PUBLIC NOTICES

...of services of this citation, then and there to answer the "First Amended Petition in a Suit Affecting the Parent-Child Relationship and to Terminate the Parent-Child Relationship" of the Texas Department of Protective and Regulatory Services, Petitioner, files in said Court on the 19th day of September, 1998, against alleged biological father, **MAURICE ALLEN AND UNKNOWN FATHER**, Respondents(s), and said suit being number 6964-97 on the docket of said Court, and entitled "In terest of **FRANKLIN ROCKFORD KIMBALL**."

...the nature of which suit is a request to terminate the parent-child relationship and/or name the Texas Department of Protective and Regulatory Services or a suitable, competent adult recommended by the Texas Department of Protective and Regulatory Services as Managing Conservator of the Child, **FRANKLIN ROCKFORD KIMBALL**, (D.O.B. January 10, 1993).The Court has authority in this suit to enter any judgment or decree in the Children's interest which will be binding upon you, including the termination of the parent-child relationship, the determination of paternity and the appointment of a conservator with authority to consent to the Children's adoption.Issued and given under my hand and the seal of said Court at BANDERA, TEXAS, the 10th day of MARCH, 1998. REQUESTED BY: Richard Dick, Attorney for Petitioner, PO Box 23990, San Antonio, TX 78223-0990.

The City of Bandera is accepting bids for a 1997 or 1998 three-quarter ton pickup truck or cab and chassis. Those wishing to bid must contact the city offices for a list of required equipment. Bids will be accepted at the Bandera City Offices, 511 Main Street, Bandera, Texas 78003. All bids must be clearly marked on the bid with the number 980413. Bids will be opened at the regular meeting of the City Council on April 13, 1998, which begins at 7:00 p.m. No bids will be accepted after that time. For any additional information, contact Don Reddout at (830) 796-3765. The City of Bandera has a need to purchase a dump truck. Persons having a dump truck for sale should contact Don Reddout, City Administrator, (830) 796-3765, for additional details.

RESOLUTION TO BANDERA COUNTY CONCERNING SUBDIVISION RULES

WHEREAS, Bandera County Commissioner's Court and Springhills Water Management District have agreed through Resolutions to work in a cooperative effort pursuant of Texas Water Code, Chapter 35, Section 35.019, Water Availability;

WHEREAS, Springhills Water Management District has reviewed studies conducted concerning availability of water in Bandera County;

WHEREAS, Springhills Water Management District will review all pertinent information relating to water availability and report to Bandera County Commissioner's Court prior to Subdivision Plat approval;

NOW THEREFORE BE IT RESOLVED:

Springhills Water Management District recommends that the Bandera County Commissioner's Court pass a resolution for adoption of Springhills Water Management District's Subdivision Rules as pertaining to review of water availability within proposed subdivision plat areas.

Signed this 12th day of March, 1998.

RULE 9 SUBDIVISION WATER AVAILABILITY

Section 9.1 Definitions

9.11) Public Water System (water system) - As defined by Texas Natural Resources conservation Commission (TNRCC) TAC 290.38. A system for the provision to the public of piped water for human consumption, which includes all uses described under the definition for drinking water. Such a system must have a potential for at least 15 service connections or serve at least 25 individuals at least 60 days out of the year. This term includes any collection, treatment, storage, and distribution facilities under the control of the operator of such system and used primarily in connection with such system; and any collection or pretreatment storage facilities not under such control, which are used primarily in connection with such system. Two or more systems with each having a potential to serve less than 15 connections or less than 25 individuals but owned by the same person, firm, or corporation and located on adjacent land will be considered a public water system when the total potential service connections in the combined systems are 15 or greater or if the total number of individuals served by the combined systems total 25 or more at least 60 days out of the year. Without excluding other meanings of the terms "individual" or "served," an individual shall be deemed to be served by a water system if he lives in, uses at his place of employment, or works in a place to which drinking water is supplied from the system.

9.12) Applicable information is defined as follows:
a) Engineering diagrams and reports.
b) Plats for the existing and/or new or proposed expansion of the subdivision.
c) All variances requested and approved for the water system, and the corresponding correspondence with the TNRCC.
d) Number of current hook ups to the system.
e) Current water quality analysis within the subdivision area.
f) Past and current TNRCC reports and inspections.
g) Current Management and Drought Contingency plan for the water system's service area.
h) All well logs and reports of wells used by the water system. Plugging reports for any wells no longer in use by the water system or the water systems' service area.
i) TNRCC water system identification number.
j) Any additional documentation requested after review of the above.
k) All data, information or reports generated during the testing of wells.
l) All information provided to TNRCC.

9.13) Subdivision shall be used to describe any new, unplatted, or expansion of an existing subdivision, which is to be submitted to the Commission's Court for approval.

9.14) Potential Customer shall mean any person to which a tract of land within the subdivision is to be sold.

9.15) Reports shall mean five bound copies which shall include a summation of information, with methods used, and copies of any data generated as a result of the well tests.

9.16) All cost incurred during this process shall be covered by the subdivision developer.

Section 9.2 Subdivisions with a Water System

9.21) The water system will be registered with Springhills Water Management District (SWMD).

9.22) A water system representative will submit all applicable information on the water system to SWMD.

9.23) The water system will meet all TNRCC requirements for a public water system.

9.24) Full disclosure of water availability and water quality results shall be made to each potential customer, by the developer. Disclosure of TNRCC's drinking water standards governing drinking water quality shall be made available to the potential customer. Both maximum contaminant levels (MCL) and secondary maximum contaminant levels (SMCL) shall be made available to the potential customer, for guidance as to quality of the water tested, within the subdivision.

9.25) A water system representative shall sign a release form promulgated by SWMD for the release of all files from the TNRCC, applicable to the water system.

9.26) Within 30 days of receipt of all applicable information, SWMD shall submit comments and recommendations to the Commissioner's Court on the water system's ability to provide adequate service to the proposed platted area.

Section 9.3 Subdivisions without a Water System

9.31) In a proposed subdivision, a minimum of two wells will be drilled for pump testing. The pump test wells will be distributed as far apart as practical within the area of the proposed subdivision. The wells on which a pump test is to be performed must also be electrically and lithologically logged to determine the geologic formation[s] upon which the pump test was performed. Pump test[s] shall be performed upon each individual formation, which it to be considered for the subdivision's future water supply. A State of Texas registered professional engineer qualified to perform hydrogeological testing and lithologic and electrical logging or a certified geologist or equivalent, (i.e., AAPG, CPG, American Institute of Professional Geologist) will perform the pump test and well logging. When undesirable water or constituents are encountered, the undesirable water or constituents shall be sealed off and confined to the zone[s] of origin. Undesirable water or constituents shall not be allowed to commingle with fresh water zones. The pump test will be a 24-hour pump test, or sufficient time to establish a stabilized water level within the test well. The pump tests must give sufficient data to provide transmissivity for the formation upon which the pump test was conducted. The storage coefficient for the formation shall be calculated, if possible. Pump test shall be performed on each formation, which is to be considered for future water supply for the subdivision area. If there is a greater than 30% difference in transmissivity between the original two-pump test wells a third well must be pump tested and logged, in the same manner as the original two test wells. If a third test well is required the site shall be approved by Springhills Water Management District. The third test well will be evenly placed between the two original test wells. The results of the pump tests will be submitted to SWMD as reports.

9.32) Pump test and logging data obtained from a previous test well may be substituted in place of a test well. The substituted well shall be within 1000 feet of a proposed test well site. The substituted well's data must represent the formation[s] upon which the subdivision will rely for future water. The greater than 30% transmissivity clause will apply in this instance.

9.33) Copies of all 'applicable data' generated due to the well tests will be submitted to SWMD.

9.34) The pump tests conducted must provide sufficient information to project that sufficient water underlies the subdivision to provide 200 gallons per day, per capita proposed lot. Per capita production shall be based on the most current census data for the average Bandera County family size. (1990 census- average Bandera County family size is 2.91)

9.35) A water quality analysis shall be submitted for each well tested. The water quality analysis shall at a minimum test for chloride, conductivity, fluoride, iron, nitrate, pH, sulfate, total hardness, total dissolved solids and coliform bacteria, Total*E. coli*. A Texas Department of Health certified laboratory shall conduct the water quality analysis.

9.36) Full disclosure of water availability and water quality results shall be made to each potential customer, by the developer. Disclosure of TNRCC's drinking water standards governing drinking water quality shall be made available to the potential customer. Both maximum contaminant levels (MCL) and secondary maximum contaminant levels (SMCL) shall be made available to the potential customer, for guidance as to quality of the water tested, within the subdivision.

9.37) Within 30 days of receipt of all applicable information, SWMD shall submit comments and recommendations to the Commissioner's Court on the proposed platted area's ability to provide adequate water for the number of lots proposed.

Avoid being in a rut

THE PASTOR'S PULPIT

by C.W. Edens
First Baptist Church, Pipe Creek

One of my favorite college professors, speaking to my class of "preacher boys," once said "Baptists are not ritualistic, they're rutualistic! You can drive by almost any hour on Sunday and pretty much tell what they are doing." The good side of that is that consistency is of certain value. The down side of that is that few of us like to eat the same meal day after day. Variety is the spice of life. Notice the days...sunrise, sunset, but seldom is any two exactly alike.

Those of us who are professional religionists struggle with maintaining consistency, and yet not "getting into a rut." We at the First Baptist Church have recently rediscovered the commitment to the Bible as the primary focal point of that which we do, as well as that which we believe. We have adopted a vision statement which states a commitment to the primacy of the Bible. I can truthfully say that the Bible is, on the one hand consistent, and yet, on the other hand, never mundane. Jesus spoke of the new wine in the old wineskins, and how its effervescence would break open the old wineskins. The Bible has that type of effervescence.

There are certain risks you take when you adopt the Bible as the primary focal point of that which you do and believe. The Bible challenges my traditions. What once was, may not need to still be. It is a dynamic word, which always has something to say about where I am and what I am about. It won't allow me to become comfortable. The Bible calls my actions into accountability. It is like that proverbial mirror that allows me to see myself as I really am. Unfortunately, what I think I may be may not always be what I am, and therefore I am accountable for the difference. If I measure myself with those who read this article, I'll feel that I'm rather acceptable, but when I read the Bible, and measure myself with its truth I may not feel quite as acceptable.

I wonder sometimes what would happen if we who are Americans would take the Bible as a primary focus point. I'm not calling for us to join the "religious right," but to refocus upon a standard which is consistent, dynamic and challenging. As Isaiah has written, "The grass withers and the flowers fall, but the word of our God stands forever." Come and join with us in our walk to discover the Life which is found in the Word.

MS Word classes to begin March 26

Beginning March 26, Hill Country Elementary will offer "Word Processing with Microsoft Word," a three night adult computer course. PASTOR ROY'S SERMON IN A NUT SHELL

"My people are destroyed for lack of knowledge, because you have rejected knowledge, I also will reject you." Hosea 4:6

Not knowing why you are on earth, will not fly as an acceptable excuse to God. Quite the opposite -- it will cause you to be destroyed.

"For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life." John 3:16

This is God's Plan for your life. What is your plan for your life? Do you think you can out-plan God?

Avoid being in a rut

THE PASTOR'S PULPIT

by C.W. Edens
First Baptist Church, Pipe Creek

One of my favorite college professors, speaking to my class of "preacher boys," once said "Baptists are not ritualistic, they're rutualistic! You can drive by almost any hour on Sunday and pretty much tell what they are doing." The good side of that is that consistency is of certain value. The down side of that is that few of us like to eat the same meal day after day. Variety is the spice of life. Notice the days...sunrise, sunset, but seldom is any two exactly alike.

Those of us who are professional religionists struggle with maintaining consistency, and yet not "getting into a rut." We at the First Baptist Church have recently rediscovered the commitment to the Bible as the primary focal point of that which we do, as well as that which we believe. We have adopted a vision statement which states a commitment to the primacy of the Bible. I can truthfully say that the Bible is, on the one hand consistent, and yet, on the other hand, never mundane. Jesus spoke of the new wine in the old wineskins, and how its effervescence would break open the old wineskins. The Bible has that type of effervescence.

There are certain risks you take when you adopt the Bible as the primary focal point of that which you do and believe. The Bible challenges my traditions. What once was, may not need to still be. It is a dynamic word, which always has something to say about where I am and what I am about. It won't allow me to become comfortable. The Bible calls my actions into accountability. It is like that proverbial mirror that allows me to see myself as I really am. Unfortunately, what I think I may be may not always be what I am, and therefore I am accountable for the difference. If I measure myself with those who read this article, I'll feel that I'm rather acceptable, but when I read the Bible, and measure myself with its truth I may not feel quite as acceptable.

I wonder sometimes what would happen if we who are Americans would take the Bible as a primary focus point. I'm not calling for us to join the "religious right," but to refocus upon a standard which is consistent, dynamic and challenging. As Isaiah has written, "The grass withers and the flowers fall, but the word of our God stands forever." Come and join with us in our walk to discover the Life which is found in the Word.

Al Hamilton speaks with reporters during a break at his pre-trial hearing Thursday at the Bandera County courthouse.

Racetrack sale still in li

■ By Brenda Sommer
Bandera Bulletin

Bandera Independent School District's purchase of the Bandera Downs racetrack remains in limbo until at least April 6 after two hearings late last week by Senior District Judge V. Murray Jordan.A nearly-packed crowd at Thursday's hearing in Bandera were asked by Judge Jordan to remain silent throughout the pre-trial hearing on plaintiff Al Hamilton's suit to stop the district's purchase of the track.

BISD purchased the 135-acre property on Feb. 3 for $1.475 million at a sheriff's auction on the Bandera County Courthouse steps. Hamilton filed suit to halt the sale on Feb. 11, arguing that the district did not give adequate notice of its intentions, and that BISD couldn't legally bid more than the $383,000 owed in back taxes and delinquent fees.

"I do not want the proceedings interrupted in any way," Judge Jordan told the crowd Thursday. "We're not here for an open forum." Jordan then explained that he and lawyers for Hamilton, BISD, Bandera Downs Inc., Bandera County and the Bandera Sheriff's Office held a conference call the day before and divided the pre-trial phase into four parts.

The crowd of about 100 was silent as lawyers stated their cases point-by-point to Judge Jordan. The first issue at question was the consolidation of Hamilton's suit with the foreclosure suit which was finalized late last year, a move the judge allowed after lengthy arguments.

Jordan then confirmed that Hamilton had a legal right to bring his lawsuit, and denied a request to have Bandera County and the Bandera Sheriff's Office removed as participants in the case.

Jordan did not find that the BISD board violated the Texas Open Meetings Act, one of the arguments made by Hamilton.

At a hearing the next day in Kerrville, Judge Jordan postponed all motions until Hamilton's trial, which will be held April 6 in Bandera. The "indigency hearing" Friday was to determine if Hamilton was able to post bond for the amount owed in back taxes, as required by the state tax code.

Hamilton was asked Tuesday if he asked to be declared indigent.

"Oh, no, no," Hamilton said Tuesday. "I never filed an affidavit of indigency — I filed an affidavit to the contrary." Hamilton said he is willing and able to post bonds for the $383,000.

Hamilton's trial begins at 9 a.m. April 6 at the Bandera County courthouse.

Couple indicted for capital murder in starvation death of infant

A Bandera couple accused last month of starving to death their two-month-old child were indicted on capital murder charges Monday by a Bandera County Grand Jury.

Noel Silva Perez, 32, and Ernestina Perez Rodriguez, 24 were each indicted on the felony charge, which is punishable by life in prison or the death penalty. Bandera County Sheriff James MacMillan said a pre-trial hearing for the couple will be held at 9 a.m. Thursday at the Bandera County courthouse.

The Sheriff's Office received a call Feb. 12 alerting them of a "possible crib death" of a two-month-old infant at a home at Bluebonnet and Hwy.173 North.

"The parents of the infant seemed quite distressed when they phoned in the report," said Sheriff MacMillan.

"Upon arriving at the scene, officers recognized that the deceased infant's body was abnormally thin and emaciated," he said. The Sheriff said that resulting autopsy reports indicated to the medical examiner that the infant had been starved to death.

Due to the findings of the autopsy report and evidence obtained at the scene, on Feb. 17 the Bandera County Sheriff's Office arrested the deceased infant's parents for felony injury to a child. They were still in custody at presstime.

The couple attended a hearing March 3 to determine the custody of their three surviving children, which resulted in a court order placing the children in a foster care facility managed by the Texas Department of Protective and Regulatory Services and Child Protective Services. The parents will not be granted visitation with their children.

CPS case worker Judy Brown told the court at that time that medical examinations of the three older children indicated developmental and emotional problems specific to each child.

The court stipulated that Child Protective Services (CPS) will remain care for the children in a foster home for six months, during which time they will perform study evaluations of the children's aunt and uncle's home. CPS representatives could then place the children there after six

It's time for some Spring cleaning

The city of Bandera will hold their annual Spring Clean-Up on Monday, April 13. Trash and other debris must be placed at curbside where household garbage is normally picked up no later than 7:00 a.m. that day. The truck will pass down each street one time.

Items that will not be accepted are: liquids, pesticides, concrete, soil, commercial waste, auto parts, treated lumber, chemicals, oil, bricks, sod, batteries, tires, paint cans with lids. Do not place prohibited materials out for pick up.

Acceptable items that BFI will pick up include: brush (if cut in lengths not to exceed 6 ft.), furniture, appliances (no appliance containing freon will be accepted without proper certification that freon has been removed.), small amounts of lumber cut in 4'-6' lengths.

Full slate of candidates for May 2 election

Last Wednesday's filing deadline drew a few more contestants for the May 2 school board and city council elections.

The Bandera school board election, in the wake of the board's controversial decision to purchase the Bandera Downs racetrack, drew a total of eleven candidates for three slots.

Five candidates filed for the place 5 slot on the board, which has been vacant since the resignation of Dave Koehler last year. Vying for that spot are Daniel Hugh Jaworski, Daniel Richard Anderson III, Thomas Revelle Morgan, Doyle Allan Haner and Albert Garland "Al" Hamilton. Hamilton has filed suit against the district to block the purchase of the racetrack, and that case goes to trial April 6.

El Niño's resting up

Hi y'all! Are you enjoying this beautiful spring weather? We were kinda getting used to that Florida type weather of rain twice a week and each weekend. Ole El Niño must have had to rest up from sending those storms across the country.

All this rain has done a good job of filling the lake back up to the top. This old lake looks a lot better without that white rock belt line. We are wondering how long it will stay up there this summer. We have been wanting to take the pontoon boat out now that this sunny weather has come out.

Don't forget the American Legion Auxiliary Plant Sale Saturday April 4 at the Post 410 on 26th Street. They will have all kinds of plants from seedlings to grown. For info call Evie Angell at 612-2817. They have this sale each year at just the right time for everyone to get their gardens and yards looking good.

We went driving Sunday and it was easy to see that the area of Quihi up to Bandera by way of the Old Hondo Highway got as much if not more rain than we did last weekend. Many years have gone by since we have seen water marks that high in that area. Our brother-in-law over in Quihi was busy putting fences back up after the rain-swollen creek on his place swept them down.

Our own Medina Lake VFD hosted Mico VFD and Medina VFD in a "Jaws of Life" class last Wednesday night and all day Saturday. Instructors Ray Heisler, Paul Minor and Todd Pernu had an interested class of 18 firefighters and juniors as they had classroom lectures Wednesday and on the job training Saturday.

The class took apart many different cars in the yard of M&H Waterwell Saturday and learned how different the construction of new and old cars were and how to deal with the problem of obtaining access to a patient in one of these vehicles after a crash. It gave us a good feeling to sit back and watch.

this group working so hard to help their neighbors. That hunker gear (fire fighting clothing) gets mighty warm on a warm day and they must be worn while working a rescue. Ideally the only time this rescue gear is used would be in training. But in reality we know it must be used entirely too much to extricate crash victims. Well done class and instructors!

Don't forget the Medina Lake VFD spring Bar B Que. Coming up April 25th. Also don't forget your $24 voluntary fee in to your VFD. All these funds go to a very good cause!

Well time flies so we better follow. We will be looking for you over the back fence!

Chief's Blotter

by Lynn Holt, Bandera Police Chief

The Bandera Police Department answered 18 calls for service, and issued 9 citations for the week of March 16, 1998 through March 22,1998.

Calls for service included:
- two public assists,
- three assist other agencies,
- three accidents,
- two missing or lost property,
- three alarms,
- one injured animal,
- one harassment,
- one threats,
- one criminal mischief and
- one intoxicated driver.

The hummers are back

Spring is here and bluebonnets are starting to bloom so it won't be long until we have all those flowers along the byways. Would love to see more planted around Medina. And, the Black-tail hummingbirds arrived March 16th. A definite sign of spring.

Congratulations goes out to Dorothy Hatfield for her article that was published in the March issue of the Texas Highways magazine. Be sure and pick one up before it goes off the newstands. Talented lady in our midst.

Reminder of the UIL meet here at Medina ISD this coming Saturday and they are still looking for volunteers to help out. Call 589-2851 to lend a hand. Might be lots of fun.

Also a reminder for the free lunch being held at the school cafetorium this coming Sunday, 9th, for all the community from noon until 2 p.m. Please RSVP to 589-7255; and 589-2653. The Church of Christ is sponsoring this and plan to let people know the services that will be offered to anyone needing such yard work, house cleaning, etc. to name but a few of the services.

On Saturday, April 4th, starting at 8 a.m. the Medina Rose Garden will have their annual sale at the Garden Center. There will be a sweet booth, coffee, breakfast tacos, and a white elephant sale along with lots of plants. Get there early.

John and Carolyn Watson recently went to Amarillo to join in the celebration of a cousin's 50th anniversary

Speaking of anniversary, the Moseleys 50th celebration turned out really nice. Many friends and all five of their children and their families were able to be there. The same couple that stood up with them at their wedding came also.

Kenneth and Jane Keese were here for the weekend visiting his mother.

Changeable, typical Texas weather

Hi folks: as usual we've had most changeable weather, typical Texas weather, we'd think. All the weekend of 14th had lots of mist and very light showers, then Sunday night most of us had the big one of four inches. Put creeks on rises and brought the stock tanks up nicely. Thursday morning we had a brisk norther blow in. So surely don't feel like Spring though the news just said so.

Tarpley Baptist Church visitors Sunday 15th. They were Mike and Diane Voges and daughter Emily and several friends from San Antonio. Thirteen folks from San Antonio and the David Walther Church were spending their Spring Break at the Jubilee Ranch near Tarpley. Elzie and Pearl our grandson-Jonathan Newcomb were dinner guests of the Voges home Tuesday night and enjoyed a delicious dinner with the group.

Those from our areas Tuesday were Mary Hietalahti driven by Margaret Cain, Olga Schmidt accompanied by Evelyn Schmidt on Wednesday and Elzie and myself for my checkup which wasn't so good, all of us were in San Antonio for medical checkups.

Rio Hondo News

Richard and Janice Hartson were happy for guests arriving last Saturday who were her mother Ms. Shirley Kapitan of Blue Rapids, Kansas and her son Delwyn and daughter Traci and his son Trent of Olathe, Kansas and Ms. Shirley Kapitan's friend also is Lowell Specht also of Blue Rapids.

I would like to go back a week to the Ag Day of 1998, on Friday at the Ag Barn at Mansfield Park. So many young children there brought in by school buses to observe the many factions of animal life (the youth) and the many observances of earlier life: the weavering-spinning, the bee hives with the combs of honey, shoeing horses, the extra large tractors on display, and many other things as sheep shearing. The children seemed amazed and enjoyed all the procedures going on. A delicious lunch was served. I remarked that it's surprising the pioneer cultures are continuing and was told that's what we are striving to do with this program.

Margaret Cail Secretary of the Ministerial Alliance reports some news of the Ministerial Alliance program of Utopia and Vanderpool that every fifth Sunday of the month there will be a hymn service at a different church. On March 29th it will be held at the Utopia Baptist Church. After the hymn service there will be light refreshments.

Metheny Bros. set to play at Barn Raiser

Time is running out to get your tickets to the Bandera County Junior Livestock Show Association's "Barn Raiser '98." The gala evening festures dinner and dancing to the music of The Metheny Brothers, and the highlight of the night will be the grand prize award of a 1998 Chevrolet 1/2 ton regular cab fleetside SWB pick-up truck.

The truck features a 305 V-8, automatic transmission, AM/FM stereo radio with cassette, tilt steering and cruise control and aluminum wheels. Tax, title and license fees are excluded.

Additional door prizes include a 27-inch color television, a 20-inch color television, a VCR and a Bandera grill/smoker.

Tickets to the event, which will be held Friday, April 3 at 6:30 p.m. at The Farm Country Club, are going fast. Only 400 tickets will be sold to the event, and each $125 ticket admits two to the evening's festivities.

Tickets are available from sponsors, Bandera Bank and Norwest Bank. The event is co-sponsoredd by Cavender's Rodeo Chevrolet , Boyle's Market and Moore Title Company. All proceeds from Barn Raiser '98 benefit improvements to the show barn.

Pancake, taco breakfast coming up April 3

We're going to try something a little different beginning in April. Susan Schmidtke, Karen Hoskelis, et al, have decided to put together a quilting group which would meet in the evenings. The "Friday Evening Quilters" will have their first meeting here at the Corral on April 3rd, from 7 until 10 p.m. and will meet every other Friday thereafter. Now all you folks who work during the day and would like to quilt will have the opportunity. The possibility of having speakers, demonstrations, etc. has been discussed. If you're interested in quilting, come in on April 3rd and help get the group organized. The group is open to all people, all ages.

We seemed to be blessed with many good Samaritans here in the community. We've purchased a new 4-line telephone system recently and John Bissett at the Radio Shack has graciously offered to donate his time in getting them installed (with a little help from Greg Rodriguez). Greg has become our "resident technician," fixin' anything and everything that needs to be fixed. Sam Quaid from Medina came in and repaired our dishwasher last week. Woody Owsley and Kitty Mansfield donated lots of great items for resale in our Gift Shop. Delores Heeg faithfully produces our little "helpful hints" newsletter that we distribute at each birthday luncheon. A Humongous Thank You to all these wonderful people. These kindnesses go a long way in trying to make ends meet in a non-profit organization.

Happy Birthday to March babies: Joel Garcia, Sylvia Saffell, Bette Bucalo, Maurine Ryan, Jo Russell, Nora Anderson (#90), Delila Redden, Thelma and Ed Vawter, Adelle Byrd, Karin Buxton, Bob Bailey, Irene Zigler, John Hinds, Leah Whitehead, Margarita De La Guerra, Suellen Ehrmann, Eloise Slade, Gladys Nielsen (#90), Lou and King Stokes, Lewis Holliday and Lillian Whitehead.

Friday of next week, April 3rd, is the day for our Pancake/Taco Breakfast, from 7 to 9 a.m. A good way to kick off the spring season - come join us.

Opinion

On the subject of letters

By Frank Shubert
Editor and Publisher

The current controversy and the ongoing trial in connection with the school district's purchase of the Bandera Downs racetrack has been one of the most heavily debated issues to ever face our community. Almost everyone has an opinion on the subject. The editorial pages of The Bandera Bulletin have been filled with letters to the editor discussing one side or the other of this very divisive issue.

That intense interest has now evolved into an intense political race. Eleven of our fellow citizens have stepped up to say they are ready to accept the challenges facing the future of our children and our schools. These candidates have viewpoints they represent.

The election is set for May 2 and early voting is scheduled to begin on April 14. The Bandera Bulletin very much appreciates hearing from folks in our community. Your letters to the editor reflect a wide diversity of opinions and add a very special flavor to the newspaper. However, during a political campaign, certain guidelines must be followed to make sure everyone has an opportunity to express their opinion, without imposing libel and slander on those involved.

During the campaign and through election day May 2, we will not print letters to the editor endorsing candidates or factions. Lively debate on specific issues is very relevant and is encouraged. Letters should address specific topics, ideas and solutions to the problems facing our schools, not the candidates or individuals involved.. This continues to be your page and your voice, to discuss the issues at hand, and not specific people.

As always, letters must be legible, to the point, signed, include the name, address and telephone number of the author and arrive at our office no later than noon on Mondays. All letters are subject to verification and we reserve the right to edit for content, language and length (no more than 500 words.)

Letters to the editor

How to win hearts

If the Bandera ISD School Board wants to win the hearts of the taxpayers, and perhape get a bond issue passed, they should consider the establishment of a separate school district for the Lakehills/Pipe Creek area. They should leave the Bandera schools as they are, abandon the race track idea, and propose a bond election for a new school in the most populated area in Bandera County.

Take time to visit

To the people of Bandera and surrounding counties: I'm the Maintenance Supervisor of the Clark House. I've worked at the Clark House for several months at this position.

As I have done this job, I have met some wonderful people that live here. Boy, do they have a story to share! Some have lived in the Great Depression; some are not old enough to know what this means. I myself don't remember it except through my family talking about it.

Some of the residents have families that visit. Some don't. I guess what I'm trying to say is these people have been here, in this county for a long time. Take five minutes out of a day and come visit these fine people. They don't ask for much. A hug and a kiss on the forehead. I've always respected my elders. (Thanks mom and dad.) I didn't really know what I was missing until I started working here. If it wasn't for people like this, we wouldn't have made it through the hard times.

This is the Cowboy Capital of the World! Cowboys and Cowgirls have total respect for elders. Show a little kindness out of a hard day's work. Show your compassion and feeling. Come and visit. Things have changed! People that work here do care! It's not just a job; its a privilege to us all. There's so much I want to say about the Clark House and the residents. People I have never met in my life. But it's my honor to know you and serve you any way I can. Between fixing toilets and lending an ear; you have my total attention! Come on folks, back up and support us! We are all trying to do a task that even family members wouldn't do. We're all here. From day light to day light!

I would like to thank all the employees and staff for their kindness and heart-warming feelings. I take my hat off to you. Thanks and God Bless.

Battlefronts in the war on drugs

Capitol Comment

by U.S. Senator Kay Bailey Hutchison

The north Dallas community of Plano is the kind of place in which many families aspire to live: green and attractive, upscale, with good schools and lots of public-spirited citizens working to make it even better. At first glance, this is the last spot in America you'd think would have a drug problem.

But in 1997 eight Plano youngsters lost their lives to heroin. An epidemic of drug use has spilled from the inner city into suburban and rural enclaves once thought immune.

Having reached the saturation point of death and destruction in urban neighborhoods, drug traffickers are targeting kids living in suburbs all over the country. Make no mistake. They are marketing their deadly commodities on a massive scale. The Justice Department says the amount of heroin seized from South America has doubled in the past four years.

One strategy the federal government is using to fight the drug plague is the so-called HIDTA. No, we're not talking about an endangered desert critter. The acronym refers to a High Intensity Drug Trafficking Area designation. The Office of National Drug Control Policy sets up HIDTAs to coordinate anti-drug law enforcement efforts in designated areas that have severe or unusual drug trafficking problems. The idea is to tailor anti-drug efforts to local conditions.

Texas has three such designated areas already, the Houston HIDTA, the West Texas HIDTA and the South Texas HIDTA (which in turn are part of the Southwest Border HIDTA). These have become the centerpiece of drug law enforcement in our state.

We are working on the designation of a third HIDTA, to take in the Dallas-Fort Worth metroplex. (As you might imagine, a majority of the people in Plano favor this proposal.) And East Texas is in preparing a proposal for the designation, as well.

HIDTAs work by pooling both resources and information. One early success was the dismantling of one segment of the Amado Carrillo-Fuentes "portrunner" gang, which is known to have brought 4,000 loads of drugs across the border in 1994 and 1995. Their favorite method of operation is to simply run their drug-laden vehicles through the ports-of-entry in El Paso and Ysleta without stopping—for Customs agents, pedestrians, or anyone else. The near elimination of this practice was accomplished by a Southwest Border HIDTA task force led by the U.S. Customs Service.

The Houston HIDTA, which was created in 1990, focused on money laundering. It has been successful in interrupting the smooth flow of drugs north and money south, out of the country. Because of Houston's proximity to Mexico, its large illegal population, international trade status and transpor tation infrastructure, by the early 1990s the city had become a distribution focal point for drugs—and drug money.

The Houston HIDTA's comprehensive approach has had a major impact on the money laundering business. In 1990, more than 100 Igirol houses (money wiring businesses) operated in the area. They processed more than $450 million in wire trunafers, a substantial portion of which were going to Columbia. After a one-two punch of a HIDTA crackdown and new, stricter regulation of the industry, the number of Igirol houses shrank to eight and the amount of money transferred annually diminished to less than $10 million.

Illegal drugs continue to take a frightening toll on our society. And Texas, through which more than three-quarters of the drugs coming into the country pass, is horribly vulnerable. The battle lines in the drug war are being drawn across our state. The casualties are numerous: 20,000 Americans died of drugs or drug-related violence last year. We must not lose the will to fight this war to victory.

Consumer groups take aim at insurance

AUSTIN — Three consumer groups charged last week that insurance companies took in more than $1.2 billion in excess profits in 1997, and want the over-charges passed on to policyholders through lower premiums.

"This study shows the dramatic nature of the over-charges and ought to prod Commissioner Bomer to take swift action and reduce rates," said Ron Schneider, senior staff attorney for Consumers Union, which did the study with Texas Citizen Action and the Center for Economic Justice.

Insurance Commissioner Elton Bomer, who already has challenged the 1998 auto rates of two insurers as being too high, agrees that insurers have enjoyed healthy profits since 1996. But he said two good years do not alone prove that consumers are being over-charged.

"Since these groups have not provided us with a copy of their report, it's difficult to respond," Bomer said. "But I assume the report shows the same type of information we have been aware of for some time. I have been saying for six months that auto rates need to come down, and they are dropping."

Bomer said the groups are looking at only half the picture: auto liability. "The personal injury protection and physical damage coverages were very unprofitable in 1996 and that trend appears to have continued into 1997. I have to take the entire picture into consideration in reviewing rates.

"These consumer groups are saying tort reform has failed just because insurers have made profits. That is wrong and illogical. Tort reform has worked. Savings of $624.8 million over a three-year period are being passed on to drivers," Bomer said.

Bomer is precluded by law from ordering rebates for consumers when insurers make higher than anticipated profits in a single year. Group Opposes Legal Fees

Private attorneys representing the state in its lawsuit against the tobacco industry don't deserve $2.3 million, according to organizers of a new group formed to oppose the fees.

"No one in their right mind could say $2.3 billion is reasonable," said John Butler, president of Texans for Reasonable Legal Fees. Butler announced a media campaign against the fees.

The group includes members of Texans for Lawsuit Reform, Texas Association of Business and Chambers of Commerce and Texas Citizens for a Solid Economy.

In approving a $15.3 billion lawsuit settlement between the state and tobacco companies, U.S. District Judge David Folsom found that the $2.3 billion (15 percent) in attorneys' fees was reasonable.

Gov. George W. Bush and seven legislators are seeking to intervene in the case and separate the matter of attorneys' fees from the main settlement.

Other Capital Highlights

• Dan Pearson, executive director of the Texas Natural Resource Conservation Commission since 1994, is leaving the post to join the Austin lobbying firm headed by Neal "Buddy" Jones. Pearson is one of three great-administrators in state government, Lt. Gov. Bob Bullock said, along with Insurance Commissioner Elton Bomer and Andrew Sansom, executive director of the Parks and Wildlife Department.

• Reform Party founder H. Ross Perot recently kicked off a petition drive to secure the party a place on the Nov. 3 Texas ballot. The party has 75 days to collect about 45,000 signatures from registered Texas voters who didn't take part in the March 10 primaries. The party already has access to ballots in 31 states and is working to secure spots in 10 others.

• Texas Comptroller John Sharp last week delivered a total of $163.3 million in monthly sales tax payments to 1,090 Texas cities and 118 counties, an 8 percent increase over the distribution in March 1997. "Texas continues — for the fifth consecutive year—to experience strong economic growth, while consumer confidence remains the highest in the nation," Sharp said.

• U.S. Sen. Kay Bailey Hutchison, the first woman to represent Texas in the Senate, will give the commencement address at the University of Texas on May 23. Hutchison, a UT Law School graduate, was named a Distinguished Alumna in 1995.

• Sales of Texas Lottery tickets are off nearly $226 million compared with last year, according to agency figures released last week. As of Feb. 28 the lottery had sold $1.65 billion in tickets in the last six months. During this same period between 1996 and 1997, lottery ticket sales totaled $1.9 billion.

• More than 50 Austin-based National Guard soldiers who spent almost nine months with the NAT0 peacekeeping mission in Bosnia returned home last week. The troops, who belong to the Texas Army National Guard's 49th Finance Battalion at Camp Mabry in Austin were responsible for paying the Army's and civilian employees.

Bake Sale turned out just purr-fect!

Carol Browne of the Animal Welfare Society of Bandera County serves a customer at the society's St. Patrick's Day bake sale.

Animal Welfare Society of Bandera County held a successful St. Patrick's Day Bake Sale, and was grateful to all who helped them to reach our goals, especially the Barrel House convenience store of Pipe Creek, who allowed the group to hold the sale at their facility.

The society will hold a business meeting March 31 at at 1 p.m. at the Silver Sage Corral. Everyone is welcome. The next general meeting will be April 14th at 7:30 p.m. at the Bandera Bank Community Room.

In memory of Dorothy Wharton's Dock & Lake Medina Shores

by Mary Bird

"Wide flush the fields; the softening air is balm; Echo the mountains round; the forest smiles; And every sense and every heart is joy." — Thomson

I am dedicating my column this week in loving memory of my mother, Dorothy Lindsey, 86, who passed away March 20th in Bandera on the first day of Spring. She has been in my care for twenty years.

Spring has finally arrived in all of her splendor. The trees and wild flowers are popping out every where. The birds are building their nests in my gourds and the Hummingbirds have come home! It's time to get those gardens going!.

The white bass have been running and it seems lots of folks landed some large catfish while the river was raging. T Blakeney hauled in about 45 lbs. of fish on a trot line with only 16 minnows. Walt Dowlearn got his limit this weekend trolling, while many others had good luck fishing off the banks. Jason Johnson landed a 15 lb. yellow cat on the using a worm.

John "Bud" Ciarlo and his wife brought another w-2 form back from Las Vegas last Friday. He's feeling pretty chipper these days, but perhaps.. No news on a doctor's report yet. Guess the flood postponed that for a while.

Robbie and Jennifer Jung have visitors for a while. A friend who works with her brother is here between jobs. They had plans of putting a travel trailer down on our river property, but the flood changed their minds. It's much safer up here on high ground. The boys couldn't get over how Alyssa had grown since they saw her last. She is four months now.

Lennie Caffall was out inspecting her fences after the flood. She tells me that her fence takes a beating when it rains because people are always running off the road on the curve coming off Wharton's hill heading for Wharton's Dock. Someone got their bumper caught on her nephew, Phil Jeffery's fence and took off with it a while back.

Bob and Dorothy Rucker went to the Rio Grande Valley this weekend to with her mother in Alamo and her father, who is seriously ill. He is living in a care center in McAllen. They enjoyed visiting with relatives from Alabama who were down too.

Cody Hansen celebrated his sixth birthday by taking a trip to Rockport with his parents Kim and Jim Hansen and his little sister Tiffany, over the weekend. His birthday is March 21. Cody is the great grandson of Sister Shaffer. Happy Birthday, Cody!

Condolences to the Ken Parks family of Kerrville on the death of his wife, Rene. Long time residents of Wharton's Dock, the Parks moved to Kerrville, due to her failing health, where she passed away Sat. March 21. Our hearts are with you.

We're sorry to hear Ralph Chalk is in the hospital again. We all hope he's on his feet again real soon.

I want to thank the Skelton's of San Antonio for taking last week's copy into the Bulletin for me. I was stranded at the San Julian bridge and could not get across the high water in my little Samari when they came along. They have a weekend cabin out here and just happened to be here when the flood hit. I am happy to report they made it across safely in their camper truck. Thanks ever so much!

My granddaughter Lindsey Robinson, who was named after my mother, celebrates her eighth birthday March 24th. Happy birthday, Lindsey! We love you.

The Good Neighbor Award this week goes to all my dear friends and neighbors who have been so kind during my time of need. There are not words to express how much it means to me. Thank you.

Tip for the week: If the soil around your evergreens is light on acid, you should compensate by burying orange and lemon peels in the ground.

What are the Crimes?

Property Crimes

Burglary, theft and vandalism plague neighborhoods and homes in urban, suburban and rural areas. These crimes affect individuals of all ages, but can be especially distressing for older people. The invasion of one's living quarters and damage to possessions may be economically and emotionally destructive. Individuals whose security and well being are tenuous or whose ability to replace stolen or damaged property is limited, may be seriously affected by property crimes.

Bandera Triad's Gatekeepers which has been designed as a companion to the Sheriff's Mornin Roll Call or similar reassurance programs, utilizes resources available to each and every community. These resources, mobile armies of eyes and ears, are comprised of field personnel from the local Electric Coop, 911 Addressing System, Appraisal District, Meals on Wheels, Helping Hand Center, church visitation and volunteer groups, state and local road crews, independent contractors servicing electric, gas, plumbing, and construction, Neighborhood Watch groups, residential delivery such as florists, grocery stores, and pharmacies, telephone and television cable repair and installation, residential newspaper delivery, US Postal service, UPS and Federal Express.

BANDERA TRIAD

"A concept in action"

Eyes and ears also vital to the army include local law enforcement, as well as emergency medical services and fire departments. Each community's army of Gatekeepers may differ in membership, but the goal is the same: to save lives. The next meeting will be on April 9 at 2 p.m. at the Silver Sage Corral Senior Activity Center on 11th & Hackberry. Our speaker will be Officer Tim Marcaurele from the Bandera Police Department. Officer Marcaurele will be discussing the Explorers program which involves the youth of the community and crime prevention.

'Rush' on over to the Spring Tea

The Hill Country Alumnae Panhellenic Association will host a Spring Tea on Sunday, March 29, at 2:30 p.m. All senior girls who are interested in participating in sorority rush at a college or university next fall should attend this event. Their mothers are also invited and encouraged to attend. Susan Bracken, rush chairman, will share information and requirements of sorority rush participants.

The Spring Tea will be held in the home of Margaret Phillips, 1217 Virginia Drive, in Kerrville. To reach her home, turn west from Harper Road onto Jackson Road, turn left on Bobwhite, and right on Virginia Drive. Her home is on the left. Further information may be received by calling Susan Bracken at 830-896-3300 or Cindy Hunt at 830-896-8221.

The annual alumnae meeting of the Hill Country Panhellenic Association will precede the Spring Tea at 1:30 p.m. Alumnae are encouraged to attend.

Have yourself a field day

The Holistic Resource Management of Texas will hold a Spring Field Day April 3 at the Kerr Wildlife Management Area. This is always one of our most popular activities. The field day will offer tangible evidence of research findings on the relationships between domestic livestock and wildlife common to the region, as well as provide good and proven advice on range improvement techniques. Wildlife management is implemented to an amazing degree at the Kerr, thanks to all the careful research that has gone on there for many years.

The Kerr WMA is located 14 miles west of Hunt, Texas off MF 1340. Take Hwy. 27 West from Kerrville. Pick up Hwy. 39 at Ingram and turn right on FM 1340 at Hunt. Go 14 miles and watch for the entrance on your right. Alternatively, from Hwy. 83 you can take Hwy. 41 east toward Mountain Home. At 7.7 miles from 83, turn right onto FM1340, go 8 miles and look for the Kerr on your left. The field day begins at 10 a.m. at the check station and concludes about 4 p.m. Bring a sack lunch.

Please RSVP to L. Jane Moore at 512-357-9091.

Volunteers are needed locally for "Great Texas Trash Off" event

It's spring cleaning time in Texas. On Saturday, April 4, more than 82,000 volunteers will take part in the 13th annual "Great Texas Trash Off," one of the nation's largest single-day litter pickup events. Part of the "Don't Mess With Texas" litter prevention campaign, the Trash-Off is organized by the Texas Department of Transportation (TxDOT) and Keep Texas Beautiful (KTB).

In Bandera County Adopt-a-Highway groups including Bandera FFA, Gold Wing Road Riders, Carpenter Creek Ranch, Bandera Police Dept. G.R.E.A.T. Program, Bandera Children's Home will rid roads of litter. In addition, Keep Texas Beautiful volunteers will clean city streets, county roads and parks.

John Kelly, TxDOT District Engineer in San Antonio, said, "This event is an excellent opportunity for all Texans to show their pride in our beautiful state and we wish to thank all the volunteers taking part in the Great Texas Trash Off."

Scheduled for the first weekend in April, the Trash-Off coincides with Texas wildflower season. It also kicks off Keep Texas Beautiful Month and Keep America Beautiful Month.

The Trash-Off is part of TxDOT's litter prevention programs, which include Don't Mess with Texas, Adopt a Highway and a grassroots partnership with Keep Texas Beautiful. Together, these programs have reversed a trend in the increase in the amount of liter on Texas highways.

TxDOT's grassroots partner, Keep Texas Beautiful, is a non-profit, environmental umbrella group consisting of a network of private citizens, communities, industries, civic groups, schools and government agencies.

A Thought For The Week
by John M. Grimes

Since earliest times anger has been of concern to religious people. Primitive rituals frequently centered around the problems caused by the anger of people or of the gods. Anger separated Esau and Jacob. Moses, in anger, smashed the tablets containing the Law. Saul threw a spear at David. And so on.

In our own time we continue to be concerned with anger because, as in Biblical times, there is still a lot of anger felt and expressed. Children angry at parents; parents angry at children; anger in the home; anger in the privacy of our own thoughts. Politicians angry at one another.

The Biblical attitude toward anger is quite realistic. On one hand, anger is recognized as potentially destructive. Admonitions directed toward the control of anger are recorded; as examples; "A soft answer turns away wrath" (Proverbs 15:1) and "...do not let the sun go down on your anger" (Ephesians 4:26), and even at times as a divine attribute: "...God's wrath has come upon them at last!" (I Thessalonians 2;16). God is, however, also pictured repeatedly as being "slow to anger" and Christians are encouraged to avoid angering either God or other people: "Fathers, do not provoke you children to anger..." (Ephesians 6:4).

Couldn't it be said that a better life is in store when these Biblical expressions are understood and practiced?

Carlile graduates Gary Job Corps

Jamie Carlile of Bandera graduated from the Gary Job Corps Center in San Marcos on Friday, Feb. 20 as a meat cutting specialist. Hill Country Meat Packing in Ingram hired Carlile as a meat cutter.

Carlile joined the Gary Job Corps in August of 1997. She said she decided to join the program to earn her GED and learn a trade. Her greatest challenge during the program was getting through her trade work quickly. But meeting people from different cultures was the highlight of her time with the Corps. In the future, Carlile hopes to go to college and become a physical therapist.

During the time Carlile attended the Job Corps program, she actively participated in campus life by taking part in student government and being on the drill team.

Gary Job Corps, located in San Marcos, Texas, is a federally funded education and job-training program preparing young adults for the workforce. Job Corps students live on campus and participate in academic and vocational training. Enrollment for Job Corps is conducted at local Texas Workforce Commission offices. Bulldog baseball opens district Friday at home against Lytle

Bandera owns top pre-district record at 9-5 following Monday's victory

Following road wins at Pearsall on Saturday and at San Antonio Cornerstone on Monday, the Bandera High School baseball Bulldogs own a 9-5 season record.

That's tops among District 26-3A teams going into Friday's (March 27) league opener against Lytle at home at 7 p.m.

Coach Robbie Garza's Bulldogs, 10-9-1 overall and 4-7 (tied for 4th) in district last season, look to challenge 1997 playoff teams Medina Valley (12-0 district champ last year) and Devine (9-2) for postseason berths this time around.

Lytle was 5-1 entering this week's action and was scheduled to play at Carrizo Springs in its final pre-district outing late Tuesday night (after press time).

Last season (1997), Bandera split two district games with Lytle. The Bulldogs opened district with a 1-0 shutout victory at Lytle on March 21 and fell to Lytle 8-5 at bandera on April 15.

Bandera came from behind to defeat Cornerstone on Monday in San Antonio. Cornerstone (4-8) opened the game with a three-run first inning. The Bulldogs answered with four in the second, but Cornerstone took a 6-4 lead with three more in the bottom of the second.

Bandera cut into Cornerstone's lead with one run in the third and then went ahead for good with five in the fourth. The Dogs added two in the sixth and two in the séventh.

On Saturday at Pearsall, Bandera scored five runs in the fourth and went on to a 9-3 road triumph.

Bandera had a five-game winning streak snapped in a double-header home loss to San Antonio St. Anthony on March 19.

St. Anthony defeated the Dogs 10-4 in the first game and 13-2 in the nightcap. Bandera had some players missing due to spring break.

Following Friday's District 26-3A opener at home with Lytle, the Bulldogs play at Hondo on Tuesday (March 21) at 7 p.m. before returning home to host Medina Valley on April 3 (a Friday) at 7 p.m.

Then it's at Devine on April 7 (a Tuesday) at 7 p.m. and back home against Somerset on THURSDAY (April 9) once again at 7 p.m. (no game on Good Friday, April 10).

The Bandera junior varsity baseball team fell to 5-7 on the season following a double-header loss to Floresville on Saturday. Floresville swept the Bulldog JV 6-5 and 7-2.

Top hitters for the Bandera JV according to Coach Claudio Castillo were Andy Blount, Justin Schindler, Bill Lamb, John Kanpert and Fernandez (first name not available).

Pitching for the Bandera JV were Brad Dickey, Matt Erwin and Fernandez.

In an 8-1 win against the Cotulla varsity on March 20, Brad Armstrong was the winning pitcher with Justin Tiech, Erwin and Jimmy Macmillan leading the Bandera JV at the plate.

The Bandera junior varsity baseball team also begins District 26-3A play on Friday (March 27) with a 4:30 p.m. home game against the Lytle JV.

Bandera's Upchurch named to elite S.A. hoop team

Bandera High School junior basketball player Kristal Upchurch has been named to the 1997-98 Greater San Antonio girls basketball team. The elite squad was announced and named by the San Antonio Express-News newspaper on Sunday (March 22).

The All-Greater San Antonio team is selected by Express-News newspaper high school reporters with input from area coaches with players from Bexar County and surrounding counties Kendall, Bandera, Comal, Guadalupe, Medina, Wilson and Atascosa.

Upchurch will return for her senior season in 1998-99 when Bandera moves into the new District 26-3A which will include Llano, Liberty Hill, Wimberley, Jourdanton and Ingram Tom Moore.

Upchurch, a first-team All-District 26-3A selection this past season, helped the Lady Bulldogs to an 18-13 season in 1997-98 and a second-place finish in District 26-3A.

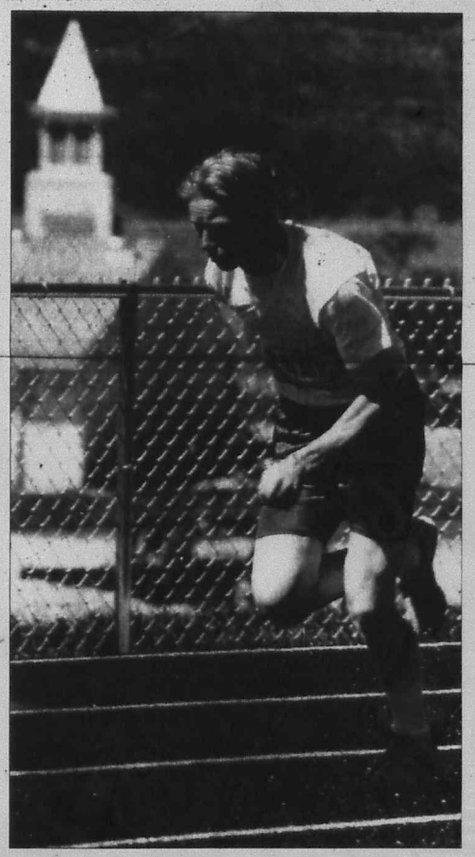
The Bandera girls stomped Devine 54-40 in a second-place district playoff on Feb. 16 at Hondo to move into the postseason.

The Ladu Bulldogs were stopped by Number One ranked Dripping Springs 79-37 in the opening round of the Class 3A Region IV playoffs on Feb. 19 in Fredericksburg.

PGA Seniors at Dominion this week

The PGA Senior Tour makes its annual stop at The Dominion Country Club located just west of San Antonio on Interstate 10 (less than one hour from Bandera).

The tournament runs Friday through Sunday and many of the Senior Tour's top pros are scheduled to play.



2nd at first-ever Comfort Relays

The Bandera Bulldog boys varsity track and field team placed second at Saturday's (March 21) first-ever Comfort High School relays held on the new eight-lane track in Comfort.

Pictured at right and above is Bandera's Josh Small starting and ending a 400-meter run. Small placed fourth in the 400 and captured a silver medal in the long jump with a leap of 18 feet, 4 inches.

The Bandera girls varsity and boys JV placed third in their divisions at Comfort.

See page B2 for more track.

BHS softball hits the road

Bandera first baseman Carilee Robbins records a put out during a recent Lady Bulldog outing at Mansfield Park.

The Lady Bulldogs, who suffered two close losses to District 26-3A rivals Medina Valley and Devine last week, are on the road in league play this week.

See page B2 for more Lady Bulldog softball news and photos.

Over 50 tourney features 81 players

The March 18 Over 50 Golf Association Tournament at Bandera's Flying L Golf Course featured 81 players competing for top honors.

The team of Greta Ringel, Ramiro Jaime, Dino DeMartino and Dale Riley won the event with an eight-under score of 64.

Second place at 65 were Lee Finch, Moe Harbour, Dick Angle and Horace Fincher.

Third place finishers were Melvin White, H.C. Day, Floyd Suddath and Mark Bucalo at 66.

They beat out the foursome of Pat Ballard, Susie Heywood, Pete Suddath and Mark Bucalo on a scorecard playoff.

The scorecard was used to settle a tie for fifth place. The team of Elmer Bergmann, Jerry Upton, Clint Briggs and Jack Finger nipped David Koch, Pat Andrews, R.L. Walker and Bill Hayes. Both teams shot 67s.

The Over 50 Golf Association club president Jack Kempf has announced that the April 15 tournament at the Flying L Course in Bandera will begin at 8:30 a.m. instead of 9:30 a.m. due to a conflict.

The Over 50 golfers were scheduled to play at the Alsatian Course in Castroville today (March 25).

The club's next event is set for April 1 (no foolin') at the Devine Municipal Course at 9:30 a.m.

"I'm glad we got in with the other area schools."

–Bandera ISD Athletics Director Mike Williamson (right)

Bandera Middle School in new league

Since the University Interscholastic League (UIL) announced that Bandera would be moving into a new District 26-3A for the 1998-99 and 1999-2000 school years, Bandera Independent School District Athletics Director Mike Williamson has been concerned about middle school competition.

Bandera and longtime district comember Ingram Tom Moore will move into the new 26-3A next school year along with Llano, Liberty Hill, Wimberley and Burnet.

"The travel is going to be tough on the high school athletes and very hard on the middle school athletes," Williamson said at the time. "And we're not even talking about the increase in travel costs."

Williamson and other area athletics directors recently met and came up with a middle school sports solution.

It's called the Hill Country Conference and Bandera Middle School is one of the new middle school league's 11 members.

Other middle schools in the new Hill Country Conference include Boerne, Fredericksburg, Kerrville (Peterson), Uvalde, Marble Falls, Lake Travis, Burnet, Lampasas, Dripping Springs and Medina Valley (Castroville).

The Hill Country Conference will feature one zone in football with each member playing another to form 10-game schedules for all schools.

In middle school basketball there will be a North and South zone alignment with Bandera middle school hoops in the South Zone along with Boerne, Kerrville, Uvalde and Medina Valley.

"We're very glad to be in this new middle school conference along with the other area schools," Williamson said. "This will really help with the traveling costs and late night trips for our younger student-athletes."

Middle school volleyball will also be split into North and South Zones with Bandera middle school girls competing against Boerne, Kerrville, Uvalde and Medina Valley middle schools.

Bandera High School sports and other extracurricular activities could be moving up to Class 4A in the next UIL realignment scheduled in the spring on 2000.

That could put Bandera into a 4A district with Boerne, Kerrville Tivy, Fredericksburg and Medina Valley.

Bandera track 2nd, 3rd at CHS

The Bandera boys varsity track team placed second while the Bandera girls varsity and boys junior varsity teams took third places in their respective divisions at Saturday's (March 21) first-ever Comfort High School Relays.

The meet was run on Comfort's new eight-lane track.

Bandera's Clifton Tierney continued his dominance in the distance races by once again taking gold medals in the 3,200 and 1,600-meter runs. He won the 3,200 in 10 minutes, 37.2 seconds and the 1,600 in 4:48.68.

Bandera's David Cantu added a first place in the 200 meters with a time of 23.06. Cantu also placed third in the 100 at 11.31.

Chris Sanders added another gold for the Bulldogs with a first-place toss of 155-2 in the discus.

Earning second places for the Bulldogs were Martin Gaffney in the triple jump (39-1) and Josh Small in the long jump (18-4).

Small was also fourth in the 400.

Matt Stone added a third place in the 800 (2:11.8). Cliff Despres was fifth in the 200 and the Bulldog 1,600 relay team of Jason Garcia, Stone, Small and Gaffney was sixth.

Bandera's Shandra Zickler had a double gold medal performance by winning the triple jump (35-3) and the long jump (15-11.75).

Yoli Bermundez added a first place in the discus at 96-9.

Bandera's Katie Jennings was also golden in the 200 meters with a time of 27.50. She also had a third place in the long jump (14-9.75), in the triple jump (32-11.5) and in the 100 meters (13.62).

Crystal Upchurch recorded a second place in the high jump (4-10).

Bandera boys JV member Coy Pfeiffer won the triple jump, the 110 hurdles and was second in the high jump and 300 hurdles. JVers Walker Williamson had a third place in the shot put and Jeff Gossmann was fourth in the 400.

Two head to nationals

On March 5, 1998 Bandera High School's Business Professionals of America club members competed in a state competition in Houston. Members had to qualify in a regional competition in San Antonio first, to be able to compete at state. Those members who attended the state competition were Marisela Lopez, Lisa Humphreys, Jennifer Smyth, Carrie Sandidge, Wade Pantel, Jeremy Sifflier, Tracy Reed, Meghan Lee, Jay Pease, Kelli Knutson, and Crystal Phillips.

Two members placed high enough in their competitions to advance to Nationals in April in San Antonio. Marisela Lopez placed 3rd in the Office Specialist event and received a $500 dollar scholarship. Lisa Humphreys placed 3rd in the Office Assistant event. Other competitors from Bandera were named state alternates and will be able to advance to state if someone else cannot compete. They were: Wade Pantel in Interview Skills B, and the Small Business Management Team: Kelli Knutson, Jay Pease, Crystal Phillips, and Wade Pantel.

While at Nationals, Marisela and Lisa will have the opportunity to visit Fiesta Texas and see the sights of San Antonio. Also available is an optional day trip to Mexico. On top of this, they get to meet the top 5,000 young competitors in the country, to compete for awards and scholarships.

Lisa Humphreys and Marisela Lopez will compete on the national level after their wins at the BPA state competition.

Homeschool hoopsters win big at state competition

Local homeschoolers David Blunt, Adam McGhee, and Chris McGhee, pictured above with Coach Mac McGhee celebrate their victory in state competition.

Local homeschoolers David Blunt, Adam McGhee, and Chris McGhee, pictured above with Coach Mac McGhee celebrate their victory in state competition.

In their first game Patriots player Adam McGhee grabbed the tip and took it down for his first lay up of the game. Adam scored 9 points, David scored 6 points, and Chris was high scorer with 15 points. The Patriots won 80 to 17.

As the tournament progressed, the Patriots became the team all other teams wanted to beat, but that would not happen. The Austin Eagles fell 60 to 3[illegible] and the Houston Wolverines fell 43 to 36. In the championship game the Patriots came out ready to win. At the end of the first quarter the score was 12 to 6 Patriots. With the momentum going, steals, assists, blocks and turnovers were the Kings worst nightmare. At the buzzer the final score was 70-26.

Coach McGhee is proud of his team, not only for their efforts this year on the court, but also for the fine character they displayed. While in Houston, the Holiday Inn was so impressed with their behavior that before the championship game, they honored the team with a special reception.

Chris McGhee, who averaged 14.5 points per game, was named to the All-State Team, received the Most Valuable Player Award and the Defensive Most Valuable Player Award. Adam McGhee competed in and won the 3 point contest by hitting 11 of 15 shots in a one minute period.

The Patriots may reunite for a short spring league of inter-league play and instruction. Many of the team members will also participate in basketball camps this summer.

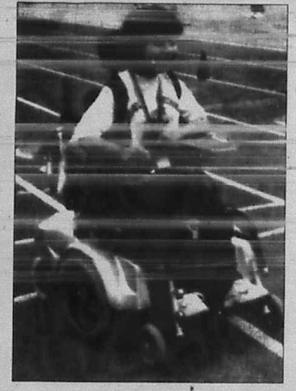
Champions, one and all

Some younger local participants from Hill Country Elementary/Special Education were at the recent Special Olympics Games in Kerrville, and had a great time and enjoyed the camaraderie and competition. Hill Country Elementary winners were: Melinda Moran, gold medal, 50 meter dash and silver medal, softball throw; Justin Winters, gold medal, 50 meter dash and silver medal, softball throw; Adam Peck, bronze medal, tennis ball throw; Katie DeRonde, bronze medals in softball throw and 50 meter dash; Tracy Salinas, gold medal, tennis ball throw and silver medals in 50 meter motorized wheelchair slalom and 25 meter assisted walk; and Chris Dugosh, silver medal, tennis ball throw.



Right: Savoring the moment on the winners' podium after the softball throw are Keith Beaner, who won first, and Justin Winters, who came in third.

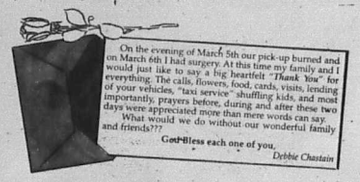
Above: A jubilant Tracy Salinas came in second in the 50 meter wheelchair race during the recent Kerrville Special Olympics.
Right: Wearing face paint, a medal and a smile was Special Olympian Justin Winters, who came in first in the 50 meter run.

Above: Special Olympics Medalists included back row, Melinda Moran, Justin Winters and Adam Peck; and front row, Katie De Ronde, Tracy Salinas and Chris Dugosh.

They 'dig' learning

Hill Country Elementary students Roy Ahrens and John Boyle play and learn at the "bean table" and the "sand table" in their threes and fours PPCD class.

A workshop on property tax appraisal for wildlife management, also called the 1-d-1-w, will be presented in Uvalde, Tx at the Holiday Inn on April 3rd. The workshop is sponsored by the Southwest Texas Chapter of T.A.A.D., will cover the basics of the new tax treatment for open spaces land and will offer guidance for designing a qualifying management plan. Admission is $35 for pre-registration or $40 at the door. Space is limited, so pre-registration is advised. Call Bandera CAD at (830)796-3039 for info.



On the evening of March 5th our pick-up burned and on March 6th I had surgery. At this time my family and I would just like to say a big heartfelt "Thank You" for everything. The calls, flowers, food, cards, visits, lending of your vehicles, "taxi service" shuffling kids, and most importantly, prayers before, during and after these two days were appreciated more than mere words can say. What would we do without our wonderful family and friends???

God Bless each one of you,
Debbie Chastain

Residents celebrate St. Patrick's Day

Martin Smith from the Church of Christ used for his text Sunday Mark 10;17-23, "Give Your Heart." Guests were Mary Ann Smith, Yvonne Fenner, Judi Bishop and Mada Fitzgerald.

Leonam, Fannie Cattall, and Annette Kalka-Schulte from St. Stanislaus Catholic Church visited, prayed and sang with resident friends and Brenda Adam, Jeanetta Adamietz, Harry Fleming, Peggy Jacobs, Larene Billings, and Hope Ritcheson.

Ann Stackhouse came Monday to play bingo with several of the residents.

Tollie Burnett from Grace Lutheran Church came Tuesday and Linda Partenheimer comes on Friday to read to the residents, which they always enjoy.

We celebrated St. Patrick's Day Party with music and songs by David LeStourgeon, Glen Honsvick and Melvin Reavis.

Martin Smith from the Church of Christ came Wednesday for Bible reading with the residents.

Heidi Klassen, Tiffany Cohn and Linda Klassen from Medina came and entertained the residents with songs.

Thursday Ann Stackhouse from St. Stanislaus Catholic Church presented flowers to the ladies, thanks to Punkie of Eckhart's Flower Shop.

Lakehills Baptist Church came Friday for bingo with the residents. Delicious refreshments were served by Diamond Krucse. We wish Rev. Bill and Lola Moseley a happy 50th anniversary. They were unable to come Friday.

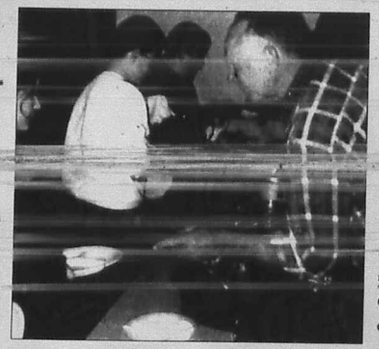
Patricia Baker and Fran Pue from Hill Country Gospel Church came for church services last week.

Roger Bolduc from St. Stanislaus Catholic Church came to give out communion to members of the church.

We welcome Helen Reed to our home and hopes she enjoys her stay with us.

We're sorry to report Dorothy Lindsey passed away. Our sympathy to her family and friends. We will miss her.

Rico came Friday afternoon and entertained the residents with music and songs.



Bandera County youth get ready to chow don during last weekend's rally held by Faith Chapel of Lakehills

Youth rally well attended

Youth between the ages of 13-17 attended a county Youth Rally on Saturday, March 14 from 10:30 a.m. to 9 p.m. at Faith Chapel of Lakehills.

Christian rock band "Second Chance," from San Antonio, performed at the rally. Mark Roye, a guest youth pastor from Austin, spoke. Other activities included basketball, volleyball and ping pong. Meals were served at noon and at 6 p.m. All activities, including meals and the concert, were free of charge.

Faith Chapel of Lakehills is located on Park Road 37, one mile west of FM 1283 in Lakehills.

Lock-In was fantastic!

by Pastor Ray Enyart

New Vision Church of Bandera had one fantastic "Lock-in" this last Friday night. It was a chillin' night with Jesus. We had 25 youth show up, from 9 years old to 19 years old, and four chaperones throughout most of Friday night. Everyone brought their sleeping bags; however only five or six actually slept. It was simply too much fun all night to sleep. We all learned from and read Matthew 2:1-12, and had a ten-question quiz. I charge you to ask any youth that came to the "Lock-in" what Matthew 2:1-12 is about, and they will [illegible]

We gave away over $250 in awards for various pop quiz questions, assignments, and art projects. The main event of our projects consisted of building a Cross — from anything, no taller than 18 inches and no wider than 10 inches. This project taught us all the meaning of the Cross explained by each contestant, and what the Cross means to them. This project produced over $100 in given awards, and the projects were simply outstanding.

Super S Foods donated everything for the dinner served Friday night, and El Jacalito's Restaurant donated 50 percent of breakfast. Thank you so much for your support for the youth of Bandera County.

Thank you for letting me serve this community. It is an honor. (II Cor. 4:5)

Grace Temple Christian Academy enrolling for Fall

Grace Temple Christian Academy is excited to announce that enrollment for the 1998-1999 school year is now underway.

The Academy, which is entering its third year in operation, is proud to be serving the Bandera community. Grace Temple Christian Academy stresses moral/Christian character, exposure to life experiences, and family unity, as well as academics with their students.

There are currently 3 kindergarten and 12 elementary/middle school slots available. The 1998-99 school year will begin September 8, However registration must be completed by July 31. To request an information/application packet, please call 796-7875 or write to G.T.C.A., PO Box 1121, Bandera.

Friendly Folks... exciting music... warm fellowship.

New Vision Church of Bandera
Pastor Roy's Sermon in a Nut Shell
Do you like to be lonely? Neither does God. That's why he created man, so He did not have to be alone: That is why He walked in the garden hand in hand with Adam. God's ultimate plan is to walk hand in hand with you, and be your Father and best friend. He wants to adopt you as His Child. It's interesting to know your earthly parents can legally give you up for adoption without a reason, but if you are an adopted child, it is illegal and impossible for your adopted parents to abandon you or give you up for any reason. It's in Galatians 4:5, that God offers those who receive Jesus as their Savior and Lord, the 'Adoption of Sons.' "Oh God, you are so-o-o-o Awesome, and I love You for adopting little ole' me." Would you like to learn more about this?

Salute to Spring opens March 29

The opening reception for the Kerr Arts & Cultural Center first annual Hill Country "Salute to Spring" is set for Sunday, March 29 from 2 to 4 p.m. Artisans from Guadalupe Watercolor Group, Hill Country Flower Arrangers, Hill Country Quilt Guild, Hill Country Porcelain Art Group and Kerrville Art Club will display their works, many of which will be for sale. The show will be at the KACC temporary location, 223 Earl Garrett, across from the post office building in Kerrville. Individual members will also have items displayed. The Salute To Spring will continue from March 30 through April 18. KACC will be open daily from 10 a.m. to 4 p.m., and is closed Sundays.

Mindy Wendele has announced, the Main Street Program will also participate in the "wonderful KACC Hill Country Salute to Spring." Wendele has activities planned for community participation in the celebration.

The Kerrville Downtown Business Association is also joining the Salute to Spring. The windows of downtown businesses will reflect the colors of spring, and a contest for the most outstanding window display will be held.

The Rivercenter Nature Walk will be a part of the festivities. This is an opportunity to visit the nature walk while spring flowers are bursting forth to show off during the Hill Country Salute to Spring.

A very special feature on Sunday March 29, opening day, will be a classical ballet featuring a waltz theme. Ten young junior high and high school age ballet students will present this dance at the Kerrville School of Dance at 3:30 p.m. Director of the school, Nursel Conrad, states, "These young women are well versed and will give the audience a wonderful ballet." The Kerrville School of Dance is located at 804 Water Street at the Water Street Galleria.

KACC Salute to Spring show chairperson, Mary Lee Tennant may be contacted for further information at 830-896-1935. Tennant and her committee will be receiving entries for the Salute to Spring at 223 Earl Garrett on Tuesday and Wednesday, March 23 and 24. Non-members may participate by joining Kerr Arts & Cultural Center at the time of delivery of their works. Paintings, china painting and a variety of craft items will be accepted for review.

Mary Lou Tennant, chairperson of the KACC Hill Country Salute to Spring,is shown at the group's temporary center, 223 Earl Garrett, the site of the upcoming Hill Country Salute to Spring."

Students may get extra help with TAAS

Additional help will soon be available to students who do not pass one or more parts of the statewide assessment, the Texas Assessment of Academic Skills (TAAS).

The Texas Education Agency (TEA) is developing the TAAS Study Guides to help students strengthen the reading, mathematics, writing, science, and social studies skills measured by TAAS.

The study guides are being created for third grade through exit level (high school). The exit level guide, "Working Through TAAS," was delivered to public schools in December so that students who have not passed the exit level TAAS, a requirement for graduation from all Texas public high schools, are the first to benefit from these materials.

Study guides for third through eighth grades are expected to be available in summer 1998.

Mike Moses, Commissioner of Education, said, "The activities in the study guides cover the same skills that are taught in school and are tested on TAAS. The guides help students and their parents understand each skill, realize why it is important, and see how it relates to everyday life."

The guides may be used to help reinforce the skills of all students, including those who have performed successfully on TAAS. Moses said, "We believe that the best foundation for successful performance on TAAS is a curriculum that provides students many opportunities to read for meaning, solve mathematical problems in a variety of real life contexts, and write for a variety of purposes and audiences. The TAAS Study Guides, based on this same foundation, provide material that can be easily used inside or outside the classroom."

All high school students who do not pass one or more parts of TAAS will receive a free study guide from their schools after the fall 1997 testing. Other high school students or their parents may obtain copies of the study guides for $5 per guide after January 1, 1998, by calling 1-888-35-STUDY. The guides for Grades 3 through 8 will be available summer 1998.

TEA, in August 1996, selected an educational assessment publisher, Harcourt Brace Educational Measurement of San Antonio, to be its partner in developing the TAAS Study Guides.

Together, TEA and Harcourt Brace Educational Measurement considered input from educators, parents, students, and content-area experts to develop the study guides.

Ms. Randolph:

I am grateful to the Bulletin for the opportunity to answer your concerns addressed in the March 18th edition.

1— Most important is your accusation that Al Hamilton and my husband wanted to buy the racetrack in order to bring in casino gambling. This statement is completely false and the type of misinformation and mud slinging that we're trying so hard to avoid. First let me explain that I was an employee at the Racetrack and a close friend of the owner. When the Racetrack folded we all tried to come up with ways to revitalize it. One concept was to add casino gambling to the racing annually (which would have meant millions paid to the County Treasurer and our schools). This was before the bond election that BISD held to raise money to buy the Racetrack. After the school bond election failed we once again began to explore a way to put the Racetrack on the tax rolls and boost Bandera's economy. We tried to interest a number of companies in ideas for the track. A group of investors that had shown an interest in the Racetrack as a housing addition or industrial park was one and a production company in San Antonio considered the idea of the Racetrack for a movie set and amusement park was another. Any of these concepts might have worked, however the people with enough capitol to develop the ideas said the track was overpriced. Al Hamilton and my husband do not want to buy the Racetrack.

2— Neither myself nor Al Hamilton view the existing school board trustees as the "Big Bad School Board". These individuals work hard to provide quality education for the children without financial consideration. Their efforts are commendable. We appreciate and respect their contributions to our County.

3— We certainly have visited the Middle School on many occasions. Our three sons attended classes there and our daughter is currently enrolled. She faces all the obstacles that overcrowding causes and must also face the inconvenience of traveling over two hours a day to and from school. It's hard for her to participate in any of the school extra-curricular activities because of the transportation problem. Half of the Middle School students live in the Lakehills- Pipe Creek area and are unable to enjoy the full experience of school life because of this simple fact.

4— Let's not argue the benefits of quality education. The best possible education is what we all desire for every child. Where we differ is on the concept of education. We think it comes from teachers, equipment, books, and caring. You evidently think it comes from land.

5— If our intentions were to personally profit from the purchase of the Racetrack we would have bid at the sale. We did not! We were not alone in voting against the purchase of the Racetrack. It would be ludicrous to say that we swayed over 2000+ citizens to vote against the purchase for our own benefit. There is no simple solutions to growth. Yet through open communication we can work toward immediate methods to eliminate the overcrowding on the campus while providing quality education for the students. Let's try to address the needs of the students, parents, faculty, and all Bandera County citizens with equal zeal.

Salute to Spring opens March 29

The opening reception for the Kerr Arts & Cultural Center first annual Hill Country "Salute to Spring" is set for Sunday, March 29 from 2 to 4 p.m. Artisans from Guadalupe Watercolor Group, Hill Country Flower Arrangers, Hill Country Quilt Guild, Hill Country Porcelain Art Group and Kerrville Art Club will display their works, many of which will be for sale. The show will be at the KACC temporary location, 223 Earl Garrett, across from the post office building in Kerrville. Individual members will also have items displayed. The Salute To Spring will continue from March 30 through April 18. KACC will be open daily from 10 a.m. to 4 p.m., and is closed Sundays.

Mary Lou Tennant, chairperson of the KACC Hill Country Salute to Spring,is shown at the group's temporary center, 223 Earl Garrett, the site of the upcoming Hill Country Salute to Spring."

Mindy Wendele has announced, the Main Street Program will also participate in the "wonderful KACC Hill Country Salute to Spring." Wendele has activities planned for community participation in the celebration.

The Kerrville Downtown Business Association is also joining the Salute to Spring. The windows of downtown businesses will reflect the colors of spring, and a contest for the most outstanding window display will be held.

The Rivercenter Nature Walk will be a part of the festivities. This is an opportunity to visit the nature walk while spring flowers are bursting forth to show off during the Hill Country Salute to Spring.

A very special feature on Sunday March 29, opening day, will be a classical ballet featuring a waltz theme. Ten young junior high and high school age ballet students will present this dance at the Kerrville School of Dance at 3:30 p.m. Director of the school, Nursel Conrad, states, "These young women are well versed and will give the audience a wonderful ballet." The Kerrville School of Dance is located at 804 Water Street at the Water Street Galleria.

KACC Salute to Spring show chairperson, Mary Lee Tennant may be contacted for further information at 830-896-1935. Tennant and her committee will be receiving entries for the Salute to Spring at 223 Earl Garrett on Tuesday and Wednesday, March 23 and 24. Non-members may participate by joining Kerr Arts & Cultural Center at the time of delivery of their works. Paintings, china painting and a variety of craft items will be accepted for review.

Students may get extra help with TAAS

Additional help will soon be available to students who do not pass one or more parts of the statewide assessment, the Texas Assessment of Academic Skills (TAAS).

The Texas Education Agency (TEA) is developing the TAAS Study Guides to help students strengthen the reading, mathematics, writing, science, and social studies skills measured by TAAS.

The study guides are being created for third grade through exit level (high school). The exit level guide, "Working Through TAAS," was delivered to public schools in December so that students who have not passed the exit level TAAS, a requirement for graduation from all Texas public high schools, are the first to benefit from these materials.

Study guides for third through eighth grades are expected to be available in summer 1998.

Mike Moses, Commissioner of Education, said, "The activities in the study guides cover the same skills that are taught in school and are tested on TAAS. The guides help students and their parents understand each skill, realize why it is important, and see how it relates to everyday life."

The guides may be used to help reinforce the skills of all students, including those who have performed successfully on TAAS. Moses said, "We believe that the best foundation for successful performance on TAAS is a curriculum that provides students many opportunities to read for meaning, solve mathematical problems in a variety of real life contexts, and write for a variety of purposes and audiences. The TAAS Study Guides, based on this same foundation, provide material that can be easily used inside or outside the classroom."

All high school students who do not pass one or more parts of TAAS will receive a free study guide from their schools after the fall 1997 testing. Other high school students or their parents may obtain copies of the study guides for $5 per guide after January 1, 1998, by calling 1-888-35-STUDY. The guides for Grades 3 through 8 will be available summer 1998.

Welcome to Bandera County

Bandera County, situated in one of the most beautiful areas of Texas, provides a taste of the Old West set amid the spectacular Hill Country.

Bandera County was created and organized from Bexar and Uvalde counties in 1856 and named for the Bandera Mountains in the county.

Its blend of native American, Mexican, Polish and Old West cultures have combined to create the region's unique ambiance.

Many battles between Apache and Comanche peoples, and the Spanish conquistadors took place at Bandera Pass, 12 miles north of Bandera on Hwy. 173.

Legend has it that for years a red "bandera," (Spanish for flag or banner), flew at Bandera Pass to define the boundary between Spanish and native American territories.

A cypress shingle mill was created in Bandera in 1853 to take advantage of the abundant cypress trees along the banks of the Medina River, and in 1855, sixteen Polish families settled in Bandera, to staff the mill.

Bandera has been named the "Cowboy Capital of the World" since the time when it was a staging area for the great cattle drives of the late 1800s.

During the Great Depression of the 1930s, a local rancher began to host "dudes," the beginning of the county's flourishing dude ranch industry. In keeping with the area's cowboy history, rodeos small and large are held throughout the summer.

Attractions of many varieties abound for travelers to the region. The Frontier Times Museum in Bandera, and the Sabinal Canyon Museum in Utopia offer a look at the area's rich history.

The 2,200 acre Lost Maples State Natural Area bursts into glorious colors in the fall, and the Hill Country State Natural Area offers primitive camping, horseback riding, mountain biking and backpacking.

Medina, in the center of the county, is the Apple Capital of Texas, and hosts the annual Texas International Apple Festival at harvest time.

Medina Lake's crystal waters offer opportunities for fishing, sailing and scuba diving amid spectacular hills and limestone cliffs.

The county's crystal-clear rivers and streams offer a variety of visual and entertainment options for travelers, in an area filled with wildlife and exotic game.

For more information on Bandera County, contact the Bandera Convention and Visitors Bureau, P.O. Box 171, Bandera, TX 78003, E-mail: Bandera@hctc.net; or call 800-364-3833 or 830-796-3045.

Bandera County Courthouse

Blocks of locally quarried limestone and massive cypress trusses are two noteworthy features of the Bandera County Courthouse.

The county recently celebrated the 100th anniversary of the two-story structure that continues to dominate Bandera's skyline.

The courthouse stands on Main Street between Pecan and Hackberry Streets, across from the Bandera County Library. Housed in the courthouse are the offices of the county judge, county clerk, county tax assessor, and county treasurer.

Upstairs is the courtroom used by district and county judges.

Bandera County Commissioners also hold their regular monthly meetings in the upstairs courtroom.

The Wild West comes alive

If you are visiting the Cowboy Capital of the World, you have every right to expect to see some real cowboys, and there is no better place to see cowboys in action than at a rodeo!

Tuesday night rodeos are scheduled for June 2, 9, 16, 23; July 7, 14, 21, 28; and August 4 and 11. The rodeos will be held at the Mansfield Park arena, on Hwy. 16 just north of Bandera.

The Cowboy Capital Rodeo Association is gearing up for the annual Cowboy Capital Professional Rodeo Cowboy's Association Rodeo to be held May 22-24 at Mansfield Park in Bandera.

Professional cowboys will be on hand to thrill the crowds with all that's exciting, wild and woolly at the PRCA event.

This is your chance to see professional rodeo cowboys up close and personal.

And every Saturday during the summer visitors can enjoy the laid back style of the country rodeos held at Oxbow Arena in Bandera County. Rodeos will be held on Saturday nights; beginning June 6 and ending August 29.

children up to age 5.

Texas, and the Southwest, are featured in the exhibits at the Frontier Times Museum. Pioneer items include assorted tools, saddles, furniture, weapons, and clothing.

The Tarpley community's old telephone switchboard is on exhibit. It was used from the early 1930s to the mid-1960s. Several early model telephones, music boxes from the 1880s, an early permanent hair wave machine, a primitive baby incubator, and a full-sized replica steam engine are among the Texas/Southwest artifacts.

Fiber netting, presumably used by a prehistoric human who lived in the Chisos Mountains of the Big Bend territory nearly 3,000 years ago, is perhaps the oldest artifact.

A camel hair pillow that belonged to Bandera County Pioneer Amasa Clark is on exhibit at the museum. Clark was a camel herder during the "great Camp Verde camel experiment" carried out in the 1850s.

Clark secured enough camel hair to stuff a mattress and two pillows. The mattress eventually fell apart. One of the pillows was placed in Clark's coffin when he died at the age of 101. The other pillow was enshrined in the museum.

Turn-of-the-century school books and encyclopedias, a two-headed goat, stuffed wildlife from the Hill Country area, and wonder after wonder: it is all on display for visitors and residents to enjoy.

The Louisa Gordon Collection contains a full-size totem pole, many items of oriental art, and a fabulous collection of 400 bells from all parts of the world.

These bells range from Russian sleigh bells, elephant and camel bells, and a Siamese dancer's collar and necklace to a Chinese gong from the Ming Dynasty. The oldest bell in the collection is a gong from China's Han Dynasty, 207 B.C. to 220 A.D.

One unusual item in the Gordon Collection is a throne chair from the Doge's Palace in Venice, Italy. This ornately-carved chair of Circassian walnut is over 400 years old. It was used by the royalty of Europe when they visited the Doge, or chief magistrate of Venice, to pay their respects.

Perhaps the rarest item in the collection is the reincarnation plate which comes from the Krishna temple in Benares, India - the birthplace of Hinduism. The plate, intricately carved in silver, copper, and brass was used by the Hindu priests to teach their followers the cyclic theory of reincarnation.

The Charles Fagan Collection includes many items of South American origin. It includes a 400-year old pair of brass conquistador stirrups, a porcupine fish, a wooden idol from Easter Island, an iguana lizard, an alligator tooth necklace, and two shrunken heads.

Jivaro Indians, a tribal people living in the jungles of southeastern Ecuador and northern Peru, shrank the heads. According to legend, the tribe carries on blood feuds among themselves and in order to prevent the spirits of their dead enemies from inhabiting their bodies, they perform an elaborate ceremony that involves shrinking the victim's head.

The Frontier Times Museum has been jointly owned by the citizens of Bandera County since 1972.

It depends solely on private donations for its support. It receives no city or county funds. It is operated on behalf of the local citizens by a board of directors; 25 individuals from different backgrounds and locations around the county. For more information, call 796-3864.

Medina's Texas International Apple Festival

Medina Texas Development has announced the 1998 Texas International Apple Festival will be held on Saturday, Aug. 1. This is a change from the traditional festival date of "the last Saturday in July."

"There are several reasons for the change of date," stated Louis Vannatter, president. "First, and most important, is the fact that the July date came so early this year that the state apple growers expressed concern as to whether or not enough apples would be ripe at this time."

The festival celebrates the apple harvest and provides plenty of family fun. Numerous stages provide continuous entertainment in a variety of styles, including country, western, jazz and gospel. A children's stage is also provided, and past festivals have included strolling clowns, a large petting zoo, living history exhibits and black powder shooting demonstrations.

Arts and crafts booths line the paths beneath huge pecan trees in the festival orchard, and feature the best in woodwork, sculpture, clothing, jewelry, painting, furniture, and much more.

The food section features cold apple cider, apple ice cream,

Hunter's Barbecue

The entire Bandera County community pitches in to help at the annual Hunter's Barbecue, a wildly popular event which takes place annually in Bandera's Mansfield Park. The event began 35 years ago when Ashley Rugh, then president of the Bandera Chamber of Commerce, came up with the concept as a way to show appreciation to the hundreds of hunters who visit the county each fall. The event has grown to become the primary fundraiser for the chamber, and ranch owners and volunteers from all segments of the community have worked hard to keep the thriving event, which draws thousands of guests each autumn.

apple pie and apple cobbler. Those with competitive spirits may enter the apple pie contest, or a variety of fun races and sporting competitions.

While Texas is the first state to produce apples (starting in June), the majority of commercial growers don't have their largest crop (Lone Star, Little Sugar, Gala) ready until the end of July. The Medina festival has grown so much that organizers needed to have the greatest amount of apples available at that time.

For more information about attending or participating in this year's event, contact festival coordinator, Genie Strickland, or assistant coordinator, Peggy Rather at (830) 589-7224. Medina is located approximately 15 miles northwest of Bandera, on highway 16.

Silver Sage Corral

Do you weave? Is quilting your thing? Or perhaps a session of low-impact aerobics or a good old-fashioned sing-along is more your style. Whatever you like to do, even if it's just "grab a cup of coffee" and visit with friends, the award-winning Silver Sage Corral, located on 11th Street between Hackberry and Pecan Streets in Bandera, is the place to find your niche.

Most any weekday, visitors stopping by the Silver Sage Corral can find active fun, and friendly faces, during regular hours from 8 a.m. to 4:00 p.m. Delicious, inexpensive lunches, professionally prepared, are served Monday through Friday at 11:30 a.m., and reservations for lunch must be made by 9 a.m. at (830) 796-4969.

The Center's not just for senior citizens, although adults 55 and older are given first priority when there are limited resources.

One group that meets regularly is The Melodiers, who consider themselves the musical ambassadors of the Silver Sage Corral. Accompanied by a variety of musical instruments, including a piano, violins, and autoharps, the singers not only get together on a regular basis just to have sing-alongs, they also make public appearances.

There are also regular special activities, including monthly birthday luncheons, and the first Friday of every month, there is a pancake breakfast.

Bandera's senior center was founded over 20 years ago, and 1984 they broke ground for the facility where the Silver Sage Corral is currently located. It was dedicated in April of 1985.

For additional information, call (830) 796-4969.

Medina Bluegrass Festival

The little community of Medina in the center of Bandera County continues to develop its reputation as a music capital with the Medina Bluegrass Festival and Settlers Day on Saturday, Oct. 25.

The event will feature some of the best in Texas bluegrass with entertainment by the Waller Family, The Ledbetters, Star Canyon and Caliche Hill. The gates open at 10 a.m. and close at 10 p.m.

There will be plenty of arts and crafts booths and exhibits and the air will be filled with the good smells from the Texas Championship Dutch Oven Cookoff. Admission is $5 for adults and $3 for children.

The event is sponsored by the Medina Texas Development Corporation and will be held on the Apple Festival grounds, on the river in downtown Medina. For more information, call 830-589-7224.

The fishing is great for anglers of all ages in Bandera County's rivers, streams, and at Lake Medina

The Medina Lake Area

Fishing and boating are two of the favorite pastimes at Medina Lake.

The Lake is home to black bass, white bass, crappie, striped bass and perch, all catchable if the right bait is offered in a proper manner in a correct location. But catfish are the real secret of Medina Lake.

Anglers will find fishing from a boat most successful since Medina Lake is surrounded by private property. The general public can launch a craft from a public boat ramp located at the state park at the end of PR 37. Shore fishing is available and boats may be launched from privately owned ramps for a fee. Some launch sites on the lake include Cedar Point Landing, Bob's Cove, Red Cove, Goat Hill Camp, Pop's Place and Wharton's Dock.

Fishing license information and TPWD boating safety information are available at local tackle shops and sporting goods stores.

Lakehills, located near Medina Lake on PR 37 can trace some of its early settlers back to 1854 and the Mormon colony of Lyman Wight. Real development arrived with the completion of the Medina Dam in 1912.

Henri Castro, an early settler of what is now Castroville, dreamed of building an irrigation system and bringing farming to the area. During his lifetime, an earthen dam was built on the Medina River near the site of the present dam. It was later replaced with stone. Both of these were on a small scale and were unable to provide a steady source of irrigation to farmers.

In 1894, Alex Walton took up the dream of a large dam. Engineers were skeptical, but Walton's faith in the project never wavered. The actual construction of the dam was a wonder in 1910, and still is today. It took only two years to construct the largest dam in Texas, and the fourth largest in the United States. And it was done with private funding.

Cajun Festival at Medina Lake

The 18th Annual Cajun Festival at Medina Lake, scheduled for Sept. 26 at the Lakehills Civic Center, promises excitement and fun for the whole family.

The event, sponsored by the Medina Lake Betterment Association, magically transforms the town of Lakehills, on the banks of the Hill Country's beautiful Lake Medina, into Cajun Country.

The civic organization's festival is the original Cajun Festival and Gumbo Cookoff in Texas, unique in its ability to bring the food, music and culture of Louisiana to deep within the heart of Texas.

The festival originated as the "Great Gumbo Cook-off," and the annual gumbo contest remains a tremendous attraction. Visitors may sample a wide variety of gumbos, prepared by amateur and professional cooks from Texas and Louisiana.

The Cajun Festival has built a solid reputation for featuring an incredible array of Cajun delicacies, authentically prepared by

No expense or effort is spared in the preparation of Cajun delights, and crawfish, boudin and spices are imported from Breaux Bridge and New Orleans, Louisiana.

Food items include crawfish pies, sausage and ham jambalaya, crawfish etouffee, red beans and rice, boudin, stuffed crab, barbecued shrimp, hot beignets (doughnuts), bread pudding with whiskey sauce, and pecan pralines made on site.

Texas favorites, such as Buzzy's famous chicken and beef fajitas, and festival standards such as sausage on a stick, beer, margaritas, tea and soft drinks are available.

The festival is noted for presenting a superb line-up of Louisiana and Texas musicians, playing all varieties of music, and guests may learn about the fascinating heritage of Cajun culture, folklore, music and food at interviews and demonstrations conducted at the Gazebo Stage.

Visitors have the opportunity to learn Cajun and Zydeco dance steps , and to demonstrate their dancing skills at Cajun dancing competitions.

The festival begins at noon, Saturday, Sept. 26 and ends at 10 p.m. Admission is $5, and free for children under age 12.

All proceeds from the festival benefit the Medina Lake Betterment Association, a non-profit community organization.

For more information about this fantastic annual festival, contact the Bandera Chamber of Commerce at (800) 364-3833 or (830) 796-3045.

Landmarks honoring war heroes and veterans, rodeo cowboy champions, and commemorating Camp Montel and Bandera County pioneer Amasa Clark, stand on Bandera County Courthouse square. The five monuments stand in a line across the front of the courthouse along Main Street.

• The rodeo cowboys' champions' monument honors local rodeo champions including Toots Mansfield, Ray Wharton, Buddy Groff, Todd Whitewood, Scooter Fries, Clay Billings, and Jimmy Adams.

• The war heroes monument is a memorial to Bandera County men who sacrificed their lives in World War I. Some 23 names are inscribed on the granite monument that has stood since 1924.

• The veterans' monument is the newest monument on the courthouse square, and is placed in honor and memory of all war veterans by the Bandera County veterans and auxiliaries. It is pledged as a "tribute to valor" in "patriotic allegiance to sanctify God and country."

• The Camp Montel monument is a memorial to the Texans who served in the Confederacy. It commemorates Captain Charles de Montel and the Texas Civil War Frontier Defense. The monument was placed by the state of Texas in 1964.

The monument reads ... "Texans had 2,000 miles of coastline and frontier to defend from Union attack, Indian raids, marauders, and bandits from Mexico'. Defense lines were set to give...protection with the few men left in the state."

• The Clark monument is a huge granite boulder erected as a memorial to Bandera pioneer Amasa Clark, who died in 1927 at 101. Clark, the first permanent settler in Bandera county, came here in 1852. A veteran of the Mexican war, his stone marker originally stood in the National Cemetery at Ft. Sam Houston.

In 1945, the granite monument was moved to Bandera. Clark is buried in a family cemetery about four miles west of Bandera.

The Sabinal Canyon Museum

The Sabinal Canyon Museum, located on the main street of Utopia, has expanded to 2,000 square feet and added entire new exhibits. Those who oversee the museum are eager for visitors; they are proud of the history behind the settlement of the western end of Bandera County.

Douglas and E.J. Bacon bought the land and the building approximately five years ago and deeded it for the Sabinal Canyon Museum. Bacon, a geologist from Houston, has a collection of crystals and minerals on display.

Everything from art exhibits and quilt collections to arrow heads finds a place in the building for display. Other year-round exhibits include: pistols, farm implements; clothing; appliances; spurs; photographs; tools; household items; barbed wire; and knickknacks, primarily from the 1850s to the 1920s.

A western display space has been added. Used timber from the original Utopia Post Office has been reclaimed and carefully added to the decor. Belongings which can be traced back to some of the first settlers to the western area of Bandera County are on display in the "western" area and throughout the museum.

A rich collection of Native American history is included along with that of the white settlers of the 1800s. Due to the increased space, new exhibits have been accepted. Trunks of clothing have been passed down through families over the years, finding a permanent home in the museum. Furnishings and mementos from the first pioneer families continue to find their way to the growing museum collection.

The Sabinal Canyon Museum in Utopia is open Sat. 10-4 and Sun. 1-4. Visits at other times are also available by calling (830) 966-3747 or 830-966-5126. Admission is free; however, donations are accepted.

Photographs on display include the first store and post office in Waresville (the town that preceded Utopia); the old rock store, which was the first business built in Utopia; and histories of many of the community's families.

Because the Sabinal Canyon area is rich in Native American artifacts, archaeological digs have been carried out routinely. This has added to the unique character of the Sabinal Museum collection.

Sabinal Canyon's history dates back to the Spanish Colonel Uvalde who fought the last great Indian battle in 1790, four miles south of the present-day town of Utopia. Uvalde defeated the Comanches who had previously driven out the Apaches and Kickapoos.

The museum is open on Saturday from 10 a.m. to 4 p.m. and on Sunday from 1 p.m. to 4 p.m..

The handicapped-accessible facility will also open, at almost any time, by request. Special groups or interested individuals are encouraged to call (830) 966-3747 or (830) 966-5126 to make an appointment.

There is no admission charge. The museum is supported and staffed entirely by donations, and volunteer help is always welcomed.

Medina Lake Brewfest and Catfish Fry

Medina Lake Brewfest and Catfish Fry, set for Saturday, June 6, 1998, features a home-brew beer contest

Home brewers are invited to compete at the festival, which will run from 4-10 p.m. at the Lakehills Civic Center.

Whether you're a veteran home-brewer or a first-time novice, if you like to brew your beer at home, you are invited to enter the competition.

Categories include American (pale and amber), English ales (pale and amber), dark ales, black beers, strong beers, pilsners/golden ales, amber and dark lagers, wheat beers, and Belgian and fruit beers. One trophy will be awarded in each category. If sufficient entries are received in individual categories, additional trophies will be awarded. The overall "Best of Show" winner will receive a trophy.

Entries must be placed in 10- to 14-oz. bottles that are brown or green glass and are free of raised glass or inked brand name lettering and paper labels. Caps need to be without lettering or graphics. (Mark out markings with permanent black marker.) Entrants need to bring three bottles in each category. Each entrant can enter only one beer in each category.

Entry fees are $7 per entry. For those entering more than three beers, the entry fee is $6 per entry. Complete rules and drop-off points can be obtained by calling (210) 823-4598 (San Antonio local) and leaving a message, or by writing Medina Lake Brewfest, P.O. Box 63368, Pipe Creek, TX 78063.

Judging will occur at the Lakehills Civic Center during the week of June 1-5. The judging is not open to the public. The winners of the Brewfest Home-brew Contest will be announced during the event.

The brewfest itself will offer festival-goers the chance to sample several micro-brewed beers and listen to and dance to country and western music. Gate admission is $3.

Festival-goers will receive a 14-oz. mug for sampling, but must pay for micro-brewed beer.

Fried catfish and sausage plates with all the trimmings will be available for $5.

Lakehills Civic Center is located off Park Road 37 in Lakehills. Call (210) 823-4598 for more information.

Lost Maples State Natural Area

The canyon has been a natural refuge for thousands of years, sheltering a unique combination of rare or isolated plants and animals including bigtooth maple trees, American smoke tree, Guadalupe bass, greenthroated darter, the Texas salamander, the barking frog, and the Texas cliff frog. Tourists flock to the area in the spring to exclaim over the many wildflowers and new growth, while summer visitors grow to love the somnolent, peaceful paths and trails.

Located in western Bandera County on the Sabinal River, five miles north of Vanderpool on Ranch Road 187, the Lost Maples State Natural Area was named for strands of bigtooth maple trees. The park is a combination of steep, rugged limestone canyons, springs, plateau grasslands, wooded slopes, and clear springs.

It was designated a National Natural Landmark by the Heritage Conservation and Reclamation Service in 1980. Even before that, the land belonged to the Texas Parks and Wildlife Department. They purchased it in 1973 with plans of preserving and protecting the scenic, natural resource.

The day use area includes 25 picnic sites, parking spaces, and restroom.

Some 30 general camping areas are designed for RV and trailer use. They include electrical hook-ups; a dump station; and restroom and shower facilities. Eight primitive camping areas are available where no vehicles are permitted, offering backpackers a rustic experience. All camping requires reservations, which must be made by calling (512) 389-8900.

The park's headquarters are open from 8 a.m. to 5 p.m., Monday through Friday, and from 8 a.m. to 8 p.m. weekends. Entrance permits are $4 per person per day and are good until 10 p.m. There is no charge for senior citizens born prior to Sept. 1, 1930 who wish to use the park during daytime hours.

General camping with water and electric is $12 per night, plus entrance fee; a maximum of 8 people and 2 vehicles are allowed per site. Primitive backpack camping is $8 per night plus entrance fee; a maximum of 6 people per site. Reservations are recommended, as facilities are limited. For more information about the park, call (830) 966-3413; to reserve campsites, call (512) 389-8900.

The staging area near the trailhead has 20 parking spaces and the park has 10.5 miles of trails. Activities include picnicking, camping, hiking, nature walks, bird watching, and sightseeing.

The canyon has been a refuge for more than exotic plant and animal life during its long past. Native Americans such as: Apache, Lipan Apache, and Comanches roamed the area well into the 19th century.

The park is on the margin of the Edwards Plateau, and has a maximum relief of about 450 feet. High canyon walls fall down into the Sabinal River and its tributaries. The enclosure protects the park from drying winds and high summer temperatures.

Upland plateaus are mostly open grasslands with scattered clumps of live oak. Upper slopes are dense woodlands of ashe juniper, lacey oak, Texas oak, Texas ash and black cherry. The canyon bottom supports sycamore, pecan, oaks, hackberry, maple, walnuts, and button bush.

A Welcome from the Bandera County Board of Realtors

Keith R. Gideon, president
Bandera County Board of Realtors

The Bandera County Board of Realtors wishes to welcome you to our favorite county in all of Texas. While you are in Bandera be sure to stop in one of our participating offices and say hello. We are always excited to meet new friends from all areas of the country. If you need information concerning a potential real estate transaction in this area be sure to choose an office that displays the Realtor emblem.

Here, in Texas, everyone that sells real estate for a living is licensed as a real estate agent through the Texas Real Estate Commission but many agents have joined together to form the Texas Association of Realtors which helps to regulate the ethics and behavior of its members, thus insuring the public the highest level of honesty and integrity in all real estate transactions.

So, as you tour Bandera county be sure to use the local Realtors as your source of information for points of interest, directions, and business transactions.

Y'all be glad you did!

Continued from page 19

Populations of the American smoke tree also occur in this area, along with common witchhazel, and Canadian moonseed. The endemic sycamore-leaf snowbell delights spring visitors with its graceful white blossoms.

Animals found inside the park include white-tail deer, armadillo, bobcat, opossum, racoon, grey fox, rock squirrel, fox squirrel, mountain lion, Russian boar, and javelina.

Wildlife sightings are a frequent and delightful thrill for Lost Maples visitors.

The undisputed "champ" of the park, however, remains the bigtooth maple. As the climate has become hotter and dryer recently, the Texas maples were restricted to sheltered canyon pockets like the park. The brilliance of the maples' flashy fall color depends on weather conditions in September and October. But regardless of weather conditions, or time of year, Lost Maples is a rare and priceless treasure for the visitor.

Hill Country State Natural Area

If your idea of "roughing it" includes camping in a tent, walking or riding a horse or a mountain bike over expanses of unspoiled terrain, taking a plunge into an ol' swimming hole and enjoying grand vistas and wildlife undisturbed by the mechanical sounds of motorized vehicles, then the Hill Country State Natural Primitive Area just might be a destination to select during a visit to Bandera County.

Located 10 miles southwest of the city of Bandera on FM 1077 and open Thursday through Monday, 9 a.m. to 4 p.m., the Natural Area is nearly 5,400 acres of Hill Country complete with running spring-fed stream, open grassland meadows, upland woods, and craggy limestone peaks that reach 600 feet above the valley below.

Winding through the park from stream bed to rocky hilltop are 34 miles of trails that are rated from easy to technical (challenging). The area is just what its name implies: primitive.

Motorized vehicles are allowed only on a few access roads and traffic is limited to travel to and from designated parking areas.

For hikers and mountain bikers, there are 10 individual walk-in tent camping areas within 75 yards of parking. For the heartier, three more primitive hike-in campsites are situated 1 1/2 to 3 1/2 miles from a parking area.

Some campsites and three swimming holes are located along West Verde Creek which flows through the Natural Area and one of the hike-in camps has an adjacent spring-fed pond. None of the remote camping areas has drinking water; in fact, guests must bring their own drinking water when visiting the park. Chemical toilets are now provided at the walk-in sites. Stoves are permitted for cooking, but open fires are allowed only in special fire rings in the campsites.

The equestrian camp area is also situated near headquarters and includes plenty of room for trailer parking and ten portable stalls for horses as well as space to tether an animal, if desired. Toilet facilities are also available.

Large groups need to make reservations and individuals may want to call ahead to determine campsite availability.

Because of the varied terrain, HCSNPA is an excellent area for bird watching, and wildlife observation. Golden-cheeked warblers, and black-capped vireos nest in the thickets. Fox, raccoon, ringtail, squirrel, and coyote call the park home; along with a variety of snakes, lizards,

New Vision Church

Jesus laid down His life just for you. Yes, you. All God wants from you in return, is to accept what His Son did for you, and then you do the same. That's right, He wants you to lay down your life for Him. In return you receive fantastic pay while you are here on earth, you receive a new body to travel in when you leave this earth, and the retirement plan of God is the best you'll ever find. This is a sacrifice He is asking for, so to speak; however, His life defines sacrifice. Come see for yourself what it's about. It can't hurt you.

Catch the vision.

Dude and Guest Ranches

Bandera has been catering to "dudes" since at least 1895 when the old Duffy Hotel was built on Main Street. Girls and their families would travel out from Houston for the summer, and young cowboys from the surrounding ranches would ride their horses in on Saturday and Sunday to show off.

Today, visitors still come to Bandera for a taste of the authentic wild west. Here are some of the options available to those who want to experience the Wild West:

• Abundare River Ranch

4 mile SE. of Bandera on 173, on Bottle Springs Road 2-1/2 miles. 800-706-6712; 830-796-4076; HC1, Box 433, Bandera, TX 78003 Plantation-style deluxe accommodations for 1-40. 600 acres on the Medina River. Tennis, pool, playground, gift shop. Gorgeous views. Exotics and wildlife. Golf and horseback riding nearby. Reserve your room, suite, dwelling or entire ranch. Ideal for reunions, weddings, meetings. VI,MC,DVC,AE.

• Bald Eagle Ranch

11 miles from Bandera, off 1077 next to Hill Country State Natural Area. P.O. Box 1177, Bandera, TX 78003 830-460-3012; Fax: 830-460-3013; E-Mail: info@baldeagleranch.com; http://www.baldeagleranch.com. 8 Suites. All registered quarter horses. Adult only. Maximum 16 guests. The only ranch in Texas approved as an active member of the prestigious Dude Rancher's Association. Emphasis on quality and personalized service. AE, MC,VI.

• Chukka Creek Guest Ranch

5 miles west of Bandera on Farm Road 470; Rt. 1, Box 801, Bandera, TX 78003; 830-460-7859. 2-1 bedroom and 1-2 bedroom cottages with kitchenettes for rentals. Overnight chuckwagon trail rides and Longhorn cattle drives. Museum of the Western Movie at the Chukka Creek Feed and General Store with soda fountain and Polo Bar. NCC

• Dixie Dude Ranch

9 miles out of Bandera on FM 1077; P.O. Box 548, Bandera, TX 78003. 830-796-4481; 800-375-9255; E-Mail: cccdixie@hctc.net; http://www.tourtexas.com/dixieduderanch

19 rooms in cabins and lodge. 725 acre working stock ranch, Longhorn breeders. Horseback trail riding and new arena for lessons. Renovated heated pool, fishing, playground, basketball, volleyball, horseshoes and superb hiking. Cowboy breakfasts (seasonal), bonfires, cookouts, hayrides and Western entertainment. Historic barn and Range War cemetery. Bandera's oldest since 1937. Full American Plan. AE,MC,VI,DVC.

A Walking Tour of Historic Bandera

Entering Bandera from the east via State Hwy. 16, one of the first historic buildings a visitor can spot is the impressive Schmidtke-Callahan House at the intersection of Cypress and 13th Streets, currently the home of McMullan Insurance. The house was built in 1870 by James Henry White of Georgia, for Charles F. Schmidtke, an early-day merchant, sawmill and grist-mill operator. Eventually the property changed hands and in 1929 the owner of the property, J.C. Callahan built a store near the house. The Callahan Store remained in business until 1958 when J.C. died. The property stayed in the Callahan family until 1979, when J.C.'s descendants sold the property to Gill Savings. Gill tore down the old store and restored the house to its original condition. The Schmidtke-Callahan House is a recorded Texas Historic Landmark.

Taking a left on 12th Street off Cypress, visitors can "round the block" and see four historic buildings. The old Bandera jail was built in 1881. Designed by Alfred Giles, an English architect from San Antonio, it was built by James A. Courtney. Prisoners' initials scratched into the stone walls are still visible. The building once housed a museum and now is the offices of Springhills Water Management District. It is a recorded Texas Historical Landmark and on the National Register of Historic Places. Adjacent to the old jail building is Bandera's old courthouse building. Built by Henry White in 1865 as a store, it was purchased in 1877 by Bandera County, and used as a courthouse for a time. It now houses one a justice of the peace and the county extension office.

The Carmichael and Hay Store, built in 1886, (also by Henry White) is a limestone structure that operated as a general store and is now Bandera Ranch Store. Next to it is the Fred Thalmann Marker (1949), a pecan tree on the corner of Maple and Main Streets. The small park was dedicated to Thalmann, an early leader in the local wool industry. His mother, Louise Maudsley Thalmann, and his grandmother were founders and teachers at Mrs. Maudsley's School, across from Bandera United Methodist Church.

Near the intersection of Cypress and Main Streets Huffmeyer Store was built by B.F. Langford in 1873 for Emil Huffmeyer's general store. For many years a drug store was located in the corner where Shoe Biz is now located, and The Trading Post has occupied the other portion of the building since the 1940s.

Further down Main Street is the Old First National Bank. Built in 1875 by W.J. "Short Bill" Davenport, it was operated as a private bank for several years. Later it operated as an art gallery and architect's office, and currently houses Harvey's "Old Bank" Steakhouse.

Directly across the street is the Lee Risinger Store, also the second home of the First State Bank. It is now the site of Everett's Store. Bo's Rodeo and Ranch Shop adjacent to Everett's was Cox Hall and later Bandera's first movie theater.

In the next block over from Main Street, on 11th Street, are the next five stops on this walking tour.

The building that houses Stein's of Bandera was built as a feed store operated by Henry and Tom Stevens. Later it was the hardware store of B.F. Langford and Son, and later a funeral parlor operated by the Langfords.

Also on 11th Street, on the corner, facing into Cypress Street, is the oldest stone building in Bandera. This much-altered building on the corner of Cypress and 11th Streets has been a courthouse, store, school, funeral home, and residence. It was sold in 1869 to Henry Stevens, Sr. for $75.

Across the street, on the corner of 11th and Cedar Streets is the old First State Bank. On a site bought by the city's founder, John James, in 1842 the old two-story rock building was built in the 1840s. It was used as a school between 1860 and 1879. In the 1880s it was known as Bandera Institute and operated by a Professor Ryan, thought by some to be the fugitive John Wilkes Booth, assassin of Abraham Lincoln. It is a recorded Texas Historic Landmark.

Next door to the old bank is M. Boyle Store. The frame building with a false front was built in 1908 and recently purchased and renovated by the Community Assembly of God. The store was established by Irish immigrant brothers, and was an active turn-of-the-century business. Johnny Boyle, operator of Boyle's Market, is a descendant.

Another stone structure built in the 1850s the old blacksmith shop was used by John James and Charles De Montel when they were laying out the town of Bandera. It was used by the Methodist Church in the mid 1860s; by B.F. Langford for a cabinet shop; blacksmith and wheelwright shop around the turn-of-the-century; and as an office and clinic by physician J.O. Butler.

A few blocks down Cypress, at the corner of 8th Street and dating from the 1850s, is the Catholic Cemetery. The cemetery was established after 16 Polish families colonized in Bandera in 1855 to establish the second oldest Polish community in the United States. Names of these early immigrants are listed on a monument in front of the church and some of their descendants live on in Bandera today. St. Stanislaus Catholic Church was established in 1876 by the Polish colonists who came to Bandera in 1855. Their log church was

located where the present Gothic vernacular stone structure stands. The building is a recorded Texas Historic Landmark. The church's old rectory was built in 1930, out of stone from a previously used addition to the church.

Built in 1876 by Mr. and Mrs. Franz Jureczki, early pioneer colonists from Poland, the Tobin-Jureczki House is a registered Texas Historic Landmark that appears on the National Register of Historic Places.

St. Joseph's Convent-Parish Museum (1874) was originally erected for the Sisters of the Immaculate Conception as a convent. It was later used as a school for children of early Polish settlers, and other Catholics, and is a recorded Texas Historic Landmark. St. Joseph's School (1920) is now a parish hall, but this hipped-roof symmetrical two-story rock structure was designed from older plans of a Bandera public school and therefore looks older than it actually is.

An early day school principal, A.K. Briggs, lived in the Briggs' English-style House (1920). The Montague House (1880) was built for Judge and Mrs. Charles Montague, Jr. and they raised 12 children there. Carmichael Home (1890) was built by H.H. Carmichael.

At the corner of 11th and Hackberry Streets is Bandera United Methodist Church. The original frame building was later replaced by a stone structure that has since been enlarged to its present architectural plan. Andrew "Fighting Jack" Potter was the first Methodist minister in this area. It is a recorded Texas Historic Landmark and United Methodist Church national historic site.

Further down 11th Street is Bandera School campus at 11th and Cherry Streets.

On Main Street, between Hackberry and Pecan Streets, Bandera County Library was built in 1934 as a WPA project of the Great Depression era. It was substantially remodeled in the 1970s. Bandera County Courthouse, directly across Main Street from the library, was built in 1890. Designed by B.F. Trester, Jr., work was started by Ed Braden and Son of San Antonio, and was completed by E. Huffmeyer, a local merchant and contractor. Stone for the building was quarried locally and laid by itinerant Russian stonemasons. Bandera County Courthouse is a Texas Historic Landmark and is in the National Register.

First Baptist Church is located at 13th and Pecan. The entire block was bought in 1883 and given to the church by F.L. Hicks in 1884. The old church was completed in 1908 and later replaced by the present structure.

Frontier Times Museum, 506 13th Street, was built in 1933 by frontier journalist-historian J. Marvin Hunter to house collections of Texana. It is maintained by Frontier Times Museum, Inc., a nonprofit institution, and is a recorded Texas Historic Landmark.

William J. Davenport House, 1506 Pecan Street, was built in 1910 and today is the home of Esther's Antiques. A wood vernacular with classical elements, the two-story washerboard frame house has a gable projecting bay on the side, and a two-tier porch with simple Ionic columns.

Bandera Cemetery is located at 13th Street and Hwy. 173. St. Christopher's Episcopal Church, Hwy. 173, is located across from the cemetery (1950-53). Designed by architect Henry Steinbomer, buildings were inspiration of late Charles and Star Heimsath. Episcopal services were first held in Bandera in 1880s and revived in 1948. Grace Lutheran Church is located across from the Bandera Cemetery.

Deputy dragged by car during arrest attempt

■ By Brenda Sommer
Bulletin Staff

A Bandera County deputy was injured Thursday while attempting to arrest a Lakehills woman on federal fraud charges. Sheriff James MacMillan said Friday that Doris Flowers Mendoza, 40, was in custody after she fled officers in her 1996 Mitsubishi Montero, dragging Deputy Keith Kress approximately 15 feet as he attempted to remove her from the 4-wheel-drive vehicle.

MacMillan said that the Federal Bureau of Investigation contacted Constable Pct. 2 Ernie Riech on Wednesday, and made arrangements to stop Mendoza the next morning on her way to work. The sheriff said that vehicle, containing Mendoza and her husband's 10-year-old daughter, was stopped around 7:30 a.m., and "everything went fine" until Mendoza, who was still in her vehicle, attempted to leave the scene.

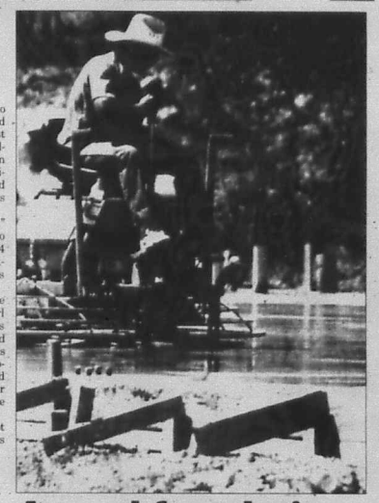
"I think she just panicked," MacMillan said. "Deputy Kress was at that particular moment attempting to remove her from the vehicle, and as he tried to pull her from the car, she took off ... He got skinned up a little bit, just banged up a little." The deputy was seen by a doctor, and MacMillan said his office was looking into the possibility of filing charges of assault on a peace officer against Mendoza.

MacMillan said that Deputy Don Rastetter, who made the stop, returned to his vehicle, and attempted to give chase, but by then he had lost sight of the Mitsubishi. While police set up a roadblock on the only road out of Lakehills, MacMillan said Mendoza apparently lost control of her vehicle, drove through a fence into a horse corral, and the brush hid her vehicle from view as deputies drove past.

"She attempted to double back to her house," MacMillan said, and turned off Park Road 37 onto 27th Street in Lakehills, driving approximately 1/4 mile before parking her car in the brush and walking back to her home, where waiting officers arrested her.

MacMillan said that neither the woman or the child were injured during the incident, and the girl was released to her father's custody. Mendoza was taken to San Antonio, where she was arraigned before federal magistrate on Friday on accusations that she stole money while working as a bookkeeper at a Lakehills company. Sheriff MacMillan said he believed Mendoza had a prior conviction for "some type of mail fraud and was on federal parole or probation for that."

FBI media spokesman Darren Holmes could not be reached for comment, after repeated calls to his San Antonio office.



A good foundation

A worker put the finishing touches last week on the slab for the Youth and Community Center of Bandera County, which will be built at 8th and Maple streets in Bandera. The project is a joint effort of Mrs. Margaret Alkek, the Meadows Foundation, and the Bandera County community.

Trial starts Monday

A much-anticipated trial, which will determine the fate of the sale of Bandera Downs racetrack, begins Monday in Bandera.

A large crowd attended last week's hearing on plaintiff Al Hamilton's suit to stop the Bandera Independent School District's purchase of the Bandera Downs racetrack. BISD purchased the 135-acre property on Feb. 3 for $1.475 million at a sheriff's auction on the Bandera County Courthouse steps. Hamilton filed suit to halt the sale on Feb. 11, arguing that the district did not give adequate notice of its intentions, and that BISD couldn't legally bid more than the $383,000 owed in back taxes and delinquent fees. The trial begins at 9 a.m. April 6 at the Bandera County courthouse.

Candidate forum set for April 7

The Veterans of Foreign Wars Auxiliary to Post 9176 in Bandera will sponsor a "Meet the Candidates" night for those running for office in the City of Bandera (mayor and city council) and for current council members. The forum will be held Tuesday, April 7 at 7:30 p.m. at the Bandera Bank meeting room, on Cypress Street in Bandera.

Among the topics of interest which will be addressed at the meeting are water, sewer, streets and drainage. Elizabeth James will moderate the forum.

'Barn Raiser' is Friday

Time is running out to get your tickets to the Bandera County Junior Livestock Show Association's "Barn Raiser '98." The gala evening festures dinner and dancing to the music of The Metheny Brothers, and the highlight of the night will be the grand prize award of a 1998 Chevrolet 1/2 ton regular cab fleetside SWB pickup truck.

The truck features a 305 V-8, automatic transmission, AM/FM stereo radio with cassette, tilt steering and cruise control and aluminum wheels. Tax, title and license fees are excluded.

Additional door prizes include a 27-inch color television, a 20-inch color television, a VCR and a Bandera grill/smoker.

Tickets to the event, which will be held Friday, April 3 at 6:30 p.m. at The Farm Country Club, are going fast. Only 400 tickets will be sold to the event, and each $125 ticket admits two to the evening's festivities.

Tickets are available from sponsors, Bandera Bank and Norwest Bank. The event is co-sponsoredd by Cavender's Rodeo Chevrolet, Boyle's Market and Moore Title Company. All proceeds from Barn Raiser '98 benefit improvements to the show barn.

Smith to hold 'Town Hall' meeting

Congressman Lamar Smith will hold a "Town Hall" meeting for 21st Congressional District residents at 9 a.m., Saturday April 4, at the Bandera Bank Community Building on Cypress Street in Bandera.

"I look forward to this opportunity to hear directly from the residents of Bandera County on issues that are of concern to them," Smith said. "These meetings are valuable because of that face-to-face change to both hear from those I represent and to report to them on the issues and debates that are so important to us all."

During his tenure in Congress, Smith has held regular "Town Hall" meetings with constituents throughout his 21-county district.

He is a member of the House Judiciary Committee, Budget Committee and Ethics Committee, and is chairman of the House Immigration Subcommittee.

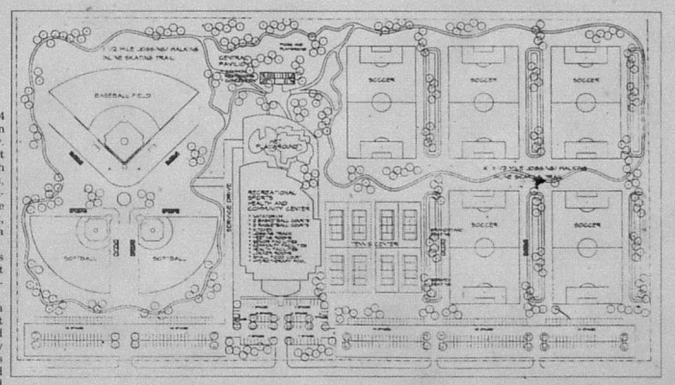
Plan for rec center is 'a starting place'

Don Jones hopes that all or part of the 34 acre recreational center, shown at right, can some day become a reality for Bandera County.

The idea is only a proposal, Jones said. It includes a two acre recreational, sports, health and community center building, soccer fields, tennis courts, baseball and softball fields, hiking trails and more. Jones emphasized that the concept is not a Kronkosky Foundation project, and is by no means a final draft, but rather a starting place.

"This is an attempt to put together desires and needs of disparate people," Jones said. "It shows what can be done if people work together for a common goal. It's a start."

Jones served as chairman of a Human Resources subcommittee that worked as part of the county-wide committee that assessed community needs for the Kronkosky Foundation. The recreational site plan came as a result of the subcommittee's work. Jones said that anyone with questions about the proposed project, which was not designed with any particular location in mind, should feel free to contact him at 460-7174.



RVK, Inc., a San Antonio architectural firm, donated their services to create this proposal for a 34 acre recreational complex. The project, a draft at this stage, combines the needs discovered by a subcommittee of the Kronkosky Foundation Needs Assessment Committee, and is not tied to a specific location, or to the foundation.

- Jess Divin, 19 of Sherman, on a warrant from an outside agency.

Plant sale Saturday

The Madrona Garden Club will be passing out free trees at their second annual Plant Sale to be held April 4, at the lot adjacent to the Norwest Bank on Main Street in Bandera. Hours will be 9 a.m. to 3 p.m. or whenever all the plants and trees are gone.

The club will give away Bur and Shumard oak trees. Bur Oak can tolerate drought and city smoke. Its thick corky bark is somewhat fire resistant and can withstand some weedeater damage. It provides a deep shade and has a few insect problems. Shumard Oak is also a good shade tree, and is considered one of the largest and fastest growing of the Texas Red Oaks. Its acorns are eaten by deer, squirrels, and turkey. The leaves are very colorful in the fall.

In the past the Madrona Garden Club has planted trees at most of the churches, the library, museum, and the nursing home. If your church or organization would like a tree planted in the future, notify one of the members down at the Plant Sale.

Hicks, Yates become Texas DPS Troopers

Charles M. Hicks and Gary A. Yates, both of Bandera, were among 138 trooper cadets who graduated March 27 from the Texas Department of Public Safety's 113th Training Academy.

This is the largest graduating class in DPS history, and we are proud to have them join our ranks," said DPS Director Col. Dudley M. Thomas.

State Rep. Patricia Gray, D-Galveston, addressed the graduating class at the Frank Erwin Center on the University of Texas campus in Austin.

"Texas sets very high standards for the commissioning of a Texas State Trooper. I'm looking forward to sharing the day with the families of these outstanding officers as we recognize their achievements and entrust them with the badge of a Texas Trooper," Gray said.

Lt. Col Thomas Davis also participated in the ceremony along with DPS training officers.

The 27-week school is the longest continuous training academy offered by any law enforcement agency in Texas, and one of the longest in the nation. The cadets entered the Academy in September and completed 1,187 hours of instruction-more than twice the training required by the Texas Commission on Law Enforcement Officer Standards and Education. The students received instruction in criminal law, traffic law, arrest procedures, accident investigation, first aid and other law enforcement subjects,as well as classes aimed at developing self-esteem and goal setting skills.

Trooper Gary A. Yates will be assigned to the Highway Patrol in Falfurrias, while Trooper Charles M. Hicks will be assigned to the Highway Patrol in Van Horn.

Health Fair, Blood Drive in Utopia

Share your good health with others and give the "gift of life" by donating blood at the Utopia Health Fair and Blood Drive on Saturday, April 4, from 9 a.m. to noon in the community center.

The entire community is welcome to participate in this blood drive. Anyone between 17 and 72 years of age, who weighs at least 110 pounds, and is in good general health may donate blood.

The body quickly replaces the blood that was given. Blood can be donated as often as every eight weeks. To help your body replace blood, eat a healthy diet, and drink plenty of liquids for a day or so. All blood donors will receive a free cholesterol test and mini-physical consisting of a blood pressure, iron level, pulse and temperature check.

The South Texas Blood and Tissue center asks all doners to present some form of identification before beginning the donation process. Proper identification should include the donor's name plus one of the following: date of birth, Social Security number, or photo identification.

Donors are also encouraged to ask about signing an organ/tissue donor card and joining the National Marrow Donor Program.

To sign up, please call Margaret Ondrovik at (830) 966-6140.

Reservations About Electric Utility Restructuring

GRAPEVINE, Texas -- "We don't think restructuring the way we've heard it proposed by most of its proponents will be very good for our customers, but if the legislature determines that restructuring is going to take place, certain criteria have to be met, " Mike Williams, President and CEO of Texas Electric Cooperatives, Inc. (TEC), told state lawmakers yesterday. TEC is the state wide association that represents Bandera Electric Cooperative, Inc. and 84 other electric cooperatives with a combined membership of nearly 3 million Texans .

Williams was speaking to the state Senate Interim Committee on Electric Utility Restructuring meeting in Grapevine Texas, on March 26th. Lt. Governor Bob Bullock authorized the committee in the wake of legislative efforts last year to restructure the state's electric utility industry, an effort that ultimately failed. The issue is expected to be on the legislative agenda in 1999 .

Williams told committee members that the state's electric co-ops had recently forged a consensus position on electric industry restructuring. Fair customer service, avoiding the waste of resources and guaranteeing the reliability of our electric system are key components of the co-ops' position, Williams said.

Chaired by state Sen. David Sibley (R-Waco), the Interim Committee on Electric Utility Restructuring has held five public meetings around the state. The Grapevine meeting was the first devoted to a discussion of the impact of deregulation on co-ops and municipal utilities.

Bandera Electric Cooperative, Inc. serves about 22,000 meters in 7 counties of the Texas Hill country.

Memory of sacrifice lives on

The classroom was silent as the students began their math lesson. A lanky, blond girl in the back raised her hand motioning the teacher [illegible] with nightmares of the trauma [illegible] How will they react next year during the mandatory fire drills? All of these questions are difficult to answer, and it is hard to comprehend how anything positive will ever come of this inexcusable crime.

Perhaps if there is one thing we can learn from this traumatic experience, it is that heroes do not only live in fairy-tales. The sixth grade teacher who lost her life and that of her unborn child while trying to shield her frantically frightened students from the bullets is the supreme example of a true hero. And even though she lost her physical life, the memory of her sacrifice will live on in all our hearts.

that there was a fire hazard. The students arranged in a line in front of the door, and one grabbed the United States flag. As the students filed outside their middle school, the [illegible] emergency doors locked to protect them from the danger of the fire that was supposedly flooding the halls. Little did these students, teachers, and administrators know that the real danger they would face was yet to come. Then the shots that were heard around the world began to take their victims.

The murder of the five students and one teacher in Arkansas will forever be a violent reminder of the dangers that can lurk in what may seem an extremely safe environment. This story has grabbed national attention and topped headlines around the world. As I watched the televised funerals of the students and teacher, I asked myself if this horrible incident would ever find closure. Sadly, I do not believe it will.

Will classmates ever be forgotten? Who will not be able to notice missing faces at graduation? Which of the surviving students will [illegible]

The Breeze

El Niño is far from over

Hi folks. Seems we may be out of winter now but did have a light frost last week — for sure we had very high winds from the South Thursday the 26th and into the night, then at 7 a.m. today, a small amount of rain came. Today, as the old saying goes: "All's quiet on the Western front," sun shining.

Hope some of you folks listened to "48 Hours" Thursday night with Dan Rather narrating on El Niño and the terrible damage all over the United States — especially in California — what with the floods and mudslides. The only good thing said was it brought Death Valley back to life. It was speculated El Niño started with volcanoes in the Pacific Ocean. April and May are also tornado months, so it is thought the terrible El Niño weather is far from over.

So lets talk about springtime — sure see a change of the trees changing between Tarpley and Bandera. See many Spanish oak (red oaks) out in their pale green. With all the other colors blending in. Going to Hondo Wednesday, I was surprised to see several patches of bluebonnets and many small pink flowers blooming. Well the swallows have come this week, restoring their nests on our front porch. We firmly gave the porch corners to these very energetic creatures.

An old friend of Vern Schrock's came in the 25th to visit Vern and Jolyn Schrock. His name is Virgil Beck, and he is from Alta Loma, California. He is here for an indefinite visit.

"Bill" William and Luris Baskin are proud to announce the birth of their new granddaughter, Jordan Diane Linton. She weighed 8 lbs., 15 oz. and was 20 inches tall. She came on Friday, March 13 to her parents, John and Elaine Linton, in a Houston hospital. This is the Baskin's thirteenth grandchild and she came on Friday the thirteenth. Our congratulations to the families. Luris is staying on helping care for everyone.

Our congratulations to Ms. Nora Anderson on her 90th birthday. A reception was held on her special day, Sunday the 22nd at the Bandera Bank community building. It was sponsored by her children and grandchildren. Of her siblings of the Geuea family of eight children, all were present but two brothers, Chester Geuea of Rocksprings and "Buster" Vernon Geuea of California. Her sister Helen DeLong of California came for two weeks and Nora's older brother George Geuea of Grandbury, Texas also came and visited several days. Around 100 guests were present. Delicious cake and punch was served.

Elzie and I drove to Hondo Wednesday for his medical checkup. Afterwards, we drove out to D'Hanis and visited his brothers, Lewis and Neva Dean and Marvin and Mary Jo Dean.

Anniversaries:

April 6: Marvin and Mary Jo Dean, 52 years;

April 11, Lewis and Neva Dean, 74th anniversary.

Birthdays:

March 17, Holly Haner, 9 years old;

March 26, Jolyn Schrock.

Post your address, please!

Hi y'all! Well we hate to have to say this but we have to leave all this good company. We are going to buy a well driving company down in South America and just get away from it all!

Oh, and by the way did anyone check out the date on this issue? April Fools! You are not rid of us yet!

The chili cooks are getting all the ingredients ready for the big chili cookoff in Medina at the 5C RV Ranch. All proceeds go to the Medina VFD. They promise to have lots of cool drinks to help put out the fires for those tasting the different chilis! Maybe we will see you there.

We just received a call from Jean Cress reminding us of the used book sale being held this Saturday April 4. The sale will be held in front of Pioneer Realty on FM 1283 from 8-12. Anyone wanting to donate books can contact Jean Cress at 612-3207 and she will make arrangements. This sale will raise funds for a future library for the Lakehills area. It is being sponsored by the Lakehills Library and Community Assoc. Inc.

Another event coming up on Saturday April 4th is the Plant Sale at the American Legion Post 410 on 26th Street. They will have everything from seedlings to full grown plants. For info call Evie Angell at 612-2817.

We had an early EMS run this morning. We had a street name and number. We found the home with no problem because the number was right there on the street. If you have been issued a number by the 911 committee please do us all a favor and post the numbers (preferably reflective) near the roadway about 3-4 feet high. This might well mean the difference between life and death. We wish the commissioners could pass an ordinance regarding the display of numbers.

Arrangements are still under way for getting everything together for our annual Medina Lake VFD barbecue. April 26th is the date and it will go from 11 till 7 with plates for dining in and to go with bulk sales of brisket also. Proceeds from this barbecue and our fall barbecue go to support our VFD. The voluntary fee system should take up the slack left by our donations dropping and our barbecues being cut back to one-day events. We hope everyone who received a letter will respond to the request. If everyone sends the $24, we would have a fair budget to support our VFD. This small fee paid by everyone could help everyone!

Time to help

Again this year, the Bandera High School graduating class will celebrate their "victory" with a chemical-free party after the ceremonies on May 29th. Our goal is to keep our young people safe on graduation night, which is notorious for its traffic fatalities.

At the party, seniors will be treated to food, games, door prizes, swimming, music, and fun. After breakfast at dawn, the students will be permitted to head home — at a much less dangerous time to be on the road.

Because even one traffic fatality could have such a devastating effect on our entire community, we, the BISD families are asking for your support by helping to sponsor this crucial activity. If you decide to help, we will certainly appreciate your pledge for this year's event. Please send your donation to Project Graduation at the address below. Also, if you'll fill out the form and enclose it with your check, we'll know precisely how you want to be listed when we thank our sponsors by way of a large ad in the newspaper.

We're working hard to make this a safe and memorable evening, one that will give our kids the opportunity to be together for the last time as the Class of '98. We are grateful for whatever you can do to help us achieve these goals!

Please make checks payable to: Project Graduation. Send to: Pat Forsythe, Secretary, 535 Green Valley Dr., Pipe Creek, TX 78063

Project Graduation

One issue

In my view the school controversy boils down to one issue. Can we, or can we not, expand the current middle school. The Operation Schoolhouse Report of March 3, 1997 stated in reference to the middle school on page 6, paragraph 2 (a): "The existing classrooms are adequate for next school year '97-'98; thereafter, additional capacity can be added either through temporary buildings or the construction of additional permanent classrooms. (b) Remodel and add on to existing structures including gym, cafeteria, locker rooms, band/music area, library, and bathrooms."

The school board conducted two workshop sessions on March 25, 1997 and April 28, 1997 to study and evaluate the recommendations of the committee. In order to assist in that effort the board retained the firm of Protection Development Inc. to evaluate the code compliance of the plans as enumerated in the citizens' report. The firm, which specializes in code compliance review, submitted a report on August 15, 1997. The report concluded that the existing facility exceeds the maximum allowable area to be further expanded. The report further states that; "Based on this analysis, I recommend that this building not be expanded beyond its present size. Should some of these functions need to expand, a separate building is recommended."

The conclusion is inescapable, you cannot expand the gym, cafeteria and other core facilities since they are contained in the building which, by code cannot be expanded. They cannot be economically remodeled since to do so would require them to be brought up to current code; i.e., fire, safety and ADA. The only thing that can be done with the current middle school is to build a new and essentially self contained "wing," that is, a second cafeteria, gym, etc., but then we will still be burdened with the failing facilities that are there now. Penny wise and pound foolish. I challenge any intelligent, reasonable citizen to take a tour of the Middle School and conclude that it can, or should, be modified to last more years than it already has. We must have a new Middle School, anything less is irresponsible.

The school board recognizing that expansion of the Middle School is not possible concluded quite correctly that land would have to be purchased. So they bought the best parcel available, the old race track. They are correct in the conclusion reached and deserve our support.

A 'specific topic'

I'm so glad you've decided to print only "specific topics" concerning the school issue, I just hope you print all the "specific topics" you receive. The topic I want to address is riding a school bus. We constantly hear that we want what is best for the children. I'd like for those who make that statement to go over to Lakehills some cold, rainy morning and catch a school bus back to the middle school. It would be best if they could imagine themselves to be eleven or twelve years old. At that age the bladder isn't very large and the roads are often rough. It can be pure torture.

The plan to buy the racetrack not only does not address the needs of these children but it delays any hope for relief for at least ten years. On top of this, if fifth grade is added to middle school as planned, it will add even younger children to those buses. Why would any person think a covered stadium more important than little kids having to get on a bus in the dark and not get home until almost supper time?

Add to this the fact that, unless the parents aren't working and can ferry their kids to school functions, these children will never be able to take part in extra-curricular activities. Ask their parents how it feels to see their sad little faces when they are denied the joy of being in class plays or participating in school sports.

When we talk to each other about doing what is best for the children, let us think carefully of what is really best. Is it a bigger sports arena or schools that furnish a full and enjoyable learning experience for the children we are all so concerned about?

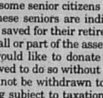
It's sweet charity

Capitol Comment



by U.S. Senator Kay Bailey Hutchison

Americans are the most charitable people in the world. Every day, countless thousands of people are fed, clothed, housed and receive life-saving medical treatment as a result of this nation's philanthropic efforts. I believe government should do whatever it can to encourage the continuation of these good works, and from what I've heard, most Texans feel the same.

One way to accomplish that is to make it easier for some senior citizens to contribute to charitable organizations. These seniors are individuals or couples who have worked hard, saved for their retirement and then found that they do not need all or part of the assets in their IRAs for living expenses. They would like to donate those funds to charity. They should be allowed to do so without being taxed.

Right now, IRA assets cannot be withdrawn to make a charitable donation without being subject to taxation at the time of withdrawal. On March 10, I introduced legislation to change this law. The Charitable IRA Rollover Act will allow donors to transfer assets they have in an IRA to a charity without having to pay taxes on their withdrawal first.

My bill would allow these generous individuals to direct their personal resources to charitable causes penalty-free. This would unlock an important source of charitable giving. And it would allow donors to give back to their communities without Uncle Sam jumping in and taking a cut.

Here's how it would work: A person who has reached age 59 will be allowed to move assets from an IRA directly to charity or into a qualifying deferred charitable gift plan without being liable for taxes on the transfer funds.

This bill could provide a valuable new stream of philanthropy for our nation's charities. Current law takes as much as 38 percent of the gift out in taxes. My legislation will encourage America's best charitable instincts.

Recent studies show that retirement plan assets comprise a substantial part of the net worth of many individuals. For these people, these assets represent the main source of funds from which they can make deferred charitable gifts. The additional giving encouraged by the Charitable IRA Rollover Act would support increased pubic services through the nonprofit sector. This has become especially important during these times of government rollbacks and budget-cutting.

Every dollar that charities go without represents a child unfed, a homeless person deprived of hope, a symphony unplayed, a disaster victim unaided.

Since the mid-1970s, there have been signs in IRS offices all over the country that say, "Commendable...But Not Deductible." It's time to take those signs down.

Spending plan brings road money to Texas

AUSTIN — A six-year spending plan that would give Texas $1.9 billion for highways, bridges, buses and rail systems was unanimously approved by the House Transportation Committee last week.

It is part of a total spending plan of $218 billion that is expected to win approval from the full House next week, but still must be merged with a similar bill passed earlier by the Senate.

"This bill is a major victory for the people of Texas. The committee vote means that Texas should finally get its fair share of funding for badly needed infrastructure projects," said House Majority Whip Tom DeLay, R-Sugar Land.

Both bills give states much more money than they received under the previous six-year plan, primarily because a 4.3-cent gasoline tax would be dedicated to highway construction rather than general government spending.

And, both bills offer new formulas for disbursing the tax money so that Texas receives a greater share.

"For years, Texans have dutifully paid federal gas taxes, and for years we have not received our fair share of highway finds — only 77 cents on the dollar," said Max Sandlin, D-Marshall, a member of the House Transportation Committee.

Under the committee's new plan, Sandlin said, every state would receive at least 90 cents for every dollar they send to Washington in federal gasoline taxes.

Utility hearings under way

The state Senate Interim Committee on Electric Utility Restructuring is holding a series of public hearings across Texas and will issue a report on electric utility deregulation to Lt. Gov. Bob Bullock in October.

Last week, at a hearing in Grapevine, electric cooperatives urged the committee not to move too quickly toward opening the industry to competition.

Libby Linebarger, a former state representative from the Austin suburb of Manchaca who is now director of the Pedernales Electric Cooperative, said co-op customers "are not beating down our doors now asking for choice," according to a report in the Austin American-Statesman.

Other co-op representatives made statements similar to Linebarger's at the hearing, and some predicted deregulation would increase costs to residential customers, rather than force electricity prices down, as proponents of deregulation have asserted.

Mike Williams, president of the Texas Electric Cooperatives Association, said co-ops doubted all customers would benefit from competition. "One of the ways you keep rates low for everybody is not letting everyone come and go as they please," Williams said.

Meanwhile, the Clinton administration is supporting efforts to bring nationwide competition to the industry with the promise of saving electricity consumers $20 billion a year and helping the environment.

EnviroMedia wins contract

The Austin-based firm Tuerff-Davis Enviro-Media Inc., beat out eight Austin-area and national advertising agencies for the Texas Department of Transportation's $1.5 million "Don't Mess With Texas" anti-litter campaign.

Doris Howdeshell, director of the travel division for the highway department, said she was impressed with EnviroMedia's plan to recycle the existing campaign and improve it. Although most Texans have heard the "Don't Mess With Texas" slogan, some think the ads are about Texas pride, not litter prevention, Howdeshell said.

"Our ads will focus on the remaining litter that's out there," she said.

The year-old agency, which specializes in environmental advertising, takes over the campaign created by GSD&M Advertising of Austin.

Last year, Enviro-Media organized the first national "America Recycles Day." Its clients include the Recycling Coalition of Texas, H-E-B Food Stores Inc., and the City of Fort Worth.

Other Capital Highlights

• The 3rd Court of Appeals in Austin is scheduled to hear a case in May that could affect the ability of the public to watchdog agencies that regulate the insurance industry and many other industries. The case stems from insurance industry efforts to keep confidential certain reports it gives to the Texas Department of Insurance. The reports allegedly contain information identifying neighborhoods where insurers award or deny auto coverage.

• About $500,000 in refunds from Farmers Insurance will be split among about 8,000 Texans under an agreement between the company and state regulators. The Texas Department of Insurance accused Farmers of overcharging some customers from July 1996 to January 1997 based on how long policyholders had insurance before applying for coverage from Farmers.

• Former Housing Secretary Henry Cisneros' one-time mistress Linda Jones was sentenced last week to 3 and a half years in federal prison for obstruction of justice and bank fraud. Jones, a star witness in an independent counsel investigation of Cisneros, became a target herself in 1996 when prosecutors caught her in a series of lies about evidence.

EMT classes forming now

April flower: Sweet Pea and April Birthstone: Diamond

School is cancelled for the rest of the year. April Fool! Do kids still do April Fool jokes?

There were lots of functions going on this past weekend in our fair town. No one has called with any results, though.

EMS- A new class for EMTs is beginning soon so if you are good in a crisis and have an interest in the medical field you might consider becoming an EMT. Call 796-4282 for more info. The EMS support team meets monthly and is in need of new people. They plan to have lots of events coming up to help towards their building fund. In fact, they are looking for any donated items' for the upcoming city garage sale. They will even pick up the items at your house. Call 589-7744 or 589-7709.

April 4- Don't forget the Medina Rose Garden is having their annual county market sale at the Garden Club. Plants, food, miscellaneous items and it starts at 8 a.m.

April 5- A miscellaneous wedding shower for Rachel Long and Cory Garrett from 2-4 p.m. is to be held at the Church of Christ church. Hostesses are ladies of the church.

April 8- Garden Club meeting at 10 a.m,

Birthdays

A belated birthday greeting to Patricia Lindberg, March 30.

April 2 - Tom Curbo, Fred Sides, Shonna Simons

April 3 - Kay Keese, Allie Allsup

April 4 - James Jones, Geneive Whitehead, Mike Reese, Holly Pump

By the way, Cactus Rose now carries two great greeting card lines, Leaning Tree and Marion Heath. Gift bags and tissue are also available as well as a wide assortment of candles. Do stop by and take a look.

Keep your good eye on the lookout for a stop and go light coming to Medina soon.

Remember to call, fax or e-mail me with any information worth printing. There are lots of people out of town and out of state that really enjoy reading anything about Medina and keeping up with what's going on. I have received notes and calls from California, exas, Alaska and Arizona telling of their appreciation of a few tidbits of information from here.

What are the Crimes? Frauds and Scams

Loss of money can be critical for anyone with limited financial resources. For many older persons, it can be devastating. Unfortunately some of the elderly are particularly susceptible to fraudulent schemes.

While it is difficult to draw general conclusions about such a large group, there are various factors (and combinations of factors) that can lead to victimization — especially when they are combined with reduced mental and physical abilities.

An example of Bandera Triad's Gatekeepers in action: mail at the residence of a senior citizen has not been collected from the previous day. The mail carrier knows this not to be normal for this resident and is definitely a reason for suspicion. The postal employee telephones a number dedicated to reporting suspicious or uncommon findings.

From this point, law enforcement or Gatekeeper volunteers go to work. What you want to find is that all is well and the individual just spent the night with family or friends. What you don't want to find is that the individual fell and couldn't get to a phone or was taken quite ill and needs medical attention.

If you are interested in more information on Gatekeepere please call Carey Poe at 796-8343. The next meeting will be on April 9 at 2 p.m. at the Silver Sage Corral Senior Activity Center aat 11th and Hackberry streets. Our speaker will be Officer Tim Marcaurele from the Bandera Police Department. Officer Marcaurele will be discussing the Explorers program, which involves the youth of the community and crime prevention.

Silver Sage hosts many groups

Most of you know that the Silver Sage Corral offers Meals on Wheels, transportation, information and assistance for the elderly and activities such as low impact exercises, oil painting, quilting, weaving, ceramics, singing (with the Melodiers), bridge and other card games, etc. However, you may not realize that the Center may be used for meetings of non-profit organizations. Type types of Organizations meeting here presently are the American Cancer Society, Triad, Retired Teachers Association, Bluebonnet Study Club, Heritage Study Club, Kronkosky Foundation Committee (including the Human Resources subcommittee), Friday Evening Quilters, Animal Welfare Society of Bandera County, and others.

If your non-profit organization would like to use the Center for a meeting, just call Betty Lebo at 796-4969 and we'll try to schedule it for you. The building cannot be used for meetings of a political or religious nature and, of course, animals are not allowed.

Either a late-arriving Leprechaun or an early-arriving "Good Friday Good Fairy" left us a large cooler full of cold drinks of every description (on the patio table outside) this morning. Then Randi Williams, on behalf of Lynn Sims of Abundare Ranch, brought us tons of goodies including barbeque chicken, potato salad, pasta salad, rice pudding, fruit salad, all kinds of packaged foods, etc., etc., etc. Manna from Heaven! Muchas Gracias to all of you.

Please join us for our Pancake/Taco Breakfast this Friday, April 3, from 7 to 9 a.m. Full breakfast including orange juice and coffee is just $2.50 and you get to visit with so many interesting folks. You may also place to-go orders.

Balentine, Adams to marry

Janice and Roger Balentine of San Antonio and Roy Adams Jr. of Bandera announce the engagement and approaching marriage of their daughter, Jehnette Lea Adams, to Allen Ray Crozier of Austin. He is the son of James and Barbara Crozier of Bryan.

Miss Adams is the granddaughter of Roy Adams Sr. of Bandera County and Minnie Adams. She is a 1989 graduate of Tivy High School and attended Schreiner College, where she earned her LVN. She is currently employed by an Austin hospital, and is pursuing a Registered Nurse degree at an Austin college.

Allen Crozier is a 1986 graduate of Samuel Clemens High School and attended Texas A&M University, where he earned a Master's degree in civil engineering. He is employed by the Texas Department of Transportation in Austin.

A June 27 wedding in Austin is planned.

Briefly Noted...

Medina Chili Cookoff

The 5C Ranch RV Resort announced it will host the Medina Volunteer Fire Department's second annual Apple Capitol Chili Cook-off, which will be held Saturday April 4 at the resort, on Hwy. 16, four miles north of Medina.

The cookoff benefits the Medina Volunteer Fire Department, and opens with a cook's potluck pot luck soup on Friday for competitors, followed by Saturday's chili and bean competitions, and an arts/crafts event.

Chili turn-in is set for 1 p.m. April 4, with showmanship at its peak from 1-2 p.m. Turn-in time for beans is at noon. A charity auction and a dance follow the awards ceremony.

Entry into the CASI-sanctioned chili cookoff is $17, local chili entries are $15 and bean entries are $10. Arts/crafts space is $20 and food booth space is $20 plus $5 for electricity.

For more information about the chili cookoff, call the 5C Ranch at (830) 589-7766.

Retired teachers

TRTA will hold a meeting of Texas retired school personnel Wednesday, April 8 at 3 p.m. at the Silver Sage Corral. Call 460-3556 for more information.

City Wide Garage Sale

Medina will hold its first Spring City Wide Garage Sale on Saturday, April 25. Clean out those closets, storerooms and barns, and come on out for the sale. There are no fees, and booths may be set up anywhere on Medina's Main Street, as long as vendors don't block any business or business parking areas. Please set up by 8 a.m. For more information, contact Peggy Rather at 589-7224.

Collecting items

Bandera County Republican Women's Club, as a public service project, is collecting items for a garage sale which will benefit K-Star counseling service. Drop off items at the office of Kerry Schneider, club president, 115 Hwy. 16 South in Bandera (across from the OST behind Janet's.) Please drop off items by April 10. No junk, no clothing, please. For more information, call 460-8400.

New group has big plans for Lakehills

The Lakehills Library and Community Association, Inc. is a newly formed organization which has four main goals in support of the Lakehills/Pipe Creek area: building and/or attracting a public library, a senior activity center, a senior and handicapped living complex, and a medical clinic/center.

The LLCA has planned a used book and magazine sale as a kick-off event in support of a public library. The sale will take place April 4 at Pioneer Realty in Lakehills (FM 1283 near Park Road 37) between 8 a.m. and noon. There are many paperback and hardback books of all types available at inexpensive prices. For more information, write LLCA, Inc., P.O. Box 976, Lakehills, TX 78063, visit the book sale, or contact Jean Cress at 612-3207, Loy Ed Alanis at 612-2273, or Wilbur or Olga Bradford at Pioneer Realty, 612-2185.

BHS students to be part of 'Trash-Off'

The friendly Bandera High School students you see around town picking up litter and giving Bandera its "eye appeal" will compete in the 13th Annual Great Texas Trash-Off Saturday, April 4, 1997.

These high school students are the proud recipients of the Keep Texas Beautiful Litter Gitter Award. They were recognized for their hard work which includes cleaning up four miles of Adopt-A-Highway in Bandera, two church grounds, the community park along the river, the children's play park in town, the entire block of the library, police and fire departments, the senior citizen center, the Department of Human Services, and the stretch of road from the high school to Hwy. 16. They've also cleaned over 500 feet of the high school's new Nature Trail and taken on a project at Hill Country Elementary School. This is a major undertaking, but these responsible teenagers want to put something back into their community.

Good work, y'all!

Felten, Rhodes to wed

Mr. and Mrs. Kenneth H. Felten of Bandera announce the engagement of their daughter, Tracy Lynn Felten, to Rocky Brian Rhodes of Kerrville, the son of Mr. Gene Rhodes of Kerrville and Molly Rhodes of Center Point. Miss Felten is 1993 graduate of Bandera High School and is employed at Norwest Banks, Kerrville. The prospective groom is a 1985 graduate of Center Point High School and is a building contractor and owner of Rhodes Construction in Kerrville. The couple plan to be married August 8, 1998 in Bandera.

A Thought For The Week

by John M. Grimes

"Jack of all trades, master of none," Most men shie away from this dubious distinction.

It is truly significant that throughout history, only one Man has had recognition as Master of all trades. Tradesmen all over the world pay Him tribute in their own fields and bestow fitting titles to Him for His handiwork.

Here are just a few examples:

As an Architect, He is the Corner Stone...As a Baker, He is the Bread of Life...As a Biologist, He is Life, As a Builder, He is a Sure Foundation...As a Doctor, He is the Great Physician...As a Farmer, He is the Sower...As a Geologist, He is the Rock of Ages...As a Philanthropist, He is the Great Giver...As a Servant, He is the Master of Perfection...As an Educator, He is the Great Teacher. Yes, and even as a Funeral Director, He is the Great Comforter.

In all this world wise recognition, isn't it a shame there are still some people to whom He means nothing?

School News

1997-1998 Bandera Middle School Competition Squad: top row, left to right: Ronda Jones, director, Jennifer Young, Hillary Adamietz, Becca Eirikson, Nicole Wilson, assistant coach; second row: Audrey Nowell, Kyla Kowalski, Pam Hoesen, Lindsay Evans; third row: Jackie Shedd, Kelsey Morris, Kristen Davis (sitting), Autumn Cartwright, Jennifer Jennings; bottom row: Jennifer Wilson, Sarah Martinez. Not pictured: Shannon Young, assistant coach.

BMS forms winning competition squad

This is the first year Bandera Middle School has ever had a competition squad. In early September, 36 girls tried out for 14 positions. Most squads form and begin practicing over the summer, but the BMS girls didn't start working on their routine, designed by their director and coaches, until late October.

In order to compete, the girls must perform a cheer and dance routine, usually professionally choreographed, incorporated with advanced and elite stunts.

In December and January, the girls attended several competitions in the San Antonio area. After each competition, the girls their coaches and director made numerous changes, hoping to improve their chances of taking home a trophy.

After making final changes two nights before, the girls traveled to Houston to compete at the Astroworld Cheerfest last Saturday. With over 110 squads competing, this was the biggest competition they had ever attended.

BMS took home a second place trophy in their division and won a free return trip to Astroworld for the team. Jennifer Jennings and Autumn Cartwright competed in the individual division. Jennifer's superior performance earned her a third place trophy and a one day pass to Astroworld and Autumn received a competition medal for her outstanding performance.

Register the little ones now

Registration for Headstart, pre-kindergarten, kindergarten and first grade for the 1998/99 school year will be held during the week of April 20-24, from 8:30 a.m. to 3 p.m. daily, in the offices of both Alkek and Hill Country Elementary schools.

Children who will be 6 years old on or before Sept. 1, 1998 are eligible to register for first grade. Children who will be 5 years old before Sept. 1, 1998 are eligible for kindergarten. Children already attending Bandera ISD programs need not register again.

Children who will be 4 years old by Sept. 1, 1998 might be eligible for Headstart or pre-kindergarten only if they can demonstrate a limited proficiency in English, which may be tested; and if family income meets program guidelines for the free/reduced lunch program, or for the Headstart program. Those applying for Headstart or pre-kindergarten must bring the child to registration, and proof of income.

Placement in this class is on a first-come, first-served basis, and parents are responsible for providing the school with all required documentation. Registration is not considered complete until all documentation is received. Parents will be notified by mail or phone in August after all information has been compiled.

Once accepted into Headstart, parents/guardians must agree to keep medical, dental and a home visit appointment. If these appointments are missed, the child will be dropped from class.

State law requires children registered in pre-kindergarten, kindergarten, Headstart and first grade to provide all of the following documents:

- Birth Certificate
- The student's Social Security card
- An immunization record, completed and verified by a doctor or public health clinic, for the following:
  - DPT or DT: minimum of 4 doses, one after 4th birthday
  - Polio: minimum of 3 doses, one after 4th birthday
  - MMR: Measles, Mumps and Rubella, two doses by age 5
  - HIB: vaccine required for children between 15 months and 5 years
  - HEP B: 3 does required for children age 5 and older born after Sept. 2, 1992.
- Proof of residence in Bandera ISD (tax certificate, lease, phone bill, electric bill, etc.)

For more information, please call Alkek Elementary at 796-6223 or Hill Country Elementary at 535-6151.

Bulldogs come from behind to top Lytle in 26-3A opener

Trailing 5-2 going into the bottom [illegible] Bulldogs responded with six runs for a come-from-behind 8-5 home win against the Lytle Pirates in both teams' District 26-3A opener on Friday (March 27).

In front of a packed house at the Bandera High School field, the Bulldogs used their six-run sixth inning and three shutout innings of relief from Jeremy Leland to open district play with the victory.

In other 26-3A openers last Friday, Devine won at Medina Valley 8-7 and Hondo was a 14-3 road winner at Somerset. Ingram Tom Moore was open.

Bandera Bulldog baseball players surround Coach Robbie Garza (center) before heading out on the field during Friday's 8-5 district-opening home win against Lytle. The Bulldogs host Medina Valley on Friday at 7 p.m. at the Bandera High School field. The Bulldogs were at Hondo late Tuesday.

The Pirates used a leadoff walk, a stolen base and two Bandera errors to stake starter Gray and held Lytle stopped a 17-game district winning streak by Medina Valley dating back to the 1996 season.

The Bulldogs, 10-5 overall going into Tuesday's (March 31) late game at Hondo, jumped to a 1-0 lead in their first at bat against Lytle on Friday.

Leland, who started the game in center field, led off with a walk, stole second and advanced to third on Leon MacRae's single. Quinton MacRae followed with a RBI single to left.

Lytle, 0-1 in league play and 6-5 overall, grabbed a 2-1 lead with NO hits in the top of the third.

Leland came on in relief of Bulldog starter Gray and held Lytle to only three hits, three walks and a Bandera miscue.

Leland, who improved to 4-1 with the pitching win, allowed two singles and a walk in the fifth, but got out of the jam.

In the sixth, the Pirates had a single, stolen base and a walk, but couldn't score.

In the final inning, Lytle led off with a walk and had runners at first and second after a Bulldog error, but once again, Leland pitched his way out of a tough spot.

Bandera started the decisive sixth inning with a single by Leon MacRae. Quinton MacRae and Gray followed with fly balls to center field, and on both plays, the Lytle outfield dropped the ball to load the bases with no outs.

Pinch hitter Pat Mazurek cut Lytle's lead to 5-4 with a two-run single, and after an out, Bryan Bass tied it at 5-5 with a RBI single.

Shawn Stevens, the ninth-place hitter for Bandera, roped a double to right field that brought Mazurek home with the winning run.

Leland, for a little insurance, plated Bandera's final two runs with a single to right-center and then finished the game on the mound in the seventh.

The MacRae brothers were a two-man gang against Lytle. Quinton went two-for-three with a triple, two runs scored and a RBI. Leon had three hits in four trips and scored once.

The Bulldogs were scheduled to play at Hondo late Tuesday night and will host Medina Valley on Friday (April 3) at 7 p.m. at the Bandera High School Field.

Bandera's Quinton MacRae (above) belts a RBI single to left field during the first inning of last Friday's District 26-3A opener against Lytle at the BHS field. The Bulldogs came from behind to down Lytle 8-5. Quinton MacRae added a triple later in the game and his brother Leon went three-for-four on the night. The Bulldogs are back home Friday night (April 3) against Medina Valley at 7 o'clock.

Bandera boys golf 2nd at F'burg; Lady Bulldogs tourney Thursday

FREDERICKSBURG – The Bandera High School boys golf team shot its best score of the season and placed second at the March 24 Fredericksburg High School Hill Country Invitational at the Lady Bird Johnson Course.

Coach Loren Greenshield's Bandera boys recorded a season-best team total of 319 during the 18-hole event (other tourney team results were not available).

The Bulldogs were led by senior Thad Dubose who placed third individually with a 77.

Other Bandera scores included Jason Garcia and Joey LaLanne both shooting 79s and Quinton MacRae at 84.

The Bandera boys golf team will compete in Friday's (April 3) Somerset Tournament at the Devine Municipal Course and the April 6 Kerrville Tivy Invitational before the April 13 and 14 District 26-3A Tournament to be played at Castroville (April 13) and Devine (April 14).

"I'm very proud of all our boys and I'm looking forward to a successful run at district," said Greenshield.

The Bulldogs are the defending District 26-3A champs and Dubose is the two-time defending district medalist.

The Bandera Lady Bulldog golfers also recorded a season-best score during the March 24 Fredericksburg event at Lady Bird.

Sandy Heath lead Bandera with a season-best individual score of 99. Other Lady Bulldog totals were Brittany North 103, Mary Domine 107 and Tara Miller 115 (also an individual season best) for a team score of 424.

"The girls are beginning to play together as a team and I also expect great things from them at district," Greenshield added.

The Lady Bulldogs host the Bandera Girls Tournament Thursday (April 2) at the Flying L Course beginning at 8:30 a.m.

The Bandera boys junior varsity golf team earned a second-place finish at the March 26 Uvalde Tournament with a season-best total of 363.

William Anderwald led the Bulldog JV with an 88 (a personal best).

Adam Knight and Martin Gaffney added 91s, with Daniel Francis at 93 and Michael Gaffney at 98.

"Our junior varsity boys continue to make great strides and I feel confident they will get even better," Greenshield praised.

The Bandera JV golfers were scheduled to play at San Antonio Cole on Monday.

Bandera's Sandy Heath (above left) shot a season-best score of 99 during the March 24 Fredericksburg Tournament at the Lady Bird Johnson Course. Her round included an eagle at the par four seventh hole. Above right is Bandera senior Thad Dubose chipping on to a green at Fredericksburg. Dubose, who has won four tournaments this spring, finished third at Fredericksburg with a 77.

Bandera softball continues district

The Bandera High School Lady Bulldog softball team maintained sole possession of third place in the District 26-3A race with blowout road wins last week.

Coach Darcy Rogers' Lady Bulldogs stomped Hondo 29-0 on March 24 and crushed Lytle 20-1 on Friday (March 27).

The wins gave Bandera a 4-2 league mark going into this week's action. The Lady Bulldogs, who were scheduled to play at second-place Medina Valley late Tuesday (March 31), are back home Friday (April 3) against Somerset at 4:30 p.m. at Mansfield Park.

Bandera closes district action with an April 7 game at Devine and April 14 home battle against Hondo (no game on Good Friday, April 10).

The top two District 26-3A softball teams will advance to the playoffs, so Tuesday's late game at Medina Valley (after press time) was a key, as is the April 7 encounter at Devine.

In Friday's 20-1 win at Lytle, Mary Domine dominated with a home run, a double, a single, three RBI and two runs scored.

Michelle Dexter went three-four-four with two doubles, three RBI and two runs scored.

Other Lady Bulldog leaders at Lytle were Liz Carpenter, two hits and three runs; Carilee Robbins, three runs and one hit; Nicole Torans, two hits and two runs; and Sandy Heath, two runs, two hits and two RBI.

Bandera had 15 total hits and scored nine runs in the 2nd inning, six in the 3rd and five in the 4th.

Meet records fall at Bandera Relays

Clifton Tierney

Bandera's David Cantu and Clifton Tierney set meet records during Saturday's running of the annual Bandera Bulldog Relays at the BHS track.

Cantu recorded a new Bandera meet record of 23:03 seconds in the 200-meter dash and Tierney set a new Bandera meet standard in the 1,600 meters at 4 minutes, 40 seconds.

Tierney, who placed second to Devine's George Barco in the 3,200 meters earlier in the meet, came back to beat Barco by more than eight seconds in the 1,600 meters.

Barco had set a Bandera meet record of 10:05.25 in winning the 3,200 meters. Tierney placed second in the 3,200 at 10:24.34 (Barco was second in the 1,600 meters at 4:48.43).

Tierney, a sophomore at Bandera, and Barco's rivalry will continue at the April 16-17 District 26-3A Track and Field Meet at Castroville.

Bandera Track Meet...

(Continued from Page 8)

The Bandera boys varsity track team captured top team honors at the Bandera Meet with 144 points, edging District 26-3A co-member Devine by three points. Antonian finished third at 73, followed by San Antonio Cole 67, San Antonio Christian 44, Holy Cross 44 and Blanco 14.

Cantu, as well as setting the new meet record in the 200, won the 100 meters.

The Bandera 400-meter relay team of T.J. Odom, Cantu, Tye Stone and Jimmy Stimmel placed first as did the Bulldog 1,600 relay of Justin Knight, Stone, Josh Small and Stimmel.

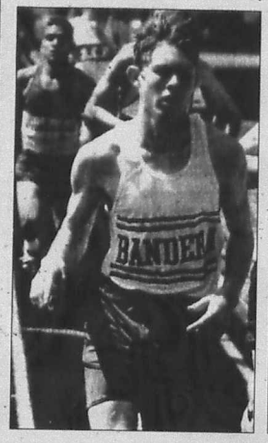
Knight was also a gold medalist in the 800 meters; Odom added second places in the 110 and 300 hurdles; Stone was second in the 400 meters; and Chris Sanders placed second in the discus.

The Bandera Lady Bulldogs also captured top team honors at their own meet with 163 points. Cole was second at 139, followed by Devine 110, Antonian 68, Blanco 54, San Antonio Christian 41 and Providence 9.

Shandra Zickler earned gold medals for Bandera in the triple jump and the long jump and grabbed a silver in the 300 hurdles.

Yoli Bermudez was golden in the discus and Sarah Harris placed first in the 200 meters. Crysta Cruz added a silver in the discus; Katie Jennings was second in the triple jump and third in the long jump and 200 meters; Sarah Jordan was second in the high jump; and Crystal Smith was third in the 1,600 meters.

The Bandera boys junior varsity was the team champion of its division on Saturday with 207 points. The Bandera JV had numerous medal winners. Watch next week's Bulletin Sports for more.



Saturday's annual Bandera Relays featured action all around. Above left is Bulldog sophomore Clifton Tierney, who set a meet record in the 1,600 meters and placed second in the 3,200. Above right is Sarah Jordan landing in the long jump pit. She placed sixth in the long jump and second in the high jump. Below left is Bandera gold medal discus winner Yoli Bermudez, who also placed sixth in the shot put. Below right is Bandera boys junior varsity team member Ryan Kenney, who placed first in the 1,600 meters and second in the 3,200. Bandera swept all three team titles.

The annual Bandera Relays kept many coaches, officials and volunteers very busy. Above left is Bandera Coach Stan Payne who must have heard his name called about a million times. Above right is Lady Bulldog Coach Stephanie Coates. Pictured at left is Bandera's Shandra Zickler, who won gold medals in the long jump, triple jump and placed second in the 300 hurdles.

Rengel, Hinojosa, Hays & Brown shoot 62 to capture Over 50 weekly tournament

The foursome of Greta Rengel, Jesse Hinojosa, Bill Hays and Buster Brown shot a 10-under 62 to take first place at the March 25 Over 50 Golf Association weekly event held at the Alsatian Course in Castroville.

A field of 75 golfers competed in the event that saw the team of Drury Vinton, Rita Kroll, Al Tek, Lester Landrum and Ty Rice beat out the foursome of Bud Jeske, Ed Hoge, Lorraine French and Bev Rust for second place with a scorecard playoff. Both teams had tied with nine-under 63s.

Fourth place went to Hooter Clayton, Vaughn Manning, Tom Nino, Ray Raymond and Horace Fincher, with the team of Bill McCollough, R.L. Walker, Chuck Ryan and Harry Brehm. The final payoff place went to Jim Stone, H.C. Day, Roland Bartels and Bill Kelly. The fifth and sixth place teams shot 64s.

The Over 50 Association was scheduled to play today (April 1) at Devine and will play another scramble event on April 8 at the Lost Valley Course in Bandera with a 9:30 a.m. tee time.

Bandera JV baseball opens district with win

The Bandera junior varsity baseball team opened District 26-3A play with a 13-1 home win against Lytle on Friday (march 27).

Robert Herold was the winning pitcher for the Bulldog JV. He allowed only three hits and had five strikeouts.

The Bandera JV, now 1-0 in league play, was led at the plate by Justin Schindler, Dustin Mayfield, Herold, Matt Ervin, Rangel (some first names not legible on report), Garcia, Blount, MacMillan, Brad Dickey, Brad Armstrong and Kenny Mazurek.

Cacoh Claudio Castillo said the team has played some tough games this season and the squad opened district on the right track with the 13-1 win.

The Bandera JV split a double-header with Boerne JV on March 30 dropping the opener 13-6 and winning the nightcap 9-7.

'Coach' wins Flying L event

Gary "Coach" Whitfield of Lake Hills had his short game working at the recent Good Old Boys weekly stableford tournament at the Flying L Course. He shot nine points better than his handicap in winning the tournament.

Placing second with eight points was Richard Leeder, followed by Bob Burch and Dick Jenkins (five points each). Next came a group tied with four points – Dale Daugherty, H.C. Day, Al Kindla and Hubert Kange.

APR 01 1998

The question: will the county have enough water?

Q: What is being done in the county to ensure that increasing population doesn't cause more people to run out of water, like some did in the last drought?

A: The most recent drought to which you refer began about late 1992 and may still continue, after the El Niño subsides. Some people in subdivisions in the eastern part of the county did have dry wells as recently as last summer. In the 1950s, Bandera County suffered a severe drought, which lasted approximately 7 years. In fact, meteorologists surmise that cyclical dry periods are to be expected for the foreseeable future partly because modern-day historical records disclose such cycles for this area.

The population increase you mention could refer to the surprisingly large increases reported in state and national news publications, like in the March 25, 1998, The Wall Street Journal, this week. Texas A&M University's Center for Demographic Studies forecasts up to 200 percent growth through 2030, for counties, including Bandera, overlying the Trinity Group Aquifer, (known also as the Commanchian Series Aquifers).

Bandera County Commissioners and Springhills Water Management District (SWMD) are setting precedent among other nearby counties in working together to resolve the question you have asked: Will Bandera County have enough water?

The Bandera Bulletin printed, last week, SWMD's recommendation of March 12, 1998, "Resolution to Bandera County Concerning Subdivision Rules", asking the Commissioner's Court to adopt new subdivision rules designed by the District. The noteworthy purpose of these groundbreaking Subdivision Water Availability Rules is to inform the public, especially a potential buyer of residential property, of the amount of water and quality of water accessible to the property.

Often governmental bodies presume that the public needs protection from making foolish decisions, so they legislate "safe" legal choices. SWMD, on-the-other-hand, has boldly acted on different assumptions:

1. That citizens should have the right to make up their own minds provided they are ensured full disclosure of water information; and,

2. That the marketplace is the best regulator to ensure water availability for Bandera County residents.

SWMD's innovation is to remove some of the responsibility for ensuring adequate water allocations for each new property buyer from county government and placing it firmly on the shoulders of the buying public. Once the Court adopts the subdivision rules it can still approve or disapprove subdivision plats regardless of the quality of water-availability recommendation. The Court is not lawfully restricted by recommendations.

However, the public will now have the means, before buying, to study the developer's full disclosure, combined with the supporting testing reports, to decide if the quality and quantity of water accessible to a subdivision property for sale meets their needs and desires.

Developers will incur additional up-front costs to prove and disclose how much water and of what quality is available to each of their subdivided units. You can expect these costs ultimately to be passed on to property buyers. But, how much will these costs increase property sales prices?

Apparently, the increase will be a small percentage of the total cost to develop a subdivision. Mr. Feather Wilson, Chief Hydrologist, EFSI (Environmental Fuel Systems, Inc.), a water environmental services company in Bandera, estimates, "Costs per subdivision would vary widely as they are dependent on the number, depth of test wells required per individual situation, plus the duration of pump test required, and other factors. Base costs could range from $1,500-$2,500 per well. Completing two test wells could cost $5,000 to $6,000 dollars. However, compared to the other costs developers incur, such as for roads and other infrastructure, these water availability tests make up a small portion." Each lot in a subdivision could be allocated a small share of the cost, which would be far less than the thousands of dollars a homeowner could pay fixing unforeseen water quality or quantity problems.

What is the "full disclosure" of water quality and availability a developer must provide each potential property buyer?

The form of "full disclosure" is left to the discretion of the developer, but must completely report the water quality and availability found for the subdivision. Each developer is to also provide TNRCC's (Texas Natural Resource Conservation Commission) quality standards showing the Maximum Contaminant Levels (MCL) residues and the Secondary Maximum Contaminant Levels (SMCL) allowed in drinking water for use by the potential customer to compare with levels detected within the subdivision.

The public will be able to review the bound reports package, which will summarize the water testing data and contain numerous other information, comments, and recommendations from SWMD made to Commissioner's Court concerning any water system's ability to provide adequate water. It will also provide a wealth of technical data such as engineering reports and diagrams, water quality analysis based on TNRCC's drinking water standards performed by a Texas Department of Health certified laboratory, state history of the water system (if a public water system), a Drought Contingency Plan, well logs, subdivision expansion plans, and other pertinent data.

For property without a public water system, the package will also include test and analysis data from specific test wells from the same subdivision as the property for sale. The aquifers that would be providing water to the particular property will have been electrically mapped in lithologic and borehole logs. "Stress tests" (called 'pump tests" by hydrologists), will have been performed for hours at a time to determine which aquifers can provide a minimum flow of one-half gallon a minute for long periods (or 200 gallons per day) to provide for an average Bandera County family of three people.

Also flow measurements of any aquifers meeting the minimum and the most productive aquifers will have been measured to report their "safe yield" or "equilibrium point", the rate at which they can be pumped continuously without causing draw down (cone of depression).

Without a hydrogeologist's or hydrologist's training, how can a property buyer understand what the water availability data numbers mean?

First, read any summaries and comments provided by the developer, the SWMD General Manager, registered professional engineers, and certified hydrogeologists in the "full disclosure" or bound reports package. These may answer most of your questions. Other sources for help and information are your developer, SWMD, TNRCC, and State of Texas certified hydrogeologist, hydrologist, or professional engineering firms.

Once the County Commissioners have resolved to adopt the subdivision rules, no one knows if they will ensure that enough water is available for County residents, but SWMD and the Commissioners' capable work shows promise of heading in the right direction.

Community Service:
Fancy Words For Doing Our Part

There's a lot of talk about community service these days. But action speaks louder than words. We are proud when we can sponsor some kids for a field trip to Washington, help hang the holiday lights on the square, or assist local businesses.

We've got our priorities straight. Your electric co-op answers to no distant corporate tower. It serves no investors, only members like you. It's an idea we feel at home with.

Lyons to visit Cowboy Church of Bandera

Crystal Lyons will be at the Cowboy Church-Bandera, on Monday April 6. Lyons writes and sings Christian Country Music and is a gifted Bible teacher as well, teaching with everyday examples and terminology.

She and her husband, Ray, hold Cowboy Church Service at rodeos and she is invited to sing Christian music during the performances as well. They also ministered at other established Cowboy churches across the country and helped establish the Hill Country Cowboy Church in Mason in 1996 (which now meets in Junction, Mehard and Brady also.)

Come expecting a blessing, a good time, a powerful word from God, miracles and changed lives for Jesus. Everyone's welcome! You don't have to be a cowboy to come. Cowboy Church-Bandera meets every Monday at 7 p.m. at 1108 Main (formerly the Sim's Spur Co. building). Pastors are Rennie and Judy Christian. Call for more information at 796-7027.

Residents enjoy a sing-a-long

The Clark House

by Mada Fitzgerald

Bro. Tim Walsh from the Medina Baptist Church used for his text Sunday Mark 14:32-36 "Message of Easter". Guests were Juanita Baker, Jerry and Shirley Swindler, Mildred Litt and Ned Faris.

On Monday morning Josie Kluna, Dorothy Callahan, Fannie Caffall, A.P. Leibham and Annette Kalka-Schulte from St. Stanislaus Catholic Church visited, prayed and sang with resident friends Brenda Adam, Jeanetta Adamietz, Hope Ritchesson, Lorene Billings, Peggy Jacobs, Harry Fleming and Ann Pue.

Melvin Reavis, Randi Williams, Glen Honsouk, and Hough and David LeStourgeon came Tuesday afternoon and entertained the residents with music and songs.

Martin Smith from the Church of Christ came Wednesday morning for Bible reading with the residents.

Mrs. Wenzlaff's brought the third grade from Hill Country Elementary to visit with the residents.

The residents went on a country ride Thursday, thanks to Sherman Vangsnes, who drove the ACT van from the Senior Citizens Center.

Rev. Michael McManus from St. Stanislaus Catholic Church came Friday morning to serve communion to members of the church.

Chris Henderson and Judy Goodenough came Friday morning for the monthly sing-a-long with the residents. They enjoyed singing old-time songs.

Hurley to serve in Scotland

Anna Hurley

Anna Hurley, a senior at Bandera High and the daughter of Lonny and Rhonda Hurley, has been accepted to serve with Teen Missions in Scotland. Her team of 30 teens with leaders will help restore the Seamill Centre for Youth With A Mission, by painting, building pathways and walk bridges, and planting gardens. The mission is a time of service and evangelism, and not a tour or vacation.

The cost of the nine week program is $2,498, and to help fund Hurley's mission, a quilt raffle has been scheduled. Tickets for the raffle, which includes an antique quilt, and a new, hand-sewn quilt, are $2 each or 3 for $5. The drawing will be held at My World on May 8 at 4 p.m.

Raffle tickets may be purchased at My World, where the quilts will be displayed. Donations may also be made there; check should be made payable to Teen Missions International. If you would like to assist the mission, or need more information, please write Anna Hurley at P.O. Box 2392, Bandera, TX 78003.

Teen Missions International Inc. is an interdenominational evangelical mission, made up of Christians from many denominations. Applicants are welcomed without regard to race, color, sex, age, handicap and national or ethnic origin.

Teen Missions was founded in 1970, and since that time, over 23,000 teens and adults from the U.S. and Canada have experienced missions firsthand. They have assisted with a variety of evangelistic and building projects with over 100 established missions in over 60 countries. The primary purpose of the ministry is to challenge, train and disciple young people, exposing them to worldwide missions.

FAITHBREAK

BY DENNIS THOMPSON

Great sailing ships fought the raging seas and enjoyed safe harbors in the days of yesteryear. Their captains knew what it meant to be under the changing command of the winds and the weather. At times they could make headway during foul conditions. Other times they had to ride out the storms. Wise captains knew hot to gauge the signs and prepare their ships and crews accordingly. You and I are captains of our own sailing vessles. We ply our way through the cross-currents of life. A life full of change and uncertainty. Like the sea captains of old we need to know when we can continue to make headway and when to seek the shelter of a safe harbor. As you face the crashing waves and the still waters of life-remember the anchor we have in Jesus Christ our Lord.

PASTOR ROY'S SERMON IN A NUT SHELL

Gravity is the law of God. This law works constantly and will never change. If you do not believe in the law of gravity, it does not mean gravity will not effect you, it simply means you do not believe in it. Whether you believe in it or not, does not change the truth. God's Spiritual Laws are the same. The gift of salvation, the gift of the Holy Spirit, or the gift of Eternal Life with Jesus. Whether you believe in them or not, does not change the truth. But these gifts are not yours, until you take the proper steps to receive them. Do you want them or not?

GMX distributors meet in Kerrville

Two hundred distributors of GMX International, the magnetic water conditioning company, met for a regional training conference March 20-21 at the YO Ranch Hotel in Kerrville. Doug and Dorloha Freeman of Kerrville, co-founders of GMX, welcomed the sales force from 12 states and the Texas Hill Country, including Bandera GMX marketing directors Dan and Sandy Reese.

Featured speaker was physicist Dr. Klaus Kronenberg of California, known in scientific circles as "the father of magnetic water conditioning," said Doug Freeman. Kronenberg presented data to the sales force on why he believes magnetic conditioning is effective in treating lime scale build-up from hard water.

Dr. Clifton Jollve of Dallas, GMX public relations coordinator, emceed the conference, whose speakers included the owners Doug and Dorloha Freeman, Sharon Costanzo, GMX chairman of the board, and Dan and Sandy Reese of Bandera.

Management of customers and distributors was the main focus of the "Texas Training for Success." The Kerrville event was the kick-off to a series of regional conferences in the United States.

Ridge Route Nursery holds grand opening

Ridge Route Nursery and Aviary held a grand opening and ribbon cutting recently at their location at Ridge Route (FM 3240) at English Hollow in Bandera. The business features birds including cockatiels, love birds, parakeets and exhibition-quality poultry, and a wide range of plants and items for the home and garden.

Can you spare a horse?

The Kerrville ISD Continuing Education Program needs sound and quiet horses for a new Horsemanship Program being held at Grand Meadows Horse Farm in the Bandera area, beginning in the summer of 1998.

This program was formed to teach young horse enthusiasts the fundamentals of horse care and riding such as grooming, handling, tack, stabling and safety; identifying horse breeds, feeding, common ailments, buying a horse, and basic riding.Sandra McQuinn Burger of Grand Meadows Horse Farm will teach the continuing education program.

She has certification in Equestrian Sciences and Stable Management, and her memberships have included Pony Club, Easter Stock Horse Assn., Quarter Horse Assn., United States Dressage Federation and American Donkey & Mule Assn. and the American Horse Shows Association.

There will be a five day Summer Day Camp of intensive riding instruction and horse management. A Weekend Program especially designed for families planning to buy a horse (no riding). If you have a gentle horse that you would like to lease, donate, retire to a good home or sell, the program is looking for horses who are child friendly and also for suitable tack. Call Sandra at 830-796-3738 for more information.

Obituary

Lindsey

Dorothy Evelyn Lindsey 86, formerly of Pipe Creek passed away Friday March 20, 1998 in Bandera at the Clark House.

Born Feb. 17,1912 in Ogden, Utah the eldest of ten, her family moved to the Rio Grande Valley in 1918 where she spent most of her life.

Mrs. Lindsey married O.C. Lindsey on June 18, 1941. Prior to marriage, she worked for Singer Co. in Corpus and McAllen.

Later, she was society editor for the Mission Times, worked for the Mission Chamber of Commerce and the Texas Citrus Fiesta, and had a drapery shop for years. She achieved national recognition in the 1950s for Best Continuing Story in a weekly newspaper at an award ceremony in San Francisco.

In later years she worked for the McAllen Monitor and was tax assessor-collector and business manager for the Sharyland School District. One of the things she enjoyed most was making costumes for the UIL One Act Play for Sharyland and the Strutter costumes for McAllen High. She was superintendent of Sunday School at the First Presbyterian Church in McAllen for 12 years, was active in Scouting, president of the Sharyland Garden Club and P.T.A.

She is survived by two sons, Jerry Moore of Port Hadlock, WA and Robert Lindsey of Burnet, a daughter, Mary Bird of Bandera; two brothers, Dan and John Lohr of Mission; four sisters, Harriette Hill of Edinburg, Charlene Cover of San Antonio, Pat Paris and Betty Lyles of McAllen; 14 grandchildren and 19 great grandchildren.

Mrs. Lindsey was preceded in death by her parents, Roy and Mary Lohr, sister Maxine Lohr, brothers Ronnie and Larry Lohr, husband O.C. Lindsey and stepson O.C. Lindsey, Jr.

A memorial service will be held in McAllen at the First Presbyterian Church on Saturday, April 4, 1998 at 11 a.m. Rev. Darell Johnson will

Road improvement campaign gets started

"March went out like a lion, a lamb" or the water in the bay!" Rogers and Hammerstein

Hopefully the wind will settle down now as we approach a new month. The Farmers Almanac says we're to expect heavy rain in April. Here's hoping it won't come all at once!

Bobby Jones called another meeting at the Fire House Thursday 26 for the Wharton's Dock Road improvement campaign. Chairpeople for 7 committees turned in their reports to be presented at the meeting of the Texas Transportation Department in San Antonio in April. Everyone interested in getting our road improved is encouraged to attend. For information and details, please call Bobby Jones at 460-8395. Several other issues were brought up at the meeting such as noise on the lake and wake zones on the river. There is very little the Sheriff's Dept. can do about this; however, we are encouraged to contact the Texas Parks and Wildlife Commission in Austin in accordance with the code 39102. It is my understanding that folks on the other side of the river are as unhappy with the fast boats and jetskis as we are. It seems some of the folks around Pop's Place are trying to get more control for our river and lake. Perhaps we all need to join forces and get something done. I will give you an update when I can obtain more information. Mike Medina, Republican candidate for school board spoke at the close of the meeting. He had a lot of good points. Refreshments were served after the meeting.

Congratulations to Dick Hinebaugh, who is retiring from Civil Service at Kelly AFB on March 31, 1998. He has bought a boat and is ready to do some serious fishing. Way to go, Dick!

Lisa Jung returned from a job-related trip to Seattle with American Airlines on Friday. She visited with her aunt and uncle, Pat and Jerry Moore and cousin Bruce Moore in Port Hadlock. She enjoyed taking the ferry across the Puget Sound and shopping in Seattle. The Moores have just moved into their new home on Marisole Island on 5 acres. Lisa said it was the most beautiful place she had ever been. She fell in love with the forest and beaches.

Fire training will be held this coming Saturday at the Fire House at 10 a.m. We need firefighters, so y'all come! It always proves to be interesting, informative and fun. Besides that, you get to meet your neighbors.

It is time to be seriously thinking about our LSVFD May Festival fundraiser which will be held May 23. Members received letters and five tickets (which is just half of what we usually get) to be sold. So, let's sell those tickets and ask for more. And, don't forget to bring in your donations for the Country Store, auction and flea market. Scott Stewart is in charge of the festival this year. If you can help, please call him at 460-8412. Dorothy Rucker needs canned goods and crafts for the Country Store. She may be reached at 460-4161.

I'm happy to report that Ralph Chalk is out of the hospital. It was nice seeing him down at the Copper Lantern having a yummy catfish dinner the other night.

Now that the weather is warmer and the lake is up our weekend traffic is outrageous! I had a very harrowing experience coming home from work between 7 and 8 p.m. Sunday night. On a good day with the wind at my back I can get my little Samurai up to 45 mph.

These idiots in their fast cars and big pickups do not realize how little it takes to roll a Samurai. I apologize to those of you I inconvenience when I am driving down Wharton's Dock Road.

Riding my bumper and blinding me with your bright lights only slows me down more. Take a deep breath, back off and think about someone else for a change. I'm sure whatever it is that you are in such a hurry for will still be there when you arrive.

The GOOD NEIGHBOR AWARD this week certainly does not go to the unfriendly, drivers on Wharton's Dock Road. I want to commend the safe and sane drivers out there. Thank you.

Tip for the week: Best fishing days for April are April 1 to April 11 and April 26 to April 30.

FYI

Retired teachers
TRTA will hold a meeting of Texas retired school personnel Wednesday, April 8 at 3 p.m. at the Silver Sage Corral. Call 460-3556 for more information.

Passover seder
Faith Chapel will sponsor a Passover seder on Friday, April 10 at 7 p.m. This meal, based on the traditional Jewish celebration of Passover, has been adapted to symbolize the life of Jesus. Reservations must be made by calling 612-2481.

Collecting items
Bandera County Republican Women's Club, as a public service project, is collecting items for a garage sale which will benefit K-Star counseling service. Drop off items at the office of Kerry Schneider, club president, 115 Hwy. 16 South in Bandera (across from the OST behind Janet's.) Please drop off items by April 10. No junk, no clothing, please. For more information, call 460-8400.

Easter Egg Hunt
Medina United Methodist Church will sponsor an Easter Egg Hunt on Saturday, April 11, from 10:30-noon at the church. Guest speaker will be Mr. E. Rabbit; story time; visit with the Easter Bunny.

Animal Welfare
The Animal Welfare Society of Bandera County will meet Tuesday, April 14 at 7:30 p.m. at the Bandera Bank Community Room. Call 510-4335 for more information.

Support Group
The Macular Degeneration Support Group will meet April 15 at 2 p.m. at St. Peter's Episcopal Church Parish Hall, 956 East Main in Kerrville. Officers and representatives of the American Council for the Blind of Texas will be at the meeting to share what their organization offers those with visual impairments. Everyone who is interested is invited to attend. There is no charge. For further information, call 830-896-1807.

Parenting classes
Noah's Ark Child Care Center will sponsor parenting classes beginning Wednesday, April 15 and continuing for the following four to five weeks. Pastor and Mrs. Glenn Moehring will be the speakers. The classes will be held in the Grace Lutheran Fellowship Hall from 7-8 p.m. A nursery will be provided (donations will be accepted.) Classes are open to everyone in the community.

Judge voids BISD racetrack purchase

■ By Brenda Sommer
Bulletin Staff

As some spectators cheered and others sat in stunned silence, District Judge V. Murray Jordan on Monday voided the sale of Bandera Downs racetrack to the Bandera Independent School District.

As a result of plaintiff Al Hamilton's victory in his lawsuit, the 135-acre property will once again be placed for sale to recover $341,000 owed in back taxes.

Judge Jordan ruled that BISD school board trustees should have given a 60 day notice of their intent to buy the property, and forbade the district from bidding more than the amount owed in back taxes in any future sale of the property. The market value of the property is estimated to be $1.5 million.

The district decided to bid up to $2.9 million for the track at a Feb. 2 school board meeting, and proposed using the property for a new high school.

BISD purchased the 135-acre property on Feb. 3 for $1.475 million at a sheriff's auction on the Bandera County Courthouse steps. Hamilton, who is now a candidate for school board, filed suit to reverse the sale on Feb. 11, arguing that the district did not give adequate notice of its intentions, and that BISD couldn't legally bid more than the amount owed in back taxes and delinquent fees.

Although Hamilton did take the stand briefly, the trial consisted mostly of discussions of case law and tax codes by attorneys for Hamilton, BISD, Bandera Downs, Bandera County and the Bandera Sheriff's Department, and creditors owed money from the failed track.

Lawyers focused on whether Hamilton had proper standing to file suit, on the district's ability to bid more than the amount owed in back taxes, on whether the district was required to give 60 days notice of its intention to buy the track, on whether Hamilton was required to post bond in the amount of the back taxes owed in order to file suit, and the form that bond could take.

The board has contended that the racetrack is the only suitable property available for school expansion, and that the $1.475 million price was a bargain. Lawyers contended that the board was acting in the best interests of schoolchildren and taxpayers, and that the district has the same right as any other party to bid at the forced sale.

But Hamilton's side argued that the board defied taxpayers' wishes by purchasing the property.

In November of 1996, voters trounced a bond package which included $3 million to purchase the Bandera Downs property. Hamilton chaired a committee, formed in the wake of that failed bond election, which studied the school's growth needs and found the district's currently owned properties could be sufficient for growth needs, a contention Hamilton still maintains.

The ruling leaves creditors for the failed racetrack to once again wait to recover funds.

Clean up your act

■ City to hold annual Spring Clean-up

The City of Bandera will hold their annual Spring Clean-Up on Monday, April 13.

Trash and other debris must be placed at curbside where household garbage is normally picked up no later than 7:00 a.m. that day.

The truck will pass down each street one time.

Items that will not be accepted are: liquids, pesticides, concrete, soil, commercial waste, auto parts, treated lumber, chemicals, oil, bricks, sod, batteries, tires, paint cans with lids.

Do not place prohibited materials out for pick up. Acceptable items that BFI will pick up include: brush (if cut in lengths not to exceed 6 ft.), furniture, appliances (no appliance containing freon will be accepted without proper certification that freon has been removed.), small amounts of lumber cut in 4'-6' lengths.

Ooo! There's one!

Congressman Lamar Smith pays a visit to Bandera

Congressman Lamar Smith made a visit to Bandera Saturday for a "Town Hall" meeting at Bandera Bank's Community Room.

A crowd of around 70 gathered to hear Smith update his constituents on his dealings with Congress.

Smith discussed his work in the House's Judiciary, Budget and Ethics committees, and as chairman of the House Immigration Subcommittee.

He said his work on the ethics committee was particularly difficult.

"It's not a happy committee," Smith said, explaining that the committee's work involves investigating and punishing their peers. "In the case of Congress, bad apples get far more publicity than good apples," he said.

He discussed decreasing the bureaucratic wait for those who have qualified for citizenship from two years to 90 days, and said he wanted to "restore integrity" to the citizenship process. He also spoke of changing the U.S. immigration policy to place an emphasis on new citizens having at least a high school degree.

Regarding President Bill Clinton, Smith stated that the American people need to have some questions answered.

"I do think we need the facts," Smith said. "I want to hold him [Clinton] to his word," regarding a promise Smith said Clinton made to state the facts in some of the President's current controversies. Regarding special prosecutor Kenneth Starr, Smith said Starr is "a man of complete integrity ... not a partisan ... he is fair."

"In the case of Congress, bad apples get far more publicity than good apples"

Rep. Lamar Smith

During his tenure in Congress, representing Texas' 21st Congressional District, Smith has held regular "Town Hall" meetings with constituents throughout his 21-county district.

Congressman Lamar Smith addresses the crowd at his town hall meeting in Bandera last Saturday.

Auction to benefit senior center

On Saturday, April 11, The 11th Street Cowboy Bar will host its Second Annual Chili Cookoff and Street Dance. The party is also known as "Gary Wright's Birthday Bash."

A highlight of the festivities will be an auction benefiting the Silver Sage Corral, Bandera's Senior Activity Center.

Copwboy chili teams must pay their $20 entry fee by April 10. Check in time for the chili cookoff is noon Saturday, and judging will begin at 6 p.m.

The First Annual Chili Cookoff was a tremendous success and, besides being fun for the whole family, was extremely profitable for the senior center.

If you have an item or items you can donate for the auction or have any questions concerning the cookoff, call Suzanne at 796-4849. The 11th Street Cowboy bar is located at 307 11th Street in Bandera.

Those arrested during the week were:

Darius Harper, 20, of Bandera, for burglary of a vehicle.

James Howard, 48, of Bandera, for contempt of court.

Cruz Ceniceros, 19, of Bandera, for assault with bodily injury.

Juan Ceniceros, 20, of Bandera, for assault with bodily injury.

Bruce Timms, 19, of Bandera, for unlawful carrying.

Khianna Parker, 21, of Dilley for a traffic warrant and failure to appear.

John Wilkerson, 41, of San Marcos, for DWI-1st.

Donald Rogers, 22, of Bandera, for criminal mischief and assault with bodily injury.

Ramiro Rodriguez, 35, of Bandera, with criminal trespass and resisting arrest.

Linden Stricker, 24, of Pipe Creek, for a capias pro fine warrant.

Peggy Whitehead, 25, of Bandera, for a traffic warrant and failure to appear.

Louanne Haner, 36, of Tarpley, for public intoxication.

Sheriff's Report

by James MacMillian, Bandera County Sheriff

Clarification

In last week's Sheriff's Report, the Bulletin incorrectly reported the charge against an arrested person. The sentence should have read: Robert Brown, 24, of Bandera, for intoxication assault.

Elder abuse hard to identify

Bandera Triad

"A concept in action"

Although it is generally recognized that abuse may be vastly under-reported, some authorities suggest that there could be as many as 2.5 million incidents of abuse of older persons in any given year. Mistreatment occurs both in domestic and institutional settings. As the older population increases, it is likely that the incidence of mistreatment also will grow. While there is no consensus about definitional terms, which vary from state to state, abuse is generally classified as physical, psychological, material or financial, and abandonment. The abuse can also take the form of self neglect which is often the result of diminished mental or physical ability or social isolation. Cases in this category are often difficult to identify.

Gatekeepers, knowledgeable of the area they service and made aware to stay alert to unusual activity, or the absence of such, will be one of the most important assets any community can have. Encourage an active member of each department, business, and organization to serve as gatekeeper representative. These representatives will be able to address how during the course of their duties, they can best contribute to the success of the program. If you are interested in more information on gatekeepers, please call Carey Poe at 796-8343.

There will meeting will be on April 9 at 2 p.m. at the Silver Sage Corral Senior Activity Center on 11th and Hackberry. Our speaker will be Officer Tim Marcaurele from the Bandera Police Department. Officer Marcaurele will be discussing the Explorers program which involves the youth of the community and crime prevention.

Your Library

Anne Rice is one of the masters of macabre literature. Her most daring and darkest novel in the Vampire Chronicles is "Memnock the Devil." This novel features the vampire, Lestat, but one of the most extraordinary sections involves her dialogues on how a good God allows evil in the world. There are no answers—only questions. The section depicting glimpses of heaven and hell engage one's imagination and wonder at the writer's craft.

This is not Anne Rice's newest book but the library does have "Pandora" which is her latest work. This genre of writing is not everyone's favorite, but if you enjoy Stephen King, you may also like reading Anne Rice.

Don't forget that the library has both a morning and an evening book club where people share their reactions to a variety of different books. The morning group meets on the second Tuesday of the month at 10 a.m. The evening group meets the first Thursday of the month at 6:30 p.m. Everyone is welcome to join us.

Clean up your town, simplify your life

Mayor's Memo

by Bob Cowan

G.R.O.J.

For those of you who may not be into alphabet words, G.R.O.J. stands for "Get Rid of Junk." I could not think of a better word to describe the upcoming event, namely our City of Bandera Spring Clean-up. You will need to have your trash and debris out on your curb by 7 a.m. on Monday morning, April 13.

In this age of material abundance, I find myself being covered up by more and more junk. Junk which brings very little satisfaction and/or enjoyment. I find that the G.R.O.J. exercise is becoming more and more necessary just to keep from being buried in trash.

Does all this material "abundance" help the quality of our life? I think not. We are so "busy" taking care of our "junk" that we have little time to enjoy the wonderful resources we have, namely people and nature.

Of course, "one man's trash is another man's treasure." I remember one year when I went all out to get rid of the junk I had accumulated through several moves. I placed it on the curb a couple weeks before only to see most of it disappear before the pick up date. Yes, my trash was someone else's treasure.

Maybe we need to have a city-wide swap meet. It would immediately help in two areas. One would be that a discarded item, "trash" could be reclaimed by another for his "treasure." The second area would be in saving the impact of our landfills. I have nightmares about our landfills being filled and overflowing to cover us all up.

I sometimes think our many material possessions are like the albatross around our neck. How much more could we get out of life if we could minimize our possessions and bring them down to "enough." We might receive a new freedom that would really better the quality of life.

Again, remember to place your trash and debris on the curb by 7 a.m. Monday, April 13. Should some of it be missing before pickup time, just remember that someone else may have found that your trash is their treasure. Hey and the landfill is not quite as full.

May Easter bring you peace, joy and a renewal of life.

Chief's Blotter

by Lynn Holt, Bandera Police Chief

The Bandera Police Department answered 20 calls for service, arrested one person, and issued 10 citations for the week of March 30, 1998 through April 5, 1998.

Calls for service included: four public assists; three assist other agencies; three accidents; one gas drive off; two suspicious persons; one threats/disorderly conduct three; suspicious circumstances; one found property; one 911 hang-up; and one warrant service.

Linden Stricker, 24, of Pipe Creek, was arrested on an outstanding local warrant.

I noticed that several yard sales were in progress in the city over the weekend. Last week I mentioned that signs could not be posted on poles, and road signs. Several people put signs in the street right-of-way, but did not attach them to any pole or sign.

According to the city ordinance, signs for yard sales can only be posted on your property, not in the right-of-way.

A copy of the yard sale ordinance is available at the City offices.

For our friends at the Bandera Electrical Coop, I did call them "telephone poles" in my report last week and I should have called them by their correct name "utility poles."

Briefly noted

Save Our Schools

The **Committee to Save Our Schools** was formed by concerned Bandera ISD taxpayers who wanted to examine the issues facing our school district. We also wished to avoid the intemperate rhetoric that has characterized some of the public meetings concerning this topic. We have examined the issues, researched appropriate background material and have come to the following conclusions which we offer for your consideration.

Issue - The Middle School should be expanded as specified in the "Operation School House" report of March 1997.

Conclusion - The core facilities of the Middle School cannot be expanded because of code restrictions as specified in the report of the Protection Development Inc. inspectors, August 11, 1997. In addition, modification of the existing facility will require that it be brought up to current code, an extremely expensive operation. Therefore we conclude that the most cost effective and practical solution is to build a new middle school.

Issue - The School Board went behind our backs and bought the race track.

Conclusion - After receiving the aforementioned report the Board held two workshops, on March 25 and April 28 in order to review and evaluate the recommendations of the committee. They also hired the independent code authority referenced above in order to assist them in determining the feasibility of the plan submitted. After receiving the report and evaluating the overall plan the Board concluded that the major recommendation was unworkable, that is, the Middle School cannot be expanded. They then began a search for centrally located property and bought the best piece available. All this was documented in Board meetings available to any citizen and in the newspaper articles written by school administrators.

Issue - The School Board paid too much for the track.

Conclusion - Equivalent property fronting on Highway 16 recently sold for $20,000 an acre. The front 30 acres of the track fronting on Highway 16 are worth at least that. The back 100 acres are fairly priced at a minimum of $5,000 an acre based on sales and asking prices for land in the same general vicinity. That is a total of 1.1 million not including the improvements that are valued by an independent group of architects at approximately 2.5 million dollars. We conclude that the taxpayers of BISD got a good deal.

Issue - The track is environmentally unsafe.

Conclusion - The Board commissioned an independent environmental survey that indicated that there are several areas which need to be cleaned up. The worst of which is a "dump" pit that may contain the carcasses of dead horses. An environmental clean up company submitted a bid of $8,500 dollars to remove the contaminated areas and haul off the material from the pit. Conclusion, the track can be cleaned up very inexpensively and presents no environmental hazard.

Issue - BISD continued to operate even after the tax roll back was passed.

Conclusion - The tax roll back never took place. Shortly after the vote the State of Texas revised the laws that pertain to financing of school districts. The net effect was to nullify the roll back vote. BISD suffered a short term fund shortage, however, the rates were never reduced to that envisioned by the sponsors of the roll back movement.

We Believe - That an impartial and diligent review of the facts, not emotions, will leave the investigator with only one conclusion; that the school board acted responsibly, although not always with the understanding that more effort is required in order to keep the electorate involved and informed.

We Believe - That regardless of how the race track issue turns out, the citizens of BISD still must find a cooperative way to meet the challenges of a rapidly expanding school age population and inadequate facilities.

We Believe - That candidates for the School Board should be independent, thoughtful individuals. Individuals who will use their own judgment to arrive at solutions best for the children and the taxpayers of BISD. We view with concern the candidacy of individuals running as a group, no matter how well intentioned they feel they are, for fear that bloc voting on school issues will only serve to defeat the deliberative process necessary to arrive at the best possible solution.

Therefore - We support and recommend for your consideration the following candidates for the BISD School Board; Place 7, **Mr. Thomas Keese**; Place 6, Mr. **Rand Hicks**; Place 5, Mr. **Tom Morgan**.

470 Diner opens for business in Tarpley

Hi Folks! Seems we are very short this week on our rain reports. Monday night it looked as though we'd have the "big" one and the wind pouring in from the heavy black clouds, the rumble of thunder, corkscrew lightening and wouldn't you know came all around us and only a sprinkle. Some say it all went east of us, for sure it evaded our area. Bill Coffey said he only had 3/10 but it looked like more between our area and Hondo area. A small tad of hail the Coffey's reported.

Good news for Tarpley area folks: we have a new restaurant named "470 Diner." Bob and Nita Padgett are the new owners that opened two weeks ago. The diner is beside Bob and Nita's home in Tarpley. The delicious food served is steaks, burgers, chicken, and a salad bar. Nalina has charge of the cooking and management and Nita and Bob are doing the serving. Their hours are from 11 a.m. to 9 p.m. on Friday, Saturday and Sunday. They will serve breakfast, opening at 8:30 a.m. to 2:30 p.m. I asked Bob if this had been a long dream or project of theirs to open their 470 Diner and he said "Yes for quite awhile, just not on this large of a scale had planned a barbecue-only place." They have a most attractive building and we surely wish them every success and good luck and good wishes!

Visitors dropping by on a short surprise visit with Olga Schmidt Wednesday evening were her cousin Dr. Morna Staffel and her 2-year-old son Mixon of San Antonio and her mother and aunt from Knoxville, Tennessee.

A delicious fellowship dinner was held at the Tarpley Baptist Church Sunday with several guests present. Twenty were present for church services.

The tornadoes are terrible in so many states now including the Carolinas, Virginia, Alabama, Georgia and others. Reminders of the terrible tornado near Pipe Creek on April 16, 1939 when four lives were taken. I lived about two miles from the storm so I well remember. I have asked several folks if they know when the frost in May killed the corn tasseling out. No one is sure. Jack McKaridles said may have been 1905. He's not sure though, does anyone know?

The Baptist Church in Utopia was filled to capacity on the evening of March 29. The occasion was the regular fifth Sunday of the month hymn service sponsored by the ministerial alliance of Utopia/Vanderpool whose members come together to sing praise in one voice together.

Those attending from Rio Hondo were: Lois Easley, Dorothy and R.C. Cutler, Elinor and O.D. Feland, Vi Strand, Mary Bietalahti, Idabelle Farr, Marie Hood, Margaret Cain, Shirley and Ron Hood and their three sons, Erikk, Peter and Robert.

Following the hymn service, everyone enjoyed refreshments and fellowship in the church hall.

The next fifth Sunday will be on May 31 and the service will be at the tabernacle in Vanderpool at which time the community will come together to also enjoy a barbecue and potluck dinner.

No man is fit to command, that cannot command himself.

Vanderpool to host Heritage Festival

A Heritage Festival in Vanderpool is being planned for Saturday, May 9, from 7:30 a.m. until 5 p.m., hosted by Madrona Springs Cabins.

The festival, which is open to the public, will feature exhibits of by-gone days in the Sabinal Canyon. There will be horse shoeing, leather works, cloth making, soap making, etc.

The Vanderpool Volunteer Fire Department will host a Cowboy Breakfast at 7:30 a.m., followed by a Trail Ride which will leave from the cabins.

The Utopia Volunteer Fire Department will be selling barbecue sandwiches, chips, etc. for lunch.

Soft drinks, other non-alcoholic beverages and miscellaneous refreshments will be sold throughout the day.

The Sabinal Canyon was a passageway for native Americans to travel from the north to Mexico. It was a place where early settlers came and, discovering the beauty, decided to inhabit the area.

Many people currently live and love the area, and organizers hope to preserve the area's culture by hosting a yearly festival in the community.

Antiques or arts and crafts enthusiasts are asked to participate by renting booth spaces. Booth spaces will be rented for a $25 fee.

There will be a small gate fee of $3 per automobile for those attending.

For more information, call (830) 966-5198 or write Madrona Springs Cabins, P.O. Box 227, Vanderpool, Texas 78885.

A few words from Powder

Cowboy Logic

by Makin' Dust

Howdy, I'm Powder 'n I'm a horse. Yeah, I know it's a pretty silly name for a horse but blame it on the feller that owns me. Colt himself Makin' Dust. Now that's silly.

Anyhow, I talked ole Makin' into lettin' me write his column this week. Since he's always tryin' to enlighten y'all on cowboy logic, I figgered you humans would do for some Horse Logic. Now I know most humans think we horses are 'bout as dumb as a box o' rocks. Well, we're a whole lot smarter 'n ya think. Problem is, we don't speak English, Spanish, or any human language an' understand very little of it. You figger we're stupid or bein' ornery when we don't immediately respond in a perfect way to every word or command y'all say. You'd think we were mind readers.

Most every time we horses fail to perform the things you humans ask is because we don't know what the heck you want us to do. Now, not understandin' what you want bodes ill for us horses. You usually yank on the steel bar you put in our mouth or kick us in our sides with your heels. (Too often with sharp steel things strapped on your feet.) An' holler—man you humans scream a lot.

We horses really do want to please you humans. We love it when we do good for you an' you pat us on the neck and/or say some kind words to us. But when we try and it's not exactly what you wanted an' you go to jerkin', kickin' an sometimes cussin' us, well somethin' like panic sets in. We're not only confused, we're scared an' then we really mess up. You don't realize it because we don't shed tears but sometimes we even cry.

It's a totally helpless feelin' for us horses to be tryin' with all our might to obey you, to please you and get punished because we don't understand. Seems like every new owner we have (an' most of us are sold an' traded around like we're a piece o' meat, or somethin') has some grand new list of ideas on how to make us do things.

Reckon everybody out there is a horse expert. Why I've had 4 owners in my 14 years. (Ole Makin' thinks I'm 13 — shows what he don't know about teeth and age.) An' every one of 'em had a different set o' cues. Feller that broke me used his toe on my forearm to cue me on the proper lead in a canter. The other three (includin' Mr. Dust) use the offside leg 'bout midway back on my belly. Think it wasn't tuff to make sense out o' that mess. Well, I got knocked around some but I finally figured it out.

Most o' my owners used word commands. Took some time but I finally figgered out what walk, trot, canter, woah, etc. meant. Along comes number 3. A nice young horse show gal. Gentle on me too. Her trainer wouldn't let her use word commands so, once again, I had to learn a whole new set o' cues. Confusin'? You bet.

Another thing—we horses do things a mite different than you humans. You think we're strange but, hey, we think you are too. Case in point—other evenin' ole Makin' saddles me up. First time in two months. Now, 3 months ago, his best pard, Kent Caldwell brought his mare over to stay with me. Lil' four year old paint filly—say is she a looker. I know a feller my age should be ashamed but I fell hard 'n fast for that lil' cutie.

Well, ole Makin' rides me across the road into the cedars. Wanted to watch the sun go down or some nonsense. Soon's were outta sight, my sweetheart hollers like crazy for me. I whinnied back—a lot. Wuz missin' that lil' sweetie somethin' awful. Once I turned around to go back. To be honest, I was expectin' to get slapped with the reins or kicked in the belly. Ole Makin' must have wised up a little over the years cause he let me whinny, stop, even turn around a couple o' times. Then we rode on to watch his silly sunset.

Years ago, he'd have slapped me for whinnin' an' wouldn't have dared let me stop an talk to her.

In closin', you humans please try to associate with and learn from other gentle, caring horse folks. Be kind to us and please be patient. We really are tryin' our best, in most cases, to please ya'll. So long.

Aggies to gather for annual Muster

■ RSVP deadline for local event is April 14

Former students of Texas A&M University will assemble in Bandera County on April 21 for the annual Texas Aggie Muster, announced Muster Chair Billy Griffin.

The Muster activities with a traditional Muster Ceremony and a barbecue meal will begin at 7 p.m. at the Farm Country Club, located on FM 2828 between Bandera and Medina. Muster is open to all former students and their families, parents of students, and friends of Texas A&M. The cost of the meal will be $7.50 per person. All persons planning to attend Muster are asked to RSVP by April 14 to Billy Griffin, 796-3334 or 460-3513.

Texas A&M is in its "Second Century of Greatness." Since 1876, Texas A&M has grown from a small land grant college to one of the leading research and educational institutions in the world, now holding the distinction of sea and space grants as well.

The Muster tradition is more than 100 years old. More than 400 Musters will be held around the world this year, Griffin said, "wherever Texas A&M former students live or work."

During wars, Aggies mustered in foxholes, on the battlefield, aboard ships, in airplanes and in medical hospitals. In World War II, a Muster was held on Corregidor Island shortly before the Japanese captured it in 1942.

Every Muster ceremony is the same. Texas Aggies pay their respects to all those who are absent because of death since the last Muster. When the names of the honored dead are called from the Muster Roll, a friend of the deceased answers, "Here."

Health Week to be celebrated locally

April 6 through April 12 has been designated as the week to celebrate the many successes of Public Health in America.

Today Americans enjoy better health, live in healthier conditions, know more about how to take care of their health, and live longer than at any other time in the past. To a large extent, these trends are the result of the efforts and activities of Public Health.

Public Health works...and we Americans are living proof.

To get to know your local Public Health Providers, contact the Texas Department of Health office here in Bandera at 830-796-7540 or come by 1207 Cottonwood.

Scholarship money available

With the [illegible] tion season in full swing, families are now facing the dilemma of how to pay for tuition, room & board, text books, lab fees, and other expenses. Skyrocketing costs coupled with cutbacks of government grants and college assistance are putting extra strain on family budgets and assets. As a result many families are relying on burdensome debt to finance their children's education.

The good news is that there are nearly 400,000 scholarship and grant sources now available to help students pay for college costs. Over 80 percent of these scholarships do not depend on family need or high grades but are awarded based on factors such as the student's interests, activities, field of study, age, ethnic background or parent's work or military service.

According to the U. S. Department of Education and financial aid experts, many students are missing out on the financial assistance opportunities available to them simply because they are not aware of the scholarship process and where to find scholarships that can help them. Students who take the initiative to find out what sources they qualify for are usually successful in funding either part or all of their education.

For information on how to receive academic funding and scholarships for college, graduate school or trade school, send a No. 10 self addressed, double stamped envelope plus $2 to cover handling to the National Academic Funding Advisory (NAFA), 188 Summer Street Dept. MI, Portsmouth, NH 03801.

Letters to the editor

Thanks, and slow down!

Last Friday, the Special Ed bus from Hill Country Elementary broke down on Hwy. 16 at Privilege Creek. We did not get totally off the highway before losing power. But thankfully Ron Sullivan from Mission Propane stopped to help. Mr. Sullivan really saved the day and even stayed with us till the Sheriff's Department arrived. We would like to thank him very much. Also, we would like to thank Deputy Mike Bolten and Deputy James Postert for their help. And a reminder for all of us: Please, Please, Please slow down when you see a school bus, even if the lights are not on!

School prayer already legal

This is in response to Congressman Smith's column, Your Voice in Washington, in your March 18th issue. The Congressman assumes that children can't presently pray at school, which is simply not true. Anyone can pray anytime anywhere.

What children may be prevented from doing is to make a show of prayer at school. I don't know what Congressman Smith's religion is, if any, but Christians would oppose audible and/or organized prayer in classrooms, hallways or school playgrounds. Christ said, "And when thou prayest, thou shalt not be as the hypocrites are; for they love to pray standing in the synagogues and in the corners of streets, that they may be seen of men. Verily I say unto you, they have their reward. But thou, when thou prayest, enter in to thy closet, and when thou has shut thy door pray to Thy Father which is in secret and Thy Father which seeth in secret, shall reward thee openly." (Mathew 6:5-6)

Congressman Smith said, "The First Amendment to the Constitution states that there will be no official state religion." That simply is not true. Apparently, the Congressman is no more familiar with the Constitution than he is with the Bible. The First Amendment says, "Congress shall make no law respecting the establishment of religion, or prohibiting the free exercise thereof." Period! Now, prayer is a religious act, an expression of religion, and if it were to be officially sanctioned in public schools that would constitute the establishment of religion, in violation of the First Amendment. The learned Justices of the U.S. Supreme Court have so ruled, and they have at least read the Constitution, Congressman Smith's snide remark about the U.S. government notwithstanding.

Quite apart from the Constitutional issue, there are compelling reasons for not allowing open religious activities in public schools. Students should not be misled in confusing religion with education.

Education is based on knowledge, evidence, reason, and questioning, and it changes with changes in knowledge. Religion, on the other hand, is based on blind faith and blind indoctrination, often on faith in the unreasonable, and religion is very resistant to change.

Does Congressman Smith have no faith in the ability of parents and churches to adequately indoctrinate their children with religious faith? Does he want public schools to take over the responsibility of parents and churches, thus weakening parental authority?

Why should "people of faith" not express it in public places "such as public schools", as the Congressman suggests? They should NOT in public schools simply because religious faith is divisive. Witness Christians in Northern Ireland killing each other because of differences within the Christian faith. There is hatred and killing in Bosnia, Albania, and the Middle East because of differences in religious beliefs. Violence, hatred and intolerance are not confined to Christianity. They are functions of religious faith. Let us keep this disruptive influence out of public schools. Let's not let demagogues in and out of Congress destroy our public schools and our faith in the Constitution and the national government through which we are one great indivisible nation.

Peace.

Deed Restrictions a Covenant

As hundreds of new families move into Bandera County yearly and city housing becomes ever more scare, available rural home sites become the primary locations of choice. Many rural area home sites are available to accommodate a variety of housing styles. Some rural home site developments have been platted and registered in the County Courthouse with property restrictions as to dwelling size; composition, lot size, etc. Some County restricted subdivisions have recently experienced violations by landowners placing or allowing placement of prefab "mobile" homes on properties in violation of deed restrictions. When each owner purchases restricted property the signed contract represents a covenant that he will abide by those restrictions. When that covenant is dishonored, the property owner has violated his word and the trust of his neighbors.

The question then arises, "Who is responsible for enforcement of County approved and/or accepted platted subdivisions property deed restrictions?" This writer's copy of his subdivision restrictions (which is included by reference in his General Warranty Deed) states, "Bandera County Commissioners Court is included as a member with standing to enforce these restrictions." This question is on the agenda to be addressed at the Bandera County Commissioners' Court meeting on the 20th day of April, 1998 at 10 a.m. in the hope our County Commissioners will provide guidance and support in the resolution of this growing problem. Attendance is encouraged if this question is of concern. Requests to address the court are required in the County Judge's office at least 72 hours prior to meeting time.

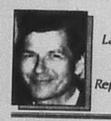
Protect the honor of citizenship

Your Voice in Washington



by Lamar Smith
U.S Representative

Citizenship is the highest honor our nation can bestow. No country has been as generous as has the United States in inviting people from other lands to enjoy the full rights and privileges of citizenship.

The House Immigration Subcommittee, that I chair recently held hearings on the "Naturalization Reform Act" I authored to protect the high honor of citizenship for all Americans.

Congress is still learning the extent of the damage done two years ago by the administration's "Citizenship USA" program. A quarter of a million people were granted citizenship with either incomplete or no criminal background checks during the election year of 1996.

As a result, the Immigration and Naturalization Service is trying to strip citizenship from at least 6,000 individuals who were not qualified for this precious honor.

The "Naturalization Reform Act" will prevent this abuse of citizenship from happening again. The legislation will:

- Bar from citizenship individuals who have committed deportable crimes.
- Require that criminal background checks be completed before citizenship can be granted.
- Greatly increase scrutiny of the citizenship process.

These are common sense rules. Some of them already exist in the form of administrative regulations. But they were not enforced during the administration's "Citizenship USA" program.

Among those who have suffered the most due to citizenship abuses are the millions of aspiring immigrants who are qualified to be U.S. citizens.

In the San Antonio INS District alone, there are more than 23,000 immigrants who have been forced to wait unnecessarily for more than a year to become citizens. It's not fair to ask those who have worked hard to learn English and how our democracy works to wait that long.

Those who have shown their willingness to contribute to our nation and who have passed all the tests should be sworn in as citizens as quickly as possible.

Given new technology the INS is using, it seems reasonable to reduce the waits for qualified citizenship applicants to 90 days. But ironically, immigrants are being asked to wait even longer than the current average of more than one year even as new technology is being used.

We should grant citizenship to those who are eligible, deny it to those who are not eligible and do it all quickly, consistently and efficiently. Taxpayers need to be assured that their money is creating solutions to the problems we have had with citizenship. But instead they are getting more red tape.

House approves $218 billion transit bill

AUSTIN — The U.S. House last week approved its version of a bill that would pump $218 billion into the nation's highways and mass transit systems over the next six years. Texas' share of the amount under the House plan, would be $1.9 billion a year. Under a similar bill passed earlier by the Senate, Texas would receive slightly less—$1.86 billion a year.

"Both the House and Senate bills give Texas an improved rate of re turn on what we send to Washington in federal transportation (gasoline) taxes," said Texas Transportation Commissioner David Laney, who added that ultimate success will be a combined bill that preserves the fairness of the House and Senate bills.

House and Senate members in charge of combining the bills will have to decide how Congress will get states to toughen drunken driving laws through incentives or penalties.

In addition, the House bill includes about $440 million for about 60 transportation projects in Texas; the Senate bill has no such provision.

Congress will have to find money by cutting other federal programs to help pay for the transportation program.

Inmate Costs Discussed

In a discussion of medical treatment of prison inmates, the Senate Criminal Justice Committee learned two things last week: that it costs more to keep older inmates healthy and the number of Texas prison inmates is growing due to longer sentences and new laws that stiffen parole requirements.

As of Jan. 1, Texas had 9,130 prisoners age 50 or older—a 15 percent increase from a year earlier and more than double the number of that group four years ago.

At the meeting, committee chair man John Whitmire, D-Houston, said elderly prisoners with terminal illnesses who pose no risk to society should be allowed to leave prison to die at home with their families.

Under the state's managed health care system, the cost per doctor visit for inmates age 55 and older is $14.50. And, the cost for drug therapies for inmates with HIV is projected to rise to more than $18 per day per patient by the end of the fiscal year.

Court Rejects TEA Suit

On March 31, the U.S. Supreme Court rejected a lawsuit that would have freed Texas of certain federal requirements when stepping in to manage a school district with serious financial problems. Justices said the suit was premature because it raised potential, not actual, circumstances.

At issue was the amount of time state officials have to wait to intervene, under present law, when conditions in a given school district have badly deteriorated.

"When a district is in critical shape," Debbie Graves, a spokesman for the Texas Education Agency, told the Dallas Morning News, "we need to be able to act quickly to protect the interests of schoolchildren. That is why this lawsuit was filed."

The suit was filed after Education Commissioner Mike Moses appointed — with federal approval—two "masters" to oversee the Wilmer-Hutkins school district two years ago.

Moses said he was disappointed at the court's rejection of the suit, but still believes the state has a right to intervene in school districts when circumstances warrant. "At such time as that need again arises, we will proceed in a manner that is in the best interests of the children and defend our right to do sb if challenged," Moses said.

State Capital Highlights

Other Capital Highlights

- Insurance Commissioner Elton Bomer last week ordered mandatory discounts, beginning May 1, for hail-resistant metal roofs and created an endorsement on homeowners policies to deal with cosmetic damage. Homeowners will be eligible for homeowner discounts as high as 35 percent, depending on the area of the state where they live. Companies have the option of offering discounts for homeowners who installed hail resistant roofs prior to Feb. 17, the Texas Department of Insurance said.
- The Austin American-Statesman reported last week that despite an increase in applications from students of all races, the University of Texas has offered fall admission to fewer black freshmen and almost the same number of Hispanics as a year ago. The figures indicate an ongoing effect from the federal court decision known as the Hopwood ruling, which prohibited the use of a race based admissions policy.
- Former Texas Department of Corrections executive director Andy Collins has been indicted on eight counts related to an alleged conspiracy to ensure that Canadian company VitaPro received state contracts worth $33.7 million in 1995.
- Texas exports grew 14 percent last year — to $84 billion — outpacing the national growth rate. Texas exports increased to $84 billion in 1997. California was the only state to export more goods than Texas last year.

Cookoff, dance set for Saturday

The Corral will be closed Good Friday, April 10, but the weekend has some interesting and fun events planned. On Saturday, April 11, The 11th Street Cowboy Bar is staging it's Second Annual Chili Cookoff and Street Dance as well as Gary Wright's Birthday Bash and an Auction Benefiting the Silver Sage Corral Senior Activity Center. Check in time for the chili cookoff is noon Saturday and judging will be at 6 p.m.

The First Annual Chili Cookoff was a tremendous success and extremely profitable for the Corral. If you have an item or items you can donate for the auction or have any questions concerning the cookoff, call Suzanne at 796-4849. You can kill two birds with one stone - have a great time and also help a very worthy cause. Come join us!!

On Easter Sunday afternoon, April 12, the Doc Meador Combo will be performing here at the Corral between 2 and 4 p.m. There is no charge for this event. The Combo plays a variety of music, country, popular and the "oldies" as well. Great for just listening, dancing and visiting with friends. Come on down.

Changing subjects 360 degrees, I have recently had the good fortune(?) of having a very affectionate stray cat show up at my house. After feeding it for four or five days, it showed up with a broken hind-leg.

So, after a sizable vet bill for the cast and rabies shot, it suddenly occurred to me that there might be a possibility the cat (I call him Buddy) might actually be lost rather than a stray. He's probably around six or eight months old, extremely laid back, friendly and house broken. If you think this could be your cat, give me a call at 796-4969.

My cat, "Peepers", the one I already had, will not speak to me or come in the house now that Buddy has moved in. He has to stay in the house until the cast comes off. Of course, it was Peepers who accepted this cat in the first place. Guess it's different when one has moved in and taken over your territory. Life can be such a dilemma.

May Festival just around the corner

Things are buzzing as usual out here in sunny downtown Wharton's Dock. Lots of folks suffering with Spring fever in more ways than one. We're stuck somewhere between oak mold and oak leaf clean up time. But, oh this time of year is worth it! The wild flowers and new Spring landscape makes even driving down Wharton's Dock obstacle course worth while.

Bob Rucker had a bad bout with his back which landed him in the Methodist Hospital for a couple of days. We're glad to see you up and around again. You can't keep a good man down!

Art Cortez helped Bob conduct the LSVFD fire training Sat. April 4th. Bob gave a lecture type lesson from his wheel chair, while Art conducted the hands on fire fighting exercise outside. The department now has a complete set of bunker gear for 13 fire fighters and is hoping we will pick up some new volunteers to train with the onset of summer. The department is adding new gear to the new fire truck as we can afford it. Bob Rucker is proud to announce that we have acquired a sponsor for the badly needed helipad. He will be contacting the contractors and construction should begin soon.

Robin Cook is collecting items for the Flea Market for the upcoming May Festival for the LSVFD. That's just around the corner folks, so anyone having donations please contact Robin at 460-8116.

Due to Bob's bad back, Scott Stewart, Vice Pres. of LSVFD will be appointing someone to help with the auction. Diana Haley is helping with the [illegible] volunteers to over see the games. Please contact Diana at 96-8237. Teenagers are welcome.

Special condolences go to our long time friend this week, Mary Kay Andreas on the loss of her grandson Ron Keller who was killed in an auto accident in [illegible] you in your time of sorrow, Mary Kay. We're all thinking of you.

Marietta Overholser has had visitors the past two weekends. Last week he daughter Debbie and her husband This week her son Dewey, his wife Elizabeth and their two children came from Bastrop. Marietta said both Bill and Dewey stayed very busy cleaning and repairing the out side of her house and working in the yard.

Visiting the Walker Memorial Baptist Chapel this Sunday was Bro. Bob Schmeltekoph, Director of Missions for the Medina River Baptist Association and his wife Betty accompanied him.

There has been a great deal of noise being made about the noise and fast cars on the dirt road known as Beach Shore Drive that runs along the slough behind Wharton's Dock Rd. There are always small children and animals back there. Unless something is down to slow this traffic down, neighbors are concerned that someone will be hurt.

B. T. Chavarria and his wife celebrated their 47th wedding anniversary April 8. They have four children; two daughters, Rose Diana and Janet Marie and two sons, Gerald and Robert. Congratulations and may you have many more. The Chavarrias were also blessed recently with the birth of their first great grandson, Caleb who was born at Peterson Memorial Hospital weighing in at 6 lbs. 6 ounces on March 24th.

My husband Curt and I traveled to the Rio Grande Valley for my mother's memorial which was held in McAllen on Saturday at the First Presbyterian Church. Also traveling from this area were my daughter Kathryn Robinson, three of her children, of Bandera, Lisa Jung and Cory Flores of Wharton's Dock, Buddy Jung and his wife Jennifer and his three sons. My Brother and his family from Marble Falls were there and my niece Jere Jean and her husband, Don Osborn from Rosesharon represented my brother from Port Hadlock, who was unable to attend due to poor health. There was an outstanding turn out of family members and old friends.

Happy Birthday to my grandson Logan Matthew Jung who turns 7 years old April 7. Also,

Wharton's Dock & Lake Medina Shores

Happy Birthday to his mama, Jennifer on April 11.

The good neighbor award this week goes to Robert McGregor "Mr. Mac" who was kind enough to help me get an E-Mail to the paper in the Valley of my mother's obituary. I couldn't have made that deadline without him. Thank you, Mr. Mac from the bottom of my heart.

Tip for the week: Next weekend is Easter. Be safe and be prepared and don't expect to get a good meal at the Copper Lantern because they are going to be closed.

Learn how to get funds at grant writing seminar

The Alamo Resource Conservation and Development Area, Inc., a nonprofit organization, is sponsoring "Grant Writing for Professionals: Proposal Writing I" April 21-23, 1998 at the Abundare River Ranch.

More than 174 billion dollars are available from non-governmental sources to be given in grants each year in the United States. Accessing these funds requires skill in proposal research, evaluation, and writing. Grant writing or proposal writing is a recognized profession and becoming a necessity for the survival of many nonprofit organizations.

At this seminar, participants may learn all about grant proposal writing from Dr. Don Udell, a well-known professional who has written, reviewed and awarded grants from various foundations. The Abundare River Ranch is a 600-acre plantation estate located in the Hill Country just four miles from Bandera. The Medina River has sculpted this unique and diverse terrain, providing easy access to swimming, tubing or fishing.

The seminar is open to the general public. Anyone interested in learning how to write proposals is urged to attend. Follow-up courses are also available including how to set up a foundation. For additional information contact Bertha Venegas or Rita Davis at 830-426-5516.

Pain may be eliminated for millions

(SPECIAL) -- A drug that is exciting researchers in the treatment of pain has been formulated into a new product known as **"Arthur Itis,"** and is being called a *"Medical Miracle"* by some, in the treatment of debilitating conditions such as arthritis, bursitis, rheumatism, painful muscle aches, joint aches, simple backache, bruises, and more. Although the mechanism of action is unclear, experiments indicate that **Arthur Itis,** relieves pain by first selectively attracting, and then destroying the messenger chemical which carries pain sensations to the brain, thus eliminating pain in the affected area. **Arthur Itis,** is available immediately without a prescription in an odorless, greaseless, non-staining cream or new roll-on lotion form. **Arthur Itis,** is guaranteed to work or your money back! [illegible] Use only as directed.

The Utopia Chapter of Lions Club will celebrate their 50th anniversary on Thursday, April 9 with a special meeting at 7:30 p.m. in the Utopia School Cafetorium. All Lions are invited to bring their spouses and a friend or both. This meeting promises to be a memorable one. Hope to see you there.

Birthdays:

April 13-D.J. Jordan and Michael Hillis

April 15-Bill Dean and Ward Simmons

April 17-Claire Caraway

April 19-Janna Davis

April 20-Thomas Mauldin

April 25-Frank Jones, Jr.

April 26-Darlene Jones

April 29-Velma Mumme

Anniversaries:

April 24-Mark and Marie Hall

Utopia Medical Clinic held their annual Healthfest on April 4 at the Community Building in Utopia. Some of the booths at the fest included the Alzheimer's Association, Adult Protective Services, Utopia EMS and Fire Department. The Uvalde County Health Department gave Hepatitis and Tetanus shots. Clin-Labs was available for blood work and the Blood Bank did very well taking blood. The Lions Club Mobile Eye Screening Unit was a huge success. The unit was able to service 62 people during the course of the day. The employees of Utopia Medical Clinic hope that you will return to the fest next year and make it a success as well.

Utopia Lions Club will host their Annual Auction and Bake Sale on Saturday, April 25 starting at 1 p.m. at the Utopia Community Square.

All proceeds will benefit local organizations. For more information on the auction or to donate auctionable goods, please call Craig Vandiver at 966-2360.

The Easter "Sonrise" Service will be held on Sunday, April 12 at the Vanderpool Tabernacle. This service is sponsored by the Vanderpool Cemetery Association.

Everyone is invited to attend. There will be coffee and hot rolls served after the service.

Cultivating friendship

The Madrona Garden club passed out free Bur and Shumard oak trees at their second annual Plant Sale, held April 4 at the lot adjacent to the Norwest Bank in Bandera. In the past the Madrona Garden Club has planted trees at most of the churches, the library, museum, and the nursing home.

VFD gearing up for spring BBQ

Over the Back Fence

by Marion Heisler
612-2509

Hi y'all! Well, we are still here, contrary to what we said last week. We have too many roots down too deep to ever take off on such an adventure. Shoot, we can't even take time for a vacation!

All the folks at the Medina Lake VFD are getting geared up for the Spring Barbecue. The Ladies Auxiliary is still looking for donations of hand-crafted items for their raffle. Gladys Heisler tells us they have a handmade quilt as first prize and can use any other such items. Gladys also wanted us to remind all that there will be work days on April 18 a Saturday, and April 22 and 24. These work days are a lot of fun and rarely last more than half a day. We look forward to seeing you there.

We had a very bad accident last Thursday night in Mico's area. Our rescue truck and ambulance responded with units from Mico and Castroville. This tragic scene was a demonstration of how different departments can work together. The extrication went like textbook. The triage and treatment went off smoothly with EMTs and Firefighters and Air Life Technicians working together to treat and load and transport five patients in such a short time. We want to say a mighty "well done"-to all who had a hand in this scene. Scenes like this justify all the hours of training all involved have participated in.

The EMT class in Bandera was canceled because of lack of students. Surely there are more people out there who would like to help. We are going to start a first responder class at the MLVFD at the end of April. Maybe you would like to come take a short course to see if your would enjoy the work. Contact us or chief Jim Sharp at 612-2648. You might find it to be as enjoyable as we do.

The Lakehills Baptist Church will be holding a Revival April 19-22. The Evangelist will be John Rodgers and the music will be by David and Sherry Blow from Helotes First Baptist and Bump Gate Road. We have known David and Sherry forever and we know you will enjoy their music along with the Revival message. The nursery will be open the same hours which are 7 p.m. till. This revival is sponsored by the Lakehills Baptist Church and Pastor Bill Mosely. The church is on the hill above the intersection of 1283 and Park Rd. 37.

Well we are late so we better get this in. We will be looking for you over the back fence.

Apple Fest offers cash for t-shirt design

Medina Texas Development Corporation is looking to harvest some great ideas for the official Eleventh Annual Texas International Apple Festival tee-shirt design contest.

One hundred dollars will go to the artist whose creation will be emblazoned across the official festival tee-shirt, which will be sold at the festival, slated for August 1 in Medina.

The maximum size for drawings is 12 by 14 inches, and designs must include the words "Eleventh Annual Texas International Apple Festival," and "Medina, the Apple Capital of Texas." The date of the event, August 1, 1998, must also be in the drawing, as well as the words "Eleventh Annual."

"The contestants have to submit the drawings in color," said Genie Strickland, festival coordinator. "They can be done with colored pencils, felt tip pens or watercolors. It does not have to be painted, or ready to go onto the shirt, but it must be in color."

Up to four colors may be used, including black. The drawing should symbolize the Texas Hill Country apple industry.

Entries may be dropped off at the Apple Festival office in Medina, or may be mailed to Festival T-Shirt Contests, P.O. Box 125, Medina, TX, 78055.

The deadline for entries is May 5. For more information, call Peggy Rather at 589-7224.

And the hunt is on...

Although only nine months old, Madison Aycock was pleased as can be by the Easter Egg she retrieved at Saturday's hunt at Norwest Bank.

Laden with eggs, the youngsters at Saturday's Norwest Bank Easter Egg Hunt gather for a group photo. Danise Leal, Richard Lee Heinen and Rose Marie Alfaro gathered "special" eggs, and were rewarded with stuffed animal toys.

Moseleys celebrate 50th anniversary

William (Bill) and Lola Moseley of Medina were honored with an open house at the Rayan Hall of the First Presbyterian Church of Kerrville on Saturday March 21, 1998 in observance of their 50th wedding anniversary.

Hosts for the occasion were their children: Kathy Riley of Daisetta, Texas, Larry Moseley of Glen Rose, Debra Taylor of Batson, Texas, Carolyn Hughes of Ingram and Mike Moseley of Kerrville.

The Moseleys were married at the First Presbyterian Church in Kerrville on March 20, 1948 by Dr. William Logan.

They have 14 grandchildren and five great-grandchildren. All of the family was present with exception of four grandchildren and one great-grandchild.

The Moseleys are deeply grateful to the 152 guests that signed the register and others that responded to their anniversary celebration.

Also in attendance were Hattie (Hough) Samuelson who was bridesmaid at the wedding, and Wesley Moseley who was his brother's best man.

Bill and Lola retired from the pastoring ministry in 1992 after 42 years of serving Baptist churches throughout Texas and returned to the ministry at Lakehills Baptist Church at Lakehills in 1996.

Blood drive benefit set

There will be a blood drive in benefit of Kathy Williams of Medina, who has been diagnosed with cancer. The event will be held on Monday, April 20 from 3:30 to 7 p.m. at the Medina Garden Club Center, in the South Texas Blood and Tissue Center vehicle in the parking lot. The drive will not only replenish the blood supply, it will also help defray the medical costs for the Williams family.

To donate blood you must be in good general health, between 17 and 72 years of age, weigh at least 110 lbs. and cannot have donated blood within the previous eight weeks.

The center asks that all donors present some form of identification which includes date of birth, Social Security number or photograph. For more information, please contact Rose King at 796-8174.

Museum features quilling

A display of quilling, a 14th Century paper art, by local resident Toni L. Christenson is featured through the end of April at the Frontier Times Museum in Bandera.

Included in the display are Easter Eggs, wooden eggs decorated with brightly colored bunnies, daisies and bluebonnets, all crafted from paper.

Angels, some made from over 90 feet of paper, and plaques decorated with flowers and angels, are also included in the exhibit.

Christenson, now legally blind, continues doing the craft of quilling by touch. "Paper Quilling," a new book by Malinda Johston, features one of Christenson's angels. A copy of the book may be found at the Bandera County Library.

The Frontier Times Museum is located at the corner of 13th and Pecan streets in Bandera.

Good News!
Osteoporosis
is Preventable and Treatable

OSTEOPOROSIS—a potentially crippling disease characterized by the loss of bone tissue and a susceptibility to fracture afflicts an estimated 25 million Americans, 80% of whom are women. Annually, this disease accounts for 1.3 million debilitation fractures, mostly of the weight-bearing hip and spine.

Are you at risk?
Your chances of developing Osteoporosis are greater if you are female and answer "yes" to any of the following questions:

Are You?
- Light skinned
- Thin or small framed
- Approaching or past menopause
- Milk intolerant or have a low calcium intake
- A cigarette smoker or drink alcohol in excess
- Taking thyroid medication or steroid-based drugs for asthma, arthritis or cancer

Do You Have?
- A family history of Osteoporosis
- Chronic intestinal disorders
- A sedentary life-style

The diagnosis and treatment of osteoporosis should begin with an objective, quantifiable measurement of the patient's bone mass or bone density.

Bone density scan, a non-invasive procedure, safely, accurately and painlessly measures bone density and the mineral content of the bone.

Business

At a recent national safety award were, left to right: Arthur Anderson, Lee Field, Merry Field Banks and Dr. Ricardo Martinez.

Banks honored with national safety award

Merry Field Banks, daughter of Lakehills residents Jay and Lee Field, recently received the national safety award, "Moving Kids Safely." Banks received the award in Sacramento, California from Arthur Anderson, director of the California Office of Traffic Safety Administration in Washington, D.C.

Her mother was present to see her receive the award. Banks is the safety education manager for the California AAA Auto Club. She also is chair of the California Coalition of Driving Under the Influence board of directors.

She graduated from North Texas University and has written several children's books.

Anderson is featured speaker

Anderson

Local financial advisor, Dan Anderson, Jr., was the featured speaker at the monthly meeting of the Central Texas Land Brokers held March 26 in Castroville. Central Texas Land Brokers is an association of proven, large-acreage land brokers located in Central and South Texas organized to exchange information on available properties and to discuss changes in the real estate profession.

Anderson's topic was wealth accumulation and tax avoidance. Anderson, in business since 1982, is associated with Lincoln Financial Advisors with offices in El Paso, Midland and Bandera. His practice has a focus on wealth accumulation and retirement planning.

Local FWI members to attend conference

The Hill Country Group of Financial Women International will host the annual District Spring Conference April 16-19 in Kerrville at Inn of the Hills Conference Resort. Approximately 150 members from the Texas district will attend. FWI members in our area include Susan Goodwin, Nancy Seals, Linda Lee, Brenda Beaty, Carol-Anne Boyle, all of Norwest Banks; Elizabeth Batto of Bandera Bank; and Marianne Wofford of A.G. Edwards & Sons, Kerrville.

FWI connects women in all segments of the financial services industry and empowers them to attain their professional, economic and personal goals. The April conference provides a Leadership Skills Forum for members as well as exceptional speakers presenting program topics designed to enhance professional and personal development. For further information, call Beverly Brown, 830-426-3006 or a local member.

Hondo bank to open first branch in Bandera

The Hondo National Bank, an area independent bank with diversified South Texas ownership, has applied for approval to open a branch in Bandera, according to an announcement by James W. Danner, chairman of the board and president.

According to Danner, the bank has entered into a contract to purchase a parcel of land in Bandera on Highway 16 at the corner of Fourteenth Street and will begin construction on a bank building as soon as the Office of the Comptroller of the Currency approves the application.

One of the oldest banks in South Texas, the Hondo National Bank serves customers throughout Southwest Texas from its location in Hondo. This will be the first branch facility for the bank.

"Bandera County is one of the fastest growing areas in the country and we want to be a part of this," Danner said. "We will bring a home-town community banking philosophy to Bandera with one-on-one service, with the customer's needs coming first."

The bank's diversified Board of Directors reside in Hondo, Yancey, Uvalde, San Antonio, Encinal and Laredo.

Kerrville group acquires Bandera medical clinic

On February 1, the Bandera Family Practice Clinic was acquired by Guadalupe Physicians Group of Kerrville.

This is the first outreach clinic acquired by the Guadalupe Physicians Group. In addition to supplying managerial, billing, collection, and operational support to the clinic, the physicians in GPG will be establishing specialty care days in the Bandera facility.

Dr. James C. Womack and his staff will still be in the same location and maintain the same office hours. According to Alan Himmelstein, administrator at GPG, it was a "win-win" situation for both facilities.

"The specialty physicians at GPG see a lot of patients from the Bandera area and we wanted to increase our presence and support in that community. Dr. Womack has been established for many years in family practice and often has to refer a patient to a specialist which we can provide. So it was an inevitable match that benefits both parties," he said.

Dr. Womack agreed, saying, "By affiliating with such a large multi-specialty clinic, I can offer better medical care to my patients and to the citizens of Bandera."

The clinic is located at 1300 Cedar in Bandera and is open Monday through Friday from 8 a.m. until 5 p.m. and Saturday from 9 a.m. until 1 p.m. Appointments can be made by calling 796-7713. The South Texas Family Eye Center located in the same building is not affected by the acquisition.

Barrel House Feed becomes Evergreen Mills dealer

Barrel House Feed and Hardware, 11692 State Highway 16 South in Pipe Creek has become a dealer for Evergreen Mills, Inc.

Barrel House Feed and Hardware carries many Evergreen feed products and can provide nutritional advice for livestock, horses, and pets.

Evergreen Mills, Inc., with headquarters in Ada, Oklahoma, and its affiliated feed companies, Blue Seal Feeds, Inc., in the Northeast and Kent Feeds, Inc., in the Midwest, are recognized as developers of many revolutionary products, feeding concepts, and programs that have improved the efficiency of independent livestock producers.

It's official!

Country Depot owner Rheann Walker slices the bow and makes it official at a Bandera Chamber ribbon cutting at her two-year-old shop at 311 Eleventh Street in Bandera. The store features antiques, resale and consignment, gently-worn clothing, western wear and good household furnishings.

College scholarship offered in 1998 CCRA Queen's Contest

The Cowboy Capital Rodeo Association of Bandera will award college scholarships to the winners of the 1998 queen's contest, to be held May 9.

There will be two different age divisions offered: the Teen Division for ages 13-17 and the Miss Division for ages 18-24.

Contestants must live within approximately a 100 mile radius of Bandera County, be proficient in horsemanship, possess communication skills and be able to coordinate and wear western attire appropriately.

The interview and horsemanship portion will be held at Mansfield Park. The girls will be required to wear the same outfit for the entire day. The winners will not be announced until the Saturday night performance of the Open Pro Rodeo.

This will allow the contestants to participate in all of the rodeo activities such as riding in the Grand Entry, carrying sponsor flags during the performance of the rodeo, the rodeo parade, the Cowboy Golf Tournament, and any publicity function associated with the rodeo.

On the morning of May 9, at 9 a.m., the contest will begin with modeling of western attire and answering impromptu questions at Mansfield Park. The contestants will then have five minute interviews with the judges. All contestants will perform a designated horsemanship pattern later that afternoon. A copy of the horsemanship pattern will be furnished to each entrant prior to the contest.

As rodeo queen, the winner will preside over the 1998 Memorial Day Weekend Rodeo, which will be held on Friday, Saturday and Sunday, May 22, 23, and 24 at Mansfield Park in Bandera. She will also be expected to attend media functions and represent the CCRA at [illegible] parades and other rodeos.

Besides the college scholarships, the winners will receive a rhinestone tiara, embroidered satin sash, a beautiful trophy buckle and many more wonderful prizes. Depending on the age of the winner, she will also be eligible to enter the Miss Rodeo Texas or Miss Rodeo Texas Teen Pageant.

The first runners-up will be designated as CCRA Princess and will receive rodeo sashes and other awards. She will also be invited to participate in our local rodeo activities. There will also be a beautiful handmade silver and gold bracelet awarded to the contestant who sells the most pre-sale rodeo tickets.

Young ladies interested in entering the contest may request an application by calling Pattie Reynolds at 830-460-3868. The deadline for submitting the application is May 1, 1998. There is a $20 entry fee.

Obituaries

Selph

Glenn Selph, 72, died April 1, 1998 at his home in Lufkin. He was born February 15, 1926 in Lufkin, the son of Fraank and Mary (Driggers) Selph.

He was a retired insurance adjuster for Lindsey-Newsome, following 15 years of service. He served in the U.S. Navy during World War II. He was a charter member of the Rock Lake Hills Baptist Church in San Antonio. He was a former resident of Bandera County, Corpus Christi, San Antonio and Beaumont.

Survivors include his wife, Kathy Selph of Lufkin; daughters and husbands Barbara and Steve Burke of Colorado Springs, Colorado, and Glenda and Jim Williams of McDale, Texas; stepsons John Bridges Jr. of Huntington, Dennis Bridges of Lufkin, and Randy Bridges of Nacogdoches; stepdaughters Kathy Johnson and Patty Bridges, both of Lufkin; sister Alpha Allen of San Antonio; three grandchildren; six stepgrandchildren; and four greatgrandchildren.

Graveside services were held Friday, April 3 at the Hillcrest Cemetery in Lufkin, Rev. Hendricks Maxwell officiating. Arrangements by Gipson Funeral Home in Lufkin.

Diggs

Brandon Ross Diggs, age 5, of Pipe Creek, died Monday April 6 in a Houston hospital. Services will be held April 9 at 10 a.m. at Pipe Creek Cemetery. A full obituary will follow in next week's Bulletin.

Alvis

James Chester Alvis died April 5, 1998 in Dallas. He was born July 29, 1903 in Thomas, Oklahoma to Effie Falen and William Alvis.

He was preceded in death by his wife, Jewel McCain Alvis, his son-in-law, William August Hudel, his grandson, James William Hudel, his brothers, Floyd and Elmer Alvis, and his sisters, Sadie Shoupe and Leona Delamertes.

He is survived by his daughter, Chestella Hudel Millican of Dallas, his granddaughters, Mary Hudel Rinne and her husband, Erik, Nancy Hudel Parten and her husband Mark, and Joanie Hudel Patrick and her husband, Guy. His great-grandchildren are Peter and Jimmy Rockwell, Ronnie and Kristen Parter, and Kyle and Bailey Patrick-who called him "little Grandpa." His surviving sister is Suella Schwab.

Mr. Alvis was a graduate of Southwestern University of Oklahoma (1928) and North Texas University in 1943 (M.A.) He served as superintendent of schools in Temple, Oklahoma, and in Byers, Springlake, Bandera, and Nordheim, Texas, and retired in 1968.

He and his wife were both P.T.A. life members. Mr. Alvis worked diligently in each school he served to raise its quality by consolidating it with smaller schools in the area. He had a profound and lasting influence on the youth in the Texas and Oklahoma schools where he coached, taught math, and served as a school administrator for 45 years. He encouraged his students to believe in themselves and achieve all they could. The 1949 yearbook from Bandera carries his message: "True education leads to a way of life and philosophy of living that fill the mind with satisfaction and draws the soul closer to God. It teaches us, upon seeing a neighbor bending under the cross of adversity and disappointment, not to look idly on, neither pass by on the opposite side, but to render whatever assistance is possible. It teaches us if a neighbor be deceived, to tell him the truth; if he is slandered, to vindicate his cause; for although in some instance he may have erred, still, we should realize that indiscretion in one should never destroy decency and humanity in another."

He coached two 1936 Olympic wrestlers and ten Oklahoma state football championship teams. In his retirement he served as Mayor of Nordheim and Director of the De Witt County Soil and Water Conservation. He was active in Boy Scouts, Lions Club, and celebrated more than fifty years as a Mason and member of Eastern Star. He was a life member of Texas Association of School Administrators. To his family, he was the greatest teacher of all. By example, he taught us to be loving and caring and to accept with dignity life's losses and rewards. A celebration of his life will be held at First Methodist Church in Hydro, Okla. on Wednesday, April 8, at 10 a.m. Rev. Jim Beverly and Rev. Roger Parker will officiate. Graveside services will follow in Bridgeport, Oklahoma. Lockstone Funeral Home, 210 N. Cluster, Weatherford, Oklahoma.

Hicks chosen in model search

Tara Hicks was selected by three model agencies: Elite, Karin and Empire, while participating in a Model Search Convention in Houston on April 4th and 5th. She is the daughter of Nancy and Greg Hicks of Bandera.

Two art exhibits showcase locals

Takes me forever to get used to this new change of time. Wish they would just leave it alone

For all of you who have not taken the drive to Willow City on Highway 16 out of Fredericksburg you are missing some gorgeous scenery and bluebonnets. I've heard about it for years but just got around to making the drive this past Sunday. And it isn't that far from Medina.

It is awesome, simply awesome. All the outcroppings of huge sandstone rocks and bluebonnets going forever into pastures and even river bottoms.

I wondered just how in the world did they get all those flowers started? It is really worth the drive.

Then we continued on up Highway 16 to Llano for lunch and that road is loaded with flowers.

From there we drove over to Sun City, Georgetown to see what the attraction is there and then back home. Nice day out.

Blood Drive

Blood drive next Monday, April 13, at the Garden Center for Kathy Williams from 3:30 until 7 p.m. Kathy is still at home.

Don't play games with God

Everyone, who does not serve God right now, has an excuse as to why. Ninety-five percent of the non-believers or near-believers share the same excuses. Their excuse may be valid in their minds, even though the excuse may not be valid at all. Doubting the Bible is the number one excuse: "Well, the Bible was just written by man." Or: "The truths of the Bible have been lost by so many translations." Or: "Everyone interprets the Bible in a different way."

Offensive people in churches, is the number two excuse: "Every church I've ever gone to is full of hypocrites." Or: "The last time I went to a church, the guy told me that if I didn't wear a long dress, I wouldn't go to Heaven." Or: "Every preacher I've ever heard, is always asking for money."

As a believer, if you do not have answers to these type excuses, it is extremely difficult to witness Jesus. You have to be able to break through the initial barriers, before you can get to the really good stuff that God has for people. If you are with a person who is blind, showing them a beautiful flower will not accomplish a thing, unless you can heal their eyes first, so they can clearly see the beauty in the flower.

If you are a believer reading this article, you'll see a logical approach to spreading the news about fantastic healing and restorational gifts God gives to those who are born again (Read John 3: 1-8). If you are a non believer reading this article, you will find that you are not alone in the maze of discovering the truth, of why you are here and alive on this earth. (Read John 8:31-32, II Timothy 3:15-17, and II Peter 1: 20-21.)

Pertaining to the number one excuse given by people, it is interesting to know there are hundreds of thousands of books that have been written throughout time. But the Bible is the only book that God said He wrote. So I must ask you: "Is He a big enough God to write and protect one book or not?" If He is not big enough to do this task of preserving the Bible, and protecting it until the year 1998, so I can learn how to put my messed up life back together in a manner which pleases God, then He is not a big enough God for me. I'd rather be at the river tubing.

Pertaining to the number two excuse given by people, it is equally interesting to know that there are 39 denominational type religions, which claim that their way, is the only way to God. In John 14:6, Jesus said; *"I am the Way the Truth and the Life, and no man comes to the Father except through Me."* In other words, Jesus said there is only one way to the Father. If these 39 religions do not preach the exact same Gospel that Jesus preached, then there is a good possibility that all 39 of them are wrong. Not any one church is the way to God. GODS WAY IS THE ONLY WAY TO GOD. Not all churches are good churches. Just because "Church" is posted on the outside of the building, doesn't automatically mean that God is on the inside of the building. Going to church will not give you a relationship with God. Going to New Vision Church, will not give you a relationship with God. That is something you must do on your own. God and you must come to terms. If you look at the people in a church, sooner or later, they will let you down. But this is not an acceptable reason, to not go to church. There are steps you must take to establish a relationship and agreement with God. All I [illegible] those steps. But then it is up to you to make a quality decision to accept Jesus, as your very own personal Savior and Lord, and then begin to seek Him diligently or not. (Read Hebrews 11:6)

If you truly want to be a Child of God, you must earn that right by receiving Jesus into your Heart. (Read John 1:12). If you choose to do this, God will keep His part of the agreement, and you will feel His presence and His love. So if you choose to accept Jesus, make sure you mean it. Don't play games with God, and He won't play games with you. In God's eyes, this is serious business. (Read Romans 10: 9-13) and then...

Christian musicians needed for local day of praise

It's not too late for area Christian musicians to get their application forms from the Bandera County Chamber of Commerce and participate in "Praise, Down by the Riverside." The day of praise, sponsored by the Bandera Music Lovers, will be held at the Beverage Barn on Saturday, April 25, starting promptly at 10 a.m. The San Antonio Choral Society will open the program with a soul-stirring rendition of "Down By The Riverside."

A chuckwagon lunch will be available for purchase. The event is free and open to the public. A trail ride, "Riders For The Lord", will end their ride at the Beverage Barn that morning. Musicians from as far away as Houston and Galveston have already sent in their application forms and Bandera County is due for a real spirit-filled day. Local Christian musicians are especially encouraged to call the Chamber at 796-3045 and turn in their application forms.

PASTOR ROY'S SERMON IN A NUT SHELL
How well does a toaster work before you plug it in? If you did not know it needed to be connected to a source of power, all you would have is toaster parts. You would have to read the owner's manual to find out the proper steps, of how to turn your toaster parts, into an effective toaster. God gave us an owners manual to teach us how to plug into the Power of God. The Bible. This is the only way to be effective Christians. If you are not plugged into the Power of God, all you are at best, is Christian Parts! *Read Acts 1:4-8, Luke 24:49.* Be real with God right now.... Do you have any real Power, or are you just Christian Parts?

Learn to use your computer

Beginning April 7, Hill Country Elementary will offer a new adult computer course. "Using Microsoft PowerPoint" will be held April 14. The session will be held from 6:30-8:30 p.m.

[illegible] explaining how to use PowerPoint to create professional looking handouts, advertisements, overheads and more.

Topics covered include: using the PowerPoint Wizards; setting up a slide show; using the build in templates; and inserting clip art. The cost for this class is $10 per person.

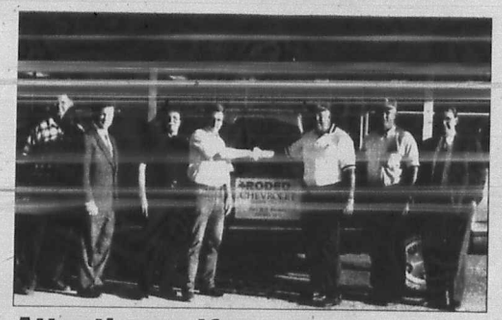
Beginning April 16, the Hill Country Elementary School Computer Lab will be offering the community a new selection of evening adult computer classes. Two different courses will be held through May 7. All class sessions will be held on Tuesday and Thursday nights at the Hill Country Elementary School on FM 1283 in Pipe Creek.

"Introduction to Personal Computing" will be held on April 16 and 21 from 6-8:30 p.m. This course is designed for people with little or no experience, and takes them through the basics to help better understand their home or office computer. The cost for this course is $25 per person. Topics covered include: understanding the Windows '95 screen, how to start and exit programs; a review of computer terminology; basic word processing; and how to use Microsoft Paint.

"Windows '95: Taking it to the Next Level" will be held on April 28, 30, May 5 and 7, from 6:30-8:30 p.m. This course will show people the ins-and-outs of the Windows '95 operating system and teach them some techniques to make their computer time more productive.

Cost will be $40 per person. Topics include: using the "Recycle Bin," understanding the uses of "My Computer;" using keyboard shortcuts; creating new folders, shortcuts and file copies, and installing new software and hardware.

Registration forms are available in the front office at Hill Country Elementary during normal school hours. For additional information please contact Brad Domitrovich at 535-5108 or 510-9585.



Attention golfers

Folks from Cavender's Rodeo Chevrolet gather around the prize which could be awarded to a golfer who makes a hole-in-one in the twelfth hole during the upcoming Bandera Athletic Capital Improvement Team Inc. Golf Tournament. The 1998 Chevrolet 1500 extended cab truck is one of many prizes in the tournament, to be held Sunday, April 19 at the Flying L Golf Course. The event benefits Bandera High athletics. Registration is at 11 a.m. and fees are $50 per person/$55 with cart. The format is a four-person scramble, and the tournament features a prize package of over $30,000.

For more information, please call (830) 796-8466.

Bandera County Quilt Guild to meet

The April meeting of the Bandera County Quilt Guild will be held on Wednesday, April 15, beginning at 9:30 a.m., at the Silver Sage Corral in Bandera. Guest are always welcome!

Following the regular meeting, Gloria Kelley will present a demonstration of the Orange Peel Technique in quilting. Gloria is a fellow member of the BCQG and of the Heritage Study Group. Bring your basic sewing supplies, including fabric marking pens and sewing machines. In addition, bring nine 6-1/2 inch squares of muslin or solid color fabric and nine 6-1/2 inch squares of a contrasting solid or print fabric. Templates will be provided. There is no charge for this class. Members are also asked to bring their completed Block of the Month for the monthly drawing. Following a morning of sewing, members will enjoy lunch at a local Bandera eatery.

For more information on the Bandera County Quilt Guild, contact Linda Kurtz, of Kerrville, at 257-7518, or Betty Brister, of Bandera, at 460-7313.

Grownups needed (and young'uns too!)

■ Come help out at the MLBA community Easter Egg Hunt

The Medina Lake Betterment Association will host its annual Easter Egg Hunt for children of the community Saturday, April 11, the Saturday before Easter, from noon until 2 p.m. at the Lakehills Civic Center on PR 37.

Children from age two to 12 only need to bring their Easter egg baskets (and their parents) to the civic center for the egg hunt, refreshments, and games.

The children will hunt plastic eggs containing treats and goodies around the civic center. The hunt will be divided by age groups.

After the hunt the children will come inside the center for cookies, punch, and games including a cake walk.

The MLBA needs volunteers, cookies, and cakes for the cake walk. "We need all the volunteers we can get that day because once the children start playing the games, it's like a carnival in there," said Rupe Metting, one of the organizers.

"We'll need plenty and all kinds of cookies for the kids to eat and lots of cakes for the cake walk," said Verna Metting.

Call 612-2080 to find out how to volunteer, help, or for more information about the Easter egg hunt. Donations of cookies or candy can be dropped off at the Cutaway in Lakehills or at the civic center before the event.

Group works for affordable housing

On March 24, members of the Lakehills Library and Community Association, Inc., (LLCA) met with Comellia Rue, county coordinator community services program, Community Council of South Central Texas. Betty Baxter, president, Bandera County Triad, and Jackie Patrick and Glen Odom, president and vice president, respectively, Medina Lake chapter, AARP, were also present. The topic of discussion was the need for affordable housing in the Lakehills/Pipe Creek area, with an emphasis on affordable housing for senior citizens and handicapped.

According to Jean Cress, president, LLCA, Rue presented a number of ideas for affordable housing and the availability of financial assistance to entrepreneurs. She gave examples of housing under construction in other small towns in the area, and discussed the process for identifying needs. She said that her organization is anxious to help gain such housing in the Bandera County area and will be readily available to provide assistance. Rue said that the first steps are a general public survey of the need for such housing in the Lakehills/Pipe Creek area and finding proof of support for the housing by means of letters of support and petitions. Upon proof of need and support, a contractor can be selected and can move to the design and financing stage for the housing.

The LLCA is in the process of working with Rue to design a survey to be conducted in the area. Following this, the members will work with Bandera County Triad and the Medina Lake chapter of AARP to contact county officials, churches, civic organizations and individuals to assist in distribution of the survey, gain needed letters of support, and have petitions signed. The LLCA, according to Cress, hopes to have an apartment complex in place and meeting the needs of the community within one year.

The Lakehills Library and Community Association, Inc. is a newly formed organization which has four main goals in support of the Lakehills/Pipe Creek area: building and/or attracting a public library, a senior activity center, a senior and handicapped living complex, and a medical clinic/center. For more information, write LLCA, Inc., P.O. Box 976, Lakehills, TX 78063, or contact Jean Cress at 612-3207, Loy Ed Alanis at 612-2273, or Wilbur or Olga Bradford at Pioneer Realty, 612-2185.

CattleWomen's style show a great success

Hill Country CattleWomen will meet April 21 at PoPo Family Restaurant at Welfare (take Welfare exit on I-10, #533 between Comfort and Boerne.) There will be a social hour of coffee and tea starting 10 a.m. with the general meeting starting at 10:30 a.m. Cost of the luncheon will be $13.

Please call your reservations to your local reservation chairman by April 16. If you do not know a chairman and would like to attend the meeting please call Patricia Granberg, 830-833-5447 office or 830-336-2440 home. Please leave message with name and phone number to return your call.

Hill Country CattleWomen Style Show reports will be given by Mariannie Davis and Karol Schreiner, Jane James will report on ticket sales and Ruth Ann Lemmerbrock will report on the raffle. A very special "thank you" to all who helped in any way, enjoying the luncheon, the local merchants who select wonderful fashions and gave of themselves, by donation of door prizes, giving of your time and talent to model and the ranches donating caives.

The hard-earned money will be put to the best use by awarding scholarships to young college age and graduate students who believe in family values, the continuation of the Family farm or ranch the beef industry and the promotion of the many necessary medical by-products produced from the beef industry for a healthy and safe world.

A program will be presented at the April 21 meeting by Rena Jo Johnson and Lillie Sahanklin, on beef promotion in schools and promoting the heritage of the ranching and beef industry. Sharon Spenrath and the special committee on property rights will have a progress report.

Membership is open to anyone interested in the promotion of beef, the preservation of the family or ranch, to preserve their heritage for generations to come.

Keep your eyes open for bicycle riders

Some 1,200 bicycle riders will convene in Kerrville over the Easter weekend to enjoy riding over the beautiful Hill Country roads and to camp at Schreiner College and at Kerrville Schreiner State Park to reminisce over past Easter Hill Country Tour events. This event has grown from 71 dedicated touring cyclists in 1974 to as many as 1,300, and riders will be not only in Kerrville, but also in Fredericksburg, Bandera, Johnson City, Harper, Leakey, Llano, Welfare, Comfort and Luckenbach.

In celebration of the 25th anniversary of the Tour, the original participants are going to be honored guests of the Lubbock Bicycle Club and will meet at 4:30 p.m. on Saturday, April 11 to tell stories and catch up on the news. At 7 p.m. they will have special seating at the Mexican Fiesta Dinner at the Schreiner Cafeteria.

This Tour is hosted in rotation by bicycle clubs from Lubbock, Houston, Fort Worth, and San Antonio. Lubbock Bicycle Club was the first host and Barbara Hutchinson was the founder and ride chairman for the very first EHCT. She has gathered past souvenirs and the collection will be on display at Schreiner during the Celebration.

Food, dancing and a whole lotta fun at "Barn Raiser '98"

Charlie Jenkins keeps a watchful eye on an extremely slow-moving sheep, prior to its transformation into fajitas.

The Bandera County Junior Livestock Show Association's "Barn Raiser '98" was held Friday, April 3 at The Farm Country Club.

The gala evening featured dinner and dancing to the music of The Metheny Brothers, and the highlight of the night was the grand prize award of a 1998 Chevrolet 1/2 ton regular cab fleetside pickup truck, won by Mike Morrow. Other big winners included: Charlie and Kim Fellows, 27-inch color television; Randy Lawlis, 20-inch color television; Karen Holt, VCR; Gary Grover, Bandera grill/smoker; Rev. Don Lee, VCR; Dennis Juren, 19-inch color television; Theresa Evans, 27-inch color television.

Organizers wished to thank Cavender Rodeo Chevrolet, Moore Title Company, Bandera Bank, Bandera Bulletin, Bandera Printing, Lone Star of Castroville — R.L. Haas, Boyle's Market, Norwest Bank, The Ranch Radio FM 95.1, Bandera Review, Carson Distributing Company and Hill Country Budweiser. Special thanks go to The Farm Country Club — Homer and Kathy Stevens, and to all the folks who purchased tickets for the event. Proceeds from Barn Raiser '98 benefit improvements to the show barn.

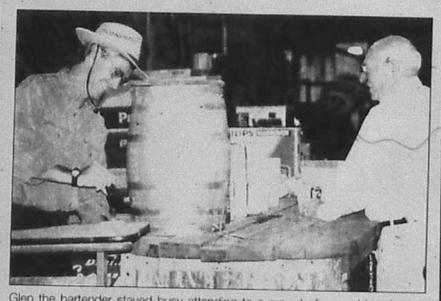
The Metheny Brothers kept the two-steppers happy during Barn Raiser '98.

These folks were having a fine time at Saturday's gala, which benefits upkeep of the show barn.

Organizers draw for one of the many door prizes at this year's Barn Raiser.

The crowd hits the potato salad at one of several chuckwagons filled with barbecue and all the trimmings.

Jerry Mullins puts the picante on a goat fajita at Saturday's dinner and dance.



Glen the bartender stayed busy attending to a crowd of several hundred at Saturday's gala.

A Thought For The Week

by John M. Grimes

It is Easter – the occasion for Christians to rejoice again the celebration of the Resurrection.

It is Easter – the occasion for a new beginning in our lives; an occasion for renewal of the spirit.

It is Easter – a time of awakening to new understanding of what is important in life; a time to find new depths of thought and feeling within ourselves.

It is Easter – a time of hope and promise of new life and bright days.

Easter comes garlanded in crocuses and hyacinths, its triumphal procession is attended by pink and white dogwood and yellow forsythia and flowering crab. Animals are born and nibble the tender green grass of yet another spring. Birds that fled the blasts of winter return and flash their various colors from tree to tree. The sun that stood aloof drips down to color the gardener's face as he entrusts tot he good earth the seeds that will blossom into flowers and foods of varied hue.

Easter's message, like that of Christmas, is of good tidings and great joy. It speaks to the eternal abundance of life.

Easter is a hopeful holiday and we hope our readers will enjoy it to the fullest...A JOYOUS EASTER TO ALL.

Bandera golf ready for District

Bulldogs, Lady Bulldogs at 36 hole 26-3A Tournament Monday and Tuesday

The Bandera High School boys and girls golf teams will go for championships at Monday and Tuesday's (April 13-14) District 26-3A Tournament scheduled in Devine and Castroville.

The Bandera boys are the defending 26-3A champs and have advanced to the Class 3A Region IV Tournament in Kingsville the past three consecutive years. The Bulldogs were also district champs in 1995 and placed second in 1996.

Bandera senior Thad Dubose is the two-time defending district individual champion having captured medalist titles as a junior and sophomore.

Bandera's Tara Miller (above) follows through on a shot. The Bandera girls golf team has placed third at district the past three years. They want a Regional berth this spring.

The Bandera boys won Somerset Tournament played at Devine last friday (April 3) with senior Jason Garcia firing a team-best 77 and placing third individually.

"It was very important for the boys to be successful in the Somerset Tournament because we open the District Tournament on Monday (April 13) on the same Devine course," Bandera's fifth-year Golf Coach Loren Greenshield said.

Bulldog Joey Lalanne added a 77 in Devine last week. Dubose, who shot an uncharacteristic 85, and Bandera teammates Quinton MacRae and Josh Small helped record a solid team total of 331.

"It was a few strokes over what I wanted, but we won the tournament, so I can't complain," Greenshield added. "It really was important that we got to play on the Devine Municipal Course because we were rained out of an event there earlier this spring. It would have been tough going into district without having seen the course this year."

Tuesday's (April 14) second round of the 26-3A event will be played at Castroville.

The Bulldogs won the March 6 Medina valley Tournament in Castroville with a team total of 327 and Dubose was the medalist with a 76.

"We've won on both courses during the season so we hope that's a plus," Greenshield said.

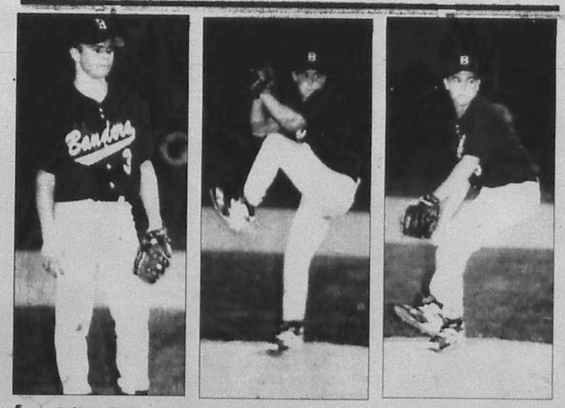
On Monday (April 6), the Bandera boys tied for fourth at the Kerrville Tivy Invitational played at the Scott Schreiner Course.

The Bulldogs shot a 332 in windy conditions to finish tied with a Boerne team. The Tivy #1 team won the event with a 308, followed by Tivy #2 at 319 and Fredericksburg 322. Bandera was the highest finishing Class 3A team.

Dubose carded a one-over 73 to tie for medalist honors with Kerrville Tivy's Jason Evans and Fredericksburg's Trevor Wrigge.

(See Bandera golf on page B2)

Bandera senior golfers Thad Dubose (above left) and Jason Garcia (above right) will help lead the Bulldogs in defense of their District 26-3A golf title on Monday and Tuesday (April 13-14). The 26-3A event opens at Devine on Monday and closes out in Castroville on Tuesday. Dubose tied for medalist honors at Monday's (April 6) Kerrville Tivy Invitational played at the Scott Schreiner Course. Dubose recorded a one-over 73 but lost in a playoff against golfers from Kerrville and Fredericksburg. Garcia placed third at last Friday's (April 10) Somerset Tournament played in Devine. Garcia recorded a team-best 77. The Bandera girls and boys compete at district on Monday and Tuesday in hopes of a Class 3A Region IV berth.



Bandera's Simon Gray (above) is pictured in a series showing his pitching motion. In the first photo (far left), he gets the signal from the Bandera catcher. In the middle photo, Gray gets a good leg kick, and finally at far right, gets ready to deliver the pitch. When not pitching, Gray puts on the catching equipment and goes behind the plate. The Bulldogs played at Devine late Tuesday night and will host Somerset on Thursday (April 9) at 7 p.m. There will be no games played on Good Friday (April 10).

Bulldogs to play two 26-3A games in 3 days this week

The Bandera Bulldog baseball team, like all teams across the state, will play two district games in a four-day span this week because of the Easter holiday weekend.

There will be no games played on Good Friday (April 10) as most schools are out of class.

Bandera was scheduled to play a key District 26-3A game at district co-leader Devine late Tuesday night (after press time). The Bulldogs went into the road battle with a 2-1 league mark. Devine and Ingram Tom Moore entered this week's action tied at the top with 2-0 marks.

Bandera hosts last-place Somerset on Thursday (April 9) at 7 p.m. at the Bandera High School Field. Then it's off until an April 18 (a Saturday) 2 p.m. game at Ingram Tom Moore. The Bulldogs have an open date on Tuesday (April 14) due to the seven-team league schedule.

Bandera recorded a 7-3 road win at Hondo on March 31 with Leon MacRae recording the pitching win with 4 2/3 innings on no-hit relief. MacRae also had two hits four trips to the plate and drove in two Bulldog runs.

The Bulldogs jumped to a 3-0 lead at Hondo, and after allowed Hondo to tie the game at 3-3 in the bottom of the second, went on to score one in the fourth and three in the top of the seventh.

Last Friday at the Bandera High School field, the Bulldogs fell to Medina Valley 8-3. Simon Gray and Jeremy Leland pitched for Bandera, which was held to three hits and also committed six errors.

Lady Bulldogs facing must win for playoff shot

It's pretty simple when it comes down to it.

The Bandera High School Lady Bulldog softball team faced a must-win situation at Devine late Tuesday night to stay alive in the District 26-3A playoff race.

Coach Darcy Rogers' Lady Bulldogs came into this week's action with a 5-3 district record. Devine was 8-0 and had already clinched at least one of two District 26-3A playoff berths. Medina Valley was sandwiched between at 7-1.

With only two games to go in league play, a loss by the Lady Bulldogs would knock them out of postseason contention and put Medina Valley in with no possible tie-breakers coming into play.

The Lady Bulldogs close out the season at home against Hondo on April 14 (Bandera is open on Friday, April 10).

Bandera's Staci Clark belted a home run against Somerset. Yoli Bermudez, who also blasted a home run, pitched a two-hitter for the win against Somerset and improved to 4-1 on the season.

Bandera 4th at Ro-Hawk Relays

The Bandera varsity boys track team placed fourth at Saturday's Randolph High School Ro-Hawk Relays in San Antonio.

The Bulldogs scored 58 points and finished behind Wimberley (85.5), Devine (72) and Hondo (67).

The Bandera junior varsity boys track team too top honor in its division with 135 3/4 points. Medina Valley JV was second at 91, followed by Hondo 70, Luling 66 and La Vernia 57 1/4.

In the varsity division, Bandera sophomore Clifton Tierney captured first places in the 3,200 and 1,600-meter runs and David Dantu was golden in the 200 meters and placed second in the 100.

Chris Sanders added another first place in the discus.

Bandera's Dustin Mayfield placed fourth in the 110 hurdles, Martin Gaffney was fourth in the triple jump, and Jay Pease was fifth in the discus.

Louis Lacy, Coy Pfeiffer and John Bossom won gold medals for the JV and Joey Leal, Walker Williamson and Geoff Zickler won

Two-sport standout...

Bandera's Yoli Bermudez (above being congratulated by Coach Eliseo Aguero and at right by Coach Claudio Castillo) is one of many two-sport standouts at Bandera High. She won gold in the discus at the recent Bandera Meet and also was the winning pitcher in a Lady Bulldog softball outing last week.

Terry leads team to win

Jim Terry of Lake Hills led his team of Peter Jackson and Floyd McOsker to a one-stroke victory during the April 2 Over 50 Golf Association scramble event at Devine.

The team of Terry, Jackson and McOsker finished with a tourney-best score of 8-under 64.

That was one shot better than the team of Darrell Mabe, Val Edwards, Marvin Hadash and Ty Rice.

Placing third with a scorecard playoff was the team of Don Peine, Ed Clark, Wayne Marty and Jack Kempf. They beat out the team of Tom Zuberbuchler, Howard Van Winkel, Clint Briggs and Dick Angie after both shot 66s.

The group of Alex Garcia, Lee Kindla, Roger Taylor and Melvin Shields edged out Al Tek, Easy Eason, Wiley D'Spain and L.D. Chandler after both teams shot a 67.

A total of 74 players participated in the April 2 event at Devine.

The Over-50 Association was set to play today (April 8) at Bandera's Lost Valley Course and will tee it up with another scramble on April 15 at Bandera's Flying L Course beginning at 8:30 a.m.

Association President Jack Kempf said the club will begin its summer schedule in May. The April 22 tournament at Castroville will start at 9:30 a.m.

Buster Quarles posted an 81 – 14 points better than his handicap – to win the recent Gold Old Boys League weekly stableford event at the Flying L Course in Bandera.

Lee Finch was second at 11 and Willis Dean third at nine. Burt Bednarz and Phil Williams tied for fourth at eight and Bob Erfurth and H.C. Day were next at six.

A total of 48 players were in the event.

Richard Oliver and Ray Raymond won the closest-to-the-pin pots.

New players are welcome on Mondays at Flying L at 8 a.m.

silver medals. Kerry Schindler added a third place, as did the Bandera JV 400-meter relay team of Leal, Evan Dews, Richie Aguero and Adam Knight.

Lacy too top honors in the JV 3,200 meters and Pfeiffer won the 110 hurdles and was second in the 300 hurdles.

Bossom won his gold medal in the discus. Leal was second in the 100, 200 and long jump. Williamson was second in the shot put and Zickler won a silver in the 400.

Schindler was third in the 110 hurdles.

The Bandera Lady Bulldogs placed fourth at Randolph with 62 points, finishing behind host Randolph (85), Medina Valley (74 1/3 and San Antonio Cole (72).

Bandera's Sarah Harris placed first in the 200 meters and second in the 100.

Crystal Cruz placed second in the shot put and discus and Yoli Bermudez was third in the discus.

Krystal Upchurch added a third place in the high jump and Katie Jennings finished third in the triple jump.

The Lady Bulldogs, after placing third the past three years, will go for a Regional berth on Monday and Tuesday (April 13-14) at the 36-hole district event played at Devine (on Monday) and Castroville (Tuesday).

Bandera golf at district

(From page B1)

Duboe, bogeyed the first playoff hole and Fredericksburg's Wrigge went on to win sudden death on the fourth hole.

Other Bandera boys scored at Kerrville, included Garcia 82, Lalanne 87, MacRae 90 and Small 101.

"I'm very confident in the boys chances at district," Greenshield said. "If they take care of business, we should be right there in the championship race."

The Bandera girls golf team has finished third and just missed a Regional berth the past three seasons. The lady Bulldogs are looking to break through that door this time around.

"Devine is the outright girls favorite for the district championship, but we feel good about moving up to second place this year," Greenshield explained. "It would be very special if both teams would advance to Regionals."

The Lady Bulldogs placed third at their own tournament held last Thursday (April 2) at the Flying L Course.

The Bandera girls shot a team total of 426. Lady Bulldog juniors Brittany North and Mary Domine recorded 97s to pace the team. Sandy Heath and Tara Miller also played for the Lady Bulldogs and will participate in Monday's and Tuesday's District 26-3A event.

On Monday in Kerrville, North shot a 102 and Dominee finished at 107 as Bandera did not send an entire team to the event.

The Bandera boys junior varsity golfers placed fifth at Devine on Friday in the Somerset Tournament with a team score of 363.

William Anderwald led the Bandera JV with an 84 and Adam Knight added an 89. Also competing for the Bandera JV were Martin and Michael Gaffney and Jonathan Mitchell.

"The JV boys had a great showing at Devine and I feel confident they will continue their success at the district tournament," Greenshield said.

Bandera will enter two boys teams (Bandera #1 consisting of Dubose, Garcia, Lalanne, MacRae and Small) and (Bandera #2 of Anderwald, Knight, the Gaffneys and Mitchell) and one girls team (North, Domine, Heath and Miller) at district.

We're shooting for berths at the Regional Tournament in Kingsville (April 27-28) and even high this season," Greenshield summed up. "The State Tournament is also a goal in 1997."

The University Interscholastic League (UIL) State Golf Tournament is scheduled May 11-12 in Austin.

But first district on Monday.

Bandera's Mary Domine (above) and Brittany North (putting at right) are part of the lady Bulldogs team at the District Tournament beginning Monday.

Bandera JV tops Hondo

- The Bandera junior varsity baseball team stopped Hondo 16-12 in District 26-3A action on March 31.

Top hitters were Matt Ervin, Brad Armstrong, Brent Morris, Frernandez and MacMillan.

Bandera had 17 hits against Hondo.

Justin Schindler, Ervin and Andy Blount were the leading hitters for the Bulldog JV in a 15-9 loss to Medina Valley on April 3.

Bandera coaches said the Bulldog JV committed eight errors against Medina Valley.

Optimist Club honors two students

Staci Thompson

Wade Pantel

Two Bandera High students have been selected as students of the month by the Bandera Optimist Club.

Staci Thompson is the daughter of Alvin and Judy Thompson. She is currently the editor of the Bandera High School yearbook, a member of the National Honor Society and the Student Council and a Senior class officer. She is the vice-president of the local chapter of Students Against Drunk Driving and currently serves as president of the Bandera High School Chorale. She plans to attend Schreiner College in Kerrville, where she will major in elementary education.

Wade Pantel is the son of Paula Pantel and Jade Pantel. He is a member of the National Honor Society. He was selected for Who's Who among American High School students and was chosen as an All American Scholar. He is national alternate to the Business Professionals of America contest and received a bronze medal in this year's Academic Decathlon contest. He has been accepted at Texas Christian University where he will major in accounting.

Facing the TAAS

By Holly Burrow

Graduation, the final frontier of the high school students' career. Every school has different standards to be up to in order to graduate.

In addition to the minimum requirements set by each school, there are also higher achievement programs available and accessable.

Although before you may even consider the higher or distinguished achievement program, you have to consider that in the state of Texas you must pass a standardized criterion referenced assessment test. It is called the TAAS test, the Texas Assessment of Academic Skills.

Students state wide have faced this test head on in the last month. Since 1990, in order to complete high school in the state of Texas students have taken a three part test in which every section contains a number of broad objectives.

This year the students in grade ten and those students in grades eleven and twelve who have not passed the test began taking the test on March 3rd. On the first day they took the Exit Level Writing test; for this the students are given a subject from which they must write persuasive paper.

On March fourth, the second day of testing, the Math Exit Level test was taken, in it there are a variety of math problems to complete. The last day of TAAS testing was on March fifth. They took the reading portion of the test; in this portion the students are given a one to two page reading selection and are asked questions pertaining to the selection.

They are asked questions about such things as the main idea of the selection and to use context clues to decipher the definition of a word in the selection.

Facing the TAAS is a step in the right direction

On April 22 through 24 the results will be given to the students on how they did on the test,if they do not pass it with a 70 or above they will have to retake the test again next year.

As a reward for the students who have already taken and passed the TAAS Test they are not required to be in school until noon on the days of the testing.

For those students in the ninth grade who have not yet had the chance to take the TAAS, during the testing they go through a program called TAAS camp to help prepare them for the real test. The camp is mandatory for all freshmen to attend. While in the camp the students are given practice tests on each portion of the test.

THe results from these tests determine whether or not the student will be placed in a TAAS class next year. If the score is not an eighty or above they are placed in a class to better prepare them for the up coming TAAS test. The class takes the place of an elective and there is no way to get out of it.

All of this is in preparation for the TAAS test, the final frontier and heading in to life. Facing the TAAS is a step in the right direction.

Senior Spotlight

By Jennifer Stade and Amber Johnson

"If you want something done, ask a busy person." Kelli Knutson fits this quote perfectly. Why? She is a extremely busy person, she would complete any task asked of her. Because Knutson is a outgoing individual, she has been awarded many honors among those Miss BHS, first team all-district volleyball, and the Top 40 club (in the top ten of her class) . Also Knutson has been awarded Optimist club student of the month, DAR (Daughters of the American Revolution) citizen of the year, and all state academic in volleyball. In addition to her busy schedule, she is also a member of numerous organizations. These include president of National Honor

Society and student council, and is secretary for Texas Association of Future Educators. Hey, who says you can't do it all? Kelli sure can.

Mrs. Mary Welch, Bandera High School math teacher of twenty nine years and counting.

"The thing that I am going to miss the most when i retire is going to be all the wonderful students that I have taught over my years at Bandera High School and all the life-long friends among the staff," replied Mrs. Mary Welch, dedicated teacher for twenty-nine years.

As a graduate from South West Texas, Welch acquired a degree in Science and Mathematics.

Welch currently teaches Pre-Calculus, Calculus, and Algebra classes through her days in teaching at Bandera High School.

Welch graduated from Bandera High School, along with all her siblings.

She was the only one in her family to actually go to college and earn a degree, though.

"I have always found that being a teacher was something that I wanted to do, even since Elementary School even," she says, "And I now feel that I have now for filled my long-life dream.

Welch currently has two children, a daughter who is currently in college in college and is also a graduate from Bandera High School, and a son who is currently a Senior at Bandera High School.

Students attend U.I.L. Meet at UTSA

By Shay Braun

Ten to twelve B.H.S. students attended the UIL meet on March 21st to represent our school. There were between 150 and 180 schools across the state of Texas attending this meet.

Four events were at this meet: Math, Number Sense, Caculator, and Science. This was only a practice meet for the math and science students only, but they went to district on April 3.

The students have been practicing shortcuts and learning formulas for certain problems.

DAP Program

By Matt Baker

The high schools new DAP program proves to be a success, as it helps students explore their job field of interest. The DAP, or Distinguished Achievement Program, is a new class this year designed to help students to choose the career that's right for them before they get out into the real world.

The program allows you to research and choose a career field that interests you, and then look into the field on a first hand basis. The students are also assigned a mentor to help them find out what the career actually is like. the students meet with their mentors on a regular schedule to learn more about their career.

"I think this class is definitely worth it," quotes Virginia Flake. " I haven't found any other way to get more information on what I want to do." Virginia's main field of choice has been animal training. After visiting her mentor few times though she discovered that the animal care field was right for her. That's another aspect of the class. if you decide later on down the road that this field isn't right for you, you can get out and pick a new one. This way you don't get stuck doing something you are not interested in.

Every three weeks the students are required to give a report on their progress in learning about their career. At the end of the year, they give a big report on what they've learned throughout the year. The students can also graduate on the DAP graduation program.

"This class has been very useful to me," says one students. "Now I have my foot in the door for a career that I'm really interested". Many students this year have had help choosing their career and getting set for the future. If you or your child is interested in this class contact the teacher, Mrs. Roberts.

RESOLUTION TO BANDERA COUNTY CONCERNING SUBDIVISION RULES

WHEREAS, Bandera County Commissioner's Court and Springhills Water Management District have agreed through Resolutions to work in a cooperative effort pursuant of Texas Water Code, Chapter 35, Section 35.019, Water Availability;

WHEREAS, Springhills Water Management district has reviewed studies conducted concerning availability of water in Bandera County;

WHEREAS, Springhills Water Management District will review all pertinent information relating to water availability and report to Bandera County Commissioner's Court prior to Subdivision Plat approval;

NOW THEREFORE BE IT RESOLVED

Springhills Water Management District recommends that the Bandera County Commissioner's Court pass a resolution for adoption of Springhills water Management District's Subdivision Rules as pertaining to review of water availability within proposed subdivison plat areas.

Signed this 12th day of March, 1998.

RULE 9 SUBDIVISION WATER AVAILABILITY

Section 9.1 Definitions

9.11) Public Water System (water system) - As defined by Texas Natural Resources conservation Commission (TNRCC) TAC 290-38. A system for the provision to the public of piped water for human consumption, which includes all uses described under the definition for drinking water. Such a system must have a potential for at least 15 years service connections or serve at least 25 individuals at least 60 days out of the year. This term includes any collection, treatment, storage, and distribution facilities under the control of the operator of such system and used primarily in connection with such system; and any collection or pretreatment storage facilities not under such control, which are used primarily in connection with such system. Two or more systems with each having a potential to serve less than 15 connections or less than 25 individuals but owned by the same person, firm, or corporation and located on adjacent land will be considered a public water system when the total potential service connections in the combined systems are 15 or greater or if the total number of individuals served by the combined systems total 25 or more at least 60 days of the year. Without excluding other meanings of the terms "individual" or "served," an individual shall be deemed to be served by a water system if he lives in, uses as his place of employment, or works in a place to which drinking water is supplied from the system.

9.12) Applicable information is defined as follows:
a) Engineering diagrams and reports.
b) Plats for the existing and/or new or proposed expansion of the subdivision.
c) All variances requested and approved for the water system, and the corresponding correspondence with the TNRCC.
d) Number of current hook ups to the system.
e) Current water quality analysis within the subdivision area.
f) Past and current TNRCC reports and inspections.
g)Current Management and Drought Contingency plan for the water system's service area.
h) TNRCC water system identification number.
j) Any additional documentation requested after review of the above.
k) All data information or reports generated during the testing of wells.

9.13) Subdivision shall be used to describe any new, unplatted, or expansion of an existing subdivision, which is to be submitted to the Commission's Court for approval.

9.14) Potential Customer shall mean any person to which a tract of land within the subdivison is to be sold.

9.15) Reports shall mean five bound copies which shall include a summation of Information, with methods used and copies of any data generated as a result of the well tests.

9.16) All cost incurred during this process shall be covered by the subdivision developer.

Section 9.2 Subdivisions with a Water System

9.21) The water system will be registered with Springhills Water Management District (SWMD).

9.22) A water system representative will submit all applicable information on the water system to SWMD.

9.23) The water system will meet all TNRCC requirements for a public water system.

9.24) Full disclosure of water availability and water quality results shall be made to each potential customer by the developer. Disclosure of TNRCC's drinking water standards governing drinking water quality shall be made available to the potential customer. Both maximum contaminant levels (MCL) and secondary maximum contaminant levels (SMCL) shall be made available to the potential customer, for guidance as to quality of the water tested, within the subdivision.

9.25) A water system representative shall sign a release form promulgated by SWMD for the release of all files from the TNRCC applicable to the water system.

9.26) Within 30 days of receipt of all applicable information, SWMD shall submit comments and recommendations to the Commissioner's Court on the water system's ability to provide adequate service to the proposed platted area.

Section 9.3 Subdivisions without a Water System

9.31) In a proposed subdivision, a minimum of two wells will be drilled for pump testing. The pump test wells will be distributed as far apart as practical within the area of the proposed subdivision. The wells on which a pump test is to be performed must also be electrically and lithologically logged to determine the geologic formation(s) upon which the pump test was performed. Pump test(s) shall be performed upon each individual formation, which is to be considered for the subdivision's future water supply. A State of Texas registered professional engineer qualified to perform hydrogeological testing and lithologic electrical logging or a certified geologist or equivalent (AAPG, CPG, American Institute of Professional Geologist) shall perform the pump test and well logging. When undesirable water or constituents are encountered, the undesirable water or constituents shall be sealed off and confined to the zone of origin. Undesirable water or constituents shall not be allowed to commingle with fresh water zones. The pump test will be a 24-hour pump test, or sufficient time to establish a stabilized water level within the test well. The pump tests must give sufficient data to provide transmissivity for the formation upon which the pump test was conducted. The storage coefficient for the formation shall be calculated, if possible. Pump test shall be performed on each formation, which is to be considered for future water supply for the subdivision area. If there is a greater than 30% difference in transmissivity between the original two-pump test wells a third well must be pump tested and logged, in the same manner as the original two test wells. If a third test well is required the site shall be approved by the Springhills Water Management District. The third test well will be evenly placed between the two original test wells. The results of the pump tests will be submitted to SWMD in reports.

9.32) Pump test and logging data obtained from a previous test well may be substituted in place of a test well. The substituted well shall be within 1000 feet of a proposed test well site. The substituted well's data must represent the formation(s) upon which the subdivision will rely for future water. The greater than 30% transmissivity clause will apply in this instance.

9.33) Copies of all applicable data generated due to the well tests will be submitted to SWMD.

9.34) The pump tests conducted must provide sufficient information to project that sufficient water underlies the subdivision to provide 200 gallons per day per capita proposed lot. Per capita production shall be based on the most current census data for the average Bandera County family size (2.94) (source: October Bandera County family size 2.94).

9.35) A water quality analysis shall be submitted for each well tested. The water quality analysis shall at a minimum test for chloride, conductivity, fluoride, iron, nitrate, pH, sulfate, total hardness, total dissolved solids and color on the basis of E.P.A. and Texas Department of Health certified laboratory standard for the water quality analyses.

9.36) Full disclosure of water availability and water quality results shall be made to each potential customer by the developer. Disclosure of TNRCC's drinking water standards governing drinking water quality shall be made available to the potential customer. Both maximum contaminant levels (MCL) and secondary maximum contaminant levels (SMCL) shall be made available to the potential customer, for guidance as to quality of the water tested, within the subdivision.

9.37) Within 30 days of receipt of all applicable information, SWMD shall submit comments and recommendations to the Commissioner's Court on the proposed platted area's ability to provide adequate service for the number of lots proposed.

Registration begins April 20 for Headstart, pre-K and K-1

Registration for Headstart, pre-kindergarten, kindergarten and first grade for the 1998/99 school year will be held during the week of April 20-24, from 8:30 a.m. to 3 p.m. daily, in the offices of both Alkek and Hill Country Elementary schools.

Children who will be 6 years old on or before Sept. 1, 1998 are eligible to register for first grade. Children who will be 5 years old before Sept. 1, 1998 are eligible for kindergarten. Children already attending Bandera ISD programs need not register again.

Children who will be 4 years old by Sept. 1, 1998 might be eligible for Headstart or pre-kindergarten only if they can demonstrate a limited proficiency in English, which may be tested; and if family income meets program guidelines for the free/reduced lunch program, or for the Headstart program. Those applying for Headstart or pre-kindergarten must bring the child to registration, and proof of income.

Placement in this class is on a first-come, first-served basis, and parents are responsible for providing the school with all required documentation. Registration is not considered complete until all documentation is received. Parents will be notified by mail or phone in August after all information has been compiled.

Once accepted into Headstart, parents/guardians must agree to keep medical, dental and a home visit appointment. If these appointments are missed, the child will be dropped from class.

State law requires children registered in pre-kindergarten, kindergarten, Headstart and first grade to provide all of the following documents:

- Birth certificate
- The student's Social Security card
- An immunization record, completed and verified by a doctor or public health clinic, for the following:
- DPT or DT: minimum of 4 doses, one after 4th birthday
- Polio: minimum of 3 doses, one after 4th birthday
- MMR: Measles, Mumps and Rubella, two doses by age 5
- HIB: vaccine required for children between 15 months and 5 years
- HEP B: 3 does required for children age 5 and older born after Sept. 2, 1992.
- Proof of residence in Bandera ISD (tax certificate, lease, phone bill, electric bill, etc.)

For more information,, please call Alkek Elementary at 796-6223, or Hill Country Elementary at 535-6151.

Dining & Entertainment Guide

El Jacalito
Mexican Restaurant

El Jacalito, "the little shack," is a Bandera, Texas tradition started by Rudy and Maggie Espinosa on Friday, October 13, 1989. The auspicious date did not bring bad luck to the family's business venture, however.

From a humble beginning in a small building located on Bandera's Historic District, the popularity of the Espinosa's Mexican fare and their warm hospitality forced a move into the larger Bandera Lodge dining room.

In the beginning Rudy & Maggie, with the help of daughter Elvia and family friend Jane Cardenas Phillips, were enough to prepare and serve the delicious items favored mostly by local folk.

Word spread, and soon other members of the family, including sons Rudy Jr., Patrick, Richard and Danny along with daughter Susan, joined the business. And although Rudy Sr. passed away in 1992, the rest of the Espinosa family is still hard at work pleasing the palates of locals and visitors.

Boosters
Bandera Boosters will hold a Kickoff for TAAS event on April 27 from 7:30-8:45 a.m. at the Hill Country Elementary School. TAAS tests will be held on April 28-29. There will be cheers and TAAS songs and a motivation speech by Johnny Moore, a former Spur's basketball player.

Change in Mass
Due to increased attendance and growth in the area, St. Victor's Chapel in Lakehills will be having a mass on Sundays at 6 p.m. starting on April 19. If you can't make it to Saturday's 7 p.m. mass, now you can come on Sunday night.

Spring Concert
The Hill Country Symphony, under the direction of Charlotte Marrow, will present its Spring Concert at 7 p.m., April 23, in the Dietert Auditorium, on the Schreiner College Campus, in Kerrville. Compositions performed will range from Aaron Copeland to Tchaikowsky. The concert is free and open to the public.

Music Lovers
The April meeting of The Bandera Music Lovers will feature two local musicians who won high honors in State-wide competition recently. Sam Pless and Brandon Childers, representing Bandera High School, will be the featured performers at the meeting, which will be held at the Bandera Coffee House at 7 p.m. on Thursday, April 16. All meetings are free and open to the pubic. Area musicians are invited to join us for an informal music session after our meeting.

City votes to raise water rates

■ By Brenda Sommer
Managing Editor

New water rates for City of Bandera water and sewer customers will go into effect May 1 after the city council voted unanimously Monday night to raise rates to upgrade the city's water system and to finance a new water well.

The new rates were suggested in a $6,000 water rate study conducted by Mark Schiffgens CPA, and Bill Langford Associates, and are designed to make the water system and its improvements self supporting. Langford said during a February council meeting that the upkeep of water and sewer systems should be paid for by those who will use the system, rather than from city revenues. The city has contracted with Southwest Securities to issue approximately $1 million in certificates of obligation to improve its outdated system.

"We just took a giant step in the right direction," said Bill Bryce, mayor pro tem, after the unanimous vote.

The city has devised a new rate structure that is based on the volume of usage, with higher rates for large water consumers. The resolution accompanying the new rate ordinance states that "the City recognizes that the future water supply will be threatened by unnecessary water consumption and water loss, and that the establishment of conservation rates is imperative."

Water rates for those who use little water will rise the least dramatically, but those with a heavier hand on the garden hose will notice substantial changes. Users of 2,000 gallons or less per month will see their combined water/sewer bill rise from $14.88 to $16; bills for those using 5,000 gallons per month will rise from $21.63 to $29.50, and bills for those using an average of 10,000 gallons a month will leap from $32.88 to $55.74 per month.

Water rates begin at $8 per month for residential service inside the city limits, and base commercial rates in the city limits begin at $10 per month. Residential users outside the city limits will pay $25 per month or more for service; and base rates for businesses outside the city start $35 per month.

The cost per gallon of water increases with volume for both residential and commercial customers:

2,001 to 5,000 gal.	$2.25 /1,000 gal.
5,001 to 15,000 gal.	$3 /1,000 gal.
15,001 to 25,000 gal.	$3.75 /1,000 gal.
over 25,000 gal.	$4.50 /1,000 gal.

Wastewater rates for residential and commercial customers are the same: $8 base rate in the city limits, $25 outside the city limits, and $2.25 per 1,000 after the first 2,000 gallons. The new rates go into effect May 1, and will be reflected in June utility bills.

In other business, the council:

- Issued a proclamation declaring May 1 to be "Loyalty Day" in the city of Bandera, "as an incentive for every true American to reaffirm his and her love of Flag and Country."
- Tabled selection of a bidder for two new city pickup trucks until city staff can analyze the four bids received;
- Granted permission for the closing of 11th Street between Cypress and Cedar streets from noon to 10 p.m. for the May 2 Crayfish Feast;
- Tabled any action on collecting of the city's 3 percent hotel/motel tax until further discussion with county officials.

Early voting begins in contested school board, city elections

■ By Brenda Sommer
Managing Editor

Early voting begins today for the May 2 school board and city council elections.

The Bandera Independent School District board of trustees election, in the wake of the board's controversial decision to purchase the Bandera Downs racetrack, and plaintiff Al Hamilton's victory in his lawsuit to void the sale, includes a field of eleven candidates for three slots.

Five candidates filed for the place 5 slot on the board, which has been vacant since the resignation of Dave Koehler last year. Vying for that spot are Al Hamilton, Dan Jaworski, Daniel Anderson III, Tom Morgan and Doyle Haner.

Filing for the place 6 slot on the board are incumbent Rand Hicks, Dan Zavorka and Mike Medina. Vying for place 7 on the board are incumbent "Bub" Keese, T. Gordon Nordlund and Susan D'Spain.

In Bandera city elections, incumbent Bob Cowan will face Linda Stein for the job of mayor. Incumbents Johnny Piña and Tommy Kindla have both filed for reelection to the city council. Dennis Thompson and Horst Pallaske have also filed for the two open slots on the council. Candidates for the council run at-large, and the top two vote-getters will fill the two open positions.

Early Voting
April 15-28
School Board:

Early voting for the May 2 election begins April 15 and continues through April 28.

Early voting for city elections takes place from 8 a.m. to 5 p.m., Monday through Friday at city hall.

Early voting for school board trustees takes place at BISD offices on Old San Antonio Highway at the High School, from 8 a.m. to 4 p.m., Monday through Friday.

Don't Panic!

■ Options for tardy filers

So you've put it off, and put it off, and now the panic has set in: it's tax time! After you've finished your mad dash through boxes of paperwork, and raced your fingers across the calculator, you need that all important April 15 postmark to keep yourself out of trouble. While area post offices will observe normal business hours on the Big Day, there are a few options for procrastinators. According to local postmasters, mail placed in drive-up mailboxes at the post offices is picked up by truck and taken to San Antonio. If you make it in time for the truck, your taxes will receive proper postmark. The truck empties the boxes at Bandera Post office at 5:30 p.m.; Pipe Creek, 6:15 p.m.; and Medina, 5:45 p.m. Lakehills' outdoor mailbox is emptied earlier in the day, and late arrivals to that box will not be taken to San Antonio for the April 15 postmark.

If all else fails, San Antonio post offices are open late, or you can always file for an extension. Good luck!

Braunfels, will be the demonstrator at the April 20 meeting of the Bandera County Artists. The meeting will be held at the Escondido Center at 1:00 p.m. Angie held a watercolor workshop here in Bandera last year. For more information about the demonstration and/or the organization call, 830-796-8639.

Support Group

The Macular Degeneration Support Group will meet April 15 at 2 p.m. at St. Peter's Episcopal Church Parish Hall, 956 East Main in Kerrville. Officers and representatives of the American Council for the Blind of Texas will be at the meeting to share what their organization offers those with visual impairments. Everyone who is interested is invited to attend. There is no charge. For further information, call 830-896-1807.

Parenting classes

Noah's Ark Child Care Center will sponsor parenting classes beginning Wednesday, April 15 and continuing for the following four to five weeks. Pastor and Mrs. Glenn Moehring will be the speakers. The classes will be held in the Grace Lutheran Fellowship Hall from 7-8 p.m. A nursery will be provided (donations will be accepted.) Classes are open to everyone in the community.

City Wide Garage Sale

Medina will hold its first Spring City Wide Garage Sale on Saturday, April 25. Clean out those closets, storerooms and barns, and come on out for the sale. There are no fees, and booths may be set up anywhere on Medina's Main Street, as long as vendors don't block any business or business parking areas. Please set up by 8 a.m. For more information, contact Peggy Rather at 589-7224.

Hondo Art Show

There will be a Spring Art Show on Thursday May 7, from 11 a.m. to 2 p.m. with art by Hondo Art League and fashions by LaMirage. Come enjoy the art, lunch, fashion shows and antiques at Geronimo Cadillac Cafe at 18th and Front Street.

Officer Tim Marcaurele spoke about the Police Explorers at the last meeting. Did you know that that the Explorers offer a home security survey to both residents and commercial businesses at no cost to the public? This security survey could possiblity decrease your insurance rates. Call Officer Tim for more information. The next meeting will be on May 14 at 2 p.m. at the Silver Sage Corral Senior Activity Center on 11th and Hackberry. Our speaker will be Officer Shannon Robles. Officer Robles is the coordinator for Project X tattoo and a member of the Bandera City Police Department.

Donations sought for flea market

"Oh, what a beautiful morning! Oh, what a beautiful day!" Hopefully the wind won't blow. What a windy Easter it was! It just seemed to intensify the noise from the loud boats and jet ski traffic on the lake all weekend. Thank goodness they are all gone....until it all starts over next weekend. It is almost impossible for folks trying to fish when all that traffic is in the river. It is not only extremely dangerous, but is eroding the land along the river. People do not realize the damage they are doing to our precious river property.

"Sometimes it's hard to muster up a crew of firefighters at midday during the work week," says Bob Rucker, but he is grateful to the Bandera VFD for their quick response and to Charlie Phillips with his bulldozer. Together with one of LSVFD's brush trucks, this past week, they stopped what could have been a much larger fire on windy Wednesday.

Lakeshore VFD has purchased additional firehose to equip the new pumper. This past week, Art Cortez and Mike Avallone were busy changing and installing those hoses. This will give the firefighters additional reach with increased water flow.

Saturday April 11 Fire Chief Bob Rucker, Assistant Chief Richard Simmons, Curt Bird and Dick Hinebaugh went to Fredericksburg for training on Self Contained Breathing Apparatus (SCBA). Training included maintenance and proper use of equipment. A big thank you to the Fredericksburg Fire Department for their assistance in this much-needed training.

A big Happy Birthday to Sister Shaffer this past week. She tells me she had to wait 74 years to have such a treat. Her daughter Joyce took her to lunch on Thursday and then she had the surprise of her life on Saturday when Dorothy Rucker and Dana Simmons took her to Mamasita's in Kerrville. She was so thrilled when the staff presented her with a birthday cake and everyone sang "Happy Birthday." We've missed seeing Sister's smiling face down at the Copper Lantern the last couple of weeks. The doctors were concerned that she was retaining too much fluid which is very dangerous for the heart. She has lost 23 lbs. so hopefully that means she'll be back to work soon. Congratulations on your birthday, Sister!

Ellen Garver just returned from a visit with her daughter, Cheryl Hawkins, in Houston. While she was there, they took a four-day road trip to New Orleans. They stayed in a guest hotel right on Bourbon Street which was very convenient for shopping and sightseeing. This was her first trip to New Orleans and she says it was certainly worth waiting for. We're glad you had a great time, Ellen, and happy that you're home safe and sound.

Scott Stewart, President of the LSVFD is holding a meeting at the firehouse this coming Thursday evening at 7 p.m. in preparation for the May Festival. If you didn't receive a call from Scott, please feel free to attend the meeting. We need all the volunteers we can get for our annual fundraiser.

Robin Cook will be accepting donations for the flea market and auction starting this coming Saturday, April 18 from 9 a.m. until noon and for the next five Saturdays." The cut-off date for donations is May 16. So please bring your much-needed items during those hours so the girls can get everything priced and cataloged. One man's junk is another man's treasure, so they say. So, dig all that stuff you don't use anymore out of those closets and storage sheds. I'm sure they can be put to good use. And, don't forget those crafts and canned goods for the Country Store! Dorothy Rucker is begging for canned goods. You can bring them to the firehouse, drop them off at the Copper Lantern or take them by her house.

The Good Neighbor Award this week goes to the law enforcement officers who have been increasing their patrolling in our area. There is comfort in knowing that Big Brother is watching. Thank you.

Tip for the week: To make your flower pots waterproof, close up the pores by dipping the pots in melted paraffin.

What are the Crimes? Elder Abuse Part II

Although the criminal justice system is actively involved in prevention and prosecution of child abuse cases, awareness of and protocols for dealing with abuse of the elderly may not be as well defined in some jurisdictions. Despite the number of estimated cases, abuse of the elderly remains a hidden problem in many areas.

There are numerous established procedures for intervention and treatment within the social services network, but fewer exist in the criminal justice system. According to a congressional report, only one of every eight cases of elder abuse is revealed. In contrast, one of every three child abuse situations is reported. Many mistreated older persons may feel that they do not have any options other than remaining in neglectful or actively abusive situations. Some of those elderly persons, dependent upon others and mistreated, indicate feeling unwanted, sad, lonely and helpless. They often have no one in whom to confide and trust.

Community Service: Fancy Words For Doing Our Part

There's a lot of talk about community service these days. But action speaks louder than words. We are proud when we can sponsor some kids for a field trip to Washington, help hang the holiday lights on the square, or assist local businesses.

We've got our priorities straight. Your electric co-op answers to no distant corporate tower. It serves no investors, only members like you. It's an idea we feel at home with.

Lions celebrate club's 50th anniversary

The Utopia Lions Club held their 50th anniversary meeting on Thursday, April 9 in the school [illegible]. President, Ed Jones, called the meeting to order at 7:30 p.m. Guest, Lion Hugh Scott led the Pledge of Allegiance to the flag, after which Lion Secretary Max Amann led the singing of "My Country 'Tis of Thee." Brother George Keelin, preacher at Utopia Church of Christ, offered a word of prayer.

President Jones recognized the following widows of Lions who served in the Utopia Chapter: Lois Boyce, June Fisher, Colleen Bowmds, Iona Alley, Inez Monsees, Mary Haby, Mary Ivy, Dixie Kelley, Lola Scott, Analee Burns, Betty Leighton, Norma Hoover-West, and Beth Davenport. These ladies were served dinner by fellow Lions. Members of the meal committee were Chairman, Rev. Jimmy Linn, Rip Duke, and Bill and Mary Spangler, as well as Lion Bonnie Foster.

President Jones introduced special guests who were in attendance at this occasion. They were: Governor, Lion Carrol Albright and partner in service, Mary, Vice District Governor, Lion Herb Morris,and partner in service, Lucy, Immediate Past District Governor, Lion Hugh Scott and his partner in service, Billie, Past International Director, Lion Mike Butler and his partner in service, Liz, Past District Governor, Lion Chris Lloyd, Candidate for District Vice Governor, Lion Allan MacGilliuray and partner in service, Gerri, and Uvalde County Judge, William R. (Bill) Mitchell.

Jones gave a brief history of the Utopia Lions Club which was formed in April of 1948, chartered by 23 outstanding citizens of the Sabinal Canyon. These were: Frank W. Jones, Sr., V.B. Kilman, P.M. Boyce, C.W. Ewing, H.F. Burns, Fred Ivy, Philip C. Dibrell, Charles D. McCollister, Max Amann, T.D. Patton, R.G. Haby, D.R. Thrasher, O.L. Tampke, E.C. Thomas, J.H. Mauldin, Sr., Carl [illegible] Israel, D.W. Matthews, L.M. Boyce, J.D. Gazaway, W.V. Gross, Henry Fisher, Clinton Bieber, and J.H. Mauldin, Jr. Four of the Charter members are still living. They are Horace Mauldin, Jr., Charles D. McCollister, Phillip C. Dibrell, and our own Max Amann. Lion Amann has been Secretary-Treasurer of the Utopia Lions for 47 of the 50 years. Over the past 50 years, there have been 264 members. Currently there are 71 active members.

Lion Jack Farmer gave a report of the financial investment the Lions have returned to the community in the past 28 years, 1969 to 1997. Data from the years 1948 to 1968 was not available. In those total years, various organizations received money from the Lions. A total of $101,704 was given during that period.

Uvalde County Judge Bill Mitchell presented a Proclamation from the county to the Lions Club in recognition of the 50 years. April 9 was proclaimed Utopia Lions Club Day.

Lion Max Amann and partner in service Lois were asked to stand. President Jones explained that the directors and members wanted to honor Amann for the many things that he has done for the Lions in Utopia. A standing ovation followed.

District Governor, Lion Carroll Albright explained that the Crippled Children's Camp in Kerrville planned to honor Amann in April of 1999 as a "49"er. He presented Amann with a plaque and a pin in recognition for his 50 years of service.

Correspondence from last month's meeting was as follows: Lion Judy LaFrance reported that there were 63 vision screens at the healthfest that was held on April 4. Two letters were read. Mary Virginia Pittman-Waller donated $1,000 to the Lions Auction in honor of her father, Dr. James Pittman, M.D. and her late mother, Merle Pittman. The family of the late Rhonda Waller (no relation to Mary Pittman-Waller), acknowledged the donation to the Lions Camp in memory of Rhonda.

Lion Amann inducted a new member in the club. Fidel Esconde was inducted into the Utopia Lions and was sponsored by Lion Doug King. Lion Obie Milton received a 10 year chevron. Lion Floyd Smart received a 10 year chevron and Lion Rip Duke received a 15 year chevron.

Lion Amann read a newspaper account that was dated March 1948. It brought back many memories for him. President Jones explained that Lion Amann arrived in Utopia in 1942, single. He taught Ag at Utopia School and later married Lois Garrett. Jones asked all in the audience who had been taught by Amann to stand. There were many.

Eighty-seven dollars worth of leather barbecue was auctioned off by Lion Rusty Spannagel. Two flower centerpieces and two bud vases were also auctioned off and given to two of the widows in attendance. There were a total of 118 persons in attendance at the special meeting. Lion Everette Boyce made a motion that the meeting be adjourned. The motion passed.

Inexcusable

There is an old saying of "No good deed shall go unpunished." Thursday, April 9, is an example of this maxim. The Bandera Music Lovers are attempting to bring the first ever Gospel/Christian music day to Bandera. This event will take place on Saturday, April 25 at the Beverage Barn. A number of excellent musicians from all over the state have agreed to appear for us free of charge.

This past week, with the help of the ladies in the office at the Bandera County Chamber of Commerce, press releases were sent out statewide via fax. A radio station in San Antonio has taken the press release which was sent out with all the best intentions in mind, and made fun of us, the Bandera Music Lovers, and of Bandera in general. This radio announcer went so far as to tell his listening audience, "NOT to come to Bandera."

This was inexcusable and although I have tried to speak with the programming manager, he will not return my telephone calls. WOAI, you should be ashamed of yourself and should know that we are proud to live here, raise our families here and our entire community will turn out in force to give our full support to all those Christian musicians on April 25.

President, Bandera Music Lovers

Build another dam

The San Antonio Water System declined an invitation from the Bexar, Medina, Atascosa Water District to buy water out of Medina Lake, stating through their spokesman, John Boggess, that Medina Lake was an unreliable source of water.

Later Bexar Metropolitan Water District entered into contracts with the BMA to buy water out of Medina Lake and with the Guadalupe-Blanco River Authority to buy a small quantity of water out of Canyon Lake. The consequences of these contracts are going to be vastly different.

Medina Lake has an inadequate watershed and was built to impound as much water as possible for irrigation purposes. In the 85 years of Medina Lake's existence, it has been empty or near empty 10 of those years. Now, in addition to irrigating, they are going to sell large quantities of Medina Lake water to San Antonio. This will greatly hasten Medina Lake's going dry. The irrigators are going to be without water. San Antonio customers will have to put their treatment plant and pipeline in storage and hopefully go back to using Edwards Aquifer water.

Canyon Lake has a watershed that is many times larger than that of Medina Lake. Canyon Lake was built as a flood control lake and is maintained in a near empty condition so that it can control floods, which it has done quite well. Floods filled up Canyon Lake last summer and it was quickly drained.

The solution to the San Antonio water needs is to build another dam on the Guadalupe River above or below Canyon Lake, and then use the upper lake for impoundment and the lower lake for flood control.

Tax season raises important questions

Your Voice in Washington

by Lamar Smith
U.S. Representative

What are you getting for your tax dollars?

There are 124 million income tax returns being filed with the Internal Revenue Service. The typical taxpayer who fills out their own tax forms spends many long hours doing so, struggling to find and understand the appropriate parts of a federal tax code that is an amazing 1.3 million words long.

By comparison, the popular and notoriously long novel, War and Peace, is less than half as long.

It is obvious to most Texans that we need a simpler, fairer tax system. And support is building in Congress for tax reform to do just that.

In addition to prompting a needed debate on tax reform, filing season should also serve as an opportunity for Texans to reflect on how our tax dollars are spent.

Texans pay an average of $5,538 per capita in federal taxes. That's almost 23 percent of our income. And those statistics do not include the state and local taxes we also pay. Nationally, a typical family spends almost 40 percent of their income on taxes for all levels of government. That's more than families spend on food.

In recent years, Texas' position has begun to improve in terms of receiving as much federal funding as we send to Washington in return taxes.

The Tax Foundation reported recently that Texas now receives back 98 cents for each dollar Texans pay in federal taxes. That's moving in the right direction, but fairness demands that the trend continue.

The good news for taxpayers is that Congress is ahead of schedule to balance the budget and reduce federal interest payments. Interest on the federal debt currently consumes 14 cents of every tax dollar.

And waste and abuse of Texans' hard-earned federal tax dollars continues.

The General Accounting Office, an independent federal watchdog agency charged with tracking federal spending, reported recently that most federal agencies have failed standard audits.

Poor record-keeping and other factors "prevent the government from accurately reporting a large portion of its assets, liabilities and costs," the GAO reported.

"The federal government flunked its first-ever attempt to apply private-sector accounting standards to its books," reported The Wall Street Journal.

Of direct relevance was the assessment of the Internal Revenue Service. USA Today reported that the much maligned agency "finally has a clean report on its financial statements," meaning that last year IRS could actually account for all $1.6 trillion it collected from taxpayers.

"Still," reported the newspaper, "the GAO found serious flaws in the IRS' overall accounting systems." That's not exactly a resounding endorsement of an agency entrusted with all government revenues and every taxpaying American's personal financial information.

Congress will continue to press for IRS reforms until we reach the goal of restoring both public confidence and fairness to the system.

Renters and the law

Legal Matters

by Texas Attorney General Dan Morales

When renters want repairs

Disputes between landlords and tenants account for many of the consumer complaints we receive at the Office of the Attorney General. This column will address a common and specific subject of tenant landlord conflicts: What if a tenant wants repairs and the landlord will not make them?

A fit place to live

Under Texas law, a landlord guarantees that the apartment or house you rent will be a fit place to live. You have a right to demand that the landlord repair any condition that materially affects your health and safety. This includes problems caused by normal wear and tear to the building.

It is illegal for a landlord to retaliate against you for complaining about essential repairs or for reporting a problem to building and health inspectors. However, your landlord does not have an obligation to repair damage caused by you or your guests through negligence, carelessness, abuse, or accident.

What you can do

What if your landlord will not make necessary repairs? One of the most common mistakes a tenant can make is trying to pressure the land lord into making repairs by with holding the rent. You do not have the legal right to withhold rent simply because the landlord does not make repairs.

A landlord is liable for repairs if:

- you are not delinquent in your rent;
- you have given written notice of a condition needing repair;
- the condition materially affects the physical health or safety of an ordinary tenant; and
- the landlord has not made a diligent effort to fix the problem after a reasonable time has passed.

In your first letter to the landlord concerning the problem, ask for a written timetable for when repairs will be made. Give your landlord seven days to either make repairs or inform you of when they will be made.

If seven days pass with no response or action on the problem, you may send a second letter to the landlord explaining the option you intend to pursue. Your options are to terminate your lease, file suit against the landlord, or, in some circumstances, have the problem repaired and deduct the cost from your rent.

Under the law, there are very specific requirements and exceptions relating to each of these options. You should consult with a private attorney before proceeding further.

Fix it yourself?

For certain problems, you may make the repairs yourself, or hire someone to make the repairs, and deduct some or all of the costs from the rent. This applies only to water or sewage flooding, a nonfunctional drinking water supply, broken heating or cooling equipment, or other problems that materially threaten your physical health or safety. And you may do this only if the landlord has been notified of the problem by local health or building inspectors.

The amount you deduct in any given month cannot exceed $500 or one month's rent, whichever amount is greater, and you may not deduct repair costs if you are behind on your rent.

If you have a problem

If you are having a problem getting repairs made to your rental dwelling, contact your local tenant council or Better Business Bureau. You can also file a consumer complaint with the Office of the Attorney General. Call (800) 621-0508 for the complaint form, or visit our Internet home page at http://www .oag.state.tx us.

Insurer agrees to lower rates 6.5 percent

AUSTIN—Farmers Insurance, Texas' third largest auto insurer, agreed last week to lower its rates by an average of 6.5 percent statewide. Earlier this year, Farmers announced a plan to cut its auto insurance policies by an average of 3.8 percent statewide, but the Texas Department of Insurance said the proposed cut was not enough, based on premiums collected and the cost of claims.

Insurance Commissioner Elton Bomer said the agreement between Farmers and the Texas Department of Insurance "is good news for all Texas drivers because it illustrates (the agency's) determination that auto rates must drop as far and as fast as they should when claims are down.

"Auto insurers had a good year in 1996, and now their customers should benefit through lower rates," Bomer added. Data on insurers' premiums and claims paid will be used in the setting of 1999 rates.

Allstate and State Farm—Texas' largest auto insurers — cut their rates earlier this year.

State law allows insurance companies to set rates from 30 percent above to 30 percent below the benchmark rate set by the insurance commissioner.

Sex Predator Law Clarified

The Senate Interim Committee on Sex Offenders is working on legislation to be presented in 1999 that would keep sexual predators in mental health facilities upon their release from prison.

Critics of the proposed legislation fear that mentally ill patients will be treated like criminals if they are housed in the same facilities as sexual predators.

Sen. Florence Shapiro, chairwoman of the committee, emphasized that under her plan, sexual predators would not be housed in the same facilities as mental health patients.

At a meeting of the committee in Houston last week, Shapiro, R-Plano, said the state has no law that deals with sexual predators who are a continuing danger to the public.

Supporters of the legislation say it is necessary for the state to keep sexual predators off the street.

"The issue is to protect the public ... and at the same time provide treatment for seriously violent predators," Shapiro said.

Workforce Boost Advocated

Gov. George W. Bush used a high-tech manufacturing plant in Austin last week as a backdrop for advocating ways to ensure Texas will have enough skilled workers to meet the needs of the high-tech industry. Bush said Texas faces a shortage of skilled workers in the high-tech sector.

"The biggest hurdle to future growth in high technology is the need for more skilled workers," he told The Dallas Morning News. "The technology industry is posting a huge sign across Texas that says, 'Help wanted.' More than 140,000 additional high-tech jobs will be created by the year 2000 in Texas, and the question is: Will Texas be prepared to meet the 140,000 jobs?"

Bush proposed increasing state spending by $9 million a year to increase the number of high school seniors graduating with strong math and science skills. He also proposed a tax credit to promote research and development in technology.

Bush Nixes Kids' Penalty

Gov. Bush said last week he would not support efforts to apply the death penalty to children as young as 11.

"I think that the death penalty as now constituted for 17-year olds is appropriate," Bush said. "I can understand why people are concerned about the Jonesboro, Ark., situation.... Having looked at the issue long and hard, the current status is appropriate for the state. " State Rep. Jim Pitts, R-Waxahachie, has proposed a plan to increase penalties against juveniles who commit violent crimes.

He said juveniles bound for execution should be held in juvenile facilities until the sentence would be carried out—at age 17.

Benefit party was a big success

The 2nd Annual Chili Cookoff/Gary Wright's Birthday Bash/Silver Sage Corral Benefit Auction this past weekend at the 11th Street Cowboy Bar was another Roarin' Success. Suzanne (from 11th Street) called this morning to report that more than two thousand dollars was derived from the auction.

By next week we should have the final figures, names of all the generous donors and participants and a list of all the winners of the chili cookoff. In the meantime, a big Thank You and God Bless to all who made the event a success.

This center is blessed with so many generous benefactors that it is sometimes a little overwhelming. This past week Toni Christianson, a local artist, called to advise that she was making Easter eggs (using the age-old art of "quilling") for all our Meals on Wheels clients. You would have to actually see Toni's work in order to appreciate it. Each egg contained at least 12 feet of paper curled and/or clipped in minute detail. What makes Toni's artwork even more astounding is the fact that she is legally blind. Instead of being home complaining about what her lack of eyesight restricts her from doing, she is always thinking about what she can do for others. She has definitely earned her angel wings.

Speaking of angels, I talked to Bungy a few minutes ago - most of you know, her husband, Larry, is having to undergo chemo treatments several times a week. This is an extremely difficult time for these two wonderful people. If you haven't already done so, drop them a card now and then to let them know we're thinking about them and wishing them well (RO. Box 1921, Bandera). We love you guys.

Some interesting information I picked up at my last AACOG (Alamo Area Council of Governments) meeting - the Texas Employment Commission no longer exists. Under new legislation in the State of Texas, many activities relating to employment, job training and job seeking will now be found under one roof - the Texas Workforce Centers. At these centers, employers and job seekers will find a wide range of services, to include: Self Service/Resource Library (job listings, etc), Job Placement, Specialized Services, Employer Services, Senior Employment Program. The Texas Workforce Center in our area will be operated by AACOG for the Alamo Area Development Corporation and will be located in Kerrville. These centers will be fully operational by July 1, 1998. The Kerrville Texas Workforce Center phone number is 830-896-7643. This is for all job seekers, any age. These centers will be funded by the Texas Workforce Commission.

The Birthday Luncheon for April is Tuesday, April 28. Those celebrating birthdays this month are: Jewel Reid, Ruth Cowley, Manuel Flores, Mary Fitzpatrick, Avis Chipman, Lillie Lenz, Marie Larson, and Bandera County Extension Agent and New Mother, Jana Osbourn (non-senior of course). Bring a covered dish and come join us. If it's your birthday month, you don't have to bring a casserole, just come enjoy.

Deans feted on 70th anniversary

Tarpley & Rio Hondo News

by Nettie Dean
562-3464

Hi folks! Hope you all had a lovely, blessed Easter day! There's lots of meaning to this special day, if we look for it, besides all the delicious food we enjoy.

Surely been high winds all week. Most folks in our area had like 40* of mornings, real [illegible] in p.m. Only a light shower early Wednesday morning-heavy dews since-farmers need rain, some say ground is cracking, too.

Tom and Jerry Hall had an old friend come Wednesday night, Lt. Oliver of Mound City, Kansas to visit them. He and Tom once worked together at Corpus Christi at a plant. Easter dinner guests of the Tom Hall's and Margaret Cain were their friends Eunice Meyers, Mary Hietalahti and Idabelle Farr.

Had a talk with "Skeets" A.B. Singleton today 11th. He was happy to report his families were all OK with the tornadoes in their states. His son Leonard Singleton of South Carolina, his sister in Thomasville, Georgia and his brother in Frisco City, Alabama. None very close to the terrible tornadoes. Skeet was in San Antonio Wednesday visiting his sister Madge Chambura, his mother-in-law Virginia Terrell and her daughter Dorothy Maness.

We will always remember our good friend Bobby Louise Singleton in memorium who went away April 9, 1995. She made her "foot prints" in our world! As a good friend wrote, "She's walking in a meadow, with the beautiful wildflowers, with no [illegible] legs and being able to breathe deeply and free again.

Elzie and I attended a lovely reception Saturday at the Maurice and Betty Zerr's lodge for Elzie's brother Lewis and wife Neva Dean's 70th Wedding Anniversary. It was a fun occasion and a delicious dinner and many families honoring their parents and grandparents. Hostesses were their children Betty and Maurice (Metz) Zerr, Mary Ann and Paul Lutz, Joyce and Jim Gray and many grandchildren. After dinner the grandchildren entertained with a special talent show of songs, prose and poems and magic tricks and music, honoring Lewis and Neva. Elzie and I think this was the first 70th anniversary, we ever attended.

Ms. Earl Hoods guests for the coming week arrived Saturday night 11th by plane. They are her daughter Sharon Taha and her daughter Rhoda MacKled and two children, Laila and Tarek of East Brunswick, NJ; other guests on Sunday were Edna L. and Ray Cheatham of Kingsland and Ronnie and Shirley Hood and boys Erikk, Peter and Robert.

Birthdays of the week of April 15 are Buddy Sandidge and Kimberly "Schrock" Smith.

Easter Sunday visitors at the Tarpley Baptist Church were Bob Leezer of Deer Park, near Houston and Ron Milliken of Austin. They have a home at Magnum Creek Ranch, near Tarpley, also Arthur and Georgia Mae Erfurt.

Elzie and I drove to New Braunfels Sunday afternoon to visit our son and family Charles and Marcia Dean and children Jacob and Rachel. Others for a sumptuous dinner were Patty and Marlece Fulgham and Marlece's friend Trudy, also Wayne Perkins of San Antonio. Sunday night we attended the baptismal services of our 11-year-old granddaughter Rachel at the beautiful First Baptist Church in New Braunfels that seats approximately 800.

P.S. Looks like a new world with all the trees in green and the yellow flowers and pink primroses on roadsides.

"If only we could forget our troubles as easily as we forget our blessings." Anon.

While we are running independently of each other for different places on the school board, we do share some broad, common goals which, if elected, we will seek to follow. These are:

1. ADDRESS BUILDING NEEDS OF SCHOOL SYSTEM AND SEEK PUBLIC SUPPORT. DETERMINE NEEDS OF BOTH GROWTH AREAS OF DISTRICT. FULLY UTILIZE THE PROPERTIES NOW OWNED BY THE SCHOOL BEFORE PURCHASING OTHER PROPERTIES. ADOPT A FINANCIAL PLAN TO ACCOMPLISH THE REQUIRED PHYSICAL PROPERTIES.
2. APPOINT A PERMANENT BUILDING COMMITTEE WITH A PART OF THE MEMBERSHIP BEING LOCAL PEOPLE WITH EXPERTISE IN THE CONSTRUCTION INDUSTRY.
3. SEEK WAYS TO INCREASE TEACHERS' PAY AND BRING IN LINE WITH COUNTERPARTS OF OTHER SCHOOLS. IN RETURN FOR IMPROVEMENT IN WAGES, ASK FOR AND MEASURE RESULTS OF TEACHERS' PERFORMANCE.
4. GUARD TAXPAYERS' INTEREST AND RECONCILE WITH INTERESTS OF CHILDREN AND PARENTS.
5. BETTER FISCAL ACCOUNTABILITY — TO THE PUBLIC AND WITHIN SYSTEM. THE CURRENT SYSTEM IS INADEQUATE TO PREVENT ERRORS OR EVEN FRAUD. TAXPAYERS DESERVE THE HIGHEST INTEGRITY IN DEALING WITH THEIR FUNDS.
6. EXAMINE THE CURRENT ADMINISTRATORS AND EVALUATE EACH ONE'S PERFORMANCE. IN THE SCHOOL YEAR 1996-97, WE HAD 161 TEACHERS (13.5 STUDENTS PER TEACHER) AND 110 ADMINISTRATORS, SUPPORT STAFF, ETC. THUS, WE HAVE ALMOST ONE ADMINISTRATOR, ETC. FOR EACH TEACHER.
7. ADOPT A ZERO BUDGET PROCESS — MEANING THE SCHOOL ADMINISTRATIVE PEOPLE START EACH YEAR'S BUDGET AS IF THEY HAD ZERO MONEY TO SPEND. THEREAFTER, THEY CAN JUSTIFY EACH BUDGETED ITEM FROM SCRATCH. BAD HABITS CAN BE FLUSHED OUT.
8. IMPROVE SCHOOL'S PUBLIC RELATIONS. RESTORE COOPERATION WITH THE MERCHANTS AND BUSINESSES IN BANDERA, LAKE HILLS, PIPE CREEK AND TARPLEY.
9. STRIVE TO HAVE THE BEST SCHOOLS IN TEXAS — NOT THE MOST EXPENSIVE!

Cameron makes Dean's list

Curtis Fleming Cameron, of Bandera, has made the Winter Quarter 1998 Dean's List at The Savannah College of Art and Design. Cameron, the child of Mr. and Mrs. Wayne Cameron of Bandera, is a junior majoring in graphic design at the college.

The Savannah College of Art and Design, located in Savannah, Georgia, is a private, nonprofit, accredited, tax-exempt college. SCAD is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award bachelor's and master's degrees.

The five-year bachelor of architecture degree is additionally accredited by the National Architectural Accrediting Board. The college offers bachelor of fine arts, master of fine arts and master of arts degrees in 16 major areas of study including architectural history, art history, computer art, fibers, fashion, furniture design, graphic design, historic preservation, illustration, industrial design, metals and jewelry, painting, photography, sequential art, and video.

SCAD also offers the bachelor of architecture degree and the master of architecture degree. A low student/faculty ratio is maintained at the college, with small classes taught by caring, dedicated faculty who hold terminal degrees and/or other outstanding credentials in their fields.

For admission information, call 912-238-2483. Email may be sent to admissions@scad.edu.

The chance of a lifetime

Texas students have the chance to compete for one of 15 lifetime combination hunting and fishing licenses as winners of the 1998 Texas Wildlife Expo youth poster, essay and poetry contest. "Grounds For Outdoor Adventure" is the theme for this year's event, highlighted by the 75th anniversary of Texas State Parks.

In addition to the lifetime hunting and fishing license, winners will receive the Texas Wildlife Viewing Guide and a one-year subscription to Texas Parks and Wildlife magazine.

The poster contest is open to students in kindergarten through sixth grade and must be on standard-size poster cardboard (approximately 22 inches by 28 inches) and be in any medium. Students in grades seven through 12 are eligible to enter the essay contest. Essays must be 500-1,000 words. The poetry contest is open for students in kindergarten through 12th grade. Poems must be 50-500 words.

One winner will be selected from each grade level for the poster and essay contests. Two poetry winners will be selected, one in the kindergarten through sixth grade category and another for the seventh through 12th graders. Members of the Texas Outdoor Writers Association will judge the entries.

One entry (either poster, essay or poetry) per individual may be submitted. All winning entries will be posted on the department's website, and winning posters will be exhibited at the 1998 Wildlife Expo.

The deadline for entering the contest is June 1. For more information or entry forms, call 1-800-792-1112 or 512-389-4800. Entry forms should also be available at public schools.

Medina ISD competes in District meet

Honors...

Tandy Scholars

Cliffton Despres and Jeffrey Scott, both of Bandera High School, have been awarded certificates by Tandy Technology Scholars for being in the academic Top Two Percent of graduating seniors in 1998. Bandera High's Jeremy Stiffler was awarded a certificate as an Outstanding Math /Science /Computer Science student by the same program.

This is the ninth year that the Tandy Technology Scholars program has made awards to teachers and graduating seniors at American high schools. The academic top two percent of graduating seniors are eligible to receive certificates recognizing their academic achievements. There are no cash awards in this category.

The program is funded by Tandy Corporation and administered by Texas Christian University in Fort Worth. The program is open to all accredited high schools in the United States. Tandy Prize recipients were selected by a panel of educators and approved by the National Advisory Council of Tandy Technology Scholars.

HOBY program

Shannon Young, a sophomore at Bandera High School, will learn about "America's Incentive System" during an all-expense paid trip to San Antonio June 4-7 for the West Texas Leadership Seminar, an event affiliated with the Hugh O'Brian Youth Leadership (HOBY) program. More than 270 outstanding sophomores will attend, each representing a different high school. The seminar is sponsored by Optimist Clubs, Kiwanis Clubs, Greater Federation of Women's Clubs, and business establishments in the community.

The Foundation was established 40 years ago by movie and stage actor Hugh O'Brian in the belief that America's greatest resource is its youth. HOBY's goal is to provide sophomores with a stimulating forum for learning about the American economic system and democratic process while broadening their understanding of their leadership potential and quest for self development.

Shannon is the daughter of Bob and Cheryl Young of Bandera. She has been a student council representative as well as a member of the National Junior Honor Society for the past two years. She has been an Optimist District Finalist for three years as well as been in One-Act-Play for the past four years. As well as all this Shannon has been a cheerleader since her seventh grade year and is the J.V. Captain as well as a coach for the middle school squad. Shannon has 11 years of dance experience in Dance Makers in Boerne.

Shannon is a member of St. Stanislaus Catholic Church in Bandera and is a member of the Youth Group at the Lutheran Church. She is in the Methodist Theatrical Club and teaches Vacation Bible School at the Methodist Church.

Benefit to aid fire victim

This Saturday, April 18, from 10 a.m. to 5 p.m., a benefit fundraiser will be held for Barbara Minnie of Elm Pass Road in Bandera. Minnie lost her herd of beloved Nubian Dairy goats and most all of her personal possessions to a fire in March of this year. The benefit will be held at the Bandera Coffee House on Main Street in Bandera. There will be grilled hot dogs and hamburgers, and entertainment throughout the day. There will also be a bake sale.

Anyone wishing to donate baked goods is asked to deliver them to the coffee shop by 9 a.m. Saturday morning. Cash donations may be made at Bandera's Guaranty Bank, under the account name "The Barbara Minnie Fund."

Minnie is 75 years old and a retired school teacher. She was very active in milking, showing and hand-raising "her babies." She had several Grand Champion does that were killed in the fire. Fundraiser organizers say the goats were "like family" to Minnie, and they hope to help her recover and rebuild her dream.

REPLY TO S.O.S.

Some of you have insisted that I reply to some of the allegations (appearing in the April 8, 1998, newspapers) directed towards many of us who do not share their views. While I hesitated to dignify their comments by replying, I have since reconsidered. So here we go---

Issue: The middle school should be expanded as specified in the "Operation School House" report of March 1997.

Fact: The school board in its $15 Million bond issue allocated $2 Million for the renovation of the present middle school Our committee simply agreed with the school board but warned that additional data on student population might change that view.

Issue: The school board went behind our backs and bought the race track.

Fact: The school's administrator and board of trustees had one and only one solution to the schools' facilities requirements --- a brand new, expensive high school. Thereafter, no other suggestions or facts seem to persuade them. In order to bid at their own tax sale, the school board (according to their testimony at the trial) posted a notice of their planned Monday night meeting (February 2, 1998, at 7:00 P.M.) on Friday, January 30, at 3:00 P.M. Soon after the notice was posted (about 5:00 P.M.), the school was closed and unavailable to the public until Monday, February 2, 1998, at approximately 8:00 A.M. The notice required by Texas Statutes is 72 hours. Again, their math is apparently flawed since the notice was available to the public 2 hours on Friday and 8 hours on Monday (8 to 3). This is a total of 10 hours before their meeting on Monday night. Does this promote trust and confidence? You decide!

Issue: The school board paid too much for the track.

Fact: If there is any question about the value of the race track, it was put to rest by none other than the owner himself. Mr. Bill Allan (owner of the race track through several corporations) testified under oath before the BISD Appraisal Board on July 21, 1997, "We have tried for 2 years to sell the property (race track) and all we have been offered is give away." He also stated "That they (Mr. Allan) had a bid on the property for $625,000". At that same meeting, Mr. Fourth Coates, Chief Appraiser, explained that his recommendation to a seller that hadn't sold something in two years is to lower their asking price. Fortunately, as a result of our suit, the school board has not paid anything for the race track. The Board sought to pay $3 Million for the track which the superintendent informed me their lawyers had said it was worth. When the taxpayers refused their request to provide the money for that purpose, the board then began to plan a method of circumventing the taxpayers. Thus, the aborted attempt to purchase their own tax sale. Finally, the school has adequate land to extend the current high school. The $1.5 Million saved on the race track purchase would go a long way to accomplish such an extension.

Issue: The track is environmentally safe.

Fact: After talking to the environmental engineer who performed the "environmental survey", no one can say with assurance that there is no problem as S.O.S. states. My only comments is that if I were on the school board, I would carefully select a firm to do an "in depth" study before I spent $1.5 Million of taxpayers' funds.

Issue: BISD continued to operate even after the tax roll back was passed.

Fact: S.O.S. states "the tax roll back never took place" because "the State of Texas revised the laws that pertain to financing of school districts".

I'll accept that. So what?

Finally, they (S.O.S.) View with alarm three citizens running as a group--and then sign off as three citizens running as a group. Hypocrisy--the Same Old Stuff.

Voters Guide

Mayor of Bandera

Bob Cowan (I)

Occupation: Architect
Family: married, four daughters, ten grandchildren
Years living in Bandera County: 23 years
Previous elected office(s): Council member, 1983-84; mayor 1984-86.
Civic and volunteer activities: have served on Flying L PUD board, Bandera County Library board; Frontier Times Museum board, BCCF, former member Optimist Club (San Antonio and Bandera), Toastmasters; member of United Methodist Church — have served about every office except treasurer, presently lay delegate and lay speaker.
Top three projects:
• Infrastructure: well with storage, water lines, wastewater lines, streets and storm drains;
• Growth needs to meet ever-increasing number of tourists, i.e. sidewalks, restrooms, park improvement;
• Develop better quality of life.

Cowan

Pertinent information/ platform: Now that the basics are almost complete, i.e.: City of Bandera Economic Development Board is in place; Financial Officer is on board to help with funding; our engineer has completed overall infrastructure plans; engineer is working on first phase of waterline renovation; aerial topography map is being prepared as tool to help lay out wastewater, streets and storm drains. I want to continue serving as mayor until our work comes to fruition — and all can drink a pristine, clear glass of pure water from our water system.

Linda Stein

Occupation: Self-employed, Owner, Bandera Garage, state vehicle inspector, A5 Cattle Company, L&L Enterprises, Grant Writer.
Family: married, two sons
Years living in Bandera County: 30 years
Previous elected office(s): none
Civic and volunteer activities: charter member, Bandera County representative, LCRA Cen-Tex Development Corp.; FFA, 4-H, team mom while sons in school, continued in 4-H as club manager for several years; state appointment for development and marketing; Keep Bandera Western; Springhills Water District citizen committee.
Top three projects:

Stein

• Purchase land and drill well
• Water lines (Cypress Street first)
• Implement decisions of council that have fallen by the wayside: streets, drainage, etc.

Pertinent information/platform: I'm running for mayor because I've watched the city talk about a new well, fixing water lines, drainage problems, and repairing the streets for 13 years. Yes, the council is in the process of buying land for the new well. Yes, the last month a few potholes have been filled. But we are still in the process with no firm direction or plan. It is time that all groups, including business owners, can come to the city and be heard by the council. I promise an open door policy to the public.

Dennis C. Thompson

Occupation: Pastor
Family: married, six children
Years living in Bandera County: 3
Previous elected office(s): two terms on school board, Los Fresnos (Texas) ISD
Civic and volunteer activities: Bandera Chamber of Commerce; Bandera County Christian Fellowship (vice president-two years); Kronkosky Advisory Committee (Fine Arts, youth activities); producer and director, "Good Lord and Company"; District Improvement Committee for Bandera ISD.
Top three projects:
• To educate myself in the job so that I will be an informed councilman;
• To review and evaluate plans for infrastructure improvements including water, sewer and streets;
• To study annexation and areas of future growth for the city.

Thompson

Pertinent information/platform: Educational Background: B.A. degree with majors in sociology, speech and drama; Masters degree in psychology and counseling; doctoral work and project in financial analysis of non-profit organizations; graduate of Exxon Management School and AT&T Executive Training. When I am asked, "What will you do for Bandera, if elected?" my answer must be, (to paraphrase JFK) "The question is not what I will do for Bandera, but what will I help Bandera do for herself." The most important skill that I will bring is experience. I have lived in areas that planned for the growth that came and I have lived where they did not plan. Planning is better. I consider myself one who can help others reach their potential. I fully intend to help Bandera get ready for the future.

Bandera City Council

Horst K. Pallaske

Occupation: Retired military
Years living in Bandera County: 4 years, 6 months
Previous elected office(s): none
Civic and volunteer activities: Bandera American Legion officer
Top three projects:
• Water
• Sewer
• Streets

Pallaske

Pertinent information /platform: I was born in Germany, immigrated to the USA in 1963, drafted in the U.S. Army in 1967 and placed to Fort Sam Houston in San Antonio. I decided then to come to live here and in 1993, I did so. Due to my experience in logistics in the military, I believe I am a qualified candidate for city council. I would like to improve the infrastructure of Bandera without changing our quality of life.
I do say if I am elected to this office, I will still listen to the voters' wants and needs.

Bandera City Council

Johnny Piña (I)

Occupation: Yard foreman, Hevenor Lumber Company
Family: married, one daughter
Years living in Bandera County: 25 years
Previous elected office(s): former city council member, voted in to finish council member Walter Welch's term.
Civic and volunteer activities: U.S. Army veteran, 7 years
Top three projects:

Piña

• New water well and water system;
• Sewage system;
• City streets.

Pertinent information/platform: I have lived in the city of Bandera for 25 years and seen the growth and changes. I feel that I have good ideas and can help the city. There are a lot of issues that need to be taken care of, and I would like to be there to see them finished. I am proud to live here and plan to be here the rest of my life. Thank you.

Bandera City Council

Editor's Note: All candidates for Bandera city and school board offices were mailed a brief survey form and given the opportunity to respond to the same set of questions. All information in this guide was provided by the candidates. Candidate information was placed in this guide in no particular order. An '(I)' indicates an incumbent candidate.

BISD Board, Place 6

Mike Medina

Occupation: U.S. Navy retired
Family: Married, two adult children, one grandchild
Years living in Bandera County: Approximately 2 1/2 years
Previous elected office(s): none
Civic and volunteer activities: Member of the BISD Facilities Study Committee
Top three projects:

Medina

• I would like to initiate a system to bring the teachers pay in line with peers at other schools along with a quality assurance that would give our children the best instructions.
• I would like to see that we plan properly, with the help of the community to give our children the best facilities we can.
• I will work to have our Administrators more accountable to the taxpayer on there dealing with our funds.

Pertinent information/platform: I believe that my 28 years in the Navy with assignments as a Navy Recruiter (3 years) AUnit Administrator for the US Army Reserve (1 year) and Instructor (Teacher), Career Counselor, and Department Head at Naval Submarine Training Center (4 years) gives me the experience in the educational and management fields to work with the other trustees, and the school administrators to achieve what we all want. The best education for our children, taught by the best teachers, in the best facilities at a cost the taxpayers can handle. The community wants this, the school wants this, and the children deserve this. I believe this can be accomplished when we work together. As this community knows, we might not agree on a lot of things but when there is a need, it is OUR NEED, and we stand side by side to take care of that need.

BISD Board, Place 6

Rand Michael Hicks (I)

Occupation: Dude ranch manager
Family: married, four children
Years living in Bandera County: 40 years
Previous elected office(s): Trustee, Bandera Independent School District
Civic and volunteer activities: church advisory board; umpire and chief, Bandera Little League.; assistant treasurer, Little League board.
Top three projects:
• Acquiring and keeping good quality teachers;
• Work to keep up with the fast growing technology so that our students can compete successfully in future job markets;
• Acquisition of land for new school to accommodate tremendous student growth.

Hicks

Pertinent information /platform: I love to see children succeed and feel honored to have been part of BISD for the past three years. During my term on the school board, I have seen "Challenge High" initiated, a program designed for drop-outs to receive their diplomas, tech prep courses added to the curriculum, our schools awarded "recognized" status, a technology plan installed for the future, and maintaining good quality and enthusiastic teachers.
Our schools are going in the right direction, and I would like to see the momentum continued.
I continue to stand behind the purchase of the racetrack as a wise and intelligent decision for both our students and the taxpayers.

BISD Board, Place 6

Occupation: High school science teacher
Family: married, three children
Years living in Bandera County: 4 years
Top three projects:
• Restore a sense of integrity to the school board office;
• Work with the present administration to present a reasonable bond package to the voters for schools, to be built in geographical areas where greatest growth is occurring;
• Work to increase the district share of health benefits by an additional $20/month.
Pertinent information /platform: The board abdicated its power to represent by democratic process, regarding the Bandera Downs, then attempted to rescind that decision by allowing situation ethics to govern. This issue has demonstrated an obvious need to redefine standards and address integrity in decision making.

Zavorka

It would now be unethical for an elected trustee to express any public or personal interest in the Downs. The most effective teaching, after all, is by example.
Population growth from Pipe Creek to Lakehills is unprecedented, and require the addition of schools.
Our greatest blessings are our children (Psalms 127-128).
It's time to support a bond package.

Thomas H. (Bub) Keese (I)

Occupation: Rancher
Family: Married, one daughter, two grandchildren.
Years living in Bandera County: 56 years.
Previous elected office(s): Trustee, Bandera Independent School District.
Civic and volunteer activities: Bandera County Junior Stock Show, Farm Bureau, Texas Association of School Boards, Kronkosky Foundation.
Top three projects:
• Alleviate overcrowding in all campuses;
• Maintain our excellent staff;
• Improve performance by students.

Keese

Pertinent information/platform: Graduate of Bandera High School; Bachelor of Science degree, Texas A&M University; member, Bandera Church of Christ; served 4 years in U.S. Army, helicopter pilot, and 10 years, U.S. Army reserve.
A small part of a very good school system, three campuses are recognized, one campus a mentor campus. High performance by the students in academics and extracurricular activities.
Hopefully, I have had a small effect on our fine school. The real credit belongs to our dedicated staff.

T. Gordon Nordlund

Occupation: Business owner
Family: Married, five children, 11 grandchildren, one great-grandchild
Years living in Bandera County: 18 years
Previous elected office(s): none
Civic and volunteer activities: Medina Lake Betterment Association, American Legion Post 400, Medina Lake Shrine Club.
Top three projects:
• Ensure fiscal responsibility of the board;
• Bring teachers pay scale up to attract highly qualified teachers and retain the teachers we have now;
• Review recommendations of the school board appointed committee to reevaluate school improvements.

Nordlund

Pertinent information/platform: Be responsible to taxpayers as well as teachers and students for my actions on the board of trustees. With the increasing population growth, future schools should be centrally located but close to the greatest growth area and student population of Pipe Creek and Lakehills area. We don't need a separate taxing office to collect school taxes, the Bandera County tax office could collect school taxes which would save the school district considerable money. I strongly believe in the "No Pass No-Play" rule. I can be reached by phone at 612-2188 or 612-2315 for any questions.

Susan D'Spain

Occupation: Marketing Consultant
Family: Married, five children
Years living in Bandera County: 11+ years
Previously elected office(s): none
Civic and volunteer activities: member of Bandera County Chamber of Commerce, Bandera County Film Commission (Chairman), Bandera County Republican Women's Club, Bandera County Theater Lovers Club, Hill Country Elementary PTO and the Sheriffs' Association of Texas; supporter of Bandera County Junior Livestock Association, BHS FFA, BHS Project Graduation, BHS Chorale, BHS Band, BHS Cheerleaders, B.A.C.I.T., Bandera County Library Association, Pipe Creek VFD, Bandera County Fire Chief's Association, and many other local organizations. Past member of the Bandera County Community & Economic Development Committee (Marketing Team).

D'Spain

Top three projects:
• Address building needs of the school system and seek public support. Determine the needs of both growth areas of district. Fully utilize the properties now owned by the school before purchasing additional properties. Adopt a plan to accomplish the required physical properties.
• Seek ways to increase teacher's pay and bring in line with counterparts of other schools. In return for wage improvements, ask for and measure result of teachers' performance.
• Better fiscal accountability - to the public and within the system. The current system is inadequate to prevent errors or even fraud. Taxpayers deserve the

Doyle A. Haner

Occupation: Admin. Aide to County Judge
Family: Married, two children
Years living in Bandera County: 5 years
Previous elected office(s): none
Civic and volunteer activities: Tarpley Volunteer Fire Department, Bandera Athletic Booster.
Top three projects:
• Construction of new "core facilities" and permanent classrooms at existing middle school;
• Construction of permanent classrooms along with seating, concessions and restrooms for football and track at the high school;
• Relocation of the transportation department to Alkek Elementary property.
Pertinent information/platform: I have over 20 years experience in personnel management in companies ranging in size from 50 to 500 employees. I have budgetary experience as a manufacturing manager in an Inc 500 company and also governmental budgetary experience in my present position as an administrator in Bandera County government. I feel that this experience coupled with my "common sense" approach to business matters make me the best choice for trustee.

Haner

I bill myself as "Your Common Sense Candidate." I claim no allegiance to any political group or coalition of candidates seeking election to the school board. Common sense tells me that not tying myself to a group or coalition allows me to listen, respond and communicate better to the wishes of the concerned citizens of the Bandera I.S.D.

BISD Board, Place 5

Dan Jaworski

Occupation: Active duty U.S. Navy (linguist/analyst)
Family: married, one son
Years living in Bandera County: moved here last year
Previous elected office(s): none
Civic and volunteer activities: Served as president and vice president on numerous Quality of Life boards in the military that brought about better facilities for barracks' residents; volunteered as a tutor to elementary schools, and have been involved in programs to encourage kids to stay in school and out of gangs.
Top three projects:
• Restore public discussion to school board issues;
• Develop sound, responsible and aggressive plan for Bandera schools in the future;
• Provide a new facility for middle school students that has room to grow and is safe! (i.e. relocate to high school or build a new middle school)

Jaworski

Pertinent information/platform: I have a vested future in Bandera schools because my son will be educated in this district so I want to do everything I can to ensure that he has a safe and adequate facility and good teachers, so that he can be a productive member of the workforce of the future. If elected, I will fight for a solution (a permanent one!) to the overcrowded middle school and I will fight to bring public discussion back to school board meetings. The taxpayers deserve to be heard by their elected officials. This is a fundamental part of democracy that must be restored!

BISD Board, Place 5

Tom Morgan

Occupation: retired computer executive; currently substitute teacher
Family: married, four children
Years living in Bandera County: 5
Previous elected office(s): none
Civic and volunteer activities: president, Bandera County Library Board of Trustees; member and past president, Lakewood Homeowners Association; elder and trustee, Pipe Creek Presbyterian Church; member, Masonic Lodge and Eastern Star; lay representative, BCCF.
Top three projects:
• A new middle school for the Lakehills/Pipe Creek area;
• Significant improvements to the transportation system;
• Better communication with the community about board activities/decisions.

Morgan

Pertinent information/platform: My strengths include a willingness to be open-minded to all issues presented and my ability to facilitate consensus building. Currently serving on several boards, I understand the value of team building and working toward common goals. My strong belief and dedication is to our children. They are our future. My sense of fair play. I trust my fellow members and will work with others to provide the best possible direction for the future. My recent experience (past three years) serving on the campus board of Hill Country Elementary School has given me insight to the opportunities that exist and the resources that are available.

BISD Board, Place 5

Al Hamilton

Occupation: Rancher
Family: Married, four adult children, five grandchildren
Years living in Bandera County: Approximately 6 years
Previous elected office(s): none
Civic and volunteer activities: member of Bandera County Chamber of Commerce, Bandera County Farm Bureau, Southwestern Cattle Raisers Association, Texas Association of Dairymen, New Mexico Association of Dairymen; supporter of Bandera County Junior Livestock Association, Bandera County Library Association and many other local organizations; former chairman of BISD Facilities Study Committee
Top three projects:
• Address building needs of school system and seek public support. Determine needs of both growth areas of district. Fully utilize the properties now owned by the school before purchasing other properties. Adopt a financial plan to accomplish the required physical properties.

Hamilton

• Seek ways to increase teachers' pay and bring in line with counterparts of other schools. In return for improvement in wages, ask for and measure results of teachers' performance.
• Better fiscal accountability - to the public and within the system. The current system is inadequate to prevent errors or even fraud. Taxpayers deserve the highest integrity in dealing with their funds.

Pertinent information/platform: I want to establish a "can do" attitude among the BISD Board, the Bandera taxpayers, students, teachers and parents.
We want to achieve the "best" schools in Texas - not the most expensive. This can be accomplished if we work together.
Finally, I want the school to prepare and adopt a 5 year plan with targets and objectives which we keep updated each year.

highest integrity in dealing with their funds.
Pertinent information/platform: It is imperative that the Board immediately develop a strategic plan that will outline the District's goals and objectives. We must establish credibility with the citizens of Bandera County by being open and honest in stating our objectives. Improved public relations and support for the school district must include the cooperation and participation of all the citizens. We must be strongly supported and well-provided for by our community in striving toward our goals. I am not concerned with "how things have always been," but with how things should be and how we can get them to be that way.

Diggs

Diggs

Branden Diggs, age 5, of Pipe Creek, died Monday April 6, 1998 in a Houston hospital. He was born April 6, 1993 in San Antonio to Darren J. and Brandy Moore Diggs.

Branden fought a seven month battle against cancer. He always kept very high spirits and had a great sense of humor. His courage gave his family the strength to get through the difficult times.

He was a member of the Little Rock Presbyterian Church in Pipe Creek. Survivors include his parents, Darren and Brandy Diggs of Pipe Creek, paternal grandparents, John Diggs of San Antonio and Judith Diggs of Pipe Creek, maternal grandparents Ellis and Linda Moore of San Antonio, two sisters and one brother of Pipe Creek. Graveside services were held at 10 a.m. Thursday, April 9, at Pipe Creek Cemetery with Rev. Phineas Washer officiating.

Those who desire may make memorial contributions to Make a Wish Foundation and/or "Give Kids the World." Arrangements by Grimes Funeral Chapel of Bandera.

Ritcheson

Ritcheson

Mrs. Waitstill Hope Ritcheson, age 81, died Tuesday April 7, 1998 in a Kerrville hospital. She was born May 10, 1919 in Coryell County to William and Waitstill Schley Hinesley. On April 1, 1939 she married C. A. Ritcheson in Coryell County. He preceded her in death on September 19, 1979.

She was a member of the Bandera United Methodist Church, past Youth Director of the Methodist church for many years, past member of Women's Society of Christian Service, a member of the church choir, past member of the BISD PTA, active in the Bandera Band Booster club, and was a helper to all.

Survivors include daughters, Patricia Ann Schladoer of Kerrville, Marilynn Davenport of Converse, Raye Virginia Arlitt of Poteet, Glenda Kaye McDonald of Bandera; stepdaughter, Betty Marlene Nichols of Kerrville; son Boyd Ritcheson of Houston; sisters Nadine McCallister and Waveley Berry, both of Gatesville; numerous grandchildren and great-grandchildren.

In addition to her husband she was preceded in death by brothers Elsworth and Neal Hinesley and step-daughter Dorothy Swartz. Services were held at 10 a.m. Friday, April 10, at Bandera United Methodist Church with Rev. Dennis Thompson and Dr. John Platt officiating. Interment followed in Bandera Cemetery. Pallbearers were Don W. Davenport, Richard Schladoer, Bill Arlitt, Jack McDonald, Floyd Berry, John Davenport and Jack Davenport.

Those who desire may make contributions to The Clark House, American Diabetes Foundation, American Cancer Society, and/or Bandera United Methodist Church Memorial Fund.

Arrangements by Grimes Funeral Chapel of Bandera.

Goodman

Ella Chipman Goodman, of Lockhart, died April 12, 1998 at the age of 72. Visitation was held Monday at 6 p.m. at McCurdy Funeral Home. Funeral services were held Tuesday, April 14, at 10 a.m. at the McCurdy Funeral Home Chapel. Graveside services were held Tuesday, April 14 at 3 p.m. at the Bandera Cemetery in Bandera. Arrangements under the direction of McCurdy Funeral Home, Lockhart.

Thank you very much!

Bore a paramedic — wear your seatbelts!

Hi y'all! Happy IRS day! We hope every one had all your stuff in several days ago and not looking for a post office open after 5 p.m.

Gladys Heisler wants to remind everyone who is going to cook potatoes for the Spring Barbecue to come by on April 22 to pick up the spuds. She also invites all who want to help to be there at 9 a.m. on the 22nd and 24th to assist in make-ready efforts. Anyone interested in helping should come on down and don't wait for a personal invitation.

This is a personal invitation to all of y'all from all of us to come on down Saturday, April 25 for some of the best barbecue brisket you ever smacked your lips over. We will have 1,550 pounds of brisket on the pit at 7 p.m. the 24th which will slowly simmer until it is served on Saturday. All the fixins of potato salad, beans and so forth will be spooned on the plate for your personal satisfaction.

This Spring Barbecue is one of the most tasty ways to raise funds for the Medina Lake VFD. Another way, far less tasty, is our Voluntary Fee System. If you have not received your letter or mailed your $24 please come by and enjoy a meal and give us your address and fee. We look forward to seeing you all there.

The Lakehills Baptist Church is having a revival from Sunday April 19 to April 22. The evangelist will be John Rodgers and the music will be by David and Sherry Blow of Helotes First Baptist. The nursery will be open and all are invited to come and hear the Word and sing the praise. What better way to follow the Easter week!

We have been reading of the sad story of the deaths of the teenagers from San Antonio in car crashes. We hope all our young folk wear their seatbelts and take it easy on the roads as they drive. Not wearing your seat belt is not Macho, it is Stupid! We want everyone to hear that seatbelts save far more lives than they cause! We love to make a scene and have the worst injury a seatbelt burn or bruise. These go away lots faster than injuries from slamming into the dash and windshield!

When it comes to EMTs working car crashes we are very lazy when it comes to transporting injured parties. We would much rather go back to the barn with no injuries requiring treatment and transport, than someone who had no seatbelt requiring extensive treatment and transport. In other words, we want you to wear your seatbelts and not be injured.

So much for our Soap Box for this week. Drive safe and we will look for you over the back fence.

Congratulations to all the runners and throwers and good luck at district.

Way to go A-TEAM

The high school academic team, A-TEAM, traveled to Tilden on Friday April 3 for their district meet. Utopia was well represented and did a wonderful job. First places went to Shauna Blakely in Literary Criticism and Josh Ramsey in Prose Interpretation; 2nd places went to Christy Jones in Ready Writing, Editorial Writing and Literary Criticism, Merry Corwin in News Writing and Feature Writing, Kristi Wise in Spelling, and Dusty carpenter in Current Events. Third place went to Sherry Cantrell in Number Sense, Kendra Achterhof in Literary Criticism, and Jay Jones in Current Events; 4th place to Angie Ondrovik in Prose Interpretation. Fifth place went to Amy Lessing in Feature Writing, Shauna Blakely in Editorial and Ben Taylor in Current Events; 6th place went to Sherry Cantrell in Editorial Writing. The Current Event and Literary Criticism teams both brought home the team plaques for 1st place. Those qualifying for regional competition are: Josh, Christy, Merry, Kristi, Dusty, Sherry, Jay, Ben, Shauna, Kendra. Sponsors for the district trip were: Diana Causey, Joan Clark, Kristi Richey, and Jeanine Hawkes. Good luck at Regional.

Baseball at Lackland

The baseball team faced Lackland on Tuesday, March 31. Utopia came out on top with a 9-7 win. Jeffrey Moore and Arthur Queen combined in the pitching effort for the win, allowing just 4 hits and striking out 7 batters. George Lackey led the way with the bat going 4 for 5 with a triple, two doubles and a single. George raised his batting average to 666. Arthur Queen went 2 for 4 with two doubles. Ben Taylor had a double, Jeffrey Moore, Jay Jones, Thomas Mauldin and Raul Rios had singles. Congratulations Guys!

One Act Play Headed to Area

What a performance! What else can you say the One Act Play "I Remember Mama" put on their best performance at the District Competition held in Joudanton on March 31. Not only was the play selected to advance to Area but Jeffrey Moore (Papa) was named Best Actor; Angie Ondrovik (Mama) and Christy Jones (Aunt Trina) were named All-Star Cast; Honorable Mention Cast was given to Josh Ramsey (Nels) and Cody Hobbs (Uncle Chris). Other cast members are: Shauna Blakely, Erika Bunjes, Sherry Cantrell, Jennifer Brent, Amy Lessing, Jeremy Phillippe, Amanda Lewis and John McGilvray. Crew members were: Raul Rios as lighting manager, Ben Taylor as sound manager and Sara Hall as play gofer.

BACIT tournament coming up

Folks from Barrel House Enterprises formalize their major sponsorship of the upcoming Bandera Athletic Capital Improvement Team Inc. Golf Tournament. The format is a four-person scramble, and the tournament features a prize package of over $30,000. For more information, please call (830) 796-8466.

The best made better at the 1998 4-H Fashion Show

The 1998 Bandera County 4-H Fashion Show was held on Thursday, April 2, at 7:30 p.m. in the auditorium at the high school in Bandera.

This year, nineteen of the Clothing and Textile Project members, from either the construction or buying division of the project, modeled their garments. Contestants by age divisions were:

Pre-Junior: Haley Herbst, age 8, Buying Specialty 1st; April Kneifel, age 9, Buying Dressy 1st; Chantal Kneifel, age 9, Construction Specialty 1st; Melinda Griffin, age 10, Buying Casual; and, Kassie Juenke, age 10, Construction Casual.

Junior: Christine MacMillian, age 11, Construction Dressy 1st; Kristina Miller, age 11, Construction Specialty 1st; Ashley Chaney Tobin, age 11, Construction Casual 1st; Mallory Herbst, age 12, Construction Specialty 1st; Stefanie Lacy, age 12, Construction Specialty, 2nd; and, Margaret Williams, age 13, Buying Casual 1st.

Senior: Holly Burrow, age 15, Buying Dressy 1st; Brandi Crist, age 14, Buying Dressy 2nd; Spring Haby, age 16, Buying Casual 1st; Kathryn Miller, age 15, Construction Formal 1st; Shannon Patrick, age 15, Construction Specialty 1st; Tara Miller, age 16 Construction Casual 1st; Jennifer Stade, age 14, Construction Casual 2nd; and Chrystal Smith, age 16, Buying Formal 1st.

All participants did an outstanding job of interviewing with the judges and modeling their garments.

The District 4-H Fashion Show will also be held in Bandera this year. Mark your calendars for Saturday April 25, at the High School Auditorium. Show will start at 3:30 p.m., with contestants from 22 counties competing for top awards.

ABC REPLIES TO SAVE OUR SCHOOL

ABC MUST IN ALL HONESTY REPLY TO THE ISSUES AND CONCLUSIONS PRESENTED BY THE SAME OLD STUFF COMMITTEE.

FACTS ARE AS FOLLOWS:

Issue: The Middle School. If the Middle School cannot be brought up to code then how did BISD expect to bring the second hand junk from a defunct bull ring from Mexico up to code? Suggested Reading: Texas Administration Code, Title 19, Part 11, Subchapter B, School Facilities Standards. (Old Main will remain).

Issue: The School Board went behind our backs: a true statement. In open session, the school budget should have been amended prior to the decision to bid on race track. Ref: Ed. Code 44.006, page 236. Suggested Reading: Texas School Law Bulletin, pg. 735. Government Code 551.072. Texas Civil Statues, Article 6252.17, Section 2 (f).

Issue: The race track is environmentally unsafe. A very true statement. Bandera Downs has had horse racing for over 30 years. The number of horses buried at the track is unknown, however, when all available space had been used, track officials or horse owners begin contracting with local ranchers for more burial space. Want to know the gory detail, do some research of court records.

Issue: BISD continued to operate even after the tax roll back was passed. Yes, in spite of the hue and cry that the school would be devastated if the roll back was successful. It did not lower the taxes because the state established school tax districts which were later declared unconstitutional so we eventually saw the benefits of the rollback.

The roll back in 1990 was successful beyond the sponsor's wildest dreams. It gave the then Chief Appraiser incentive to resign when he was accused (in the Bandera Bulletin) of raising property values to gain more money for the school without the school board having to raise the tax rate, a practice that had been ongoing for several years. There was also another plus in the roll back. The then sitting school board decided not to retain the Superintendent because he had lost the goose that laid the golden egg.

The results since 1990: Property has been appraised at fair market value equally across the board. This had saved the tax payer far more money than the direct effect of the roll back. We believe that the committee established by the school board did an impartial review of school functions and that all information presented was true and correct.

Don't have any delusions about the committee for Operation School House not being independent thinkers. All of them were. There was lots of discussions, debate, compromise, suggestions, and exchange of information among the subcommittee members. We believe the summary that was prepared was accurate and professionally presented to the school board. The members of Operation School House fully expected that BISD would meet with them and have an open discussion with each subcommittee.

We believe that the present school board lacks sufficient knowledge of the operation of the School District to engage in meaningful dialogue and would have been embarrassed to participate in such a give and take session.

We believe BISD acted irresponsibly in bidding on the race track. Suggested Reading: Education Code 44.006. Effect of Adopted Budget Amendments. Local Government Code: 271.004 Real Property and Improvements for School Districts.

We believe there are no independent thinkers on the present Board of Trustees. We also believe that a her mentality exist within the board. Follow the leader whether it is another board member of the administration.

We believe the affairs of BISD are in terrible shape. An executive session every board meeting indicates that there are many problems within the school district. This could be prevented with a very basic management system.

We believe that the Board of Trustees should apply to themselves and employees the same standard that is applied to students. Zero Tolerance.

We believe all employees who were involved in the purchase of the race track should be terminated; appoint an interim administrator, call for a special election; then all board members resign effectively immediately. We believe the County Attorney should conduct an investigation as to possible wrong doing in the race track purchase, and present all information to the District Attorney for any action the District Attorney deems necessary.

ISSUES FACING BISD SCHOOL BOARD FOR 1998-1999 SCHOOL YEAR

NOTE: THIS IS THE FIRST OF A SERIES OF ARTICLES IN WHICH SOME OF THE ISSUES WILL BE IDENTIFIED AND DISCUSSED CONCERNING OUR SCHOOL SYSTEM IN THE UPCOMING YEARS.

We all seem to agree on one thing—one or more new schools must be built within the next year or two. Thereafter, we disagree on where these schools should be built, why we need them there, and whether less expensive approaches are acceptable.

Unfortunately, some people lose sight of the objective of constructing a school building. It is to provide a safe, secure, comfortable environment for students and teachers.

Conditions have changed somewhat since the Facility Committee delivered its report — just as we acknowledged it would in the report.

According to the school's own architects, the most expensive schools to build in the descending order of costs are a high school (most expensive), a middle school (much less expensive), and an elementary school (the most economical).

The current board (including two running for re-election) requested your approval of a $10 Million high school to be built on a $3 Million piece of land or a total of $13 Million.

Our alternative, after consulting with the school's architects, was to expand the existing high school at an estimated cost of about $5.5 Million, resulting in a $7.5 Million savings.

With the savings ($7.5 Million) we can, if necessary, build not one but almost two middle schools—one in Lake Hills/Pipe Creek and one in Bandera.

Based on the demographics, we now have such a program would serve the school system 13 to 15 years with possibly one or two notable exceptions in our elementary school.

The elementary schools might require some additions or a new elementary in the next 5 to 10 years.

The main problem with the new high school concept is that it is a bottomless pit for spending taxpayer money. It's only the tip of the iceberg!

According to the administration's own admission three to five years after building a elaborate, new high school, they would be back to the taxpayers for one or more additional schools.

Obviously, this logic is terribly flawed. For the same amount of money wisely expended, we can accomplish so much more.

And with good planning we can do all these good things without an unbearable increase in the taxpayers' taxes!

You, the taxpayer, have the final say.

Barlow named 'Sailor of the Year'

by Wendy Bourland

Sailors strive to achieve excellence and meet their goals every single day of their careers. For some, a military career lasts a few years, but for others, it spans 20 or even 30 years.

Stephen Barlow wanted to do more than just serve time in the Navy. He wanted to excel, to discover his full potential. That is why he was recently selected as his command's Sailor of the Year (SOY).

Barlow, son-in-law of Donald and Diana Backer of Bandera, is an electronics technician onboard USS Ticonderoga, a guided missile cruiser based in Pascagoula, Mississippi.

The general duties of an electronics technician are to maintain and repair electronic equipment on ships and at shore stations. They handle routine care and repair of radar, communication and navigation electronic equipment.

As the leading petty officer of the ship's CE division, Barlow manages all aspects of electronics maintenance.

"I supervise 13 personnel in two ratings," the petty officer first class said. "I enjoy the variety of people I encounter and the challenge of getting the job done.

"Ticonderoga's mission is to counter drug operations. I support it by ensuring all equipment in my division is at optimum readiness, and that personnel are properly trained and qualified to carry out their part."

Barlow's selection as SOY places him among the top of his profession. During their careers, various forms of recognition befall every Sailor, but only a few of the enlisted ranks are bestowed the honor of becoming SOY for their respective commands.

This coveted recognition often serves as a stepping stone to an outstanding career, but it doesn't have to end at command level.

After additional competition and with a bit of luck, the creme de la creme of command SOYs are selected as the chief of naval operations shore and sea SOYs for Atlantic and Pacific fleets, and offered a trip to Washington to be recognized and congratulated.

Barlow, 38, joined the Navy in 1981, the same year he graduated from John Jay High School in San Antonio.

His father had served in the Air Force, and his brother-in law was in the Navy.

Barlow wanted to learn a trade and travel. The Navy, he said, "had the best [illegible] of all the services."

And since joining, Barlow says he's learned a lot. The Ticonderoga is his second ship; previous assignments have taken him to Cuba, the island of Diego Garcia in the Indian Ocean, and San Diego, California.

Confidence and teamwork are high on his list of accomplishments. "I don't have all the answers, but I know there is always a source to get the answers," he said.

"Never stop learning," Barlow says. "Keep growing any way that you can. I apply all I have learned and if it doesn't work, try it again a different way until I get it right. And, I learn from those who have gone before me.

"People are individuals and sometimes have to be dealt with in different ways," he continued. "It's just a matter of recognizing what that is, and acting on it."

The Navy isn't all work and no play, though, and Barlow said that since joining he's had the chance to visit such places as Japan, Korea, Singapore, Australia, Panama, Mexico and Jamaica.

Barlow says the most exciting thing that's happened to him so far is being chosen Ticonderoga's SOY, as well as SOY for Western Hemisphere Group, to which the ship belongs.

But he can list some other career highlights. He's maintained the medical equipment at Camp David—the presidential retreat in Maryland—as well as equipment at the White House and on board Air Force One and Air Force Two, the aircraft used by the President and the Vice-President, respectively.

And he's been an electronics instructor.

Which is perhaps why Barlow, who has been married to the former Denise Annette Backer for 10 years and has three children—sons Jonathan, 7, and Matthew, 3, and daughter Marie, 3, says he intends to stay on active duty until he's eligible to retire.

"The Navy has benefited me tremendously in terms of confidence, resourcefulness, teamwork and camaraderie, as well as providing me with very valuable technical training," he said."Managerial and leadership skills have been taught to me that I will use for the rest of my life. I plan on becoming a master chief petty officer and retiring from the Navy," he added. "Afterward, I will pursue a career in either medical electronics or as an educator, probably in central Texas."

Like other SOY nominees, Barlow is a very busy person in and out of uniform.

"I choose my off-time activities carefully, making sure they are worthwhile and beneficial to me and my family," Barlow said. "Whether it be outdoor, educational, or just fun activities, I concentrate on them being positive. I enjoy running, scuba diving, fishing and wood working. At church, I am an assistant Sunday School teacher. I am also a den leader for the Cub Scouts," he said.

Whatever his future, Barlow can look back on his time in the Navy with fond memories and the knowledge his service was valuable and appreciated.

Music Boosters to host 2nd golf tournament

Last October 5, Bandera Music Boosters hosted the First Annual Bandera Music Boosters' Golf Tournament at the Flying L Golf Club. While we did not have a tremendous showing due to late notice and prior commitment, we still saw a tidy return. A great amount of that return came from sponsorships generated through the parents and guardians of our music students. Those sponsorships came from individuals and local companies (to include some in San Antonio). They had a small advertisement placed at one or more of the holes on the golf course, for which they paid a nominal fee.

We are hosting the 2nd Annual Bandera Music Boosters' Golf Tournament on Sunday, April 26 again at the Flying L Golf Club, at 2 p.m. Once again, we need your assistance in soliciting sponsors for one or more of the 18 holes on the course.

The fee we are asking is $50 per hole. If the sponsor has a placard or other such device they would like displayed, we would be happy to do so (provided it is not too large). If they do not, but would like a specific design or wording displayed, please have them provide a sample from which we may design their placard. Otherwise we will design and display an appropriate placard.

In addition, we are offering the sponsor the opportunity to field a golf team in the tournament, if they so desire. For $300, they will have advertising displayed at four holes (normally a $200 fee), and may enter a four-person team. You will also find an entry form attached. If you need more, please feel free to make additional copies.

As we discovered from our first tournament, gaining more sponsors provides a much greater return. We may then use those funds to support different activities or needs of all music students.

White, Dean, Hays and Proctor take Over 50 scramble

The foursome of Melvin White, Willis Dean, Bill Hays and T.L. Proctor captured first place in the April 9 Over 50 Golf Association scramble held at Bandera's Lost Valley Course.

The team won the event with an eight-under-par 64 after beating the group of Tom Zuberbuchler, Lee Kindla, Buster Brown and Bill Kelley on a scorecard playoff.

Third place went to Roy Riojas, Easy Eason, Francis Moos and L.D. Chandler at 65. That team beat out Jim Terry, Vaughn Manning, Ed Clark and Jack Kempf on a scorecard playoff.

Taking fifth place at 66 were Larry Upton, H.C. Day, Hank Tripp and Dick Angle. At 67 were Jim Stone, Peter Jackson, Clint Briggs and Ty Rice.

The Over 50 league was scheduled to play at Bandera's Flying L course today (May 15). A total of 76 golfers participated on April 9.

Castroville's Alsatian Course will play host to the April 22 Over 50 scramble beginning at 9:30 a.m.

Beginning in May, scrambles will start at 8:30 a.m. until daylight savings time ends.

McClendon takes stableford tourney at Flying L course

Despite hard winds, Jeff McClendon tamed the Flying L Course in Bandera to the tune of 11 points better than his handicap in winning the April 6 Good Old Boys Golf League's weekly stableford tournament.

Not far behind was Drury Vinton with 10 points.

Tied for third place were Duke Duclos, Harold Plocek and Roy Rodriguez with six points apiece.

Robert Bradley and Charley Huff were next with five points each.

Rodriguez was closest to the pin on the 7th hole and Jim Terry had the closest shot on the 12th.

More than 50 golfers played in the April 6 event. New players are welcome at 8 a.m. on Mondays.

Bandera senior standout Thad Dubose (above) was in the lead at District with an opening-round 76 on Monday.

Bulldog golfers complete 1st round

Both Bandera High School golf teams were trailing Devine following the first round of the 1998 District 26-3A Tournament that opened on Monday (April 13) at the Devine Municipal Course.

The two-day, 36-hole event was scheduled to end on Tuesday in Castroville. Watch next week's Bulletin Sports for final results.

The defending district champion Bandera boys were four strokes behind Devine (332-336) going into Tuesday's final round. Hondo was third at 343 and Medina Valley fourth at 352.

The top two teams and top individuals advance to Regionals.

Bandera senior Thad Dubose was the first-round leader in medal play with a 76. He was the only golfer to shoot in the 70s during the opening round. Jason Garcia added an opening-round 82. Will Anderwald 84, Quinton MacRae 94 and Joey Lalanne 95.

The Bandera girls shot an opening round 440 were battling for second place with Lytle (434) and Ingram Tom Moore (438). The favored Devine girls were way out in front in first place. The Bandera girls have finished third at district the past three seasons.

Bandera softball closes 1998 season

The Bandera Lady Bulldog softball team will close the season at third place in the District 26-3A standings.

Bandera softball was scheduled to close its season with a Tuesday (April 14) home game against Hondo.

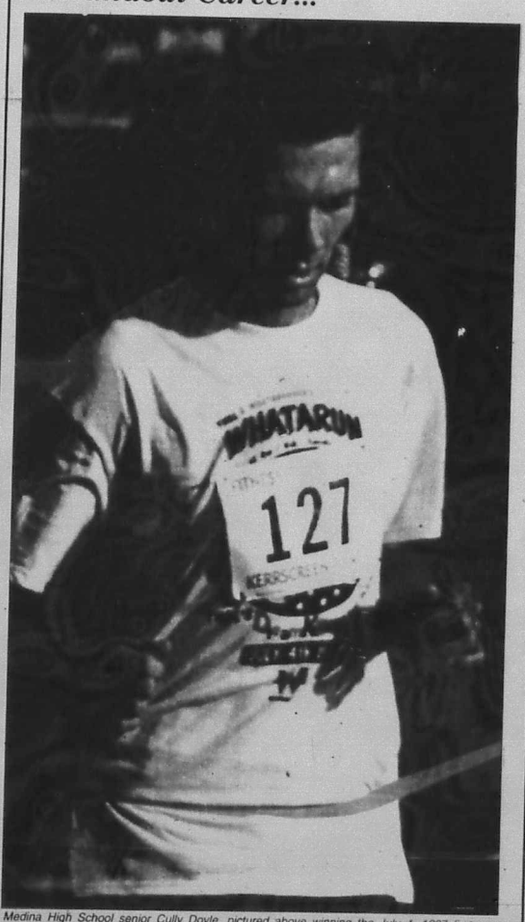
A Standout Career...



Medina High School senior Cully Doyle, pictured above winning the July 4, 1997 first-ever WhataRun 5K in Kerrville, will participate in his final District Track Meet in Medina on Friday (April 17). Doyle has won team and individual state championships in cross country and is looking for a return trip to the UIL State Track Meet scheduled May 15-16 in Austin. See a feture story and a career review of Doyle's accomplishments at Medina on page B2.

Dog baseball enters week in third place

After dropping consecutive games against District 26-3A frontrunners Medina Valley and Devine, the Bandera Bulldog baseball team bounced back with a 15-4 smashing of Somerset last Thursday (April 9) at the Bandera High School field.

That win put Bandera in third place with a 3-2 league mark. Devine leads the 26-3A race at 4-0 and Medina Valley is second at 4-1.

Bandera was limited to one hit during a 14-3 loss at Devine on April 7.

Devine scored three runs in the first inning, five in the third, four in the fourth and two in the fifth as the game was stopped with the 10-run rule after five. Devine pounded out 10 hits while both teams combined for 10 errors (Bandera had four).

In last Thursday's Bulldog fight against visiting Somerset, Bandera scored a school-record 11 runs in the first inning on its way to the 11-run win.

Bandera's Simon Gray drove in five of the Bulldogs' 11 first-inning runs with two triples.

Bandera finished with 12 hits while Bulldog pitchers Shawn Stevens, John Bossom and Robert Oliver combined to three-hit Somerset.

This week, Bandera baseball was scheduled to host Texas Military Institute on Tuesday night and return to district play Saturday (April 18) at Ingram Tom Moore at 2 p.m.

Doyle wrapping up stellar career at Medina

Bobcat senior has done it all during high school cross country-track days

Medina High School senior Cully Doyle has just about done it all during his Bobcat cross country and track career.

He's a former state champion and has led his team to a state title in cross country.

He a two-time University Interscholastic League (UIL) State Track Meet qualifier, a three-time Region Meet qualifier, and has medaled at the District Meet since his freshman year.

Doyle will defend his two-time championship in the District 3,200 and 1,600-meter runs on Friday (April 17) at the District 29-A Meet in Medina.

He's carried on Medina High's outstanding cross country and distance-race tradition that was started by Medina grad Misti Wells despite a senior year racked with injuries and lengthy recoveries.

"It's been a tough senior season because I was really looking forward to a great year," Doyle said earlier this week.

A foot injury during pre-season cross country training caused Doyle to sit out the entire cross country regular season.

Doyle literally put down his crutches to help the Medina boys win District and later capture the 1997 Class A cross country state championship in Round Rock in November.

Doyle, in his first cross country event of the 1997 season, placed 10th at State with a time of 18 minutes, 48 seconds.

Doyle won the State cross country individual championship in 1996 with a time of 17:00. In 1995, Doyle was 15th at State with an 18:10 clocking.

"I came back a little too soon in cross country and the injury got worse," said Doyle. "Then I had to sit out the first four weeks of basketball. That was really tough sitting around that long waiting to get better."

Doyle got better had helped lead the Bobcat basketball team to a playoff berth while averaging double figures in points and rebounds.

In addition to his cross country and track accomplishments, Doyle has also been named to All-State, All-Region and All-District teams throughout his Medina basketball career.

"I really haven't been able to get my full strength back this spring," Doyle said of the 1998 track season. "I haven't had the training time this year that I've had in the past. It's going to be a big challenge at District."

Doyle expects the biggest challenges for his 3,200 and 1,600 District titles will come from Trent Pepper of Sabinal and runners from Rocksprings.

"Pepper is real tough in the 3,200, he beat me at our meet earlier this spring," Doyle said. "A Rocksprings runner beat me by one second in the 1,600 (4:50 to 4:51), so like I said, District is going to be a big challenge."

Doyle, who was Medina's starting quarterback until breaking his collar bone as a sophomore ("No more football after that," he says), is looking towards a college track career.

"I've talked with some schools and we'll see what options are there after the season," he said.

"It was really tough sitting out for weeks at a time waiting for the injury to get better."

It's District Track time this week for Bandera and others

(From page 1B)

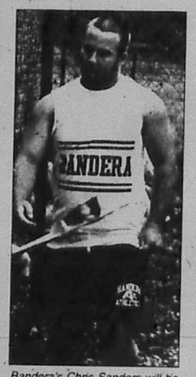
at Jourdanton today (April 15).

According to Bandera TRack Coach Stan Payne, the Bulldogs and Lady Bulldogs will be District 26-3A Meet competition at Medina Valley High School in Castroville at 3:30 p.m. on Thursday with the running preliminaries. The 3,200-meter finals will be held on Thursday as the final event of the day.

On Friday, the 26-3A Meet continues with field events beginning at 9 a.m. and running finals starting at approximately 2 p.m. in Castroville.

Payne said the favorites for the team championships going into the district meet will be the Ingram Tom Moore Lady Warriors on the girls side and Devine and Hondo in the boys varsity division.

"Those teams have a lot of depth," he said.



Bandera's Chris Sanders will be a favorite in the discus and shot put at District.

Bandera's double-threat in the discus and shot put include (above) Christina Hernandez and Yoli Burmudez.

Pictured at right is Bandera Track Coach Stan Payne.

Bandera track is at the District 26-3A Meet on Thursday and Friday at Medina Valley High School in Castroville.

Medina Bobcat baseball in middle of 31-A race

Cats in key home game Tuesday with D'Hanis

The Medina High School Bobcat baseball team is right in the middle of the District 31-A race with a 3-2 league mark.

Coach Randy Joseph's Cats entered this week's action in third place trailing 31-A leaders D'Hanis (5-1 in district) and La Pryor (4-1).

Medina defeated Sabinal 6-4 to move into third place on April 7. The Bobcats April 9 game at Utopia was postponed due to lack of umpires.

"It's been a pretty wide open district race so far," Joseph said. "Everybody has at least one loss."

Joseph and his Cats were scheduled to play at last-place San Antonio Lackland late Tuesday (April 14). Medina baseball is off Friday due to the District Track Meet in Medina.

Next Tuesday (April 21) at 4:15 p.m., the Bobcats host first-place D'Hanis in what Joseph called "a huge game."

The 1998 Cats feature junior pitcher Jonathan Johnson (3-2 win-loss record this season); sophomore Chris Pump (1-2); and senior Philip Haines (0-1).

"Don't let Haines' 0-1 record fool you," Joseph said. "He's come in and saved the last two wins. He's really done the job."

Medina's leading hitters according to Joseph include Pump, who plays third base when not pitching; Haines, who plays left field; 1st baseman Ryan Doyle; 2nd baseman-designated hitter Mike Walsh; and Johnson, who also plays 2nd base.

"The district really has been balanced, so it looks like it's going to be a great race right down to the wire," Joseph said. "Tuesday's home game with D'Hanis is a big one."

Other Bobcat baseball games include at Asherton on April 28; at Sunnybrook on May 5; at home against La Pryor on May 8; at Sabinal on May 12; and at home against Utopia on May 15 (all 4:15).

Dogs play Saturday...

The Bandera Bulldog baseball team will play Saturday (April 18) at Ingram Tom Moore with a junior varsity game at 11 a.m. and the varsity encounter at 2 p.m. Bandera is playing on Saturday due to the District Track Meet being held Thursday and Friday (April 16-17) in Castroville. Pictured at left is Bandera's Brent Flack (10).

Flying L Guys & Dolls Mixed Golf League starts

The Flying L Guys and Dolls Mixed Golf League will begin its 1998 season on Thursday (April 16) at the Flying L Course in Bandera.

Tee time is set for 5:45 p.m.

The format for the Thursday evening events is a 9hole scramble for A, B, C and D players. There is no membership fee and the Flying L Course offers discounted green and cart fees to participants.

Come out and enjoy these fun events that are played in a very "laid-back" style.

Call the Flying L pro shop by no late than 4:30 p.m. on Thursdays to be placed on a team.

Golfers can also come by the course no later than 5:30 p.m. and still play.

Call the Flying L Course at (830) 796-8466 in Bandera.

'Riders For The Lord' Trail Ride

A trail ride organized for Christians who enjoy riding and gospel music is scheduled for Saturday, April 25. This ride is designed especially for Christian families, and no alcoholic beverages will be served. Participants are encouraged to bring their children for a day of fun and fellowship.

Registration will be from 8 to 9 a.m. Cost for the ride is $8 in advance and $10 on the day of the ride which includes lunch provided by The Bandera Music Lover's Association. The ride will leave Mansfield Park promptly at 9:30 a.m., making its way through several ranches on the north end of town and ending up back at the park. Following the ride, participants will meet at the pavilion behind the Beverage Barn for lunch and an afternoon of Gospel music. For additional information and reservations, please call Janis Robinson at 796-8274 after 7 p.m. or anytime on weekends.

Melodiers sing show tunes

Howard Cain from the First Baptist Church used for his text Sunday John 10:00-11 ... Greenawalt was the pianist and Marie Cain was the song leader. Rose Greenawalt was the story teller.

Ann Stackhouse, Nancy Westly and Alicia Fleming came to play bingo with several of the residents Monday morning.

Monday morning Fannie Caffall, Dorothy Callahan, A.P. Leibham and Annette Kalka-Schulte from St. Stanislaus Catholic Church prayed, sang and visited resident friends Brenda Adam, Jeanette Adanietz, Peggy Jacobs, Lorene Billings, Edna Carter and Evelyn Carnes.

The Melodiers came Tuesday morning for their monthly visit. They sang songs from Rodgers and Hammerstein. Emcee was Paul Westmeyer, director and pianist was Florence Isaacs, violinist was Judy Goodenough, soloists were Beverly Powell and Randi Williams, autoharp players were June Westmeyer, Lee Yelton, and Marion Bunch.

Other Melodiers were George and Betty Schultz, Betty Lagenier, Floyd and Mary Portman, Fannie Caffall, Dot and Bob Bailey, Madie Frenchmeyer, Bettie Suddath, Dolores Greene, Lois Hayes, [illegible] Causey, and Betty Johnston.

Martin Smith from the Church of Christ came for Bible Reading with the residents.

No one had a birthday this month but we had a birthday party and enjoyed cake and punch.

Mary Jane Benaudos, Luke Williams and Linda Weillams, and Steven Vacek brought the children from Noah's Ark to visit with the residents Tuesday.

The first grade from Hill Country Elementary School came to visit with the residents. The residents always enjoy visits from the children.

Thanks to Brenda Upton for the pretty gold shell crosses and bunnys she made for the residents.

Harvey Rogers came Thursday to sing with the residents which they always enjoy.

Thursday morning Vera Nichols and Ann Stackhouse from St. Stanislaus Catholic Church gave out pretty flowers to the ladies. Thanks to Punkie of Eckhart's Flower Shop.

Mary Campbell from St. Stanislaus Catholic Church gave communion to members of the church.

The residents enjoyed their Easter Party on the patio. They were entertained with music and songs.

We welcome Edward Wiley to our home and hope he enjoys his stay with us.

We're sorry to report Hope Richeson passed away. She will be missed. Our sympathy to her family and loved ones.

SWMD hosts xeriscape, conservation show

Springhills Water Management District is proud to present the Third Annual "Bandera County Xeriscape/Conservation Show" to be held on Saturday, May 10, from 10 a.m. until 2 p.m. at the County Showbarn, Mansfield Park in Bandera.

SWMD is currently organizing this increasingly popular event which has been moved to the Showbarn this year due to popular demand. Any groups or businesses wishing to participate are urged to contact the District. Tables are free but limited. This is an excellent opportunity for your group or business to showcase services available to Bandera County. Both profit and non-profit organizations are welcome. Here's your chance to spread the word about your water, wildlife, gardening, landscaping, energy, xeriscape and conservation expertise, services and products.

In addition to presentations, Springhills is asking any businesses who are interested in providing sponsorship to contact the District. Volunteers are also needed not only for the day of the show, but for help in organizing the event.

Please call Judy Pierce or Vicki Richardson at 796-7260 to schedule your presentation, reserve a table, volunteer or provide sponsorship.

It's a revival

There will be a revival at Lakehills Baptist Church April 19-22 at 7 p.m. each day. John Rodgers, evangelist, and David and Sherry Blow, singer and pianist, will be present at the revival. A nursery will be open during the revival. Bro. Bill Moseley, pastor, invites the public to attend the event, which will be held at the church on Hwy. 1283 at Park Road 37.

Praise, down by the riverside

It's not too late for area Christian musicians to get their application forms from the Bandera County Chamber of Commerce and participate in "Praise, Down by the Riverside." The day of praise, sponsored by the Bandera Music Lovers, will be held at the Beverage Barn on Saturday, April 25, starting promptly at 10 a.m. Local Christian musicians are especially encouraged to call the Chamber at 796-3045 and turn in those application forms.

The best, and then some!

Bandera' own Clark House was recently rated "Best +" in the 1998-99 edition of "The Inside Guide to America's Nursing Homes." Some of the residents, staff and volunteers gathered recently to celebrate the ranking, a prestigious honor afforded to few facilities. A Best + rating signifies that the facility is in the top 4 percent of homes in the United States. The Guide rates every certified nursing home in the country, over 17,000 facilities.

Senior Games qualifying events

Athletes 50 years of age or older are invited to compete at ten local games sites throughout the state to quality for the Scott and White Texas Senior Games to be held in Temple September 21 - 27. A Thought For The Week

by John M. Grimes

You have heard the saying, "Today is the first day of the rest of your life." As long as we have life, each and every one of us must live within the confines of time-day by day. It is a precious possession. We can use it or we can waste it. At this very minute a life is being changed somewhere by someone or something, for better or worse. A hope is being born, a dream is being shattered. Pleas are being heard, accepted and rejected. Things happen every day.

This very minute, a part of today, will soon be gone. It can never be replaced. It can be used to advantage to bring happiness or it can be shunned aside to cause regret and faded hopes in the tomorrows to come. Yesterday is gone. There may or may not be a tomorrow. But we do have TODAY.

Speaking of today, the right time to discuss or plan pre-arrangements is ahead of time... Remember it saves a worrisome, confusing and sorrowful situation for others at a difficult time. That is why "our time is your time" –anytime you wish for such discussion. Even now–today... As a family owned funeral home, we welcome this opportunity to answer any and all questions.

Comfort tour of historic homes to be held this Saturday

Five historic homes will be featured in the Tour of Homes to be held in Comfort on Saturday, April 18. The Comfort [illegible] rabilia and heirlooms of the first German settlers of the Hill Country, will also be a part of the tour.

Sponsored by the Comfort Heritage Foundation, the homes and museum will be open to the public from 1 p.m. to 6 p.m.

Four of the homes on the tour date from the 1850s to the 1890s, and one was built in 1908.

The oldest structure is the Goldbeck-Faltin Cabin, which was erected in 1854, the same year the town of Comfort was founded.

The cabin walls are a classic study of the Fachwerk method of construction utilized in medieval Europe, consisting of frames of heavy timbers with diagonal bracing members.

The Paul Ingenhuett residence, built in 1895, contains furnishings which belonged to Dr. Ernst Kapp, one of the original Latin Colonists who settled in Sisterdale in 1846. Following its renovation in 1981, this home received the Heritage Foundation's first award for preservation and restoration.

The Ernest Flach house, built [illegible] restored in 1936, and is regarded as one of the finest examples of native limestone and Fachwerk construction in the Hill Country.

In 1997, this residence received the Heritage Foundation's award for historical preservation and restoration.

The Conrad Strohaecker house, built in 1890, and was the birthplace of the first child of German descent born in the Comfort area.

The Vincent J. McAteer house, built in 1908, is one of the landmark structures in Comfort. Constructed of native limestone cut into large rectangular blocks, this residence represents the epitome of turn-of-the-century craftsmanship and attention to detail.

Tickets for the Tour of Homes may be purchased at the Comfort Community Center.

Price of admission is $10 per person.

BISD votes to appeal racetrack sale ruling

■ By Brenda Sommer
Managing Editor

In a special meeting Monday night, the Bandera ISD board of trustees voted to appeal a recent court decision which invalidated the district's purchase of Bandera Downs racetrack.

A crowd of about 60 spectators attended the special meeting, called solely for the board to decide whether to authorize their law firm, Walsh, Anderson, Brown, Schulze & Aldridge to appeal the final judgment. Seven citizens addressed the board, including several candidates for school board seats.

The district decided to bid up to $2.9 million for the track at a Feb. 2 school board meeting, and proposed using the property for a new high school. BISD purchased the 135-acre property on Feb. 3 for $1.475 million at a sheriff's auction on the Bandera County Courthouse steps. Al Hamilton filed suit to reverse the sale on Feb. 11, arguing that the district did not give adequate notice of its intentions, and that BISD couldn't legally bid more than the amount owed in back taxes and delinquent fees. Hamilton is now running for school board.

> *"If you're going to appeal the court's ruling, I wish you'd use your own money."*
>
> — Mike Medina

District Judge V. Murray Jordan ruled on April 6 that the school board trustees should have given a 60 day notice of their intent to buy the property, and barred the district from bidding more than the amount owed in back taxes (approximately $383,000) in any future sale of the property. The market value of the property is estimated to be $1.5 million.

Candidate Mike Medina told the board Monday night, "If you're going to appeal the court's ruling, I wish you'd use your own money."

Susan D'Spain, another candidate, recommended a public referendum on the purchase of the track.

"The voters have a right to participate," she said.

Candidate Dan Zavorka felt his vote in the November 1996 school bond issue (during which voters overwhelmingly rejected purchasing the track for $3 million) was compromised, and urged the board to "leave Bandera Downs alone."

One BISD teacher in favor of the board's actions said "I don't teach for the money — I've got to believe in the district I'm working in, that they're doing what's best for our kids." Of the sixty or so guests at the meeting, only seven addressed the board.

Parents, students ponder possible school uniforms

BANDERA— Parents of Bandera middle school and high school students, and students themselves, have been invited to a public forum April 30 to view suggested options should Bandera schools choose to adopt a dress code requiring school uniforms. The meeting begins at 6 p.m. at the BHS auditorium, and includes modeling of proposed uniforms and a chance for the public to briefly state their opinions on the issue.

In a survey sent to parents in February, BHS Principal Michael Nesbit and middle school Principal Renee Schulz said that school officials were "reviewing our dress code and exploring the idea of making a school uniform part of it." The letter said "research" shows numerous positive benefits from uniforms, including helping students to concentrate, decreasing violence and theft, reducing "gang dress" at school, promoting "positive school climate" and school pride. The survey also said that uniforms are cheaper for families than "current fashion."

The one-question survey goes on to cite samples of districts with uniform policies, followed by reported drops in discipline rates at some of the schools.

The survey said schools would be

Medina hosts Spring cleaning

Medina will hold its first Spring City Wide Garage Sale this Saturday, April 25. For the past few years, the city has held such sales in the fall, but this is the first time a spring event has been held.

"Folks come from all over to buy — the sale just gets bigger and bigger," said Genie Strickland of the Medina Texas Development Corporation. "We plan from now on to have two sales a year."

Strickland said that the sale is being held in conjunction with the annual Plant Posse, an event which encourages guests to the area to enjoy driving through the Hill Country, enjoy roadside foliage and visiting area communities to sample their offerings. Among events that Posse guests are encouraged to enjoy is Bandera Music Lover's "Praise Down by the Riverside," an all-day celebration of Christian music, which begins at 10 a.m. Saturday at the Bandera Beverage Barn. Food will be available, and the event includes a Christian trail ride.

There are no fees to participate as either a vendor or a buyer at Medina's sale. Booths may be set up anywhere on Medina's main street (Hwy. 16 in downtown Medina) as long as vendors don't block any businesses, or business or home parking areas. Please set up by 8 a.m. For more information, contact Peggy Rather at 589-7224.

May 1 conference to cover area issues, opportunities

"Regional Issues — Local Solutions," a first-of-its-kind, one-day regional conference, will explore issues and opportunities related to the explosive growth in the 22-county San Antonio-Austin region, including Bandera County.

The conference is hosted by the mayors and county judges of the area, and is sponsored by a broad coalition of private companies and public groups in the area covered by the Austin-San Antonio Corridor Council, Capital Area Planning Council (CAPCO) and the Alamo Area Council of Governments (AACOG).

Public officials and civic and corporate leaders, and any and all citizens interested in all aspects of rapid growth are encouraged to attend the May 1 seminar, which will include films, presentations, dialogues and even a barbecue meal.

"This will be an excellent opportunity for regional public officials and civic and corporate leaders to begin discussions on how we can all work together to solve problems and capitalize on opportunities created by the incredible growth in the San Antonio-Austin corridor," said Round Rock Mayor Charles Culpepper, chairman of the Austin-San Antonio Corridor Council. "Whether they come from small towns, big cities or rural areas, those attending the conference will be able to begin a dialogue to address the issues and come up with some insight into solutions that could benefit everyone in our region."

Objectives of the seminar are consideration of transportation, infrastructure, growth, natural resources planning and economic sustainability, and development of regional relationships and strategies for ongoing communication and action.

Included in the program are a "State of the Region" report, covering

Uniforms

From page 1A

required under provisions of Texas' Senate Bill 1 (a comprehensive education bill) to prove that a uniform policy improves the learning environment and provide uniforms for those in need.

BISD staff said that 207 of the middle school's 580 students are eligible for free or reduced lunches (36 percent), and that 26 percent of BHS students, or 161 of 625, are eligible for free or reduced lunches. Eligibility for the meals program could be an indicator of the number of students for which the district would have to buy uniforms.

Schools would also be required to exempt students from adhering from a uniform policy for bona fide religious or philosophical objections."

Results of the survey were mailed to parents after the March 11 deadline, and according to the school, BMS parents who returned the survey were 75 percent in favor of school uniforms, as were 55.5 percent of BHS parents who responded.

The schools could state what percentage of parents actually responded to the survey, but did say that 191 surveys were returned by parents of high schoolers, and 106 by parents of middle schoolers.

A uniform policy would require the approval of the BISD school board. The April 30 forum will begin with basic information on suggested clothing, and students will model some of those items. An open forum will follow; however, speakers will be limited to three minutes.

A note sent to parents by the schools states that "from this meeting, you will decide if the issue of school uniforms should be taken to the school board." If the meeting favors adoption of a uniform policy, administrators plan to bring the issue before the school board at its May 12 meeting.

Making Triad Work

BANDERA TRIAD

An advisory council is a key element in any Triad's success. This group is composed of older members of the community who work with the elderly and law enforcement personnel. In close collaboration with the sheriff and police chief, the council focuses on the crime-related needs of the older adult.

Some of the concerns of Triad are:

- The growth of the elderly population in the area;
- How calls for law enforcement service are affected by changes in the population;
- The number of older persons who may not know how or where to obtain services they need;
- Benefits to law enforcement officers who are able to refer older persons to needed services;
- Ways of providing law enforcement officers with the necessary information regarding the elderly;
- Learning to communicate with older people without frustrating both parties.

The next meeting of Triad will be May 14 at 2 p.m. at the Silver Sage Corral Senior Activity Center, 11th and Hackberry streets. Our speaker will be Officer Shannon Robles. Officer Robles is the coordinator for Project X tattoo and a member of the Bandera City Police.

BISD

From page 1A

BISD board member Rand Hicks said that no one on the board has anything to gain personally from the purchase of the racetrack.

"The district is appealing the court decision because it prevents BISD from purchasing property," Hicks said. The board feels that the 60-day notice rule should only apply when the district issues bonds for a purchase, and that Judge Jordan's ruling that the district cannot bid more than the tax debt owed is incorrect.

The board has contended that the racetrack is the only suitable property available for school expansion, and that the $1.475 million price was a bargain. Lawyers at the Hamilton trial contended that the board was acting in the best interests of schoolchildren and taxpayers, and that the district has the same right as any other party to bid at the forced sale.

The Bandera Police Department answered 21 calls for service, arrested two persons, and issued 9 citations for the week of April 13, 1998, through April 20, 1998. Calls for service included: three assist other agencies; four public assists; one suspicious person; two suspicious circumstances; one disorderly conduct; one found property; two alarms; one stolen vehicle; one accident; one driving while intoxicated; one warrant arrest; and three disturbances.

Michael Anthony Valadez, 37, of Pipe Creek, was arrested and charged with driving while intoxicated. Jon Michael Frasier, 31, of Bandera, was arrested because of four outstanding City warrants.

Sgt. Shane Merritt, Officer Calland, and Officer Mark Burke completed a Special Topics in Investigations course at the San Antonio Police Academy. Corporal James Popham, Officer Gary Galland, Officer Mark Burke, and Officer Mary Cotner completed a Cultural Diversity course at the San Antonio Police Academy.

Don't forget the upcoming auction

Hi Folks. Well, must say our unusual weather is with us. Today April 17, we had a cool Norther hit us — a dry one I'm sorry to report. Still, promises of rain soon. Seems [illegible] down a tad after running so full today in news El Niño was mentioned as possibly cause of all the horrible tornadoes, last one last night in Mesquite, Texas.

Olga Schmidt had a call from her nephew Terry Hall and he said in Colorado Springs, Colo. they had 12 inches of snow-mushy type snow.

Barbara Kosko-Holmes had major surgery on April 1, in San Antonio. She is happy to report she is doing very well and made a good retovery and is grateful for all your prayers and calls. Barbara is also glad to report she has received her license on her LCDC Test in Mesquite. That's Licensed Chemical Dependency Counselor.

Betty Edwards entertained Olivia and Dick Richards Tuesday morning at her home with a coffee reception. There were approximately 10 guests [illegible]

On Monday night the Richards were honored with a reception in Utopia by members of the Baptist Church and friends at the Felder's home.

Chaplain Dick and wife Olivia Richards have returned from Colorado to make their home in Del Rio where they will work at the Grace Community Church. There he will be in the ministry outreach program and Olivia will be head of the music ministry. The Richards have many friends in the Utopia and Rio Hondo area and are being welcomed back.

The Williams Creek Study group's ladies met Tuesday April14, at the home of Gerry Sharp. The program was given by Marilyn Haner and was on E-coli, salmonella, and botulism which are forms of food poisoning. Materials were given on [illegible] and four members absent. A welcome guest was Laura Legendecker and happy to report she joined the club. Olga Schmidt won the lucky draw of cards. Delicious refreshments were served. The next club meeting will be at Priscilla Montgomery's home on May 12 and it will be on soil preparation and xeriscaping.

Jerry and Tom Hall, Idabelle Farr and Margaret Cain enjoyed a wildflower tour on April 14 visiting Fredericksburg, Llano, Johnson City, and the LBJ Sate Park at Stonewall. Highlight of the drive was through Willow Creek Loop which was especially scenic with granite boulders, flowing streems and a wide variety of plants. The day was also perfect for the picnic lunch they enjoyed at the Enchanted Rock State Park.

Margaret Cain suggested that you mark your calendars to attend the Lion's Club Auction at the Utopia Community Park on April 25 beginning at 1 p.m. St. Mary's Catholic Church will cater a grilled hamburger/dessert lunch in the community building beginning at 11 a.m.

Locals attend state DAR conference

The 99th Annual State Conference of the Texas Society Daughters of the American Revolution was held in Houston. Three members of the Bandera chapter were in attendance.

They were Mrs. John K. (Barbara) Harrell Vice-President General of NSDAR and candidate for Registrar General. She is also Parliamentarian, Historian and Librarian of the State. Also attending were Mrs. K. Wayne (Jean) King, Regent elect, and Mrs. J.O. (Margaret) Evans, Registrar of the local chapter.

A memorial service was held for our deceased members, Mrs. Pauline Dossmann formerly of Tarpley, who died in San Antonio on Dec. 6, 1997 in San Antonio.

New officers will be installed at our next meeting on May 21.

Margaret Evans, Barbara Harrell and Jean King, all from the Bandera chapter, DAR, attended a recent DAR state conference in Houston.

Everybody's got a bit of Spring Fever this week

I guess that everybody got bit by Spring Fever this week because everybody is too busy to report what's going on in their part of the woods. I've seen a lot of energetic people out there cleaning, mowing and planting. That includes everybody around The Bird House too! I love it too much! Things are really beginning to shape up. I inherited two baby ducks for Easter and our whole world has revolved around Gus and Bernice for the last two weeks. Trying to keep the cats from having them for a gourmet meal has taken all hands on deck, but their new and permanent home is almost completed. Thank goodness!

The meeting that Vice President, Scott Stewart called for the planning of the May festival at the LSVFD fire house had a great turnout last Thursday night. Plans are underway and volunteers signed up for specific jobs at specific times. The fire house was open and donations were collected Saturday morning from 9 a.m. till noon for the flea market and auction. We still need those items, folks, so dig deep and bring them on down next Saturday. Dorothy Rucker still needs canned goods for the Country Store. This is a good time to show off all those pickles and jams you made last summer. Margaret Jones needs volunteers to make cakes for the cake walk and Diana Haley still needs help with the kids' games.

Everybody needs to remember that fire training is coming up on May 2. We hope to have a good turnout. That is something that everybody in the community could and should participate in.

I spoke with our Game Warden, Louis Rather last week in regards to the noise and fast boats on our river. His hands are tied until new buoys are put in the river to establish a no wake zone. The BMA is in charge of that and as Rather explained, until they turn it over to the county there is nothing he can do about the complaints. It is up to us as a community to contact BMA and "put the pressure on." There are some new laws in effect as of September, 1997 which involve the waterways, but citations cannot be issued until violators are forewarned for a year. Starting in September, 1998, the grace period will be over and citations will be issued. A list of new laws in effect may be obtained through Texas Parks and Wildlife.

Happy Birthday to Deanie Newman April 20th. On Thursday, her daughter Andrea Tondre picked her up and took her home to San Antonio. On Friday they drove over to Lake LBJ where her other daughter, Meridine Talley has a lakefront home. Her son, Ronnie drove over from Austin and they all had an odcasion to remember. Deanie really enjoyed cruising around the lake in the boat and checking out all the coves and inlets. Congratulations on your birthday, Deanie and may you have many more.

The Lake Medina Shores Home Owners Association opened the swimming pool on Easter Weekend. The hours are from noon to 8 p.m. everyday but Wednesday. All paid members are welcome to come for a dip. From the looks of it they have been staying pretty busy in spite of our nippy mornings. The weekends always find members enjoying the barbecue facilities as well as the pool.

Best wishes and good luck to Bitse Tschirhart on his new bait stand on the river. Hope you prosper in your new endeavor.

Congratulations to Al Luce on the purchase of his new boat. We're going to miss seeing him tooling along in his little bathtub boat, but this new metal boat will be much safer and so much easier to launch. Here's hoping you can fill that freezer with fish!

T Blakeney had good luck this past week. It seems he caught that grandpa bass he's been looking for. I heard it weighed in at six pounds. What a surprise! He was fishing for crappie with a live minnow. Can you imagine the look on his face when he landed that Baby! I wish I'd been a mouse in his pocket.

The Good Neighbor Award this week goes to the guys at Holiday Water who, while on a routine water hookup discovered a potential fire hazard. They contacted the fire department and took the pumper truck out where they watched the fire for three hours. Thanks guys.

Tip for the week: Flowers with woody stems will gain added life if you put a crushed cigarette in the water.

Veterans! You may lose your hospital benefits

It's April, well we had a little this week when the fronts blew in. We have been worried about how warm this summer will be, temperature-wise. Ole El Niño shut off all the rain all of a sudden, will we dry out to dust this summer.

We were handed a piece of paper off the Internet the other day that got our dander up! It seems a while back our "President" Slick Willy signed into law a bill that says us vets that have not registered at a VA Hospital since Oct. 1, 1996 will on Oct. 1, 1998 lose all VA Hospital benefits for life! As a further boot in our already tender butt, the VA is forbidden to notify us about this little law. We (all us vets) have to let the rest know and trot over to your local VA office with our DD214 and register. We would like someone who likes to dig to try to find out which fine congressman attached this to what bill and report back to us. Maybe if the President possessed a DD214 he would have shown a little more interest in what he signed into law. We plan to try to get ole Roddy Stinson in on this one.

While we try to cool off a little we want to remind all about the Medina Lake VFD barbecue coming up this Saturday at the Main Firehouse at Park Rd. 37 and 5th St., from 11 a.m. to 7 p.m. All that 1550 lbs. of brisket will go on at 6 p.m. Friday and gently cook until it is served on Saturday as juicy and tender as you cannot imagine. It is making us hungry just writing about it. Remember to bring your voluntary fee check and your address and legal description if you have not received our letter. Your 9-1-1 address is needed also. We will be circulating around the firehouse all Saturday so look us up and give us a critique of our column.

After the barbecue, American Legion Post 410 will have a dance at their hall on 26th St. West. This dance will give you a chance to work off the calories from the barbecue. They will have refreshments and all to go with the deejay music to kick your heels to.

When this comes out the revival at Lakehills Baptist Church will almost be over but if what we heard Sunday morning is any indication, it will be a whopper with the preaching of John Rodgers from Kerrville and the music by David and Sherry Blow. We told Ellen Hawley, our pianist, that that old piano will breath a sigh of relief when Sherry goes home Wednesday night. She can sure put the ivories to that test!

Well, we better put this on the wire and hit the sack as work starts a little earlier this week. We are still looking for you over the back fence.

A missed opportunity

On April 7, 1998, the VFW Auxiliary 9176 sponsored a Meet the Candidates forum. The purpose of this forum was to give the citizens of Bandera the opportunity to ask questions of each candidate about the concerns that you have about where they stand on issues that are of concern to you.

Six candidates and two council members attended and answered questions put to them by the ten citizens who did attend. This forum was not for any of the candidates to campaign for office and no campaigning was done.

Questions about water (supply), roads, sewer, water (flooding), infrastructure and police were ask of each candidate and some of the questions were addressed to those council members present. I am sorry that the citizens of Bandera missed this opportunity to hear it from the candidates' mouth rather than hearing it from someone else's interpretation. The members of the Auxiliary wish to thank all those who came out and helped set up chairs and clean up following the meeting.

Marlene Brice, secretary/treasurer

The Big Truth

Thank you for the courtesy of printing this letter. You know, in government and history classes when I teach about propaganda we discuss the Big Lie theory (if you say something often enough and convincingly enough, eventually people will believe you). Well, I'd like to try out the Big Truth theory.

The Big Truth is that we have a school board and an administration with vision and the foresight to plan ahead. They were willing to take an unpopular stand and subject themselves to all manner of innuendo and insult because they knew it was the right thing to do. They may not have handled public relations like experts in the field—but, then, that's not what they were elected or hired to do. I would like to publicly thank them for acting on the strength of their convictions.

The Big Truth is that we also have a core group of community members with a solid commitment to the needs and interests of our students. They also have the vision and foresight to know that quality schools and facilities help to attract a quality tax base with the potential for long term growth and stability. I would like to publicly thank the members of the Save Our Schools committee for their interest in education and Don Jones, in particular, for his efforts in this crucial school board election.

The Big Truth is, also, that over the past several years there have been negative candidates elected to the board. Many, if not all, have come to the realization that ours is a well-run district—both administratively and fiscally—with nothing to hide and lots of reasons to be proud. We can only hope that any new board members will come to the same realization before we are too far behind the curve in planning and development.

Claire Roberts
BHS teacher

Our only Judge

I would like to express my sincere thanks to our fine current school board members. They give a lot of time and energy to benefit your children and mine. They care enough to do this for nothing in return. They are continually bad mouthed for doing their best. No one is perfect-but we should always be trying to improve. This is what they are trying to do — make Bandera a better place to live. We need improvements and they are trying to accomplish this. Fraud-Hypocrisy, this is ridiculous! Reading someone's negative opinions of someone else doesn't make it a fact. Anyone saying bad things about our school board members should be ashamed. God knows about the personal motives in each of our hearts. He is our only Judge. What's in your heart? Thanks School Board.

Shelly Postert
Bandera

A simple question

I've read with pleasure the comments of the candidates running for the school board. I'm pleased to live in an area where so many wonderful people want to serve their fellow citizens without compensation other that knowing they helped improve our school system.

I'd just like to ask one simple question. If buying the racetrack was such a good deal, why was everyone on the school board so secretive before the auction? Don't say, as some board members have, that it was common knowledge. If it had been, the Table of Knowledge at the OST would have talked it to death.

Superintendent Pfeiffer had a perfect platform to defend the board's intention before the fact. He had a column in the newspaper. At any time he could have written, ..."Lets take another look at buying the racetrack"... but he didn't.

So I must ask the board, "While you may defend your decision to bid on the racetrack, how can you defend the fact that you deceived your neighbors, friends and those who voted for you and trusted you?"

Mrs. Roy Carpenter
Pipe Creek

Thanks!

The members of Bandera Chapter #643 Order of the Eastern Star would like to extend a Hearty Hill Country thank you to the citizens of Bandera and surrounding communities for the great success of our barbecue luncheon April 8.

We also wish to give a Hill Country "thank you" to the Medina Hill Toppers who so generously gave of their time and talent and provided us with the music we all love to hear.

What's right for America

This month, Texas and the rest of the nation will honor those who serve victims of crime. During the week of April 19-25, the 18th annual National Crime Victim Rights Week, we will celebrate the achievements of crime victim advocates and reflect upon the need to continue promoting victim rights.

This year's theme, "Victim Rights: Right for America," emphasizes that crime victims have specific legal rights and that these rights benefit every citizen, of every race, creed, age, and gender, and from every walk of life.

From the steps of the Capitol

At the Office of the Attorney General, it is our privilege to administer the Texas Crime Victims' Compensation Fund. Through this Fund, victims of violent crime can receive financial assistance to help with hospital bills, counseling, and other expenses not covered by insurance or other resources.

We are proud to be a part of the victim assistance community, and look forward to celebrating National Crime Victim Rights Week. Over 10,000 victim service and allied professional organizations will participate in public events designed to focus national attention on the needs and rights of individuals and communities hurt by crime.

Here in Texas, the commemoration will begin on the steps of the State Capitol on April 19 and ripple outwards through communities large and small. Check with local groups and discover what your community is doing for Crime Victim Rights Week.

What are a victim's rights?

More than two decades after the genesis of America's victims' rights movement, victims' voices are being heard loud and clear as never before. To date, 29 states, including Texas, have passed state-level constitutional amendments establishing the rights of crime victims.

Crime victims in Texas have a right to be protected from further harm or threats as a result of their cooperation with prosecutors. They have a right to a separate and secure waiting area when they must testify at trial, and it is their right to have their safety considered in the setting of bail.

Crime victims have a right to information about relevant court proceedings, about a defendant's right to bail, and about the procedures in a criminal investigation. They have a right to be provided information about the parole process and to be notified of the offender's release.

A crime victim also has the right to inform the court about the impact of the crime on his or her life. This information can be considered at the time of sentencing or parole.

Victims have a right to be present at all court proceedings, subject to the judge's approval, and their employers must be notified if testimony results in absence from work.

Victims of crime also have a right to information about the Crime Victims' Compensation Program. The Program is funded by convicted offenders who pay court costs and fines. Recently, Texans have taken the additional step of passing a constitutional amendment guaranteeing that funds intended to benefit victims of crime cannot be used for any other purpose.

Carry the torch

Here in Texas, victims have many needs that can be met only through the compassion, understanding and dedication of our communities. Volunteering to assist with victim services is one of the most worthwhile and rewarding experiences anyone can have.

I urge all Texans to become involved. Let us hope that our commemoration this month will honor crime victims and inspire their advocates. It's time we recognize that victim rights are indeed right for America and for Texas.

LEGAL MATTERS

by Dan Morales
Texas Attorney General

UT system sees minority enrollment decline

University of Texas System officials see the decline in minority enrollment and they want to reverse the trend.

Last week, the Austin American-Statesman reported that UT officials and legal experts said they want to take steps to revive the case that made it illegal for the university to have a race-based admissions policy. The Hopwood case was brought by four white students who claimed they were denied admission to the UT School of Law in 1992 because of race.

UT officials recognize it likely will require another hearing in the U.S. Supreme Court, even though in 1996 the high court let stand a 5th Circuit Court of Appeals ruling that banned affirmative action. They also recognize that reviving the case may be a catalyst that results in a positive change for the nation.

"This is, no doubt, not just a major Texas issue— it's a major national issue," UT System Vice Chancellor and General Counsel Ray Farabee was quoted in the American-Statesman. "Sooner or later, it will need to be determined not just for Texas but for the rest of the state."

UT urged Attorney General Dan Morales to appeal. Morales, who represents the state of Texas in lawsuits, is expected to decide whether to go forward with an appeal this week. In deciding, he must consider the cost to the state for attorneys' fees and potential damages if Texas loses.

Proceeding is worth the risk, UT Systems Regent Patrick Oxford, a Houston lawyer, said. "I don't think it's risky at all to appeal. Under no circumstances can we be worse off than we are now."

Larry Faulkner, UT's new president, said that if the appeal goes forward, it could benefit the university.

Insurers' Data Still Closed

Auto insurers in Texas don't have to release information that could identify the practice known as "redlining."

In a case heard in Austin last week, State District Judge Paul Davis sided with auto insurers, deciding that the number of vehicles they cover and the rates they charge in each of the state's ZIP codes are not open to the public.

The case was brought by Birny Birnbaum, an advocate for low income consumers.

Birnbaum contended the information — which is filed quarterly with the Texas Department of Insurance — could show that insurance companies are illegally redlining policies in areas where large numbers of minorities and low income Texans reside.

Attorneys for State Farm successfully argued that the information is confidential under state law, and that releasing it would aid competitors.

Low Turnout Explained

Secretary of State Al Gonzales had this to say about the 3 percent turnout in Texas' runoff elections last week: "We have too many election dates."

For instance, Gonzales told The Dallas Morning News, 103 elections have been conducted in Dallas County in the past decade — an average of more than 10 elections per year.

He said that spreading out those voting opportunities over too many dates is costly to taxpayers and causes voter fatigue and confusion.

In the runoff, only 342,960 Texans — a mere 3 percent of Texas 11 million registered voters — went to the polls.

Ex-Prison Chief Enters Plea

James A. "Andy" Collins, former executive director of the Texas Department of Criminal Justice, pleaded not guilty to charges that he accepted $20,000 in kickback money to approve a $33 million contract for a soy-based meat substitute fed to prisoners.

Collins entered his plea last week in Houston to federal bribery, money laundering, fraud and conspiracy charges.

Collins and Yank Barry, president of Montreal-based VitaPro Foods Inc. were indicted March 30.

Collins resigned Dec. 31, 1995 from his $120,000-a-year job as chief of the Texas prison system.

If convicted of all six counts against him, he could be sentenced to 70 years in prison and fined $2 million.

SA Planning GOP Bid

San Antonio is moving ahead with efforts to attract the Republican National Convention in 2000 by preparing a $17.4 million bid to persuade GOP officials to select the Alamo city. More than half the money—a total of $10.4 million—would be raised privately by a host committee headed by former U.S. Rep. Tom Loeffler and financier B.J. "Red" McCombs.

To bid on the convention, the city must agree to reserve both the Alamodome and the San Antonio Convention Center for 68 days. No other events could be held at either site during that period. The convention will be held July 29 to Aug. 4, 2000.

Obituaries ...

Williams

Katherine Elizabeth Minch Williams, 55 of Medina died early Sunday morning April 19, 1998 in her home after an 18 month battle with cancer.

Katherine Williams

She was born Aug. 5, 1942 in San Diego, CA. to Ephrem and Jean Minch. She moved with her parents in December of that year to live in Fort Worth TX.

She graduated from Arlington Heights High School in 1960 and received a Bachlor of Arts degree in Art Education from Texas Tech University in 1964.

She married Larry T. Williams, then of Abilene, TX in Fort Worth on July 25, 1964. She moved with her family to Medina in June of 1980.

She was a special education teacher for 31 years and taught in the public school system for 27 years including the last 18 years spent at Medina I.S.D. She held three teaching certificates and had only retired in March due to her health.

She was a member of Alamo Yacht Club and Hill Country Yacht Club at Canyon Lake.

She was preceded in death by her father, Ephrem L. Minch in 1988.

Katherine is survived by her husband Larry T. Williams of Medina; a son Geoeffry Thomas Williams of Arlington, TX.; a son Grover Mark Williams, his wife Lisa and grandchildren Laura age seven and Jordan age two, all of Big Spring, TX.; her mother Jean Minch and a sister Betty Westmoreland, her husband Larry and a niece Faye, all of Fort Worth and a sister Terri Gates, her husband Kevin and niece Kristen and nephew Robby, all of Arlington, TX.

A Mass will be said for her Saturday, April 25 at noon in Saint Stanislaus Catholic Church in Bandera, TX, and a memorial service will follow at the Williams' home at 3 p.m. on Mickle Creek Road near Medina.

The Williams family requests that in lieu of flowers, memorials in Katherine's name be sent to The American Cancer Society, the Kerrville Area Hospice, or the Oncology unit of Saint Luke's Baptist Hospital in San Antonio.

Pue

Judith Annette Pue, best known in Bandera as Judy Pue, died Wednesday April 15, 1998. She was a resident at Colonial Manor Nursing Home in New Braunfels where she was cared for by her only child, Judy Baumann McReynolds. She was born in Temple, Texas October 18, 1942 to James P. and Mary Agatha Rudiger Murphey.

She was preceded in death by her husband, E.M. "Bozo" Pue of Bandera. Her family moved to Houston during her childhood. Once she visited the beautiful hills of Bandera in 1944, she was drawn to this town for the rest of her life. It was here that she met and married her beloved "Bozo" Pue in 1947.

She became a prominent real estate broker and sold ranches and residences to many of Bandera's citizens. She was a member of the Bandera Garden Club and Friends of the Library. Her greatest accomplishment and pride was the history book of Bandera County published in 1986. She devoted her time and love to researching and developing the origins of this town and county and its first settlers and leaders. Many families will turn to this book for knowledge of their ancestry. Her dedication made this possible.

Survivors include her daughter, Judy Baumann McReynolds; grandchildren, Gregory and Shari Baumann; three great-grandchildren; sister Josephine Brown of McQueeney; brother, James Murphy of Houston; and numerous nieces and nephews. Services were held Saturday April 18, at 2 p.m. at Grimes Chapel with Martin Smith officiating. Interment followed in Bandera Cemetery. Those who desire may make memorial contributions to Hospice New Braunfels, 613 N. Walnut, New Braunfels Tx 78130-7925. Arrangements by Grimes Funeral Chapels of Bandera.

Laskowski

Frances Laskowski, age 70, of San Antonio, died Saturday April 11, 1998 in a San Antonio care center. She was born January 5, 1928 in Bandera County to Ted and Rosie Adamietz Laskowski. She was employed at Pollack Drug Store in Bandera for many years and also worked as a hospital cook. Survivors include a son, Roger Laskowski and wife Theresa; sister Susan Thomas, brother Louis Laskowski; and two grandchildren Jennifer and Christopher Laskowski, all of San Antonio. She was preceded in death by a brother, Freddie Zinsmeister, B.H. Kidder, Barry Ramsey, Jim Northcutt, Vincent Teich and Stephen Everitt. Arrangements by Tondre-Guinn Funeral Home in Castroville.

Goodman

Ella Chipman Goodman, 72, of Lockhart died April 12, 1998. She was born in Bandera on October 16, 1925, the daughter of Roy and Martha Meda Holt Chipman.

She was a member of Brazos Baptist Church in Lockhart. She worked as a docent for the Caldwell County Historical Museum from 1991-95. In 1990 she started Autumn Years and was president for two terms. She was instrumental in organizing fundraising raffles and yard sales. From 1995 to her death, she was director of the Caldwell County Ministries, helping with resources and referrals for those needing assistance. She helped with Meals on Wheels and worked for several years to help provide a senior citizen's center in Lockhart.

She was preceded in death by her parents, Roy and Martha Chipman; sisters Edith Geuea and Ruby Stabler, brother Charlie Chipman and grandchild, Michael Gonzales.

Survivors include her husband, George Goodman; sons David Earl Rader, James A. Rader and Albert D. Koehler, stepsons Terry Goodman and David Goodman; daughters Pam Frost, Elizabeth T. Buckner and Martha L. Zimmerman; stepdaughter Linda Ramsay; sisters Florence Singleton, Mada Fitzgerald of Bandera, and Edna B. Howard; 19 grandchildren and 14 great-grandchildren.

Funeral services were held April 14 at McCurdy Funeral Home Chapel in Lockhart, Rev. Gary Rodgers officiating. Burial followed at Bandera Cemetery in Bandera.

Perkins

Lt. Col. Willis Howard "Perk" Perkins, USAF retired, age 83 of Mico died April 16, 1998 in San Antonio. He was born January 28, 1915 in South Bend, Indiana, the son of Edward and Mae Zink Perkins.

He was a retired Air Force pilot and a retired health inspector for the city of San Antonio. He served in the Air Force during World War II, class of 41G Flight Class, and was past president of the Mico Volunteer Fire Department. He was a Mason, and member of the Hermann Sons Lodge and American Legion Post 410. He was of the Methodist faith.

He was preceded in death by his parents; his daughter Janet Perkins; brothers Edward, Walter, Richard and Russell Perkins; and sisters Lillian LaMunion and Hazel Perkins.

Survivors include his wife, Patty Jo Markley Perkins of Mico; sons William H. Perkins and John C. Perkins, both of San Antonio; daughter Patricia Heep of Bandera; stepdaughter Debra Marshall of Mico; and nine grandchildren.

Prayer service was held April 19 at the Tondre-Guinn Funeral Home. Dennis Thompson officiating. Graveside service with full military honors was held at 9 a.m. April 20 at Ft. Sam Houston National Cemetery, Rev. Craig Pooser officiating. Pallbearers were the USAF Honor Guard. Honorary pallbearers were Harold Zinsmeister, B.H. Kidder, Barry Ramsey, Jim Northcutt, Vincent Teich and Stephen Everitt. Arrangements by Tondre-Guinn Funeral Home in Castroville.

Another side of the Cowboy Life

Cowboy Logic

by Makin' Dust

Fer the most part, we "Cowboy Entertainers" do our best to present to the listenin' public the cowboy lifestyle in as upbeat and entertainin' way. It sure does please us plenty to recite a poem like Reincarnation, tell a story 'bout Grandma's milk or sing a song like the Spirit of [illegible] tion of "Back in the Saddle."

But there's another side of the cowboy life we rarely sing or talk about while entertainin'. Reason bein', nobody laughs, few applaud an' to we entertainers, that's not a good thing. Hey, I know it's more fun to laugh than it is to cry. An' happy is a mite better 'n sad. But the life of a cowboy, while enjoyable an' excitin' at times, was (an' still is) one of considerable hardship an' loneliness.

There's a whole passel o' songs, poems an' stories that attest to that fact. Fer ever' upbeat, happy cowboy song, there's half a dozen 'bout sadness, isolation, loneliness, danger, injury, an' death. Once I sang the old song, "The Blizzard" at a private party (by request). One lady with tears in her eyes said, "My goodness, you've put a damper on our party. Sing something happy an get us back in a good mood."

I've been blessed (or cursed, dependin' on how ya choose to see it) to have lived on an' worked fer some purty isolated ranches. It was outta' one o' those situations that I wrote this lil' poem. Hope it'll give ya a little more insight into the "other" side of the life of a cowboy.

Lonesome

Of all the feelin's in the world
In number there's a host,
Reckon I'd say lonesome's been
The one I've felt the most.

Now I ain't meanin' to complain
An' please don't take me wrong.
Joy has been a some times friend
But we've mostly laughed alone.

There's feelins' plenty 'n mostly good
when you're occupyin' space
Crafted by the master's hand
Alone in a solitary place.

[illegible] to the sounds of a summer night.
The crickets chirp 'n coyotes howl
at a full moon's silver light.

The mournful mutter of a momma cow
Searchin' for a wayward calf,
In the distance 'n carried on the wind
The mockin' birds silly laugh.

I thrill to see the sun come up
'n set o'er the western range
But to share these with a friend sometimes
Might be a welcome change.

Sometimes I pick up my guitar
An' sing a song to the wind.
It's happy then I choose to feel
Until the music ends.

There's times I wish I had a friend
To talk to an' maybe tell
The secrets of my deepest heart
Oh ... It's just as well.

I guess I've lived too long a time
This driftin' kind o' life
Can't say as if I'd change it much,
Don't figger takin' a wife.

Now I'm not sayin' women's bad
I'm fond of them ya see.
Fer some fellers they're the cat's meow,
They're just not right for me.

Though I'm not sad, yet I'm not glad
This feelin's sorta strange
I'm short o' words that rightly fit
Can't call it's proper name.

The long an' short of this here verse
Is simple, dont'cha see
When poets speak of melancholy,
They're most describin' me.

Hurley dispels negative stereotypes of teens

The Breeze

by Breanne Hicks

In a time in society where numerous negative stereotypes surround teenagers, Anna Hurley, a senior at Bandera High School is a ray of sunshine emerging from the cracks. This summer Anna will embark on a mission to Ayershire, Scotland, along with thirty-five other participants from all over North America. Anna is a member of Teen Missions International, a non-denominational group whose primary goal during the nine and a half week trip will be to rebuild Ayershire's sea-mill, which now serves as a type of community center to the area. Anna and the other missionaries will be responsible for clearing pathways, re-developing gardens, walkways, bridges, and painting the grounds. The missionaries will also get the opportunity to evangelize by using puppetry, drama, and music.

Anna will attend a two-and-a-half week boot camp in Florida where she will be introduced to methods of evangelizing and other skills she will need to incorporate during her visit beginning June 15.

Although many teens today would consider leaving home for nine-and-a-half weeks during the summer to partake in missionary work a sacrifice, Anna is very excited about her adventure. Anna will only be allowed to carry 32 pounds of luggage, which includes shampoo, toilet paper and clothes needed to last the duration of the trip.

While many students are laying out in the sun searching for the perfect tan this summer, they can think of their fellow classmate, Anna Hurley, and all of the new experiences she will be finding on her mission to Scotland — I know I will. It is refreshing to see a young adult taking the time and initiative to make a difference in so many lives.

If anyone would like to donate money to help fund the cost of the mission, a raffle is being held at My World on Main Street for an antique quilt and a quilted throw. The tickets are $2 each or three tickets for $5. All other monetary donations can be left at My World in Bandera.

Save Our Schools

PLEASE!!!!!

"Consider the person's character and motivation for running [for the school board]." Service on a school board can be a thankless task. It takes much time for no monetary reward. Two kinds of people are especially attracted to such positions. First are those devoted to community service. They usually are successful in their careers and family life and want to give back to the community. Second are those who want control, who play power games and want to be somebody.....Some of the deadliest political games can be played on school boards if the wrong people are elected.....Look for people who understand the role of a board member. Too many board members want to run the schools and do not understand the difference between policy-setters and administrators. That difference is critical." Excerpted from The San Antonio Express News 3/21/98.

WE BELIEVE that the members of the BISD school board and the school administrators are honorable people who have served us well and in return deserve support from the community. Support is especially critical when they are being unfairly attacked both on a professional and personal level.

WE CHOOSE to support the independent candidacy of **Tom Morgan.** He is an active member of the community. He serves on the library board, is a leader in his church and is also a substitute teacher familiar with the challenges of the school district faces.

In places 6 &7 we choose to support the independent candidacies of the two incumbents **Rand Hicks** and **Bub Keese** who are seeking re-election. They are both long time residents of Bandera County involved in many community activities. They have shown the dedication and concern that qualifies them for re-election.

NOW IT CAN BE TOLD!

On February 25, 1998, your superintendent stated to a reporter of the Kerrville Daily Times:

"For his part, BISD superintendent Gus Pfeiffer defended the board's action (purchase of race track) saying the purchase 'has the support of the majority of the community'..."

On or about March 19, 1998, attorneys for Al Hamilton sent, at his request, an offer to stop the court action if the BISD Board would present the matter (purchase of race track) to the voters under Section 271 of the Local Government Code. Thereafter, all parties would be bound by the voters' decision.

As it turned out, Al Hamilton had taken the superintendent at his word that a majority of the community supported the purchase, but his offer was rejected without further discussion by the BISD attorney.

Medina Band takes 1st contest

The Medina Bobcat Band competed in UIL Region XI concert and sightreading contest held at John Jay High School in San Antonio on April 14. The band performed two well-known symphonic works and an old southern hymn for the concert portion of the contest. The band began their performance with "March to the Scaffold" from "Symphonie Fantastique, Op. 14" by Hector Berlioz. Following the march the band performed the hymn "Prospect" from "The Southern Harmony" (1835). The band concluded their concert by performing "Largo" from the "New World Symphony" by Antonin Dvorak. Following the contest, the band was given a newly composed work, "Blueridge Point," to evaluate the band's ability to effectively read unfamiliar music. The judges awarded the Medina Bobcat Band superior, first division ratings in both portions of the contest. The Bobcat Band was rewarded with the UIL Special Award trophy presented to bands that earn first division ratings in both contests.

"I was especially pleased with the rating in concert," said band director David Shirk, "because we could have played music that was less demanding and that would have been safer for evaluation purposes; but, I really believed that my students were capable of doing something more demanding. I'm glad the judges also agreed with me." Shirk went on to explain that this was only the second time the band has earned this award in the last 30 years.

The Bobcat Band will be performing in competition again next month at the Lonestar Festival in Richardson. The band will also give two performances at the school next month: on May 21, the band will perform their annual spring concert, and on May 29, at graduation exercises.

Get those young'uns registered!

Medina Elementary will hold kindergarten registration for the 1998-99 school year on Friday, May 1 from 1:30-3 p.m. in the elementary office. Parents should bring a birth certificate, social security card, and immunization records. Copies of these documents will be made and originals will be returned to parents.

All students entering kindergarten must be fully immunized for the following diseases: Diphtheria, Tetanus, Polio, Measles, Mumps, Rubella, and Hepatitis B.

Medina ISD requires that all entering kindergarten students provide evidence of having received a Tuberculosis skin test within six months of the time school starts. School begins August 10 for the 1998-99 school year.

A nurse from the Texas Department of Health will be at school the day of registration to update any immunizations, except for the Tuberculosis skin test.

Parents who cannot register on May 1 must call and make arrangements for another time to bring the documents listed above. It is important for planning for next year for the school to know how many students will be in kindergarten.

For more information, please call the school at 589-2731.

Hill Country Elementar representatives to the annual Barbara Mazurek Little Olympics are: Anthony Espinosa, Veronica Welborn, Frankie Avila, Katie Miller, Justin Toney, Melissa Metz, Eddie Perez-Wences, Chrystal Ruiz, Westley Miller and Becky Dustin.

Little Olympics are this Friday

The 37th Barbara Mazurek Little Olympics will be held this Friday April 24, at 6 p.m. at Bulldog Stadium in downtown Bandera.

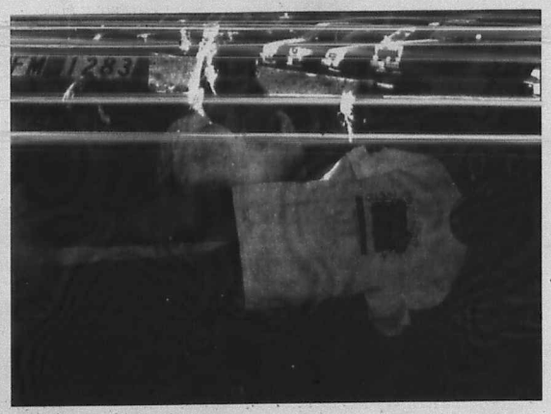
This annual fun-filled event will showcase Bandera's finest elementary students, its future athletic stars. Ribbons will be given to all participants, and suckers to pre-kinder and kindergartners.

Make plans to attend and support the young students!

Representatives from Hill Country Elementary include:

1st grade, Anthony Espinosa and Veronica Welborn; 2nd grade, Frankie Avila and Katie Miller; 3rd grade, Justin Toney and Melissa Metz; 4th grade, Eddie Perez-Wences and Chrystal Ruiz; and 5th grade, Westley Miller and Becky Dustin.

The Alkek Elementary representatives for the 37th Annual Barbara Mazurek Little Olympics are: First Grade: Cole Hicks, Casey Barth; Second Grade: Chris Newcomer, Shevawn Sells; Third Grade: Justin Alexander, Brittany Black; Fourth Grade: Matt Buck, Amanda Smythe; Fifth Grade: Kyle Bryson, Hedi Hay.



'Counting' on success

Courtney Romane, who collected $569, and Jonathan Chandler, who collected $1,600.50, were tops in collections during Hill Country Elementary's recent "Math-a-Thon" fundraiser. More than 90 participants collected a whopping $6,864.96, which will go to help children at St. Jude's Children's Research Hospital. Romane and Chandler are show here with math coordinator Justine Horvath.

Set for life

Texas students K-6th have the chance to compete for one of 15 lifetime combination hunting and fishing licenses as winners of the 1998 Texas Wildlife Expo youth poster, essay and poetry contest. "Grounds For Outdoor Adventure" is the theme for this year's event, highlighted by the 75th anniversary of Texas State Parks.

The deadline for entering the contest is June 1. For more information or entry forms, call 1-800-792-1112 or 512-389-4800.

CLARIFICATION

In the ABC ad on p. 11A of our April 15 issue, there was a misprint in the fourth from last paragraph. The sentence should have stated: "a herd mentality," not "a her mentality." The Bulletin regrets any confusion this may have caused.

To The Voters of Bandera County,

I'm writing this letter as an explanation of my candidacy for the BISD School Board.

As a senior at Bandera High, I witnessed first hand, the lack of facilities and overcrowding in the school already. This prompted me to run for the School Board.

I read the report of the committee chaired by Mr. Hamilton based on school revision. I discussed the issue over with several citizens in an effort to hear both sides of the story and make an informed decision.

In the midst of my research I received a letter of acceptance from Texas A&M University. I tried to withdraw from the ballot, but was too late. Therefore my name will be on the ballot but I will be unable to serve.

After much consideration I've concluded that Mr. Hicks, Mr. Keese, and Mr. Morgan are the best candidates running. I feel their views most closely represent mine.

I would like to thank my friends and supports for their help in my campaign. Thanks for your support.

Sincerely,

Daniel R. Anderson

All Uvalde 4-H members and their families are invited to share this day.

One-Act Play advances to Regionals

The Utopia One-Act Play cast and crew have advanced to Regional competition in Brenham, Texas. They are performing scenes from "I Remember Mama" by John Van Druten. The cast and crew and the awards they have received are: Angie Ondrovik, All-Star Cast at all competitions, Shawna Blakely received Honorable Mention and All Star Cast, Jeffrey Moore Honorable Mention and Best Actor, Sherry Cantrell and Erika Bunjes received Honorable Mention at all levels, Christy Jones received All Star Cast and Honorable Mention, Jennifer Brent, Amy Lessing and Cody Hobbs received All Star Cast and Honorable Mention, Jeremy Phillippe, Amanda Lewis, and John McGilvray received Honorable Mention. Sponsor Kristi Richey has done a fantastic job with a great bunch of kids. Good Luck to the Buffalo Players in Brenham.

Nature Lover's guide helps landowners

Landscaping with native plants can be a very confusing, expensive and time-consuming venture for those lucky enough to live in the Texas Hill Country. So many questions linger in the minds of home owners; issues such as what plants can survive in the crazy Texas weather, what is currently growing on the land, and what attractive plants don't require watering on a daily basis? If only there were a guidebook containing all the information in an easy-to-read form.

Jan Wrede, author of "Texans Love Their Land" has done just that. This new guide offers a quick reference to 76 native Texas trees, shrubs and vines. All proceeds from "Texans Love Their Land" are designated for the Cibolo Nature Center near Boerne, where Wrede works as Director of Education.

"One of the reasons I wrote the book is to help landowners see the natural value of their land and help them avoid costly mistakes," says Wrede.

"Texans Love Their Land" is an excellent handbook that has good advice on how landowners can save thousands of dollars and hundreds of hours of their time by choosing the right native trees and shrubs for their landscaping needs," says Mary Anne Pickens, 1997 president of the Native Plants Society of Texas.

Because Wrede is not a botanist, the book is not heavily laden with scientific terms and is easily understood by the average concerned landowner. The guide contains a color photo of each plant described, and a non-scientific description of its leaves, flowers, fruit, range and bark.

Wrede found that many people are not aware of the value of plants that are already on the land and do not know the easiest way to improve the appearance of their landscaping.

Shannon Young and John Paul Lico were the winners of the Optimist Club's Oratorical Contest.

Young, Lico win contest

First place winners of the Oratorical Contest sponsored by the Optimist Club (zone 8) in Bandera were Shannon Young and John Paul Lico.

The contest was held in Boerne and winners of the zone will advance to Regionals in San Antonio. Regional winners advance to South Central District for finals. The winners, a boy and girl, will win a $1,500 scholarship each.

The Oratorical Contest gives 105 scholarships of $1,500 each to participants throughout the U.S. and Canada each year. These young people have to be age 15 or younger to qualify for participation. This year the subject for the contest was "My Commitment to the Future."

The contest is held by each Optimist Club where the participants compete and then advance to zone, regional and finals.

District covers the area north to Waco and south to Brownsville. This year the third quarter conference will be held in Boerne, April 24-26, where scholarships will be presented to the winners.

PUBLIC NOTICE

Summary of the Proceeding -- On August 20, 1997, the Railroad Commission of Texas (Commission) issued an order initiating a general inquiry into the offer and provision of gas utility service and the rates at which such service was provided by Lone Star Gas Company and Lone Star Pipeline Company, Divisions of ENSERCH Corporation, and Lone Star Gas Company Transmission, an operating unit of Lone Star Gas Company (collectively, Lone Star). That inquiry proceeding was designated as Gas Utilities Docket No. 8647, *Inquiry Into the Rates and Services of Lone Star Gas Company, Lone Star Pipeline Company, and Lone Star Gas Company -- Transmission, Divisions of Enserch Corporation.*

By order dated September 30, 1997, the Commission also directed that certain issues raised in Gas Utilities Docket No. 8684, *Statement of Intent Filed by Lone Star Gas Company and Lone Star Pipeline Company, Divisions of Enserch Corporation, and ENSAT Pipeline Company, to Increase the Intrastate Gas Gate Rate Established in GUD 8343*, to be considered in Gas Utilities Docket No. 8647. Pursuant to Examiners' Letter Nos. 15, 17, and 19 issued in Docket No. 8647, separate phases in Docket No. 8647 have been established. The presiding examiner in Phase II of Docket No. 8647 is James Z. Brazell.

Public Notice of the Proceeding -- The public is hereby notified of the proceedings in Docket No. 8647. This Public Notice constitutes notice for all phases of the proceeding. All classes of customers and all areas are affected.

Motions to Intervene and Notices of Protest -- Affected persons that wish to participate in any phase of this proceeding may request party status by filing a notice of protest, statement of intent to participate, complaint, motion, or other pleadings must be filed with the Docket Services Section of the Office of General Counsel at 1701 North Congress Avenue, Room 12-160, P.O. Box 12967, Austin, Texas 78711-2967. All filings must refer to Gas Utilities Docket No. 8647.

Persons granted protectant or intervenor status may be admitted subject to the pending procedural schedule adopted in Examiners' Letter No. 19 (or subsequent modifications) and must comply with all pending filing deadlines. Notice of the time and place of hearings as to other phases of Docket 8647, if any, will be provided to those who timely file a motion to intervene as provided in this Public Notice.

Legal Authority and Jurisdiction — The Commission has jurisdiction over the matters at issue in this proceeding pursuant to TEX. UTILITIES CODE §§ 101.001-124.002, formerly TEX. REV. CIV. STAT. ANN. Art. 1446e (Supp. 1997), and TEX. REV. CIV. STAT. ANN. Art. 6050 6049g (Supp. 1997).

Particular Sections of Statutes and Rules Involved — The statutes and rules involved include, but are not limited to, the following:

1. TEX. UTILITIES CODE §§ 102.003, 102.201, 102.203, 102.204, 102.205, 102.206, 104.003(a), 104.151(a), 104.005, 104.055(b) and 121.154; and
2. 16 Tex. Admin. Code §§ 3.45, 3.101-3.108, 3.121-3.129, 7.10(c), 7.55, and 7.58.

Notice of Hearing in Phase II of the Proceeding — In addition to notice of the proceeding, the public is notified that a public hearing in Phase II of Docket No. 8647 will be held at the time and place set out below to consider issues of fact and law raised in, or relevant to, Gas Utilities Docket No. 8647. Persons granted party status may participate in the hearing. The issues that may be addressed in the hearing in Phase II of Docket No. 8647 and that may be considered at additional hearings include, but are not limited to, the following:

1. Consideration of the reasonableness and necessity of all of Lone Star's gas costs and gas purchase practices and the application of its purchase gas adjustment clause from the date of the final Order in GUD No. 8343 through October 31, 1997, or such other time period as may be established by the Commission;
2. Determination of whether Lone Star has overrecovered or overcharged for gas costs during the relevant period, and, if there have been overrecoveries or overcharges, the refunds, if any, due to ratepayers;
3. Determination of refunds due to ratepayers, if any, from any double assessment of transportation charges in the gas cost charged to city gate customers for gas purchased by Lone Star Gas Company of Texas from ONEOK, between July 1, 1991 and October 31, 1997; and
4. Determination of whether the gas cost included in Lone Star's rates from the date of the final Order in GUD No. 8343 through October 31, 1997 were in violation of any provision of law and, if so, the refunds, if any, due to ratepayers.

Other issues that might be considered separately from the foregoing issues in a separate phase or phases of Docket No. 8647 include the following:

1. Evaluation of transportation and storage services and practices;
2. Enserch/Lone Star's corporate restructuring;
3. Enserch Corporation management practices;
4. Enserch affiliate transactions;

Time, Place, and Nature of the Hearing — The examiner has directed that the hearing on Phase II will commence beginning at 10:00 a.m., Monday, October 5, 1998, or such other date as may be set by the examiners, at the Commission's offices in the William B. Travis Building, 1701 North Congress Avenue, Austin, Texas, in Room 12-126, or, if the hearing is to be held in another room, in the room stated on the posting on the bulletin board in the first floor lobby of the Travis Building on the morning of the hearing. All persons granted party status must appear in person or by attorney at the hearing to present sworn testimony, documentary and demonstrative evidence, and argument regarding all issues.

If the hearing is not concluded on the 5th day it commences, the hearing will be conducted starting at 9:00 a.m. on each subsequent business day until concluded, unless otherwise announced. The hearing may be continued from time to time and from place to place, as announced at each session of the hearing.

Unless requested by any party or directed by the examiner, evidence at the hearing will be presented by prefiled written testimony, by oral testimony given in the hearing, and by documentary and demonstrative evidence and exhibits.

Written Transcript of the Hearing — The examiner has directed that the record of the hearing will be made by stenographic transcription by the Commission's court reporter. Any party that desires a copy of the written transcript of the hearing should contact the court reporter at (512) 463-6626. As described in Examiner's Letter No. 19, the Commission will assess the cost of the transcript to the Phase II parties, and parties other than the Commission Staff or other agencies of the State will be required to pay a share of the costs.

Examiner to Preside — It is expected that the Commission members will not preside over the hearing. An examiner of the Gas Services Section of the Office of General Counsel may be empowered to preside over the hearing and perform any act authorized by TEX. REV. CIV. STAT. ANN. Art. 6050g (Supp. 1997).

Auxiliary Aids or Services for Persons with a Disability — Any individual with a disability who needs auxiliary aids and services in order to have an equal opportunity to effectively communicate and participate in the hearing must request such aids or services by Monday, September 14, 1998, by notifying the Personnel Office of the Commission by mail at P.O. Box 12967, Austin, Texas 78711-2967 or by telephone at (512) 463-7327 or TDD No. (512) 463-7284.

Contact for Additional Information — Any persons or entities desiring additional information may contact Ms. Jill Hall, Assistant Director, Gas Services Section, Office of General Counsel at (512) 463-1955 (Voice) or (512) 463-6684 (FAX) or by writing to Ms. Hall at the Railroad Commission of Texas, 1701 North Congress Avenue, P.O. Box 12967, Capitol Station, Austin, Texas 78711-2967.

A baby shower was held for Jennifer Davis, daughter of Mr. and Mrs. Gary Davis, on Saturday, April 18 at the Utopia Baptist Church. Guests included: Carol Calk, Laura Jacobs, Lisa Cantrel, Kathy McGilvray, Linda Hutchings, Ana Deal, Shirley Dibbens, John Baumer, Deanee Feller, Lauri Verstuyft, soon to be Great Grandma, Bavada Davis, Judy Emerson, and Mary Virginia Pittman-Waller. The theme of the shower was Winnie-the-Pooh. The mother-to-be opened the many gifts brought to the event. Cake and punch was served and fun was had by all. The Sabinal Canyon wishes to extend their best wishes to Jennifer and her family. Congratulations!

The Sabinal Canyon was sadden to hear of the recent death of Vincent Burroughs. Burroughs was a long time member of Utopia Church of Christ and will be dearly missed.

Senior Citizen News

Dr. Thomas R. Hester, professor of anthropology and director of the Texas Archeological Research Laboratory at the University of Texas at Austin, will be at the Senior Center on May 8 at 8 p.m.

There will be a slide show and lecture about the past 11,000 years in the Sabinal Canyon. This event is sponsored by the Sabinal Canyon Senior Citizen Center, Clear Springs Cabins & RV Park, Utopia General Store, and Anthony & Brown Consulting.

This event promises to be very interesting. Hope to see you there.

Just Country Cafe will host a luncheon for all of those special moms on Sunday, May 10 (Mother's Day). Come by and bring your mom with you. This will be an excellent way to tell mom how much you really do love her.

Designs needed for 1998 Apple Festival tee shirt contest

4-H

Medina Hill Country 4-H Club will meet briefly this Thursday (23) right after school at the school to elect officers. Please meet Jackie Doyle there.

Sale

Don't forget the town sale next Saturday starting at 8 a.m. And, the First Baptist Church youth are having a Bake Sale the same day on the church grounds.

Apple Festival

Remember the tee-shirt designs also for the 11th annual Apple Festival. Turn the designs in at Cactus Rose or the Festival office. Where is all that talent out there? How about any artistic teenagers in schools? Hello, Bandera, Utopia, Center Point ISD's.

Applications are still being taken for food booths as well as arts and crafts booths. Speaking of the Apple Festival, Ken Ryan will play at the Friday night dance again this year.

Blue Grass Festival

Mark it on your calendars for October 10 this year.

Graduation Party

"The Friends of Bobcat Prowl Night" are again hosting Medina High School's 3rd Annual Project Graduation. The graduating class will celebrate their "victory" with a chemical and drug free party after the ceremonies on May 29. There will be food, games, door prizes and breakfast at 7:00 a.m. This will be the largest class so far and they are looking for donations to help defray some of the costs involved. Call Amy Craddock or Lezlie Urrita for more info.

Science Fair-Medina ISD News

The annual Science Fair will be held Thursday for students K-6 and judging will take place throughout the day. All the projects will be displayed in the individual rooms. Anyone may come and see them.

This week is planned as Activity Week for Medina ISD and was organized as such several years ago to provide parents and family members an opportunity to visit school before the school year comes to a close.

The week started with a Talent Show on Monday which was great fun and lots of work went into it. Those little kids are so much fun to watch.

And Tuesday the Bobcats hosted D'Hanis in a District baseball game.

Also, the play "Tartuffe" was held on Tuesday evening in the school cafetorium. What a lot of talented young people we have in our midst under the direction of Mrs. Martin.

The week concludes with a BBQ Brisket lunch on Friday. If you would like to eat with you child/grandchild please call 589-2731 to let the school know in advance.

Water

The Medina Water Board met this week to set up a contract with an engineering firm in order to enlarge and improve the existing system.

Sympathy

Our heartfelt sympathy is extended to the Larry Williams' family in the loss of their beloved Kathy this past week. She will be missed by so many.

Has everyone noticed the pretty pink "cats-paw" bushes blooming along the roads lately? And, of course, the yellow Daisies in full bloom are so striking now. No doubt about it, this is truly a pretty neck of the woods to live.

A big thank you goes out to Tracy Charnholm for her endeavors to "scout out" news for this column. It's greatly appreciated. Thanks to all others who call in with items of interest.

Medina Lake VFD BBQ set for Saturday

Medina Lake VFD Barbecue carries on 38 year fund raising tradition.

Saturday April 25 will start the 38th year of fundraising barbecues started by a handful of concerned citizens in 1960. The Medina Lake VFD was chartered and some equipment that folks would laugh at these days was obtained and revered as top-of-the-line equipment. The founding fathers and auxiliary were visionary as to the community's needs for fire fighting.

A way to raise funds for supporting the VFD was discussed and it came up that a barbecue would be a good way to raise funds to supplement the individual donations coming in. Several different types of barbecues were tried the first few years and then the two-day, twice-a-year schedule was settled on.

This schedule was maintained until 1996 when the comptroller's office notified the department that they could only have two one-day events or one two-day event or they could lose their tax exempt status. So in 1997 the spring barbecue modified the tradition a tad. Since then the VFD has been squeezing two days worth of cooking and eating fun into one day.

The fire department has grown from a few antique trucks to seven trucks (two pumpers, two tankers, a rescue truck with jaws, two brush trucks) and a rescue boat! This equipment is housed in three fire stations and manned by approximately 35 volunteers. All the equipment and facilities have been paid for with donations and barbecues. Only recently with the high cost of insurance has the VFD started asking for a voluntary fee of $24 per property to supplement the normal fundraising. All equipment and facilities were paid for in full by donations. No tax money comes into the department.

This spring barbecue will prepare and serve 1,550 lbs. of brisket, 300 lbs. of potatoes and all the trimmings that go with it. The members of the Medina Lake VFD and Auxiliary ask you all to come help support a good cause and enjoy a great meal.

A Thought For The Week

by John M. Grimes

"We are debtors" - Romans 8-12. ...In an age when the by-word is "Give me this" or "Give me that", words like "we are debtors" are not popular. Our first reaction is to deny it and say that we have met all our obligations and are not in debt to any man.

But when we begin to think on the matter we come to realize that there is not a single moment in our lives when we are not obligated to someone or to something. We were born into a world where for centuries men and women have been laboring to make the burden of life a little lighter for us. Wars have been fought and blood has been shed so that we might have liberty. Churches and organizations have endeavored to foster and nurture the good in men, and through their combined efforts most of the people we meet on life's highway are reasonable and kind. Schools have banished much of our ignorance, and Medical Science has conquered many of our diseases, and for these and countless other blessings, "We are debtors."

Heritage Study Group is a part of the Family & Consumer Sciences Extension Study Groups that works in cooperation with the Texas Agricultural Extension Service. Their objectives are to strengthen, develop, coordinate and extend adult education; promote family strengths and leadership development; offer a means by which homemakers may interpret and provide programs in the preservation of the American home; and to function exclusively for charitable, educational and scientific purposes.

Heritage continues to support the Silver Sage Corral through many volunteer hours, monetary donations and craft/item donations. Many of the beautifully quilts and quilted items that [illegible] for our [illegible] House, an assisted living residence in Kerrville. Due to the efforts of Marlene Bryce and the VFW Women's Auxiliary, Helen, the director of Sterling House, Chrisie Jennings, and five or six other residents were transported by Dietert Claim Rural Transportation to the Corral. Here they were greeted by His Honor, Mayor Bob Cowan and wife, Maple, City Administrator, Don Reddout, City Secretary, Tresa Helbert, and members of the VFW Women's Auxiliary, Lillian Ferguson, Kathryn Jones, Ann Oliver, Margarita De La Guerra, and Della Mae Cox. With Marlene's help, we hope to be able to do this again soon. Still haven't gotten the list of donors, etc. from the successful benefit auction and chili cookoff at the 11th Street Cowboy Bar, but as soon as we do, we'll let you know.

There's never a dull moment around here. Just got out of the dumpster out back. I inadvertently threw away something I shouldn't have. Thank the Lord and Greg Rodrigtez, Greg had thrown an old railroad tie in the dumpster that I could use to get to the bottom of it. Found what I was looking for and got out without too many cuts or scrapes. Whew!

This place is really looking good. We just received new chrome and light grey stacking chairs for or dining room. Combined that with all the new paint, inside and out, it's almost too much to believe. Come take a look.

1998 Rodeo Queen contest date changed

The Cowboy Capital Rodeo Association has changed the date of the 1998 Rodeo Queen Contest. The contest was previously scheduled for May 9, but due to many high school proms being held on this day it is being changed to the afternoon of May 10.

There will be two different age divisions offered. The Teen Division will be ages 13-17 and the Miss Division will be 18-24.

Contestants must live within approximately a 100 mile radius of Bandera County, be proficient in horsemanship, possess communication skills and be able to coordinate and wear western attire appropriately.

The interview and horsemanship portion will be held at Mansfield Park. The winners will not be announced until the Saturday night performance of the Open Pro Rodeo. This will allow the contestants to participate in all of the rodeo activities such as riding in the Grand Entry, carrying sponsor flags during the performance of the rodeo, the rodeo parade, the Cowboy Golf Tournament, and any publicity function associated with the rodeo.

On the afternoon of May 10, the contest will begin with modeling of western attire and answering impromptu questions at Mansfield Park. The contestants will then have interviews with the judges. All contestants will perform a designated horsemanship pattern later that day.

As rodeo queen, she will preside over the 1998 Memorial Day Weekend Rodeo, which will be held on Friday, Saturday and Sunday, May 22, 23 and 24 at Mansfield Park in Bandera. She will also be expected to attend media functions and represent the CCRA at other events such as parades and other rodeos.

There will be four scholarships awarded to the winners along with a rhinestone tiara, embroidered satin sash, a beautiful handmade trophy buckle and many more wonderful prizes. The winners will also be eligible to enter the Miss Rodeo Texas or Miss Rodeo Texas Teen Pageant. Some of our past CCRA Queens have gone on to win first runner-up to Miss Rodeo Texas Teen, second runner-up to Miss Rodeo Texas, win Miss Rodeo Texas and win first runner-up at the Miss Rodeo America Pageant in Las Vegas held during the National Finals Rodeo.

Young ladies interested in entering the contest may request an application by calling Patti Reynolds at (830) 460-3868. The deadline for submitting the entry is May 1, 1998. There is a $20 entry fee.

An Answer To Bobby Jones

ISSUE: THE MIDDLE SCHOOL. Bobby Jones, as usual, has misstated the facts. The Middle School can be brought up to code. To do so would be very costly and any patch work is just that... patch work and would not be money well spent.

ISSUE: THE SCHOOL BOARD WENT BEHIND OUR BACKS: I think Bobby either has a hard time understanding or is not being truthful. A budget does not need to be amended prior to making a decision to spend unbudgeted dollars. It does need to be amended before the fiscal year ends. We amend ours quarterly.

ISSUE: THE RACE TRACK IS ENVIRONMENTALLY UNSAFE: We know horses were buried on the site. We got an estimate from Rabe-Kristner to remove them for $8,500.

ISSUE: BISD CONTINUED TO OPERATE AFTER THE ROLL-BACK WAS PASSED: Bobby, remember, the roll-back never went into effect. The legislature formed a new County Education District that over rode the roll-back. Our tax rate remained at $1.13, $.31 for BISD and $.82 for the CED. Thanks to Mr. Coates, our District Appraiser, appraisals have steadily climbed.

ISSUE: INDEPENDENT THINKERS: Bobby, although I do not love to talk or debate as you, I still am an independent thinker. Argue is my middle name, opinions are my game and research has become my quest. We work hard, we work well together, we try to be amiable. We fight for the kids, sometimes for each other but always for the school. Personally, I am my own person, belonging neither to you and your group or the administration.

TAXPAYERS' RIGHTS

We believe our future school board should observe the following taxpayers' rights in all its decisions:

(1) Demand economy in operation of the schools without impact to the educational process, i.e., the kids.

(2) Proper planning of school facilities with the opportunity for taxpayer input.

(3) Innovative financing, thereby relieving taxpayers of the entire financial burden at one time.

(4) Balance students' and teachers' needs with taxpayers' ability to pay.

Storytellers organize

Storytelling isn't just for children anymore! Bandera Area Storytellers will hold their first organizational meeting on Monday, May 4, starting at 7 p.m. at the Norwest Bank-Community Room in Bandera.

In recent years, there has been a revived interest in storytelling of all forms...from children's bedtime stories to cowboy tales, Native American and other cultural legends.

Because of the growing number of area storytellers, this organization is being formed to provide a place for talespinners to share their stories, to exchange information about other opportunities to tell, and to offer good old-fashioned, wholesome entertainment for the community.

Speaking at the organizational meeting will be internationally known storytellers Tim Tingle and Doc Moore from Canyon Lake, Texas. For more information, call Karen Reinartz Haile (830) 460-3235.

O.J. Clark Memorial VFW holds elections

O.J. Clark Memorial VFW Post 9176 held its election at the regular meeting on January 22 at Post Home. Dear, District 20 Commander was in attendance.

Those elected to serve the 1998-99 (100th Anniversary Year of the VFW) term were: Commander: William E. "Bill" Bryce; Senior Vice Commander: Keith Swinford; Junior Vice Commander: William F. Firneisen; QM: Floyd Portman; Surgeon and Guard; Willie Anderwald; Trustee: William A. Ellis; Chaplain: Glenn Rhines.

The members present voted to keep the Post operating and to continue to do as much community service for the area as they can.

Post 9176 sponsors Boy Scout Troop 146; loans medical equipment to Bandera County citizens; provides a meeting hall for the Bandera Explorer Scouts; supports the Kerrville Division of the South Texas Veterans Health Care System and does other community activities as required.

Commander Bryce is starting his 10th year as Post Commander. The Post was named in Honor of Orange J. (Jud) Clark in 1992, Jud was a WWI Marine in France and one of the oldest veterans in Bandera when he passed away at the age of 99.

Commander Bryce urges all Post members to come to the second Saturday of each month's meeting at the Post Home at 1:30 p.m.

Celebrating the past

A Heritage Festival in Vanderpool is being planned for Saturday, May 9, from 7:30 a.m. until 5 p.m., hosted by Madrona Springs [illegible] which is open to the public, will feature exhibits of by-gone days in the Sabinal Canyon. There will be horse shoeing, leather works, cloth making, soap making, etc.

The Vanderpool Volunteer Fire Department will host a Cowboy Breakfast at 7:30 a.m., followed by a Trail Ride which will leave from the cabins. The Utopia Volunteer Fire Department will be selling barbecue sandwiches, chips, etc. for lunch.

Soft drinks, other non alcoholic beverages and miscellaneous refreshments will be sold throughout the day.

The Sabinal Canyon was a passageway for native Americans to travel from the north to Mexico. It was a place where early settlers came and, discovering the beauty, decided to inhabit the area.

Many people currently live and love the area, and organizers hope to preserve the area's culture by hosting a yearly festival in the community.

Antiques or arts and crafts enthusiasts are asked to participate by renting booth spaces. Booth spaces will be rented for a $25 fee.

There will be a small gate fee of $3 per automobile for those attending.

For more information, call (830) 966-5198 or write Madrona Springs Cabins, P.O. Box 227, Vanderpool, Texas 78885.

Learn about Medicaid changes

There will be a public meeting in the Fredericksburg area about Medicaid change that will occur in September of 1999.

The change will be a switch to the managed care approach for Medicaid recipients in Gillespie, Kerr, Bandera, Real, Edwards, Kimble, Mason, Llano and San Saba counties.

This event is sponsored by the Texas Department of Health and the Texas Health and Human Services Commission at the Fredericksburg Middle School cafeteria. The cafeteria is located at 110 West Travis, and the meeting will be held from 5:30 to 7:30 p.m. on Wednesday April 22.

This meeting is to provide area health care providers, Medicaid recipients and the general public with information and with an opportunity to comment and ask questions about the scheduled change to a managed care health care delivery approach.

Evening adult computer class offered

Beginning April 28, the Hill Country Elementary School Computer Lab will offer the community an evening adult computer class, "Windows 95: Taking it to the Next Level." The course will consist of four two-hour class sessions, held on April 28 and 30, and May 5 and 7, from 6:30-8:30 p.m. at Hill Country Elementary School, on FM 1283 in Pipe Creek.

"Windows 95: Taking it to the Next Level" will teach the ins-and-outs of the Windows '95 operating system and techniques to make computer time more productive. Cost will be $40 per person. Topics include: using the "Recycle Bin," understanding the uses of "My Computer;" using keyboard shortcuts; creating new folders, shortcuts and file copies, and installing new software and hardware.

Registration forms are available in the front office at Hill Country Elementary during normal school hours. For additional information please contact Brad Domitrovich at 535-5108 or 510-9585.

Lady Bulldogs close with victory

The Bandera High School Lady Bulldog softball team closed its 1998 season with a 17-4 home win against Hondo on April 14.

The Lady Bulldogs, under the direction of Coach Darcy Rogers, finished third in the District 26-3A standings with a 6-4 league mark. The team was 8-11-1 overall in 1998.

Yoli Burmudez (5-2) was the winning pitcher against Hondo in the season finale.

Jacks, Upton, Moos and Tatsch win with scorecard playoff

The team of Burl Jacks, Jerry Upton, Francis Moos and Bert Tatsch took top honors with a scorecard playoff in the most recent Over 50 Golf Association event held at Bandera's Flying L Course.

The top finishers beat out the foursomes of Don Peine, Willis Dean, Bill Arraiza, Ray Waclawczyk and Jim Terry, Lorraine French, Marvin Hadash and Jerry Stand in the playoff after all three teams shot an 8-under 64.

Fourth place went to the team of Al Kindla, Easy Eason, Ken Hughes, Dale Riley and John McClenny which shot a 66.

Two squads were knotted for the final payoff with 5-under 67's. The scorecard gave the nod to the team of Lee Finch, Ed Clark, Floyd McOsker and Ken Ross over the foursome of Larry Upton, Ramiro Jaime, Bert Bednarz and Gary Prejean.

The Over 50 Association is back in action on May 6 at Devine's Municipal Course at 8:30 a.m.

Sanchez, Anderson win flights during FLLGA tourney

The Flying L Ladies Golf Association held its Easter Tournament on April 7 with Jean Sanchez (34 on the odd holes) winning the 1st flight and Mona Anderson (36) winning the 2nd.

Other top finishers were (1st flight) Ruby Ballard (35) and Jerry Upton (35); and (2nd flight) Carolyn McClellan (37), Pat Andrews (38) and Rita Houston (39).

Closest-to-the-pin honors went to Upton on the 7th hole and Andrews on the 12th.

Ballard finished closest to the line and McClellan won low putts.

Bandera soccer registration set

Bandera Youth Soccer registration will be held the week of May 5-9 (Tuesday through Saturday of that week). This is the ONLY time to sign up youth soccer players.

The league is open to players ages 5-18. There is a $40 per player registration fee for one player, $35 for the second family member, and $30 for other family members.

A late registration fee of $50 doe snot guarantee a spot on a team. All players registering late will be placed on a waiting list, and if the player is not put on a team, the fee will be refunded.

Registration will take place from May 5-9 at Mansfield Park in Bandera from 4:40 to 8 p.m. On May 9 (a Saturday), players will be able to sign up at the Bandera Middle School cafeteria from 9 a.m. to 2 p.m.

For more information about registration, call Sandy Jennings at 460-3954 in Bandera.

For more information about registering for the July 27-31 Bandera Soccer Camp, call Kathy Jennings at 796-4850.

Bandera boys and girls golf heading to Regional Tourney

CASTROVILLE – Both Bandera High School golf teams – girls and boys – have earned berths at the Class 3A Region IV Tournament scheduled April 27-28 in Kingsville.

The Bulldog and Lady Bulldog golf teams, under the direction of Coach Loren Greenshield, qualified for Regionals at the District 26-3A Tournament which concluded on April 14 at Castroville's Alsatian Course.

The Bandera boys, led by Thad Dubose's individual medalist finish, captured the district championship with a 655 two-day, 36-hole total (the opening round was played April 13 in Devine). After shooting an opening-round 336, the Bulldogs came back with a 319 second-round total.

The Hondo boys (669) were second and first-round leader Devine finished third.

Other members of the Region-bound boys team are Jason Garcia, William Anderwald, Joey Lalanne and Quinton MacRae.

For Dubose, it was his third consecutive individual district title. He finished with a 150 total (76-74).

For the Bulldogs, it was their second straight district team championship and third in the past four years.

Ingram slips by Bandera into 3rd

INGRAM – The Ingram Team Moore Warriors held off the Bandera Bulldogs 7-6 on District 26-3A baseball action on Saturday (April 18) at the ITM Field.

The Warriors, who moved past Bandera into third place with the win, scored four first-inning runs and added one in the second to grab a 5-0 lead in the rare Saturday game (played due to Friday's District 26-3A Track Meet in Castroville).

The Bulldogs came back with four runs of their own in the top of the third and tied the game at 5-5 with another run in the fourth, but Ingram came right back with two in its half of the fourth to take the lead for good.

The Bulldogs, on Brain Bass' second home run of the season, came within one in the sixth inning but could get no closer.

The loss evens the Bulldogs' 26-3A record at 3-3 with six league games to go. Bandera is now 13-8 overall in 1998.

Ingram moves ahead of Bandera and into third place at 4-2, one game behind district co-leaders Medina Valley and Devine (both 5-1 going into this week).

Medina Valley and Devine were scheduled to meet late Tuesday (April 21, after press time).

Bandera was set to play at Lytle on Tuesday and return home on Friday (April 24) against Hondo at 7 p.m.

Bandera is at first place Medina Valley on Tuesday (April 28) at 7 p.m.

Bulldog, Lady Bulldog track qualify 10 for Regional Meet

Despite being under the weather the week before the District 26-3A Track Meet, Bandera's Shandra Zickler (above) took top honors in the triple jump.

CASTROVILLE – The Bandera High School girls and boys track teams qualified 10 athletes in 10 events for the Class 3A Region IV Meet in Kingsville during the April 16-17 District 26-3A Meet hosted by Medina Valley High School.

Six Bandera boys and four Lady Bulldogs are now scheduled to compete at the May 1-2 Region Meet in Kingsville.

Bandera sophomore Clifton Tierney was a double winner in the 3,200 and 1,600-meter runs at District.

Tierney blew away the field in Thursday's 3,200 meters with a winning time of 10:15.50. George Barco of Devine, who beat Tierney at the Bandera Relays earlier this spring, was nearly 14 seconds behind in second (10:29.27).

In Friday's 1,600 meters, Tierney was first at 4:43.70 with Barco second at 4:49.97.

The Bandera boys 400-meter relay team of Cliff Despres, David Cantu, Tye Stone and Jimmy Stimmell earned a district championship with a 44.33 clocking. The Bulldog foursome held off second-place Devine which finished .12 seconds behind (44.45) in second place.

Stone is also heading to Regionals in the 400 meters after a second place finish (52.21). Medina Valley's Weston Lerma won the 400 (52.08).

In one of the most exciting races of the event, Bandera's Justin Knight used a strong finish to beat out longtime rival Tito Alvarez of Devine in the 800 meters.

Knight, who ran a winning time of 2:03.39, said it was the first time in his high school career he had beat Alvarez (see photos above).

Lady Bulldog Sarah Harris is going to Regionals in two events – the 100 and 200-meter dashes.

Harris won the District 100 meters in 12.38, which is a new Bandera school record. It was the third time this season she has broken the mark.

Harris was second in the 200 at 25.92.

Despite being ill the week prior to the District meet, Shandra Zickler was the gold medalist in the triple jump with a leap of 37-feet, 3-inches.

Bandera's Katie Jennings won the gold in the long jump at 16-5 3/4 and Lady Bulldog teammate Krystal Upchurch was second in the high jump at 5-feet (see photos on page 2B).

In the varsity team standings, the Bandera boys placed third with 111.

points to finish behind District team champion Devine (156 points) and runner-up Hondo (132). Other boys team totals included Medina valley 61, Somerset 36, Lytle 33 and Ingram Tom Moore 20.

The Ingram Tom Moore girls won the girls varsity team title with 151 points, edging out Hondo (146) by only five points. Medina Valley was next with 105, followed by the Bandera Lady Bulldogs at 86. Other girls team totals were Devine 73, Lytle 26 and Somerset 0.

Watch next week's Bandera Bulletin Sports for a compete list of Bulldogs and Lady Bulldog finishers at District along with more photos.

MEDINA – The Medina High School Bobcat girls and boys track teams are sending six athletes in seven events to the May 1-2 Class 3A Region IV Track and Field Meet in Brenham.

The Medina thinclads qualified for Regionals during the April 17 District Track Meet held at medina High School.

Lady Bobcat sophomore Charyli Hyatt made Regionals in two events by winning the District shot put competition and placing second in the girls varsity discus.

Lady Bobcat teammate Katy Tucker, who is also a 10th-grader, won the gold in the District 200-meter dash and will move on to Region action in the event.

Medina is sending four Bobcats to Regionals in boys events.

Senior Mic Hubble placed second in the 200-meter dash at District to qualify.

Fellow Medina senior Cully Doyle was second in the 3,200 meters and will also advanced to the next level.

Lucas Hubble, another Medina senior, made Regionals in the 800 meters with a second place at District.

Medina sophomore Matt Bogler was second in the District high jump and will compete at Brenham on May 1-2.

Bandera golf...

(From page 1B)
After placing third the past three seasons, the Lady Bulldog golf team placed second this spring to move on to Regionals. The Bandera girls placed behind girls district champ Devine and beat out Lytle and Ingram for the other Region berth.

Bandera's Mary Domine placed third individually and Brittany North was sixth. Other Lady Bulldog golfers are Sandra Heath and Tara Miller.

"It's great that both teams are going to Regionals," Greenshield said. "I'm very proud of all of our golfers."

Watch for a look at the Bandera boys #2 team in next week's Bulletin Sports.

Bandera competes at Regionals in Kingsville April 27-28.

Bobcats down Lackland in 31-A action

SAN ANTONIO – Southpaw Philip Haines struck out 11 in the Medina Bobcats 5-2 District 31-A road win at Lackland Air Force Base Stacey High School on April 14.

With the win, the Cats moved into third place, a game and a half behind first-place D'Hanis and one game in back of second-place La Pryor D'Hanis in a key game late Tuesday (after press time on April 21).

Medina's Haines improved his season pitching record to 1-1 with the complete-game two-hitter against winless-in-district Stacey.

Medina scored one run in each of the first three inning and added two in the fourth.

The Bobcats, after Tuesday's late home game with D'Hanis, are off until next Tuesday (April 28) when they play at Asherton at 4:15 p.m. See 31-A standings at right.

Bits, Bytes & Books at the BHS Library

By Patsy Small, BHS Librarian

Because the high school library is a member of the [illegible] staff are able to access over 5,000 magazines and newspapers on the ProQuest Direct CD.

In order to receive this service that normally costs $2,000 annually, TLC requires that the library must have Internet access on at least three computers.

ProQuest Direct is accessed through the Internet only if the library is a member of TLC and meets the Internet compliance standards.

Students can search this user-friendly database to find articles that affect all areas of of the curriculum.

To further aid the research process, Ms. Small has purchased the DISCovering CD's, Biography and [illegible] the series which includes U.S. History, World History, Science, and Authors.

Students should begin their research on these CD's and the excellent print materials before they progress to the Internet, because the CD's and print materials are purchased based on the curriculum guidelines of the district.

For those students searching for a "fast read" to fit in their busy schedules, look for the Quick Picks in the fiction section.

These novels are identified by the bright green label on the spine. They are of excellent quality, the only difference being that they usually average about 150 pages in length.

To the Stars and Back

By Chris Lovejoy

The Bandera High School Music Department is going to Houston for a band and choir concert, afterward they will go to Six Flags Astroworld.

The students will leave Bandera at six o'clock in the morning to go to MARS(The musicians planet). The students may be allowed to explore the Galleria Mall for a few hours. They will check in to Executive Suites late Friday for an adequate night's sleep.

The students will be awoke at five A.M. for an excellent breakfast.The band and choir will leave for their concerts at the Houston community College,by seven.

After the students complete the contest, they will go to Six Flags Astroworld for as much fun as they can handle.

The Bandera High School Music Department will leave for home by late Saturday Afternoon.

They might not arrive until late Saturday or Early Sunday. The Choral Director, Jerry Neuenschwander stated, "We are looking forward to this festival competition. The Choirs are sounding more mature and musical everyday we rehearse. the band is doing great under Mr.Howell's leadership. Both organizations will represent Bandera High School well."

Senior Spotlight

By Julie Duke

Valerie Brenner, daughter of Tim and Carol Brenner and a senior at Bandera High School, has a dream.

Brenner wants to go to school at the University of Texas in Austin and would like to study political science, pre-law, and she would also like to minor in Spanish.

Valerie is currently in BPA (Business Professionals of America), the Interact Club (a group of students that help out around the campus and the community), TAFE, yearbook, and SADD (Students Against Drunk Driving).

She has also won awards. Brenner went to regionals for BPA and won third place, which after that, proceeded to state.

She also tried out to be on the All American Dance Team, which performs at the Citris Bowl, in parades, etc. She made it and was a member in 1995-1996.

Nothing will stop Valerie from doing what she wants. "I want to be a corporate lawyer, and on the side in my spare time, I want to be a dancer." quoted Valerie.We wish Valerie the best of luck in her future career(s).

BHS Band Washes Cars to Raise Money

By Matt Baker

On Saturday, April 2, the members of the Bandera High School Band dressed in their shorts and T-shirts, grabbed their sponges and buckets, and headed for the Boyle's parking lot where they held a car wash to raise money for their annual trip.

Lasting from 8:30 a.m. to 2:00 p.m., the busy band members spent their Saturday morning and afternoon washing vehicles.

The car wash was free of charge, however, the students made their money in a different way.

Band members formed pledge sheets on which other students pledged a certain amount of money for each car that was washed.

They also brought in a received money from donations given by owners of the washed cars.

Some of the students were only able to stay for a few hours, however many others stayed for the full amount of time.

"I've been here since 8:30,"quotes Charlie Butcher, "and so far we've washed over 70 cars." Yet the car washing experience didn't seem to tire the busy band members.

Their grand total for the day was a whopping 103 vehicles, consisting of cars, trucks, vans, and even tow trucks.

The band members hold these types of fund raisers often. For example, after football season, they sold tamales at school.

During the month of February, they sold chocolate roses for Valentine's Day gifts.

These fund raisers are earning money to pay the band members' way to Houston where they will visit the Houston space center and Astroworld, where they will be playing a concert.

Trust is the Word- Camfel Production comes to BHS

By Jacob Langston

"Trust Me", the name of the production, was to show the students that trust is everywhere. You need trust among your friends, for example if they are telling your secrets behind your back, and you find out, what would you do? You would find out that they are not trustworthy,then what would you do? Break up the friendship, right?

The production was all about trust and trusting who you care about, like family or friends. If no one in the world could be trusted, do you think that everyone would like you because of your sharing of secrets or lies behind your friends back?

After the camfel production, everyone was refreshed. Student Council handed out free 7ups with flyers made by Colleen Forsythe. We received the sodas from the factory, and it was the new improved flavor, glad to be a BHS student. We have teachers that really care and pay to have these productions brought to us.

ISSUES FACING BISD SCHOOL BOARD FOR 1998-1999 SCHOOL YEAR

Note: This is the second of a series of articles in which some of the issues will be identified and discussed concerning our school system in the upcoming years.

Who provides the funds necessary to operate the school system - you, the taxpayer.

Your local taxes are combined with other taxpayers' monies (state and federal) to build and operate our schools.

Yet, rarely is your interest, as a taxpayer, mentioned by anyone in authority with the school.

This should and will change.

Your desire, as a taxpayer, to keep your taxes down can and should be reconciled with your school system's desire to educate the children of this community. One is not necessarily opposed to the other.

As a matter of fact, many of you taxpayers have come forward to reassure the school officials that you will see that the schools are properly funded.

With proper planning and management, both on the operational and the facilities side, your taxpayers' dollars can be more effectively disbursed, resulting in less financial burden on you.

Moreover, you as a taxpayer should be given the opportunity to have input into any proposed facility. How many houses have you bought where you put up the money and someone you barely know does the purchasing for you without your ever seeing the house?

It simply boils down to balancing the needs of the students and teachers with your ability to pay.

With new, innovative management, this can be accomplished to the advantage of everyone -- students, teachers and taxpayers.

Community Notes ...

Medina Lake AARP April meeting

The AARP Chapter of Medina Lake will hold their monthly meeting April 27 at noon at the Lakehills American Legion hall. The meeting will begin with a covered dish luncheon followed by a guest speaker and conclude with a business meeting.

Due to unforseen circumstances, the club's guest speaker for March, nutritionist Dona Dodgen, director of nutritional services at Guadalupe Valley Hospital in Seguin, was unable to speak at that meeting, so she has been invited back to speak this month.

Dodgen's program will be "Basics of Nutrition and Fat vs. Calories." All AARP members and seniors are invited to come and benefit from Dodgen's experience and information on eating healthy for a healthy lifestyle.

Vanderpool Trail Drive

The Annual Bud Thompson Memorial Trail Drive and Barbecue will be held on May 2 starting at 9 a.m. The drive will begin at the Vanderpool Fire Department and conclude at the fire department. There will be a barbecue supper starting at 4:30 p.m. Prices for Trail Drive riders (includes meal) are $20 for adults and $10 for children 12 years and under. For non-riders the prices are $5 for adults and $3 for children 12 years and under. Desserts will cost extra. For more information call [illegible].

Utopia Auction

Utopia Lions Club will host their Annual Auction and Bake Sale on Saturday, April 25 at the Utopia Community Square. Starting time will be at 1 p.m. All proceeds from the auction will benefit local organizations. St. Mary's Catholic Church will serve hamburgers starting at 11 a.m. inside the community building. All proceeds from the event will benefit the St. Mary's building fund. If you have any auctionable merchandise, please call Craig Vandiver at 966-2360.

Fine Arts Club news

Members and guests of the Bandera Fine Arts Club enjoyed the lovely garden setting at Country Accents on Tuesday, April 7.

Mrs Donna Alexander installed new officers for 1998 - 1999, presenting each a corsage of spring flowers.

Country Accents owner, Eva Revels, exhibited and explained Flo-Blue porcelain. Arthur Crawford gave an interesting talk on Hoosier cabinets, his specialty. Yonni Leor, an expert in refinishing [illegible] showed examples of ebony and gilt incised Victorian accents.

The final meeting of the year will be held at The Farm on May 7.

In 1937 Mr. Alvin Britsch embarked on a career in the food business that lasted over 30 years. He opened his first restaurant at 1703 Avenue M. It was called the "Bobcat Grill."

He left the food business for a short period of time, returning to it in 1946, when he and his son Leroy Horace, along with six other men who were members of the local Hermann Sons Lodge, moved the existing barracks from the Hondo Air Base to the present location.

Alvin originally intended to serve only a limited menu, mostly his delicious hamburgers, homemade chili, and a couple of other items. However, one day a salesman came in with one of the regular customers, he was carrying a brown bag containing a steak. He asked Alvin to prepare it for him. The gentlemen enjoyed his steak so much, he suggested that Alvin add steak to his limited menu. Thus, the beginning of the steak house. Alvin originated the famous "pepper steaks" in 1939. When he retired in 1965 his son, Leroy Horace and wife Grace, purchased the restaurant. Under their ownership and operation, the Hermann Sons Steak House became one of the most popular and well known Steak Houses in South Texas. Quality dining and a relaxed atmosphere became their trademark.

In 1994 Leroy Horace and Grace retired leaving the ownership and operation of the Hermann Sons Steak House to Bryce, their son. This started the third generation of the Britsch family tradition. Many of Alvin's and Leroy Horace's recipes have been handed down to Bryce and are still being used today.

They're on a mission

Linda Stockton, Denise O'Dell, Linda Meiske and Glynis Mallia, members of Faith Chapel Church of Lakehills, will be going on a one week medical mission trip to Kenscoff Haiti this June 22-29.

They will be sharing the Gospel while working in medical clinics. To help fund the mission, organizers are raffling off an original oil painting of the Medina River. In addition, a Flag fundraiser will be held, and donors may purchase flags of all countries to be displayed in the church. Prices range from $150 to $175 for supporting this trip, and the flags represent the need to reach all nations.

If interested in purchasing a flag or raffle ticket, or assisting the mission in any way, please call Faith Chapel at 612-2481 or Glynis Mallia 751-2963, or write to Faith Chapel, P.O. Box 569, Lakehills, Texas 78063.

Making a joyful noise

The first Annual "Praise, Down by the Riverside," an all-day celebration of Christian music, will be held Saturday, April 25, at the Bandera Beverage Barn, starting at 10 a.m. The day of music will be opened by the San Antonio Choral Society, under the direction of Dr. Gary Maury. Exciting and inspiring music will follow all day. The "San Antonio Dulcimer Society" and "River City Strings and Things," Gene Morris of the Second Baptist Church in Houston; Jack Mason of the New Life Ministries, the Melody Makers from Hilton, Texas and two groups, "First Light" and "Hope Choir" from the New Covenant Church in Austin are just some of the performers from out of the county who will be performing.

From Bandera County, David and Sarah Martin, of Pipe Creek; "Rejoice," a small group from the Cowboy Church; the "Dibbens Family Gospel Quartet" from Utopia Baptist Church; the Hill Country Trinity Gospel Church and the trio of Robin Hodges, Leslie Swientels, and Rusty Fox, among others, will be performing in this all-day event praising God and thanking Him for His goodness.

Joe Reidy of the Forge and Dianne Whitely of the Bandera Coffee House, will be serving breakfast tacos and cowboy coffee for the 'early birds' and later, for those who didn't bring a picnic lunch, a fajita lunch with all the trimmings will be on sale from Joe's chuck wagon.

A Christian trail ride will end that morning at Mansfield Park and will journey to the Beverage Barn to enjoy the festivities. This event is hosted by the Bandera Music Lovers and is free and all are invited. So bring your lawn chairs and come prepared to spend the day!

Barnett, Garrett welcomed

Pastor Dennis Thompson from the Bandera United Methodist Church used for his text Sunday, John 20:19-33, "Don't Look Jesus Out." Judy Goodenough was the pianist. Guests were Lila Sprott, Mickie Causey and Samantha Flores.

On Monday morning, Dorothy Callahan, Fannie Carrall, and Annette Kalka-Schulte from St. Stanislaus Catholic Church visited, prayed and sang with resident friends, Brenda Adam, Jeanetta Adamietz, Harry Fleming, and Lorene Billings. Our sympathy to the family of Hope Richeson. We will miss her.

Ann Stackhouse and Nancy Westley came Monday morning to play bingo with several of the residents.

Martin Smith from the Church of Christ came Wednesday morning for Bible Reading with several of the residents.

Dutch and Diamond Kreusel and Bill and Fay Burchfield from Lake Hills Baptist Church came Wednesday to play bingo with the residents. They served goodies and everyone had fun.

The residents were delighted to have the first grade from Hill Country Elementary School come to visit Wednesday. Mr. Teel is the teacher.

Heidi and Ali Mae Klussson came and entertained the residents which the residents always enjoy.

Thursday Vera Nichols and Ann Stackhouse from St. Stanislaus Catholic Church presented carnations to the ladies. Thanks to Punkie from Eckhart's Flower Shop.

Friday Ann Stackhouse from St. Stanislaus Catholic Church served communion to members of the church.

Ray Hernandez and Millie Hernandez came and sang some Christian songs. They were from Hill Country Trinity Gospel Church.

We have a lot of volunteers who come often which the residents always look forward to their visits.

We welcome Harry Barnett and Eva Garrett to our home and hope they enjoy their stay with us.

Rico came Friday and entertained the residents with music and songs.

New Vision Church of Bandera
PASTOR ROY'S SERMON IN A NUT SHELL
"CHRIST", is not Jesus' last name. Christ is Jesus' title or epithet. Christ is the English word chosen for the Greek word; "Kree-O", which means Anointed one. So "Jesus Christ" could be said; "Jesus, the Anointed One." The word "Christ" is written 555 times in the New Testament. Jesus was anointed when the Holy Spirit came upon Him, or when He was Baptized in the Holy Spirit, or Filled with the Spirit, in Matthew 3:16 and Luke 3:21 & 4:1, other being water baptized by John. This is the "Promise of the Father" from Joel 2:28-29. This is the same "Promise of the Father" in Acts 1:4. If you read Acts 1 and 2, you'll see the outcome of Being Baptized in the Holy Spirit, or in other words, being Anointed. Who can be Baptized in the Holy Spirit? Read Acts 2: 38 & 39. Do you Believe in Jesus? Read Mark 16: 15-18. Now ask God for the Holy Spirit to teach you "ALL THINGS"! Not your church, or Mom or friend, but the Holy Spirit. Read John 14: 25-26. What does the Bible say?

They're on a mission

Linda Stockton, Denise O'Dell, Linda Meiske and Glynis Mallia, members of Faith Chapel Church of Lakehills, will be going on a one week medical mission trip to Kenscoff Haiti this June 22-29.

They will be sharing the Gospel while working in medical clinics. To help fund the mission, organizers are raffling off an original oil painting of the Medina River. In addition, a Flag fundraiser will be held, and donors may purchase flags of all countries to be displayed in the church. Prices range from $150 to $175 for supporting this trip, and the flags represent the need to reach all nations.

If interested in purchasing a flag or raffle ticket, or assisting the mission in any way, please call Faith Chapel at 612-2481 or Glynis Mallia 751-2963, or write to Faith Chapel, P.O. Box 569, Lakehills, Texas 78063.

Making a joyful noise

The first Annual "Praise, Down by the Riverside," an all-day celebration of Christian music, will be held Saturday, April 25, at the Bandera Beverage Barn, starting at 10 a.m. The day of music will be opened by the San Antonio Choral Society, under the direction of Dr. Gary Shaffer. Exciting and inspiring music will follow all day. The "San Antonio Dulcimer Society" and "River City Strings and Things;" Gene Morris of the Second Baptist Church in Houston; Jack Mason of the New Life Ministries, the Melody Makers from Kilgore, Texas and two groups, "First Light" and "Hope Choir" from the New Covenant Church in Austin are just some of the performers from out of the county who will be performing.

From Bandera County, David and Sarah Martin, of Pipe Creek; "Rejoice," a small group from the Cowboy Church; the "Dibbens Family Gospel Quartet" from Utopia Baptist Church; the Hill Country Trinity Gospel Church and the trio of Robin Hodges, Leslie Swientels, and Rusty Fox, among others, will be performing in this all-day event praising God and thanking Him for His goodness.

Joe Reidy of the Forge and Dianne Whitely of the Bandera Coffee House, will be serving breakfast tacos and cowboy coffee for the 'early birds' and later, for those who didn't bring a picnic lunch, a fajita lunch with all the trimmings will be on sale from Joe's chuck wagon.

A Christian trail ride will end that morning at Mansfield Park and will journey to the Beverage Barn to enjoy the festivities. This event is hosted by the Bandera Music Lovers and is free and all are invited. So bring your lawn chairs and come prepared to spend the day!

Saturday's elections to decide city, school races

Voting begins at 7 a.m. for Saturday's Bandera and Medina school board and Bandera city elections.

The Bandera Independent School District board of trustees election includes a field of eleven candidates for three slots. The campaign has been especially heated in the wake of the board's controversial decision to purchase the Bandera Downs racetrack, plaintiff Al Hamilton's victory in his lawsuit to void the sale, and the board's decision last week to appeal that decision.

Five candidates filed for the place 5 slot on the board, which has been vacant since the resignation of Dave Koehler last year. Vying for that spot are Al Hamilton, Dan Jaworski, Daniel Anderson III, Tom Morgan and Doyle Haner.

Filing for the place 6 slot on the board are incumbent Rand Hicks, Dan Zavorka and Mike Medina.

Vying for place 7 on the board are incumbent "Bub" Keese, T. Gordon Nordlund and Susan D'Spain.

In Bandera city elections, incumbent Bob Cowan will face Linda Stein for the job of mayor. Incumbents Johnny Piña and Tommy Kindla have both filed for reelection to the city council. Dennis Thompson and Horst Pallaske have also filed for the two open slots on the council. Candidates for the council run at-large, and the top two vote-getters will fill the two open positions.

For a sample ballot showing the candidates in the order they will appear on the ballot, please turn to page 5B

Five candidates have filed for two positions on the Medina Independent School District's board of trustees.

Filing for position 6 are incumbent Lowanna J. Sides and Kenneth Dabney. Richard Keese, Michael A. Derry and Randall J. (Randy) Boysen have filed for position 7 on the board.

Place 7 incumbent Andy Lautzenheiser is not seeking reelection.

Early voting began April 15 and continued through April 28. Election day is Saturday, May 2, and voting will take place from 7 a.m. to 7 p.m.

Voting for Bandera school board trustees takes place at:

- Pcts. 5, 7, 8, 11: Bandera Middle School
- Pcts. 1, 2: Pipe Creek Community Center
- Pcts. 3, 4: Lakehills Civic Center

Voting for Medina school board trustees will take place at the Medina ISD Administration Building. Voting for Bandera city elections will take place at Bandera City Hall.

County accepts flood repair bid

■ By Brenda Sommer
Managing Editor

In a special meeting Monday, Bandera County Commissioners accepted a bid for more than $800,000 in repairs for roads and bridges damaged in last June's severe floods.

The $806,830 bid by M.P.B. Inc. of Kerrville was the only bid received by the court, and the price was in line with the county's expectations. The county had earlier tried to get bids for the project, but none were received during the first attempt. The repairs will be funded by the Federal Emergency Management Agency (FEMA), with grand money and with funds the county borrowed through tax anticipation notes.

The bid covers work at more than 30 sites throughout the county. Twenty of those sites will be returned to pre-flood conditions, and ten will be upgraded from their previous conditions.

At least two more sites will be bid out, at additional costs, once repair plans are reviewed by the county and consulting engineers.

"I appreciate the patience and understanding of everybody in the county, and we'll move forward on this as rapidly as we can," said Pct. 1 commissioner James Mormando Jr.

The Texas Department of Housing and Community Affairs in Austin must approve the contractor as qualified to perform the work. That approval is a routine formality, and once that hurdle is overcome, it is hoped that work on the projects will begin in early June.

Boyle's to hold grand opening

The newly expanded Boyle's Market will hold a grand opening on Saturday, May 2, beginning at 10 a.m. with a ribbon cutting ceremony at noon. The 35,000 square-foot complex is home to a grocery store complete with a service meat counter, a deli, True Value Hardware, and Bandera Wine and Spirits.

The Boyle family has been in the retail business in Bandera for the past 91 years.

The Doc Toller Medicine Show kicks off the grand opening celebration at 10 a.m. Children can take advantage of the super slide in the parking lot during the day. Rides are free with a receipt from Boyle's Market or Bandera True Value.

A Dutch oven cooking class will be held in the parking lot. Inside Boyle's Market, free samples of Marzetti's dips will be available from the deli.

At 11 a.m., the Caliche Hill Band, with Linda Barton, will entertain in the parking lot. A beer tasting will be held at Bandera Wine and Spirits, and "Tumbleweed Tex" (who has been described as a combination of Roy Rogers and Will Rogers) will be roaming around the store entertaining.

A Husqvarna "Husky" chain saw demonstration will take place in the Bandera True Value parking lot at 11:45 a.m.

The ribbon cutting at noon will be a one-of-a-kind Bandera-Boyle original, with a chain cutting from True Value, and a giant sub cutting for Boyle's Market.

At 12:15 p.m., a one hour "pizza party" will enable customers to buy tasty slices of pizza at an even tastier cost per slice. The Doc Toller Medicine Show will continue in the parking lot. Lanky the Clown's magic show will entertain the young at heart of every age.

Tasting time for the Dutch Oven cooking will take place at 1 p.m. The Caliche Hill Band will play until 2 p.m.

The Doc Toller Medicine Show will begin again at 2:15 p.m. and shopping for values at bargain prices will continue for the rest of the day, and every day.

Haby chosen to attend Girls State

S.A.L.T. Council to act as advisory group

BANDERA TRIAD

"A concept in action"

Triad is the S.A.L.T. Council. S.A.L.T. stands for Seniors and Law Enforcement Together. The S.A.L.T. Council's main function is to act as an advisory group for the area's law enforcement personnel. The focus is on crime and security issues as related to the elderly. The Council discusses programs and recommends those which will benefit seniors.

The group is also concerned with ways of involving older volunteers in the achievement of its objectives. Our meetings offer an opportunity for frank discussion. The Council is a working group as well as the source of ideas. One of those item is the refrigerator card. (next week's article).

The next Triad meeting will be on May 14 at 2 p.m. at the Silver Sage Corral Senior Activity Center on 11th and Hackberry streets. Our speaker will be Officer Shannon Robles. Officer Robles is the coordinator for Project X tattoo and a member of the Bandera City Police.

Be alert for possible telephone scam

CHIEF'S BLOTTER

by Lynn Holt, Bandera Police Chief

The Bandera Police Department answered 10 calls for service for the week of April 20, 1998, through April 26, 1998. Calls for service included: two assist other agencies; four public assists; one suspicious persons; one suspicious circumstance; one found property; one alarm; three accidents; one gas drive-off; one assault; one criminal mischief; one theft; and one disturbance.

I want to alert everyone to a possible phone scam. One of our senior citizens contact me to reported that she received a phone call concerning her credit card.

The female caller said she was updating the "security" on the person's credit card and wanted to the card number for the update. When the caller did not get the credit card number, a male got on the phone and again tried to get the credit card number. The caller again did not get the number. The credit card company was contacted after the phone call and it was noted that credit card companies do not "update security" on credit cards in this manner.

Please do not give out your credit card number to anyone you do not know. Do not throw your credit card receipts in the trash without tearing off your credit card number and disposing of it separately. If anyone else receives a call concerning security on their credit cards, please contact me immediately.

For every bandage there is a scar

THE BREEZE

by Breanne Hicks

It's funny how you can see something everyday and never appreciate its true beauty until it is taken away from you. I recently had an experience which caused me to reflect upon the dramatic changes that are facing Bandera schools.

In my chemistry class there is one window that displays a beautiful view. Whenever I go to sharpen my pencil or get up to take a piece of paper to the garbage, the scenery always strikes me as something very special.

You see, my chemistry classroom is on a plateau, therefore, whenever I look out the window, I can see the baseball field and the horizon of the county. I love to look out and see the crown of the courthouse peaking above the trees or the bold white cross on one of the county churches. I always wonder what my mom is doing or if the town is slow or bustling.

I often wonder what the visiting baseball team's players, coaches, and relatives think about the view from our school and wonder if the nature in front of them catches their eye or begins a conversation.I always feel proud that I go to Bandera High School and am able to witness the majestic hill country right outside my classroom window ever day.

A couple of weeks ago when I went to the window to see Bandera and its splendor, my view was gone. In its place was a portable building. Where my eyes used to search the green of the baseball field now finds a brown, temporary solution to the problems that plague our future. Where once was my view of the crest of our familiar town, is now a white window pane looking into another classroom of crammed students who will meet me in the crowded halls when the bell rings.

This comes as no surprise to me. I have known we needed a new school for a long time; and I must say that for every bandage used to cover our growth problem, that there will always be a scar left behind.

Phylicia and Sara Hunt at their recent piano recital

Piano recital held at Medina Elementary

Piano students of Mrs. Florence Isaacs of Medina presented a piano recital in the Music Room of the Medina Elementary School.

Eight of this class were beginners, the rest intermediate and advanced. They presented both classical and popular songs. Present were Daniel and Suzanne Hudson, Courtney and Kelley Hurley, Lynette Simons, Danielle Zirkel, Sondra and Raymond Morrill, Ashley Price, Phylicia, Sara and Andy Hunt, Benjamin Villareal, Rachel Ingram, Hilary Hanger and Alfred Lera.

Mrs. Isaacs had been teaching piano in Medina for over twenty years, and each year the classes have included students from the Medina Children's Home.

Obituaries...

Harvey Ray Stratton, age 43, died Saturday April 25, 1998 at his residence.

He was born December 21, 1954, in Hobbs, New Mexico, the son of Jerry Stratton and Wanda Crump Stratton.

He was a member of St. Stanislaus Catholic Church of Bandera, owner and operator of the Classic Coating Company in San Antonio, and was a member of the Knights of Columbus. Harvey married Debbie Parry on May 10, 1980, in Bandera.

Survivors include his wife, Debbie, his parents, Jerry and Wanda Stratton of Bandera, his daughters, Christine and Ashley Stratton of Bandera, sisters, Cathy Prince and husband Joe, of Flower Mound, and Brenda Holby and husband Russell of Bandera, brothers Larry Stratton of Ruidoso, NM, and Steve Berry and wife Gwen of Roswell, NM, and numerous nieces and nephews.

He was preceded in death by his brother Michael in 1950.

A rosary was recited on April 28 at 7 p.m. at Grimes Funeral Chapel of Bandera, with Robert Stein officiating. The Funeral Mass is scheduled for Wednesday, April 29, at 2 p.m. at St. Stanislaus Catholic Church, with Father Michael McManus officiating. Interment will follow at the New Catholic Cemetery.

Pallbearers will be Steve Berry, Larry Stratton, Chad Parry, Kyle Woodrom, Phillip Stein, Joe Miller, Brandon Holby and Derek Holby.

A memorial fund for Stratton's children has been set up at the Bandera Bank in Bandera, or memorials may be made to the American Diabetes Association.

Arrangements by Grimes Funeral Chapel of Bandera.

A Thought For The Week

by John M. Grimes

"Nowadays it isn't the little red schoolhouse one comes upon, but the little-read schoolboy." — Cy N. Peace

Reading is magic. It enables us to experience and ponder the past. It helps us to live more happily and wisely in the present. And it permits us to cope with the future... A library, to modify the famous metaphor of Socrates, is the delivery room for the birth of ideas — a place where history comes to life...

Dwight D. Eisenhower, some years back, was quoted as saying ..."History records how the living ideas of civilization were saved and nourished behind a wall of books. Our libraries today serve the same cause, for the defenders of freedom must remain strong in mind and heart. From the famous metropolitan libraries of America to the bookmobiles that serve our rural areas, books guard the wisdom of the past and kindle the ideas of tomorrow."

To the little-read schoolboy may we say...There may be very few little red-schoolhouses left in America today, but remember...so long as there exist public libraries and dedicated librarians there is access to cures, to truths, to understandings, to peaceful pursuits, and to new challenges in the American tradition.

The groom graduated from Medina High School and now works at the Bandera Electric Co-op.

Bandera storytellers group organizes May 4

Storytelling isn't just for children anymore! Bandera Area Storytellers will hold their first organizational meeting on Monday, May 4, starting at 7 p.m. at the Norwest Bank Community Room in Bandera.

In recent years, there has been a revived interest in storytelling of all forms...from children's bedtime stories to cowboy tales, Native American and other cultural legends.

Because of the growing number of area storytellers, this organization is being formed to provide a place for talespinners to share their stories, to exchange information about other opportunities to tell, and to offer good old-fashioned, wholesome entertainment for the community.

Come prepared to listen, or to tell a favorite folktale, fairytale, ghost story, legend, myth, cowboy tale, Native American or cultural story, humorous account, tall Texas tale, or down-right lie!

Speaking at the organizational meeting will be internationally known storytellers Tim Tingle and Doc Moore from Canyon Lake, Texas.

For more information, call Karen Reinartz Haile (830) 460-3235.

Locals to participate in Texas Arts & Crafts Fair

Kerrville Fine Arts, Fine Crafts, the 27th Annual Official Texas State Arts & Crafts Fair will be held May 22 through May 25 at the Schreiner College campus in Kerrville, and several local artisans will participate in the show.

Bandera residents Linda and Tim Carrigan are experts at creating many different types of jewelry from pieces of broken china. They will not only have a large showing of their jewelry at the fair, but customers may take pieces of their own family china to have custom heirloom jewelry made.

Kim Federici and Peter Florczak are a husband/wife team from Pipe Creek who use glass arrangements to present their pressed flower art. Their pieces range from mobiles, sconces, kaleidoscopes and boxes, to pieces of jewelry. Their work is alive with the colors that Mother Nature loves to produce.

Visit with the artisans, enjoy family-oriented entertainment, take part in the childrens' activities and petting zoo, participate in pioneer demonstrations and indulge in good food and beverages. There will be a Texas Wine Tasting on Friday evening from 5:30- 7:30 p.m., with special Hill Country classical music.

Advance adult fair tickets are $4.50 ($6 at the gate) and may be purchased at participating HEB stores or through the fair office. Children under age 12 are $1. For a free color brochure or information, call 830/896-5711 or 1-800-221-7958, web site.

Heritage Festival set May 9

A Heritage Festival in Vanderpool is being planned for Saturday, May 9, from 7:30 a.m. until 5 p.m., hosted by Madrona Springs Cabins. The festival, which is open to the public, will feature exhibits of by-gone days in the Sabinal Canyon. There will be horse shoeing, leather works, cloth making, soap making, etc.

The Vanderpool Volunteer Fire Department will host a Cowboy Breakfast at 7:30 a.m., followed by a Trail Ride which will leave from the cabins. The Utopia Volunteer Fire Department will be selling barbecue sandwiches, chips, etc. for lunch.

Soft drinks, other non-alcoholic beverages and miscellaneous refreshments will be sold throughout the day.

The Sabinal Canyon was a passageway for native Americans to travel from the north to Mexico. It was a place where early settlers came and, discovering the beauty, decided to inhabit the area. Many people currently live and love the area, and organizers hope to preserve the area's culture by hosting a yearly festival in the community.

Antiques or arts and crafts enthusiasts are asked to participate by renting booth spaces. Booth spaces will be rented for a $25 fee. There will be a small gate fee of $3 per automobile for those attending.

Letters to the editor

Many thanks

The Bandera Athletic Capital Improvements Team, Inc., (B.A.C.I.T.) 8th Annual Golf Tournament Fundraiser was held at the Flying L Guest Ranch Golf Course here in Bandera on Sunday April 19, 1998 and we are proud to report the tournament was a huge success thanks to local and area businesses who sponsored the tournament and local and area golfers who participated by entering teams.

On behalf of B.A.C.I.T., Inc. I would like to express our most sincere thanks to the sponsors and participants of this year's fundraiser. The majority of our committee members are involved in this annual event and other youth-related activities, and as we critique our performance each year we notice how many local businesses and individuals continue to come forward time and again in support of many other youth-related fundraising/support associations. You are to be applauded!

B.A.C.I.T., Inc., will be printing a complete list of sponsors and volunteers who have made our 8th Annual Golf Tournament Fundraiser such a success in next week's paper. We would ask you to watch for it, but more importantly, we would encourage you to take note of those sponsors (local and area businesses, tradesmen and services providers) and we would ask you to patronize these sponsors who support our community's youth.

Thanks to all who support B.A.C.I.T.'s fundraising efforts which enables our committee to continue our work directed at athletic capital improvements for Bandera ISD student athletes.

Larry W. Upton, Vice President Tournament Director B.A.C.I.T., Inc.

Considerthefacts

As the school board election draws near, I would hope people would consider several facts.

We have a number of fine children in this community. They work hard at home, at school, in their churches, and at a number of extra curricular activities: 4-H, UIL, sports programs, etc. These are the kids you see doing community service, not because the court ordered them to, but because they care about their community.

A large part of what makes this county special is the effort of adults who know that time spent teaching and working with children in these activities, is time well spent. These children deserve the best education we can provide them. I would hope that before you vote you take the time to talk with the kids and parents who are involved and get their perspective.

As long as our schools are financed with a property tax system, we will continue to have elections that pit neighbor against neighbor. I would urge each of you to write or call your state representatives and let your voice be heard. The school district must operate under a crushing load of unfunded state mandates. Many of the problems the school board must solve are made because of the present funding system.

I would remind people to be careful what you wish for. The race track property might be valuable for commercial purposes, but at what cost? Our local businesses (that support many efforts for our children) cannot begin to compete with a large chain store. Casinos may look good on paper, but do your homework, the people who lived in those communities before the casinos, tell a much different story. It would be far better to work to change the funding system at the state level so that we can fund our schools without giving up our small town atmosphere. This is a large community but a very close knit one. We need to fight to preserve what makes us special.

Weigh your vote carefully, but above all else VOTE. Your children and your community are depending on you.

Laurie Haynes Lakehills

Not conveyed

The Bandera School Administration and Board must know something that is not being conveyed to the taxpaying citizens about yet another commitment to a school location at the race track, considering:

1. That the appeal commits an unknown and additional legal expense.
2. That the location appears to ignore the county geographical center of gravity with respect to student transportation access.
3. That the "improvements" at the race track are assets for horse racing, but liabilities for a school facility, due to non-applicability, cost of dismantling and removal.
4. That previous studies of future county school needs appear to strongly favor expansion at current locations as a next step, prior to any new location.

Even more important than the as-yet unproven merits of the track location is the administration and board not considering the will of the Bandera County voting citizenry. It was a mistake to bid the property in the first place, and it is compounding the judgment error to pursue an appeal. Even if the school were to win the appeal at whatever financial cost, it is almost certainly bound to be without the support of the majority of the people, which they must have to utilize the property purchase with a future school bond election. Future non-use of the property is setting the school up for a substantial loss, the result of a hasty real estate venture. It is no wonder that the people's support is not forthcoming.

Charm has slipped

I had occasion to be at the middle school the other day, attending the Little Olympics. From my vantage point high in the stands I was afforded a good view of the campus and was, of course, awash in nostalgia.

I graduated from Bandera High School in 1959. The whole of the high school in those days was housed in a charming old rock-work building which stood as the proud centerpiece to the entire BISD campus. That building still stands today, still suffers the triumph and trauma of early adolescent development, but its charm has slipped. And it looks tired because it was 25 years old back in 1959. But it was not the oldest

On the oil roller coaster

Capitol Comment

by U.S. Senator Kay Bailey Hutchison

In the oil business, life can seem like a never-ending roller coaster ride. At the end of 1997. The crude oil price had dropped 25.5 percent. By the middle of March, 1998 crude oil had reached a nine-year-low. But by the end of the month, the price had bounced back up by 13 percent.

Whether you're riding the roller coaster as a producer or a consumer, these fluctuations are yet another reminder of how important it is for America to preserve and promote her energy independence.

This recent round of volatility should serve as a wake-up notice. The Congressional Oil and Gas Caucus, which I co-chair, has put together a comprehensive package of legislation aimed at providing tax and regulatory relief to strengthen our domestic energy industry.

There are three primary components of this proposed energy package, dubbed the Domestic Oil and Gas Security Enhancement Plan:

• Tax relief. My Senate Bill, sponsored in the House by Congressman Mack Thornberry, would create tax credits for existing marginal wells. In addition, it would provide tax relief for inactive wells. This creates an incentive for independent producers to recover abandoned wells and put them back into production.

Texas has led the way on this with its state inactive well tax relief program pushed through by State Senator Teel Bivens, which has put more than 6,000 stripper wells back on line, created more than 10,000 jobs and boosted our economy by an estimated $1.6 billion per year.

• Regulatory relief. Another bill addresses royalty-in-kind legislation that would permit producers to give the federal government a portion of the oil and gas produced on federal lands rather than a percentage of the product's monetary value.

• Federal lands use simplification. This legislation would transfer the Bureau of Land Management's (BLM) authority over oil- and gas-related operations on federal lands to state oil and gas regulatory agencies. In another measure, the BLM and U.S. Forest Service would be required to hold competitive oil and gas lease sales within 90 days of lands being "nominated" by prospective lessees.

These measures are in every American's interest. Never again do we want to look up and find ourselves at the mercy of a capricious foreign oil supply. Energy is one of the most strategically important industries in our country.

In 1971, we in the United States imported about 35 percent of our daily oil consumption. By 1997 we were importing almost half of our total oil needs: 8.1 million barrels a day.

(A brighter spot in this otherwise gray picture is that since the 1980s less of our imported oil has been arriving from the Mideast and more and more comes to us from Latin America. Today, only 19 percent of our imported oil comes from the Persian Gulf.) But the bottom line here is, the more our energy needs can be met through domestic supply, the better.

A wise energy policy is one that encourages exploration and production on American soil. No one who lived through the 1970s wants to witness another inflationary escalation in fuel prices that can cripple our economy or the reappearance of those long lines at filling stations.

Bush asks federal judge to throw out tobacco legal fee ruling

AUSTIN—Gov. George W. Bush last week asked a federal judge to throw out his previous ruling that declared lawyers' $2.3 billion fee reasonable in the state's $15.3 billion lawsuit against the tobacco industry.

Attorney General Dan Morales hired the team of private lawyers to represent the state in the lawsuit.

Lawyers for Bush and seven Republican and Democratic state legislators who joined the governor in suing to cut back the lawyers' fees (15 percent of the settlement) said they are prepared to appeal to a higher court if U.S. District Judge David Folsom rules against them.

Austin lawyer Pete Schenkkan, who is representing Bush, said "We think the law is clearly on our side, but that doesn't mean we are going to win in front of Judge Folsom."

If an appeal of Folsom's ruling is necessary, Schenkkan said, the lawyers opposing the $2.3 billion fees would argue that the judge acted improperly when he ruled Jan. 22 to enforce the state's contract with the private lawyers, the Austin American-Statesman reported.

Court Sides With Ticketholder

A New Jersey police officer is closer to collecting the $10.4 million Texas Lottery jackpot he won in 1994.

Last week the U.S. Supreme Court ruled that Scott Wenner is entitled to a trial of his lawsuit in which he claims that the Texas lottery is trying to cheat him out of his winnings by not paying.

The court's decision clears the way for a December trial, but Wenner's lawyer said he believes Texas will settle rather than go back to court.

Wenner bought the $1 ticket from a now-defunct multistate ticket agent in Pennsylvania.

The Texas Lottery argued that the agent illegally sold the ticket, making Wenner's claim invalid. But the 5th U.S. Circuit Court of Appeals said the sale was legal and the high court upheld the ruling.

LCRA Ends Private Briefings

Though it is legal for government bodies to hold staff briefings in private, the Lower Colorado River Authority last week announced its decision to curtail them.

"We found that we have been holding too many briefings in executive sessions," LCRA General Manager Mark Rose told the American-Statesman. "These briefings can be difficult to police, and eventually we could find ourselves in trouble."

Under the Texas Open Meetings law, meetings of tax-supported entities must be held in public. The definition of what constitutes a meeting is some times blurry to officials whose responsibility it is to post public notice of the meetings and conduct them in accordance with the law.

The Austin-based LCRA manages the Colorado River and provides water and power to customers from near Abilene to Bay City.

AG Shuns Hopwood Meeting

About 25 University of Texas students demonstrated outside the state attorney general's office demanding that Attorney General Morales appeal the Hopwood case.

The students chanted that minorities were being denied access to higher education because of the case, but Morales declined to meet with them.

The week before the demonstrations, Morales said he was unconvinced Texas should launch an appeal.

Hopwood—named for lead plaintiff Cheryl Hopwood—was brought in 1992 by four white students who said they were denied admission to the UT school of law because of their race.

In 1996, the U.S. Supreme Court let stand a lower court ruling that race could no longer be a factor in awarding scholarships, financial aid and college admission.

Meanwhile, U.S. District Judge Sam Sparks denied a request by black and Hispanic American groups that they be allowed to intervene on behalf of the University of Texas in the Hopwood case.

Gov. Bush Takes Campaign West

Gov. Bush traveled to California last week to raise money for his re-election campaign, speak to movie executives and attend a fundraiser for GOP gubernatorial candidate Dan Lungren.

Garry Mauro, Bush's Democratic challenger, chided the governor for doing the same thing he criticized his predecessor Ann Richards for doing in 1994: accepting campaign money from Californians and promoting the Texas film industry.

According to finance reports, Bush has raised about $8 million for his re-election, including $1.2 million from out of state.

1998 Cowboy rodeo is bigger, better

The 1998 Cowboy Capital Rodeo is sure to keep everyone cheering for months. This year's rodeo, the 50th event will be bigger and better than ever.

Organizers are very excited about their new relationship with Lester Meier Rodeo Company and the Bud Light Tour. The Lester Meier Rodeo Company is celebrating 25 years in the rodeo business this year.

Lester, a native of Fredricksburg, produces the Central Texas Open Pro Rodeo Championships Series consisting of 16 rodeos in Central Texas.

In addition Lester also produces more than 16 youth rodeos, 19 convention rodeos and 8 bull ridings per year. Lester himself competed as a bull rider for seven years before building one of the best and certainly the fastest growing rodeo operations in Texas.

Last year's rodeo brought over 500 contestants and 9,000 spectators to Bandera. Using a rule of thumb that every dollar spent by these visitors turns over seven times, organizers say the Memorial Day Rodeo weekend has an economic impact of over $750,000. This assumes 500 contestants spend $40 each and each spectator spends only $10 each.

As with any non-profit group activity, the rodeo would not be possible if it were not for generous sponsors. The CCRA appreciates the involvement of its sponsors and the faith they have in what the association does for the community. If you haven't signed up as a sponsor and would like to, please contact the CCRA at 796-7207.

Rodeo weekend begins with the Cowboy Capital Rodeo Golf Tournament at 9 a.m. Friday at the Flying L Guest Ranch. On Friday night, the first rodeo performance starts at 8 p.m.

On Saturday, the County "Scrambled Egg" Team Roping competition takes place at 9 a.m. at Mansfield Park.

A Memorial Day Parade (at 10 a.m.) will include Rodeo Queen and Princess contestants as well as rodeo clowns.

A second rodeo performance at Mansfield Park starts at 2 p.m. Saturday night.

The rodeo dance, starring Chris Chitsey, kicks off at the Bandera County Junior Livestock Barn at 9 p.m.

Admission is only $3 for adults, and ages 12 and under are free. On Sunday, the rodeo wraps up with its last performance at Mansfield Park at 8 p.m.

As always there will be plenty of fun for the whole family, so come out and have a great time.

LCRA employees donate $1,000 to needy children

Employees of the Lower Colorado River Authority donated $1,000 to the Bandera County Helping Hand Center to provide needy children with eyeglasses, dental and medical care, and school supplies and school lunches.

The donation was made by LCRA employees working at the Dalchau Service Center in East Austin through LCRA Employees' United Charities. As members of United Charities, employees voluntarily donate 70 percent of one hour's pay monthly to United Charities, then decide how the funds should be distributed. United Charities puts an average of $200,000 into LCRA service area communities annually, supporting a variety of non-profit organizations.

"This donation is very timely because in July we will be buying school supplies for more than 80 children," said Mildred Treaster, director of the Helping Hand Center. "But right now our greatest demand is for eyeglasses for children."

The $1,000 check was presented to the center Wednesday, April 22, by LCRA employee Joe Friar and his crew, who were working on a local electric transmission line owned by the Bandera Electric Cooperative. The center is a nonprofit organization that operates on donations and assists about 1,800 Bandera County residents each year.

The LCRA is a conservation and reclamation district that generates electricity, manages the waters of the Texas Colorado River, operates parks, and assists communities in economic development. The LCRA operates on revenues from the sale of electricity and water and other services it provides. It cannot levy taxes and receives no tax money.

Kosko-Holm passes exams, receives counselor license

Barbara Kosko-Holm of Rio Hondo subdivision has successfully passed the Texas Commission on Alcohol and Substance Abuse written and oral examinations to become a Licensed Chemical Dependency Counselor. She sat for the exams during March in San Antonio and Mesquite.

She has a bachelors degree in secondary education from Misericordia College of Dallas, Penn., and a masters degree in counseling from University of The Nations, Kaliua-Kona, Hawaii.

After completing graduate school, she served as a missionary counselor with Youth with a Mission, providing education and addiction rehabilitation services in the Micronesian islands of the western Pacific and on native American reservations.

Presently on sabbatical from Youth with a Mission, Kosko-Holm plans to work with local churches to establish Christian recovery programs.

Academic Team at Regional

Congratulations on a job well done! The academic team traveled to Brenham on Thursday, April 23 for competition on Friday. All students did well in their events and we look forward to their extended success.

Mary Corwin will advance to state after winning 2nd in News Writing . Christy Jones is alternate to state in Ready Writing. The Current Events Team of Jay Jones, Ben Taylor, and Dusty Carpenter did a superb job for a young team as did the Literary Criticism Team of Shauna Blakely, Christy Jones, and Kendra Achterhof. Freshman; Kristi wise, Josh Ramsey and Sherry Cantrell all performed well in spelling, Prose and Number Sense. Sponsors for the trip were; Joan Clark, Jeanine Hawkes, Kristi Richey, Lucille Wise and Paul Goodnight.

Gifted and Talented Take Trip

The Utopia School Gifted and Talented students went on a fact finding field trip last week to the Instute of Texas Cultures. The students gained important information about world cultures and early Texans. This information will be used to complete the students' "Culture Quest" projects they have been working on this year. The students were also treated to a wonderful lunch at the Tower of Americas Restaurant. Students got to see all of San Antonio revolving before their eyes during lunch. Those on the trip were; Merry Corwin, Amy Lessing, Sherry Cantrell, Travis Sutherland, Kerry Ondrovik, Geoffrey Scotty, Candice Thoams, Whitney Boyce, Kristi McCaleb and Grant Potter. Sponsors were; Sonya Herrell and Steve Bates.

Elementary and Jr. High Academics go to District

Yes, they knew Utopia was there. The combines efforts of those students tallied 1,016.8 points to bring home the 1st place trophy for the meet. What a Way to Go!

Kindergarten registration set for this Friday

Medina Elementary will hold kindergarten registration for the 1998-99 school year on Friday, May 1 from 1:30-3 p.m. in the elementary office. Parents should bring a birth certificate, social security card, and immunization records.

All students entering kindergarten must be fully immunized for the following diseases: Diphtheria, Tetanus, Polio, Measles, Mumps, Rubella, and Hepatitis B.

Medina ISD requires that all entering kindergarten students provide evidence of having received a Tuberculosis skin test within six months of the time school starts. School begins August 10 for the 1998-99 school year.

A nurse from the Texas Department of Health will be at school the day of registration to update any immunizations, except for the Tuberculosis skin test.

Parents who cannot register on May 1 must call and make arrangements for another time to bring the documents listed above.

For more information, please call the school at 589-2731.

Satin Dolls performed at Fiesta Texas April 4

The Satin Doll Dance Team from Bandera High School performed April 4 at Fiesta Texas. They competed in March at a dance competition in New Braunfels and the top placing teams were picked for performing at the park.

They performed a prop routine to the song "Grease." The crowd gathered really enjoying the performance.

After the performance each girl received a tee-shirt from Fiesta Texas and were treated to a day at the park as special guests.

The Dolls are planning a Spring Show that will take place in May. They are looking forward to showing their moves to Bandera, and why they are an award winning team.

S.O.S. – SAME OLD STUFF – THE BIG LIE

The theory is that if you whisper a lie often enough everyone will believe you even if the truth is shouted from the mountain top. Al Hamilton has explained in detail and in print his inquiry into using the racetrack for a bingo parlor and why the concept was rejected before it ever got past the talking phase. But if you whisper, "*What's his motive in stopping the illegal purchase of the property? He must have an ulterior motive,*" people will buy into your lie.

Then, you use your cute little ads to reinforce your lie. "*Don't gamble*". Well that, at least, is the truth. A vote for the incumbents isn't a gamble. It's a sure way to get the **SAME OLD STUFF:** (1) secret meetings that are advertised on the bulletin board in the high school over the weekends when the school is closed; (2) the belief that if you spend "*unbudgeted tax dollars*" foolishly it's none of the public's business even though it is their money; (3) board members who are independent thinkers yet never cast even one "*nay*" vote when the administration says, "*Just do it and if the public doesn't like it, they can lump it!*"

The biggest lie of all---If you disagree with the illegal purchase of the racetrack you are against our children. If you **DON'T** think that the purchase of land at an outrageous price, with no plan and no budget for building on it in the near future, is wonderful, you must hate kids. How dare they! This is an insult to every loving, caring, responsible citizen in the county.

Vote May 2!

POLITICAL AD PAID FOR BY MIKE MEDINA COMMITTEE, SHERRI MORROW, TREASURER, HCO 2, BOX 8F, BANDERA, TX, 78003

APR 29 1998

Have You Heard It All?

Make Sure!

Does Your Candidate Measure Up!?

During this BISD election year much has been said regarding the current boards' alleged indifference to the taxpayer. This simply is **not true!** The present board has done nothing other than exercise their rights as responsible elected officials by purchasing a piece of property to help meet the **future** educational needs of our school district!! We are currently faced with an unprecedented growth rate and should applaud our board's decision to address present and long term goals.

☞ *Opposing candidate, Susan D'Spain, recently stated in the Express-News that..."the district didn't need to buy more land." To say we don't need to purchase cost effective land at this time is irresponsible to both the taxpayer and children of our community. We must also note that opposing candidates stated in both the Bandera Bulletin and the Bandera Review that the existing high school could be expanded for 5.5 million and with the savings (7.5 million) we can "build not one but almost two middle schools." We're not sure how these candidates came up with their figures or on what land they would build, but they need to get their facts straight! Duplicating Middle Schools with all their core facilities would cost virtually DOUBLE the 7.5 million they have projected.—*

As taxpayers, we cannot let ourselves be lulled by this kind of shortsighted rhetoric. However, it is interesting to note that these candidates opposed to the present board have now already **exchanged** their original idea of "Patch Work Building" to that of building new schools. Bub Keese, Rand Hicks, and other board members have taken a lot of undue criticism for addressing this important issue. They had the foresight to recognize the inevitability of building a new school to accommodate the present growth and even greater projected future growth of our school district.

This year's election is not just about a defunct "Race Track" but rather about the choosing of candidates that are **TRULY** for all the people...children included.

☞ **Our Candidates:** Rand Hicks & Bub Keese are lifetime residents who have the interest of the taxpayer and children at heart. Obviously, you don't have to have been born in Bandera, Texas to be concerned about the future of our children's educational opportunities but Rand & Bub have taken of their own precious spare time to ensure that our children are provided those opportunities.

Their Candidates:....?

☞ **Our Candidates:** Hicks and Keese took an unwavering stand to meet the tremendous growth of our district and its educational needs by purchasing property at **less** than its appraised cost.

Their Candidates: Are you willing to **GAMBLE** as a parent and or taxpayer on the **CHANGING PERSONAL AGENDA** of Al Hamilton and his followers**?**

☞ **Our Candidates:** Visibly support and regularly attend UIL Activities, athletic contests, band concerts, FFA/4-H functions, and other activities so important to the total educational growth of our BISD students.

Their Candidates: Seldom seen**?**

☞ **Our Candidates:** Hicks & Keese have provided outstanding leadership and direction for a school district with qualified administrators and teachers that now boast of three recognized and one mentor campus. Under this administration, we have become a **MODEL** school for other districts. What a great accomplishment!

Their Candidates: Stated that they wanted wage increases for the teachers, but only with increased teacher accountability..as if there presently isn't any. Didn't we mention that we were a model school**?**

☞ **Our Candidates:** Have no personal or hidden agendas...only the advancement of education for the students of BISD .

Their Candidates: **?**

☞ **The choice is clear. Candidates with commitment and involvement in many community activities or those who have only one interest.....control of the school system.**

Ranch hosts its 1st wedding

On Thursday, April 9 Jeannette and Volker Klug of Germany exchanged vows before Judge Mike Smith of Bandera, the first wedding performed at the Yellow Rose Ranch. The couple and six of their friends had come over from the southern part of Germany to the ranch in Tarpley, to spend four days horseback riding and exploring the Hill Country, and then to have a western style wedding.

After the ceremonies, everybody celebrated with champagne and snacks, following by a mouth-watering barbecue with all the nice trimmings and then gathered around a campfire to sing-along with guitar and cowboy songs under a star-spangled sky.

Cecil Atkission Ford receives Ford Motor's highest award

Cecil Atkission Ford has received Ford Motor Company's "1997 North American Customer Excellence Award."

According to a Ford spokesman, "This is the single highest honor Ford Motor Company can bestow on a Ford or Lincoln Mercury dealer."

Cecil Atkission Ford general manager Clarence McNiel reported that they were just notified of the reward last week.

"Ford says it's based on achievement in customer satisfaction and owner loyalty," Atkission said. "We appreciate the recognition from Ford, but more than that, we appreciate our employees who have extended this level of service to South Texas Ford customers. And without a doubt, we have the best customers in the world."

A part of Ford Quality care program, the recognition results from surveys of Cecil Atkission Ford customers based on purchase and service of Ford products through the dealership.

Anderson attends TLRT Roundup seminar

Dan Anderson, a Bandera life insurance professional, recently attended the Texas Leaders Round Table Roundup, an advanced sales and marketing seminar, held in Kerrville.

Sponsored by the Texas Leaders Round Table (TLRT), an honor organization affiliated with the Texas Association of Life Underwriters, TLRT Roundup is designed to draw top professionals in the industry throughout the state. The two-day seminar is an intensive, working session featuring presentations by some of the leading insurance and financial services experts in the country.

Dan Anderson is an owner in the firm of Lincoln Financial Advisors with offices in El Paso, Midland, Lubbock and Bandera. Other industry achievements include: The National Quality Award, Million Dollar Round Table, and he is also a board member for the San Antonio Association of Life Underwriters.

Texas Leaders Round Table recognizes outstanding personal achievement within the industry, as members must qualify for membership each year by meeting strict production and professional standards.

Representing about seven percent of the career life underwriters in Texas, Texas Leaders Round Table members exemplify the highest standards of character, ethics and service to the insurance consumer market.

This article was originally run in Progressive Farmer, April, 1997. We thank them for their permission to reprint.

My home, Tunica County, Miss., isn't what it used to be. This quiet, farm-based community has been turned upside down by a new arrival — the Gambling industry...

...Many people thought the coming of the casinos would be the opportunity of a lifetime for our county. Some, thought they'd get rich by opening businesses that catered to the visitors who were sure to flock in.

But the casinos are outside of town by the levee, and the road leading to them bypasses Tunica's central Business area. Already the dreams of any local business people have been replaced by FOR SALE signs in windows. The old town is drying up. Soon the local restaurants will close, and the only alternative for dining will be the buffets and restaurants at the casinos.

Folks were under the illusion that casino money would trickle down to every person in the county and improve everyone's lives.

The reality is that only a few people benefitted, and most of them had never set foot in Tunica County before the casinos were built...

...And the casino profits? They aren't invested in the local economy. They are sent back to corporate headquarters in places like Las Vegas and New York.

We are led to believe that everybody wins at the casinos. You can eat a fancy meal on the cheap, take a chance on winning big, and then head back home having had a great time.

Wrong! The casinos use their persuasive power to bring you back for more so they can take you for all you have – Why else all the free gimmicks? Why else would they allow people to cash their paychecks at the casinos...

...And a few thousand folks—many of them former farm workers—are being paid minimum wage for jobs in casinos. But to get and hold these jobs they put their children in casino-run daycare centers where the kids learn to blow their allowances on arcade machines conveniently housed in the day-care facilities. I fear a false illusion of prosperity will soon be replaced by an economic disaster for our county. I hope my generation will fight for traditional values and against that which will destroy us. These levees were a better place when my father herded cattle on them.

Other rural communities beware. Life won't be the same once the casinos come.

Lucy Phillips

Lucy Phillips, 17, is an 11th grade honor student at the Tunica Institute of Learning. She is the daughter of Jim and Xylda Phillips

As school district approval is needed for a casino. We support the candidates we feel will stand up for the honor and integrity of not only our schools but our community as well.

We support

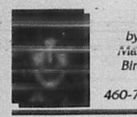
Ladies auxiliary is collecting donations for May Festival

Wharton's Dock & Lake Medina Shores



by Mary Bird
460-7523

Refreshing April showers of early Monday morning give us hope of more beauty to come as April kindly steps aside and along comes pretty little May"...(Rogers and Hammerstein). The blues have dropped their bonnets and gone to bed for another year making way for the happy little faces of the yellow daisies in our living landscape along Wharton's Dock Road. Mother Nature's paint palette never ceases to amaze me!

It sounded like a bee hive at the Fire House Saturday morning as the ladies were hard at it buzzing through all the donations they are collecting for the flea market and auction. They will be there for the next three Saturdays between 9 a.m. and noon collecting donations for the May Festival be held May 23rd.

Dick "Fireball" Hinebaugh has sure been busy around the Lakeshore Fire House since his retirement. He has been doing all kinds of repairs. He installed a new outside light, built a bench for the firefighters and he got the above-ground 10,000 gallon water tank ready to paint, etc. Dick is also heading up the building committee that is planning a new office/training facility. Good job, Dick!

A special thanks to B.T. and Bea Chavarria who donated the new light and to Stan Hicks for installing it at the Fire House.

Earl Norwood had a Bar-B-Que at Wharton's Dock on Saturday afternoon to celebrate Spring and good friends. He told me he just wanted to say Thanks to everyone in our community in the years he has lived here. He supplied all the meat which Warren Hopkins helped prepare, while party goers brought covered dishes. A swimsuit competition was held just for the fun of it. Linda Themeis took 1st, Christine-2nd, and Holly Rhodes 3rd. There was a catch and for showing friendship and hospitality release fishing contest for kids. Myron Tyrone won 1st, Jimmy Rhodes -2nd and David -3rd. Earl apologizes that he didn't get everybody's last name.

Linda Fox and Alfredo Gomez celebrate birthdays in May. They are planning a big party at the Dock to be held May 16th and everybody is welcome to come. Covered dishes will be welcomed.

Dennie and Alison Gunter and their sons Brad and Cody hosted a celebration barbecue and party in honor of his parents' 40th wedding anniversary. They are Jack and Maxine Gunter. Among guests attending were their daughter and her family, Bruce and Deb Switalski and sons Blake and Brett of Lascassas, Tennessee. Other relatives were there as well from Houston, Austin, San Antonio, Corpus Christi, and Padre Island. Jack's mother, Gunter celebrated her 84th birthday on the same day, April 11. Joe Gunter gave an outdoor concert in honor of both occasions. A traditional Easter egg hunt was held on Easter Sunday.

The Walker Memorial Baptist Chapel honored Rev. Kenneth Brown with a luncheon Sunday on the occasion of his retirement. Pastor Brown has served Baptist churches for the past fifty years. He has been pastor of Walker Memorial for the last six years. Sixty friends and family members enjoyed a lovely meal catered by Billy Gener of Bandera. A commemorative plaque was presented to Pastor Brown in honor of the occasion. The tables were beautifully decorated by the church's Hospitality Committee. Chairperson Marjorie Birch, Aliene Haynes, Marian Trout, Joyce Manno and Marietta Overholser make up the committee. Thank you ladies, you did a wonderful job.

The Good Neighbor Award goes to Ray Wharton for having the high grass and weeds along the slough on Beach Shore Drive mowed. The view is much nicer and the treat of snakes and varmints is much improved. Hats off to you, sir.

Tip for the week: Your hummingbird feeders should be cleaned and changed every few days. If syrup has been left too long, it turns to acid causing birds to fall ill and often die. You can test it by tasting it. If it isn't bitter, it is fine.

YOU ARE THE JUDGE!

We have presented our platform, ideas, and possible solutions. Our opponents have continued to embrace the purchase of the race track without any plan to develop it -- even after you turned them down 81% to 19% and even after the Court said the purchase was illegal.

Our opponents and some of their followers have:
1. Attempted to intimidate and threaten merchants, teachers, and others (See Sec. 276.001, Texas Election Code).
2. Threatened various people in insidious ways.
3. Stolen and destroyed our signs.
4. Failed to comply with the law with respect to their signs (See Sec. 255.007, Texas Election Code).
5. Sought, through the school system, to involve the school children in this election process by endorsing the ideas of our opponents.

ARE THESE THE MORAL AND FAMILY VALUES THAT YOU WANT TO PORTRAY TO YOUR CHILDREN? WE THINK NOT, BUT IT IS YOUR CHOICE AND YOURS ALONE!

Pie operation now in full swing

Medina Bits & Pieces

by Cherry Keese Jones
589-7223

What great weather was bestowed upon us for the town sale this past Saturday and what a good turnout for it.

A big "Thank You" goes out to the Medina Development Co. for all the advertising they did for it at no costs to the vendors.

Everyone seemed to enjoy themselves selling their wares on the street. I kept looking for someone selling breakfast tacos and such but never located any. Great opportunity missed.

Food

Speaking of food, Tootie Faegan and her sister Jackie Ross now have their pie operation in full swing out on Stringtown Road past the school and up the hill on the left. Their specialty is apple pie but will make any kind on request. They will also cook other food items in case you are having company and need a dish prepared. Call 589-2994 9 a.m. to 5 p.m., Tuesday through Saturday.

EMS-EMT

Appreciation week is May 17-23 for all EMTs so there will be a Barbecue to honor all our EMTs at noon on Sunday May 17 at the Festival Grounds. Mark it on your calendars.

Apple Festival

You can sign up now to volunteer on that big day by calling the Apple Office at 589-7224. The volunteer tee-shirts are now in and are really cute. We're still looking for more designs for the apple festival design competition.

Bluegrass

Say, the plans have just been finalized to have an Antique Tractor and Gas Engine show at the upcoming Bluegrass Festival in October as well as an antique tractor parade on that day consisting of 50 to 150 tractors.

Visitors/travel

Teena Hill just returned from Houston from visiting her son, Doug Hill, who recently had heart surgery. Also visiting Teena is her sister-in-law, Faye Sitchler of Houston. Teena's granddaughter, Stacy, and family have recently returned from Slovia to live in San Antonio. Needless to say, Grandma is pleased about it.

School

Our UIL One Act Play drama team did not advance but they did beat Rock Springs when they went to Brenham for Regional competition this past weekend.

My husband and I attended their last performance here and it was fantastic. The cast does at Point Theater in Kerrville. The costumes were outstanding — all were made by the students with gorgeous fabric donated by a very nice Mr. Johnson.

For those that did not get to see it you really missed out on a great performance and entertainment. The students would love to perform for a full house of applause and not just their parents and friends, so do try to support this talented and hard-working bunch of young people next time they perform here.

Recently there have been two county road signs stolen from the Chancy Ranch on Coalkin Road. The name on the signs were "Rancho Loco" and they want them returned. The County pays $100 and the Chancy family is adding $25 for the reward. So if you know who did this, do the right thing and report them. I understand they have a Rottweiler in the bushes waiting for the next time.

Medina Lake VFD hosts another successful BBQ

On Saturday, April 25 the folks of Medina Lake Volunteer Fire Department, firefighters and auxiliary put on another successful fundraiser.

The cooks put on 1,510 lbs. of brisket Friday night and Saturday it was served with over 840 plates being sold in addition to many pounds of chopped, whole, and sliced brisket.

The whole department wishes to thank all of the community for coming and making this event a success. Many folks also brought in their $24 voluntary fee.

This event allowed the VFD to display the large lineup of equipment made possible by all the donations.

A demonstration was put on by Fire Chief Jim Sharp and a few fighters, showing the special bunker gear used to protect the firefighters while fighting various types of fires.

At the same time, Chief Sharp explained the cost of this personal protection clothing and the fact that each firefighter must purchase his own gear due to insufficient funds in the VFD.

There are also hidden costs of vehicle and building maintenance and that ever-present cost of insurance.

"All these costs necessitate our asking for the voluntary fees and having the barbecues to raise funds to cover all these expenses.

The VFD wishes to thank also all the folks who worked so hard in all the different areas to make this barbecue a success. They all will be looking to see you at the Fall barbecue on Labor Day weekend.

Congratulations on your new home!

building on the campus then or now. The oldest building, which graces the Bandera Middle School campus today, is an historic relic built in 1914 and still providing classrooms for what will soon be 21st Century children. If I'm not mistaken, the kick-off for World War I occurred during that same year.

These are the buildings which a trio of school board wannabes would patch up for yet another season. Bandera is now the fastest growing county in the state of Texas, so think hard on May 2nd. Be not deceived by glib promises of something for nothing. And whatever you do — come out and vote

Murry Walker

To the lady who shot my dog:

I know it was our fault our dogs were on your property. But, did you ever stop to think that was someone's pet? I know that she was chasing your goats, but that is what Border Collie's do. They are not trained to kill animals, only herd them.

This dog you shot would have stopped on any command given by you, like "stop," "down," or "no." It was very obvious that she had a collar around her neck, and that she wasn't a rabid animal. How many packs of wild border collies and daschunds do you see running around?

I know the laws in Bandera County, and I know you had every right to shoot both of my dogs. I just can't believe you would shoot first and ask questions later. I would have gladly bought you double the goats you have for my two dogs. Most people would call animal control and make the county a little money.

I just hope next time you will think about what you are doing before you kill someone's best friend. Luckily, you only injured the daschund. He will live, and hopefully, God willing, he will never escape and enter your property again.

Drama unfold

Regarding the BISD-Racetrack-Election controversy, I offer some comments that are entirely my own as the spouse of a board member. As our community watches this drama unfold, we should consider the board members and why they serve this community.

There is a poignant description in [illegible] to kill a mockingbird" people who do society's unpleasant but necessary jobs. There is obviously no money for the board members; the responsibility and decision-making agony is taken personally by all. This is not a group that seeks political power.

The level of stress with the current situation takes a toll on the members and their families alike. These people were elected to do a difficult job that the public needs doing. It is thankless and full of grief.

The rewards lie in seeing improvements in the education provided to our children. We have two school age children. Before the decent electorate exercises their constitutional right to "voter apathy," I hope we all look at the issues and try to imagine ourselves in the shoes of people we elected to the school board.

All of this talk about arrogance by the board to the "majority of voters" expressed wishes in the bond election is utter nonsense. Remember the percentage of eligible voters who turned out was a fraction of the total. We should not sit back and let these naysayers ruin a fragile but vital part of all our lives, our kids' education.

Flowing fast

To the school board I will say "what on earth were you thinking?" Does the race track have oil hidden there? Gold nuggets? Taxpayers' money is flowing fast down the drain in this matter.

Marti Holloway
Bandera

More frustrated

Having watched the race track dilemma unfold I find myself more and more frustrated. The existing middle school is in my opinion completely inadequate as a school. The volume of kids round in the cafeteria as well as in the dressing rooms at given times of the day is excessive and unsafe.

Yes we can build two new middle schools as suggested by one group of candidates but this will most certainly cost more in terms of additional staff as well as construction costs. The concept of building a new high school then move the middle school kids to the old high school site seems to be the most logical and least expensive option available.

We need to also consider that the buses parked at the middle school represent about 25 percent of what we actually have. The others must be kept at people's homes because we do not have the parking space to accommodate them at the [illegible] are out of space and running out of time rapidly.

If you would please, open your hands and place a picture of one of your most cherished loved one in the right hand and a dollar bill in the left. As you look at the picture of your loved one think of all the sacrifice people have made over the years to make them what they are today. This includes parents, teachers, grandparents, and you the taxpayer. Now look at the dollar bill in the other hand. You tell me, what is more important.

Most of us at one time were totally dependent on the taxpayer to support our educational process and this has not changed. The racetrack will provide room for growth for many years to come, and in doing so have a lasting positive impact on our children. We do not need someone to reopen it as another racetrack or any other type of gambling operation.

I believe that our school board has done the right thing and regret that we must spend more money to keep a selfish few from destroying this opportunity.

WHY HAS AL HAMILTON OPPOSED THE SCHOOL'S PURCHASE OF THE RACE TRACK?

LET'S COUNT THE REASONS:

1. The school now owns adequate land necessary for expansion (with the only exception being land needed in the Pipe Creek/Lakehills area).
2. The price was inflated at the beginning to $3 Million and later set at $1.5 Million. Yet, the owner was testifying at about the same time that the property was worth about $400,000 or less.
3. The location of the property is particularly bad. It fronts on Highway 16 which, in itself is a race track, with cars often driving as much as 80 mph. Can you imagine high school kids driving in and out all day long? It would be a major accident waiting to happen.
4. The size of the property (132 acres) certainly mitigated against it for two reasons: First, the southeastern part of the county (Pipe Creek and LakeHills) could kiss good-bye any other school in their area for many years. All new schools would be built on this huge campus, and the various ages of students would be mixed!
   Second, with 132 acres, the school would find itself in the land development business, even to subdividing lots. Taxpayers' money would be used to compete with private enterprise!

I HAVE NEVER DESIRED TO PURCHASE THE RACE TRACK. I DO WANT TO SEE IT PURCHASED BY SOME PRIVATE CONCERN IN ORDER TO GET IT BACK ON OUR TAX ROLLS.

MAYBE, THEN, WE CAN CLOSE RANKS AND SEEK A WELL DEVELOPED SOLUTION TO OUR SCHOOLS' FACILITIES PROBLEMS!

Bulldogs in State chase

Bandera boys golf 4th after opening round; Dubose shoots two-under 70

KINGSVILLE – The Bandera High School Bulldog boys golf team was in the thick of the battle for a State tournament berth after the opening round of the Class 4A Region IV Tournament on Monday (April 27) at the L.E. Rainey Course.

The Bulldogs fired an opening-round total of 320 and stood in fourth place – only 13 shots out of first place – going into to Tuesday's final 18 holes.

Austin Lake Travis was leading the two-day, 36-hole event at 307 after the first 18. Edna was second at 317 with Sinton third at 319.

Then came Bandera at 320, Burnet at 321 and Cuero 324.

The top two teams will advance to the May May 11-12 University Interscholastic League (UIL) Class 3A State Golf Tournament.

"It's shaping up to be quite a finish," Bandera Golf Coach Loren Greenshield said from his Kingsville hotel room late Monday night. "The boys are hitting the ball well."

In the boys individual medalist race, Bandera senior Thad Dubose shot a two-under-par 70 to lead by three strokes (see Leaderboard at right).

Rain interrupted the girls opening round on Monday with Bandera scores not available.

Harris, who recorded a school-record-time of 12.38 seconds in winning the district 100 meters, will compete in the 100 and 200 meters at the Class 3A Region IV Meet scheduled Friday and Saturday (May 1-2) in Kingsville. For a Region Meet preview, please see page 2B. Watch for full Region Meet coverage in next week's Bulletin Sports Weekly.

Bulldog baseball fighting to stay alive in district

The Bandera High School baseball team was scheduled to meet first-place Medina Valley late Tuesday night (after press time) in a near must-win game for Bulldogs to keep their District 26-3A playoff hopes alive.

The Dogs entered this week's action with a 3-5 league mark and trailed second place teams Devine and Ingram Tom Moore by two games with four to go.

Bandera hosts La Vernia on Friday (May 1) at 7 p.m. in a non-district game and returns to district action May 5 at home against Devine at 7.

Bandera's Clifton Tierney (above right) will be challenged by Devine's George Barco (left in background) in the 3,200 and 1,600 meters at Regionals.

Bandera High School track and field team members are scheduled to compete at Friday and Saturday's (May 1-2) Class 3A Region IV Meet in Kingsville.

The Region Meet begins on Friday with boys and girls field event preliminaries at 2:30 p.m. and running prelims at 3 p.m.

The 3,200-meter girls and boys finals will be held Friday at 5 p.m.

Bandera sophomore Clifton Tierney (pictured at left) will compete in Friday's 3,200 meter final. He's expected to be pushed by Devine's George Barco.

Competing in Friday's field event prelims will be Bandera's Katie Jennings in the long jump, Kristal Upchurch in the high jump and Shandra Zickler in the triple jump.

In Friday's running prelims, the Bulldog 400-meter relay team of Cliff Despres, David Cantu, Tye Stone and Jimmy Stimmell will run, as well as Justin Knight in the 800 meters, Stone in the 400 meters and Tierney in the 1,600 meters.

Sarah Harris will represent the Lady Bulldogs in Friday's running prelims in the 100 and 200 meters.

Saturday's Class 3A Region IV Track Meet schedule in Kingsville includes field event finals at 9:30 a.m. and running event finals at 1 p.m.

Bandera JV baseball wins M.V. Tourney

The Bandera junior varsity baseball team took first place at the [illegible] Tournament in Castroville.

Bandera stopped the Medina Valley JV 11-7, the Hondo JV 13-1 and the Devine JV 12-11 during the two-day event.

Recording pitching wins for the Bulldog JV were Brad Dickey against Medina Valley (allowed five hits and had three strike outs); Brent Morris against Hondo (six hits and five strikeouts); and Justin Schindler against Devine (three strike outs in relief of starter Shawn Stevens).

Leading Bandera hitters were Kenny Mazurek (six out of seven with four RBI); Brent Flack (five of nine with six runs scored); Neal Ervin (four of eight with four RBI); and Andy Blount (five of 11 with seven RBI including hitting for the cycle against Hondo).

Medina's Harbour tops field

Moe Harbour of Medina captured top honors at the Good Old Boys weekly Stableford Tournament at Bandera's Flying L. Golf Course on April 20.

Harbour straightened out his game to record a round 11 points better than his handicap to claim top prize money.

Other top finishers included Peter Jackson with seven points and Stanley Greyson, Jim Martin, Charlie Wilson and Don Peine with five.

The Good Old Boys play every Monday beginning at 9 a.m. at Flying L. New players are welcome and should be at the course by 8 a.m. to sing up.

In another recent weekly Stableford event, Jack Tarr and Fred Wilson tied for top honors with six point apiece.

Tied for second were Robert Bradley, Dale Daugherty, Joe Davis, Jerry Edwards, Marvin Hadash, Ken Hughes, Bob Ingram and Richard Leeder.

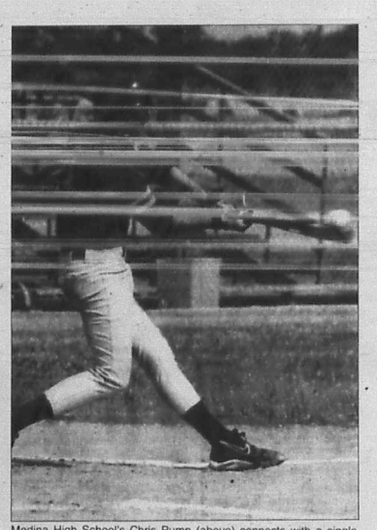
McCollough leads team to golf win in Over 50 play

Led by Bill McCollough, the team of Ramiro Jaime, Rodger Taylor and Art Haner took top honors at the April 22 Over 50 Golf Association weekly scramble tournament held at Castroville's Alsatian Course.

The winning team shot an 11-under-par 61.

Placing second with a scorecard playoff at 62 were Larry Upton, Pat Andrews, Bert Bednarz and Warren Healer. They edged the foursome of Don Peine, Phil Rodriguez, Hank Tripp and Larry Cromer.

Jim Terry, John McCasland, L.D. Chandler and Clint Briggs were fourth at 63 beating Melvin White, Rita Kroll, Peter Jackson and Tom Nate on a scorecard playoff. Aubrey Freeman, Wiley D"Spain, Floyd McOsker and T.L Proctor beat out Bill Andrews, Francis Moos, Bill Kelley and Jack Finger for sixth.



Medina High School's Chris Pump (above) connects with a single during a recent Bobcat baseball victory. Medina played Asherton late Tuesday and is at Sunnybrook Christian in San Antonio on Tuesday (May 5) in non-district action.

Medina baseball tied for 3rd place in 31-A standings

The Medina High School Bobcat baseball team entered this week's action tied for third place in the District 31-A standings with Sabinal at 4-3. The Bobcats, 5-6 overall, fell to first-place D'Hanis 7-0 at home in district action on April 21.

Medina's next home game is May 8 against 31-A rival La Pryor beginning at 4:15 p.m. Medina is at SunnyBrook Tuesday (May 5) at 4:15 p.m.

Dr. Udell to hold grant writing workshop

The Melodiers report that they're taking their show on the road the next couple of [illegible] Tuesday, May 5th, that will be performing a Melody of Springs Songs at the Clark House here in Bandera and on **Tuesday, May 12, they will sing songs from Rogers and Hammerstein at the** Edgewater Care Center in Kerrville. We always miss them when there are not here at the Corral. Their songs really liven up the place.

Members of our Board of Directors will be back in the kitchen preparing breakfast for our Pancake and Taco Breakfast on Friday, May 1, from 7 to 9 a.m. This is one of the many things we do to raise funds for the Center, so change your routine just a little and come join us. Just $2.50 for a full breakfast, including orange juice and coffee.

As I sit here writing this column, the Bandera High School Class of 1948 is over in the dining area putting the final touches on their reunion tomorrow, Saturday, April 25. It's really heartwarming to see old friends make the effort to get together after so many years. With the fun they're having, you'd think they graduated last year. Marlene Hunt Pape and Ethel Fitzgerald were the main organizers for the event, but John Hayes and several others have helped as well. We hope they'll be around to celebrate their 75th reunion with us.

On Wednesday evening last week, Kay Welch coordinated a meeting with guest speaker, Dr. Don Udell, here at the Corral. Dr. Udell teaches the grant writing classes sponsored by our local R C & D. At Wednesday night's meeting, Dr. Udell spoke to several key county and city leaders giving a brief description of how to go about setting up a Community Foundation.

As Dr. Udell explained, the federal government is funding fewer and fewer community-related projects, and it is going to be necessary for all communities to find private funding for these projects. Creating a Community Foundation is a very exciting and tangible concept. Just think, a local foundation that all our special interest groups could go to for funding! Dr. Udell will be having a workshop, Grant Writing IV, which will not only cover details concerning community foundations, but will also have present people from small Texas communities who have created successful community foundations. This workshop will be held on October 19, 20 and 21. Stay tuned for further details.

We are still in need of volunteers in the gift shop, front desk and kitchen. All our volunteer positions cover just one-half day a week. Give us a call at 796-4969 for details.

As you read this column, I'm off at the Texas Joint Conference on Aging in Waco. It's too late (for me) to learn how to age gracefully, but hopefully I'll learn something that will keep all the little dogies here at the Corral happy.

See you in the funny papers.

Lara selected to attend national Girl Scout event

Deana Lara of Lakehills is one of 75 Girl Scouts from around the country selected to participate in "Women: Then, Now and All Ways," a Girl Scout national wider opportunity. She will be in Seneca Falls, NY, July 9-20 as the birthplace of women's rights celebrates the 150th anniversary of the first women's rights convention held there.

While in New York, Deana, 16, will be a host at the Women's Rights National Historical Park during "Celebrate '98," the official four-day celebration. She will also tour historic women's homes and museums, visit local colleges, talk to women about their careers, participate in local community service projects, and attend workshops on career planning, self esteem, sports and fitness.

Women: Then, Now and All Ways is sponsored by the Seven Lakes Girl Scout Council headquarters in Phelps, New York.

Girl Scouting's sole focus is to meet the unique needs of girls from diverse racial, ethnic, and socioeconomic backgrounds. For more information on Girl Scouting programs in Bandera County call Laura S. Lara at 612-3457.

Tarpley & Rio Hondo News

by Nettie Dean

Hi folks! Here's your weekly weather report which isn't that good since as most of you know its so very dry and ground is cracking in my area. Our mornings real chilly-some say in the 40s. Afternoons plenty warm, drying winds, some days blowing strong from the West but as of this Friday, April 24, a cool high wind this morning from the south. I'm not John Willing, weather forecaster, but the promises of rain each week don't excite any of us. Creeks still flowing fairly good.

The Rio Hondo Study Group enjoyed a delightful social outing to the Gruene Village in New Braunfels April 16. They enjoyed lunch at the Gristmill River Restaurant, shopping along the beautiful streets and afternoon tea at the River House Tea Room. Members attending were Shirley Hood, Dorothy Cutler, Lorie McDonald, Dolly Smothers, Betty Edwards, Marilee Frazer, Eunice Meyer, Sarah Ford and Priscilla Montgomery.

Tarpley Baptist Church visitors last Sunday were Rev. and Mrs. Vernon Andrews of San Antonio, Wes Vanfleet of Pipe Creek and Wayne and Debbie Brasington of San Antonio. The Brasingtons were at their home near Tarpley for the weekend.

Vernon and Myrtle Andrews have recently sold their home near Natalia and moved to an apartment in San Antonio.

Mrs. Earl Hood's daughter Gladys A. Hood from Baytown came this week to take her mother back to Baytown for a visit and to attend the birthday party of her one-year-old great-granddaughter Hannah Marie.

Thomas Schmidt of Burleson is spending a few days with his aunt, Olga Schmidt.

Mary Hietalahti was in Kerrville Thursday for her medical checkup and tests.

Eunice Meyers and Sarah Ford were Kerrville shoppers Thursday.

Elzie and I drove to Pearsall to the Preston potato shed recently. Was sorry the Frio County potatoes were not in and we got Valley potatoes but now they have plenty of the Frio County potatoes on hand.

Happy 27th Anniversary to Jack and Judy Tripp, and Happy Belated Birthday to William I. "Bill" Walker.

One Scientist to another "I'm beginning to agree with the theory that space is curved-either that or my car is pulling to the left." — Hoest & Reiner.

Elections come and elections go, many times with little impact.
However, I strongly caution our voting public not to view the upcoming school board election with apathy. I recall an election not long ago when an idol named H. Ross Perot declared himself the champion of the conservative silent majority.
Remember the merry ride of disappointment he took so many of us on?
Is it possible that Al Hamilton may also be leading us down that primrose path once again?

I strongly urge all voters to cast their B.I.S.D Place 5 vote for Tom Morgan.
A man without a preconceived personal agenda;
a man with an unsurpassed degree of morality and character.

Ponty Bone, of Ponty Bone and the Squeezetones, is show here performing at the first Silver Dollar Downs Crawfish Race and Festival. He returns Saturday to perform at the 10th anniversary of the fundraising event.

Crawfish Race celebrates 10th anniversary May 2

This Saturday, Dusty Britches and the Mystic Knighters of the Texas Hill Country will present the 10th Annual Silver Dollar Downs Crawfish Race and Festival.

The event has grown into a street dance, beginning at 2 p.m. May 2 on 11th Street in downtown Bandera, and organizers say the entertainment will continue all afternoon.

Featured performers at this year's event include Ponty Bone and the Squeezetones, Larry Nolan with Dusty Britches and the Rhythm Ranch Hands, Crooks and Dumb, and Fritz Morquecho.

The day, which promises fun and games for the whole family, benefits Bandera's non-profit "Gifts of Love" family assistance program. Admission to the event is $5, and crawfish will be available for $5. Alternate foods will also be available.

Booth space is available by reservation; call (830) 460-8198 for more information.

Cowboy Church to host Sacula

Johnny Sacula will once again appear at Cowboy Church — Bandera on May 4. Johnny left the bright lights of country music in Nashville, where he had a promising career and television offers years ago, when he began to serve Jesus. Now he ministers and sings Christian country music. He remains humble and very thankful to God for changing his life and giving him real purpose. Johnny and his wife Polly stay busy in the Lord's work at Cowboy churches rodeos, prisons and other places. They always leave their audience challenged, refreshed, renewed and encouraged. Cowboy Church Bandera meets every Monday at 7 p.m. at 1108 Main Street. Everyone welcome — you don't have to be a cowboy to come.

Sixth graders attend BSWCD workshop

The Bandera Soil and Water Conservation District held its 15th Annual sixth grade Agriculture and Natural Resource Workshop on Friday April 24. All sixth grade classes in Bandera County attended.

The day began with an orientation at 9 a.m. at Mansfield Park in Bandera. Students broke into 6 or 8 groups so that they could stop at scheduled points of interest. The different stations included demonstrations of Sheep Sheering, The Importance of Soils, Erosion and Range Management, Rainfall Simulation, Wildflower Habitat Management, Beef Cattle Industry and Water Conservation.

A barbecue lunch was provided for all those in attendance. The entertainment before lunch was a trick roper. After lunch, everyone gathered in the Rec Center to hear stories and tales of the various wildlife species in Texas. The day ended at 2:15 p.m. and all the students returned to their schools.

Lock-in set for Friday

The youth of Bandera County are invited to a Youth Lock-In from Friday, May 1 at 5:30 p.m. until Saturday, May 2 at 9 a.m., at the New Vision Church located directly opposite Bandera High School. Everyone will be kept busy with lots of games, fellowship, music, basketball, darts, table tennis, air hockey, pool, Karaoke... the list goes on and on!

A special feature will be a Bible quiz on the book of Matthew. Grand prize will be a 21-speed mountain bike.

Of course, a delicious dinner and breakfast will also be provided. Youth should bring their sleeping bags, a friend, and a Bible (if you have one). The event is free but permission slips are required of everyone who plans to attend the event. For more information, call Pastor Roy (460-3492). Any adults who'd like to chaperone may call those numbers, too.

Airborne

Hill Country Elementary students were gearing up for a big gust of wind during a recent afternoon studying aerodynamics, the properties of wind, and of course, your basic running around a big open field at full blast, trying to get a kite to lift off.

They had a berry, berry good time

Zachary Hawkins and Katie Markel represented Medina at the 1998 Poteet Strawberry Festival Parade. They portrayed Mr. Johnny Appleseed and Mrs. Apple Dumpling. Zachary is the son of Lisa Hawkins of Bandera and Katie is the daughter of Christine Markel of Medina.

Visitors to barbecue learn just where all the VFD money goes

Hi y'all! We are sure enjoying the cool breezes and reduced [illegible] Volunteer Fire Dept. Spring Barbecue is a thing of the past. We always need a couple of days to unwind after a long build up for a barbecue.

We want to say a big "well done" to all the folks who helped make this another successful barbecue. We cooked 1,510 lbs. of brisket and sold 840 or so plates and all had a fine (if tiring) time. Everyone pitched and took care of any chore that arose. This working together shows just how great our community really is.

This barbecue also gave us the chance to show some folks who had the question of "where do our donations go?" where they did go. With the impressive line of trucks and the boat along with our compressed air cart out on the edge of the drive and our fire house, it gave a good example of where the donations went. Again we all say thanks to all those who came and donated and to all who helped with the event in any way!

We got to see lots of folks and to pick up news of all kinds. Guy and Marie Pickett were able to show off seven-week-old Tara Elise, their 14th grandchild. Tara is the daughter of Sue and Brian Baxter and the sister of Kelsey and Kaitlin, two good looking young ladies. We enjoyed visiting with Sue and the girls as Guy and Marie showed off the girls.

We were talking with Liz White about the Legion handing out poppies on the corner of Park Road 37 and FM 1283 on Memorial Day. She mentioned that there are several organizations [illegible] and no one knows who wants to use the corner when. We asked her if she would act as the unofficial coordinator for the corners and [illegible] organization wants to have a weekend at the corner, they should contact Liz at 510-4246. By giving some of your loose change at the corner, you do a lot of good for lots of good causes!

Joyce Painter also dropped a note with us reminding us of the upcoming St. Victor's May Flea Market. It is going to be on May 9 from 9 a.m. until 4 p.m. For information or tables call Jackie Mixon at 612-2628. They will have breakfast tacos and desserts and drinks on the grounds.

The St. Victor's Festival is coming up on June 7. So put this on your calendar too. Also St. Victors is now having a Sunday Mass at 6 p.m. in addition to their Saturday evening Mass. Isn't it nice seeing the churches growing enough to have to have extra services.

Well, Kay says she wants to go fishing so we better go get the boat ready. She doesn't take that many days off, so we have to humor her a little. We will be looking for you over the back fence.

Those who do the following are morally and ethically bankrupt:

- Tear your opponents campaign signs down.
- Pass out campaign literature on campus and in school buildings.
- Insist a teacher be reprimanded when the spouse speaks out.
- Who refuse to take appropriate action when an employee is caught doing something wrong.
- Who openly defy the mandate of the voters.
- Who punish a student because a parent speaks out.
- Who pass out political campaign literature to students to take home to their parents.
- Who openly disrupt meetings of candidates they are opposed to.

HEY! WHAT PART OF NO DON'T YOU UNDERSTAND?
ABC TELLS IT LIKE IT IS

Look what we found! Whee! Whoopee! Golly Gee! 2.9 million dollars. Is this how it was done?

Did the BISD Admin and trustees start planning to bid on the race track as soon as the bond issue failed? Did they then raise the tax rate to insure they would have the 2.9 million to pursue the bid?

How did the paperwork for the sheriff's sale get processed in two weeks when it normally takes two months?

An inquiry as to whether the BISD had authority to bid on the race track was made and whether they had sought legal advice with references cited that needed to be read by the board. Had they taken the time to read the references cited they would not have embarked on such an embarrassing venture.

Have you the Board of Trustees lost what little respect the voters had for you?

Build a high school and that's all we will ever need! Build an elementary school (Alkek) and that's all we will ever need! Build another elementary school (Hill Country) and that's all we will ever need! Build, build, build!!!

Failing to Plan is Planning to Fail. We need individuals on the school board who will develop a long range plan for future needs of BISD and who will consider building schools where the students live.

A student starting middle school in 1998 faces 7 years of riding a bus from as far away as Pebble Beach and the far reaches of Lakehills.

We need individuals who understand the ins and outs of financing any future facilities.

If your child started school at Hill Country in 1994, you as a taxpayer would pay interest only until your child completed the freshman year of high school; and then for 10 more years you pay principle and interest again. Your child will have been out of high school 7 years before Hill Country is paid for. Is this fiscal responsibility?

With 2.9 million, how can the Board of Trustees and the Administration not have text books for all students?

With 2.9 million, how can BISD justify such poor facilities for the transportation department?

With 2.9 million, how can BISD use 2 classrooms at the middle school for administration purposes?

With 2.9 million, how can BISD use a classroom in the high school for the administration office?

It is time for a change! We need board members who will develop written policies. We need board members who will take action, not manage by crisis.

Question: When the policy manual that Bobby Jones had prepared for the Appraisal District was being reviewed, who said don't write it down, they might hold us to it?

Question: Who categorized taxpayers who opposed the purchase of the race track as "white trash"?

Question: Who convinced a friend to have a Bandera Bulletin reporter at the midnight executive session that was to discuss the extension of the superintendent's contract? The friend was told that headline news would be made as two board members would vote against contract extension; YET, when the board reconvened in open session the vote was unanimous to extend the contract. (Herd mentality).

Quote from Texas School Law Bulletin (1996): "44.052. Failure to comply with budget requirements. Penalty. (c) A trustee of a school district who votes to approve any expenditure of school funds in excess of the item or items appropriated in the Adopted Budget or a supplementary or amended budget commits an offense. An offense under this subsection is a Class C Misdemeanor." Added by Acts 1995, 74th Leg. Ch 260, s 1. effective May 30, 1995.

Mrs. Paradee, you as a member of the Appraisal Board should have a better understanding of the Appraisal process. No! No one artificially raised the appraisal of property. The three outstanding certified appraisers, appraise property based on fair market value which for the most part is driven by the real estate market. When there have been no sales of similar property such as the race track, an independent appraiser is usually used to appraise the property which happened in the appraisal of Bandera Downs. The property owner protested and the contested appraisal was referred to the Appraisal Review Board which placed a total value on Bandera Downs property AND improvements at 1.5 million.

In recent years, the total dollar amount on the appraisal role has gone up, not because the appraisal district has artificially raised property values, but due to the tremendous growth that Bandera County has experienced and also because the three appraisers have added to the role property which had never been on the tax role.

Local student to join Presidential Classroom's Science and Tech Program

Brandi Phipps, a student at Bandera High School, will travel to the nation's capital as a participant in Presidential Classroom's Science, Technology and Public Policy Program. The program gives scholars a firsthand look at the political responses to change brought about by scientific advances. Students examine a variety of topics such as environmental quality, space exploration, disease control and telecommunications. The program will take place June 20 to June 27, 1998.

Joining hundreds of high school students from across the country and abroad, Brandi will take part in seminars presented by leaders representing each branch of government, the military, media and lobbying organizations. Students are also scheduled for a private tour of the White House and appointments with their Senators' and Representatives' offices. On-site tours and seminars planned as well. In recent years, these have included visits to the National Security Agency, National Institutes of Health, NASA's Goddard Space Flight Center, the Federal Aviation Administration and the National Defense University.

The balance of the week in Washington will be filled with small-group workshops on today's hottest science and technology issues, visits to the monuments and museums, a night at the theater and a commencement celebration.

Since 1969, Presidential Classroom has provided more than 74,000 of America's finest students with unprecedented access to Washington's halls of power and the people shaping public policy. Alumni have gone on to be leaders in their own communities and many, like U.S. Representative Chet Edwards (TX) and U.S. Senator Robert Torricelli (NJ) have returned to Washington as public servants.

Presidential Classroom also offers the PC Scholars Program (our flagship civic education program), the Business, Labor and Public Policy Program and, for international students, the Future World Leaders Summit.

To participate, students must be juniors or seniors in high school, hold a "B" average or higher OR rank in the top 25 percent of their class, and show commitment to community or school involvement through participation in co-curricular activities.

For more information about Presidential Classroom, call toll-free 1-800-441-6533 or visit our web site at http://www.presidentialclassroom.org.

'W.I.L.D. About Quail' looking for students

How is your quail IQ? If it's good, but not as good as you'd like, then you're a prime candidate for "W.I.L.D. About Quail."

W.I.L.D. or Wildlife Intensive Leadership Development is a new concept in adult continuing education. It's a series of three, two-day intensive training sessions designed to empower its graduates with the ability to make informed decisions relative to wildlife management enterprises. Participants must attend all three of the workshops to successfully complete the course. The sessions are June 11-12 in Abilene, October 15-16 at Lueders, and January 7-8, 1999, in San Angelo. The workshop series is sponsored by the Texas Agricultural Extension Service in Mills, Shackelford, and Taylor counties.

Dr. Dale Rollins, San Angelo-based Extension wildlife specialist and the program's originator, said the workshop series is designed to enhance the participants' decision-making skills relative to people, habitat and population management. The "W.I.L.D." concept was pilot tested in 1997 with a session on "W.I.L.D. about Deer" and the results proved promising, encouraging Rollins to try the concept on quail.

"Quail 101, our first workshop, focuses on people management," said Rollins. "We'll study everything from understanding what hunters find attractive to understanding why animal activists have quail enthusiasts in their sights. We will help participants develop strategic and tactical goals for their individual wildlife enterprise and enhance marketing skills with such tools as the Internet.

"Quail 202, our next workshop, targets habitat, from an ability to identify the key plants for quail in a particular area, to how the 'axe, plow, cow and fire' can be used to enhance quail habitat."

Rollins said participants will learn to identify the most important seeds used by quail. They also will learn to optimize management to benefit quail habitat through proper brush and grazing management.

"Quail 303, our final workshop," he said, "examines population management, from conducting quail counts to helping unravel the boom or bust phenomena so typical of Texas quail. While rainfall is a major factor in quail populations, individual management can also have an impact."

During this final session, participants will study the finer points on quail reproduction and how a manager and his hunters can work together to achieve specific quail management goals.

"All Texans need to become more aware of wildlife issues," he said. "Part of our objective here is to hone leadership abilities relating to public education. Graduates of the W.I.L.D. program are expected to conduct at least three educational programs in their local community. We're expecting a lot from the participants.

"The curriculum will be fast-paced and intensive. Hours will be long, but 'hands-on' as much as possible. Participants will have detailed homework assignments that will be graded. They will be competing for awards ranging from a 35-mm camera to a new shotgun. We want this program to develop and maintain a competitive, learning environment among its participants. We expect 110 percent from each student. This is a pilot program effort and we aim to make it rigorous to test how effectively these 'boot camp'-style workshops are in empowering natural resource managers to become skilled decision makers."

Rollins said the workshop series will be limited to 30 students. Participants must attend all three parts of the series as each additional workshop builds on the previous one. All students will also be expected to submit a ranch management plan complete with a goals statement pertaining to their wildlife enterprise. Graduates are expected to help other landowners with quail management. Special training will be given for conducting such programs.

Tuition is $250 per person, which includes a textbook, other resource materials, most meals and refreshments. All lodging and travel costs to the workshops and related field trips are the students' responsibility. Registration is first-come, first-serve until the May 20 deadline or until all 30 slots are filled. No refunds will be made after the first session.

For further information contact Rollins at (915) 653-4576 or e-mail d-rollins@tamu.edu.

DARE program receives gift from DPS group

Bandera County's DARE anti-drug program received a significant gift last week when the Department of Public Safety's Officer's Association presented the program with a $1,000 contribution. Shown here making the presentation are local DPS trooper Dan Butts, retired trooper Frank Holland, Bandera County DARE officer Mike Bolton, Bandera County Sheriff James MacMillan and DPS Sgt. John Narramore.

Wildlife Expo poster, essay and poetry contest open to youth

AUSTIN — Texas students have the chance to compete for one of 15 lifetime combination hunting and fishing licenses as winners of the 1998 Texas Wildlife Expo youth poster, essay and poetry contest. "Grounds For Outdoor Adventure" is the theme for this year's event, highlighted by the 75th anniversary of Texas State Parks.

Last year, more than 2,600 Texas youngsters submitted entries to the contest. In addition to the lifetime hunting and fishing license, winners will receive the Texas Wildlife Viewing Guide and a one-year subscription to Texas Parks and Wildlife magazine. The total value of each prize is valued at more than $1,000.

"The purpose of the contest is to stimulate interest in wildlife conservation and the natural world," said Ernie Gammage, Wildlife Expo director.

The poster contest is open to students in kindergarten through sixth grade and must be on standard-size poster cardboard (approximately 22 inches by 28 inches) and be in any medium. Students in grades seven through 12 are eligible to enter the essay contest. Essays must be 500-1,000 words. The poetry contest is open for students in kindergarten through 12th grade. Poems must be 50-500 words.

One winner will be selected from each grade level for the poster and essay contests. Two poetry winners will be selected, one in the kindergarten through sixth grade category and another for the seventh through 12th graders. Members of the Texas Outdoor Writers Association will judge the entries.

One entry (either poster, essay or poetry) per individual may be submitted. All winning entries will be posted on the department's website, and winning posters will be exhibited at the 1998 Wildlife Expo.

This year's Expo is scheduled for Oct.3-4 at TPWD headquarters in Austin. Winners will be recognized during the Celebrity Banquet on Oct. 2.

The deadline for entering the contest is June 1. For more information or entry forms, call 1-800-792-1112 or 512-389-4800. Entry forms should also be available at public schools.

Youth Rodeo

The Bandera Youth Rodeo Association will sponsor a TYRA event at 10 a.m. May 2 at Mansfield Park. Members of the TYRA and BYRA are eligible to compete and over 150 youth have entered the event. Proceeds will benefit the Bo Chesson memorial Scholarship fund. Donations are welcome, and there is no charge for admission.

KIDFISH

The second annual TPWD/Bandera Police Department KIDFISH event will be held Saturday, May 9 from 10 a.m. to 3 p.m. at Bandera City Park. BPD and the Bandera Fire Dept. will provide free hot dogs and soda; the Uvalde federal fisheries will stock 300 catfish in a netted area, for children 2-16 to catch.

DPS phases in six-year licenses

Trips to driver license offices will become less frequent for Texans in coming years as the Texas Department of Public Safety extends license expiration dates.

Licenses will be valid longer, and the new system eventually should reduce lines in driver license offices.

"Eventually, all Texas driver licenses and identification cards will be good for six years instead of four," said DPS Director Col. Dudley M. Thomas.

Driver license fees will remain $4 per year, but totals will vary during the transition period based on expiration dates. Licensees will pay $16 for four years, $20 for five years and $24 for six years.

It's official

Plant Haven owner Cathy Clamon enjoys a Bandera Chamber ribbon cutting last week at the store's location at Hwy. 173 north. The nursery and gift shop features bedding and vegetable plants, hanging plants, shrubs, trees and much more. Plant Haven may be reached at 460-8369.

Hill Country Chapel to host revival May 3-5

Hill Country Chapel in Pipe Creek will host a revival Sunday through Tuesday, May 3-5, and invites the public to attend the free event.

Guest evangelist will be the Rev. W.M. Billy Graham, a Fort Worth native committed to the ministry of evangelism and teaching.

His calling is an amplification of a principle found in II Cor. 12:9, "My grace is sufficient for thee; for my strength is made perfect in weakness. Most gladly, therefore, will I rather glory in my infirmities, that the power of Christ may rest upon me."

In Graham's case, that weakness began at birth, when he was diagnosed with Muscular Dystrophy.

Doctors said he would be confined to a wheelchair, with a life expectancy of eight years, and would be legally blind. He was called to Christ at age 28, and then to a ministry of teaching, preaching and singing.

He has been an associate pastor, a member of a contemporary Christian music group, and a regular speaker for the Practical Christian Living radio broadcast.

Musical guest at the revival will be Curtis Elkins, a member of The Inspirational's Quartet, who has spread his message of encouragement and commitment throughout the United States since 1974.

His wife Gwen will join him to minister through a few special songs she interprets in sign language.

Rev. Graham will speak at 10:45 a.m. and 6 p.m. on May 3, and at 7:30 p.m. on May 4 and 5. Hill Country Chapel is located off Hwy. 46, one mile east of Hwy. 16 in Pipe Creek.

For more information about the revival call David Mashburn at 510-4372.

Lakehills youth choir to perform May 10

Over 500 youth, grades six-twelve, combined their voices in song at the 37th Annual Conference Choir Rally on April 24-26 at First United Methodist Church in Corpus Christi. Local youth from Lakehills UMC participated in this annual event. The choir was directed by Mr. Randy Edwards of Shreveport, Louisiana, and was featured in a worship service on Sunday, April 26, at 10:50 a.m. at First United Methodist Church on Shoreline Boulevard. Music selections included "Shout Amen!" by Jay Althouse, "O Come, Let Us Sing" by Cindy Berry, "Praise The Lord" by G.F. Handel/arr. Hopson, "He is Lord of All" by J. Paul Williams and Benjamin Harlan, and "A Jubilant Song." The youth choir from Lakehills United Methodist Church will sing one of the pieces in worship at 10:30 a.m. on May 10.

Martin honored at Clark House luncheon for 20 years attendance

Martin Smith from the Church of Christ used for his text Sunday 2 Kings 4:18-31. "Mixed Blessings" Guests were Mary Ann Smith, Judi Bishop and Yvonne Fenner.

Monday morning Ann Stackhouse and Alicia Fleming came to play bingo with several of the residents.

On Monday morning Jessie Kluna, A.P. Leibham, Dorothy Callahan, Fannie Caffall and Annette Kalka-Schulte from St. Stanislaus Catholic Church visited, prayed and sang with resident friends Jeanetta Adamietz, Brenda Adam, Peggy Jacobs, Harry Fleming, Lorene Billings, and Eva Garrett.

The Clark House honored some of their volunteers with a luncheon last Monday. Martin Smith was the honored guest because he has been coming for Bible Reading for about 20 years.

Other guests were Alicia Fleming, Jennifer Garza, Randi Williams, Mada Fitzgerald, Dorothy Callahan, Fannie Caffall, Nancy Westley, Mary Potter, Robert Stubbeman and Judy Goodenough.

We are grateful for all our volunteers incuding the ones who were unable to attend. The residents always look forward to the programs they bring to them.

Delmer and Mary Potter and Robert Stubbeman came last week to help Marley Johnson plant his garden. We thank then for their help.

Tollie Burnett came Monday for Storytime with the residents.

Martin Smith from the Church of Christ came Wednesday for Bible Reading with the residents.

Sherman Vängsnes from the Silver Sage Senior Citizens Center came in the ACT van and took several of the residents to Louise Hayes Park in Kerrville. They enjoyed a picnic on the river and also enjoyed watching the ducks and they could see the fish in the river.

Bryan Moore from St. Stanislaus Catholic Church came Friday morning to serve communion to members of the church.

Chris Henderson and Judy Goodenough from the United Methodist church came Friday morning for their monthly sing-a-long which the residents always look forward to. Other members were Joanie Huff and Mickie Causey.

We welcome Eddie and Maxine Meyers and Harry Barnett to our home and hope they enjoy their stay with us.

We're sorry to report Rudy Enke is in the hospital. We hope he gets to feeling better and comes home soon. We miss him.

Many thanks from the Bandera Music Lovers

The day of "Praise; down by the Riverside" was a remarkable success and the Bandera Music Lovers would like to publicly thank the following persons and businesses: The Bandera County Chamber of Commerce; Patricia, Linda and Susan at "the Chamber"; Carla Stroud of the Bandera Beverage Barn; the Episcopal Church Women of St. Christopher's Church; Richard Gorham Audio; Johnny Boyle; Boyle's Grocery; Dianne Whitely and Joe Riedy; Pipe Creek Realty; the Bandera Police Department Explorer Scouts. Glynn Minnick, the following Bandera Music Lovers members for "service above and beyond... Lynne Sims , Randi and Michael Williams, Maria Salvatierra. Glyn Ingram, John Davis, Peggy Huffman, Patrick Myhre, Norman Manafield, Kerry Schneider, Mazie Todd and all the other volunteers, without whom the day would have been a daunting, if not impossible, task. Finally, a huge THANK YOU to all the exceptionally talented musicians who made this memorable day possible...

We hope to SEE YOU NEXT YEAR !!!

New Vision Church of Bandera
PASTOR ROY'S SERMON IN A NUT SHELL

As soon as I stop drinking, smoking and cussing; as soon as I cut my hair, clean up my house and my act... as soon as I pay off all these debts... as soon as I get married, or get divorced, or get a boyfriend/girlfriend... as soon as I get a good job and some nice clothes... as soon as I settle down, or buy a nice car, or a nice house...

THEN I WILL COME TO JESUS

Does any of this fit you? When Jesus first called to Peter, He didn't say; "Stop drinking, and smoking and clean up your act, and follow me". Instead, Jesus simply said; "Follow Me." **The first step is to come to Jesus**, everything else will fall into place. This is part of the Good News (the Gospel); you can be set free too (John 8:32) "And you shall know the truth, and the truth shall make you free."

Hill Country Chapel to host revival May 3-5

Hill Country Chapel in Pipe Creek will host a revival Sunday through Tuesday, May 3-5, and invites the public to attend the free event.

Guest evangelist will be the Rev. W.M. Billy Graham, a Fort Worth native committed to the ministry of evangelism and teaching.

His calling is an amplification of a principle found in II Cor. 12:9, "My grace is sufficient for thee; for my strength is made perfect in weakness. Most gladly, therefore, will I rather glory in my infirmities, that the power of Christ may rest upon me."

In Graham's case, that weakness began at birth, when he was diagnosed with Muscular Dystrophy.

Doctors said he would be confined to a wheelchair, with a life expectancy of eight years, and would be legally blind. He was called to Christ at age 28, and then to a ministry of teaching, preaching and singing.

He has been an associate pastor, a member of a contemporary Christian music group, and a regular speaker for the Practical Christian Living radio broadcast.

Musical guest at the revival will be Curtis Elkins, a member of The Inspirational's Quartet, who has spread his message of encouragement and commitment throughout the United States since 1974.

His wife Gwen will join him to minister through a few special songs she interprets in sign language.

Rev. Graham will speak at 10:45 a.m. and 6 p.m. on May 3, and at 7:30 p.m. on May 4 and 5. Hill Country Chapel is located off Hwy. 46, one mile east of Hwy. 16 in Pipe Creek.

For more information about the revival call David Masbburn at 510-4372.

Lakehills youth choir to perform May 10

Over 500 youth, grades six-twelve, combined their voices in song at the 37th Annual Conference Choir Rally on April 24-26 at First United Methodist Church in Corpus Christi. Local youth from Lakehills UMC participated in this annual event. The choir was directed by Mr. Randy Edwards of Shreveport, Louisiana, and was featured in a worship service on Sunday, April 26, at 10:50 a.m. at First United Methodist Church on Shoreline Boulevard. Music selections included "Shout Amen!" by Jay Althouse, "O Come, Let Us Sing" by Cindy Berry, "Praise The Lord" by G.F. Handel/arr. Hopson, "He is Lord of All" by J. Paul Williams and Benjamin Harlan, and "A Jubilant Song." The youth choir from Lakehills United Methodist Church will sing one of the pieces in worship at 10:30 a.m. on May 10.

Many thanks from the Bandera Music Lovers

The day of "Praise, down by the Riverside" was a remarkable success and the Bandera Music Lovers would like to publicly thank the following persons and businesses: The Bandera County Chamber of Commerce; Patricia, Linda and Susan at "the Chamber"; Carla Stroud of the Bandera Beverage Barn; the Episcopal Church Women of St. Christopher's Church; Richard Gorham Audio; Johnny Boyle; Boyle's Grocery; Dianne Whitely and Joe Reidy; Pipe Creek Realty; the Bandera Police Department Explorer Scouts; Glynn Minnick, the following Bandera Music Lovers members for "service above and beyond... Lynne Sims , Randi and Michael Williams, Maria Salvatierra, Glyn Ingram, John Davis, Peggy Huffman, Patrick Myhre, Norman Mansfield, Kerry Schneider, Mazie Todd and all the other volunteers, without whom the day would have been a daunting, if not impossible, task. Finally, a huge **THANK YOU** to all the exceptionally talented musicians who made this memorable day possible...

We hope to SEE YOU NEXT YEAR !!!

Martin honored at Clark House luncheon for 20 years attendance

The Clark House

by Mada Fitzgerald

460-3767

Martin Smith from the Church of Christ used for his text Sunday 2 Kings 4:18-31. "Mixed Blessings" Guests were Mary Ann Smith, Judi Bishop and Yvonne Fenner.

Monday morning Ann Stackhouse and Alicia Fleming came to play bingo with several of the residents.

On Monday morning Jessie Kluna, A.P. Leibham, Dorothy Callahan, Fannie Caffall and Annette Kafka-Schulte from St. Stanislaus Catholic Church visited, prayed and sang with resident friends Jeanetta Adamietz, Brenda Adam, Peggy Jacobs, Harry Fleming, Lorene Billings, and Eva Garrett.

The Clark House honored some of their volunteers with a luncheon last Monday. Martin Smith was the honored guest because he has been coming for Bible Reading for about 20 years.

Other guests were Alicia Fleming, Jennifer Garza, Randi Williams, Mada Fitzgerald, Dorothy Callahan, Fannie Caffall, Nancy Westley, Mary Potter, Robert Stubbeman and Judy Goodenough.

We are grateful for all our volunteers incuding the ones who were unable to attend. The residents always look forward to the programs they bring to them.

Delmer and Mary Potter and Robert Stubbeman came last week to help Marley Johnson plant his garden. We thank then for their help.

Tollie Burnett came Monday for Storytime with the residents.

Martin Smith from the Church of Christ came Wednesday for Bible Reading with the residents.

Sherman Vangsnes from the Silver Sage Senior Citizens Center came in the ACT van and took several of the residents to Louise Hayes Park in Kerrville. They enjoyed a picnic on the river and also enjoyed watching the ducks and they could see the fish in the river.

Bryan Moore from St Stanislaus Catholic Church came Friday morning to serve communion to members of the church.

Chris Henderson and Judy Goodenough from the United Methodist church came Friday morning for their monthly sing-a-long which the residents always look forward to. Other members were Joanie Huff and Mickie Causey.

We welcome Eddie and Maxine Meyers and Harry Barnett to our home and hope they enjoy their stay with us.

We're sorry to report Rudy Enke is in the hospital. We hope he gets to feeling better and comes home soon. We miss him.

New Vision Church of Bandera
Pastor Roy's Sermon in a Nut Shell

As soon as I stop drinking, smoking and cussing; as soon as I cut my hair, clean up my house and my act... as soon as I pay off all these debts... as soon as I get married, or get divorced, or get a boyfriend/girlfriend... as soon as I get a good job and some nice clothes... as soon as I settle down, or buy a nice car, or a nice house...

THEN I WILL COME TO JESUS

Does any of this fit you? When Jesus first called to Peter, He didn't say: "Stop drinking, and smoking and clean up your act, and follow me". Instead, Jesus simply said; "Follow Me." **The first step is to come to Jesus**, everything else will fall into place. This is part of the Good News (the Gospel); you can be set free too (John 8:32) "And you shall know the truth, and the truth shall make you free."

Home and Garden Guide

How can I avoid poison ivy?

by Jan Wrede
Special to the Bulletin

I love working outside on these beautiful spring days, but I think that we have poison ivy growing in our yard. Why is poison ivy such a big problem? How do I recognize it for sure? How do I know if I am allergic to poison ivy? If I know that I have to be around poison ivy, what is the best protection? What should I do if I accidentally touch it?

Poison ivy dermatitis is an inflammation of the skin caused by an oily substance produced by every part of the plant: leaves, stems, roots, pollen, flowers and berries. Even dead poison ivy vines may cause a reaction because the sap can remain active for several years.

Unfortunately, about 85% of us will develop an allergic skin reaction to poison ivy at some point in our lives, so don't assume that you are safe even though you know that you have touched the plant many times and never had a reaction. Although a few people who are particularly sensitive as children may not be allergic as adults, many of us don't become reactive until our 30s, 40s or 50s.

Left to right: Dewberry, aromatic sumac, and poison ivy.

The best defense against poison ivy is to learn to identify the plant and avoid contact with any part of it. The problem with positive identification is that poison ivy is variable: it can be ground trailing or a climbing vine, a shrub or even a small tree. Its leaf edges can be smooth to deeply notched, long or short, narrow or wide, shiny or dull. In early spring, leaves are commonly dark red, later they become bright green and in the fall they turn red, orange or yellow. We see all forms and colors in the Hill Country. This month the leaves are big and green and many vines are producing small yellow-white flowers.

"Leaflets three, let it be" is the saying most useful to help recognize and avoid poison ivy, but two other completely harmless plants also have three leaflets.

One is dewberry, which can easily be told from poison ivy because its stems are thorny, its leaves have many obvious veins and it produces sweet dark berries in late spring and early summer.

Poison Ivy

from page 2

Aromatic sumac or skunk bush is the other plant in our area that is sometimes confused with poison ivy; however, aromatic sumac has more delicate, uniform leaves and is always a bush.

Several other harmless vines also commonly grow with poison ivy: Virginia creeper, possum grape and mustang grape. None of these has three leaflets. With practice you can learn to identify poison ivy positively and won't have to needlessly destroy these other worthwhile native plants in misplaced vengeance against the "itchy vine."

Although the first symptoms of an allergic reaction to poison ivy (itching, burning and redness) won't arise until 12 to 36 hours after exposure, the substance that causes the skin reaction actually takes about 30 minutes to penetrate the skin and is easily removed.

Thus, if you think that you have touched poison ivy, immediately rinse the area with cool water. Soap is not necessary. All clothing that might have been exposed should be handled as little as possible and then washed to remove the plant's sap.

If you have ever suffered from a bad case of poison ivy, it may be hard to believe, but doctors assure us that scratching the rash will not spread the dermatitis. The skin where a rash develops is only contagious for the first 30 minutes after exposure, which is before the toxin is absorbed through the skin and long before the skin itches, swells or blisters. Even when the blisters are oozing, the rash cannot be transferred from one person to another.

Over the counter medications with calamine lotion, camphor or low amounts of hydrocortisone reduce swelling and itching but require repeated application, and nighttime itching may not be controlled.

Untreated, the rash may last a month; however, most who get medical treatment feel relief within a day. As the blisters gradually dry, the itching and the swelling subsides.

When you must be in an area where the vine is known to grow, wear long sleeves and pants. If practical, add boots and gloves.

(Jan Wrede is the author of "Texans Love Their Land," a quick reference guide to 76 native Texas trees, shrubs and vines. Proceeds from the book are designated for the Cibolo Nature Center in Boerne, where Wrede works as Director of Education.)

Installation of vinyl flooring an easier task

There's good news for do-it-yourselfers — installing vinyl flooring just got a whole lot easier.

That's because one vinyl manufacturer has just come out with a new line of flooring, with the adhesive already on it.

Step 1

That feature has been available in vinyl floor tiles (the small 12-inch squares) for literally decades, but never before in so-called sheet vinyl (the kind that comes in 12-foot-wide rolls).

So, even though most people have always preferred the look of sheet vinyl because of the absence of seams, do-it-yourselfers usually ended up purchasing tiles because they were so much easier to install. However, now that there's a sheet vinyl that comes with the adhesives pre-applied, do-it-yourselfers can get the best of both types of floors in one product that combines seamlessness and easy installation.

Step 2

To install the new flooring, the do-it-yourselfer simply peels a thin film of clear plastic off the backing to expose the adhesive and lays the flooring down. The adhesive will hold the flooring securely in place, but like a Post-It® note, the flooring can be repositioned, moved or even taken back up later on, if desired.

Colmar Industries, the maker, has dubbed the new line 1-2-3 Floor, which represents the three steps in the installation process:

Step one — measure the room where the flooring will be installed. Step two — cut the flooring to fit. Step three — peel off the plastic, and stick the flooring down.

There are two versions of the new flooring, both priced not to give even the most economy-minded do-it-yourselfer sticker shock. The one version, featuring a urethane top layer containing DuPont Teflon® for easy cleaning, sells for about $12.99 a square yard.

Step 3

The other version costs even less, and is available in prepackaged sizes (9 feet by 12 feet for example), as well as 12-foot rolls. This version has silicone in the wear layer and does a good job of resisting scuffing and soiling.

While an installation of conventional sheet vinyl may require the

New cooking appliance buying guide available

Purchasing a range is like purchasing any large item — it pays to shop wisely to get the features and performance you want for years to come.

There are four major feature categories consumers should consider when buying a range, advises Julie Bundy, Maytag manager of consumer information. The first category is performance. In addition to using appropriate cookware and fresh ingredients, a specific range that features even heat distribution, accurate preheat, and accurate temperature control will ensure delicious and attractive food.

The second category is cleaning ease. Consider a range that will make clean-up after cooking a breeze. A few surface cleaning conveniences include: a porcelain enamel backguard, which reduces staining and allows the use of soap-filled scouring pads to remove dried and burnt-on spatters without scratching the finish; an upswept cooktop, where there is no seam or crack between a cooktop and backpanel; sealed surface burners; drip-retainer edges; and removable knobs. Of course, nothing can touch the cleaning ease of a ceramic-glass cooktop, which eliminates the task of removing elements or cleaning drip bowls.

For oven cleaning, it is very convenient to have a standard or self-clean oven with a removable oven door. And, in electric models, look for a bake element that tilts up for easy cleaning of spillovers on the oven bottom.

There are more choices of ranges today than ever before. This is why style, the third category, is so important. Consider your cooking habits before choosing a range style. Whether it be a free-standing range, drop-in, built-in, gas or electric range, make sure it fits your lifestyle and your kitchen decor.

The final category is convenience. Consider a range that offers racking flexibility; easy to-read oven controls; waist-high broiling, to omit the hassle of stooping and bending to reach the broiling compartment; clock-controlled oven operations; a removable storage drawer; and a large oven window.

Maytag has revised its Cooking Buying Guide, a handy pocket-size reference, with additional tips and a checklist to use while shopping. The booklet is available individually for 25 cents, or as part of a set of five costing $1 from: Maytag Consumer Information, #876CG-0897, Newton, IA 50208.

Landscaping with natives inexpensive, attractive

by Jan Wrede
Special to the Bulletin

How much time and money do you spend maintaining your yard? Would you like to spend less and enjoy it more? Landscaping with native trees and shrubs offers you the opportunity to create a landscape that is easy to care for, supports wild birds and butterflies, is attractive and durable.

More and more, both avid gardeners and lazy gardeners are choosing plants that nature has already selected to succeed in this region. By using native Hill Country plants that have survived here naturally, our landscaping can survive heat, drought, insects, and the alkaline soil with very little or no intervention.

Start using native plants in your landscape one step at a time. Decide where you want to plant a tree or shrub and what needs you have for this area, then go find a native well suited to your needs. For example, if you are looking for a large shrub that will add spring color along your driveway, select mountain laurel or Texas redbud. Want a small to medium sized tree that provides fall color? Try a big tooth maple or a smoke tree. If you lack summer shade over a patio or sitting area, consider cedar elm or escarpment black cherry. Want to add color to your front yard in winter? Try silk tassel or evergreen sumac. If oak wilt is moving through your neighborhood, the Texas Forest Service recommends planting shade trees that are not susceptible to the oak wilt disease. Large shade trees well suited to our region for this purpose are chinquapin oak, burr oak, and pecan. Lacey or blue oaks are slightly smaller but are also an excellent choice.

Native shrubs that provide attractive blossoms or colorful

Rare and hardy Blanco crabapple grows near Bandera.

berries are also plentiful. In the shade or partial shade, consider turk's cap, American beautyberry, Mexican buckeye, mock orange or spicebush. In the sun, pink mimosa, eve's necklace and Blanco crabapple create spring color, whereas black dalea can be depended upon to bloom bright pink in the summer heat. COVER. Water can be added as simply as a two inch deep plant tray on a table, or as elaborately as a water garden with numerous plants, varied depths and attractive falling water. Since cats are common suburban predators, be sure to locate the water well source away from low cover to protect the creatures coming in to drink.

Most suburban and many rural areas in the Texas Hill Country lack plants of medium height that provide essential cover and food in the under story between tall oaks and mowed grass. You might begin by removing turf at a back corner of your yard and replacing it with a varied group of mid-sized plants. Add a mixture of shrubs and small trees that will provide natural food sources throughout the year. Creek plum, Mexican persimmon, Texas redbud, Agarita, American beautyberry, and Texas madrone are some excellent native small trees or shrubs.

Don't forget the wild native vines that attract and feed hummingbirds throughout the summer and fall. The hardy white honeysuckle will produce lovely white spring flowers, and in mild, wet years like this one, coral honeysuckle will blossom all year long. Trumpet creeper has big handsome orange blossoms from spring through early fall.

Purple aster

For the butterfly gardener, several local native passion flowers — affinis, P. lutea, and foetida — are host plants to spectacular butterflies such as the orange and black gulf fritillary and the yellow and black striped zebra longwing. Two local shrubs or small trees in the citrus family, wafer ash and tickle tongue, are essential hosts to caterpillars of the giant (yellow) swallowtail.

Native shrubs that are butterfly nectar plants include Texas lantana, redroot, kidneywood, and beebush. Native wildflowers such as the tall, yellow Maxmilian sunflower and purple asters are especially useful when left to stand until spring, thus creating a food source for butterflies in the fall and natural bird feeders for late migrants and winter residents.

Maxmilian Sunflower

Standing cypress, cardinal flower, cedar sage, tropical sage, and flame acanthus are red wildflowers also very attractive to hummingbirds and butterflies.

Trimmings project illustrates numerous composting benefits

The yard trimmings many Texans consider garbage and throw out with their household trash could hold the key to opening up landfill space and improving water quality throughout the state.

A recently completed demonstration project funded by the Texas State Soil and Water Conservation Board (TSSWCB) through the U.S. Environmental Protection Agency's 319(h) program, showed that compost and wood clippings from yard trimmings could be used to significantly benefit two problem areas affecting urban and agricultural sectors in Texas — water contamination from eroding farmland and the growing scarcity of landfill space.

Part of the project's objective was to determine the effectiveness of using compost to increase the water infiltration of erodible soils, making them less likely to be blown or washed away. When water carries away topsoil as runoff (particularly from erodible land), it can carry soil and agricultural chemicals into drinking water supplies. This is known as nonpoint source pollution.

Increasing the amount of water entering the soil, infiltration, will reduce the likelihood of it being eroded. Tests at a demonstration site in Big Spring indicated the addition of wood chips and compost can significantly enhance a soil's infiltration, said Scott McCoy, program specialist/compost recycling section, Texas Natural Resource Conservation Commission (TNRCC).

Water infiltration, the amount of water entering the soil, improved from 10.7 percent on uncomposted soils to: 11.3 percent when compost was applied at 10 tons per acre; 12.1 percent with 20 tons of compost per acre; 15.1 percent with 10 tons of wood chips per acre; and 21 percent with 20 tons of wood chips per acre, according to TNRCC figures.

Ken Awtrey, Piney Woods RC&D coordinator, Nacogdoches, orchestrated the use of yard trimmings compost collected at the Lufkin city landfill for use on plots at a nearby vegetable farm. The test area contained typical sandy east Texas soil and showed a marked improvement in structure after the addition of compost, Awtrey said.

Many people are beginning to realize the benefits of compost, particularly when used to aid soils supporting crops like cotton, which doesn't add much organic material to the land. Even with rates of application as low as five tons per acre, soil benefits would accrue over a period of years, Awtrey said.

The project's second goal was to measure how diverting yard wastes into compost might lessen the burden on landfills. Last year, approximately 11 million tons of compostable materials were put into state landfills, according to the TNRCC.

Composting sites in Pampa, Big Spring and Lufkin were set up to process yard clippings and brush and document amounts of compostable materials diverted from the landfill.

In Pampa (population 20,000) yard trimmings diverted from disposal in the city landfill amounted to: 2,909 tons during 1994; 3,649 tons in 1995; and 3,525 tons in 1996. Close to 20 local residents come to the Pampa landfill each week for the free compost.

In Lufkin, (population 31,000) approximate amounts of brush and yard trimmings composted during the project were: 3,900 tons in 1995; 4,500 tons in 1996; and 6,556 tons in 1997. Dennis Webster, superintendent of solid

sources of food and shelter more appealing. For example, mulberry trees growing over a driveway are a nuisance, but can be handsome and useful when growing at the back of a yard well away from house and cars. The notorious ashe juniper, although not a popular ornamental, is a tough evergreen shrub that will make a carefree windbreak along a back fence when winter temperatures make wildlife shelter especially important.

To learn more about the native wildflowers of our area read "Hill Country Wildflowers" by Marshall Enquist. For those interested in native Hill Country trees, shrubs and woody vines, read "Texans Love Their Land" by Jan Wrede. If you are looking for local native plant nurseries plus their specialties, or want to find other Texas native plant reference books, they are listed here. This book also charts specific native plant landscape uses, lists regional native plant experts, and cites helpful demonstration gardens as well as native plant landscapers and landscape architects. Both books are available in Boerne at the Cibolo Nature Center.

(Jan Wrede is the author of "Texans Love Their Land," a quick reference guide to 76 native Texas trees, shrubs and vines. Proceeds from the book are designated for the Cibolo Nature Center in Boerne, where Wrede works as Director of Education.)

purchase of certain specialized equipment, like a notched steel trowel for spreading adhesive, a do-it-yourselfer can install 1-2-3 Floor with items likely to be found around the house, like a ballpoint pen, razor knife, masking tape and old newspapers.

The recommended installation procedure calls for making a template of the floor area by taping together newspapers, laying the template on the vinyl flooring, tracing around it with a ballpoint and, finally, cutting the flooring to size with a razor knife.

After that, the only thing left to do is peel the plastic off the backing and lay the flooring down.

waste/recycling for the city of Lufkin, predicted 1998 amounts to double last year's figures.

Between 20-25 cubic yards of compost are sold weekly to commercial and private users for $5 a cubic foot. Loading is done by the city at no charge.

Most of the trimmings diverted at the Big Spring (population 23,000) site were wood chips, said Howard Shivers, Big Spring superintendent of solid waste. During 1997, the landfill processed 15,000 tons of wood chips and 20 tons of compost.

In addition to increasing the water-infiltration of erodible soils and saving landfill space, compost applications also boosted production of crops grown at demonstration sites. Cotton yields at a project site in Big Spring improved from 110.4 pounds of lint per acre with no compost added to: 152 pounds of lint per acre with 20 tons of wood chips added per acre; and 163.3 pounds of lint per acre with 40 tons of compost added per acre, according to TNRCC figures.

At a demonstration site in Pampa, grain yields increased from 24 bushels per acre with no compost added, to 37 bushels per acre with 30 tons of compost added per acre.

Partners in the project with TSSWCB included the TNRCC, the Big Country Resource Conservation and Development Area (RC&D), the North Rolling Plains RC&D, the Wes-Tex RC&D, the Piney Woods RC&D, and the USDA Natural Resources Conservation Service.

Metal: a lasting solution to roofing worries

Q: After just a few years, my roof shingles are curled, cracked and stained with fungus. I'm ready for something better, and I've heard that metal roofing eliminates these problems. Should I consider a metal roof?

A: Yes. Metal roofing is a great alternative to the common problems you're experiencing with traditional roofing shingles. Metal roofing does cost more upfront than typical shingles or tile, but it's actually cheaper because it lasts many times longer, requires less maintenance, and provides a better appearance (and greater value) for your home. Metal roofing has advantages in every climate, especially in areas with threats of fires or airborne sparks, severe storms, or extreme heat or cold. Some metal roofs even can be installed directly over your existing roof, preventing the added cost and mess of a tear-off.

Q: Won't a metal roof make my house hotter in the summer?

A: It depends on the metal. Steel absorbs and transfers the heat of the sun, but not all metals do. Aluminum, for example, reflects radiant heat; that's why NASA uses aluminum to shield satellites in space, where there's no atmosphere to scatter the heat of the sun.

One metal roofing manufacturer had its aluminum roofing product, called Rustic Shingle, tested by the Florida Solar Energy Center. The center found it to reduce attic heat gain by up to 34 percent more than traditional roofing materials. This can add up to big savings on your utility bills. If you decide to use a metal roof that is not aluminum, you will need to install a radiant-heat barrier in your attic to get any energy savings.

Q: I don't like the "industrial" look of flat metal roofing with vertical lines. Are there alternatives?

A: You are describing "standing seam" roofing, so named for the vertical seams that stand up between the panels. And, yes, there are many alternatives. Most popular are the products that look like natural wood shakes, tile or slate. These offer a traditional, yet distinctive, appearance with all the benefits of metal roofing.

Q: How will I know that I'm buying a quality metal roof?

A: A quality metal roof will have a Kynar® PVDF or HylarTM PVDF finish, known to architects and engineers as the best for lasting color and protection. Also, a metal roof should be designed to allow for expansion and contraction caused by temperature changes.

With elegant looks and long life, Classic Products' Rustic Shingle adds lasting curb appeal and value to any home.

Heirloom gardening

Antique enthusiasts have new haunts to scout beyond the rows of shops in quaint old towns where pricey furniture beckons checkbooks.

"Living antiques" are a new trend and can be found perhaps in old cemeteries, in the yards of elderly family members or even through the Internet. They are plants, time-tested and nurtured over the years as people settled in different regions of the country, and are fast gaining popularity in what horticulturists call "heirloom gardening."

"We want gardens that have a sense of place and are not a burden to take care of," said Dr. Bill Welch, Texas Agricultural Extension Service horticulturist and co-author of "The Southern Heirloom Garden."

That may explain a couple of reasons why heirloom gardening is growing in Texas. The plants are tough and, as the state ages, Texans' respect for and interest in cultural heritage is increasing.

"If something's been doing well for 100 years, it's tough," said Welch. "People want plants to have a good fragrance and to be insect and disease resistant, be able to tolerate fluctuations in water availability and adapt to climate swings.

"That's what the old varieties offer. They've been tested through the years," he added.

Though there is not a specific criteria for heirloom varieties, Welch said, most plants used are from 75-100 years old. A lot of the heirloom plants are from native species that were cultivated by settlers.

"If a person has a old, restored home, they may want to have period furniture for it. Now they can have period plants as well," Welch said. "To me, it is ridiculous to make gardening decisions without considering what was done in the past."

In the United States, Thomas Jefferson's famous property known as Monticello in Charlottesville, Va., is an excellent example of a historic restoration of the garden, Welch noted.

But Texas has several efforts to establish history plantings under way, such as philanthropist Ima Hogg's home, Bayou Bend, in Houston. In recent years, caretakers of this Houston museum facility have realized that the surrounding plants needed to be accurate historically.

But having an old home or building isn't the only way one can enjoy heirloom gardening. Welch said people also are interested in duplicating gardens recalled from childhood - perhaps planting varieties that were grown by grandparents or aunts. Often cuttings or seeds from plants are provided by family members.

"Many have been lovingly handed down from generation to generation within and among the families that contribute cultural diversity and richness to our gardens," Welch said.

To accurately plant a garden from a specific time period, Welch said, plant varieties from that era can be researched in nursery catalogues and gardening periodicals. These often can be found in libraries in small towns across the South. Larger collections of these periodicals are at the Cherokee Garden Library in Atlanta, Southeastern Architectural Archives of Tulane University in New Orleans, or the Center for American History (Barker Library) at the University of Texas.

He said three facts should be sought about varieties for heirloom gardens: the date of first introduction, time when the plant first became commonly available to gardeners of the region, and time when the plant first appears on the specific site being studied. Once the plant varieties have been determined, he said, the next search is for suppliers. Local nurseries might be able to provide the desired plants. Gardeners might also want to check the Internet for heirloom gardening sites.

As with other types of antique collecting, Welch added, "it just depends on how far you want to take it."

FYI

Play ball!
The BISD faculty will play the Bandera High Summer League baseball players Tuesday, May 12 at 7 p.m. at the High School. Admission to the baseball game is $2,and proceeds benefit the Summer League baseball team.

Need a pet?
Nancy Kelley of the Animal Welfare Society of Bandera reminds residents that National Pet Week is being celebrated through May 9. She encourages anyone interested in adopting a pet to visit the animal control facility on Hwy. 16 next door to Mansfield Park, inside the maintenance yard. Call 796-7093 for hours.

Horse Boot Camp
The Kerrville ISD continuing education department will be sponsoring a summer horsemanship "boot camp" for horse lovers at Grand Meadows Horse Farm in Bandera. Gentle, sound horses and horse supplies are needed for the program. Children will learn the fundamentals of English and Western riding and how to select and care for a horse and its equipment. If you have a child who would like to attend, have a horse that could be used for the summer, or would like to donate some horse tack,please call Sandra at 830-796-3738 or Phil at Kerrville ISD at 830-257-2218.

New late hours
Beginning May 7, the Bandera County Library will open Thursday evenings until 8 p.m. Visitors are invited to enjoy the three additional hours of quality library time.

SWMD Presents
The Third Annual Xeriscape/Conservation Show, sponsored by The Bandera Bulletin, will be held May 16, from 10 a.m. to 2 p.m. at Mansfield Park in the Show Barn.
Prizes are available as you meet experts, enjoy food, learn about water, birds and wildlife, and enjoy free presentations.

Library meeting
There will be a meeting of the Friends of the Bandera County Library Board, and the expansion committee, on Tuesday, May 19 at 4:30 p.m. at Norwest Bank. Interested persons are welcome to attend.

Book Fair
Alkek Elementary will host its last Book Fair of the year, May 5-8, from 8 a.m. to 4 p.m.

No clear mandate in BISD elections

Bandera school district voters chose a little of both in a close election that drew a large turnout Saturday.

More than 2,300 votes were tallied, the count lasting until almost midnight Saturday night. When all was said and done, Al Hamilton, Susan D'Spain, and incumbent Rand Hicks were chosen to hold the three open slots on the BISD board.

Hamilton garnered 1,092 votes in the five-way race for the Place 5 position on the board. He defeated Tom Morgan, who gathered 986 votes, and Dan Jaworski, with 111 votes, Doyle Haner, with 87 votes, and Daniel Anderson III, with 46 votes.

D'Spain, who ran as part of a slate of candidates along with Hamilton and Mike Medina, was chosen for place 7 on the board with 1,122 votes. She defeated incumbent Thomas "Bub" Keese, who gathered 1,010 votes, followed by T. Gordon Nordlund with 195 votes.

Incumbent Rand Hicks was returned to office in the Place 6 slot with 1,128 votes, defeating Mike Medina, who gathered 1, 062 votes, and Dan Zavorka with 128 votes.

The campaign was especially heated in the wake of the board's controversial decision to purchase the Bandera Downs racetrack, plaintiff Al Hamilton's victory in his lawsuit to void the sale, and the board's decision two weeks ago to appeal that decision.

D'Spain

Hicks

Hamilton

Early voting accounted for approximately one fourth of the votes in the election. In the Place 5 race, Hamilton carried the Pipe Creek box 233 to Morgan's 191 votes; Lakehills 185-157, and Bandera408-255, although Morgan led Hamilton in the early voting, 383-266.

Medina carried the race on election day, leading Hicks 233-220 in Pipe Creek, 174-161 in Lakehills, and 407-317 in Bandera. But Hicks' strong showing in early voting, leading Medina by 430-248, gave Hicks the votes he needed to return to office.

In the Place 7 race, D'Spain's pattern was similar to Hamilton's, winning boxes on election day, but lagging in the early voting. She led incumbent Keese 253-200 in the Pipe Creek area. D'Spain-led Keese 158-122 in Lakehills, where T. Gordon Nordlund had his strongest showing with 128 votes. D'Spain had a strong lead in the Bandera boxes, ahead of Keese 430-283. Keese's strongest lead was in the early voting, where he gathered 405 votes to D'Spain's 281.

Everything's just ducky

These young'uns were hard at work in the Rubber Ducky department at Sunday's annual St. Stanislaus Catholic Church Festival. Several hundred folks spent an afternoon at Bandera's Mansfield Park enjoying a day of celebration and family fun.

Cowan, Piña, Kindla returned to office

Incumbents were winners in Saturday's Bandera city elections, which drew over 200 voters. Incumbent Mayor Bob Cowan, an architect, drew 138 votes, to defeat entrepreneur Linda Stein, who received 94 votes. Cowan has previously served as mayor and on the Bandera City Council.

Candidates focused on the city's struggle with growth during the campaign.

The primary issue in the race, for all candidates, was the condition of city infrastructure, particularly the city's water system and road conditions.

Two positions on the city council were also at stake in the May 2 election. Johnny Piña and Tom Kindla, who both currently serve on the council, were re-elected. Piña, a lumber yard foreman, was the top draw in the four-person race. He drew 130 votes, followed by Kindla with 109 votes.

Cowan

Piña

Bandera city council members are chosen at large, so the top two vote getters assume seats on the council. Piña and Kindla defeated pastor Dennis C. Thompson, who drew 97 votes, and retired military member Horst K. Pallaske, who drew 82 votes.

Piña was chosen by the council to finish the term of Walter Welch.

Sides, Boysen chosen for Medina ISD board

Lowanna Sides and Randall Boysen were chosen by voters Saturday to serve on the Medina Independent School District board of trustees. Sides, the incumbent in Place 6, defeated Kenneth Dabney by 18 votes, 178-160.

In the three-way race for the vacant Place 7 seat, Randall Boysen garnered 153 votes, defeating Richard Keese (138 votes) and Michael Derry (45 votes).

Place 7 incumbent Andy Lautzenheiser did not seek reelection.

Early voting began April 15 and continued through April 28.

Governor to visit Bandera on May 18

Texas Gov. George W. Bush will speak to Bandera Optimist Club on May 18. The governor will address the club and then present the Optimist Student of the Year Awards. The meeting will be held at Lost Valley Resort. An extremely limited number of tickets will be available to the public.

Tickets for general admission will be available at the Bandera Chamber of Commerce during normal business hours, beginning May 11.

More details will be available in the next issue of the Bulletin, as plans are confirmed.

It's Kidfish time!

Texas Parks and Wildlife Department and Bandera Police Department are once again presenting a KIDFISH children's fishing event, Sat. May 9 from 10 a.m. to 3 p.m. at Bandera City Park.

There will be a $5 per vehicle admission charge, and free hot dogs and sodas, prepared by BPD and the Bandera Fire Department, will be available. Children ages 2-16 are urged to attend. Call BPD at 796-3456 for more information.

Karon's rural characters become familiar friends

Your Library

by Marilyn Stubbeman

796-4213

Jan Karon's fictional community of Mitford, North Carolina provides the setting for a series of four novels: "At Home in Mitford," "A Light in the Window," "These High Green Hills" and "Out to Canaan." Father Timothy Kavanaugh, the Episcopal rector, is the central character in this series. His parish includes both lovable and eccentric parishioners that become as familiar friends to the reader.

This series is refreshing and enjoyable reading. One wishes all towns were like this fictional one which is supposedly based on Blowing Rock, North Carolina. I'm hoping the author will decide to continue this series. It renews one's spirit.

Morning and evening book clubs are reading "Cold Sassy Tree" by Olive Ann Burns for their May meetings. The evening group will meet May 7 at 6:30 p.m. The morning group will meet May 12 at 10 a.m. Everyone is welcome to come and discuss the book.

Remember, as of May 7, the library will begin to stay open to the public on Thursday evenings until 8 p.m.

BPD answers 21 calls, arrests five this week

Chief's Blotter

by Lynn Holt, Bandera Police Chief

The Bandera Police Department answered 21 calls for service, arrested five persons, and issued 10 citations for the week of April 27, 1998, through May 4, 1998. Calls for service included: five assist other agencies; four public assists; one suspicious persons; two suspicious circumstances; one alarm; one accident; two thefts; one disorderly conduct; one warrant arrest; one threats; one reckless driver; and one driving while intoxicated.

Santiago Madrid, 50, of Bandera, was arrest on a probation violation and for disorderly conduct, fighting. Charles Hutchenson, 47, of Bandera was arrested for disorderly conduct, fighting. Adele Ketter, 33, of Boerne, was arrested and charged with driving while intoxicated. George Davis, 32, of Center Point, was arrested and charged with public intoxication.

I want to remind everyone that the Second Annual Kid Fish is this Saturday, May 9, at the Bandera City Park. Lots of prizes, free hotdogs and soda waters, and lots of fun. It all starts at 10 am. You will need to bring your fishing equipment and bait. See you there.

Notice

This week's Bandera County Sheriff's Report was unavailable at press time. It will appear in the Bulletin as soon as it becomes available.

Dennis Winright (Member Services) System Safety Supervisor, teaches electric safety to area school children.

Bandera Triad

"A concept in action"

What is bright hot pink? What can be spotted on the most cluttered refrigerator? What vital information does it contain? Why does EMS look for them? They are refrigerator cards and they could be the difference between life and death.

Refrigerator cards are designed to provide vital information about you in case of an emergency. They contain your name, doctor's name, emergency contact, allergies, any major illnesses and the medications you are on. They can be picked up at most of the local banks.

The next Triad meeting will be on May 14 at 2 p.m. at the Silver Sage Corral Senior Activity Center on 11th and Hackberry streets. Our speaker will be Officer Shannon Robles. Officer Robles is the coordinator for Project X tattoo and a member of the Bandera City Police.

612-2509

Hi Y'all! How do you like this weather? We went to the zoo with Kay and The Kids on Sunday afternoon. The mild day made the stroll very enjoyable topped off with a ride on the Safari Train to allow the legs to cool down. A lot of memories came back to us as we retraced long ago footsteps through the old part of the zoo. Maybe that was the better part of the trip.

This coming Saturday, the St. Victor's Flea Market will be put on. Jackie Mixon tells us the tables under the pavilion are all sold out, but tables and spaces in the yard are still available. You can call Jackie at 612-2628. Don't forget to take advantage of their tacos and such to have something to munch on while you peruse the varied assortment of fleas on display. We are sure you will find something you can't live without. We always do!

For those of you who like to brew your own beer or who like to sample home brew, on June 7 the big Brewfest will be held at the Median Lake Betterment Association Civic Center. This event is of great interest to many folks with their home brewing or micro brewerys. So put this on the calendar for next month.

Also to put on the calendar for next month is St. Victor's Festival on June 8. This barbecue and get-together is a big blast for everyone in the community.

Does anyone remember just a few weeks ago when we thought we would surely turn into a mushroom from at least two rainy storms a week? Now we step out and have to be careful not to fall into the cracks where there is any amount of soil. Maybe with all our dry weather it is a good thing we have mostly rock and caliche, otherwise we would have all kinds of rescue calls for people lost in the cracks in the soil! Anyway, the lake is starting to show the dryness as the level is slowly creeping down. Just wait till the irrigating hits full flow!

The Medina Lake VFD is going to have a First Responders class starting this month. This will help train our firefighters how to care for an accident victim or any other medical emergency while awaiting arrival of the EMS unit. Anyone interested should contact Chief Jim Sharp at 612-2648. This is how we got started in the EMS back in 1981. Who knows, maybe one of y'all will get interested and be our replacement if we ever give it up!

Well, time is fast running away, so we better get this up to Bandera and go try to earn a living. We hope to hear from all of you about what's going on, so give us a holler. Until then, we will be looking for you over the back fence.

I wish to thank the citizens of Bandera for their support. I will do my best to help improve the city. Thank You Again -

A Thought For The Week

by John M. Grimes

Every wall, every barrier, every bridge has at least two purposes. A wall may be to you a thing of confinement, of limitation, or of handicap; and yet to someone else it may be a means of protection, of privacy, or of seclusion. A barrier may be to you an assurance of shelter or possession and to another a frustration or even a challenge. To one a bridge is a blessing; to another a curse.

The wall can either keep some out or keep some in. It is just there; it does nothing but one's approach, one's outlook, one's desire determines the usefulness or the futileness to be endured. Couldn't it be said that most things in life can be broken down in such a way? An hour in waiting can be a stressful or grueling experience to the impatient and the nervous, but that same hour to another person can be a pleasant hour of repose, learning, or meditation. To one and endurance; to another a delight.

If things that beset you seem to be insurmountable obstacles, take another look, realize that which is good and go on. Remember an obstacle is often an unrecognized opportunity.

Community Service: Fancy Words For Doing Our Part

There's a lot of talk about community service these days. But action speaks louder than words. We are proud when we can sponsor some kids for a field trip to Washington, help hang the holiday lights on the square, or assist local businesses.

We've got our priorities straight. Your electric co-op answers to no distant corporate tower. It serves no investors, only members like you. It's an idea we feel at home with.

Meador to play Sunday social

Silver Sage Corral

by Betty Lebo

796-4969

If you picked your paper up early this morning, Wednesday, May 6, maybe you'll read it in time to catch the Ribbon Cutting for Bandera County Public Transportation on the Courthouse lawn at 9:30 a.m. Various local city and county officials, representatives from Medina County Transportation, Alamo Area Council of Governments, et al, will be in attendance to officially publicize this new program. The "main thang" to remember is that this transportation program is for anyone, any age. For further information call Bandera County Public Transportation at 796-7758 (located at the Silver Sage Corral, 11th and Hackberry streets).

Peggy Huffman and Sylvia Saffell advise that the summer clothes, shorts, blouses, etc. donated by Janett's Western Boutique are now on sale in our gift shop. These are new items and prices are drastically reduced, so get [illegible] Traditionally, they sell out in a hurry.

Doc Meador and his combo are gearing up for this Sunday's social, May 10, at 2 p.m. Come in and take a swing or two around the dance floor. The group is getting better and better with the music and Doc and Randi Williams really sound great on the vocals. If you don't dance, you'll still enjoy listening and/or catching up on all the local gossip.

We haven't mentioned in a while that we serve lunch here at the Corral everyday at 11:30 a.m. The meals are prepared by Billy Gene's Restaurant. The cost for age 60 and over is $2 and for under age 60, $3. Reservations need to be made by 9 a.m. by calling 796-4969. Come by and pick up a menu and give us a call on the days you'd like to join us.

Lotsa water saving tips at Xeriscape/Conservation show

Q. We would like to save as much water as possible. We moved to Bandera County from a city where we had as much water as we wanted and we never gave water a second thought. Can you give us the names of some people or businesses that could help us about using our well, septic tank, and with landscaping? Also, someone who knows about grazing and water for we are thinking of buying some goats. We have about 15 acres of land

A.: First? I commend you for being good neighbors and citizens in trying to do the right thing in finding out all you can about conserving water at home, in your yard, and in regards to managing any grazing animals you might buy.

Your concern about what to do about saving water is certainly justified. Bandera County is enclosed within an area, including Medina County, which for more than 150 years, (documented in surviving histories) has been marked by a cycle of repeated severe floods and years of drought. Lakes, even large lakes, like Lake Medina (October, 1950), have actually dried up in the past.

The state designated this county a "critical water area" which means that you can expect water shortages during dry years. In fact, the county may still be suffering in the same drought that started about the end of 1992, despite last year's devastating flood. According to the National Weather Service in San Antonio, last month was the driest April on record. A wise course of action is to prepare for both floods and drought.

You are in luck. Normally, you would have to spend a lot of time and effort calling, driving, and researching to line-up the various kinds of quality expertise you are seeking. But, you can find most of what you need and want in just a few hours, close to [illegible] day – for free!

How? Go where you can easily find many conservation experts gathered together from the local area and other parts of Texas, in one location because they want to meet you, educate you and answer your conservation, landscaping, and animal-management questions. Attend the third annual Xeriscape/ Conservation Show! The show is brought to you by the efforts of Springhills Water Management District (SWMD) and is sponsored by The Bandera Bulletin. It takes place on Saturday, May 16, from 10 a.m. to 2 p.m. at the Mansfield Park Show Barn. Parking and entry are free.

Bandera City Mayor Bob Cowan will speak about the conservation issues affecting the town. And Brian Cummings, manager of the city's wastewater treatment plant, will show a new wastewater video and answer questions.

Representatives from landscaping and nursery businesses, like Maxine's Plants, Peaceful Valley Nursery, Plant Haven Nursery and Gift shop, Gunsight Mountain Ranch Nursery, and Natives of Texas who specialize in native plants and xeriscaping will be there to provide information, advice, and sell low-water plants.

Dorothy Matizza, owner of Gunsight Mountain Ranch Nursery; Susan Sanders, Director of Education Resources for Kerrville Riverside Nature Center; and, Betty Winningham, teacher and owner of Natives of Texas, well-known masters of cultivating and identifying Hill Country plants, will be giving presentations or hands-on demonstrations.

Billy Griffin and Philip Wright, agent consultants of the Natural Resource Conservation Service will be presenting and demonstrating the latest research information known about the Seco Creek Project, soils and/or backyard wildlife. They also know about grasses, composting, oak wilt, land restoration and brush clearing, among other subjects.

John Ashworth, geologist and senior consultant of LBG-Guyton Associates of Austin and retired hydrologist for Texas Natural Resources Conservation Commission (TNRCC), who authored the greatly respected and much cited work, "Groundwater Availability of the Lower Cretaceous Formations in the Hill Country of South Central Texas," will be giving a slide-show talk. And, William F. Wilson, chief hydrogeologist of Environmental Well Systems, Inc. will be teaching Hydrology, Hydrogeology and Conservation. Wilson, who has 32 year's experience in exploration, production, and environmental geology also teaches environmental technology classes for the oil and gas industry, and is experienced in well pump testing.

Georgina Schwartz, a director of San Antonio Audubon Society, wild birdwatching guide and teacher, will present a slide show about the birds of Bandera County. The Bandera County region is nationally and internationally known for excellent birding. One of the three main migration routes in the United States, the Midwest flyway, includes Bandera. Some of the most strikingly colored neotropical birds, like the Painted Bunting and Scarlet Tanager, can be found here. Besides eating loads of bugs, birds distribute native plants spreading the kinds of plants and grasses which are known for holding soil moisture.

Water conservation, water quality, and septic management information will be available from Springhills Water Management District (SWMD) General Manager Cameron Cornett and operational staff. The entire staff will be on site providing water conservation equipment, rainwater collection informational materials, selling high-quality rain gauges, demonstrating underground waterflow from wells, septic systems, and answering questions. Drip irrigation information from experienced operators will be offered by Jeannie Strickland of Love Creek Orchard, who successfully uses drip methods for large-scale apple growing.

The Bandera Public Library staff has assembled conservation resource materials covering both the Internet and library sources for the show. They will be available to help with questions.

Two important sign-up sheets will be located at the SWMD table for lining up future events featuring highly sought-after speakers [illegible] who were not available for this show. Malcolm Beck, author and owner of Gardenville, Inc. of San Antonio, is famous state-wide for his research, writings, radio appearances, and knowledge about the conservation benefits of composting and non-toxic fire ant control. And Pamela and Harley Rose, workshop teachers and author-owners of Rainwater Collection Over Texas are hands-on experts in rainwater collection systems. The University of Texas at Austin has recently installed one of their systems and they are featured in "Saving a Rainy Day" in the May 1998 issue of Texas Co-op Power.

Lastly, food and prizes! The 4H Club will be running the concession stand inside the show barn, selling terrific hamburgers, soft drinks and other goodies. Some lucky winner will take home a Tootie's homemade pie from "Tootie Pie" pie company, or a professional xeriscape landscaping design from Peaceful Valley Nursery, or perhaps a choice landscaping plant or tree, a free horsebackriding lesson from Grand Meadows Horse Farm, or a guided nature or birdwatching morning hike from Lonesome Hills Ranch, among [illegible]

Meet some great people, get the information you need, shop, and have fun, too! Hope to see you there!

True colors

It has recently been brought to my attention that the Candidates for All the People (CAP) have shown their true colors to the citizens of Bandera ISD through accusatory campaign ads. Regardless of the outcome of the School Board election, I would like to point out certain comments thrown out in their stream of negative, pessimistic political ads. One of the ads stated: "Sought, through the school systems, to involve the school children in this election process by endorsing the ideas of our opponents." (Bandera Bulletin, 4/29, p. 10).

First of all, to the CAP's, if you win a seat on the School Board, won't it be terrible when you realize you do not have the support of the "children" in our school district? How insulting to us that your trashy campaign rhetoric has now attacked us. You do not understand that we ARE the schools. We are true witnesses of everything that happens in their hallowed halls. We know what it is like there, every day, all day long.

It is sad when you candidates "in our behalf" do not believe that we are capable of making rational decisions. The "children" (I'm not sure I'm a child considering that I am 18 — as is 1/4 of the High School students — and can vote) are not brainwashed by the cries of S.O.S. (Save Our Schools). We do not have guns put to our heads forcing us to endorse them and their candidates. We weigh the facts, we know the issues, and we decide who to endorse on our own.

But how would you know that considering you have never met us. We see the School Board members (yes, even the ones running for re-election) at UIL meets, track meets, 4-H activities, football games, school carnivals. Where were you? They come to One-Act Plays, Little League, and Sport Banquets. Where were you? Did you walk our halls, stop to shake our hands, and wish us well? I don't believe I have ever met you, much less seen you. I could not pick you out of a crowd. Why? Because you have never introduced yourself to the "children" you fear are being "brainwashed."

To the School Board members, I applaud you. Your perseverance in the face of greed and decadence, character assassinations and miscued facts/statistics is commendable. You give us, the students in your benevolent care, strength and hope. You give 110 percent to us by providing us alternatives to an overcrowded school, by demonstrating that you at least understand our plight, and by risking personal comfort and security to lobby for it "in our behalf." I am only sorry you had opponents who were not in it for us, but for the money.

Remember, the children did not endorse you, the School Board, because you "sought" us. We endorsed you because you CARED about us. And as for CAP, we will never support you and your personal agendas.

Somer R. Stone, Senior '98
Bandera High School

P.S. As I finished this letter, I learned the results of the election. All I can say is, Mr. Hamilton and Mrs. D'Spain, welcome to OUR world — the world of students, parents, and teachers. Now the fun really begins.

One Day's Fun

Dogs, man's best friend. Playful yes, but what ruins a peaceful county community is people that leave their sweet, playful, fun loving canine instinct pets unattended. Sure, they are home when you leave for work, and home when you come home. Wake up, dogs love to chase, nip, and bite what will run from them, just like a wolf! Pretty soon it tastes like their favorite dessert. All this is their canine instinct, like a wolf, and the chase and killing is fun.

On the other hand you have a person that raises livestock for a living. Each dead animal and each set of twins it would have raised when killed is like me taking your paycheck at any time of the year and as often as it seemed fun. Last year, uneducated unknowns let a pair of collie pets kill 15 ewes and the 30 lambs that they had or would have produced. This amounted to about $3,900 that I not only lost this year but will have to wait another year or so to deposit. No real catchup!

So, if it's all the same to you, mail me or any rancher around Bandera a $3,900 check, or better yet, let us know how we could take it as indiscriminately and unannounced as pet dogs. I promise to send it back to you as soon as Bandera's uncontrolled pets allow us to recoup.

And yes, we do holler, scream and shoot. Sometimes we run dogs off, but it's lambing season here and even a small dog will cause a nanny to abort. When kids are on the ground, any size dog can cause certain death, so best wishes to you and all your pets. We will continue to love our pets too. Thanks for understanding...

The people have spoken

A firestorm of controversy is raging in the Texas Hill Country over the Texas Parks and Wildlife Department's efforts to draft a "Safe Harbor" Central Texas rare Species Conservation Plan. Bob Stallman, President of the Texas Farm Bureau, ignited the firestorm when he launched a vicious attack in the April 3rd issue of Farm Bureau's Texas Agriculture against Liberty Matters and the American Land Foundations, two stalwart property rights defenders which had gone public with criticisms of the "Safe Harbor" plan.

Gary Joiner, associate legislative director of the Texas Farm Bureau, following an April 30th Farm Bureau meeting in Lampasas, defended Stallman's attack as being provoked by a March 16; 1998 American Land Foundation Action Alert in which readers were urged to call the Governor's office in opposition to the plan. Joiner said that the Governor's office, after being flooded with calls, contacted the Farm Bureau to verify that they were still a player in the "Safe Harbor" dialogue. After receiving assurances of support, the governor's office asked for the Farm Bureau's support in countering the opposition, prompting Stallman's press release.

Stallman's entry into the controversy engendered much anger among the Farm Bureau grassroots; members began calling their county offices to cancel insurance policies, to criticize the Farm Bureau's position, and in some cases to withdraw their membership.

Local Farm Bureaus responded to the crisis by convening special meetings to address the "Safe Harbor" controversy. Between April 23 and April 30, meetings were held in Llano, San Saba and Lampasas, where the issue was discussed in the presence of local Farm Bureau members. In each of the meetings, the audience was polled and not one hand went up in support of the plan.

At the Lampasas meeting, a request came from the floor that in view of the vocal grassroots opposition to the "Safe Harbor" plan that the Texas Farm Bureau should terminate its participation in the draft process. (At the Llano meeting Gary Graham with the Texas Parks and Wildlife Department publicly stated that if the Farm Bureau came out against the plan that TPWD would kill it immediately.)

Mr. Joiner indicated that the Farm Bureau's participation in the draft process was in accordance with the Farm Bureau's state policy, and that in order to terminate their involvement in midstream would require action through the convention process. Mr. Joiner's position, however, is untenable in that the 1998 Texas Farm Bureau policy states that, "...we urge the Texas Farm Bureau and the American Farm Bureau to exert all possible power and influence to assert and maintain States' and local rights." The "Safe Harbor" program is a federal program and as such it is pursued in contradiction to stated Farm Bureau policy.

One analysis of the plan noted that, "...(the plan) is authorized by federal legislation, implemented pursuant to federal regulation, guided by federal policy, developed with federal funding, contingent upon federal approval, subject to federal monitoring, and enforced pursuant to federal laws."

The Texas Farm Bureau's insistence on continuing dialogue on the "Safe Harbor" plan is subversive to the democratic processes which are supposed to govern both the Farm Bureau and our nation. This continuation of dialogue represents the consensus process which is the newest fad in political correctness.

According to Henry Lamb, publisher of Ecologic, "The consensus process bypasses elected officials; removes accountability; imposes an agenda which originated elsewhere; and shifts governance from the people governed, to the enlightened elite. The genius of our Constitutional Republic is the design that forces public policy up from the bottom — from the people governed."

The consensus process is wrong according to Lamb because "...non-elected bureaucrats assume the power of making public policy through a process that becomes legally binding upon the people who are governed — and provides no recourse for remedy at the ballot box."

The people have spoken. Is the Farm Bureau listening?

Mason County Farm Bureau

New law stops a stalker

Capitol Comment

by U.S. Senator Kay Bailey Hutchison

Since my days in the Texas Legislature, I have been acutely aware of the great vulnerability of innocent people who are stalked or threatened. In 1996, I introduced legislation in the U.S. Congress to strengthen the protections we offer stalking victims—many of whose stories we so often hear only after they end in tragedy. The bill became law that same year.

The law makes it a felony for a stalker to cross state lines with the intention of injury or harassing a victim. It makes it a felony to place a stalking victim in fear of death or serious injury in violation of a protective order by such travel. And it extends that protection of law to members of a victim's immediate family.

The first man successfully prosecuted under this law is a case in point.

Frank Odom, 52, had a lengthy history of domestic violence on his record before this case even started. In 1993, he was convicted in federal court in Alabama of telephone threats against one of his ex-wives. When he was released from an Alabama federal prison in December, 1996, his plans consisted of traveling to Texas in order to stalk his first wife and their three sons. He first threatened his wife and sons over the telephone, saying he was coming after them. He told numerous people in Alabama he was going to kill the victims and take his youngest child, an 11-year-old boy who was in the legal custody of one of his older brothers.

Once in Texas, Mr. Odom tried to obtain their addresses from the post office, caused one son to have an automobile accident by driving across several lanes of traffic in front of him, cutting him off, and sent a letter asking to visit another grown son's newborn baby. His arrival in Texas was a nightmare-come-true for the family.

But his threatening behavior in both Alabama and Texas allowed federal prosecutors to invoke the new law and intercede. The case was investigated by special agents of the FBI, which also was provided for under the law. Our law enforcement agencies and criminal courts were able to stop Mr. Odom and get him away from his victims before he committed a serious act of violence.

This has been a part of the problem for so long: even when there were threats, until this law was enacted, there was no legal way to help victims.

U.S. District Judge James Nowlin sentenced Mr. Odom to the maximum 20 years in federal prison and fined him $50,000. His family can now breathe easy, knowing he will be incarcerated for a long, long time.

Freedom from fear is one of the most cherished freedoms we enjoy in this country. Stalking victims are robbed of that freedom every day. Now we have a law that holds stalkers accountable for the threats they make.

Society is better knowing that women and children do not have to wait until a tragedy occurs for the law to step in and provide victims with the protection they deserve.

Regional issues and local solutions

...de 232 citizens of our ...ted in the Saturday election. Apathy! I think not. Our community is very much alive and into the democratic process. For that I am most grateful. It is difficult to get a consensus of how the majority of our community thinks and feels when only a small percentage of folks show up at the polls. For some of you I know this was a real struggle to get to the polls and vote, but your efforts are sincerely appreciated by those of us elected to serve you.

Last Friday, I attended a "Regional Issues — Local Solutions" conference in San Marcos. It was my privilege to hear not only larger metropolitan county judges and mayors, but many representing rural areas such as ours. Common problems abound, problems needing to be addressed not only locally, but regionally as well. As many of you know, our region is one of the fastest growing in the United States.

This growth brings on many challenges, i.e. people, green areas, water, urban and rural sprawl, etc. One of the hot issues was rural sprawl and the lack of tools in the hands of county officials to do anything about it. I know that we in the city have plenty of challenges, but as has been said, "no man is an island, we are all part of the peninsula," so is our city a part of our county.

What happens in our county directly affects us. I urge each of you to help our county officials get legislation that would provide the tools to enable them to stop the blight of rural sprawl.

Again, my sincere thanks to each of you that voted in the election. Yes, even those who voted for my opponent. I would hope that we can overcome our differences and peacefully work toward common goals to improve the quality of our delightful city of Bandera.

Our City Council meetings are held the second Monday of each month at the city municipal building, across Main street from the County Courthouse. The meeting starts at 7 p.m. Our next one will be held on Monday, May 11, 1998. Come listen to your governing body in action.

Obituaries ...

Allan

William Nelson Allan Jr. was born in Blanco, Texas on March 31, 1917, the only son of Jessie [illegible] Allan of Blanco and [illegible] Allan of Bandera. He died April 30, 1998 in Seattle, Washington State. He graduated from Blanco High School and attended Southwest Texas State Teachers College and The University of Texas at Austin.

He began working in the highway construction industry as a crew "hand" on Depression-era projects. In 1937, while working in Caldwell, Texas, he met his wife of 59 years, Thelma Lucille Broaddus. They married in 1939 and moved frequently within Texas, as his career required. During World War II, he worked on the construction of air fields and served in the U.S. Navy.

During the post-war boom, he purchased his first piece of heavy equipment and launched his own small business. When his uncle, T.C. Cage, offered him a partnership in Cage Bros. in 1950, the family moved to San Antonio and built the home at which he passed away on April 28, 1998.

Dedication to hard work and innate building genius was soon recognized by his peers in the industry. In 1963, he established Allan Construction Company, which became a primary contractor of the state and interstate highway systems in Texas. In 1965, he served as president of the Associated General Contractors of Texas, and also served on numerous industry boards. He was appointed by Governor John Connally to the Texas Air Control Board and the Texas Aeronautics Commission. He also served on the National Small Business Advisory Board.

Internationally his Costa Rican construction company, Rawcon de Costa Rica, built major parts of the Pan American Highway. Committed to community growth, he served on the boards of several area banks. Because he loved rural life, his ranch at Tarpley, and beautiful horses, he was active in the development of the racing industry in Texas.

He was a true visionary and a master builder. But he always described himself as "just a road hand." A lifelong member of the Blanco Methodist Church, he was preceded in death by two sisters, Juliet Allan Moore and Velma Allan Roach; and grandson, Allan Swift Cherry.

He is survived by his loving wife, Thelma; children, Jessie Killian and husband John, Lucille Lowe and husband Clifford, and William Nelson Allan III and wife Janelle, all of San Antonio; grandchildren Pamela Cherry Kowalski and Todd Allan Becker, both of Tarpley, Henry Allen Cherry of Houston, Clifford Ault Lowe Jr. and William Nelson Allan IV, both of San Antonio; great-grandchildren Kyla Marie Kowalski, Jessie Claire Kowalski, Henry Collins Cherry, Cody Matthew Cherry and Marissa Nicole Becker; niece Mary Moore Untersee of Tyler; and nephew James Edward Swink of Tyler.

Memorial visitation was held [illegible] at Sunset Funeral Chapel. Graveside services were held at 10 a.m. May 1 at Sunset Memorial Park in San Antonio.

The family requests that memorials be made to the First Presbyterian Church of Caldwell, Texas, and to VNA Hospice of San Antonio.

Arrangements by Sunset Funeral Home in San Antonio.

Lewis

Oliver T. (Buddy) Lewis, 81, a former resident of Medina, died May 4, 1998. He was an Austin resident for over fifty years. He served in the Army Air Corps during World War II. He married Vivian Taylor in 1945. He was a charter member of the Park Hills Baptist Church where he and his wife enjoyed participating in all of the church's activities. He worked for the U.S. Postal Service for 39 and1/2 years, until his retirement.

Survivors include his wife, Vivian Lewis; daughters and husbands Teresa and Larry Eckert and Nancy and Jay Owens; brother and wife Cecil and Hildegard Lewis; sister Marjorie Clark; grandchildren Brian Eckert and wife Jennifer, Kim Harris and husband Chris, Jana Owens, Caree Owens and Loree Owens; and four great-grandchildren.

Funeral services will be held at 11 a.m. Wednesday, May 6 at Park Hills Baptist Church, Drs. Rick Spencer and Jay Owens officiating. Interment will follow at Cook-Walden/Capital Park. Pallbearers will be deacons of Park Hills Baptist Church.

In lieu of flowers, memorial contributions may be made to Park Hills Baptist Church, 2500 Bee Caves Rd., Austin, Texas 78746.

Arrangements by Cook-Walden Funeral Home of Austin.

Dennis, Graciela and James Thompson

Thompson earns BA degree

James E. Thompson was awarded his Bachelor of Arts degree in Government from The University of Texas at Austin during May 23 ceremonies at the university's Frank Erwin Jr. Special Events Center.

James is the son of Pastor Dennis and Graciela Thompson of Bandera.

St. Mary's benefit a big success

Hi Folks. I really think it might be a good idea just to skip our weekly weather report — I wish I could assure you the promised rains will come. The way Albert Flores reported tonight, 30th of April, that all next week is dry with temperatures up to 90 degrees. Our mornings very cool and it varies like 30 degrees from morning until afternoon. You local folks know this report, but we do have some faithful out-of-state readers as yet who look forward to Texas news and weather!

Margaret Cain reports the St. Mary Catholic church benefit near Vanderpool was a real success with a large crowd present to enjoy all the delicious food of grilled hamburgers, also delicious desserts, etc. They were most grateful to all those who contributed in any way to the success of their sale.

Those in Boerne Wednesday to replenish their spring plants were M.L. and Sharon Armand and Eunice Meyers. They spent a very busy day but accomplished a lot.

Had a letter from an early citizen of Tarpley in the pioneer days and an avid reader of Bandera County news. W.R. Raleigh Moses of Springfield, Virginia. He recently celebrated his 92nd birthday (March 8) but remembers his early life in the Tarpley area very well, and the folks who lived there. Sorry to report he has had lots of medical problems, including a carotid artery blocked over 90 percent obstructed, then two bleeding ulcers, and tests showed also congestive heart failure, which he says he will have to live with. But he's recovering nicely and only his age against him, he says! We wish him a healthy recovery.

Sympathy is extended to the family of William J. Allan III of Tarpley, who passed away Tuesday in a San Antonio hospital. He had resided in the Tarpley area for several years and was an owner of the Bandera racetrack. Funeral arrangements were pending as of April 30.

Elzie and I drove to Fredricksburg's sheep auction Tuesday. Spent the day since there were so many goats and sheep on hand. Found the lamb market had really dropped from $1.10 to $1.10 per pound to 60 cents and top price at 76 cents per pound. Was a large cattle auction Wednesday. Many are bringing in animals the day before, so no matter how early one gets there on sales day, you are late! Tough luck!

"To love what you do and feel that it matters — how could anything be more fun?"

— Kathrine Graham

Good turnout during Saturday's Medina ISD school board election

Congratulations to the two winners of the school board election; incumbent, Lowanna Sides was reelected and Randy Boysen was elected for a first time. A big turnout of voters this year. There were 127 "early voters" and 223 votes came in on Saturday.

Congratulations to Matthew Bogler, a Medina ISD sophmore who got second place in high jump competition and is going to state. He jumped 6' 6" and his previous personal best had been 6' 2" and this is his first year to participate.

The Elementary Awards Program is May 12 at 7 p.m. for all of you with grandkids and children who may want to attend. And, prior to the awards, beginning at 6 p.m., Ms. Harbour's 5th grade class will be performing three short plays. This class has worked really hard practicing on these, so do try to attend.

Garden Club

A salad luncheon will be served and the last meeting for the year for the Garden Club on Wednesday, May 13, starting at 11:30 a.m.

Graduation

Schreiner College is having their graduation ceremony on Sunday, May 17, and guess who is graduating? My very own sweet and talented daughter, Victoria Mullins! She is the very first student from Schreiner to receive a Graphic Design degree. There may be helium balloons going up in the auditorium for her.

Our last day of school is Thursday, May 28 and the graduation ceremonies are the evening of May 29. Everyone is invited to attend.

Visitors

Juanita Baker's brother, Carey Childs from Gallup, New Mexico come and stayed a week with her recently and departed this past Sunday. She had three whole lists of "honey do's" for him when he got here.

Lisa and Lanny Shope were here this week visiting her mom and dad, Joe and Virginia Britt. The live in Frisco, Texas.

Cali Redd and baby, Heaven, came here to visit mom and sister, Linda and Mandy Barton this week.

Dorothy and Orville Weir went to Tarpley to visit old friend, Raymond "Spot" Wright, who came home with a weekend past from the VA Hospital in Kerrville

Illness

Ellen Walker of Bakersfield, California is critically ill. One of her sisters, Tootie Faegan, flew out to be with her this past week.

Death Notices

Carlotta DeLeon passed away this past Friday. Our condolences to all of her family. She raised 11 children.

A former longtime resident of Medina, Troyce "Buddy" Lewis, passed away this past weekend in Austin. Our condolences to his family.

Mother's Day events planned

Faith Chapel of Lakehills will hold a Mother's Day service May 10 at 10:30 a.m., which will include a flag ceremony by the children's department, carnations for all moms, an exhortation by Pastor Bob O'Dell to mothers and their families, a special Mother's Day message by Denise O'Dell, and refreshments following the service.

The church also has two other special events scheduled for May:

• On May 24, guest speaker Apostle John Dean will present at 10:30 a.m. and at 6 p.m.

• On May 27 at 7 p.m., Faith Chapel Christian School will host its end of the year program.

The public is welcome to enjoy any or all of the church's May events. Faith Chapel is located on Park Road 37, one mile west of FM 1283 in Lakehills.

Texas Hill Country Freethinkers

Humphreys, Stimmel earn Optimist honors

Lisa Humphreys and Jimmy Stimmel were named students of the month by the Bandera Optimist Club.

Lisa Humphreys has been extremely busy during her years in high school. A three-year member of National Honor Society, Lisa currently serves as vice president and she is treasurer of the Student Council. Lisa has maintained an excellent academic record placing her in the Bandera High School Top 40 club. Last year, Lisa was one of the delegates sent to the Texas Bluebonnet Girls State. Lisa is a four-year member of the Texas Association of Future Educators. And finally, in her second year at the Business Professionals of America competition, Lisa placed third in state competition and qualified for nationals.

Jimmy Stimmel is an all around student. That is, he excels not only in the academic field but also on the playing field. A very committed sportsman, Jimmy has participated in football where he was chosen first team all-district, named to the All-Southwest Texas team as a [illegible] and participated in basketball where he made second team All-District and he recently qualified for regionals in the 400 meter relay. Jimmy is currently a member of the Fellowship of Christian Athletes.

Phillips earns state editorial award

Bandera High School senior Crystal Phillips was awarded second place in the 12th Grade division of the 1998 Hatton W. Sumners Editorial Contest through the Law Related Education Department of the State Bar of Texas.

High school students across Texas were asked to explain through editorials the rule of law, its historic roots and methods to keep it alive on a daily basis.

The editorial contest builds on the success of the Hatton W. Sumners Institute on the Founding Documents, which is presented to social studies teachers around the state to enhance their understanding and importance of our nation's founding documents. This contest gives students a chance to explore the principles of American democracy.

As the second place winner, Phillips received a $1,000 college scholarship for her editorial, "The Rule of Law." Sponsoring teacher Claire Roberts of Bandera High School received $500 for her award-winning student. Teachers were asked to use the money to purchase additional classroom materials and/or resources.

Pain may be eliminated for millions
(SPECIAL) -- A drug that is exciting researchers in the treatment of pain has been formulated into a new product known as "Arthur Itis," and is being called a "Medical Miracle" by some, in the treatment of debilitating conditions such as arthritis, bursitis, rheumatism, painful muscle aches, joint aches, simple backache, bruises, and more. Although the mechanism of action is unclear, experiments indicate that Arthur Itis, relieves pain by first selectively attracting, and then destroying the messenger chemical which carries pain sensations to the brain, thus eliminating pain in the affected area. Arthur Itis, is available immediately without a prescription in an odorless, greaseless, non-staining cream or new roll-on lotion form. Arthur Itis, is guaranteed to work or your money back.

Keese, Owens to wed

Kara Brooke Keese of Krum, Texas will marry Chrystopher Charles Owens of Aubrey, Texas on Saturday, June 27, 1998. Kenneth and Jane Keese of Krum are parents of the bride-to be, and she is the granddaughter of Mr. and Mrs. Alle Allsup of Medina. She attended North Central Texas College and is employed by Title Resources. The Rev. 'Buddy' and Evalois Owens of Aubrey are parents of the prospective groom. He is a graduate of the University of North Texas and is employed by Hammett & Nash Inc.

Donkey Bball benefit set for May 11

Project Graduation is sponsoring a "Donkey Basketball Game" at 7:30 on Monday, May 11 at the Bandera High School Gym. Advance tickets are $5 for adults and high school students and $3 for children of elementary school age. Tickets are available at the door for $7 and $5.

Competing teams will consist of Ranch Radio, Coaches and faculty, senior girls and senior boys. Proceeds go to Project Graduation.

Advance tickets are available by calling Pat Forsythe at 796-3753, Gloria Robbins at 796-6233 and Telvy Robbins at 796-6266.

Bandera, Keen featured in national cowboy magazine articles

OKLAHOMA CITY — Articles on Bandera, and a profile of Robert Earl Keen of Bandera, are featured in the Spring, 1998 issue of Persimmon Hill magazine, the official publication of the National Cowboy Hall of Fame in Oklahoma City, Oklahoma. The articles were written by Terry Zinn and Carolyn Wall of Oklahoma City, and by Lin Sutherland of Austin.

In the profile, "Robert Earl Keen, Singing For Us All," Wall writes, "With ease and perfection, Robert Earl Keen writes and sings about loners, losers, desperadoes, and outlaws as well as those hopeful American heroes with familiar heartaches."

Zinn writes about the Diamond H Ranch bed-and-breakfast in the article, "Something is Fowl in Bandera, Texas." He states, "The proprietors, Tom and Polly Herrington, operate a game bird production complex, supplying birds for game preserves, range restocking and fine dining."

The article, "Western Luxury Lands at the Flying L Guest Ranch," focuses on this ranch that opened to guests in 1949 — one mile from Bandera, off Highway 173 South.

Zinn writes, "Travelers choosing to stay at the Flying L will have only pleasant surprises in this 41-suite complex of western comfort, complete with cable television, microwave, refrigerator, telephone and private bath."

In the article, "Texas Hill Country Ranches," Sutherland highlights four guest ranches: Maudeen Marks' 1,200-acre LH7 Ranch with its 460-acre lake; Clay Conoly's Dixie Dude Ranch that was founded in 1901; Don and Judy Hicks' internationally known Mayan Ranch; and Ake and Marcia Eriksson's Bald Eagle Ranch.

Persimmon Hill is an award-winning magazine with an international circulation. The publication is dedicated to preserving the myths and legends of the American West and is available through a $25 annual subscription or an annual $45 membership to the National Cowboy Hall of Fame, 1700 N.E. 63rd Street, Oklahoma City, Oklahoma, 73111.

Vanderpool Heritage Festival, trail ride set for Saturday

A Heritage Festival in Vanderpool is being planned for Saturday, May 9, from 7:30 a.m. until 9 p.m., hosted by Madrona Springs Cabins. The festival, which is open to the public, will feature exhibits of bygone days in the Sabinal Canyon. The festival will feature, among other things, a Cowboy breakfast, barbecue lunch, an arts and crafts show, demonstrations of old-time skills and trades, music, storytelling, rides, and the Texas Gunslingers.

Demonstrations and events are scheduled to begin every half hour throughout the day.

The Vanderpool Volunteer Fire Department will host a Cowboy Breakfast at 7:30 a.m., followed by a Trail Ride which will leave from the cabins. The Utopia Volunteer Fire Department will be selling barbecue sandwiches, chips, etc. for lunch. Soft drinks, other non-alcoholic beverages and miscellaneous refreshments will be sold throughout the day.

The Sabinal Canyon was a passageway for native Americans to travel from the north to Mexico. It was a place where early settlers came and, discovering the beauty, decided to inhabit the area.

Many people currently live and love the area, and organizers hope to preserve the area's culture by hosting a yearly festival in the community. Antiques or arts and crafts enthusiasts are asked to participate by renting booth spaces. Booth spaces will be rented for a $25 fee.

There will be a small gate fee of $3 per automobile for those attending. For more information, call (830) 966-5198 or write Madrona Springs Cabins, P.O. Box 227, Vanderpool, Texas 78885.

Thank You...

The family of Harvey Stratton would like to extend their deepest gratitude to all the relatives and friends who called, sent cards, flowers, food, and prayed for us during our loss.

GOD comes in many ways to comfort us, and we can truly say we saw and felt His presence in each and every person who has touched our lives.

CW STEAKS

Relax on the Shaded Patio by the River!

C.W. Steaks opened in April 1995 and rapidly became the area's premium steakhouse. It is located on Junction Highway between Ingram and Kerrville, overlooking the Guadalupe River.

C.W. Steaks serves only Sterling Silver® choice, heavy-aged top sirloin steaks. These represent the top 10 percent of all the graded beef produced in the United States. From the fresh cooked scratch yeast rolls, to the freshly prepared desserts, the emphasis is on serving consistently good food. According to Joe Vinyard, General manager, "Our simple menu is the key to being able to maintain great quality on each and every item we serve. Many restaurants have more specials than we have items." Each steak is served with pride and confidence since they are all guaranteed to be "tender, juicy and delicious," or they will take it off the guest check, or you'll be given a certificate to return at no cost.

"These steaks come to us fully guaranteed and our supplier replaces any steaks which are not up to standard without question — this makes it easy for us to make our guests happy," says Vinyard.

The service is basic all: butlerfriendly and efficient.

"We believe good service and formal service are not the same thing. Our goal is for our guests to feel welcome and at home in a relaxed atmosphere," according to Joe. Since the focus of the restaurant is on families, they offer a very reasonable children's menu and have available booster chairs and high chairs. They do not serve alcohol, but have wine buckets, openers and wine glasses as well as hosted beer mugs on request.

"Lots of folks have discovered that they can bring a bottle of their favorite wine or six-pack of beer much more cost-effectively than I could afford to sell it," says Vinyard.

The relaxed atmosphere is accented with at "free play" jukebox and signs with clever quotes. The back of the restaurant looks out on the beautiful Guadalupe River, with an open air patio.

"Our goal was to create a restaurant in the Texas tradition — not real fancy, but great steaks!" Vinyard said.

Learn needs of VFD

The fifth month of the year, [illegible] named for Juno, the Roman goddess of growth and plenty. Aptly named, May truly lives up to her expectations, providing us with cool nights and warm days which are the perfect weather conditions for growing our gardens and lawns. All we need now is a little rain to help things along. Unfortunately, April let us down this year, not providing us with those showers in abundance that we were expecting.

We have lots of birthday congratulations this week.-Cindy Ponce and "Mr. Mac," Robert McGregor shared the same birthday on April 30th. Dana and Dickie Simmons' son, Vince Simmons turned 36 on May 2nd, their granddaughter Melanie Rene Simmons turned 14 on May 5th, Gary Simmons turns 35 on May 5th and Kimberly Hansen turns 30 on May 23rd. The Simmons certainly have a busy month ahead — It's no wonder they are going to start keeping the Copper Lantern closed on Sunday and Monday starting May 10th.

Let's not forget the upcoming bash at the Dock being held May 16th for Alfredo Gomez and Linda Fox who share the same birthday. Don't forget to bring a covered dish.

Gladys Richardson had a quad four heart bypass this weekend. She is recovering well, according to her husband Gilbert. She will probably get to come home this coming weekend. She is in Methodist Hospital in San Antonio. Our best goes out to you, Gladys. We're all pulling for you.

I met with Dick Hinebaugh, recently elected to the Board of Directors of the Lakeshore Volunteer Fire Dept., to discuss some of the things we need to have repaired or brought up to date around the Fire House. These things take manpower and donated time. We are proud of our organization and want our Fire House, trucks and grounds to reflect a good image. There is an unending list of things to be done when an organization such as ours depends solely on our members. We need HELP! If you have an hour or two to help get our Fire House in ship shape, it would be greatly appreciated. To mention just a few things we need are as follows: insulate water pipes, a box for the new pumper truck needs to be built to carry extra air bottles for SCUBA gear, some minor roof leaks and we have a water pressure problem in the drinking fountain. The department supplies all materials needed, but we need warm bodies to help us.

Clean up/fix up is under way at the Fire House in preparation for the May Festival to be held Memorial weekend, May 23rd. This past week individuals were painting the water tank, repainting signs and replacing the old fence around the aluminum can deposit. Thanks to Alfredo Gomez and Dick Hinebaugh, Curtis and Mary Bird and Gilbert Richardson who installed an extension on the P.A. system antenna which will help broadcast the auction outside."

Robin Cook and Beverly Moffitt are still collecting items for the flea market at the Fire House on Saturday mornings from 9 a.m. till noon. If you have any questions or problems with the time, give Robin a call at 460-8116. Dorothy Rucker is still collecting items for the Country Store. She will be at the Fire House on Saturday too. The Country Store promises to be outstanding this year. Dorothy and I were looking over the items we have collected thus far the other day when Boots Johnson came over with more beautifully hand crafted items. Boots has been "our right hand man" helping us get the Country Store organized this year. She couldn't be in charge of the store this year because she will be out of town for a graduation. A special Thanks to Boots!

Congratulations to Airman Russel Ponce upon graduation of Basic Training at Lackland Air Force Base, Friday May 1st. Russel is the son of Cindi Ponce and a 1995 Bandera High School graduate. He will continue in San Antonio where he will attend tech school and proceed to California for further tech school training at which time he will be assigned his permanent duty station. Cindi and John Adams, along with other family members attended his graduation ceremony Friday. We're very proud of you Russell.

Condolences go out to Loyd and Delane McMullen this week on the loss of a very dear friend of theirs from Pueblo, Colorado who passed away last week in Apache Junction, Arizona. Our thoughts are with you.

The Tip For The Week comes from the bubbly new waitress at the Copper. Patty Miller says she loves her job and using old newspapers to clean the windows makes her job a snap. Newspapers put paper towels and rags to shame when it comes to cleaning windows.

Hey, folks! The Bandera Bulletin is now available at the Dock. The latest issue is always available by Wednesday afternoon.

I saw several familiar faces at the election polls on Saturday morning. It looked like we had a good turn out. Thanks for voting. Congratulations to Susan D'Spain, Al Hamilton and Rand Hicks.

I saw Fred Braun and his big black dog (sorry, I didn't catch his name) taking a time out from their walk down by the park the other day. He wanted to thank Ben Bird for the wonderful job Ben did for him. Fred and is getting all of his utility lines put in. He is so proud of the work Ben did, he wanted to make a public Thank You. So, here goes! Congratulations-Ben, you earn the Good Neighbor Award this week.

Making it official

Friends, family and other folks help Johnny Boyles, wife Holly and sons John and Milam at the official grand opening Saturday of the newly-expanded Boyle's Market. The 35,000 square-foot complex is home to a grocery store complete with a service meat counter, a deli, True Value Hardware, and Bandera Wine and Spirits. The Boyle family has been in the retail business in Bandera for 91 years.

Cheerleading/ dancing/ tumbling classes offered

Hill Country Gymnastics Club will offer a cheerleading, dance, gymnastics and mini-trampoline class this summer, for children ages 6-12. Registration for the $60 course ends May 9, and space is limited. Classes will be held on Thursdays in June and July, from 9-11 a.m. at the Hill Country Elementary school gymnasium. To register, call Kim Mooney, at 612-2840, or the school at 535-6151.

Thank You...

For your concern and support in the school board race. A special thank you to Don Jones and the Save Our Schools Committee. I appreciate each one of you. Please continue your efforts on behalf of the children of Bandera ISD.

One step at a time

THE PASTOR'S PULPIT

by Rev. Don Lee
St. Christopher's Episcopal Church

I once read "Hope blesses modest gains knowing that the most difficult journey starts with one step." When I first moved to Bandera and began my duties as Rector of St. Christopher's, I was invited to become a part of BCCF (Bandera County Christian Fellowship). I was informed that the vision and hope of the BCCF was to bring forth a strong and knowing presence of Christ in Bandera County. After five years and lots of hard work by all the Christian community this vision is becoming a reality.

I was reminded of this as I reflected on two community events to proclaim Christ that took place back to back. Easter Sunday was a day of celebration that began with a community-wide sunrise service held on the courthouse lawn. Almost two hundred people gathered at the break of dawn to stand together as a Christian community in witness to the risen Christ.

And then two weeks later, the Bandera Music Lovers kicked off what I hope will be an annual event, a Gospel music festival held down on the river behind the Beverage Barn. Incidentally, our Easter sunrise service used to be held in that same place. Who knows, maybe we will be having a Gospel music festival downtown all around the courthouse square. Along with the Gospel and praise music, the Riders for the Lord, a newly-organized trial riders group, held their first trail ride. It didn't draw the numbers like the Easter Service or the music festival, but it was a first step and with God's blessing it too will grow into a witness for the Lord. Yes, the hope and vision of the BCCF is moving forward.

In September, St. Christopher's along with Grace Lutheran will host the fourth Labor Day weekend Cowboy Eucharist, a community service offering to all the opportunity to hear great ole' time Gospel music and share in the Lord's Supper. This year our feature preacher is Crystal Lyons. Crystal, a professional women's rodeo champion, now travels around the country, singing and performing for the Lord. Mark your calendars for Sunday, September 6 and come out to enjoy yet another great event expressing the Good News of Jesus Christ.

In October the BCCF is sponsoring its second county-wide Crusade, again giving the people of Bandera County the opportunity to hear God's word and music, to see and know of His presence and to grow in His love for all people. Yes, the hope and vision of great things all begin their journey with one step. Bandera and the entire Christian community are indeed taking steps, steps that are reaching out to our community. We invite all to come and take part in these wonderful events.

Meeting in the building behind Bandera Bank.

William W. "Bill" McGarity presents Rev. Kenneth Frank Brown, of Walker Memorial Baptist Chapel, with a plaque in honor of pastor Brown's retirement from the ministry.

Brown honored at retirement

On Sunday, April 26, Walker Memorial Baptist Chapel held a special celebration honoring its pastor, Rev. Kenneth Frank Brown, who retired after 50 years of active ministry to congregations across Texas. He was licensed to preach in 1948 and began his pastoral experience at the Southside Mission in Brady. He also pastored churches in Comanche County, Dallas, San Antonio and finally, for the past six years served as pastor for Walker Memorial.

"Brother Ken," as he is known to most people, graduated from Edison High School in San Antonio and received his undergraduate degree from Howard Payne University. He received both Master of Divinity and Master of Theology degrees from Southwestern Theological Seminary in Fort Worth and also did graduate study in psychology at the University of Texas in Austin.

Following the Sunday morning service at which Rev. Brown was guest speaker, the chapel hosted a special luncheon in his honor and he was presented with a commemorative plaque. He has made his retirement home in Bandera and looks forward to being part of this community in the years ahead.

FAITHBREAK

BY DENNIS THOMPSON

Greetings, Have you ever stopped to think how important your focus can be? You don't have to be a photographer to find the significance of keeping things in focus. If a photograph is out of focus, the details of the picture are blurred. When a human life is out of focus, the priorities of living are unclear. When you lose track of what is and isn't important in your life, you lose focus. Unimportant things become major distractions. Perhaps the whole direction of your life shifts away from who you want to be. Someone once said, "Put God first and the rest will fall into place." Well, it may take time and everything might not fall into place — but putting God first in your life can help you find your focus. And with a focus for your life, everything else will find its proper perspective.

"My people are destroyed for lack of knowledge, because you have rejected knowledge, I also will reject you." HOSEA 4:6
Not knowing why you are on earth, will not fly as an acceptable excuse to God. Quite the opposite – it will cause you to be destroyed.
"For God so loved the world that He gave His only begotten Son,-that whoever believes in Him should not perish but have everlasting life." JOHN 3:16
This is God's Plan for your life. What is your plan for your life? Do you think you can out-plan God?

Let's Do State!

BHS's Dubose takes Regionals, advances to State

KINGSVILLE – The third time was a charm for Bandera High School senior golfer Thad Dubose.

Competing in his third straight Class 3A Region IV golf tournament at the L.D. Rainey Course in Kingsville, Dubose fired a two-day, 36-hole total of one-over-par 145 (70-75) to win first place in the individual medalist race.

That win gives Dubose his first trip to the University Interscholastic League (UIL) State Golf Tournament scheduled May 11-12 (a Monday and Tuesday) in Austin.

Dubose, the three-time District 26-3A champion who had missed out on the State event the past two springs, will participate in the 1998 State Golf Tournament on the Lions Municipal Course in Austin on May 11-12.

As a team, the Bandera boys ended up sixth in Region IV with a 36-hole score of 663.

First-round leader Austin Lake Travis went on to win Regionals at 623 with Sinton edging out Burnet for second place (643-649). Lake Travis and Sinton will also compete at State on May 11-12.

Dubose grabbed the first-round lead at Regionals on April 27 with a two-under-par 70. He followed up with a three-over 75 in the final round on April 28.

The Bandera girls golf team also competed in the Regional Tournament in Kingsville. Results were not available at press time.

Bandera's Shandra Zickler (above left) and Sarah Harris (above right) qualified for the May 15-16 UIL State Track Meet in Austin with second-place finishes at last weekend's Region IV Meet in Kingsville. Zickler is going to State in the triple jump; Harris in the 200 meters.

Bandera High School senior Thad Dubose (above) will take his Regional champion swing – along with his clubs and other equipment – the the May 11-12 State Tournament in Austin.

Bandera's Zickler, Harris going to State Track Meet

KINGSVILLE – Bandera High School Lady Bulldogs Shandra Zickler and Sarah Harris qualified for the May 15-16 State Track Meet with second-place finishes at Friday and Saturday's (May 1-2) Class 3A Region IV Meet at Texas A&M-Kingsville University's Javelina Stadium.

Zickler placed second in Friday's triple jump with a leap of 37 feet, 7 3/4 inches. Zickler, who won the triple jump at the District 26-3A meet at 37-3, was beaten by one inch at Regionals by Cuero's Kim Williams who jumped 37-8 3/4.

Zickler will triple jump at State on May 16 (a Saturday) at 3:30 p.m. in the south pit of Memorial Stadium in Austin.

After placing fifth in the 100-meter dash last Saturday at Regionals in Kingsville, Bandera's Sarah Harris had one more chance at a State berth in the 200.

One of Harris's major rivals would be Mandy Gold of co-District 26-3A member Ingram Tom Moore. Gold won the 200 meters at district with Harris a close second.

Hitchcock's Mikessia Triplette, having run a 24.71 in the preliminaries, was the race favorite and she ran away from the field in the finals with a winning time of 24.55, which broke the old Regional Meet record of 24.89.

That left second place and one more trip to State.

Bandera's Harris and Ingram's Gold staged an incredibly close race with Harris taking second at the wire in a photo finish.

Harris was second with a time of 26.22. Gold was third at 26.42.

Harris will run in the Class 3A girls 200 meters at the State Meet on May 16 (a Saturday) at 9 p.m. in Memorial Stadium.

In other Regional Track action at Kingsville last weekend, Bandera sophomore Clifton Tierney placed third in both the 3,200 and 1,600-meter runs and will be a State Meet alternate in both events.

Early Friday evening with temperatures still in the upper 80s (90s on the track), Tierney finished third in the 3,200 with a time of 10:06.61.

Santa Rosa's Marc Padro won the event in 9:52.40 with Yoakum's James Hoffman second at 10:02.32.

If Padro or Hoffman can't run at State, Tierney will.

In Saturday's 1,600 meters, Tierney earned another Regional bronze with a 4:30.12.

Once again the Bulldog runner finished behind Padro (first place at 4:27.89) and Hoffman (second at 4:29.49, less than a second better than Tierney).

Once again, if Padro or Hoffman decide not to run the 1,600 at State, Tierney's in.

Also placing third at Regionals on Saturday was Bandera high jumper Kristal Upchurch who cleared five feet to finish behind Wimberley's Lacey Adkisson (5-6) and San Antonio's Sheila Bannon (5-2).

Upchurch will also serve as a State Meet alternate.

Lady Bulldog Katie Jennings competed at Regionals on Saturday in Kingsville in the long jump. Jennings advanced to the finals but did not medal.

Also making Saturday's Regional finals was Bandera's Justin Knight in the 800 meters.

Knight, who won the District 26-3A Meet 800 meters in exciting fashion, finished sixth in Saturday's 800 Region finals.

The Bandera Bulldog 400-meter relay team of Cliff Despres, David Cantu, Tye Stone and Jimmy Stimmell ran in Friday's Regional preliminaries but did not make the finals. Stone also ran in Friday's prelims in the 400 meters.

The Lady Bulldogs track team is under the direction of Coach Stephanie Coates. Coach Stan Payne is in charge of Bulldog track.

Medina's Matt Bogler State bound in high jump

BRENHAM – Medina High School sophomore Matt Bogler qualified for the State Track Meet with a second-place finish in the high jump at last weekend's Class A Region IV Meet at Blinn Jr. College's Spencer Stadium.

Bogler's leap of 6 feet, 6 inches was good enough for the silver medal and an invitation to the May 15-16 State Track and Field Meet at the University of Texas Memorial Stadium in Austin.

Bogler will compete in the Class A high jump at State on May 16 (a Saturday) at 9 a.m.

Medina senior Lucas Hubble will be a State Meet alternate after placing third in the 800-meter run at Regionals. His third-place time was 2:03.41.

If 800 winner Juan Reyes of Rocksprings (2:01.46) or second place Heath Jackson of Bosqueville (2:01.57) decide not to run at State, Lucas Hubble will get the invitation.

Medina sophomore Charyli Hyatt will also serve as a State Meet alternate after finishing third in the Region shot put.

Hyatt's throw of 34-6 placed behind Tracie Harper of Austwell-Tivoli (31-11 1/2) and Dina Sifuentes of Rocksprings (35-2 1/2).

Hyatt added a fifth place in the Region discus with a throw of 100-1.

Medina senior Cully Doyle placed fourth in the Region 3,200 with a time of 10:39.22.

Also competing at Regionals for Medina were senior Mie Hubble in the 200 meters and sophomore Katy Tucker in the 200.

Briefs & Announcements

8th annual BACIT Tourney a big success

The 8th annual Bandera Athletic Capital Improvements Team, Inc. golf tournament held April 19 at Bandera's Flying L Guest Ranch and Course set records for the number of team participating and total prizes.

Outstanding course conditions and teams led to a 36-hole cut to keep the leaderboard with five teams shooting net 54. A scorecard playoff was needed to decide the finish.

Coming out on top with the $400 first place prize was the team of Curtis Swize, Dwane Johnson, Doug Johnson and Dennis Johnson from San Antonio.

Second place and $300 was awarded to the Bandera team of Al Heep, Danny Heep, David Heep and Justin Heep.

Placing third and winning $200 was the Tarpley-Houston team of Bill Atkinson, Dale Atkinson, Monte Holcombe and Leslie Holcombe. This team donated its $200 prize back to the BACIT and Bandera student-athletes.

The fourth-place team was made up of Lance and Larry Griffin, George Proctor and D. Weyland, with fifth place going to the Bandera-Utopia team of Dr. Allan Gratia, Babo Teich, John Teich and Gary Moore.

More than $3,000 in cash and prizes were awarded during the event.

Tournament Director Larry W. Upton thanked all the teams and sponsors who participated. "This was our most successful tournament to date and we're looking forward to an even bigger event next year," he said.

Medina baseball returns to District 31-A play on Friday at home against La Pryor

The Medina High School Bobcat baseball team finds itself in familiar situations in its final four District 31-A games for a shot at the playoffs.

The Bobcats, who lost at Asherton 5-1 in district play on April 28, are 4-4 in 31-A and two-and-a-half games behind second-place D'Hanis (see complete standings at right).

Medina, which was scheduled to play at San Antonio Sunnybrook Christian Academy late Tuesday (May 5 after press time), entertains first-place La Pryor on Friday (May 8) at 4:15 p.m.

A win against front-running La Pryor would put the Cats right back in the middle of the postseason picture. La Pryor won 4-0 at D'Hanis on April 28 to take over sole possession of first place.

Following Friday's home battle against La Pryor, the Bobcats are at third-place Sabinal on Tuesday (May 12) at 4:15 p.m.

Medina closes its regular-season schedule at home against Utopia on May 15 at 4:15 p.m. The Cats also have a make-up game (if necessary) with Utopia from an April 9 cancellation.

Utopia was scheduled to host Lackland Stacey late Tuesday (May 5). Utopia is at D'Hanis on Friday, hosts Asherton on May 12 with both games beginning at 4:15 p.m.

Bandera baseball closes 98 schedule-with Friday games

The Bandera High School Bulldog baseball team was near elimination from the 1998 District 26-3A playoff race following a 6-2 loss at Medina Valley in Castroville on April 28.

That loss gave the Bulldogs a 3-6 district mark and put Bandera three-and-a-half games out of second place with three games to go.

Bandera, which improved to 14-11 on the season with an 8-5 home non-district win against La Vernia on Friday (May 1), was scheduled to entertain second-place Devine late Tuesday night (May 5 after press time). Bandera faced a must-win against Devine to stay alive in the 26-3A race.

The Bulldogs are at last-place Somerset on Friday (May 8) and then host the Ingram Tom Moore Warriors on May 15. Both games begin at 7 p.m.

Bandera grabbed a 2-1 lead in the second inning at Medina Valley on April 28 and held that lead until the fifth. Medina Valley won it with three in the sixth.

Bandera's Leon MacRae hits his fourth home run of the season in the home win against La Vernia.

BASIC WATER RATES FOR TEMPORARY SERVICE
Temporary service to contractors for use in road or bridge work:
a. Water supplied to contractors must be metered and drawn from a fire hydrant.
b. A one hundred dollar deposit is required for the meter.
c. There will be a minimum charge of $25.00 plus the rates per thousand contained in this appendix.
All charges for water connections, meter installations, and miscellaneous items detailed in this Section shall be paid in advance of any service being rendered except in the case of the charge for returned checks. There shall be no exception to this requirement unless authorized by a section of the Ordinance.
All of the following listed fees and/or charges apply for the service rendered by the Water Department.

Water Connection Charges. This is a one-time non-refundable, non-proratable and non-negotiable charge to new customers when providing requested water service that will necessitate a tap to the water mains of the Water Department. The applicable charge depends on the classification of customer, as shown below, and shall be paid when application for water service is submitted.
Applicable water connections charges are:
(1) 3/4" tap $500.00
(2) 1" tap $750.00
(3) 1-1/2" tap $1,000.00

Water connection charges are separate and apart from other fees and charges for water service. Moneys collected for water service connections are not considered to be revenue from water sales. The water connection charges are for capital improvements; payment of loans, and for purchase of operating equipment.
a. Replace a damaged meter box (for 3/4" or 1" meter) $60.00
b. Excavate, install and/or replace a damaged curb stop ..... cost + 15%
c. Replace a damaged meter. 1" or smaller, cost of the meter plus $60.00
d. Relocate a water meter at the request of or for the benefit of the customer ..... cost + 15%
e. On site Meter Test when the meter is not in error $20.00
f. Meter Test when meter is shop-tested ..... $20.00 + cost
g. Turn-Off Disconnection Charges:
(1) When the turn-off or disconnection is due to delinquency or non-payment of water service bills $30.00
(2) When any turn-off is requested during off-duty hours a charge may be imposed $20.00
h. Turn-On/Reconnection Charges:
(1) When the turn-on or reconnection is for a normal resumption of water service a charge may be imposed $20.00
(2) When the turn-on or reconnection follows a turn-off or disconnection due to delinquency or non-payment of water service bills $30.00
i. Miscellaneous Charges:
(1) Check returned for insufficient funds $25.00
(2) Water Service Deposit:

Meter Size:	
3/4"	$75.00
1"	$100.00
1 1/2"	$200.00
2"	$300.00

j. Charges for water service where the water service connection has been made available to the property and customer has not paid the minimum monthly charge.
(1) Where a water service connection has been made available to a customer or potential customer's property and the service is not used, the connection fee must be paid before the water may be turned on.

Band, Choir win big

The members of the Bandera High School Band and Choir traveled to Houston May 1 to compete in a showcase, and came home with high honors. On Saturday, May 2 the groups performed in the Showcase Music festivals, competing against organizations from Texas, Louisiana and Oklahoma. The band received superior ratings for their performance, and also received first place in their division. The choir received superior ratings for its performance, and first place in their division. The BHS choir was also selected as the overall outstanding choir for the entire festival, and the band missed winning the same honor by only six points.

The BHS choir is directed by J.W. Neuenschwander, and piano accompaniment was by Karen Breazeale

Tim Howell is the head band director, and is assisted by Toni Batto and Jerry Neuenschwander.

Headed to State

Medina High School has qualified two students for the 1997-98 University Interscholastic League Academic State Meet to be held May 8-9 at The University of Texas at Austin.

Qualifiers include: Natalie Green in Accounting, and Brandon McWilliams in Poetry Interpretation.

UIL academic contests range from feature writing to accounting, and from computer science to poetry interpretation. Of the 2.2 million students who participated in UIL activities last year, 638,000 competed in one or more of the 22 general academic contests.

Through participation at the State Meet, students qualify for the Texas Interscholastic League Foundation scholarships. Since its inception in 1954, the TILF has provided $11.4 million to approximately 10,315 Texas high school students. This year, the TILF expects to award an estimated 530 new and renewed grants, valued at more than $759,000. These academic scholarships have been funded by grants and donations from foundations and individuals. Each dollar that the TILF receives goes directly for scholarships, and no administrative or other overhead expenses are deducted.

For more information, contact Mr. Mark E. Eads. For general information regarding UIL academic contests, contact Bobby Hawthorne, UIL academic director, at (512) 471-5883.

Mutton Bustin' is part of the fun scheduled at this year's big rodeo

Kids of all ages, get ready for the wild and wooly Mutton Bustin' at this year's Cowboy Capital Rodeo, to be held Memorial Day weekend. The Mutton Bustin' has been a real crowd pleaser since it began 1996 and a great way to to involve children in the rodeo. The Memorial Day weekend event will feature 15 riders each of the three night. The first 45 applicants with all necessary paperwork completed and turned in will be accepted as contestants. Sheep riders released from the bucking chutes will have to ride for six seconds for a qualifying ride. Any child four years of age or older, weighing under 55 pounds is invited to sign up. The rodeo will be held Memorial Day weekend in Bandera's Mansfield Park. For more information please contact the CCRA at 796-7207.

Computer classes offered

Beginning May 12, the Hill Country Elementary School [illegible] will be offering two new evening adult computer classes. A three-night course called "Word Processing with Microsoft Word" will be held from 6:30-8:30 p.m. on May 12, 14 and 19.

This hands-on course will explain the features of Microsoft Word with a step-by-step approach. Word can help users produce professional looking letters, resumes and newsletters. The cost for the complete course is $30 per person.

"Creating Spreadsheets with Microsoft Excel" will be held on May 21 and 26 from 6:30-8:30 p.m. Participants will learn their way around the Excel spreadsheet in order to create reports, databases, and lists. Topics covered include understanding columns, rows and cells; entering text and numbers; copying and pasting; changing column widths and cell sizes; entering equations and formulas; using Auto Sum and more. Cost will be $20 per person.

Registration forms are available in the front office at Hill Country Elementary during normal school hours. For additional information please contact Brad Domitrovich at 535-5108 or 510-9585.

Thanks...

I want to express my deepest thanks to everyone who gave me their vote in the school board election. The campaign was fought long and hard, and I especially want to acknowledge Don Jones and the Save Our Schools organization for all their hard work and dedication. If there was one positive that came out of this controversial election, it was the opportunity I had to work with some of the most enthusiastic and remarkable people who are truly dedicated to our schools.

I also want to give my deepest gratitude to Bob Reese, a man of extraordinary character and love for his community. His 22 years of dedication to Bandera schools is unsurpassed, and his passionate concern is irreplaceable.

We have a great deal of work ahead of us, but much to boast about with our county schools. The TAAS scores are rising, and the high school most likely will be declared "exemplary". We must keep working in the direction that we are heading, and I will continue to serve our children and community with no hidden agendas.

Thank you for your faith in me.

City may purchase land for new well

Bandera City Council agreed Monday night to pursue the purchase of two acres near Indian Waters which may be used for the city's long-awaited new well.

The council discussed the matter in a closed executive session and then returned to open session and agreed to pursue purchase of the plot.

City Administrator Don Reddout said Tuesday that the city hopes to move quickly on the property, but that acquiring the necessary permits and easements could still take some time. He said that even if all goes smoothly, it would be several months before actual drilling begins.

Some of the technicalities required before drilling can begin include permits from the Texas Natural Resource Conservation Commission, running electricity to the site, acquiring sanitary easements and developing final engineering plans for the site, which is outside the city limits. An exact location of the site was not given, because purchase of the property is still in negotiation.

In other business, the council:

• Agreed to spend up to $1,200 in bed tax funds to advertise this fall's All-American Cowboy Get-Together in the San Antonio Express-News. The event is scheduled for September 5 and 6 and will feature television star James Drury and a demonstration of "horse whispering."

• Tabled rescinding a moratorium on peddler's permits until a new ordinance can be drafted. City Administrator Don Reddout said that a moratorium cannot last forever, that legal rulings indicate that cities cannot regulate peddlers in a way that favors local merchants, and that permit fees must be reasonable. The current fee is $25 per year.

• Tabled action on changing parking on 11th Street between Maple and Pecan streets. The road is narrow, and large trucks and sport utility vehicles park in the current angle spaces sometimes block passage along the road. Several owners of businesses on that block objected to the possibility of making the area parallel parking only, citing high curbs, potential lost revenues and reduced access to their businesses. The Council agreed to allow the merchants to attempt to address the problem themselves, and report back to the council in two months.

Overload!

■ Weather, system upgrades contribute to county-wide outage

It's no mere coincidence that large portions of the Bandera area lost power on what felt like the hottest day of the year. Larry Kirk of Bandera Electric Cooperative said that last Wednesday's weather-related outage affected more than 16,000 customers in and around Bandera.

The outage began at 6:15 p.m., as most residents were returning home and turning on their air conditioners on a day with high humidity and temperatures well above 90 degrees.

In addition to the city of Bandera, the outage affected Lakehills, Pipe Creek, Medina, Concan, Leakey, Utopia, Tarpley and Vanderpool. Kirk said that the only cities within the system not affected were Boerne and Comfort.

He said that the power loss was caused by a purposely scheduled build and upgrade of a transmission line. The work was scheduled at this time because temperatures are usually mild, and the amount of electricity normally used is low.

The electrical load from two substations was shifted to another transmission line, and as customers began returning home, and turning on air conditioners, the equipment overloaded.

Power in the eastern part of the county was restored in about an hour. Kirk said it took an hour and 50 minutes to return power to the Leakey/Utopia/Tarpley area, the last area to have power restored.

Kirk said that "most customers were understanding" about the outage. Although traffic lights were out in Bandera, no outage-related accidents were reported to police.

C'mon — bite!

According to his mom, Andrew Kingman was having "the best day of his life" Saturday, as he followed up a morning of T-ball with fishing a Bandera's City Park. The 5 1/2-year-old angler was participating in the Kidfish children's event, sponsored by the Bandera Police Department and Texas Parks and Wildlife Department. Governor to visit Monday

Texas Governor George W. Bush will speak to the Bandera Optimist Club on Monday, May 18. The governor will address the club and then present the Optimist Student of the Year Awards. The meeting will be held at around 1:15 p.m. at the Lost Valley Ranch Resort meeting room.

George W. Bush

To ensure that everyone who wants to attend will be able to do so, seating has been omitted and will now be "standing room only." Tickets are not necessary.

"The Bandera Optimist Club invites everyone to join us in welcoming Governor Bush to Bandera," said Don Jones, club president.

Lost Valley Ranch Resort is located two miles south of Bandera on Hwy. 16.

Annual Xeriscape, conservation show to feature wide variety of speakers

by Judy Pierce

Where can you easily find conservation experts gathered together from the local area and other parts of Texas, in one location, ready to meet you, educate you and answer your conservation, landscaping, and animal-management questions? Attend the third annual Xeriscape/ Conservation Show, brought to you by Springhills Water Management District (SWMD) and sponsored by The Bandera Bulletin. The show takes place Saturday, May 16, from 10 a.m. to 2 p.m. at the Mansfield Park Show Barn. Parking and entry are free.

Bandera City Mayor Bob Cowan will speak about conservation issues affecting the town. Brian Cummings, manager of the city's wastewater treatment plant, will show a new wastewater video and answer questions.

Representatives from landscaping and nursery businesses, like Maxine's Plants, Peaceful Valley Nursery, Plant Haven Nursery and Gift Shop, Gunsight Mountain Ranch Nursery, and Natives of Texas, all of whom specialize in native plants and xeriscaping, will be on hand to provide information, advice, and to sell low-water-use plants.

Dorothy Matizza, owner of Gunsight Mountain Ranch Nursery; Susan Sanders, Director of Education Resources for Kerrville Riverside Nature Center; and Betty Winningham, teacher and owner of Natives of Texas, well-known masters of cultivating and identifying Hill Country plants, will give presentations or hands-on demonstrations.

For a complete schedule of speakers, please turn to page 14

Billy Griffin and Philip Wright, agent consultants of the Natural Resource Conservation Service will present and demonstrate the latest research information on the Seco Creek Project, soils and/or backyard wildlife. They also know about grasses, composting, oak wilt, land restoration and brush clearing, among other subjects.

John Ashworth, geologist and senior consultant of LBG-Guyton Associates of Austin and retired hydrologist for Texas Natural Resources Conservation Commission (TNRCC), who wrote "Groundwater Availability of the Lower Cretaceous Formations in the Hill Country of South Central Texas," will give a slide-show talk. William F. Wilson, chief hydrogeologist of Environmental Fuel Systems, Inc. will teach hydrology, hydrogeology and conservation. Wilson, who has 32 years of experience in exploration, production, and environmental geology, also teaches environmental technology classes for the oil and gas industry and is experienced in well pump testing.

Georgina Schwartz, a director of San Antonio Audubon Society, avid birdwatching guide and teacher, will present a slide show about the birds of Bandera County. The Bandera County region is nationally and internationally known for excellent birding. One of the three main migration routes in the United States, the Midwest flyway, includes Bandera. Some of the most strikingly colored neotropical birds, like the Painted Bunting and Scarlet Tanager, can be found in this area.

Juan Perez, 42 of Bandera, for driving while license suspended.

Christopher Moore, 18 of Bandera, for burglary of a habitation.

Jose Hernandez, 26 of Boerne, for public intoxication and disorderly conduct.

Jesus Alba, 23 of Bandera, for driving while license suspended.

Damon White, 23 of Bandera, for public intoxication.

Cesar Ramos, 26 of Bandera, for public intoxication.

EMS Appreciation Day set for this Sunday

Medina Bits & Pieces

by Cherry Keese Jones 589-7223

We surely are having dry weather here in the Hill Country. We might should start doing some rain dancing like in the "old days."

EMS Appreciation Day

Don't forget the upcoming barbecue honoring all EMTs this Sunday to be held at the Festival Grounds at noon. Plates are $5 for adults and cheaper for kids. Andy and Keith are doing the cooking, so it oughta be good.

New Paint

Wow, does the Wish Upon a Star building look better thanks to a lot of volunteers. The Medina Development Corporation donated $250 for the paint and the county Sheriff's Department supplied the labor by using the inmates of the county jail. Thanks folks! It is much improved for our community.

FHA Banquet

In the cafetorium at 7 p.m. on Thursday, May 14.

Band Concert

The secondary school band concert will be performing at 7 p.m. in the cafetorium on May 21.

School Board Meeting

The regular monthly school board meeting is a 7 p.m. in the administration building, on May 14.

Tee-shirts

Last week to enter designs for the tee-shirt contest for the Apple Festival.

Friends of Bobcat Prowl Night

Anyone wishing to make a donation to this group for the graduating seniors' drug- and alcohol-free party on the night of May 29 may still do so. Money will be applied for food, drinks and door prizes. It's a worthy cause to keep the kids off the highways. Call Amy Craddock or Leslie Yurrita.

Company

A big barbecue at Cripple Creek Ranch, sponsored by Tom and Pat Shannon was held May 2. Twenty-six people came for the fun and entertainment. Lots of friends showed up as well as relatives including a niece and family, Dianne and Burt Meyers from Washington state a nephew, George, and Marianne Wright from Honolulu were able to be here.

Burt and Dianne Meyers got some assistance from some of our locals to help with the entertainment. David LeStourgeon, Marjie Watkins and Linda Barton pitched in with their talent. A good time was had by all and Pat said to say a big "thank you" to all who brought food and helped out.

Birthdays

May 14: Jan Pump, Vivian Neal
May 17: E.C. and Genevie Whitehead, anniversary
May 18: Ike and Amy Craddock, anniversary
May 19: Dorothy LeStourgeon, Jack Huie
May 20: Faye Keese Kelley, Corky Craddock

Thanks to all for Kidfish

Chief's Blotter

by Lynn Holt, Bandera Police Chief

The Bandera Police Department answered 20 calls for service, arrested one persons, and issued 3 citations for the week of May 4, 1998, through May 10, 1998. Calls for service included: one assist other agency; two public assists; one suspicious vehicle; two suspicious circumstances; three alarms; three accidents; one theft; one threats; one lost property; one death; one gas drive-off; one city ordinance violation; one animal call; and one driving while license suspended.

Jesus Alba, 23, of Bandera, was arrested and charged with driving while license suspended.

I want to personally thank everyone involved in Kid Fish this past Saturday. We all had great fun with this community activity. We all will be looking forward to next year.

Christenson set to speak

The Macular Degeneration Support Group will meet May 20 at 2 p.m. at St. Peter's Episcopal Church Parish Hall, 956 E. Main in Kerrville.

Toni L. Christenson of Bandera will be the guest speaker at the meeting. She is an artist with low vision who practices the art of "quilling," also called paper filigree. Quilling is the art of creating decorative designs using narrow strips of paper in widths from 1/16 to 3/8 of an inch. A rose smaller than a quarter may contain up to four feet of paper.

Christenson's Christmas ornaments have received national recognition. In 1993, she was asked to create an angel for the Christmas tree in the Blue Room of the White House. The angel is now part of the permanent Christmas collection there.

All are invited to attend, and there is no charge. For more information, call (830) 896-1807.

Enjoying Mother's Day, down at the Dock

Wharton's Dock & Lake Medina Shores

by Mary Bird 460-7523

It wasn't only the moon that was shining on Medina Lake this weekend! There were all kinds of mothers in the limelight celebrating Mother's Day down at the end of the road at The Dock Sunday night. Would-be "hopefuls" were performing with Karaoke provided by Kim and Leon Campbell who were visiting with Dickie and Dana Simmons. Other guests were Sister Shaffer, their sons Vince and Ken, daughter-in-laws Yolanda and Liza, along with four of their grandchildren, Buddy Byrd, Karon Byrd and their family. And a good time was had by all!

Turner and Mary Blakeney had a wonderful visit with two of their children in Dallas over the weekend. Debbie and George Hoppe gave Mary round-trip airline tickets for Mother's Day. Mark and Kathy Blakeney drove over from Lewisville with two of their children and a lovely get-together evolved.

Lots of folks were on the road for Mother's day including Bob and Dorothy Rucker, who went to the Rio Grande Valley for the weekend. Hopefully, all of the mothers who were unable to be with their children on their special day as much got the opportunity to speak with them on the phone. I didn't get to see my kids this year because I had to work, but thanks for the phone calls. You made my day!

We had a big send-off for my daughter Lisa and Cory Friday night. They moved to San Antonio on Saturday. It was a spontaneous event at the Dock as all the fishin' folks came in off the lake. No fish were harvested, but we sure heard some tall tales about snakes trying to get in boats and fish jumping into a pontoon boat.

Coming up next weekend is the big birthday bash for Linda Fox and Alfredo Gomez on Saturday the 16th at the Dock. There will be live music in the afternoon and evening. Linda plans to start eating around 5 p.m. Don't forget to bring a covered dish.

Saturday is the last day to turn in your donations for the upcoming festival at the fire house. Everybody has really put their hearts into this years fundraiser. We are so proud of members for all their hard work. I saw the ladies putting signs up along the road this weekend. That could be hazardous to one's health in all that heavy traffic. Now, if we could just get more people to show up for fire training, it would be great.

The Chief decided to hold a second session this month. Unfortunately I didn't get wind of it until it was too late to get in last week's paper. Bob is having a night training class for people who are unable to attend on Saturday morning. This month it falls on the second Tuesday of the month. By the time we read this, it will all be over. Sorry about that. If you are interested in attending a night class, please call Bob Rucker for more info.

It's good to see Loyd and Delane McMullen back from their quick trip to Colorado for the funeral of a very dear friend. Seems they are the busiest folks on Wharton's Dock Road. They certainly have turned their property into a showplace. And Delane always finds time to make her lovely crafts. I'm sure we'll be seeing some of them in the Country Store at the May Festival.

The Good Neighbor Award goes to Guy London this week. He is always mowing, cleaning, building or just watching out for things around our part of the woods. Thanks, Guy!

The Tip for the Week: If ants invade your cabinets and counter tops, sprinkle cayenne pepper along corners and seams. The critters can't abide the stuff.

Rodeo Dance to feature Chris Chitsey

by Denny Foster

The 1998 Cowboy Capitol Rodeo Association Memorial Day Rodeo events would not be complete without a rodeo dance at the Junior Livestock Barn. This year's dance starts at 9 p.m. Saturday night and will feature Chris Chitsey. The Austin native will perform a wide range of Country Music from George Straight to Bob Wills. Chitsey recently signed a record deal with Texas Universal Records. His first CD, "kick in the pants" will be available soon. So come out and hear one of country music's young and rising stars at the Cowboy Capital Rodeo Dance. All proceeds from the dance go toward scholarships for local youth.

Whoops! Brewfest is actually on June 6

Over the Back Fence

by Marion Heisler 612-2509

Hi y'all! Well, did all you moms out there enjoy Mother's Day? We had a nice time taking Kay to church and then out to eat. We also celebrated her having a birthday and catching up to us once again. We jump ahead of her for six months then she catches up for six months. We want to repeat Happy Birthday, Kay!

We don't know if anyone noticed be we did after the column came out. We did not look at our calendar right. The Brewfest is June 6 and St. Victor's Festival is June 7. The Brewfest will feature beer brewed in micro-breweries from all over. This annual event is put on by the Medina Lake Betterment Association. There will be more about Brewfest in later columns.

The St. Victor's Festival is coming up on June 7 and will feature lots of fun and good food. We always have a good time and meet lots of our friends at the festival, and the proceeds go to a very good establishment.

Egad! Look what's coming up this weekend! The Medina Lake Players are presenting a play, "Egad, The Woman in White" at the Medina Lake Civic Center. This astonishing and inspiring play will be put on Saturday, May 16 at 7:30 p.m. and Sunday May 17 at 3 p.m. Tickets are available in advance or at the door for $4/adult and $2.50/children. For a hilarious good time, go see the play and maybe even hiss at the villain!

As a perfect example of our pleas to be careful with your burning, the MLVFD responded to a call for help from the Pipe Creek VFD last Saturday. A very large brush fire covered about 46 in some very rough terrain. It was apparently started by crews burning cedar brush. Crews from Pipe Creek, Medina Lake, Bandera, Castle Lake and Boerne VFDs responded. After eight hours, the crews were finally able to return to their stations. Many thanks go out to the auxiliaries who sent in the food and drinks to keep our guys fueled up! It was nice watching all these various crews working together.

We all know the grass and underbrush grown by all our rain and mild weather this past winter has made fire conditions very severe not that it is so dry. Kendall County already has a ban on burning and we are not far behind.

We ask everyone to please refrain from burning so as not to endanger your or your neighbors' property. Remember, if a fire started by you spreads and damages a neighbor's property, you can be held liable for the damages and possible criminal actions. The simple solution is don't burn.

Well, time rolls on and so must we. We welcome any news about family or organizations, so give us a yell and we will share your news with everyone. We will look for you Over the Back Fence.

Medina to honor EMTs with barbecue, ceremony

May 17-23 is National Emergency Systems Week. This is the time to make it a point to learn what your EMS unit is doing for you in Bandera County.

The city of Medina is honoring their EMTs and their families on Sunday, May 17 on the Apple Festival grounds. Barbecue is available at noon for $5 a plate for adults and $2.50 a plate for children under age 10. Music will be provided by the Caliche Hill band.

At 1 p.m., the EMTs will be recognized and honored for their hard work and tireless dedication. Proceeds of the barbecue will go toward a building fund to build a much-needed ambulance barn. Balloons and coloring books will be given to children and Ready Teddy, the EMS mascot, will be there to entertain as well.

The public is invited to enjoy great food and wonderful company, and to take this opportunity to show the EMS how much they mean to the community.

EMTs are volunteers and spend extensive time training and learning new and better methods for emergency treatment to serve the citizens of Bandera County.

Work, meals and family time are all interrupted anytime, anywhere, for volunteer EMTs. The barbecue and recognition ceremony are a way to prove to EMTs that their hard work and time away from families and jobs are appreciated.

Truly grateful

I wonder if the people in Bandera County are aware of how lucky they are? Wednesday evening, when we had the power outage, my husband couldn't get the electric co-op on the phone, so he called the sheriff's office, and told her I am on a ventilator and oxygen concentrator, which are both powered by electricity.

The sheriff's office called the Pipe Creek EMS, and called us back and told my husband to call them as 9-1-1 if our oxygen was getting low. The PCEMS came out to our home to make sure I had oxygen. The co-op called to see if we had electricity, and they called again when they changed shifts.

I am truly grateful to have such wonderful people, who care, out here.

Wants and Needs

To cast a vote in an election is the greatest freedom an individual can obtain to express their desires as a community of citizens. The majority vote wins. The voting on various issues of the community, were not honored. A court ruling was not accepted. An appeal came as a surprise to most citizens. The list could be longer, the fact remains, a whole community voted on several issues when electing the new members to the school board.

Let me tell you of our world. Most citizens of Bandera have known what it was to go to various wars to defend home and country. We have known one big Depression, and many little recessions through the years. Most started out poor, with hard work, saving money, investing money, not buying everything that we wanted, but spent money only on our needs. Getting married, raising children, buying homes, cars, furniture, land, the list is endless of hard earned money spent wisely. We were the generation that did without to give our children a better future. We had the past experiences of spending our money wisely and making every penny count. When our needs and wants came together, then we purchased. With our experiences comes wisdom. We learned how to get the most for each dollar spent. This is the real world, this is our world, all I can say is welcome.

Now we will see to it that the children of Bandera will have the very best for the least amount of money spent. We know your needs and we know your wants, but let us not forget which is the most important.

Be thankful to the citizens of Bandera, whose tax money is going for your education. Be thankful of your elders whose wisdom knows how to get what they want and need for very little money. Be thankful for your community that cast their vote to elect the very best people who will listen to the taxpayers of Bandera County.

Not only are your elders paying out hard earned money for school taxes, but they expect respect to their majority rule vote. They are a hardy breed of people, and real stubborn when someone will not honor their vote.

This is the real world, this is our world, welcome. As you travel your road on our planet Earth, remember, what you always want, may not be what you need. What you need may not be what you want. Need is the most important to fill, but how wonderful when your needs and wants come together and can be obtained by wisely spending your hard earned money.

Letter of love

A rose a year is not nearly enough
For the love you've given with blessed trust
Sweet and caring in times good and tough
Sewing and washing and cooking for all of this

The years have slipped by, but it seems as yesterday
When you whispered "I do" and claimed my love
And then our child given of God did come to stay
Then we wept and cheered and praised above

Only good is remembered and retold each day
As our love has conquered, and to that I simply say
I love you and want you another 28 years plus a day
It'll never be long enough for this love I repay

So thanks for this anniversary and Mother's Day duet
Thanks for all and all I didn't recall
Matt and me want to say, you're the grandest yet
Mom we love you and we just can't say it all

Happy Anniversary and Mother's Day!

Wesley and Matt Moore

A dream

I had a dream: I dreamed that there were two Bs in BMA; that the management of the Bexar Medina Atascosa Water Improvement District #1 (BMA) saw, years ago, that the Medina Lake watershed was a critical part of its plans and had included Bandera County, where the Medina Lake watershed lies, in its name and in its plans for the future. They called it BBMA.

I dreamed that BBMA members, whether irrigators using the water or watershed landowners producing it, worked together over the years to maximize the productivity of their land in the hills and on the fertile plain.

I dreamed that, for 86 years, members of BBMA met together on a regular basis to resolve problems that affected both water producing landowners and water using landowners. They talked to each other as neighbors with a common interest in the land to resolve differences and develop solutions without the need to resort to expensive legal intermediation.

I dreamed that water producers and water users agreed together on a small assessment or flat tax with which to maintain the dam and the ditch; to conserve water for future use and an acceptable lake level by prevention of loss through leakage and seepage.

I dreamed that money saved through good management/ maintenance practices and avoidance of endless legal wrangling made possible the sale of surplus water to municipal consumers and the payment of regular dividends to the watershed landowners and irrigators of BBMA.

It was just a dream, but it could still happen. We have our interest in the land to pull us together. If we put an end to contention and bickering, we can make our land and our relationship profitable.

School funding issue headed back to court

AUSTIN—Over the past decade, the Texas Legislature and state courts have gone around and around to make the financing of public education as fair as possible, but a number of poorer school districts want a better deal.

Last week, a group called "Plaintiff Intervenors Committee" filed a petition in state district court to readdress the issue of public school finance. The committee released a statement alleging "persistent and progressive erosion of the equity and efficiency standards" set forth in a 1995 Texas Supreme Court ruling on school finance.

State lawmakers expressed chagrin over the likelihood of another long court battle.

"It's very frustrating. I don't think it shows good faith on the part of those school districts who are once again biting the hand that feeds them," Senate Education Committee Chairman Teel Bivins, R-Amarillo, told the Associated Press.

Sen. Bill Ratliff, chairman of the Senate Finance Committee, said that if the Plaintiff Intervenors Committee's lawsuit is in court when the Legislature meets in January, initiatives for public education could be stalled.

"We tried to do a lot of things for these districts. We don't expect anybody to toss any bouquets at us, but yeah, I'm disappointed in it. It makes a person like me look at it and say, 'Why should I try again?' Maybe we should just sit on our hands and wait for the court to tell us whether we've done enough," said Ratliff, R-Mount Pleasant.

Insurers Agree to Rate Cuts

Southern Farm Bureau Group, the state's fifth largest rate-regulated car insurer, and Amica Mutual Group, the state's 15th largest, agreed to greater reductions in their premiums after the Texas Department of Insurance challenged their rates.

Southern Farm Bureau will cut its rates an average of 6.25 percent after originally filing a 4.25 percent reduction. Amica Mutual will cut its rates 12.5 percent after filing a 6.5 percent reduction.

The reduced premiums, which will take effect July 1, affect nearly a quarter of a million Texas drivers.

"Companies knew we were determined that rates should follow the downward trend of car insurance claim payments, so nobody should be surprised that we've looked hard at this year's rate filings," said Insurance Commissioner Elton Bomer.

Pharmacy Proposal Pending

Texans would find it harder to obtain nine types of prescription drugs under a proposal pending before the State Board of Pharmacy, the Associated Press reported last week.

The proposed rule would require pharmacists to inform physicians and customers when changing their prescriptions from one drug to another or to the brand-name drug.

Proponents of the rule say it would prevent patients from having their prescriptions changed without their doctor's knowledge.

But some pharmacists and representatives from generic drug companies say generic drugs have been deemed to be exact copies of brand name drugs.

These are the types of generic drugs named in the proposal:

- Digoxin, used to strengthen and improve the efficiency of the heart and to control the rate and rhythm of the heartbeat;
- Phenytoin, an anticonvulsant;
- Warfarin sodium, a blood thinner;
- Theophylline, for asthma;
- Leothyroxine, for thyroid dysfunctions;
- Carbamazepine, for epilepsy and other problems;
- Valproic acid, for epilepsy;
- Lithium, for depression; and
- Divalproex sodium, an anticonvulsant.

Illiteracy Rate High in Texas

Twenty-four percent of Texas adults—more than 3 million people—perform at only the most basic reading level, according to a study by the National Institute for Literacy.

Those who performing at the "most basic level" have trouble with reading tasks such as understanding a newspaper article or picking out a street intersection on a map.

In acknowledging the need for more adult literacy programs, Dr. JoAnn Martin, a Texas A&M professor and literacy expert, said, "One in every four people can't read the prescription information well enough to keep from harming their child. Now that's scary."

Debbie Graves Ratcliffe, spokes woman for the Texas Education Agency, said more than 230,000 adults receive assistance through publicly funded programs annually. She estimated that $24 million in state and federal funds was available in 1997 for literacy programs in Texas.

Other Capital Highlights

- The National Campaign to Prevent Teen Pregnancy reports that the rate of teenage pregnancy in Texas is the second-highest in the nation, with one out of every 13 girls getting pregnant.
- Starting this fall, the Texas Department of Public Safety will begin testing a laser monitoring system to identify air-fouling vehicles driven by suburban residents who aren't bound by clean-air laws to get their exhaust systems checked.
- Austin police have arrested nearly 45 percent more people this year than last year on charges of driving while intoxicated. Through April, police had arrested 1,277 people on a charge of driving while intoxicated, up from 884 a year ago.

Parks need our help

One of the most vivid memories from my childhood is visiting the San Jacinto Battleground and hearing the story of the stirring events that took place there in 1836. I imagined I could hear the guns and cannon roaring; I envisioned General Sam Houston and his adversary, General Antonio Lopez de Santa Anna, facing off in a contest that would determine Texas' destiny.

To this day, reading about that historic battle brings a lump to my throat. It was a visit which sparked my lifelong fascination with Texas history and all things Texan.

I didn't know it at the time, but the San Jacinto battleground is part of a state historical park, which in turn is part of one of our state's greatest assets: the Texas State Parks and Wildlife system. This year, we are celebrating the 75th anniversary of this Texas resource made up of 123 state park sites, including 41 historical parks.

There were more than 20 million visits made to the state parks system in 1997—due in large part to the fact that the system offers something for just about everyone. In addition to the historical sites, where we can learn what life was like for the Texans who came before us, the state parks system offers opportunities to study plants and animals in a wide range of habitats.

Our parks offer recreational opportunities galore, including fishing, hiking, hunting, rock-climbing, star-gazing, cycling, boating, bird-watching, swimming, horseback riding, camping—and places to just plain kick back and relax.

That was the wind-up, here is the pitch: Our state park system belongs to all Texans. And we can help support it in many ways, by spreading the word, by volunteering, by forming park/community partnerships and by providing financial help.

Unlike many state agencies, the Texas Parks and Wildlife Department receives very little undedicated general fund tax revenues, relying instead on user fees and licensing fees. As part of this year's 75th anniversary celebration, the Parks and Wildlife Foundation of Texas has launched a funding initiative, the Lone Star Legacy Campaign.

The goal of this drive is to create a permanent endowment fund for every state park, wildlife management area and fish hatchery operated by the department. Endowment funds will underwrite future park operations and maintenance. Contributions to this fund are tax-deductible, and may be matched by the foundation. Because only the interest generated from these funds can be used, contributions will benefit state parks for generations to come.

Seventy-five years ago, at the behest of Governor Pat Neff, the Texas Legislature created the Texas State Parks and established the State Parks Board to accept donations of land for park use. The foresight of Governor Neff and those Roaring 20s legislators ensured that many of our state's most remarkable, memorable places remain available to this day for all Texans to enjoy. It is our job to preserve that legacy of a strong state parks system and pass it on to Texans of the future.

Obituaries...

Rhode

Annie Lee Whitley Rhode, age 95, died April 17, 1998 in Upland California. She was born September 25, 1902, the firstborn of Zoe Dixon and William Wallace Whitley on the Whitley Ranch at the headwaters of the Middle Verde Creek, on what is now the Dixie Dude Ranch. She was reared in Bandera where she was valedictorian of her Bandera High School graduation class, and moved to California as a young adult, where she resided for the rest of her life. She was a world traveler who in the last few years had compiled a history on her family's heritage.

Survivors include her daughter Beverly Parkin and husband Ken; siblings "Billie" Crowell, Charles Whitley, Hubert Whitley, Preston Whitley and Edith Clearwater; and many nieces and nephews who admired her. She was preceded in death by her sister, Ruth Rhodes, and her brother, August Whitley.

Memorials may be made to the Bandera Library.

Deviney

Mrs. Jeanette E. DeViney, 78, of Bandera died May 8, 1998 at her residence. She was born May 30, 1919 in Lyton Springs, Texas, and had been a Bandera resident for 30 years. She was a homemaker, devoted wife, mother and grandmother. She was a member of First Baptist Church of Bandera. She married Homer H. DeViney on August 21, 1938 in Rockport, Texas.

Survivors include her husband, Homer DeViney of Bandera; son John DeViney of San Antonio; sister Elaine Gallup of Boerne; brother Gerald Pearson of Lockhart; and grandchildren Keith and Kevin DeViney.

Funeral services were held May 12 at Grimes Funeral Chapel in Bandera, Rev. Frank Pullin officiating. Interment followed in Bandera Cemetery. Honorary pallbearer was Kevin Deviney.

Those who wish make memorial contributions to the charity of one's choice.

Arrangements by Grimes Funeral Chapels of Bandera.

Frizzell

Mrs. Helen Frizzell, 92, of Denison, Texas died May 8, 1998 at her residence in Denison. She was a resident of Denison for 16 years and a prior resident of Bandera for 10 years. She was born January 1, 1906 in Tedeville, Arkansas, the daughter of William A. and Ora Mae Blythe. On August 5, 1922 she married John N. Frizzell in Fluvanna, Texas. He preceded her in death on December 25, 1980. She was a member of the Church of Christ.

Survivors include daughters Ora Colbert, Marie Kepler and [illegible], and Kathryn Morgan of Kerrville; 28 grandchildren, 65 great-grandchildren and 30 great-great-grandchildren.

Funeral services will be held at 10 a.m., Wednesday, May 13 at Grimes Funeral Chapels in Kerrville, with Billy D. Kepler, her grandson, officiating. Interment will be Pipe Creek Cemetery in Pipe Creek.

Arrangements by Grimes Funeral Chapels of Kerrville.

Wilkins

Richard Roland Wilkins, 83, of Vanderpool died May 10, 1998 at Sid Peterson Hospital.

He was born April 11, 1915 in Yoakum, Texas. He was a longtime resident of Corpus Christi, retired from Sinclair Pipe Line CFompany out of Luling, Texas, prior to moving to Vanderpool. He was a member of the Vanderpool Community Church and served as chairman of the church board.

He was preceded in death by his parents, six brothers, three sisters, one grandson and two great-grandchildren.

Survivors include his wife of 61 years, Pauline Hawkins Wilkins; son Philip Wilkins of Orange Grove; son and wife Roger and Sandi Wilkins of Ingleside, Texas; daughter and husband Jo Ellen and Victor Kelley of Big Foot, Texas; 14 grandchildren and 17 great-grandchildren.

Graveside services will be held at 10:30 a.m. May 13 at Vanderpool Cemetery in Vanderpool.

Arrangments by Rushing-Estes-Knowles Mortuary of Uvalde.

Aloha, y'all!

Bull riding coming to Utopia Park

Sabinal Canyon

by john Baumer
966-3681

You are invited to attend the graduation commencement ceremonies at Utopia High School on Friday, May 29, 1998 in the Utopia High School Cafetorium at 8 p.m. Here's hoping that I will see you there. Congratulations to all of the graduates.

Community News

Mr. and Mrs. Jim Mangum of Utopia are pleased to announce the upcoming marriage of their daughter, Robin Lynn Mangum, to Michael David Hawkins of Idalou, Texas. Hawkins is a 1993 graduate of Idalou High School and is currently attending Texas Tech University in Lubbock. Mangum is a 1993 graduate of Utopia High School and a 1997 graduate of Texas Tech University. She is presently employed with the New Deal Independent School District in Lubbock as a second grade instructor. The couple plans to exchange rings on June 20.

The Sabinal Canyon wishes to extend their deepest condolences to the family of the late Juanita Webb (Mrs. Lonnie Webb). Our thoughts and prayers are with them at this time.

There will be a bull riding at Utopia Park on Friday, May 15 starting at 7:30 p.m. Events in the riding rodeo will be bull and steer riding as well as mutton busting. Books opened on May 11 for those who were interested in participating, and closed later that day. There will be a dance following the event. Music will be provided by Chris Story and Southern Edge. This rodeo event is sponsored by the Utopia Park Board, Diamond T Products and the Triangle C Rodeo Company. For more information, call Wayne Tacker at 966-2454.

A Thought For The Week

by John M. Grimes

MOTHERS... HOW TO KEEP THEM RUNNING SMOOTHLY... Perhaps mothers should come with a maintenance agreement which provides for a complete overhaul every five years, three kids, or 300,000 miles, whichever comes first. Here are some points to be included:

FUEL: While most mothers will run indefinitely on hot coffee, pizza, and hamburgers, an occasional gourmet meal for two in elegant surroundings will add immeasurably to increased efficiency.

MOTOR: A mother's motor is probably one of the most dependable anywhere. Any mother can start and reach top speed from a prone position at a single cry from her child. To keep that motor at peak efficiency, regular breaks are recommended. A leisurely bath and nap about every 1,000 miles, a baby sitter every 10,000 miles will do wonders.

BATTERY: Batteries should be recharged regularly. Roses, candy, or other thoughtful and unexpected gifts often do the trick.

TUNEUPS: Mothers need regular tune-ups. Compliments are both the cheapest and the most appreciated.

By following these simple instructions, the average mother would last a lifetime providing love and caring to those needing her most.

Donors, volunteers keep Meals on Wheels alive

Silver Sage Corral

by Betty Lebo
796-4969

Mother's Day came early here at the Corral. An anonymous donor sent a huge basket from Books 'N Bloom filled with all kinds of fruit, nuts, candies, popcorn, etc. The fruit was distributed immediately but we'll be nibbling on all the other goodies for some time. A big thank you to "Anonymous" from all the mothers at the Silver Sage. Connie Manal is now delivering meals on Thursdays and she arranged for all the mothers on her route to receive a beautiful carnation for Mother's Day. Thank you, Connie, that was a nice surprise.

Just received a sweet note from Bunice Thibodeaux of Pipe Creek thanking us for the Meals on Wheels she received while recuperating from a broken leg. Included with the note was a very generous and very much appreciated contribution toward our Meals on Wheels program. We're usually right down to the wire when trying to make this program pay for itself. Contributions like this can really make the difference.

There was a little mix-up with the Meals on Wheels drivers from Medina on Monday morning, consequently I jumped in the car and took the meals out to Medina where Corky and Bill Craddock met me and delivered the meals. You know, as ornery an ol' cuss that Bill is, these two always seem to come through in a pinch. Of course, we must admit, Corky is a good influence. Muchas Gracias, Craddocks. Once more, you saved us - through rain, sleet or snow - or sprained shoulders, heart surgery, etc.

Roy Carpenter had surgery yesterday and Sylvia Saffell is going in for surgery tomorrow, so one send out your prayers for their quick recovery. These folks are a vital part of our operation here at the Corral and we want them to have all the back-up they need so they'll be back with us as soon as possible.

Medina FFA hosts banquet

by Cully Doyle
Club reporter

Medina FFA held their annual banquet May 7 and enjoyed a delicious barbecue meal of hog, prepared by Dale Naumann. Recognition was made of all invited guests, leadership hours, chapter conducting team, greenhands, judging teams and star awards.

Honorary membership degrees went to Ike Craddock and Adolph Huizar. Proficiency awards were given to Jana Craddock for sheep and swine, Tiffany Huizar for poultry, Charyli Hyatt for beef, Ryan Doyle for goats and Cully Doyle for ag mechanics. Lone Star applicants were Casey Evans and Ryan Doyle.

The Star Greenhand went to Casey Garrison; Star Chapter Farmer to Charyli Hyatt, Star Lone Star Farmer to Casey Evans, and the Agriculture Achievement Award to Tiffany Huizar and Jana Craddock.

The chapter sweetheart, Tiffany Huizar, was recognized with a bouquet of flowers.

Officers were installed for 1998-99, and the meeting adjourned. Those officers are: Casey Evans, president; Clint Singleton, vice president; Lucynda Reaves, secretary; Amaro Villarreal, treasurer; Ryan Doyle, reporter; Carolyn Bruinsma, sentinel; Casey Garrison, student advisor; and the chapter advisor is Craig Taylor.

These Hill Country Elementary students will travel to San Antonio on May 23 for a book signing, for the chapter on Texas the class contributed to a recently published book.

Top right: Casey Evans received the Star Lone Star Farmer Award from advisor Craig Taylor; bottom right: PRoficiency Award recipients were Jana Craddock, Charyli Hyatt, Cully Doyle, Ryan Doyle, Tiffany Huizar and advisor Craig Taylor; bottom left: Senior Chapter Conducting team members were: Lucas Hubble, Casey Evans, Zach Joseph, Tiffany Huizar, Carolyn Bruinsma, Charyli Hyatt, Clint Singleton and Jana Craddock.

They're published authors!

Hill Country Elementary teacher Teresa Moore's 1996-97 fourth grade class will soon be headed to San Antonio to participate in an event usually reserved for folks a little bit older: a book signing.

Last year, the 17-member class prepared the "Texas" chapter for the publication "The Kids' Book of the 50 Great States." The state-by-state scrapbook, filled with facts, maps, puzzles, poems and photos, was written by children and published by Scholastic.

The students included a greeting, a hand drawn state map, population figures, official state flora and fauna, and even a view of Medina Lake. Special sections included "Texas Through Time," "Take a Trip to Texas," "Tall Texans" and "Strange But True."

The children, who are now fifth graders, will travel to Borders Books at Huebner Oaks in San Antonio on May 23 for an official book preview/signing. The store is located off Interstate 10 and Huebner.

Students participating in the project were: Caitlyn Chaffin, Ashley Greven, Corey Murphy, Daniel Duckworth, Waco Jamison, Teddy Taylor, Jennifer Tschirhart, Josh Everly, Heather Harnes, Michael Mahar, Aaron Wood, Travis Kessler, Kenny Rettko, Steven Sager, Kyle Stith, Russell Miller and Jenny McPhail.

Education Notes ...

Bandera students attend national competition

On April 29 through May 1, 1998 two Bandera High School girls attended the National Leadership Conference for Business Professionals of America in San Antonio, where they competed against other students from around the country. Marisela Lopez competed in the Office Specialist category against almost 60 others and Lisa Humphreys competed in the Office Assistant category against almost 80 other students. Lisa Humphreys placed in the top ten in the Nation in her event.

Top graduates announced

Utopia Schools proudly announce the valedictorian and salutatorian of the Class of 1998. Karyn Triner, daughter of James and Jackie Triner of Utopia, is the valedictorian, with a grade average of 105.88. Amanda Lewis, daughter of Austin "Butch" and Landa Lewis of Utopia, is the salutatorian, with a grade average of 105. Congratulations to both young ladies.

Cooper to attend ITT Tech

Jo Cooper of Lakehills has enrolled in the Electronics Engineering Technology program at ITT Technical Institute in San Antonio. The local campus is one of a nationwide network of 63 ITT Technical Institutes operated by Indianapolis based ITT Educational Services, Inc. (ESI).

The two-year program, which begins June 15, will help Cooper begin to prepare for a career in Electronics Engineering Technology. Upon successful completion of the program, Cooper will earn an associate's degree.

Cooper is currently a high school senior at Bandera High School, and expects to graduate in May, 1998.

Established in 1988, the San Antonio ITT Technical Institute offers educational programs in Electronics Engineering Technology and Computer-Aided Drafting Technology to 563 students.

The San Antonio ITT Technical Institute is operated by ITT Educational Services, Inc. (ESI), a leading private college system focused on technology-oriented programs of study. ESI operates 63 ITT Technical Institutes in 27 states which primarily provide career-focused, degree programs in fields of technology to approximately 24,000 students.

Headquartered in Indianapolis, Indiana, ESI has been actively involved in the higher education community in the United States since 1968.

Gutierrez, Lenart to wed

Mr. and Mrs. Frank Lenart of Fort Worth announce the engagement and approaching marriage of their daughter, Rose Ann Lenart of San Antonio, to Jimmy J. Gutierrez of San Antonio. Jimmy is the son of Steve and Letty Taylor of Bandera, and the grandson of Nita Taylor of Pipe Creek. The bride is a graduate of Madison High School and attends the University of Texas at San Antonio. The groom is a graduate of Bandera High School and is a San Antonio night club owner. The couple will be married May 17 at Our Lady of the Lake, Sacred Heart Chapel, in San Antonio.

Mrs. Payne's Hill Country Elementary social studies class had a visit recently from Bill Wahamund from the Institute of Texas Cultures in San Antonio. The class had been studying early Texas immigrants, and their effect on Texas' culture. Wahamund discussed German immigration during the 1800s, and shared many items that Germans brought to Texas during that period.

Quilt Guild to tackle pleating project

The Bandera County Quilt Guild will meet Wednesday, May 20, at 9:30 a.m. at the Silver Sage Corral in Bandera.

Following the meeting, Rita Recker, member of the BCQG and also a member of the Heritage Study Group, will present the program of the month, the "Pleated Pineapple." This is a technique based on Donna Poster's "Foldy-Stuff," a popular method of pleated quilt making.

Bring your basic sewing supplies and sewing machine if you prefer to machine sew this project. In addition, the following sizes of fabrics will be needed: an 11" x 11" piece of muslin for backing; a 2-1/2 inch square of fabric for the center; a 6 inch square for the corners; four strips each of the following in light colors: 3", 3-1/2", 4-1/4", 4-3/4" and 5-1/2", all to be 2 inches wide. You will also need to bring four strips each of the following sizes in dark colors: 3-1/2", 4-1/4", 4-3/4", 5-1/2" and 6-1/4", all to be 2 inches wide.

This class is free to members and guests. A limited number of kits for this project will be available for purchase in the Silver Sage Gift Shop. Members are also asked to bring their completed Block of the Month for the monthly drawing.

For more information on the Bandera County Quilt Guild, contact Linda Kurtz at (830) 257-7518, or Betty Brister at 460-7313.

Lewises welcome son

Robert and Sue Lewis of Bandera announce the birth of a son, Zackery Wyatt. He was born January 17, 1998 at 2:17 a.m. at the Women's Pavilion at Methodist Hospital in San Antonio. He weighed 8 lbs., 5 oz., and was 21 and 3/4 inches long at birth. She is welcomed by sister Claire Mackenzie, grandparents Doris Threadgill of Stephenville, Bob Lewis of Tolar, Texas, and Don and Judy Bast of Fox Point, Wisconsin; and great-grandmothers Alice B. St. Laurent of Manchester, Connecticut and Nora Peronto of Manitowac, Wisconsin.

Egad! The play's just the thing

Medina Lake Players will present two performances of "Egad, The Woman in White" this weekend in Lakehills.

The group has been hard at work polishing this production of the old-fashioned melodrama by Tim Kelly. The curtain will rise at 7:30 p.m. on Saturday, May 16 at the Lakehills Civic Center and a matinee performance will be presented at 3 p.m. on Sunday, May 17.

"This is good family entertainment, and at a modest price," said director Cindy McKay. Admission is $4 for [illegible] and $2 for children age 12 and under.

An additional performance is scheduled for May 23 at 7:30 p.m. at Thousand Trails Resort. For more information, call McKay at (830) 612-3304.

OUR APOLOGIES!

Bandera Electric Cooperative, Inc. would like to take this opportunity to extend our apologies to our Members in the following areas:

- City of Bandera
- Lakehills
- Pipe Creek
- Medina
- Concan
- Leakey
- Utopia
- Tarpley and Vanderpool

The Cooperative experienced electrical outage at 6:15 p.m. on Wednesday, May 6. The duration of the outage ranged from just over one hour for those Members in the eastern part of the affected area, to slightly less than two hours for those Members in the western end of our system. The Cooperative purposely scheduled the rebuilding and upgrade of a transmission line during what is normally a mild time of the year. To facilitate the construction of this project, the load from two of our substations were shifted to another transmission line feeding several other substations. Normally this would not have been a problem; however, the extreme temperatures experienced last week overloaded some of the equipment. Again, we apologize for any inconvenience this is may have caused and appreciate your patience and understanding.

VFD estate sale May 16

Hi Folks! Sorry I can't give you folks any encouragement on our weather situation, or even any prospects of a chance of May rains. Since the old saying of "April showers brings May flowers" isn't so this year, but the wildflowers bloom anyway! The 7th we had 100 degrees and more [illegible] come in dry and most of us know that's not good. We all know the dangers of burning our trash and cedar piles as well. Stock tanks beginning to drop from the evaporation, creeks still flowing well.

Saturday May 16 is a big day at the Tarpley Community Center, when an estate sale will be held again. It will start at 11 a.m. and continue on until late afternoon or is sold out. Along with the sale there will be a concession stand of food and drinks sponsored by the Tarpley Fire Department folks.

The Rio Hondo Extension Study Group will meet on Thursday May 14 at the home of Mrs. Jerry Hall. The program had to be changed to the subject of diabetes.

Jerry Hall is recuperating nicely from a painful accident recently at her home. We send best wishes for her full recovery.

May Birthdays: Mary Dean Chism on the 6th, Thomas Schmidt on the 7th. Belated fourth wedding anniversary (April 23) for Debbie and Wayne Brasington, and belated birthday wishes to "Bub" Charles Krause, also April 23.

Our nephew Archie Woods of Hemet, California passed away on April 28 and was laid to rest Monday, May 4. Archie had been ill with emphysema several years but had really tried very hard to overcome his illness. He was a lifetime member of the Lions Club in Hement and a member of the First Baptist Church. His wife, Mary Ann Sellers Woods, is our niece and they have visited us many times through the years.

Two ladies, Eunice Meyers and Mary Hietalahti, braved the hot weather Wednesday to go pick Agarita berries toward Utopia, and having lunch at Lost Maples Park. Hadn't heard of using parasols to pick in but they say it works.

Mini-bus added to local fleet

Alamo Area Council of Governments(AACOG) joined with Bandera County last week at the ribbon cutting of a mini-bus and van made available for rural public transportation in Bandera County. This transportation service has existed in six months, and the ribbon cutting celebrated that success. The presentation of a key to the bus was made to County Judge Richard Evans to honor the event, and to thank Bandera County for sharing resources to make the transportation possible.

Federal and State funds of over $25,000 have been allocated for the Bandera County program.

Alamo Coordinated Transit, the rural public transportation program administered by AACOG in Bandera for over ten years, changed operators in October, 1997, to Medina County Public Transportation, which successfully raised ridership and increased the use of vehicles in Bandera County to two 15 passenger vans and a handicapped accessible mini-bus.

Bandera County is one of eleven counties in the Alamo Coordinated Transit region. Passengers of any age may use the service, which travels within and outside of Bandera County for any purpose, taking passengers wherever they need to go. The reservation service is available Monday through [illegible] p.m.

There are no eligibility requirements — the system is for the public. Twenty-four hour advance notice is requested, and may be made by calling the local dispatcher at (830) 796-7758. Fares are up to 10 miles round trip (no more than 5 miles

Among those present to celebrate the introduction of the new Alamo Coordinated Transit lift-equipped mini-bus were County Treasurer Kay Welch, Betty Lebo, Pat Moore of the Bandera County Chamber, County Judge Richard Evans, Mayor Bob Cowan, Bandera City Administrator Don Reddout, Jeannie Sagebiel of AACOG, Beverly Lutz of Medina County Public Transportation, and AACOG Acting Deputy Director Claude Guerra, and Bandera County's van drivers Mark Bucalo, Bob Moore and Sherman Vangsaes.

New church forms

Organizers have announced that there is a new church in town, known as the New Life Apostolic Church. The pastor is Jim Richardson, who was formerly with Castle Hills United [illegible]

"We welcome one and all," said Pastor Richardson. "It's exciting to be a part of God's church."

Old time salvation is the ongoing theme at the new church. The public is invited to attend when the church meets in the [illegible]

meets at 7:30 p.m. on Thursday nights.

New pastor welcomed

Bill and Lois McGarity

Pastor Thomas W. "Bill " McGarity and wife Lois have been welcomed to their new service at Walker Memorial Baptist Church. The couple arrive from Los Alamos, New Mexico, where Bill recently retired from the Los Alamos National Laboratory and Lois from the Los Alamos National Bank.

Pastor McGarity became a Christian in 1955 at the Mid-City Baptist Church of New Orleans, Louisiana. He and Lois were married in 1960 in San Antonio, while Bill was in the Air Force. He served with Rev. Jesse Pedroza of Marfa in the River Ministry in the Big Bend area while working at the McDonald Observatory from 1969-1972. He was called to the ministry at that time and was ordained in San Antonio in 1972. The McGaritys were directors of an orphanage in Cuahtemoc, Chihuahua, Mexico for three years, and he then began a Spanish church in El Paso, while working a prison ministry in Juarez, Mexico.

Bill graduated the College of Santa Fe with a Bachelor of Arts degree in management and public administration and an AA degree in engineering electronics. He is also a graduate of the Spanish Language School of the Rio Grande Bible Institute of Edinberg, Texas. He is working on his MDiv with Golden Gate Baptist Theological Seminary.

When the McGaritys retired from secular work, it was easy to move back to this area, since Lois was born and reared in Bexar County and Bill spent several years on the Hill Country route while working for Orkin Exterminating Company in the early 1960s. The couple have a daughter and four sons, and seven grandchildren. They are building a home on Brewington Creek near Medina.

Lock-in brings out the giving spirit

New Vision Church of Bandera had another fantastic Lock-In on May 1. With over 30 children and another half a dozen chaperones, we had an incredible time and witnessed the mighty hand of God move in a powerful way.

If you remember, we had a Bible Quiz grand prize to give away, which was 21-speed mountain bicycle. This drew much attention from the children. The grand prize, along with many other prizes were given, based on Bible Quiz answers from the children out of the Book of Matthew. (NKJV).

Three Bible Quiz sheets were given out throughout the evening, each one having 10 questions on each of them. All three were open Bible quizzes.

It is extremely rewarding for me to see a child minister to another child. This is the reward I receive as being a pastor. At New Vision church, we have several young men and women who have made quality decisions for Jesus in their life.

We are constantly in the Word of God during service, because Jesus said; "You shall know..the truth and the truth shall make you free," and God said "My People Perish for lack of Knowledge." Well, once you have tasted what God will give you, it is much easier for you to give. Listen to what happened that night!

A 13-year-old boy named Will Gourlas won the grand prize. Will won the 21-speed mountain bike. Now, can you imagine how exciting this would be for a 13-year-old boy? How cool and awesome! I mean, this is "Chillin." Not only does Will know the Book of Matthew like the back of his hand, but because of it he is now the proud owner of a new bicycle...but it doesn't stop there.

There is another 13-year-old boy named Roger Roberts III, at New Vision Church, whom had his heart set on winning that bicycle, but not even for himself. Roger the III planned to win the bike so that he could give it to Roger the II. Yes, he wanted to win the bike for his Daddy, because he loves his Daddy so much, he thought that if he got that bike for his Daddy, his Daddy might start coming to church with him. Isn't that precious? But he didn't win the bike. Well, it doesn't stop there either.

Well knows Roger, and Will came to me as soon as he got to the Church that night. Will said; "Pastor Roy, I'm gonna win that bike tonight and give it to Roger."

Do you believe that is exactly what Will did? He turned that brand new bright blue bicycle over to Roger with tear in his eye and a smile on his face. So we all prayed over that 21-speed mountain bicycle, that it would help connect Roger the III to Roger the II. Hallelujah!

Will Gourlas, Jesus is so proud of what you have done, and I am too. It has touched me so deeply, I'll never forget it. I pray that the giving spirit you have, becomes contagious to everyone around you, because Jesus said " (Luke 6:38)

"Give, and it will be given to you: good measure, pressed down, shaken together, and running over will be put into your bosom. For with the same measure that you use, it will be measured back to you."

At New Vision Church, we are seeing a new generation of children in Bandera County. Children with zero tolerance for sin. There are kids in this church who can quote chapters from Matthew, not because they memorized them, but because it is deep in their heart.

Once again, thank you Super S Foods for providing all necessary foods, drink, and paper goods for dinner the night of our second lock-in. I praise God for your generosity, and God will indeed bless Super S Foods in doing so. Genesis 12:3 promises that.

Also, thanks, Mama Espinosa, for the breakfast tacos at a discount. I love you for your generosity. May God bless you and your business.

The next lock-in will be coming up in mid-July, so stay tuned to "Pastor Roy's Sermon in a Nutshell," every week in the Bandera Bulletin for the announcement.

I thank God for the opportunity to serve this community in an active; functioning, realistic youth ministry, which is reaching children for Jesus and reaching their families. This outreach is restoring families and healing deep wounds throughout our community. I'll bring more details as things develop.

New Vision Church of Bandera
PASTOR ROY'S SERMON IN A NUT SHELL

God made man for only one reason. Fellowship. God wanted someone to hang out with. God created man in *"God's Image"* (Gen 1:26). That means we are like Him. You don't like to be lonely, do you? Neither does He. So He gave us our life (20, 60, 80 years) to make a decision to love Him back. He'll never force Himself on you, if fact there will be a time where He will turn His back on you, but not without confronting you first, with His plan for your life. He who comes to God must believe that He is, and that He is the rewarder of those who diligently seek Him. If you believe that He is, but you are not diligently seeking Him, well ...

20 compete in queen contest

A total of 20 young ladies competed in the CCRA Rodeo Queen's Contest held on [illegible]

The contest included two different age groups: the Teen Division for girls ages 13-17, and the Miss Division for girls ages 18-24. There were contestants competing for the titles from Bandera, Kendall, Bexar, Kerr and Gillespie counties.

The contest began at 2 p.m. at Mansfield Park with the personality, modeling and impromptu questions. The girls then had private interviews with the judges. The horsemanship portion of the contest followed. At 6 p.m., the contestants performed a designated horsemanship pattern. A copy of the riding pattern was furnished to each entrant prior to the contest.

The winners will not be announced until the Saturday night performance of the Memorial Day Weekend Open Pro Rodeo. This will allow the contestants to participate in all of the rodeo activities such as riding in the Grand Entry, carrying sponsor flags during each performance of the rodeo, the rodeo parade, the Cowboy Golf Tournament, and any publicity function associated with the rodeo.

This is the second year that the winners and first runners-up will receive college scholarships. The winners will also receive a rhinestone tiara, embroidered satin sash, a beautiful Lopez Bros. handcrafted trophy buckle, flowers and many wonderful gift certificates.

The CCRA would like to thank the sponsors of this years queen's contest. The sponsors include: Peggy Morrow of Ray's Garage in Austin, Lopez Bros., Shoe Biz, Adobe Rose and Blaze Jeans, The Horseman's General Store, The Dragon Garden Restaurant. Back at the Ranch, Isell Clothing Co., Inc., scenarts Flower Shop, Guarantee Bank, Justin Discount Boots, The Western Horseman, Professional Choice, Cavender's Boot City and Everett's.

Tourism talks

Bandera County Chamber News

By Ben Nolen

Last week, May 4-8, was National Tourism Week. As most of us know here in Bandera County, it's tourism that by one way or another puts money in our pockets - or lack thereof. Just for a glimpse of the big picture, tourism is the third largest industry in the state and Texas is the second most popular tourist destination in the nation. As a result of tourism, approximately $28 billion is generated annually from travelers. In addition, more than 464,000 Texans are employed in travel-related jobs. Today, direct travel expenditures generate almost $5 billion in tax revenues. Without this revenue, every Texas household would pay an additional $667 in taxes to maintain existing government services. Realistically, this could indicate that our taxes are too high to start with.

Now the little picture - Bandera County. What makes us so dependent on tourism? It doesn't take a rocket scientist to realize that tourism is our major product - number one, numero uno. Our hills, our streams, wildlife, flowers, state parks, dude and guest ranches, clear skies, clean air and minimal crime rate are primary contributors to our tourist industry. And until we can figure out ways to market rocks, generate markets for cedar trees or find economical benefits for prickly pear we must continue to embrace and promote tourism as our major income producing industry.

Bandera County has shown a 36 percent increase in revenues derived from domestic travel spending between 1990 and 1996. In 1996 this total was in excess of $1.32 million for our county. Bandera County has been fortunate to realize more than just travel spending from the travel industry. Many of our local business owners came to Bandera County as travelers. They came to see the place and stayed. Some of these transplants are Baxter and Carol Adams, owners and developers of Adams Apples, Love Creek Orchards and the Cider Mill and Country Store in Medina. This couple created a totally new and clean industry for the county and established Medina as the "Apple Capital of Texas." A spin-off of this is the annual Texas International Apple Festival which brings 20,000 or so visitors into the County each summer.

Another is Maudine Marks, the owner of the LH7 Guest Ranch. She came from Houston, liked what she saw and decided to stay. She has entertained a lot of happy tourists as well as establishing one of the primary Longhorn cattle ranches in south Texas. Others include Tom and Polly Herrington, who own and operate the Diamond H Bed and Breakfast as well as having one of the best commercial quail raising and merchandising operations in the country. Eva and Jay Revels - Eva owns Country Accents Antiques, the largest antique facility in the county and Jay has TMS Electrical Service Company. John and Sylvia Roncagali own and operate The Yellow Rose Guest Ranch, a few miles west of Tarpley. Janice and David Kelley, owners of My World Fabric Shop on Main Street, come from such far away places as Australia and Europe.

This could go on and on. The point being that in many instances tourists come, not only to see and enjoy, but to stay. In the majority of instances these "stayers" have contributed greatly to the local economy as well as being extremely active supporters and promoters of our area.

Tourism does talk...and it speaks very loudly. It behooves all of us to listen.

information.

New late hours
Beginning May 7, the Bandera County Library will be open Thursday evenings until 8 p.m. Visitors are invited to enjoy the three additional hours of quality library time.

Guest speaker
The Macular Degeneration Support Group will meet May 20 at 2 p.m. at St. Peter's Episcopal Church Parish Hall, 956 E. Main in Kerrville. Toni L. Christenson of Bandera will be the guest speaker at the meeting. She is an artist with low vision who practices the art of "quilling," also called paper filigree. All are invited to attend. For more information, call (830) 896-1807.

Horse Boot Camp
The Kerrville ISD continuing education department will be sponsoring a summer horsemanship "boot camp" for horse lovers at Grand Meadows Horse Farm in Bandera. Gentle, sound horses and horse supplies are needed for the program. Children will learn the fundamentals of English and Western riding and how to select and care for a horse and its equipment. If you have a child who would like to attend, have a horse that could be used for this summer, or would like to donate some horse tack,please call Sandra at 830-796-3738 or Phil at Kerrville ISD at 830-257-2218.

Duly Noted...

Retired officers
The Texas Hill Country chapter of the Retired Officers Association will meet Thursday, May 21 at the Sunday House Restaurant in Kerrville. Social hour is at 6 p.m. followed by dinner at 7 p.m., and the cost is $15. Please make reservations by May 19 with Maj. Bob Avery, at 895-3993.

The guest speaker is Col. Shady Groves, from Texas A&M University, who will give a general discussion of reserve officer training. All eligible officers and their spouses are invited to attend: active, reserves, or former commissioned officers of the uniformed services.

Think Funtier Parade!
It's Funtier time again, so grab your sunglasses, sunscreen, hats and chairs and join the Bandera County Chamber of Commerce for the Funtier Day Parade on Saturday, May 23. The parade kicks off at 10 a.m. down Main Street, starting at the corner of Hwy. 173 north.

"We expect well over 100 entries this year," said chairperson Laurie Neff, "so there will be something for everyone to enjoy." The Alzafar Temple Shriners from San Antonio will be back this year, along with the queen contestants from the Cowboy Capital Rodeo. This will be the second year for the beautiful black Percheron horses, and the Hill Country Clowns will also return for the festivities.

The chamber is still accepting entries and applications are available at the chamber's offices.

"We also need volunteers to help line up the parade, so come on out and join the fun," Neff said.

For more information, call the Chamber at 796-3045 or Neff at 460-3942.

Good News!
Osteoporosis
is *Preventable* and *Treatable*

The diagnosis and treatment of osteoporosis should begin with an objective, quantifiable measurement of the patient's bone mass or bone density.

Bone density scan, a non-invasive procedure, safely, accurately and painlessly measures bone density and the mineral content of the bone.

OSTEOPOROSIS — a potentially crippling disease characterized by the loss of bone tissue and a susceptibility to fracture afflicts an estimated 25 million Americans, 80% of whom are women. Annually, this disease accounts for 1.3 million debilitation fractures, mostly of the weight-bearing hip and spine.

Are you at risk?
Your chances of developing Osteoporosis are greater if you are female and answer "yes" to any of the following questions:

Are You?
- Light skinned
- Thin or small framed
- Approaching or past menopause
- Milk intolerant or have a low calcium intake
- A cigarette smoker or drink alcohol in excess
- Taking thyroid medication or steroid-based drugs for asthma, arthritis or cancer

Do You Have?
- A family history of Osteoporosis
- Chronic intestinal disorders
- A sedentary life-style

State Week

Bandera's Sarah Harris, Shandra Zickler ready for Austin challenge

After a two-week wait in between the Regional and State Track Meets, Bandera High School's Sarah Harris and Shandra Zickler will compete in the University Interscholastic League (UIL) State Track and Field championships Class 3A division on Saturday (May 16) at the University of Texas Royal-Memorial Stadium in Austin.

Zickler, who placed second at Regionals in Kingsville on May 1 with a season-best leap of 37 feet, 7 3/4 inches, will jump in the girls Class 3A triple jump that begins Saturday at 3:30 in the afternoon. The sun should be pushing the temperature to near 100 degrees for the eight triple jumpers at the stadium's south pit.

The favorite going into the event is Jacqueline Canton of San Augustine High School. She hit the 39-foot mark – exactly – in winning her Region Meet.

Cuero's Kim Williams is another State tripe jumper. She edged Zickler by one inch for the gold medal at Regionals.

Later Saturday evening at 9 o'clock Bandera's Sarah Harris will climb into the starting blocks for the girls Class 3A 200-meter dash.

Harris had the slowest Regional time of the eight State qualifiers at 26.22 seconds, but she ran a season-best and Bandera school record time of 25.60 earlier this season. That kind of time would put Harris in the medal hunt.

Hitchcock's Mikessia Triplette is the Class 3A girls 200 meter favorite after winning Regionals in Kingsville with a 24.55 (see charts below).

Above: Bandera's Sarah Harris (right) beat out District 26-3A rival Mandi Gold of Ingram Tom Moore High School (left) for second place at Regionals and a trip to the State Track Meet in the 200 meters. Right: Bandera's Shandra Zickler (far right in photo) talks with Bandera Lady Bulldog Track Coach Stephanie Coats and teammate Katie Jennings. Left: Zickler uses sprinter's speed on the runway. Zickler and Harris will compete at State on Saturday (May 16).

The Competition For Bandera At State

Session Two: For girls entering the 2nd through 5th grades during the 1997-98 school years. Registration fee of $20.

Please send the player's name, address, home phone number, age, grade in 1997-98, adult t-shirt size and parents names and work phone number along with the registration fee to:

Bandera High School Girls Basketball Camp, Attn: Stephanie Coats, P.O. Box 727, Bandera, Texas 78003.

Registration deadline is May 18. All registration forms postmarked after the May 18 deadline will be subject to a $10 late fee.

Leeder, 'Coach' tie for first place

Richard Leeder and Gary "Coach" Whitfield tied for first place with scores of plus 7 in the weekly Stableford golf tournament sponsored by the Good Old Boys Golf League at Bandera's Flying L Course.

Of the 45 total contestants at the recent Monday event, 27 finished in the money. Players whose point totals exceed their handicaps win money prizes. Handicaps are computer updated on a weekly basis.

Ron Hackleman and Fred Wilson tied for second place with six points apiece, and in a logjam at third with five points were Dale Daugherty, Ken Rose and K. Evertson.

Closest to the pin honors were won by Mansy Grantham at the 7th hole and Ray Raymond at the 12th.

The Good Old Boys play every Monday at 9 a.m. at the Flying L in Bandera. New players are welcome and should check in at the pro shop by 8 a.m. Call 1-800-646-5407 for more information.

80 golfers play in May 6 event at Devine course

Eighty players turned out for the May 6 Over 50 Golf Association Tournament held at the Devine Municipal Course.

Placing first was the team of Melvin White, Rita Kroll, Rodger Taylor and Bill Arraiza with a 10-under-par score of 62.

The scorecard was needed for playoffs after four teams tied for second.

Claiming the runner-up spot were Jim Terry, Val Edwards, H.C. Day and Ken Hughes.

Third place went to Wayne Marty, Vaughn Manning, John McGinnis and Jim Gavlick, with Larry Upton, Pat Andrews, R.L. Walker and Neal King finishing fourth.

Fifth place was won by Burl Jacks, Lorraine French, Tom Nate and Hank Tripp, with final money going to the team of Alex Garcia, Al Tek, Jim Bowers and Horace Fincher.

In June, players are reminded to wear soft shoe spikes on the Alsatian Course in Castroville.

The Over 50 event on May 20 is at Bandera's Flying L Course. The association is playing at Bandera's Lost Valley Course today (May 13, 8:30 a.m.) with a BBQ to follow.

Medina's Bogler leaps Saturday morning

It's shaping up to be quite a competition for Saturday morning's (May 16) Class A boys high jump at the UIL State Track and Field championships.

When the event begins at 9 a.m. at the west pit at the University of Texas Royal-Memorial Stadium on Saturday, Medina sophomore Matt Bogler should be right in the middle of the medal chase.

And remember, this 10th-grader was jumping at middle school meets only two springs ago.

Bogler qualified for the State Meet with a second-place leap of 6 feet, 6 inches at the recent Class A Region IV Meet in Brenham.

Going into the State Meet, only one Class A high jumper – Justin Simpson of Blanket High School at 6-10 – has a better jump.

Medina's Bogler and three others come in with jumps of 6-6 and two others own jumps of 6-5. The other two Class A State high jumpers have cleared 6-4.

The Competition For Medina At State

Matt Bogler's Opponents in the Class A High Jump at Saturday's (May 16) Class A State Track Meet in Austin
(9 a.m. at Memorial Stadium)

6-10 Justin Simpson, Blanket
6-6 Matt Bogler, Medina
6-6 Jonathan Reagins, Munday
6-6 Shawn Dillard, Evadale
6-6 Berry Fleitman, Muenster
6-5 James Williams, Earth Springlake
6-4 Trey Clark, Irion Co. (Mertzon)
6-4 Darryl Douglas, Comeseall
(Jumps are Regional results)

Dubose at State...

Bandera High School senior Thad Dubose (above) fired an opening-round 77 on Monday (May 11) during the first day of the University Interscholastic League (UIL) Class 3A State Golf Tournament being played at the Lions Municipal Course in Austin. The 36-hole event was scheduled to conclude on Tuesday (May 12) in Austin after press time for this week's issue. Watch the May 20 edition of Bulletin Sports Weekly for complete results. Dubose, the 1998 District 26-3A and Region IV champion, was six strokes out of the lead going into Tuesday's final 18 holes.

Utopia's Lackey reaches Region semis

BRENHAM – Utopia High School's George Lackey reached the Class A Region IV Tennis Tournament semifinals at the recent two-day event at Blinn Jr. College.

Lackey, Utopia's lone representative at Region tennis, won his first-round match with a 6-4, 6-3 victory against a player from Rochelle High School.

Lackey stopped a Nueces Canyon player 6-2, 6-3 in a Regional quarterfinals match before being defeated in the semifinals 6-0, 6-2 by a Bruni player. Lackey was edged 6-4, 6-4 by a Bartlett team member in the third-place match.

In other recent action for Utopia athletes, Robert Bomer, Amy Lessing and Cody Hobbs had 4th-place finishes at the Regional Track Meet.

Bomer improved his career best in the 800 meters by seven seconds (from 2:09 to 2:02) with his 4th place at Regionals.

Lessing bested her career mark by nearly two feet (from 32-7 to 34-3) in the triple jump and Hobbs added another 4th place in the pole vault at 11 feet.

Other Utopia tracksters at Regionals were Christy Jones and Ben Taylor in the discus; Kendra Achterhof in the high jump and 100-meter hurdles; and Dusty Carpenter in the high jump.

The Utopia boys golf team placed 11th at the recent regional Tournament.

Utopia golfers include Arthur Queen, Josh Ramsey, Ben Taylor, Jeffrey Moore and Thomas Mauldin.

Teams and individuals competing at Regional events had to place first or second at District to qualify.

* - District 26-3A games

The 1998 Bandera High School varsity football schedule features a brand new District 26-3A schedule and are-district slate packed full of Class 4A and playoff teams.

"We should be ready for district because we have a very competitive pre-district schedule," said Bandera's ??th-year Head Football Coach Mike Williamson who owns a ???-??? career mark with the Bulldogs in ?? seasons.

Many are predicting that Bandera will move up to Class 4A in the 2000-2001 school year. If that happens – and the middle school numbers say it will – the Bulldogs will be no strangers to 4A-level competition.

"I really believe in a tough pre-district schedule," Williamson said. "We have a great set of opponents lined up for the next two seasons."

The 1998 Bulldogs open the season at home against Dripping Springs, now a Class 4A school.

Then comes two-time defending District 27-4A champion Fredericksburg on the road. This will be the first Bulldog-Billie matchup in recent memory.

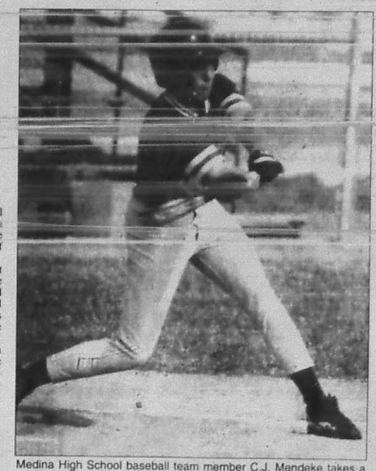
The '98 Dogs then play at former district rival Devine, host San Antonio Holy Cross and close out pre-district at former league foe and now Class 4A school Medina Valley in Castroville.

The 1998 District 26-3A opener will feature the Bandera Bulldogs hosting the Burnet Bulldogs. Both towns's newspapers are named *The Bulletin* and have the same sports editor. Thank goodness Bandera is royal blue and Burnet is green.

Then comes district games at Liberty Hill, home battles with Ingram Tom Moore and Wimberley and the regular-season finale at Llano.

In 1998, the top three teams from each 3A district go to the playoffs.

Bandera Coach Mike Williamson likes the 1998-99 FB schedules.



Medina High School baseball team member C.J. Mendeke takes a cut. The Bobcats were scheduled to close the 1998 season at home against Utopia on Friday (May 15).

Medina, Utopia end baseball on Friday

The Medina Bobcat and Utopia High School Buffaloes baseball teams are scheduled to close out their 1998 seasons on Friday (May 15) with Medina set to host Utopia at 4:15 p.m.

Medina and Utopia, which had an early-season game postponed when umpires didn't show up, are both out of the District 31-A playoff picture.

La Pryor and D'Hanis have wrapped up the district's two playoff berths and will begin Class A Region IV postseason action sometime next week.

La Pryor stopped Medina 12-2 on Friday (May 8), while Utopia fell to D'Hanis 10-4.

Medina and Utopia played late Tuesday night (May 12) district games. – Medina was at Sabinal and Utopia traveled to Asherton.

Streaking Bulldogs going for 3rd place

The red-hot Bandera High School Bulldogs baseball team, winners of three in a row, are in a position to go for third place in the final District 26-3A standings.

The Bulldogs, 10-11 overall, are out of the playoff race with a 3-6 district mark.

But a Bandera home win against Ingram Tom Moore on Friday night (May 15) at 7 o'clock and other losses by Hondo and Ingram in late Tuesday night action could move the Bulldogs from fifth to third place.

Bandera extended its winning streak to three with a 9-4 road victory at Somerset on Friday (May 8). Bulldog Bryan Bass belted two doubles in Bandera's 11-hit batting attack.

The Bulldogs also knocked off district rival Devine 8-6 at home on May 5. It was the final district meeting between Bandera and Devine for at least the next two school years (Bandera and Devine will be in different districts in 1998-99 and 1999-2000).

Friday night's home game against Ingram Tom Moore will be the Bandera seniors final game as a Bulldog.

Sales tax numbers up in the city, down in county

April sales tax rebates for Bandera County were recently announced for Bandera County, and numbers were up over last year for the city of Bandera, but down slightly for the county as a whole. However, year-to-date figures for the two entities were both up over comparable figures from 1997.

Quarterly figures, which indicate the number of businesses collecting sales taxes within the county, were also released, and showed drops in retail trade, and in all industries.

The city's sales tax rebate for April 1998 was $26,847.61, up 20.07 percent from the April 1997 rebate of $22,359.29. The county received $16,102.16 for April 1998, down 8.54 percent from the $17,606.88 received in April 1997.

Year-to-date rebates for the city stand at $121,454.48, up 11.7 percent from the $108,725.19 collected at this time in 1997. The county has received $73,718.19, up 3.6 percent from 1997's figure of $71,150.19.

This month's sales tax rebates include local sales taxes collected in February and reported by businesses filing monthly tax returns in March.

The number of reporting outlets in the county dropped from 364 in the third quarter of 1996 to 309 in the third quarter of 1997, the most recent quarter for which figures are available. Gross sales have dropped 15.5 percent for the same quarters, from $25,369,739 to $21,431,861. Retail trade in the county fell from 202 reporting outlets in the third quarter of 1996 to 181 in the third quarter of 1997. Gross sales in the retail trades fell 21 percent, from $18,005,004 to $14,232,478.

Reporting outlets means the number of individual business locations with a sales and use tax permit who filed a return.

Gross sales means the total amount of all sales, leases and rentals of tangible personal property and all labor and service charges made during the reporting period.

'Alamo' movie reunion coming up

Bandera's own Rudy Robbins, who played the part of "It Do" in the movie "The Alamo," will be a special guest at "The Alamo" movie reunion that will take place May 23-24 at Alamo Village in Brackettville, Texas. Robbins and his award-winning "Spirit of Texas" band will perform at the Saturday night Fandango and throughout the day Sunday. He will then take part in an 1 and 1/2 hour panel discussion on the making of John Wayne's epic movie "The Alamo."

Robbins got his start as a performer by coming to the Alamo set to work as an extra. He was then selected to play "It Do" in the film. Robbins has since become a top name in the cowboy music field. His band "The Spirit of Texas" was chosen as the official Cowboy Band of Texas by former Governor Ann Richards. A two day reunion of "The Alamo" event is planned at Alamo Village along with the Dukes of Hollywood Cowboys celebration of John Wayne's 91st birthday. On Saturday May 23, there will be a Fandango held in the shadow of the Alamo at the Alamo Compound of Alamo Village. There will music by the official Cowboy Band of Texas, "The Spirit of Texas," food and entertainment. Mrs. John (Pilar) Wayne is the honored guest. On Sunday, May 24, from 9 a.m. to 6 p.m. there will be an full day of entertainment at Alamo Village.

Tickets may be purchased at gate or in advance by calling (830)563-2580.

Family Practice Associates opens Bandera clinic

Family Practice Associates, PA of Kerrville announces the opening of a satellite clinic in Bandera.

"The Bandera clinic will not only serve our present Bandera area patients, but we invite all area residents in need of medical care to take advantage of this new facility," said Constance Howland, administrator.

There will be an Open House to celebrate the opening of the new clinic on May 13 from noon to 7 p.m., with a ribbon cutting ceremony at 12:30 p.m. The public is invited to tour the facility and meet the staff, and refreshments will be provided.

The Bandera clinic, also called Family Practice Associates, is located at 1206 Hackberry Street, across from the Bandera County courthouse. It is staffed by Physician Assistant Kevin D. Morgan, who will be available 8 a.m. to 5 p.m., Monday through Friday, to provide family medical services to the Bandera community. Appointments may be made by calling (830) 796-7715.

Family Practice Associates, PA was established in Kerrville in 1977 by Drs. W.C. O'Donnell Jr. and John D. Davis. Joined in 1984 by Dr. Philip R. Webb and in 1989 by Dr. David R. Sprouse, the group has provided family medical care to the Kerrville area.

management information will be available from Guadalupe Management District (SWMD) General Manager Cameron Cornett and SWMD operational staff. The entire staff will be onsite showing water conservation equipment, rainwater collection informational materials, selling high-quality rain gauges, demonstrating underground waterflow from wells, septic systems, and answering questions. Drip irrigation information will be offered by Jeannie Strickland of Love Creek Orchard, who successfully uses drip methods for large-scale apple growing.

The Bandera Public Library staff has assembled conservation resource materials covering both the Internet and library sources for the show. They will be available to help with questions.

Lastly, food and prizes! The 4-H Club will run the concession stand inside the show barn, selling terrific hamburgers, soft drinks and other goodies. Some lucky winner will take home a Tootie's homemade pie from "Tootie Pie" pie company, or a professional xeriscape landscaping design from Peaceful Valley Nursery, or perhaps a choice landscaping plant or tree, a free horsebackriding lesson from Grand Meadows Horse Farm, or a guided nature or birdwatching morning hike from Lonesome Hills Ranch, among other prizes.

Meet some great people, get the information you need, shop, and have fun, too! Mansfield Park is located just north of Bandera on Hwy. 16.

Kidfish draws a 'reely' big crowd

Texas Parks and Wildlife Department and Bandera Police Department presented a KID-FISH children's fishing event on Saturday May 9 from 10 a.m. to 3 p.m. at Bandera City Park.

Bandera Police Chief Lynn Holt said that more than 400 guests attended the event, consuming 461 hot dogs and 510 sodas. Although the 300 new catfish stocked the day before weren't biting, a number of cats, carp and even turtles managed to come to shore via rod and reel.

Holt said that the event would not have been possible without the gracious assistance of the Bandera Volunteer Fire Department, Bandera city staff, Texas Parks and Wildlife Department, the local police Explorers Post and the generous donations of local businesses.

(Above and right) Bobby Scheel gets a hand from his dad Rex in landing one of many carp that Bobby caught Saturday, including the gritty sample at right.

(Left) Six-and-a-half year old Dane Dodd had the patience of a Zen master when it came to fishing.

(Below) City staff, Texas Parks and Wildlife personnel and Bandera Police Chief Lynn Holt (center) help unload over 300 catfish stocked Friday for Kidfish.

And those catfish were not fingerlings, as the example shown below right attests. The fish came from the state fishery at Uvalde.

A real Bandera welcome-Texas Gov. George W. Bush's Suburban got a real cowboy escort during the governor's visit to Bandera on Monday. CCRA riders carrying Texas' six flags and others showed to way to the governor's speaking engagment at Lost Valley Ranch.

Governor Bush visits Bandera

Texas' Governor George W. Bush made a campaign stop in Bandera Monday as he works to be reelected to office.

Bush spoke at a reception sponsored by the Bandera Optimist Club, and held at the meeting room of Lost Valley Ranch.

After Bush's Suburban was escorted to the site by colorful, flag-bearing riders from the Cowboy Capital Rodeo Association, the governor shook hands with a few guests and then addressed a crowd of around 200. He spoke about his belief in the need for less government in taxpayer's lives, and said that he trusted local governments to make the right decisions about their own needs.

He touched on the subject of property rights, and then focused his talk on the importance of family values and personal responsibility.

Gov. George W. Bush speaking at Lost Valley Ranch Monday.

"In Texas, discipline and love go hand and hand," Bush told the crowd. "My role is to promote Judeo-Christian values," he added.

Bush then stressed the importance of education to him as governor.

He said education was "my number one priority as governor of Texas."

"The best juvenile justice program is an educated child," the governor said. He then went on to discuss his desire that every child in Texas be able to read at grade level by the third grade.

Gov. Bush then spent some time meeting audience members and shaking hands. He attended a fundraiser in Fredericksburg later that day.

County-wide burning ban declared

After more than a month without significant rainfall in the area, Burnet County Commissioners Court voted Monday to approve a county-wide ban on burning. The ban was declared May 12 by Burnet County Fire Marshal Ralph Dresser and ratified at Monday's regular court meeting.

Burning for any reason is banned throughout the county. The only exception to the rule is burning in a barrel, which must be covered with wire mesh and attended at all times. Dresser said that those burning trash in a barrel need to notify the county dispatcher that they intend to burn.

"No open burning or unattended burning is permitted," Dresser emphasized. He said that due to low heat, lack of rain and low humidity, the risk of wildfire is unusually high.

Woman killed, 3 hurt in head-on collision

A Bandera woman was killed and three others injured in a two-vehicle accident Monday on FM 1283 near Pipe Creek. Department of Public Safety Trooper Dan Butts said Monday that Loretta Marie Gonzales, 27, of Bandera died on the scene of the accident. Gonzales was employed as a secretary for the office of Bandera County Justice of the Peace Precinct 2. As of Monday evening, the DPS said Gonzales' four-year-old son, who was in the car with her during the accident, was in good condition at Methodist Hospital in San Antonio.

According to the DPS, Gonzales was southbound on FM 1283 at around 7 a.m., with her son in a child restraint seat in the back seat of a 1994 Ford Tempo four-door car. James Patton, 22, a construction worker, was driving a 1992 Ford F-250 pick-up truck northbound on the same road. About a mile south of Pipe Creek, the DPS said Patton attempted to pass a slower-moving vehicle while in a no-passing zone. The DPS said that while in the southbound lane, Patton crested a small hill and saw Gonzales' vehicle ahead of him.

"Both came up around the same time from low spots," Trooper Butts explained. Both Patton and Gonzales veered to the left shoulder, and struck head-on in the southbound shoulder of the road, he said.

Patton and his passenger, Miguel Jaramillo, 22, of Lakehills, were both treated for minor injuries at University Hospital in San Antonio. Trooper Butts said that charges are pending, awaiting the completion of his investigation.

Funeral arrangements for Gonzales will be held at 2 p.m. Thursday at St. Stanislaus Catholic Church in Bandera. Rosary will be held at 7 p.m. Wednesday at Grimes Funeral Chapel of Bandera.

Cowboy Capital Rodeo is here!

by Denny Foster

The 1998 Cowboy Capital Rodeo, to be held Memorial Day weekend, is sure to keep everyone talking for months. This year's three-day event will be bigger and better than ever.

Organizers are very excited about their new relationship with Lester Meier Rodeo Company and the Bud Light Tour. The Lester Meier Rodeo Company is celebrating 25 years in the rodeo business this year. Lester, a native of Fredricksburg, produces the Central Texas Open Pro Rodeo Championships Series consisting of 16 rodeos in Central Texas. In addition Lester also produces more than 16 youth rodeos, 19 convention rodeos and 8 bull ridings per year. Lester himself competed as a bull rider for seven years before building one of the best and certainly the fastest growing rodeo operations in Texas.

Last year's rodeo brought over 500 contestants and 9,000 spectators to Bandera. Using a rule of thumb that every dollar spent by these visitors turns over seven times, organizers say the Memorial Day Rodeo weekend has an economic impact of over $750,000. This assumes 500 contestants spend $40 each and each spectator spends only $10 each.

As with any non-profit group activity, the rodeo would not be possible if it were not for generous sponsors. The CCRA appreciates the involvement of its sponsors and the faith they have in what the association does for the community. If you haven't signed up as a sponsor and would like to, please contact the CCRA at 796-7207.

Rodeo weekend begins witha visit by rodeo clowns to Alkek Elementary on May 21, followed by the Cowboy Capital Rodeo Golf Tournament at 9 a.m. Friday at the Flying L Guest Ranch. On Friday night, the first rodeo performance starts at 8 p.m. with county Team Roping at 9 p.m. A Memorial Day Parade (at 10 a.m. aturday morning) will include Rodeo Queen and Princess contestants as well as rodeo clowns. A second rodeo performance at Mansfield Park starts at 8 p.m. Saturday night, and Teen and Miss CCRA Rodeo queens will be named that night. The rodeo dance, starring Chris Chitsey, kicks off at the Bandera County Junior Livestock Barn at 9 p.m. Admission is only $3 for adults, and ages 12 and under are free. On Sunday, the rodeo wraps up with its last performance at Mansfield Park at 8 p.m. As always there will be plenty of fun for the whole family, so come out and have a great time.

Brother Taylor is one of the bullfighters who will perform at this year's Memorial Day weekend Cowboy Capitol Rodeo. He is from the beautiful Hill Country of Wimberley, and has performed throughout most of the United States and Mexico.

Eight arrested this week

Sheriff's Report

by James MacMillan, Bandera County Sheriff

During the week of May 11 through May 17, 1998 the Sheriff's Department answered 90 calls for service. Among these were:

5 suspicious circumstances; 7 loose livestock; 8 criminal mischief; 3 reckless driving; 2 criminal trespass; 1 reckless driver; 4 civil matter; 1 assist other agency; 1 found property; 3 assist fire department; 2 family violence; 1 control burn violation; 1 terroristic threat; 1 major accident; 1 natural death; 7 thefts; 1 suspicious vehicle; 6 minor traffic accident; 2 assist EMS; 5 keep the peace; 1 felony arrest; 2 911 hangup; 1 minor in possession; 5 welfare concern; 2 driving without a license; 3 assist public; 1 burglary of habitation; 1 traffic hazard; 3 assist DPS; 1 shots fired; 1 suspicious person.

Those arrested during the week were:

Mark Hall, 28 of Pipe Creek, for a warrant from an outside agency.

Sammy Albert, 23 of Bandera, for a blue warrant (VOP) and a warrant from an outside agency.

Linden Stricker, 24 of Pipe Creek, for a DWI-1st offense.

Michael Long, 40 of Bandera for a CPF warrant.

Charles Lynn, 50 of Pipe Creek, for driving with a suspended/surrendered license.

Shawn Boyd, 23 of Bandera, for a warrant from an outside agency.

Michael Driskill, 22 of Three Rivers, for public intoxication.

Alejandro Alonso, 58 of Von Ormy, for public intoxication and possession of marijuana, less than 2 oz.

Corral is all decked out

Silver Sage Corral

by Betty Lebo
796-4969

Wow! The Corral is all decked out for Memorial Day, Flag Day and the Fourth of July, thanks to board members Judy Rodriguez and Kay Welch. Judy made tablecloths and curtains in red, white and blue for the dining area and Kay dressed the rest of the building in festive red, white and blue decorations. We're ready to celebrate.

We will be closed for the Memorial Day holiday, Monday, May 25, but the next day, Tuesday, May 26, at our birthday luncheon we'll be celebrating the birthdays of all our May babies: Lillian Ferguson, Delores Rogers, Pat Toalson, Sherman Vangines, Billie Gilson, Evelyn Reininger, Mary LeStourgeon, Rev. Glen Rhines, Othel Ryan, Antonio Webber, Madie Frenchmeyer, Harry Webb, Fern Bordlemay, Grace Stark, Jackie Stinson, Vera King, Dorothy Bailey, Lucille Moore, Steve Forest, Robert Huth and Elaine Lilly. Bring a covered dish and come join us.

We had some major plumbing problems over here last week. Gilbert Campbell and his son came over and worked almost all day fixing the problem, which then left us with some patchwork to do on the sheetrock. Since Dominick had just finished painting, he agreed to come make the necessary repairs without charge. Then we needed a little carpentry work done up in the loft where the Transporation Department is now located (Bandera County Rural Transporation), so van driver Mark Bucalo, a retired building contractor, built that for us, only charging for the cost of the supplies. Our sincere gratitude to all these guys. This sort of thing really helps keep operating costs down.

Best wishes to Roy Carpenter, Sylvia Saffell and Kathryn Thompson, all recouperating from recent operations, hip fractures, etc. Hope you are all "up and at 'em" soon.

Fine Arts club ends year

The Bandera Fine Arts Club met at 6 p.m., May 5 at The Farm Country Club for their final meeting of the year.

After being served a delicious barbecue meal, new officers for the 1998-1999 club year were introduced, followed by dancing to the music of Linda Allen and the Roadrunners.

The new club year begins the first Tuesday of October and the group is open to all interested persons.

Conditions now ripe for a bad wildfire

Over the Back Fence

by Marion Heisler
612-2509

Hi y'all! Does anyone remember the old song "Smoke Gets in Your Eyes?" With all those grass fires going down in Mexico and Central America, we should start smelling like some one's smokehouse before long! We guess our skies look somewhat like the folks in Los Angeles see all the time.

Our own area could be burning just as they are south of us if we are not real careful. The burn ban for the county will most probably be continued at this Mondify's Commissioners Court. Everyone is asked not to do any open burning so as to prevent any wildfires. Burning in a covered bargel is permitted as long as you stay close and monitor it. Conditions now are ripe for a bad wildfire, so we all have to be very careful.

We had a pretty good share of barbecue this past weekend. We went to Mico's barbecue and had a good time on Saturday. Then on Sunday we made Pipe Creek's event. It was nice to see lots of our friends at those events, supporting their and their neighbors' fire departments. Need all the support we can give them.

We are attending the First Responder class being held at Medina Lake VFD to get continuing education hours toward our EMT certification. It is nice seeing the young folk sitting in the class learning about how to care for the sick or injured.

A lot of these people might be a bit squeamish about encountering some of the unsavory conditions that greet an emergency care provider, but they are gritting their teeth and getting on with the program. These students will be available in the VFD to help our EMS system when the need arrives. We want to encourage the students to keep on learning.

The Medina Lake Betterment Association Brewfest is coming up soon. For all you beer lovers who like to sample different beer, this is a good way to pursue your interests. There will be all sorts of micro-breweries and homebrews on exhibit that Saturday.

Then on June 7, the St. Victor's Spring Festival will happen. This is another good barbecue where you can get a good meal and support a good cause while enjoying the fun and games on the grounds. We don't believe they have the dunking booth anymore, but that was a fun way to get back at some of our local people!

Well, work is calling so we better get rolling. We hope to see y'all at some of these get-togethers. Remember your comments and news are appreciated. We will be looking for you over the back fence.

It was anything but quiet at Wharton's Dock this weekend

Lake Medina Shores

by Mary Bird
460-7523

It was Very Quiet at the Preakness as anybody watched as a 3-year-old colt won the coveted second trophy on his way to the Triple Crown but, it was anything but quiet at Wharton's Dock that day and night as everyone danced and enjoyed the fabulous music by Fecos out of Boerne and our own Trey Velvin. The Birthday Bash was a roaring success that Linda Fox coordinated to celebrate her birthday along with Alfredo Gomez's. Tom Rich out-did himself preparing the chicken and brisket. There were wonderful covered dish items supplied by the guests. Also celebrating their birthdays that day were Kim Hansen, Christiana and Shanon.

A less boisterous celebration was held across the street at the Copper Lantern for Kim Hansen. Dana was out of town so the Copper closed early, but Sister Shaffer came back at seven so that her granddaughter could have a private party for friends and family.

Happy birthday all you May babies! That goes for my own grandson, Brian Anthony Jung who celebrated his [illegible]. His party was on Saturday too with lots of delighted children and birthday fun and games. Congratulations on your fifth birthday Bri Bri.

The first night class was held at LSVFD Fire House in fire training last Tuesday at 7 p.m. The chief reports that he had several new faces there. The training was held on the SCBA gear which has just been acquired for the new pumper truck.

He plans more training on the same subject in the future where the volunteers will actually suit up and use the breathing gear so as to learn all the proper procedures. Both the Saturday morning class and the evening class are open to everyone, even those who are unable to actually fight fires. Bob welcomes anyone who wants to familiarize themselves and/or their children with fire safety, prevention and procedures to follow in case of a fire. The department depends not only on the actual firefighters, but those who drive the trucks, man the radios, and assist [illegible] ways.

Bob and Margaret Jones traveled to Houston this past weekend to the Texas State Bowling Tournament held at the West Houston Bowl and Copperfield Bowling Alley. Bob and four other friends from Kerrville who were bowling on a Tuesday Senior Citizens league made up the team for the state wide event.

Blackie Lesprearance has been in the V.A. Hospital for more than a week with a very inflamed gall bladder. The doctor says he will have to have surgery in about six weeks. He has lost some weight and is still very weak. Hank tells me that she is bringing him home this week. We hope you have a speedy recovery, Blackie. We sure do miss you.

Welcome home to Olivia Andrade who has been on a month-long vacation. She visited family in North Carolina and took a seven-day cruise to the Bahamas. They toured the Islands of San Juan, Saint [illegible] Thomas. On the way back they were in sight of the Dominican Republic and Cuba. She tells me there were so many activities on board there was no way to participate in all of them. She really enjoyed going ashore and sight-seeing and shopping. Olivia's son, Anthony took care of the house while she was gone, along with Loyd and Delane McMullen who kept an eye on things while she was out having the time of her life. While visiting in North Carolina she attended a family reunion. She saw family she hadn't seen in years. It must have been a blast!

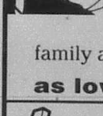
The big event this coming week, of course, is the upcoming May Festival at the Fire House on [illegible]. Hope to see all of you there! The donations for the auction, flea market and Country Store are exceptional this year. There will be something for everyone. Margaret Jones still needs volunteers to make cakes for the Cake Walk. So, let's get cookin', girls! You too, Al, we know what a great baker you are.

The Good Neighbor Award this week has to go to Tom Rich and Linda Fox for the great party they had at the Dock. Congratulations on the great party. It was Fun Fun Fun!

Tip For The Week: Clip dead flower blooms from annuals and perennials to keep plants producing new blossoms. If dead blooms are left, the plant's energy goes toward producing ripe seeds rather than more flowers.

Lots of folks attending commencements

Medina Bits & Pieces



by Cherry Keese Jones

Another dry week and still lots of haze and smoke to boot. The dry is not good for the stock ranchers and the smoke and haze not good for the allergy folks.

EMS

The Medina EMS Support Team meeting will be held Tuesday, May 26 at the First Baptist Church Fellowship Room at 7 p.m. Good turnout for the EMT barbecue this past Sunday with nearly 300 plates of food being sold.

Congratulations

Matt Bogler of Medina went to State and placed second in High Jump in Class A school competition. Matt is a sophomore.

Katie Barkley, granddaughter of Martin and Andra Atchison went to state this past weekend and came away with the Gold medal for the 800 meter (1/2 mile) run. Her time was 2:16.25. Katie attends Llano High School. It's a school district is a Junior. This is her third time to go to State and she won the Silver last year.

Alton and Virginia Johnson recently went to watch their 9-year -old granddaughter, Jessica, in the Special Olympics. They got to visit with son John and his family in Kernes, Texas the previous day and then all the family attended the Special Olympics together.

Graduates

This past weekend was a big time for lots of college graduates and their families.

Gerald and Tammy Kneupper went to San Angelo to watch son Charles get his degree.

James and Cherry Jones went to see daughter, Victoria Mullins, receive her degree at Schreiner College this past Sunday. Victoria's husband, Thurman, and two daughters, Angelina and Kayla were there as was uncle and aunt, Col. (ret.) Gayle and Jeanie Bailey. Also in the cheering section were Thurman's sister, Kathy Barton, of Bandera and Russell and Sherrie Hays and daughter Megan of Medina.

Also, Melody Ann Phillips of Medina graduated with honors at Schreiner. Husband Joe Phillips was there to cheer as were Tom and Barbara Carpenter. Melody is teaching in Utopia.

Billy and Susie Hyatt's son, Billy Blue, also graduated from Schreiner and proud granddad and grandmother, Durward and Hazel Mayfield, attended.

W.C. and Lyn Johnson had a handful with three graduates in their family this past week. First is daughter, Laki, who got pinned for her R.N. at San Angelo State on Thursday in San Angelo and will work for the hospital there. Second, their son, Rhett, graduated cum laude from Texas A&M on Friday and third, Rhett's wife Kristi graduated on Saturday from Texas A&M with a degree in business. Rhett was hired by Martin Eby Construction in Austin.

Congratulations to all the graduates for their accomplishments.

Moving

Bob and Peggy King have been busy entertaining Rosa and Hans Immier from Germany for the week as they are the new owners of their place as the Kings are headed to Sun City, Georgetown in the next few weeks. We will miss them but wish them success and happiness in their new home. Peggy has been here for 15 years and involved in lots of community activities and Bob has been here for about five years and involved also. Good luck guys.

Trip

John and Carolyn Watson have just returned from an enjoyable two week trip to China starting at Beijing and ending in Hong Kong. With a population of 1.4 billion people, mostly traveling on bicycles it is something to see. They also got to cruise up the Yangtze River. They report evidence of a growing economy with high rise buildings in all major cities, airport construction in progress, new factories and extensive development of tourist trade including new first class western hotels.

Beijing now has 44 McDonalds to accommodate the western tourists and themselves. Was reported they plan to build a Disney World near the Great Wall of China in the near future. (I'm sort glad James and I saw that place in 1980 before all the improvements, if that's what it is called).

Hospital Notes

W.O. Hatfield is still in Methodist and recovering from kidney stone removal/surgery. W.L. Sosebee was taken by ambulance to the hospital this past week. Marcia Bower is home recovering from her recent surgery.

Thanks

Ruth Richards would like to extend a Thank You to all who helped with prayers, calls, food, flowers, etc. in the recent loss of her sister, Linda King, who was buried in Cushing, Texas.

Sparrows welcome child

Mr. and Mrs. Scott Sparrow of Dayton, Ohio are pleased to announce the birth of their first child, a daughter, Kailani Chenoa, born April 17, 1998, at 4:07 a.m.

She weighed 8 lbs. 12 oz. and was 20-1/2 inches long at birth.

Kailani is the second grandchild for Lindy and Candy Sparrow, former Bandera residents, and the second great-grandchild for Clarence and Helen Rhodes of Bandera.

Letters to the editor

An open letter

This is an open letter to the people of Bandera, Pipe Creek, and its vicinity.

I feel humble for the wonderful help all of you gave me after the fire which destroyed my barn, animals and house on March 4 of this year on Elm Pass Road.

Although I lost most all of my possessions in the fire, the one bright spot in this terrible experience was finding out how many kind people there are in the Bandera area: the volunteer firemen who came from Bandera, Center Point, Elm Pass Road and even Pipe Creek. Mr. Goodman who rebuilt a rocker for me, Terri Jenson, Connie Butterfield, and Ken Webber who helped me sift through the ashes to find anything usable. The Dowells and Lurline Davenport who kept me for a week helping me in any way they could. Wade and Betty Hawkins for taking the bucks to their place for boarding until I could get resettled. Jan McCollum of Balloons, Buds & Baskets of Center Point who collected clothing for me. Sharon Kelly of Pipe Creek's Moon's Enterprises and Diane Whiteley of Bandera's Coffee Shop and the Remedies Shop who spear-headed a benefit to help me, and many others who kindly encouraged me, asking if there was anything they could do with a place to stay, clothes and even offers of money.

I never dreamed there were so many wonderful human beings in such a small place. I feel so grateful and humble because of the kindness and love you've shown.

Be circumspect

The public should be very circumspect about endorsing a system providing new syringe needles to reward users every time they "shoot up." This is akin to telling a wayward child "I don't approve of your playing with matches but every time you set your room on fire I will give you a new lighter." In short, this is a ridicules reaction.

The vehicles for spreading the AIDS virus are intravenous infusion and illicit sex. There are rules and laws both laic and criminal to deal with this scourge. These laws should be enforced.

However, the taxpayers monies should be utilized in the study and cure of cancer, heart diseases, diabetes, etc. These are obligations vital to the entire populace and not purulent to needle procurement.

Since AIDS is a disease of the needle, dispensing more needles is definitely contra-indicated in curtailing this virus.

A fine gentleman

Two weeks ago Bill Allan passed away with little notice. This fine gentleman was highly respected by those who knew him for his integrity and generosity.

His large investment had a profound impact on this community until unforeseen problems arose (the lottery and Retama) to force the closure of Bandera Downs. After closing, Mr. Allan's concern was that the investors and lien holders receive the best settlement possible and if the property couldn't continue to be a horse race facility, he wanted it to be used by the school.

Events of the last few months depressed Mr. Allan deeply. One statement he made was that a couple of his friends were trying to steal the track and that would be over his dead body. Hopefully both parts of his statement will not come true.

Bill Allan did not deserve this grief caused by events surrounding the track and some of his "friends." It is too late to tell him how the school appreciated him, but not to late to tell his family.

Thank you to Mr. Allan and to his family. May God Bless his soul.

Disregarding the basics

I sit here very upset after viewing a scene this morning which should never have happened. I watched as the body of a young woman, mother and wife was removed from a crumpled car. This smiling young woman was so full of life the last time I talked with her!

Now a child will wonder where his momma is, and probably never understand. A simple rule of driving was ignored and his mama cannot watch him grow up now. How many times have we all heard, "Don't Cross the Double Yellow Lines!" A simple disregard for a basic rule has cost our community another young life.

The next time you think, "I'll just buzz around this slow person, those double yellow lines don't mean me!", think of this baby and his dad, who have to go on without mom! It can happen to you!

Now I will say goodbye, Loretta, we will miss you.

Good news

Your readers have cause to celebrate!

A May 12 letter from Gary Graham of the Texas Parks and Wildlife Department notified members of the Central Texas Rare Species Conservation Plan Steering Committee that the "Safe Harbor" draft process had been discontinued. According to Graham, the termination of the plan resulted from the U.S. Fish and Wildlife Service's inability to guarantee landowner confidentiality.

The people of the Texas Hill Country are to be congratulated for calling and writing their elected officials, as well as their Farm Bureau representatives, and for talking this issue up at the coffee shops and on the streets. The pressure that the grassroots brought to bear upon this issue is what won this victory.

Also, a special thanks is due to the local newspapers for providing a forum for public dialogue on the "Safe Harbor" plan.

Insurance department may bar surcharges

AUSTIN—Many Texans who have been in motor vehicle accidents involving claims for bodily injuries have noticed that their premiums go up 15 percent for the next three years.

The Texas Department of Insurance is proposing a rule that would bar these insurance premium "surcharges" for drivers at fault in accidents causing less than $1,000 in repairs and less than $3,000 in medical expenses.

A public hearing on the proposal is scheduled for July 1, Insurance Commissioner Elton Bomer said.

While consumer groups welcomed the idea of limiting the surcharges, insurance industry officials said the proposal could penalize accident-free drivers.

About 44 percent of noninjury accidents in Texas result in vehicle damage of less than $1,000. About 20 percent of all injury accidents result in medical expenses lower than $3,000.

Child-care legislation in works

In preparing for the upcoming session of the Texas Legislature, which begins Jan. 12, Democratic state lawmakers are working on legislation to make childcare better, more accessible and more affordable.

"Our Texas families should not have to choose between the jobs they need and the child that they love," said Sen. Gonzalo Barrientos, D-Austin. Barrientos and others are preparing a plan that includes:

- Tax breaks for companies that provide or help pay for high quality childcare;
- The pooling of nonprofit and private money to attract federal childcare funds;
- Working with state and local officials to open more childcare facilities; and
- Speeding up background checks on childcare workers.

Rep. Sherri Greenberg, D-Austin, said a big problem is attracting good workers to the childcare industry because of low pay and high stress. If the Legislature can get more money into the industry, it could help, she said.

But Karen Hughes, spokeswoman for Gov. George W. Bush, called the Democrats' effort "a nice-sounding political ploy."

Hughes said Texas already is getting the maximum amount of federal assistance for childcare and Gov. Bush has always advocated increased funding for childcare.

UT votes to appeal Hopwood

At a meeting last week in Odessa, University of Texas System regents voted 9-0 to appeal the case that made it illegal for universities to use race as a factor in admitting students.

The board of regents asked Attorney General Dan Morales to let the Houston-based law firm of Vinson & Elkins handle an appeal of the "Hopwood" case, because Morales earlier said he would not handle it himself. Vinson & Elkins already has assisted in the case for five years, free of charge.

The board of regents face a May 18 deadline in filing notice with the 5th U.S. Circuit Court of Appeals.

In its motion to seek an appeal, the board said, "If the Hopwood injunction is not challenged, all institutions in the state of Texas are at a competitive disadvantage in the recruitment of students."

Regents said it is essential for the U.S. Supreme Court to decide whether U.S. institutions of higher learning can consider race when admitting students, awarding them scholarships and financial aid.

Interstate branch banking is allowed

Texas Banking Commissioner Cathy Ghiglieri announced last week that she would be accepting applications for interstate merger and branching transactions for all state-chartered banks.

In permitting the 450 state-chartered banks to operate offices under the same rules as nationally chartered banks, Ghiglieri made the decision because she doesn't want to put state banks in a position of "competitive inequality" with national banks.

Her decision came a week after a federal judge in Dallas sided with the U.S. Comptroller of the Currency in a merger application filed by NationsBank of North Carolina and NationsBank of Texas. NationsBank of Texas is a branch of NationsBank of North Carolina and does not pay state franchise taxes and avoids other Texas laws.

Other Capital Highlights

- Houston attorney Joe Jamail, an alumnus of the University of Texas at Austin, has given his alma mater $2 million for minority-student scholarships: $1 million to endow a scholarship program for undergraduates and $1 million for a similar program for law students. Black and Hispanic enrollment at UT has dropped since the 1996 "Hopwood" ruling stopped race-based admissions policies.
- A study of the 23,000 sex offenders in Texas state prisons has identified 33 inmates as violent predators. Those inmates may qualify for involuntary commitment beyond the completion of their sentences under a proposal to be debated during the next legislative session.
- Attorney General Morales said last week that Texas would get more money in its settlement with the tobacco industry and be able to impose broader restrictions on cigarette makers' marketing tactics because of Minnesota's farther-reaching tobacco settlement.
- Attorney General Morales ruled last week that most health maintenance organization complaint records are open to the public. The records are kept at the Texas Department of Insurance. HMO officials contended confidentiality was necessary to protect the privacy of patients.

Protect your home while on vacation

Legal Matters

by Dan Morales
Texas Attorney General

Summer is a great time for vacations. Unfortunately, burglars do not take breaks. We at the Office of the Attorney General want your home to be safe while you are gone. That is why we have prepared a list of simple precautions. Take a few minutes to safeguard your property. You will enjoy your trip more knowing that you took care of things at home, and you will minimize your chance of being robbed while you are gone.

A vacation to-do list

Few thieves like to break into an occupied home. Your best defense against robbers is a house that looks lived-in. Do not leave your house looking abandoned while you are away. At a minimum, be sure to do the following:

- Stop mail and newspaper deliveries.
- Double-check all your locks and windows.
- Turn down the ringer on your phone. If you have an answering machine, turn down the speaker, and do not change your message to say you are on vacation.
- Mow your lawn before you leave. If you are going to be gone for a long time, have some one you trust maintain your yard.
- Leave blinds, shutters or curtains open or partially open. Windows that are tightly covered all day, every day, are a signal to potential thieves.
- Have a friend come by periodically to pick up any circulars or other evidence that you are away. Also, leave your itinerary with a friend and a list of phone numbers where you can be reached in case of emergency.

Many e-mail programs allow you to send an automated response to incoming mail. While this is a useful feature, avoid using it to announce that you will be away from home during your vacation. You never know to whom the message might be sent.

More safety tips

Some robbers cruise neighborhoods, looking for houses that are dark or quiet night after night. Consider getting a number of timers, and hooking them up to lamps or your TV. Place the timers in different rooms and set them to work at different times. Another good idea is to leave your air conditioning on a higher temperature, rather than turning it off completely. It is a sure sign that you are out of town if the A/C is off when the weather is hot.

Above all, have a trustworthy neighbor, friend or relative check your house occasionally. He or she can take care of things while you are away, like removing advertising flyers from your front door or seeing that everything looks normal. It might even be a good idea to arrange for a housesitter — that way, the house will look lived-in because it is. Avoid mentioning to anyone outside your confidence that you will be away.

When all else fails

In spite of your best efforts, someone could rob you while you are away. To help settle insurance claims if you are burglarized, have a list of your valuable items with an estimate of their cost. There are now computer software programs that can help you automate this task. Many insurance companies suggest that you also take photographs of the valuables. Check with your agent for more ideas.

We hope these tips will help you enjoy your vacation with a calmer mind. Be safe, be smart, and have a great vacation.

Kevin Owens completes mission

Navy Fireman Kevin K. Owens, son of Martin and Rebecca Sauceda of Pipe Creek, has completed a six-month deployment to the Mediterranean Sea and Arabian Gulf aboard the guided missile cruiser USS Normandy.

While deployed, Owens' ship participated in Operation Southern Watch, playing a significant role in supporting the enforcement of U.N. sanctions levied against Iraq after the 1991 Gulf War. In addition, the crew also participated in Operation Bright Star, a multinational exercise designed to improve unit readiness and interoperability with coalition forces, and conducted maritime interdiction operations, preventing suspect ships from carrying contraband in and out of Iraq.

During the deployment, Owens also had the opportunity to visit Greece.

Owens' ship is one of the most powerful warships ever put the sea. The computer-based AEGIS weapons system is the heart of the ship's war-fighting capability. It centers around a powerful radar that enables the crew to detect, track and fire on more than 100 targets at a time.

He is a 1994 graduate of Boerne High School of Boerne.

Davenport

of Bandera, passed away May 17, 1998 in a Comfort care center. She was born September 13, 1910 in Kerr County. She was married to J. Burgin Davenport on December 19, 1937 in Uvalde. He preceded her in death on February 10, 1985.

She was a retired legal secretary, member of Bandera Friends of the Library, lifelong treasurer of St. Christopher's E.C.W., member of St. Christopher's Guild, past director of St. Christopher's Altar Guild, longtime member of the Bandera Garden Club, active supporter of Bandera Frontier Times Museum, and "Davenport Hall" was named after Thelma due to her many devoted years to St. Christopher's Church.

Survivors include very special friends Leanne Miller, Tara Jain Miller and Randa Ayn Miller; nieces Loy Ed Alanis and Georgia Sutherland; and nephews Stanley Saathoff and Burgin Johnson. She was preceded in death by a sister Eunice Olga Surber in 1994.

Services are scheduled for 2 p.m., Wednesday May 20 at St. Christopher's Episcopal Church, Rev. Don Lee officiating. Interment will follow in Bandera Cemetery. Pallbearers are Tommy Miller, Jody Patrick, Dave Arny, Gene Laue, Sully Woodland, and S. Joe Rodriguez. Honorary pallbearers are Jr. Saathoff, Buddy Adamietz, Henry Foote and St. Christopher's Mens Group.

Those who desire may make memorial contributions to St. and/or the Bandera Library.

Kindla

John J. "Slick" Kindla, 69, of Buchanan Dam, Texas, died Sunday, May 10, 1998, at Brackenridge Hospital in Austin, following a cerebral hemorrhage on Friday, April 24, at his residence on Inks Lake in Burnet, Texas.

He was born in Bandera on October 18, 1928, the son of John T. Kindla and Frances Mazurek Kindla. He served as a Master Sergeant in the U.S. Air Force, stationed in Nome, Alaska. John began a 38-year career with Shell Oil Company, Deer Park, Texas, in automotive maintenance and retired from the safety and security department. He was an active member of the Chemical & Atomic Workers Local and participated actively in union contract negotiation. He became an active member of Shell Federal Credit Union in Deer Park and was retiring from the board. He also served in the Harris County Sheriff's Reserve for many years under Jack Heard, and retired with the rank of Sergeant. John was a very dedicated 4th Degree and Grand Knight of the Knights of Columbus in the Bandera Lakes Council. He was also an active member of the American Legion of Kingsland, Texas.

He will always be remembered as a loving husband, father and grandfather by his family, and a sincere friend to all of those he knew.

He is survived by his wife of 45 wonderful years, Sarah Frances Kindla of Buchanan Dam; daughter, Kathy Kindla Long and husband, Lynn Long, of Austin; sons, Tom T. Kindla, and Paul Kindla and wife, Nelly Reyes Kindla, of Pearland; grandchildren Sarah Christine Long, Lauren Nicole Long, and Nicholas Kindla; sisters, Rosemary Clark and Lois Kindla Smith; brothers Al and Tommy Kindla, and many nieces, nephews, and cousins.

A funeral mass was held Wednesday, May 13 at St. Thomas More Catholic Church in Austin.

Honorary pallbearers were Jerry Anderwald, Jim Parker, Jerry Davis, Sonny Nixon, Jack Gilbert, and Gene Phillips.

In lieu of flowers, memorial contributions can be made to the Knights of Columbus, Council #8935, P.O. Box 632 Burnet, TX 78611.

Mother's Day festivities draw a crowd

Hi folks. Well, we don't see much change in our weather pattern, except this week of the 11th we've had much more cloudy mornings — winds cooler from the south and cooler nights.

None of us are happy with the Mexican and South American smoke trespassing our state, and even in Canada, we hear. Had a heavy dew Tuesday morning, which is surprising with no rain! How about that?!

Since our news was ahead of Mother's Day, we trust you won't mind some belated news. First, we surely hope you mothers were remembered on your special day. Surely mothers deserve every kindness with a tad of you males standing at attention that one day. Wasn't too bad, was it?

Mrs. Earl Hood had her daughter Edna L. and Roy Cheatham for Mother's Day guests. On Sunday, Marie was honored by her family taking her to Mamacita's in Kerrville for a special Mother's Day dinner. Those going were Ronnie and Shirley Hood and boys Erikk, Peter and Robert, and Edna Louise and Ray Cheatham.

Mother's Day visitors at the Tarpley Baptist Church were Edna L. Cheatham of Kingsland, and Vernon and Myrtle Andrews and granddaughter Stephanie of San Antonio. Myrtle served as the pianist for church services, and she and Vernon brought a special song, "The Storms Will Pass," for me. Many will remember this lovely couple with Bro. Andrews pastoring the church for three years. They plan to visit often and assist with the music.

A Rio Hondo lady, Mrs. Earl Hood, had a lovely surprise on Mother's Day evening, when she received a call from Hong Kong, from her grandson Adalia Taha. He has been sent there from his job in New Jersey for a while.

Birthday: May 10: Kelli Shearhart.

Brother Don and Ginger Spencer drove to Medina Sunday where they were dinner guests of his daughter Julie and Bob Shearhart and children Bradley, Kelli, Brice and Brent. The occasion was in honor of Kelli's birthday.

Wayne Perkins of San Antonio and his sister Dorothy Winter of Punta Gorda, Florida came Monday to visit Elzie and me and brought a delicious dinner. Dorothy enjoys the countryside very much, and Texas.

Rio Hondo Extension Study group had a club meeting a week early at Jerry Hall's home Thursday. Margaret Cain was her sister's co-hostess. Fourteen of the regular members were present. The program on diabetes was brought by Priscilla Montgomery and she passed out material on this subject to each one to share.

Since this was the club's last meeting until September, the ladies enjoyed a social visit as well. The September club meeting will be at Sharon Armand's home, with Eunice Meyers as co-hostess. Extension Agent Janna Osbourn will bring the program.

Retired Major Terry Hull of Colorado Springs, Colorado came on May 8 to spend a week with his aunt, Olga Schmidt. Olga has undergone eye cataract surgery on both eyes in Kerrville. She is doing well. Terry leaves Sunday the 17th.

Sorry I didn't know Steve and Joyce Koontz and his mother, Mrs. Olive Koontz, moved back to their home near Tarpley in February, and they are happy to be home. They have lived in Devine for the past 12 years. Sorry to report Olive was carried by ambulance to Methodist Hospital first of the week, where she is having tests made. She's expected home this week. We extend good wishes for a full recovery.

Utopians ready for HS awards banquet

School News

You are invited to attend the Graduation Commencement ceremonies at Utopia High School on Friday, May 29, 1998 in the Utopia High School cafetorium at 8 p.m. Here's hoping that I will see you there. Congratulations to all of the graduates.

The 1998 Utopia High School Awards Banquet will be held on Thursday, May 21 starting at 7 p.m. in the school cafetorium. Please call the school at 966-3339 to make your reservations.

If you or anyone you know is interested in taking college credited courses courtesy of Southwest Texas Junior College in Uvalde via Distance Learning at Utopia High School, please call Steve Bates at Utopia School, 966-3339.

Condolences

The Sabinal Canyon community wishes to extend their deepest condolences to the family of the late Richard Wilkins. Our thoughts and prayers are with them at this time.

Utopia Library News

The library staff has been very busy the past few months processing books that were purchased with the J. Frank Dobie and Tocker Foundation grants. Most of the new books have been processed and are ready for readers to check out. If you haven't been in the library lately, you're in for a surprise. There have been several changes taking place. Additional shelving has been purchased for the nonfiction area. This makes it extremely easier for you to find what you are looking for. The library staff invites everyone to come by and browse or just visit.

The children's library has been given a boost with the purchase of the "Hank the Cowdog" series as well as other non-fiction children's books. Biographies on sports heroes, presidents, scientists and many others have also been purchased.

The library has also added several books on science, astronomy and other topics for the kids. Adult readers have not been forgotten. Many new biographies, such as "Proud to Be," the Kelly Flynn story; "Life of a Lone Star Yankee," a George Bush biography; "Old Soldiers Never Die," the Gen. Douglas MacArthur story; Nelson Mandela's biography, Harrison Ford's "An Unlikely Hero," and many others.

Fiction readers will enjoy such books as "Plum Island" by Nelson DeMille, "McNally's Risk" by Lawrence Sanders, "Romance" by Ed McBain, "Paradise" by Toni Morrison, "The Judge" by Steve Martini, and many others. There are many new books on arts, religion, social sciences, geography and history. These books are all up-to-date editions.

The Summer Reading Program will begin on Tuesday, June 9 at 9:30 a.m. All kids in pre-K through second grade will come on Tuesdays for storytime. Children who are in kindergarten through sixth grade are invited to participate in the summer reading program. These kids will also have their storytime on Tuesdays. This program will continue throughout the month of June. The program will continue until July 31. There will be a Kickoff Party for the program on June 5 at 2 p.m. at the library. Signup forms can be dropped off at the library; forms are available at the library and were sent home with your children from school. If you have any questions, call the library at 966-3448. The library is open Monday through Friday, 9 a.m. to 3 p.m.

Kudos

Congratulations to Ron Ferguson, who received his Air Conditioning and Heating certification on May 16 from Southwest Texas Junior College in Uvalde. Congrats!

Theater fundraiser set

The Bandera County Theater Lovers' Summer Revue is a compilation of fun-filled family entertainment. The group has chosen material from a wide variety of genres so that the Bandera audience may sample the diversity of theater.

A special fundraiser performance is set for this Saturday, May 23 at 11 a.m. (after the Funtier Days parade) at Back at the Ranch, 1206 Cypress in the backyard. There will also be an auction at the fundraiser, and fajitas will be available for $3 per plate.

William Shakespeare's "As You Like It" is a romantic comedy set in the medieval forest of Arden. Rosalind and her cousin, Celia, have ventured into the forest in search of Rosalind's father, the exiled Duke. The play follows the two of them as they explore the many permutations of love.

"Caught In The villain's Web" is an old-fashioned melodrama. The audience is encouraged to participate in the story by booing and hissing the villain as he plots and schemes against the hero and long-suffering heroine, Felicity Fair. Cheer as the villain is "foiled again!"

The evening ends with a touching drama about the travails of a disparate group of Southern women. "Steel Magnolias" presents characters as real as any ever produced in theater.

Performances are also scheduled for Saturdays, June 20 and 27, at 7 p.m. and Sundays, June 21 and 28 at 3 p.m. All performances will be held at the Bandera High School auditorium.

Twenty compete for two CCRA Rodeo Queen titles

A total of 20 young ladies competed in the CCRA Rodeo Queen's Contest held on Sunday, May 10.

The contest included two different age groups: the Teen Division for girls ages 13-17, and the Miss Division for girls ages 18-24. There were contestants competing for the titles from Bandera, Kendall, Bexar, Kerr and Gillespie counties.

The contest began at 2 p.m. at Mansfield Park with the personality, modeling and impromptu questions. The girls then had private interviews with the judges. The horsemanship portion of the contest followed. At 6 p.m., the contestants performed a designated horsemanship pattern. A copy of the riding pattern was furnished to each entrant prior to the contest.

The winners will not be announced until the Saturday night performance of the Memorial Day Weekend Open Pro Rodeo. This will allow the contestants to participate in all of the rodeo activities such as riding in the Grand Entry, carrying sponsor flags during each performance of the rodeo, the rodeo parade, the Cowboy Golf Tournament, and any publicity function associated with the rodeo.

This is the second year that the winners and first runners-up will receive college scholarships. The winners will also receive a rhinestone tiara, embroidered satin sash, a beautiful Lopez Bros. handcrafted trophy buckle, flowers and many wonderful gift certificates.

The CCRA would like to thank the sponsors of this years queen's contest. The sponsors include: Peggy Morrow of Ray's Garage in Austin, Lopez Bros., Shoe Biz, Adobe Rose and Blaze Jeans, The Horseman's General Store, The Dragon Garden Restaurant, Back at the Ranch, Jerell Clothing Co., Inc., Eckhart's Flower Shop, Guaranty Bank, Justin Discount Boots, The Western Horseman, Professional Choice, Cavender's Boot City and Everett's.

The CCRA Queen Contestants are selling pre-sale tickets for the Memorial Day Rodeo. The tickets will be $7 for adults and $3 for children. You may purchase the tickets through the Queen's Contestants. The contestant who sells the most pre-sale rodeo tickets will be awarded a beautiful Lopez Bros. sterling silver and gold hand-crafted bracelet.

There are 5 Miss Contestants. They are Kendra Bevel of Bandera, Courtney Warden of Camp Verde, Tisha Abbott from Bulverde, Kelly Bruney of Bandera and Carisa Kimbro of Kerrville.

There are 15 Teen Contestants. They include Laura Morgan of Bandera, Leann Evans of Helotes, Courtney Steinruck of Ingram, Julie Gerth of Boerne, Kyla Loftin of San Antonio, Jodie Hawkins of Helotes, Valerie Blake of San Antonio, Minna Gilliam of Hondo, Terra Eoff of Fair Oaks Ranch, Cassie Abbott of Bulverde, Kathryn Hawkins of Ingram, Angela Baker of Bandera, Tonya Harvey of San Antonio, Shayna Schaefer of Willow City and Candace Lowery of Kerrville.

The CCRA is very honored that our 1997 CCRA Rodeo Teen Queen, Lana Evans, went on to win first runner-up at the Miss Rodeo Texas Teen Pageant held in San Antonio last June.

The CCRA is inviting everyone to come and support their favorite contestant. For additional information, please call Patti Reynolds at 460-3868

Shown above are left, Roy Duvall, former NFR world champion steer wrestler; center, Sam Duvall, NFR steer wrestler, and Jeb Chesson of Bandera. He was sponsored in the Duval Steer Wrestling championship by Forum Construction of San Antonio.

Chesson sets arena record

Chekotah, Oklahoma was the setting for the Duval Steer Wrestling Champion of Champions jackpot Saturday, May 2 and May 3. Bandera's Jeb Chesson, a 19-year old college student at Southwest Texas Junior College slammed two steers to the turf in 5.4 seconds and and 3.7 seconds to win the second go round and the average, earning him a Champion of Champions Duvall saddle and $1,010. Jeb set an arena record for the 19-and-under divisionwith his 3.7 second run.

Bill Fininis is headed to nationals — again!

This will be Bill Fininis' 20th year to compete at the National Service Rifle Championships, held this August at Camp Perry, Ohio. Fininis competed as an Air Force member until his retirement in January, 1991. Since then, he has been a participant in the Texas Service Rifle Team, as a firing member and a coach.

Last year, his team placed fourth out of 48 teams. Fininis said "this is the year we are going to win!" The team has been practicing as a team since last year's nationals. Each year, the Texas State Rifle Association picks twelve of the top service rifle shooters in the state, selected from local match scores and team practice sessions.

Fininis and his team members shoot the modified M-16 rifle (AR-15) at distances from 200 to 600 yards. The nationals have been at Camp Perry since 1908, and this year marks 90 years of competition.

Fininis has won many championships in his 30 years of competition, including 4th and 5th Army Service Rifle Champion, All Army Service Rifle Champion, Puerto Rico Service Rifle Champion, National Senior Service Rifle Champion and National Service Rifle team member.

His son, Bill Jr., also shot competition and as a junior, won two national championships and held five national records by age eighteen. Fininis lives with his wife Billy in Pipe Creek, and operates Bill's Lawnmower Repair Shop.

Fininis said that anyone interested in shooting should visit a monthly match held at Camp Bullis by the San Antonio Pistol and Rifle Club. Matches are held at 8 a.m. the last Sunday of each month, and Fininis said "the group is always looking for a few good men and women interested in high power rifle competition." Camp Bullis is located off I-10 just past the Dominion.

The Texas State Rifle Association is raffling off a Remington 700 BDL .260 Rem to help support the 1998 TSRA Service Rifle Team as they head to national competition.

For tickets for the rifle raffle, or more information on rifle competition, call Fininis at (830) 535-4322.

Bill Fininis is shown here as he prepares for the National Service Rifle Championships, to be held later this summer in Ohio. The Pipe Creek resident and Air Force veteran has competed at the national level for 28 years.

Brewfest is just 'round the corner

If you love the Medina Lake Cajun Festival and Great Gumbo Cook-off, then you'll the Medina Lake Brewfest and Catfish Fry, set for Saturday, June 6, from 4-10 p.m. at the Lakehills Civic Center, PR 37 in Lakehills.

Brewfest will offer guests the chance to try several micro-brewed beers and listen and dance to The Swingin' Country Band and the Mike Ellis Band.

Those interested in entering the Brewfest Home-brewed Beer Contest may call (210) 823-4598 for a copy of the rules, and location of drop-off points. Entry deadline is May 30.

Micro-brewed beers are those made by brewers who make fewer barrels of beer a year than mass-marketed brewers. Micro-brewed beers come in varieties including lagers, ales and stouts.

The difference between lagers and ales is the brewing temperature: ales were first brewed in Britain where it's warm, and lagers were brewed in cold caves in Germany. Lagers and ales tend to be more "full-flavored" than commercial beers, and recipes used are descendants of centuries-old European recipes.

Catfish plates, with all the trimmings will be available for $5 per plate. Sausage plates will be available for those who don't care for fish, and desserts will be offered. Gate admission will be $3, and includes a 14 oz. mug for sampling beer. You will have to pay for the beer, but organizers promise "it's worth it."

The Swingin' Country Band will play country and western music in the afternoon, and the Mike Ellis Band will perform dance music in the evening.

The festival is sponsored by the Medina Lake Betterment Association and proceeds from the festival benefit MLBA, a non-profit organization. The MLBA also sponsors Cajun Festival, an annual event that takes place Sept. 26, and features the best in Cajun music, food, entertainment and heritage.

For more information about Brewfest or Cajun Festival, call (210) 823-4598.

BMA honors Ward during conservation banquet

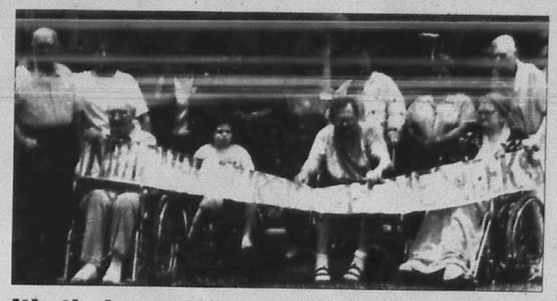
At its annual Conservation Awards Banquet held recently in Hondo, the Medina Valley Soil and Water Conservation District #226 awarded its Outstanding Business Professional Conservation Award to the Bexar-Medina-Atascosa Counties Water Control and Improvement District No.1, and its president, Johnny Ward. In making the award presentation, NRCS District Conservationist Lynn Post praised the leadership of the BMA and Ward.

Ward was humbled by the award and Post's kind remarks.

"I am a third generatin landowner in the BMA," Ward said. "My family has made its living farming with water from the district. I grew up drinking water dipped from the canals, and I travelled the ditches with my daddy and uncle as a boy. I love the BMA and want to see it last.

"I've worked hard to get the district in shape both financially and to deliver water efficiently. Medina Lake is a valuable resource for BMA landowners.

"BMA is looking to its future, and water conservation and generating revenues from the sale of water we can conserve will help secure the future."



It's their week

The folks at The Clark House, Bandera County's only nursing home, gathered on the lawn last week to hold up a banner celebrating National Nursing Home Week. National Nursing Home Week is held May 10-16 to honor the residents and staff of nursing homes throughout the nation.

Welch attends continuing ed seminar

Kay Welch, county treasurer from Bandera participated in the four-day seminar designed to update officials on current procedures, duties and responsibilities pertaining to their office.

"Certified County Treasurers: Empowered by the Past, Inspired by the Present, Focused on the Future" was the theme of the seminar sponsored by the Texas Agricultural Extension Service's V.G. Young Institute of County Government in cooperation with the County Treasurers' Association of Texas and the Texas Association of Counties.

County officials were updated on issues affecting their offices, such as banking regulations, unclaimed property laws and ethics.

County treasurers who attended all of the session of the seminar received continuing education units from Texas A&M University's Office of Continuing Education.

Treasurers are required to complete 20 hours of continuing education every two years in accordance with state law.

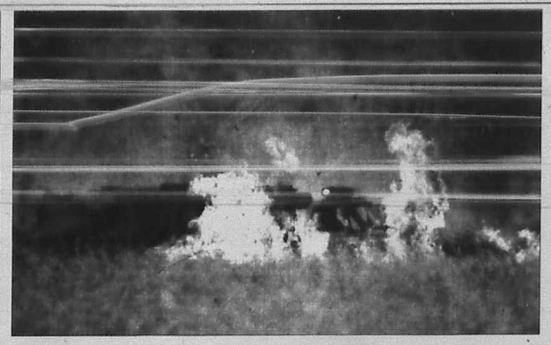
Dr. Schulze named Principal of the Year

Dr. Renee Schulze has once again been named "Principal of the Year" in the radio station Y100's "Principal of the Year" contest. A total of 85 principals were entered by their students and faculty and over 250,000 votes were cast.

It is estimated that Bandera Middle School students, faculty and parents cast over 100,000 of those votes to place Dr. Schulze in the winner's seat for a second year.

Dr. Schulze is completely dedicated to the education and welfare of each and everyone of her students and the respect she shows each of them is returned to her. Y100's presentation to Dr. Schulze will be held at a later date as yet to be determined.

The winners in all categories were as follows:
High School-Jefferson High School's Linda Vargas-Lew.
Middle School-Bandera Middle School's Renee Schulze.
Elementary School-Leon Springs Elementary's Mary Allen.



Really, they're OK

This Bandera fire truck, in spite of how it may appear, was not actually on fire. The unit was one of at least five from the Bandera Volunteer Fire Department that battled a blaze in a field of rye grass off RM 3240 Sunday for nearly half an hour. A burn ban is in effect for Bandera County as of May 12.

BISD superintendent Skip Pfeiffer congratulates Alexis Hutcherson and Jeremy Leland, the Bandera Optimist Club Students of the Year.

Hutcherson, Leland are named 'Students of Year'

Alexis Hutcherson and Jeremy Leland have been named Students of the Year by the Bandera Optimist Club. Each student will receive a $500 savings bond in honor of their accomplishments.

Alexis Hutcherson has been extremely busy during her school years. In the last two years alone, Alexis has been on the Bandera High School cheerleading squad,where she served as co-captain both her junior and senior years. Her cheerleading duties included conducting mini-camps for smaller children and hosting a Mother's Day Out program over Christmas. Her junior year, Alexis was named to Who's Who among High School Students and helped set up the Bandera chapter of Students Against Drunk Driving, of which she currently serves as president. The SADD chapter this year conducted a Spirit of Christmas Teddy Bear drive. Alexis was the co-chair of the prom committee and this year as a senior, she was voted Most Beautiful at her Senior Prom. Alexis has participated in several fund-raisers for Project Graduation. During the summer, she is employed at Sea World as a lifeguard where she was chosen Employee of the Month. She has been recognized by four different teachers as their Student of the Month.

Jeremy Leland has been the perfect example of a well-rounded student. Academically, Jeremy has been chosen three times for Student of the Six Weeks, received the school coverlet for making 20 As, was chosen Academic All-District for football and baseball for grades 10, 11 and 12 and for basketball in grade 11. Jeremy is a three year member of the National Honor Society.

Athletically, Jeremy participated in varsity football and varsity baseball for three years and varsity basketball for one year. Jeremy has received many athletic awards including All-District Honorable Mention second baseman, All-Greater San Antonio Sub SA Honorable Mention Designated Hitter, and All-District Honorable Mention wide receiver.

He has worked in Vacation Bible School for the past three years at Lakehills United Methodist Church and has been a Spirit of Christmas volunteer. Jeremy has been involved from the beginning, with his father, in the construction and maintenance of the Liebold Community Baseball field. Jeremy also donates his time by umpiring Little League games in Lakehills and Pipe Creek and volunteered for the past three years for the Optimist Club pass, punt and kick contest. Jeremy was selected as a DARE role model at Hill Country Elementary.

A Thought For The Week
by John M. Grimes

Through the years we have always shown sensitivity to the needs and desires of the families we have served...

We have felt through the years that the confidence and friendships of the people we have served is the best and only proof available that we at Grimes Funeral Chapels have met these demands.

Through the years we have always been truthful in answering any and all questions concerning our costs/services/facilities and merchandise. We have always believed that it is our responsibility to provide a range of prices and services that provide exactly what the needs and preferences of the consumer prefer. Over the years our service shows a remarkable consistency of economy. The many, many families of all faiths we have been privileged to serve will confirm this.

Please feel free to stop by or call for an appointment to discuss any prearrangements or prefinancing you might desire. We will answer any questions you might have. And remember, this is without any cost or obligation.

86 golfers in Over 50 event on May 13 at Lost Valley

The May 13 Over 50 Golf Association event drew 86 golfers out in smokey and hazy conditions to the Lost Valley Course in Bandera.

The team of Lacy Cannon, Ed Clark, Jack kempf and Moe Harbour took first place after shooting a nine-under-par 63 and winning a scorecard playoff.

Placing second were Clarence Tomlinson, Ed Wilk, Burt Tatsch and T.L. Proctor at 63.

Two teams also tied for third at 64, but the foursome of Lee Finch, Phil Rodriquez, Harold Plocek and Horace Fincher defeated the squad of Pat Ballard, Peter Jackson, Willis Dean and John McClenny on the scorecard playoff.

Fifth place went to Bill McCollough, Sue Ann Graff, Bert Bednarz and Art Haner who won a playoff over Aubrey Freeman, H.C. Day, Ken Hughes and Neal King after both teams shot a 65.

Bandera girls also compete at final State Track Meet in Royal-Memorial Stadium

AUSTIN – Medina High School sophomore Matt Bogler didn't even place in a track meet last spring.

In fact, his best high jump was five feet, 8 inches.

But this spring, under the direction of former Lamar University track team member and current Medina High School track coach Brian McCraw, Bogler captured the silver medal with a second-place finish at Saturday's UIL Class A State Track and Field Championships at Royal-Memorial Stadium.

Bogler cleared a career-best 6-6 at Regionals on May 2 to qualify for State. He matched that mark for second place in Texas among Class A high jumpers.

Justin Simpson of Blanket won the high jump at 6-9.

"Matt has done a great year and really matured this season," said Medina's first-year Track Coach McCraw. "He really worked hard and listen to what our coaches had to tell him. He improved 10 inches in one season."

Bandera's State qualifiers of juniors Shandra Zickler and Sarah Harris placed eighth in their respective events.

Zickler tripled jumped Saturday afternoon against a strong field. Her best jump of 35-11 1/2 put her in eighth place.

Frisco High School's Jacklyn Owusu was the winner of the Class 3A triple jump at 38-10 1/4.

Harris ran the 200-meter dash late Saturday night and placed eighth with a time of 26.18.

Atlanta's Sargh Haydel was the 200 gold medalist at 24.34.

"It was a great experience for both," said Coach Stephanie Coates.

Free golf tournament for local, area chambers at Flying L on June 5

For the 2nd annual Flying L Guest Ranch Chamber Shoot Out scheduled June 5 at the Bandera Resort and Conference Center, there's no registration fee, no mulligan charges, silent auction items or raffle tickets.

This event is absolutely free.

This one-of-a-kind event honors those who spend countless hours as members of chamber of commerce board of directors.

Invitations have been mailed to members serving 16 area chambers including San Antonio, Bandera, Kerrville, Fredericksburg, Boerne and more.

Registration begins at 8:30 a.m. with a shotgun start to follow at 10 a.m. on June 5 (a Friday).

Said Flying L Guest Ranch Owner-General Manager, "We held this tournament last year as a way of saying thanks to these dedicated individuals. Judging on the comments we received, it was a resounding success and players even asked if they could be invited back again this year.

"Time and time again these folks step up to the plate to play in tournaments to support worthy causes. They end up spending even more money on mulligans, raffle tickets and auction items. So we decided to host a tournament to say thanks and provided these community leaders with an entire day of fun for free.

American Airlines and Wilson Sporting Goods are co-sponsoring this year's event.

North San Antonio Chamber of Commerce President Duane Wilson said, "A large number from our chamber played last year and this event is unlike any I've seen. The hosts and staff were so accommodating. They really go out of their way to make it a great tournament and we're looking forward to another great day."

Another highlight of this event is the five food stations scattered strategically around the course. Call 1-800-292-5134 for more information.

Ahlfors, Harbour, Smith and Williams top field

Jim Ahlfors with eight points, Greg Harbour with seven and Harry Smith and Phil Williams with six points apiece grabbed top honors in the weekly Stableford golf tournament sponsored by the Good Old Boys Golf League at Bandera's Flying L Course.

Finishing in a tie for fifth in last Monday's event were Fred Wilson and Dick Provost, who each finished with five points. Al Kindla and Bill Kelley were next with four apiece.

The Good Old Boys play each Monday morning at 9 o'clock at the Flying L. Be at the course and sign up by 8:15 a.m.

Holts honored for 50th

Arthur and Doris Holt of Bandera County celebrated their golden wedding anniversary on March 1, 1998. The Holts were lovingly honored with a two-day family celebration at the home of their daughter, Pam Reilly of Goliad, Saturday, Feb. 28 through Sunday March 1.

Saturday dinner festivities were livened up by the surprise arrival of Wallace Ringeisen of Port Orange, Florida, brother of Doris Holt. "Uncle Wally" had a wonderfully sentimental gift for the Holts, a quilt assembled by Linda Ringeisen ("Mrs. Uncle Wally") was made from quilt pieces left by Mrs. Holt's mother.

Dinner was at La Bahia Restaurant in Goliad. Sunday was a huge family barbecue with all the trimmings. The Holts received many nice gifts.

The Holt's golden anniversary "event" was joyfully given by: Pamela and Bill Reilly, Art Holt II, Erica and Chris Perez, Ric Rodriguez and Frances Maldonado, Wendy Holt and Larry Nichols, Trey Holt and Gem Tremble, Jessica Holt, Chara Mitchell, great grandchildren Christopher and Caitlin Perez, Amie Rodriguez, Joshua Thompson and Dustin Holt, and Noel and Yolanda Goodloe.

Funtier Day Parade

What do horses, decorated cars, marching bands and decorated floats all have in common? They are the key elements that make up Bandera County Chamber of Commerce's Annual Funtier Day Parade.

The parade kicks off at 10 a.m. Saturday morning rain or shine with over 100 entries. The parade route is Main Street Bandera from Super 8 to Bandera Bank.

Gather up your friends and join in the fun. If you would like to enter the parade, give the Chamber a call at 796-3045.

BCA to hold meeting

Bandera Cemetary Association invites the public to its annual Memorial Day service and meeting to be held on Monday, May 25 at 10 a.m. at the Church of Christ, Sycamore and 13th streets in Bandera. After a memorial service, a brief business meeting will be held. Officers and executive committee members for the association will be nominated and elected. Copies of the association's annual report will be given to those present.

Annual dues are payable at this time, at a cost of $10 per lot per year for those who are not members of the Permanent Fund. Becoming a member of the Permanent Fund costs $100 for each lot, which is one burial space, or $200 for lots with no more than five burial spaces. This is a one-time charge for permanent maintenance; the interest from this fund is used for mowing, road maintenance and general upkeep of Bandera Cemetery. The principal of the Permanent Fund remains intact; it is invested in local banks and in Smith-Barney, Inc.

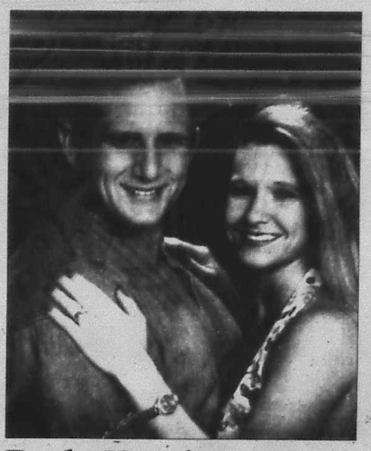
Please mail dues to: Dorothy Womack, Secretary-Treasurer, Bandera Cemetery Assoc., P.O. Box 424, Bandera, TX 78003.

Arkey Blue's Silver Dollar celebrates 30 years

Arkey Blue was honored with a surprise party on Friday, May 1, commemorating his 30th anniversary as owner of the Silver Dollar.

After Arkey and his band, The Blue Cowboys, performed before an enthusiastic crowd, Chamber of Commerce Director, Linda Marks, presented him with a plaque for providing 30 years of Bandera entertainment. South Texas cowboy, Adrian Lopez, recited a poem he had written about his first visit to the world famous Silver Dollar. Then, Vivian Schmidt presented Arkey with an engraved Montana Silver luggage tag from Elaine Small and Bobbie Hastings of Diamond T Trading Post and a pair of customer-made silver and gold collar tips, which were a gift from about 170 friends and family.

Guest enjoyed an evening filled with lots of country music and friendship.



Raab, Haecker to wed

Michelle Diane Raab of Austin, daughter of Mr. and Mrs. Harvey Raab, Jr., of Bandera, is engaged to Matthew Erich Haecker of Austin, son of Mr. and Mrs. Arno Haecker of San Antonio. The bride to be is a graduate of Bandera High School and is currently attending college in Austin. Her fiancé is a graduate of Clark High School and the University of Texas at Austin. The couple plans to marry June 13 at St. Matthew's Catholic Church.

BMS takes part in News Bowl

Bandera Middle School recently participated in News Bowl USA 1998. The News Bowl is state and national current events knowledge competition open to 4th-8th graders. The contest was administered by computer and tested student knowledge of current events from January 1 to February 28 of 1998. Teams competed in five different grade level divisions. The contest was administered in the individual schools in March.

The purpose of the News Bowl is to motivate elementary and middle level students to pay closer attention to news for a two-month period. Students were then tested by a 100 multiple choice question covering all aspects of the news.

More than 60,000 students took part in News Bowl USA 1998. Participating from Bandera Middle School were 6th grade students from Team Taz: Alyssa Johnson, Nick Scott, Tara Hicks, Bobby Nowell and Zach Strait. They finished 16th in the state of Texas.

The BMS Competition Squad would like to express it's gratitude to:
Mr. Coates and the staff of the BMS NEWS
and to
The BMS Football Coaches: Coach Morrison, Lenz, Castilla & Derry.
They donated the necessary funds to purchase a much needed school mascot uniform.
Without their generosity and support, our program would not be the same!

WE THANK YOU FROM THE BOTTOM OF OUR HEARTS!

Flying L Guest Ranch now locally owned

John Junker, the current general manager of the Flying L Guest Ranch and Conference Center, along with Trip duPerier, a Hill Country and South Texas ranch broker, have purchased the 542-acre resort from Hill Country Management Co. of Minneapolis, Minnesota.

One of the oldest Hill Country resorts, the Flying L caters to corporate meetings and retreats for companies such as HEB Food Stores, Pace Foods Ltd., and SMC Communications, Inc., as well as to the family leisure market.

The Ranch has over 3,000 square-feet of meeting space, 41 villas, an 18-hole championship golf course, swimming, tennis and horseback riding. It is one mile west of Bandera on Highway 173.

The Flying L was converted from a working ranch to a recreational ranch in the 1970s. In 1987, it was acquired by Hill Country Management, Inc., a subsidiary of FBS Property Resources Co. of Minneapolis.

Junker will continue to function as general manager for the Ranch. Together, Junker and duPerier are committed to unceasing excellence. Junker says, "Our goal is to create a unique destination facility that specifically caters to a broad base of corporate and leisure needs while providing unmatched customer service. This will be accomplished through a sense of urgency by our staff, and the eagerness to say 'Yes I can.'

"I intend to continue providing a value based product. And, not many facilities are as diverse as the Flying L. We offer something for everyone—conference facilities, great food, suite style lodging, western entertainment, children's activities, nature hiking, fishing and more. A regular guest at the Flying L always says, 'Whoever said that you can't have it all, has never been to the Flying L Guest Ranch.'"

Junker adds.

With a dual degree from the University of Wisconsin in business/finance and hotel and restaurant management, Junker joined the Flying L Guest Ranch in 1985 as the golf professional. From 1988-1993, he served as the director of golf for both Lake Arrowhead Golf Course in Wisconsin and the Ranch. He was named general manager of the Flying L Guest Ranch in 1993.

Currently the president of the Bandera County Convention and Visitors Bureau, Junker also is a PGA Program Member and a national paid staff member of Wilson Golf.

duPerier graduated from Lamar University in Beaumont, Tx and moved to the Hill Country 12 years ago to sell live water ranch properties. According to Junker, "since that time, he has never looked back. duPerier has the uncanny knack of getting things done. He envisions and understands the big picture; he is a planner, not a reactor," Junker says.

"Within the next 12 to 18 months, we will be making numerous changes at the Ranch, not only to improve the aesthetics of this magnificent property, but also to enable us to be more responsive to our guests.

"We have purchased the property between Hwy 173 and our main entrance to display vintage by-planes to further strengthen the Flying L Guest Ranch history and name. We will be creating additional break-out meeting rooms for our corporate clients, and building new villas. Our plans call for upgrades on the 18-hole golf course to make it even more enjoyable and fun," he says.

Junker says that the Flying L was opened as a dude ranch in 1946 by retired Navy colonel Jack Lapham. "It was his dream to create a place where a modern person could go and find himself in the midst of yesterday.

"Because Lapham loved to fly, he built an airstrip and ran a flight school. A number of new aircraft designs were introduced at the Ranch during that time. He contracted with an associate of Frank Lloyd Wright to design and build most of the Ranch's villas. It became a favorite 'watering hole' for war heroes, movie stars and literary giants who would fly in from Hollywood, and land at the airstrip. The television show, "The Cisco Kid," was filmed at the Ranch," Junker adds.

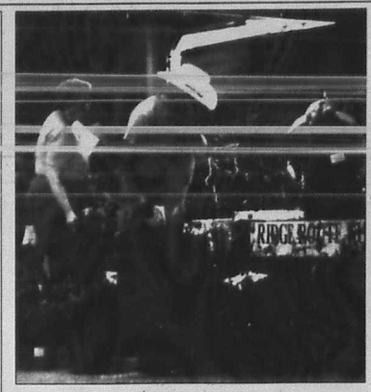
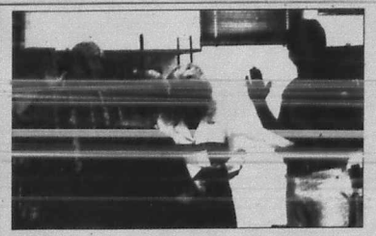
Sign of better days to come

This is one of two billboards which have been place in San Antonio promoting the Bandera Police Department's Project X-Tattoo project. The police department has received numerous phone calls since the signs were placed, inquiring about the program, which is designed to remove gang and other tattoos from persons trying to change their lives.



Pondering a purchase

These folks were checking out Ridge Route Nursery's offerings at one of the many booths at Saturday's Xeriscape/Conservation show at the Fair Barn in Bandera's Mansfield Park. Attendence was good at the show, which featured booths of all types, special speakers and plenty of information. The show was hosted by the Springhills Water Management District and sponsored by the Bandera Bulletin.



I do solemnly swear

Al Hamilton, Susan D'Spain and Rand Hicks shared a light moment as they were sworn in as trustees on the Bandera Independent School District board on May 12.

Harrell named NSDAR registrar general

Mrs. John Kenneth Harrell of San Antonio was elected Registrar General of the National Society Daughters of the American Revolution during the 107th Continental Congress held in Washington, D.C. April 19-24.

Since joining Bandera Chapter as a junior member in 1974 Barbara Tucker Harrell has compiled an outstanding record of service to the National Society Daughters of the American Revolution.

She is a past vice president general (1994-1997), honorary state regent of Texas, former national chairman public relations and congress public relations, national vice chairman junior membership, member long range planning commission, DAR speakers staff, congress program committee, museum correspondent docent and congress page.

Harrell recommended formation of the Outstanding Junior Club, adopted in 1981. She has served on the Tamassee DAR School Board of Trustees and Advisory Committee and Kate Duncan Smith DAR School Finance Committee.

Highlights of her administration as Texas state regent (1991-1994) include the $25,000 endowment of an occupational therapy scholarship at the University of Texas School of Allied Health Sciences; Armed Services Awards III presented to outstanding students at Brooke, Randolph and Reese Air Force bases; endowment of a $10,000 scholarship at Berry College; restructuring of a 1905 Student Loan Fund into a $12,000 Teachers Education Scholarship, Sam Houston State University; organized ten new chapters; produced a "Juniors of Texas" video to encourage young women to join the DAR and become active in its many phases of work.

Harrell also instituted the Texas State Chorus, Page Club and Past Juniors Club. She presented significant artifacts to the Texas Room, DAR Museum, Yochim Gallery and the Office of the Organizing Secretary General.

She is also a state promoter and life promoter of the National Society Children of the American Revolution, has received two Medals of Appreciation from the Sons of the American Revolution, the Martha Washington Medal, Daughters of Liberty Medal and Silver Good Citizenship Medal.

The Harrells are parents of two sons and two daughters all of whom are former CAR members and now are DAR/SAR members.

Mrs. Harrell was one of 11 associate candidates on the slate of Mrs. Dale Kelly Love, of Mississippi, who was elected president general. The new officers will serve from April 1998 to April 2001.

Since it was founded October 11, 1890 in Washington, D.C. the DAR has continued to pursue its three major objectives: promotion of patriotism, education, and historic preservation. DAR now has about 178,000 members in 50 states and the District of Columbia, Canada, France, England, Mexico, and Australia. There are about 3,000 chapters.

Students design fuel efficient homes

As part of their study of energy and the environment, 28 Utopia Junior High School students have developed some creative and eye-catching home designs.

The designs used lots of shading and ceiling fans. All incorporated materials and techniques for making the homes as energy- and water-efficient as possible. One was even designed to be built under water.

The eight homes and an electric car, designed by the seventh- and eighth-graders, were part of an activity on energy-efficient home design in a school program, "In Concert with the Environment," cosponsored by Bandera Electric Cooperative and the Lower Colorado River Authority.

"In Concert with the Environment" helps students learn how their wise use of energy and natural resources benefits the environment. BEC and the LCRA cosponsor the program at junior-high schools in Leakey and Utopia.

Students formed teams and spent several weeks researching and designing their homes, then "sold" their floor plans in an April 22 contest judged by Larry Kirk, BEC member services and system safety advisor, and Manuel Rubio, manager of BEC's Leakey branch office.

The team of Jessica Taylor, Kelly Sharp, Eleanor Prest, and Katie Lavinghousez won Most Original Design for their home, incorporating wood furniture, ceiling fans and solar screens.

A home designed by Cory Dibbens, Lance Moffett, Chance Dean, and Steven Diaz won an award for Most Aesthetically Pleasing.

Winning an award for Most Energy Efficient was the team of Kim McGuyer, Liza Prest, Toby Casparis and Bonnie Corwin.

Also participating were Colby Bomer, Jerrod Carpenter, Joey Lavinghousez, James Long, Erica Madera, Travis Mann, Stephanie McGilvaray, Jarrett Nack, Joshua Potter, Jennifer Powell, Jessie Powell, Josef Richarz, Travis Sutherland, John Thornton, A.J. Triner and Joshua Wiekamp. Ann Jones is the students' teacher.

"The designs showed the students had put a lot of research and thought into their designs," Kirk said.

Even the underwater house, though it did not win an award, impressed the judges because the students showed how oxygen would be pumped into the home.

For more information, contact Kirk at BEC at 830-796-6030.

PUBLIC NOTICES

NOTICE OF APPLICATION FOR STATE FINANCIAL ASSISTANCE FOR THE DEVELOPMENT OF A SCOPE OF WORK FOR A REGIONAL WATER PLAN

The Upper Guadalupe River Authority (UGRA), on behalf of the Region 'J' Regional Water Planning Group (RWPG) for the Senate Bill 1 Regional Water Planning Program, is providing notice that it will submit an application for financial assistance for the development of a Scope of Work for a Regional Water Plan to the Texas Water Development Board (TWDB). The Region 'J' has been established under provisions of Texas Senate Bill 1 to develop a regional water plan for the TWDB Region 'J', which includes the following counties: Bandera, Edwards, Kerr, Kinney, Real, and Val Verde. The Regional Water Plan for this area will identify specific strategies to meet the water demands of all categories of water use for the next 30 years, and identify options to meet these water needs 30 to 50 years into the future.

The first task in the planning process is the development of a scope of work for the water plan. Notice is hereby given that a public hearing of the Region 'J' RWPG will be held Thursday, June 25th, 1998, beginning at 2:00 p.m., at the American Legion Park Building in Rocksprings, Edwards County, Texas, to receive public comment on the items that may be included in the scope of work and to gather suggestions and recommendations as to issues that should be addressed or provisions included in the regional water plan.

The Region 'J' RWPG has designated the UGRA to make application to the TWDB for state financial assistance for the development of the scope of work. Copies of the application may be obtained from the UGRA offices at the address below. Any comments on the application must be filed with the Executive Administrator of the TWDB (see address below) and the UGRA within 30 days of either the date of publication of this notice or the postmark date of this notice.

Rules for the Senate Bill 1 State and Regional Water Planning Program are contained in 31 Texas Administrative Code, Chapters 355, 357 and 358. Additional information may be obtained from the TWDB (TWDB internet address: http://www.twdb.state.tx.us) or from Springhills Water Management District (see address below).

Making Triad work

BANDERA TRIAD

"A concept in action"

As Triad's role develops and expands, the council assumes an active and indispensable role. Council members learn of the availability of the programs that already exist and recommend additional strategies for either complementing existing programs or beginning new ones. The term "coalition building" is frequently used to indicate this partnership approach to community issues and solutions.

Triad may accomplish their goals through one county-wide council or several, depending upon the size of the county, the population and the wishes and needs of the area's citizens.

May declared 'Better Hearing Month'

Bandera Mayor Bob Cowan issued a proclamation recently declaring May to be Better Hearing Month in the city of Bandera. The proclamation, issued May 1, read in part:

"Whereas, hearing loss constitutes our nation's number one handicap, affecting one out of twelve Texans and 22 million nationally; and,

"Whereas, most people with such problems can be helped through surgery or amplification by use of hearing instruments; and,

"Whereas, the leading national and regional organizations concerned with hearing problems have joined together in a common desire to promote public awareness through an intensive annual effort; and,

"Whereas, the Texas Hearing Aid Association is committed to helping all hearing impaired citizens of our city learn that the first step toward obtaining help is knowing that help is available; and,

"Whereas, such an effort will help encourage and stimulate early detection of disorders, proper prevention and treatment, and greater public understanding of hearing impairments: Now, Therefore,

"I, Bob Cowan, mayor of the city of Bandera, Texas do hereby proclaim the month of May 1998 as Better Hearing Month in the city of Bandera and urge all citizens to learn more about hearing disorders and to join in the effort to create a more enlightened public attitude and response to this malady."

Three residents enjoy May birthday honors

THE CLARK HOUSE

by Mada Fitzgerald

460-3767

Pastor Dennis Thompson from Bandera United Methodist Church used for his text Sunday, John 15:9. Pianist was Judy Goodenough and guest was Ella Sprott.

On Monday morning Josie Kluna, Dorothy Callahan, Fannie Caffall, A.P. Laibham and Annette Kalka-Schulte from St. Stanislaus Catholic Church visited, prayed and sang with resident friends Brenda Adam, Wilobel Bruce, Jeanetta Adamietz, Mattie Gray, Lorene Billings, and Peggy Jacobs.

Nancy Westly and Alicia Fleming came to play bingo with several of the residents Monday morning.

Tollie Burnett came Tuesday morning to read to the residents.

Martin Smith from the Church of Christ came Wednesday morning for Bible reading with the residents.

The residents enjoyed the Birthday Party Wednesday afternoon. Celebrating birthdays in May were Gertrude Reavis, Ione Clausewitz and Evelyn Carnes.

Harvey Rogers came Thursday morning to sing to the residents, which they always enjoy. The residents always enjoy the volunteers who come to entertain them with reading, church services, bingo, songs, etc.

Vicki Sue Terry from Hill Country Elementary brought the fourth grade to visit with the residents. Signing the guest book were sixteen of Terry's students.

Vera Nickols and Olga Bolduc came Wednesday and gave out pretty flowers to everyone. Thanks to Punkie of Eckhart's Flower Shop.

Roger Bolduc from St. Stanislaus Catholic Church came Friday to give out communion to members of the church.

Pianist Judy Goodenough and songleader Randi Williams from Bandera United Methodist Church came Friday morning for sing-a-long with the residents.

Fran Pue and Patricia Baker from Hill Country Trinity Chapel came for Church services with the residents Saturday.

We welcome Helen Williams, Harriet Stricker and Mary Anderwald to our home and hope they enjoy their stay with us.

We're happy to report Edward Wiley and Helen Reed home from the hospital feeling much better.

St. Christopher's receives Alkek Grant

St. Christopher's Episcopal Church in Bandera has received a gift of $17,500 from the Albert and Margaret Alkek Foundation of Houston. This generous gift enables St. Christopher's to have full-time clergy present in the mission and ministry of the church. St. Christopher's is a growing church and has been generously supported over the years. Regular Sunday services at the church are at 8:30 a.m. and 11 a.m., with Sunday School for all ages at 10 a.m. A mid-week service is held on Wednesday at 9 a.m. Everyone is welcome at the services. For more information, please call the church office at 796-4387.

Officers selected

The Bandera County Christian Fellowship met May 13 and selected officers for 1998. Elected as president was Dennis Thompson of the Bandera Methodist Church. Vice-president is C.W. Edens of the First Baptist Church of Pipe Creek, treasurer is Mary Garcia of the First Baptist Church in Bandera, and secretary is Marcia Bower of St Stanislaus Catholic Church in Bandera. The term is one year and officers assume their duties immediately.

VBS plans underway

Plans are underway for this year's Hawaiian-themed Vacation Bible School at the Bandera United Methodist Church. Children three years old through fifth grade are encouraged to participate. Volunteers are needed to be teachers, helpers and various activity coordinators. Anyone wishing to volunteer their time or donate supplies, snacks or other materials should call Serena Whitewood at 796-4271 as soon as possible.

"Teaching Vacation Bible School is a lot of fun because the children are so excited about it," said Whitewood. Previous classroom or Bible School experience is not a requirement. Anyone interested in teaching children is encouraged to participate. A special training seminar has been set for Sunday, June 7 at noon at the United Methodist Church in Bandera.

Pastor Roy's Sermon in a Nut Shell
Thank God Noah was a God fearing, righteous man. If he was not, you and I would not be here. (Gen 5, 6 & 7) Good needed to find just one person who would love Him, or he would have destroyed ALL of mankind with the flood. (II Peter 2:5) I thank you Noah!

Making Triad work

BANDERA TRIAD

"A concept in action"

As Triad's role develops and expands, the council assumes an active and indispensable role. Council members learn of the availability of the programs that already exist and recommend additional strategies for either complementing existing programs or beginning new ones. The term "coalition building" is frequently used to indicate this partnership approach to community issues and solutions.

Triad may accomplish their goals through one county-wide council or several, depending upon the size of the county, the population and the wishes and needs of the area's citizens.

May declared 'Better Hearing Month'

Bandera Mayor Bob Cowan issued a proclamation recently declaring May to be Better Hearing Month in the city of Bandera. The proclamation, issued May 1, read in part:

"Whereas, hearing loss constitutes our nation's number one handicap, affecting one out of twelve Texans and 22 million nationally; and,

"Whereas, most people with such problems can be helped through surgery or amplification by use of hearing instruments; and,

"Whereas, the leading national and regional organizations concerned with hearing problems have joined together in a common desire to promote public awareness through an intensive annual effort; and,

"Whereas, the Texas Hearing Aid Association is committed to helping all hearing impaired citizens of our city learn that the first step toward obtaining help is knowing that help is available; and,

"Whereas, such an effort will help encourage and stimulate early detection of disorders, proper prevention and treatment, and greater public understanding of hearing impairments: Now, Therefore,

"I, Bob Cowan, mayor of the city of Bandera, Texas do hereby proclaim the month of May 1998 as Better Hearing Month in the city of Bandera and urge all citizens to learn more about hearing disorders and to join in the effort to create a more enlightened public attitude and response to this malady."

Three residents enjoy May birthday honors

THE CLARK HOUSE

by Mada Fitzgerald

460-3767

Pastor Dennis Thompson from Bandera United Methodist Church used for his text Sunday, John 15:9. Pianist was Judy Goodenough and guest was Tim Sprott.

On Monday morning Josie Kluna, Dorothy Callahan, Fannie Caffall, A.P. Leibham and Annette Kalka-Schulte from St. Stanislaus Catholic Church visited, prayed and sang with resident friends Brenda Adam, Wilobel Bruce, Jeanetta Adamietz, Mattie Gray, Lorene Billings, and Peggy Jacobs.

Nancy Westly and Alicia Fleming came to play bingo with several of the residents Monday morning.

Tollie Burnett came Tuesday morning to read to the residents.

Martin Smith from the Church of Christ came Wednesday morning for Bible reading with the residents.

The residents enjoyed the Birthday Party Wednesday afternoon. Celebrating birthdays in May were Gertrude Reavis, Ione Clausewitz and Evelyn Carnes.

Harvey Rogers came Thursday morning to sing to the residents, which they always enjoy. The residents always enjoy the volunteers who come to entertain them with reading, church services, bingo, songs, etc.

Vicki Sue Terry from Hill Country Elementary brought the fourth grade to visit with the residents. Signing the guest book were sixteen of Terry's students.

Vera Nickols and Olga Bolduc came Wednesday and gave out pretty flowers to everyone. Thanks to Punkie of Eckhart's Flower Shop.

Roger Bolduc from St. Stanislaus Catholic Church came Friday to give out communion to members of the church.

Pianist Judy Goodenough and songleader Randi Williams from Bandera United Methodist Church came Friday morning for sing-a-long with the residents.

Fran Pue and Patricia Baker from Hill Country Trinity Chapel came for Church services with the residents Saturday.

We welcome Helen Williams, Harriet Stricker and Mary Anderwald to our home and hope they enjoy their stay with us.

We're happy to report Edward Wiley and Helen Reed home from the hospital feeling much better.

Duly Noted...

St. Christopher's Episcopal Church in Bandera has received a gift of $17,500 from the Albert and Margaret Alkek Foundation of Houston. This generous gift enables St. Christopher's to have full-time clergy present in the mission and ministry of the church. St. Christopher's is a growing church and has been generously supported over the years. Regular Sunday services at the church are at 8:30 a.m. and 11 a.m., with Sunday School for all ages at 10 a.m. A mid-week service is held on Wednesday at 9 a.m. Everyone is welcome at the services. For more information, please call the church office at 796-4387.

Officers selected

The Bandera County Christian Fellowship met May 13 and selected officers for 1998. Elected as president was Dennis Thompson of the Bandera Methodist Church. Vice-president is C.W. Edens of the First Baptist Church of Pipe Creek, treasurer is Mary Garcia of the First Baptist Church in Bandera, and secretary is Marcia Bower of St Stanislaus Catholic Church in Bandera. The term is one year and officers assume their duties immediately.

VBS plans underway

Plans are underway for this year's Hawaiian-themed Vacation Bible School at the Bandera United Methodist Church. Children three years old through fifth grade are encouraged to participate. Volunteers are needed to be teachers, helpers and various activity coordinators. Anyone wishing to volunteer their time or donate supplies, snacks or other materials should call Serena Whitewood at 796-4271 as soon as possible.

"Teaching Vacation Bible School is a lot of fun because the children are so excited about it," said Whitewood. Previous classroom or Bible School experience is not a requirement. Anyone interested in teaching children is encouraged to participate. A special training seminar has been set for Sunday, June 7 at noon at the United Methodist Church in Bandera.
