Thomas Meginnis' sister, Dona, came to Bandera from Austin, and stayed for the week-end. Thomas and his father went fishing in their old truck.

Friday night, Dorothy Brown went to the record hop at the Rio Vista. Sunday, she went to Medina Lake for night seeing.

Mike Wootton spent the week-end with Dickie Hicks. They went fishing and tried for two hours to get the jeep started. Finally they noticed that the key was not turned on. By his time they were out of the notion for fishing and decided to go horseback riding instead. They had loads of fun.

MRS. SCHNELLE— SIXTH GRADE NEWS

Some of Arlan Thetfords' friends came from New Jersey last Sunday to see him. They rode horses all day. Saturday they went to a birthday party and a barbecue at their next-door neighbors' and had a wonderful time.

Last Saturday, Anne Marie Brown's father killed a four-foot rattlesnake. It was in one of their rabbit hutches. He shot it just in the nick of time, as it was coiled and ready to strike one of the rabbits. That night when they went to check the rabbits again, the little rabbit that the snake almost bit was up on a high board roosting like a chicken. We do not blame it!

SEVENTH GRADE NEWS

Jack Fortner and J. M. Clements went hunting Saturday. J. M. got one rabbit and later on got two doves. Jack just got one rabbit.

The seventh grade had a donut sale Saturday. We sold twenty-five dozen donuts and a few cookies. We wish to thank the people of Bandera for helping us in our sale.

Margie Brown, Kathy Jones, Mike Fitzpatrick, Harold Brooks, Howard Hicks, Nancy Johnson, Lynn Smith, Linda Preston, and Joe Singleton were all at the football game Friday. We think the boys played a good game.

Last week we elected class officers which are as follows: Howard Hicks, President; Rocky Stevens, Secretary; Richard Evans, Treasurer; Mike Fitzpatrick, Sargeant-at-Arms; and Pat Wootton, Parliamentarian.

Howard Hicks and Royce Sprott both went to their grandparents' house Saturday and report having a wonderful time.

THE NEWS IS GREAT ABOUT THE NEW-SIZE FORD, THE FALCON!

We've never seen a car perform like it! Right now a fleet of Falcons is covering every mile of numbered U.S. highway across the nation—171,000 miles—climaxing three years and three million miles of Falcon research and development. Across the country, drivers are reporting up to *32 miles per gallon . . .* 4,000 miles without adding oil . . . rugged power that takes the toughest mountain passes in high. And because of its single-unit construction, *not one* of these Falcons has developed a squeak or rattle!

Before you buy any new-size car, wait and see the Ford Falcon with its easy-to-handle size and room for six big people and all their luggage. And wait until you see the Falcon's price . . . because that's where your savings *begin*, in a really big way!

MELVIN ROSSMAN'S FATHER DIED

We extend sympathy to Melvin Rossman, whose father, Rudolph Rossman, age 77, passed away in a San Antonio hospital on September 19th following a heart attack. Funeral services were held on Thursday, September 17th, at the Trinity Funeral Home in San Antonio with Rev. W. L. Froehner and Rev. G. J. Schuler, ministers of the Aldersgate Methodist Church officiating. Interment was in San Jose Burial Park.

Mr. Rossman was well known throughout the state as he had been connected with his son, Melvin Rossman, in the Rossman Monumental Works the past twenty years.

Survivors include two sons, Melvin and Otto; two daughters, Mrs. Evelyn Dullnig and Mrs. Mildred Martin; eight grandchildren, and nine great-grandchildren.

Mr. Rossman's wife preceded him in death, having passed away in 1949. He was a member of the same Methodist Church in San Antonio for 39 years.

BANDERA ASSEMBLY HOST TO GRAND VISITOR

Bandera Assembly No. 279 was honored by having Mrs. Edna Lawty, Grand Visitor of the Grand Assembly of Texas Order of the Rainbow for Girls as their guest for dinner Monday night in the Pilot's Lounge of Flying L Ranch. Others attending were Barbara Focke, Worthy Advisor; Camille Rosquist, Associate Advisor; Carol Ann Vaughn, Charity; Judy Carol Renschler, Hope; Sarah Mae Knibbe, Faith; Janis Meginnis, Treasurer; Mrs. Judy Meginnis, Mother Advisor; Mrs. Rena Sandidge, Chairman of the Advistory Board; and Jim Lawty, of San Antonio.

Following dinner, Mrs. Lawty made her official visit to the Bandera assembly at their regular meeting.

P.T.A. MEMBERSHIP DRIVE WILL BEGIN MONDAY

The drive for Parent Teacher Association membership will begin on Monday, September 28, at the noon hour and will end Friday noon, October 9.

There will be a flag prize offered and a second prize offered for the school having the highest per cent of membership. The 50c membership fee is to be brought to the home room teacher in the Elementary grades and the class secretary in the High School Grades.

We believe that everyone will get much good and satisfaction from belonging to the P.T.A.

BANDERA COUNTY UNIT AMERICAN CANCER SOCIETY TO MAKE DRESSINGS

On Friday, October 2, at 10:30 a.m., Mrs. A. R. Pillar and Mrs. John R. Huizler, volunteers from San Antonio, will meet with the Bandera County Unit of the American Cancer Society at the home of Mrs. Clay Short, to teach members how to make cancer dressings. There will be a covered dish at noon and members planning to attend are asked to call Mrs. James Brannigan immediately concerning number of gauze pads, white thread, scissors, thimble and old sheeting.

IT'S A BOY FOR THE DON HICKS'

Mr. and Mrs. Don Hicks are the proud parents of a fine little baby son, born on September 18, 1959, in the Sid Peterson Memorial Hospital in Kerrville. The young man weighed 7 pounds and five ounces, and was named Timothy Don. He is being welcomed by two sisters and two brothers.

DEADLINE FOR VOTING ON WOOL REFERENDUM SEPTEMBER 30

San Angelo.—Officials of the Texas Sheep & Goat Raisers Association have reiterated their recommendation to the state's sheep producers that they "vote early" in the current wool referendum.

Deadline for voting on this self-help plan in the promotion of wool and lamb is September 30.

Lance Sears, of Sweetwater (T-S-G-R-A president, said that it's important that all ranchmen, regardless of the size of their operations, participate in the referendum.

This referendum, which was called by Secretary of Agriculture Benson, is of utmost importance to the sheep and wool industry, Sears said. Without the one cent per pound deduction from incentive payments from the government, which would be authorized through a favorable vote, the sheepman would be without any kind of a promotion program, Sears said the work of the last four years would be lost to the industry and that the American Sheep Producers Council, Inc., which has headquarters in Denver and administers the promotion work, would be out of business.

T-S-G-R-A directors at a recent meeting authorized Sears and Ernest L. Williams, executive secretary, to push the association's drive toward a favorable vote. In a follow up of previous work the association has mailed out postal cards to more than 7,500 growers reminding them of the referendum and urging those who have not voted to do so immediately.

"This one cent per pound deduction is nothing more than a self-imposed tax for growers and will in no way affect other fields of agriculture," Sears said.

Outcome of the referendum will not be known until after October 1.

WOMEN TEACHERS OF BANDERA COUNTY ENTERTAINED

The women teachers in Bandera and Medina Schools were honored with a reception in the home of Miss Lillian Harl of Kerrville on Monday evening, September 14. The occasion was the regular meeting of the Epsilon Theta chapter of Delta Kappa Gamma at which time thig honorary teachers' organization invited all of the women educators of the three-county area composed of Bandera, Kerr, and Kendall counties. Delta Kappa members attending from Bandera and Medina were Mrs. E. R. Teel, Mrs. Walker Mullenax, Miss Zona Johnson, and Mrs. C. H. Langford of Bandera; and Miss Thelma Gallant, Medina. Guests from the two towns were Mrs. J. Manley Reynolds, Mrs. Taylor Wootton, master of ceremonies from Bandera; and Mrs. Walter Horton, Mrs. Lucille Duvall, Mrs. Mabel Reed and Mrs. Mildred Mayfield of Medina.

MRS. JAMES HAS NEW GREAT GRANDSON

Mrs. Annie James is rejoicing over the arrival of her third great grandson, Rocky Doyle, who was born to Mr. and Mrs. W. R. McDonald of Sanderson on September 9th. The young man weighed 8 pounds, 14 ounces and was 19 inches long at birth. Mrs. McDonald will be remembered by many here as the former Miss Jannie Robinson, daughter of Mr. and Mrs. K. K. Robinson of Sanderson.

Mr. and Mrs. Vic Henderson and sons, Craig and Wayne, of San Antonio, were visitors in the home of Mrs. Henderson's parents, Mr. and Mrs. F. A. Mansfield, on Sunday.

MISS FLETCHER DIES IN HOUSTON

Friends throughout the Hill Country were grieved to learn of the passing of Miss Valentine B. (Vallie) Fletcher of Beaumont last Thursday, September 17th. Miss Fletcher, who was well known in Bandera, was a native of Bandera County and a member of one of the pioneer families. She was born in Highland Waters.

Miss Fletcher, who was a native of Beaumont, passed away in Houston following a long illness. She was born on February 14, 1875, to Mr. and Mrs. W. A. Fletcher, prominent Beaumont pioneers. Her studies at Baylor College were followed by finishing school in New Orleans, then Cooper Union and the Art Students League, both of New York City. Miss Fletcher also toured Europe and studied art there. She was an artist of note and has done many lovely paintings of tapestries, landscapes, etc., which have been displayed in Beaumont and many other cities, as well as in homes of her friends and loved ones throughout the state. She was well known for her beautiful paintings of scenes in the bluebonnet strewn near San Antonio.

Mr. and Mrs. Fred Briggs attended the funeral services at Beaumont Saturday.

RECORD DELEGATION ATTENDS AMERICAN CANCER SOCIETY MEET

Ninety-six delegates and guests from South Central Texas attended one of the largest annual meeting ever held in District Five of the American Cancer Society, Texas Division, at Ft. Clark Guest Ranch in Brackettville last Wednesday.

Representing the Bandera county unit of the American Cancer Society were Mesdames Clay Short, E. M. Pope, Fred Briggs and Melvin Rossman.

Re-elected at this meeting as directors of the district were Mrs. Tom Hunt of Brackettville, Perry Kallison and Robert R. Nixon, M.D., of San Antonio. Mrs. Pue served on the district nominating committee. At this time, Mrs. Short, unit president, received for Bandera county an award from the Texas division for a record during the past year of outstanding achievement. Also receiving wards were representatives of Comal, Kinney, La Salle, Medina and Real counties.

Major General Elbert C. Decour, sey, prominent pathologist and a native of the Southern Interstate Foundation from San Antonio addressed the group at luncheon. He told of some of the many advances in knowledge in the medical profession is gaining concerning the mysteries of the normal healthy human body and the "natural law" or cancer cell. He noted that medical science is striving in an all-out effort to find out why the Texas Division, presented an interesting program illustrating the essentials necessary for a successful county unit. A demonstration county board of directors meeting was held using volunteer personnel and film slides.

A successful program of cancer education it was emphasized must reach everyone—where they live, work and study. Every possible way, Reimann said, must be used to educate that the best cancer insurance is to see your doctor for regular health checkups, one of the most important points to remember at this time which takes the lives of more than 11,500 persons in Texas every year.

Following the conclusion of the meeting, the group was transported by buses; courtesy of Butjac Productions to the set of the "Alamo" now being filmed near Brackettville. They watched actor John Wayne direct the preparation and shooting of a scene showing a troop of mounted calvarymen proceed in formation down a street and circle the plaza in the village of old San Antonio.

Luncheon guests of the meeting were Mrs. John Wayne, Mrs. J. Grand, wife of the "Alamo" script author, and Mrs. John F. Harvey, wife of the commanding officer of Laughlin AFB in Del Rio.

DR. LANGFORD CELEBRATES BIRTHDAY

Dr. C. H. Langford was honored with a lovely birthday dinner last Saturday at the home of his mother, Mrs. Mary Langford. Mrs. Eldon Langford baked the delicious birthday cake. Those present to enjoy the occasion with the honoree were Mr. and Mrs. Eldon Langford and children, Alan, Brian, and Lauren, of San Antonio, Carl F. Wheeler, Mike Evans, Mrs. C. H. Langford, Mrs. Lora Hunter, and the hostess, Mrs. Mary Langford.

The Bulletin joins Dr. Langford's many friends in extending congratulations and wishing him many more happy birthdays.

A. M. COOPER NEW NATIONAL BANK HEAD

A. M. Cooper

Announcement that A. M. Cooper of Kerrville, Texas, had accepted the position of Executive Vice-President of the First National Bank of Bandera, was released today by Frank Montague, Jr., Mr. Montague submitted his resignation as an officer of the bank and will continue to serve in the future as a director. Mr. Cooper will assume his duties on October 19, 1959, and will have charge of the complete management and operation of the bank.

The new Executive Vice-President is a man of thirty years experience in the field of farm, ranch and livestock financing. A native of Texas, he was born at Bryan, Texas, February 28, 1899. He graduated from nearby Texas A&M College in 1921.

Mr. Cooper commenced his professional career in Callahan county, serving as County Agent of that locality for seven years. Subsequently he became secretary-manager of the Sweetwater Production Credit Association and is experienced in farm and ranch financing.

Since 1935, Mr. Cooper has held the position of County Supervisor of the Farmers Home Administration Credit.

With headquarters in Kerrville, with the responsibilities of making loans in Bandera, Kerr, Kendall, Kimble and Real counties.

Frank Montague, Jr., in making the appointment public stated that: "Mr. Cooper is well known to us here in Bandera and has many friends throughout our entire area. We have had numerous dealings with him and know from experience that he has the interest of our people at heart. We have every confidence in his banking ability and integrity. I do not know of a finer or more competent man to manage the bank."

Frank Montague, Jr., who has resigned as Executive Vice-President, will retain his interest in the bank and take an active part in its welfare as a member of the Board of Directors.

ROBERT THETFORD DIED SATURDAY IN SAN ANTONIO

Death came to relieve the suffering of Robert Thetford when he passed away Saturday in a San Antonio hospital. Funeral services were held Sunday afternoon at the Plummer Funeral Home Chapel with Rev. J. Manley Reynolds of the First Baptist Church of Bandera officiating. Interment was in the Bandera cemetery. Pallbearers were Fabian Anderwall, Jesse Clark, Bennie Adamietz, Willie Kalka, Bill Crist, and Dennis Duff.

Robert Lee Thetford was born on January 8, 1906, near Comfort to Isaac Gibson and Lora Thetford. He grew to manhood in Kerr county and came to Bandera in 1927. He has been a resident of Bandera county since that time and was well known here. For the past several years Mr. Thetford has been in ill health and he had been a patient in the San Antonio hospital, where he died, for the past several months.

Survivors include his wife, Stella; one daughter, Caroline; three sons, Arland, Gerald, and Arie; two sisters, Mrs. Minnie Crist of Bandera and Mrs. Dixie Morris of Arkansas; and two brothers, I. G., and Harold Thetford, of Bandera.

OPEN HOUSE AT STERLING CHEVROLET COMPANY

Friday, October 2nd., will be show-day and open-house at the Sterling Chevrolet Co.

The new car showing will feature a display of all series of the regular passenger cars, the all new trucks and the Chevrolet compact car, the Corvair. The public is invited to attend.

To make the occasion even more gala, there will be a nice door prize given away, coffee and donuts will be served and gifts for all attending this showing.

Mr. Sterling invites all to come by and see the beautiful new model cars and have a cup of coffee too.

BISHOP JONES WILL VISIT ST. CHRISTOPHERS EPISCOPAL SESSION

Bishop Everett Jones of the West Texas Diocese, will preach at St. Christopher's Episcopal Mission here at 11 o'clock next Sunday, October 4th. Bishop Jones will preach, confirm a waiting class and give communion at this service.

The West Texas Diocese, of which St. Christopher's is a mission, is one of the fastest growing dioceses in the United States, now necessitating both a bishop and a suffragan, who is an assistant bishop.

Bishop Jones will accompany Bishop Jones to Bandera.

AUCTION IS PLANNED FOR OCTOBER 24th

An auction is being planned by the Bandera County Agricultural Center to be held on Saturday afternoon, October 24, at the Center. The purpose of this auction is to raise money to pay off the present indebtedness and to start a fund with which to buy a larger scale and to make other improvements. Committees have been appointed to work and solicit merchandise and livestock in every community of the county and those not appointed are requested to volunteer their services to make this year's auction go over better than last year's, when over $1200 was raised.

Plans are also underway whereby it is hoped that activities used by the Agricultural Center can be expanded in the coming year. It is especially hoped that the women's clubs can find proper facilities there to carry out some of their projects.

SOCIAL SECURITY REPRESENTATIVE WILL BE HERE

A representative of the Social Security Administration Eugene E. Hirsch will be at the office of County Judge O. O. Adams on Fridays, at 1:00 p.m., October 9, November 13, and December 18. An appointment may be made by those who need help in this program.

JOHN REED, MEDINA RESIDENT, LAID TO REST

John Henry Reed, age 70, and a native of Bandera county, passed away at 9:20 p.m., last Thursday in the Peterson Hospital at Kerrville following an illness of about eighteen months. Everything that medical aid and loving hands could do was done to make him as comfortable as possible during his extended illness. Mr. Reed, who underwent major surgery a year ago, returned to the hospital on Sunday and passed away there the following Thursday.

Funeral services were held at the Plummer Funeral Home Chapel in Bandera last Saturday afternoon with Rev. Charles Dorroh of the Kerrville church of Christ officiating. Graveside services were held at the Mesas Cemetery above Medina where interment was made. Pallbearers were Howell Keese, W. O. Hatfield, Sr., Hugh Carpenter, Allen Keese, Earl Weed, and L. C. Hinds.

The large concourse of friends and relatives who gathered to pay their last respects to Mr. Reed last Saturday gave testimony of the high esteem in which he was held. His genial manner and cheery smile will never be forgotten by all those who knew him and loved him.

Mr. Reed was born on July 14, 1889, in Bandera county on what is now known as the Risinger place on Medina Lake. His father was James Bonaparte Reed and his mother was the former Miss Cynthia Artie Walker; both members of pioneer families of Bandera county. When John Reed was a small child, he moved with his family in 1891 to the Lima community where Medina now is, his father bought a squatter's cabin from Bill Hinds for $11.00 and pre-empted the land on which it stood. James Bonaparte Reed gradually acquired other tracts of land until he had large holdings, and at the time of his death, John Reed still owned a part of his father's ranch land on Brewington Creek, where he made his home and reared his family.

On July 22, 1917, Mr. Reed and Miss Mattie Vernie Lackey were happily married at the Lima School house and they celebrated their 42nd wedding anniversary this past summer. Two children, a daughter and a son, were born to bless their home.

Survivors include the sorrowing wife, the daughter, Mrs. Cora Ida Loma Weed of Medina; the son, Andrew A. (Pete) Reed of Bandera; two grandchildren, Clara Faye McCracken and Arnold Byron (Skipper) Reed of Bandera; two brothers, Andrew B. Reed and Louis A. Reed of Medina; and one sister, Mrs. Cynthia Mayberry of Fort Worth.

The Bulletin joins the many friends of the family in extending sympathy and condolence at this time of sorrow.

BANDERA DEFEATS REBELS IN HOME OPENER

The Bandera Bulldogs opened their home season in grand style Friday night, by romping to a victorious 33-12 triumph over the Schreiner Institute Rebels. The Bulldogs demolished their best offensive showing of the year which saw four different Bulldogs cross the goal stripe during the evening's contest.

The Bulldogs drew first blood in the opening period as the result of a partially blocked punt by Bryan King. Three plays later and 13 yards deeper in Rebel territory, Kalka plowed over from the two to put the "Blue and White" in front for keeps. The Bulldogs added two more markers before intermission at which time they led 19-6. The first of these came on the initial play from scrimmage in the second quarter as Roger Ramos took a hand-off off guard and scampered some 40 yards to pay dirt. Kalka kicked the PAT. The other Bulldog tally before the half gave the home fans something to cheer about, as Terry Knibbe, taking the hand-off off center, cut a bee line to the west side chalk mark and outdistanced the red shirted Rebels for a 65 yard scoring jaunt. Schreiner's lone tally of the half was tallied by Kelly on a one yard plunge mid-way in the second stanza.

Following intermission, the Bulldogs kicked off to the Rebels and forced them to punt. But an alert defensive effort once again on the part of Bryan King in blocking the attempted kick gave the Bulldogs possession on the Rebel 27. With Ramos, Cottingham, Schladoer, and Kalka taking turns at the pigskin, the Bulldogs advanced the ball to the Rebel one yard stripe from which point Schladoer bulled his way across for the six pointer. Cottingham made the two point conversion as

MUSTANGS LOSE OPENER GET READY FOR BOERNE

St. Joseph's Mustang Football Team lost their opening game 10-0 to St. Mary's of Fredericksburg. The game, played at Fredericksburg, was a hard fought battle between two old rivals. St. Joseph's has never won at Fredericksburg and the "jinx" continues. St. Mary's scored their only touchdown in the second period following a blocked punt. A safety was added in the fourth quarter on a bad pass in the backfield, giving us the final score, 10-0.

Richard Dugosh played an outstanding game in the line. Richard and his teammates kept St. Mary's hard charging backfield in hand during the entire game. Offensively James Jacoby played a sparkling game. Due to opening game jitters the team failed to get their attack launched but they will improve with each game.

St. Joseph's next game is with Boerne, Thursday, October 8, at 7:30 in Boerne.

St. Joseph's is very proud to have a sixth grade team this year. They will meet Boerne's sixth graders twice preceding the St. Joseph's varsity games. These young Mustangs are being coached by Charlie Applegate. They scrimmaged the varsity Tuesday evening and did right well. Their game will be at 7:00, October 8, at Boerne.

Be sure and come out to see the Mustangs play their home games!

NOTICE

To promote public safety the Bandera County Commissioners' Court has declared the alley in front of the Bandera Ranchmen and Farmers Association warehouse a loading zone and placed a speed limit of 15 miles per hour from State Farm to Market Road No. 689 extending one block east.

V. A. SUGGESTIONS

The Veterans Administration offers these suggestions for quicker, more efficient VA service:

To veterans—

1. When first seeking a benefit, bring a copy of your discharge, if available.

2. When writing VA always give full name and address.

3. When writing about benefit claims, address the VA regional office in your area and give your "C" number.

4. When writing about insurance, address the VA district office to which you mail your premiums, and give your policy number.

5. Report changes of address promptly to both VA regional and district offices.

6. Compensation or pension recipients can save time, money, and avoid a lapse, by having their insurance premiums deducted from their monthly benefit checks.

7. All other veterans can save time and money by paying their insurance quarterly, semi-annually or annually.

8. Keep your list of insurance beneficiaries up to date. VA can pay claims only to the names on record.

To dependents or beneficiaries of veterans—

1. When writing regarding pension or compensation checks, address the VA regional office in your area, and give the name of the deceased veteran and his "XC" number.

2. When writing regarding insurance, address the VA district office that sends you your check, giving the policy number and your name in full.

3. Report change of address promptly to both VA regional and district offices.

4. Feel free to write or visit a VA office for assistance in any problem.

Mrs. George Lynch of San Antonio and her sister, Mrs. Robert Boehmer of Texarkana, came in Monday for a visit here with relatives. Monday evening Mrs. Frank Mansfield entertained the relatives in her home for a lovely dinner. Those present were Mrs. Boehmer, Mrs. Lynch, Mr. and Mrs. Frank Billings (Mrs. Billings is another sister); Mr. and Mrs. Ross Bailey and children, Mr. and Mrs. I. C. Bailey and Mary, and Mr. and Mrs. Frank Mansfield. Mrs. Mansfield is the fourth sister. Mrs. Boehmer is spending the week here with Mr. and Mrs. Mansfield.

Roy Kinnebrew attended the Baptist Brotherhood convention in Dallas this past week. He was accompanied by Mrs. Kinnebrew and while there they were guests of her neice, Mrs. W. B. Raynolds and family of that city. Mr. Kinnebrew also attended a Deacon's meeting in Mineral Wells at Calvary Baptist Church, where he and Mrs. Kinnebrew became members. Her sister, Mrs. B. T. Eubank is a resident of Mineral Wells.

WRECK INJURES LOCAL COUPLE

Mr. and Mrs. Bob Lynd were reported in satisfactory condition Monday after a two-car collision in which they were injured Sunday in San Antonio.

The collision occurred at Loop 13 across [illegible] and 23 Callaghan Ave. Impact of the collision de- cuted.

Here's the car that introduces a whole new decade of design—with so much that's new and different the other ones can only hope to come close.

It's the superlative '60 Chevrolet—with new space inside, new spirit under the hood, new splendor in every clean-etched line.

Freshly shaped contours rake back from the unified new grille to the jaunty rear deck, fitted with craftsmanship you'd expect only on the most expensive makes. Inside, there's room to sprawl in, room to sit tall in—generously provided by Chevy's sofa-wide seats and extra margin of hat space. And there's even more leg room for the man in the middle—thanks to the way Chevrolet engineers have shaved down the transmission tunnel.

Out on the road, as Chevy's Full Coil ride will persuade you most gently, there's not a car near the price that comes close to the hushed comfort of this one. And, adding to your sense of silence and solidity are thicker, newly designed rubber body mounts that do an even more efficient job of filtering out road shock, tire hum and vibration.

Quiet, quick-responding power is provided by a choice of two standard engines—Chevy's famed Hi-Thrift 6 and a new Economy Turbo-Fire V8 that gets up to 10% more miles out of a gallon of regular while delivering greater engine torque at normal speeds.

Chevy's accent on comfort and convenience even extends back to its easier-to-load (and tremendous) luggage compartment. You'll also find a convenient new parking brake that automatically returns to normal height after application, a new clutch linkage that filters out even the smallest engine impulses more effectively than ever and a trim and two-toning motif that's available on all 16 fresh-minted models.

But, impressive as all this may look in print, there's really only one way to tell how near to perfection this superlative '60 Chevrolet actually comes . . . and that's to drop in on your dealer and drive one!

TODAY! ASTONISHING! NOTHING LIKE IT! CORVAIR! SMALL MIRACLE! TODAY!

THE REVOLUTIONARY Corvair BY CHEVROLET

There's nothing like a new car—and no compact car like this de luxe Corvair 700.

America's only car with an airplane-type horizontal engine! America's only car with independent suspension at all 4 wheels! America's only car with an air-cooled aluminum engine!

Here's the car created to conquer a new field—Chevrolet's low-priced compact Corvair.

The product of nine years of research and development at the auto industry's most advanced facilities, it's America's first truly compact, economical car that retains the ride and 6-passenger comfort you're used to in a big one.

The key to this small miracle: America's first and only modern rear-mounted aluminum engine—a lightweight 6 that's so revolutionary it can be packaged with the transmission and drive gears as one compact unit.

By putting the engine in the rear, Chevrolet has made the floor practically flat, front and rear. There's plenty of foot room for everybody, including the passengers in the middle.

Shifting engine weight to the rear also makes for smoother, easier compact car handling and gives Corvair fuel-the-road traction on ice, mud or snow.

Corvair's size—some 5 inches lower, 2½ feet shorter and 1,300 pounds lighter than conventional sedans—makes it a joy to jockey through busy streets, a pleasure to park (no need for power assist). Its revolutionary Turbo-Air 6 gets up to 30% more miles on a gallon of regular (a real magician on mileage). And, because the engine's air-cooled, you never have to fuss with antifreeze, you get quicker warmup with less wear on parts even on the coldest mornings (even best for passengers—comes quicker—almost instantly—from an airplane-type heater*).

Yet, wonderfully practical as all this sounds, you'll find the most practical thing of all about this new Corvair is its remarkably low price. Your dealer's the man to see for all the short, sweet details.

REVOLUTIONARY TURBO-AIR 6 Gets up to 30% more miles on a gallon, needs no antifreeze, provides quicker warmup with less wear on parts.

ONE-PACKAGE POWER TEAM Wraps rear engine, transmission and differential together into one compact lightweight unit. Takes less room, leaves you more.

STYLING—PURE AND SIMPLE Clean, uncluttered lines shape both 4-door models—the de luxe Corvair 700 and the standard Corvair. Each has its own distinctive trim, and you get more visibility area than in many full-sized cars.

FOLD-DOWN REAR SEAT* Works easily, instantly, adding to Corvair's versatility by enlarging rear seat cargo space to 17.6 cu. ft.

FLAT FLOOR Corvair is America's only compact car with a practically flat floor, the only one with the kind of relaxing room that U.S. motorists are used to.

UNISTRUT BODY BY FISHER Does away with conventional frame, incorporating all structure into a rigid body-frame unit that gives you more inside room with less weight.

UNDER-HOOD LUGGAGE COMPARTMENT Trunk's up front (like an elephant's) where it's convenient for groceries, luggage.

4-WHEEL INDEPENDENT SUSPENSION There's no conventional axle—front or rear. Wheels, cushioned by coil springs, take bumps independently of each other, for smooth, road-hugging ride.

**Optional at extra cost*

BULLDOGS—

(Continued from Page 1)

ed skirted and unmolested from here yards out. The Rebels added a tally of their own later in the period. The pay-off came on a plunge by Streakley from the Bulldog one. From then until the final seconds of the game, both teams played on fairly even terms though the Bulldogs were continuously in Rebel territory. In the closing seconds, Ernest Schlador brought home-town fans to the feet once again as he gathered in a stray Rebel aerial on the Schreiner 37 and sprinted the entire distance to bring the Bulldog's final point total to 33.

Statistically, Bandera held a wide advantage as the Bulldogs led in first downs 15 to 10 and in net yardage 225 to 179. Rushing, the Bulldogs gained 198 yards on 46 attempts for an impressive 4.2 average, as compared to the Rebels 119 yards on 41 tries good for a 2.9 average. The Bulldogs completed three out of seven aerials for 27 yards while the Rebels made good on 7 of 16 pass attempts for 60 yards. Knibbe led the Bulldog rushes with 92 yards on eight carries and an 11.5 yard average. Roger Ramos picked up 49 yards on five carries good for a 9.8 yard average. Cottingham gained 25 yards on eight carries while Stein rushed for 24 yards on five carries. Kalka and Schlador rounded out the ball carries and also showed the passing duties along with Knibbe.

As for defense, Kalka and Junior Ramos gained tackling honors with 10 and 9 respectively. Also performing well was King who blocked three of the Rebel punts.

This Friday the Bulldogs entertain the always strong Junction Eagles in an 8:00 p.m. non-conference tilt at Bulldog stadium. Bandera will try to make it two in a row over Junction as last year the Bulldogs eked out a close 16-14 thriller against the Eagles.

MR. AND MRS. ZIGLER DONATE LAND FOR NEW CHURCH

We were pleased to have a nice visit Wednesday with Mr. and Mrs. Robert A. Zigler of Medina Lake who were in Bandera. They were proudly displaying a copy of the deed for the new North Medina Lake Methodist Church which has been recently organized, and is now under the supervision of the Bandera Methodist Church. Rev. David Stewart, pastor.

Mr. and Mrs. Zigler gave the twenty beautiful lots on which the new church is located. A. B. Lewis is serving presently as its pastor.

ELECTION FOR SUPERVISOR OF BANDERA SCD TO BE HELD OCTOBER 6, 1959

The election to choose a supervisor in Sub-division No. 1 of the Bandera Soil Conservation District will be held on Tuesday, October 6, 1959. The election will be held in connection with the District's range tour and field day on the same date. Lion's Hudspeth Park in Bandera will be the scene of the election which will be held during the noon hour of the tour.

As shown on the above map, subdivision No. 1 is composed of the area around Bandera. It is made up of all the lands lying in what was formerly known as the Myrtle Creek School District No. 2, the Mason Creek School District No. 27, the Lone Star School District No. 19, the Indian Creek School District No. 16 and the Bandera School District No. 1, being limited in these districts to the boundries of Bandera County. All land, owners and their wives holding title to land within this area are eligible to vote in the election.

To be eligible to serve as supervisor, the person elected must be of voting age and a landowner in the sub-division from which he is elected. The person elected will serve a five year term on the governing board of the Bandera SCD.

As a member of this Board of Supervisors, he will join with the supervisors from the other four sub-divisions in administering the soil, water and plant conservation program for the District. District supervisors are responsible for the approval of applications for assistance in developing conservation plans, for the use of state and local funds to promote conservation, and for determining what is needed in the way of more and better soil and water conservation on the local as well as the state and national level. District supervisors through their state and national organization exert considerable influence in the field of soil and water conservation.

The present supervisor from sub-division No. 1 is Bob Mansfield. Mr. Mansfield has ably served as district supervisor from his sub-division since his election in 1953 to fill the unexpired term of the late C. G. Clousnitzer. Mr. Mansfield was re-elected as supervisor in 1954 and has served as chairman of the board since 1958.

Mr. and Mrs. Lawrence Lindner and three little sons of San Antonio spent the week-end here visiting her parents, Mr. and Mrs. G. W. Ender and daughter, Ada, and his parents, Mr. and Mrs. Ernst Lindner.

DEANS HONORED WITH FAREWELL PARTY

Mr. and Mrs. Elzie Dean and children, Laura Nettie Marie, and Charles Hope, were surprised last Saturday night when several of their neighbors and friends gathered at the Dean home to honor them with a farefell party. Refreshments of punch and cake were served. The cake was beautifully and appropriately decorated in pink and white with "Farewell and Good Luck to the Deans" written on it in pink letters. A lovely gift consisting of a set of hurricane lamps was also presented to the family.

Those who shared the pleasure of honoring the Dean family were Mr. and Mrs. Rudolph Schmidt and daughter, Brenda, Mr. and Mrs. G. M. Mickelsen, Mr. and Mrs. Floyd Smith, Mr. and Mrs. Lee Mansfield, Miss Bertie Smith, Mr. and Mrs. A. W. Nichols, Mrs. S. J. Mueller and children, Gretchen, Bob, and Dickie, Mr. and Mrs. John G. James and daughter, Min. at this time.

REP. JOE BURKETT APPOINTED TO GENERAL INVESTIGATING COMMITTEE

Wintergreer Carr, Speaker of the Texas House of Representatives announced this week the appointment of the Honorable Joe Burkett of Kerrville to the General Investigating Committee of the house of Representatives.

Speaker Carr informed the Bandera Bulletin: "Your Representative, the Honorable Joe Burkett, is one of the finest members of the Texas Legislature. I have found him to be always sincere and conscientious in his duties. His hard work in behalf of his district has gained for him a good reputation and high prestige in Austin.

For the above reasons I have appointed Mr. Burkett to the General Investigating Committee of the House of Representatives which will operate between now and the regular session in 1961.

The General Investigating Committee is one of the most important committees to be appointed. Its responsibilities are great.

Mr. Burkett will be one of its leading members.

BOY'S 4-H NEWS

Judy Mueller, Reporter

At 7:30 Tuesday night in the Vocational Agriculture building the Boy's 4-H Club held their first meeting of this year. Again this year Werner Lindig is in charge of the 4-H Club.

The first business was the election of officers. The president is Earl Keese; vice-president, John Focke; secretary-treasurer is Rosalie Haun; reporter, Judy Mueller and the sergeant-at-arms is Bobby Mueller.

Although County Agent Lindig is a very efficient leader of 4-H he needs some help, therefore, they elected Mike Pember, Jack Focke and Raymond Hicks as adult leaders.

Other business taken care of was the time and place of the meetings for the coming year. To the satisfaction of most parents, the meetings will be right after school at 4:00 in the Vocational Agriculture building at school. The meetings will take place on the first Thursday of every month. We hope all the members will be able to make it to every meeting, so they won't miss anything important!

This year the Boys 4-H Club has a club fund, in which they have about $160, which they got from the sale of rat bait in the wool and mohair warehouse.

This year the club hopes they will be better than ever in the shows and contests, and hope they learn a lot more, so work hard members!

DOVE SHOOTING

(Continued from Page 1)

with Miss Patricia Zeschke presiding at the organ.

The other officials in the Mass, assisting Father Postert, will be Rev. Victor G. Schmitzberger, local pastor, as deacon, a cleric from the Oblate Seminary as subdeacon, and the Very Rev. Msgr. J. Decker, O.M.I., acting rector of DeMazenod Scholasticate, San Antonio, as master of ceremonies. The Very Rev. Henry Simoneaux, O.M.I., superior of St. Anthony's Apostolic School, San Antonio, will preach the sermon. The following altar boys will serve for the occasion, namely, Eddie Joe Turner, a nephew of the jubilarian, Tommy Laskowski, Richard Dugosh, Stephen Mazurek, and Tommy Callahan.

Public Reception

At noon the immediate family and visiting clergy will have a private luncheon in St. Joseph's School auditorium. From 2:00 to 4:00 p.m., a public reception will be held for Father Postert to which parishioners and non-parishioners are most cordially invited. However, a cordial invitation is also extended to the general public to attend the Church services at 9:00 a.m.

Ordained in 1934

Edward Bernard Postert was born on October 13, 1900, to the late Joseph and Philomena Mazurek Postert, residents of Bandera County. He was baptized by the late Rev. Joachim Kwoka, O.C.C., on November 4, 1900, and his godparents or sponsors were Julian Mazurek and Margaret Postert. Besides Edward Bernard and the other children of the Postert family are Mrs. Andrew (Magdalin) Pyka and Mrs. T. Boyd (Josephine) Turner, of Bandera; Mrs. Otto (Angeline) Herbaleb, and Mrs. H. S. (Emma) Foster, of San Antonio; George Postert, Hobbs, New Mexico; Eugene Postert, Alice, Texas; Louis Postert, Kingsville, Texas; Mrs. A. C. (Agatha) Watson, Houston, and Mrs. William (Frances) Turner, Hillesboro, Oregon.

Edward Bernard finished St. Joseph's school, Bandera, and graduated from the Bandera Public High School. After graduation he took a business course at the San Antonio Business College. Later he attended St. Anthony's College and St. Peter's Novitiate, San Antonio. He finished his theological studies at DeMazenod Scholasticate in San Antonio. He was ordained to the priesthood on June 3, 1934, in San Antonio and celebrated his First Solemn Mass in St. Stanislaus Church, Bandera, on June 10, 1934.

Clerical Appointments

Father Postert spent six months in the Uvalde Missions after his ordination. Then he was sent to St. Louis Cathedral, New Orleans, Louisiana, as an assistant priest for seven years. While in New Orleans he was Diocesan Director of Scouting under Archbishop Rummel. For his noted work in Scouting he was awarded the Silver Beaver. From New Orleans he was transferred to the pastorate of St. Mary's Church, Ballinger, Texas, where he remained for over nine years. He was selected as the Superior of the District. While there Father Postert purchased some property and built the Church for the Spanish-speaking people of Ballinger; also, he built the Church in Winters, Texas, and its mission, north of Ballinger. He remodeled the rectory as well as the Church in Ballinger. Finally he built a large parish hall for St. Mary's Parish in Ballinger.

On January 16, 1952, Father Postert was appointed as pastor to Sacred Heart Church, Edinburg, Texas, and has been stationed there since. His first project was the building of a beautiful brick Chapel in San Manuel, Texas. The Chapel cost $37 thousand. He moved the old San Manuel Chapel to Fayville, Texas, and recondition it for use there. His outstanding accomplishment was the erection of the Sacred Heart Parochial School which consists of nine classrooms and a kindergarten room. This building cost $120 thousand. In the very near future he plans to build a Chapel in San Carlos, Texas, 5 miles east of Edinburg. His next big project will be the construction of a new rectory in Edinburg.

Again, the general public is cordially invited to the religious services in St. Stanislaus Church at 9:00 a.m., and to the reception from 2:00 to 5:00 p.m., in St. Joseph's School auditorium, Sunday, October 11th.

Guests in the home of Mrs. and Mrs. Ernst Lindner Sunday afternoon were Mr. and Mrs. Eddie Lindner of Comfort and Mr. and Mrs. Harry Meiser and daughter of San Antonio.

TRAVIS EVANS COMPLETES RECRUIT TRAINING

Sand Diego, California.—Marine Pvt. Travis G. Evans, son of Mr. and Mrs. R. F. Evans of Bandera, Texas, completed recruit training September 25 at the Marine Corps Recruit Depot, San Diego, California.

The 11-week course included instruction in all basic military subjects and infantry weapons.

Upon completion of training new Marines are assigned to a unit for further infantry training.

Pvt. Evans, a 1959 graduate of Bandera High School, attended Schreiner Institute, Kerrville, Texas.

Mr. and Mrs. Ernst Lindner attended the golden wedding celebration of Mr. and Mrs. Gus Lindner at Fairyland Hall at Comfort Saturday night.

Miss Eva Thallman of San Antonio visited Mary Frances Mansfield one day last week and while here was a pleasant visitor in our office. Miss Thallman is planning an interesting trip to New York and stops between San Antonio and that metropolitan city.

SENIOR SPOTLIGHT

Not long ago, not far away
In the city of Houston, U.S.A.
The vital statistics, keeping score
Of county births, chalked up "one more."
The Houston Post, in manner mild,
Only stated, "One girl child—"
But to all the Joneses, far and wide,
Came yet another note beside;
January thirtieth, forty-two—
A blond little girl with eyes of blue.
Sharon's her name and fair her face is;
Many, no doubt, will be her graces."

Time sped on until, one day,
Sharon moved Bandera way.
In forty-eight when came the fall
Sharon answered her first roll-call
Along with others of this year's class—
And school began for our winsome lass.

On rolled the years to seventh grade
When her debut to band was made.
The Bulldog Band she would aid and abet
By faithfully tootling her cornet.
At the Episcopal Church she sings in the choir
With a will to work that doesn't tire.
In F.H.A. and Rainbow, too,
Tiger's on hand the work to do.
The plans to make, the fun to share—
Whatever's afoot, our girl's right there!

Of things she likes there are quite a few:
Music, and singing, and science, too,
Times that are "good" and parties gay,
Those she'd welcome just any day.
But deliver her please from "times that are bad"

The people who never, ever look glad,
Who scowl if we're near a smile,
And laugh not even once in a while.
History, too, is on her list
Of things she'd just as soon have missed,
But, being Tiger, she worked with a smile
And studied like hardest all the while.

Whatever the future may have in store,
Good wishes will follow in measure galore;
Whatever career she may prefer,
We know the world will hear from her!

PUP PET NEWS

How do we look, now? That is the question in every Pup Pet's mind. They are speaking in regard to their new uniforms. The uniforms are royal blue cotton gabardine with four white kick pleats. White sweaters and black and white oxfords complete the uniform. The girls are very proud of these uniforms, because they bought the material and most of them made the skirts themselves. So, if you have not noticed the new, smart-looking pep squad uniforms, Do; then tell the girls how nice they look. They deserve it.

The pep squad members are particularly proud of another thing this year—Their sponsor, Mrs. Hubert Mazurek. After her first two days at school, the word was, "Oh, I'm not going to like Mrs. Mazurek; she's not going to be any fun or let us do anything." But, the words are quite different, now. "She's a barrel of fun!" is what you now hear. Under her expert direction, with the help of Sandy Mott, the pep rallies have been livelier and more interesting. There is more pep in everything the Pup Pets do. And here's hoping the spirit that the Pup Pets have will spread to the whole student body.

"Wasn't that a wonderful game, Friday?" and "Didn't the Bulldogs play a great game?" This is all that needs to be heard to know the Pup Pets are really proud of the team.

The Pup Pets would like to join the whole school in saying thank you to any and everyone who helped Bandera get the beautiful scoreboard. It is certainly a thing everyone can be proud of.

Well, Pup Pets, who are the Bulldogs going to beat tonight? Junction, of course!!

TRAVELING SCIENCE TEACHER

Mr. Schnelle has informed us that during the third week of March—fourteenth through eighteenth—Jesse Arriaga, a traveling science teacher, will be on the high school campus. The Traveling Science Teacher Program is sponsored by the National Science Foundation and Oklahoma State University; it is widely acclaimed as one of the most interesting and educational demonstration-lectures presented in the state.

There are many demonstration-lecture topics on which Mr. Arriaga may speak. He will visit the school earlier during March to work out a schedule with Mr. Schnelle and the school staff as to which topics would be most interesting and useful to our students. This list might include such topics as solar energy, rockets, satellites, and space travel, rates of chemical reaction, radiation biology, electricity and electronics, or any number of others. Each lecture is supplemented with a demonstration or experiment proving the information given. All in all, it should be a very interesting week. Don't forget the date—March 14 through 18!

SENIOR NEWS

Congratulations, Bulldogs, you played a real fine game last Friday. Let's do just as well tonight against the "Eagles." Everybody be sure to come to the game tonight, and don't hesitate to buy all you want to eat and drink at the stand. All the proceeds will go to us "poor" Seniors; we can really use the money. See you at the game!!

The Seniors have really been having fun this week, inflation week. It's really nice to be able to say, "Here, Freshman, carry my books" or "Clean my locker", etc. I think the Freshmen are having just as much fun planning their revenge on future Freshmen.

Peggy Billings, our class President, announced this week that the Senior Play will be in January, this year, rather than in the spring as in the past. The plays have been ordered so as to give us enough time to produce a real fine play for "yawl".

We, the Senior class, would like to give our best wishes to Mrs. Russell Foster, the former Margaret Mazurek. Margaret was married in Arizona a couple of months ago and is now living in California where her husband is stationed. We wish Margaret all the happiness in the years to come!

JUNIOR JABBER

The Juniors are very happy with the results of the basketball supper as well as the game last Friday night. We took in $250. and believe we shall have about $200 after expenses are paid. We would like to thank all those who helped to make the Mexican Supper such a huge success. We really appreciate the support you all have given us, the Junior class, and the football boys. We hope this wonderful support continues throughout the year.

SOPHOMORE TALK

The sophomore students are proud of the fine showing Barbara Finch and Jean Daniels gave at the pep-rally and the Schreiner game last Friday. Keep up the good work!!

The boys all played wonderful-ly at the game Friday, but we are especially proud of the sophomore boys. Roger Ramos and Terry Knibbe both ran a touchdown. Other sophomore boys who played were—Clemens Haun, Bryan King, and Butch Richards.

Patty Callahan and Judy Mueller both attended the buffet supper at the Retreat Saturday night. It was held in honor of the football boys and turned out very well.

Over the week-end, Patricia Johnson and her family went to the park near Kerrville, and had a very good time picnicing and hiking.

The sophomore class sends get-well wishes to Rose Ann Mazurek who is in the hospital, as the result of an automobile accident.

EIGHTH GRADE NEWS

In the sudying of geography, the class has been learning about our neighbor — South America. They have found there are many points of similarity and contrast between North and South America.

The spelling class has added something new. Every week the class has a spelling Bee. The girls have been the best spellers so far, but the boys are running them a tight race.

SEVENTH GRADE NEWS

J. M. Clements went to Douglas White's house last Saturday and they played chase. Later on he went hunting and got nine doves. Sunday, he went hunting again and this time he got one squirrel and one dove with a double barrel .410 shot-gun.

Howard Hicks and Royce Sprott went to San Antonio, Saturday, and both had lots of fun.

Linda Preston and her grandparents went to Austin Sunday to see her cousins. Even if they had fun, they were glad to reach home again.

MRS. MULLENAX'S SIXTH GRADE NEWS

Dickie Hicks visited Michael Matthews this Saturday and they went hunting. Dickie shot a rabbit and a skunk, but Michael did not shoot a thing.

Ronnie Daniels went to the show to see "Yellow Rose Kelly."

Linda Pawelek's aunt, uncle, and two cousins came to visit her on Saturday. They had home-made ice cream.

Saturday, Johnny Brock went to the dentist. Sunday he went to the Cub Scout roundup.

Deborah Harrison's sister, grandmother, aunt and family came to see Ber. Deborah says she and her sister cooked dinner on Sunday.

MRS. MAZUREK'S SEVENTH GRADE

The St. Joseph's Mustangs played the Fredericksburg Apaches Sunday and the Apaches won 10-0. Several of our boys are on the team.

Glenda Kaye Ritcheson helped the Methodist Youth Fellowship at the car wash Saturday. Her brother came to see her Saturday also.

MRS. FOCKE'S THIRD GRADE

Billy Prather went to Corpus Christi this past week-end to visit his grandmother and cousin. While he was away, his cousin, Douglas, discovered that a rat-Hemake had bitten the puppies he had been telling us about. Only two of them are still alive.

Ira Thetford tells us that he now has a puppy to play with his two big dogs.

Lila Sandery' brother-in-law was out hunting Sunday and had to shoot a rattlesnake.

A snake even got into Robert Harrison's car, but they got it out. According to radio reports, one was on a football field the other night during a game. When they start entering cars and dog houses as well as brightly-lighted football fields, we do need to watch out.

Susie Short had a full week-end. Sarah Sewall came to see her from Dallas. Debbie Jennings had a birthday so they went to a movie and played together. On Monday her mother had a birthday, too. Many happy returns of the day!"

Gayle Monier has a delightful little [illegible] visiting him. She visited our room on Monday and recognized the "monkey" bear Susie and Jane Ann colored on the wall.

Third graders were out in force for the picnic. Those from Mrs. Ainsworth's class were sitting by their pals from Mrs. Focke's room.

Janie Hay tells us that her new house, into which she just moved, is not on the site of the old one but is in Sunset Hills.

Victor Stitchland and his mother and grandmother are away on a little trip. The grandmother brought them a lot of nice new toys to play with.

Ray D'Spain and Zane Everett practiced all week-end doing "push-ups" and other physical feats to win merit badges for their cub scout troop. Zane had been picking corn for his grandad, too, so he must have been very tired.

Linda Goodenough went with her brother to bring in the sheep. She saw a fox, but was not afraid because he ran away.

Steven Faulkner was sick most of last week but is back in school again.

Ten of our twenty members managed to go to Sunday school or church. Next week we hope to have even more.

Our P.T.A. membership drive started Monday. Let's be sure every parent is a member!

MRS. AINSWORTH—THIRD GRADE NEWS

Mrs. Ainsworth took her little boys swimming on Saturday and to see "The Big Circus" at the Drive-In movie. She made them some little red cowboy vests which they liked.

Marian Allert and her father, mother and little brother went fishing, Sunday, and while they fished and caught nothing, they kept hearing a splash down the creek. When it was time to go home, her father went to investigate the splash and caught a big bass, seventeen inches long. Sunday, Marian saw a deer with twin fawns.

Phillip Applegate tied for third place in the Cub Scout Competition at the Zickler's ranch on Sunday.

On Saturday, Gary Daniels saw a praying mantis on his screen door, and captured it. On Sunday, Gary saw about eighteen wild turkeys.

Tana Everett and her uncle saw twenty-one wild turkeys on their way to Kerrville on Saturday.

On Saturday, Gus Garcia took his baby brother riding in his new baby buggy and the baby liked it so much that he laughed and laughed and Gus laughed, too.

On Saturday, Robert Hutcheson and his father took the tractor and trailer and put out feed for the deer and turkeys up on the mountain. Going back, Robert's father let him drive the tractor part of the way.

Patrick James won second prize in the Cub Scout Competition, Sunday—five pieces of bubble gum.

Saturday was Debbie Jennings' birthday. She celebrated by taking her friends to the movie.

Marta King and her sisters rode their bicycles on Saturday and Sunday and had a fine time.

Sunday, coming home from the Zickler's, Jimmy Locke saw a rattlesnake with one rattle and a button. His father shot the snake.

Sid Skinner's dog jumped on a mama pig and was thrown off in a mud puddle.

Yesterday, Willy Stricker and his family went to his grandfather's place in Pipe Creek and helped with the plowing.

F. F. A. NEWS

The FFA chapter had its first meeting of the year Wednesday, September 23. Two main items of business were discussed—ways of raising money and the election of this year's FFA Sweetheart. They decided that they would make and sell cutting boards as a means of raising money. The chapter is also running the popcorn machine at the football games. The money made from selling popcorn goes to the chapter and they would like to urge all of you to buy more popcorn.

The chapter decided that for the election of a sweetheart they would distribute ballot boxes at different business establishments in town and also that the price for voing would be a penny a vote. They elected four candidates—one from each class—to compete for the title of FFA Sweetheart.

A Wonderful New World of Fords for 1960

A new world of style! A new world of savings!
A new world of performance! A new world of built-for-people comfort!
A new world of station wagon living!

On October 8, for the first time, there will be not one, not two, but three completely new kinds of Ford cars designed and priced for nine out of ten Americans:

The 1960 Fords—The Finest Fords of a Lifetime, beautiful from any Point of View, worth more from every Point of Value!

The 1960 Falcon—The New-size Ford, the world's most experienced new car, and the easiest car in the world to own!

The 1960 Thunderbird—The World's Most Wanted Car!

FORD—*The Finest Fords of a Lifetime*

Here are 15 new models! Economy-minded Fairlanes. Big-value Fairlane 500's. Elegant Galaxies. Five beautifully husky new station wagons. A sleek new Sunliner convertible and a brand-new hardtop model, the Starliner.

A wonderful new world of style. Ford's beautiful new proportions flow smoothly through an elegant Thunderbird-inspired roof to swift rear-quarter lines.

A wonderful new world of performance. For action, there are new Thunderbird V-8's that blend blazing power and acceleration with kid-glove smoothness.

A wonderful new world of ride. With Ford's new Wide-Tread Design, wheels are spread farther apart for *a full 5-foot tread.* It handles and rides like the Thunderbird!

A wonderful new world of economy. Ford's Mileage Maker Six and Thunderbird 292 V-8 and 352 V-8 all travel beautifully on *regular* gas at savings up to a dollar a tankful. And go 4,000 miles between oil changes.

A wonderful new world of built-for-people comfort. Six big people—including the man-in-the-middle—ride in greater comfort than ever. The new Fords give you as much as 4 inches more shoulder room, more knee room, more hip room. You relax on chair-high seats.

A wonderful new world of safety. Ford's big safety news for 1960 includes new *Truck-Size Brakes* with brake linings 25% bigger. Ford's new *Safety-Girder Frame* is 25% stronger than ever before. Better visibility, too.

FALCON—*The New-Size Ford*

Here is the welcome news Americans have been waiting for . . . the *Falcon,* a product of Dearborn, Michigan, automotive capital of the world, *was expressly designed for American needs on the American road.* It's the one economy car without the economy-car look.

Averages up to 30 miles per gallon. Experience Run, U.S.A., proved it! Oil savings? Ford's *standard* Full-Flow Oil Filter stretched oil changes 4,000 miles apart.

The engine's up front for greater safety and stability. Built brand-new for the Falcon, the short-stroke Falcon Six was developed, and mounted up front, according to long-proved, thoroughly accepted engineering principles.

1960 Falcon seats six with ease. Six fit comfortably into the Falcon—and it swallows luggage for six in the big rear trunk that holds 23 cu. ft. Compare this with others!

Easiest car in the world to own. A Falcon is so easy on the wallet that it's easier than ever to be a 2-Ford family!

THUNDERBIRD—*The World's Most Wanted Car*

For 1960, the Ford Thunderbird is distinctively new . . . without basically disturbing the famous profile that has made it America's new fine-car favorite. It's the most wanted car of all!

No matter who you are . . . or what your tastes and needs . . . there's an exciting 1960 Ford styled, sized and priced for you. See your Ford Dealer October 8!

TWICE-TOLD TEXAS TALES

By J. Marvin Hunter, Sr.

Under this heading from time to time we will publish Texas historical articles which we have compiled and printed before in Frontier Times or in other publications, but which we believe will be of interest to Bulletin readers.

TEXANS' DEBT TO MEXICAN JURISPRUDENCE

By J. M. Woods

The overwhelming majority of our early jurists and legislators were students of "the common law of England," trained in its practice and procedure — hence they found comfortable satisfaction in its adoption by the Provisional Government of Texas and the continued ratification of that adoption by subsequent legislative bodies "except so far as it may be voided by statutory enactment."

There was a very decided prejudice on the part of many early Texans against everything which originated in or pertained to Mexico, hence there was a tendency to ignore the "Spanish parentage" of integral parts of our system of jurisprudence.

Especially may we note that the law of entails and primogenital succession — a fundamental principal of the common law of England and also of the earlier codes of Spain, the Partidas and the Toro—was abolished by the Cortes of Spain in 1820. This change in the law of descent was adopted by Mexico in 1823, the citizens of the Mexican State of Texas received the benefit of this just legislation. When Texas secured her independence in 1836 the people very wisely refused to change the then existing system of descent in fee simple.

The married women of Texas have never suffered the unfortunate injustice in regard to their property rights of which their sisters in the "common law" states were the victims. Under the laws in force in Texas at the time she won her independence, and which were of Spanish origin, the property which belong to a woman at the date of her marriage, and which came to her afterwards by gift, devise or descent, did not pass to her husband, but remained hers and was classed as her "separate property." All subsequent legislative bodies have continued in effect this most just rule of law.

The recognition of the equitable interest of a married woman in the property acquired during the existence of the marriage relation (except that acquired by either spouse by gift, descent or devise, or that purchased with the separate funds of either) under the community property law was unknown to the common law and has been frequently condemned and always strictly construed by students of the common law. The theory of the wife's equal and joint ownership of all property acquired during the existence of the marital status is found to have existed in the customs of the Germanic tribes of Gaul, after the Germanic conquest following the disintegration of the Roman Empire. This original was adopted in Spain.

In the sixth century the Germanic readers compiled the "Lex Romana Visigothoeum" or "Breviary of Alaric," which for two centuries was the recognized law of central southern Europe. At the beginning of the eighth century the "Breviary of Alaric" was superceded by the "Fuero Jüzzo" written for the victorious Germans and the Spanish Romans. Thus it occurs that the basic law of all countries in America that were ever under Spanish rule was the ancient Visigothic code. "Fuero Juzzo," into which there had definitely been written the principle of the law of community property. The law of community property thus obtained has been and is a just recognition of the property rights of the married women of Texas.

Texas was the first government to make the family secure in a home which had been granted and or paid for, thereby encouraging the immigration of families, increasing the population of the country, and safeguarding the contentment of the women and children; hence there was created conditions under which society was made more stable and the public welfare augmented.

Since the establishment by Texas of such a principle of social economics virtually every state in the American union has enacted similar legislation.

The first legislative enactment of a homestead law north of the Rio Grande was that of the Congress of the Republic of Texas when it passed a law defining and exempting a homestead on January 26th, 1839, during the administration of President Lamar, to whom the credit for such legislation is generally ascribed. However, we find that the Congress of Coahuila and Texas enacted Decree No. 70 on January 13th, 1829, (Gammel's Laws of Texas, Vol. 1, P. 110) which reads as follows:

"Art. 1. The lands acquired by virtue of colonization law, whether general laws of the Republic or private laws of the state, by native or foreign colonists and by empresarios, shall not be subject to the payment of depts contracted previous to the acquisition of said lands from whatever source the debts originated or proceed.

"Art. 2. Until after the expiration of twelve years from having held legal possession the colonists and empresarios cannot be sued or incommoded by the judges on account of said debts.

"Art. 3. After the expiration of the term prefixed in the foregoing article, although they may be sued for said debts, they shall not be obligated to pay them in lands, implements of husbandry, or tools of their trade or machines, but expressly in fruits or money in a manner not to affect their attention to their families, to their husbandry or art they possess.

"For its fulfillment the Governor of the state shall cause it to be printed and circulated.

"Given at the cityt of Leona Vicario on the 13th day of January 1829."

While neither the state of Coahuila or Texas is referred to in the Decree it is apparent from the instrument itself and from conditions then existing in Texas that it was intended that the Decree should apply only to the State of Texas.

The beneficial intentions of the author of this decree, the name of the Governor, is not shown in the published translation but Jose Maria Viesca, was then Governor of Coahuila and Texas, are most manifest. Allowing for the difference of the phraseology of the Spaniard and the Anglo-Saxon and for the laxity frequently found in the translation of instrunsents dealing with legal matters (such translation being frequently made by an inaccurate student) we see that the colonists and empresarios are given the benefit of a twelve-year moratorium statute as to debts owing by them at the time they received title to their respective grants, further that while judgment could be taken against them for those debts at the expiration of the twelve-year period, yet that neither their "lands, implements of husbandry or tools of their trade or machines" could be taken under that judgment, but that the same could be made only out of "fruits or money in a manner not to affect their attention to their families, to their husbandry or art they possess."

We see in this "Decree No. 70" the basis for very advanced humane social economics legislation, as a moratorium statute of exemption, which includes a "Homestead exemption." This was undoubtedly the forerunner of the "Homestead Law" of the Republic.

This wise, humane and very novel legislation in the New World was introduced into the Congress by Juan Antonio Padilla at the urge of Stephen F. Austin. Between these two men there existed the double bond of love for Texas and their devotion to the Masonic fraternity.

This ((moratorium" feature antedated by over a century like legislation introduced in the Congress of the United States, which had it been sooner introduced and held constitutional by the Supreme Court would have prevented the serious depression which cursed our country during the later portion of the preceding decade. Austin obtained the idea of the exemption feature of the decree from the royal decree of their Spanish Majesties, Ferdinand and Isabella.

The people of Texas must ever remain debtors to Mexico for much of the legislation that contributed so largely to the development of the state and the lasting betterment of the social and economic life of its women and children.

The Bandera Soil Conservation District has distributed 300 booklets on soil and water conservation to the schools in the District, One-hundred each of the booklets entitled "Wonders of Water," "Story of the Land," and "Dennis the Menace and Dirt," were donated by the District to the St. Joseph's Parochial School, Medina Public Schools and the Bandera Public School. The Distribution of these booklets is a part of the District's program of cooperating with the schools in teaching conservation and bringing about an awareness on the part of the students of the problems facing future generations in the conservation of our soil, water and plants.

Nolan Adams, who ranches north of Medina has recently started work on a complete terrace system on two fields. Adams with financial assistance from the Bandera County ACP is going to build approximately 12,000 feet of channel-type field terraces. Local SCS technicians from the Bandera SCD assisted by Adams, laid off the terraces to meet district specifications and to handle the water problem adequately. Completion of the terraces will greatly cut down on soil erosion and will hasten the process of healing over several bad gullies. Adams who became a cooperator with the BSDC in August is working out a complete conservation plan with the district.

Billy G. Griffin, Work Unit Conservationist and John E. Gumert, Range Conservationist who assist the Bandera SCD in carrying out its soil, water and plant conservation program; attended a Range Training School in Fredericksburg last week. The training session was conducted as a part of the Soil Conservation Service's policy of keeping technicians who work with the local landowners informed on the latest procedures in range conservatich. Training such as this enables these technicians to furnish the best available assistance to District cooperators in developing sound conservation plans.

It's The Law *IN TEXAS . . .*

Law and Belief

Our laws have their roots deep within our beliefs.

And the laws shift as our beliefs change. Thus working backwards, you can find a people's deepest beliefs by discovering their notions of justice—about adults, children, nature, animals, and other things.

Until this century, the laws held children fully responsible for crimes. Like adults, they faced trial and punishment—often prison or death. Today we seek mainly to reform child offenders, rather than to punish them.

Some primitive people hold inanimate things like stones and rivers guilty of offenses.

For centuries the laws held animals morally responsible for their acts, and therefore try-able in courts.

"And if an ox gore a man or woman to death," Exodus XXI says, "the ox shall be surely stoned."

Says Plato in The Laws: "If a beast of burden or any other animal shall kill anyone, except while the animal is competing in the public games, the deceased's kinfolks shall prosecute it for murder."

Courts in the Middle Ages duly summoned animals to appear. As late as 1750, a French court tried a she-donkey and condemned her to death, but it later pardoned her because of "good character."

The philosophers Descartes and LaMettre taught that animals were automatons, highly complex machines without feelings.

As a result the laws came for a time to allow much cruelty to animals.
