LADIES AUXILIARY MEETS

The Ladies Auxiliary of the American Legion Post 157 met Tuesday, October 21, at 2 p.m. in monthly session.

Mrs. Lois Bailey called the meeting to order, rapped the gavel to stand, while we gave the Pledge of Allegiance to the Flag.

Mrs. Stella Robison, Chaplain, led the prayer followed by repeating the Preamble of our Constitution in unison.

Minutes of the September meeting were read by the secretary pro-tem, Mrs. J. W. Edwards, in the absence of the regular secretary, Mrs. J. B. Edwards.

Mrs. Edna Brown gave a report of the auditing of the treasurer's report for 1974 by Mrs. Bailey, Mrs. Robison, Mrs. Brown, and Mrs. J. B. Edwards, which was correct.

Mrs. Brown, treasurer, gave a report and informed the group that the Poppies had been received for the Poppy Sale November 8, 1975.

Mrs. Bailey reported that we had come up with a membership report of 110 percent for Unit 157.

It was voted to send our Christmas assessment of 13.60 to Legion hospitals and notify the Department of Texas Legion Auxiliary immediately, so that it can be enumerated by the Department Treasurer and secretary.

Mrs. Edna Brown gave a very good and detailed account of the Legion Auxiliary in 21st District Legion Convention in Uvalde last weekend, October 18-19.

Mary Helen Rodriguez, Department president, gave a very fine talk on membership in the Ladies Auxiliary meeting Saturday and Mrs. Martha Philebar spoke on the value of music Sunday morning.

The Legion has purchased a replica of the "Liberty Bell" for the Texas Legionnaires, which will be rung every year on November 11.

All were asked to support the Legion project of trying to get a theorem on the cure of cancer.

Many tops for lap robes were finished by meeting time and Mrs. Lois Bailey and Mrs. Edna Brown will get flannel yardage for linings next week.

Closing prayer was by the Chaplain.

Mrs. J. W. Edwards, Historian

Mr. and Mrs. Leroy Brister and an elderly aunt of Dallas visited Mrs. T. A. Lewis, Mrs. J. W Lewis and Mr. and Mrs. J. W. Edwards Saturday.

Visitors in the home of Mr. and Mrs. J. W. Edwards Sunday afternoon were Mrs. Bill Bowie and Royce of San Antonio, and Mr. and Mrs. W. E. Edwards of Gonzales. Mr. and Mrs. Edwin Vawter were visitors Wednesday evening.

The J. B. Edwards family reunion Sunday at the home of Mrs. J. W. Lewis and Mr. and Mrs. Milton Lewis was well attended. Fifty-four persons were present from Dallas, San Antonio, Harwood, Boerne, Gonzales, Bandera, near Houston, and Pipe Creek.

Mr. and Mrs. John Callahan of San Antonio were honorees this year, although Mr. Callahan was unable to attend.

Some friends were also in attendance.

Much good food was in evidence and it was a lovely day for visiting and reminescing.

Bandera Receives $1,751.30 Sales Tax

Comptroller Bob Bullock mailed checks totaling $14.2 million Thursday to 824 Texas towns and cities for their monthly October sales tax rebate.

The October payments were smaller than the previous month's. Bullock said this is because the September checks included receipts carried over or coming in late from the last round of quarterly tax payments sent in by merchants.

During the first two months of each three-month cycle, he noted, payments are not made to cities whose allocation is less than $500.

Bullock said the monthly rebate program has proven a boon to cities in its first several months of operation.

City Sales and Use Tax allocation for Bandera during the period ending September 30, 1975, amounted to $1,751.30.

St. Christopher's Women's Guild Is Busy

The St. Christopher's Womens Guild met on Tuesday, October 21, in the Parish Hall. It was an all-day meeting so that the members could finish the second quilt for their Christmas Bazaar to be held on December 2nd.

In the absence of the president, Mrs. Gabe Anderwald, the meeting was conducted by Mrs. John F. Harrell, Sr. of Utopia. In addition to discussing interesting things being made for the bazaar, the members whole-heartedly promised support for the "Fall Festival"—an exciting all-community project to make money for the wonderful improvements made in our County Library Building.

Mrs. Jack Focke gave a book review of an inspirational nature, titled "Dare to Live Now" while busy needles were bringing the quilt to completion. Sewing under the careful supervision of their sewing chairman, Mrs. Lois Beschle, were Mrs. Thelma Davenport, Mrs. Florence Girvin, Mrs. Max Fulbright, Mrs. Gladys Huseby, Mrs. Barbara Harrell, Mrs. Dorothy Darden, Mrs. Karen Jackson, Mrs. Bobbie Jarrett, and Mrs. Margaret Focke.

Judge John Atkins Claimed By Death

Many friends here learned with sorrow of the death of Judge John S. Atkins of Kerrville, who died early Tuesday morning, October 21, 1975, after a brief illness.

Mr. Atkins, a former County Judge of Kerr County, grew up here in Bandera, the son of Rev. and Mrs. H. L. Atkins and was married to the late Miss Melvina Blatherwick, who preceded him in death.

He had practiced law in Kerr and surrounding counties for many years and was well known and highly esteemed.

Funeral services were conducted from Kerrville Funeral Home Thursday, October 23, 1975.

Pictured above is Buddy Roy Hartman presenting a new American Flag to Commander Thomas Fridlin, Post 157, American Legion. Others looking on are Buddy's G. J. Clark, Charles Densford, Sr., and Ross Bailey. This is an all weather flag and will be allowed to fly 24 hours a day when properly alluminated.

Frontier Times Board Of Directors Meet

The Board of Directors of Frontier Times Museum met Tuesday afternoon at the Museum with Mrs. D. W. Hicks, Chairman of the Board, presiding.

After the reading of the minutes by Mrs. Don Tobin, secretary, the group discussed pertinent issues of interest to the Museum and reviewed the tax situation after a good report by Mrs. John James and Mrs. Tobin.

A motion was made and approved by the group that all items in the Museum be retained. The Board passed a resolution that only items of historical and local interest will be accepted by the Museum, subject to approval by the Board.

A Bicentennial project for some time in the Spring was discussed. Mrs. A. B. Lewis suggested a 4th of July picnic with people dressed in costumes of early days; also a free day at the Museum when people could attend dressed in costumes of Bicentennial theme.

The group made plans to assist the Bandera County Library with the Fall Festival on December 6. Mrs. Bill Short, chairman of the costume contest, suggested an entry fee of $1.00 be charged for persons entering in the contest, and this fee be given to the Library Fund. Mrs. D. W. Hicks said there would also be trophies in this contest. The Museum Board approved a $100 donation to the Library Fund.

Charles Hundley, Superintendent of Bandera Independent Schools, who is Chairman of the Ribbon Cutting ceremonies for the Bandera Library Open House on November 2, spoke of plans for this event and extended an invitation to the Museum Board to participate.

Mr. Hundley also spoke on plans for the Fall Festival, a money raising project for the Bandera County Library, to be held on December 6 at the Bandera Recreation Center.

Mrs. John James was elected to the Board of Directors and was chosen as treasurer of the Board. The Board gave her special recognition and praise for her work on the tax problems of the Museum.

Present at the Tuesday meeting were Mrs. D. W. Hicks, Charles Hundley, Mrs. E. B. Batto, Mrs. Don Tobin, Mrs. John James, Mrs. Bill Short, Mrs. John R. Langford, Mrs. A. B. Lewis, and Mrs. John V. Saul.

A HARD FOUGHT GAME!!!
by Chris Kaufman

Bandera Junior Varsity lost a hard-fought game to Randolph 20-16. Bandera's defense was very impressive, holding Randolph while scoring on two Ralph Lemus touchdowns, a field goal and extra point by Carl Tindle. At the fourth quarter, the score was Bandera 16-14. In the last minutes of playing, Randolph drove 90 yards to score, making the final score, Randolph 20, Bandera 16.

BULLDOGS De-wing Ro-Hawks!
by Kelly Hicks

Our Bandera "Bulldog Girls" Volleyball teams, clicked from the very start as they defeated the Randolph Ro-Hawks last Tuesday night at the Bandera gym.

It looked like a sure win from the beginning of the game when the Bandera Bulldogs popped on the court with "fighting spirit!" Although the Ro-Hawks fought hard, they were unable to stop the sparkling, fine serving and defensive strategy exhibited by the mighty Bulldogs.

Both the Varsity and Junior Varsity teams were extremely exciting. The Bulldogs displayed their "Will To Win" with a tremendously vast amount of pride, determination, and enthusiasm. We are all very proud of them!

REMEMBER
NOVEMBER 14, 1975
by Glenda Moore

Near the end of football season each year a great event takes place—the naming of Mr. and Miss BHS in Homecoming activities. November 14, 1975, at the half-time of the Boerne football game, these two popular students will be named. This promises to be an exciting event, and as always, one of much surprise.

The Bandera High School Student Council is busy at work arranging the half-time activities and the dance which will follow the game. This event will be one of the highlights of the '75-'76 school year.

Who will be Miss BHS? Who will be Mr. BHS? Come November 14 and find out!!

THE MIGHTY BULLDOG
BAND IN ACTION
by Kelly

Have you found your children coming home around 5 p.m. every day? Have you found yourself wearing a pair of ear-plugs while your child miraculously plays his instrument? Well, believe it or not, it has certainly been well worth it.

The band has definitely improved in all aspects. Their playing and marching performances at the football games have been very impressive and enjoyable. Perhaps the most enjoyable half-time performance was that of the Bandera-Poteet game. It consisted of the band forming a bag wagon wheel, the state of Texas, and the letters, USA.

The band will soon be preparing for their contest show in Hondo. They are working toward the goal of being a sweepstakes band. It will not be an easy task, but the band can certainly accomplish this position with a lot of hard work.

Let's give them plenty of encouragement! Come to the Bandera-Cole game and see the Mighty Bulldog Band in action!

Mrs. Forest Stevens

Ladies Enjoyed 2,700 Mile Trip

Last May when our feet began to itch and the road began to call, the snow kept falling in the direction we wanted to go so we felt we must wait.

On the 28th of August Agnes Kaska, Gladys Blackwell and I decided we had better start out before the snow started again.

We headed up Colorado way, leaving around 6:30 a.m., and drove as far as Canyon before calling it a day at about 6:00 p.m.

The day was uneventful as to excitement, but the country was beautiful in green and colors. We stopped at the Buffalo Motel and stayed the night. We got an early start Friday morning and drove as far as Dumas for breakfast at a beautiful restaurant. I had eaten there several times years ago when I visited Thelma Jean in and around Denver.

Shortly after continuing our travels we were stopped and ticketed by a Patrolman for driving 32 in a 30 mile zone. He directed us to the Patrol office where it cost us $12.50.

This is the first ticket I've ever gotten after all the many thousands of miles I've driven.

The rest of this day was much as the day before, with us wishing we had had 3 pairs of eyes to help us see all the beauty, the cattle, horses, flowers, the beautiful homes and the old once beautiful, houses left to tumble down, board by board.

As we arrived at Raton, New Mexico, I knew old highway 87 had been changed to I-25, but I missed the by-pass and went down through Raton. It is a very pretty little city with beautiful old buildings. Agnes and Gladys were glad to see this, and I also enjoyed seeing it again.

On we went into Colorado, at the State line outside Raton on I-25 through Trinidad, Walsenburg, Pueblo, Colorado Springs, Denver, to Broomfield to Thelma's and we were tired and happy to stop.

Thelma had supper waiting; they had been looking for us to around 4 o'clock, and it was 6:30 p.m. The 55 mile per hour limit doesn't make that much difference but I am a few years older and have to stop rest more often, I guess.

We spent the Labor Day weekend with them. Incidentally, Friday was just a year to the day since they had moved there from California; also, Saturday was Mike's 12th birthday, so we were in time for birthday cake.

We rested Saturday, then Sunday after church we all piled into the stationwagon with an early start on our way up the Rocky Mountain National Park road on the Trail Ridge, which leaves Estes Park winding its way and reaching up to 12,183 feet, and takes 3 to 4 hours at 30 miles per hour. Along this scenic road we took time out to stop at the overlook points to see the far reaching peaks and valleys at the "Roof of the World."

We fed peanuts to the chipmunks or little ground squirrels; (they will take nuts from your fingers if you sit real still.) Also, if you have peanuts still in the shell, and stand on the retaining wall, hold it up arm high, the Nutcracker birds will snatch it as it flies by.

It is surprising how many people visit these places; old, young adults even little ones hardly big enough to stand alone can have fun watching the little squirrels and Nutcrackers.

There is lots more but space won't allow.

On Tuesday we loaded up to be on our way to Ogallala, Nebraska, to visit our Aunt Stella, who was 93 years old last March. We found her in good health and as witty as ever, and had a good visit with her.

We had supper with her daughter-in-law. Don had to go to Denver on business.

We left Ogallala Wednesday morning around 6:20 a.m. on I-80 to cross across Nebraska, as far as Lincoln, then we took Highway 2 to Nebraska City, crossed the Missouri River on into Iowa. It had started to rain a few miles before we reached Nebraska City, and rained the rest of the way to Sidney, Iowa, our destination.

They asked us why we hadn't come sooner, as they had needed rain for weeks!

While in Sidney at the Bennetts, our cousins, we branched out in all directions to visit the rest of our cousins.

Hamburg is the Popcorn Center in that part of the country. It is brought there to shell, package, and ship out to all parts of the country next time you buy popcorn look and see if it was packaged in Hamburg, Iowa!

We went to the Popcorn Festival in Hamburg, and had all the popcorn we could eat, all salted and buttered; also watched a very pretty parade.

We ended the evening with a barbecue supper served free to an estimated crowd of 2000 people. After this we visited another cousin, the Brookshire's, and had apple pie with ice cream and coffee.

Another day Agnes, Gladys and I went with Harry and Ruby to Shenandoah, shopping. As we were leaving town we drove by their niece to say 'hello'. As we stopped, Ruby jumped out and began to pick up apples, when her hands were full, I jumped out and did the same. I'd see another and while trying to pick it up would drop one so finally gave up, took them to the car, and about then Jean, the niece, came out and told us the apple tree was on the neighbor's lot. So see just how easy it is to steal apples!

I could go on and on, but after eating our fill of tomatoes, carrots, turnips, etc. from Harry's garden, and having visited all the cousins, it was time to say goodbye and head for Enid, Oklahoma, to visit Agnes' daughter, Ruby and Kenneth Wacker.

We stayed in Ponca City, Oklahoma, one night and went to Enid the next morning, where we enjoyed the next 3 days. One night we went to a bingo game out at Vance Air Force Base Club and Agnes and I lacked just one number on our cards to win $5.00; needless to say, we didn't win, but we had fun.

After a good visit with Ruby and Kenneth, Friday morning at 6:20 a.m. we headed for Texas/and arrived here in Bandera at 10:00 p.m., and can say we were glad to get home, t'was a long drag.

By the time I got Agnes and Gladys unloaded and home myself it was 10:30.

We had bought some apples and popcorn and had a bushel of turnips Harry had given us from his garden.

Now many people may be interested to know the drive took 96.9 gallons of gas and 2 quarts of oil. Gas ranging from 51.9 to 64.9 cents per fallon, we traveled 2,749.3 miles at a total cost of $62.09. We stayed three nights at motel's at a cost of $50.90.

Mrs. Forence Girvin was elected delegate to go to the District Meeting in Kingsville, Texas, on November 6-7. Mrs. Bennett and Mrs. Girvin will represent Madrona Garden Club.

Mrs. H. L. Bruce, Mrs. Lon D. Fisher, and Mrs. J. B. Edwards were presented Past President pins for having served two years or more.

Mrs. Lewis Sterling read an article from the Lone Star Gardener and Mrs. Pat Freeman read one from the National Gardener.

After the meeting adjourned, Mrs. D. R. Rippey and Mrs. Pat Freeman served refreshments.

Cakes Wanted For Cake Walk

Mrs. Minnie B. Hayes, who is chairman for the Cake Walk at the December 6 Fall Festival, is extending a special plea for cakes. The Cake Walk is a fund raising project to benefit the Bandera Library.

Mrs. Hayes asks for as many cakes as possible to be donated and if you are unable to donate a cake, money donations will be most welcome.

Cakes may be brought to her home or to the Bandera Recreation Center where the Fall Festival will be held on December 6.

The Fall Festival is being sponsored by the Bandera Library.

Mrs. A. W. Dewoody and Mrs. George Newman of Dilley spent the past weekend here in the homes of Mrs. Dewoody's daughters, Mrs. Bill Briest and Mrs. Marvin Hay, and their families.

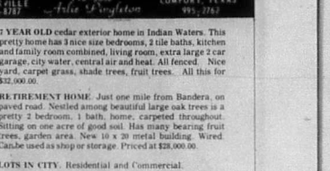
Banderans Return From Successful Hunt



Pictured here are Eugene Turner, Johnny Teich and Ray Turner, who have returned from a successful hunt in Colorado between Durango and Cortez. One deer is a 6 pointer and the other two have 13 points. The fine trophies were killed on October 25-26. The 13 pointers had spreads of 28 inches and 23 inches.

Bobby D'Spain Is Capable Fisherman

Bobby D'Spain of Green River, Wyoming, is a great fisherman. He caught these nice trout on October 21, 1975, down below his home in Green River. Bobby is the son of Mr. and Mrs. Kenneth D'Spain of Green River.

Aluminum Cans Needed

Collecting and selling aluminum cans is proving to be a profitable deal again this year for Bandera Band Boosters, say Mr. and Mrs. Ed Merris, club presidents.

With Bulldog Band uniforms now fully paid off through the joint efforts of the Bandera Independent District School Board and the Band Boosters, the new aim now is to buy much needed instruments.

The Ecan Bin is now conveniently located near the entrance of the school band hall at the rear of the gym.

Donations will be gratefully received. However, Mr. Merris recently spent a couple of hours throwing steel cans out of the load of aluminum he hauled to Kerrville.

He says, "Please! Aluminum cans only!"

If it's seamless and it crushes easily, it is aluminum. Up to now there is no market for steel cans in this area.

Bulldogs Stop Cole 9 to 6

by Chris Kaufman

Bandera took their first District game in two years by defeating the Cole Cougars 9-6, in a very well played game October 24. Bandera came out early in the first quarter with a touchdown when Brett Morris went over from 8 yards out. Bandera's defense did well holding the Cougars scoreless throughout the entire first half. Bandera's second score came in the second quarter on a 43 yard field goal, kicked by Les Tschirhart. The half ended with Bandera leading 9-0. Both defenses tightened as neither team scored during the third quarter. During the fourth quarter Cole returned a punt to the 40 yard line of Bandera, and 30 yards in penalties gave the Cougars excellent field position on Bandera's 10 yard line. Cole then scored four plays later on a short pass. The extra point was blocked and the score was 9-6. Neither team was able to sustain a drive and the game ended 9-6, evening Bandera's district record to 1-1. Bandera plays Hondo at home this Friday, October 31.

Mrs. Cynthia Mayberry celebrated her birthday last Tuesday through Sunday. Tuesday was the big day here when her guests were Mrs. Amon Weed, Carolyn Keeling, David Reed, Mr. and Mrs. Andy Reed and daughter, Elva Keeling. The most exciting time of the day was when her daughter, Mrs. Edith Johnson of Seattle, Washington, called. She not only sang 'happy birthday', but told her that her grandson, Johnny Johnson, had been assigned to the Airforce Academy in Colorado Springs, Colorado Friday her son, Oran of Kerrville, came for her and another big birthday weekend was celebrated when she met her son, Andy Sherman from Ft. Worth, and daughter, Mrs. Bill Allen of Medina. After all this excitement she is still smiling this Monday morning.

Mr. and Mrs. J. J. Anderson of Medina visited his sister, Lotie Anderson, last Thursday.

Earl Buckelew of Medina came Saturday for a visit with his mother, Cordelia Buckelew.

It was nice having Virgina Johnson of Medina here Wednesday for Bible Study. Her husband, Johnny, came along and that made us more pleased. Virginia is recovering from surgery.

Our Onita Lindsey is still confined to her home after wrecking her car while going home to Pipe Creek. Hurry, Onita, we miss you!

Mr. and Mrs. Haden Ellis of Rocksprings were here Tuesday for a visit with his mother, Mrs. Lucille Ellis, and Mrs. Mattie Mayfield.

Loss Walker's big day was last Tuesday when he celebrated his birthday. Loss always enjoys anything you do for him and returns the favor by playing his harmonica.

Our Alice Mellis is a great writer and the following excerpt is from "Mamselle" and the Peaseable Kingdom which she has composed. (This story, of course, is not supposed to be very "bright", but is "just for fun".

Now see how many names you can find of Bandera, and Medina people; names of people here at Purple Hills are not included, with a few exceptions, like Coffey (Coffee).

"Alan is our young neighborly visitor in our Pease-able Kingdom, which is what Bruce, my husband and I jokingly call our place. Here, neighbor Flea-nor, as Alan calls it, where Bruce is chief Gardener, monarch and Earl of all he surveys. We have a sun-Dial and some Free-land, part of a Man's-field that Bruce bought. It is not good enough for Flowers, but it makes pretty Meadows, except when Frost Freezes it. We neighbors are good Fellows. One is a Fisher-man; one is a Tailor, one is a Hunter. All are exceptionally nice, Focke, I mean Folksey people, with no Hagglin' among us, except maybe about 'Mamselle', the ubiquitous skunk."

Now watch Purpie Hills Tidings next week for more of the same—by Alice Mellis.

33 Scholarship Winners Saluted

Thirty-three agricultural scholarship recipients for the 1975-76 academic year were introduced to College of Agriculture faculty members at a conference at Texas A&M University recently.

Dean of Agriculture H. O. Kunkel said that scholarship funds were contributed by agricultural faculty members and former students, and range from $100 to $400 each. A scholarship committee, chaired by Dr. C. R. Greger, professor and poultry nutritionist and biochemist with the Texas Agricultural Experiment Station, made the scholarship selections.

The committee sought out key high school student leaders from across Texas, and the competition was strong as both scholastic achievements and leadership abilities were studied, he added.

Scholarship recipients included Dianne E. Lindig of Bandera.

Property Values For Taxation

Comptroller Bob Bullock said recently that Texans are entitled to know the possible effects of taxing real property at true market value as required by the finance article of the proposed constitution.

"The backers of the constitution keep telling us that taxing on a basis of true market value is a good thing—and it is—but property owners have a right to know what this means in plain English," Bullock said.

"What would this re-evaluation mean to the average property owner? It means that on a statewide average their houses and lots could increase more than 60 per cent on the tax rolls," he said.

"It would then be up to local taxing authorities, such as our cities, counties and school districts, to reduce their tax rates and-or assessment ratios or property taxes would go skyhigh."

Bullock pointed out that in the 10 years between 1963 and 1973 local government spending and local property tax bites both more than doubled." He cited Texas Research League statistics showing that local property taxes were increased more than $1 billion during that period.

"The required re-evaluation could add $75 billion to the $125 billion in property values now 'claimed' on the tax rolls. That's a 60 per cent increase any way you cut it, and at today's tax rates that would be approximately $750 million in new property taxes each year," he said.

"I think most homeowners believe that all real property should be taxed in an equal uniform manner. However, it's been my experience that they are referring to the other fella's property because they believe theirs is already over valued and over taxed," Bullock said.

An Invitation

The First Baptist Church of Bandera cordially invites the public to be a part of a special day of worship called "Miracle Day" Sunday morning, November 2, 1975.

This "Miracle Day" has been set aside as a special emphasis day for the Baptist Sunday Schools across the State of Texas.

Sunday School begins at 9:45, with morning worship beginning at 10:55 a.m.

Selective Traffic Enforcement Programs

The Governor's Office of Traffic Safety is taking additional "Steps" to reduce accidents at high frequency crash locations.

Selective Traffic Enforcement Programs (STEP) were implemented in 18 communities across Texas last year with funds totaling approximately $350,000.00. Now, plans have started to continue the ongoing STEP programs and to implement STEP programs at additional locations. Sixty of the STEP's are planned and will be funded as needed.

Governor Briscoe said the increase of accidents and deaths on U. S., State and rural roads reflects the need for this type of program on highways other than the Interstates. "Often police officers have to be involved in crime related investigations and traffic safety may have to take a back seat to the criminal element. However, it should be noted that nearly three times as many people are killed in traffic than are murdered and the traffic accident economic cost contributes billions of dollars each year to our already inflated economy. I am confident that these STEP grants, coupled with other traffic safety programs will be instrumental in helping to solve the traffic safety problem at the local level by aiding local communities as the need arises. This incentive to local police departments will undoubtedly help the officer to work on traffic problems as the priority exists."

THE CONTINENTAL MARINES

The Continental Marines were established by a resolution submitted to Congress on November tenth, seventeen seventy-five (1775). Authorization was given for two battalions. It was specified that "no person be appointed but such as are good seamen or so acquainted with maritime affairs as to be able to serve with advantage at sea when required." The first exploit of the Marines was a naval expedition under Ezekiel Hopkins of Rhode Island to capture munitions from forts in the Bahamas. Under the command of Major Samuel Nicholas they arrived at Nassau on March second, seventeen seventy-six (1776). This research has been presented by the Daughters of the American Revolution in honor of our Nation's Bicentennial.

From beautiful Lakehills comes the thought for the week: when with a group don't monopolize the conversation.

SOCIAL ACTIVITIES

Class Reunion
Mrs. Era Wilkinson and Mr. Curtis Dotson

Fifty-five years Mrs. Era Wilkinson taught school twelve miles out of San Marcos. In this small one room schoolhouse Era taught thirty-five students in grades one through seven. Each year in October these former students hold a reunion in San Marcos with their teacher.

Old pictures, and happenings of yesteryear, combined with the present, make for a lively and spirited conversation. After enjoying a wonderful meal the participants made plans for the October, 1976, reunion. Mr. Curtis Dotson is the president of the Hugo School reunion. Mrs. Era (Stone) Wilkinson is their beloved teacher of yesteryear. From San Marcos came Mr. and Mrs. Edgar Eberhart, Bernice Williamson, Mrs. Edna Allen, Mr. and Mrs. Scott Posey, Mrs. Daisy Bell Perkins, Mrs. Abbie Bragg, Mrs. Vida Williamson, Mrs. Olive Attendorf Mr. and Mrs. Manfor Adar, Mrs. Violet R. Owen and Bessie Lee Ivey.

Attending from Houston was Mrs. L.H. Owen; from Austin, Mrs. Hazel Talley and Mrs. Walter Jones; from Sweetwater, Mrs. A.B. Franch; from Ingleside, Mr. and Mrs. Curtis Dotson; from San Antonio, Mr. and Mrs. James Crawson; from Helotes, Mr. and Mrs. Smokey Settlemeyer and Mrs. Elaine Boston. Many others dropped by for a chat and coffee. It is interesting to note that most of these former students live in this area. Their families and grandchildren also attended this lovely affair. Mrs. Wilkinson, who resides in Lakehills, said, "it was wonderful."

KEEP AMERICA'S IDEALS DEEP ROOTED, PLANT A "LIBERTY TREE"

Lakehills is working very hard to catch up with you, Bandera. We have 11 more "Liberty Trees" pledged this past week. Helen Temple pledged two; Olga Rodriguez pledged 1; Ellen Tipton pledged 2; Lola Heisler pledged 5, and Gloria Wehmeyer has pledged one "Liberty Tree." This makes 11 "Liberty Trees" pledged this past week, and with the other 30 makes a total of 41 "Liberty Trees" pledged so far. Lakehills you still have 159 trees to go.

If anyone is interested in planting a "Red Maple" just call 751-3105 and you can get one for $2.00. These trees will grow in this area and are between 5 to 7 ft. tall. They come with a three year guarantee that they will live. They are a very good buy and are a very beautiful shade tree with the leaves turning a brilliant red in the Fall.

The Dirty Dozen Bunco Club smashed the other Lakehills Bunco Clubs Thursday evening, and became the annual champions for the second time. They were the 1974 champs. Dirty Dozen Bunco Club

Met at Joy Seideman's on the 21st of October. It is amazing how much chattering goes on when there are only one dozen women together.

There were eleven members and one sub. Martha Mazurek substituted for Margaret Talk. Members present were the hostess, Joy Seideman, Louise Marmor, Marie Tomasini, Cleo Taylor, Lola H eisler, Laura Bennett, Vi Fel, Linda Wood, Alma Sasser, Ellen Tipton, and Elsie Word.

After all of the fun of playing, we had very, very good refreshments and cranberry punch, and discussed the Bunco Tournament which played on the 22nd of October.

AMERICAN LEGION ACTIVITIES

The American Legion Endorses Constitution

According to Commander Bill Jensen of Lakehills American Legion Post No. 410, the statewide organization of the American Legion has endorsed the newly revised constitution to be voted upon by the citizens of Texas on November 4. Locally, we are especially concerned as an organization with the adoption of **Proposition No. 5** and **Proposition No. 7** which are of vital importance to Post No. 410 and our many citizens who are ex-military.

Proposition No. 5 includes, among other things, provisions for relief from ad valorem taxes for disabled veterans with war connected conditions as well as for the surviving spouse or minor children of a disabled veteran, or by the surviving spouse or minor children of a member of the armed forces of the U.S. whose life was lost while on active duty. In addition, the proposition, if approved, would enable the Legislature to enact laws to make it possible for most properties owned by and used exclusively for federally chartered veterans' organizations to seek and secure relief from as valorem taxes.

Proposition No. 7, when approved by the voters of Texas, will enable the Legislature to enact laws authorizing non-profit organizations such as veterans' organizations the right to conduct bingo and raffles when the proceeds are spent in the state for the purpose of the organization. Funds derived from these programs assist the Legion in the sponsorship of such programs as Boys State, Girls State, the Scouting Programs, Christmas Eve in Lakehills, and services at the VA Hospital at Kerrville.

Commander Bill Jenson and Lakehills Auxiliary president, Mimi Lavarre, urge that all members and friends go to the polls on November 4 and vote for these two propositions that are of vital importance to our community.

Regular Meeting

In joint session, the Legion and Ladies Auxiliary and guests met on Thursday, October 23, for an informative presentation by Deputy Mel Lemons of the Bandera County Sheriff's Department. "Crime Prevention" film and discussion was followed with a question and answer period. We were also pleased to meet our new deputy, Joe Page, in an informal atmosphere.

Veterans' Day Parade

The trailer sitting in front of the Legion Home does not mean that they are movin' out, but rather, movin' on! This trailer is the basis for the float to appear in the Veterans' Day Parade on November 11 at 1:30 p.m. in Bandera.

Included in the entourage from Post No. 410 at Lakehills will be a convertible with the dignitaries of the Ladies Auxiliary, and vehicle for Commander Jenson and 45 year member of the Legion, Arnold Haby. Mrs. Barbara George is in charge of the committee preparing our entries for this parade. Plan to be in Bandera the afternoon of November 11, Tuesday, to view this parade to be led by the Bandera High School Marching Band.

Bingo

Bingo for November - the first and third Tuesdays - November 4 and 18. These sessions are open to the general public though they are held at the Legion Home. Mark your calendar, now.

Christmas Eve In Lakehills

Second annual Christmas Eve in Lakehills - December 24, 1975. Last year, some 125 people participated, with 51 dinners being delivered to shut-ins. Two Santas have been booked for the evening - Senor Garbage as the traditional Santa, and Willie Wilson as our own Western Santa. Food donations are being received for this community wide affair to bring a little joy to shut-ins and others who are alone during the Holiday. Pleased contact Commander Jenson or Ladies Auxiliary president, Mimi Lavarre.

Youth of the Community

The Legion was especially proud to have as their guest last meeting, Bill Slove, Jr., a member of our sponsored Boy Scout Troop No. 204. Billy is the top contender in the Alamo area for prizes for tickets sold to the Scout Jamboree held in San Antonio recently. Commander Jenson read a letter from "THE" White House in response to Billy's requests to President Ford to buy an admission ticket. No, HE didn't buy, but Billy now has a souvenir to add to his many awards received in the Scouting program. Billy's parents, Bill and Jan Slove, are both officers in the Friends of Scouting program.

Rolling Stone Gathers No Moss

But, rather new and active members. New members recently joining or re-joining Post No. 410 are Robin Shaw, Bob Turner, Wendell McMahan, Ed Capps, Glen Schmidt, and Irvin Cowley. Welcome to Post No. 410 - "The Post On The Go!"

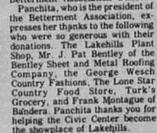
SPORTS

Freshmen Football Team

From Robert Schmitchel, a loyal, staunch supporter and member of the squad of the F.F.T., comes this interesting story: The highlight of the Bandera Freshman Football season so far, was last Thursday's game against Devine. If you missed this game, as my Dad did, you missed professional type passes, receiving and carrying the ball by Quarterback Gary Edwards, Barry Murrel, Flanker, and halfback Randy Taylor. Efforts achieved by these three was made possible by the whole team's defensive and defensive line. Six touchdowns were made during the game by Bap, 2 being because of penalties. A breathtaking sixty yard defensive run was made by Mike Miller to prevent a touchdown against the Bandera team. Four fumbles were recovered by Cling, Mauer, Miller, and Schmitchel. The score was 22-14 in favor of Bandera. Robert loves to turn in a report like this.



In the above picture Gib Gray receives the Forty Dollar Pumpkin from Panchita Thomson who auctioned it at the Friday evening Betterment Association Dance.

Panchita, who is the president of the Betterment Association, expresses her thanks to the following who were so generous with their donations. The Lakehills Plant Shop, Mr. J. Pat Bentley of the Bentley Sheet and Metal Roofing Company, the George Wesch Country Fashions, The Lone Star Country Food Store, Turk's Grocery, and Frank Montague of Bandera. Panchita thanks you for helping the Civic Center become the showplace of Lakehills.

BETTERMENT ASSOCIATION ACTIVITIES

Tomorrow, November 1, will be the date of a most delicious Mexican "Dinner" at the Civic Center. Serving will begin at 6:00 p.m., followed by a floor show dance. Tickets: Adults, $1.75; Children, $1.00. The beautiful Mexican flowers used for decorations will also go on sale. The entire evening of entertainment will be included in the price of the dinner ticket.

Lights Installed

Inside and outside lights were installed this week at the Center under the supervision of Joe Talk. Those working were Howard Jack, Charlie Turner, Bob Travis, Bob Moore, and Bob Larsen. These soft lights add much charm to both the interior and exterior of the building.

After The Ball

After the Ball was over (the Halloween Ball) – many fond memories remain. It had been a nasty, raw day, but with the fine new roof overhead and all the doors installed, it was very comfortable inside the Center.

Los Gringos were in top form and played to an appreciative and enthusiastic crowd of more than 150 people from Lakehills and surrounding areas. Some of the costumes were hilarious and the judges had a most difficult time, but the prize was won by a beautiful blonde, Marilyn Monroe type, who turned out to be no other than Robert Schmitchel. Then, from the ridiculous to sublime – an authentic London "Bobby" complete with billy club and droopy mustache, won the other prize. That was Robert's dad, Ralph. Panchita Thomson carried the Halloween theme a step further and two plump pumpkins were auctioned off. Gib Gray of the Red Hen bought the pumpkin filled with beautiful and useful articles donated by Country Fashions, Turk's Grocery, Lone Star Ice and Food Store, Lakehills Plant Shop, and Panchita Thomson. We really appreciate the support of these fine business people.

A Salute

We salute the following workers on the dance preparations: Decorations, Ann Jack, Lola Heisler, Helen Travis, Polly Larsen, Meta and Bob Wehmeyer; tickets, Polly Larsen, Jeffie Waterman, Lucille Moore; snacks and drinks sales, Arden and Gus Heisler, Willie Leibold, Clint Gebler; table and chair setups, Bob Larsen, Bob Travis, Cliff Waterman, Howard Jack, Bob Moore, Sherry Gray.

Chairman of Raffle Tickets

Louise Marmor has been appointed General Chairman for the sale of raffle tickets for the $250 deep sea fishing trip to be awarded in April. These tickets will be in the hands of Betterment members and we urge everyone to take a chance on this lovely prize. The winner will be able to choose the date of trip and 3 additional adults to enjoy his or her prize, a whole day on a 34' fully equipped deep sea fishing rig, air conditioned, bait and tackle furnished, to depart from Port Aransas. Capt. W.C. Gustafson and his First Mate Gloria are the most genial and hospitable hosts, and will take you right to the biggest fish.

Correction

We thanked Willie Bell Marmor for her donation to the Mexican supper. This should have been **Willie Bell Yates**

(She's still Louise's sister-in-law.)

Volleyball

Anyone interested in giving his ideas and suggestions on the location of a volleyball court at the Civic Center grounds, see Panchita Thomson.

MAST Helicopters Receive Advanced Radio Equipment

MAST (Military Assistance to Safety and Traffic) helicopters have recently installed the Pioneer MAST-COMM, an advanced radio communication system.

The new equipment will enable MAST helicopters to radio ahead to law enforcement offices, hospitals and EMS modulances. MAST, an ambulance helicopter assistance for citizens of the South Texas area, supports the Alamo Area Council of Governments (AACOG) Emergency Medical Service System (EMS).

"We are in the process of establishing a complete medical communication system which will eventually include communicating directly with doctors," stated Capt. Herbert Coley, MAST project officer.

"The network of communication in the EMS system is vital," noted Al Notzon, executive director of AACOG. "The regional system enables hospitals to call on the specialized medical resources of the entire area," he added.

This added communication link in EMS is expected to increase the number of lives saved by alerting law enforcement officials and emergency rooms of the medical situation in advanced.

The U. S. Army MAST helicopter ambulance program is based at Fort Sam Houston and is a major part of the regional lifesaving system of EMS. Capt. Coley explained the MAST helicopter service, in operation since 1970, is staffed by Army medics on 24 hour alert and can respond to civilian emergencies anywhere in the 12 county AACOG region.

AG Shop Extended

Pictured above are five Bandera High School Vocational Agriculture students who have recently participated in the extension of the Vocational Agriculture shop. They are Tony Fries, Greg Schmidt, Billy Bratton, John Bruce and Todd Whitewood. This project under the direction of Vocational Agriculture teacher, Telvy Robbins, not only added 1,768 square feet of badly needed work space to Bandera High School, but also provided a learning experience for agriculture students who assisted with the entire project, and did much of it , such as construction of the roof without outside assistance. This student assistance with the project under Mr. Robbins' supervision resulted in a considerable dollar savings to the school district.

The Ag Shop Extension, a building 52 feet by 24 feet, will be utilized as an Agriculture Shop. After the new Bandera High School is completed early in 1977, the new facility can be used either as an intermediate or junior high woodshop or a school maintenance storage center.

Alamo Area Council 3rd Place Winner Of Pinewood Derby

Saturday, October 18, was the big day for two Cub Scouts from Pack 146. They were to race against the top two from every pack in the Hill Country District. The winners were to race against every District in the Alamo Area Council for Council Champion.

Pack 146 held its pinewood derby last spring. First place winner was Jimmy Mangold and second place was Lee Hornbeck. These two boys along with five other Cubs went to Kerrville for the District race. Pack 146 came home with 4 in the top ten and Jimmy Mangold won second place.

Then last Saturday the Hill Country District met again, with Jimmy and Lee representing Pack 146. Jimmy came out first, beating the boy who beat him in Kerrville.

Then Saturday afternoon all winners of the seven districts raced against each other to find the over-all winner for the Alamo Area Council. First place went to Texas District. Second place went to Hill Country District, a pack from Kerrville, and third place went to Hill Country Pack 146. Jimmy Mangold and Lee was presented with nice trophy.

Pack 146 is proud of their boys, Jimmy and Lee.

25 Reasons To Vote Against The Proposed New Constitution

It is difficult to find anyone who contends they have been hurt by the present Constitution in any way.

Though most of the obsolete portions of existing Constitution were removed by popular vote in August 1969, those who want to replace it completely complain, for the most part, that it is old and long.

So is the Bible.

1. The eight constitutional revision proposals on the November 4th ballot would change the basic concept of Texas government from one of constitutional restriction to one of permissiveness, giving unprecedented power to the Legislature.

2. Adoption of the proposals requiring annual, unrestricted legislative sessions and authorizing a politically-appointed commission to set legislative salaries would lead to a full-time Legislature, similar to the Congress. Texas has fared well with its system of citizen-legislators, meeting on a part-time basis. Our present Constitution, which can be amended by the people as often as necessary, has given our state government great stability; it requires fiscal responsibility which has helped keep state and local taxes among the lowest in the nation. The new Constitution, by giving so much power to the Legislature, could cause instability in our state government's philosophy and operations every two years.

3. Even the leading proponents have admitted that the proposed legislative sessions in even-numbered years should be restricted to dealing with fiscal matters. They have recommended that such a restriction be written into the legislative rules or established through Legislative Welcome to Post No. 410 - "The Post On The Go!" rules, not a constitutional provision. But this, like many other laws, obviously would lead to a constitutional court fight. Most of the controversial points in our present Constitution have been tested in the courts. The new document would invite litigation which probably would take years to settle.

4. The new Constitution would remove the state ceiling on welfare spending, eliminate a requirement that taxes on intangible property be "equal and uniform", remove the ceiling on indebtedness for cities and towns and retain a 2-cent per $100 valuation ad valorem tax which is scheduled to expire December 31, 1978.

5. State Comptroller Bob Bullock estimates originally that implementation of the proposed new Constitution might cost Texas taxpayers as much as $11 billion more each year. After studying it more carefully, he came to the conclusion that there is no way to make any reasonable estimate of how much it would cost—since it gives so much additional spending authority to the Legislature and to cities and counties.

6. A number of provisions in the proposed new Constitution have been rejected on an individual basis by Texas voters during the past few years. These include annual legislative sessions, an appointive commission to set legislative pay, a tax exemption for non-profit water supply corporations, the so-called "equal and uniform" property tax provision, and continuation of the 2-cent ad valorem tax for the state building fund.

7. The voters have made it abundantly clear that they want to retain control over legislative salaries and retain the concept of part-time citizen-legislators. This has been ignored in the submission of the proposed new Constitution.

8. In addition to annual sessions of the Legislature, the new Constitution would permit the Legislature to call itself into special session, by three-fifths vote in each House, for any purpose it chooses. It also would permit the Legislature to convene in "organizational" sessions of unspecified duration prior to each annual-regular session.

9. PROPOSITION 1 (Executive and Legislative) on the ballot includes all these plums — plus the authority for the Legislature to determine the Governor's powers over several key areas in the budgetary process. It would give almost unlimited power over gubernatorial appointees. The only practical grant of authority given the Executive Department is legislative mandate to provide the governor-elect with funds to organize his office before taking the oath (this, quite likely, would cause a highly confusing "overlap" of terms).

10. This proposal would provide that all but most state agencies be abolished automatically every 10 years unless the Legislature voted to keep them alive. This would give a particular Legislature in office at 10-year intervals unprecedented power over the Executive Branch and its essential services such as mental health and mental retardation, law enforcement, rehabilitation, highways and parks. This would create a legislative traffic jam every decade—with state agencies lobbying for continuing their existence instead of doing their jobs. It would create the atmosphere for personal vendettas against various state agencies. The Legislature has the power now to abolish any non-Constitutional state agency; if an agency is not essential, why wait 10 years to abolish it.

11. PROPOSITION 2 (Judiciary) would consolidate the Court of Criminal Appeals and the Supreme Court—putting criminal and civil cases on the same track. This would give the Chief Justice broad powers to assign cases within and between all levels of the court system. This proposal would eliminate the minimum age and minimum legal experience for judges, giving the Legislature the power to prescribe a new method of selecting judges—without electing them.

12. PROPOSITION 3 (Voting and Elections) automatically restores the voting rights of ex-felons, permitting them to hold public office—without benefit of any administrative or judicial proceedings.

13. PROPOSITION 4 (Education) would require the state to provide "equal educational opportunity" for each individual below the college level. How the Legislature decided to define "equal educational opportunity" and how the courts ultimately decide what it means could cost the taxpayer many millions of dollars.

14. And the Legislature has given itself, in this document, the authority to limit local school district enrichment funds.

15. PROPOSITION 5 (Finance) is the one the State Comptroller has said could bankrupt the state and local governments. Among other things, it would establish a single county-wide, state-enforced property appraisal system in each county—with the Legislature setting the enforcement rules.

16. The Legislature would be authorized to exempt from ad valorem taxation "persons in need because of age, disability or economic circumstances." What does "in need" mean? That would be up to the Legislature to decide.

17. This would eliminate the requirement that three-fourths of the petroleum products manufacturing taxes go to the Highway Fund with one-fourth going to the Available School Fund. And the $80 million per year ceiling on state welfare spending would be wiped out.

18. PROPOSITION 6 (Local Government) would be evaluated in relation to the Finance Article's centralized tax system—with the enforcement provisions, of course, to be decided by the Legislature.

19. This would authorize higher ad valorem tax rates for counties and municipalities. Debt service would be excluded from the tax rate restrictions (although the voters, two years ago, specifically rejected a proposed amendment to eliminate the constitutional limit on debt service). The proposed change in rate is from a limitation on total taxes to a limit on principal and interest—a move which would only encourage a "spend now, pay later" system.

20. PROPOSITION 7 (General Provisions) has something for nearly everybody—but you have to buy the entire package if you want any of it. For example, a voter who favors legalizing bingo games or bank holding companies cannot vote for either of those without also voting for:

21. A new provision which mandates the Legislature to implement and enforce a state policy for the protection of the environment.

22. A provision to provide "access to adequate comprehensive health care as may be provided by law" for every resident (not just citizens) of the State

23. A natural resources protection provision embodying a statewide water program and the Trinity River Canal project, a $10.5 billion project already rejected by the voters.

24. A provision permitting the Legislature to increase (with no upper limit) the State's minimum contribution of 6 percent to the State Employees and Teacher Retirement systems.

25. In short, the proposed new Constitution would give the Legislature almost unlimited authority over nearly every phase of our lives not already regulated by the federal government. It would transfer a tremendous amount of power from the people of Texas to the Legislature, eliminating many of the constitutional safeguards which have helped make our state the greatest of them all.

BE SURE YOU VOTE . . . AGAINST THE PROPOSED NEW CONSTITUTION NOVEMBER 4th

Political advertisement paid for by: Committee To Preserve The Present Texas Constitution, Jim Jenkins, Treasurer, P. O. Box 52872, Houston, Texas 77052, (713) 629-0074

To: All Voters in Bandera County From: The Board of Directors of the Bandera County Farm Bureau

The Board of Directors of the Bandera County Farm Bureau urges all voters to vote against all the proposed amendments to the Texas Constitution on November 4, 1975. It is the opinion of the Board that while the proposed amendments have some good points, they likewise have many bad ones. The Farm Bureau Board strongly believes that the people of Texas must reject the proposed amendments if their voices are ever to be heard again in the decision making processes of state government.

Let's not buy a horse with three bad legs just because it has one good leg. Let's keep our old constitution by voting against all of the proposed amendments. Let's keep the power in the hands of the people of Texas.

THANK YOU

I would like to say thank you to my many friends for all the cards, calls, and prayers due to the passing of my brother, May God bless each of you.

Julia Keese

Julia Keese returned last week from San Bernardino, California, after attending the services for her brother, Gilbert C. (Tuck) Howard, age 70, who passed away there on October 15, 1975. He is survived by his wife, Vera; one daughter and one granddaughter.

Mr. and Mrs. Dick Hinds enjoyed the weekend with their daughter and husband, Mr. and Mrs. Leroy Pickens, at Waelder.

Mrs. Trudie Faulkner and her sister, Mrs. Richard Foster and Juan, of Groves, spent the weekend in the home of Mr. and Mrs. Orville Wier.

Mr. and Mrs. Moyer of Kansas are spending some time with their daughter and family, Mr. and Mrs. Sid Meinhardt and Vicki.

Mr. and Mrs. Arthur Keene, Jr. and Dale motored to Waco over the weekend to visit Karen, who is attending school there. While there Mr. Keene became extremely ill, and was rushed to the hospital by ambulance where he spent several days in intensive care. He returned home but is undergoing tests at Peterson Hospital at this time. We hope he will soon be completely well.

MEDINA PUBLIC SCHOOL PERSONNEL IN REVIEW

This week interest is centered on Richard T. Mims who is in his 6th year with the Medina Independent School District as a teacher and coach. Mr. Mims and his wife, Mary Lou, who is also a Medina teacher, are the parents of a 1-year-old son, Richard Scott.

Mr. Mims is a teacher of Social Studies and Science as well as a coach of high school and junior high school athletic teams and sponsor of the 7th grade class.

Coach Mims has membership in Alpha Phi Amega, Tarleton Alumni Association, NEA, TSTA, TSSA, and Texas Coaches Association. He is currently serving the Bandera County Local Unit of TSTA as president.

Mr. Mims graduated from Iredell High School and holds a BS degree in P. E. and an M. Ed. degree in Administration from Tarleton State University. His hobbies are hunting and fishing.

MEDINA FOOTBALL TEAMS LOSE TWO

The Medina High School and Junior High School teams were both defeated this past week. The high school team was beaten in its first District 14-B encounter by Nueces Canyon 12-8. The Edwards County Panther's scoring was done by halfback Johnny Bullard as he scampered for 5 yard touchdowns in both the first and third quarters.

The Bobcats came back in the last quarter to score a touchdown and extra points on pass plays from Bobby Johnson to Robert Hubble.

The Bobcats are 3-4 for the season and 0-1 in district play. They will entertain D'Hanis this week in a Homecoming football game.

The Junior High Bobcats were defeated last Thursday night by an Ingram Wildcat team 28-6. Kenneth Pratt scored the Medina touchdown on a short scrimmage play. The junior high team will host Bulverde this afternoon (Thursday) at 5:30 on the local field.

STUDENTS WILL BE OUT OF SCHOOL ON NOVEMBER 7TH

Students of Medina Public Schools will be dismissed from classes on Friday, November 7th, while the teachers will be attending the District 20 Texas State Teachers Association Conference in San Antonio.

This day of workshop activity completes one of the 10 days of in-service activity which is required by the Texas Education Agency.

Bandera American Legion Post No. 157 Endorses New State Constitution

According to Commander Fridlin, Post No. 137 has endorsed the newly revised state constitution to be voted upon by the citizens of Texas on November 4.

Commander Fridlin said, "While our post is backing the adoption of the entire document, we are especially concerned as an organization with the adoption of PROPOSITION NO. 5 and PROPOSITION NO. 7 which are of vital importance to our post."

PROPOSITION NO. 5 includes, among other things, provisions for relief from ad valorem taxes for disabled veterans with war connected conditions as well as for the surviving spouse or minor children of a disabled veteran, or by the surviving spouse or minor children of a member of the armed forces of the U. S. whose life was lost while on active duty.

In addition the proposition, if approved, would enable the Legislature to enact laws to make it possible for most properties owned by and used exclusively for federally chartered veterans organizations to seek and secure relief from ad valorem taxes.

PROPOSITION NO. 7, when approved by the voters of Texas, will enable the Legislature to enact laws authorizing nonprofit organizations such as veterans' organizations the right to conduct bingo and raffles when the proceeds are spent in the state for the purpose of the organization.

We are real concerned about approval of Proposition No. 7 as this is one of our main sources of revenue, especially for a volunteer type organization such as The American Legion. Funds derived from this source are used to plow back into the community. In connection with our sponsorship of such Legion programs as Baseball, Boys State, School Awards, Flags for Schools, providing a building for community meetings, food for needy families and other welfare type programs in this community."

Commander Fridlin said, "I wish to stress the fact that none of these funds leave the community but are spent right here on this type activity."

"Some posts are taxed rather heavily on their post properties and we know of some posts that have almost gone under with higher taxes in recent years. Should this happen, then the community services outlined above would go under as well. This is why we feel that Proposition No. 5 should also be approved," Commander Frielin said.

"I, as commander of our local post, urge all our members to go to the polls on November 4 and vote FOR the new constitution—especially Proposition Nos. 5 and 7. I also call on all other citizens in the area served by our post to do the same," Commander Fridlin concluded.

Child Guidance Meeting

Child Guidance met on Tuesday, October 14, in the lunchroom.

President Margaret Foster called the meeting to order, and gave a report on the flags that were bought this year for the classrooms. Secretary Nancy Foster was asked to read the minutes from the last meeting. Corrections were made and the minutes were approved.

Margaret Foster then introduced guest speaker Patrolman Donnie Walker. Patrolman Walker pointed out that parents can influence their child's attitude toward the law officers. Also, parents should watch what they say and do in front of their children on the subject of law or law officers.

The meeting was well attended and all enjoyed the talk. Looking forward to seeing you next month.

Texans:

If you are tired of bigger government and higher taxes, vote NO on the proposed new constitution November 4.

Don't give future Legislatures a blank check.

The Houston Chronicle calls the new constitution "a dangerous document." Governor Dolph Briscoe warns it will "lead us down the road to a state income tax."

Governor Briscoe says: *"It is my personal view that the current Constitution under which Texas has grown and prospered for a century is preferable to the proposed new constitution. Accordingly, I believe it is in the best interest of Texas that all eight prdpositions on the ballot be rejected."*

Play it safe. Keep our present Constitution by voting NO on Tuesday, November 4.

Pipe Creek NEWS

REPORT FROM THE PIPE CREEK VFD

The Pipe Creek Volunteer Fire Department had an impromptu training session Saturday when asked to deliver water for some stock troughs. After first lining up sufficient personnel and radio communications to insure ability to respond to an emergency the delivery was made. A broken belt caused loss of air brakes, making the training more intensive than anticipated. We were happy to respond and be of service to a member of the community while at the same time qualifying an additional driver on No. 2 (The Green Monster).

The hard working Ladies Auxiliary was at it again this past weekend. Any fire department without an auxiliary would do well to get one "instanter." They are great—at least ours is.

The new truck committee is busy surveying equipment of nearby fire departments and ascertaining its fire fighting effectiveness and its adaptability to the particular needs of our community and terrain. The committee plans to visit training sessions of other departments to observe at first hand performance of equipment and to learn from those who operate it. Experts from the Texas A&M, the Fire Marshals Association and others will be consulted before the final report and recommendations of this committee to the membership.

We are joining the Texas Fire Marshals Association and have authorized purchase of IFSTA Training Manuels. The latter was compulsory if our members are attending the Certification Program for Volunteer Fire Fighters are to qualify for certification.

Our annual meeting will be on November 13th. You are invited to attend.

Bingo Friday night, October 31st. There will be food, drink and a winner every time. Thank you.

Mrs. Hedy Twiefel is shown here with Mrs. Lolita Poehlmann, president of the Hill Country African Violet Society, showing a sample of what African Violet lovers saw at the Autumn Magic African Violet Show last Saturday, when it was held at Central Park Mall in San Antonio.

Mrs. Twiefel was chairman of the beautiful show.

Mr. and Mrs. Russell Waid have their daughter, Mrs. Bob (June) McFadden, and grandchildren, Greg and Kelly, visiting from Stone Mountain, Georgia, a suburb of Atlanta.

This is June's first visit in a year and a half, and the first time her family has seen infant Kelly, who is four months old. Greg has grown from a very active toddler to a three year-old chatterbox with a great imagination, and has charmed all visitors.

June's visit has kicked off a sort of family reunion in relays. Visitors have included the aunt she was named after, Mrs. June Thomas and her children, Patrick, Pamela and Patricia, from Austin; June's twin sister Janice and family, including husband Wayne Flowers and children Donna and Duane; her brothers, Billy and his wife, Janet, and Bobby and his girl friend Cheryl Edwards, all from San Antonio, cousins, Mr. and Mrs. Clifford Harle from Arlington, Texas; also Mr. and Mrs. Robert Harle from San Antonio. Also, many friends from San Antonio, her old home town, have visited. Everyone has missed June's husband, Bob, who is in Florida on a business trip.

Kathleen Tobin Chosen Winner

Kathleen Tobin has been chosen as the Bandera High School winner in the Bicentennial Senior's scholarship competition. This competition is part of a nationwide scholarship program for high school seniors currently being conducted by the National Association of Secondary School Principals with funds from the Shell Oil Company. Runners-up are Glenda Moore and Barbara Merrin.

Kathleen's winning composition consists of a "Bicentennial Minute" and a commentary discussing the relevance of this "minute for today and for America's future. She also scored high on a current events test.

The selection committee was comprised of Mr. Roger Stevens, Mrs. C. Edwards, Ted Ostenson, Charlene Teich, and Ada Beth Wood.

Kathleen will now compete with other high school winners to become one of two state representatives to the national competition. Two winners from each state and the District of Columbia will receive a scholarship of $1,000 and an all expense paid trip to Williamsburg, Virginia, from January 16-19, 1976, to attend seminars on educational and social issues and to be on hand for the selection of the national winner.

The grand prize winner receives a $10,000 scholarship and will have his-her "Bicentennial Minute" presented on the CBS television network.

Hilltop Village Visits Frontier Times Museum

Thirty-two people from Hilltop Village in Kerrville visited Frontier Times Museum last week. They expressed a great deal of interest in the many exhibits in the Museum, and went away singing praises for the fine collection of historical items on display.

After their visit to the Museum they went to the Bandera United Methodist Church to eat their picnic lunch. The ladies of the church, under the leadership of Mrs. Beth Brock, served coffee, tea, punch and cake, to go with the picnic lunch. This trip is the annual bus trip and outing taken by members from Hilltop Village. Each year they choose a different spot to visit and this year it was Frontier Times Museum.

It was of very special interest to people in Bandera that three people in the group were from Bandera. It was a pleasure to welcome back Mr. and Mrs. John Hammonds, and Mrs. Lelia Lovercheck. Mrs. Batto reported that these three were very delighted with the trip and their visit in Bandera.

Texas Consumers: This Is Your Day. Vote NO Today To The Mixed Bag Of Legislative Tricks Turn Down The New Texas Constitutional Revision Document.

Don't let anyone sell you this confused bag of issues.

We say the new charter has some good points, but we say that the bad outweighs the good. The cost of implementing it is so high that the load on the taxpayers' backs will be disastrous. We say it provides the Texas Legislature with too much power.

A Proud Word For Lakehills Students.

Pictured above are students who represent the many areas of participation and achievement by students from Lakehills. They are Les Tschirhart, football player and Future Farmers member; Nancy Tschirhart, student council member; Basil Boatwright, baseball player; Dana Gray, volleyball player and Future Homemakers member; Russell players Dale Marker and Cindy Jack; Harvey Kelly, track team member; Sherry Jack, Junior Historians member; Scooter Keslar, football player; Shirley Tschirhart, band member; Paula Wilcox, National Honor Society member; and Gary Galland, elementary school honor roll student.

By Charles H. Hundley

In the Bandera Independent School District, people often forget that almost 40 percent of the students in school do not live in Bandera. Over 150 students live in the Lakehills area, from fifteen-to thirty-five miles from the schoolhouse.

Lakehills provides these students many opportunities which other students may not have: the recreational benefits of a large, man-made lake, nearness to San Antonio, and others. In addition, the students of Lakehills live in a community in which community pride and enthusiasm run high. As a general rule, the people of Lakehills are keenly interested in the affairs of their area. They work as a team and group to accomplish goals: an active volunteer fire department, a fire department sub-station at Pebble Beach, a civic center currently under construction, and others. This excellent civic attitude is evidenced by the fact that two of the seven Bandera School Board members, Dan Tschirhart and Rudy Schott, are from Lakehills. And when the people of Lakehills have a problem or tragedy, their Lakehills neighbors rally round to provide them whatever strength or encouragement may be needed.

The enthusiasm and pride of Lakehills is evident in the Lakehills students in the Bandera Independent School District. They have excelled in all fields of endeavor in the high school program: academics, football, band, basketball, track, dramatics, and speech events. During the first six weeks, 34 students from Lakehills made the Bandera School Honor Roll. Lakehills students have gone on to attend colleges, universities, and vocational schools after their graduation from Bandera High School and their record of achievement is impressive.

One reason why many Lakehills students perform well at school is that they know their neighbors at Lakehills are interested in and proud of them. For example, the Lakehills section of the Bandera Bulletin, which Helen Temple writes, has recently recognized all Lakehills band students. Students, and for that matter adults, respond more positively to praise than to criticism.

The students who live at Lakehills have to be especially congratulated on their achievements at school because they not only must attend school, but they face a bus ride each day of from thirty to seventy miles in order to go to school at all. (A person must actually ride a yellow school bus that far to understand what such a ride every day can mean). Students involved in extra curricular activities must drive themselves to and from school. Lakehills children to excel in school.

The Bandera school staff congratulates the students and parents of Lakehills for their support of the program of the Bandera Independent School District and for their pride and enthusiasm which carries over into school everyday.

SCHEDULE OF VISITS OF S.S. REPRESENTATIVE THROUGH DECEMBER 31

No Free Rides

Comptroller Bob Bullock said Monday that there are no free rides for either individual taxpayers or local governments in the Finance Article of the proposed constitution.

"Where the constitution giveth, it also taketh," Bullock said of the Finance Article's mandatory homestead exemptions for the elderly and putting all personal property —including automobiles— on tax rolls.

"What the constitution taketh with one hand it will come as a surprise to one million taxpayers in Harris County who own automobiles if they wake up after November 5 and fine a stack of personal property tax bills on their cars from the county, the city and the school district," Bullock said.

Putting all cars on the tax rolls would cost motorists more than $72 million a year in taxes, Bullock said, pointing out that more than 500 cities, schools and counties do not now tax automobiles.

Likewise, Bullock said, making homestead property tax exemptions for the elderly mandatory would take $21 million in tax money away from another 500 local governments which do not now grant the exemption.

"That $21 million would have to be made up from somewhere — and that 'somewhere' is the rest of the taxpayers in the cities and counties and school districts affected," he said.

"In the past this very good exemption has been permissive, completely a local option, and you can rest assured that any local government would afford it as has granted it," he said.

Veterans Day Returned To Original Date

President Ford recently signed into a law a bill which returns the observance of Veterans Day to the traditional date of November 11. According to Ross Bailey, Commander VFW Post 9176. Public Law 94-97 was signed on September 18, 1975, and officially changes Veterans Day from the fourth Monday in October to November 11, starting in 1978.

November 11 of each year is of special significance to the veterans of World War I and their widows, as this was the date in 1918 when that long conflict came to an end. This date, known as Armistice Day, commemorated the ending of World War I. In 1954, it was changed to Veterans Day, a day on which all veterans would be honored. The Congress, in 1968, included Veterans Day in the Special Holiday Act, to be observed on the fourth Monday in October as part of a three-day weekend.

Counting the American ReVolution, the United States has been involved in nine wars since 1776. More than 44 million citizens have served in the Armed Forces during these periods of conflict, and 29 million of them are still living, reminding us of the wars during our own lifetime, dating from the Spanish-American War in 1898. Those who answered the calls for the cause of freedom deserve our salutes, and the annual observance of Veterans Day is one significant way to honor them and their efforts and their memories.

Earlier in 1975, the Texas Legislature enacted a law which returned the observance of Veterans Day to November 11, starting in 1975. The Federal government will continue to observe Veterans Day on the fourth Monday in October until 1978. Hawaii, Nevada, Rhode Island and Utah are the only states which have not returned Veterans Day to November 11, along with the District of Columbia. Major efforts are currently under way by veterans organizations, such as The American Legion and Veterans of Foreign Wars, to encourage these states to enact legislation to return Veterans Day to the traditional November 11 date.

Bandera VFW Post will place their wreaths and perform their firing squad formation at 7 a.m. November 11th.

At 1:30 p.m. there will be a Veteran's Day parade and that night a dance at the Cabaret.

Card Of Thanks

For their kind expressions of love, and concern, thru many cards, messages and the food during our own lifetime, dating from the Spanish-American War in 1898. Those who answered the calls for the cause of freedom deserve our salutes, and the annual observance of Veterans Day is one significant way to honor them and their efforts and their memories.

GOOD SPORTSMANSHIP

Lately, there has been much concern about the immorality of people in high places. Could there be a resemblance between this and what is happening in sports today? Are sports losing their moral aspects? There is a famous old saying, "It does not matter whether you win or lose, it is how you play the game." Could this saying be losing its grip on American sports?

Just lately, a famous, highly paid, football player quit the game. He said "I love football but it's just no fun anymore."

Sports has become a job. A job to win and win alone. There is no enjoyment in the game. To be proud to know you re-doing the best you can, and to have a spirit of "kill, kill" is saddening.

In sports we must have sportsmanship. A team just can't hold together without it.

JUNIOR VARSITY

by Chris Kaufman

Bandera's J.V. played Cole J.V. at home October 23, in a mistake-ridden game in which Bandera lost 12-2. Cole scored in the second quarter and it was 6-0 at half time. Cole scored again on the first play from the line of scrimmage on an 80 yard run making the score 12-0. In the third quarter Bandera blocked a Cole punt enabling a safety, and making the score 12-2. Neither were able to generate a drive in the fourth quarter, making the final score 12-2. Bandera J.V. plays at Hondo, Thursday, October 30.

FRESHMEN FOOTBALL

Freshmen played Devine Warhorses at home October 23, winning 22-14. Touchdowns were made by Randy Taylor and Barry Murrell. Defense was outstanding, allowing no touchdowns in the first half.

ATHLETES MEASURED FOR JACKETS

by Charlene Teich

Eligible members of the girls' volleyball, basketball, and track teams, and the football team were measured for their letterman jackets on October 22, 1975. This year's requirement for receiving a jacket is to have earned at least two letters in a major sport. Lettermen will receive their jackets in approximately six weeks.

DRIBBLE, DRIBBLE . . . ! SHOT, SHOT . . . !

by Sylvia Michon

Have you noticed some poor, dehydrated, skinny-looking, so-called females running around the campus? If so, you have witnessed this year's hard-working basketball girls.

As of Thursday, October 16, the girls officially, as stated by UIL rules, began after-school basketball practice and "conditioning". The girls have been working extremely hard to get in Shape for the ever-nearing games this season.

The girls' basketball team will play their first game on November 17 at Tivy High School. Please come and back the girls. It should prove to be very exciting.

WHAT FHA COKE PARTY?

by Sylvia Michon

Due to the rapid passing of time, the FHA Coke Party sneaked up on the FHA'ers. The purpose of this party was to encourage the "PAYING OF DUES." Unfortunately for all, the party was almost a total loss. Approximately five members participated in the gaiety on October 15.

I want to take this time to, once again, remind FHA'ers to pay their dues. The dues are only $2.00 per year. So pay now and don't let time sneak up on you.

ANOTHER SHORTAGE

by Glenda Moore

Mrs. Lonette Wilton and Sylvia Michon.

Today our society is experiencing a vast number of shortages, but one of the most terrifying is the shortage of blood. Blood is a most precious substance, yet it is available everywhere. Almost anyone can donate but few do. Only about three percent of the population donate blood.

Why do people hesitate to donate? A little discomfort is a small price to pay for the amount of good that will become of your blood. Each person donates a little less than a pint, and his blood is used for as many as four people. Besides helping others, you help yourself by gaining information on your current health.

Blood is in demand always and with scientific advances, more and more uses are being discovered. One of the discoveries is the use of a certain type of platelet in fighting leukemia. Another is the practice of freezing blood for use at a later time.

This valuable information was gained from a film sponsored by the Future Homemakers of America in cooperation with the Central Texas Red Cross Blood Center. Under the leadership of Sylvia Michon, president, and Mrs. Wilton, chapter sponsor, there will be a blood drive November 17, 1975, from 2:00-7:00 p.m. at the First Baptist Church.

What do you have to fear? Come and give, for your donation may help make a difference in someone's life!

YOUNG HOMEMAKERS SCHEDULE MACRAME

Annie Rodriguez, foreground, and Rebecca Rico.

If you would like to learn how to macrame, plan to attend the next Young Homemakers of Texas meeting, Thursday, November 13, at 2:30 p.m. in the Home Economics Dept. at Bandera High School.

The group will learn the basic knots and each person will construct an attractive plant hanger similar to the one shown in the photo. The ancient art of macrame is quite simple and creative; it makes very nice and very inexpensive gifts. The cost for jute for this hanger, which will be available at the meeting will be approximately $1.50. Each person may bring four (or eight small) wooden beads or spray-painted spools, etc. for added color if desired.

This session is open to non-members as well as to YHT members. Anyone interested in macrame is invited to come and join the fun and the creativity. An evening session may be scheduled later for those unable to attend at this time. If interested, please notify Jalene Dowell or the Home Ec. Dept.

Shown in the photograph are Annie Rodriguez, foreground, and Rebecca Rico, two of some eighty members of the FHA chapter who recently completed a macrame project at school.

ALCOHOL: TOPIC OF DISCUSSION

by Vivian Schmidt

Wednesday, health students heard a presentation on the effects of alcohol. The main speaker was Mr. Ray Benton, administrator of the Kerrville State Hospital.

Mr. Benton discussed the effects of alcohol, how widely it is used, and how it is abused by people of all ages. The students were then free to ask questions on the subject. Aiding in the discussion were Mrs. Rebecca Ross and Mrs. Elizabeth Renly, who are public health nurses of Region nine in Uvalde. This proved to be a very successful learning experience for all.

RODEO CLUB MEETS

by Kim Kramer

Willie Stricker

Bandera High School Rodeo Club met last Wednesday, October 15, during homeroom.

Willie Stricker was the guest speaker at the meeting. He spoke on the care of horses, and informed the club about proper ways of loading and unloading a horse in a trailer.

LEARNING ABOUT BUSINESS

The General Business class and the second period HECE class have recently been learning about business operations through various speakers.

Mrs. Jo Tarvin from the Hondo Business Office for Southwestern Bell Telephone Company explained the role of the telephone company as a big business in the free enterprise system. She also gave a preview of changes to take place in Bandera's phone service within the next few months.

Mr. Shannon Seale, representing the Bandera Electric Cooperative, gave an insight into the operation of a cooperative and the various government regulations which control it. To follow up Mr. Seale's lecture, the classes went to the Bandera Electric Cooperative to view the computer used in assessing rates and issuing bills.

Mr. Anthony Kneupper, High School Principal, gave details regarding the U. S. as a free enterprise system and Russia as a communistic country. He contrasted price differences for various commodities sold in the two countries.

Scheduled to speak in the future are Mr. W. O. Hatfield, Bandera County Judge, regarding services offered by Bandera County, and Mr. Charles Hundley, Superintendent, in regard to the operation of the Bandera Independent School District as a business.

HURRY, HURRY, BUY RIGHT NOW

by Anette Bates

Yearbook sales are looking for a record high this year with a goal of 400, which is rapidly becoming a reality as sales are now totaling 342. Dana Gray, an outstanding journalism student, has greatly contributed to this total by selling not 20, not 30, but 70 yearbooks thus far! What could be her secret??

Because a number of people have not yet been able to buy an annual, sales have been extended through November 6th. Therefore, if you have not purchased your bicentennial yearbook, you still can! They are selling for $7.00 and can be purchased from Mrs. Keese in room 17 or from any journalism student. Also, October 31, and November 3 and 4 students will visit each homeroom. Please help us reach and go beyond our goal!

LET'S HAVE A SAFE HALLOWEEN

by Kathleen

Halloween is here once again. Excitement fills the air as the thought of witches and goblins comes to mind. Jack-O-Lanterns, children's costumes, and a spooky night culminate to create that special Halloween atmosphere.

The innocence and fun of this night is often ruined, however, by sick people who stoop to violent and deadly acts for their "cheap thrills." These people, who are hopefully a minority, amuse their simple minds by poisoning candy, placing razor blades in apples, and by contaminating food with fatal or near fatal drugs. Fortunately, our town has not been plagued with an excessive amount of these activities. At times, pranks such as egg-throwing have gotten a little out of hand, but overall Bandera has stayed relatively calm on October 31. In this aspect we are lucky.

Halloween means many things to many people. I hope that, to you, it means a night of harmless fun. Let's not destroy the magnificence and excitement of this holiday. Remember, young minds are easily influenced, so set an example for the children by making this Halloween night a safe one.

COUGAR FUTURE PREDICTED

Violent eruptions of noise shook the BHS gym Friday for more than 30 minutes during the spirit-filled pep rally. Competition was fierce in every category, but the largest class, the eighth grade, united to win the Spirit Stick. Section three got together to win the Victory Competition. Artistic band members secured the Spirit Jug for having the best sign, picked from a gym plastered with signs, the most seen in quite a while.

It came as no surprise when the Cole Cougars got "creamed"—that positive prediction was made by everyone who participated in the yell rally. Let's try some more predictions at the Hondo pep rally and prove that after Friday night the Hondo Owls won't be saying "Who?" anymore, but "What happened??" after the Bulldogs de-feather and "de-feat" them!

BETTER SAFE THAN SORRY

by Sylvia Michon

November 6 at 2:00 p.m., Bandera High School will be visited by Mr. Ben Bullard of Waco, Assistant Safety Director of the Texas Farm Bureau. Mr. Bullard will be giving a two part program on safe driving to the student body.

The first section of the program will be a discussion on Texas traffic safety. The second will be an actual demonstration held on Cherry Street, south of the school, on tests at 20, 30, and 40 mph. In this particular demonstration Mr. Bullard will ride in his special equipped car with each of the drivers. During each test, the equipment signals to the driver to make a panic stop and marks that exact spot on the street. Two more spots will then be marked: (1) where the brakes are first applied, and (2) where the car comes to an exact and complete stop. The distances are measured and each individual will be shown the results. The results may make you ask yourself, "Could you stop in in time if a child ran in front of your car?"

This public service traffic safety program, presented before high schools across the state since 1957, is being brought to Bandera High School under the sponsorship of the Bandera County Farm Bureau.

EFFECTS OF ALCOHOL

by Sylvia Michon

"Gee I feel great. Got another beer!"

Why must you drink in order to feel good? Why must you turn to alcohol for relief? These questions are asked but seldom answered. You must first be aware of the need to ask them before you can actually answer them. The increase in alcoholism is due to the unawareness of the public. People are not aware that they need help, therefore, they continue living behind liquor, their fake fascade. One out of every ten of these people make up our percentage of alcoholics.

"Why do I drink? Everybody else does."

You have a mind of our own, your own opinions and your own judgement. If you think it is wrong to drink but you do it to fit in with your peers; then you are "certainly" wrong, dead wrong.

"My back hurts, I think I'll fix me a drink. I'm sure that will make it feel better."

People, liquor does more harm to your body than good. Liquor tends to seek out and find the weakest part in the body. After this it attacks, whether it be your liver, your heart, or your mind. Little by little you begin to lose control, soon your whole nervous system will be destroyed.

"Who me, I can stop drinking anytime"

It is not that easy to completely stop drinking. It takes time, patience, and lots of help. If you think you need help tell someone. Do walk away from it now before it is too late, or you may never be able to walk . . . away.

The test was given so that the juniors could see how they rank with other juniors across the country in verbal and mathematical abilities measured by the test.

It also helps in considering colleges to apply to, which is important to next year's seniors.

A LOOK INTO THE FUTURE

by Sharon Morgan

Thursday, October 23, Mr. Charles Hundley escorted a group of interested juniors and seniors on a tour of the new school site. Although construction has begun with the leveling process, a bit of imagination was needed in order to visualize the area as it will appear when the new school is finished.

Even though these students will not be able to attend the new school, they enjoyed the anticipatory tour, made to seem almost a reality when seen from Mr. Hundley's enthusiastic viewpoint.

Tax Exemption Law For Veterans

House Bill 546, enacted by the 63rd Texas Legislature in 1973, provides property tax exemptions for veterans with service-connected disabilities, and their surviving spouses. Also eligible are the spouses and minor children of a person who dies while on active duty in the armed forces. Persons covered by this law may be exempted from property taxes in the amounts specified. The exemptions apply to taxes levied by the State, a county, city, town, school district, special district, or other political subdivision of the State, and are based upon the assessed avalue of the property. This is not a local option tax exemption, but is mandatory, in Statewide, and applies to all taxing entities in Texas.

A veteran whose service-connected disability is rated less than 10 percent by the VA is not entitled to any property tax exemption. For those rated 10 percent or more, the following tax exemptions apply under this new law:

Disability Rating and Tax Exemption:
10 percent through 30 percent—First $1,500 of assessed value.
31 percent through 50 percent—First $2,000 of assessed value.
51 percent through 70 percent—First $2,500 of assessed value.
71 percent or more—First $3,000 of assessed value.

A veteran whose disability is 10 percent or more, and who is 65 years of age or older is entitled to exemption of the first $5,000 of the assessed value of his property.

A veteran whose disability consists of the loss of use of one or more limbs, total blindness in one or both eyes, or paraplegia, is entitled to exemption of the first $3,000 of the assessed value of his property.

A disabled veteran who qualifies under more than one of the exemptions of the Act may not combine the exemptions, but may take the one providing the largest exclusion.

This law also provides tax exemptions for certain dependents of veterans and persons who die on active duty, as follows:

The surviving spouse of a person who dies on active duty is entitled to exemption of first $2,500 of the assessed value of the spouse's property.

A surviving child of a person who dies on active duty is entitled to exemption of first $2,500 of assessed value of child's property, as long as child is unmarried and under 21 years of age.

The surviving spouse of deceased veteran who, at time of death, was entitled to exemption, is also entitled to same exemption if she is unmarried.

The instructions and necessary application forms will soon be in the hands of all city and county tax assessors in the near future. Eligible persons may contact their tax assessors to establish entitlement to the tax exemptions, which are to be effective January 1, 1976, for the 1976 taxable year.

Tax Exemption Law For Veterans

House Bill 546, enacted by the 63rd Texas Legislature in 1975, provides property tax exemptions for veterans with service-connected disabilities, and their surviving spouses. Also eligible are the spouses and minor children of a person who dies while on active duty in the armed forces. Persons covered by this law may be exempted from property taxes in the amounts specified. The exemptions apply to taxes levied by the State, a county, city, town, school district, special district, or other political subdivision of the State, and are based upon the assessed avalue of the property. This is not a local option tax exemption, but is mandatory, is Statewide, and applies to all taxing entities in Texas.

A veteran whose service-connected disability is rated less than 10 percent by the VA is not entitled to any property tax exemption. For those rated 10 percent or more, the following tax exemptions apply under this new law:

Disability Rating and Tax Exemption:
10 percent through 30 percent—First $1,500 of assessed value.
31 percent through 50 percent—First $2,000 of assessed value.
51 percent through 70 percent—First $2,500 of assessed value.
71 percent or more—First $3,000 of assessed value.

A veteran whose disability is 10 percent or more, and who is 65 years of age or older is entitled to exemption of the first $3,000 of the assessed value of his property.

A veteran whose disability consists of the loss of use of one or more limbs, total blindness in one or both eyes, or paraplegia, is entitled to exemption of the first $3,000 of the assessed value of his property.

A disabled veteran who qualifies under more than one of the exemptions of the Act may not combine the exemptions, but may take the one providing the largest exclusion.

This law also provides tax exemptions for certain dependents of veterans and persons who die on active duty, as follows:

The surviving spouse of a person who dies on active duty is entitled to exemption of first $2,500 of the assessed value of the spouse's property.

A surviving child of a person who dies on active duty is entitled to exemption of first $2,500 of assessed value of child's property, as long as child is unmarried and under 21 years of age.

The surviving spouse of deceased veteran who, at time of death, was entitled to exemption, is also entitled to same exemption if she is unmarried.

The instructions and necessary application forms will soon be in the hands of all city and county tax assessors in the near future. Eligible persons may contact their tax assessors to establish entitlement to the tax exemptions, which are to be effective January 1, 1976, for the 1976 taxable year.

VOLUME 31, NUMBER 23 — BANDERA, BANDERA COUNTY, TEXAS — FRIDAY, NOVEMBER 7, 1975 — 10¢ PER COPY

Renovated Library Opened

County Judge W. O. Hatfield, Jr. and Sterling Fisher of Utopia, who was a County Commissioner in 1934 when the Bandera County Library received its present building, cut the ribbon symbolizing the opening of the newly renovated and decorated Bandera County Library.

A large crowd of guests and dignitaries from Bandera County and the surrounding area gathered at the Bandera County Library Sunday afternoon for the Ribbon Cutting and Open House commemorating the opening of the newly renovated Bandera County Library.

Glenda Moore, Student Council President of Bandera High School, presided at the brief ceremony which preceded the open house. The invocation was given by Martha Gibbs, President of the Medina High School Student Council. The Bandera High School Band under the student direction of Mary Ann Welch played the opening fanfare, "The Star Spangled Banner" and "Texas Our Texas." Mrs. C. E. Lautzenheiser, Chairman of the Board of Trustees of the Bandera County Library, welcomed the crowd. Superintendent Charles H. Hundley of the Bandera Independent School District introduced the visiting dignitaries. Those recognized included the Honorable W. O. Hatfield, Jr., Bandera County Judge, Honorable Mack Joiner and Honorable G. P. Thompson, County Commissioners. Members of the Board of Trustees of the Library were introduced. In addition to Mrs. Lautzenheiser, they are Mrs. Albert Alkek, Mrs. Raymond Hicks, Mrs. A. V. Pue, Mrs. J. K. Leighton, and Mrs. John Lundblad. All members of the Friends of the Library were recognized. Their chairman, Mrs. Lois Bailey, was unable to be present due to a death in her family. Bandera County's first librarian, Mrs. J. Burgin Davenport, and the present librarian, Judy Blucher, were introduced. William D. Gooch, Assistant State Librarian from Austin, was recognized. Visiting representatives of area libraries were introduced.

Area librarians in attendance at the ceremonies were Dora Wollschlaeger, Marguerite Hunt; Mrs. Fred Gremmel of Boerne; Mrs. Evelyn Aegel, Mr. and Mrs. Sam W. Gardner of Kerrville; William D. Gooch of Austin; Mrs. J. C. Rice, Mrs. J. Ed Young, Hazel Maes, Mrs. E. P. Giles, Mary Faust, and Hertha Graham of Comfort; Mrs. Gerry LeFevre of the San Antonio Public Library and Sylvia L. Dunn of San Antonio MRC; Mrs. Hazel Myers, Flo Walker, Kurtis Owen of Kendalia.

Others introduced were Mrs. A. B. Lewis, Chairman of the Bandera County Historical Survey Committee, Mrs. J. O. Evans, Sec. of the Heritage Genealogical Society, and Mrs. John Saul of the Board of Trustees of the Frontier Times Museum. Mrs. John R. Langford was commended for her work in organizing the Ribbon Cutting. The hospitality committee for the occasion included members of the Michael Upchurch Chapter of the Colonial Dames XVII Century and the Bandera Chapter of the Daughters of the American Revolution.

The band then played "God Bless America" after which Judge Hatfield presented brief remarks concerning the past and future of the Bandera County Library. A red, white, and blue ribbon was then cut symbolizing the opening of the newly decorated library. The ribbon was cut by Judge Hatfield and Sterling Fisher of Utopia. Fisher was a member of the Commissioners' Court of Bandera County in 1934 when the library was given a permanent lease on its present building.

Ushers for the ceremony were Bandera High School Student Council members. They were Anette Bates, Nancy Tschirhart, and Paula Wilcox.

Following the ceremony refreshments were served by the Friends of the Library with Mrs. A. V. Pue in charge.

Among out-of-town guests who registered were Mr. and Mrs. Henry Fisher, Mr. and Mrs. Sterling Fisher, Mrs. John K. Harrell, Sr., of Utopia; Mr. and Mrs. John Hammonds of Kerrville; Miss C. Margaret Hammonds of San Antonio; and a large number from Bandera, Pipe Creek, Lakehills, and Medina.

THANKS TO ALL

The Bandera Quarterback Club takes this means of expressing sincere thanks to all the people who purchased tickets on a fat calf given away in a money raising project. The drive was most successful and the Club is grateful.

No Treat For The Bulldogs

by Chris Kaufman

There was a good turn-out Halloween night, October 31, as the Hondo Owls defeated Bandera 39-0. During the first quarter of play both defenses did a good job as each team exchanged the football several times, and the quarter ended 6-0. In the second quarter Hondo came out fired up, scoring 27 points and leading 27-0 at the half. Hondo came back one more in the third quarter to leave the score 33-0. In the fourth quarter it was Hondo again, returning a punt 85 yards and making a touchdown to leave the final score 39-0. This loss dropped Bandera's district play to 1-2. The Bulldogs play Medina Valley, Friday, Nov. 7, 1975, there at 8:00 p.m.

Bandera FHA Will Sponsor Red Cross Bloodmobile

The Red Cross Bloodmobile will visit Bandera on November 17 and will be sponsored by the Future Homemakers of Bandera High School.

Persons age 18 (17 with parents written consent) through 65 will be accepted to donate blood. After the 66th birthday, a donor must have written permission within two weeks of donation, by own personal physician.

Blood donors should eat regular well-balanced meals. It is desirable that the donor has eaten within the last four hours, but avoid fatty foods such as fatty meats and fried foods. Foods that can be eaten before donation are fruit, fruit juices, crackers, toast with jam or jelly, lean meats, vegetables, milk, tea and coffee.

Bandera County rpsidents are all covered by free Red Cross Blood in any hospital that will accept it. In most hospitals there is no problem because blood is in short supply and they need all they can get.

According to John Whitleman, Regional Bloodmobile Chairman, "so far, starting in April 1975, we received 73 units at Medina and 13 at Lakehills. Approximately 100 more units before April 1976 are needed."

School Superintendent Charles Hundley and School Principal Anthony Knepper have given their approval to the project.

If you can give blood please contact the Bandera High School Future Homemakers.

Purple Hills Tidings
By Ida

Thank you nice people of the United Methodist Church of Medina for the beautiful Sunday afternoon service of gospel music and song. Mr. Murray LeStourgeon and S. W. Johnson played the violin and guitar, and Mr. LeStourgeon led the singing. Those joining in the singing were (most of the time they just listened to the boys sing): Otho Bell, Debbie Smith, Martha McClendon, Hoyt H. Hamrick, Thelma Galliant, Kathryn McBryde, and Nora Thallman. We missed Mrs. Hamrick who was visiting with her brother.

Our sympathy to Mr. H. H. Hamrick in the death of his mother.

Lucille Ellis celebrated her birthday last Tuesday the 28th. She had a great day.

Our congratulations to our co-worker, Margaret Salsgiver, who was married October 3 in Midland, Texas. They will make their home in Midland. Many happy years to this nice couple.

We miss our lovely friend, Mary Woodward, who passed away last Tuesday morning. Mrs. Woodward came to make her home with us April 5, 1973, from Hondo, Texas. Our sympathy to her family and friends.

Mrs. Cora Haby and her daughter and husband, Mr. and Mrs. Howard, all of Utopia, visited Mrs. Joy Short, Miss Estelle Harris, and Miss Maggie Causey, last Friday.

Mrs. Ray Haycraft and son, Lester, of Medina visited Mr. Louis Reed last Saturday.

Mr. and Mrs. A. E. Cullen and Mrs. Inez Abernathy of Center Point visited their parents, Mr. and Mrs. James Landreth, Friday.

Mr. and Mrs. John McCullough of Poteet visited Mrs. Lou Fitzgerald Friday.

We thank the Medina Lake Betterment Association for sharing with us the Mexican food served at their supper last week.

Mrs. John Goodenough and her son, Joe, came Saturday evening for another evening of music. These folks sure enjoy it. They say Joe is wonderful on that harmonica. We thank them for giving of their time, and you know, Mrs. Goodenough (Judy) comes every Saturday evening.

Mrs. Willie White's guests last Sunday were Mr. and Mrs. Charlie Day.

Mrs. Sophia Krueger enjoyed a visit with her daughter, Mrs. H. W. Wilson of Johnson City, Friday.

Last Wednesday was the birthday of our Mrs. Sarah Lee, and she had a big one when her daughter, Mrs. Johnny Johnson of Medina, came with a very special cake and special guests. A surprise to Mrs. Lee was a visit from her very good friend from her church in San Antonio.

Mr. and Mrs. E. W. Anglin of San Antonio visited Miss Maggie Causey and Mrs. Louise Pickens Saturday.

Mrs. Louise Pickens enjoyed a visit with her son and wife, Mr. and Mrs. Arthur Pickens of San Antonio, last Saturday.

Mrs. Freda Moseley spent Sunday with her daughter and husband, Mr. and Mrs. Bub Keese.

Harvey Dale of Camp Wood came by Sunday for a visit with his mother, Mrs. Lena Dale.

Mrs. Danny Robinson's guests Sunday were Mr. and Mrs. Dannie Winright and son, Wade, of Hondo.

Mr. and Mrs. Charlie Schulz and son, Rob, and daughter, Sarah, of Dallas came this weekend for a visit with her parents, Mr. and Mrs. Johnny Nixon. They also visited Miss Estelle Harris and Miss Maggie Causey.

It was nice seeing Roberta Banta, Saturday. She came from Ingleside for a visit with her father, Mr. R. G. Thompson. They spent Saturday afternoon at the ranch at Vanderpool.

If you don't believe in "Spooks" you would have changed your mind last Friday when this place was raided by just such things. In fact there were over 50. I understand the Scouts and their leaders were responsible. Those who were in the group were Beth Richards, Chris Elkins, Derrin Berg, Sean Richardson, Joseph Kalka, Tim Butler, Keith Kindla, David Schwarz, Tom Grey, Derrick Berg, Kirk McMullan, Eric Hornbeck, Robert Tschirhart, Noel Rodriguez, Tony Rodriguez, Greg Butler, Tommy Adams, Glen Flach, Richard Flach, Gary Hornbeck, Peter Telford,; Melissa Mangold, Jolene Butler, Mimi Robinson, Gayla Adams, Lisa Schwarz, Stephanie Evans, Shannon McMullan Penny Smith, Dium Mangold, Joy Smith, Tresia Welch, Vane Fernandez, Kelly Maier, Malissa Methvin, Deyanieo Romo, Bobby Garza, Ruben Garza, Gilbert Garza, Tom Anthony Gonzales III, Mary Jane Gonzales, Nancy Herriott, Sandra Kay Riedner, Sharon Ann Wehmeyer.

Also Mrs. Susie Wehmeyer, Gloria Obiedo, Precilla Obiedo, Gilbriel Obiedo, Chabela Obiedo, Esther Obiedo, leaders, Mary Kalka, Cindy McMullan, Peggy Adams, Mary Alice Flach, Mrs. Jodie Butler Mrs. Calvin Wedgworth, Mrs. Martin Smith, Yvonne Wylie, Mrs. Mangold.

We also had two clowns who were—well I would not want to be responsible for naming them but I was told they were well trained by Lois Schulte and Sharon Daniel.

Included were Sue Burk of Helotes, Ceo Halcomb, Margie Kelso, Myrtle Tuten, Hulda Butler and Evelyn Head, all of San Antonio. Other guests were Freda Moseley and Cynthia Mayberry. Mrs. Lee received many beautiful flowers and gifts.

You have heard the saying "It is nice to have a man around the house," that is the way we felt about Mr. Johnny Johnson of Medina. We owe much of the success of this party to Johnny and his lovely wife, Virginia, who furnishes the lovely decorated cakes each month. This one was surely a "Spook" covered with pumpkin and a big black kettle surrounded by witches and black cats.

Our next party will be Thanksgiving.

Murry LeStourgeon and Sherrill Johnson visited Mrs. Mattie Mayfield Sunday.

Halloween has come and gone for another year. All decorations have come down and Thanksgiving decorations are going up and soon it will be Christmas.

Mrs. Alice Mellis says "We first saw 'Manselle', the Ubiquitous Skunk' one day, or evening, rather, GoFor'd from the thicket, which is pretty Dense-On that side of our land, near the Brook's Edge, where the Weed-y underbrush is Brittle, down by A Dam. It's a pretty place by the Bridges end, where Alan likes to play when he's out getting an Airing. However, when 'Mamselle' came, in her attractive White and Black, well, Alan went! He knew better than to go to Bat-To defeat her. Always on the Alert as she was. And-er-walled in or protected as she was with her 'perfume', a weapon as effective as a Cannon." To be continued next week.

Band Boosters Have Possible Solution

Quickie cokes! Sudden sandwiches! Tamales pronto! Instant cupcakes!

If you're a hassled and hungry customer at the crowded concession stand at Bandera home football games, you have probably been wishing for all of these things.

Likewise, if you're a hassled and harassed worker in the concession stand, you've been wishing for these things.

Bandera Band Boosters have come up with a possible solution, which they will try out when it's their turn to run the stand at the homecoming game with Boerne, November 14.

You will buy ten cent tickets at a new booth to be set up at the field fence near the entrance to the spectator stands. You will present these tickets to the people in the concession stand as payment for food and drinks. Prices have been adjusted to coincide with the ticket denomination.

This simple device, used with success at many events in other communities in the hill country, should, in the opinion of the Band Boosters, help a lot. It will save the time spent and lessen the confusion now caused by the handling of individual transactions which have been necessary up to now between buyers and sellers at the stand.

The old way used to work when the community was small, but larger crowds now dictate that something new be done.

Remember! Buy your tickets at the booth by the fence, then come on over to the concession stand. No tickee, no cakee! OK?

Plant "Liberty Trees" Keep America's Ideals Deep-Rooted

Bandera is on the move—more "Liberty Trees" are being pledged: Thelma Jean Vawter, 3; Mrs. Buddy Richards, 4; Mrs. Clint Dowell, 8; Mrs. Ruth Ann Tarpley, 3; Jalene Dowell, 2.

This makes 20 "Liberty Trees" pledged this past week making a total of 73 so far for Bandera.

Many thanks for all of the people who placed orders for Rain Trees and also the Red Maples. Both of these trees are beautiful flowering and shade trees.

Bandera you have just 127 more to go—all residents who are planning on planting either shade, fruit or blooming trees this coming season—be sure and send in your pledge to Mrs. Thelma Jean Vawter. Let's all get counted.

The Medina Rose Garden Club will conduct a Bake Shop and Sale on Saturday, Nov. 8th, next door to the Village Store.

MEDINA ROTARY CLUB

Realizing the great task that is before our law enforcement officers of keeping law and order in Bandera County, the Medina Rotary Club expresses their appreciation to Sheriff H. B. Miller and his deputies, Bill James, Mel Lemons, Ron Bowens, Wayne McBeth, Joe Page, and Jackie Doyle for doing a good job in the county.

EX-STUDENTS AT HOMECOMING

Many ex-students were in Medina for the Carnival and Homecoming activities. Everyone enjoyed greeting friends and former classmates and making new acquaintances.

The six honored classes participated in the parade by riding on floats. Then, at five o'clock a reception was held at the school for the honored class members and their families. Delicious punch, cookies, and coffee were served.

Following the reception a program was held in the auditorium for the general public. The audience thoroughly enjoyed hearing ex-students tell about themselves, introduce their family members, and reminisce about former school days. For each class, ribbons were awarded to the one with the most children (or grandchildren) in case of ties, and to the one who had come the farthest to attend the Homecoming.

Adding to the pleasure of the day was having a number of ex-teachers attend the homecoming activities. Some failed to register but those who did register were Andy Nichols and Marvin A. Hatfield of San Antonio, R. H. Tippit of Comfort, Jennie Kirkland of Kerrville, O. H. McDonald of Austin, Kathryn McBryde, W. O. Hatfield, Jr., and James A. Gallant of Medina.

Members of the honored classes who attended were as follows:

Class of 1916—Bertie Mitchell, Houston; Dewey Humphreys, Austin; Verna Hodges Wallace, San Antonio; and Maude Stokes of Medina.

Class of 1926—Jewel Autry Garrison and Velma Wyatt Collins of Medina.

Class of 1936—James A. Gallant, Medina. He was honored to have riding with him in the parade, his first, second and third grade teacher, Miss Jennie Kirkland.

Class of 1946—Jack Jackson of LaPorte Norma Sides Cobb and Ora Nell Norton Horadam of San Antonio; Lee W. (Jack) Graham, Jr. of Fort Worth; Johnnie E. Schmidt of Bandera; Mona Glen Seale, W. O. Hatfield, Jr., Bob Mayfield, and Jack Burch of Medina.

Class of 1956—Joel Borden and Margie Buckelew Borden of Katy, Texas; David LeStourgeon and Floran Allsup LeStourgeon of Cedar Hill, Texas; Anna Faye Keese Bausch of Bandera; Robert M. Padgett of Tarpley; and Joyce Ann Carr Meeker of Mesquite.

Class of 1966—Dusty Greebon of Pearsall; Tommy Jackson of Beaumont; Lewis Neal Mathews of San Antonio; Sherry Matthews Fisher of Hunt; Margie Burger Baker of Center Point; Sandra Seale Parker of Bandera; and Carol Crawford Callahan of Medina.

Word was received here this week of the death of J. H. Russell, Jr. of Houston, who passed away last week. He owns Indian Hollow Ranch and Camp Lema Alta. Friends regret to hear of his passing.

Mr. and Mrs. Jody Borden and children of Katy spent the weekend visiting her parents, Mr. and Mrs. Earl Buckelew, and other relatives.

Medina was just buzzin' with people over the weekend and it was just great to see so many faces whom we had not seen for sometime. They were gathered around either pitching washers, eating the delicious ham-burgers, browsing around in "Dot's Spot", watching Shirley Hatfield Kitzman use the spinning wheel, sitting under the big live oak just chatting, patronizing all of the Alms booths or getting ready for one of the best parades we have ever had, right here in Medina. If you missed this day in Medina, don't let it happen next year. Start making plans to be here in 1976. It should be even bigger and better. Those whom we saw or visited with, who have not been mentioned in the above article, were Judson Childs of Louisiana; Pete and Pidge Bauerlein of Houston; Jocille and her husband Graydon Buck of New Braunfels; Terry and Lila of Pipe Creek; Miss Jennie Kirkland and Foye Louise of Kerrville, R. H. Stokes, Violet Justice Juhlin, Junior Gazaway, Jeffrey Anderson and wife, all of San Antonio; Richard and Frances Kaiser of Center Point; Perry Ray Graham and wife, Terry, and O. H. McDonald and son of Austin; Ned Faris of Kerrville; Paul and Sandy Mitchell and sons, Larry and Michael, of Houston; Gerald and Carol Brorstad of Charlotte; Jamie Simons Kitchens and husband, Charles, of Dallas; Debbie Moffett and Linda Ball Wynn and husband, Tony, of Dallas; Tommy and Peggy Adams and children, and Mrs. Johnny (Ople) Boyle of Bandera; Mrs. Anie Charters of Kerrville; Mrs. Linnie Beth Arquette of San Antonio; Alven and Maggie Lee Allsup of Center Point, and many others.

There they celebrated joint birthdays with cake and all the other refreshments. Little Jenny celebrating her first birthday.

Bet You Don't Know

That the Halloween Party at Adolph's Friday evening was a smashing success. Some of the matchless costumes were the funniest and most laughable of the year. Our own Willie Leibold presided at the "KEG." A buffet supper was served. Tall stories, dancing, and pool made for a gala evening.

T. dropped in on the group and found Mesdames Bartlett, Schott, Mathis, Gaines, Rodriguez, Hildebrandt, Birdsong, Hill and Miss Swager busily crocheting various colorful items. Mrs. Anderson displayed a multiple color afghan, and bedspread. The lovely hostess is well known in the Madrona Garden Club in Bandera, works constantly with The Plant "Liberty Trees" project. The purpose of the project is to keep America's Ideals Deep-Rooted. Laura also submits the following article:

This past week 28 "Liberty Trees" have been pledged: Mike Morales, 2; Jeffie Waterman, 4; Laura Bennett, another 2; Bill Murphy, 1; Mittie Achilles, 2; Louise Marmor, 2; Dorothy Sherouse, 1; Mrs. Wes Davis, 1; Jack Williams, 1; Elsie Word, 5; Mimi Navarro, 1; Betty Walker, 2; Mrs. L. INFORMATIVE FACTS

The purpose of this procedure is to reduce labor costs; thus reduce food costs. Food industry sources have estimated that by July, 1977, sixty percent of stores will be using the electronic cash register system.

New Vacation Program Surviving

Did you know that an eight-year-old program is helping economically towns along the American-Mexican border is surviving during this economic and recession in each country? Mexican labor is combined with U. S. Technology and capital to produce a wide range of products, including pocket calculators and baseball gloves.

BETTERMENT ASSOCIATION ACTIVITIES

A Teenage Dance

A teenage dance sponsored by the Betterment Association will be held tomorrow, Saturday, November 8, at 8:00 p.m., Civic Center, taped music. A number of young people were asked to contribute their ideas and they have expressed the desire for a chaperoned dance of their own—so, this dance is not open to the general adult public. Parents may attend if they desire. Admission, 50c per person. Pizzas, sandwiches, snacks and soft drinks available at concession stand. For a really good time kids—be there!

Joe Talk to be Raffle Chairman

Mr. Rudy Schott has donated three one-day hunting leases to be raffled off at the next regular dance, November 22. Chances will be sold by all members, 25c each or five for $1.00. You do not have to be present at the Nov. 22 drawing to win. The lucky winners will be notified and invited to pick any date after Thanksgiving.

New Year's Eve Dance

And—casting a long shadow beforehand—the Association will sponsor the best New Year's Eve Dance in the country—music by Los Gringos. Admission, $5.00 per person (no student discounts), and will be by reservation to insure against overcrowded conditions. Reservations will be held until 8:30 p.m. and if not picked up at that time, will be sold at the door on a first-come, first-serve basis. Make your reservations now with Louise Marmor, Jeffie Waterman or Florence McMahan. Special surprises will be included in the price of admission. More about that later.

The foregoing plans were formulated by the Directors at a special call meeting October 28. The next regular meeting will be held at the Civic Center at 8:00 p.m. Thursday, November 13. As reported in the history of the Association, previously published, our charter was granted by the State of Texas under the set-up of one annual meeting for the members and monthly meetings by the directors, who are the only ones allowed to vote at these meetings. However, the directors would like to have each and every member attend their meetings. They want it known that all one has to do to be heard is to ask the president for the floor. They want all members to enter into discussion and will cast their votes with the desires of the majority of members uppermost in their minds. They are looking forward to a big "member turn-out" on the 13th.

A Working Work Team

The work team responsible for finishing up the kitchen, installing cabinets, hooking up stoves, space heaters, and doing all necessary wiring this week were Wes Davis, Cliff Waterman, Earl Gaines, Bob Larsen, Adren Heisler, Howard Jack, Bob Travis, Bob Moore. All electrical work was done under the supervision of Joe Talk. Ladies on the clean-up, decorating, and painting detail were Ann Jack, Peggy Gaines, Lola Heisler, Panchita Thomson, Louise Marmor, Florence McMahan and Lucille Moore.

Many thanks to everyone who participated in the successful and delightful Mexican supper, especially the several individuals who send donations to the M.L.V.F.D. Many businesses from other areas contributed. Many strangers who attend the annual barbecues also contribute. It is impossible to publish all the contributors names at one time, therefore, a few names are published weekly. Donations have been received from Col C. Kirk (USAF), Mr. and Mrs. Paul J. After months of illness, hospitalization, and surgery, this gallant lady is back on her feet and taking part in civic affairs. She is to be congratulated. Ruth is the former reporter for Lakehills.

DING BAT NEWS

By George, I think she's got it! That Ruth Clark won first prize again! Girls, we're gonna have to keep an eye on her, and Peggy Galland too. Little Peggy sat and played with all her might to win second prize. Johnnie Bartlett was really hot, she rolled seven bunco's and went home with bunco prize. Lucille Anderson was lucky and brought off for consolation and won Mary Francis Clark put out of her effort to win booby. We're really proud of you gals.

We all flew over to Rose Ann Scholt's house to play this month on the 28th. Afterwards we ate Mississippi Mud and drank punch and coffee. By the way, Mississippi Mud was a cake. It was really good.

There was a business meeting held afterwards to take care of a little business. Everyone really had a great time. Those there, but who didn't win a prize, were Irene Hildebrandt, Sandy Mauer, Rose Ann Scholt, Sandy Hearn, Minnie Turner, and Juanita Woodward. Thank you Rose Ann, we really enjoyed it.

Also, we would like to congratulate the Dirty Dozen Bunco Club on their winning the Bunco Tournament. They really

...ommander Bill Jenson says:

Thank you for supporting the American Legion. Without community support we could not function wholly. Our primary aim is to help the veteran and his family, however, the Legion of Lakehills does many things. We have projects at the Veterans Hospital in Kerrville; we send a check of five for Boys Nation each year, etc. Last but not least, Christmas Eve in Lakehills.

FIRE DEPARTMENT ACTIVITIES

The Ladies Auxiliary

Twenty-five ladies attended the second workshop held at the Fire Station in Lakehills Monday. The purpose of this workshop is to make Christmas decorations. These ornaments will be sold at the fund raising carnival in Bandera on December 6th. The proceeds will go to the Bandera Library. H. T. dropped in on the group and found them busy, busy. They were making salt dough ornaments, bell-mobiles, pine cone Christmas trees, door wreaths, candle holder and yarn men. Polly Larsen, the gal with the mostest, has completed a beautiful wreath with Raggedy Ann dolls on it. Please donate your used Christmas ornaments to this worthy project. Pictured below are some of the avid workers.

Back row, R. Cowley, J. Capps, P. Galland, Iris Moore behind an ornament, P. Larsen, F. McMahan, W. Grashman, and Edel Shepard.

Elsie Word on the left and Lucille Moore on the right, display some of their finished ornaments. Mrs. Moore is the chairman of the project. The Ladies Auxiliary meets November 19 at 7:30 p.m.

M.L.V.F.D.

Chief Ruth Turner, treasurer of the M.L.V.F.D., is very happy. The donations for the M.L.V.F.D. continue to come in. This signifies that Lakehills citizens and other interested areas are concerned. Many people who own property in Lakehills, but live elsewhere, send donations to the M.L.V.F.D. Many businesses from other areas contribute. Many strangers who attend the annual barbecues also contribute. It is impossible to publish all the contributors names at one time, therefore, a few names are published weekly. MOTHER OF MRS. NOTHE SUCUMBS

Many friends here offer sympathy to Mrs. Clarence Nothe at the loss of her beloved mother, Mrs. Beatrice T. Bardwell of San Antonio, who died Sunday, October 26, 1975, following an extended illness.

Mrs. Bardwell was born in San Antonio June 22, 1911, and was 64 years of age at the time of her passing.

Rosary was recited for her on Monday, October 27, 7:30 p.m. in Alamo Chapel. Mass was offered on Tuesday, October 28, 1975, at 10 a.m. at Our Lady of Guadalupe Catholic Church in Helotes with Rev. Louis A. Walter as celebrant, and she was laid to rest in the Helotes Cemetery.

Mrs. Bardwell had lived her entire life in San Antonio.

She is survived by her husband, Mr. Jack Bardwell; a daugher, Mrs. Clarence E. (Constance A.) Nothe of Pipe Creek; a granddaughter, Bridget A. Nothe; sisters, Mrs. Wm. (Emma) Contie and Mrs. Herbert (Constance) Schmidt, all of San Antonio; and stepmother, Mrs. Delores Bardwell of Mexico City and several nieces and nephews.

NOTICE

The Pepperpot Greenhouse was closed several days last week due to the illness and death of Mrs. Constance Nothe's beloved mother, Mrs. Beatrice T. Bardwell of San Antonio. Many friends here offer sympathy.

The Christmas program for First Baptist Church is being practiced and all children and singers are invited to participate. We hope to have many in attendance.

Mr. and Mrs. Jesse B. Edwards and sons, David and Little Jess, visited his parents, Mr. and Mrs. J. B. Edwards, last weekend from Northeim.

Mr. and Mrs. W. E. Edwards of Gonzales, Mr. and Mrs. W. H. Bowie and Royce of San Antonio, Mr. and Mrs. J. B. Edwards and Joslyn, Mr. and Mrs. Jerome E. Edwards, and Mrs. T. A. Lewis helped J. W. Edwards celebrate his 83rd birthday Sunday.

It is with pride that we look forward to a wonderful new high school building and adequate facilities which is going up at Bandera and the remodeling program of the county library which held its ribbon cutting ceremony Sunday afternoon.

Much interest is being taken by patrons and Friends of The Library for the bicentennial celebration being held on December 6 at the Recreation Center. We are sure that every community in Bandera County will be represented in this effort, as it was in the Building of the library in WPA days.

We remember how J. Marvin Hunter, Sr. took citizens and children to Dallas, Austin, Kerrville, and San Antonio to put on programs to help in this building project—The first public works program in Bandera.

WOAI put on some programs where the Ben Johnson family of Medina, the LeStourgeons, the Conwill boys, the Evans, Frank Montague, the school band and other musicians and actors helped. Elmo Newcomer and Emmett Edwards of Pipe Creek, and Slick Jones of Bandera, and the many citizens of Bandera accompanied Mr. Hunter in his zeal for a library for Bandera County. Now we know the value of this undertaking and are joining in the program county wide to try to make way for self sustenance in a beautifully remodeled modern library, pushed by A. B. Allen and others.

Lady Barber In Bandera

A Lady Barber — in Bandera? Yep, that's right! Glenda Simmons from Houston has just opened a shop which she calls The Clippin' Post located on Main Street in the New Frontier Hotel complex. Glenda has been in business since 1962. She received her training from Mr. Hebert and Norris of Houston, well known barber-stylists in Houston. She's not only a licensed barber, she gives manicures, facials, pedicures and hot oil trims. There will be a shoe shine boy at the shop after school and all day Saturday.

Among the many customers there are many noted personalities such as: Ernest Beakley, Ray Price, Porter Wagoner, Roger Miller, Johnny Bush, Roy Clark, Wingee Junior Band and Buck Owens' Band.

The charge will be $6.00 which includes shampoo, haircut and blow dry. Glenda says: "Hair must be freshly washed and cut properly to be assured of getting the hair cut in even lengths." This particular technique has been referred to as layered or natural cut. The hair is left the same length all over so it may then be combed in any style you wish. She will be glad to trim your hair as short or as short as you wish except "sorry, can't do flat-tops or burrs."

The Clippin' Post will be open from 9:00 a.m. to 6:00 p.m., Monday through Saturday. Call 796-8832 for an appointment. After hours appointments can be arranged.

We are pleased to have Mr. and Mrs. R. C. Duncan of Medina Lake at home again. They returned last week from several weeks stay in Lakes of the Pines and other points in East Texas.

Mrs. Gladys Blackwell spent last weekend in San Antonio as the guest of her daughter and husband, Mr. and Mrs. Warren Stubblefield. Emergency Medical Technicians Complete Training

Over 170 Emergency Medical Technicians of the Emergency Medical Services System (EMS) received their certificates during the graduation ceremony Wednesday, (October 29) in McAllister Auditorium, San Antonio College.

Guest speaker at the graduation was Stanley E. Crawford, M.D., Dean of the University of Texas Health Science Center at San Antonio.

Dr. Crawford's topic was "EMTs — Trained to Save Lives." He recognized the regional EMS system as a cooperative effort of the 12 counties in the Alamo region under the coordination of Alamo Area Council of Governments.

Dr. Crawford said, "Each county must access its own resources and attempt to maintain a balanced system. The EMS system can operate efficiently if each community continues to develop its own resources they have available."

The basic EMT training course of 81 hours was completed in 18 weeks. The five training sites were designated throughout the AACOG rural counties included Boerne, Seguin, Floresville, Poteet, and Hondo.

The curriculum met certification standards of the Texas State Department of Health Resources. The volunteers completed 80 hours of classroom training and 40 hours of in-hospital training, concentrating in emergency rooms.

Students were also required to complete eight hours of emergency rescue training. Field exercises included simulated extrication of patients from automobiles and other lifesaving techniques to bring improved services to the patient at the scene of an emergency.

The training program is conducted by San Antonio College under contract with AACOG. Area physicians conducted the medical training sessions and EMS paramedics worked as EMT skills instructors during the course of training.

Emergency Medical Technicians graduating from Bandera County are: Solomon J. Berlat, Pipe Creek; Frank G. Beschle, Pipe Creek, Leslie G. Biermann, Bandera, Virginia D. Brimer, Bandera; Richard L. Evans, Bandera, Ray M. Hay, Bandera, James E. Sharp, Pipe Creek, Leonard D. Taylor, Pipe Creek, Lee Hornbeek and L. D. Chandler from an earlier graduating class.

Bandera County Included In Referendum Vote

Certification by Agriculture Commissioner John C. White Wednesday, October 29, cleared the way for a referendum vote in 54 counties among timber producers who will decide on a proposed mohair commodity board, Feb. 10, 1976.

Under the 12-member commodity board, being proposed by the Mohair Council of America, directors will be elected from nine Texas districts with five new board members being elected to at-large positions.

Bandera County would be included in District Four of the proposed commodity board.

A maximum deduction of 2 and one half cents per pound is being proposed by the referendum to finance operations of the commodity board, which will carry out programs for promoting and marketing mohair.

"Voting on the referendum, which will be by physical ballot, will be conducted in each voting county's Agricultural Stabilization and Conservation (ASCS) office, with additional absentee ballots to be available in county agent offices," Commissioner White explained.

For further information concerning the public referendum, contact the Mohair Council of America office, 516 Central National Bank Bldg., San Angelo.

Star-Spangled Seniors

by Kathleen Tobin

Kevin Dale Quarles, otherwise known as "Bubba," is a well-known senior of 1976 and the son of Mr. and Mrs. Loyd Quarles. Born in San Antonio, Texas, Kevin first attended East Central High School before transferring to Bandera High. His interests are many, but playing basketball, being around animals, and hunting are his favorites. Of the places to which Kevin has travelled, he finds Washington, D.C., the most interesting. He is fascinated with the many exciting things to do and see in our Nation's Capitol. His visit to Washington, D. C., was a part of the Alkek Prize Trip for Excellence awarded to Advanced American History students last year.

When asked, Kevin replied that Coach Rolston, Coach Turner, and Mrs. Stevens were the teachers he admired the most. Reflecting his care-free attitude, Kevin's philosophy of life is "Live And Let Live."

Because of the importance of the Bicentennial year, Bubba was asked to name his favorite figure in American History. Kevin's choice is Winston Churchill. He respects his tremendous loyalty to Great Britain and his many great deeds which kept Britain and the United States together. Kevin has no deep thoughts on the Bicentennial year. He simply recognizes it as "the 200th birthday of the United States."

Bubba is a very athletic senior who has played football for two years; lettered in baseball two years; in track, one; and in basketball, four. His future plans include attending college and studying wildlife management. Everyone watch out for Kevin Quarles to do great things in his life!

FFA

by Patrice Saathoff

Thursday, October 16, the Future Farmers of America met at homeroom to elect officers. Those elected were Chico Moore, president; Brett Morris, vice president; Hoby Craddock, secretary; Todd Whitewood, reporter; Bodie Browning, sentinel; Les Tschirhart, treasurer.

Kelly Jean Smith, a most beautiful senior, was born in Rockledge, Florida, near Cape Kennedy. She is the granddaughter of J. C. and Jean McCool. Kelly's favorite pastimes are water skiing, listening to good music, swimming, travelling, and, of course, partying! She has travelled extensively through Virginia, California, West Virginia, Florida, North and South Carolina, and the New England States. Although the beauty and variety of each state intrigued her, Kelly claims that she wouldn't trade Texas for all others combined! She finds a special magnificence in Texas that is not duplicated anywhere else in the United States. Soon Kelly plans to travel to Colorado and the mid-western states. When asked who her favorite people are, Kelly commented: "It's difficult not to be learned from every high school that there is something to be learned from every person." As the school's program Mr. Royce showed a film and some slides of the different schools and fields that can be entered into after graduation from Belle and Howell.

RIBBON CUTTING

by Glenda Moore

One of the greatest privileges that we have is the right to read material of our choice. Through the effort of many people the new Bandera County Library was officially opened Sunday afternoon, November 2, 1975.

The program was concluded with the ribbon cutting by the Honorable W. O. Hatfield Jr. and Mr. Sterling Fisher.

One of the greatest ways a man may increase his intelligence is by reading. We, the students of Bandera High School, say "Thank You" to all the people involved in improving our County Library.

COLLEGE NIGHT AT TIVY HIGH SCHOOL

by Mary Tomlinson

Monday night, November 3, college night at Tivy High, proved to be very successful and interesting. There were many college representatives there to talk to the students who were interested in getting information about the colleges they want to attend.

The representative of each college explained about entrance requirements, entrance procedures, program offerings, cost, housing, and financial aids. The parents and students had a chance to discuss questions with at least three representatives.

Attending from BHS were Cindy Kalka, Barbara Merrill, Vivian Schmidt, and Mary Tomlinson.

A VISITOR FROM BELLE AND HOWELL

by Kim Kramer

Thursday, October 30th, Mr. Dale Royce visited Bandera High School. Mr. Royce is a representative from Belle and Howell Schools of Technology. Students were given a very vivid description of the school's high ideals which played such a great role in the shaping of our Nation.

Kelly feels that the Bicentennial is a beautiful way to recognize the strength, honor and courage that has gone into a fine nation such as ours. She feels proud and privileged to graduate in the Bicentennial class of 1976. Kelly plans to continue her education after graduation, but her decision has not been made as to which college she will attend.

Kelly's achievements in high school are indicative of her leadership abilities as she is Senior Class Vice President, FHA 1st Vice President, and is a member of the Annual Staff. Kelly has also been a member of the girls' volleyball team for four years and was FHA parliamentarian.

The best of luck to an outstanding Bicentennial Senior!

$100 Will Get Your Name On A Beautiful Plaque

A project to raise money to pay for the remodeling of the Bandera County Library is well underway at this time. If you are interested in assisting this worthy cause then make a $100 donation to the Bandera Library Building fund. Your name will be engraved on a permanent plaque and hung in the library.

This is not a project conducted by the Friends of the Library, as the Friends is a separate organization formed to assist the operation of the County Library. The Friends need your assistance also, but the primary purpose of the Bandera County Library Board is to raise needed funds. So, if you will help the Library, just mail your check in to the Bandera County Library Building fund and have your name on the plaque for that purpose.

Bandera County Receives Tax Revenue

Comptroller Bob Bullock said today that more than $2.7 million is being sent to 186 counties and 297 cities across Texas as their share of the mixed drinks tax for the July-September quarter of 1975.

The share to cities is 15 percent of the total tax collected in each city and the 15 percent to the counties represents tax revenues for drinks sold outside any city's limits. The remaining 70 percent, $6.5 million for this quarter, goes to the state general revenue fund.

The tax is 10 percent on all gross receipts.

This quarter's total local share was up slightly from the second quarter's $2.5 million paid out, Bullock said. The $9.2 million total tax receipts for the third quarter represented the eighteenth consecutive quarter that the total tax receipts increased.

The collection of the tax is administered by the Texas Alcoholic Beverage Commission.

Bandera County's total county tax revenue for the third quarter was $4,882.76. The county's 15 percent remittance was $732.41.

Also receiving 4-H County Awards, which were sponsored by the Extension Service, were:

Citizenship Award went to: Shirley Tschirhart; Gold Star Award went to: Corwin Snyder; Patrice Saathoff; Horse Award went to Cody Crider, Bob Wheeler, Penny Johns; Leadership Award went to Debbie Boyle, Glenda Moore.

After the awards presentation, Mr. Calvin Cartrett, showed slides made on some of the travels he and his wife have made. The slides he showed and narrated included scenes in Pennsylvania, Canada and Mexico. Some of the slides were made deep in Mexico where the Indians live in caves and have no beds or transportation.

Officers Installed At PTA Meeting

The October general meeting of Bandera's Parent-Teacher Association, held last week in the school lunchroom, was highlighted by the installation of new officers. Elected by acclamation were Mrs. Mary Alice Kalka, incoming president, and Robert and Helen Padgett, 2nd vice presidents. Parliamentarian Mrs. Katherine Baker awarded the President's pen to Mrs. Kalka and then conducted the installation ceremony.

High School principal, Mr. Anthony Kneupper, conveyed Mr. Hundley's regrets as to not being able to attend and reported on construction progress at the new school site. He noted that enrollment is up slightly as Bandera continues to grow. Any parents or interested citizens who wish to view the new school site should contact Superintendent Hundley.

This year's major PTA project will be a book fair to benefit the school library and to provide reading material for both children and parents. The fair is tentatively set for spring.

PTA members are reminded that the State PTA convention will be held in the Astrodome November 16-20. Bandera may send seven delegates and anyone interested in attending should contact Mrs. Kalka as soon as possible.

It was noted at the meeting that while PTA membership is on the upswing, very few fathers are attending the meetings. Everyone should keep in mind that "parents" means both mothers and fathers. The main goal of the PTA is to further enrich the education of our children through better understanding between teachers and all the parents.

The October PTA Attendance Award goes to the Fifth Grade, with 12 members present. Mrs. Leta Carbo accepted the trophy banner in behalf of Mrs. Vernell Mullenax and Mrs. Virginia Brient, the other fifth grade teachers, and Mrs. Elouise Mangold, room mother chairman. Other fifth grade boosters present included Alicia Romo, Mrs. Charles Newcomer, Barbara LeStourgeon, Mrs. Joe Rodriguez, Mr. Tommy Curbo, Mrs. Walter Baker, Mr. and Mrs. Tom Doebbler, Mrs. Gay Carnes, and Mr. Vernon Mangold.

Following the meeting, refreshments were served by Mrs. Elouise Mangold and Mrs. Charlotte Salzmann.

HUNTERS—WELCOME TO BANDERA

The Bandera Bulletin

VOLUME 31, NUMBER 24 BANDERA, BANDERA COUNTY, TEXAS FRIDAY, NOVEMBER 14, 1975 10¢ PER COPY

Kelly Scott And His Famous Mule Team

Len Rayfield, Age 94, Died Saturday

Len Rayfield, one of Bandera's beloved senior citizens, died Saturday, November 8, 1975, in Sid Peterson Memorial Hospital in Kerrville.

Walter Len Rayfield was born July 4, 1881, in Center Point and had resided for over 74 years in Bandera County where he engaged in water well drilling until his retirement.

On April 22, 1907, he was happily married to Miss Dona Stevens, one of the popular young ladies of those days. They had lived in this community for many years and were both endeared to all who knew them.

Mr. Rayfield was the son of Nathan Rayfield and Mary Cox Rayfield. He was a member of the Bandera First United Methodist Church and served as a steward for his church for many years.

He is survived by his beloved wife, Dona; one brother, Willis Rayfield of Kirbyville, Texas, and one nephew, John E. Cox of Bandera, and a number of cousins in the Hill Country, and many friends who mourn his passing.

Funeral services were conducted from Plummer Funeral Chapel Monday afternoon, November 10, 1975, at 3 p.m. with Wesley Jones, pastor of the Bandera United Methodist Church, and Rev. Roy Spangler, pastor of the First Baptist Church of Bandera, officiated. He was laid to rest in the Bandera Cemetery under the direction of Plummer Funeral Chapel.

Casket carriers were John E. Cox, B. C. Fleenor, Matt Siddle, Gene Sasthoff, Maurice Stevens, Gene Haas, and Raymond Smith.

Honorary pallbearers named were Jim Power, Harold Hayes, Hal Greer and Roscoe Hayes.

Marie Krueger Honored

Mrs. Marie Krueger

Mrs. Marie Krueger, cashier and assistant vice president of the First National Bank of Bandera, was delightfully surprised with a dinner party given by the bank at Flying L Ranch last Thursday night honoring her for twenty-five years of service to the bank and its many customers.

Following the delicious dinner, Frank M. Montague, Jr., president and chairman of the board of directors of the First National Bank, expressed congratulations and appreciation to Mrs. Krueger and presented her with a beautiful sapphire and diamond studded broach in his brief reminiscences, Mr. Montague stated that Mrs. Krueger had been with the bank since it was housed in the small rock building mid-way of the block on Main Street and had been present to help the First National Bank grow into the modern banking institution which it is today. He commended her for her service and loyalty to both the bank and its customers.

Present to extend their congratulations and best wishes to Mrs. Krueger and to enjoy this happy occasion with her were the officers and members of the bank staff and their spouses and guests as well as several former bank employees.

Hill Country Salute To Bob Krueger

Area friends and supporters of Congressman Bob Krueger will join together Tuesday, November 18, at a dining-long "Hill Country Salute to Bob Krueger."

With a number of the scheduled events to take place in the Kerrville area, Mayor Zelma Hardy is proclaiming the date as Bob Krueger Day in Kerrville. However, the congressman hopes to tour as wide an area possible that day to visit with constituents in adjoining hill country counties.

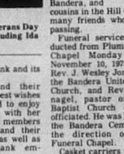
He will visit the Agricultural Research Service Facility between Kerrville and Fredericksburg and is scheduling other stops to see and talk to people in the general area.

That evening a festive barbecue supper will be served to be held at the Kerrville Ag Center from six until nine p.m. Tickets are being sold throughout the nine-county area involved in Hill Country Salute. Price is five dollars per couple or two dollars per person.

In Bandera, tickets for the barbecue are being offered for sale at First National Bank, First State Bank, Community Savings, and Bandera Ranch Store.

Mrs. Don Tobin and Tim Tobin of Bandera and Ken Stoepel of Kerrville are heading up the ticket campaign in Bandera County in cooperation with Friends of Bob Krueger. Further information on ticket purchases or any other aspect of the day may be obtained by calling Mrs. Don Tobin at 796-4420.

Jimmy Mangold Is Pinewood Derby Racing Champ



Scout Jimmy Mangold is shown with the trophy he won on October 18 in San Antonio when he was the pinewood derby car racer against the winners of seven districts, and won third place in the Alamo Area Council of Boy Scouts of America. Jimmy represented the Hill Country District, BSA.

You May Be The Lucky One

That winning number may be yours. Remember to pick up a few tickets on the big give-away sponsored by The Bandera Chamber of Commerce at the Hunter's Barbecue, Friday, November 14th. Tickets available at many businesses around Bandera County and will be available at the barbecue.

First place prize will be the deer rifle, second prize binoculars and third prize will be a hunting knife. Proceeds from this give-away are used to support Chamber of Commerce operations.

Annual Hunters Supper

Serving To Start At 6 Friday

This years hunting season is about to begin and the Bandera Chamber of Commerce's 12th Annual Hunters Supper will kick it off tonight, Friday, at 6 p.m.

The Hunters Supper, held each year at the Bandera County Recreation Center, will attract some 2,000 persons. Dee Crowell Is Claimed By Death

Dee Crowell, wellknown genial host and operator of the famous Dixie Dude Ranch died Friday, November 7, 1975, in Sid Peterson Hospital in Kerrville, following a long illness.

Dee Howell Crowell was born January 31, 1903, in Bluff Dale, Texas, son of Minor Crowell and Lillie Hyde Crowell.

Dee Crowell and Miss Rose (Billie) Whitley were united in marriage on September 4, 1928, at the First Baptist Church in Hollywood, California, both former Texans who were working and living in California at the time they met. To their union was born one lovely daughter, Darlene, who was five years old when they moved back to Texas to make their home on the ranch belonging to her father, the late W. W. Whitley, and joined him in opening the Dixie Dude Ranch on July 3, 1937.

Through the years Dixie Dude became one of the most popular of the big guest ranches in the Hill Country, under his management. Hundreds of people have visited the famous ranch each year, and always found Dee Crowell a pleasant and genial host. The ranch entertained guests from all over the United States and many foreign countries who were delighted with its atmosphere of kindness and welcome.

He is survived by his wife, Mrs. Rose Crowell of Dixie Dude Ranch, daughter, Mrs. Dan (Darlene) Conoly of Beeville; three grandchildren, Mrs. Dona (Bibsy) Neuser of Austin, Clay and Patricia Conoly of Beeville; a niece, Mrs. Marilyn Adams of El Paso; a nephew, Bruce Crowell of Lancaster, Ohio. He was preceded in death by his parents, Minor Crowell and Mrs. Lillie Hyde Crowell of Bluff Dale, Texas. He was also preceded in death by one grandson, Cody Austin and one brother, A. Bruce Crowell in 1968.

Funeral services were conducted here at Plummer Funeral Chapel Sunday afternoon, November 9, 1975.

Mrs. Marie Krueger

Mrs. Marie Krueger, cashier and assistant vice president of the First National Bank of Bandera, was delightfully surprised with a dinner party given by the bank at Flying L Ranch last Thursday night honoring her for twenty-five years of service to the bank and its many customers.
Following the delicious dinner, Frank M. Montague, Jr., president and chairman of the board of directors of the First National Bank, expressed congratulations and appreciation to Mrs. Krueger and presented her with a beautiful sapphire and diamond studded broach. In his brief reminiscences, Mr. Montague stated that Mrs. Krueger had been with the bank since it was housed in the small rock building mid-way of the block on Main Street and had been present to help the First National Bank grow into the modern banking institution which it is today. He commended her for her service and loyalty to both the bank and its customers.
Present to extend their congratulations and best wishes to Mrs. Krueger and to enjoy this happy occasion with her were the officers and members of the bank staff and their spouses and guests, as well as several former bank employees.

Dee Crowell and Miss Rose (Billie) Whitley were united in marriage on September 29, 1928, at the First Baptist Church in Hollywood, California, both former Texans who were working and living in California at the time they met. Whitley, and joined him in opening the Dixie Dude Ranch on July 3, 1937.
Through the years Dixie Dude became one of the most popular of the big guest ranches in the Hill Country, under his management. Hundreds of people have visited the famous ranch each year, and always found Dee Crowell a pleasant and genial host. The ranch entertained guests from all over the United States and many foreign countries who were delighted with its atmosphere of kindness and welcome.
He is survived by his wife, Mrs. Rose Crowell of Dixie Dude Ranch; daughter, Mrs. Dan (Darlene) Conoly of Beeville; three grandchildren, Mrs. Dona (Bilty) Neuner of Austin, Clay and Patrick Conoly of Beeville; a niece, Mrs. Marilyn Adams of Bandera; a nephew, Bruce Crowell of Lancaster, Ohio. Purple Hills Tidings
By Ida

We had another beautiful service Sunday afternoon; it was the day for the First Baptist Church of Bandera. Rev. Roy Spannagel, pastor, was called to officiate at a funeral, and Rev. Richard Porche of Medina brought the message. Rev. Jim Patterson of Marathon, who led the singing for the revival at the church in Bandera, led the singing and Miss Dell Lemons played the piano. These nice people sang over an hour and those joining or just enjoying the music were Debbie Smith, John Johnson, Mrs. Johnnie Johnson, Hoyt Hamerick, Mrs. Ira Garrison, Mr. and Mrs. Victor Purvis, Odie Grissom, Mrs. Roland Thallman, Mrs. Gilbert Wendt, Mardia Standard and Mrs. Richard Porche.

Mr. and Mrs. Scott McKay of San Antonio visited Miss Emma Strom and Jack Hollaway last week. They also brought magazines, and we thank them.

Mr. and Mrs. Charlie Webber of Lakehills visited her mother, Mrs. Ivydelie O'Neill, last Wednesday.

Mrs. Ray Haycraft and son Lester of Medina visited with Mr. Louis Reed last Friday.

Miss Jeanine Hicks of Waco visited her grandmother, Mrs. J. B. Connally, and her aunt, Miss Estelle Harris, last week.

Our sympathy to Lottie Anderson in the loss of her uncle, Louie Loyd of Port Arthur.

Mrs. H. W. Wilson of Johnson visited her mother, Mrs. Lena Dale, last week, not Mrs. Sophia Krueger.

Mrs. Sophia Krueger enjoyed a visit with her son, Walter Krueger of Uvalde, and her daughter, Mrs. Randall of Medina, last week.

It was nice having Onita Lindsey back on the job after suffering a few broken ribs when she wrecked her car. Onita is one of our good cooks.

Mrs. Mattie Mayfield enjoyed visiting with two of her sons, Durward Mayfield of Medina and Boyd of Kerrville, and some friends, Imojena Gray and daughter Ellen from Kerrville.

For our musical entertainment we thank Mrs. John Goodenough, her son Joe, and her nephew Billy Goodenough from San Antonio (on the drums), and Mrs. Vernell Mullenax for remembering us each Saturday evening; our people look forward to Saturday night.

Mrs. Willie White's visitors last Saturday were Mr. and Mrs. J. H. Golden and children of Center Point.

Mrs. Alice Mellis asks that we say thanks for her to the St. Christopher's Church and Lee Callery, secretary, for the beautiful altar flowers in memory of her husband, Bruce, who passed away five years ago this Thanksgiving.

Mom Hoy thanks the family of Mr. Dee Crowell for sharing with her the Memorial flowers.

Mrs. J. B. Connally enjoyed a visit with her son and wife, Mr. and Mrs. Sanford Connally of San Antonio, Sunday afternoon.

Mrs. Cynthia Mayberry's guests last week were Mr. J. B. Reed of Medina, Mr. and Mrs. Burt Reed of Lampasas, her granddaughters, Shasta Crawford and Mr. and Mrs. Kenny (Jan Crawford) Wilson of Houston.

Betty Littlejohn's guests last week were Mr. and Mrs. A. Hood, Dorothy Conway, Willie Slone, Julia Jones, Beth Mulqueeny, Mr. G. Berkley all of Lakehills, Etta Saur of Pipe Creek and Mr. Frank Mulqueeny.

Mrs. Sophia Krueger enjoyed a visit with Mr. Bill Prince of Uvalde, Monday.

We celebrate three birthdays

We celebrated three birthdays last week, Nellie Gray on the 6th, Bessie Thompson the 8th, and Margaret Mayfield on Monday. Each received a cake with candles and pretty flowers.

Next Sunday we celebrate Mrs. Grace Dorsey's 94th birthday (Sat. the 15th); I hope all her friends remember it with a card.

Mamselle

Even Alan's Arm-Strong as it was for a four year-old, was useless against Mamselle Yet Bruce and I let her stay, and she was quite polite and well-behaved, even getting "top Billings" sometime for amusing us, the wry she would Hubble along. We did put on the yard Light (on a Standard), as we thought a beaCon-vil do no harm, when Mamselle is around. Of course, we could Coop her up, but how Cruel can you get? Not that we Curry favors with her. All we do is let her eat scraps of Baker's bread, or ham skins we had put to Boil, for flavor; or when we have left-over Bran-again. The only feed she won't eat is Hay.

Many of our residents had a great day Tuesday! They enjoyed riding in the Veteran Day Parade! A number of them rode in cars furnished for them and a number enjoyed a ride with Kelly Scott in a vehicle drawn by his famous mule team. There's quite a history to these faithful mules. Kelly Scott tells about it. "This pair of mules was given to me by Hondo Marchant in 1970 as a Christmas gift. They have won prizes in various parades, been in the movies, went on the Centennial Longhorn Cattle Drive to Kansas City, they have been in many major cities of the U.S. and appeared five times in the Buchanaeer Days Parade in Corpus Christi. They appeared in "The Great Waldo Pepper" movie in which Robert Redford starred. After the Bicentennial is over next year I plan to retire them."

Bobby Malone is Scott's right hand man as hauler and outrider, to assist him in the many appearances of the famous mules.

Representing Purple Hills and riding in the Kelly Scott wagon was Ida Davis, Miss Purple Hills Tidings. (We, the Staff, added this little bit, under protest from Ida.)

Mrs. A. B. Alkek, President, reminded members of the luncheon at the Tick Tock Club of the Alpine Lodge at Kerrville on November 19 at 12:30 p.m. Mrs. W. P. Jordan will be in charge of reservations.

Mrs. James Brady gave an interesting account of woman's role in the American Revolution. She said there are stories that we have heard many times about a few of the women who performed heroic deeds during the American Revolution. Some of the better known are about Martha Washington, Molly Pitcher and Abigail Adams.

There are so many others that were just as heroic, but their stories have not been as greatly publicized. We have all heard from early childhood of the Midnight Ride of Paul Revere, but how many of us know the story of his female counterpart, Sybil Ludington. Sybil at the age of 16 went on a forty mile ride the night of April 26, 1777, to arouse the scattered militia to tell them that the British were burning Danbury, Connecticut, the men who gathered at Colonel Ludington's house in response to Sybil's call reached Ridgefield in time to help drive the British back to their ships in Long Island Sound. The British forces left the harbor on April 30th.

A most interesting story is of Deborah Sampson Gannett, alias Robert Shurtleff. "Robert Shurtleff" enlisted in the Fourth Massachusetts regiment, Captain George Webb's company, May 20 and was mustered into service at Worcester on May 23, there is some controversy regarding the year, either 1781 or 1782. She fought with the men, as a man, and was severly wounded twice, but treated the wounds herself for fear of being "found out". Later she became very ill with a fever and a doctor, upon examining her, discovered that she was indeed female. He did not divulge her secret, but was able to secure her an honorable discharge. Private Robert Shurtleff was honorably discharged from the United States Army by General Henry Knox at West Point on October 23, 1783. In later life she applied for and received a soldier's pension for her services in the Army.

There is a most interesting article entitled "Patriots of Petticoats" in The National Geographic of October 1975 which tells of a statement of a British soldier in Charleston, South Carolina, "Even in their dresses the females seem to bid us defiance." An officer told Lord Cornwallis that he believed if he had destroyed all of the men in North America, we should have enough to do to conquer the women.

Members present were Mesdames John S. Hammonds, John K. Harrell, Sr., W. P. Jordan, John C. Focke, J. O. Evans, James Brady, A. B. Alkek and guest, Mrs. Alice Jobes of Kerrville.

MEDINA LAKE VFD ACTIVITIES

The following activities of the MLVFD is submitted by Bob Larsen, who is the publicity director.

Training Session

The Medina Lake Volunteer Fire Department held its monthly training session on the 4th of November with good attendance. Topics under discussion included equipment carried on fire trucks, its purpose and how to use it effectively. Training instructor was none other than Fire Chief Clinton Oehler.

Fire Call

On November 7 the MLVFD responded to an alarm from Ted Seideman's home on Elmhurst Drive. Although the response was immediate, with a good turnout of fire fighters, the fire was under control when they arrived; damage was minimal.

Paint Donation

Dot and Jake McCracken have donated five gallons of aluminum paint to be used on the doors and trim of Firehouse No. 1. A workday will be announced soon.

Donations To The MLVFD

Donors to the MLVFD, as previously reported, are Mrs. Sophie M. Anderson, William W. Black, Joe H. Chavez, Gloria Coker, Robert E. Cox, Mr. Davis of D&G Enterprises, Marian Dilley, Mrs. J. H. Ferrell, Mrs. J. Hartman, Mrs. Clarence Hummert, Mrs. Marguerite Jenkins, Minerva S. Johnson, John W. Kelly, Gilbert J. Krisch, C. E. McMahan, Mrs. Ruby E. Meyer, Fred D. Palmer, George Rackley, Harry Saurman, Cecil Smith, A. J. Stowe, Mrs. W. J. Thornton, Chester T. Todden, John L. Williams, and Mrs. Annie E. Zoller.

THE LADIES AUXILIARY OF THE MLVFD

The Work Goes On

The beautiful rag doll Christmas wreath made by Polly Larsen is now on display at Edd's Hair Fashions. This wreath is being raffled off by the Ladies Auxiliary of the Lakehills Volunteer Fire Department—all money going to the Bandera County Library Building Fund. Chances are 25c each of five for $1.00. Jeffie Waterman, raffle chairman, has many chances on hand, as well as Edel and the other members of the Auxiliary.

The Auxiliary held it's third workshop last Monday—with three more to go before selling all these gorgeous Christmas decorations at our carnival booth in Bandera on December 6. Drawing for the wreath will be held at the conclusion of the carnival. You do not have to be present to win.

All of the ladies of the community are urged to attend these workshops each Monday, whether you are a member of the Auxiliary or not. We're having a lot of fun while working toward this most worthwhile project. Time: 10:00 a.m. to 12:00 p.m. at the Fire House, Park Road 37. Bring a sack lunch.

SOCIAL ACTIVITIES

Halloween party

Misses Tracy and Tammy Laskowski hosted a Halloween party at their home on the 31st. Guests included Katherine Fletcher and Kristi Kerry of San Antonio. Attending from Lakehills were Leah Cantello, Suzanne and DeAnn Tomerlin, JoAnna Ramos, Dawn Miller and the lovely hostesses. Charades, bobbing for apples, and tall ghost stories were enjoyed.

Kingsville Convention

Mrs. Helen Ahr of Lakehills, who is the president of the Flower Basket Garden Club in San Antonio, recently returned from Kingsville where she attended the Texas Garden Clubs District Seven Convention. As a representative, she was feted with a tour of A&I University and the J. E. Connor Museum. In the evening she was a guest at an executive dinner. The dinner was given in the Round-Up room of the Holiday Inn in honor of Mrs. Lee Coil, the State President of the Garden Clubs. The convention was held at the beautifully restored Henrietta Memorial Center. Many outstanding speakers appeared on the program.

Another Halloween Party

The Halloween Party which was hosted by the Scouts was hosted on November 1 at the Legion Home, was fantastic. A large group of children and adults attended. Prizes were awarded to the winners of the games, also to the best costumes. Refreshments were served.

Hauck-Keslar

Mrs. Dorothy Keslar and Mr. Leon Hauck were united in marriage on Monday, November 3, at 4 p.m. at the Park Road 37 Baptist Church. The service was read by the Rev. Pat Patterson.

FRIENDS OF SCOUTING

Weekly Meeting

According to Mrs. Carol DeThorne, head Den Mother for the Cub Scouts, an intensified interest is being shown for this important community organization. On October 27th, eight Cubs attended the weekly meeting. Hand books were distributed and decorations for the Halloween Party were completed. On November 3rd one new member joined the Cubs. If you have a boy eight through ten, enroll him in the Cub Scouts. This is an organized activity under the direction of competent adults. The Scout program for Cubs emphasizes organized activities in and around the boys' homes. The program also develops their character and trains them for adult life.

ROLAND BAUER RETIRES

Photo by Oehler

Mrs. Roland (Babe) Bauer surpassed Perl Mesta, Gwen Cafritz, et al, when she hosted a retirement party for her husband. This took place on Saturday, November 1, at their lovely lakefront home on Medina Lake. It was a gala occasion for some one hundred guests who came from Odessa, Yancey, Boerne, Beeville, Kerrville, Fredericksburg, Seguin, San Antonio, Hondo, and Lakehills. They all came with beautiful and most useful retirement gifts and to congratulate Roland on 33 years and 4 months of dedicated service with the Texas Highway Department. One of the most outstanding guests was Mr. Charlie Holmes from Fredericksburg, who hired Roland way back in 1942, which started him on his career with the Department. He started working as a common laborer in Fredericksburg. After serving in the U. S. Army during World War II for two years, he returned to work in Kerrville for the Department as a Junior Inspector. He was transferred to Boerne where he became a Senior Inspector. Roland returned to Kerrville as Chief Inspector on Interstate Highway 10 After completion of that job, he worked at the Hondo Residency until his retirement.

The guests started congregating around 2 in the afternoon. The refreshments and buffet were truly an epicurean delight—beef and chicken tamales, smoked turkey, smoked country sausage, imported cheese kabobs, an assortment of exotic dips with chips and relishes. The table centerpiece was the topic of conversation—a sheet cake which was decorated to depict some of Roland's hobbies, namely, hunting, trailering, and of course, a miniature rocking chair. Knowing Roland as we all do, you can be sure the rocker will get little use. We see him doing bigger and more exciting things yet enjoying life in a leisurely way with his gals. Congratulations again, Roland, and to you too, Babe, for being his devoted partner.

BOY SCOUT TROOP NO. 204

A weekend camping trip at Johnson's Goat Hill Camp was enjoyed by the members of Scout Troop No. 204. After a hike from the Legion Home to the camp site, the boys proceeded to work on achievement merit badges in camping and swimming. Special guests for Saturday night dinner cooked over an open camp fire were Friends of Scouting officers, Bill and Jan Slove. Boys participating in the Scoutmaster Sam Tomlinson, Jr. in the camp-out were Mike Galland, Sammy Tomlinson, John Ramirez, Lester Mullaley, Bill Slove, David Foster, Pat Foster, and David Montgomery.

SPORTS

Last Game Of The Season

According to Robert Schmitchel, the last football game of the freshmen of BHS was played at Medina Valley. In the first few plays of the game, Randy Taylor ran the ball over to the left side for a touchdown. Harry Murrell caught a quick pass for the extra two points, making the score 8-0. Then Medina Valley ran a touchdown and got the extra two points, thus tying the score. During the second and third quarters there was no scoring. During the fourth quarter M.V. scored. Final score 8-14, in favor of M.V. It was a fun season. The purpose of competitive athletics is to learn to be a good loser as well as a good winner.

RUMORS

There will be a fish story in next week's Bulletin. (Not a 22 lb. bass either.)

There will be a mariage announced soon.

There will be a pink and blue shower soon.

All politicians will agree to the building of the safety rock at the bottom of Medina Lake. There will be a VIP party at the Kickerpoo at 3:00 p.m. the 16th.

AROUND LAKEHILLS

Who is George?

George was a javelina hog. He must have been a pet. (Poor George!) He wandered down to a certain establishment in Lakehills, where he was chased by the dogs and cats. A certain young couple played with George, then gave him to a friend, who put him in a sack and took him home with him. Since then, George has not been seen. Could he be in a deep freeze?!?!

The After Dark Crowd

If you were at Adolph's Sunday evening, you could never tell that the evergrowing popular After Dark Crowd had been out on Saturday evening. They were having a blast.

PLANT "LIBERTY TREES" KEEP AMERICA'S IDEALS DEEP ROOTED

Lakehills, you are doing OK, so far the nice folks of Lakehills have pledged a total of 79 "Liberty Trees." Remember any seedling, tree cutting, or small tree you plan on planting this coming season counts, so let's all get busy and be counted.

This past week Sandy Mauer pledged to plant 2 trees, Elsie Word 1 tree, Lucile and Bob Moore 2 trees, Irene Lewis 3 trees, Ruth Cowley 1 tree, and Millie Schenkel has pledged to plant 3 trees.

This Plant-A-"Liberty Tree" program is nation-wide and every hamlet, township, city, community or wide spot in the road should plant their 200 trees.

These "Liberty Trees" are for the future generation—this generation has destroyed more than this generation can ever least all of us can do is try to replace some of this damage.

Madrona Garden Club was well represented at Fall Convention which was held in Kingsville this past week. Those attending were President Laura Bennett, first Vice President Florence Girvin, (Florence was the delegate); Mrs. Pat Freeman and Mrs. Macel Jones of Pipe Creek.

(Mrs. Laura Bennett, that tireless worker who is always on the job, submitted the above article).

AUXILIARY NOTES

Ladies of Post 157 American Legion are invited to meet in the Hall November 18, at 2 p.m. for a very interesting planning session, for our Veterans and what we do for Christmas.

Please come and represent our Post in efficient membership.

Mr. and Mrs. J. W. Edwards visited Mr. and Mrs. Jim Edwards last Monday. Jim is building some additions to his home and also is doing some general improvements of property and roads on his ranch.

Those visiting in the J. W. Edwards home during the week were Hollis McCarthy of Poteet, Mr. and Mrs. Jim Bundrick of Smiley, Herb Ellis of Pleasanton, and Rev. Franklin Krause of Pipe Creek.

We learned something from the American Legion Magazine, November issue. "How to get Standard Time" Charles Ferdinand Dowd had been working on some way to regulate Railroad Time which was accepted, up to this time, by different cities; by sun dials and shadows which fell at differences of time for noonday from 5 minutes to one hour which caused no end of confusion to reckon time of arrival of trains from station to station in the country.

Mr. Dowd had not figured out a way to standardize time satisfactorily from 1830 to 1883, when on November 18 and 19 William Francis Allen came up with a plan that was accepted. His plan placed zero hour at Greenwich, which at 60 degrees west would run thru the Eastern Time Zone in America four hours earlier than Greenwich and 24 time markers around the world was then divided into four divisions of time of 15 degrees of time each, which gave us the four time zones of North America and Canada, including South America and Mexico which was accepted by the United States and finally by other nations, until today we have Standard Time around the world for what some call Sun Time.

Daylight Saving Time came during World War II to our part of the country with the thought of conservation of electricity for use of light and heat. This seemed an interesting subject for our Centennial recognition. We might as well keep up with the wide deduction of mathematics for which man, not computers, is responsible.

HUNTING CAN BE A SAFE SPORT

Considering the thousands of men and women who are roaming the fields and woods with high-powered rifles during hunting season in Texas, it is not too surprising that a few hunters fail to return home alive each year. Others return with a serious gun shot wound that requires extensive medical treatment.

The primary cause of hunting accidents is carelessness. The hunter who blazes away at anything that moves runs a big risk of bagging a fellow hunter. The prudent-minded hunter will know what he or she is firing at before pulling the trigger. The hunter must never shoot at or point any weapon capable of killing birds and animals also can kill humans.

To avoid being mistaken for wild game, the Texas Medical Association urges every hunter to wear "daylight fluorescent orange" clothing. Extensive scientific research proves that "hunter orange", while it sends a glowing signal to other hunters, does not hamper the sportsman stalking a deer. A hunter's chances of bagging a deer are just as good in fluorescent or blaze orange clothing as any other color, since the skittish white-tail deer is color blind and will only be alarmed when it distinguishes motion, sound, or scent.

When getting your hunting gear together, be sure to include a "hunter orange" jacket or vest. Even a cap in that distinctive color provides some protection.

Here are some other suggestions for a safe hunt:

Never cross over or through a fence or climb a tree with a loaded gun. It might fall and discharge. Unload first and reload after crossing. Don't shoot at a hard, flat surface. Ricocheting bullets can carry long distances with killing power.

Even a small bore rifle has considerable range. Know where your bullet will stop before pulling the trigger.

Keep guns away from children. Never leave a weapon unattended without unloading it. Store guns and ammunition beyond reach of youngsters, preferably under lock and key.

Always carry a gun so that you can control the direction of the muzzle if you stumble. Keep the safety catch on until ready to shoot. Always be sure the barrel is clear of obstructions. A barrel clogged with mud or snow may burst.

Guns and alcohol don't mix. If you like a nip around camp, wait until you're through hunting for the day and all weapons are unloaded and cased.

Treat guns with respect at all times. They may be loaded, despite all precautions. Thus, never point a weapon at something unless you plan to shoot it.

Good Luck To Our State Champions

Plant "Liberty Trees"

Every little bit helps — don't be afraid to call in and tell us that you are planting only seedlings, or just cuttings, or a little baby tree — remember what happened to the little Acorn.

This past week there were 7 'Liberty Trees' pledged in Bandera. Robert H. Williams has pledged 3 Trees and Mrs. Clarence Rhodes had pledged 4 Trees. So 73 'Liberty Trees' plus 7 makes a total of 80 for Bandera. Keep up the good work.

The young Bobcats were outclassed in most all of their contests this year, as they played with only 1 or 2 substitutes, but they played well and are due many compliments for their progress throughout the season.

Star-Spangled Seniors

by Kathleen Tobin

Mary Ellen Tomlinson

Hoby Craddock

Mary Ellen Tomlinson is a talented senior of '76 who enjoys singing, dancing and partying! She is the daughter of Mr. and Mrs. Samuel John Tomlinson and was born in Cuero, Texas. She attended elementary school in Cuero before transferring to Bandera High School. Mary Ellen has travelled through Mexico, but feels that Garner State Park in Texas is her favorite place to be. She loves the people she meets there and the beautiful, crystal clear water of the Frio River! The natural beauty of the park astounds her in a way that causes her to want to visit the park often!

Mary's favorite people are Coach Turner, Vivian Schmidt, Mrs. Keese, and Mrs. Stevens. President John F. Kennedy is a man whom she greatly admires. She was drawn to him in a unique kind of way by the openness and friendliness he exhibited as he led our country. She feels that he would have been an easy man to talk to had she gotten the chance.

Mary Ellen's philosophy of life is one which should be followed by everyone! "Be Yourself and Don't Try To Act Like You're Someone You're Not!" Mary Ellen looks forward to the Bicentennial year and to the celebration in honor of the 200th birthday of the United States. She would like to go into the service after graduation, probably the army, to further serve her country in any way she can.

Mary has been FHA 3rd vice president in her junior year, and is presently historian of the organization. She also is the only senior in Pep Squad and demonstrates her leadership abilities in that field. All of the best is what Mary Ellen Tomlinson deserves!

Hoby Jack Craddock was born in Seminole, Texas. He is the son of Mr. and Mrs. Billy D. Craddock. Hoby has attended the Bandera Public Schools for 11 years and is currently a favorite senior at BHS! Hoby's greatest interest lies in all sports, especially basketball, swimming and mountain climbing. He enjoys living in the country and also (of course) likes GIRLS!

Hoby has travelled throughout Florida, Colorado, Virginia, North and South Dakota. Of these, Colorado is his favorite. The silent grandeur and beauty of the mountains in Colorado caused Hoby to feel this way.

Hoby Jack's favorite people are Coach Robison, Mrs. Keese, Mrs. Stevens, Coach Turner, Chris Lansford and Mr. Hundley.

Be sure and make plans to come November 14, 1975, to the Bandera vs. Boerne football game.

When asked who his favorite figure in American History is, Hoby replied Thomas Jefferson. Hoby feels that Jefferson did a lot for this country which shaped it into the strong and free nation that it is today.

Hoby's philosophy of life is simple and direct. "Be friendly to others and they will be friendly to you." This philosophy is reflective of Hoby's behavior in school as he is one of the most popular and friendly seniors at BHS!

Hoby was vice president of the sophomore class, has participated in basketball all four years of high school and is golf for 2 years. He was an FFA sentinel in his junior year and was a Mr. BHS candidate his junior and senior years. This year Hoby is secretary of the Letterman's Club.

Hoby's future plans include working in a national forest. Good luck to an outstanding senior!

JUNIOR VARSITY WINS FINAL GAME

by Chris Kaufman

Ralph Lemus scored on a 30 yard pass from Mike Foster, making the score 7-6. In the fourth quarter Medina Valley came up with a touchdown, making the score 7-6. In the conversion point being stopped. In the last seconds of play Medina Valley tried for a field goal, but was unsuccessful as Mark McClain blocked it. The game ended with Bandera winning 7-6.

HOMECOMING

by Glenda Moore

What is homecoming? The American Heritage Dictionary of the English Language defines homecoming as "a coming to or returning home". At Bandera High School it is this and much more!

Each year past and present students attend the game of games. This football game will prove to be exciting since it is the last one of the season and the Boerne also, the half-time activities will draw great attention with the naming of Mr. and Miss BHS.

The candidates this year are:

Seniors--Dana Gray, Kelly Hicks, Brett Morris, Hoby Craddock.

Juniors--Sherry Jack, Charlene Teich, Russell Hayes, Harvey Kelly.

Sophomores--Kim Quarles, Debbie Adkins, Preston Jennings, Bob Riley.

Freshmen--Tracey Hicks, Rhonda Beaton, Randy Taylor, Chris Lansford.

Be sure and make plans to come November 14, 1975, to the Bandera vs. Boerne football game.

GIRLS CROSS COUNTRY

Saturday, November 8, eleven BHS girls participated in their first Cross Country Meet in San Marcos.

The Junior High girls placed second in their division. Individual placings out of 22 junior high participants were Yvonne Lindley 5th, Dawn Bates 8th, Dee Ann Doebbler 9th, Donna DeHoyos 12th, Pam Kalka 14th, Tina Foster 16th, and Vicky Morris 17th.

Out of a field of high school participants, Jeannie Hickman placed 19th, Susan Reidner 27th, Trudy Bailey 37th, and Julie Schulte 58th.

These girls had a rugged 2 miles of hills, curves, and chug holes to run, yet they almost unanimously broke their own individual time.

Congratulations to each for a job well done.

BANDERA COUNTY BLOODMOBILE

By Sam

(Please donate, save a life.)

The Red Cross Bloodmobile Program is a vital community health resource. Through this program, blood is donated by concerned citizens and is made available (at no cost for the blood) to all residents of Bandera County.

Blood needs have, and will probably continue to increase each year. Our population growth is one reason for increased usage. Open heart surgery, kidney transplants, dialysis, increased treatments for leukemia and hemophilia patients plus increased usage by those senior citizens who can now afford hospitalization under medicare, all contribute to the increase in blood usage in our surrounding areas of Bandera.

At times Sid Peterson Hospital has experienced a 'touch and go' situation due to having an inadequate supply of certain types of rare blood for needed transfusions. One cause for this shortage is that during years past numerous donors with rare types of blood were instructed to give only in emergencies. Somehow a number of these donors have been informed that 'direct' donations are a thing of the past. Sid Peterson (for several reasons) no longer calls individuals for emergency blood. Persons with these rare types are urged to again make their blood available to those in need by making regular donations at the Bloodmobile. It is vitally important that you get in contact on Nov. 17 with the Bandera Bloodmobile. Your blood will save lives.

The Bloodmobile program is the greatest life saving program in Bandera County--it has saved numerous lives--it must continue to grow because of the constant increase in blood usage. Such a system requires that an ever increasing number of local citizens really take their responsibilities very seriously by making their healthy bodies the source of a gift that has no other source.

"Please donate. Save a life."

BANDERA ENDS WITH A FINE SEASON

by Kelly Hicks

Tuesday night, November 4th, the mighty Bandera Bulldogs Girls Volleyball teams played the last game of their season against the undefeated Hondo Owls. Bandera played superb powerball against the Owls. They won the first set 15 to 7 and showed the Owls what a good volleyball team looked like. Bandera was defeated the second and third set but gave the Owls a really tough game.

Bandera was led by Kelly Smith, Dana Gray, Debra Chambers, Joan Murray, Jan Stevens, Kim Kramer, and Cindy Williams.

We are all very proud of our girls volleyball team this year. They played some fantastic powerball and are looking forward to another winning season next year. Congratulations girls!

AUTO SAFETY DEMONSTRATION

by Sylvia Michon

Texas Farm Bureau Safety Department of Waco presented to Bandera High School students and faculty on November 6, demonstrations on the reactions required in making emergency stops. Those actually participating and driving the special equipped car were students Kim Quarles and Gene Morris; facu[illegible]ember, Mr. (Coach) Ger[illegible]rison; and Highway Patrolm[illegible] Larry Parker. These drivers made stops at 20, 30, and 40 mph. It took greater distances to stop the car as the speeds increased. Mr. Bullard, who presented the program, explained that the reaction distance will nearly double for each driver when he or she is not aware that it will be necessary to stop at a given point.

Excessive speed is the greatest single cause of traffic accidents and most drivers still believe that "they can stop on a dime." In order for all of us to avoid dangerous situations we must observe and obey the speed laws and all other driving precautions.

Thanks to the sponsorship of the Bandera County Farm Bureau a lot of eyes have been opened, and we hope that many have become more alert in driving.

EXCITING DAY FOR JUNIORS AND SENIORS

by Vivian Schmidt

One of the most exciting events for a junior is receiving his senior ring and one of the most important events for every senior is graduation. On November 4, a step was taken in the direction of these two memorable events when senior rings and graduation invitations were ordered.

Seniors began the morning when they met with Mr. John Sandidge, representative of Star Engraving Company. Mr. Sandidge explained and displayed all the many items offered in addition to the graduation invitations.

Second period the Junior Class met with Mr. Sandidge to order senior rings. Of course, Mr. Sandidge had many displays, and by the time they had all been viewed, most of the students were somewhat unsure of what they desired. This year the juniors received brochures in advance, so many had some idea of what they wished to purchase.

All in all this proved to be a great and somewhat expensive day for the juniors and seniors of BHS. Now that we are over all the tension of decision making the next step is to gently tell our parents the balance due!

NOTICE!!! Homecoming at BHS will be tonight, November 14, against the Boerne Greyhounds, so all "Ex's" be sure to attend. Also, there will be a dance at the cafeteria immediately following the game.

WHAT "EX'S" ARE DOING

by Holly Hevenor

Do you ever wonder what some of the BHS ex students are doing? Or do you sometimes say to yourself, "I wonder what happened to so and so?"

Well, here are the answers to what a few are doing: Rob Bates made the Dean's List at the Bell and Howell Institute this semester; Dianne Lindig is going to take a week off from attending A&M University and go to the National 4-H Livestock Judging Contest in Kentucky; Brenda Schmidt is Feature Twirler at Howard Payne; Steven Franks is attending premed school at Baylor; Bill Schmidtke is serving in the U. S. Navy and was home on leave last week; Mike Moore is attending TSTI and we hear that he's making good grades; Pam Maltsberger is now Pam Licon; Jan Hevenor has finally made an "A" in her English class where the teacher never gives "A's"; Cynthia Redman is attending college, among other things, at the University of Montana; and Bernadette Stein is attending San Antonio College. If these people aren't the ones you've been wondering about, look in next week's paper and maybe they'll be there!

Bandera FHA Will Sponsor Red Cross Bloodmobile

The Red Cross Bloodmobile will visit Bandera on November 17 and will be sponsored by the Future Homemakers of Bandera High School.

Persons age 18 (17 with parents written consent) through 65 will be accepted to donate blood. After the 66th birthday, a donor must have written permission within two weeks of donation, by own personal physician.

Blood donors should eat regular well-balanced meals. It is desirable that the donor has eaten within the last four-hours, but avoid fatty foods such as fatty meats and fried foods. Foods that can be eaten before donation are fruit, fruit juices, crackers, toast with jam or jelly, lean meats, vegetables, milk, tea and coffee.

Bandera County residents are all covered by free Red Cross Blood in any hospital that will accept it. In most hospitals there is no problem because blood is in short supply and they need all they can get.

According to John Whittleman, Regional Bloodmobile Chairman, "so far, starting in April 1975, we received 73 units at Medina and 13 at Lakehills. Approximately 100 more units before April 1976 are needed."

School Superintendent Charles Hundley and School Principal Anthony Knerupper have given their approval to the project.

If you can give blood please contact the Bandera High School Future Homemakers.

Bandera Chapter DAR

"Indian Culture of the Texas Hill Country" will be presented by guest speaker, Bob Ramsey of Kerrville, Texas, at the Bandera Chapter DAR meeting on Thursday, November 20. The members of The Heritage Genealogical Society will be guests at the meeting held at the Bandera Electric Cooperative, Inc., Auditorium at 2 p.m.

Mrs. W. P. Jordan will present the Good Citizen Awards to Darlene Whitehead of Medina, and Brett Morris of Bandera.

Kenneth Andreas Graduates From Recruit Training

Navy Airman Recruit Kenneth W. Andreas, son of Mr. T. H. Andreas of Bandera was graduated from recruit training at the Naval Training Center, San Diego.

Classes include instruction in seamanship, military regulations, fire fighting, close order drill, first aid and Navy history.

Mrs. Margaret Mueller, who has been residing in Medina for several years has moved to Bandera to make her home. She recently spent some time in the hospital for fractured ribs she sustained in a fall, but is getting along well at this time.

Women Of Medina Children's Home Chapter Plan Fair

The San Antonio Chapter of Women for Medina Children's Home is planning an Arts and Crafts Fair at an ideal time for Christmas shopping. The Fair will be held in the beautiful air conditioned Quadrangle Mall located four blocks north of Loop 410 at 8200 Broadway.

The well-advertised Fair will cover the whole interior of the Mall featuring arts and crafts sold by the auxiliary, a country store selling homemade edibles and live plants, and an invitational exhibit and sale by local artists and craftsmen.

Local artists and craftsmen are invited to donate to this project.

All local donations may be left at the Cache Box with Mrs. Sheila Pumphrey.

"The Fruits"

If a botanist were to plant the seed of a pecan tree, what do you suppose he would expect to see coming up out of the ground? A sprig of poison oak? Of course not! But a new seedling pecan tree, naturally. I say "naturally" because a certain type of seed is not expected to produce anything which is not intrinsic to its nature.

Likewise a person who is a Christian is **naturally** supposed to produce the fruit of a Christ-filled life. (see Galatians 5:22-23). Those who are not are not really trusting God to change their lives. To professing Christians I would encourage us all to focus in on the fruit we are producing, because those who are skeptics will, nevertheless.

To the skeptics of Christ and true Christianity I would share a portion of Howard R. Russell's book, **A Lawyer's Examination of the Bible**, pages 191-192, in which he quotes James Russell Lowell:

"I will challenge such skeptics to find a place ten miles square on the globe, where a man can live in comfort, security, and decency, where he can find education for his children reverence for infancy and old age, honor for womanhood or any sacred regard for human life, where the gospel of Christ has not gone and cleared the way, laying a foundation for such a condition of affairs. If they can find such a place, it will then be in order for them to emigrate thither and advocate their unbelief, scoffers against religion (Christian) are dependent upon the religion they discard for every privilege they enjoy as citizens of a Christian Community."

So in the modern-day vernacular, don't **cop out on** Christ and His Christianity just because you see a supposed Christian living the same way you are. Remember, if you try to hide behind a hypocrit, you are hiding behind someone thinner than you. And be assured that God sees around that excuse. Check out the real cause of Christianity-Jesus Christ- and please consider the fruits of a really Christ-filled life.

Golden Age Party

The monthly Golden Age Party was held October 16th in the Fellowship Hall of the United Methodist Church with the Home Demonstration Club members being hostesses.

Various table games and visiting were enjoyed. Prizes went to those who drew lucky numbers.

Refreshments of tuna fish salad on lettuce leaf, crackers, cookies, mints, Halloween candy, tea and coffee were served to the following: Clara Sprott, Mrs. John Saul, Jesse Donnell, Mr. and Mrs. Ed Welch, Monnie Minear, O. J. Clark, Ila Fee, Lola Stevens, Hester Hay, Pat Coffey, Sophie Krueger, Cynthia Mayberry, Ivedell O'Neill, Alice E. Mellis, Lottie Anderson, Lena Mansfield, Susie Bennett, Winnie D. Chadock, Allyne Davis, Dorothy Billings, Arantha Stein, Mrs. Dan Davis, Emma Langford, Georgia C. Alanis, Mrs. J. W. Fulbright, Evans, Tressa Trowbridge, Helen and Alma Fisher, Jureczki, Nora Thallman, and Mrs. Club members present to help entertain and serve were Mrs. G. F. Wyatt, Minnie Bruce Hayes, Pauline Stevens, June Mathis, Becky Bononcini, Amelia Dickens, Mrs. E. C. Morgenstern, Clara Mansfield, Sylvia Sterling, Hazel Billings, Arantha Stein, Mrs. Dan Davis, Emma Langford, Georgia C. Alanis, Mrs. J. W. Fulbright, Evans, Tressa Trowbridge, Helen and Alma Fisher.

Golden Age Tea Set For Nov. 20

The Golden Age Tea has been set for Thursday, November 20, from 2 to 5 p.m. in the Fellowship Hall of the Bandera United Methodist Church.

All interested persons are cordially invited to attend. Those who need a ride to the party may call either Mrs. Howard Dickens, 796-4311, Mrs. Joe Billings, 796-3326 or Mrs. G. M. Merritt, 796-3661.

MR. CATTLEMAN
The cost / price spread has squeezed all of the "romance" out of the cattle business.
For an efficient and profitable operation it is necessary to supplement range and field grazing in the late summer and winter.
So, let's look for some answers —
IT IS TRUE THAT, if you are not very careful, you can feed all of the profit out of a cow.
IT IS TRUE THAT in no way can you starve a profit into a cow.
BUT, IT IS ALSO TRUE THAT — a balanced and nutritional supplement, that can utilize existing forages, is the most economical and feasible way to get the heavier weights needed on today's market.
PRO-LIX LIQUID FEED is a proven supplement that can help your cow through stress periods, both summer and winter.
HAVE YOU BEEN MISINFORMED? Have you been told that one liquid feed is as good as another? Have you been told that all liquid feeds are just a mixture of molasses and a synthetic protein with vitamins and minerals added? Let's be very generous and say that when a "molasses peddler" tells you that there isn't any difference in the result/cost ratio among liquid feed he is, to say the least, uninformed.
PRO-LIX is a liquid feed, but is is as different and as superior over molasses blended liquid feeds as alfalfa is over grass hay. They are both hay, but you would never expect to get the same results from a bale of grass that you could get from a bale of alfalfa. Don't be satisfied with grass hay when you can easily have alfalfa. Look into the supplement that you are buying, compare analysis sheets and performance data.
PRO-LIX is the only liquid feed that contains a fermented tuna fish base with built-in fermentation solubles as well as distiller solubles and has a guaranteed energy factor for proven performance and service.
Contact JACK NELSON or RANDY McNAUGHTON and let them show you how they can guarantee PRO-LIX profits.

Patrick Tobin Wins Trophy

Patrick Tobin, sophomore at the University of Texas, won the first runner-up trophy in amateur bronc-riding finals at Bevo's Birthday Rodeo, Saturday night, November 8, in Austin. The annual event, benefiting the Travis State School, was held at the Travis County Sheriff's Mounted Posse Arena. Patrick represented Phi Gamma Delta, which group also captured first and second places in novice bronc-riding.

Present in the stands were Mr. and Mrs. Don Tobin, Kathleen and Ann Tobin, and Janna Lindig, all of Bandera. The Tobins were in Austin to attend the football game between Texas and Baylor and festivities at the Phi Gam house in observance of University of Texas Dads' Day.

Using binoculars at half-time at the game, Kathleen and Ann enjoyed following the precise movements of Linda Schott who was marching in the clarinet section of the Baylor band.

In Appreciation

To our many friends who helped in so many ways during the long illness of our beloved husband and father, Dee H. Crowell, we offer our humble thanks. As most of you know he had been in and out of the hospital several times this year. Several of our good friends helped by sitting with Dee long hours at the hospital, others helped by caring for him at home for three weeks just prior to his last hospitalization. Each day many, many wonderful cards were received with good wishes from all parts of the United States. Many came hundreds of miles to see him when he was ill. We shall be forever grateful for the many, many times Dr. George Meador and his wife, Ruth, came to administer to him and we shall be forever grateful to Dr. Rex Thomas and the other doctors and nurses in Kerrville who helped him to continue breathing. When God took him home on Friday, Nov. 7, Rev. Roy Spannegal seemed to know he was needed without being notified and was right there to comfort Darlene and I. He led the funeral service and was assisted by Col. E. J. Romigh, Jr., and Rev. Frank Jarrett. Organist for the service was Mrs. J. Manley Reynolds, music director, Rickey Hill was soloist.

Many of our guest ranch family came to the ranch and helped in many ways. They are truly our family.

Food of every description, the beauiful flowers, cards and memorial contributions and other remembrances are appreciated in a very deep and meaningful way. We love and thank you.

Mrs. Dee Crowell and daughter, Darlene Crowell Conoly

Hoax Brings Lawmen To Lakehills

Charges of giving false information to law officers were filed here Sunday against Earl Cline, age 46, of Lakehills, Texas, after Sheriff R. B. Miller was called by telephone and told that Toerck's Grocery at Lakehills was being "ripped off", about 5 a.m. Sunday morning.

Sheriff Miller immediately went to the scene after calling Deputy Joe Page, and getting no answer. Enroute to the scene he was contacted by Department of Public Safety in Kerrville reporting that a robbery was in progress at the Lakehills store, and that Deputy Page was being held hostage. By the time he reached the Toerck Store law officers from surrounding areas had converged on the place. They found Page's car parked with the motor running in the rear of the store but he was not found. About that time Deputy Page walked up and asked why so many officers were there. He had been notified that the store was being robbed and had followed, what he thought, were three men getting away in a paddle boat on Medina Lake.

The officers including members of the Texas Rangers, Department of Public Safety officers of Bandera, Hondo, San Antonio and Kerrville found that the whole thing was a big hoax.

Cline, who resides in a trailer near the rear of Toerck's Store, was taken into custody and placed in jail. He made bond and his sister came for him and took him to a hospital.

Bloodmobile Visit Attracts Many Donors

Approximately seventy-three people reported to the Blood mobile last Monday to make this the most successful drive in Bandera in recent years.

Shown in the photo is Lewis Sterling, the first donor of the day, giving the first of sixty units of blood which are destined for use in area hospitals.

The Future Homemakers of America would like to thank all citizens and students who helped make the Bloodmobile visit a successful one, and to especially thank Mr. and Mrs. Whittleman and Mr. and Mrs. Hoyt Hamrick of Kerrville, and Mr. and Mrs. Martin Hoff of Bandera for their vital help in sponsoring the visit. Also the FHA would like to express appreciation to the Baptist Church for the use of its facilities.

Western Auto Store Robbed

Western Auto Store of Bandera lost about $1300.00 Monday night when burglars broke into the store. Sheriff R. B. Miller reported that investigation is underway in the break-in. He said it was certainly a professional job. The burglars entered the building by a back window in the storage room. They broke a hole in the wall large enough to get into the office of Wilvie Smith, store owner, where the safe was located. They carried the safe to a more secluded part of the room and broke into the bottom of it. By entering the rear of the building they circumvented the burglar alarm system.

Purple Hills Tidings
By Ida

We had another nice Sunday afternoon when the United Methodist Church of Bandera came. Rev. J. Wesley Jones brought a Thanksgiving message. We had lots of good singing with Mrs. John Goodenough and Mrs. Vernell Mullenax playing the piano and organ, and joining in the singing were Mrs. Allie O. Thallman, Mrs. W. P. Jordan, Mrs. Johnny Johnson and daughter, Kathy, Mr. and Mrs. H. H. Hamrick, Debbie Smith, Mrs. J. Wesley Jones, and Mrs. Fred Mansfield. We missed Mrs. Roland Thallman who comes every Sunday afternoon. Mrs. Goodenough and Mrs. Mullenax also play every Saturday evening.

Opal Hagelgens of Pleasanton, Texas, visited Mrs. Lou Fitzgerald Friday.

Mr. Lee Cogan's guests last week were Mr. and Mrs. Rudy Cogan of Kaufman, Texas, and Mrs. Henry Ray of Electra, Texas.

A new member of our family is Mrs. Leona Saylors of Ballinger Nursing Home. Leona came to be near her daughter, Billie Lane of Bandera.

Walter Krueger of Uvalde visited his mother last Friday.

Earl Buckelew and Earl Sides of Medina visited with Earl's mother, Mrs. Cordelia Buckelew, Saturday morning.

Mrs. Willie White's guests over the weekend were Sam Hamer of St. Worth, Col. Adam Collins and Col. Joe Burton of Mulqueny, Mrs. White spent Saturday afternoon at the home of her daughter and husband, Mr. and Mrs. Charles Dougherty of Bandera.

Miss Estelle Harris and Mrs. Pike Davis spent Sunday afternoon at the home of Mr. and Mrs. Raymond Hicks, Mrs. Davis' daughter. Other members of the family there were Mr. and Mrs. Howard Hicks and sons, Clinton and Matthew of San Antonio, and Mrs. Davis' daughter, Mrs. Ed Gieser of San Marcos.

Mr. and Mrs. Howard Hicks and sons, Clinton and Matthew, of San Antonio visited his grandmother, Mrs. Pike Davis and aunt, Miss Estelle Harris, Saturday afternoon.

Mr. and Mrs. R. G. Thompson of Seguin, Texas, came Saturday, and Mr. Rob Thompson went with them to Vanderpool and Utopia for the day.

Mrs. Lou Fitzgerald's guests Sunday were her son and family, Mr. and Mrs. Johnny McCullough and her grandchildren of Poteet, Texas.

Mrs. Grace Dorow really had a big day Saturday when she celebrated her 94th birthday. Her daughters, Mrs. Mildred Cohen of Victoria and Mrs. Lucille Holdsworth of Kerrville, were with her. Her room looked like Christmas there were so many gifts and flowers. There were flowers from Mr. and Mrs. D. W. Hicks, Elsie Eckhart, Punkie and Jana Camp, Hattie Brown, Richard Braden, Joe and Sue Cohen, and Gerald Langford. Those friends who called were Mrs. John Langford, Charmen and Larry Catlin, D. W. Hicks, Monti Chipman, and Mrs. Fred Mansfield.

Mr. and Mrs. Arthur Pickens of San Antonio came Sunday afternoon for a visit with their mothers, Mrs. Emma Joiner and Mrs. Louise Pickens. They went for a nice ride.

We have many to thank for the success of our part in the parade Tuesday, November 11. First of all is Mollie and Fred, the mules, who had to pull the wagon, and their master, Kelly Scott, who brought and drove the patients; the Bandera School for excusing Julie Schulte and Jake Short, who worked as clowns; Susie Batman for lettering the signs; and Bobbie Clown and her helper, Lois Schulte and Sharon Daniels, for the good job in **planning the whole thing.**

Left to right, Sharon Daniels, Julie Short, Lois Schulte, and Julie Schulte.

We have new friends. Well, they haven't been friends for several months but just didn't make themselves known. Then they sent a letter to us by way of the Bandera Bulletin. Mr. and Mrs. Troy Denton of Port Aransas, Texas, who for several years hunted on the Wilton Crider Ranch near Medina, and who passed Purple Hills often, wrote the Bandera Bulletin about shawls and laprobes Mrs. Denton had made. Mrs. Denton spends her evenings crocheting these shawls and laprobes, which she very graciously presented to Purple Hills for the use of the residents. Since the Dentons now have property at Cedar Point and say they will spend their Christmas there, they will be with us for our Christmas Party on December 22, at which time their gifts will be given to the ladies. They delivered them to the Home last Friday.

Mrs. Mattie Mayfield's guests Sunday were her new great-grandchild, Billie Blue, her mother, Mrs. Bill Hyatt, and grandmother, Mrs. Durward Mayfield, all of Medina. Monday Mrs. Starr and the grandfather of Billie, Durward Mayfield, came for a visit.

Mrs. Bill Allen of Medina visited her mother, Mrs. Cynthia Mayberry. Mr. Andy Reed and daughter, Elva Keeling, of Medina visited his sister, Cynthia Mayberry, and brother, Mr. Louis Reed, Sunday.

Mr. and Mrs. J. J. Anderson of Medina visited their sister, Lettie Anderson, Thursday.

Mr. and Mrs. Larry Catlin (Charmien Hicks) of San Antonio visited with her grandmother, Mrs. J. B. Connally and her aunt, Miss Estelle Harris, and also Mrs. Grace Dorow, who was celebrating her birthday.

Mrs. Emma Jenschke celebrated her 81st birthday Tuesday, Nov. 18. She started celebrating on Friday. Her children who were with her were Mr. and Mrs. Raymond Jenschke, Miss Adela Jenschke, Mr. and Mrs. Jerome Jurena and sons, Dwight, Mark, Wilbur, Paul and Keith. Mark and Dwight played and they all sang happy birthday to her. Her son, Edgar Jenschke, was with her as he is every day.

"Manuelle"

Late one dark night, a Horseman rode by our place, dismounted, and crept back inside the unlocked gate; but more of his "doings" later. We soon found out that the young horseman had been a wanderer, and he was Jack's son Gerald, friend of John's son, of Robert's, and of Harry's son, from over the hill—a ne-er do well, but pathetic, too.) He liked to a Maze you-Reckless boy that he was; but he never could "Make Hay while the sun shone." He wanted to Merit all the praise, without working for it. He wanted the Keys to our Peaceable Kingdom, without earning them.

Susie Batman Presents Demonstration

Susie Short Batman demonstrated how to paint with water colors at the Nov. 13 meeting of Epsilon Theta, Delta Kappa Gamma Society, held at Boerne in the elementary school building. Mrs. Batman described her method of approach, the materials she uses, and painted a scene completely, from the first wetting of the paper to the last finishing touch. As she worked she explained how water color painting uses a reverse approach to the methods of oil painting.

In an impressive service two new members were initiated into the society. They are Betty Johannes and Kathryne Nelson, both of Comfort.

At the business meeting routine business was transacted. Members were reminded of the formal dinner meeting with Rita Xi to be held at the Tick Tock Club in Kerrville December 1.

Preceding the meeting varied refreshments of salads, crackers and chips, vegetable snacks and desserts were served the group from a table festively decorated in the Thanksgiving theme. Comfort members were hostesses.

Attending from Bandera were Jean Barnhill, Conny Bryan, Ruth Hay, Patty Hundley, Margie Keese, Sallie Lewis, Vernell Mullenax, Naomi Snyder, Kathy Stevens, Lonette Wilton, Grace Wootton and the guest speaker, Susie Short Batman. From Medina were Virginia Britt, Thelma Gallant, and Vaudene Pruitt. Alice Fletcher of Boerne attended as did the following from Comfort: Ruth Bourland, Beverly Cheshire, Dora Davis, Ruth Davis, Marguerite Lindsay, Annie McElroy, Celia Sheppard, and Irene Spenrath.

Delta Kappa Gamma Society is an international society for women educators.

MEDINA BOBCATS HAVE 4-6 SEASON

The Medina High School Bobcat football team closed out the 1975 football season with 4 loss to the Asherton Trojans 38-7. This gave the Bobcats 4 wins and 6 losses for the season.

The Bobcats only score came on a 39 yard pass play from Ben Eoff to Robert Hubble. Hubble then kicked for the point-after-touchdown.

The Bobcats with an improved season over the 1975 1-9 record are looking forward to their next season. They will be returning 6 of their Friday night offensive starters and 9 of their defensive starters. This should form the nucleus of another improved team.

The Bobcats will lose Bobby Johnson, quarterback, Ben Eoff and Dell Baxter, running backs, and Paul Garrison and Ken Lewis, ends.

The 1976 schedule will have scrimmages against Comfort and Charlotte, non district games against Natalia and St. Anthony's of San Antonio, and district games against Johnson City, Harper, Rocksprings, Nueces Canyon, La Pryor, Leakey, D'Hanis, and Center Point.

A Month Out West

Mrs. Margaret Williamson, left, and Mrs. Elizabeth Mechler.

We would like to welcome Mrs. Fritz Mechler back to Bandera. She has just arrived home from San Jose, California, having had a 30-day leave from our fair state. Now back home again, tired but pleased with her visit to the great West and a welcome vacation with her oldest daughter, Mrs. Margaret Williamson, formerly of LaCoste. Mrs. Mechler is an old-time resident of this area and this was her first time to see California. She traveled via American Airlines, which carried her over the Grand Canyon and many great places of interest. While in California, Elizabeth Mechler visited the Pacific Ocean at Carmel, the Golden Gate Bridge at San Francisco, the famous Japanese Tea Gardens of San Jose, California, and the rather infamous Winchester Mystery House of that city, and many other places of interest too numerous to mention.

Mrs. Mechler says, "California is a great place to visit, but I wouldn't want to live there. The traffic screams around at a dizzy pace on the freeways, and the mountains ought to be a little less like raggedy hills."

Anyway, welcome home, Elizabeth Mechler. We hope Bandera doesn't suffer too much by comparison. Our "mountains" aren't so hilly even if our traffic does move too slow. We just hope their ocean smog never reaches this far and that everybody comes home as satisfied with his city.

Philip Cook, Jr. To Return From The VA Hospital

Mr. and Mrs. Philip D. Cook, Jr. recently moved to this community from Connecticut, and are making their home in a cottage on the Charlie Stein Ranch. Mr. Cook, who has been in the Veterans Administration Hospital in Kerrville, is improving from his illness and is expected to return home this week.

Thank You

We would like to take this opportunity to thank all the people who made our Veteran's Day program a great success.

WHAT THE EX'S ARE UP TO
by Holly Hevenor

If last week's article did not contain the people you were wondering about, here are some other interesting facts about past BHS graduates: Patrick Tobin, who is attending the University of Texas in Austin, recently participated in Bevo's Birthday Rodeo for the information of those attending UT and other surrounding universities. Bevo is the Longhorns' Mascot), and placed second in Amature Bronc Riding. Clay Billings is going to Southwest Texas Junior College in Uvalde. Billy Jennings is playing football at Southwest Texas State University in San Marcos. Mike Teich is working for Slim Kaika as an electrician assistant; Mark Allert is in Dallas going to school at Belle and Howell; Jamy Herrriott spends a lot of his time in the forests at Texas A&M, studying Forestry; and Randy Hicks is playing basketball with the Schreiner Mountaineers, where he is the leading rebounder.

BOERNE SCRAPES BY
by Chris Kaufman

Bandera ended their final game of the year losing to Boerne in a hard fought game 7-6. The first quarter ended in stalemate as both defenses held each others offense. The second quarter belonged to Boerne, not statistically, but score wise, as they scored 7 points, ending the first half. The 3rd quarter was a duplicate of the 2nd as neither team was able to score. In the 4th quarter the Bulldogs showed their true scoring power as they went down on a 1 minute drive ending in a touchdown pass to Brett Morris from Keith Boyd. The attempt for the 2 point conversion failed leaving the score 7-6.

This winds up the football season and now we look toward our basketball teams.

We hope to see the same fan support given to the basketball teams.

CROSS COUNTRY TEAMS KEEP RUNNING

BHS girls' track team placed fifth in a field of ten schools in the Cross Country Meet in San Antonio, Saturday, November 15. Barbara Welch placed eighth in the meet, Jeannie Hickman placed seventeenth, Dawn Bates placed twenty-fourth, Dee Anne Doebbler placed twenty-eighth, and Yvonne Lindley placed thirty-sixth.

In the San Marcos Cross Country Meet held November 8, Barbara Welch placed eighth in a field of 60 participatns, and had the best time for the Bandera girls' team. Her name was unintentionally left out of the report of the meet in last week's paper. Sorry 'bout that!

by Kim Kramer

All Bandera High School students were excused from classes at different times during the day to haul wood for the bon-fire. The bon-fire was lit at 7:00 p.m. and cheers were led by the five high school cheerleaders, Kathleen Tobin, Gina Welborn, Kim Kramer, Kim Quarles, and Tracey Hicks. The band and puppets were present showing their ever-lasting Bulldog Spirit. Twirlers, Maxine Lindig, Trish Godkin, and Jenice Evans also performed at the bon-fire.

Students of BHS would like to express their thanks to the faculty for making it possible to haul wood necessary for the bon-fire.

VETERANS DAY ASSEMBLY
by Vivian Schmidt

Students of BHS gathered in the gym on November 11 for a special assembly held in memory of all those who fought and gave their lives for their country.

Lawrence Jarecski and Andy Rios began the assembly with a presentation and posting of colors. The band then played the National Anthem, followed by the Pledge of Allegiance to the flag lead by Chico Moore. Remarks and special patriotic readings were then presented by the following students: Glenda Moore, Troy Autry, Kim Hill, Kathleen Tobin, and Maxine Lindig. These students and their readings were introduced by Anette Bates. Glenda Moore, and Kevin Riley.

Mr. Koeupper announced that Kathleen Tobin's "Bicentennial minute" won first place in our school and that Glenda Moore was runner-up. Kathleen's "minute" will be submitted to Austin where it will compete on the state level.

Patriotic songs were also rendered by the entire student body. Connie Buxkemper concluded the assembly with a prayer. This proved to be a great experience for all those presenting readings as well as for all those listening.

VETERANS DAY PARADE
by Kelly Hicks

Tuesday afternoon, November 11, the mighty Bulldog Band participated in the Veterans Day Parade. They exhibited fine marching, playing, and entertained the people of our community with their spirited music.

This is only one of the many things the High School Bulldog Band has participated in, which shows that they certainly have spirit and pride.

The Bulldog Band will be going to Hondo on November 22 to compete in the UIL Marching contest. They have been working hard and certainly have the opportunity to make a first division. Good luck band!

About Your Social Security

Working people under 72 who are geting social security payments should report any changes in their 1975 earnings estimates as soon as possible according to Jules E. Gipson, social security branch manager in Kerrville.

"Social security payments to people 72 and over aren't affected by their earnings," Mr. Gipson noted. "But earnings can affect payments to people under 72. They should report any change in their work or earnings on the post card sent to all people who work and get social security checks."

If the post card is lost, the report can be taken care of by a visit or phone call to any social security office, according to Mr. Gipson.

"People who find they are earning less than they originally estimated may get additional social security payments during 1975 if they report the change," he said. "But people earning more than they originally estimated who don't report the change may get social security payments not due them and have to pay back some money at the end of the year.

Social security payments are not affected by earnings of $2,520 or less for the year. Payments are reduced $1 for each $2 earned over $2,520.

"But no matter how much people earn in a year," Gipson said, "they can get their full social security payment for any month they neither earn over $166 nor do substantial work in their own business."

Corporal Pipkin Participated In "Kernel Eagle"

Marine Lance Corporal Edward F. Pipkin, son of Mr. and Mrs. Fred Pipkin of Bandera participated in "Kernel Eagle," a training exercise held on Montague Island in the Aleutian chain off the Alaskan coast.

The maneuvers were designed to test the effectiveness of an amphibious assault force operating under extremely adverse weather conditions. Once ashore, the Marines conducted training in land navigation, patrolling and individual combat measures in the cold-weather environment.

Pipkin serves with the 1st Marine Division at the Marine Corps Base, Camp Pendleton, Calif.

He is a former student of Bandera High School.

Corporal Pipkin's wife and son, Tommy, are presently residing in Haskell with her parents.

Please Consider

by Robert W. Blackshear

When an architect plans to construct a building, he first imagines his design. This design must be in keeping with the established laws of the city in which the structure is to be built; a loss of materials must be innumerated and carefully selected, and the overall cost must be calculated before construction begins. But, along with all of the aforementioned things, the results must always be kept in mind. And if the architect is a responsible man, he will ask himself a fundamental question concerning his expected action—will I finish the task?"

Similarly, Jesus Christ pleads with all who would become born anew through the Spirit (John 3:3,5) to count the cost of such a decision, for the resulting eternal life both now and forevermore does not to the one who starts to build a life of faith, but to the one who ends up having lived a faithful life. Jesus said that if we would be faithful unto death, He would give us a crown of life. The victory is to those who are faithful until death.

And since our lives are going to end on this earth anyway, why not have a reason for living, not a fear of dying? Christ is that reason. The apostle Paul said, "For me, to live is Christ, and to die is gain." (Phil. 1:21). He considered the results of living the Christ-life. If you were to die now, where would you go? Please consider the results.

In Appreciation

I want to offer my humble thanks and appreciation to my friends and relatives for their kindness, love and help, during the illness and death of my beloved husband, Len Rayfield.

The beautiful cards of sympathy and the food brought to my home; to Johnny Boyle and his personnel for their every kind and thoughtful accommodations; I will ever be grateful to the staff nurses at Sid Peterson Hospital and Dr. Rosenblum in Kerrville; and to our own Dr. and Mrs. George Meador, here at home; the comforting words and prayers spoken by Rev. J. Wesley Jones and Rev. Roy Spannagel at the funeral services, the beautiful music and solo with Mrs. J. Manley Reynolds, organist and Music Director, Rick Hill, soloist; and for the efficient service of the Plummer Funeral Chapel and the memorial contributions and beautiful flowers. Thank you and may God bless you.

Happy Birthday To Bo Overstreet

As a birthday gift to her son, Bo Overstreet, Mrs. Virginia Overstreet has ordered the Bandera Bulletin to be sent to him for another year. Happy Birthday, Bo Overstreet of Austin, Texas!

Plant "Liberty Trees"

The citizens of Bandera are really going to town—they realize the importance of planting "Liberty Trees".

This past week there were 25 "Liberty Trees" pledged—this along with the 80 trees pledged so far—makes a total of 105 trees. The trees were pledged by the following: Virginia Johnson, 2; E. W. Anglin, 1; Arthur Pickens, 1; Evelyn Thompson, 1; Mrs. Wally Miller, 18; Mrs. Jane Langford, 2; and the Soil Conservation Service (they are so impressed with this program) have decided to plant 3 Little Leaf Lead trees to be planted on the new Bandera High School grounds.

One hundred-five "Liberty Trees" is very good—now in order to make the quota of 300 trees, there were still 95 trees to be pledged, so here comes one of the Madrona Garden Club members, Mrs. Hedwig Twiehl, and she announces that she has planted 40 "Liberty Trees" so far and is planning on planting some more. How about that. Now only 47 trees left to be planted.

Libraries Receive "Inklings"

Today three libraries will receive a generous slice of the past in Bandera County from the Bandera County Historical Survey Committee. Bandera and Medina School Libraries and Bandera County Library will accept copies of "Inklings of The Past in Bandera County" commemorating the Bicentennial Year 1976, Volumes I and II by Margaret B. Focke and Jennette H. Saul.

Accepting for the Bandera Independent School District will be Superintendent Charles H. Handley; for Medina Public School, Superintendent Garland Davis; and for the Bandera County Library, Mrs. Judy Blucher, librarian.

The book which is a hardback-bound in blue with red lettering features the frontier charm of Bandera County as shown in its early homes, public buildings and business establishments.

The history is written by Mrs. Jennette H. Saul and the sketches are drawn by Mrs. Margaret B. Focke. Some of the buildings are no longer standing but the memory of their place in history is preserved in this book.

Mrs. Focke has captured the charm of the past in her many accurate and very beautiful drawings of historic places in this county. The historical narrative and the sketches reflect Bandera's past and the character and accomplishments of her people.

The members of the Bandera County Historical Survey Committee are happy to make this charming book available to the youth and adults of this county through these three fine libraries.

School Board Presents Certificates

The School Board of the Bandera Independent School District recently met and recognized ten local citizens who completed a course sponsored by the Board designed to acquaint school patrons with how the school system operates. The ten were recognized for attending all three sessions and for their interest in the welfare of the school children of the school district. They are Becky Bononcini, Virginia Brient, Richard Evans, Theresa Evans, Mary Kunz, Bobbie Murray, Charles Newcomer, Travis Redman, Martin Smith, and Joanne Tweedy. Roger Stevens, president of the Board, presented the Certificate of Recognition.

The Board held a long discussion of tax valuations and assesments. They agreed to reduce all assessed valuations on automobiles for the 1976 tax year by fifty percent. Beginning January 1, 1976, all automobiles new to the tax rolls will be assessed for taxation at twenty-five percent of true market value. The true market value will be ascertained in the January issue of the National Automobile Dealers Association blue book, the nationally recognized authority on true market value of vehicles. The Board also elected the Tax Assessor-Collector to depreciate mobile homes in the school district at a rate of five percent per year for purposes of taxation. The superintendent was instructed to cause recreational vehicles to be rendered for taxation effective January 1, 1976. They will be assessed at twenty-five percent of true market value. Assessments for livestock were discussed. The assessments for registered horses was lowered from one hundred dollars to seventy dollars and that of grade cattle from thirty dollars to twenty-five dollars.

The Board reviewed its policy concerning jacket awards for athletes and band members. The following policy was adopted to become effective immediately for athletic awards:

—Athletes earn a major award jacket after lettering in one major sport or two minor sports. Major sports are football, basketball, baseball, track and volleyball. Minor sports are golf and tennis. Coaches set their own rules for lettering. Only one major award may be earned while a student is in high school.

—Upon recommendation of Superintendent Charles H. Handley and Band Director Ron Pierce no change was made in the policy concerning band awards. Band Director Pierce is currently developing a point system which he will recommend as a basis for awarding band jackets.

In other actions the Board

—Confirmed the Superintendent's action in extending the three percent sick account to November 10, 1975, since tax statements were mailed after October 1, 1975.

—Rejected all bids submitted on November 10, to drill a water well for the new Bandera High School.

—Authorized Heisler Well Service of Lakehills to drill a test hole for a water well for the new Bandera High School.

—Approved payment of the November bills in the amount of $48,154.33. This includes the first payment on construction of the new high school. The first bill from Blanchard Associates, Inc., the building contractors, was in the amount of $23,218.20.

—Approved the minutes of the October 13 and October 27 meetings.

—Held a discussion of Superintendent Handley's interpretation of the School Board Student Policy entitled Absences.

The Board designated the following Textbook Selection Committee for the 1975-1976 school year for the school district: Charles H. Handley, Al Kindla, Leta Curbo, Stella Fitzgerald, Nancy Huffman, James Harvey, Marjorie Peters, and Kathi Vander Zee.

State regulation requires that the Superintendent of Schools act as chairman of the Committee, that the Committee include only professional employees of the school district, and that a majority of the Committee be classroom teachers. Only elementary teachers were selected for this year's committee since only elementary subjects and elementary mathematics books will be adopted this year. Books considered are those which are designated by the State Board of Education.

Superintendent Handley reported the following items for information to the Board and visitors:

—The enrollment of the school district on Monday, November 10, was 930, a record high.

—Tax receipts for October, 1975, were $77,451.18.

—Albert Alkek has set up a potential fund for exceptional children in Bandera County through the Commissioners' Court of Bandera County.

—Construction of the new high school is progressing well.

—The 2A4A Football District for 1976 has been organized.

—State required loyalty oaths from all school employees have been collected.

—The usage of the Bandera High School library has increased. In October, 773 books were issued by the library.

New 1976 Calendars Will Be Off The Press This Week

The new 1976 calendars sponsored by the Bandera County Historical Survey Committee will be off the presses of the Bandera Printing Company, Inc. of Bandera this week.

The new calendar will feature early Bandera County buildings and homes as well as ranch brands of this area.

The calendars will be on sale at the coming Fall Festival sponsored by the Bandera County Library on December 6, at the Bandera Recreation Center, along with other publications sponsored by the Bandera County Historical Survey Committee, including the charming and interesting book, "Inklings Of The Past In Bandera County". Artistic drawings by Mrs. Margaret Focke of early day homes and buildings are shown in the book. The book commemorating the Bicentennial Year 1976, is bound in blue and printed in red. Historical data in the book was compiled by Mrs. Jennette H. Saul. This book will make an ideal gift or a valued item for your historical library.

The calendar will make an interesting, worthwhile gift, so place your orders now with Mrs. Howard Graves of Bandera.

Two new members were announced by Mrs. J. O. Evans, Registrar. Mrs. Clyde J. Richter of Victoria and Mrs. Lee F. Bridges of Sulphur Springs, Texas.

The twenty-one members to sign the charter are: Mesdames A. B. Alkek, James B. Brady, J. W. Edwards, James O. Evans, John S. Focke, John S. Hammonds, John K. Harrell, Sr., W. P. Jordan and John R. Welder, Jr., Clyde Richter of Victoria; Mrs. Phillip E. Pierce and Miss Katie Welder Pierce of Dallas; Mrs. Margaret Williams of Houston; and Mrs. George H. West of Durham, N. C.

Mrs. John C. Focke presented the program on "Thanksgiving". She said we had so many things to be thankful for and then told about a dark December day in the year 1620—the 21st of our calendar, the 11th by the one then in use. Through chill winds and icy waves a small boat pulled into Massachusetts Bay.

It carried a number of men clad in somber black and wearing tall hats with round brims. Their companions were soldiers in helmets and breastplates, armed with swords and guns.

Makeshift huts were built, the transfer of men, women and children from the Mayflower began, and the colony of Plymouth became something new on the continent of North America.

The colony nearly failed. The number of settlers was reduced to half during the first winter. As Governor William Bradford noted: "Of 100 and odd persons scarce 50 remained."

Separatists from the Church of England, they had sailed to the New World to practice their faith. They accepted their rigorous life in the wilderness as God's test of their fidelity to the truth.

They might not have come through "the starving time", had it not been for the Indians. Squanto of the Patuxets brought

Bullock said his office has rebated a total of $227.7 million to cities collecting the sales tax so far in calendar 1975. During all of calendar 1974, he said, a total of $233.7 million was rebated.

With a normal November and December, Bullock predicted city budgets will enjoy $25 million to $30 million more revenue from the sales tax this year over 1974.

The Comptroller said 154 of the total 824 cities collecting the sales tax will not receive their rebate until the end of the December quarter, because they fell below the $500 cutoff for monthly rebates.

Telephone Service In Bandera To Expand

Southwestern Bell will begin a $52,000 cable project to expand and improve telephone service in Bandera.

"The project will place most of our aerial cable underground protecting it from the weather, as well as putting the wires out of the public's view," said Jo Nell Tarvin, manager for Southwestern Bell. "Our primary concern is to improve service, but this will also help beautify the city.

"By going underground, the cable won't be susceptible to adverse weather conditions. Moisture in the wires can disrupt service, and burying the cable should solve this problem," Mrs. Tarvin said.

The manager said that the cable will expand Bandera's present telephone facilities to meet growth in the city.

The company will begin burying 21,000 feet of cable in the west and northeast sections of Bandera within the next few weeks. Some 25 Southwestern Bell employees will work on the project placing and splicing cable before the job is completed. Completion is scheduled for Dec. 1. Outside contractors will dig the trenches along the roadbed for the cable's placement.

"There may be some inconvenience to Bandera residents as we work along the streets, but we hope to keep it to a minimum," Mrs. Tarvin said. "Our goal is to see that our customers have the best available telephone service."

Dr. Harrison's Office Closed Temporarily

Dr. J. F. Harrison is undergoing foot surgery and tests in Audie Murphy Hospital in San Antonio and his office will be closed indefinitely. Friends hope he will have a speedy recovery and be able to return to his normal duties soon.

A NEWLY DESIGNED TELEPHONE BILL STARTS IN DECEMBER

Beginning in December, Southwestern Bell customers will receive newly-designed telephone bills similar to the one shown. The bills go into detail on long distance service, noting the number of minutes talked, the time the call was placed and the rate period that applied.

A newly-designed telephone bill with more detailed information will be mailed out by Southwestern Bell to customers in Bandera starting in December.

Jo Nell Tarvin, manager for Southwestern Bell, said the monthly statements have been revised primarily because of growing cost consciousness on the part of consumers.

Mrs. Tarvin said the new monthly statements will include greater detail of long distance service.

"Our computers will now print the time of day or night each long distance call was placed and the number of minutes talked," Mrs. Tarvin said.

She added the new bills also will denote the classification of each long distance call—customer-dialed station-to-station, operator-assisted station-to-station, or person-to-person. Whether a call was interstate or intrastate will be indicated, as well as the rate period that applies to each call.

"In addition to more information on long distance service," Mrs. Tarvin said, "the revised statements will show any adjustments from the previous month, as well as any unpaid balance. If there is no unpaid balance, this will be indicated to let customers know their accounts have been properly credited."

The manager pointed out, too, that federal excise taxes will be listed separately.

The new bills will specify a "due by" date to let customers know when payment is expected. "We believe the new bill format will help our customers keep a sharper eye on their budgets—at least the portion that goes for telephone service," Mrs. Tarvin said.

"Marmselle" and the Peasable Kingdom, by Alice Mellis.

Even his talk was a little different. He said "Elam" for elm, and best food ("Ever Et."), and asked but "Kin he brew" good coffee? When his riding was praised, he said modestly, "Make Naught on it." He told us his bluebonnets this year didn't "Make Navy" a bloom with the "Sepe.nber" in his "Meador". Gerald asked if we can "Make Curdy" cream. He said he didn't mean to "Blare his own horn", he was too foxy for that. He asked slyly, if we had an old coat that "Fits Gerald". We thought that one that "Fits Patrick", our nephew, would be about right. One day he was excited about some "Swans" on our pond. Another time he recalled that his mother bought Fleischman's yeast was "Risinger" than any other. He would "Be Tickled Pinky" dalike for any idea. Not for me—that's for "Sutton".

Mrs. Kitzman Tells Of Religious Tour

Mrs. Art Kitzman recently returned from an interesting religious trip to Europe. Here is her story:

A Religious Pilgrimage

Three Episcopal priests went with a party of twenty-eight on a sight-seeing trip with religious overtones. Our first stop was Rome, which as a Pagan city had much to do with the beginning of Christianity, and now as a Christian city is the centre of the Roman Catholic world. Everything the Romans built here and all through the Middle East is so colossal, so overpowering you wonder how such a civilization could ever fall.

We saw and heard the Pope in St. Peter's Square, an area in vast 50,000 people do not crowd it. His speech and blessing was repeated in many languages as dusk fell a little silver sliver of a moon rose, the 140 statues of saints on the wall were lighted and hundreds of voices broke into "The Hallelujah Chorus". It was a time to remember.

We flew across the beautiful blue Mediterranean to Cairo, Egypt, the country of mosques, mosques and Moslems. Our hotel was on the Nile. So much to see—the only site where God spoke to Moses, the Great Pyramids, built 3,000 B.C. and so big the base of one covers 17 acres, the inscrutable Sphinx, King Tut's Tomb of solid gold, the incomparable luxury of the Pharoahs, especially Ramesis II, whose 13th son was the Pharoah of Moses.

And so to Damascus, Syria, 6000 years old. Here allegedly is the head of John the Baptist, the home of Judas Iscariot, the biblical "straight street" the house of Ananias, where St. Paul was let blinded, and the wall over which he escaped the Jews who wanted to kill him after his conversion.

The airports are terrific hassels—customs, check baggage, passports, visas, airline tickets, seat assignments, long long lines—so it was a relief to get on a motorcoach to Ammon, Jordan. On the way we lunched at Jarash, a well preserved Greek-Roman city with excavated temples, fountains, Forums. This is the "glory that was Greece and the grandeur that was Rome". We rode horseback thru winding canyons to the 2000 year old rose-red "hidden city" of Petra with roof-carved temples, tombs, just incredible!

In Ammon is a museum with artifacts 180,000 B.C. more Roman ruins, theatres, temples and three palaces of King Hussein. From here we drove to Mt. Nebo where God allowed Moses to see the Promised Land. It is a high windy city as it was in Jesus' time with the site of Sodom and Gomorrah, and the Jordan Valley, "mud flat by 48 lamps."

We drove to Jerusalem where the Old and New Testament lived. Here we saw the Garden of Gethsemane at the foot of the Mt. of Olives almost as it was in Jesus' time with olive trees 3000 years old; on the road to Bethlehem where David was born and herded his sheep. Largely built by King David's line went to Bethlehem to be registered. Jesus was born nearby in one of the caves surrounding the city instead of the stable of western Christendom. Built on a magnificent basilica over the site. The Grotto of Nativity is lighted by 15 by 48 lamps, the primitive rock blackened by candles and lamps seen above the manger. The Shepherd's Field is 2 miles east of Bethlehem, where the angels appeared at the birth of Christ. Jericho is 846 feet below sea, the shape of a tent. Near is the Tomb of David, most sacred to the Jews, and the room over it is which is the Upper Room of the Last Supper, also where Jesus appeared twice to his disciples after his resurrection and where the disciples received the Holy Ghost.

In Jerusalem is the Museum which holds the Dead Sea Scrolls. It is in the shape of the jars in which they were found in the hundred of

ROSE GARDEN CLUB MEETS

The Rose Garden Club of Medina met November 19, 1975, at the Garden Center, with a nice roll call of members present.

The program for the afternoon was a film called "The Garden of God" presented by Mrs. C. E. Lautzenheiser. The colored film made by Colonel Walter J. Klein, brought of us the flowers of the Holy Land, also plants and trees. The film was presented in a beautiful way, showing the flowers of the Holy Land, in all their beauty and color. The commentary with the film seemed like the flowers were speaking to us.

After the interesting film and before business, the hostesses, Mrs. Walter Ford, Mrs. J. J. Adams and Mrs. R. E. Hart, served a very tasty lunch.

The business meeting had reports from the Lone Star Gardener by Mrs. Homer Stevens and from the National Gardener by Mrs. G. T. Williams. Also very interesting reports were given by Mrs. Paul Garrison, our delegate to the Texas Garden Clubs, Inc. Fall Convention in Abilene, and Mrs. C. E. Jackson reported on the District VII Fall Meeting held in Kingsville, Texas.

The other businesses of the afternoon were many, as it is at this time of year, having the Christmas season in mind.

Members, remember to bring all those things promised for the Library-Raising Fund and the Meri-Mart, but most of all, do not forget our own bake sale. Be looking for those baked goodies November 29th.

Dee Crowell Is Honored

The following letter was received this past week by Mrs. Dee Crowell, from one of the boys who grew up here under the guidance of her beloved husband, Dee Crowell, who recently died. "This letter was sent by one of Dee's Boys and we feel it expresses the sentiment of one of his many protegees," said Mrs. Crowell.

Dear Billie and Darlene:

Dee's passing was extremely sad for me but I can honestly say that I felt relieved that Dee's suffering was over.

I'm writing this letter to let the two of you know what a fine person I thought Dee was. I have thought of Dee more as a dad than as a friend. I know he didn't sire me physically but he certainly had a great deal to do with shaping my standards. That early association in life at age four, five and six are very impressionable years and we tend to reflect later in life our environmental condition of those early years. I could not have been associated during those years with a greater guy than Dee and feel that I am a much better person as a result. I tried to tell Dee this several times but never felt comfortable doing so as a result didn't. However, I do believe he knew how I felt.

Dee had the rare ability to be a two fisted outdoorsman and at the same time be a very empathetic, charitable and unselfish person. A real man's man in everyone's book. Never, ever did I hear anyone speak of Dee without respect. He was the greatest.

I only hope I can achieve his high level of respect by the time I pass on. Its a big goal and one worthy of much work.

About Your Social Security

According to Jules R. Gipson, branch manager of the Social Security Office located at Kerrville, many domestic workers are still visiting the Social Security offices throughout the nation to file claims for disability insurance benefits only to be advised that they do not meet the disability earnings requirement. Even though a worker can be severely impaired, if he does not meet the earnings test, benefits cannot be paid.

Most of the non-government workers are covered by the Social Security Program but surprisingly, many domestic employers are not reporting or improperly reporting wages earned by a domestic employee. This, of course, affects a domestic worker when his earnings are suddenly terminated due to a disabling condition.

Any money that is earned in or about a private home by an individual who earns at least $50.00 or more in cash wages during a calendar quarter should be reported timely by the domestic employer. (Four dollars per week amounts to $52 per quarter). In order for the employer to report such wages of a domestic worker, he must have the worker's correct social security number. A domestic worker should present his social security card to his employer the same day that employment begins.

Disability insurance benefits are only payable to an individual whose impairment is expected to prevent him from performing any substantial gainful activity for a continuous period of 12 months or have a condition that is expected to result in death. In addition to the severity requirement, he must also have a minimum of 20 quarters of coverage out of the last 40 ending with the quarter that his disability starts. Twenty quarters of coverage consist of only 5 years.

There is an obvious concern about a disabled person who has done domestic work and is not insured because his employer has failed to report his wages. Therefore, it is highly suggested that a domestic employee should periodically have his earnings record checked. This will assure him that his wages have been reported and properly credited to his record.

Any Social Security office will assist employers and employees in obtaining the needed information. They will gladly answer any questions that a domestic worker might have regarding his employment.

Domestic workers should get in touch with their nearest Social Security office.

Lakehills NEWS

Helen Temple 751-3185

From beautiful Lakehills comes the thought for the week: It is important to differentiate between what is necessary and what is not.

SOCIAL ACTIVITIES
Church Group Enjoys Bill 'Country Tour

The Laurel Heights Methodist Church mature adult group from San Antonio enjoyed a Hill Country Tour via Kerrville Bus Co. The group traveled to Leon Valley, Helotes and one to Bandera where they made their first visit. They continued on to Tarpley, Utopia, Sesh Canyon Pass, Vanderpool, Leakey, and south to Garner State Park. After a delightful lunch they left Garner Park and continued on north where they got a view of the H. E. Butts camp on the Frio River. After a day of enjoying the beautiful Hill Country the group returned home tired but happy. Miss Lois Clark, who is a frequent visitor in Lakehills, agreed that the tour was beautiful, but Lakehills has the mostest.

Visitors in Lakehills

Mr. and Mrs. Robert Barstow from Geronimo Mobile Home Village were the guests of Mr. and Mrs. Bill Slove recently. They were guests at the bingo game at the Legion Home Tuesday evening. The Barstows are the managers of the Coffee Shop at the Automotive Research Association.

Home Again

Mrs. A. G. Ulirich (Lois) is home again. Mr. Ulirich made the long trip to San Diego, Calif., via auto to return her home. While on the coast the Ulirichs visited Robert Caraway, who is an EM3 in the U. S. Navy, and has seven more months to serve. He will return to Lakehills to make his home.

Recording Star Visits Lakehills

Will Bealy from San Antonio, who is a recording star with Malaco, was a visitor in Lakehills Sunday at the Kickerpoo Restaurant.

McMahans 33rd Anniversary

Pictured above are Mr and Mrs. C. E. McMahan of Lakehills who celebrated their 33rd wedding anniversary on Tuesday, November 22, at the Betterment Association Dance.

The band played a special number for them and friends offered congratulations. The McMahans were married in San Antonio. They have a son and a daughter.

PARTY FOR BILL SLOVE

A gala party was held for Billy Slove at Adolph's Party Room Saturday evening. Delicious refreshments were served to fifty guests. In the picture with Billy are Commander Bill Jenson and Scoutmaster Sam Tomlinson.

New Year's Eve Dance

Mr. and Mrs. James Couser (James and Marty) will host a New Year's Eve Dance at Adolph's. The fabulous Hilltoppers will play for the gala evening. Make your reservations now. The charge is $5.00 per couple. No telephone reservations please. Favors for the guests, delightful dancing music and the traditional black-eyed peas and cornbread.

Plans are being finalized for the Second Annual "Christmas Eve in Lakehills". This year, the Scouts and the Arts and Crafts class have agreed to turn the Legion Home and grounds into a 'Holiday Spectacular' with not only traditional decorations but also many handmade items.

Santa is gathering his list of "what-ins" now, so if you know of someone, be sure to let us know so that dinner can be delivered to the home.

Please contact Mimi Lavarre, Ladies Auxiliary president, or a friend for a complete list of entertainment.

A Special Report From Commander Bill Jenson

On rare occasions in one's life, we have the good fortune to meet a very special personage. This happened to many members of our Post a few months back on our visits to the VA Hospital, Kerrville. Chuck Preston was a patient at the hospital, and enjoyed the visits that we had with him. We "adopted" him as a member of our Post. Now, after an extended stay at the hospital, Chuck is out on his own, and has been able to arrange a suitable financial stability. What is he doing in his spare time? Seven days a week he has made himself available for volunteer work at the hospital—driving the bus, running the projector for movies, and on and on as his services can be used. More important, though, is his rapport with the patients, the true gift of friendship and conversation that can be extended to those with whom he has contact. Chuck has now joined us as an active member of Post No. 410. We welcome him, for he truly personifies the Legion spirit of caring for our fellow man.

Members Who Are Ill

At VA Hospital, Kerrville—Honest John Florence, Bryan Willis, and Don Totten who returned to the hospital last Friday.

At home, Arnold Haby—We are sure that he would appreciate your card of encouragement.

Ladies Auxiliary

The meeting was called to order by President Mimi Lavarre. Helen Ahr acted as secretary in the absence of Henrietta Hunt. After the business meeting plans were finalized for Christmas Eve in Lakehills.

Gifts Needed

All members are urged to bring gifts to the Legion Home. These gifts should be new. Do not bring old or used gifts. These gifts are for the veterans in the VA Hospital in Kerrville. They send them to their families. Bring gifts for men, women, and children. They must be in by December 1. Bring them to the Legion Home or call Mimi Lavarre. She will pick them up.

December is scheduled to be a very busy month at the Civic Center. We guarantee that the Decorating Committee, headed by Ann Jack (who is also Decorating Chairman for the LVFD Auxiliary) will have it beautifully decorated and it will provide a lovely backdrop for all that will be taking place. Friday, December 12, it will be the scene of the Lakehills Volunteer Fire Department Auxiliary meeting. The Fire Department Auxiliary news for details.

The Teen-Age Dance Committee will announce the date of December's dance in next week's paper. Everything is just about ready to roll for a super Christmas Dance for the young people. This is their dance, and while it is not open to the general adult public, those parents wishing to serve as chaperones are invited at the regular admission for everyone, fifty cents per person. Absolutely no beer or other alcoholic beverages will be allowed on the premises. Plenty of soft drinks, snacks and pizzas will be on hand.

Dance

Saturday's dance was enjoyed by a large, appreciative crowd. The three one-day hunting leases on Rudy Scott's ranch were won by Steven Kelley, Robert Stevens, and Gene Shepard. Entertainment chairman, Adren Heisler, assisted by Gus Heisler, Willie Leibold, and Howard Jack, manned the concession stand. He reported the sandwiches (donated by Lola Heisler, Louise Marmor, Jeffie Waterman, Margaret Talk, Florence McMahan, Panchita Thomson, Babe Roberts, Ann Jack, and Lucille Moore) made a rapid disappearance. Assisting Ann Jack with decorations were Lola Heisler and Jeffie Waterman. Chair and clean-up committee: Bob Larsen, Joe Talk, Cliff Waterman, Bob Moore, Howard Jack, Bob Travis, and John Lundblatt.

New Year's Eve Dance

We have checked with the Reservations Committee, Jeffie Waterman, Louise Marmor and Florence McMahan, and they report reservations are being made rapidly for the gala New Year's Eve Dance. Only 250 reservations will be sold at $5.00 per person, no student discounts. These reservations will be held at the door until 8:30 p.m. at which time they will be sold on a first-come, first-serve basis. Los Gringos will bring the music we love to dance to. At midnight, surprise gifts will be passed out and black-eyed peas and cornbread will be served. You won't want to miss this super affair, so make your reservations now before they are all gone.

Tickets On Sale

The Deep-Sea Fishing raffle tickets are on sale. Louise Marmor is raffle chairman. A book or two ($1.00 for five chances) would be a very appropriate item to slip into someone's Christmas stocking. Any time after April 1 the winner may choose a date to enjoy this all-day trip for four people from Port Aransas on the fully equipped, air conditioned "Shanna Lee", piloted by Captain and Mrs. W. C. Gustafson.

There will be a Directors Meeting at the Civic Center, Thursday, December 11, at 8:00 p.m. All members, as well as directors, are urged to attend.

CLUB ACTIVITIES
Road Runners

The Road Runners Bunco Club met at Jeffie Waterman's on November 18 and had an exceptionally good time; mainly because our little wounded bird, Gloria Gustafson, was able to be with us again. She is becoming adept as a left handed thrower and was extremely happy to claim the booby prize. Lucky Ann Jack won first, Wanda Graphman won second, Geneva Mooney, consolation, and one of our dependable subs, Louise Ivey, won bunco. We welcomed Esther Bullock as our other sub.

As usual, Jeffie served a gourmet's luncheon of smoked turkey, complete with delicious salads and hot bread, topped with pumpkin pie. Whatta cook! Next month we converge on Ann Jack for another enjoyable party.

Dirty Dozen

Dirty Dozen Bunco Club went to San Antonio for their November meeting and playing—and what playing they did do.

We played at Alma Sasser's home in San Antonio with eight members and 4 subs, Mamie Stowe, Martha Mazurek, Mrs. Ernest and Meta Schnear from San Antonio. Regular members playing were Cleo Taylor, Vi Fel, Louise Marmor, Linda Wood, Laura Bennett, Ellen Tipton, Alma Sasser, Marie Tomasini, and Joy Siedeman.

Cleo won first, Ellen Hamm, one of our subs, Martha, won bunco, Laura won consolation, and another sub, Mamie Stowe, won booby.

Plans for our annual Christmas party were discussed and this promises to be a real rip-snorter, hope that all members will be able to make this.

For those of you who were not able to make this game, contact Louise Marmor for information about the Christmas party.

Time, 11:30 at Vi Fels.

Arts and Crafts Club

This club is growing very rapidly. Mrs. Margie Knowles is assisting Mrs. Carol DeThorne. Due to the Thanksgiving Holiday the club will not meet until December third. Christmas decorations and gifts will be created at this meeting. There will be a fifty cent charge for materials. Be there at six-thirty p.m. A special thanks to Mrs. Cantrell who has donated driftwood to the club. Thanks are also extended to everyone who has presented new ideas.

Alamo Needle Club

This popular club met Thursday with Mrs. Mildred Anderson at Alamo Beach. This day in the busy lives of the women, attending was spent lovingly on many handsome creations. The charming hostess served a gourmet luncheon.

TREES—TREES—TREES

"Liberty Trees". Someone asked me the other day, just what is a "Liberty Tree"? Well a "Liberty Tree" is a tree that is planted during our bicentennial year. It can be a shade tree, a fruit tree, a blooming tree, it can be any tree that you plant, either a seedling or a large tree. It does not have to be one of the Red Maples that the Garden Club is selling, or does it have to be a Rain Tree that is being sold in advance of the American Legion Plant Sale.

Folks, just plant trees.

This past week we had pledges from the following: 4 trees by Panchita Thompson; 19 by Polly Larson, 5 more by Elsie Word, 1 by Dot McCracken, and 2 by Johnnie Bartlet. Making a total of 31 trees for this past week. The grand total is now 130 trees. Lakehills we still have 70 trees to go.

It is getting close to Christmas and we know that everyone is very busy this time of the year, but after that we will get started again. The next progress report will appear after the first of January 1976.

Thanks to everyone for participating.

FIRE DEPARTMENT ACTIVITIES
The Ladies Auxiliary Worshop Activities

The workship, sponsored by the Lakehills Volunteer Fire Department Auxiliary, held their last session on Christmas decorations that will go on sale December 6 in Bandera for the Bandera Library Fund. These items are perfectly gorgeous. The first order of business was the pricing of the decorations. Everyone set her own price, the totals were averaged, and the final sales price was arrived at. If you care to have "first choice" while the inventory is so complete, call Lucille Moore, 751-2184, and make your selection. All monies from advance sales and from sales at the booth in Bandera will be turned in to the Library Fund.

Don't forget to buy your raffle ticket from Jeffie Waterman, Ann Jack, Ada Wesch or Edel Shepard (who has the beautiful Raggedy Ann and Andy wreath made by Polly Larsen on display at her shop.) Tickets are five for $1.00, and they will also be sold at the booth in Bandera, all proceeds going to the Library Fund. Drawing will be held at 9:00 p.m., December 6. You do not have to be present to win.

Come on, Lakehills, let's have a big turn-out for this Mexican supper and carnival booth at the Recreation Center in Bandera on December 6. This library affords a lot of reading and studying pleasure to all of us, young and old, and this is our opportunity to show our appreciation for it.

BOUQUET OF ROSES TO:

June Ankron for her gift of a refrigerator, chairs, and ice tea cooler to the Legion.

Adolph Marrek, Jr. on his birthday, November 26th.

Mildren Anderson, - the hostess with the ostest.

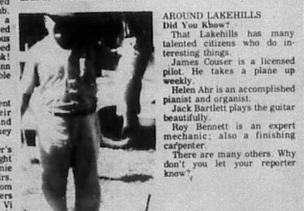
IN APPRECIATION

Wishes to express our appreciation and thanks to everyone; friends, neighbors, relatives, Rev. Collin Furr and wife, the pallbearers and all who assisted in any way, for all the kindnesses, concern, flowers, cards, calls, other sentiments, food and especially the prayers during the greatest loss we have ever known, of our beloved son and brother, Wayne (Billy) Engelke. May God bless each one.

The Engelke Family: Bill, Iris, Mike, Charles, Libby, Glen and Robert Jones.

FISHING ACTIVITIES

In the above picture Ed Burell holds the 6½ pound bass which he caught on the 8th of November from the fishing dock in front of the Kickerpoo.



Reading left to right are: Ray Gaines, Lester and Brian Mullaly showing the 20-pound catfish which they caught in Medina Lake.

Notice

The Lakehills Rural Branch Post Office will have new hours beginning Monday, December 8. The schedule will be as follows: Monday through Friday, 9 a.m. to 3 p.m. continuous, no closing at noon. Saturday 9 a.m. to 12 noon.

The new hours have become necessary due to the increased number of Post Office Box customers and the added number of people receiving service on the route which works out of the Pipe Creek Post Office and which also serves the Lakehills office.

There are sure to be a few customers who will be inconvenienced by the office closing one hour earlier, but I am confident that they will be far outnumbered by those who will gain by the office discontinuing closing during the noon hour.

We shall continue to strive to better our service to you, our customers.

Postmaster

Plant "Liberty Trees"

The "Liberty Tree" planting program is still going on. We know that it is just before Christmas and that everyone has so many other things to take care of right now so our pledges have been few, but we know that things will pick up right after the holidays.

This past week there were 2 trees pledged by Mrs. R. H. Reeder, this making a total of 155 "Liberty Trees" pledged with only 45 left to go.

The next progress report will appear after the first of January 1976. Thanks to all.

MR. CATTLEMAN

The cost / price spread has squeezed all of the "romance" out of the cattle business.

For an efficient and profitable operation it is necessary to supplement range and field grazing in the late summer and winter.

So, let's look for some answers —

IT IS TRUE THAT, if you are not very careful, you can feed all of the profit out of a cow.

IT IS TRUE THAT in no way can you starve a profit into a cow.

BUT, IT IS ALSO TRUE THAT — a balanced and nutritional supplement, that can utilize existing forages, is the most economical and feasible way to get the heavier weights seeded on today's market.

PRO-LIX LIQUID FEED is a proven supplement that can help your cow through stress periods, both summer and winter.

HAVE YOU BEEN MISINFORMED? Have you been told that one liquid feed is as good as another? Have you been told that all liquid feeds are just a mixture of molasses and a synthetic protein with vitamins and minerals added? Let's be very generous and say that when a "molasses peddler" tells you that there isn't any difference in the result/cost ratio among liquid feed he is, to say the least, uninformed.

PRO-LIX is a liquid feed, but is is as different and as superior over molasses blended liquid feeds as alfalfa is over grass hay. They are both hay, but you would never expect to get the same results from a bale of grass that you could get from a bale of alfalfa. Don't be satisfied with grass hay when you can easily have alfalfa. Look into the supplement that you are buying, compare analysis sheets and performance data.

PRO-LIX is the only liquid feed that contains a fermented tuna fish base with built-in fermentation solubles as well as distiller solubles and has a guaranteed energy factor for proven performance and service.

Contact JACK NELSON or RANDY McNAUGHTON and let them show you how they can guarantee PRO-LIX profits.

AN OPEN LETTER TO THE LADIES AUXILIARY

Your donation of $800 to the new Truck Fund is gratefully acknowledged.

Your hard work and support of programs with funds and people have not only been a great asset to this Fire Department but also have contributed to the quality of life in our community. We thank you.

Pipe Creek VFD
Bob Turner, President

Mr. and Mrs. Jerome Edwards announce the arrival of a baby son, Justin Reece. Grandparents are Mr. and Mrs. Willie Boedeker of Miner, and Mr. and Mrs. J. B. Edwards of Pipe Creek. Great-grandparents are Mr. and Mrs. J. W. Edwards, also of Pipe Creek.

PIPE CREEK FIRE DEPARTMENT NEWS

At 9:49 a.m. Saturday, November 22, an alarm was turned in for a brush fire at the Kronkosky Ranch. Two fire trucks and six firefighters were dispatched from Boerne. Two trucks and approximately 12 volunteers responded from Pipe Creek Fire Department. After three hours the stubborn fire was finally contained. Approximately 5000 gallons of water and 54 man hours were expended on the 20 acre "burn".

The following morning a brisk south wind spread the fire again. At 10:07 a.m. Pipe Creek Fire Department and Boerne again responded with 4 trucks and 24 firefighters. The fire, aided by the wind, refused to be contained. While firemen struggled to contain the main fire, 3 more fires sprang up mysteriously a half mile east of the original "burn". Because of the suspicious origin of the secondary fires Sheriff Miller and Sheriff D'Spain were called to investigate. At 1:00 p.m. all the fires were contained and controlled.

As the fire units prepared to leave the scene the wind again pushed the fire northward. Chief Pete Hohon made the decision to allow the fire to advance to a road north of the burning area. Now the wind aided the firefighters, pushing the flames, consuming the fuel inside the perimeter of the road. After an anxious moment as the fire jumped the road, it withered and died with no where to go. At 5:00 p.m. all units returned to the firehouse after using approximately 9000 gallons of water. One hundred and nine man hours of effort went into controlling the 100 acre fire.

Chief Hohon said the fire was probably caused by careless hunters. We would like to thank Bandera Civil Defense units and the Boerne Fire Department and all the people who assisted in this operation.

The November meeting of the Pipe Creek Fire Department saw the bid for the helipad accepted and an equipment study committee appointed. Construction of the helipad has now been started. The equipment committee has met and is actively pursuing a course which will yield a logical equipment acquisition plan.

As the year closes we are embarking on a plan of progress which will reach far into the future of your community and ask for your continued support.

About Your Social Security

The wife of a retired or disabled worker is entitled to Social Security benefits if she is caring for the minor or disabled child of the worker, or if she is at least 62 years old. The widow of an insured individual is entitled to a payment if she is caring for the minor or disabled child of the deceased worker, or if she is at least 60 years old, or if she is at least 50 years old and is disabled.

How does divorce or remarriage effect her entitlement? First of all, in order for a divorced wife or widow to be entitled to a benefit based on her age, the marriage to the worker must have lasted at least 20 years. She must not be married at the time she files, and if she remarries later her benefits will terminate. Also, payments cannot be made to the divorced wife under age 62 of a retired or disabled worker who would otherwise be entitled because she is caring for her ex-husband's child. The divorced wife of a deceased worker who is not married, however, can be entitled to a payment if she is caring for his child. Ordinarily, a widow loses her social security rights when she remarries. However, a widow, who had not been divorced from the worker, may continue to receive a payment if her remarriage occurs after she is 60 years old. The amount she would receive would be adjusted to 50 percent of her deceased husband's full benefit. If her new husband gets social security checks, she may be entitled to a higher benefit on his record. Because of the effect marriage and divorce can have on a beneficiary's entitlement to social security benefits, she should report such changes to her local social security office as soon as possible.

Star-Spangled Seniors

by Kathleen Tobin

DEBORAH JEAN ADAMIETZ

Deborah Jean Adamietz is a bright and happy senior who was born in Kerrville, Texas. She is the daughter of Mr. and Mrs. John Adamietz, Sr. Debbie attended St. Stanislaus Catholic School through the fourth grade, then transferred to the Bandera Public School system. Some of her favorite things to do are riding horseback, swimming, and playing tennis. Debbie has traveled little in her life, but is looking forward to doing so when she gets out of school. There are many people whom she considers to be her favorite. Lou Stricker, Sandra Cielencki, her nephews, Gene Hoyt Fahey, Jr. and Scott Adamietz, are just some whom she enjoys. Her favorite teachers are Mrs. Stevens, Coach Miller and Mrs. Hay.

Debbie believes that Abraham Lincoln is a man who did much to shape our country. She feels that his Gettysburg Address was one of the finest documents in American History. She is tremendously moved by his eloquent language and his obvious concern for his fellow man which can be seen in his words. Debbie has a unique philosophy of life. She believes that you should do your best to achieve your goals and should never go back on your word. She also feels that you should never try to be someone else, you should just be yourself.

Debbie is impressed with our Bicentennial year. She believes that it is a time to look back and reflect on the struggles and hardships which played such a big part in the birth of our country. Debbie's future plans include attending a business college. She is a fantastic senior of '76 who also wrote articles for the Pen-in-Paw last year. Good luck Debbie!

BARBARA ANN MERRIS

Born in El Paso, Texas, Barbara Ann Merris is another great Bicentennial senior. She is the daughter of Mr. and Mrs. Edward L. Merris, Jr. Barbara attended schools in California and San Antonio before transferring to Bandera. Barbara loves to snow ski and play in the sand. She also enjoys just sitting and reading in order to relax. Barbara has traveled extensively through California, Missouri, Maine, and Alaska. She also has toured most of the Western states of the United States. Alaska is her favorite place because of its breathtaking beauty. She is drawn to the state because of the snow, which of course is the most important factor in snow skiing! Snowmobiling is another favorite of hers. Roger Sprott is Barbara's favorite person and she considers Coach Atkinson to be her favorite teacher.

Barbara has a deep admiration for John F. Kennedy. She believes that he showed tremendous leadership abilities as our President and that his openness and honesty was an inspiring trait. Barbara believes that you should always do your best in whatever you do and upon doing so be proud of what you have done. She has earned one band medal and two band letters.

Barbara plans to attend the University of Texas at San Antonio and become a nurse. Barbara is definitely one of BHS's finest seniors!

by Chris

Varsity

Bandera opened their season with a victory against the Blanco Panthers winning 79-68. Blanco, though a strong team, could not keep up with the Bulldogs, as they dominated the entire game. Bandera's fouls kept the game much closer for the Panthers as they scored 24 out of 37 on the free throw line. Bulldogs had 3 players scoring in the double figures. Dale Marker had 32 points, Bubba Quaries had 12 points, and Mike Jones had 10. Also scoring was Tim Hicks with 7 points, Brett Morris, Hoby Craddock, and Bob Riley had 6 points each.

JV Statistics

Friday night also turned out to be successful for the JV-b team. The winning score was Bandera Bulldogs 19-Blanco 14. The points were made by: Mark Eden 10, Barry Murrell 10, Bobby Edwards 6, Ron Turner 4, Preston Jennings 4, Scooter Keslar 2, Jeff Persyn 1.

Varsity

Last Saturday Bandera travelled to Fredericksburg to play the "Billies" losing 62-61 in a very close game. The game was a see-saw battle during the first half, but it was 27-27 going into the 3rd quarter. The game remained close, but a field goal and a free throw by Fredericksburg, with seconds left in the game, pulled it out for the "Billies". Bubba Quaries was high man with 26 points, Bob Riley scored 13, Brett Morris scored 7, Mike Jones had 6 points, Hoby Craddock had 5, Dale Marker scored 3, and Keith Boyd had 2.

TOWARD NEW HORIZONS

by Anette Bates

FHA held their first General Session of the year first period, November 24.

Sylvia Michon, president, opened the meeting and called for the Treasurer's report from Kim Kramer. Kelly Smith then read the minutes from the executive meetings last May.

Future Homemakers' guest speaker was Mrs. Lois Schulte who gave an interesting speech on the elderly and on rest-homes in general. She also spoke on the rehibilitation of the patients in Purple Hills Rest Home. Mrs. Schulte's main emphasis was that the elderly have a lot to offer if we just give them a chance, and invited everyone to spend a little of their time visiting at the rest home.

GOOD START

by Kelly Hicks

What a start this year for the Bandera Bulldog Girls' Basketball Team. They devastated both the Tivy Antlers and the Blanco Panthers last week.

The Bulldogs boomed from the start when they overwhelmingly defeated the Tivy Antlers 53-22. They showed offensively; good shooting perceptive, good rebounding, and good hustle. The defense was just as strong and was displayed when they held the Antlers to only 22 points.

The following week the Bulldogs played the Blanco Panthers at the Bandera gymnasium and won a most exciting game, 43 to 34.

The Bulldogs are really looking strong this year. Their next game will be against Southwest. Come and Support your team.

BLOODMOBILE SUCCESSFUL

by Kelly Smith

Sylvia Rodriguez holds jute for Macrame projects in H. E.

Kelly Smith

Monday, November 17, Bandera citizens contributed over 69 pints of blood to the Bloodmobile that supplies our region. The Blood Drive, held in the basement of the Baptist Church, and sponsored by Bandera High School FHA was a success, considering only 14 pints of blood were given in the last drive.

FHA extends thanks to its members and all others who contributed time, help and especially blood to this year's drive.

MACRAME WORKSHOP PLANNED

Does this look like a necktie party? Well, it's only macrame time again. The young Homemakers plan another work-and-learn session for 2:30 p.m. Thursday, December 4, in the home economics department at Bandera High School. Any interested person is welcome to come. Jute is furnished for approximately $1.50 per plant hanger. BYOB (Bring your own beads!)

MECHANICS

by Ballan grant

Motors, cars, and diesels are a big part of peoples lives. On Tuesday, November 18, a representative from Ryder Tech came to Bandera High School and showed films. He also gave a lecture on how to build engines. All seniors and juniors were invited. Ryder Tech School use to be for boys only but, within the past two years, they have changed that rule and now girls are welcome to enroll.

THE BEGINNING AND THE END—Mrs. W.H. Hayes of 406 Nicholson St. displays a rare combination, issues of the San Antonio Light announcing the beginning of the end of World War I for the United States. The issue pictured below has headlines marking the U.S. entry into the conflict and the upper newspaper announces the end of the war Nov. 11, 1918, exactly 57 years ago today. Mrs. Hayes' late husband fought in WWI. (News-Herald Photo)

Mrs. Hayes is the wife of the late Will H. Hayes, a former resident of Bandera and the brother of Roscoe Hayes, Harold Hayes and Mrs. Jim Power of Bandera. He served honorably in World War I. He recently died in Del Rio where he had served in the Custom Service for many years.

cornmeal and venison to alleviate the famine, he showed them where to fish through the ice, how to trap small game, and how to find succulent roots beneath the frozen sod. Largely as a result of Squanto's advice, food increased during the winter.

Governor Bradford decreed that the harvest should conclude with great celebration. He invited Massaoit, chief of the Wampoanags, who came with nearly 100 of his braves.

The date of the first Thanksgiving remains a mystery. Bradford set aside three days in November. However, in all of his writings about the colony of Plymouth, he never says which days they were.

The important thing is that the idea of Thanksgiving every harvest-time spread from Plymouth through the New England colonies. It was not until 1789 when George Washington proclaimed it a national holiday. Congress passed a law in 1941, since then the only date has been the last Thursday in November.

If the colony had failed, Americans today would be deprived of a great episode in their history, a dramatic theme of their folklore, and one of their favorite holidays.

Guests present were Mesdames Robert B. Arnold, Morris Morgan, J. D. Patton, Louis Domingues, Thomas M. Daniel, Alice Jones of Kerrville and Mrs. Joseph Tajan of Bandera.

Members present were Mesdames John R. Langford, James Brady, J. O. Evans, John C. Focke, J. W. Edwards, W. P. Jordan, John K. Harrell, Sr., John S. Hammonds, A. B. Alkek and Mrs. Sam W. Gardner of Kerrville.

Bandera County 4-H Livestock Judging Team Results Of National Contest

First, I want to take this opportunity to thank all the businesses, individuals and friends who helped sponsor the trip for the Bandera County 4-H Livestock Judging Team to Louisville where the national judging contest was held. Your response to this cause was certainly appreciated by the team and the County Extension Agent.

The team consisting of Kim Keese, Dianne Lindig, Maxine Lindig and Corwin Snyder departed from Bandera on Saturday, November 13th. The first night was spent in Memphis, Tennessee. The next day on November 16th the team departed for Lexington, Kentucky, to do practice judging on November 17th at the University of Kentucky in Lexington. In route the team stopped at Nashville, Tennessee, to take a tour of the capitol of Tennessee, the beautiful grounds surrounding the capitol building, and statues of former President Polk and Andrew Jackson. A visit was also made to the Hermitage House, which is of historical significance, while we were in Nashville.

On November 17th the team left early to visit the Cold Stream Farms of the University of Kentucky in Lexington to do practice judging. The team judged three classes of hogs, three classes of cattle, and two classes of sheep. After dinner the team visited the Domino and Fair View Horse Farms in the Lexington area. A visit was also made to the statue of the famous horse, Man of War. It was of great interest for the team and myself to visit these race horse farms and to see how they operate. After a visit to the horse farms it was time to depart for Louisville since I had to be present at 6:00 p.m. for a coaches meeting. During the coaches meeting instructions were given for the judging program for November 18th. After the coaches meeting, the County Extension Agent met with the team to start talking reasons on the classes of livestock that had been judged that morning at Lexington. Four sets of reasons were given by each 4-H member. They worked hard in preparation for the judging contest which was going to be held the next day.

The schedule for November 18th was a strenuous one and took a lot of stamina for each team member. It is really a hard, but at the same time, a good educational experience for each 4-H member to go through such a contest. The team members had breakfast at 6:00 a.m., went to the Coliseum at 7:00 a.m. and started judging at 7:45 a.m. Twelve classes of livestock were judged. Reasons were taken on six classes. Dinner was served on the fair grounds and immediately after dinner the team went back to the Rodeway Inn Motel and started talking reasons at 1:15 p.m. The team members lined up in which order to talk reasons and have approximately 45 minutes between each set of reasons to prepare for the next set. Reasons were completed at about 5:45 p.m. If you follow this program all the way through, you can see that it was a hard day for each of the 4-H team members.

The placing of the team was 5th in sheep. Kim Keese was 7th high individual in sheep judging. The team placed 22nd over all and even though this does not sound very good, the team score was actually good and a few mistakes here and there cost the team a lot of points. On another day I am sure we could have been right close to the top in any contest, but it just wasn't our day. I am proud of the team and the way they performed and conducted themselves on the trip. I know it was an educational experience which they will never forget.

And again, I want to thank everyone for sponsoring the team the way they did.

Werner M. Lindig
County Extension Agent

DONATIONS TO BANDERA FIRE DEPARTMENT

The following donations to the Bandera Volunteer Fire Department have been received this past week according to Fire Chief Coy Ross: Jimmy Russell, $10; Mrs. Lucil Muehl of Medina, $50.

Friends here will be pleased to learn that Sam Bradford is making steady improvement in Sid Peterson Memorial Hospital in Kerrville following major surgery.

New Calendars Presented At Historical Meeting

The regular meeting of the Bandera County Historical Survey Committee was opened with the invocaton by Charles H. Hundley, Superintendent of the Bandera Independent School system, Friday afternoon at the Community Room of the First State Bank.

Mrs. A. B. Lewis, chairman, called the meeting to order. After the reading of the minutes and treasurer's report by Mrs. Howard Graves, roll call was answered by members of the group with many interesting as well as amusing facts of history.

Marvin Moody and Charles Hundley, members of the audit committee, gave a good report of the audit and commended Mrs. Graves on her work of over ten years as secretary-treasurer for the organization.

Mrs. Graves reported that the book, "Reminiscences of a Centenarian", the story of the life of Veteran Amasa Clark, had been presented to the committee by his daughter, Mrs. Charles Schmidtke. The group voted to send Mrs. Schmidtke a card of thanks along with a copy of the new 1976 calendar just off the press. Mrs. John Hammonds will give the committee a book, entitled "Fall of the Alamo" by John Sutherland of Sutherland Springs.

Mrs. Lewis appointed a committee headed by Charles Hundley to investigate places in the county for a "drive by" tour, and ascertain the preparation of brochures of some type for this project. Other members of this committee named were Mrs. John Saul, Hoyt Foster, Doris Young, and Thelma Gallant. The committee will report their findings at the January meeting.

The new 1976 calendars by Margaret Focke and Jennette Saul, and printed by The Bandera Printing, Inc. of Bandera, were presented. The group set the price at $1.00 plus tax for the new calendar. It is hoped that the public will buy early, as these calendars, featuring Ranch Brands of Bandera County, along with historic homes and buildings will make ideal Christmas gifts.

The group accepted with pleasure the gracious invitation to hold the January 16 meeting at the Old Montague Home, now owned by Mr. and Mrs. Charles Hundley.

Before the meeting adjourned, markers, cook books cleaning and wrapping of old books and records located in the Old Jail, and other pertinent matters were discussed.

Highlight of the day was the presentation of copies of the "Inklings of the Past" to the Bandera and Medina School libraries and the Bandera County Public Library. Receiving the gifts were Miss Thelma Gallant of Medina for the Medina School Library; Charles Hundley for the Bandera School Library; and Mrs. Charles Blucher for the Bandera County Library.

Attending the Friday afternoon meeting were Bandera County Judge W. O. Hatfield, Jr., Justice of the Peace and Mrs. Fred Endar, Mrs. A. B. Lewis, Charles Hundley, Mrs. Jack Focke, Mr. and Mrs. John Hammonds, Mr. and Mrs. Roy Palmer, Mrs. Connie Villemain, Miss Thelma Gallant, Mrs. Ray Caffall, Marvin Moody, Mrs. Howard Graves, Mrs. Fred Mansfield, Mrs. John Saul, Mrs. Minnie B. Hayes, Mrs. Charles Blucher, Hoyt Foster and Doris Young.

After the meeting homemade cookies, punch and pecans were served from a beautiful refreshment table covered with a white, lace edged cloth and centered with a floral arrangement in which the Bicentennial colors of red, white and blue were carried out. Hostess chairman was Mrs. Minnie B. Hayes.

TEXAS TAXES

BY Bob Bullock

We get a surprising number of calls asking if residents of other countries can make purchases in Texas without paying the Texas sales tax.

The answer, of course, is no. Many of these calls come from merchants along the great border we share with Mexico and from cities where there are universities with large foreign student enrollments.

The only kind of sales tax exemption granted foreigners by Texas law covers staff members of foreign consulates housed in Texas.

The only other type of sales tax exemption available for foreigners shopping in Texas covers merchandise bought here but shipped directly to the home address of the foreign purchaser.

If the foreign purchaser takes possession of the purchase in Texas, though, the state and city sales taxes must be paid.

There is considerable activity in foreign purchases of goods for tax-free shipment outside Texas, particularly along the Mexico border. There are several ways this can be accomplished.

The retailer may deliver the goods to a forwarding agent or customs broker for shipment outside the state. The retailer must retain all shipping documents with a copy of the shippers export declaration which shows delivery to a foreign destination.

The delivery must be made by the retailer to the forwarding agent or customs broker. The customer cannot legally make such a delivery.

Another method is for the retailer to deliver the goods to the foreign destination using his own mode of transportation. Again, the retailer must retain all records, the trip tickets, truck logs and other documentation to show the specific items and the foreign destination.

The retailer may also have the goods delivered by a "common carrier" such as a truckline or by the mails. Again, keeping all records is necessary for the retailer to prove to the Comptroller's Department why there is no sales tax collected from the customer and remitted to the state.

Property coming into Texas from a foreign country is treated just about the opposite of goods leaving the state.

All taxable goods coming into the state from a foreign country are subject to the sales and use tax once it is sold in its original package in Texas. The "sales tax" applies to the goods when it is sold by an importer and the "use tax"—which is the same as the sales tax—applies at the time an importer of any other person makes personal use of imported goods.

Bandera County 4-H Livestock Judging Team Results Of National Contest

First, I want to take this opportunity to thank all the businesses, individuals and friends who helped sponsor the trip for the Bandera County 4-H Livestock Judging Team to Louisville where the national judging contest was held. Your response to this cause was certainly appreciated by the team and the County Extension Agent.

The team consisting of Kim Keese, Dianne Lindig, Maxine Lindig and Corwin Snyder departed from Bandera on Saturday, November 15th. The first night was spent in Memphis, Tennessee. The next day on November 16th the team departed for Lexington, Kentucky, to do practice judging on November 17th at the University of Kentucky in Lexington. In route the team stopped at Nashville, Tennessee, to take a tour of the capitol of Tennessee, the beautiful grounds surrounding the capitol building, and statues of former President Polk and Andrew Jackson. A visit was also made to the Hermitage House, which is of historical significance, while we were in Nashville.

On November 17th the team left early to visit the Cold Stream Farms of the University of Kentucky in Lexington to do practice judging. The team judged three classes of hogs, three classes of cattle, and two classes of sheep. After dinner the team visited the Domino and Fair View Horse Farms in the Lexington area. A visit was also made to the statue of the famous horse, Man of War. It was of great interest for the team and myself to visit these race horse farms and to see how they operate. After a visit to the horse farms it was time to depart for Louisville since I had to be present at 6:00 p.m. for a coaches meeting. During the coaches meeting instructions were given for the judging program for November 18th. After the coaches meeting, the County Extension Agent met with the team to start talking reasons on the classes of livestock that had been judged that morning at Lexington. Four sets of reasons were given by each 4-H member. They worked hard in preparation for the judging contest which was going to be held the next day.

The schedule for November 18th was a strenuous one and took a lot of stamina for each team member. It is really a hard, but at the same time, a good educational experience for each 4-H member to go through such a contest. The team members had breakfast at 6:00 a.m., went to the Coliseum at 7:00 a.m. and started judging at 7:45 a.m. Twelve classes of livestock were judged. Reasons were taken on six classes. Dinner was served on the fair grounds and immediately after dinner the team went back to the Rodeway Inn Motel and started talking reasons at 1:15 p.m. The team members lined up in which order to talk reasons and have approximately 45 minutes between each set of reasons to prepare for the next set. Reasons were completed at about 5:45 p.m. If you follow this program all the way through, you can see that it was a hard day for each of the 4-H team members.

The placing of the team was 5th in sheep, Kim Keese was 7th high individual in sheep judging. The team placed 22nd over all and even though this does not sound very good, the team score was actually good and a few mistakes here and there cost the team a lot of points. On another day I am sure we could have been right close to the top in any contest, but it just wasn't our day. I am proud of the team and the way they performed and conducted themselves on the trip. I know it was an educational experience which they will never forget.

And again, I want to thank everyone for sponsoring the team the way they did.

Santa Claus Will Be In Kerrville December 6

Mr. and Mrs. Santa Claus will be in Kerrville with free treats for the little ones on Saturday, December 6, to open up the Hill Country Christmas Season.

Starting at 3 p.m. the most fabulous Christmas Parade will be presented under the auspices of the Kerr County Chamber of Commerce and the Veterans of Foreign Wars.

The famous Alzafar Shrine Temple will perform along with bands, floats, clowns, childrens' acts and a special doggie parade culminating at the courthouse square where a gala Christmas musical program will cheer you with a most enjoyable day in Kerrville.

We are sorry to report Mrs. Dennis Duff has been on the sick list this past week. We hope she is soon much improved.

New Calendars Presented At Historical Meeting

The regular meeting of the Bandera County Historical Survey Committee was opened with the invocaton by Charles H. Hundley, Superintendent of the Bandera Independent School system, Friday afternoon at the Community Room of the First State Bank.

Mrs. A. B. Lewis, chairman, called the meeting to order. After the reading of the minutes and treasurer's report by Mrs. Howard Graves, roll call was answered by members of the group with many interesting as well as amusing facts of history.

Marvin Moody and Charles Hundley, members of the audit committee, gave a good report of the audit and commended Mrs. Graves on her work of over ten years as secretary-treasurer for the organization.

Mrs. Graves reported that the book, "Reminiscences of a Centenarian", the story of the life of Veteran Anasa Clark, had been presented to the committee by his daughter, Mrs. Charles Schmidtke. The group voted to send Mrs. Schmidtke a card of thanks along with a copy of the new 1976 calendar just off the press. Mrs. John Hammonds will give the committee a book, entitled "Fall of the Alamo" by John Sutherland of Sutherland Springs.

Mrs. Lewis appointed a committee headed by Charles Hundley to investigate places in the county for a "drive by" tour, and ascertain the preparation of brochures of some type for this project. Other members of this committee named were Mrs. John Saul, Hoyt Foster, Doris Young, and Thelma Gallant. The committee will report their findings at the January meeting.

The new 1976 calendars by Margaret Focke and Jennette Saul, and printed by The Bandera Printing, Inc. of Bandera, were presented. The group set the price at $1.00 plus tax for the new calendar. It is hoped that the public will buy early, as these calendars, featuring Ranch Brands of Bandera County, along with historic homes and buildings will make ideal Christmas gifts.

The group accepted with pleasure the gracious invitation to hold the January 16 meeting at the Old Montague Home, now owned by Mr. and Mrs. Charles Hundley.

Before the meeting adjourned, markers, cook books, cleaning and wrapping of old books and records located in the Old Jail, and other pertinent matters were discussed.

Highlight of the day was the presentation of copies of the "Inklings of the Past" to the Bandera and Medina School libraries and the Bandera County Public Library. Receiving the gifts were Miss Thelma Gallant of Medina for the Medina School Library; Charles Hundley for the Bandera School Library; and Mrs. Charles Blucher for the Bandera County Library.

Attending the Friday afternoon meeting were Bandera County Judge W. O. Hatfield, Jr., Justice of the Peace and Mrs. Fred Ender, Mrs. A. B. Lewis, Charles Hundley, Mrs. Jack Focke, Mr. and Mrs. John Hammonds, Mr. and Mrs. Roy Palmer, Mrs. Connie Villemain, Miss Thelma Gallant, Mrs. Ray Caffall, Marvin Moody, Mrs. Howard Graves, Mrs. Fred Mansfield, Mrs. John Saul, Mrs. Minnie B. Hayes, Mrs. Charles Blucher, Hoyt Foster and Doris Young.

After the meeting homemade cookies, punch and pecans were served from a beautiful refreshment table covered with a white, lace edged cloth and centered with a floral arrangement in which the Bicentennial colors of red, white and blue were carried out. Hostess chairman was Mrs. Minnie B. Hayes.

TEXAS TAXES

BY Bob Bullock

We get a surprising number of calls asking if residents of other countries can make purchases in Texas without paying the Texas sales tax.

The answer, of course, is no. Many of these calls come from merchants along the great border we share with Mexico and from cities where there are universities with large foreign student enrollments.

The only kind of sales tax exemption granted foreigners by Texas law covers staff members of foreign consulates housed in Texas.

The only other type of sales tax exemption available for foreigners shopping in Texas covers merchandise bought here but shipped directly to the home address of the foreign purchaser.

If the foreign purchaser takes possession of the purchase in Texas, though, the state and city sales taxes must be paid.

There is considerable activity in foreign purchases of goods for tax-free shipment outside Texas, particularly along the Mexico border. There are several ways this can be accomplished.

The retailer may deliver the goods to a forwarding agent or customs broker for shipment outside the state. The retailer must retain all shipping documents with a copy of the shippers export declaration which shows delivery to a foreign destination.

The delivery must be made by the retailer to the forwarding agent or customs broker. The customer cannot legally make such a delivery.

Another method is for the retailer to deliver the goods to the foreign destination using his own mode of transportation. Again, the retailer must retain all records, the trip tickets, truck logs and other documentation to show the specific items and the foreign destination.

The retailer may also have the goods delivered by a "common carrier" such as a truckline or by the mails. Again, keeping all records is necessary for the retailer to prove to the Comptroller's Department why there is no sales tax collected from the customer and remitted to the state.

Property coming into Texas from a foreign country is treated just about the opposite of goods leaving the state.

All taxable goods coming into the state from a foreign country are subject to the sales and use tax once it is sold in its original package in Texas. The "sales tax" applies to the goods when it is sold by an importer and the "use tax"--which is the same as the sales tax--applies at the time an importer or any other person makes personal use of imported goods.

DONATIONS TO BANDERA FIRE DEPARTMENT

The following donations to the Bandera Volunteer Fire Department have been received this past week according to Fire Chief Coy Ross: Jimmy Russell, $10; Mrs. Lucil Muehl of Medina, $50.

Friends here will be pleased to learn that Sam Bradford is making steady improvement in Sid Peterson Memorial Hospital in Kerrville following major surgery.

Slim Stevens Gets His Buck

Slim Stevens killed this nice fat six-point buck Friday morning while hunting on his ranch in the Mason Creek community. He weighed about 120 pounds, Slim said.

The Bandera Bulletin

VOLUME 31, NUMBER 27 — BANDERA, BANDERA COUNTY, TEXAS — FRIDAY, DECEMBER 5, 1975 — 10c PER COPY

Collins of Texas Returns To The Hill Country

EMPLOYEE-OWNERS OF COLLINS OF TEXAS
New employee owners of Collins of Texas are left to right; Reuben Hartman, Velma Burger, Cecil Couch, Eva Jean Keese, Felix Land, Edith Flach, Anna Childs, Leon Spaeth, Mary LeStourgeon, Ed Peters and Jim Richards.

Collins of Texas, a familiar and long time manufacturer of women's handbags and accessories has returned to Medina. The attractive modern plant, general offices and retail outlet never physically disappeared, however, in 1970 the Tandy Corporation of Fort Worth purchased the company, which since has operated as a subsidiary or a division of Tandy.

A sale of Collins of Texas was recently consummated and the complete ownership of Collins returned solely to hill country area residents headed by employees. The new home owned Medina based company lists as employee owners Reuben Hartman, Cecil Couch, Leon P. Spaeth, James C. Richards, Felix Land, Ed Peters, Mary LeStourgeon, Edith Flach, Velma Burger, Eva Jean Keese and Anna M. Childs.

The Original Collins of Texas, Inc. is the formal name of the new company, but it will operate in the familiar trade name of Collins of Texas and is headed by Reuben Hartman of Kerrville as President, Cecil Couch of Medina as Vice President and Leon P. Spaeth of Kerrville as Secretary-Treasurer. James C. Richards of Bandera will continue to head the manufacturing operations while Couch will act as the Sales Manager.

Collins of Texas is a nationally known designer, manufacturer and distributor of original fine quality ladies' handbags and accessories and maintains offices in Dallas and New York in addition to the general offices in Medina. Additionally, manufacturing, warehousing and distributing is performed at the company's facility in Fredericksburg which also houses a retail outlet similar to that in Medina, all of which will be managed by Felix Land of Fredericksburg.

Hartman anticipates the opening of additional retail outlets. Couch, as Sales Manager, will emphasize an expanded nationwide sales program featuring the fine quality and attractive lines produced by our neighbors. Richards is confident that his hill country craftsmen will not only meet the demands of increased current productions but also of the widened lines visualized by company officials.

Collins first gained recognition by the introduction of its often copied but never matched "box bag" followed by its equally famous "tote bag". The company then created a soft leather line of handbags and added miscellaneous apparel accessories to its line.

Handbags by Collins of Texas are recognized in the ladies' wear industry for originality, endurance, quality and appearance and its reputation is surpassed by no one for creativeness and originality which may be the reason for over 900 copyrighted original designs owned by it.

Hartman, Couch, Spaeth and Richards exemplify a new enthusiasm for growth, development and expansion of the company which is evident by the new warm feeling which overcomes one who now visits the plant in Medina.

The Bandera Bulletin, on behalf of the hill country area welcomes Collins of Texas back to Medina and Fredericksburg and is confident that this local enterprise will enhance the uniqueness and economy of our area.

OFFICERS OF COLLINS OF TEXAS
Officers of Collins of Texas are standing, left to right: Cecil Couch of Medina, Vice President, Reuben Hartman of Kerrville, President, and Leon Spaeth of Kerrville, Secretary-Treasurer, and kneeling, left to right, Jim Richards, Vice President of Manufacturing, and Felix Land of Fredericksburg, Assistant Secretary and Manager of the Fredericksburg installation.

MRS. VELMA HARRELL ELLIOTT DIED NOVEMBER 24

This photo was made in 1942 just after Mrs. Elliott came to Bandera County to live.

Mrs. Velma Harrell Elliott, age 84, of T-Anchor Ranch of Medina died in the Colonial Nursing Home in Kerrville late Monday, November 24, 1975. Mrs. Elliott was born April 10, 1891, in Carthage.

Mrs. Elliott was a graduate of Traphayan School of Design in New York. She designed for Western Isles Import Company of New York City for many years, after which she formed her own House of Design, for Children. After coming to Texas in 1942 she bought power machines and established a factory at Medina with sales representatives in Chicago, San Francisco, California, and in Texas. She sold children's dresses to such stores as Lord & Taylor, Saks of Fifth Avenue, George Jenson, Bergdorf Goodman in the East, Marshall Fields in Chicago, I. Magrim in the West Coast, Neiman Marcus, A. Harris and Solsowitz in Texas.

She was active in civic affairs and was a member of the Medina River Reading Club of which she was co-founder and actively participated in the club for more than twenty-five years. She was active in both church and political affairs.

She was a member of the First Methodist Church of Medina.

Mrs. Elliott had many friends in this community. She was a charming and gracious lady and many relatives and friends here mourn her passing.

She is survived by one son, Loran L. Elliott of Houston; one daughter, Mrs. Lee R. Lewis of Coushatta, Louisiana; three sisters, Mrs. George Vaught, Mrs. Wayne Wilson and Mrs. W. L. Carrington of Medina; one brother, Gerald D. Harrell of Medina; nine grandchildren and three great-grandchildren.

Funeral services for the beloved lady were conducted Wednesday afternoon at 3 p.m., November 26, 1975, at the First Methodist Church in Medina with Rev. J. Wesley Jones officiating, and she was laid to rest in the Oak Rest Cemetery.

Arrangements by Plummer Funeral Chapel.

Sun. Night Burglars Hit Seven Businesses

Burglars demolish safe at Boyle's Shopping Center.

Sometime Sunday night, Bandera business houses were plagued with a rash of breakins, in fact, seven in all.

At Hevener Lumber Company thieves broke in, wrecked the safe there and got away with about $6.

At Mini-Mart No. 2, they entered a small hole which they broke in the rest room. There they got away with some change, but left things in disorder.

Boyle's Shopping Center was the hardest hit by the thieves as they tore out the air-conditioner on the northwest side of the building and entered there. They tore off the back of the safe where they took cash and checks in an undetermined amount. John Boyle said it would probably run into several thousand dollars. The safe there was completely ruined.

Other places hit were Hillcrafters, Zeke's, Pack Saddle and Bob's Exxon Station.

The robberies are being investigated by the Texas Rangers and the Bandera County Sheriff's Department.

Purple Hills Tidings

Thanks to the good people of Medina for a nice Sunday afternoon service. Rev. Porche brought the message and led the singing. He was assisted by Velma Postert of Bandera, with Mrs. Maude Stokes at the piano. Joining in the singing were Mrs. Julia Wendt, Mrs. Dorothy Keese, Mrs. Grace Partlow, Mrs. Allen Fee, Mrs. Clara Kelley, Miss Debbie Smith, and Mr. and Mrs. Kamrick.

We had a wonderful Thanksgiving party Wednesday, November 26. It started at 2 p.m. with a Thanksgiving message and prayer by Martin Smith, minister of the Bandera Church of Christ, who comes each Wednesday morning for Bible study. We asked him to come in the afternoon for the program. Wednesday, December 3. We do thank Martin for giving of his time each week. We know how busy his ministry are and are grateful to him for always counting us in his plans. Others who were on the program were little Miss Tommie Howell, 5, and great granddaughter of Mr. and Mrs. William Howell, who did tap dances. Also thanks to Johnny, 8, grandson of the First Baptist Church of Bandera who sang several songs. Those in the group were Debbie, Connie and Becky Callaway, Kelly Maier, Lucy Ybarra, Leticia Ybarra, Regina Lott, Laura and Michelle Tondre, Kitty Juenke, Mrs. Darla Hill, Mrs. Connie Taylor, Mrs. Margie Hoffer, and Mrs. Anna Hayes. After the program all were served cake and punch in the dining room. The beautiful cake decorated with the Horn of Plenty was made and decorated by our good friend, Mrs. Johnny Johnson, and I must say it was so big her nice husband, Johnny, had to deliver it. Our next party will be our Christmas party, Dec. 22. Believe me, it "Looks Like Christmas" around here. Santa has already come by and left many gifts and has told us he will be with us on that day.

A new member of our family is Mrs. Grace Fitzgerald Partlow of San Antonio. We are enjoying Mrs. Partlow very much and hope she likes us.

We are real happy that Mrs. David Brewer was feeling like going to her home Monday after spending a few days with us here gaining strength after several days in the Peterson Hospital in Kerrville.

Mr. and Mrs. James Landreth enjoyed a visit last week from Elizabeth Wood of Texas City, Texas, and Vivian Hinstachel and Rhonda Hogue of La Porte, Texas.

Mrs. Roberta Banta of Corpus Christi spent the weekend with her father, Mr. R. C. Thompson.

The Girl Scout Troop No. 82 came the evening before Thanksgiving with cookies for their adopted grandparents. Those in the group were Mrs. Vernon Mangold, Theresa Welch and Deoni Mangold. Others who helped make the cookies were Joy Smith, Nancy Herriott, and Kelly Maier. This is a nice work these young ladies are doing.

"Mamselle"
(Continued from last week)

Well, going back to our horseman (Gerald), to cut a Long story Short, he did come to our place that dark night, before Cock's crow, to see if he could help himself to something off the place, but who do you suppose faced him on the Porche? "Mamselle" herself! and all she did was stand there quietly. He let out a screech, ran Buck and jumped on his horse, which Bucked him off on some Moss-Oh so neatly, so that for a Tallman, he was the Shortest and Most all-out you ever saw. He looked positively Sawed-off, and with such a Shiner, a real black eye. He did yell, "Pon my Word, you'll Rue it!" as he ran, pell Mell-in the way he Went. However, some weeks later Gerald came back and made a good heifer friend, with us all not with "Mamselle", in our Peaceable Kingdom.

(Written by Mrs. Alice Mellis of Purple Hills Nursing Home, October 4, 1975. Mrs. Mellis used surnames of local residents for her delightful continued story.)

Bandera Students Reverse National Trend

by Charles H. Hundley

James Kilpatrick of the San Francisco Chronicle recently published the following dismal analysis of the failure of today's high schools in America:

"The College Entrance Examination Board released its analysis of 1974 test results recently. The figures were shocking, dismaying, and disturbing but they were not surprising.

"Any educator could have predicted the report: Test scores last spring dropped for the 12th consecutive year. The Class of 1974 scored ten points lower in verbal skills and eight points lower in mathematical skills than the high school graduates of the preceding year. The average scores were the lowest in two decades.

"What we have here is a disaster. Perhaps the most disheartening figures have to do with the twenty percent decline in the number of students scoring at superior levels on the verbal test. This test measures simple literacy – the ability to read, to write, to understand, and to communicate. These are fundamental skills on which all else depends. It is bad enough that mathematical skills are dropping; we are raising children who cannot make change, double a recipe, measure board-feet, or calculate miles-per-gallon. It is worse to raise a generation unable to read and write or to follow the instructions on a box.

"Various observers have tended to explain the College entrance scores. Technology was to blame: We no longer write letters, we talk on the telephone instead; we no longer read newspapers so attentively, we rely on TV.

"It occurs to me that the primary blame for this colossal failure should be placed squarely upon the educational establishment. Our schools have been afflicted with teachers more interested in fads than in fundamentals. The textbook publishers are "obsessed with form rather than substance. Both bear the terrible burden of guilt.

"The situation will not improve. Millions of children are today being cheated out of a solid, substantive, basic education, but the pity is that they only dimly perceive what they are missing. As their own children grow up, and new teachers come along, standards will steadily diminish. Let us look at these test scores and weep for the "culturally disadvantaged." We are raising a whole generation of them."

Mr. Kilpatrick's opinion impressed me very much. As a result I asked John Hurst, Counselor of Bandera High School, to conduct an analysis of Bandera High School College Entrance Examination Board test results. I am pleased to report that the current trend in the Bandera High School is contrary to the national decline lamented by Mr. Kilpatrick. In Bandera, test scores on the Scholastic Aptitude Test have increased significantly in the past three years.

The Scholastic Aptitude Test (SAT) is a test given college bound high school seniors. It measures their knowledge and ability in mathematics and verbal skills (reading, writing, communicating). On the test, scores range from a low of 200 to a perfect score of 800.

In 1972, six Bandera High seniors took the examination and scored an average of 455 on verbal skills (National Average: 445) and 463 on mathematics (National Average: 481).

The number of Bandera High seniors taking the test in 1973 doubled to twelve. The verbal skills average score increased to 465 – a ten point increase over 1972 – and the mathematics average zoomed to 513 – a full 33 points above the national average. Last fall – 1974 – nine seniors took the SAT. Once again, the verbal skills average increased. It went up eleven points to 476 (National Average: 434) while the mathematics score was 497 (National Average: 472). The 1975 group – this years' seniors – are currently taking the test and neither local results nor national averages are yet available.

Persons should be wary of reading too much into standardized test scores. Certainly they are not a clear cut yardstick as to the success or failure of a high school. However, they are one indication of the success of a school in preparing college bound youth to enter first class colleges and universities. They do not measure the concern of teachers for students, the human atmosphere of a school, or the effectiveness of a school with students whose interest and abilities are not academic. But they do say something about a school's results in the two most important areas of the instructional program: verbal skills and mathematics.

C of C Receives Complimentary Letter

The following letter was received by the Bandera Chamber of Commerce from a recent visitor to our area from England.

Your Chamber of Commerce felt it most laudable and representative of "outside" thoughts and impressions, and as such should be passed on to all those who truly "make it happen."

Dear Sir: I recently had the great pleasure to visit your town with the Marlboro Party, and I wish to thank you for the very warm welcoming speech on our arrival and the Bandera people for an unforgettable stay.

People at home have asked what did I think of Texas and my biggest problem has been to explain the warmth and friendliness shown by everybody in your town from the central public, shop owners, bar keepers, wranglers. I could go on and when a salesman gets lost for words, we must have something special, a way of life, space to move, scenery, fresh air to breath, and above all the people of Bandera themselves.

I thank you all for the most unforgettable experience of my life time. I hope I can follow what one of your famous generals said, "I shall return."

Sincerely,
B. Hart

Mrs. W. P. Jordan presented Good Citizenship Awards to Brett Morris, Bandera High School Senior, and Miss Darlene Whitehead, Medina High School Senior, from the Bandera Daughters of the American Revolution Chapter.

DAR And Heritage Genealogy Society Have Joint Meeting

On November 20th at the Bandera Electric Cooperative Inc. auditorium, a large crowd of members, friends and special guests came to attend a joint meeting of the Daughters of the American Revolution, Bandera Chapter, and the Heritage Genealogy Society, and to see two Bandera County high school seniors receive the Good Citizens Award presented by the Bandera Daughters of the American Revolution Chapter.

This is the first year that boys have also been eligible for this honor.

First, seniors are selected by their classmates, then nominated by their teachers for outstanding traits of dependability, service, leadership, and patriotism.

Mrs. W. P. Jordan, representing the Bandera Chapter DAR, presented certificates and pins to the Bandera High School recipient, Brett Morris, and Medina High School's honoree, Miss Darlene Whitehead.

These fine young people, their parents, and sponsors are a credit to our county and it was a privilege to have these people as our guests.

One of the interesting highlights of the meeting came when Mr. Ramsey gave a demonstration, using petite Miss BHS, Duna Gray, as a model, to show how the Indians painted their faces with natural materials.

The Thanksgiving program was honoring the Indian of the Southwest. Mr. Bob Ramsey, rancher, game biologist, Texas Aggie, and Indian Authority of Hunt, Texas, presented a stirring program.

Briefly Mr. Ramsey traced the culture spanning 30,000 years of these first Americans, the Sandia man, the Folsom Indian to the Lipan-Apache of the Hill Country of Texas.

Mrs. Jack Focke opened the meeting with a brief but interesting story of the Indians in America, their customs and help for the pilgrims, recited an Indian prayer spoken by the Indian youths.

Other artifacts and a demonstration of arrowhead making, held his audience spellbound. The program concluded with an informative film on the art of digging for artifacts for the rattling of bones for the white-tailed buck.

The program was greatly appreciated and we thank Mr. Ramsey for sharing his time and talents with us.

After the program refreshments were served.

Notice

The Lakehills Rural Branch Post Office will have new hours beginning Monday, December 8. The schedule will be as follows: Monday through Friday, 9 a.m. to 3 p.m. consecutive, no closing at noon. Saturday 9 a.m. to 12 noon.

The new hours have become necessary due to the increased number of Post Office Box customers and the added number of people receiving service on the route which works out of the Pipe Creek Post Office and which also serves the Lakehills office.

There are sure to be a few customers who will be inconvenienced by the office closing one hour earlier, but I am confident that they will be far outnumbered by those who will gain by the office discontinuing closing during the noon hour.

We shall continue to strive to better our service to you, our customers.

Pipe Creek NEWS

TO FELLOW RESIDENTS OF PIPE CREEK:

As the new fire chief of the Pipe Creek Volunteer Fire Department, I would like to thank everyone in the Pipe Creek area for the support you have given our department in the past years. We are a growing department and hope you will continue to support us in the future as much as in the past.

As fire chief I would like to share with you my ideas for the fire department for the coming year. There are two urgent priorities that this department must meet this year. The first priority is adequate training for firefighting. The first function of a fireman is to know how to save lives, and secondly to protect and save property. Neither of these can be accomplished without properly trained personnel. For this reason I personally am attending fireman's school in Kerrville. When completed this course will result in my Certification as a Volunteer Fireman in Texas. I will also attend Texas A&M firefighting school this summer. In addition I have scheduled a training officer for PCVFD. Jim Sharp will begin training sessions on Thursday, 11 Dec. '75 at 7 p.m. This training will be based upon the Texas Forest Service, Marshall and Fireman's Assn. guidelines, and completion will result in Certification as firefighters for those members that complete the training. I would like to take this opportunity to urge each interested resident of Pipe Creek to come out and attend these training sessions. I especially encourage the ladies of the area to come out. You can attend this course and receive the same certification as the men. I see a real problem of lack of men during working hours, and you ladies can fill this gap with no loss of efficiency.

The second priority is the purchase of an additional fire truck that will be new, fast, and capable of adequately fighting both house and grass fires. This equipment will be very expensive but if we are to have adequate fire protection we must acquire this addition to our department very quickly.

Let me reemphasize that the only purpose for the PCVFD is to save lives and property, in that order. To do this we need the help of each and every person in Pipe Creek. Since last May the PCVFD and the Ladies Auxiliary have put nearly $3,000 in a special fund for a new truck, we have installed a heliport, sent two men to fire training school in Kerrville, and put a new siren in service, all of which are a growing department and hope you will continue to support us in the future as much as in the past.

Hiking with them were Mr. Bill Neuman and Mr. Joe Cooper. They reached their destination, they joined the Scout-master Joe Goodenough and Scouts Jimmy Goodenough and Steve Sellers, who were setting up camp. The Scouts enjoyed cooking their evening meal and breakfast over an open fire. Then they built themselves. The temperature dipped below freezing that night so all those present earned a Polar Bear Patch. Mr. Neuman camped with the Scouts. Due to conflicting activities it was a small group, but those who attended reported a good time, even though it was cold.

Card Of Thanks

I wish to thank all my dear friends and relatives for the many words of comfort, their prayers and visits while I was in the hospital and since I came home. I especially wish to offer my thanks to pastor Jerry Spannagel and to Dr. George Meador for their help and concern. May God bless all of you.

We welcome Mr. and Mrs. Reed to Bandera.

Christmas Seals By Children

Kids want sparkling white Christmases. Not polluted with the "ugly" dirty look of ski and snowy hills. Not crippled lungs. They want joy and cheer for everyone. What kids want and how they see things will be on full display in this year's Christmas Seals. Designed by children themselves.
This year there are 54 Seals, created by children in the kindergarten grades from each state in the country, plus four U. S. Territories. There are sprinklings of smiling snowmen and jolly Santas. Doves and peace. Tropical fishes from Hawaii. Indian dancers in New Mexico. The spirit of Christmas takes very special shapes.
There are no images of unhappiness and disease. But they're there in the real world. Contributions to Christmas Seals support the struggle against lung diseases like emphysema, chronic bronchitis, and tuberculosis that drain the cheer out of life.
Kids don't exactly hate missing school, but they don't like being sick either. And acute respiratory disease accounts for more than half of all school absenteeism among adults. About 47 million suffer from one or more long-term respiratory diseases.
Contributions to Christmas Seals help fight some of the causes of lung disease in children and adults. Like smoking and pollution. They sponsor child-centered antismoking programs and also help protect nonsmokers from second-hand smoke in public places.
Children want a healthier world year-round for people of all ages. Answer your "Christmas Seals" letter today. 318 W. Houston Street, San Antonio, Texas 78205. It's a Matter of Life and Breath.

Donation To Bandera Fire Department

Fire Chief Coy Ross reported the following donation to the Bandera Volunteer Fire Department this week: Jack B. Telford, $10.00.

Bandera Bulletin Will Publish Holiday Greetings

The Bandera Bulletin will go to press next week with the Christmas holiday greetings issue which will be published on December 19.
Advertisements and news items must be in the office by Tuesday of next week for the Christmas issue.
The New Year Greetings will appear in the December 26 issue. Because of the Christmas Holiday all ads and news items must be in no later than Tuesday noon of that week.
If you can't get in to the Bandera Bulletin call in your ads and news items to 796-3728.
One of the nicest courtesies you can show your friends and customers is to print your season's greetings in the Bandera Bulletin and it is less expensive too. But remember to have your copy to us not later than December 16 for Christmas Greetings and noon of December 23 for New Year Wishes.

SANTA IS COMING

Sunday, December 14, at 5 o'clock at the Bandera County Courthouse, Santa will arrive in Bandera for his annual visit. He is bringing goodies for all the little boys and girls. There will be Christmas caroling with music provided by the Bandera High School Band for Santa's arrival. Everyone come and greet Santa.

Purple Hills Tidings
By Ida

We enjoyed another great Lord's Day Sunday when the United Methodist Church of Medina came for their regular first Sunday service. Rev. Wesley Jones brought the devotional. We had wonderful music with Mr. Bill Spencer and Danny Brooke of San Antonio playing the organ and Beulah Moore playing the piano. Murry LeStourgeon led the singing, and we had another nice group of singers, Dorothy McClendon, Faye Keese, Kathryn McBryde, Thelma Gallant, Mr. and Mrs. H. H. Hamrick, Debbie Smith, Mrs. Roland Thallman, Mr. and Mrs. W. Feldman, John Johnson, Virginia Johnson, Mrs. Fred Mansfield, and Mrs. Minnie Bruce Hayes.

Mrs. Mattie Mayfield's guests last week were Mrs. Barbara Lacewell and Mrs. Sarah Church of San Antonio and Mr. and Mrs. Durward Mayfield and Mrs. Bill Hyatt and baby of Medina.

Mrs. Willie White's guest last Wednesday was Lila Hunt of San Antonio.

It was nice visiting with Miss Virginia Short of Sacramento, California, last Monday. Miss Short was visiting Mr. and Mrs. Bill Short.

Mrs. Cynthia Mayberry spent several days last week visiting with her daughter and husband, Mr. and Mrs. Bill Allen.

A new member of our family is Mrs. Louise Lucas. We hope she enjoys her stay with us.

Mrs. Fritz of Pipe Creek and Mr. and Mrs. R. P. Hood of Lakehills visited Mrs. Betty Littlejohn Sunday.

Mrs. Lena Dale enjoyed a visit with her daughter, Mrs. W. H. Wilson, of Johnson City last Friday.

Mr. Andy Reed and daughter, Mrs. Elva Keeling, came Friday for a visit with his brother, Mr. Louis Reed and his sister, Mrs. Cynthia Mayberry.

Mr. and Mrs. J. J. Anderson of Medina visited his sister, Mrs. Lottie Anderson, last Thursday.

Lou Fitzgerald's guest Sunday was her sister, Mrs. Chester W. Garner of San Antonio.

Lois Walker's guests Sunday afternoon was his brother and wife, Mr. and Mrs. Pat Walker of Kerrville.

Mr. Eugene Archbacher of San Antonio visited Mrs. Emma Jenschke, Friday.

Mrs. Willie White enjoyed a visit Friday with her friends, Col. and Mrs. Adam White.

It is nice having Norma Jean Anderwald working with our nursing staff a few days a month.

Charlie Anderwald of San Antonio visited his mother, Mrs. Irene Anderwald, Sunday afternoon.

Well, we "goofed" again. In last week's report we said that Mrs. Christian Jenschke had a visit from her first great-granddaughter, we should have said her first great-grandson, the baby son of Mr. and Mrs. Emory Brown of Boerne. Sorry!

Mr. and Mrs. Johnny Nixon spent the weekend with his sister and husband, Mr. and Mrs. Shelby Duncan, in Cleveland, Texas.

Jack Holloway had a real nice day Monday when his brother and wife, Mr. and Mrs. Lum Holloway came from San Antonio for a visit.

Mr. and Mrs. Allie Allsup of Medina came for a visit with their brother, Louis Allsup.

Friends here will be glad to learn that Dr. J. F. Harrison, local chiropractor, who recently underwent plastic surgery, is now out of the hospital. He says his plastic surgery was a great success. He expects to be out of his office for another 30 days, but a notice will be posted when he returns to work. He suggested that those who need his services while he is out of his office, may see Dr. W. R. Handley, 206 N. Main, Boerne. Phone 249-3114, or Dr. R. W. Thanks For Your Cakes

The proper words are not in my vocabulary to express my thanks and appreciation to the ladies and Fellow Girls who made the beautiful cakes for the Cake Walk, and Mr. and Mrs. Jesse Evans, Mrs. Amelia Dickens, Mrs. Helen McKandles, Mr. and Mr. Charles Handley for helping me at the fair so faithfully. I also want to thank the Medina band for furnishing the music for the Festival. Thanks again to everyone who helped in any way.

Our Friends

How fleeting the years have been, 33 years and 4 days to be exact, since we came to Bandera with our three year old son, and how happy you have helped to make those years.

Now from us to you, and from Eddie Jon and family, we want to say "Thank You for your loyalty and consideration."

Our store has been bought by Everett and Patty Reed. They are strangers to Bandera, and a great couple, so we know you will welcome them as you welcomed us.

Bandera is our home and we are going to continue to live here.

Who could leave the beautiful Bandera Hills!

Come to see us,
Love
Eddie and Othel Ryan

Ray Thompson underwent treatment in Sid Peterson Memorial Hospital in Kerrville this past weekend, and has now returned home.

Ranchmen, Sportsmen And Businessmen

At this time Bandera County has a full time trapper working to help control the predators. He is a predator hunter sponsored by the predator control division of the Parks and Wildlife, regulated jointly by the state and federal government. To have the services of this trapper the county or club he is working for must come up with $300.00 per month, but beginning January 1, 1976, our part of the expense will be $225.00 per month. The predatory animal control division furnishes equipment and supplies, pays the mileage, and furnishes an additional small part of the salary. At this time there is a joint agreement whereby the club is paying one-third of the $300.00 and the county is paying the other two-thirds.

Any tax paying land owner in Bandera County is eligible for the services of the trapper if he will join the club and pay 2c per acre per year to the club so they will have revenue available for their part of the expense. No director or anybody else connected with the club gets a penny for what they do.

The trapper has been working full time for the club since May and has killed 23 coyotes. There are a lot more coyotes in Bandera County that need to be caught, and a lot of them are on land that belongs to the landowners who have not joined the club. Also, there are a lot of land owners who do not have coyotes because this club has been fighting the predators since the club was organized in 1963. The club trappers have caught something over 300 coyotes. Just suppose for a minute that there had never been an organized movement to control the predator. How many sheep, goats, calves do you think would be in Bandera County at this time? Not to mention baby calves taken by coyotes.

Now, to get down to the nitty-gritty of this article. We need more club members to help pay our third of the cost of the trapper. Two cents per acre is almost nothing as an expense as compared to the destruction and cost a coyote can do if he happens to get on your land. Every turkey or deer that the coyote kills will never be harvested by a hunter, and every lamb and kid that they kill will never be sold to market. If you haven't had any coyotes on your place up to now, is it because you are lucky or is it because this club has had trappers for fourteen years and has kept them in partial control? They certainly slowed down the reproduction and increase in this area. Think about this a minute.

Now, if you are a land owner or a businessman that benefits from either livestock or game and not already a member of "The Community Wolf Club", please send us $10 per year for the land you operate and you will be a member. A donation from businessmen will also be appreciated. We think it will help all concerned.

It is certain if we have to let the trapper go on account of insufficient funds, in the future there will be a lot less revenue come into Bandera County in regards to sheep, goats, and game.

Send your dues and donation to The Community Wolf Club, In Care Of Dewitt Leibold, Pipe Creek, Texas 78063. Very respectfully submitted.

Jehovah's Witnesses Attend Assembly

"How the Kingdom of God Affects You" was explained by district representative of Jehovah's Witnesses, P. D. Moake, Sunday, November 30, during their semi-annual circuit assembly at the San Antonio Convention Center Arena.

The information, based on Bible prophecy, was both enlightening and upbuilding for the 7,700 conventioners in attendance, many from the local area.

A special event held Sunday morning was the baptism by immersion of 168 new ministers. This was done to symbolize their dedication to Jehovah God.

Jehovah's Witnesses will be conducting their regularly scheduled meetings at their home congregations this week.

Card Of Thanks

I wish to express my appreciation to my friends and relatives for their visits, phone calls, flowers, cards and gifts during my recent stay in the hospital and since I have returned home. Your kindness is sincerely appreciated.

The Christmas Program will be in charge of Mrs. Charles Hundley, Hondhra Schools. The sixth grade reading class of Mrs. Bob Allert will present "The World's Christmas Tree". Kathleen Tobin will tell about "Christmas Traditions in America". Carrie Schott, Holly Hevenor, Tim Riley and Barry Murrell will act in the one-act play "A Patch of Red".

Mrs. John K. Harrell, Sr., will award The Good Citizenship Medal to Miss Kim Keese, Bandera High School senior.

Mrs. James Brady, chairman, requests that each member of the organizations represented bring some item that has been a part of their family heritage, something that may have been handed down for several generations, or something that is now becoming a family tradition to be passed on to another generation. These items need not be of great monetary value, but they should have a sentimental value to your particular family. They will be placed on display for all to see as we celebrate our heritage in a sort of "show and tell" session.

The refreshments for the day will have an ethnic flavor as it is planned that there will be foods of many lands represented. This is in celebration of our various ethnic origins which have made our country the strong and unique nation that it is. "E Pluribus Unum" . . . of many ones.

For a more festive atmosphere, it is hoped that members and guests dress in Bicentennial costumes.

PIPE CREEK FIRE DEPARTMENT NEWS

Starting fires is not exactly in the department's line of business but Saturday, December 6, the department was called upon to do just this: A clean-up and beautification effort at the First Baptist Church of Pipe Creek resulted in a large amount of brush to be disposed of. Saturday morning Chief Pete Hohon with a crew of firefighters and truck 2291 "stood by" during the burning of a large brush pile. The department is happy to assist in this manner whenever possible.

Considering the dry condition of our area a few reminders are in order. Never start a fire that you cannot control. Clear a large area around the fire site. Wait for a safe, calm time to burn. Never leave a burning fire unattended. Plan your actions ahead of time in the event the fire becomes uncontrollable. But first, call the Pipe Creek Fire Department and advise us as to the location, size and approximate time you intend to burn. This prevents false alarms and aides us in the event the fire becomes unmanageable.

The pad at the Pipe Creek Fire Department has been completed. As soon as the pad has "cured" the required markings will be added and the surrounding area will be filled and graded. With the completion of the helipad the people of the community have the "insurance" it may need in a severe medical emergency.

A resuscitator donated to the department previously is now being reconditioned and will be placed "in-service" in the very near future. The equipment will be an asset to the department and the community. It will be made readily available to the EMS personnel in the community.

Remember, the department serves the community. Please contact us if we can be of any service to you.

OFFSHORE OIL DEVELOPMENT NEEDED TO REDUCE U. S. RELIANCE ON IMPORTS

The following is a report given at the Medina Rotary Club meeting December 2, 1975.

The United States will have to depend increasingly on insecure foreign sources for its energy unless oil companies are allowed to find and develop the country's own supplies, a Mobil Oil executive said here, when speaking to the Medina Rotary Club.

Demand is growing, but U. S. production from known reserves is declining, and imports have climbed to almost 40 percent of U. S. Oil needs, Roy M. Talley, Senior Attorney of Mobil Oil Corporation, said. "Unless we find and develop new domestic production, the U. S. could find itself dependent on imports for fully three-fourths of our oil needs by 1985," he said.

He called for increased conservation of energy, cutting waste but not economic muscle, and continuing and orderly development of promising offshore potential while safeguarding the environment and a phased and orderly return to the traditional free petroleum market. "A speed development energy supplies that people need to live and work. This should be done at a pace that will not harm the economy.

"We all know what happened when foreign producers shut off their oil exports to us in late 1973 and early 1974," Mr. Talley said. "There were long lines at service stations in many parts of the country. Yet today we're relying more and more on foreign sources of high-priced oil, while off our shores are potential deposits that our geologists tell us could approximate close to half of all the oil and gas ever produced in our country. If would seem to us to make it complete sense for our country to free industry to look for those supplies and develop them on an orderly basis."

Noting "opposition by some environmental groups, he said close to 20,000 offshore gas wells have been drilled in U. S. waters – every waters offshore, with only one spill—at Santa Barbara, California—in which major amounts of oil reached the beach. "and no instance—none—in which lasting environmental damage resulted, and that includes Santa Barbara, according to independent scientific studies. He cited a national survey by Opinion Research Corporation in 1974 showing that 74 percent of U. S. adults favor more offshore drilling.

"We believe the proper role of government is to formulate a national energy policy that creates a balance in our goals for various energy forms, for environmental conservation and energy conservation. We believe government should leave to industry the things industry does best" with its skills, experience, management and organization—finding and developing new energy supplies." Mr. Talley said the U. S. today consumes 17 million barrels of oil a day (a barrel is 42 gallons) and produces 11 million. By 1985, even with strong conservation efforts, demand is expected to rise to about 24 million barrels a day, he said.

The outlook for natural gas is not bright either, Mr. Talley said. The U. S. currently consumes about 20 billion cubic feet a day, but by 1985, demand is expected to rise to more than 30 billion cubic feet a day. "Already this coming winter," he warned, "the outlook is that some parts of the nation will have natural gas shortages, and that some industries will probably have to shut down as a result. That, of course, would cause unemployment to worsen beyond the current high level."

He traced the natural-gas shortage to federal price controls imposed 20 years ago on gas produced for interstate shipment, and said they had "created chaos in the energy structure of the U. S.

"The controls have been portrayed as providing protection for the consumer," Mr. Talley said. "Nothing could be further from the truth. The controls have produced a shortage of natural gas. And the growing reliance on high-priced foreign energy to make up the shortage has put the consumer in the position of paying more and more for less and less domestic natural gas."

Noting criticism of oil-industry profits, he said Mobil in the first half of 1975 earned 1.4 cents on each gallon of product sold, and that the rate of return on average total assets was 5.3 percent. Mobil's profits on every sales dollar was about 3 cents in the first-half of this year, he said, down from 6.6 cents in the first half of 1974. First-half 1975 profits declined 39 percent from the first half of 1974, he said. "We are concerned that the current levels of return on investment will not provide the incentive or capability to support the capital expenditures needed to meet the free world's future energy requirements."

He added that the industry will need adequate earnings to generate the hundreds of billions of dollars in investments required over the next ten years to supply the country's energy needs.

Fire On East Verde Ranches

A fire which raged on the Woodpile Ranch and the B. C. Fleenor Ranch on East Verde last Saturday was extinguished before it spread to other ranches in the area. When the fire started the Bandera Fire Department was called, about that time a man with a C-B in his car drove by, saw the fire, and notified members of the Bandera C-B Club of the fire. Club members in this area responded immediately and fought the fire from 11 a.m. until fire was out, about 4 p.m. CB'ers did a wonderful job as well as our fire department.

The Bill Short family and Miss Virginia Short of Sacramento, California, visited Mr. and Mrs. Les Short at Vanderpool Sunday.

Mr. and Mrs. Rex Oberg of Dallas spent several days this past week at their cottage in Camp Bandina.

Mr. and Mrs. J. E. Dean of Tarpley are sending the Bandera Bulletin to Mrs. Vashti Sparks of Kingsville as a Christmas gift. Merry Christmas Mrs. Sparks!

THE CHRISTMAS RUSH IS NEARING
by Julie Schulze

Yes folks, it's almost here, that jolly time when all you hear in town are Christmas carols and "Merry Christmas". But, you don't hear the other view of Christmas—the parents that see Christmas only as another year to tell their children why Santa isn't coming—the child telling Santa that she wants "a great big baby that can really talk!"—then the Santa glances over to the mother dressed in year-before-last's coat, and she smiles at him with the smile that becomes a mask at Christmas for her and those like her.

These are just some of the things for you to ponder as you buy that "electric-magic-dolly-hair-washer-that-really-works". Think of the children who make that years toys at once again. Remember the child born two-thousand years ago—remember the true meaning of Christmas.

AMERICAN LEGION ACTIVITIES

From The Diary of Commander Bill Jessup:

Man, is our electric bill skyrocketing! But, we are not complaining! The Legion Home has been the center of activities for the last few days, for instance:

Monday, December 1: Twelve Cub Scouts, assorted guests, a den mother, two assistant den mothers, and a member of the advisory council met. After opening ceremonies the Cubs made holiday gifts, then during social hour, they had refreshments and a sing-a-long of holiday songs. With a bi-lingual touch, Commander Bill Jessup sat at the piano and led the group in the Spanish version of "Jingle Bells."

No sooner had this group left, then the Boy Scouts took over. Nine strong, accompanied by the Scoutmaster, Assistant Scoutmaster and two members of the council. Plans were formulated for camp-out at Canyon Lake, and papers were completed for renewal of the Charter with the American Legion Post No. 410.

Tuesday, December 2: A packed house for bingo. Helen Temple has the kitchen duty for the month of December and out, did herself with a sell-out of original goodies and snacks.

Wednesday, December 3: An active group for Arts and Crafts designed and made holiday decorations. Mrs. Ann Harned leader of this group is Mrs. Carol DeThorne. Then, in the other room, the "Christmas Eve in Lakehills" committee met to finalize food plans for this gala evening on December 24.

Thursday and Friday were filled with the Holiday Spirit as the committee met to decorate for coming festivities. Three trees are all set up, one each for our traditional Santa, our Western Santa, and one for Mrs. Claus.

Saturday saw the Boy Scouts rendezvousing at the Legion Home before taking off for Canyon Lake.

Sunday A.M. was devoted to a membership committee meeting and a working party met in the p.m. to haul off waste paper for sale—thanks to the services of Adjutant Stanley Tschirhart.

Things To Come

Tuesday, December 16, 7:30 p.m.: Bingoagly, Bingo. We want to give away the jackpot—a nice sum to have for holiday spending. Get here early for choice of seats.

Thursday, December 18, 7:00 p.m. Regular monthly Legion meeting.

Wednesday, December 24, "Christmas Eve in Lakehills".

BOUQUET OF ROSES TO:

Peggy Galland, who was injured recently in an accident.

Henry and Roberta Birdsong, for their lovely gift to H. T.

Johnie and Jack Bartlett on their anniversary.

BETTERMENT ASSOCIATION NEWS:

The Civic Center is indeed a beauty spot to behold—as members of the Ladies Auxiliary of the Lakehills Volunteer Fire Department and their guests will see tonight at their Christmas party. Ann Jack, decoration chairman for both the Auxiliary and the Betterment, and her committee of Helen and Bob Travis, Dot McCracken, Polly Larsen, Carole Schmitchell, Lola Heisler, Lucille Moore and Maida Wehmeyer transformed the building into a warm welcome for Santa and his followers.

Howard Jack and Cliff Waterman put up a glamorous ticket booth in the entry way this week. Joe Talk was on hand for the electrical supervision necessary. Cleo Taylor furnished a lifelike Santa to greet you as you walk in.

Not to be outdone by the interior, the entertainment chairman, Adren Heisler, furnished a very good looking Christmas tree for the grounds. And—it's beginning to look a lot like Christmas!

Teenage Dance

Saturday—tomorrow night—the Teenage Dance will be held at the Center, beginning at 8:00 p.m. with plenty of soft drinks, snacks and pizzas on hand. Absolutely no beer or alcoholic beverages will be allowed on the premises. Admission price, fifty cents per person. New Year's Eve Dance

Jeffie Waterman, Louise Marmor and Florence McMahan report the reservations for the Gala New Year's Eve Dance at the Center are going like hot cakes. If you plan to attend, call Jeffie Waterman before the reservations are all gone. Los Amigos will furnish the music.

As reported previously, these reservations will be held until 8:30 p.m. and if not picked up by then, they will be sold at the door on a first come, first serve basis. The Gypsy Wave

The Gypsy Motorcycle Club, San Antonio Chapter, held their bi-monthly meeting at San Geronimo Village Friday evening. After the meeting the group went to the Hilltop Restaurant for refreshments and pool. There were thirty members. A total of three hundred comprise the international club. Sunday the group motored to Lakenbos for a fund raising. The proceeds will go to the American Cancer Society in memory of a member who died of cancer. It is very interesting. In order to become a member one must be employed in the Kainhill Municipation and have high moral standards. Some of the children accompany the adults.

The meeting was called to order by the president, Mrs. Ed Welch, and roll call answered after the Club Prayer was recited in unison. "Oh, Lord, help us to make this a more peaceful world in which to live and begin at my house with me." After a short business meeting, the announcements and plans for the next meeting were discussed. The program by Mrs. Pauline Stevens was "how to make the most of crises." The key words were Contend, Calm, Cope, Conquer. Crash Fatal Sunday Morning

Shown here is the pick-up in which Billy Joe Clark, age 15, a student in the Bandera Schools, lost his life early Sunday morning.

A 15-year-old Bandera youth, Billy Joe Clark, died early Sunday morning of injuries suffered in a one-vehicle accident in the city limits, and Wendy Heffington, 15, of Austin, a passenger, was hospitalized, according to Trooper Donnie Walker of Bandera who investigated.

The accident occurred at 3 a.m. and the youth died in Sid Peterson Memorial Hospital in Kerrville at 5 a.m., Walker reported to the Department of Public Safety.

The young girl, who suffered a broken thumb, is reported in satisfactory condition in the hospital, the trooper said.

According to Walker, Clark who was driving a pickup, at an excessive rate of speed and without headlights, was being pursued by a unit from the Bandera County sheriff's office, when he failed to see a tree growing in the middle of the street, and struck it headon.

Graveside services for young Clark were held Tuesday morning at 10 a.m. in Bandera Cemetery with Rev. Roy Spannegal, pastor of the First Baptist Church, officiating.

Plummer Funeral Home was in charge of arrangements.

We have many friends to thank for remembering us at this beautiful season. Among them is the Business Womens Club. These ladies came Thursday night and sang carols. Elsie Eckhart played the piano and those who joined in the singing were Gwen Akin, Nonkie Camp, Mini Lavarre, Grace Hicks, Mary Mott, and Carmen Hicks, who represents the Purple Hills in this fine club. These ladies sang in the halls for those who could not go to the living room.

The Girls Auxiliary of the First Baptist Church came Friday afternoon. They had made many beautiful decorations and then came and put them up. They also sang many, many carols. Those in this group were Laura Tondre, Connie Calloway, Jeanelle Clingan, Debbie Calloway, Leticia Ybarra, Lucy Ybarra, Anna Cardenas, Kitty Juenke, Regina Lott, Kelly Maier, Karen Dareisen, Michelle Tondre, Rebecca Calloway, and the two leaders, Connie Taylor and Margie Hoffer. Mrs. Thelma Adams' big day was Friday when she celebrated her birthday.

Mr. and Mrs. Chuck (Charlie) Johnson of San Antonio visited with his grandmother Saturday. They came from Medina where they are visiting with his mother and father, Mr. and Mrs. Johnny Johnson, Kathy and John.

We are very proud of our director of nursing, Zola Martin, R.N., and one of our nurses, Carra Standard, who went to school last week in San Antonio. It was sponsored by the University of Texas System School of Nursing. They each brought home good report cards. It was a very important and interesting program on how to motivate the staff and communications defining your job, your responsibility to the hospital, patients and doctors.

Mrs. Bettie Littlejohn enjoyed a visit with her nephew and wife, Mr. and Mrs. Norris Dohrow of Lakehills. The Dohrows have recently retired and moved from Ashtabula, Ohio.

We are enjoying a beautiful floral arrangement from Mrs. Cowan wedding, delivered by Roberta; we thank these nice people for sharing these flowers with us.

We thank our good friends, Mrs. Judy Goodenough and Mrs. Verndell Mullenax, for their beautiful music Saturday night.

We had our first employee's Christmas party last Friday evening. One of the things we did was complete our Christmas decorations which included the decorating of the Christmas tree. I believe it is the nicest we have had, and we thank everyone who helped. Hot spiced punch and cookies were served.

Lois Schulte, our activities director, is sure excited and so are the rest of us, as her son Mike will be home this Friday for Christmas. We are all joining her in a Christmas prayer, thanking the Lord for her son's recovery from a serious illness and the completion of his basic training, with honors, in the navy in San Diego.

We join Mrs. Emma Jenschke in congratulations to her grandson, Gene Aschbacher, age 19, in the rescuing of a man from a burning building in San Antonio December 9th.

Our sincere appreciation goes to our dear friend, Helen McKandles, for the many beautiful aprons she gave to us this Christmas season. These beautiful aprons were made by Mrs. McKandles for her beloved aunt, Mrs. Annie Peters. As Mrs. Peters loved aprons, Helen over a period of years made them for her. Mrs. Peters passed away at the age of 86 years and her children asked Helen to give her collection of aprons to Purple Hills Nursing Home in Bandera. This lovely gift, coming at this blessed season, is a wonderful expression of love that we each appreciate.

IRS District Director Introduces Tax Forms For 1975

For the first time, individuals will be able to get money through filing a federal income tax return, even though they paid no withholding, Robert M. McKeever, Internal Revenue Service district director for southern Texas, said today in discussing individual income tax forms for 1975.

The money will be paid as an earned income credit for workers earning up to $4,000 a year and maintaining a household with a dependent child. The credit is 10 percent of a worker's earnings—up to a maximum of $400—and decreases as income rises above $4,000, he said.

In addition to the earned income credit, McKeever said that other new features of the tax forms for 1975 include the following:

—A higher standard deduction of 16 percent, to a maximum of $2,600 for married persons filing jointly ($1,300 for married individuals filing separately), and $2,300 for single persons and heads of household.

—A $30 credit for each person claimed as an exemption.

—A five-percent credit, with a $2,000 ceiling, on the purchase of a new principal residence built or under construction before March 26, 1975, and acquired and occupied after March 12, 1975.

Another "first" is a line on Form 1040 for deducting contributions to individual retirement plans, generally available to individuals who do not participate in pension plans at work. Taxpayers who have an individual retirement account or annuity must attach Form 5329, Return for Individual Retirement Savings Arrangement, to their tax return, whether or not they contribute to their retirement plan during the year, McKeever said.

A change appearing in both Form 1040 and 1040A for 1975 is the increase in the tax tables to cover incomes up to $15,000. The tables make it unnecessary for taxpayers who do not itemize deductions—and whose income is under $15,000—to figure their tax, he said.

Nevertheless, whether taxpayers receive a Form 1040A or Form 1040 tax package, they should try itemizing deductions, as well as claiming the standard deduction, to see which method results in a lower tax, he advised.

McKeever said that medical bills, charitable contributions, and other tax-deductible expenses sometimes can mount up, and enable taxpayers to itemize to cut their taxes significantly.

Although most taxpayers will receive their tax packages in the mail by early January 1976, now is a good time for southern Texas residents to gather records and other information needed to file their tax returns, he said.

McKeever added that Congress has been considering proposals to change several tax law provisions. If changes are made that affect 1975 income taxes, the IRS will provide the supplemental forms and information that taxpayers will need to meet any new requirements of the tax law.

About one in 500 Americans—440,000 people—has an inherited tendency to very high blood cholesterol, according to The National Foundation-March of Dimes. IRS grantees are trying to find a cure for this abnormality, which can contribute to heart attacks and strokes.

One in 14 American babies—more than 200,000 a year—are born with birth defects, says The National Foundation-March of Dimes.

SMOGGY SKIES FOR SANTA

Zipping through the clear night air with a sleigh filled with goodies isn't so easy for Santa these days. Clear air isn't easy to find anywhere.

Smog is sweeping the country. In fact, the Environmental Protection Agency released a study this summer showing that smog, chiefly caused by car exhaust, was spreading from congested cities to nonurban areas.

"As a result, it may be necessary to expand to an area-wide basis some of the pollution-control measures now in effect only in urban areas," says EPA Administrator Russell E. Train.

The agency said that the nation's big cities act like giant smokestacks spewing clouds of pollution that drift hundreds of miles into the countryside.

Controls proposed for nonurban areas would include inspecting exhaust control devices on cars as well as fumes from gas stations and even dry-cleaning establishments. Right now these controls are in effect only in a few dozen cities.

It's the action of the sun or car exhaust and other pollutions that causes smog. Hundreds of chemical reactions take place in this mixture and cloud the air we breathe. It's a complicated process: the sun's energy breaks down nitrogen dioxide in the presence of some hydrocarbons. Ozone is one of the many dangerous chemicals that can be produced.

Contributions to Christmas Seals, which show lots of happy Santas and clear air, support the fight against all kinds of air pollution, emphysema, tuberculosis, and other lung diseases, and cigarette smoking.

Answer your Christmas Seal letter today, 318 W. Houston St., San Antonio, Texas 78205. It's a Matter of Life and Breath.

Your Social Security

The Medicare hospital insurance deductible will be $104 during CY 1976, according to Jules R. Gipson, social security branch manager in Kerrville.

"A Medicare patient who goes into a hospital and starts a benefit period after December 31 will be responsible for the first $104 of the hospital bill," Gipson said.

The 1975 deductible was $92. Under the Medicare law, the amount of the deductible is tied to the average cost of one day's stay in a hospital.

"The increase to $104 for 1976 is a result of a review of hospital costs during 1974," Gipson said.

"However, the present $92 deductible remains in effect throughout any benefit period that started in 1975 even if the period of hospitalization goes into 1976."

Under the law, the increase in the deductible means there also will be increases starting January 1 in three other areas of presently Medicare patients pay for covered care.

For a hospital stay of over 60 days, the patient will pay $26 a day (up from $23) for covered services furnished on the 61st through the 90th day.

For a post-hospital stay of over 20 days in a skilled nursing facility, the patient will pay $13 a day (up from $11.50) for the 21st through the 100th day.

For reserve days used—after 90 days of hospital care in a benefit period—the patient will pay $52 a day (up from $46).

Medicare hospital insurance helps pay for hospital stays and certain post-hospital care of people 65 and over, disabled people under 65 who have been entitled to social security disability benefits for 24 consecutive months or more, and many people who have permanent kidney failure.

VA Dental Benefits

The end of the Vietnam era did not end the one-year eligibility for Veterans Administration dental care to which personnel leaving the armed forces are entitled. A. A. Hunter, VA Regional Director, said today.

Wartime service has not been a condition of eligibility for VA dental care since passage of the Veterans Health Care Expansion Act in 1973, he advised, although discharge or retirement under conditions other than dishonorable is still necessary.

The last day of the Vietnam era was May 7, 1975.

Veterans are still eligible for one-time complete treatment for dental conditions which developed during military service but were not corrected then, provided application is made to VA within one year after date of separation from active military service.

This care is provided by law at no expense to the veteran.

Full information on VA dental benefits can be obtained at any VA office or VA hospital or from local veterans service organizations, Hunter said. Application for treatment can be made at any VA office or VA hospital.

Although authorization must first be secured from VA, most veterans receiving dental care at the agency's expense are patients of private dentists in or near the individual's home town, rather than at a dental clinic of a VA hospital, A. A. Hunter said.

The general one-year eligibility for VA dental treatment does not extend to care for dental conditions that obviously existed before the veteran entered military service, it was pointed out.

Some veterans, however, have special eligibility for continuing VA treatment beyond the one-year limitation. These include:

—Those receiving VA compensation for dental conditions.

—Those whose dental conditions resulted from combat wounds or service injuries.

—Those who were prisoners of war.

—Those who have a dental condition which is determined by VA to be aggravating a service connected medical disability.

Sunday night visitors of Mrs. Ernest Scheele were Mr. and Mrs. H. W. Adams of Odem, Mr. and Mrs. Hugo Zeeller of Boerne, Mr. and Mrs. Gilbert Scheele and Mrs. Mack Joiner of Bandera.

Mrs. Robin Shaw is at home again after undergoing major surgery in the hospital in Kerrville.

We are pleased to report Sammy Stevens is doing fine and is at home now after undergoing a major operation in Sid Peterson Memorial Hospital recently.

The unborn baby is especially sensitive to the mother's health habits in the first month and a half of pregnancy, says The National Foundation-March of Dimes. Good personal health care before and during childbearing age is always important, the Foundation reminds.

Pipe Creek NEWS

HERE IS NEWS FROM YOUR FIRE DEPARTMENT

Your Fire Department is happy and proud to announce that an additional $1,000 has been added to the Truck Fund. This brings the total in the account to almost $4,000.00. With your continued support somehow we will get that new efficient piece of fire fighting equipment and will have properly trained personnel to operate it.

Work is underway to erect the radio mast donated by the family of Paul Lonneke. This mast soon will be operating under the supervision of our communications officer and should substantially raise the level of our radio communications efficiency.

Mr. Norman Butler donated 33 hard hats to our department. When issued and properly used these hats should prevent any and all of us from getting sore heads.

The report of the Audit Committee was adopted at our December meeting. A financial statement is being prepared and soon will be available. The members also approved installation of lights for the helipad. Thanks to the generous donation of the Al Foster family, funds are available for this purpose.

Chief Hohon announces he has received official word that Santa will visit our Fire Hall on December 20th at 3 p.m. Chief Hohon regrets that due to the very peculiar circumstances of the visit he cannot be present to greet Santa, who will have something for every child in Pipe Creek.

Our next regular meeting will be on January 8th, 8 p.m. at the fire hall. It will be an important meeting. Certain policy matters must be discussed and the truck committee will make recommendations concerning purchase of a new truck. Please attend this meeting. Remember that ancient admonition "Speak now or forever hold your peace" and let us have the benefit of your thinking and your vote before irrevocable action is taken on this important project.

Bring the kids to see Santa! Saturday 3 p.m. at the Fire Hall. Give a fire extinguisher for a Christmas gift.

J. R. Turner, Pres.

SANTA WILL RETURN

Welcome to Pipe Creek, Santa Claus. The jackpot must go on Friday, December 19, at the fire house. Play starts at 8:00 p.m. with heat. Come one, come all; somebody must win the $100 jackpot!

At 3:00 p.m. on Saturday, December 20, Santa returns to the Fire House. He will bring a stocking of goodies for each boy and girl. Come all ye children, welcome Santa and receive your gift.

Monday evening, December 15th, the ladies of the Pipe Creek Fire Department met at the home of Pat Lindley in Bandera Falls for an evening of fun and games with a gracious hostess, and to thank Mae Von Meyer and her officers for their year and a half of service to the community and to install Barbara Hohon and her officers. Ann Kling, vice president; Loretta Lindley, secretary; Cindy Martin, treasurer; and Candy Wheeler, assistant treasurer. Anita Boober installed the officers with an exhortation to leadership. May next year be another fruitful one.

FIRST BAPTIST CHURCH NOTES

The Alleluia! "Let's Just Praise the Lord," cantata will be held December 21 at 7 p.m. at the Pipe Creek Baptist Church. Everyone is invited to attend. There will be gifts for the children and refreshments will be served.

The New Year Watch Service will begin at 8 p.m. on December 31 and continue through 12 a.m. to welcome in 1976, America's Centennial year.

Singing and two speakers will be on hand through the Watch, with refreshments and good fellowship after. Come join us! It will be great.

Members of the senior Sunday School classes held their Christmas celebration in the Fellowship Hall of the First Baptist Church Sunday afternoon at 5 p.m. Refreshments and a gift exchange for both men and women was enjoyed by all. These were the classes of Messrs George and Vakey.

Thanks to the many people who gathered at the church for house and ground clearing. Now the church grounds show up to good advantage since the ground leveling and road building job is completed. Also thanks to those hard working electricians of our church, who installed the sound system last week. Now all can hear, even in the nursery.

Rev. Franklin Krause announced Sunday that on January 16, 17, and 18, 1976, a revival meeting would be in progress at our church to start the New Year for our service. There will probably be two evangelists and a singer. This will be our first winter revival.

Judge and Mrs. D. C. Turner and children, Coke, Cathy and Jana, of Bonham visited her parents, Mr. and Mrs. J. B. Edwards, over the weekend.

Mrs. Hedy Twiefel of San Antonio in the Helotes area reported to Mrs. J. W. Edwards that several of Mrs. Edwards' twice blooming irises were blooming in her yard.

The Turners of Bonham visited Mr. and Mrs. J. W. Edwards Saturday afternoon.

Mrs. William H. Bowie and Royce of San Antonio spent Sunday afternoon with Mr. and Mrs. J. W. Edwards.

Hunters have probably killed more turkeys here this year than for several years past, but buck deer are scarce. Last year many hunters got their buck.

Trappers should find plenty of varmints this year. 'Coon tracks, 'possum tracks, and nutria raids show that coyotes are not our only menace.

Please Consider . . THE MESSAGE OF THE MANGER

by Robert W. Blackshear

That holy night when Joseph and Mary could find no room in the inn at Bethlehem was to mark the beginning of the fulfillment of the promise which God had made several centuries before in Micah 5:2, which states:

"But thou, Bethlehem Ephrathah, though thou be little among the thousands of Judah, yet out of thee shall he come forth unto me that is to be the ruler in Israel, whose goings forth have been from of old, from everlasting."

The message of the manger is not that the weary couple could not afford the luxury of dwelling inside or that they had to take left-overs when they found there was no room, but a message with a far more eternal and weighty significance. The message is that Jesus Christ, our High Priest and King, divested himself of His Kingly position in eternity to be born in the similitude of a beggar, and to die the death of a common criminal so that we beggars and criminals might, by faith and obedience, become kings and priests and share with Christ in His eternal glory . . .

Jesus Christ, who is the faithful witness, and the first begotten of the dead, and the prince of the kings of the earth. Unto him that loved us, and washed us from our sins in his own blood, and hath made of us kings and priests unto God and his Father, to him be glory and dominion forever and ever. Amen" (Rev. 1:5-6). "If we are children (of God), then heirs—heirs of God, and joint heirs with Christ—if so be that we suffer with him, that we may be also glorified together" (Rom. 8:17). All of this is the message of the manger.

USDA Urges Vaccination Of Heifer Calves

With about 30 percent of all the known brucellosis infected herds of the country located in Texas, the U. S. Department of Agriculture (USDA) is strongly urging Texas cattlemen to vaccinate their heifer calves against brucellosis.

Officials of USDA's Animal and Plant Health Inspection Service (APHIS) recommend vaccinating beef and dairy heifers with **Brucella abortus** Strain 19 vaccine. Beef heifers should be vaccinated after two months of age but before ten months of age. Dairy heifers should be vaccinated after two months of age but before six months of age. Bull calves should not be vaccinated because it may result in permanent sterility.

Strain 19 vaccine is a live bacterial product and should be administered by a veterinarian or by employees of state-federal animal health agencies. A tattoo applied in the right ear at time of vaccination identifies heifers as "official vaccinates" and shows the approximate time of vaccination.

According to Dr. E. S. Cox, area veterinarian in charge for APHIS, **Brucella abortus** Strain 19 vaccine increases a heifer's resistance to brucellosis. Vaccinated heifers are more likely to withstand average exposure to brucellosis in an infected herd than are non-vaccinates.

Strain 19 vaccine is safe and effective when used properly. It is the only brucellosis vaccine available officially recognized in this country. Heifers, when vaccinated at the proper age, will normally experience a transient low grade infection, which results in development of a solid immunity. During this period of low grade infection, Strain 19 organisms are not transmitted from vaccinated to non-vaccinated animals.

Cattlemen should carry out a vigorous calfhood vaccination program if they are located in areas of relatively heavy infection or if they ship cattle to highly infected areas. Some states do not permit cattle to be imported for breeding if they are not "official vaccinates" and are beyond the age limit for vaccination.

Anthology Of Texas Poems Is Published

The Anthology of Texas Poems, a hard-back book of original poems by Texans and about Texas is ready for distribution.

About 100 poems depict many phases of Texas life and a few humorous poems are scattered throughout the book. The Texas flag and map, a foreword by a famous Professor of Space Medicine, and tributes to Texas and Texans by three distinguished poets of New Jersey, Indiana and the Philippines are included.

With its red cover, embossed in gold, this Anthology makes a beautiful Christmas gift and may be ordered by sending $5.50 plus .35¢, for postage and tax, to Dr. Stella Woodall, Editor, 3915 SW Military Drive, San Antonio, Texas 78211.

Texas poets will be delighted to learn that the 1975 Patriotic Poetry Seminar, sponsored by the Stella Woodall Poetry Society in San Antonio recently was such a huge success that another will be held Oct. 3, 1976, with several $76 prizes offered. All who register now may attend for the low $10 fee. Send fee to Dr. Woodall at the above address.

New Texas Almanac Contains Bicentennial Section

The American Revolution of 1776 set in motion events that led to the colonization of Texas and eventually to its own struggle for self-government, is noted in the new 1976-77 edition of the Texas Almanac, published by A. H. Belo Corporation, publishers of The Dallas Morning News.

Those historic events affecting Texas have been traced in an article written especially for the Texas Almanac by the late R. Henderson Shuffler, editor, historian and, at the time of his death in the summer of 1975, executive director of the Institute of Texas Cultures at San Antonio.

What we call the American Revolution was simply the first stage of the revolution of the American Spirit, he wrote. "Texas was affected directly by the American Revolution and the course of its history for centuries to come was shaped by the outcome."

Also in the Almanac's Bicentennial section, Sam Kinch, Jr., chairman of American Revolution Bicentennial Commission of Texas, tells of the American Bicentennial in Texas. A commission listing of Texas events during the bicentennial year is included.

"This is the 48th edition of the Texas Almanac that has been published since 1857," said Joe E. Dealey, president of The Dallas Morning News. "We believe it continues the high standards that have made this publication the Encyclopedia of Texas."

Bandera County Library Qualifies For Membership

Eighteen libraries in the 21-county area served by the San Antonio Public Library System have qualified for system membership for the fiscal year that began September 1. They are among 247 libraries that have qualified for membership in ten Texas systems. A total of 96 percent of all Texas libraries served by these system member libraries. As members, they are participating in activities to improve public library service in the region.

Libraries qualifying for membership in the San Antonio Area Library System are San Antonio Public Library, Val Verde County Library in Del Rio, Burt-Holdsworth Memorial Library in Kerrville, Bandera County Library in Bandera, Boerne Public Library, Alexander Memorial Library in Cotulla, Crystal City Memorial Library, Devine Public Library, Eagle Pass Public Library, Sam Fore Memorial Wilson County Public Library in Floresville, Pioneer Memorial Library in Fredericksburg, Hondo Public Library, Karnes County Library System in Kenedy, Lytle Public Library, Dittlinger Memorial Library in New Braunfels, Frio Public Library in Pearsall, Pleasanton Public Library, and El Progresso Memorial Library in Uvalde.

The regional systems are authorized under provisions of the Texas Library Systems Act and are supported by funds administered by the Texas State Library. In order to qualify for system activities, libraries must meet certain criteria number of volumes, amount of local per captia support, and staff.

Each member participates in planning for system activities. Lay representatives from all member libraries attend the annual meeting of the Advisory Council at which council members are elected. The Systems Act gives the Major Resource Center responsibility for drawing up the annual program of service, and Rules and Regulations for its administration direct that the Advisory Council and librarians participate in formulation of the plan.

System funds are allocated according to a per capita formula. They may be used for a variety of cooperative activities, including purchase of materials for local collections, development of film collections to which all system members have access, centralized purchasing of materials to obtain discounts for large orders, and technical assistance for small libraries. Books-by-mail and deposit collections extend service to persons who are isolated from library service.

MERRY CHRISTMAS TO MR. AND MRS. ANDRESS

Mr. and Mrs. Richard Andress of El Paso will receive the Bandera Bulletin this year as a Christmas gift from her sister, Mrs. Ellis Browning. Merry Christmas, Mr. and Mrs. Andress!

New High School Construction Progresses

Construction of the new Bandera High School is progressing rapidly due to excellent weather for construction. All buildings and other educational areas have been laid out. The slab for the Vocational Agriculture facility has been poured. It will be the first building to be constructed in order that it can be used for storage during the remainder of the construction project.

Underground plumbing fixtures have been almost completed in the academic building and the slab for that facility is expected to be poured within two weeks.

Drilling will soon be in progress to complete the school water well. A small Glen Rose well was drilled by Heisler Well Service for the school district free of charge and water is now available at the school site. The beginning of drilling on the major well is expected within several weeks.

Payments thus far to the contractor for the work done to date have totaled $80,860.80.

Charles H. Hundley, Superintendent of Schools, recently commended, "The School Board is delighted with the progress being made and is very pleased with the work being done by Blanchard Associates of Fredericksburg. We feel that the community will soon have a fine educational facility of which all but the most closed minded can be justly proud."

4-H Work Day Set For Saturday Dec. 21

The annual work day for fitting, trimming and shearing calves and lambs will be held at the Raymond Hicks Ranch on Saturday, December 21st, starting at 9:00 a.m. Calves will be worked in the morning. This will include steers and heifers. Lambs will be worked in the afternoon starting at 1:30 p.m.

Everyone who is interested in either getting their animals trimmed or learn how to trim, fit, and show animals should come to this work day. If you have anything planned for Saturday morning or Saturday afternoon, try to make at least part of the morning or afternoon session.

If you have any tools to trim your lamb such as shears or cords, be sure to bring them with you. If you do not have any, it would be good for you to buy some. It is important for you to attend this meeting not only to fit and trim animals, but a demonstration will also be given on showing the animals and how to handle them in the show ring.

Hope to see all of you Saturday morning or Saturday afternoon at the Raymond Hicks ranch.

Star-Spangled Seniors

by Kathleen Tobin

KELLY ANN HICKS

Kelly Ann Hicks, daughter of Mr. and Mrs. Don Hicks of the Mayan Ranch, was born in Kerrville, Texas. She has attended school in Bandera all her life and is presently an outstanding senior of '76 at Bandera High School. Kelly's favorite pastimes are partying, playing basketball, swimming, and riding horseback. She has traveled extensively throughout Mexico, where she has visited Puerto Vallarta, Mazatlan, and Acapulco. She has also toured the New England states of the United States. Kelly recently traveled to Italy where she saw the beautiful cathedrals and scenery in Rome, Venice, Florence, and Milan. She considers Puerto Vallarta her favorite because it is so relaxing and away from the commercial life. Mr. Hundley, Amy Head, Gina Welbon, Reba Hood, Holly Hevenor, Robin Williams and all of her friends are the people whom Kelly admires the most. Thomas Jefferson is an individual in American history whom Kelly feels contributed much to the greatness of our nation. She believes that the Declaration of Independence is one of his most prominent works which still plays a crucial role in our governmental system today.

Kelly's philosophy of life is "no matter how rough the going gets, keep your head up and always smile." Her thoughts on the Bicentennial are of pride and inspiration at the greatness of this celebration of America's 200th year. She feels that each American should pause and reflect on the great men, tragedies and hardships which helped our nation grow strong and free.

Kelly has accomplished much throughout her high school years. She was named to the All-District team in basketball her sophomore and junior years, and also has run track 4 years. She was a Miss BHS candidate her freshmen, sophomore and senior years and was a candidate for Band Sweetheart her sophomore, junior and senior years. She was class secretary of her junior year, class president her freshman year and is presently band reporter.

Kelly would like to attend Notre Dame University and become a tourist guide or interpreter, thus utilizing her desired major in Spanish.

"Good luck to an ambitious senior!

HOLLY FRANCES HEVENOR

Holly Frances Hevenor is one of the friendliest seniors at BHS! She is the daughter of Mr. and Mrs. R. K. Hevenor and was born in San Benito, Texas. She attended elementary school in Florida and Hawaii before transferring to Bandera. She likes partying, riding horseback, embroidering, swimming, travelling and meeting interesting people. She has traveled throughout the southwest portion of the United States and Hawaii. Hawaii and Texas are her favorite places. Hawaii because of its beauty and culture; Texas because of the Hill Country. Holly's favorite people are Mr. Hundley, her sister, Jan Hevenor, and Mrs. Hundley. She has tremendous admiration for General Robert E. Lee. She respects him for his undying loyalty to the south and the dignity with which he surrendered at Appomattox. "He was loved by all." Holly has a simple and beautiful philosophy of life. "LIVE." She feels that life is too short to be wasted and that one should do all that he can to obtain the greatest pleasure from the brief and beautiful existence which he has on earth. Holly feels that it is fantastic that our country has survived 200 years. She especially feels that it is a unique characteristic of the United States to have continued under the ideals of the documents, the Declaration of Independence and the Constitution of the United States. Holly has been a member of the Pen-in-Paw staff for 2 years, the Annual staff for 2 years, where she serves as Advertisement Editor, and is presently co-historian of the Junior Historians. She is also a Miss Bandera County Nominee.

Holly plans to attend Texas A&M University with a major in Wildlife and Fisheries Science. Best of luck to one of the finest seniors Bandera has ever had!

CHRISTOPHER L. KAUFMAN

Christopher L. Kaufman is a recent addition to Bandera High School. Chris was born in Melbourne, Florida, and is the son of Mr. and Mrs. L. L. Kaufman. He attended Satellite High School in Florida before transferring to Bandera this year. Chris' favorite things to do are swimming, surfing, participating in all sports, partying and girls (not necessarily in that order, he comments.) Chris has traveled throughout the entire United States, Mexico, and Canada. When asked who his favorite people are, Chris appropriately stated "my friends." Robert Kennedy is a man whom Chris greatly admires in American history. He believes that had he lived, he could have aided us in the many crises which we are faced with today. Chris' philosophy of life is very simple and direct. "Get All The Gusto You Can Before You're Too Old To Enjoy It!" He feels good about being alive in the 200th year of our nation and considers the Bicentennial to be a very monumental time in American history.

Chris would like to travel more before continuing his education after high school. We all know this Bicentennial senior will do great things with his life!

PATRICE MARIE SAATHOFF

Patrice Marie Saathoff is a very well-known senior who was born in Hondo, Texas. She is the daughter of Mr. and Mrs. Henry H. Saathoff, Jr. Patty has attended school in Bandera all of her life. Patty likes swimming, riding horses, participating in sports, sewing and PARTYING! She has traveled quite extensively throughout such states as Oregon, California, Nevada, Idaho, Utah, Arizona, New Mexico, Colorado, Wyoming, Montana, North Dakota, South Dakota, Nebraska, Kansas, Oklahoma, Arkansas, Louisiana, Virginia, and Washington, D.D. Of these, Wasington, D.C. and Virginia are her favorite because of their historical value. Patty's favorite people are Mrs. Stevens, Mr. Hundley, Mrs. Hundley, and Kelly Hicks. Her philosophy of life is "be nice to everyone if you can." Patty feels honored to be a member of the graduating class of 1976. She feels that it is great to be graduating in the Bicentennial year of our nation.

Patty has been extremely active throughout high school. She was a student council representative her sophomore year and is presently a member of the student council. She has participated in track all four years, in volleyball her senior year, and in basketball her senior year. Patty was in band one year, in FHA two years, where she is currently parliamentarian of that organization, and is also secretary of the Junior Historians. Patty is Rodeo Club vice president, is on the Annual staff, and is a member of the Pen-in-Paw staff.

Patty's furture plans include attending Southwest Texas State University in San Marcos and majoring in Home Economics. The best of everything is hoped for this outstanding senior!

CHRISTMAS IN MUSIC

by Glenda Moore

Sunday afternoon beginning at 2:00 p.m. the air was filled with the sounds of Christmas as the elementary, junior high, and high school bands performed in their annual Christmas Concert.

The youngest of the bands, the fifth grade band, played such tunes as "Jingle Bells" and "Holiday in Paris". The young band members show much promise and are a welcome addition to the music program.

The sixth grade band, which is in its second year of playing, showed much improvement, as experience and hard practice were evident in their performance. They played "A Suite of Carols" and "God Rest Ye Merry Gentlemen" to name just a few.

Future members of the high school band, the seventh grade band members, gave an outstanding performance. They played "Silent Night," "Festive March" and other selections. They will be a good addition to the high school band next year.

Playing such songs as "Christmas Fugue", "Three Songs for Christmas", and "An Old English Christmas" the high school band gave an excellent performance. They showed qualities of good musicianship and exhibited talent.

A highlight in the program was the announcement of members of the district band. After weeks of practice the tryouts were held Saturday, December 13, 1975, in Boerne. The competition was stiff but Cindy Kalka, Phyllis Kelly, Jamey Hansen, and Dawn Neuman were victorious.

Another great event was announcing the candidates for Band Sweetheart and Band Beau. Mary Ann Welch, Kelly Hicks, Kim Keese, and Maxine Lindig are Sweetheart candidates. Billy Sterling, Gary Schmidtke, Jamey Hansen, and Cliff Tomerlin are Beau candidates. The winners will be announced in the Spring at the Blue and White Ball.

The Christmas Concert was a complete success. All the bands gave an excellent performance. Mr. Pierce has done an excellent job in the music department at Bandera.

"LETTERMEN"

Monday, December 8, 1975, the Lettermen Club met to discuss the initiation of new members. It was decided that new members would be required to wear dresses to school on Wednesday, December 17, as their ritual of initiation.

Left to right, Lorri Robbins and Gayla Adams.

Left to right, Jose Lopez, Vicky Gonzales, Brian Richards.

SANTA'S HELPERS

by Carol Teich

The first grade classes of Miss Krause and Mrs. Reininger of Bandera Elementary School have been busy for the last week constructing ornaments for the Christmas season.

Mrs. Reininger's class has decorated a Christmas tree with candy canes, construction paper ornaments, glass balls, satin balls with each students name on them, and Santa on top. Underneath the tree are gifts and Rudolf anxiously awaiting his flight. Helping decorate are Lorri Robbins and Gayla Adams, who are displaying construction paper Christmas trees decorated with Trix cereal.

Miss Krause's classroom was decorated with a Christmas tree, snowflakes, and reindeer in the background. The tree was decorated with glitter balls, Santa Clauses, snowmen, angels, kings, a popcorn string, and oriental ornaments. Underneath the tree are angels watching over the decorations and children, which includes the glitter sprinkled clay discs on the front of the table. Pictured with the decorations are Jose Lopez, Vicky Gonzales, and Brian Richards.

The idea implied by all of these beautiful decorations is that Christmas is drawing near.

CAKE SALE

BHS students have had difficulty concentrating on their homework during the last several weeks, not only due to the anticipation of Santa's arrival, but because of the mouthwatering aromas drifting from the hall from the homemaking room. Since December 8, the various homemaking classes have been busily making cakes as a holiday money making project. Three luscious varieties are being produced: Carrot Cake with white icing, Louisiana Chocolate Cake with chocolate icing, and Sherry Wine Cake with sherry icing. This very successful bake sale ends on December 19, 1975.

THE GIRLS JUNIOR VARSITY SCORES HIGH

Last Tuesday night the girls Bandera Junior Varsity Basketball team totally demolished Uvalde 80 to 46. The Bulldogs manifested great improvement in both their shooting and rebounding ability.

High point girl for Bandera Junior Varsity was Robin Williams, freshman, with 30 points, followed by sophomore Trudy Bailey with 17.

Congratulations girls!

A HARSH DEFEAT

It was a depressing game for the Bandera Varsity Basketball Team last Tuesday night at Bandera Gymnasium where they were defeated by Uvalde 62 to 60. It was relatively close throughout the game but Uvalde managed to come out on top of the Bulldogs.

Bandera played agressive ball and gave Uvalde a memorable game.

The girls will venture next to the Devine tournament.

Good Luck Girls!

TAHC REAFFIRMS OPPOSITION TO BRUCELLOSIS PROGRAM CHANGES

Members of the Texas Animal Health Commission last week reaffirmed their opposition to proposed changes in the federal brucellosis eradication program that were to be effective on January 1. They stressed that they favor "reasonable, effective control measures which can work," including development of a more effective vaccine for the livestock disease.

W. M. Lindig, county agent for the Texas Agricultural Extension Service, noted that Commission members also reiterated their request for an in-depth, impartial, independent study of the entire brucellosis program and all possible programs for dealing with the problem. Earlier this fall, the livestock industry of Texas had requested that Congress authorize a study of the program, now more than 40 years old.

Following the TAHC meeting last week, authorities of the U. S. Department of Agriculture's Animal and Plant Health Inspection Service (APHIS) notified the Commission that as of January 1, federal indemnity payments will no longer be paid to producers whose cattle are condemned as brucellosis reactors, said Dr. H. Q. Sibley, executive director of the Commission.

There is some current confusion about indemnity payments, which have often been extremely slow due to prolonged checking of records and paper work involved, explained Lindig.

Dr. E. S. Cox, APHIS veterinarian at Austin, emphasized that all animals that are identified as brucellosis reactors and that are branded and tagged through December 31 will still be covered under the present brucellosis indemnity program.

Cox added that under the proposed federal regulations, Texas cattle could be quarantined. "These quarantine regulations have not been placed against Texas yet, and there is a possibility that they will not be," Cox stated. But he warned that the consequences are serious.

Restrictions under such a possible quarantine stipulate three accepted conditions for shipping cattle out-of-state, Cox said.

One is that the herd be designated as "qualified," indicating that the herd is brucellosis-free. Animals in such herds must be tested and show negative at least 240 days before shipment. Then, a second test would be required 120 days later and a third test within 30 days of shipment. All animals must prove negative at movement.

"This means that it would take seven months to attain a 'qualified' definition," Sibley pointed out.

Additionally, quarantine restrictions for shipping cattle out-of-state would permit slocker and feeder cattle to be shipped if they are branded with an "S" on the left jaw and are sent to a quarantined feedlot or to slaughter.

Steers and spayed heifers could move freely under the possible quarantine. Other heifers could be shipped out of state only if they are from a qualified herd, if they are over six months old, they must be tested. Calves under six months can be shipped only if they are from qualified herds. Officially vaccinated heifers less than 12 months of age from qualified herds could move without testing.

Cox and Sibley explained that if Texas loses its status, no cattle can be shipped from the state to foreign countries because officials cannot write health certificates.

Cattle can come through Texas from other states for foreign shipment if they are transported in "sealed trucks."

To regain status, every herd in the state will have to be tested, said Cox and Sibley.

Livestock industry groups opposing the federal brucellosis program have requested more extensive research for an improved vaccine to combat the cattle disease and less stringent rules that do not increase production costs.

Norman Moore of DeKalb is chairman of the Texas Animal Health Commission, which includes Dr. Don Brothers, Paducah; J. R. Taylor, Amarillo; Dr. Ben Hopson, Laredo; Charles Koontz, Olton; John Armstrong, Kingsville; C. E. Knolle, Sandia; E. Porter Halpert, San Augustine; and T. A. Kincaid, San Antonio.

(This information is provided by Dr. Jim Armstrong, Extension Veterinarian, in cooperation with APHIS and TAHC officials).

Techniques for diagnosing fetal defects can help save lives, reports The National Foundation-March of Dimes. In a 1974 MOD survey of some 2,000 women who sought prenatal diagnosis, more than 97 percent were assured that their children would be born without the defect tested for.

IF YOU'RE GOING AWAY FOR THE HOLIDAYS, REMEMBER THESE BURGLARY PREVENTION TIPS

It's not too soon to start thinking about protecting your property while you are away for a holiday vacation.

This message comes from the Bandera County Sheriff's Department.

Burglars can ruin a Christmas if homeowners don't take steps to safeguard their homes. Good burglary prevention techniques are especially important at this time of the year when burglary rates soar.

The Sheriff's Department is working with the Alamo Council of Government in a burglary-prevention program, suggests the following precautions persons should take if they plan to be away from home during the holidays:

—Call your local law enforcement agency and let them know that you'll be away so that they can watch your home.

—Alert your neighbors. Ask them to report anything suspicious or unusual that they might see inside or outside your house.

—Stop deliveries for the time you intend to be away and ask someone to pick up your mail and newspapers.

—Ask a friend or neighbor to turn lights on and off in your house, giving it the appearance that someone is at home. Or, invest in an automatic timer which will turn lights, radio and television on and off to give your home an occupied appearance.

If you are going to be out for the evening, don't leave curtains open in front of a Christmas tree surrounded by gifts. This is an open invitation to a burglar. And, don't turn out all house lights leaving only the Christmas tree lights lit. This advertises that no one is at home.

The objective of Crime Prevention is to eliminate the opportunity for crime. This can be accomplished only if citizens and law enforcement officers work together in order to stop burglaries. Law enforcement officers are only a phone call away, but if area residents use burglary precautions then they won't have to make that call.

For information on home security call 796-3771.

LIVESTOCK AND MINERALS

Due to seasonal changes in moisture and available foodstuffs for area beef cattle, certain minerals and vitamins become inadequate for maintaining growth and reproduction.

To avoid unnecessary buying of these items it is important to know the conditions which cattle may face before investing in vitamins and minerals.

For instance, the seasonal availability of trace minerals is exactly opposite to that of Vitamin A, protein and phosphorus. Trace minerals are present in their highest concentration in dry vegetation during fall and winter. Thus, if mineral supplements are to be emphasized, it would be mainly during spring and early summer when trace mineral content of lush growing grass is low.

Stockmen need to know how to correct specified deficiencies by a minimum effort. Minerals for this county would include Sodium and Chlorine (Salt) and especially phosphorus. Cattle should have access to iodized salt year-round as it stimulates appetite and plays a part in many body functions.

Livestock are apt to suffer from a lack of phosphorus in this area more than any other mineral. Signs of phosphorus deficiency are decreased reproduction (cows don't cycle after calving) bone or wood chewing, loss of weight and stiff legs (creepy).

Treating deficiencies require special supplements and especially phosphorus. Cattle should have access to iodized salt year-round as it stimulates appetite and plays a part in many body functions.

Livestock are apt to suffer from a lack of phosphorus in this area more than any other mineral. Signs of phosphorus deficiency are decreased reproduction (cows don't cycle after calving) bone or wood chewing, loss of weight and stiff legs (creepy).

Treating deficiencies require special supplements and especially phosphorus. Cattle should have access to iodized salt year-round as it stimulates appetite and plays a part in many body functions.

Since most grasses (except fast growing lush grass) and hays contain large amounts of Calcium, this deficiency is not seen except in special instances. Cattle on high concentrate rations, lush pastures and around calving time are those most often found calcium deficient.

Specific calcium-phosphorus minerals include, Dicalcium phosphate, ground limestone, STP and steamed bone meal. Your feed or milling representative can tell you which mineral concentrate is best for your specific needs.

There are many trace minerals but the deficiency seen most often in Bandera County is Selenium deficiency. It is characterized by small, weak or dead calves and causes "white muscle" disease in cattle or commonly called "stiff lamb" disease in sheep.

Addition to Selenium and other trace minerals requires much care or the results can be disasterous. Proper feed analysis should be performed prior to adding these minerals in other than regular mineral mixes.

Also consider that since the lack of rainfall over the past 3-4 months has caused pasturage to be almost nonexistant, we will see more livestock dying from malnutrition and becoming Vitamin A deficient. Good quality hay should be fed and Vitamin A given to prevent heavy losses.

Good management at this time of year includes deworming and delousing animals for internal and external grassers. One injection of Vitamin A&D will ensure several months of protection from Vitamin A deficiencies.

We are still seeing death losses due to blackleg and the other clostridium diseases. Vaccinating calves at 2 months and repeating at 4-6 months can prevent these unnecessary losses. The above recommendations can be very worthwhile in dollars and cents if applied at the right time.

129,000 ALIENS WILL REPORT ADDRESSES

District Director, Joe F. Staley, San Antonio, Texas, of the Immigration and Naturalization Service estimated that 120,000 aliens will report their addresses in the San Antonio Area during January under the Federal Alien Address Report Program.

Mr. Joe F. Staley said that all non-citizens, except those in diplomatic status and foreign representatives of certain international organizations are required to file the address report.

He added that any alien who willfully violates the address report requirement may be subject to serious penalties.

In addition, aliens who are not in the United States during January must report their addresses to the Service within 10 days after their return to this country.

The District Director said that address report cards will be available at United States post offices and at the Immigration and Naturalization Service office at San Antonio beginning January 1, 1976.

Wedding Vows Exchanged

Miss Jeanette Marie Roberts and Richard Gearty exchanged marriage vows in a double ring ceremony Friday, December 5. The Reverend Austin G. Kahn performed the rites in Chapel Seven at Lackland Air Force Base. The couple's parents are Mr. and Mrs. Earl Roberts of Lakehills, and Mr. and Mrs. Joseph Gearty of Helotes. Bridesmaids were Misses Dana Gray of Lakehills, Cheryl Beaton of Bandera, and Nancy Arquett of San Antonio. The bride's attendant was the bride's sister, Mrs. Terry Recio. Bobby Recio, the bride's brother-in-law, was best man and groomsmen included Wilbur Davis, Randy Harmandez and Rick Turk. Suzette Davis was flower girl. The lovely bride was presented in marriage by her father. She wore a floor length white bouffant bridal gown enhanced with white lace. Her beautiful illusion veil was held by a crown of lace and seed pearls. She carried a bouquet of carnations and baby's breath with lace and satin streamers. The bridesmaids, the matron of honor and the flower girl were gowned in floor length duty pink ensembles. They carried bouquets of dusty pink carnations, baby's breath and ivy. The groom and his attendants were resplendent in their evening attire with ruffled shirts. Following the ceremony, a reception was held in the Party Room of The Fox Run Apartments. A two-tiered royal wedding cake graced the center of the bride's table. An ecru lace tablecloth which covered the table was made by the groom's grandmother. Hors d'oeuvres, champagne punch and ham were served to seventy guests from Lakehills, Bandera, Helotes, San Antonio, Kerrville, Kentucky, and Louisiana. After the reception the happy couple left for a honeymoon at the coast. They will make their home in Lakehills.

The meeting was opened with prayer by the president, Blanche Lloyd. The group sang "If we had been in Bethlehem" and Tussy Neumann, Blanche Lloyd, Helen Kerr, Alice Lundblad and Irene Zigler also took part in this beautiful Christmas program. A short business meeting was held followed by a time of fellowship. BETTERMENT ASSOCIATION ACTIVITIES

New Year's Eve Dance

Big plans are being finalized for the Gala New Year's Eve Dance at the Civic Center. The Reservations Committee would appreciate receiving the $10 per person admission charge from those who have made reservations in advance. Not only will their job be made easier, but those paying in advance, it will guarantee their place as well as enable them to come as late in the evening as they desire. It will also eliminate a bottleneck at the door. All paying will receive a receipt they can show the ticket takers and go right in. All unpaid in advance reservations that have not been picked up by 8:30 p.m. will be sold at the door on a first come, first serve basis. Contact Jeffie Waterman for reservations.

Firemen on Clean-Up Detail

The directors want to thank the firemen who showed up bright and early Saturday morning and left a job "a-plenty" Civic Center from the enjoyable Auxiliary party the night before. Those on the clean-up detail were Cliff Waterman, Joe Talk, Clint Gobler, Adren Heisler, Lola Heisler, Howard Jack, Bob Travis, Glen Stufflebean and Bob Moore.

Teen-Age Dance

The Teen-Age Dance was held Saturday night. Many young people and chaperones enjoyed a very festive Christmas dance. Reported that the food was very good, the music was just right and the company—of course—the best. We are very proud of our well-behaved and courteous young people. They all pitched in after the dance and did a first-class clean-up job. Thank you, Pancho Harmandez, for the music, and Cliff and Jeffie Waterman for recording the tapes. The committee for these dances, Ann Jack, Edel Shepard and Mary Ann and Steve Kelley are doing a fine job.

Directors Meeting

At the director's meeting last Thursday night, we were introduced to Ann Waterman in addition to the Civic Center. Cleo Taylor had the very good idea of starting a "Memory Wall" of the highlights of events taking place at the Center. She and Austin had saved the official program of "The Turn of the Century Review" (cast and crew), treated the paper so it would not fade and had it mounted on green velvet. She enlisted the aid of Charlie Turner who, craftsman that he is, made a beautiful frame for the two posters and then they mounted them on the wall. Don't fail to admire it on your next visit to the Center.

Many thanks to Mr. and Mrs. Bob Markoff and Panchita Thomson for cash donations.

AMERICAN LEGION ACTIVITIES

From Commander Bill Jenson comes the following report about the "Post on the Move".

Lakehills is a community so unique, so in many ways. We have proved it time and time again "when the chips were down" that a spirit of giving and helpfulness has always prevailed. Though we each have our own interests in daily life, we tend to congregate together in time of need and crisis. A small community, yes, but big in thought and action. Many groups are active, each in their own way and specific interest to best serve the community of which they are a part. The churches, the clubs, the Fire Department and Auxiliary, the Civic Center backers all fill a needed slot in the total scheme of things.

I am proud to say that the American Legion is also a vital part of the every day happenings in Lakehills. We have strived hard to serve, first, the youth of the community, second, our own interests and the veterans and his family, and then, the community in general.

This is the second holiday season that we are sponsoring "Christmas Eve in Lakehills." Designed for those of us that are "shut-ins," alone, no longer with family, and yet, too, for all who want to come and join in the fellowship and fun—this Holiday can be a time to truly join together in this community-wide event. No charge, no fuss, no muss—come to the Legion Home Wednesday, 1:00 p.m.—if you can't make it, let us know, and we'll deliver a Holiday dinner fit for a king. Two Santas, Mrs. Claus, and a host of others will be here to serve you—star singin, play games, converse, and discover what the true spirit of "Christmas Eve in Lakehills" is all about!

AWARD RECEIVED

Mr. and Mrs. Arliss Schott of Lakehills and parishioners of St. Victor's Chapel in Lakehills were the recipients of the Archbishop Francis J. Furey Award on Sunday, December 14, 3:00 p.m at San Fernando Cathedral in San Antonnio. Mr. and Mrs. Schott were presented this award for 'meritorious and deserving parish work.' Congratulations to this fine young couple.

AROUND LAKEHILLS

Polly's Chapel

Have you been to Polly's Chapel? Have you taken your guests there? Polly's Chapel has captured the interest of everyone who has been there throughout the years. It is named for Policarpo Rodriguez (1820-1914). Mr. Rodriguez was a Texas Ranger, army scout, and guide. He was a Privilege Creek settler and converted here to the Methodist faith. He built the chapel of native stone with his own hands in 1882. It has been recorded as a Historical Texas Landmark. The inside contains eight pews on either side; an old Kimball upright piano with ancient hymnals, and a large pulpit beckon all who enter to say a prayer and sing. A feeling of peace and serenity seems to descend upon anyone entering the chapel with its stained glass windows.

BOUQUET OF ROSES TO:

Johnny and Mary Collins and Billy McCrae, who acted as a friend in need to Virgil Totten.

Hoy Campbell who created the beautiful sign for Dennis Lutz of the Horseshoe Inn.

Glenn Schmidt of Bandera who changed a tire for H. T.

Gerald Vanderveer and Mark Vanderveer of Ft. Worth, who did not get any deer in Bandera, but killed 'plen-ti' of Wild Turkey.

The courteous and well behaved young people who attend the teenage dances at the Civic Center.

The people who have made the Legion Home "a want to go to" place.

ILLNESS

Virgil Totten is very ill and is in the Veteran's Hospital in Kerrville. When he had his accident he was taken to the VA in Kerrville and later transferred to Audie Murphy in S. A. He has been taken back to Kerrville where he is undergoing treatment. This little note is for the people who erroneously reported that Virgil had died. It might be well to note that in case of death, the news is not released until the next of kin has been notified.

CONDOLENCES

To Mrs. Sybil Atkins of Bandera and to James L. Atkins II, wife and son respectively of Col. James L. Atkins, who died recently. Sympathy is also extended to the other members of the family of Col. Atkins.

A LETTER FROM THE ANSONS

Dear Ones:

This is to let you know that your gifts of love to us are arriving daily, and together, with much anticipation, we untie each heart string, joyfully re-wrap in the same, kind, and loving thoughts in which they were sent, and then store them for memories to treasure in the future. Miraculously, you have kept us feeling so near to you and not far away at all, and Bubba loves this. Also he would very proudly have you know that he has overcome his fear of needles, now, all he does is ask, "north or south, east or west." He is still looking for an escape hatch in the unit where he is and swears that all he needs is the smell of cedar and a rock ledge to hang his head over. Further, he insists that a pretty nurse gives a much better shave than one not so pretty, and fortunately for him, there are many pretty ones.

Fortunate for me is the fact I am with my loving, lovable uncle and his equally adorable wife. Their kindness, like yours, is not describable. They have begun to feel so close to all of you who have been calling, and I believe Jack is actually disappointed when I am here to answer the phone. It deprives him of a visit.

Before closing, you should know that Bubba and I are happily embracing this holiday season. We have every reason to do so, having learned through your goodness and generosity the real meaning of the Christmas Spirit. Truly our hearts are full. We can only hope and sincerely wish that you will now share with each other as generously as you have with us and make these lovely days ahead the most joyful, glorious and the happiest ones ever!

Our Love

NAVY MAN MANDRY WRITES FROM HIS STATION

We always like to hear from our young men who leave Bandera to either attend college, go into business or the service of our country. This past week we received a most interesting magazine "Puget Soundings" from SN George G. Mandry, Jr. of the Public Affairs Office, USS Puget Sound (AD-38), FPO, N.Y., N.Y. 09501.

The interesting magazine is devoted to the activities of the US Navy Ship the "Puget Sound."

SN Mandry wrote, "Just thought I'd send you a copy of the latest copy of the ship's magazine. Take it easy and give my best to the Hill Country. See you in January."

LETTER TO THE BANDERA BULLETIN

The Bandera Bulletin received the following nice letter from a recent visitor to our city:

Dear Sirs:

I would like to thank you and all of the wonderful people of Bandera for the fantastic welcome you gave to myself and the rest of my party on a recent trip to Bandera.

I have traveled to many countries throughout the world and I have never been made so welcome as the welcome you gave me.

When we arrived nobody had any idea what Bandera would be like. But we soon found out and discovered three days was nowhere near long enough.

I hope that some time in the very near future that I can come back and see you all again. In fact it is my number one ambition. As soon as I arrived home I went and got another travel brochure and have started to save up for the next time I come.

I hope that if anyone from Bandera comes to England we can give you such a welcome. Again many thanks. See you all soon.

Yours sincerely,

SCHOOL BOARD TRANSACTS ROUTINE BUSINESS

Meeting in regular session recently, the Board of Trustees of the Bandera Independent School District transacted routine business matters prior to the closing of school for the Christmas vacation.

Don Cormie, School auditor from Alexander Grant and Company of San Antonio, presented the audit report of the school district for the 1974-1975 school fiscal year and the Consolidated Application Fund audit report for the 1973-1974 school fiscal year. In addition he reviewed recommendations for improving the internal business management of the school district. The Board approved the Audit Reports and instructed Superintendent Charles H. Hundley to forward them to the Texas Education Agency in Austin. Alexander Grant and Company were rehired as school auditors for the 1975-1976 school fiscal year.

The school auditors pointed out that in the School Board's August 6, 1975, resolution in which it was stated that proceeds from the County Permanent School Fund would be used to retire "bonded indebtedness" it had not clearly spelled out that "bonded indebtedness" meant both principal and interest of bonded indebtedness. The Board amended the resolution and defined "bonded indebtedness."

A discussion of the collection of delinquent taxes in the school district was held. The Board renewed its contract with Gates Steen and Associates of Austin as delinquent tax attorneys for the school district for a two year period which will expire in December, 1977.

The Board heard a report that Heisler Well Service of Lakehills drilled a test hole for water at the new Bandera High School and struck an excellent waterwell which will yield an estimated two hundred gallons of water per minute, far in excess of the needs of the new school. The Board authorized Heisler Well Service to drill and case the waterwell and to acidize it if necessary. The school district will secure bids on pumps for the well.

The Trustees authorized the purchase of ninety day treasury bills in the amount of $30,000 from the school district operating fund to earn interest to be used for school expenses.

In other matters, the Board:

—Approved the minutes of the November 12, 1975, meeting;

—Approved the payment of the November bills in the amount of $75,465.01 including a payment on the new high school in the amount of $57,504.60;

—Heard the Superintendent present a financial status report on the school operating fund.

Superintendent Hundley reported on several other items to the Board:

—The enrollment of the school district as of Monday, December 8, 1975, was 910.

—Tax receipts for November, 1975, were $84,913.37.

—The pending personal property tax suit hearing will take place on December 12 in the Bandera County Courthouse.

—Six Bandera mathematics teachers attended a mathematics seminar in Austin on December 5.

—The Education Service Center in San Antonio is planning a Lease-Purchase program to secure new facilities.

—Four illegal aliens are currently enrolled in the Bandera Independent School District. The Texas Education Agency is currently making a count of all illegal aliens enrolled in Texas public schools.

The Board will meet again in January. Board members are Jack Chafin, Wiley D'Spain, Don Hicks, Thomas Keese, Rudy Schott, Roger Stevens, and Dan Tschirhart.

CONTROL CATTLE LICE

Lice can weaken cattle, stunt their growth and make them more susceptible to other diseases. That's why it's important to check cattle periodically for the tiny pests, says W. M. Lindig, county agent for the Texas Agricultural Extension Service.

"It's especially important to check cattle in the fall, winter and spring months because lice are attracted to the cooler skin temperatures of animals," points out Lindig.

Both bloodsucking and biting lice are parasites of cattle. Biting lice feed on pieces of hair, scabs and skin excretions of the animal and can cause cattle to scratch and rub off pieces of skin. The loss of blood caused by bloodsucking lice can keep young animals from gaining and can affect meat and milk production in older animals.

Lice are most numerous on the neck and shoulders of an animal and are more common on poorly fed cattle.

Lice can be controlled by spraying, dipping, dusting or a self-treatment rubbing device. The insecticide used depends on the application method and whether it is for dairy or beef cattle, says the agent.

"The most effective way to apply an insecticide is to wet the animal to the skin". "This usually takes from one to two gallons of spray for mature animals with heavy hair coats."

The application should be repeated in two or three weeks and cattle should be inspected periodically after that, adds the agent.

(This information comes from Dr. Mike McWhorter, Extension Entomologist).

NEW YEAR GREETINGS

Bicentennial 76

The Bandera Bulletin

VOLUME 31, NUMBER 30 BANDERA, BANDERA COUNTY, TEXAS FRIDAY, DECEMBER 26, 1975 10¢ PER COPY

Kimberly Ann Keese receives Good Citizenship award from Mrs. John K. Harrell, Sr.

Gala Christmas Party Held At Bandera Electric Auditorium

Members, friends and guests of the Daughters of the American Revolution, Michael Upchurch Chapter Colonial Dames XVII Century, the Heritage Genealogical Society and Lt. Abraham Cantine Chapter Sons of the American Revolution were graciously welcomed by Mrs. J. C. Focke of the Bandera Chapter DAR as they gathered at the Bandera Electric Cooperative, Inc., auditorium on Thursday, December 18, 1975, for a joint Christmas program.

Many of the ladies were dressed in their Bicentennial costumes to add to the family heritage theme of the day.

Each placed their items representing sentimental value as well as monetary, on tables to show the local family traditions and to tell the stories as traditions are being handed to another generation. Everyone enjoyed the visiting and sharing of Christmases past.

The Good Citizenship medal was presented to Miss Kimberly Ann Keese, daughter of Mr. and Mrs. Thomas H. Keese, a member of the Bandera High School Senior Class, by Mrs. John K. Harrell, Sr., National Defense Chairman of Bandera Chapter DAR. The award is a NSDAR medal awarded to an outstanding Senior Girl of Bandera County by the National Defense Committee, who best represents the qualities of honor, service, courage, leadership and patriotism.

Since Christmas is for children, we were honored to have a program presented by students from Bandera Independent Schools.

Miss Julie Ash, senior girl, instructed us on Christmas traditions, their origins and Americanization. This was a delightful presentation.

Mrs. Charles Hundley, who was also in charge of the program, gave a delightful reading, "Portrait of the USA."

The sixth grade class, that had been coached by Mrs. Bob Allert, formed the world's living Christmas tree complete with lights and garlands. The program included songs, readings and American gifts to the world which included Liberty, faithfulness, kindness and love, justice, truth, courage and hope.

Mrs. Roy Bennett of Madrona Garden Club, brought the message on planting Liberty Trees.

Mrs. A. B. Alkek, president of Michael Upchurch Chapter Colonial Dames XVII Century, spoke on the Colonial era, "Prologue to Independence."

"As we enjoy the blessings of Christmas day with our family, let us forget not to give thanks for our ancestors who so courageously came to this continent. With only their shield of faith they came anyway—to face famine, want and death. Those who survived became the colonists who left an indelible heritage of courage, devotion, faith and brotherly love."

"Colonists soon learned what government was meant to do as the frontiersmen pushed beyond the reach of civilization. The government became real and immediate and never a theory as they began to band together with mutual defense and order."

"When England began reaching into American affairs, the result was the American Revolution . . . the struggle for independence. As the conflict sharpened, there seemed to be no compromise."

"In 1772, Samuel Adams said 'Among the natural rights of the colonists are these: First, a right to life, secondly, to liberty, thirdly, to property: Together with the right to defend them in the best manner they can.'"

"We give homage to our patriots who were men imbued with a strong sense of equity and justice and who set out to right what was wrong."

"The famous crossing of the Delaware by Washington and his troops on Christmas, 1776, gave themselves a place in history and the people something very special to celebrate."

New members of the Bandera Chapter DAR, Mrs. Jon Dowell, Mrs. Ross Bailey and Mrs. Ann E. Burk, were welcomed by Mrs. E. M. Anderson, Jr.

A prayer supposed to be George Washington's at Christmastime at Valley Forge, closed the meeting and sent everyone to gaily decorated tables of foods from many lands.

Happy Christmas!
Mrs. J. O. Evans, Reporter

Voter Registration

Because of recent Federal Court and Justice Department rulings, many citizens are confused about the necessity to re-register for voting in 1976.

Otto E. Zuttermeister, assessor-collector, who is the Bandera County registrar of voters, advises that a decision has been reached. It is not necessary for those who were eligible to vote in the November 4, 1975 Constitutional Amendment election to re-register at this time.

Those who have moved within Bandera County since their original registration must report such move by January 31, 1976 so their names will appear on the correct precinct list.

New residents of Bandera County must register at the tax office before January 31, 1976 or their registration to become effective on March 1, 1976. If registered after January 31, registration will not become effective until the 31st day after date of registration.

During the month of February 1976 new voter registration certificates will be mailed to those currently on the list of voters and to new registrants. These will be valid for the two year period March 1, 1976 to February 28, 1978.

Those who are not currently registered are urged to do so as 1976 is a General Election year.

Application forms are available in Spanish as well as English at the tax office. For further information phone 796-3723.

Texas Department Of Public Safety Urges Safe Driving

Colonel Wilson E. Speir, director of the Texas Department of Public Safety, today warned that an estimated 46 deaths, contributed to traffic accidents, will occur in the New Year period which runs from 6 p.m. Wednesday, December 31, through midnight Sunday, January 4, 1976.

Speir said the DPS will be working with local law enforcement agencies in mount as strong an enforcement effort as possible.

"We will be utilizing all the manpower and resources that we have in the department, and will be concentrating on such hazardous violations as drinking while driving and speeding," he noted.

He said public cooperation is also needed if accidents are to be prevented during the holiday, and pointed out that DPS will be working with local police and the news media in a public education effort called "Operation Motorcide."

"Through this program we attempt to emphasize the problem of hazardous driving and create a driver consciousness that will make our highways and streets safer to use," he said.

Santa Claus flew in from the North Pole Monday bringing with him many gifts for Purple Hills Nursing Home residents. He had to ride one of his own reindeer. (Note his spurs.) Santa (Jerome Edwards of Pipe Creek) is shown here with Mrs. D. W. Hicks, nursing home owner, at the gala Christmas Party Monday afternoon. Many friends and guests came for the festive occasion.

MEDINA COUNTY HUNTERS OUTSHOOT SOUTH BANDERA HUNTERS

Medina County hunters outshoot South Bandera hunters by a score of 8—ZIP. Medina County hunters, Buddy Groff, Dooley Eckhart, Frank Helvy, and "Speedy" Gonzales (not pictured) enjoyed a fine hunting trip to the Altizer Ranch near Del Rio as this picture will testify.

The South Bandera hunting group was comprised of Ray Wharton, Wayne Wharton, Damon McDonald and Juan Dominguez.

The South Bandera group led by the old pro, Ray Wharton, burnt up quite a bit of ammo but couldn't seem to make a fatal hit.

This is the second year in a row that the Medina County lads have outshown the Bandera group—Better luck next year "Podnahs."

Merry Christmas

Our home was made bright with Christmas Cheer early Monday evening when the Bandera Rainbow Girls came to our door to sing our best loved Christmas carols. The sweet voices in the still clear night brought a little closer the vision of the Angels singing when the Christ Child was born. Blessings on you Rainbow Girls!

Following their visit one of our favorite girls came bringing a beautiful loaf of homemade bread. Our thanks to Minneana James and her mother for the beautiful gift which Minneana made. It is crisp and golden and delicious.

Anderwalds Attend Commencement

Mr. and Mrs. Gabe Anderwald attended Winter Commencement at Southwest Texas State University in San Marcos when her son, Bryan J. Norwood, graduated with honors in the School of Business. Also attending the graduation were his grandmothers, Mrs. Lydia White and Mrs. Jewelle Ketchbaw of Houston, his father and mother-in-law, Mr. and Mrs. Sidney Brooks of Sommerville, South Carolina. Mr. Norwood and his wife will move to Charleston, South Carolina, where he has accepted a position with Street Shipping Lines.

Please Consider . . THE "GUSTO" PHILOSOPHY

by Robert W. Blackshear

There is a fairly familiar television commercial which exclaims that "you only go around once in this old life, so you'd better get all of the gusto out of it that you can!" While the idea behind such an appeal is to sell a high-level subsidy agent, there is a far greater appeal to adhere to a particular school of thought—the "gusto" philosophy.

Inherent in this school of thought (though it does not require much thinking, because it appeals to man's base nature) are the following ideas: no belief in life after death and a belief in "all get and no give." So the "gusto" philosophy may be summed up as follows: "Since your life on this earth is a purely physical one, and when you die, you're dead, you may as well do your own thing and get what you can get while you can; because you're not accountable to anyone, except yourself."

This philosophy is nothing new, for the doctrine of Epicurus (342—271 B.C.) was one of pure pleasure seeking and gross materialism. But against such a philosophy Jesus shares a parable of the rich fool in Luke 12:19-20: "And I (the fool) will say to my soul, 'Soul, thou hast much goods laid up for many years; take thine ease, Eat, drink, and be merry! But God said unto him, 'Thou fool, this night thy soul shall be required of thee . . . .

Dear reader, some of us have been so busy making a living, we have never learned how to make a life. We are accountable to God! So get rid of that "gusto" philosophy and take on a new life in Christ—life now, life forevermore.

Lahree Munsch Is In The Hospital

Many friends and relatives here are sorry to learn that Mrs. Lahree Munsch is ill and in the Baptist Memorial Hospital in San Antonio, where she is undergoing tests and treatment.

Babies born to poor parents are often smaller and more likely to have birth defects than infants of the more affluent, reports The National Foundation-March of Dimes. Poor nutrition during pregnancy is a contributing factor, according to a recent study.

Card Of Thanks

Words cannot express the thanks and appreciation my wife, Bobbie, and I feel for the concern shown me during my recent illness and surgery. Not only members of St. Christopher's Episcopal Church but many well-wishers in the Bandera community have been instrumental in assuring my recovery with their prayers and love. During my convalescence, we will be in the Rectory here in Bandera where I can enjoy the warmth of a fire, the beauty of the scenery and the comfort of knowing I am surrounded by friends. The cards, gifts and offers of help too numerous to mention will be remembered for years to come. Thank you one and all.

New Texas Magazine Is Published

Sam Pendergrast's "OESTE", a colorful and highly interesting magazine devoted to stories of Texas cattle to our desk today "Oeste" , a Spanish word meaning "west" features in this first issue Terlingua, Texas, the noted place of the chili festival.

Ten thousand of the Terlingua Issue were printed and are available at Oeste Magazine, 401 Rio Concho Drive, Post Office Box 2186, San Angelo, Texas 76901.

1975-First Human Rabies Death In 10 Years

In January 1975 a 70 year-old man in Minnesota, died of rabies, 2 months following a bite from an unidentified stray cat. This was apparently the first human death from rabies in 10 years in the U.S.A. associated with the bite of a cat or dog.

It is imperative that rabies be considered when bites occur from domestic or wild animals. Texas State Health Dept. reports show that the majority of human bites from domestic animals (dogs and cats) involve unvaccinated animals. At present, the Communicable Disease Center in Atlanta, Georgia, and most veterinarians, recommend a 10 day quarantine of such animals with an examination by a veterinarian at the start and finish of the quarantine period. When wild animals bite humans the recommended procedure is to have the animals brain tissue submitted immediately for detection of rabies. No Quarantine Period Is Recommended For Wild Animals.

The reason that animals should be checked and certain precautions taken is shown in the following case history.

On April 4, 1974, a nurse let both of her two poodles outside in a highly urban neighborhood. Both dogs were considered to be behaving normally. When she attempted to recall them 15 minutes later, she discovered her 1 year-old female poodle lying unconscious in the street with blood and abrasions about the head area. The dog was unconscious when referred to a veterinarian. The dog recovered enough to be able to walk but died 10 days later. On autopsy, no visible brain changes were observed, but when examined by a pathologist, it was found to have rabies. A total of 22 persons who had been exposed to this case underwent the rabies vaccination series.

This case serves to illustrate that disease conditions more serious than those readily apparent can be present much the same as when we receive a bite from a pet animal--there may be a more serious disease--even rabies--that causes the animal to bite.

Tax Packages To Be Mailed Out Next Week

The Internal Revenue Service will mail out about 2.5 million 1975 tax packages to southern Texas residents next week as part of a nationwide mailing of over 81 million packages, Robert M. McKeever, IRS district director for southern Texas, said today.

Of the total packages to be sent out nationwide, McKeever pointed out, 43 million will be of the 1040 type and 38 million the short form 1040A variety.

McKeever explained that the number of taxpayers being sent the 1040A package includes 16 million who received the 1040 package last year. The reason for the change, the IRS district director said, is that IRS records show the taxpayer could have used the short form 1040A, based on his or her particular financial situation.

In previous years, the IRS automatically sent taxpayers the package containing the type of return they filed the previous year. If the tax status of taxpayers receiving the 1040A package for the first time has changed since last year and they can't figure out itemize deductions, they can call the IRS and request the 1040 tax forms and instructions, he said.

Both the 1040 and 1040A tax packages contain forms, instructions, and additional tax information such as a listing of local IRS toll-free telephone assistance numbers. Taxpayers can call this number, if the instructions do not answer their tax questions. Each tax package also contains an order blank which taxpayers can use to obtain additional tax publications and forms.

McKeever said that 1975 tax forms reflect changes primarily due to changes in tax law. The form changes reflect a special housing credit, a $30 tax credit for exemptions, earned income credit, changes in the standard deduction, and provisions for contributions to an individual retirement program. The tax return contains boxes which taxpayers can check for participation or nonparticipation in the Presidential Election Campaign Fund, he said.

Although the U. S. infant death rate has dropped to an all-time low, seventeen other countries are doing better, reports The National Foundation-March of Dimes. Sweden and Iceland have the lowest rates, according to latest data.

Many so-called "adult diseases" may begin as birth defects, says The National Foundation-March of Dimes. An inherited tendency to heart disease, stroke, diabetes, and emphysema may escape detection in childhood and youth but surface later in life.

Tom Hay who is a student at East Texas State University, is here spending the holidays with his parents, Mr. and Mrs. Marvin Hay.

AMERICAN LEGION ACTIVITIES

Regular Monthly Meeting

The Legion and Ladies Auxiliary met in joint session on Thursday, December 18. Membership committee reported that the membership is now at an all-time-high for Post No. 410, having achieved 105 percent of our quota for 1976—and still growing! A list of prospective members was presented for persons to be contacted to join our forces. 1976 will be a big year!

Arts And Crafts

A vote of confidence and support was given to Mrs. Carole DeThorne for her continuation of Arts and Crafts classes for the youth of the community on Wednesday evenings. Mrs. Marjorie Knowles is Carole's able assistant. These classes will begin again on Wednesday, January 28, at the Legion Home.

Cans, Cans, Cans

Finance Officer Stanley Tschirhart reported that the sale of newspapers and aluminum cans was a great financial success. Due to limited space, we will gather **Only Aluminum Cans** in the future. Large plastic garbage bags are available at the storage shed area at the Legion Home, for those who wish to drop off their excess aluminum cans. This will be a continuing project, so save them up, and bring them over.

Scouts

Report was made that our Charter with the Boy Scouts of America is being renewed for another year of sponsorship of Troop No. 204. The following adult leaders will be members of the Executive Council for the Troop in 1976: Sam Tomlinson, Bill Slove, Mildred Schenkat, Floyd Galland, and Bill Jenson. The troop is growing in size and varied activities and we are looking forward to honoring two Eagle Scouts in the coming year as part of the bicentennial celebration.

Cub Scouts

The Charter request and initial enrollment for Cub Scouts has been completed. Due to the over-flow crowd at these Monday meetings, the boys will be separated into different Dens in January with Mrs. Carole DeThorne and Mrs. Jeannie Anderson as Den Mothers. They are being assisted by Mrs. Lanetta Bartley and others of the Cub Executive Council.

Bandera Men Receive Degrees

Two Bandera area residents were among the approximately 800 degree candidates who received diplomas from Southwest Texas State University in twin winter commencement ceremonies Saturday, Dec. 20.

The commencement address at each ceremony was delivered by W. Marvin Watson, President of Occidental International Corporation and former special assistant to the late President Lyndon B. Johnson, who was a graduate of Southwest Texas. Watson served as United States Postmaster General during the Johnson Administration.

Degrees were conferred in SWT's Strahan Gymnasium. Ceremonies for arts and sciences and Graduate School graduates were held at 8 a.m. with those for professional schools following at 10:30.

The local graduates were Randy McCollough and Bryan J. Norwood, Jr.

McCollough, the son of Mr. and Mrs. S. Ward McCollough of Box 186 in Medina, received a bachelor of science degree in biology. He was a member of Tri Beta, the biological honor society and awarded for scholarship by the school of science in 1974 and 1975.

Norwood, the son of Mr. and Mrs. Gabe Anderwald of Rt. 1 Box 107 in Bandera, received a bachelor of business administration degree. He graduated with honors.

Mrs. Philip Saul of Fort Stockton and Mrs. Muriel Hickman of Kerrville visited in the John Saul home Sunday evening.

Bandera Men Receive Degrees

Two Bandera area residents were among the approximately 800 degree candidates who received diplomas from Southwest Texas State University in twin winter commencement ceremonies Saturday, Dec. 20.

The commencement address at each ceremony was delivered by W. Marvin Watson, President of Occidental International Corporation and former special assistant to the late President Lyndon B. Johnson, who was a graduate of Southwest Texas. Watson served as United States Postmaster General during the Johnson Administration.

Degrees were conferred in SWT's Strahan Gymnasium. Ceremonies for arts and sciences and Graduate School graduates were held at 8 a.m. with those for professional schools following at 10:30.

The local graduates were Randy McCollough and Bryan J. Norwood, Jr.

McCollough, the son of Mr. and Mrs. S. Ward McCollough of Box 186 in Medina, received a bachelor of science degree in biology. He was a member of Tri Beta, the biological honor society and awarded for scholarship by the school of science in 1974 and 1975.

Norwood, the son of Mr. and Mrs. Gabe Anderwald of Rt. 1 Box 107 in Bandera, received a bachelor of business administration degree. He graduated with honors.

Mrs. Philip Saul of Fort Stockton and Mrs. Muriel Hickman of Kerrville visited in the John Saul home Sunday evening.
