Cecil Atkission Motors in Kerrville, Texas is combining their entire inventory of new and used vehicles and marking them with the LOWEST POSSIBLE PRICE! Cecil Atkission Motors must do this to reduce as much of their inventory as possible by October 26, 2004. Tate Richburg, General Sales Manager of Kerrville, has instructed all of his managers and sales staff to

"SELL! NO MATTER WHAT THE PROFIT OR LOSS!" When interviewed. Tate said. "I would rather sell these vehicles to local customers at a loss than take them to the auction. As far as Cecil Atkission Motors is concerned, we will do whatever it takes to eliminate inventory before the end of the Tent Event. If you are in the market for ANY vehicle...car, truck, van or sport utility...new or used, then you MUST come to Cecil Atkission Motors in Kerrville and take advantage of this sale."

> **SEE THE BACK PAGE FOR A** SAMPLE OF OUR \$3 MILLION **WORTH OF INVENTORY!**

**NO ADVANCE SALES!!** 

**Expected To Have Over 300 Vehicles Available For This Event!** 

Has buying a car been too time consuming for you in the past? www.approvedtodrive.com

can simplify the buying process by getting an INSTANT CREDIT APPROVAL and you'll be on your way to owning the vehicle of your choice!!!

Millions of Dollars In Credit Will Be Available For This Event. If You've Had Credit Problems In The Past, We Have Bank Sources Seeking New Accounts. We've Helped Hundreds Of Financially Troubled Customers. Bring Current Driver's License, Home Phone Bill & Paycheck Stub.

For the past 12 years, I have served a vest area of Texas that includes farm and ranch land, urban areas; therein patch, 800 miles of Texas Mexics land, and the same patch, 800 miles of Texas Mexics land, and the same patch, 800 miles of Texas Mexics land, and the same land, and the same land, and the same as with a conservative volor that reflects the people of the 23rd Congruented.

# Why Your New Congressman is Right for Bandera County.

So what can you expect? My record for the last 12 years speaks more clearly than any promise I can offer. A record that supports families, small businesses, seniors, tax payers, the military and the security of our country.

As a member of the Appropriations Committee, I directly affect the funding of our military and intelligence organizations. I will make sure they, and the President, have the resources they need to vin.

But to do so, I need your support and your vote to continue serving you faithfully and actively in the U.S. Congress.

Opening the door to opportunity is easier when you have the key.

We know, because for more than 80 years we've been helping people find the way to invest in land for recreation, weekend escapes or a country home. We're Capital Farm Credit, your locallyowned and operated Agricultural Credit Association.

You won't find a better understanding of the value of land, or a deeper appreciation of your desire to own a piece of it.

In the end, we provide more than just the means to buy property. We help people open the door when opportunity knocks.

The ways and means.

# A Texas Education Agency "RECOGNIZED" School District

"Success Spoken Here!"

Bandera Independent School District P.O. Box 727 · Bandera, Texas 78003 (830) 796-3313 • www.banderaisd.net

D andera ISD has increased in size to over 2,600 incredible students! We have grown from Done school housing all of our K-12 students, to four outstanding campuses. Alkek Elementary School is located about two miles south of the intersection of Highways 16 and 173 in Bandera. Alkek was built in 1985 and has an enrollment of almost 600 students. Hill Country Elementary, built in 1995 is located about six miles south of the intersection of Highways 16 and 1283 in Pipe Creek and houses over 500 students. Hill Country Elementary has been rated an "Exemplary" school by the Texas Education Agency (TEA) for three consecutive years. Bandera Middle School, is located in the city of Bandera on the corner of Cherry and 11th Streets. RMS has a student population of over 600 students. Banders High School built in 1974 is located about one-half mile east of town on Old San Antonio Highway. Home to over 800 proud Bulldogs, BHS is rated "Recognized" by the TEA and was named a Blue Ribbon School by the U.S.

Decause of the District's growth, our voters approved a \$26.7 million bond in May 2002. This Board is being used to make improvements and build additions at all four Bandera ISD campuses. A new academic wing has been added to both Alkek and Hill Country Elementary. With the exception of two historic buildings, a new Middle School is being built to accommodate up to 1,000 students. Bandera High School is receiving major upgrades and academic, fine arts, and athletic additions. A brand new support facility for transportation, maintenance, and school nutrition services has been opened since October 2003. The district also purchased 80+ acres of land in the Pipe Creek area for future construction needs.

We are preparing ourselves for the challenges of the future. Our educators touch the lives of the students they serve with eyes that see the potential of every child, and hearts that embrace their every dream. Take the time larvisit our great schools! See for yourself how we are building a future of success, one student at a time. Bandera ISD: "Success Socken Rerel"

Dear customers, As you might have seen, we have officially broken ground. At this point, we

are not sure of our completion date, as with any new building it will depend a lot on the weather. The fact remains that we are very excited about the future of Bandera Chevrolet and how we will be able to serve our customer's needs. I appreciate how patient and understanding everyone has been since our move to the temporary location. We have been fortunate that all our patrons are so nice and realizing our reduction in space. It took a little changing of our system, but we have adapted and have been productive in serving your requests. I would like to show my appreciation to everyone by offering several cou to keep your vehicle running great and keep a little money in your pocket.

With more than 83 million acres of available deer range, there is plenty of opportunity for Texas white-tailed deer to roam. And with so much of that country in ideal condition. Texas Parks and Wildlife Department biologists suggest hunters may have to cover more ground than they are

accustomed to in order to be successful this The good news is there are more than 4 million white-tailed deer in the Lone Star State and thanks to excellent range conditions; they should be in great shape with above average antler development and high

The white-tailed deer is arguably the tions. The successful hunter will be the number one game animal in Texas, attractone who gets out and hunts extensively, he ing more than 500,000 hunters and more than \$2.5 billion annually. Many small communities in the Hill Country and South Texas receive a good portion of their annual economic base from hunting. Llano County, for example, plays host to more than 15,000 hunters who contribute more than \$3.5 million to the area economy.

The general deer season opens Nov. 6 statewide, except for a few counties in the Panhandle, marking the first time in many years that the North and South Zones share. the opener. year's deer hunting regulations, those hunters on managed lands should welcome one alteration. The TPWD Commission has eliminated the need for "double tagging" on certain properties. According to e new rules now in effect, hunters who take deer on properties holding deer permits that require permit tagging, such as Managed Lands Deer Permits, Landowner Assisted Management Permits or on TPWD-drawn public hunts would not have to use a deer tag from their hunting license What this means for affected hunters and landowners is less redundant paperwork and a simpler tagging system. It also means bonus deer tags are no longer needed.

The new rule also means hunters who purchase their license by phone or online will not have to wait for the actual paper hunting license to be mailed to them before they can hunt deer on lands using deer permits. The authorization number given at the time of our have will do until the actu-

Don't Wait!

The natural gas industry has an excellent safety record and TXU Gas\* works very hard to keep it that way.

It's important that our customers and community residents know what to do in the unlikely event of a natural gas leak. The presence of natural gas can be detected in three ways.

SMELL: A distinctive "rotten egg" odor is added to make natural gas detectable USTEM: An unusual hissing sound near gas appliances or a blowing sound near gas lines

LOOK: Blowing dat, bubbling creeks or ponds, dry spots in most areas or dead plants surrounded b

green live plants near gas lines.

LEAVE the area IMMEDIATELY.

DO NOT are any lights on or off, sincke or use a cell phone, DO NOT operate any vehicle or equipment that could cause spurks.
 CALL TXU Bos from a safe distance at 1-800-817-8090.
 DO NOT attempt to term natural gas valves on or off.

TXU Gas will send a trained service technician immediately to investigate any das emergency.

If you smell gas, call 1-800-817-8090.
